Top 4-H awards

Faye Mullino of Rochester was presented the F. W. Martin Memorial Achievement award from Mrs. Mary H. Martin, left, and the 4-H Gold Star award by County Judge B. O. Roberson.

Faye Mullino takes top 4-H awards

A 17-year-old Rochester girl has been named Haskell County's outstanding 4-H member.

Faye Mullino, daughter of Mr. and Mrs. George Mullino, was selected for the 4-H Gold Star award. The Rochester senior also received the F. W. Martin Memorial Achievement award.

Both awards were presented at the Haskell County 4-H awards program.

To be considered for the Gold Star award, the county's highest 4-H award, a 4-H'er must possess excellent leadership and citizenship abilities, have outstanding academic credentials and have responsibilities outside 4-H work in church and community activities.

In recognition of her selection, Faye received a Gold Star pin, compliments of the state 4-H office and a U.S. Savings Bond and 4-H jacket, courtesy of Home State Bank in Rochester. In addition, she and her parents will be special guests at the District 4-H Gold Star banquet in Haskell Nov. 1 and also at the Haskell County Extension Homemakers information event Oct. 24.

The F. W. Martin Memorial Achievement award is given each year to a Haskell County 4-H'er by Mrs. Mary H. Martin. It was established in 1977 to honor the life and achievement of F. W. Martin who served as Haskell County agent from 1944 to 1967. The guidelines used to determine the winner are achievement in 4-H activities, responsible citizenship, leadership ability, scholastic excellence, and service to club, school, community and church.

Mrs. Martin presented Faye an engraved individual plaque during the program. Faye's name was added to the large plaque which hangs in the county extension office.

Faye has been a member of her local 4-H club for eight years. During this time she has carried seven 4-H projects: beef, foods and nutrition, recreation, leadership, clothing, sheep and swine. She has participated in

local, county, district, state and national livestock shows.

She has served as reporter, vice president and county council delegate for her 4-H club, has attended district Teen Leader Lab three years and has participated in Share-the-Fun at district Roundup three years. She keeps records of all these events by submitting a 4-H record book each year.

She shares her talents and knowledge by being a teen leader for her local club.

Faye is a member of the Texas Junior Hereford Association, the Texas Hereford Association, American Hereford Association and the Texas Club Calf Association. She was crowned Texas Hereford queen for 1987-88.

At Rochester High School, she is a member of the marching, stage and concert bands and has served as a band officer and as band favorite. She has been a cheerleader three years and is currently serving as head cheerleader. She has participated in volleyball, track, basketball and golf. She is a member of the FHA where she has served as vice president, and FFA where she has served as sweetheart. She is on the annual staff and is involved in UIL events such as one-act play, literary and typing.

Faye is a member of the local Fellowship of Christian Athletes and has been selected as a member of Who's Who Among American High School Students and of Outstanding American High School Students.

A member of the First Baptist Church, Faye serves as pianist for various activities and sings in the church choir. She has helped teach vacation Bible school in her church for the past nine years.

An active member of her community, she visits the elderly and helps with community clean-up and fund-raising projects. She has participated in the political campaigns of State Representative Rick Perry, State Senator Steve Carriker and State Treasurer Ann Richards.

County Fair 23rd annual show to be next week

Everything is in readiness for the 23rd annual Haskell County Fair which begins Tuesday and continues through Saturday at the Haskell County Fairgrounds.

Residents of Haskell and surrounding counties have been invited to make entries in the different categories.

Categories for both adult and youth exhibitors are: canned goods, crops, arts and crafts, textiles, educational exhibits, art, baked foods, photography and flowers.

Three other categories are for adults only: Old Things and Collectibles, China Painting and Grandparent's Corner.

Entries in these categories must be made between 2 and 7 p.m. Thursday, Sept. 22, at the Civic Center in Haskell. An exception is in the baked foods division where entries may be brought in on Friday, Sept. 23, between 8 and 9:30 a.m. Judging of all exhibits will begin at 9:30 a.m. Friday, Sept. 23.

All entries for the livestock show, which will be held Saturday, Sept. 24, are due in the Haskell County extension office by Friday of this week (Sept. 16). There will be livestock classes in cattle, sheep and rabbits. All classes in the livestock show are open to 4-H and FFA members of Haskell, Jones, Shackelford, Throckmorton, Baylor, Stonewall, King and Knox counties.

Stock show

Livestock judges for the Haskell County Fair have been announced.

Scott Doss, vocational agriculture teacher at Frenship High School, will judge the sheep.

Mike Gruber, county agent of Cottle County, will judge the cattle.

David Finley, county agent of Wichita County, will judge the rabbits.

Art Show

Art exhibits at the Haskell County Fair, both adult and youth, will be displayed in the Corral building. All other exhibits will be in the Civic Center.

All artists of Haskell and neighboring counties are invited to enter paintings, a maximum of five per person. Paintings must be original, no class paintings, ready to hang. There should be more than two of a kind by one person in any category.

There will be no entry fees.

Cash awards will be made to "Best of Show" and "Reserve Best of Show. In addition, first-, second- and third-place ribbons will be awarded in each category.

Every entry in the adult division will receive a "fair participation" ribbon. Each youth will receive either a blue, red or white ribbon.

Entries will be taken Thursday, Sept. 22, from 2 to 7 p.m.
For further information, call 915-773-3373.

Health Fair

An added attraction to the fair this year will be a Health Fair, sponsored by the Home Economics Committee, a subcommittee of the Haskell County Extension Program Council.

A schedule of services and activities being offered appears elsewhere in this issue of The Free Press.

All services and exhibits will be set up at the fairgrounds; some will be inside the Civic Center along with the usual county fair exhibits.

The admission fee to the fair includes admission to the Health Fair. There will, however, be charges for cholesterol and mammogram screening.

Fair queen contest Tuesday evening

Everyone is invited to the Haskell County Fair Queen Pageant, which begins at 7 p.m. Tuesday (Sept. 20) in the Haskell Memorial Civic Center. The pageant is sponsored by Haskell Young Homemakers.

Each contestant will be sponsored by a merchant in Haskell County and will be informed of her sponsor at a Sunday afternoon tea in the Community Room at First National Bank in Haskell.

Any merchant who has not received a list of the eligible contestants and is interested in sponsoring someone should contact Debbie Kennedy at 864-8555 by noon Friday, Sept. 16.

Queen contestants are:
Weinert: Shanna Murphy and Tina Herricks.

Rochester: Brandy Strickland.
Paint Creek: Monica Howeth and Francine Barnes.

Rule: Larissa Lefevre, Tammy Sanders and Traci Landes.

Haskell: Becky Cline, Heidi Mullen, Dalyn Gilly, Kim Gilly, Joy McKeever, Tiffany Bradford, Jana Payne, Gia Henshaw, Loutina Hadaway.

Also Marisol Lopez, Missy Phemister, Robin Harrell, Candy Parsons, Teresa Unger, Emily SoRelle, Amanda Diaz, Corie Brzozowski and Schrieve Everton.

City sales taxes continue to climb

Sales tax collections in Haskell continued their upward trend this month as the city received a check for \$10,727.31 from the state comptroller.

The amount was 26.36 percent more than the \$8,489.51 received in September of last year.

This month's tax receipts brought the 1988 total to \$118,565.18, or

8.62 percent more than the \$109,157.84 for the comparable period in 1987.

Rule received a check this month for \$1,535.95 to bring its 1988 total to \$19,436.30, a gain of 13.62 percent over the \$17,106.28 received during the first nine months of last year.

County retail sales increase over year ago

Retail sales in Haskell County during the first quarter of 1988 came to \$7,403,436, state comptroller Bob Bullock has reported.

The figure represents a 5.7-percent increase over the \$7,005,478 in retail sales recorded in the first quarter of 1987.

Of the 1988 first-quarter sales, \$3,170,981 was subject to state and

local sales taxes.

In all sales, which include agriculture, construction, manufacturing, wholesale trade, etc., as well as retail trade, the county shows sales of \$9,647,520 for the first quarter of this year. That is virtually the same as the \$9,671,957 for the first quarter of last year.

Indians to battle 3A Merkel Friday

The Haskell Indians will attempt to make it two in a row Friday night when they travel to Merkel to take on the 3-A Badgers.

Merkel is 0-2, but there's nothing disrespectful about the record. The Badgers opened the season with a loss to Sweetwater, the top-ranked 4A team in the state. Last week, they lost to Bangs.

The Indians bounced back from the 12-7 opening-season loss to Munday to defeat Seymour 13-6 last week.

While the victory was nice, Indian coach Nelson Coulter said he didn't feel his team played with enough intensity. "We're just not clicking offensively," the coach said.

Although the Indians gained 86 yards on seven pass completions against Seymour, Coulter said he hopes the Indians can do better in passing in order to open up the field.

On the brighter side, he noted that the Indians were able to score when

they got into four-down territory, something they couldn't do against Munday. They converted on six of 14 third downs.

And defensively, the Indians played a good game, twice stopping Seymour in scoring position and limiting the Panthers to just 87 yards rushing. The Panthers converted on only two of 14 third-down situations.

The Indians suffered two injuries to their defensive team. Robert Swann and Fred Shaw are questionable starters for the Merkel game.

INDIVIDUAL STATS

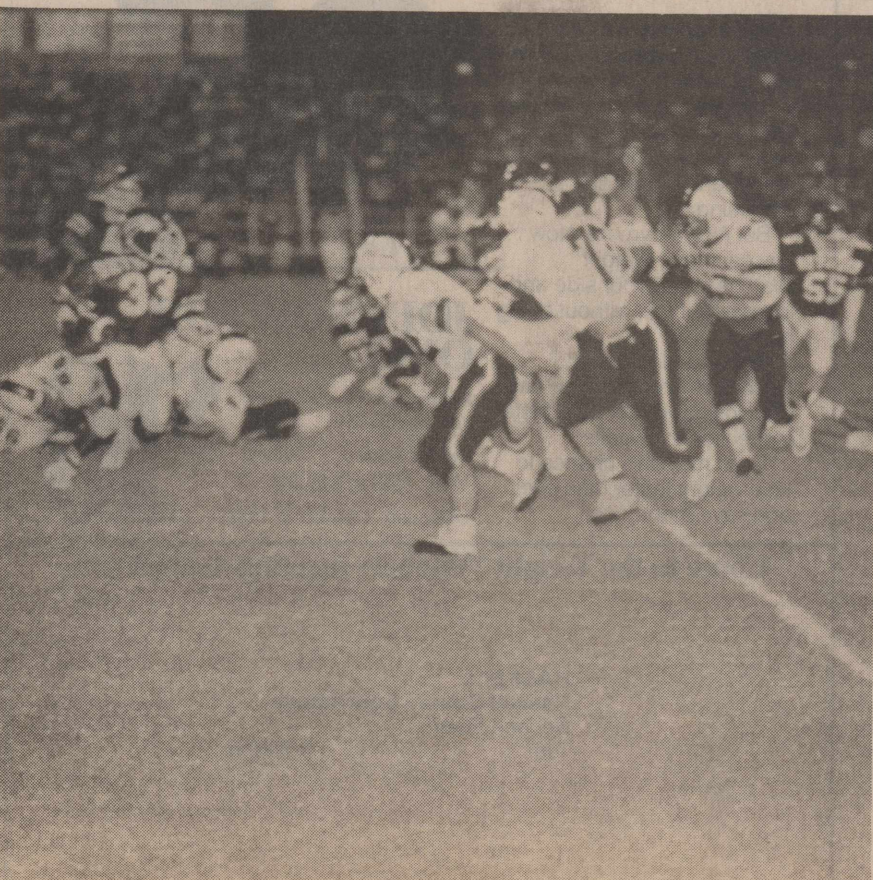

Rushing: Billington 19-131; Reid 2-28; Johnson 7-28; Dever 3-17; Alexander 1-16; Shaw 1-6; Guess 12-(-10).

Passing: Guess 7-18-2 86 yards.
Receiving: Alvarez 3-44; Billington 2-18; Johnson 1-16; Lamed 1-8.

Top gainer

Indian fullback Derrick Billington gained 131 yards on 19 carries in Haskell's 13-6 victory over Seymour Friday night.

No where to go

Seymour's Chris Beamon can see nothing but Indians as he starts to head up field Friday night in the Haskell-Seymour game.

Double-ring ceremony unites Lynn Dewey, James Denton

Mary Lynn Dewey became the bride of James William Denton Sept. 9 in a double ring ceremony performed in the First Baptist Church in Haskell. The Rev. Jim Turner officiated.

The bride is the daughter of Mr. and Mrs. Thomas Dewey of Haskell and the bridegroom is the son of J. W. and Donnie Denton of Hiawasee, Ga.

Given in marriage by her parents, the bride carried a cascade bouquet of white roses, gypsophelia and English ivy, showered with white ribbon.

The bride wore an original gown by Phylliss for Bianchi of taffeta in white. The fitted bodice with sweetheart neckline was an overlay of re-embroidered Alencon lace. Pearls and paillets enhanced the lace and was repeated on the long renaissance sleeves. The full skirt, with bustle back, had a Dior bow edged with lace and pearls. The skirt fell into a chapel train and lace was repeated on the hemline.

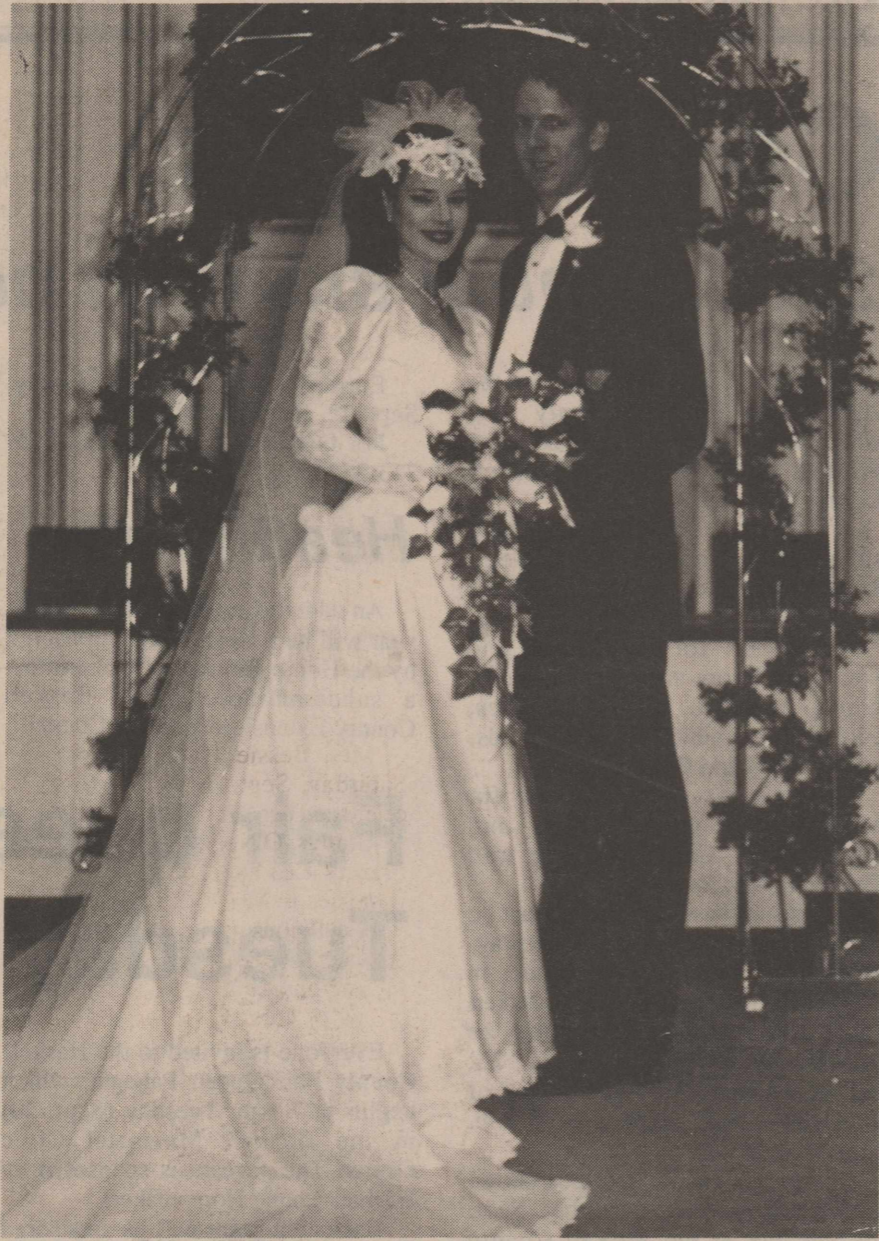

She wore a clip of clusters of pearls with a sheer bustle adorned with pearls and holding her long veil of imported English illusion.

For something old the bride wore a lavalier belonging to her maternal great-grandmother, Mrs. Evie Rule of Childress, which has been worn by her daughters, granddaughters and great-granddaughters in their weddings. For something new she wore a pearl and emerald necklace with a drop in emerald, a gift from the groom. For something borrowed she carried a lace handkerchief belonging to her mother. Something blue was a lace garter and she had a sixpence in her shoe for good luck.

The bridegroom wore a black Citation tuxedo by Pierre Cardin with pleated pants, black tie and cummerbund and a white wing-tipped shirt. He wore a boutonniere of a white rose and gypsophelia.

Vows were repeated before a brass arch and two brass spiral candelabras covered with greenery and holding 30 candles. Large green cut glass vases of white roses, gypsophelia and greenery adorned each side of the altar. The pews were marked with white bows.

Candletighters were Jamie Johnston of Haskell and Tim Dewey, brother of the bride. Jamie was

Mr. and Mrs. Jim Denton

dressed the same as the attendants. Tim's tuxedo matched those of the groomsmen and ushers.

Maid of honor was Diana Jarred of Haskell. Jamie Moore of Slaton was bridesmaid. Kristi Christian was flower girl. The attendants each wore floor-length emerald green dresses in taffeta with a fitted bodice and sweetheart neckline. They carried long-stem white roses with gypsophelia and green ribbon.

Best man was John Denton of Hiawasee, Ga., brother of the groom. Groomsman was Mickey Dewey of Haskell, brother of the bride. Ring bearer was Lee Christian of Haskell. They each wore a black

tuxedo by Pierre Cardin with a white shirt and emerald green tie and cummerbund. Their boutonniere was a white rose.

Diana Jarred of Haskell and Mark Hoover of Hobbs, N.M., sang "The Wedding Song." They were accompanied by Martha Jarred on the piano. Betty Villarreal of Haskell sang "The Lord's Prayer." Phyllicia Bailey was the organist.

Ushers were Ralph Hernandez and

Mickey Dewey.

The bride is a 1986 graduate of Haskell High School and attended Hardin-Simmons University. The bridegroom is a graduate of Georgia Institute of Technology and is employed as a results engineer at the West Texas Utilities Paint Creek Power Station.

A reception was hosted by the bride's parents in the chapel of the church immediately following the ceremony.

The bride's table was covered in emerald green linen topped with a white lace tablecloth and the corners were tied with green bows. Featured on the table was a tiered cake decorated with white roses. The cake was served by Karen Brown of Haskell. A silver candelabra held white tapers and the bridal bouquet was displayed. Punch was served from a cut glass punch bowl by Sharla Jetton of Haskell.

Serving "Groomasaurus" cake from the groom's table was Betty Villarreal of Haskell. The groom's table was covered with white linen. Guests were served coffee and nuts from silver appointments.

A rehearsal dinner was hosted on Thursday evening by the groom's parents at Markey's Place.

A bridal shower was given Aug. 7 in the home of Judy Patton. Hostesses were Melva Everett, Kathryn Medford, Nelda Jetton, Sharla Jetton, Karen Brown, Neta Roberts, Rita Kramp, Melodee Christian, Betty Villarreal, Abbie Salinas, Martha Jarred, Mary Jennings, Janice Browning, Ann Johnston, Jamie Johnston and Mrs. Patton.

A lingerie shower was given in the home of Diana Jarred Aug. 18 with Diana and Martha Jarred as hostesses.

The couple will make their home in Haskell.

Mrs. Fouts honored on 92nd birthday

Mrs. Bessie Fouts was honored Saturday, Sept. 3, when her family celebrated her 92nd birthday.

Gladys O'Neal, with her sisters, Frances Lee and Eddy Davis, were hostesses in Mrs. O'Neal's home.

A delicious noon meal was served, and later a beautiful birthday cake was cut and enjoyed. Wilton Davis, son-in-law of Mrs. Fouts, led the group in singing "Happy Birthday".

There were relatives and friends from Haskell, Irving, Amarillo,

Wichita Falls, Stamford, Dallas, Fort Worth, Austin, Arlington and Houston to congratulate Mrs. Fouts and wish her a happy day that she will not soon forget.

Mrs. Fouts is the daughter of the late Robert and Rosa Glenn.

On Sunday, Mrs. Fouts was honored by her friends at First Baptist Church with the recognition and a certificate stating she had been a member 78 years.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

FRIDAY, SEPTEMBER 23, 1988
SATURDAY, SEPTEMBER 24, 1988

HASKELL, TEXAS

A Service of
COUNTY HEALTH FAIR

CALL 864-2546 FOR APPOINTMENT

The Mobile Breast Cancer Detection Unit will be in Haskell on Friday & Saturday at the Fair.

The American Cancer Society has established guidelines for a mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

1. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with

significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, VISA, MasterCard and American Express.

For more information or to make an appointment call 864-2546.

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Appointments may be made by calling 864-2546.

Arrangements studied by Garden Club

The Haskell Garden Club met Sept. 8 at the Community Room at 9:30.

The morning was spent with a workshop making dried and fresh arrangements. They were critiqued by the group.

It was interesting to hear Juanita Rhea and Bernadine Blankenship tell about line, color, shapes and proportion when arranging flowers and discussing new trends.

The Haskell County Fair was discussed and the schedule read and explained.

Gladys O'Neal said the prayer before the meal. Salads, sandwiches and desserts with iced tea were enjoyed.

Mrs. Mollie Carlisle who did a beautiful yearbook passed them out, and members are looking forward to a great year with good programs and activities for 1988-89.

The group adjourned, leaving with enthusiasm and looking forward to the Flower Show at the fair.

Freshman class elects officers

Jimmy Johnston was elected president of the freshman class when class members elected officers last week.

Heath McMeans is vice president; Kim Gilly, secretary; and Emily SoRelle, treasurer.

Dues are \$5. The class will purchase a flag for the football games.

Moeller reunion to be in Weinert

Descendants of Henry and Maria Moeller will have a family reunion Oct. 2 at the Weinert Community Center.

Family members and guests are asked to bring a basket for a luncheon. Food will be put on one table for everyone to enjoy.

The group will have a meeting afterward to elect officers for next year's reunion. There will be an auction to help raise money to help buy things for next year's reunion. Families are asked to bring something for the auction.

Friends are welcome to attend.

USDA to forgive carrying charges

USDA, in response to a request from the National Cotton Council and other interested organizations, has announced it will forgive enough carrying charges on cotton loans to allow cotton to be redeemed with cash at the adjust world price.

The move, effective immediately, is expected to ensure that U.S. upland cotton will be more competitive in world markets.

53 attend Steinfath reunion

The sixth Steinfath reunion was held Sept. 3 at Irby Hall.

The business meeting was opened by Walter Kretschmer, president. The minutes and treasurer report were given by Kathryn Medford.

Lydia Ivey recognized the oldest person present as Fritz Steinfath at age 78. The youngest was Cody Don Kretschmer, 7 months old, son of Mr. and Mrs. Don Wally Kretschmer of La Grange. Cody is the grandson of Walter and Marie Kretschmer of Haskell and the great-grandson of Herman and Mary Steinfath Kretschmer. The Don Kretschmer family traveled the farthest, 350 miles.

The August Steinfath family had the most present with a count of 21. Mary Steinfath Kretschmer was represented by 16, the Martha

Steinfath Kretschmer family had three members present and the Lena Steinfath Weise family had four persons in attendance.

A freewill offering was taken to cover expenses for the event. The group decided to meet the first Saturday in August in 1990. The change in time was made to enable more people with school age children to attend.

New officers elected are Minnie Blair of Plains, president; Lydia Ivey of Stamford, vice president; and Betty Bittner of Haskell, secretary-treasurer.

After the business meeting, a pot luck supper and fellowship were enjoyed by the family members and friends.

Fifty-three persons, including nine visitors, attended.

Indians 13, Seymour 6

Derrick Billington broke up a scoreless game with a 54-yard touchdown scamper in the fourth period Friday night and the Haskell Indians went on to defeat the Seymour Panthers, 13-6.

The victory evened the Indians' 1988 record at 1-1.

Three minutes after Billington's run, quarterback Chan Guess sneaked over from the 4 to give Haskell a 13-0 lead. Seymour avoided a shutout by driving 80 yards to score a touchdown with just 53 seconds left in the game.

Except for the first period when Seymour drove to the Indian 4 and in the second quarter when the Panthers moved to the 15 after recovering a fumble at the 30, Haskell pretty well dominated the game. The Panthers were held to just one first down in the second half until they began their 80-yard drive, picking up five of their 10 first downs in that one march.

Overall, the Indian defense held the Panthers to 161 yards, 87 on the ground and 74 via passing. The Indians nearly doubled them with 303 yards gained on 217 ground yards and 86 through the air.

It looked like the beginning of a long night for the Indians when they first got their hands on the ball at their own 7. Despite two penalties they managed to move out to the 22, largely on the strength of a 16-yard gain by Tim Alexander and an 8-yard run by Billington. From the 22, Guess punted to Paul Stone at the Seymour 43. Stone returned the punt all the way to the Indian 28.

A couple of pass completions by Elston Glaze for 6 and 14 yards gave the Panthers a first down at the 9. Two stabs by Chris Beamon made it third and goal at the 4, but a 10-yard penalty moved the ball back to the 14. After a Glaze pass in the end zone was broken up by Haskell's Alberto Alvarez, Glaze attempted a 32-yard field goal which missed its mark.

The Indians had to dodge another bullet in the second quarter when the Panthers recovered a Haskell fumble at the 30. An 11-yard pass from Glaze to Marty Bufkin gave the Panthers a

first down at the 19. Beamon picked up 4 to the 15, and then Glaze threw incomplete after a big rush by Bo Watson and Robert Swann. On fourth down, the Panthers tried another field goal but a mishandled snap foiled the attempt.

The Indians' only first half threat came later in the second period when they moved from their own 46 to the Seymour 27 where they surrendered the ball on downs.

In the third period, with the game still scoreless, the teams exchanged possession six times before the Indians took over on their own 11. Seven plays and three first downs later, they were out to their own 46 as the third period ended.

After an incomplete pass to start the fourth quarter, Guess pitched out to Billington who went wide to the left, cut up field and outran everyone to the end zone. Guess booted the extra point and the Indians were out front, 7-0, with the fourth period only 15 seconds old.

After Seymour ran three plays following the Indian kickoff, Haskell was back in business again when Scottie Martin intercepted a deflected pass at the Panther 36. With a Guess-to-Alvarez pass of 30 yards accounting for most of the yardage, the Indians moved to the 4 from where Guess took it over. A low snap thwarted the extra point attempt, but with 8:33 to go, Haskell had stretched its lead to 13-0.

The Indian's Roger Roewe nailed Donnie Johnson for a 6-yard loss on the first play after Seymour had returned the Haskell kickoff to its 36. The Panthers wound up with a minus-8 yards after three plays and Beamon kicked to the Haskell 49 where the punt was downed.

A 17-yard pass from Guess to Billington, a 10-yard run by Jonathan Dever and an 8-yard pass from Guess to Cole Larned moved the ball to the 20 and it appeared that Haskell was going to score again. But the drive bogged down at the 20 and on fourth down Guess tried a 37-yard field goal which sailed wide of the mark.

With exactly four minutes remaining in the game, Seymour took over at its 20 and began its long march. A 16-yard pass from Craig Peters to Mark Matus, a 27-yard pass from Peters to Bufkin, two 9-yard stabs by Beamon and a 9-yarder by Peters helped move the ball to the Indian 3. Monty Worthington, 200-pound running back, took it into the end zone from there. Peters attempted a pass for the conversion points, but the pass fell incomplete.

Only 53 seconds remained in the game after the Panther touchdown. Haskell took over on its 35 following the Seymour kickoff and Guess went down intentionally on three successive snaps to run out the clock.

Rochester wins over Highland

The Rochester Steers made it two in a row Friday night with a 38-14 victory over Highland.

The Steers jumped to a 14-0 first-period lead and had stretched it to 22-0 before Highland scored in the second period. Rochester got another touchdown in the third quarter and added still another in the fourth before Highland scored the game's final touchdown.

Todd Landis started the scoring when he blocked a Highland punt, picked it up on the Highland 15 and ran in for the touchdown. Later in the first period, Kevin Conner ran 5 yards for a touchdown.

Corky Speck raced 19 yards for another Steer touchdown in the second period. Highland countered this with an 18-yard scoring pass from Cody Burke to Matt Tedford.

Rochester's third-period touchdown came on a 7-yard pass from Brad Bevel to Tibbets. Tibbets got the final Rochester touchdown in the fourth quarter when he fell on a fumble in the end zone. A 3-yard pass from Jimmy Jones to Rusty Bryan accounted for the final Highland score.

Tibbets converted on four of five extra point attempts. Smoky Harris converted after the Highland touchdown.

Conner paced the Rochester ground attack, getting 109 yards in 13 carries. Defensive leader was Morgan Walker who was credited with 11 tackles and two fumble recoveries. Tibbets had 10 tackles and Bevel had eight. Corky Speck had four tackles, a fumble recovery and an intercepted pass.

This week, Rochester will play at Rule.

Paint Creek loses to Harrold, 72-44

By Monica Howeth

Friday's home opener started out looking like a basketball game with the score knotted at 20-20 with just six minutes gone in the game. The end of the first quarter saw Harrold up by the score of 27-26.

The second quarter brought much of the same until an altercation caused the ejection of Pirate senior Michael Guerrero. The Pirates stayed within striking distance until the final gun.

Some of the individual stats saw senior quarterback Daniel Acosta with 27 completions out of 51 passes for 375 yards on the night. Daniel rushed for 66 yards on seven carries and scored twice.

Senior Michael Guerrero had two rushes for 9 yards, five receptions for 80 yards and three scores which included a 60-yard run back of a Harrold kickoff. He and Acosta contributed 10 and 17 tackles respectively, with Acosta also recovering a fumble.

Juniors Chris Cockerell and Johnny Hoadley contributed as follows: Cockerell scored in the third quarter on his only pass reception of the night and gave three tackles on defense. Hoadley had 14 yards on three receptions and had five tackles on the night.

Sophomores Kelly Williams, Tanner Childress and Dane Morgan each had good nights in their respective areas. Kelly had four receptions for 37 yards from the center position. Defensively, he filled in well in the second half with 11 tackles. Tanner had four tackles and one fumble recovery as he concentrated on defense. Morgan, who

was saddled with a lot of responsibility after Guerrero was ejected, ended up with one rush for 7 yards and a TD in the first quarter. The rest of the night he caught eight passes for 125 yards, many of them on third and long situations.

Freshman Rodney Medford, George Mayer and Mo Green held their own under the circumstances. Medford caught two passes for 55 yards and one touchdown. He was the leading tackler with 18 on the night and had one fumble recovery in which he just flat stole the ball from a receiver he was covering. He did an excellent job of punting and returning all night. George Mayer was once again very steady as a defensive end with six tackles. He and Mo did well at carrying in plays.

Paint Creek plays at Goree this Friday, beginning at 7:30 p.m.

TAX PLANNING

James E. Rodgers, CPA

INVESTING IN TREASURIES

Treasury securities are safe, high-quality investments, the backbone of many portfolios. They pay attractive interest rates, and they're guaranteed by Uncle Sam. They're also liquid, exempt from state and local taxes, and most can't be "called" prior to maturity, as corporate bonds can.

Treasury securities come in three kinds, depending on length of maturity. Treasury bills mature in 13, 26, and 52 weeks. Bills are purchased at a discount; that is, you pay less than the face value, and at maturity the government redeems the bill for its face value. The difference between the purchase price and the face value is your yield. The minimum is \$10,000, with \$5,000 increments thereafter.

Treasury notes mature in two to ten years, treasury bonds in 10 to 30 years. Both pay a guaranteed annual interest rate, called the coupon rate, every six months. At maturity you get your principal back. The minimum for notes is \$5,000 for two or three years, and \$1,000 for four to ten years. Bonds come in denominations of \$1,000, \$5,000, \$10,000, \$50,000 and higher.

You can buy treasuries yourself through one of 12 Federal Reserve Banks, their 25 branches, or through the Bureau of Public Debt, Washington, D.C. 20239. To do so, you fill out a "tender" (bid) form and enclose a check.

You can also buy treasuries through a broker or commercial bank. They will charge you \$25-\$50 per transaction, but there are advantages to using them. If you have to sell before maturity, you do not lose transfer time. Securities held by them can be used as collateral, whereas securities held in a Treasury account cannot.

Mrs. Jarred received a master of education degree and Turnbow earned a bachelor of education degree.

Legion to meet

Regular meeting of the American Legion and Auxiliary will be at 7:30 Tuesday (Sept. 20).

All members are urged to attend.

Rick Crawford

Noted musician to appear

Rick Crawford, former musician with Dallas Holm and Praise, will be in concert at 7 p.m. Sunday at East Side Baptist Church.

While touring with Dallas Holm, he recorded such songs as "Rise Again", "Hey! I'm a Believer" and "I Saw the Lord."

Crawford is now touring with contemporary Christian artist Wayne Watson and will appear with him in concert Monday evening at Hardin-Simmons University.

"It is a rare privilege to have someone of this magnitude come to our town," said a church official.

The public is invited to attend the concert.

Immediately following the concert, there will be youth fellowship with Crawford.

Study club begins new year Sept. 8

The initial meeting of the Progressive Study Club for the 1988-89 club year was held Sept. 8 in the Haskell National Bank Community Room with Mrs. Reatha Mullins, president, in charge.

Mrs. Mullins welcomed members and guests and introduced a special guest, Mrs. Winifred White, TFWC Mesquite District president. Mrs. White brought a short talk on what each letter in federation meant to her.

Mrs. Mary Kaigler introduced Mrs. Fonda McDuff, exhibitor and speaker on a "Collection of Dolls." Mrs. McDuff had a very large collection of Madam Alexander dolls. She told many interesting stories of how she acquired the dolls.

Yearbooks for the new year were presented by Mrs. Mary Kaigler and Mrs. Sammie Turner was voted in as a new member.

The chicken tetrazzini supper was discussed and an assignment was given to each member. The chicken tetrazzini supper will be Oct. 7 from 5 to 7 p.m. at the Haskell High School cafeteria. Tickets will be \$4 each.

Cookies, sandwiches and tea were served by Mary Kaigler, Sharee Gardner, Nelda Lane, Jimmie Weinert and Helen Fouts.

Retail merchants plan promotions

Committee appointments for fall promotions were made Sept. 6 when Haskell Retail Merchants held a dinner meeting in the Community Room of Haskell National Bank.

A committee made up of Lois Richardson, Joy Chapman and Sandy Horton was named for the October promotion. The Christmas program committee will be made up of Thomas Long, chairman, Conrad Roewe, Larry McMillin and Bettye McBroom.

Roewe, chairman, reported that \$550 was given to the Haskell Industrial Foundation from proceeds of the garage sale and auction during the August Summer Sizzler. Ken Lane gave a report on the progress of United Sewing Agency and of the contributions to date to the Industrial Foundation. Dorothy Hartsfield was elected secretary-treasurer.

Next meeting will be Friday morning, Oct. 7, at Kountry Kookin'.

Missionary society has meeting

The Ladies Christian Missionary Society held its first meeting of the 1988-89 year on Monday evening, Sept. 5, in the fellowship hall of the First Christian Church in Haskell.

Everyone present enjoyed a delicious salad supper before the business meeting was called to order by the president, Charlotte Arendall. She presented a lovely devotion about finding joy in all aspects of life.

The business meeting got underway with the reading and accepting of the minutes from the last meeting of the 87-88 year. Program books were distributed for the new year and were enthusiastically read and discussed.

There was some discussion about purchasing some new kitchen equipment. A recent donation has made it possible to invest in some much needed equipment. A committee of Ruby Holt, Kim Crawford and Eula Faye Crawford was selected to choose the utensils.

An annual tradition was followed by drawing of names for secret "Prayer Partners." Each woman filled out an information sheet on herself and then the sheets were all put in a hat for the drawing. This "prayer partner" is assigned to a member for a year for the purpose of holding up in prayer and for remembering with small gifts and cards.

Some discussion followed concerning upcoming events: the annual Fall Festival for the children, second order of cookbooks and Christmas plans.

Vaccines wipe out childhood diseases

You may be old enough to have grandchildren if you can recall when vaccinations for youngsters were neither available nor required in Texas. Some parents of children entering school and day care this year were themselves born after the advent of modern vaccines.

They do not realize that only a few decades ago, such deadly and disabling diseases as polio and diphtheria threatened every child, and outbreaks and epidemics occurred more frequently every year.

OBITUARIES

Magdalena Koehler

Magdalena Koehler, 88, of Cuero died Saturday at a nursing home in Cuero.

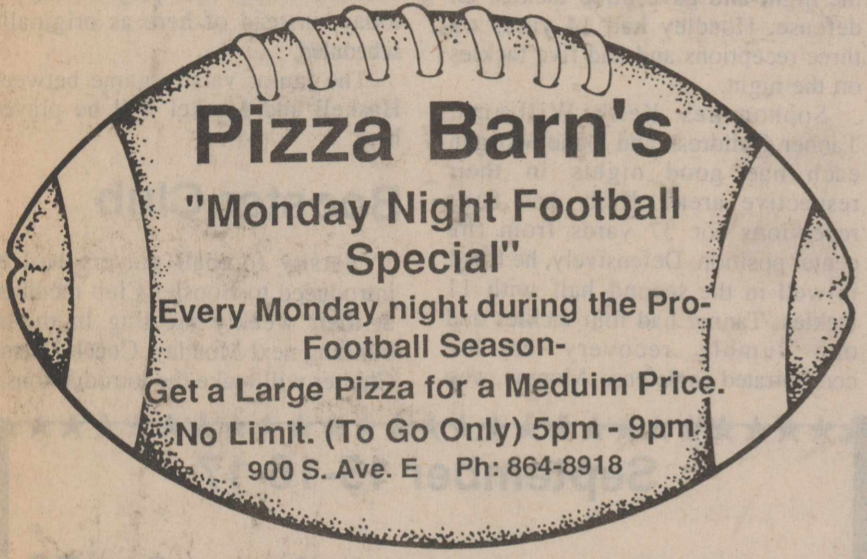

She was the mother of Harry G. Koehler of Haskell. Funeral services were Monday at Holy Cross Lutheran Church in Yoakum and burial was in the Sons of Hermann Cemetery in Yoakum.

Mrs. Koehler was born in Germany on June 27, 1900. She came to this country as a small child.

In addition to her son, she is survived by a daughter, Gerda Frels of Cuero; a brother, Henry Stamer of Yoakum; 39 grandchildren, five great-grandchildren, four step grandchildren and eight step great-grandchildren.

Thank You
Your expression of sympathy will always be remembered. During a time like this we realize how much our friends and relatives really mean to us. Thank you for all the food and kindness shown.

47 receive 4-H awards

Forty-seven Haskell County 4-H'ers received awards for their accomplishments in 1988 at the annual Haskell County Awards Program held Aug. 29.

Co-sponsors for the barbecue dinner held at the Haskell Memorial Civic Center were the First National Bank, Haskell National Bank and Olney Savings.

Awards were presented to the following:

- Achievement: Michelle Scoggins.
- Beef: Mindy Ballard, Faye Mullino, Joseph Pace, Matt Pace, Jennifer Shaver and Ross Shaver.
- Child Care: Heather Stewart.
- Clothing: Tamra Burnett, Dalyn Gilly and Marcia Swoyer.
- Dog Care: Jason Smart.
- Food and Nutrition: Darla Draper, Heather Guess, Joni Martindale, Lori Martindale, Shanna Murphy, Jodi Penman, Joni Penman, Janna Saffel, Julie Saffel, Emily SoRelle, Justin Stewart and Jennifer Swoyer.
- Gardening: Kacy Baitz and Jonathan Lammert.
- Poultry: Michael Salinas.
- Rabbit: Joe Salinas.
- Roping: Chad Gibson.
- Sheep: Jennifer Comedy, Kim Gilly, Alexy Hearn, Spivey Jones, Shanna McKenzie, Charlie Parks, Thomas Parks, Janet Quade and Philip Quade.
- Swine: Angela Adkins, Karmen Adkins, Brian Hearn, Michael Hester, Wayne Hester, Brian Holmes, Snuffy Jones, Kurt Sloan and Lance Sloan.

Special awards were also presented to the following 4-H members for completing 4-H record books during

the 1988 4-H year:

Juniors: Kacy Baitz, Jonathan Lammert, Joe Salinas and Michael Salinas.

Intermediate: Kim Gilly.
Seniors: Dalyn Gilly, Faye Mullino and Michelle Scoggins.

After the presentation of member awards, the following 4-H leaders were presented certificates for their volunteer services to the Haskell County 4-H program:

Adult leaders: Alice Yates, 16 years service; Wanda Hester and Mary Jennings, nine years; Amelia Perry, seven years; Helen Lammert, Lou Landes, Patrick Pace and Beverly SoRelle, five years; Renee Dudensing, Joyce Hager and Donna Saffel, four years; Tommy Matthews, Frankie SoRelle and Gail Swoyer, three years; James Bevel, Linda Guadalcazar, Darren Jeffrey and

Marsha Simpson, two years; Tami Baitz, Kim Crawford, Jerry Dunnam, Iris Riley and Abby Salinas, one year.

Junior leaders: Michelle Scoggins, six years; Laurie Hester, Wayne Hester, Faye Mullino, Jennifer Shaver and Lance Sloan, four years; Dalyn Gilly and Janet Quade, three years; Tamra Burnett, Traci Landes, Shanna Murphy, Joseph Pace, Penny Peden and Jennifer Swoyer, two years; Darla Draper, one year.

Following the presentation of the leader certificates, two special awards were presented. Mrs. F. W. Martin presented Faye Mullino as the 1988 F. W. Martin Memorial Achievement Award winner. B. O. Roberson, Haskell County judge, also recognized Miss Mullino as the 1988 Gold Star recipient. Home State Bank of Rochester awarded her a savings bond and a 4-H jacket.

Dalyn Gilly enters state fashion show

Dalyn Gilly of Haskell was one of 107 youth from across Texas who demonstrated their sewing or their comparison shopping skills at the Texas 4-H Fashion Show held Aug. 23 in Corpus Christi.

Dalyn competed in the construction tailored daywear category. She constructed a 100-percent wool suit with the help of her

4-H clothing leader, Amelia Perry.

Contestants had competed in local and district competitions to get to the state show where they represent the best from across the state.

The fashion show is just one of the educational activities of the total 4-H clothing program. Youngsters can participate either by modeling home-sewn garments or by modeling items they bought after comparison shopping. In addition to learning sewing or shopping skills, the youth develop poise and grooming skills by modeling in public fashion shows.

Clothing skills are taught by volunteer adult leaders or older 4-H members supervised by a county extension agent. More than 9,000 Texas youth participated in clothing projects last year.

This year's state fashion show was held at the Holiday Inn--Emerald Beach in Corpus Christi. Participants were treated to a special luncheon and awarded gifts from a number of sponsors.

Groups are forming now for 4-H clothing projects. Any youngster between 9 and 19 who is interested in participating, or parents who would like to serve as adult leaders are invited to call the county extension office in Haskell, 864-2546.

Pack 136 to host School Night Rally

Pack 136 of Haskell will host a School Night Rally at 7 p.m. Tuesday (Sept. 20) at the elementary school.

The rally will be for boys in first through fifth grades who are interested in scouting and want to join a den. Students in Haskell, Paint Creek and Weinert are eligible.

"This is an informational night for both parents and boys," said Jim Bob Mickler, scoutmaster.

Boys who already are in scouting also can recruit new members, and if they bring someone into the program, they can earn a recruiting badge for their efforts.

"Tuesday will be the first time this year for boys in first grade to sign up for scouting," said Mrs. Pat Mickler, Tiger Cub coordinator. "We're expecting a big turnout at the rally from the first grade group."

The Tiger Cub program themes

will include such topics as "Know Your Community," "Fitness and Sports," "Prepare for Emergencies" and "Family Entertainment."

Unlike Cub Scouts, Tiger Cubs meet monthly.

"We hope to provide our youngest members with fun and exciting things to do," said Mrs. Mickler. "We also will try to encourage good sportsmanship and strengthen their ability to get along with others."

Tiger Cubs will have the opportunity to attend some of the pack meetings and also be included in special events such as Cub Olympics, the Pinewood Derby and the Blue and Gold banquet.

Adults, either male or female, who are interested in becoming involved as den leaders are invited to the rally.

Scouting provides a year-round home-centered program that helps strengthen families.

School reform ordered by court

AUSTIN--In the same week oil prices fell by 55 cents-a-barrel, state legislators heard the state will have to cough up an extra

STATE CAPITAL

HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

\$1.5 billion to meet court ordered reforms of the public school system.

The head of the Texas Association of School Administrators, George Crowson of Houston, told blue ribbon panelists the price tag was in addition to the strained economy and added burden on school district taxpayers.

The panel was formed after state District Judge Harley Clark of Austin ruled the present funding method unconstitutional.

Other educators urged lawmakers not to "recapture" funds above certain levels in some school districts to give to poorer districts, and not to strip local control of school district revenues.

Special Funds

On the heels of some legislators' displeasure with the state's contract to purchase remote desert land for a park using dedicated tax dollars, Comptroller Bob Bullock also came out against dedicated funds in general.

Bullock told the Texas Association of Taxpayers that his office estimated a state revenue income of \$35 billion, but only \$6 billion could be used at the discretion of the Legislature. In short, lawmakers cannot touch dollars in some 450 special funds, not even when the state is in dire financial trouble.

He recommended the funds be included in any tax reform proposal submitted in the near future.

The taxpayers group says the Texas sales tax is too high, and Bullock has said it could be lowered depending upon how the tax base is restructured.

Clean Texas Gas

Texas Land Commissioner Garry Mauro was in Washington last week pushing Texas natural gas as a clean fuel for the nation's coal-burning plants.

If Congress passes new clean air legislation, these plants will have to install costly "scrubbers" or find a cheaper fuel.

Mauro said some 50,000 jobs in Texas could be created in the short term natural gas industry.

The private economy would be boosted not only by the new dollars coming to Texas, but by increased tax revenues to state government. Mauro's agency oversees gas production on most

state lands.

Railroad Commissioner John Sharp and Mauro have been big advocates this summer for increased gas production as a way out of the economic slump.

Sharp said last week he thinks gas is it. "I know of no other greater potential for the state," he said.

Supercollider Site

The White House said President Reagan will announce the site of the proposed \$4.4 billion supercollider before he leaves office, and Texas and Illinois are apparently the two top contenders for the site. Arizona, Colorado, Michigan, North Carolina and Tennessee are also in the running.

As coincidence would have it, Texas and Illinois are also key electoral states in the presidential election. Each is considered crucial for victory and presently too close to call.

Cox Sentenced

A former chairman of the Texas Parks & Wildlife Commission was sentenced for bank fraud to six months in prison and 1,000 hours of community service, and fined \$250,000.

Edwin L. Cox, a former bank director who was appointed to the commission by former Gov. Mark White, pleaded guilty to fraud in connection with \$80 million in loans he received from his bank.

Bush Leads in Poll

The latest Texas Poll showed voters here in line with national sentiment which has the Bush-Quayle ticket leading the Dukakis-Bentsen slate by seven points, 47 percent to 40 percent.

The poll was taken between the GOP convention and Labor Day, and capitol aides like to argue whether the lead is too high due to the convention publicity or too low because of the Quayle-National Guard flap. Take your pick.

Other Highlights

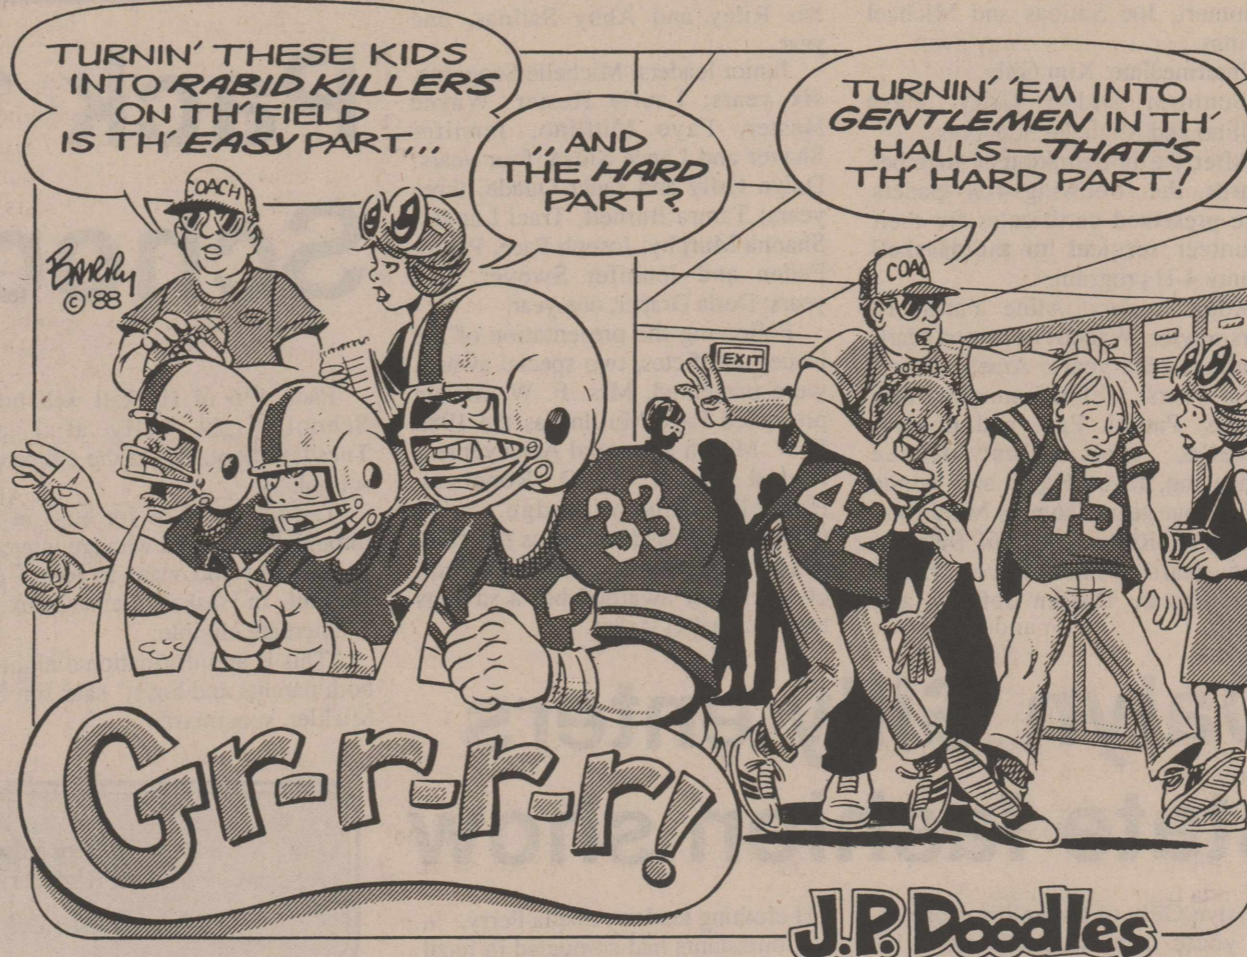

- The Dukakis camp unveiled a dozen or so co-chairs for his Texas campaign, ranging from former Congresswoman Barbara Jordan to Lubbock state Sen. John Montford, to oil and banking executives.

- Meanwhile, the first look at TV ads for both presidential candidates indicates they are ready now to wage negative warfare. For those who find this hard to digest, it's less than two months to Nov. 8.

- U.S. Rep. Kika de la Garza announced the Bureau of Prisons will locate a \$40 million federal correctional institute in South Texas. Expected to create 250 permanent jobs, de la Garza said the prison would be located near the community of Three Rivers in Live Oak County, between San Antonio and Alice.

The second primary election held in Throckmorton County resulted in the election being contested by one of the candidates in the sheriff's race. To save time and expense of carrying the contest through district court, the county chairman has called for a third primary to settle the race, this having been agreed to by both candidates, J. D. Falls and Henry Darden.

Eleven men left Haskell Thursday for Camp Travis where they will be joined by five others who registered in this county, making the county's quota of 16 inducted into service on this call. The following men left from Haskell: Adolph Havran, Jesse L. Ulmer, Ercel T. Warren, Oscar E. Lee, George N. Rector, William N. Cole, Isaac N. Moore, James A. Carruth, Travis L. Irick, Phillip McLeroy.

T. J. Lemmon Sr. left Sunday for Imperial Junction, Calif., on a business trip.

According to the tax rolls just completed by R. J. Paxton, the total valuation of property in Haskell County amounts to \$9,209,805, a decrease of \$26,175 from the 1917 rendition.

Misses Ruby and Exa Cahill, Fannie Post and Eunice Hunkabee left the first of the week for Denton where they will attend C.I.A. during the current term.

A total of 1,147 men between the ages of 18 and 45 registered in Haskell County on Sept. 12. All of the registrants were native-born Americans or had taken out their first papers except eight.

Senator Lloyd Bentsen Watching Washington

On this point, few if any Americans disagree: Education is one of the best investments our nation can make in the future.

But there is a problem. College costs have outpaced inflation every year since 1980; the cost of attending a state college or university has jumped about 70 percent since 1980 and the cost of attending a private college is up even more, about 90 percent.

Looking into the future, the picture is even more discouraging. If a baby is born today, the estimates are that when that youth is ready to go to college 19 years from now, it will cost about \$60,000 to attend a public college for four years. Tuition for four years at a private school will be about \$200,000.

Compounding the problem is the fact that Americans today aren't saving like they used to. Our rate of savings dropped to 3.8 percent last year. That's the lowest rate in 40 years.

Clearly, we must find innovative ways to insure that Americans can afford the skyrocketing cost of going to college.

One way is to encourage people to save for college by buying U.S. Savings Bonds. I have joined in sponsoring legislation to do that, legislation which has strong bipartisan support from 53 Senators with a wide range of philosophies who share a basic commitment to education.

This plan would allow people to receive the interest from these government bonds tax-free, providing the money is used to send kids to college. I don't want to see us add to the federal budget deficit, so it's important to note that this would be a cost-effective program.

Initially, it was thought the cost would be higher than it turned out to be. The problem was that analysts were factoring in only the tax revenue the government would lose. I instructed the Joint Tax Committee to take another look and to factor in the cheaper borrowing costs to the government of this new program.

When they computed the lower interest rates government would pay, they found that the cost was much lower than the original estimates; approximately half, in fact. Furthermore, in the first two years, there would be no additional costs, and the payoff for our nation's children would be enormous.

Unless we help Americans deal with the rising cost of going to college, we run the risk that fewer and fewer Americans will be able to afford a college education. That would be devastating for these young people and devastating for our country.

We can build a better future for our nation by taking steps such as this to help families save for college.

Test yourself on these 17 questions:

1. What is the official motto of the United States?
2. Who wrote the Constitution of the United States?
3. When was the Constitution of the United States signed?
4. Name six of the first 13 colonies.
5. Who was the only president not elected?
6. What is the national emblem of the United States?
7. What is the name of the American flag?
8. What are the duties of the vice president?
9. If you become an American citizen, could you be president of the United States?
10. How many amendments does the Constitution have?
11. Where is the Declaration of Independence today?
12. How did the Pilgrims come to America?
13. What are the three branches of government?
14. For how long are Supreme Court judges appointed?
15. What did the 19th amendment do?
16. Who are the U.S. Senators representing Texas?
17. If the president and vice president were to die, who would take over the presidency?

Immigrants applying for permanent residency under the Immigration and Reform Control Act of 1986 have to answer these questions to prove a basic understanding of the English language.

Oh yes. In case you didn't know all the answers, here they are:

1. In God We Trust.
2. Delegates at the Constitutional Convention in Philadelphia.
3. Sept. 17, 1787.
4. Any combination of Connecticut, Delaware, Georgia, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina and Virginia.
5. Gerald Ford.
6. The bald eagle.
7. Old Glory.
8. Replaces the president if he dies, resigns or is removed from office, and serves as president of the Senate.
9. No. You must be a native.
10. 26.
11. The National Archives.
12. They sailed on the Mayflower.
13. Executive, legislative and judicial.
14. For life.
15. Granted women the right to vote.
16. Lloyd Bentsen and Phil Gramm.
17. The speaker of the House of Representatives.

What is the top oil producing county in Texas?

According to figures released by Railroad Commission chairman James E. Nugent for the month of June, it was Gaines County with 3,466,753 barrels. Next came Ector County with 3,226,118 barrels, Andrews with 3,253,983 and Pecos with 3,048,804.

Following in order were Yoakum, Hockley, Gregg, Crane, Scurry and Wood.

If you happen to watch a Throckmorton football game this fall, take a good look at Felix Navarro. He should be easy to spot.

On the program of Bob Lilly's old school, he's listed as a 4-foot-11-inch, 91-pound defensive end and offensive center.

Speaking of Bob Lilly, he's now living in New Mexico, as are a couple of his old Cowboy teammates, Don Meredith and Don Perkins.

Lilly lives in Las Cruces, Meredith in Santa Fe and Perkins in Albuquerque.

They were the first three inductees in the Cowboys' "Ring of Honor" in 1976. Chuck Howley (1977), Mel Renfro (1981) and Roger Staubach (1985) followed them.

Just in case you missed it, there was a piece in the paper the other day about one of those "recent polls."

When asked, "Do you want the U.S. government to protect America against Soviet missiles?" a startling 90 percent of us answered "Yes".

--Weinert--

by Myrtle Phemister
The cool nights we are experiencing are a boon to the late cotton and to us, as well. We have had no rain, and the brief respite from the intense heat is welcome!
A few farmers are putting "drop-leaf" on their cotton, as it is opening now and the beginning of harvest is near. It will be a slim harvest in 1988.

Weinert had a tragic, sorrowful, Labor Day weekend, as we laid to rest two of our beloved citizens.

C. W. (Bud) Offutt was killed instantly as he was walking across the highway, and was interred in the Weinert cemetery on Saturday September 3rd.

Sallie Sanders succumbed to complications following a heart attack. She was laid to rest beside her husband, Jack Sanders, in the Haskell cemetery on Tuesday, Sept. 6th.

We were also grieved at the passing of a former Weinert student, Dean Partridge, 38, of Austin, who suffered a fatal heart attack that same week. He was interred in the Munday cemetery. His parents are Wendell and Leona Havran Partridge.

We extend condolences to each family involved. Their loss, and grief, are shared by us all.

We are 3 weeks away from our homecoming events, and the excitement and plans are gaining momentum.

Fretta Edwards Wright will open her home in Rochester for a reunion of the class of 1950 on Friday, Sept. 30 at 2 p.m. and for a dinner at 6 p.m.

Plans are for visiting and to catch up on 38 years of living. Anyone who has ever been a part of, or wishing to visit with this class, will be welcome.

Fretta and Wanda Dunman Ham of Arlington are hosting the event. They may be reached at 817-743-3312 in Rochester and 817-277-2979 in Arlington.

Those in the class were Bobby Carroll, James Yandell, Bobby McKinney, Charles Sargent, Carl Marshall, Floyd McGuire, Jr., Robert Gaines, Wayne Hix, Joe David Walker, Mavis Alexander, Edith Alexander, Fretta Edward, Jenella Couch, Gay Reeves, Doris Anderson, Donna Grimsley, Doretha Forehand, Lavon Ferguson, Winona Pace, Wanda Dunnam and Pansy Wiggins.

The birthday people in Weinert are many for this time of year. We toast Gilbert Jimenez, Russell Rainey, Jerry Don Hudgens, W. R. Hager, Jr., Tinka Herricks, Alton Sanders, E. S.

(Rabbit) McGuire, Bob Wood, Douglas Boling, David Crump, Melvin Vojkufka, and Rubye Castorena. Happy Birthday!

Anniversary congratulations to Toby and Alice Yates on Sept. 21st.

Mr. and Mrs. H. H. Grimes were in Wichita Falls on Sunday to visit in the home of her son, Mr. and Mrs. Ricky Hamilton, and children, Scotty and Mindy.

Most of our migrant workers have returned home and we are glad for the population increase.

Anita Garza, with her children Alicia, Adam, Arthur, Anthony and Andrew, spent the summer working in Benson, Minnesota, as did her mother, Janie and Frank Diaz, with daughter Donna Castorena and little Rubye.

Everyone returned home except Donna and Rubye, who chose to remain in Benson. Donna is in training to become a police woman, and we extend our congratulations and encouragement to her for this effort.

While they were in Minnesota, they were pleased to have a visit from Anita's son, Lance Corporal Alfred Garza, who is stationed with the Marine Corp. in Brunswick, Maine.

Alfred graduated from Weinert High School in May 1987 and entered the Marine Corp. in September that year. Besides his two advancements he has received two medals, one for Best Rifleman, and one for Best Pistol shooter.

We are very pleased and proud of him and congratulate Anita for doing such a good job of rearing such a fine young man. We extend our congratulations to Alfred for his achievements, and know he will continue his good work.

Our recent out-of-town visitors include Dorothy Myers of Munday, who visited in the home of Ima Stewart last week.

Enda Mae Haynes of Abilene came for a few days to check on her parents, Eward and Zella Alexander,

and her brother's family, Veta, Randy and Missy Alexander. Congratulations are due Veta for her new job as teacher's aide in the Munday school system. Missy is a freshman and Randy a 6th grader in the Munday school, and they will commute each day from their home here in Weinert.

Garth and Ocie Garrett of Haskell were luncheon guests in the home of his sister, Ida and Willie Farrel on Sunday. Garth went to Wichita on Monday for evaluation tests at the Red River clinic. We pray for good reports for him as he continues his battle with Alzheimers disease.

Carl Garrett, a cousin, from Stamford, was also a guest in the Farrel home.

Margie Jordan of Hamilton took time from her busy schedule to visit with her uncle Herschel Allen of Rochester who is very ill in the Stamford Hospital, and to spend the weekend with her mother, Francis Mahan, in Weinert. Margie reports the re-opening of the Hamilton hospital, and we rejoice with her and the rest of the people there.

Ann Glasscock with eight of her nine children of San Angelo spent the weekend with her parents, Roy and Leta Phemister and attended worship at the Weinert Church of Christ with them.

We commend Andrea Estrada for the new job she is undertaking with the ESL program. (English as a Second Language). Andrea was in Denton for a workshop on the program last week, held in the Sheraton Hotel there. She was accompanied by her daughter, Monica, who will be a volunteer helper for her mother, and help with classes.

Andrea will teach the classes each Tuesday night, 6 to 9 p.m., at the St. George Catholic Church in Haskell. Our area is part of the Sweetwater Coop.

We welcome our newest resident to our community, Lori Kimmel a former resident of Munday, has moved into the "Todd and Christy Herricks" home and will commute to her job in Haskell at the Headstream Clinic. Welcome, Lori.

Have you tried Channel 7 on Cable? We were pleasantly surprised and pleased to get a Ft. Worth Channel! (with no extra charge!) Now we continue hoping for a Wichita Falls station! Maybe soon?

Non-postage items illegal in mailboxes

Haskell residents may remember the day when they walked into a store and paid good money for a mailbox to be erected at their home. And, like the rest of the property around the house, they thought the mailbox belonged to them.

"However, what postal customers may not realize is that every letterbox or other receptacle intended or used for the receipt or delivery of mail is designated an authorized depository for mail under federal law," says Lola Gholson, officer-in-charge at the Haskell post office.

"This means that, legally, a mailbox must be used exclusively for matter which bears postage, said Gholson.

"No part of a mail receptacle may be used to deliver any matter not bearing postage," she said. "This applies to items or matter placed upon, supported by, attached to, hung from, or inserted into, a mail receptacle. (Newspaper receptacles attached to the same post do not apply.)

What kinds of illegal articles are found in mailboxes?

"Most anything," Gholson said. "We find wedding invitations, birthday party invitations, business advertisements and solicitations for charities appearing in mailboxes, all without benefit of postage."

When such mailable matter is found in mailboxes, the carrier is required to remove it and take it back to the post office. The person or firm responsible for placing the matter is then asked to pay postage-due on each piece illegally placed in mailboxes.

"This procedure often causes bad feelings on the part of people who say they didn't know the practice was illegal," Gholson explained. "Nevertheless, the law which prohibits the placing of unstamped matter in mailboxes is the same law which keeps mailboxes free of extraneous material and assures room for legitimate mail delivery by the carrier.

"Today's Post Service is committed to providing the best possible mail deliver," said Gholson. "Adequate mailboxes, reserved exclusively for mail, help us reach that goal."

Randall Frierson graduates at Angelo

Randall Ross Frierson of Haskell received a bachelor of business administration degree with a major in business from Angelo State University at summer commencement exercises at the university.

Thank you for the prayers, cards, beautiful flowers, the abundance of food and the memorial gifts. The words of sympathy and every act of kindness will always be remembered.

God bless you all.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

We are happy for Mike Stewart who has purchased a lovely home in Munday and is no longer a "country boy". Congratulations, Mike! But we loved you as you were, too.

The children and grandchildren of Ernest S. (Rabbit) McGuire hosted a birthday party on September 11th to honor him on his 80th birthday.

The party was held in the Weinert community center and approximately 70 guests registered. Presiding at the registry table was Kelly McGuire, a granddaughter, of Keller.

Refreshments of cake, punch and nuts were served by granddaughters, Jo Beth and Karen McGuire and Selina McGuire of Haskell. Weinert colors of royal blue and white were used in the decor for the party.

Receiving guests with "Rabbit" were his wife, Louise, their daughter, Becky Fry, of Bowie, and son, Budge McGuire of Keller with his wife, Nancy.

Others hosting the party included Danny McGuire of Keller, Tommy McGuire of Haskell, and great-grandchildren, Brooke and Brandon McGuire of Haskell.

The McGuires are life-long residents of our community, and we all wish for many more "Happy Birthdays" for Ernest.

Out of town guests, beside the immediate family, were Paris and Fannie Barton, Rob and Suzanne Starr with Braden Rodriguez, all of Haskell; Evelyn Underwood, of O'Brien; Eron McGuire and Bill McGuire of Rochester; LaQuita Whitely of Pampa; Dean Cunningham, Steve Dye and Freddie Garcia of Ft. Worth.

Jackie Frantz of Dallas spent a few days in the home of her parents, Ted and Faye Jetton while her husband, Earnie, helped referee the Holliday football games. She was accompanied by her son, Kelly.

Word has been received that Ben Curd of Arlington is critically ill in the hospital there. His wife, Jean Hutchinson Curd, and his mother, are at his bedside. We are praying for a recovery to good health for Ben.

Jenell and Emmett McCoy were in town Sunday to visit her brother, Marvin and Myrtle Plemister and sister, Helen Boykin. They are making plans to be here for homecoming on Oct. 1st.

Pete and Imo Brockett were in Abilene on Sunday to renew acquaintances with Euel and Fannie Hammett of Odessa, Pete's first employer in Odessa. They are ranchers, and are showing Santa Gertrudes calves at the West Texas Fair.

Imo will be commentator for a style show being held at Dillards Courtyard in the Abilene Mall on Saturday, Sept. 17th at 3 p.m. She is on channel 9 each Monday at 12:15 with "Midday with Lori."

Let's all get behind the literacy program, and find those in our town who cannot read and write and so we can boast of having a completely literate town.

Thought for the day:
You may have tangible wealth, countless jewels, and coffers of gold, but richer than I you'll never be, for I had a mother who read to me.

Have a nice day!

-BIRTHS-

Michelle Bowles

Miss Bowles is crowned Smile Girl

Michelle Bowles was recently crowned as one of the 1988-89 Heart of Texas Smile Girls. Michelle, 16, is the daughter of Carroll and Joy Bowles of Lorena and the granddaughter of Mr. and Mrs. Bill Bowles of Rule and Mr. and Mrs. G. A. Harmon of Colorado City.

She attends Lorena High School where she is a junior. She is varsity cheerleader and plays basketball, track and tennis. She worked this summer as a dental assistant.

Michelle, vying for a position as a Smile Girl, competed against 186 other girls this year. The girls will be representing the Heart of Texas Fair and are chosen on appearance and ability to relate to adults in interviews. The girls attend organizational functions and act as ambassadors for the HOT Fair.

Michelle has been very busy since becoming a Smile Girl. Some of the activities promoting the fair this year have been visiting nursing homes, radio stations, TV stations and car dealerships, trips to Belton, Hillsboro, Rosebud, Lott and Moody. Michelle's favorite trip so far has been serving drinks to the Baylor Bears football team during workouts. Smile Girls will be hosting the news media at the Baylor football games this fall.

Deathly delicious

Perhaps the most sinister of tropical fruits is the akee, whose toxic flesh and seeds have killed more than 5,000 people since 1865.

National Wildlife magazine reports that the fatal fruit is still popular in Jamaica. The akee is both safe and delicious when fully ripe and cooked.

Mrs. Weinert hostess to Weinert club

The Weinert Extension Homemakers Club met in the home of Mrs. Harlan Weinert on Sept. 6 for a regular meeting.

Roll call was answered with "My Most Memorable Household Accident," to stress safety in the home.

Opening exercises were the TEHA prayer and creed, read in unison, led by the hostess.

Faye Jetton, president, called for reports of various committee chairmen. Alice Yates, council delegate, reminded the group of the County Fair to be held in Haskell Sept. 22-24. She urged members to enter and to participate.

Betty Sanders and Debbie Crump will be in charge of the educational display for the Weinert club, and the title will be "Food Storage and Safety."

TEHA donations were made, and the treasurer gave a report of the club's finances.

Jimmie Weinert was program chairman and showed a VCR tape of "Alaska." Several of the members have made the trip and enjoyed doing some reminiscing as they viewed the pictures.

Seven members and one guest, Erma Liles, enjoyed a delicious refreshment plate served by the hostess. They were Faye Jetton, Alice Yates, Cordie Cunningham, Agnes Winchester, Henrieta Rueffer, Debbie Crump and the hostess.

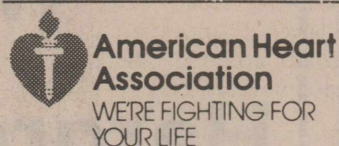

Next meeting will be hosted by Cordie Cunningham.

Granddaughter named outstanding college student

Kimberly S. Riley has been named to membership in the Outstanding College Students of America. Membership is based on outstanding merit and accomplishment as an American college student.

She will be listed in the 1988 Outstanding College Students of America directory which is distributed to many of the nation's colleges, universities and corporations to ensure members of national recognition. She also is eligible for one of several scholarships, including 10 \$2,000 scholarships available to OCSA members only.

Miss Riley is the granddaughter of Mr. and Mrs. Richard Riley, Mrs. W. B. Hill and the late W. B. Hill of Haskell. She is the daughter of Larry Riley of Midkiff.
