

Watch program being considered

A meeting to discuss the possibility of organizing a Neighborhood Watch program in Haskell is scheduled for Nov. 15. The meeting will begin at 6 p.m. in the Haskell National Bank Community Room.

Sgt. Jarrod Finch of the Abilene Police Department will be present to outline the procedures of a Neighborhood Watch program and to answer questions.

Neighborhood Watch is a national awareness program whereby citizens band together to protect their neighbor's property.

Bill Nemir presented the idea to the City Council last Tuesday. The council assured him of the cooperation of the City and the Police Department.

Chili and beans to be served Friday

Haskell Kiwanis Club will have its annual chili and bean supper prior to Friday evening's football game against Anson.

Serving will be from 5 to 7 p.m. in the high school cafeteria. Prices are \$4 for adults and \$2 for children under 12.

Rule entertainers perform next week

The Rule High School Theatre Arts Class will present its program of "Puttin' on the Hits" in the Rule High School auditorium Monday, Tuesday and Thursday of next week (Nov. 7, 8 and 10).

A program of about 20 numbers will be offered by Rule students from elementary to high school. A number of adults also will be on the program.

Some of these acts were presented at the recent Haskell Chamber of Commerce Country Dinner Theatre.

Admission will be \$2.50 for adults and \$1.50 for students.

Arts, crafts sale scheduled Nov. 12

Haskell County Young Homemakers will have their annual arts and crafts sale Nov. 12 at the Civic Center. Exhibits will be open from 10 a.m. to 5 p.m.

There will be 57 booths, featuring a wide variety of arts and crafts, ranging from handmade jewelry to furniture items.

Donuts and refreshments will be available in the morning and a light lunch at noon.

Through arrangements with Girl Scout troop 318, mothers may leave their children with a Girl Scout while attending the sale. Baby sitting charges will be \$1 per hour per child.

Indians shoot for second place in regular season finale Friday

Suddenly, the Haskell Indians are back in the thick of the state playoff picture.

Standing in the way are the district champion Anson Tigers who put their perfect 4-0 district record on the line here Friday night against the 2-2 Indians in the final regular season game of the year.

But Haskell must win to retain any hopes of its season extending beyond 10 p.m. Friday. And the Indians will be pulling for Hamlin to defeat Albany, which would give them part of a three-way tie with Hamlin and Stamford, assuming Stamford defeats Hawley. An Albany win over Hamlin would eliminate the Indians even if they win since they lost their game to Albany.

Friday's date is a tough task for Coach Nelson Coulter's Indians. They will be facing the team already crowned district champion and which owns the district's best overall season record at 7-2. The Indians are 4-5 overall.

Dukakis or Bush?

Big vote turnout expected here Tuesday

Michael Dukakis

George Bush

City makes application for \$250,000 state grant

The City of Haskell last week filed formal application with the State Department of Commerce for a \$250,000 grant to pave 33 blocks of city streets.

Wednesday's filing followed a Tuesday night public hearing, the second of two required by law to get citizen input into the proposed project.

If approved, the City will be required to put up \$27,500 in cash and another \$10,000 in in-kind services.

Included in the proposed paving project are four blocks inside of Brick Village and the following streets:

- South 1st Street from Avenue B East to the Paint Creek Road,
- North 2nd Street from Avenue B East to Avenue I East,
- Avenue H East from North 2nd to South 6th, and
- Avenue B East from North 1st Street to 2nd Street.

City Administrator Robert Baker said it will be after the first of the year before the City can expect to hear whether the State approves the

application.

The proposed 33-block paving project is separate from another local paving project which already has been approved by the State. Work on that 26-block project in the southwest section of town, for which the State approved a \$300,000 grant, is expected to get underway in the spring. Baker said the contract should be let in the "next month or so."

There was more good news at last week's City Council meeting when

Plant 'going great'

United Sewing Agency's plant in Haskell is "going great," co-owner Jim Vineyard said Monday.

Vineyard said 27 employees turned out 9,000 pieces of goods last week. "I'm real pleased with the girls," said Vineyard. "They've really showed me something."

New employees are being added daily. As of Monday, there were 35 employees, plus eight or 10 part time. Vineyard said he could use

an engineer with the State Highway Department told councilmen that the state will apply a hot mix overlay on the portions of US 277 and US 380 which run through the city limits.

Joe Higgins of Abilene said this project will be similar to those done recently in Stamford and Anson, as well as other area towns.

The new toppings will be applied from city limits to city limits on the north, south, east and west routes of the two federal highways.

several more right now. Especially needed are four or five sergers. The present serger force is working 50 to 60 hours a week. Single needle operators also are needed.

More equipment arrived this week and Vineyard said he expects to reach 100 employees soon. He estimated the current payroll to be \$29,000 per month.

United Sewing Agency began operations Aug. 15.

Haskell County voters get to put in their two cents' worth Tuesday when they go to the polls to help America elect its next president.

A heavy turnout is expected for the general election, which also features contested races for the U.S. Senate and the State Senate, a district representative for the State Board of Education, two Railroad Commission seats, six Supreme Court seats and three positions on the Court of Appeals.

Eleven other candidates, including those for U.S. Representative, State Representative, District 11 Court of Appeals, District Attorney and six county offices, are unopposed.

Also on the general election ballot are three proposed amendments to the state constitution.

Most interest, naturally, centers on the presidential race where the Democratic ticket of Michael S. Dukakis for president and Lloyd Bentsen for vice president locks horns with the Republicans' George Bush for president and Dan Quayle for vice president.

To carry Haskell County in the presidential race, Republicans have to count on retaining the favor of many of the Reagan Democrats who crossed over to give Ronald Reagan a 1701-1434 margin over Walter Mondale in 1984 in this heavily Democratic county.

Of considerable lesser interest is the U.S. Senate race where Bentsen is opposed by Republican Beau Boulter. In an unusual circumstance, Bentsen is a candidate for re-election to the Senate as well as for vice president.

Nearest thing to a local election is the district 30 State Senate race between the Democratic incumbent, Steve Carriker, and his Republican opponent, Bobby Albert. The same two candidates opposed each other in a special election in August for the unexpired portion of the term of the resigned Ray Farabee. Carriker won handily in the district as well as in Haskell County.

The race for the State Board of Education for district 14 finds Haskell County native William L. (Bill) Hudson, Democrat, opposed by Republican Donald Ray Dorsett.

Here are the other races on the local ballot in which Democrats and Republicans have candidates:

For Railroad Commission: James E. (Jim) Nugent, Democrat; Ed Emmett, Republican.

Railroad Commission (unexpired term): Clint Hackney, Democrat; Kent R. Hance, Republican.

Chief Justice Supreme Court (unexpired term): Ted Z. Robertson, Democrat; Tom Phillips, Republican.

Supreme Court, place 1: Lloyd Doggett, Democrat; Paul Murphy, Republican.

Supreme Court, place 2: Bill Kilgarlin, Democrat; Nathan Hecht, Republican.

Supreme Court, place 3: Raul A. Gonzalez, Democrat; Charles Ben Howell, Republican.

Supreme Court, place 4 (unexpired term): Jack Hightower, Democrat; Barbara G. Culver, Republican.

Supreme Court, place 5 (unexpired term): Karl Bayer, Democrat; Eugene A. Cook, Republican.

Presiding Judge, Court of Criminal Appeals: Mike McCormick, Democrat; David A. Berchelmann Jr., Republican.

Court of Criminal Appeals, place 2: Chuck Miller, Democrat; Tom Rickhoff, Republican.

The names of a number of minor party candidates also will appear on the ballot.

The Libertarian party offers Ron Paul and Andre Marrou for president and vice president; Jeff Daiell for U.S. Senate; Richard Draheim for Railroad Commission; Calvin W. Scholz for Supreme Court, place 3; and Egon Tausch, Carol Caul and Dorothea Owens for Criminal Court of Appeals, places 1, 2 and 3, respectively.

The New Alliance party lists Lenora B. Fulani and Rafael Mendez for president and vice president and Reynaldo Lozano Jr. for Railroad Commission.

Unopposed candidates, all Democrats, include Charles W. Stenholm for U.S. Representative from the 17th district, Rick Perry for district 64 State Representative, Aujstin McCloud for Chief Justice of the 11th Court of Appeals, Bud Arnot for 11th Court of Appeals, and John Fouts for District Attorney of the 39th district.

Unopposed candidates for Haskell County offices include Art Williams for County Attorney, Johnny L. Mills for County Sheriff, Bobby Guffey Collins for County Tax Assessor-Collector, John L. (Bud) Grand for County Commissioner of precinct 1; J. R. (Ray) Perry for County Commissioner of precinct 3 and Coyt Hix for Constable of precinct 1.

Proposed constitutional amendment No. 1 calls for the clarification of the use of federal reimbursement of highway funds, No. 2 is to establish an economic stabilization fund in the state treasury, and No. 3 calls for the establishment of a growth fund to create, retain and expand job opportunity and economic growth by investing monies from the permanent university fund, permanent school fund and public employee retirement systems.

Polls in Haskell County will be open from 7 a.m. to 7 p.m.

All dressed up

Teachers and other adults at Haskell Elementary School dressed for the occasion on Halloween Monday. They are, front row from left, Paula Everett, Janie Stone, Debi Burson, Nene Comedy; middle row, Peggy Adams, Rhonda Lisle, Janice Browning, Melodee Christian, Carolyn Jeter, Alberto Salinas, Martha Jarred; back row, Jimmy Lisle, Jimmy Browning, Jean Raughton and Dr. James Kemp.

Donna Caye Ellison Corzine

Ellison, Corzine exchange vows

Miss Donna Caye Ellison, daughter of Dr. and Mrs. Edwin Hill Ellison, and Edward D. Corzine Jr., son of Mr. and Mrs. Edward D. Corzine Sr., all of Fort Worth, were married Saturday, Oct. 1 at Arlington Heights Christian Church. Robin Hoover, minister, officiated.

The bride, given in marriage by her father and mother, wore a traditional wedding gown of white silk organza and brocade with seed pearls, which extended into a cathedral length train. The illusion veil fell from a headpiece of seed pearls. Her bridal bouquet was of pink roses and baby's breath.

For something old, the bride wore a gold and diamond watch left to her by her late grandmother, Mrs. Edna King; for something new, gold and pearl earrings belonging to her grandmother, Mrs. Albert L. Ellison; something borrowed was a gold pearl and diamond ring from her mother, Louise Ellison; her something blue was a blue and white garter.

The bridal attendants wore teal-length dresses of royal blue lace and carried cascading bouquets of blue cornflowers, lavender statice, mauve fressia, pink and white roses and baby's breath.

Matron of honor was Mrs. Veronica Young and bridesmaids were Ms. Amy Corzine, sister of the groom; Ms. Suzanne Ellison, Debbie Ellison Powell and Mrs. Christopher Harden, all sisters of the bride.

Flower girls were Miss Jessica Howard, cousin of the groom and daughter of Mr. and Mrs. Robert A. Howard of Abilene, and Angel

McGinness, daughter of Denis McGinness of Austin. Jessica and Angel carried nosegays fashioned after the bridesmaids' bouquets and wore dusty rose lace dresses styled as those worn by the bridal attendants.

The groom's best man was Denis McGinness of Austin. Groomsmen were Robert A. Howard of Abilene, cousin of the groom; Ken Hardin and Timothy D. Young, both of Fort Worth; and Bruce L. Wright of Austin.

The groom wore a white tuxedo with black slacks, tie and cummerbund. Groomsmen wore black tuxedos with royal blue cummerbunds. Each wore a rosebud boutonniere.

Ushers were Tim Harrelson, Christopher Harden and Dr. Dan C. Powell, all of Fort Worth.

Ring bearer was Kyle Amato of Fort Worth, nephew of the bride. Candlelighter was Brandon Howard, cousin of the groom and the son of Mr. and Mrs. Robert A. Howard of Abilene. Doormen were Jim Bob Gannaway, cousin of the groom and the son of Mr. and Mrs. John R. Gannaway of Lubbock; and Aaron McGinness, son of Denis McGinness of Austin.

The bride's mother wore an emerald green dress and the groom's mother wore pink lace. The bride's grandmother wore aqua and the groom's grandmothers were both clad in pink. Each wore a wrist corsage of flowers similar to those of the bridal attendants' bouquets.

The altar held 14 candles, centered (Continued on page 3)

Becky Medford & Stan Nichols

Medford-Nichols to wed in March

Mr. and Mrs. Burl Medford of Paint Creek are announcing the engagement and approaching marriage of their daughter, Becky Jo Medford, to Stanley Lee Nichols. He is the son of Mr. and Mrs. Paul Klozinski of Abilene, and Harry Nichols of Puyallup, Wash.

The bride-elect is a 1983 graduate of Paint Creek High School and a

graduate of Abilene Christian University. She is employed by Anson Independent School District.

The prospective bridegroom is a 1983 graduate of Cooper High School and a graduate of ACU. He is employed by Albertson's Food and Drug in Abilene.

The couple plans a March 18 wedding at the Haskell Church of Christ.

In third century China, kites were used for games, rituals, transmitting messages and fighting.

Ellison, Corzine

(Continued from page 2)

with the unity candle, and was flanked by large gold pedestals containing white gladioli. After exchanging their wedding vows in the double-ring ceremony, the couple lit the unity candle.

Music was provided by Rebecca and Rick Weidemann, who sang duets of "That's All" and "Ice Castles."

Immediately following the ceremony, the reception, catered by Harper's Bluebonnet Bakery, was held in the church parlor. The wedding table was decorated with gladioli floral arrangements, while silver candelabra, silver punch bowl and other silver appointments complemented the bridal cake, which consisted of four heart-shaped tiers adorned with pink icing flowers and topped with fresh pink roses. The groom's cake was chocolate, covered with chocolate dipped strawberries, and appointments were also silver.

All floral arrangements were by Gordon Boswell Flowers of Ridglea.

The bride is the granddaughter of Mr. and Mrs. Elvin E. King of Big Sandy and Mrs. Albert L. Ellison of Fort Worth. The groom is the grandson of Mr. and Mrs. Robert W. Herren and Mrs. Alvin B. Corzine of Haskell.

The groom's parents gave the wedding rehearsal dinner on Friday evening, Sept. 30, at Colonial Country Club.

The bridesmaids' luncheon was hosted by Mrs. Wallace J. Henshaw of Fort Worth and her daughter, Cindy of Houston.

A lingerie shower was hosted by the bride's aunt, Mrs. David Ellison; a miscellaneous shower was hosted by Mrs. James Rost; an engagement party was hosted by Robert McCan; and a dinner party was given by Mr. and Mrs. Timothy D. Young.

The groom is a 1983 graduate of the University of Texas at Austin, holds a BFA degree, and is employed

by KWS Manufacturing, Inc. The bride attended North Texas State University and Texas Wesleyan College, is a paralegal, and is employed by Rolf & Co. Real Estate Management Company.

After a honeymoon in New Orleans, the couple will be at home in Fort Worth.

Baptists re-elect Ft. Worth pastor

Texas Baptists re-elected Fort Worth pastor Joel Gregory as president and adopted a record \$68.5 million cooperative program budget for 1989 during the 103rd annual Baptist General Convention of Texas in Austin last week.

'Main Street' cities elected

Gov. Bill Clements has announced that five Texas cities have been declared "Main Street" communities for 1989.

They are Denison, Fort Stockton, Mineola, Sulphur Springs and Yoakum.

The designation paves the way for state assistance to local downtown revitalization programs with a focus on historic preservation efforts.

Medical center to honor POWs

The VA Medical Center in Big Spring will commemorate Veterans Day Nov. 11 with a special ceremony honoring all area former prisoners of war.

Ceremonies will include the presentation of medals to former POWs, as recently authorized by Congress.

Andrea Elizabeth Wall

Granddaughter serves as Rose Festival royalty

The granddaughter of a Rochester woman was chosen as a lady in waiting for the 1988 Texas Rose Festival in Tyler Oct. 13-16.

She is Andrea Elizabeth Wall, daughter of Mr. and Mrs. H. Andy Wall of Tyler. Miss Wall is the granddaughter of Mrs. W. M. Reid and the late Mr. Reid of Rochester. Her mother is the former Diane Reid of Rochester.

Miss Wall is a sophomore education major at the University of Mississippi where she is a member of Kappa Kappa Gamma Sorority. She is Kappa assistant corresponding secretary and is on the student alumni council.

A graduate of Robert E. Lee High School, she was historian for the Junior Symphony League, a four-year member of Southern Belles and a senior officer. She was nominated for class beauty, class favorite and homecoming queen.

In addition to her participation in the Rose Festival, Miss Wall served as runnerup for two years. At the 1983 Rose Festival, she was special runner for the queen.

Traci Fry accepted by ACU 'W' club

Traci Fry, junior English education and journalism major at Abilene Christian University, has received notice of her acceptance into the "W" club at the university.

Membership into the ACU women's organization is by nomination only. Students must be nominated by both faculty members and club members, maintain a high grade average and be active in all phases of university life.

Traci is a member of Tri Kappa Gamma social club, and plays on each of TKG's three seasonal intramural athletic teams. Thursday, her team won the university championship in powder puff football.

She also is a member of the National Honor Society, Kappa Delta Pi and is a USAA Scholastic All-American. She is a tutor at the learning center and will be an Optimist copy editor next year. She is now doing her observation teaching

Traci Fry

in English at Abilene High School. Traci is the daughter of Keith and Sandra Fry and the granddaughter of Thelma Grinstead, all of Rochester.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

CALL 864-2621 FOR APPOINTMENT

FRIDAY, NOVEMBER 18, 1988

HASKELL, TEXAS

A Service of

HASKELL MEMORIAL HOSPITAL

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Appointments may be made by calling 864-2621.

The Mobile Breast Cancer Detection Unit will be in Haskell on Friday November 18.

The American Cancer Society has established guidelines for a mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with

significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, VISA, MasterCard and American Express.

For more information or to make an appointment call 864-2621.

Paint Creek wins big scoring battle

By Monica Howeth
Paint Creek won its first home game last Friday by downing district opponent Moran, 92-48, in a highly explosive offensive game that featured 23 touchdowns and large passing and rushing yardages.

Individual stats were as follows:
Daniel Acosta had an exceptional night which included seven touchdowns, seven extra points, 10 rushes for 193 yards, 17 of 23 pass completions for 300 yards, 17 tackles and an interception.
Chris Cockerell had an interception, rushed for 13 yards, caught five passes for 50 yards and made 11 tackles.

Dane Morgan had the best game of his career with six touchdowns, 303 rushing yards, a 70-yard punt return for a touchdown and 11 tackles.

Tanner Childress had 19 yards receiving and seven tackles. Kelly Williams had 17 yards receiving and 16 tackles.
Mo Green had two tackles on special teams. Rodney Tsoodle had 35 yards receiving and five tackles. Roman Morgan contributed with two interceptions and three tackles.

Gospel singer concert Saturday

Gospel singer Billy Taylor will present a concert Saturday at the First Baptist Church auditorium. It begins at 7 p.m. and the public is invited. The concert is free, but a love offering will be taken.

Boosters see film of Hawley game

Haskell Indian Booster Club met Monday night and viewed the Hawley-Haskell game on film.

Parents of all varsity football players and varsity cheerleaders will be introduced at the football game Friday at 7.

Booster Club members would like to thank everyone who attended the hamburger supper and for all the support given to the team this season.

Hornets sting Rochester

The unbeaten Harrold Hornets hung a 42-14 defeat on the Rochester Steers at Harrold Friday night. The loss dropped the Steers' district record to 2-3 (5-4 for the season).

Three lost fumbles, and an intercepted pass contributed to the Rochester downfall. Three times the Steers moved inside the Harrold 10 without scoring.

Harrold struck first with a 76-yard touchdown run by Scott Lambert and a conversion kick by Ben Segler. The Steers countered with a 3-yard scoring run by Kevin Conner and a conversion kick by Denny Tibbets to tie the score. But Harrold took a 14-8 first-period lead when Rickey Gillespie passed 13 yards to Segler for the Hornets' second score. The extra point kick attempt was blocked. Lambert ran 3 yards for another Harrold touchdown in the second period and Segler's kick gave his team a 22-8 lead which held up through halftime.

Lambert scored two more touchdowns for the Hornets in the third period, the first on a 39-yard run and the second on a 16-yard scamper as Harrold padded its lead to 36-8.

The two teams exchanged fourth-quarter touchdowns. Harrold scored first on a 2-yard run by Segler and Rochester countered with a 5-yard scoring pass from Brad Bevel to Tibbets.

Conner was the Steer's top ground gainer, getting 148 yards on 29 carries. Bevel completed 7 of 10 passes for 116 yards and Tibbets had 6 receptions for 99 yards.

Tibbets led the defense with 16 tackles. Robert Ortiz had 13, Morgan Walker 12 and Ross Shaver 9.

Rochester has an open date this week. They close out the season next week at Guthrie.

Four in running for playoff spot

The district 7-2A football season goes into its final night Friday with only two things certain:

1) Anson (4-0) has won the district championship regardless of how the Tigers fare at Haskell, and

2) Hawley (0-4) is the only team out of the playoff picture.

The district's other four teams, Haskell, Hamlin, Albany and Stamford are all locked in a tie for second place with 2-2 records.

The final week's schedule finds Anson at Haskell, Hamlin at Albany and Hawley at Stamford. All kinds of possibilities exist for second place and the district's other playoff spot.

Disregarding ties, Haskell must defeat Anson and Hamlin must defeat Albany for the Indians to have a chance at the playoffs. In that event, Haskell and Hamlin would be in a tie for second place. Stamford would make it a three-way tie if the Bulldogs get by Hawley. Then, a coin flip would determine the district's playoff representative.

If Haskell and Hamlin win and Stamford loses, Haskell and Hamlin would share second place and the Indians would get the playoff call based on their victory over Hamlin. But if Hamlin loses to Albany, the Indians would be out of the playoff picture, regardless of what Stamford does since both the Lions and Bulldogs defeated the Indians.

In other words, Haskell and Hamlin both must win if the Indians are to make the playoffs.

That is, unless there are some ties. A Haskell victory, along with an Albany-Hamlin tie and a Stamford loss or tie would give the Indians sole possession of second place.

Want to go a step further? If all three district games this week were to end in ties, Haskell, Stamford, Hamlin and Albany all would be tied for second place, necessitating a coin

flip.
What ever happens, champion Anson will meet the runnerup of district 8-2A next week in a first-round playoff. DeLeon and Eastland, both unbeaten in district play, meet this week to determine the champion of that district. While Anson takes on the loser of that game, the winner will meet the district 7-2A runnerup, be that Haskell, Stamford, Hamlin or Albany.

Rule clinches playoff spot

The Rule Bobcats earned a playoff spot Friday night by defeating the Lueders-Avooca Raiders, 60-14, in a district 11-A contest.

The victory brought the Bobcats' district record to 4-1 and their season record to 5-4.

Keith Vanderbilt scored three touchdowns and Chad Stulir had two as five Bobcats scored touchdowns. Others were by Kyle Wilson, Johnny Cole and Carlos Munoz. John Perez added 12 points with extra point kicks.

Rule plays at Woodson this week.

Julie Roewe officer of college group

Julie Roewe of Haskell has been elected vice president of the Western Texas College chapter of the Fellowship of Christian Athletes.

Other newly elected officers are Chawn Cummings of Richardson, president; Joy Muller of Olton secretary; and Terry Whitcher of Borger, treasurer.

Miss Roewe is a returning letterman for the WTC Lady Dusters coached by Kelly Chadwick. She is a member of the campus chapter of Phi Theta Kappa, a national honor fraternity for students in junior colleges.

The Lady Dusters began their fall schedule with a tournament at McLennan Community College in Waco Oct. 26-28 and will go next to Levelland for the South Plains College tournament Nov. 3-5. They will play Ranger in Ranger on Nov. 7 before playing home games with Ranger Junior College in Scurry County coliseum Nov. 11-12.

Unemployment

Unemployment in Texas rose slightly from 6.7 percent in August to 7.1 percent in September. Last September unemployment was 8.5 percent.

This Week

Anson at Haskell
Hamlin at Albany
Hawley at Stamford

MARKEY'S PLACE

Retail Merchants to meet Friday

An important meeting of the Retail Merchants Committee will be held at Kountry Kookin' Friday, beginning at 7 a.m. All members are urged to attend.

TWO THINGS TEXANS DON'T LIKE ARE BAD HIGHWAYS AND BROKEN PROMISES.

The money we send to Washington every time we fill up our cars comes back to Texas. The government promises that this money will be spent to build, repair and maintain our highways.

Diverting those Federal Highway Trust dollars to some other purpose could devastate our highway system for years to come.

- It would halt vital road construction;
- Cancel needed safety improvement;
- End repairs to roads and bridges.

Texans can stop this threat by voting for Proposition One which makes certain that highway dollars are spent on highways. **Let's keep the promise to Texans.**

On Election Day look at the bottom of your ballot and find Proposition One, the Highway Amendment. Proposition One continues the Texas plan for good jobs, economic growth and safe roads **without raising taxes** and most importantly . . . keeps your family safe.

A lot is riding on the promise of good Texas roads.

Keep highway money for highways and the jobs they create. Proposition One is endorsed by the Texas Highway Commissioners, local and state-wide officials of both political parties, and hundreds of civic groups because they know that building good roads keeps Texas moving.

Vote FOR

Proposition 1

The Highway Amendment

Keep Texas Moving.

Look for Proposition 1 at the bottom of the ballot

Big night for Indians

Alberto Alvarez hauls in a 33-yard pass at the goal line

Fred Shaw crashes over from the 1-yard-line

Jonathan Dever gained 30 yards in 8 carries

Fred Shaw had a big night

Sidelines

Hawley threw 26 times, connecting on only 6 for 101 yards. Four of those completions, good for 80 yards, came in the final five minutes of the game, including the 43-yard touchdown strike.

So stingy was the Haskell defense that Hawley crossed midfield only once under its own power. Following the Indians' first touchdown, the Bearcats moved from their own 36 to the Indian 47. But after a penalty and two big losses they were pushed back to their own 28.

They were in Haskell territory four other times, each coming after a fumble recovery, getting to the Haskell 17 in the first quarter and scoring in the final period.

Haskell kicked only twice, the two punts coming on consecutive possessions in the fourth quarter as Chan Guess got off kicks of 40 and 38 yards.

Officially, Guess is a perfect 15-for-15 for the season on extra point kicks.

The Indians have scored 22 touchdowns, kicked 15 extra points, had one kick blocked (Friday) and scored one 2-point conversion. On the other five occasions, they have either been unable to get a kick off or have passed unsuccessfully.

Under statistical rules, a kicker is not charged with an attempt when the kick is blocked.

Fred Shaw ran 25 yards on Haskell's first play from scrimmage. That was Haskell's fourth best run of the night. Shaw also had runs of 45 and 38 yards (both for touchdowns) and Guess clicked off a 28-yard gainer.

Hawley's Jay Tatum had his team's longest run, a 20-yarder in the first period. He was 15-for-62 for the night.

For the second week in a row, Alberto Alvarez fell inches short of a touchdown after catching a pass.

He was stopped a foot shy of the goal after a 33-yard reception from Guess. The week before, he was stopped a yard short after a 40-yard reception.

Shaw's 276 yards in 23 carries figures out to be exactly 12 yards per try.

For the season, Shaw has carried 48 times for 390 yards, an average of better than 8 yards.

Until the Stamford game two weeks ago when he went 17-for-96, he had carried only eight times for a modest 18 yards.

Shaw honored for Hawley game

Haskell's Fred Shaw was named the area's offensive player of the week by the Abilene Reporter-News on the strength of his outstanding performance last week against Hawley.

The Indian fullback rushed 23 times for 276 yards and scored five touchdowns as the Indians beat the Bearcats 33-8. His touchdown runs were 50, 45, 38, 18 and 1 yards.

Indians bounce back with win over Hawley

Haskell's Indians dodged an early bullet and then stormed back to crush the Hawley Bearcats, 33-8, in a district 7-2A contest here Friday night.

With Fred Shaw running for five touchdowns and carving out 276 yards in 23 carries, the Indians were awesome once they got past the initial jitters. They scored one touchdown in each of the first three periods and two more in the fourth.

Hawley managed a meager 51 net yards rushing as Bo Watson, Paul Harvey and Co. shut down the Bearcats' running game.

If there was a negative side to Friday's game, it would have to be the fact that the Indians coughed up the ball on fumbles no fewer than four times. Helping offset these turnovers were a couple of pass interceptions by the Indians, one by Josh Reid and another by Tim Alexander.

The first fumble got the Indians into early trouble. Four plays after Shaw ran 25 yards on Haskell's first offensive play, the Indians lost a fumbled pitchout at the Hawley 34. The Bearcats then used a lot of time in running off 11 plays getting them to the Indian 17 where the drive bogged down. On fourth down, Hawley's Jose Guerrero attempted a 33-yard field goal which missed its mark and Hawley was not to threaten again until the final minutes of the game.

Taking over on their own 20 after the missed field goal, the Indians covered the 80 yards to paydirt in four plays. Shaw made 2 yards, Chan Guess passed incomplete and then clicked off a 28-yard run to midfield. On the next play, Shaw took it all the way. Guess' conversion kicked made it 7-0 at the 2:10 mark of the first quarter.

Next time the Indians got the ball it was in the second quarter and after one play they fumbled it right back to Hawley on the Haskell 48.

After holding the Bearcats and forcing them to punt, Chan Guess returned the ball from his 18 to the 31. Shaw then made 14, a penalty moved the ball forward another 5, Guess made 13 yards, Jonathan Dever picked up 7, Shw made 4, 2, 6 and finally 18 yards for a touchdown. Guess' kick made it 14-0 at the 5:40 mark of the second period.

Dever returned the second-half kickoff from the 15 to the 31 and it took the Indians just six plays to drive 69 yards for another score. Shaw had runs of 7, 3 and 20 yards and Dever picked up 3 to the Hawley 34. Then Guess hit Alberto Alvarez with a pass which carried inside the 1. Shaw then crashed over. Guess again converted and the score stood at 21-0 only two and a half minutes deep into the second half.

The next two times the Indians got the ball, they fumbled it away, on their own 33 after three plays and on the Hawley 45 on their second play.

They were unable to get first downs on their next two possessions, but when Reid intercepted a pass and returned it to the Hawley 38, they were able to take it in despite a 15-

Game Stats

Haskell		Hawley
17	First Downs	10
47-339	Yards Rushing	51
71	Yards Passing	101
4-7-0	Passes Attempts/Comp.	6-26-2
4	Fumbles Lost	0
7-70	Penalties	8-60
2-39	Punts	9-28

yard penalty. Shaw got the touchdown, running 45 yards on a fake reverse at the 6:04 mark of the final period.

Hawley finally capitalized on a Haskell fumble. Unable to move following the Haskell kickoff, the Bearcats' Guerro punted to the Indian 43 where the ball was fumbled back to Hawley. On first down, quarterback Brian Davis fired a strike to Greg Young who had slipped behind the defense. He took it in for a touchdown. Joe Hackett took a pitchout from Davis and went around the left side for a 2-point conversion with the clock reading 4:44.

Eighteen seconds later, the Indians responded when Shaw raced 38 yards for the final touchdown of the game. The Indians had recovered an onside kick at midfield, after which Hawley was assessed a 15-yard personal foul penalty, moving the ball to the 35. Dever lost 3 yards to the 38 before Shaw took it in. Guess' kick was blocked.

Hawley had two more possessions but could not mount a threat although the Bearcats did complete three more passes, including completions on the last two plays of the game.

Experience We Can Trust

Paid for by the Committee to Elect Ted Z. Robertson Chief Justice
Marvin Thomas, Treasurer, P.O. Box 50766, Dallas, TX 75250

Notice to Texas customers of Southwestern Bell Telephone Company.

Southwestern Bell Telephone Company filed tariff revisions October 3, 1988, with the Federal Communications Commission (FCC) that would increase the FCC Approved Customer Line Charge 60 cents per month for residence and single line business customers.

In addition, Centrex customers with lines installed or ordered before July 28, 1983, will incur a \$1.00 increase bringing their monthly charge to \$5.00. New rates would be effective December 1, 1988.

This charge is part of a plan authorized by the FCC in 1984 and designed so that business and residence customers would more directly contribute toward the cost of providing local telephone service.

In the past, these increases have resulted in a decrease in interstate long distance charges. Some additional proposed decreases in interstate long distance charges also have been announced.

If you have any questions, contact your local business office at the number listed in the front of your White Pages directory.

To a young man wondering about his future in farming...

Like your dad and your grandfather, one thing you'll need is a dependable source of long-term credit. A source that sticks with you through good times and bad... doesn't panic and pull back when things get a little tough. For generations that source has always been the Land Bank.

When long-term credit is the answer, stop by and see how the Land Bank can help you.

Federal Land Bank Association of Haskell

The Old Glory Variety Club met in the home of Aliné Summers on Tuesday. The members drew names for Christmas and enjoyed the afternoon playing 84. Those attending were Louise Letz, Olga Letz, Tharris Letz, Phyllis Letz, Hazel Letz, Odine Spitzer, Bernice White, Mable Sawyer, Edna Diers, Anita Dozier. The next meeting will be with Bernice White.

Mrs. Jesse Pillely of Rule met in the home of Mrs. M. Y. Benton on Saturday.

Mrs. Joe Ray Baitz of Austin and Mike Summers of Fredericksburg visited in the home of their parents Mr. and Mrs. Zenor Summers over the weekend. Also attended the homecoming at Rule school.

Mrs. Mary Neinst visited at the Rice Springs Care Home with Mrs. Alvina Holle and Mrs. Alice Muegge.

Mr. and Mrs. Jimmy Teichelman, Greg and Chad ate lunch in the home of Mr. and Mrs. Herbert Teichelman Sunday.

Guests in the home of Mr. and Mrs. Leo Monse this past weekend were Virgil and Geneva Vahlenkamp of Denton. They came for the Rule school homecoming.

Those who ate lunch in the home of Mr. and Mrs. Franklin Mrazek in Aspermont Sunday were Mr. and Mrs. Virgil Vahlenkamp of Denton, Mr. and Mrs. Leo Monse of Sagerton, Fred Monse of Haskell, Mrs. Davis Lehrmann of Rule, Mrs. Norva Smith, Hollie, Joshua and Keli of Rule, Mike, Marla and Mitchell Mills of Lubbock.

Mrs. Ray (Linda) Herricks of Dallas visited her parents Mr. and Mrs. Herbert Stremmel over the weekend and attended the Rule homecoming. She also visited in the home of Mr. and Mrs. Jack Monse and DeWayne on Saturday.

Bob White of Livingston attended the ACH homecoming musical "Oklahoma" held in the Civic Center in Abilene.

The Friendship Club met in the Fellowship Hall of Faith Lutheran Church Thursday with a small group of people being there. Those attending were Herbert and Velma Lou Lammert, Pastor Mel Swoyer, Isabell Mrazek, Mrs. Mary Neinst, Reece and Francis Clark, Delbert and

Joyce LeFevre, Alvin and Ev Ulmer, J. B. and Dorothy Toney, DeWayne Monse, Arthur and Frieda Knipping, C. E. Stegemoeller, Harvey Dudensing, Anton and Evelyn Teichelman.

Baptized Sunday was Parris Marie Melton daughter of Greg and Shawna Melton which was held in Faith Lutheran Church. Baptismal sponsors were Alinda Allison, Bob Cude, Wayne Hutchinson and Carmella Letz.

Agency offers emergency call system

The West Central Texas Council of Governments, Area Agency on Aging, offers an emergency response system that allows local residents to signal for 24-hour emergency assistance from their homes simply by pressing a button.

With ERS, senior citizens can continue to live at home and know that help can be obtained by simply pushing a button that is worn on a chain around the neck. When the button is pushed a signal is sent to Hendrick Medical Center where a staff of highly trained personnel will identify the emergency and send help immediately.

Haskell area persons 60 years of age and older can apply for this service and other services offered by the agency.

Other services include congregating and home delivered meals, transportation, telephone reassurance, information and referral, senior employment, health screening and ombudsman activities for nursing home clients.

For information on any aging service program sponsored by the Area Agency on Aging, contact WCTCOG, P.O. Box 3195, Abilene 79604, or telephone (915) 672-8544 (collect calls accepted).

We have pens that write pink, light blue, purple and burgundy to match your favorite stationery. Pick a color at the Haskell Free Press.

Prize winners

Elena Rodriguez, left, and Connie Childress won cash prizes Monday for the best Halloween dress among employees at United Sewing Agency.

--Market Report--

Coloring contest winners named

Special winners in the "A Mirthworm Masquerade" coloring contest held recently by Olney Savings and Loan Association are:

Reena Harris, 6, daughter of Gary and Barbara Harris of Haskell,

Jodie Reel, 8, son of Ronnie and Brenda Reel of Paint Creek, and

Karmen Adkins, 11, daughter of Mike and Nancy Adkins of Rochester.

The Haskell office received 201 entries from children ranging in age from 2 through sixth grade. Those who would like to pick up their entries may do so before Thursday, Nov. 10.

Olney Savings will have another coloring contest, "A Merry Mirthworm Christmas", in December.

Miss Texas-Teen applicants needed

Applications are being accepted from girls 13 through 19 for the 1989 Miss Texas U.S. Teen Pageant.

The Texas winner will receive a cash scholarship, a tuition scholarship, an all-expense paid trip to the national pageant including air fare, diamond pendant, color portrait, crown, banner, trophy and a host of gifts and products.

For further information, contact Carole Clements, National Director, Miss U.S. Teen, P.O. Box 1229, Auburn, Ala. 36830, or call (205) 745-6875.

--Obituaries--

Henry Ejem

Henry Ejem of Weinert died Thursday (Oct. 27) of an apparent

heart attack. He was 64.

Funeral services were Saturday afternoon at the First Baptist Church in Weinert with the Rev. Donnie Crump officiating. Burial, under direction of Holden-McCauley Funeral Home, was in Weinert Cemetery.

Pallbearers were Allan Heard, Donald Griffis, Rex Herricks, Nick Jimenez, Elmer Adams and Raymond Mathison.

A life-long resident of Haskell County, Ejem was born Oct. 11, 1924. He was married to Gwendolyn Freeman in Stamford May 9, 1970. He was a member of the First Baptist Church of Weinert.

Survivors include his wife; a daughter, Sherri Ejem of Weinert; a son, Jody Freeman of Weinert; four sisters, Ruby (Mrs. Otis) Henshaw of Seymour, Marie (Mrs. Weldon) Walker of Stamford, Mrs. Matilda Williamson of Breckenridge and Joann (Mrs. W. E.) Stovall of Abilene; and a brother, Joe John Ejem of Roscoe.

Moisture total drops below normal

An unusually dry October was responsible for dropping moisture for the year below the normal for the first 10 months.

Sam Herren, official weather recorder, said October rainfall measured only .41 of an inch, compared to a normal of 2.46.

This brought the year's moisture total for the 10 months of 1988 to 19.40 inches, compared to a normal of 22.01.

Temperatures in October ranged from a high of 93 degrees on Oct. 17 to a low of 45 on Oct. 24.

ECC schedules annual bazaar

The annual Country Arts, Crafts and Food Bazaar of the Experienced Citizens Center will be on Saturday, Nov. 19. Hours will be 9 a.m. to 5 p.m.

The bazaar is open to all residents and organizations of Haskell and surrounding areas. Tables are \$10 for ECC members and \$15 for non-members.

All baked goods, including candy, cookies, cakes and pies, will be sold by the Experienced Citizens Center.

For information or to reserve tables, call (817) 864-3875.

Ask VA

Q: My husband was killed in World War II while on active duty and was buried at sea. I never remarried and would like to be buried in a VA national cemetery. Is this possible?

A: Yes. The widow or widower of a member of the Armed Forces lost or buried at sea, or officially determined to be in a status of missing or missing in action, or whose remains have been donated to science or cremated, is eligible for burial in a national cemetery.

Public Notices
NOTICE TO BIDDERS FOR HEATING, VENTILATING AND AIR CONDITIONING OF THE HIGH SCHOOL, JUNIOR HIGH SCHOOL AND AUDITORIUM HASKELL INDEPENDENT SCHOOL DISTRICT HASKELL, TEXAS

The School Board of Haskell Independent School District, Haskell, Texas, will receive sealed bids until 3:30 p.m. or Tuesday, November 15, 1988, at the Haskell Independent School District administration office, 705 N. Avenue E, for heating, ventilating and air conditioning of the High School, Junior High School and Auditorium located at 600 N. Avenue E, Haskell, Texas. Bids will be publicly opened at 7:30 p.m. on Tuesday, November 15, 1988.

Bid documents can be obtained from Tippet & Gee, Inc., 502 N. Willis, Abilene, Texas, 79603, for payment of \$50 per set, non-refundable.

The Haskell Independent School District Board reserves the right to reject any or all bids, waive minor technicalities, and award the bid which best serves the interest of the Haskell Independent School District.

All bidders must be prequalified with the Owner and Engineer. Each bid must be accompanied by a certified check, cashier's check or bid bond payable to the Haskell Independent School District, Haskell, Texas, in an amount not less than five percent of the total amount bid.

Performance and Payment Bonds are required for the project. Dr. James A. Kemp, Superintendent Haskell Independent School District 43-45c

NOTICE OF APPLICATION FOR AMENDMENT TO THE ZONING ORDINANCE
A request has been received from John Larned to change the following described property: Original City of Haskell Block 4, Lots 7&8, 204 and 206 South 1st Street from commercial zoning district to special purpose zoning district. The applicant proposes to use the property for a mobile home park if rezoning is achieved.

The planning and zoning commission of the City of Haskell, Texas, will hold a public hearing pursuant to this request on November 8, 1988 at 2:00 p.m. in City of Haskell Council Room. 44c

Cake Bake nets \$1900 for scouts

The Cub Scouts of Pack 136 raised more than \$1,900 at the Father-Son Cake Bake last Tuesday.

Cubmaster Jim Bob Mickler auctioned off the 62 cakes after judges awarded prizes in 10 categories.

Chris McSmith's cake took the largest cake title, and his cake sold for the most money, \$85.

Brett Proctor's cake won the title for the best looking, and Nick Jimenez's cake captured the best tasting award.

Honorable mention for best tasting went to Harrison Druessedow, Lee Christian, Adrian Serano and Theodore Silvas.

Other awards went to Bradley Herpeche, most original; Aaron Kirk, most colorful; Heath Guess, tallest; Jeremy Futch, smallest; Trey Rodgers, most unusual; and Jace Yates, wildest.

Anthony Gonzales, Mickey Guzman and Chris Tatum received special mention for their cakes.

The money raised from the auction will be used to finance scout projects and to purchase scout awards.

"We had a large and very generous crowd," Mickler said. "We're especially grateful to Anderson Tire Co., the First National Bank, the Lions Club, the Kiwanis Club, Mule Creek Land and Cattle Co., Pizza Barn and Dr. Cliff Ray for their financial support."

Cake judges were Bob Oatman, Chisholm Trail Northern District executive director; Mr. and Mrs. Darold Roberson, Dr. Cliff Ray and

Conrad Roewe.

Prior to the auction, 28 scouts received awards.

Mik Everett and Jamie Hodgkin received the Arrow of Light badge, the highest rank badge a Cub Scout can earn. Everett also received a Webelos rank badge and an outdoorsman activity badge.

Others receiving Webelos badges were Jeremy Futch and Jay Mickler. They also earned the readyman and fitness activity badges.

Harrison Druessedow earned seven activity badges: artist, fitness, family member, handyman, naturalist, scholar and readyman.

Brett Proctor and Jonathan Lefevre each earned three activity badges. Proctor earned fitness, readyman and scientist. Lefevre earned readyman, fitness and athlete.

Joe Salinas and Cory Wood both earned fitness activity badge.

Seven scouts earned the communicator activity badge. They were Justin Arendall, Will Clay, James Copperthwait, Tim Dewey, Nick Jimenez, Derik Stovall and Greg Rodriguez.

Bobby Gonzales and Aaron Kirk each received the Wolf rank badge, a gold arrow point and two silver arrow points.

Ten scouts earned the Bobcat rank badge. They were John Abila, Heath Guess, Philip Huff, Lucas Jones, Daniel Payne, Brandon Rodela, Adrian Serrano, Tim Serrano, Salyadon Serrano and Martin Silva.

Scout Cake Bake

Among the winners at the Cub Scout Cake Bake were, front row from left, Chris McSmith, Jace Yates, Heath Guess; back, Jeremy Futch, Nick Jimenez, Bradley Herpeche, Brett Proctor, Aaron Kirk and Trey Rodgers.

Students see program on guard dogs

Haskell secondary school students and fifth and sixth graders were privileged to view a demonstration by two of the guard dogs from Fort Sill, Okla., in a program Monday.

The dogs, Jimmy 169K and Prins 361C, performed various maneuvers at their handlers' commands. These included obeying both voice and hand commands, protecting their handlers, searching for evidence and detaining suspects.

Students were impressed by the training and control exhibited by the dogs.

Army personnel who gave the demonstration were SSG Kenneth C. Reyes, SSG Ruben N. Provy and SP4 Larry A. Peer, all from Fort Sill.

The demonstration was arranged by Sgt. Waite, U.S. Army recruiter from Abilene.

Insurance necessary for FmHA (crop) loans

Haskell County farmers who plan to put in winter crops with the Farmers Home Administration loans based on this year's drought should take steps immediately to see if they need crop insurance for 1989 crops.

The Disaster Assistance Act of 1988 requires any farmer with a production loss exceeding 65 percent of normal to agree to purchase insurance for 1989 crops, with some

exceptions, as a condition for obtaining an FmHA emergency loan to help cover 1988 losses.

The open season for obtaining multi-peril crop insurance for winter crops expired Oct. 31, except in certain northwestern states where it is Nov. 30. Some extensions to the deadline may be granted on an individual basis. Proof of insurance will be required before disaster loan applications can be processed.

Exceptions to the insurance requirement include cases where insurance is not available and where premium costs would impose an undue financial hardship as determined by the FmHA county committee.

DID YOU KNOW? The word "canopy" comes from the Greek word "konops" meaning "gnat." The story goes that fishermen of ancient Egypt would sleep undisturbed by gnats by sleeping under canopies of fishing nets.

Flea market this weekend

The American Legion flea market gets underway Saturday and continues through Sunday at the Legion building.

Any individual or organization wishing to participate should make reservations by calling Gene Plunkett (864-2087) or Truett Parsons (864-3948). Reservation fee is \$10.

The Legion Auxiliary will be conducting a bake sale during the event.

Wild and zany student dividers. Fits 2 and 3 ring notebooks. Reinforced. Available at the Haskell Free Press.

Richardson plans special event

A special election day event is scheduled Tuesday by Richardson Truck & Tractor.

A big tent will be set up on US 277, one mile south of town, where the company's Case-IH farm equipment will be displayed.

"We are asking people to get out and vote and then come by and 'take the wheel' in a field demonstration," said A. C. Richardson.

Activities begin at 9 a.m. and will be climaxed with a catered barbecue lunch.

Those planning to attend should notify Richardson Truck & Tractor by Friday.

Doggett lost to Phil Gramm.

But now, Lloyd Doggett's back, this time running for the Texas Supreme Court. Again, his qualifications just don't add up. Good thing we have a qualified choice: one of Texas' most honored judges, Justice Paul Murphy. Experience? He serves on our 14th Court of Appeals with 7 1/2 years of judicial experience. He has authored over 700 judicial opinions. His colleagues have rated Paul Murphy one of the best justices in Texas. Integrity and experience for the Texas Supreme Court.

IT ALL ADDS UP TO JUSTICE PAUL MURPHY FOR JUSTICE

THE HASKELL FREE PRESS

HASKELL, TEXAS 79521, November 3, 1988

March of Dimes grant

Present for the presentation of the \$5,000 grant from the March of Dimes to the Aspermont Small Business Development Center were, from left, Lori Groban of the March of Dimes, Don Mullins and Judith Patton of the Aspermont center, and Pearl Merritt and Lisa Sparks of the March of Dimes.

Area agency gets grant of \$5,000

The Aspermont Small Business Development Center has been awarded a \$5,000 grant by the Central Texas Area Chapter of the March of Dimes.

The grant is to be used to educate area teens of the consequences of teenage pregnancy.

Counties served by the center include Haskell, Jones, Kent, Knox, Stonewall and Throckmorton.

Each year more than 480,000 teenagers give birth in the United States. The high rate of teenagers having babies is both a health and

social problem that demands serious attention. Two out of three pregnant teenagers drop out of school. The teenage mother may become financially dependent on her family or on welfare.

The March of Dimes is concerned about the problems of teenage pregnancy because babies born to teens are often born too small, too soon. Low birth weight infants tend to have serious health problems and remain hospitalized for an average of 30 days.

Cotton harvest progresses

U.S. Dept. of Agriculture
Oct. 28

Harvesting and ginning were once again blessed this week with the clear perfect weather, resulting in the receipt of approximately 32,000 samples in the USDA classing office in Abilene.

Most gins were able to keep up since the only cotton being harvested was defoliated.

This week's activity showed an increase over last with gins to the west just getting started while those to the south are losing ground to the backlog on the yards.

This also was a busy week in the classing office. With 10 HVI lines active, approximately 27,000 samples were processed, according to area director B. B. Manly. This left a carryover of one and one-half day's work. With receipts building, the office will work Saturday to stay current.

Grades 41, 32, 42 and 51 made up the majority of other samples. Average mike was 39 with 88 percent in the 35-to-49 range. Staple length averaged 32, uniformity 79, with grams per tex at 25.

Cotton sales were minimum and seed prices paid to the growers ranged from \$105 to \$120 per ton.

Haskell soldier re-ups for five

Sgt. 1st Class Clarence E. Dukatnik has re-enlisted in the U.S. Army in West Germany for five years.

He is a track vehicle mechanic with the 263rd Maintenance Company.

A 1970 graduate of Paint Creek High School, Dukatnik is the son of Emil and Agnes B. Dukatnik of Haskell.

11 from Haskell County in district Food Show

Eleven Haskell County 4-H members will compete in the Rolling Plains District 4-H Food Show in Wichita Falls Saturday. It will be in

the Sikes Senter Mall Shopping Center.

Representing Haskell County will be Kacy Baitz, Jonathan Lammert,

Paige Lammert and Jennifer Swoyer of Sagerton; Kim Gilly, Joni Martindale, Emily SoRelle and Kaki Stapleton of Haskell; Heather Guess and Shanna Murphy of Weinert; and Christi Mathis of Rule.

Entrants from 21 counties will compete in senior, intermediate and junior divisions. Each division has four food classes: main dish, fruits and vegetables, breads and cereals, and snacks and desserts. All contestants are winners in their county food shows. Senior division winners in each category will advance to the state 4-H Food Show next June in College Station.

Contestants will report to the shopping center at 9:30 a.m. Judging begins at 10.

Dishes will be on display in the mall during the afternoon and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony beginning at 2 p.m.

Cookbooks containing all the recipes prepared for the district show will be on sale for \$4, said Mary Greer, Young County extension agent-home economics, who is chairman of the show committee.

New 4-H groups now being organized

With the new 4-H year getting into full swing, new project groups are being organized. It's in these projects where the "real" learning takes place.

Four-H offers exciting projects and activities for all young people from the third grade to 19 years of age who have a curious desire to learn.

Four-H encourages "learning-by-doing" and provides citizenship and leadership skills. It wants to involve all youth, rural and urban, teens and pre-teens, from all races, creeds, ethnic and economic backgrounds.

In 4-H, young people can learn how to make things, grow things, take care of things and repair things in a wide variety of projects.

And, the great part about the whole program is that 4-H youth can select what they want to do. Projects include things such as nature study, wildlife, entomology, animal science, beef cattle, horse and pony, dog care, plant science, gardening, field crops, home economics, foods and nutrition, clothing, automotive, bicycle, small engines, mechanics, electricity, personal development, citizenship, leadership and public speaking.

Anyone interested in getting involved in the action-oriented program should contact one of the county extension agents, Max Stapleton and Lou Gilly at the extension office in Haskell.

Zoning change to allow business

The City Council last week approved a Zoning Board recommendation for a zoning change on property at 1409 N. Ave. K.

The special zoning designation of the property will allow Nancy Peiser to operate an adult day care center at the location.

Library to close

The Haskell County Library will be closed Tuesday, Nov. 8, for the election in precinct 2.

Sport About Salutes The Indian Player Of The Week

Fred Shaw

This is a repeat from last week as Fred turned in his best performance as a Haskell Indian against Hawley. He rushed for 276 yards on 23 carries and scored 5 touchdowns. On defense he made a number of big defensive plays. We look for another big performance against Anson this week.

"Where Winners Shop"

Announcing money-saving news for State Farm drivers 50 and over.

State Farm Mutual policyholders 50 and over who have no male drivers under 25 and no unmarried female drivers under 25 in their household will be getting a break on the cost of their car insurance.

If you're 50 or over, call 864-3250 to see if you qualify.

THE GREAT REPUBLICAN GIVE-AWAY

"Japan is now in a position to influence the value of the dollar, U.S. interest rates and stock prices on Wall Street...and we may do so."

— Masaru Yoshitomi, Director General
Japanese Economic Planning Agency
September 30, 1988

Foreigners are buying America on the cheap and the Republicans say it's good news that more and more of us have foreign bosses.

The Republicans have refused to adopt a tough trade policy and now foreigners own 10% of our manufacturing base, 20% of our banks and over 33% of the prime commercial real estate in our nation's capital, Houston and many other cities.

Eight short years ago foreigners owed America billions, now we owe them over \$385 billion—a debt our children and grandchildren will be paying for years to come.

And all the while the Republicans have even blocked efforts to require that foreigners disclose their skyrocketing American holdings.

TEXAS AND AMERICA DESERVE BETTER

Democrats want to see America reclaim control of its economic future. That means:

- putting an end to unfair trade practices that subsidize foreign goods and close markets to U.S. products...
- enforcing this year's historic trade legislation which was passed by Democrats despite Republican opposition...
- and adopting Texas-sponsored legislation to require that foreigners disclose their U.S. holdings—just as foreigners force Americans to do in every other major industrial nation.

--Letters to the Editor--

Supreme Court

Editor: Statewide court races are many times overlooked for a multitude of reasons: lack of knowledge, lack of interest, buried down ballot, etc. This year we have the opportunity to elect two-thirds of the Texas Supreme Court in one election, which is an historical precedent.

Many groups across this state are endorsing a common slate of candidates for the court. It is interesting that almost every interest group (doctors, bankers, Realtors, independent insurance agents, hospital associations, the Texas & Southwestern Cattle Raisers Association and the Texas Association of Business, just to name a few) are supporting the same six candidates:

Tom Phillips (R), Paul Murphy (R), Nathan Hecht (R), Raul Gonzalez (D), Jack Hightower (D), Eugene Cook (R).

These endorsements are even going beyond long held partisan lines as I have a Democrat county chairman and

a Republican county chairman jointly purchasing an advertisement in their local newspaper asking for the support of these six candidates, asking the voters to split their voting between Republican and Democratic candidates in these races, a multi-partisan, multi-interest effort to elect a Texas Supreme Court we can all be proud of.

This is a strong indication of what is happening across my legislative district and this state. I wanted you to have this knowledge concerning these efforts.

Your vote on Nov. 8 is definitely important.

Rick Perry
State Representative
District 64

Vote 'No' on 3

Editor: I'm writing this letter to say that I am opposed to proposition 3 in the amendments to be voted on in the upcoming election.

The Teacher Retirement System was established as a separate agency and has continued to be operated in that manner. If this amendment should pass, they would start dipping into it, just as they have Social Security.

Why should the public-at-large be given an opportunity to vote on this when only the employees of the Texas School System paid into it? If they have a surplus, then give the school retirees a raise, just as the Social Security recipients receive each year. For many who have been employed by the school system, this

is the only income they receive.

So, whether or not you paid into this system, in all fairness vote "No" to this proposition 3 on Nov. 8.

Randolph Wilson

Supports Hecht

Editor: The purpose of this letter is to ask your readers to vote for a friend of mine who is a candidate for the state Supreme Court. I am referring to Judge Nathan Hecht. I first met Nathan about six years ago when we attended the same church.

Nathan Hecht is a highly respected judge and legal scholar with an outstanding record. He is currently serving as a justice on the Fifth District Court of Appeals in Dallas. He has also served as a district judge and as an administrative judge over all Dallas County district courts.

He is an honors graduate of Yale University who studied law at SMU, where he received his law degree with honors, graduating third in his class. He also served as a lieutenant in the U.S. Naval Reserve, Judge Advocate General Corps.

Nathan has received the endorsement of every major newspaper in Texas, and has won numerous bar polls over his opponent, including the State Bar of Texas, Dallas Bar Association, Tarrant County Bar Association, and Houston Bar Association.

Our state Supreme Court is a mockery of justice. It is widely recognized as being controlled by liberal special interest groups and insider campaign contributions. Judge Hecht's opponent has been publicly admonished for official

misconduct by the Texas Commission on Judicial Conduct. In contrast to this, Judge Hecht is widely known and respected for his honesty and fairness.

On Nov. 8, Texans have a chance to correct some of the abuses of judicial power which have scandalized our Supreme Court. I urge everyone to vote for a man of unquestioned integrity and outstanding experience. Please vote for Judge Nathan Hecht for Supreme Court, Place 2.

Dusty Garrison

School Menu

Nov. 7-11
LUNCH

Farm leader hails 'tax corrections'

"On the last day of Congress, farmers and ranchers got two big corrections in tax laws," said Bob Aycock, president of the Haskell County Farm Bureau.

One dealt with the diesel fuel tax and the other, the so-called "heifer tax," pertained to an income tax provision regarding production expenses, he said.

One correction restores a tax exemption on farm-used fuel at the retail level. The so-called "heifer tax" restores preproductive expensing of livestock.

"Both tax corrections are very important to the farmers and ranchers of Haskell County," Aycock said.

The Budget Reconciliation Act, passed by Congress last December, changed the collection point for the diesel tax from the retail to the wholesale level, forcing users to pay the tax and then apply for a refund. The change became effective April 1. In most instances, producers would have to wait for an entire year to get a refund.

Both taxes have now been repealed

by the Technical Corrections bills passed just before Congress adjourned, the local farm leader said.

The Haskell County Farm Bureau received a letter from TFB president S. M. True, congratulating local leaders for the two successes.

"Your hard work has paid off and the Texas Farm Bureau's top legislative priorities have been accomplished for 1988," True wrote.

Aycock said the American Farm Bureau Federation credits Texas producers with playing a key role in obtaining final passage of the bills. AFBF reported that hundreds of letters were received by Texas members of Congress, he said.

Orange-Aid: There's a new killer chemical on the horizon, devastating to household pests but apparently safe for humans, animals and the environment. And it smells great. The magic ingredient is citrus oil from orange peels. Researches have found it to be a valuable replacement for poison in killing houseflies, fleas and fire ants. (National Wildlife)

WHAT ABOUT US?

Japan is doing well.
Under 8 years of Republican rule, countless American jobs have been exported to Japan—and Japan has moved ever closer to controlling our economic future.

FACT: Japan now controls 17 of the world's 25 largest banks. The United States controls just one.

Saudi Arabia is doing well.
After 8 years of Republican rule, America still has no energy policy. The Saudi and other OPEC economies have boomed while the Texas economy has gone bust.

FACT: Texas has lost over 216,000 oil-related jobs in the last five years, while America's oil imports have jumped 20% in the past two years alone.

The international drug cartel is doing just great.
For 8 years the Republicans have talked tough about drugs but time and again have sought to slash funding for the war on drugs.

FACT: Under the Republicans cocaine smuggling has tripled, heroin trafficking increased 50% and the number of drug-related deaths doubled.

TEXAS AND AMERICA DESERVE BETTER

- Democrats helped save millions of American jobs by passing historic trade legislation this year.
- Democrats have adopted a Texas-proposed national energy policy that would significantly increase sales of Texas oil and natural gas and create tens of thousands of Texas jobs.
- Democrats are committed to standing up to drug kingpins like Panamanian strongman Manuel Noriega and to waging a real war on drugs on our streets here at home.

--Weinert--

by Myrtle Phemister

After a day of fog and mist, we were blessed with over an inch of rain on Sunday night. The gins continue, with all the modules that have been hauled in, and only the farmers have time off from the harvest, due to the inclement weather.

Special "thanks" from me to Mrs. Bellinghausen, Arthur Garza and Felipe Castorena, with the rest of the Junior High students, who did such a super job of writing the Weinert News while I was away on the foliage tour to the Northeastern U.S. and Canada.

I know each of you appreciate them too, for without them there would have been no Weinert news for the whole month of October.

Our sympathy is extended to the family of Henry Ejem upon his sudden and untimely death last week. Henry was reaching his 65th birthday and was excited about retiring from farm labor, which he had been doing all his life. But on Thursday morning, after going to the farm to start work, he suffered a massive heart attack and died.

Henry's memorial services were held at the First Baptist Church on Saturday, October 29th. He is survived by his wife, one daughter and a son.

There were so many birthday parties in town, everyone around

must have heard the celebrations.

Mr. and Mrs. Joe Yates hosted the Yates and Guess families with a Sunday dinner, honoring their son, T.J. and brother, Hal Guess on their birthdays.

Twenty-three family members and guests were counted, as they gathered around the honorees to sing the birthday song.

Out of town guests were Linda and Ricky Wade, with Taylor of Kermit, Mack Wade and Annette Ancil, of Abilene and Christi Herricks of Throckmorton.

Twenty-seven family members stormed the home of Mr. and Mrs. Lester Hutchinson on Sunday, not just for Lester and Cherie Hutchinson's birthday, but also to welcome their two aunts, sisters of their father, Robert Hutchinson (deceased). They are Callie Mach of Dallas, and Jessie Roberts of Champaign, Illinois.

Out of town guests included Boyd Lynn and Christine Meers with Todd, Grace Hutchinson, Helen Hutchinson with son Charles, Jerry and Joan Hutchinson and Bobby Hutchinson all of Munday.

Others attending the dinner were Mike and Cherie Cox and Jean Curd of Arlington; Holly and Jeremy Hutchinson of Lubbock; Jimmy and Eunice Cox, with Mark, of Breckenridge; Debbie Hutchinson of Junction; Jamie Newberry of

Stephenville and Angela and Todd Herricks of Haskell.

Helping with hostesses duties were Wayne and Cherie Hutchinson of Weinert.

The home of Ricky and Karen Harlan was the scene of a birthday celebration honoring their children, Jeremy and Lynzie. Twenty-four relatives signed the guest registry and ate the dinner especially prepared for the occasion.

Counted among the relatives attending, were the great-grandparents, Chester and Francis Smith, of Goree, and Mrs. Elmer Shackelford of Munday all former Weinert residents.

Congratulations are in order for Kenny Forehand and his cross-country team who won the District meet in Munday on Tuesday, October 25, and who are eligible to compete in the Regional meet to be held in Lubbock on Saturday, Nov. 6th.

We also congratulate Denise Carrol, Molly Estrada, Missy Alexander, Anthony and Andrew Garza for their part in helping the Munday Mogul band to win first place in the Regional contest held in Wichita Falls on Saturday, October 29. The band will proceed to Austin for the State competition. We are so proud of you all!

Happy birthday greetings go to Tina Briscoe, Faye Jetton, Ruth Jimenez, Clyde Mayfield, Jeremy Harlan and Marty Earle.

Robert and Bennie Horan will celebrate a wedding anniversary on November 4th, but it may be in another state, as they spend many days in that 18 wheeler truck Robert drives. Happy anniversary wherever you are!

Woody, Georgia and Greg Turnbow carried their birthday party of Weatherford this weekend as they went to celebrate with their daughter, Twyla and her family, husband Tommy and children, Luke, Levi and Tabitha Sorrells.

Their son, Eric, will finish his basic training in the Navy this week and is awaiting orders for his advanced training.

Around town R. S. and Betty Sanders were in Winters on Wednesday to visit with her parents, Mr. and Mrs. Ras Gideon.

Helen Boykin met her son Doyle and family of Texas City in Abilene on Saturday and they all attended the ACU homecoming festivities.

They reported the musical "Oklahoma: was an outstanding reproduction and though the Wildcats didn't win the game, it was a good game.

Her grandson, Michael Boykin, is a Senior student, majoring in accounting, and will graduate in May.

Crystella Raynes attended a "grandmother's" pink and blue shower hosted for her daughter, Delores Stewart, in Munday, on Saturday afternoon.

The party was held in the home of Margie Stewart, and was a complete surprise for the honoree who is expecting a grandchild in November.

Marvin and Myrtle Phemister are announcing the birth of a great-granddaughter, who arrived on October 26th in Shakawa, Botsana, Africa. Her parents are Rosalinda and Wimon Walker and she was welcomed by brother Martin Andrew and sister, Marcella Celeste. She weighed in at seven pounds, two ounces and will answer to Marrissha Beth. Her parents are missionaries. She is the granddaughter of Lola Williams of Harlingen.

Mr. and Mrs. J. I. Alexander welcomed a visit from their daughter, Charlene and Bill Harlan of Galena Park for the weekend.

Terry and Beth Sanders with David and Kerri of Hamlin were guests in the home of his parents, Alton and Mildred Sanders. The report is they spent most of the day gathering corn and preparing it for the freezer.

Wayne and Linda Phemister with Lincoln and Laura of Avoca and Ricky Phemister of Haskell visited relatives in Weinert on Thursday.

The Weinert Extension Club has received permission to use one of the classrooms at the high school for their quilting project and the members gathered on Monday to put the quilt in the frames.

The quilt is an annual gift the club makes each year for the West Texas Rehab auction. Anyone is welcome to visit or to help with the quilt.

We are happy to announce the re-opening of the Weinert Grocery and Cafe that was recently closed.

Praise and appreciation is due Roy Herricks for purchasing the building and keeping Weinert going by re-opening it for business.

The store is fully stocked and open from 7 to 7 with Ann Horan as manager.

The cafe is a great boon to farmers and other workers in our area and serves "homecooking" by Daisy Horan. They truly appreciate your trade. Come see!

An oil rig has moved into place on the Weinert land west of town; we are all praying for a "gusher".

Have a nice day.

Thank you for reading The Haskell Free Press.

Sharla Jetton of Haskell has received the Maurice and Esther Crawford endowed scholarship from Hardin-Simmons University. The scholarship was established this year by Dr. and Mrs. H. R. Crawford of Houston in honor of his brother, Maurice. A deserving student of Haskell or Wichita Falls high schools will be awarded the scholarship. Miss Jetton has also received a Duffy grant from HSU. This grant was endowed by Mrs. B. A. Duffy and Mr. and Mrs. Howard Wilkins of Abilene.

TAX PLANNING

Written By
Richard E. Rodgers, CPA

QUESTIONS BEFORE BUYING

Too many small businesses are purchased with too few questions asked. You should have satisfactory answers to at least these questions before proceeding with your investigation to purchase a business.

- Why is the seller selling? Are the hours too long for the net profit received?
- Is the asking price realistic in relation to net profit and assets being transferred?
- What is the true net profit? Are owners' salaries included in the expenses?
- Are adequate records available to determine net profit for the past three years? Are sales tax records or federal returns available for review?
- Will you get an adequate financial return on both your money invested and your time to manage the business?
- How much cash is needed now, and how much cash will be needed for peak seasons as well as for changes you would like to make shortly after the purchase?
- Is the current equipment adequate or will you be purchasing new equipment?
- Is the building lease adequate and is it transferable?
- Will the customers remain loyal to the business when the current owner leaves?
- Will the current owner help during a transition period?
- How much do you know about the type of business you are about to buy?
- Will the seller let you work in the business for a few weeks before you actually sign a purchase agreement?

There are more questions to be asked depending on the type of business you are buying. Unless you are well acquainted with the buying and selling of businesses, you should seek professional assistance.

200 students attend College Fair here

More than 200 seniors and juniors from Throckmorton, Rule, Aspermont, Goree, Paint Creek, Stamford and Haskell attended a College Fair Tuesday at the Civic Center in Haskell.

Hosted by the Haskell schools and Haskell National Bank, the fair offered students time to gather information about colleges, universities, business and technical schools and branches of the military.

Institutions represented included: East Texas State University,

Austin College, TSTI in Sweetwater, Tarleton University, University of North Texas, Texas Tech University.

Texas A&M University, Southern Methodist University, University of Texas at Austin, Texas Christian University, Midwestern University, Western Texas College, West Texas State University, McMurry College, Hardin-Simmons University, Abilene Christian University.

Sul Ross University, Angelo State University, Southwest Texas University, Jarvis Baptist College, the United States Army and Air Force. Abilene Intercollegiate School of Nursing, Cisco Junior College and Vernon Regional Junior College.

Students increase at state colleges

Texas' 49 public community/junior college districts enrolled 346,439 students in semester credit courses this fall and now comprise about half (47 percent) of all students attending Texas public senior and community/junior colleges.

In comparison, Texas public senior colleges enrolled 385,343 students this fall, while private junior and senior institutions recorded 81,841 students and Texas State Technical Institute enrolled 8,273.

Smoking ban

Texas hospitals have been urged to achieve a tobacco-free environment by Sept. 1, 1989. The policy was adopted recently by the Texas Hospital Association board of trustees in a unanimous decision.

Students and sponsors attending Monday's College Fair in Haskell included, from left, Joy McKeever of Haskell, Wendy Butler of Aspermont, Sarah Graham of Texas Tech, Sherry Hutchens of Goree, Norma Mateas of Goree and Andrew Gannaway of Haskell National Bank.

Among the more than 200 attending Monday's College Fair at the Civic Center were, from left, Jerry Mullins Jr., ACU representative; Kevin Saffel of Rule, Sharlene Grissom of Paint Creek, Bo Watson of Haskell and Larry McMillin of Haskell National Bank, one of the sponsors of the event.

A Southern Celebration awaits you March 17-24
Join other steamboaters wishing to join in the true celebration of the Deep South - its beauty, cuisine, heritage and Victorian lifestyle. The group will depart from Abilene, fly to New Orleans and cruise for seven nights aboard the magnificent Mississippi Queen with stops in St. Francisville, Vicksburg, Natchez and Baton Rouge. This Tolver Tour Group will help you to have a great time all the way and save you \$200 if booked by Dec. 15th.

Ag land qualifies for lower appraisal

Haskell County property owners whose land has been devoted principally to agricultural use have a way to lower their property taxes.

Known as "productivity valuation," the procedure is provided by Texas law. It permits land to be taxed on its capacity to produce crops, livestock or timber, instead of its value on the real estate market.

Productivity valuation, in most cases, will lower the taxable value of the land, and lower property taxes as a result.

In 1982, property owners of agricultural land filed their applications for productivity value with the Haskell County Appraisal District. In most instances, special valuations were granted by the chief appraiser.

As ag land use has been stable in

Haskell County, no application updates have been requested since the initial application six years ago. By law, the appraisal district must keep updated applications on file.

In early October, qualifying property owners were mailed applications to be updated, signed and returned to the appraisal district for the coming year.

Anyone who owns open space land and has not received an application, or anyone needing assistance in filling out the form, should contact the Haskell County Appraisal District at 604 N. 1st or call 864-3805.

Land for which signed applications have not been received by May 1 will automatically be taxed at market value.
