Alzheimer's group enjoys luncheon

By Ruth Klose

The Haskell Alzheimer's Disease and Related Disorders Association held its December meeting at 11:30 a.m. last Thursday at the Kountry Kookin' Restaurant. Although the weather was wet and miserably cold, there was a good turnout.

Everyone enjoyed a delicious meal and a time of exchanging ideas and comments on their holiday season. Each one told of their plans for Christmas with their loved ones and some told of parties they had attended and games they played at these parties.

Pictures were taken and plans were made for the New Year. Since it is dark so early in the evening, some of the future meetings may be scheduled at noon so more people can attend.

Each member shares a common need, and discussion was held

concerning those in the community who are just now discovering the Alzheimer-affected member of their families. Those who have experienced the trauma are readily available to counsel and help others in any way they can. Having been there, they realize the need for someone experienced to lean on, or lend a hand.

Rev. "T" Jackson gave the invocation and remembrance of those who are no longer with us but have passed this life to a better reward. Alzheimer's, as one member stated, is a "living death", and the families suffer daily as the affected person also does.

Members encourage participation in ADRDA and pray for a breakthrough to help the affected individuals.

We want to humbly thank you, our customers, for your patronage to us another year.

Our wish for you is peace, love, joy and good health in 1992.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

SATURDAY, JANUARY 4th
HASKELL MEMORIAL HOSPITAL
1 North Avenue N
HASKELL, TEXAS

Call 864-2621 for appointment

A Service of
Transamerican Diagnostic Services
(Providing Mammography Services for over 5 years)

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

I. 35-40 years of age - One baseline mammogram.

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$65.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Lutherans schedule candlelight service

By Bruce Adamson
Pastor
Trinity Lutheran Church
We are glad to announce that we will again be having our annual candlelight worship service at 11 p.m. on Christmas Eve.

The church has recently been refurbished with new lighting and we look forward to having the community come and share the joy of Christ with us on Christmas Eve.

There will be no offering taken

at the Christmas Eve candlelight worship since this is our congregational gift to the community.

On Dec. 29, Trinity Lutheran Church will have a special Service of Re-dedication. In celebration of

our having been a worshipping witness to Jesus Christ in the city of Haskell for the past 40 years and for the recent refurbishing that has taken place, we will be having a special worship service of dedication on Dec. 29 at 10:30 a.m.

We wish to invite our good friends and fellow believers in Haskell to join us for this 10:30 a.m. worship service. If you cannot be with us in person, then be with us in prayer as we re-dedicate ourselves and our property to the service of Christ in Haskell.

To: Citizens of Rule
From: A. B. Arnett Jr.

Presented below are figures that show monthly and yearly costs to the City of Rule to operate the Rule Police Department. It is believed that these figures are conservative. These figures do not include initial cost of the two police cars and equipment, depreciation and any replacement costs.

Police Chief	Monthly	Yearly
Salary	\$1,550.00	\$18,600.00
Social Security	108.50	1,302.00
Medical Insurance	230.00	2,760.00
Workman's Compensation	98.33	1,180.00
	<u>\$1986.83</u>	<u>\$23,842.00</u>
Police Car (Ford LTD)		
Radio/Radar Exp.	\$130.00	\$1,560.00
Insurance (Liab/compre.)	35.17	422.00
Repairs (Police car)	20.00	240.00
Gasoline, Fuel, Oil	70.00	840.00
	<u>\$255.17</u>	<u>\$3,062.00</u>
Policeman		
Salary	\$1,550.00	\$18,600.00
Social Security	108.50	1,302.00
Medical Insurance	111.40	1,336.80
Workman's Comp.	98.33	1,180.00
	<u>\$1,868.23</u>	<u>\$22,418.80</u>
Police Car (Mustang)		
Radio/Radar Exp.	\$130.00	\$1,560.00
Insurance (Liab. & Compre.)	34.08	409.00
Repairs (Police Car)	20.00	240.00
Gasoline, Fuel, Oil	70.00	840.00
	<u>\$254.08</u>	<u>\$3,049.00</u>
	<u>\$4,364.31</u>	<u>\$52,371.80</u>

Since the City of Rule now finds itself in a financial straitjacket, it is firmly believed that the Mayor and City Council should be urged to consider the feasibility of maintaining the Police Dept. at its present level.

P. S. The City of Rule Annual Budget Report, seven months ended 10-31-91 (unaudited) shows that of the \$2,500.00 budgeted for Street materials and Repair, not one penny has been spent during the seven month period.

I am only 6 1/2 months old so Mama is writing this for me hoping she asks you for the right things for me. I want a car of my own to play with because A. J. doesn't always share his with me. I also want something to sit and ride on. Also something I can push to help me keep my balance and learn to walk with. And any kind of moving wind-up toy. I love

watching things move on its on. A. J. is leaving you milk and cookies so I'll remind him to leave a light on for you so you can see. Merry Christmas and Happy New Year! I love you!

Dear Santa Claus,
I love you! I want a hunting jeep. I've always wanted Shark Attack. I also want Grabbing Grasshoppers and anything else. I'm a good boy, but I'm sorry I wouldn't sit in your lap. Please remember my big sister, Ashley. She just likes horse stuff. Save some room for hot chocolate and cookies at my house. I'll have some treats for Rudolph and the other reindeer. Merry Christmas Santa.

Every year, 600,000 skin cancer are diagnosed. The best ways to prevent skin cancer are: stay out of the sun, wear a hat or protective clothing (especially between 10 a.m. and 3 pm.) and use a sunscreen. See your doctor if a mole changes in color or size.

Happy Holidays
