Rule Jubilee booths available

Those wishing to have arts and crafts booths at the Rule Jubilee Sept. 26 should contact John Pike.

There is no charge for booths from local organizations. Booth space for out-of-towners will be \$10.

Entries are needed for the 2 p.m. parade.

Many types of entertainment and contests are scheduled for the big celebration. In addition, there will be drawings for a half beef, a VCR and a 19-inch television set.

The Rule Chamber of Commerce will serve the evening meal in Slim Sorrells Park. Cost will be \$5 for adults and \$3 for children.

Rule women are reminded that more sheath cakes are needed. Those wishing to donate one should call Pike.

School pictures to be taken

Haskell students are reminded to mark their calendars for Sept. 17.

That's the date Wayne Hennington Photography will be taking school pictures at the elementary and high schools.

Also, football pictures for all teams will be taken (seventh, eighth, junior varsity and varsity).

Each student will receive information explaining the different packages available, and the price. Pictures must be prepaid.

Database course offered at Rule

A 'dbase' course will be given in Rule this fall.

Offered by Texas State Technical College, it begins Sept. 15 and continues each Tuesday evening for 12 weeks through Dec. 1. Classes will be from 6 to 9 p.m. in the Rule computer lab.

Tuition is \$45. Textbook is extra.

The course qualifies students for 36 hours of continuing education credit.

Those interested attending should call Alice Jones or Jerry Cannon at 997-2446.

Campaigns here

State Senate candidate Tom Haywood and his daughter, Denise Haywood, were in Haskell last week in the interest of his candidacy. A Republican, Haywood is opposing State Senator Steve Carriker.

Senate candidate campaigns here

Calling term limits the first and most important step toward shaking up state government, State Senate candidate Tom Haywood made a campaign stop in Haskell last Wednesday.

"Although public opinion polls show 75 percent of Texans support term limits, career politicians like Steve Carriker refuse to allow our citizens to vote on the issue. As a concerned citizen, I worked long and hard to sign up people on the 'Texas for Term Limitations' petition drive. As state senator, I will immediately introduce legislation calling for term limits on all elected state officials."

Haywood would also place limits on political contributions, reduce political action committee influence and require full disclosure of income tax returns for elected officials and candidates.

The candidate said current state law places no limit on

contributions and "allows groups like the Texas Trial Lawyers Association, which has supported Carriker with large contributions, to have too much influence over the system."

"Texans used to place a lot of trust in elected officials and what they said," Haywood said. "Today, we are angered, embarrassed and frustrated by our elected officials. Carriker and other career politicians have taken advantage of the system and allowed trial lawyers to control state government. It's time to change that. It's time to give state government back to the people."

Haywood is a Wichita Falls businessman. He is a former professor at Midwestern State University and the University of North Texas. He also is former executive vice president of the North Texas Oil and Gas Association.

Prayer program to draw students

Haskell secondary school students will join 100,000 other Texas students Tuesday in the "See You at the Pole" youth prayer meeting.

They will meet at the school's

flag pole at 7:30 a.m. as part of the largest simultaneous youth prayer meeting in history.

The total nationwide is expected to reach 2 million, about double the number that participated last year.

"Many student prayer groups were started as a result of the programs held since 1990, and the lives of many students have been changed," said Chuck Flowers, youth associate in the Texas Baptist Evangelism Division, which launched the youth prayer event in Texas.

Leaders stress that this is not a protest rally. It's simply students of all Christian faiths showing others they stand for Christ.

"During the 'See You at the Pole,' students will pray that they can make a difference on their campuses."

Campaign nets funds for MDA

The local unit of the Muscular Dystrophy Association added \$2,472 last week with its door-to-door and "jail and bond" campaigns.

Another \$515 was pledged during the Jerry Lewis telethon.

The Haskell Fire Department had earlier raised \$1,000 for the MDA through its "fill the boot" drive, making a grand total of \$3,987.

Judy Standefer, local chairman, expressed the organization's appreciation to all who contributed time and money to the campaign.

Victory at last! Indians triumph over Munday

By Wendell Faught

Football is fun again in Haskell. At least, it was Friday night when the Indians opened their 1992 campaign with a 7-0 victory over the Moguls of Munday, their first win over the Class 1A powerhouse since 1983.

The scoring summary will show a 21-yard scoring pass from quarterback Mart Guess to split end Jonathan Tatum for the game's only touchdown at the 3:35 mark of the first period, and Casey Larned's conversion kick.

But in reality, this victory belonged to the defense.

Led by Tommie Isbell from the right side of the defensive line, the Indians turned back Munday's only two scoring threats with heroic stands. In between those two threats, on Munday's first and last possessions, the Indian defense allowed the Moguls exactly two harmless first downs.

Isbell iced the game for the Indians with a key interception at the 11-yard line with a minute and a half remaining, thwarting a Mogul drive from the 36 after Munday had recovered its own punt after it had hit an Indian.

It looked like anything but an Indian victory in the making at the outset of the game. Munday's Ray Hernandez returned the opening kickoff from his own 15 to the Indian 28. Aaron Kiser ran 11 yards to the 17 and Freddie Sosa picked up 12 more to the 5. Dustin Kiser added 4 more to the 1, but on the next play, Cody Josselet and Edgar Nava hit Dustin Kiser near the goal line, forcing a fumble which was recovered by Martin Limones at the 2-yard line.

The Indians got only a couple of yards in three running plays before Josselet got them out of the hole with a 57-yard kick to the Munday 39.

Four plays later, Munday kicked the ball to the Indians at the Haskell 37. It took the Indians six plays to put the first, and only, points on the board. Sandwiched between three running plays which accounted for no net yardage, Guess hit Isbell with a 43-yard bomb which carried from the Indian 35 to the Mogul 22. Moments later he hit Tatum with the clincher.

Haskell had another serious threat in the third period when the Indians drove from their own 31 to the Munday 7, only to see a 10-yard penalty put them back on the 17. After Guess picked up 8 yards to the 9 and two passes fell incomplete, Larned's field goal attempt was no good. The Indian drive had been fueled by Guess passes of 24 yards to Tatum and 12 yards to Isbell and a 16-yard scamper by Josselet.

Deon Walker recovered a Munday fumble at the Haskell 41 in the fourth quarter and Guess promptly connected with Joseph Rodriguez for an 11-yard gain to the 30 and it appeared the Indians may be headed for another score. But after Guess was sacked for a 5-yard

loss, he threw three consecutive incomplete passes and the Indians surrendered the ball to the Moguls at the 35.

Munday netted 3 yards in three plays, but when Matt Anger lifted a 26-yard punt upfield, the ball hit an Indian player and Munday recovered on the 36.

The Moguls then drove to a first down at the 26 and another at the 15 with 3:08 remaining. Two running plays netted four yards to the 11 and then Jake Jordan threw a pass which Isbell intercepted and returned to the Haskell 49.

Justin Lisle then clicked off the night's longest run, 26 yards to the Munday 25 and Jason Torres had

successive runs of 10 and 5 yards to put the ball on the 10 where time ran out.

Isbell was credited with 14 tackles, including seven behind the line of scrimmage, in this defensive game which saw the Indians cause seven turnovers--five fumbles and two interceptions. In addition to Isbell's theft, Larned intercepted a pass from his safety position.

Coach Walter Hargrove said the entire defensive unit played with a lot of pursuit. In addition to Isbell and Larned, the coach singled out Torres, Walker, Nava, Josselet, Matt Perry and Keiland Riley for good performances.

Indians travel to Seymour Friday

With the big one against Munday out of the way, the Haskell Indians put their modest "winning streak" on the line against another old foe Friday night when they travel to Seymour to meet a vastly improved Panther team.

While the Indians were taking a 7-0 verdict over Munday last Friday, the Panthers were

clobbering Knox City, 32-14.

"This is a better team than Seymour has had in several years," said Haskell coach Walter Hargrove. "They have good speed and good size and we expect them to play hard against us."

Hargrove said the game following the Munday game always is tough for the Indians.

Well-known author to present program

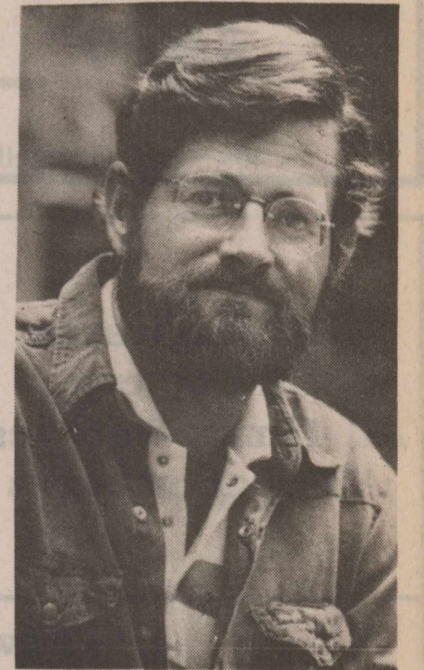

Award-winning author John Erickson will present a unique program for parents, kids and the general public at 7 p.m. Monday in the elementary school cafeteria.

Erickson, accompanied by musician-arranger Trev Tevis, will present a program of readings and original songs from the *Hank the Cowdog* series, performing on a variety of instruments. After the program, there will be an opportunity to meet the author and have books autographed.

Erickson's *Hank the Cowdog* series of books and cassette tapes, which began as a self-publishing venture in 1982, is now known all over the United States. His *Hank* stories have won the Oppenheimer award, *Audio World* magazine's "Best Audio Tape for Children" award, and been presented on "CBS Storybreak."

The Texas author has published 30 books, 18 books-on-tape, and some 500 articles. He has performed at the Library of Congress and the Institute of Texas Cultures, at a number of universities, at conferences and conventions, as an after-dinner speaker at banquets, and in hundreds of schools to promote reading among students.

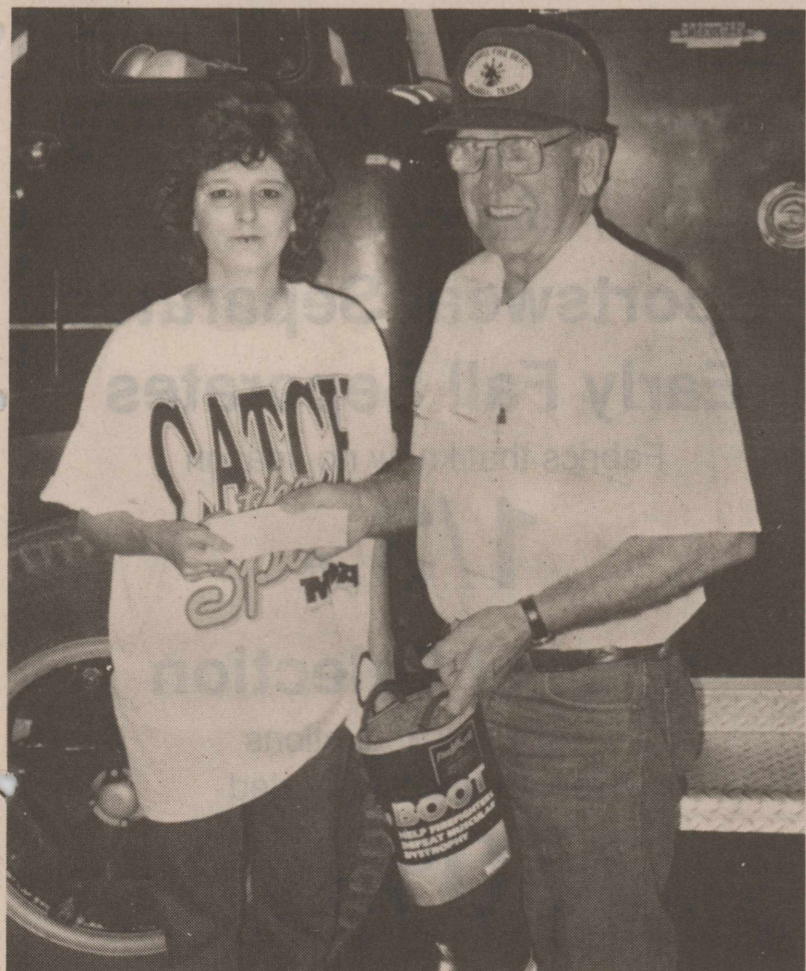

The public is invited to the

John Erickson

evening of entertainment and celebration of Western literary heritage. It will be a special opportunity for parents to share an enjoyable reading experience and love of books with their children.

Parents attending will receive tokens which can be redeemed by their children at school.

For MDA

Fire Chief Sonny Reynolds presents Judy Standefer with a \$1,000 check for the Muscular Dystrophy Association. The fire department raised the money during its recent "Fill A Boot" campaign. Mrs. Standefer is county MDA chairman.

Says it all

Jubilant players, coaches and fans show their emotions after the final gun sounded Friday night with the Indians victorious over the Munday Moguls for the first time since 1983.

Weinert club meets with Mrs. Sanders

The Weinert Homemakers Club met Sept. 1 in the lovely home of Betty Sanders. The meeting was called to order by Jimmie Weinert, president.

Minutes were read by Betty Sanders, secretary-treasurer, and approved as read, and the treasurer's report was given.

Nine members answered roll call by giving "Something I learn while listening."

Members heard a report from the quilt committee; Faye Jetton reported on plans the committee made for Information Day.

Jimmie Weinert and Estalynn Liles gave a report on what the club will do and serve at the concession stand for the Weinert Homecoming the first Saturday in October.

Members voted secretly for the club woman of the year and then elected the following officers for next year:

Myrtle Phemister, president; Faye Jetton, vice president; Betty Sanders, secretary-treasurer; Estalynn Liles, council delegate; Jimmie Weinert, council alternate; and Faye Jetton, reporter.

Refreshments were served around the big dining table, with a beautiful view of Betty's lovely back yard.

Present were Jimmie Weinert, Faye Jetton, Alice Yates, Cordie Cunningham, Lavita Burgess, Estalynn Liles, Frances Mahan and Agnes Winchester.

Next meeting will be Oct. 6 in the home of Agnes Winchester.

East Side WMU meets

Dell Anderson was hostess for the Sept. 1 meeting of the East Side Baptist WMU. The old (Acts 1:8) and the new (Josh. 1:6) watchwords were said.

Minnie Faye Dean opened the meeting with prayer.

Wilma Bartley and Nell Rogers brought the devotional with the thought that if we do not control our time, it will control us. Prayer focus was Madagascar. Missionaries' birthdays on Sept. 1 were read by Ruby Green.

The program was begun by singing the Doxology. Neat Bevel introduced the program which was a review of the last year's lessons to see how we'd grown. After each part, prayer was given with the thought that earnest prayer requires renewal of commitments to God and to others.

Parts were given by Dorothy Bowers, Ruby, Nell, Wilma, Maggie Threat, Minnie Faye Dell and Dee Sprayberry. Some ladies gave two parts. The group was glad to have Ethel Hill back with them, although she was unable to give a part. There were 10 women and two visitors present.

Members were asked to bring canned goods and other needs for the hurricane victims to the Methodist church by Friday.

After business was taken care of, a surprise birthday party was held for Wilma Bartley, president, who will be 78 years young Sept. 3. The group wanted to show her how much they loved her and for being the Christian lady and friend she is.

Attends training

Myrtle Phemister, back row center, was among 75 persons who attended a regional Family Community Leadership training in Brownwood Sept. 1-2.

Weinert woman attends conference

Myrtle Phemister of Weinert was among some 75 county extension agents, extension homemaker and other community leaders attending a regional Family Community Leadership (FCL) training in Brownwood Sept. 1-2.

"Focusing on Your Image" was the theme for the two-day training conference, held at the Texas 4-H Center at Lake Brownwood.

The FCL training process is a unique concept designed to strengthen specific leadership skills. FCL is an educational program primarily for teaching women leadership and public policy decision-making skills which they can, in turn, teach to other groups of citizens in their counties.

The program is aimed at the effective participation of women and other family members in resolving important family-related public issues. These issues may include anything that affects the quality of family life, ranging from the availability of day care to

educational opportunities or the adequacy of the water supply in the community.

The FCL program does not tell people which issues they should be involved in, but it teaches them the leadership skills needed to deal with any issue of importance in their community.

The Haskell-Jones County team participated in all eight sessions offered by the training. These included topics ranging from leading groups, self projection, image and handling stress.

Following the September briefings, the team is expected to conduct workshops, training meetings and/or make presentations in their counties using the information received at the training. They will also be attending additional sessions in 1993.

Anyone interested in a program about leadership or learning more about the FCL training should contact the county extension office.

Signup now open for disaster relief

Haskell County farmers will benefit from the additional \$755 million in emergency funds for crop losses incurred in 1990, 1991 and 1992 announced last Wednesday by President Bush.

Glenn Brzowski of the Haskell County ASCS, said these funds are in addition to the \$955 million disaster assistance for 1990-91 crops announced in January.

The application period for disaster claims on fall-seeded program crops planted in 1991 and harvested in 1992 began Tuesday and will end Oct. 2, Brzowski said.

The application period for producers with losses on other 1992 crops, and for producers with losses from 1990 or 1991 crops who did not previously receive disaster payments for those losses, will begin Oct. 13 and end Feb. 12.

"Disaster assistance is available on a per-farm basis for any two years of 1990, 1991 or 1992," said Jerry D. Harris, chairman of the Texas State ASC. "The original program provided \$955 million for either 1990 or 1991. Now, relief will also be provided for fall-seeded

program crops planted in 1991 for harvest in 1992.

"Producers will be eligible to apply for assistance on 1990, 1991 and 1992 crop losses; however, if producers received assistance for any of those years they may not receive further assistance for that crop year. Those who receive payments for fall-seeded program crops will only be eligible for assistance for 1992 crop losses."

Producers with qualifying gross revenues of less than \$2 million per year may file claims for losses of participating and non-participating program and non-program crops. Those with crop insurance must have had losses greater than 35 percent. Producers without crop insurance must have had losses greater than 40 percent.

Producers with 1992 crop losses are required, under certain conditions, to purchase crop insurance for 1993.

Brzowski said said producers intending to file for assistance should assemble their records now. They may contact the county ASCS office for additional information.

--Obituaries--

Dr. Allen Webb

Dr. Allen O. Webb of Pascagoula, Miss., died Sept. 5 at the Singing River Hospital in Pascagoula. He was 72.

Dr. Webb, a native of Mississippi, served as pastor of the First Baptist Church in Haskell from 1948-50.

Funeral services were in Pascagoula.

He was graduated from Mississippi College and Southwestern Baptist Seminary where he received the Th.M. and Th. D degrees. As a beginning pastor, he served at Red Springs in Seymour, Throckmorton, Haskell, Bay City, Corpus Christi and San Antonio in Texas.

In 1960, he and his family moved back to Mississippi where he served as pastor for Daniel Memorial Church in Jackson and Ingalls Avenue in Pasagoula.

During these years he held several service positions relative to Southern Baptist work. These included membership on the State Executive Committee and Committee on Committees of Texas and SBC, president of Directors of Missions in Mississippi, professor of evangelism in New Orleans Seminary one fall, and as a member of the board of trustees for Mississippi Baptist Medical Center in Jackson for more than 12 years.

After retiring in the mid-80s, Dr. Webb and his wife, Leila Mae, served the Home Mission Board as pastor to a pioneer church in Emerald, N. D., and later the Foreign Mission Board as interim pastor for an English-speaking church in Munich, Germany.

During these intervening years, the Webbs have returned to visit in Haskell several times, the last being in 1988 when they attended the First Baptist Church's centennial celebration.

Dr. Webb is survived by his wife, Leila Mae of Pascagoula; a daughter, Ann Webb Bridges of Birmingham, Ala.; two sons, Jim Webb of Jackson, Miss., and Ron Webb of Ocean Springs, Miss.; and six grandchildren.

J. B. Marr

J. B. Marr died Sunday. He was 87.

Funeral services were Tuesday morning at the Haskell Church of Christ with Dale Huff officiating. Burial, directed by Holden-McCauley Funeral Home, was in Willow Cemetery.

Pallbearers were Dusty Marr, Boyd Davies, Frank Jenkins, Cliff Morris, Arthur McDonald, Bill Shaw, Wayne Dunnam and Danny Letterman.

Mr. Marr, a farmer, was born March 14, 1904, in Haskell. He was a member of the Church of

Christ.

He is survived by his wife, Evalynn Ray Marr of Haskell; two daughters, Joan Davies of Mesa, Arizona, and Elaine Appleton of Tuscola; two sons, Kenneth Marr of Stamford and Von Marr of Munday; two brothers, L. E. Marr Jr. of Mineral Wells and Mitchell Marr of Concord, Calif.; two sisters, Vashti Benton of Sagerton and Alice Martin of Stephenville; six grandchildren; and six great-grandchildren.

He was preceded in death by three brothers and three sisters.

Memorials may be made to the West Texas Rehabilitation Center in Abilene.

Alberta Jetton

Alberta Orr Jetton, long-time Haskell resident, passed away Aug. 22 at the UCLA Medical Center in Los Angeles, Calif., after a six-month struggle with cancer.

Mrs. Jetton was preceded in death by her husband of 52 years, Joseph W. Jetton, in 1989. She is survived by a son, Barry Jetton of Long Beach; aunts, Pauline Crawford of Santa Fe, Texas, Lorene McCarron of Throckmorton and Dixie Dejana of Dallas; as well as numerous nieces, nephews and cousins.

She was born Feb. 9, 1917, in Throckmorton County, daughter of Bert and Allie Mae Orr. Upon the death of her mother in 1924, she and her father moved to Haskell. Residing in Haskell from 1924 until 1940, she was salutatorian of the Haskell High class of 1935 and also served as deputy district clerk of Haskell County.

Alberta and Joseph Jetton were married in Haskell in 1937 and continued living in Haskell until moving to Fort Worth and Long Beach. Following Joe's enlistment in the Army Air Corps in World War II, Alberta lived variously in Sioux Falls, S.D., Savannah, Ga., and Fort Worth.

After the war, Mr. and Mrs. Jetton settled in Long Beach where they had lived in the same house since 1948. Son Barry was born in 1950. Thereafter, Alberta pursued a wide range of interests, including PTA, square dancing and garden clubs. She also worked for Rachele Pharmaceuticals and J. C. Penney.

In her later years, Alberta indulged her passion for travel, visiting Eskimo village in Alaska as recently as last year. A favorite destination was the Swiss Alpine village of Zermatt.

Services were conducted Aug. 25 at Lakewood First Presbyterian Church in Long Beach. Presiding was the Rev. Margery McIntosh. Interment followed at Forest Lawn Memorial Park in Cypress, Calif.

Doug Hazlewood

Graveside services were held Sept. 2 for Don Douglas (Doug) Hazlewood, 41, in Shannon Rosehill Memorial Park in Fort Worth. He was the son of Dorris M. Hazlewood, formerly of Haskell.

Born in Fort Worth, Doug lived most of his life in that area where he was a member of the Saint Matthews United Methodist Church.

Doug's father was the late Rev. J. Don Hazlewood, a retired Methodist minister. This afforded Doug the opportunity to make many special friends each place his family lived. Although he lived in a frail handicapped body, God gave him a special "heart of love."

He was a collector of toy cars and could identify all his friend's cars by the make and model. He also had a special love for dogs and remembered everyone's dog (breed, color and name).

Due to the increase in his disability in recent years, his travel was limited. He remembered all the friends he made in Haskell while visiting his grandmother, the late Bertha Humphrey. He asked his family about each one often.

Doug was preceded in death by a sister, Karen Hazlewood, and is survived by his mother; a sister and her husband, Mr. and Mrs. Gary (Shereé) Roach of Haslett; a niece and two nephews. His aunt and uncle are Gene and Jo Fischer of Paint Creek.

Attending the funeral were the Fischers of Paint Creek, Mr. and Mrs. John Trice of Ropesville, Mr. and Mrs. Galen Lowrance and sons of Abilene and Mr. and Mrs. David Creek of Sonora.

Thank you for reading The Haskell Free Press.

Funeral home has new employee

Ronald Burke has been employed as the new funeral director of Holden-McCauley Funeral Home of Haskell and McCauley-Robison Funeral Home of Rule.

A 1992 graduate of The Dallas Institute of Funeral Service and a member of the Pi Sigma Eta national morticians fraternity, Ron comes to Haskell as the assisting director.

Burke, his wife, Sally Ann, and their son, Joshua, moved to Haskell from Darrouzett, Texas, where before entering school in Dallas, he was the city fire marshal and assistant city supervisor.

While in Darrouzett, he was a member of the Darrouzett Fire Department and EMS service, the Lions Club, American Legion and was committee chairman and assistant scout master of a Boy Scout troop. He is an Eagle Scout and member of the Order of the Arrow with 19 years of service in the scouting program.

Prior to going to Darrouzett, Burke served eight and a half years on the Amarillo Fire Department.

Mrs. Burke is employed with Lanco Insurance of Haskell. They are making their home at 1023 N. 6th St.

Homemakers are seeking new members

Enthusiastic young women between the ages of 18 and 40 who are interested in making new friends, learning more about the community, improving methods of homemaking and child care are invited to attend the Haskell Young Homemakers "Get Acquainted party" for old and new members.

The meeting will be Tuesday, Sept. 15, beginning at 7 p.m. in the First National Bank community room. Regular meetings are held the first Monday of each month.

For more information, call after 6:30 p.m. Mickey Holloway (864-8187), Bo Tatum (864-3865), Janie Villa (864-8058) or Tammi Pannell (864-2967).

Thank you for reading The Haskell Free Press.

Leaders needed by Girl Scouts

Haskell Girl Scouts are ready to begin a new year and are in need of leaders for the first and fourth grades.

Anyone interested in being a leader may contact Nene Comedy at 864-3682.

Girls interested in being Girl Scouts should contact the following leaders for more information:

Second grade: Jo Ann Watson, 864-3655 after 5.

Third grade: Sharon Rueffer, 864-3303.

Fifth grade: Becky Isbell, 864-8007 after 5.

Sixth grade: Nene Comedy, 864-3682. Jodie Taylor will be assistant leader.

Cadettes and seniors may register as Lone Star Scouts by contacting Mrs. Comedy.

Culpepper to lead revival

Troy Culpepper of Haskell will be in revival Sept. 13-17 at the First Baptist Church in Benjamin.

Week night service will be at 7:30.

Cub Scouts plan Rally

Haskell Pack 136 will have a Cub Scout Rally at 7 p.m. Tuesday in the Haskell Elementary School cafeteria.

Boys in first grade are eligible to sign up for the Tiger Cub program. Tiger Cubs is a program for a boy and his adult partner to enjoy.

Boys in second and third grades are encouraged to sign up for the Cub Scout (Wolf and Bear ranks) program.

Those in fourth and fifth grades are eligible to join the Cub Scout Webelos program.

All interested boys and their parents are encouraged to attend the rally.

Rochester sets talent show

The Rochester Fire Department will sponsor a County Music Talent Show on Saturday, Oct. 3. It will begin at 8 p.m. in the Rochester school auditorium.

First-, second- and third-place trophies will be awarded.

To enter the talent show, or for more information, call 743-3241.

Rule Baptists plan 'Round-Up'

First Baptist Church of Rule will experience "Round-Up" Sunday, Sept. 13.

The special event's purpose is to round up all the strays with high attendance in Sunday School. Those attending are encouraged to dress western.

Men will be charge of the morning service. Don Hisey, a local layman, will speak.

Hermann Lodge to meet Sunday

Members of Sons of Hermann Lodge 241 will have their regular meeting Sunday, Sept. 13.

Everyone is asked to bring something for the auction.

The menu will consist of sandwiches and dessert.

Noah committee to meet Friday

Member of the Noah Project-North advisory committee will meet at noon Friday at East Side Baptist Church.

Each member should bring a covered dish for the pot luck luncheon.

Steers defeat Pirates

By Stacy McGhee

The Rochester Steers stamped the Paint Creek Pirates last Friday night at Rochester, with a win of 55-12.

The Steers started out great with Mark Brown scoring the first touchdown with 7:49 left in the first quarter. Brown continued through the night with two other touchdowns. Robby Strickland also had a good night, scoring two times, along with a tackle he made for a safety.

Rochester's Kyle Hollingsworth and Roy Helms each made a 6-point.

Steven Lopez kicked five 2-point conversions and Felix Flores ran over a 1-point conversion.

On defense, Kurt Sloan led with 14 tackles, along with one interception and two fumble recoveries. Kyle Hollingsworth followed with nine tackles.

Paint Creek's Will Dunivan and Tony Martinez each scored once.

Rochester will host their second game of the season with Moran this Friday at 7:30 p.m.

Rochester wins volleyball match

The Rochester Ladies defeated Paducah last Tuesday night. The ladies won the first two games to win the match.

Art club to kick off year

The Brazos West Art Club will begin the new club year Monday with a salad supper. It begins at 7 p.m. in the Haskell National Bank building.

All members are urged to attend and bring a salad. A special invitation is extended to former members to come and enjoy eating and renewing old acquaintances.

Farm Bureau head blasts TP&WD

Instead of locking the gates to seven state parks, the Texas Parks and Wildlife Department (TP&WD) should use the millions of dollars the agency has set aside for new land acquisition to keep their existing parks open, according to the president of the Texas Farm Bureau.

"If Texas Parks and Wildlife can't maintain the parks they have now, why should they spend more money on acquiring more land that they're not going to be able to maintain in the future," said S. M. True, a Plainview cotton, grain and cattle producer who heads the state's largest farm organization.

TP&WD officials have voted to close seven state parks, citing a lack of operating funds. True said the money is there, it only needs to be re-directed within the agency, without any additional cost to Texas taxpayers.

According to figures released by TP&WD, the agency's estimated capital needs for fiscal years 1993-1998 total \$358 million. Of that total, \$265 million is dedicated to

"acquisition," roughly 74 percent of the agency's funding needs.

"I think there is enough interest in the Texas Legislature to change the situation so that the money earmarked for land purchases can be transferred to cover the operating costs of the parks," he said. "Ninety-eight percent of Texas land is privately owned, and unfortunately, TP&WD is determined to change that.

"They've said they want to 'buy back Texas'. Did they own it before?" True added.

Urban groups have also challenged the agency announcement, asking state officials to spend more money on the development of metropolitan-area park facilities, instead of acquiring large tracts of land in remote regions of West Texas where few citizens can utilize the resource.

"A man cannot know everything, but everyone has to have something he knows thoroughly" . . . Gustav Freytag.

Friday night

Boosters meet JV footballers

The Haskell Booster Club met Monday for the introduction of junior varsity football players.

The eighth-grade team and junior high cheerleaders will be introduced at the club's next meeting, Monday, Sept. 14.

Sales at the Indian Trading Post were very good last week. The club wishes to thank Robert Bartley for pouring the concrete and donating tin for the building, and Trey Burson for donating the frame.

Coach Hargrove reviewed last week's game against Munday. He noted that the team played excellent defense. No major injuries occurred, and the players should be ready for the Seymour Panthers. Seymour has an improved team this year, and this will be another big game for the Indians.

Study club meets tonight

The Progressive Study Club will have its first meeting of the new club year tonight (Thursday) when members meet for a salad supper. It begins at 7 p.m. in the Haskell National Bank community building.

Dr. William (Bill) Beazley of Hardin-Simmons University will speak on the Six White Horses of HSU.

Retired Teachers set first session

Haskell County Retired Teachers will have their first meeting of the new season next Wednesday, Sept. 16.

Members will meet at noon at Kountry Kookin' in Haskell. All retired school personnel are invited to attend.

Writing checks to cover your monthly bills is expensive enough. Why pay an additional fee for each of those checks?

Switch your checking account to AmWest where there is no per check charge. And for six months, there's no monthly service charge regardless of what your balance is.

At AmWest Savings, we offer several checking accounts without per check charges. No monthly service charges are added when you maintain the low minimum daily balance. And, if you open an AmWest Ideal Checking™ or Texas Checking™ account now, there's no monthly service charge for six months no matter what your balance is. Because when it comes to your money, we know you'd like to keep as much of it as you can.

Visit your local AmWest branch today for more information about this special offer.

Texas Checking™

- Interest bearing
- No per check charge
- No monthly service charge if \$750 minimum daily balance is maintained
- Choice of returned checks or checks held in safekeeping
- Opening balance of \$300

Ideal Checking™

- No per check charge
- No monthly service charge if \$400 minimum daily balance is maintained
- Choice of returned checks or checks held in safekeeping
- Opening balance of \$300

Monthly service charges of \$4 - \$8 depending on features selected.
Special offer good through September 30, 1992.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	2.10	2.10	2.65	3.50
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Happenings...

by Lois Redwine

Winonah Angely of Nacogdoches visited overnight with her aunt, Allene Wheatley. She also visited her aunts, Reba Wheatley and Laura Mae Whitaker. Mrs. Angely is the daughter of Alvin and Lorene Wheatley and was enroute to Tucson, Az.

Leone Pearsey has returned home after spending several weeks with her daughter and son-in-law, Inkie and Bill Earles in Rondo Beach, Ca.

Iola Henshaw and Virginia Henshaw spent a week in Atlanta, Ga. They were met there by Iola's daughter and son-in-law, Jeanette and Bill Taylor of Washington, D.C. Mr. Taylor was in Atlanta for the annual meeting of ASAE. He is president of this Organization of Associations. The ladies enjoyed tours of old mansions each morning and afternoon with lunch

served each day in one of the homes.

A welcome to Haskell's newest restaurant, Country Affair, located one block south and one block west of the square. There you'll find a pleasant atmosphere, friendly folks and lots of good food.

Visiting Frances Lane from Houston over Labor Day weekend were her grandson and wife, John and Lisa Jones and their sons, Kirby, Mason and four months old, Connor.

Spending several days last week with Gladys O'Neal were her sisters, Frances Lee, Wichita Falls and Edye Davis from Dallas. Spending Labor Day weekend in the O'Neal home and dove hunting were Randy and Paula O'Neal, Joy and Lindsay, Amarillo, Dr. Jim Helgedon and son, Eric, Arlington, Linville Fouts, Ft. Worth and

Bobby Jones from Katy.

Carol Hickman of Stamford and Bonnie Jircik were in Burleson recently to help celebrate the first birthday of Justin Paul Jircik. He is the son of Dr. Frank Paul and Sheri Jircik, the grandson of Frank and Bobbie Jircik and the nephew of Mrs. Hickman. Justin has a big sister, Courtney.

Naomi Schwab of Ft. Lauderdale, Fl. has been visiting her sister, Ann Darnell, her brother and sister-in-law, Mr. and Mrs. Albert Barnett and in Abilene, her sister and brother, Mr. and Mrs. Max Brown.

Spending Labor Day weekend with Judge and Mrs. B. O. Roberson were Roy and Jean Blackwell from Ft. Worth.

Visiting in the E. L. Hilliard home over the weekend were their son and family, Ron and Edith Hilliard, Jason and Jarred, Odessa, son, Kenneth from Lawton, Ok., daughter, Pat Shaw, Roscoe, daughter and grandchildren, Linda Short, Mary Jane and Ross, Rochester, granddaughter and children, Dawn Spiller, Justin, Randy and Ryan from Franklin and Mr. Hilliard's sister, Ellen Hilliard from Abilene.

Mr. and Mrs. Jess Leonard had as visitors over the weekend their son, Roger, his sons Russell, Landon and Justin from Gunter and

their son and daughter-in-law, Gene and Patty and children, Shelby and Lee from Mabank. They had a very successful dove hunt.

Spending the weekend with Alvin and Winnie Sherman was their daughter, Wynette Mullins of Sweetwater. Mrs. Mullins teaches in the Sweetwater Middle school.

On Labor Day, I met daughter and son-in-law, Charlotte and Vern Foreman at the Dairy Queen in Anson for a short visit. Also meeting me there were Vern's parents, Mr. and Mrs. L. V. Foreman and two of Charlotte and Vern's grandsons, Jarryd Foreman and Jeff Stilwell, all of Odessa. They had spent the weekend at the Foreman Farm near Wayland and attended the Wayland Homecoming on Sunday.

Members of the Greater Independent Baptist Church and their pastor were in Knox City on Wednesday for services at the Holy Tabernacle Church. The Greater Independent Baptist choir and WUM will present a cantata Saturday, Sept. 12, at 7:45 p.m. at the church. Rev. Roy Walker will bring the message. Everyone is invited.

Rev. and Mrs. Walker and children were in Rotan on Sunday attending the funeral services for Deacon Columbus Carr, Jr.

Rev. and Mrs. Roy Walker and granddaughter from Abilene, visited with Rev. and Mrs. Clarence Walker.

The Community choir met at the Greater Independent Baptist Church Sunday night for their first Sunday musical.

Haskell School Menu

Sept. 14-18
BREAKFAST

Monday: Juice or fruit, cereal, buttered toast.

Tuesday: Juice or fruit, breakfast burrito, milk.

Friday: Hamburger or fish wedges, french fries, pinto beans, salad bar, buttered cornbread, sliced peaches.

Note: Milk and tea offered daily.

Menu subject to change

Stale doughnuts make a great base for French toast.

AARP in need of tax helpers

The American Association of Retired Persons (AARP) Tax Aide volunteers are trained in cooperation with the Internal Revenue Service. From Feb. 1 through April 15 each year, more than 27,000 volunteers held over 1.3 million people file tax returns at 9,500 sites.

In preparation for the coming tax season, volunteers interested in helping the elderly with their income tax are being recruited by the AARP. Adults of all ages can volunteer in this program.

Membership in AARP is not a criteria, only an interest in helping older persons.

Volunteer positions include: Counselor, provide one-on-one help to older taxpayers; instructor, to train counselors about income tax information and tax return preparation; and coordinator, to supervise and direct Tax Aide program activities at local levels.

To apply for an AARP Tax Aide volunteer position, write: Maurice Watson, 1925 Meadowbrook Dr., Abilene, TX 79601.

Vernon plans firemen's school

A 458-hour course to provide certification for firefighters in this region has been scheduled by Vernon Regional Junior College.

Classes will be from 6 to 10 p.m. Monday through Friday beginning Sept. 14 and ending Feb. 12. Some Saturday classes also are scheduled. Fee for the course is \$500.

For further information or registration forms, call 552-6291.

Thank you for reading The Haskell Free Press.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

PHARMACY NEWS

By Elbert Johnson, Registered Pharmacist

Lowering Cholesterol With Medication: The effectiveness of the cholesterol-lowering drug gemfibrozil at a dose of 1200 mg a day has been documented in a large Finnish study. A new study showed that a dose of 900 mg/day was just as effective. Additionally, gemfibrozil appeared to be equally if not more effective in post-menopausal women as in middle-aged men. This is important because the risk of heart disease significantly increases in women following menopause. Finally, gemfibrozil was just as effective in smokers as in nonsmokers.

-BIRTHS-

Tom and Starla Saali of Quanah are happy to announce the arrival of their son, Nathan Thomas. Nathan was born Aug. 26 at Wichita Falls General Hospital. He weighed 7 pounds and 12 ounces and was 19 inches long.

He was welcomed home by his sister, Bethany Ann.

Grandparents are Arvil and Mary Ann McFadden of Haskell and Lawrence and Madeline Saali of Littleton, Colo.

Brandon McFadden is a proud uncle.

TAX PLANNING

Written By **Richard E. Rodgers, CPA**

NEW LAW INCLUDES TAX PROVISIONS

On July 3, 1992, President Bush signed a law extending unemployment benefits for those whose regular benefits have been exhausted. The extended benefits will be financed by the following changes in tax law:

- The phaseout of the personal exemption for high-income taxpayers, which was originally scheduled to expire after 1995, has been extended through 1996.
- Certain large corporations must now base their estimated tax payments on 97% of their current-year tax liability rather than the previous 93%. The change applies to tax years beginning after June 30, 1992, and before January, 1997.
- Effective for distributions after 1992, the new law requires mandatory 20% income tax withholding on lump-sum distributions from qualified pension or annuity plans. The election to forego withholding on such distributions has been eliminated. Withholding cannot be avoided even if a taxpayer takes the distribution and rolls it over into another eligible plan within 60 days. The only way to avoid the 20% withholding is to have the distribution transferred directly (trustee-to-trustee) from one plan to another eligible transferee plan.

This new tax provision could result in an unpleasant surprise for some taxpayers. A taxpayer who took a pension distribution of \$100,000 would receive a check for only \$80,000. If the \$80,000 is rolled over into an IRA within 60 days, no income tax is due on it. However, the \$20,000 that was withheld must also be rolled over within 60 days, or it will be taxable - and subject to a 10% penalty unless the taxpayer is 59 1/2 or older. The taxpayer, therefore, has to come up with \$20,000 from some other source if he wants to roll over the entire distribution and make it tax-free. The withheld taxes would be refunded after that year's tax return was filed if the distribution was rolled over in full.

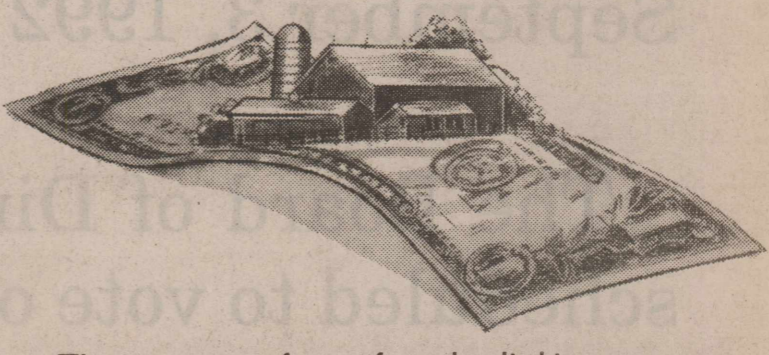

At the time of this writing, revisions to this new withholding law are being considered by Congress. We'll keep you up-to-date as developments occur.

the Farmers NATIONAL BANK

Paint Creek

by Mabel Overton

One of the biggest events that happened to our community this week was the arrival of Country and Western singer Janie Fricke and her tour driver Jeff Steel who spent a couple of days dove hunting with Wallar and Steffi Overton.

The West Texas Rehabilitation Center called Wallar and said that Janie Fricke was wanting someplace to unwind after a Missouri tour, away from the media, and away from the concrete of the city. Janie arrived during the rainy opening day of dove season Tuesday, and since it was so wet that morning, went on to Abilene to get her hair done before beginning the hunt that afternoon. Tuesday night, she joined Wallar and three other guitar players for a little sing song at the Stamford Cowboy Reunion grounds.

Benny Young, who most of you remember was our District Boy Scout Executive back in the 60's now works for the Rehab Center and had just hosted a brisket supper for several Rehab supporters in this area at the Reunion grounds and had the Rehab chuck wagon and tents set up for the occasion. By the time Janie arrived, all of the guests had eaten and gone home so that left the Rehab chuckwagon and campfire the perfect place for

entertaining Ms. Fricke. Then on Wednesday, Janie came back to the Overtons for an all-day dove hunt.

By evening, she was sunburned and tired, but had popped a few caps and was ready to return to her hectic life near Dallas. Although she was here for such a short time, she signed several autographs for Paint Creek students who had found out that she was in the community.

Wallar and Steffi said that she was so nice and unaffected by her fame. She always offered to help with the dishes after her meals with them and never refused anyone who wanted her autograph or wanted to visit with her while she was hunting. Hans and Marcus Overton carried autographs to the Paint Creek students while she was here and are sure enough fans of Janie Fricke. I expect that there will be a fan club organized here soon, thanks to her visit. (This was written by my son Wallar for me, and he can write much better than his Mom.)

The members of the Paint Creek Homemakers Club met at the Baptist parsonage Tuesday afternoon for a surprise party for Mrs. Ann Sinclair. Brother and Mrs. Sinclair have accepted a call to the Baptist church in Wyoming. Mrs. Sinclair told us about their

call, and about their trip to Wyoming to see the church and meet the people.

We will surely miss them and their music, and all their contributions to our Paint Creek Community. They are a wonderful couple.

The 1992 school year began for Paint Creek girls and boys Monday, Aug. 21. Our 92-93 faculty is composed of Supt. Jerry Morgan, High School Principal Max Calk, Jeff Williams teacher History and Government and is coaching. Joey McCord, science and coaching; Ronna Casey, math and computer; Launa Medford, English and journalism; Julie Peel math and art; Larry Halliburton, science and coaching; Cherry Pitcock, home economics; Jeannette Calk, Special Ed., and high school English; Stephen Green Vocational Agriculture; Gerre Larned English and counselor; Ginny Kloog Special Ed and aide; Rita Cockrell library assistant and teacher's aide; Kristi Byerly Kindergarten and 1st grade; Tammy Wallace 2nd grade; Phoi McGuire 3 to 6 language arts; Pam McDonald 3 to 6 math; Monique Morgan 3 to 6 science. Lunchroom personnel are Lilly Mae Griffith and Diane Vaughn. Custodian is Bob Mickler.

Steve Sinclair and family, and Joel Sinclair and family spent last weekend with their parents, Brother and Mrs. Sinclair.

Kenny Thompson attended a two day training session last week at the Lubbock Civic Center along with other members of the Haskell County USDA to learn about the new farm programs for next year. Speakers they heard were Clayton

Yalter (who was once Sec. of Agriculture), Charles Stenholm and Rick Perry.

The revival at the Paint Creek Baptist Church closed on Wednesday last week. The young people had as agreement that if they had 20 young people at the meeting last night, they could throw a pie at the revival pastor, Mrs. Bill Murphey (from Anson) and at their pastor, Brother Sinclair. The young people had 23 there. So after the service, at their social hour, they threw the pies. Steve Green and Darlene Walton somehow got in the way, and got some pie in their faces, too. Brother Sinclair was getting some missed pie off his glasses at the football game Friday.

Rodney Medford is working for Steve McGuire and drives a 375 horsepower tractor. I didn't know there was such a vehicle.

Dane Morgan, son of our Supt. and Mrs Morgan left for college Sunday. He will attend South Plains Junior College at Levelland.

Garry Goff and his bride, Christene visited his aunt and uncle, Mr. and Mrs. Kenny Thompson last week. They have been married only a week. They attend Southwestern Medical School.

Our new building at the school is now looking like a building. It has pretty yellow, metal walls on all four sides, and looks huge. They have surely built it in a short time. I think it is to house primary grades.

Ultraviolet rays may harm eyes

Ultraviolet light, which causes skin damage, may also be linked to aged-related eye disorders.

Dr. Laurence Rapp, a researcher at Baylor College of Medicine in Houston, is studying how ultraviolet light ages eye cells.

"This may help doctors treat disorders such as cataracts and macular degeneration, two major vision disorders that can be age-related," Rapp said.

Rapp is measuring the effects of UV light in the eyes of rats. Cells in the retinas are examined to evaluate damage and to determine the light's influence on the aging process.

Marriage Licenses

Three couples received marriage licenses last month from the office of County Clerk Rhonda Moeller.

They were: Billy M. Brazell and Roxane Wagoner, both of Haskell.

Dickey Wayne Frazier and Sartina Ann Robinson, both of Rule.

Wesley Ryan Tibbets of Rochester and Kelli Marie King of Farwell.
