## National Family Week is Nov. 19-25

National Family Week, Nov. 19-25, is an opportunity for individuals and families to celebrate bonds and to draw attention to needs according to Lou Gilly and Max Stapleton, County Extension Agents, Haskell County.

National groups including the Cooperative Extension Service, the National Council on Family Relations, Family Service America, Inc. are linking together

to encourage special attention to issues facing families and to the resiliency of many families in coping with change.

Texas families face many challenges, according to the recent report of the Texas Commission on Children and Youth:

**Safeguarding Our Future—Children and Families First.** At the same time, Texas families and

community groups are joining together to provide for improved access to medical care and human services, to enhance the quality of child and elder care, to work toward reasonable balances in work and family responsibilities, and to involve children and youth in constructive experiences which contribute to their growth and development.

Research indicated there are basic

factors which make families strong and viable. These include:

- Showing appreciation for others
- Spending time together
- Communicating openly
- Commitment to each other
- Devotion to values and spiritual reverence

•Ability to deal with crisis  
Today's families need support of the community and the workplace to meet their needs and challenges. National Family Week is a good time to reflect and to respond to the goal of "Safeguarding our Future—Putting Children and Families First."

# OPINION

## State Capital

By Lyndell Williams & Ed Sterling  
TEXAS PRESS ASSOCIATION

### HIGHLIGHTS

**AUSTIN** — Two years ago, Dallas billionaire H. Ross Perot warned of the "giant sucking sound" of the North American Free Trade Agreement. As December 1995 approaches, Texas Attorney General Dan Morales predicts another sound: the rumble of overloaded Mexican trucks.

The state's top lawyer seeks presidential action on the issue before Dec. 18, the date on which trucks from Mexico will have complete access to Texas roadways.

"We asked (President Clinton) to issue an executive order that would allow Texas law enforcement entities access to all border-crossing facilities, so that they can work with U.S. customs officials to keep unsafe Mexican trucks off Texas highways. We think this is a necessary step that must be taken between now and Dec. 18," Morales said in a prepared statement.

Mexican trucks, Morales said, often weigh up to 170,000 pounds — more than twice the lawful U.S. weight of 80,000 pounds. And, he pointed out, Mexican truck drivers receive less training and operate under lower safety standards. For example, U.S. drivers are limited to 10 hours a day behind the wheel; Canadian drivers are limited to 13 hours; but Mexican drivers aren't limited at all.

Also of concern to the attorney general is that trucks from Mexico may carry corrosives, chemicals, explosives, jet fuel, poisons, toxic waste, pesticides and perhaps, illegal drugs.

#### Voters OK 11 Amendments

Less than 8 percent of Texas' registered voters went to the polls Nov. 7 and approved 11 of the 14 proposed constitutional amendments.

Voters approved abolishing the office of state treasurer and merging its duties with those of the state comptroller.

Three bond issues were among the amendments that passed: \$300 million for an existing state-run college student loan program; \$500 million for a 50-year-old housing loan program for veterans; and \$200 million to assist agriculture-related businesses.

A proposal to permit home equity loans to divide property at the time of a divorce or death or to satisfy federal tax liens barely passed with 51.5 percent of the vote.

Almost 84 percent of the voters approved an amendment to extend the homestead exemption to surviving spouses at least 55 years old. And 69 percent OK'd increasing the property tax exemptions for disabled veterans.

Voters defeated measures that would:

- Allow local governments to exempt commercial fishing boats from property taxes; and
- Exempt Masonic lodges and other benevolent organizations from property taxes.

#### Saves State \$7.42 Million

Treasurer Martha Whitehead, a Democrat and former Longview mayor who urged abolition of her own office, said Texans are sick of big government bureaucracy. She announced her commitment to abolish the treasury in November 1993, four months after she was appointed to the post by then-Gov. Ann Richards.

While phasing out the treasury will take four years, Whitehead's job and 42 administrative support positions will be eliminated Sept. 1, 1996, with a first year net savings to the state of \$160,000.

Bigger savings will come as more jobs are eliminated, Whitehead said. By September 1998, 164 positions will be eliminated, saving the state \$7.42 million.

#### Other Highlights

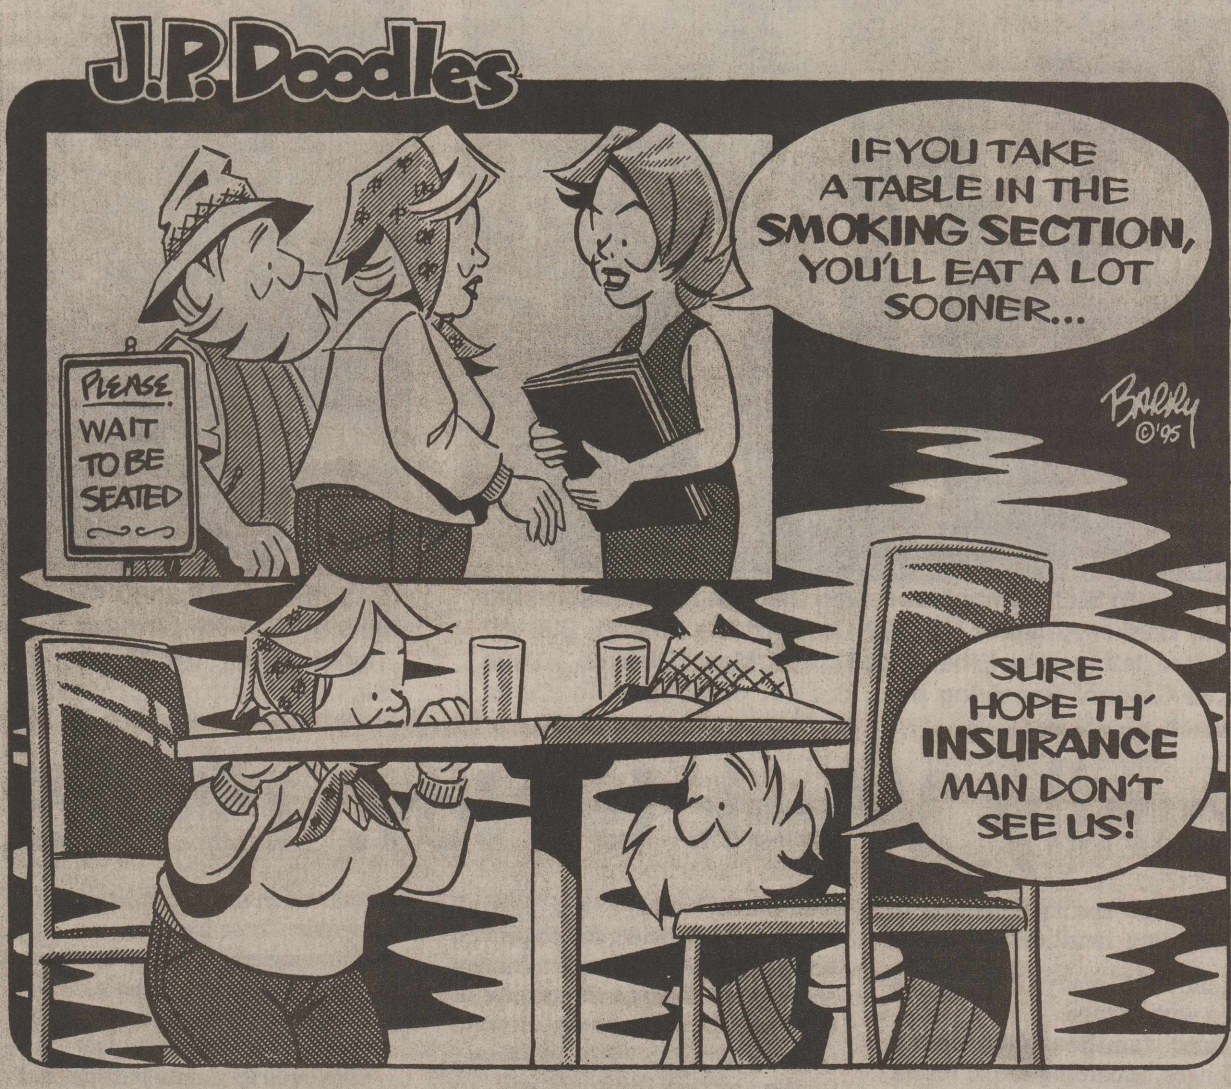

- Now that she has convinced voters to abolish the Treasury Department, Whitehead said last week she may run for the Texas Railroad Commission and work toward closing it down too. The three-member commission has 870 full-time employees and an annual budget of \$47 million. The treasury has 200 full-time employees and a \$20 million budget.

- Texas insurance companies have proposed an 11.3 percent increase in standard rates for auto insurance to cover their escalating losses. But Texas' consumer advocate for insurance said companies are making enough money, and rates should remain where they are. State Insurance Commissioner Elton Bomer will decide where to set the benchmark auto rates after he receives a recommendation from state administrative law judges.

- The Texas Supreme Court has formed the Commission on Judicial Efficiency, a task force to improve judicial selection, efficiency and staffing of the courts and to work on campaign finance reform. The bipartisan 16-member commission, headed by Dallas lawyer Tom Luce, will make its recommendations to the state Legislature in the 1997 session.

- Members of the governing board of the Texas Department of Commerce defended agency director Brenda Arnett's trips to foreign countries, saying that the trips are part of her job. At an October meeting of the governing board, questions arose regarding trips to South Africa, Argentina, Chile and Germany. A department spokesman said there is no budget for foreign travel, but Arnett's trips are legally paid for by private groups and companies.

- Bandit activity on the Texas-Mexico border has prompted the U.S. Border Patrol to plan the construction of a second fence west of downtown El Paso. The three-quarter mile long, seven-foot chain-link fence should make it harder for bandits to elude authorities by running back and forth across the border.

## From Out of the Past

### 20 Years Ago Nov. 13, 1975

It was announced this week that the JRB Super Market Stores have completed the transaction for the property between 12 and 13 on Ave. E. in Haskell. Construction on the new 15,000 square foot building will begin in the near future. It is estimated that the construction will take about 100 days after starting, if the weather will permit. The store will be a completely modern up to date Super Market. They will carry over 9,000 items to choose from.

The Haskell Warriors concluded their home season with the Crowell Kittens last Thursday. The 7th graders defeated the Crowell 7th graders by a score of 8 to 0. The only touchdown scored was on a long punt return. The eighth grade Warriors continued their winning ways by defeating Crowell by a score of 24 to 6. The 8th graders now have a season record of seven wins and two ties. This victory clinched a District Championship for the eighth graders.

### 30 Years Ago Nov. 18, 1965

Wallace Wooten, owner and operator, announced today that Wooten Oil Co. will celebrate its 14th year of business in Haskell on Friday and Saturday, Nov. 26, 27 with a public auction, with anything they have to sell at their place of business, from the hours of 1 to 5 p.m. "In celebrating our 14th anniversary, we will offer for sale, new and used tires, batteries, automobile accessories of all kinds," Wooten said.

Next Tuesday, Nov. 23, marks

75 years of continuous service of the modern, up-to-date Haskell National Bank located in its spacious quarters at the corner of No. First St. and Ave. F. Primary responsibility for the continued growth is the staff of bank executives, headed by A.C. Pierson, president of the institution since Jan., 1947, and son of the late M.S. Pierson, who founded the bank in 1890.

Jennabeth Pittman paced Haskell's "A" girls to a convincing 45-19 basketball victory over Albany here Tuesday night as she netted 18 points. Also hitting in double figures for Haskell was Kathy Burson with 10, Linda Riley hit eight for Albany.

### 60 Years Ago Nov. 14, 1935

Rev. C. Jones of Haskell left Saturday night for Fort Worth, where he is to attend the Frank Norris Bible School in progress this week. Rev. Jones will return to Haskell Sunday.

Mrs. Wavie Starr of Haskell is one of 78 students listed on the honor roll for the first preliminary period at John Tarleton College, as announced this week from the registration office.

Mr. R.M. Tittle, general merchandise buyer for the Perkins Timberlake Company was transacting business in Haskell Wednesday.

Mrs. J.U. Fields and Mrs. C.E. Baker left Sunday for Austin where they will attend a meeting of the Texas Federation of Womens clubs. Mrs. Cliff Chapman accompanied them to Houston, where she will visit with her parents.

### 70 Years Ago Nov. 13, 1925

Fire discovered in the office of the County Agent, third floor of the courthouse at midnight, Saturday, did considerable damage to the courthouse and the contents of the office. County Agent Trice states that his loss will be around \$500 as practically everything in his office was a complete loss. He carried no insurance.

W.M. Medlin, T.R. Overby and T.A. Coleman of the Plainview District southwest of town were in Haskell Monday on legal business.

Mr. F.L. Daugherty is in Canyon this week, where he is a delegate to the Northwest Texas Annual Conference of the Methodist Church.

### 90 Years Ago Nov. 18, 1905

Mr. G.M. Clayton has made a substantial addition to his residence in the southeast part of town, greatly improving the appearance of his place.

Mr. J.S. Boone finished branding his calves on his ranch this week and told our reporter that they were the best lot he ever branded, being fat and large, and of uniform color.

Mr. R.E. Sherrill is converting his one-story residence on the east side into a two-story building. His yard is thickly set with shrubbery and shade trees, now several years old and of good size and when the metamorphose is completed he will have one of the prettiest homes in town.

Mr. Wheeler Lee of the Cliff community brought cotton to town Wednesday, but finding the market a little off, stored it for future sale.

## Soc. Security 1996 Soc. Security changes announced

Social Security and Supplemental Security Income (SSI) benefits will increase 2.6 percent beginning with the payments that Social Security beneficiaries receive Jan. 3 and SSI recipients receive on Dec. 29, Ken Hargis, Social Security manager for Abilene said recently. The automatic cost-of-living adjustment is made annually.

For Social Security beneficiaries, the average monthly benefit amount for all retired workers will rise from \$702 to \$720. The maximum federal SSI monthly payment to an individual will rise from \$458 to \$470. For a couple, the maximum federal SSI payment will rise from \$687 to \$705. Some states add a supplement to the federal payment.

Social Security and SSI benefits increase automatically each year based on the rise in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) from the third quarter of one year through the corresponding period of the next. This year's increase in the CPI-W was 2.6 percent.

## Most frequently asked questions

A new law which became effective with last year's taxes makes it easier to pay Social Security taxes when you hire a household worker. Since then, the Social Security offices have been getting numerous questions from people concerned with how the law works. Social Security reps thought it would be a good idea to share some of the questions with the public.

First of all, remember that the new household coverage law resulted from a number of well-publicized cases of people who did not pay their household worker Social Security taxes. It is designed to make it easier for people to pay these taxes by having to file once a year instead of quarterly, by not having to pay taxes on babysitters, and by paying taxes on people they pay earnings of at least \$1,000 a year instead of \$50 a calendar quarter. You'll have fewer forms to complete and, depending on how much you employ outside help, you may pay less tax. Here are some frequently asked questions:

Q. Exactly who does the law cover?

A. Workers covered by this change in the law are maids, child care providers, gardeners, and others who provide household services. If they are under age 18, they're exempt from coverage unless household employment is their main occupation.

Q. How often do I have to file?

A. Instead of filing a report each calendar quarter and paying tax on the earnings of workers who are paid \$50 or more during the quarter, you pay annually on earnings of at least \$1,000 for the full year. The tax rate is unchanged, with you and your employee each paying 7.65 percent of the gross earnings.

Q. I heard something about a refund if you paid household worker's taxes last year. How does that work?

A. The new tax threshold was effective with 1994 earnings. In those cases where a household worker was paid less than \$1,000, the employer and employee will receive refunds for their share of the taxes. However, the employee won't lose his or her Social Security credits. To obtain a refund or if you have questions about paying taxes on household employment, call the Internal Revenue Service at 1-800-829-1040.

Q. How do I file?

A. For 1994 taxes, you should have filed the quarterly IRS Form 942 to report. Beginning with 1995 taxes, you will be required to report Social Security and federal unemployment tax obligations on your own federal tax return (Form 1040). During 1995-1997, you will need to satisfy the tax obligation by increasing your quarterly tax payments or increasing the tax withholding on your own wages.

If you have questions about the changes in reporting household employment, contact your local Social Security office, or call our toll-free number, 1-800-772-1213.

## National Farm-City week

Centuries ago, Pilgrims established Thanksgiving as a time to express gratitude for an abundant harvest. In 1995, National Farm-City Week became an annual, companion celebration to reflect on the blessings rural and urban residents and communities enjoy as a result of their longstanding relationship.

Tim Weise, a cotton producer and president of the Haskell County Farm Bureau, says the ongoing theme of the upcoming National Farm-City Week, Nov. 17-23, is "Partners in Progress."

"Farm-City Week recognizes the interdependency between those of

us who provide food and fiber, and our city neighbors who are a part of the cycle from farm to finished product," Weise explains.

The Haskell County Farm Bureau leader points out that farmers are dependent on communities, cooperatives and job-creating services, such as transportation, processing, advertising and marketing. Too, they count on consumers to ultimately select and purchase their goods.

Weise says it is only fitting that the week ending on Thanksgiving Day be set aside to observe the nation's rich agricultural heritage and its economic benefits.

## Indians scalp Yellowhammers 51-0

The Haskell Indians scalped the Rotan Yellowhammers 51-0 in Friday night's game at Rotan. The Indians held the Yellowhammers back in their own territory and kept them from ever getting on the scoreboard throughout the whole game. Haskell had 448 net yards in rushing while Rotan had -36; Haskell gained 548 total yards while Rotan gained nine yards, that tells the story.

Justin Lisle led the Indians in rushing with 19 carries and 149 yards. Lisle was responsible for three of Haskell's touchdowns and four PATs. Jace Yates had 15 carries for 95 yards and made one touchdown of the night. The other three touchdowns were made by Harrison Druessedow, IV Burson and Turner Frierson.

Harrison Druessedow led the Indians defensive plays with one

solo and seven assisted tackles. Close behind was Jason Briles with one solo and six assisted tackles and Michael Rodriguez with one solo and five assisted tackles.

## TAX PLANNING

Written By  
**Richard E. Rodgers, CPA**

## RECORDKEEPING BEFORE AND AFTER A DISASTER

Nobody likes thinking about disasters. But if trouble does strike, having the proper records for your property can mean the difference between a relatively painless recovery and a financial nightmare.

After a disaster, you're most likely to need records for two purposes: to collect from your insurance company or to substantiate a casualty loss deduction with the IRS. For both purposes, your most important records are those that show proof of ownership and evidence of original cost.

Perhaps the simplest way to establish proof of ownership is to keep your original receipts. When you make a purchase, get in the habit of putting your receipts in an envelope or file folder. Periodically deliver the contents of this folder to a safe deposit box, and weed out receipts for property that you no longer own. If you prefer a more high-tech approach, photograph or videotape your property, and store the pictures in a safe place.

One advantage of keeping receipts as proof of ownership is that receipts also establish the original cost of each item. If you photograph or videotape your property, remember that you'll also need receipts to establish purchase price.

If you're hit by a disaster, list and photograph your damaged property before cleaning up. Also, keep receipts to establish the cost of any replacement property, emergency lodging, meals, etc. After a disaster, you also may need to establish the value of your property at the time of the disaster. In many cases, you should be able to establish this value based on the age of the destroyed item or from your photographs. But if you own rare, appreciated, or extremely valuable property, consider having it appraised periodically.

# WORSHIP TOGETHER

*As a guide, the Bible is without a rival.*  
- Author unknown

*"All scripture is ...for instruction in righteousness."*  
- II Timothy 3:16

## THE BIBLE IS YOUR OWNER'S MANUAL FOR A GOOD LIFE

When you buy a car or a household appliance, it comes with an instruction booklet called the owner's manual. It tells you how to operate it and what to do if a problem develops. All of this sounds very modern, but there is an ancient precedent for this book of advice. It's called the Bible. However, in this case the instructions apply not to some material possession but to your life, and the way you should live it. Moreover, just as you could misuse your household device, you could also ruin your life by your failure to follow the instructions. So read your Bible and obey its mandates. Hear it explained at your House of Worship, where you learn that, unlike your household appliances, the rules for a good life will never become obsolete.

### PPE Advisory Board selects a name and sets goals

The Practical Parent Education advisory board met on Tuesday, Nov. 7, at the Haskell Elementary cafeteria to set goals, select a name and begin plans for the year. An up-date was given by Mischelle Howard. Ruth Enriquez presented the current calendar of meetings scheduled for the year. "Partners for Children" was the name selected by the committee to represent the Haskell network system for extending education for

parents. One of the immediate goals is getting a flyer, to be placed in businesses around town, to disseminate information concerning meetings and community resources available to parents. Another goal of the advisory will assist with is obtaining names of people interested in becoming facilitators and getting them trained. This will provide more flexibility in planning sessions to include more participants. Some

board members will assist in obtaining door prizes for meetings and will serve in the host capacity at sessions. Board members in attendance were: Cathey Bartley, Glenn Brzozowski, Birdie Goudeau, Rose Guadalcazar, Gary Lee Harris, Elbert R. Johnson, Julie Kretschmer and Mynea Short. The next board meeting will be Jan. 9, 1996.

**SENIOR 4-H FOOD SHOW PARTICIPANTS**—From left to right, Nisha Patel, Shannon Sanford, Anna Rieger, Kaki Stapleton and Marlana Helton.

# Sagerton News

By Dorothy M. Clark

The Rule Girls Cross Country track team attended the Regional meet in Arlington on Saturday. They were given the opportunity to attend after placing second in the District meet held recently in Dayton. There were 120 girls entered in the two mile long race and even though the Rule team did not win, some of the team members posted their best time ever. Members of the team included Stephanie Stegemoeller, Lisa Macias, and Jennifer Lehrmann of Sagerton and Amy Hisey, Jennifer LeFevre, Julie Saffel, Debra Wilson and alternate, Isabell Baiza of Rule. The girls coach is Jill Brown of Sagerton. Joe and Dorothy spent a busy weekend in The Woodlands visiting with their daughter and family, David, Peggy, Christopher and Anna Adler. They went especially for a band marching contest in which Christopher participated. The Highlander Marching Band of McCullough High School in The Woodlands, participated in the 20th annual Bands of America marching contest held at the University of Houston. They received a Division one rating which placed them in Finals competition.

While in the Houston area, Joe and Dorothy Clark and Peggy Adler attended the International Quilt Festival held at the George R. Brown Convention Center. More than 900 antique and contemporary quilts were on display. The Festival is billed as the largest quilt convention, show, sale and quilt-making academy in the world. Cloth dolls, clothing and other textile products were also on view in a total of thirty seven exhibits. On Sunday the Clarks attended Church services at Trinity Lutheran Church in Klein, drove on toward and stopped in Hewitt to visit with Calvin and Cheryle Lynne Stegemoeller, Eric, Ross and Chrystie. The Stegemoellers have recently moved into their new home. Calvin shared some pictures with the Clarks that he had taken on his recent business trip to Oslo, Norway.

Completing their weekend, Joe and Dorothy stopped for a short visit with her mother, Emma Raphelt of Stamford. Another daughter of Mrs. Raphelt's, Ruby and George Olson of San Angelo were also visiting. They had spent the weekend with her. Mrs. Raphelt continues to improve from her recent hospitalization.

Mr. and Mrs. Melvin Baitz spent the weekend at Leander visiting with Leslie and Kay Baitz and their children.

Johnny and Sue Guinn spent Monday through Thursday of this week helping their daughter, Deborah, move into her new home in Lubbock. Deborah sold her home in Post in July and has stayed

weekends with her parents while waiting the completion of her new place. Her position with the State Department of Health has her traveling throughout West Texas during the week.

**week of November 16**  
Cooler weather is here and everyone is thinking about falling leaves, picking the last fresh tomatoes, getting the wood racks filled up for the cozy evenings in front of the fireplace, and a good hard freeze so the cotton stripping may begin.

Guests in the home of Delbert and Joyce LeFevre recently for games of 84 included Alvin and Ev Ulmer and Buford and Jean Letz of Stamford.

Eunice Guinn met Martha Macon of Abilene in Anson for lunch last Sunday. Martha formerly lived in Stamford and the two have been close friends for many years.

Bill and Margie Hertel recently attended the Junior High football games between Rule and Rochester to see their grandson, Jeremy play. He is the son of Mike and Cheryl Hertel.

Last Friday Bill and Margie were in Aspermont for the football game with Crowell. This time they were particularly interested in the activities of the Crowell band since their granddaughter, Misty Dawn Smith, is the drum major for the Crowell band. She is a freshman and the daughter of Karla Taylor. The Hertel's son-in-law, Kenny Taylor is the band director of the Crowell band and Karla is a teacher in the Crowell school.

The monthly community supper was held last Tuesday night at the community center with Mike and Cheryl Hertel and Pastor Jeff and Marie Zell acting as hosts. The menu consisted of chili, stew, cornbread and all the trimmings. Ladies of the community furnished desserts. Johnny Guinn, vice-president announced that there will be no activity in December. The next meeting will be January 9, 1996. This will be the annual meeting with reports of the various committees. New officers will be elected and everyone in the community is encouraged to send in their suggestions for officers to the nominating committee of Helen Lehrmann, Johnny Guinn, Jacky Tabor and Delbert LeFevre. Officers to be elected include president, vice-president, secretary-treasurer, keeper of the keys, maintenance of community center, maintenance of cemetery and maintenance of park and community center grounds. The January supper will be hosted by Bill and Margie Hertel and Joe and Dorothy Clark. Ladies of the community are asked to bring desserts. Residents in attendance at this meeting included Delbert and Joyce LeFevre, David and Leona

Letz, Ken, Jill, Kinsey, Tully and Cade Brown, Jacky and Peggy Tabor, G. W. and Ophelia LeFevre, Johnny and Sue Guinn, Eunice Guinn, Meta Kupatt, Lynn Dale, Rene, Emery, Abby, Molly and Jenny Dudensing, Alvin and Ev Ulmer, Odene Dudensing, Alvin and Alice Bredthauer, Rev. and Mrs. Larry Crumpton of Hamlin, Bill and Margie Hertel, Tom Bivins, Mary Neinast, James Gellner and the hosts, Pastor and Marie Zell, Mike, Cheryl, Michael, Jeremy, Andrew and Kristin Hertel. Ooops, I forgot Joe and Dorothy Clark!

Your correspondent would remind all readers that if any names are misspelled or omitted, she would appreciate being corrected.

Gail Lehrmann of Denver, Colo. recently visited her parents Clancey and Helen Lehrmann. Accompanying her on the trip was her roommate, Carol Schlueter. Gail is Director of the financial division of the Y.M.C.A. Also visiting the Lehrmanns was Helen's brother, Bud Letz and his friend Bobbi Butts of Abilene. On Saturday night they were all joined by Stephen, Karen, Brian, Jennifer, M'Lynn and Joanna Lehrmann for a fish fry.

Abby Dudensing, daughter of Lynn Dale and Rene was a recent winner in the Junior 4-H Food Show held in Haskell. She entered the vegetable and fruit category in her division and won with a microwave fruit salad. This entitles her to enter the show at Vernon on Dec. 2. Congratulations to you, Abby.

The local ladies 84 group met in the home of Meta Kupatt on Tuesday afternoon for a lot of fun and good food. The group included Ethel Quade, Mary Neinast, Helen

Lehrmann, Corine Lowack, Wilma Teichelman and the hostess, Meta Kupatt.

Alvin and Alice Bredthauer

The HASKELL FREE PRESS—Thursday, November 16, 1995—Page 9  
joined their bowling group for their regular games on Thursday. They also attended the Family Night at Faith Lutheran Church Sunday night. Others enjoying visiting and refreshments were Clancey and Helen Lehrmann and Pastor and Marie Zell.

## Better Things To Do With Your Time Than Pay Bills.

(#28 in a series.)

Who doesn't have better things to do than pay monthly electric bills?

With DirectAdvantage, your bank takes care of your electric bills for you.

Each month, on the billing due date, the amount you owe is automatically deducted from your checking account.

You still get your billing statement, before the funds are withdrawn from your account. But you don't pay the bill, your bank does. And that saves you time, checks, stamps — and aggravation.

Best of all, DirectAdvantage adds nothing to your electric bill. DirectAdvantage. To enroll, simply give us a call.

## 1996 Cotton program provisions announced

The U.S. Dept. of Agriculture has announced a preliminary five percent Acreage Reduction Program level for the 1996 upland cotton program.

The Agricultural Act of 1949, requires that the ARP level results in a supply/use situation in which projected ending stocks approximate, as closely as possible, 29.9 percent of the projected total of domestic mill use and exports for the 1996 marketing year.

Based on USDA's October supply and use estimates, it was determined that a five percent ARP level will most likely meet the statutory stocks-to-use ratio. A final ARP level, which may be different from today's preliminary

announcement, must be announced by Jan. 1, 1996.

Other 1996-crop upland cotton program provisions announced include:

•The established target price will be the statutory minimum of 72.9 cents per pound.

•A 53-cent-per-pound price support loan level is established for the base quality. The base quality for the 1996 crop will be color grade 41, leaf grade 4, staple length 1-1/16 inches, micronaire 3.5-3.6 and 4.3-4.9 and strength 24-25 grams per tex.

•A paid land diversion will not be offered.

The 1995 Farm Bill now under consideration in Congress may

change one or more of the provisions in the statute which authorizes this program announcement. Producers will be

advised of any significant changes if this occurs.

Submitted by the Haskell Co. FSA office.

## Pork, a popular export

While Americans are buying more poultry going into the holiday season, people in other countries are buying more pork and they are buying it from Texas and other parts of the United States. Pork exports increased 74 percent in the first half of this year.

Al Tank, with the National Pork Producers Association, predicts pork exports will triple in the next five years. There is a whole new world opening up after the signing of NAFTA and GATT—the North American Free Trade and the General Agreement of Tariffs and Trade.

Tank says this is the first time

in 43 years that the U.S. has exported more pork than it has imported. There is also record production. Tank says the export market is opening up to all kinds of meats.

Extension Livestock Marketing Economist Dr. Ernie Davis says we exported 36 percent more chicken and nine percent more beef and veal from January through June. Davis says that is because chickens and turkeys produce more offspring than cattle, so the genetic improvements can come about faster.

Submitted by Max Stapleton, Haskell Co. Ext. Agent—Ag.

## Pain may be eliminated for millions

(SPECIAL)—A new drug has been approved that is exciting researchers in the treatment of pain. This material has been formulated into a new product known as "Arthur Itism" and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itism relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itism is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work. Use only as directed.

This being the Thanksgiving season, I want to say a great big "Thanks" to all of you who gave unselfishly to me during the time I was recuperating from a broken hip. Everyone was so thoughtful. "Thoughtful" means you're helpful and considerate to me when I needed a lift! Thank you for being so thoughtful.

For each prayer in my behalf, each card, every visit, all of the food, and all of the items that I needed to help me recuperate that different ones provided; I appreciate everything very much! Friends like you are Heaven sent. "I have not stopped giving thanks for you, remembering you in my prayers...Ephesians 1:16 NIV. God bless you each one.

I would like to thank the Haskell Volunteer Fire Dept. for the quick response to the fire at my welding shop on Oct. 18. And send a special thank you to everyone who helped out after the fire. It is at times like this that I realize just how much friends and family can mean. I have relocated next door to Jay's Tire Center, across the street from Cecil's Market.

## Missionaries to be at First Assembly of God

Randy and Peggy Sims, Mexico missionaries since 1984, will be at the First Assembly of God on Wednesday, Nov. 22 at 7 p.m.

During their first 4-year term of missionary service, the Sims ministered in Guadalajara and Mexico City. Their second term was spent in Monterrey, Mex. They are scheduled to return to Monterrey for their third term in the spring of 1996.

While in Monterrey, Rev. Sims ministered through local church evangelism often utilizing the assistance of AIM and MAPS teams from the United States.

Rev. Sims spent five years as senior pastor of churches in West Texas and New Mexico. It was through their years of ministry in New Mexico that the Sims developed a deep love for the Mexican people. Prior to that, Rev. Sims served nine years as an assistant pastor, working with youth, college age, and singles, as well as with a bus ministry.

The Sims family includes their three children, aged 18, 15 and nine. Peggy is the daughter of Roy and Jimalee George who live in Haskell and attend the Assembly of God Church.

## Student at Rotary

Joyce Wallis, a senior at Haskell High School, is the daughter of Addie and Liz Wallis. She is a member of the Lutheran Church, where she does altar care, Lay reading and is involved in the youth group.

In school activities, she has been a member of FHA for four years, FFA for two years, on the yearbook staff for two years, on the Warhoop staff for two years, an FHA officer and a class officer. Her hobbies and pastimes include reading comic books, sketching designs for clothing and writing literature.

She has held a job and maintained a B average since her sophomore year in high school.

Joyce plans to attend Texas Lutheran College and major in education and become a teacher. Joyce said, "Due to the fact that I had a hard time in elementary school, I will have a better understanding when it comes to children's education."

## Clubs

### Haskell FCE

The Haskell County Family and Community Education Clubs met on Wednesday, Oct. 25, at the County Extension office, with eleven members and one guest present. Jane Smith, chairman, called the meeting to order. Ophelia Newsom gave the invocation and presented a reading entitled, "One of Life Recipes."

Club presidents gave club reports. Minutes of the last council meeting were read by Betty Sanders, secretary, and approved. Lennie Blankenship, treasurer, reported on the amount of money on deposit. A thank you note was read from Kaki Stapleton, the Gold Star girl for 1995.

Standing committees for the coming year are: Yearbook Committee — Lena Tidwell—chairman, Estalynn Liles, Kathryn Schonerstedt, Margaret Jones; Finance Committee — Lennie Blankenship—chairman, Joetta Burnett, Dolores Medford and Myrtle Phemister (with 4-H, also).

A special committee to host the January Stock Show concession stand will be the Homespun FCE Club (formerly the Eager Housewives FCE Club).

County Agent Lou Gilly discussed some changes in the yearbook and the book was assembled by members that day.

A district FCE training meeting will be held Nov. 30 at Bridgeport. The Tri-County Rally Day will be hosted by Knox County FCE Club members on Mar. 26.

The Josselet FCE Club will host the next council meeting on Nov. 15, in the County Extension office at 2 p.m.

Submitted by Dolores Medford.

### Garden Club

By Gladys O'Neal  
The Haskell Garden Club met Thursday, Nov. 9, at the Haskell

Community Room. A short business meeting was presided over by the president, Mona Gibson. The club voted to contribute to the headquarters in Fort Worth, the National Wildflower Research Center and the Scholarship Fund.

The theme of the program was "Shine on Harvest Moon." Florence Peden gave an interesting discussion on "Recycling in the Garden." Martha Bruns gave an interesting presentation on the many plants and blooms in Haskell county. It was amazing to learn that there were so many of them. Landscape water conservation was openly discussed in many ways by club members.

Juanita Rhea recognized those who brought horticulture. She critiqued the artistic arrangements. Those who brought horticulture were Juanita Rhea, Mary Kammenga, Helen Cox, Dee Sprayberry, Margie Dorner and Gladys O'Neal. Wanda Ham brought a driftwood arrangement that was very attractive, and Juanita Rhea brought a very attractive harvest arrangement.

The hostesses, Mary Bischoffhausen, Wanda Ham and Mona Gibson served refreshments to Dee Sprayberry, Mary Kammenga, Juanita Rhea, Juanita Bevel, Peggy Burnett, Martha Bruns, Mollie Carlisle, Helen Cox, Margie Dorner, Ozelle Frierson, Florence Peden and Gladys O'Neal.

### Hobby Club

The Rochester Hobby Club met for a day of quilting and a luncheon, Tuesday, Nov. 7. The club is quilting a beautiful basket quilt for Stella Carver. Members of the club have also put together a fan friendship quilt for Shelly Speck. Each block was pieced and signed by club members.

The club will be holding a bake sale at the club building on Monday, Nov. 20. Special orders will be taken.

The club members extend their sympathy to the Corley family as Blanche was a long time member of the Hobby Club.

Members present were Helen Cox, Jovetia Ellison, Shelly Speck, Ida Pack, Evelyn Underwood, Annie Marshall, Emily Wilson, Jennie Mae Short, Johnnie King and Laverne and Truett Kuentler. The club welcomed one guest, Rita Whitley.
