

Local Boys Win In Litter Contest

Every litter entered by Bailey County boys in the Sears heavy litter contest held by the Sears Lubbock store were placed, and the combined winnings of the local boys was \$73. County Agent J. K. Adams reports.

In addition, Gene Paul Jarman won first place in the district for most efficient caretaker of the male, winning \$20.

Other winners are: Marlon Inman, \$10 for 9th place; Jerry Inman, \$8 for 23rd place; Tom Prather, \$7 for 29th place; Beverly Mardis, \$7 for 31st place; Bennie Splawn, \$7 for 34th place; John Henry Gammon, \$7 for 36th place; and Buddy Black \$7 for 37th place.

Thirteen counties were represented in the contest, with 8 litters allowed per county, making 104 litters. The contest was based on weight of the litter at weaning time, when the pigs were 56 days old.

Nelson's Buys The Dixie Lee Shop

Mrs. Hattie Jennings announces the sale of the Dixie Lee Shop, a ladies store she has operated the last several years, to Nelson's, of San Angelo.

Nelson's operates retail stores and buys store stocks for sale or consolidation. They are holding a "quit business" sale at the local store, announcement of sale being carried in other columns of this paper.

Mrs. Jennings said she had sold the stock, fixtures, accounts and all other assets of the store to Nelson's. She issued a statement in which she thanked her friends and customers for their patronage. Because of the gratifying relations she has had, she was reluctant to sell the store, she said.

In charge of the store are Billy Bruce and Margaret Farnsworth of the Nelson's organization.

Mrs. Lucille Wright and Mrs. Opal Fields remain as sales ladies, it was said.

UNACCOMPANIED, MAX KING TRAVELS HOME FROM L. A.

Max King, traveler, is back home. The 8-year-old son of Mr. and Mrs. H. D. King, Max went out to Los Angeles with his sister, Mrs. David Hemmes and after a two weeks visit in her home there, returned on the train by himself. He was right proud that he could get about so well by himself. Max was glad to have Mrs. Holly Bucy to ride on the seat in front just in front of him. She also was returning to her home here after a visit in Los Angeles.

Max said he quit telling people he was from Muleshoe, for they wanted to hurrah him about the name of the town; he started telling folks he was from Clovis.

Parmer Farm Bureau Plans Series Of Community Meetings In County

Dr. Putman To New Offices

Dr. B. R. Putman, optometrist, this week announced that he is moving into his new office on East First Street, first door north of the REA building, this week end and will be open on Monday, July 16.

The new office will consist of a reception room and small office, laboratory and fitting room, Dr. Putman's office, two examination rooms, and numerous closets.

The building is constructed of concrete blocks with a brick front with glass bricks on either side of the door and in each window.

The office will be closed Friday and Saturday while the equipment is being moved into the new office from their present location.

Dr. Putman invites his many friends to visit him in his new location.

Tennis Tourney Well Underway

The first round of the Tennis Tournament sponsored by the Jaycees has been completed and winners announced. Sam Dameron, tournament manager, announced the following winners of the first round:

E. W. Evans winner over Morris Douglass; Joe Upton winner over Herbert Griffiths; Carroll Howell, winner over Ernest Kerr; W. McCarty winner over J. B. Glaze; Connie Gupptor winner over L. S. Barron; Loyd Alsop winner over Joe Cummings; Clarence Weeks winner over Bill St. Clair; Elmo Evans winner over M. Hicks; Irvin St. Clair winner over D. Taylor; and Sam Dameron winner over Roald Johnson.

The losers of these sets have a try at the consolation.

Sets scheduled for this week are Evans and Upton; Howell and McCarty; Weeks and Evans, and St. Clair and Dameron.

Gupptor will play the winner of the Howell-McCarty set and Alsop will play the winner of the Weeks and Evans set.

PICTURES ARE HERE
The pictures of the Eighth grade class are here and persons who have placed orders may stop by the Journal office and get their picture.

Surprise Party Honors Mrs. Case

The Half Century Club met Thursday, July 5 in the home of Mrs. Burkhead Case. It was a surprise party in honor of her recent marriage to Mr. Carl Case.

The Club presented her with a gift. The afternoon was spent playing games and visiting.

Refreshments were served to 14 members and two visitors, Mrs. Harvey and Mrs. Jim Burkhead.

The next meeting will be in the home of Mrs. Alpha Julian, Thursday afternoon, July 12.

Mrs. Bower Host For Dorcas Class

The Dorcas Class of the First Baptist Church met in the home of Mrs. Willey Bowers for a business and social meeting Tuesday afternoon, July 10.

The meeting was called to order by the president, Mrs. Vernon Jamison. Mrs. Byron Griffiths gave the opening prayer and a very interesting devotional was given by Mrs. A. W. Blaine.

Frosted cokes were served to Mesdames Truma Griffiths, Doris English, Edith Blaine, Effie Hicks, Pauline Jamison, Hazel West, Faye Lambert, Mrs. Umphress, and the hostess, Mrs. Bowers.

A series of community meetings has been scheduled for the week beginning July 16 by the Parmer County Farm Bureau. Hadley Reeve, Friona, the secretary reported the following schedule of meetings, all to be held at 8:30 p. m.

Monday, Lazbuddie school.
Tuesday, Bovina, school cafeteria.

Wednesday, Rhea, in Parrish Hall of the Lutheran Church.
Thursday, Friona school.
Friday, Farwell, in district courtroom.

Mr. Reeve outlined the program to be followed at each meeting:

1. A speaker on the status of formation of water conservation district.
2. A speaker on Farm Bureau activities.
3. Comedy film, a sound talkie.
4. Technicolor sound film, "Insect Control on Cotton in Various Stages."

The latter film is furnished by the Texas A. & M. College Extension Service. It was previewed by the county Farm Bureau directors this week and was pronounced "very good." Everyone interested in farm matters is invited to attend one or more of these meetings.

Hotel Building First Floor Lobby

A ground floor lobby, opening onto the street is being made for the Muleshoe Hotel. Mrs. Dora McCarty, owner, announces. The lobby will occupy the space recently vacated by Dr. A. E. Lewis who moved his office to the refurnished building he bought on Morton highway.

The new arrangement not only will give easier access to the hotel, but will eliminate the stairway leading up to the hotel on Main Street, permitting the remodeling of the building front by the Western Drug, which occupies the ground floor. N. H. Greer, drug store proprietor, said the firm has plans to remodel the front, putting plate glass across the entire front of the building. He will do some rearranging on the inside, using additional floor space acquired.

Mrs. McCarty said the new arrangement will give the hotel three more guest rooms, each to have private baths. Of the thirteen guest rooms in the hotel, eight will now have private bath facilities, she said.

The lobby, which fronts on Avenue B just off Main Street, will always be open to the public. A telephone booth will be installed for the public convenience.

Mr. and Mrs. T. H. Murrah who manage the hotel will have living quarters at the rear of the lobby.

Members of the Rotary Club of Muleshoe heard some interesting facts about the underground water of the Plains when County Agent J. K. Adams addressed them at their Tuesday luncheon meeting.

Mr. Adams brought the Rotarians the result of his long study of underground water formations of the Plains region, and the latest reports on geology and the ground water in the irrigated region of the Southern High Plains of Texas, made by the U. S. Department of the Interior and the Texas Board of Water Engineers.

Discussing the geologic history of the Plains, he reminded his listeners that the supposition is that this was once, some six million years ago, an ocean; the Permian basin formed the ocean floor. No water is known to be pumped from this tight formation; next above that formation is the "red bed", known as the triassic, entirely non marine. The

triassic is 50 to 100 ft. thick and as much as 1500 ft. thick on the Plains.

The Ogallala, or water bearing sands above the triassic was deposited by streams that had their headwaters in the Rocky Mountains. 68 per cent is sand, so there is lots of room for water. Thickness is from featheredge to 400 feet and average is 200 feet water saturated Ogallala.

Mr. Adams said that of the 20 inches of rain that falls on the average yearly on the Plains, a fraction of an inch runs off the Plains at the caprock and a fraction of an inch runs into the Ogallala. The remaining 18 inches is used up by evaporation, and by transpiration by the billions of plants growing here.

The question, he said, is: How did a fraction of an inch annual rain cause this 200 feet deep reservoir to be formed, indicating a period at that rate of 9,606 years. The formation is several million years old; the Plains, he said,

1951 Gridders To Get Together Here Friday Nite

A summer get-together for boys who this fall will be candidates for the 1951 Muleshoe high school football squad will come about Friday night of this week.

The swimming pool will be thrown open to them at 8 o'clock for a free swim, and a watermelon feast will follow. The boys will bring their dates.

Coach T. J. Bailey this week announced that he has secured an opponent for the boys on the night of Friday, September 7, a date that had been open. Olton's Mustangs will come here for the season opener, he said.

This will be only two weeks after the beginning of football practice, which opens August 27.

The 1951 Muleshoe high school on the gridiron, it is predicted. New suits and helmets have arrived. The varsity this year will fog out in nifty old gold suits with purple trim. The trousers have a purple stripe down the sides, and the jerseys have a purple shoulder with purple stripes and the sleeves have solid black.

Muleshoe Plans Baseball Night

Friday night, July 20, will be Muleshoe night at the Clovis ball park. Clovis and Lubbock will play this night. Don Moore, one of our local boys, will be playing for the Hubbers.

Several of the Muleshoe merchants will have these tickets to give their friends and customers the latter part of this week or the first part of next week. This ticket will admit one person by paying a tax of 25c for each ticket.

As an added attraction that evening, a three inning game is being planned by teams of Muleshoe and Portales merchants.

The Muleshoe Junior Chamber of Commerce is sponsoring the ticket sales here. All merchants in Muleshoe will be contacted to buy tickets by the local Jaycees. Each book contains 50 tickets and is being sold at greatly reduced prices.

WILDERING CHILDREN ON VISIT HERE WITH FAMILY

Mr. and Mrs. Mervin Wilderding were happy to have their children home for a visit.

Here for a visit were Pvt. Reece Wilderding, who has been stationed at Fort Bliss, now leaving for Germany, and his wife, Joy; Maurine from Las Cruces, N. M.; Luella of Abilene; and Mrs. Calvin Embry of Muleshoe. They also had as guests Mrs. Wilderding's sister, Mrs. W. P. Jones and family of Boyce, La.

Mason Rites To Be Held Saturday

Funeral services for Frank William Mason are to be held Saturday, July 14, at 10 a. m. in the First Methodist Church of Muleshoe. Mr. Mason passed away in Green Hospital here at 12:36 p. m. Wednesday, July 11. He was 77.

He was born February 23, 1874, in Nebraska. Mr. Mason, who farmed about 11 miles north of Muleshoe had been a resident of this community for 22 years.

He is survived by his widow, Mrs. Florence M. Mason; one daughter, Mrs. J. M. Mann, of Houston; and three sons, Marvin C. Mason, Star Route, Sudan; Clarence R. Mason and Lee R. Mason, both of Muleshoe.

Other survivors include a brother, Lee Mason, of Gotebo, Okla., a sister, Mrs. C. E. Gentry, Hobart, Okla.; eleven grandchildren and eight great grandchildren;

Rev. H. W. Hanks, pastor, will officiate in the services Saturday. Pallbearers are Bert Seales, Thurman Glasscock, Boone Allison, Roy Jordan, Beryl Baker, and Gilbert Wollard.

Honorary pallbearers named are Fred Bruns, E. E. Engelking, Bill Kistler, W. H. Gammons, J. L. Alsop, Morris Childers, George Nelson, Roy White, C. M. Splawn and Bill Shirley.

Interment will be in Muleshoe cemetery with the Muleshoe Funeral Home in charge of arrangements.

Cox Drive, In To Reopen Friday

Reopening of the Cox Drive-In theatre here is set for tomorrow (Friday) night, July 13, Howard Cox announced this morning.

The screen has been rebuilt after being destroyed in a storm about three weeks ago.

The management announced that the first picture will be "Flame and the Arrow."

Their fireworks display will be the coming Tuesday night, July 17.

Implement Firms Close Saturday p.m.

Implement houses of Muleshoe will in the future be closed on Saturday afternoons, representatives of the dealers told The Journal this week. The firms which will observe this closing are listed in an advertisement in this paper.

The dealers said Federal wage and hours regulations make it necessary to take this step. But one man will be on hand to supply a needed part and emergencies will be handled as a matter of course, the dealers said.

Future Paving Bonds Would Mean One Third Refund

Those who wish to pave at this time have at least a prospect of a future refund, Ray Keeling, acting mayor pointed out this week.

He said that a state statute requires that should the people of the city ever vote a bond issue for paving, the city would be obligated to return to those who pay all their paving costs the city's pro rata part of the present program.

The city's part, he pointed out, would be 16 2-3 per cent of the cost of paving to each property owner, or 3 1-3 per cent of the whole. He said that quite a few property owners who want to pave at this time have inquired on this point. Since it is a state law, any future council would have no option in the matter but would have to pay as described above, no matter when the bond issue is voted.

Hospital News

J. C. Odom, a surgical patient is doing fine. He will soon be able to go home.

Mr. J. R. Martin, father of R. C. Martin, was a medical patient. He has been discharged.

Mr. J. R. Clark was in several days for medical care. He has gone home.

Mrs. L. C. Crump was in for medical care. She has been discharged.

Mr. J. M. Boyles is in for medical care. He is doing fine.

Elmer Prather was in due to an accident. He has gone home.

Mr. E. C. Brown is in for medical care. He is doing fine.

Roland Barnes, small son of Mr. and Mrs. J. T. Barnes, underwent an appendectomy. He is doing fine.

CONGRATULATIONS TO:

Mr. and Mrs. George Straskulic on the birth of a son, John Charles, July 5.

Mr. and Mrs. Murray Walters on the birth of a son, Walton Thomas, July 7.

Mr. and Mrs. E. M. Humiston on the birth of a son, Dennis Dale, July 8.

Mr. and Mrs. Hanford Brewer on the birth of a daughter, Brenda Beth, July 9.

Auction Will Reopen July 18

The Muleshoe Livestock Auction, owned and operated by H. K. and Hugh Freeman, will reopen Wednesday, July 18, after being closed for several weeks. Kenneth Bozeman, of Lubbock, will be the auctioneer. A large crowd is expected for this first sale and a great number of livestock will be on hand to be auctioned off.

Lions Install New Officers

The Muleshoe Lions Club installed officers for the year 1951-52 at their regular meeting Wednesday noon at Gerald's Cafe.

Lee Pool was installing officer and gave each of the new Lion officers their charge. Jeff Peeler gave a short talk on the growth and progress of Lions International.

New officers installed were Rufus Glibbreath, president; Jack Lenderson, 1st vice president; Bill Moore, 2nd vice president; W. Q. Casey, 3rd vice president; Lowell Irvin St. Clair, secretary; treasurer; Jeff Peeler, Lion Tamer; F. L. Shelby, tall twister. New directors are F. Heathington and H. O. Barbour. Directors who are carry-overs from last year are Vance Wagon and Jim Cox.

Visitors at Wednesday's luncheon were John Barbee of Amarillo, guest of Arch Fowler; A. W. Porter of Karnes City, guest of Jim Cox; H. S. Sanders, guest of H. S. Sanders, Jr.; Glenn Dunn guest of Blondie Ray; and Bobby Goss, guest of Carrol Goss.

Reeves Reunion Sunday, July 8

Mrs. Jim Moore had as her guest over the week end her sister, Mrs. R. E. Johnson of Era, and her brother and family, Mr. and Mrs. A. P. Reeves of Muenster. Sunday they were joined at the Lubbock park by other members of the late Mr. and Mrs. D. C. Reeves family.

Picnic lunch was served at the noon hour. Pictures were made in the afternoon. All brothers and sisters were present except one, Mrs. L. F. Whitt of Fort Worth, who was unable to attend on account of illness.

Those present were: Mrs. R. E. Johnson, Era; Mrs. W. A. Pruett, Denton; L. N. Reeves and three daughters, of Muenster; Mr. and Mrs. Jim Moore and children of Muleshoe; Mrs. Lillie Reeves and Naomi, Mr. and Mrs. A. C. Reeves and children, Mr. and Mrs. Leon Reeves and sons, all of Midland; Mr. and Mrs. Edd McGee, Mr. and Mrs. Albert Stewart, Jr., and daughter of Midland; Mr. and Mrs. Clarence Hardin and Chester Lee, Goldsmith, Texas.

Mr. and Mrs. Thurmond Pard and Doris of Tarzan, Mr. and Mrs. Ray Musgrave, Mrs. Bill Jay and Bobby, of Lubbock; Mr. and Mrs. C. L. Reeves and sons of Terminal, Texas, Mr. and Mrs. Murray Simmons, Clovis, N. M.; and Mr. and Mrs. James Moore and sons of Muleshoe.

Everyone had a wonderful time and the second Sunday in July, 1952, they will meet again at the Leonard Park in Gainesville.

LAZBUDDIE SCHOOL ELECTS MR. TREIDER BUS FOREMAN

The Lazbuddie school board met in regular session Thursday night, June 28, and elected the room personnel for the 1951-52 bus mechanic and the lunch school term. Raymond Treider was elected the bus foreman for the ensuing term. Mrs. N. M. McCurdy will be in charge of the lunch room, assisted by Mrs. Perry Barnes and Mrs. Raymond Treider.

Due to the recent resignation of Mrs. Morris the second grade teacher, and Dale Lavender, the sixth grade teacher, the school is in need of a sixth grade teacher, a second grade teacher, and a commercial teacher. Mr. Laven-der will teach in the Lamesa school system another year. When the faculty is completed a list of the entire personnel will be published.

BOY SCOUTS NEED WORK FOR TRIP MONEY

The Muleshoe Boy Scout troop is in the market for jobs so that the boys may earn expenses for an outing in New Mexico in the next few weeks.

The boys are adept at mowing lawns, pulling weeds or numerous other jobs. Anyone wishing any work done may contact any of the Boy Scouts or call Lloyd Roberts at the Muleshoe Funeral Home. All work will be appreciated by the boys.

See your Grocer for Soil Conservation Problems?

The grocer in your town may be a smart fellow but we'd be surprised if you relied on him for advice about the latest soil conservation techniques. You'd go to an authority... the soil conservation expert.

The same should apply to servicing of your John Deere Equipment. Take it to the shop that knows it best... your John Deere dealer.

Here, in our shop... the mechanics are specialists, trained in servicing methods approved by John Deere. They'll do only the work that's necessary... do it efficiently and at the lowest possible cost. Our shop is equipped with precision equipment to meet every servicing need. And, on every job, we use only genuine John Deere Parts. They're made to fit right... to last longer.

* No other shop in this community is equipped to match this efficient, economical service. See us about your John Deere servicing problems soon.

CHRISTIAN SCIENCE SERVICES

Christian Science declares the oneness and allness of God in the Lesson-Sermon titled "God" to be read in all Churches of Christ Scientist on Sunday, July 15. The Golden Text introduces this theme. It reads, "There is none holy as the Lord: for there is there any rock like our God" (1 Samuel 2:2).

One of the Bible citations states, "Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (1 Timothy 1:17). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this statement:

"To grasp the order of health and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is. Spirit, Life, Truth, Love, combine as one—and are the Scriptural names for "God" (page 275).

MRS. WILT ILL
 Mrs. C. D. Julian has been staying at Tulla with a daughter Mrs. Ralph Witt, who has been seriously ill.

MOTHER VISITED
 Mrs. Keith Cassidy of Frederick, Okla., spent last week here in the home of her daughter, Mrs. Kenneth Precure and family.

VISITS IN CENTRAL TEXAS

Cliff Green and daughter, Janelle, spent last week visiting friends and relatives in central Texas. Janelle spent the week with friends in Killeen and Mr. Green visited friends in Killeen, and visited his parents, Mr. and Mrs. C. E. Green of Oglesby, Tex.

RAINBOW INSTALLATION
 There will be a Rainbow installation Thursday, July 19, in the Masonic Hall. All Masons and Eastern Stars are cordially invited to attend.

VISITS IN COLORADO
 Mr. and Mrs. J. S. Horsley, Jim Sybert, and Wanda Kimbrough left Monday for a week visit with the Horsley's daughter, Mrs. Francis Gaede and family, in Limon, Colo. Wanda Kimbrough will remain there for two more weeks.

Electric Cooking Is CLEAN

...as MODERN women KNOW!

No grime, no soot, no fumes when you cook electrically. That means no dirty curtains, no spotted walls, no carbon-coated pots and pans. Instead, when you cook electrically, everything is bright and shiny. The pans, the walls, the curtains, your disposition — all of them — bright and shiny.

Electric cooking is clean because electricity is clean. Cleanest of all heat producing methods. Whoever heard of a dirty kilowatt? Yes, electric cooking is clean. It's fast, economical, automatic, dependable, efficient, cool, and convenient, too... as modern women know!

 Dear Editor:
 Please publish a request for me and many who have expressed similar sentiments.
 When "The Hostesses" send out shower invitations, please give a listing of the hostesses. It is not fair to the hostesses or to the recipient not to do so. It moves one not to attend it is too embarrassing to have to inquire in order to give one's thanks. And

certainly a hostess deserves that consideration after her spending time, money and effort for its success.

One of your regular readers. Editors note: This sounds like a reasonable request and perhaps in the direction of good usage, too.

Shower And Lawn Party Given For Mr. And Mrs. Williams

Mr. and Mrs. Rheil Williams were honored with a shower and lawn party Thursday, July 5 at 8:30 p. m. at the home of Mr. and Mrs. Orbie Jarman.

Fifty-four guests were registered by Mrs. Manuel Self. Mrs. Everett Lambert announced the reading by Minister Ebb Randol and C. M. Baker.

There was a mock wedding by the ladies, who were dressed in a wedding gown of window drapes of net over a short black slip. Mrs. S. C. Caldwell, the bridegroom wore a black tuxedo and white trousers. Mrs. Scott Donaldson, ushered the guests Mrs. Earl Jeter, the brides mother was dressed in a shepard checked skirt, and a red cheeze cloth blouse. Mrs. Roy Carney the bride's little sister wore a short plaid dress with a red hair ribbon in her hair and was bare-footed.

Mrs. John McFarland, the bride's father, carried a shot gun while giving her away. Mrs. Olen Dutton, the ring bearer, wore short trousers and was bare-footed. Mrs. Earnest Holland was best man and Mrs. Chick Otwell, dressed in tuxedo and top hat sang, "You Are My Sunshine" and "Here Comes The Bride".

The gifts were presented to the couple from the wishing well they had wished in.

Delicious refreshments consisting of freezer ice cream and cake were served to the following guests: Rev. and Mrs. Ebb Randol, Mr. and Mrs. John Garrett, Mrs. Nettie Lambert, Mr. and Mrs. Earnest Holland, Mr. and Mrs. J. W. Jarman, Mr. and Mrs. Orbie Jarman, Mr. and Mrs. Joe Tipton, Mr. and Mrs. Earl Jeter, Mrs. Leona Bartley, Mrs. John McFarland.

Mrs. H. L. McDaniels, Mr. and Mrs. Roy Carney, Mrs. L. E. Martin, Mrs. Manuel Self, Mr. and Mrs. C. M. Baker, Mrs. Olen Dutton, Mr. and Mrs. Scott Donaldson, Mrs. Lewis Stewart, Mr. and Mrs. Jack Obenhaus, Mr. and Mrs. A. W. Copley, Mr. and Mrs. Omer Kelton, Mr. and Mrs. John Boydston, Mrs. Leona Mason, Mr. and Mrs. Bill Jeter, Mrs. Eulless Waggoner, Mr. and Mrs. J. J. Williams, Mr. and Mrs. Roy Edwards, Mrs. J. J. Gross, Mrs. John Furr, and Mr. and Mrs. S. C. Caldwell and several small children.

WEEK END WITH PARENTS

Walter Seales spent the week end here with his parents, Mr. and Mrs. Bert Seales last week. Walter is a student at John Tarleton College at Stephenville. He returned to the college Monday.

VISITING FROM LAMPASAS

Virginia and Jerry Cooper, of Lampasas, Texas, visited the past week in the homes of W. R. Young and A. J. Shafer.

Mr. and Mrs. Everett Lambert Honored With Bridal Shower At Caldwell Home

On Tuesday night, June 26 at 8:30, a bridal shower honoring Mr. and Mrs. Everett Lambert was given in the yard of Mr. and Mrs. S. C. Caldwell. Seventy-six Cene Caldwell.

Reading were given by Mr. Ebb Randol, Jeannie Garrett, Mary Jeter and Mrs. Horace McAdams.

An interesting scene showing an operation on a patient was thrown by shadows on a sheet being between two trees produced many laughs. Games of drunken sailors; walk and sack races were played with men on one side and women on the other.

The gifts were presented to the honorees in a trailer decorated with crepe paper on which was written, "Punken Center Motor Line, freight for Ruby and Everett". The Lamberts stood in the trailer to unwrap their gifts.

Delicious refreshments of frozen ice cream, and cake were served to the following: Mrs. Nettie Lambert, Mr. and Mrs. Earl Jeter and Mary Kay Lambert, Mr. and Mrs. Victor Foss, C. L. Dyer, Mr. and Mrs. Orbie Jarman, Mr. and Mrs. Ebb Randol, Mr. and Mrs. Gene Caldwell, Mrs. Leona Bartley, and Leo Bartley, Mr. and Mrs. C. M. Baker.

Mr. and Mrs. Scott Donaldson, Mr. and Mrs. Wiley Baker, Mr. and Mrs. Harold Witson, Mr. and Mrs. Roy Howard, Mr. and Mrs.

Progress W. M. U. Met Monday, July 9

The Progress W. M. U. met Monday, July 9, at 3 p. m. in the church.

The meeting opened with Mrs. Locker leading the group in singing "Will Jesus Find Us Watching," and a prayer was led by Mrs. Gaddy.

The vice president, Mrs. Locker, had charge of the business meeting. Old and new business was attended to. Plans to help serve dinner at the camp were made. It was voted to send a cash offering to the new orphans home at Round Rock.

The revival which will begin Aug. 24 and close Sept. 2 was Gouge were elected to select and discussed. Mrs. Gaddy and Mrs. send a gift to our beneficere, a retired minister.

Mrs. Redwine brought a touching devotional. Mrs. Gady gave a most interesting home mission report. Everyone was surprised to learn about how the Jews believe, regarding Jesus Christ. The Jewish people are among the many races that are desperately in need of our Lord.

Mrs. Redwine had charge of the Bible Study. The meeting was closed with a prayer by Mrs. Walker.

Those present were: Mesdames E. W. Locker, J. J. Redwine, C. A. Bishop, Newman, Vernon Raney, Gaddy, Clifford Linsley C.C. Morgan, J. R. Walker and Miss Ann Walker, and the children were: Wayne, Glenna and Johnny Raney, Eddie Tinsley, and Wanda Morgan.

The next meeting will be July 15 at 3 p. m. We will have Royal Service Program and urge every member to be present. Visitors are always welcome.

Babson Discusses

OLD - AGE BENEFITS

Babson Park, Mass., July 6.—Today July 6 is my birthday and my trusted accountant has given me a very nice birthday present. He calls to my attention that in view of my age and now being off the payroll, I can receive old-age insurance of \$80 per month.

How Old Are You

He further states that persons who are 75 or over can continue to work and draw old-age benefits. I, like other employed persons, have had money deducted from my pay check since 1937, but I gave this no attention, believing that the amount received would be insignificant. But considering how quickly the months speed by as we get older, \$80 coming so often looks pretty good.

But the above is not the best of it. This \$80 per month which an eligible person receives is nontaxable. If he happens to be in the 50 percent tax bracket, this is equivalent to a check every month of \$160, which certainly is not to be sneezed at. When the deduction from our pay checks was increased January 1, 1950, we were kind of sore about it. We forgot the Social Security benefits were likewise increased. Under last year's amendments a family can receive as much as \$1,800 per year as opposed to the old maximum of \$1,020.

INFLATION MAY NOT BE TOO BAD

Some of the pessimists who are always knocking Truman and talking about inflation say that the purchasing power of your old-age insurance benefits in the years ahead won't be much to you on account of inflation. This could be a serious affair if we now paid for these benefits in one lump sum. Readers, however, will not be doing this. If your Social Security benefits when they are paid will be in depreciated dollars, then the payments which are deducted from your pay check will also be in depreciated dollars, at least so far as the average is concerned.

I use this same argument to cheer up life insurance salesmen who are troubled as to what the value of the dollar will be twenty years hence. I assure them that

though the dollar may be much more depreciated at that time, yet, if the premiums are paid in installments from now until then, they also will be paid to a large extent with depreciated dollars. Furthermore, remember that your increase in salary is largely due to the declining value of the dollar. Hence, considering all things, you will not suffer so much as you think you may and perhaps not at all.

Speaking Of Taxation

In giving this column to my accountant friend to read over, he suggested that I add "When a person reaches 65 and becomes eligible for old-age insurance benefits, his wife is also entitled to one-half his benefits provided she is also 65 or over and is not entitled to higher benefits based on her own earnings". This is something worth looking up; also the taxable feature of life insurance. For instance, when I took out, as a young man, \$40,000 worth of life insurance, the agent told me that the first \$40,000 was exempt from taxation. I now find that if I pay the premium and own the policies completely, my life insurance money will be subject to the Federal Estate Tax the same as stocks or bonds.

The Revenue Act of 1948 does make an exception for a married man to this extent: If the proceeds of the insurance is payable to your wife (or to a trustee under certain conditions) within 13 months of your death, it is not taxable. The money in such case, however, must be subject to her sole control.

The above means that my readers should immediately talk their insurance over with an agent that knows his stuff. There are other technicalities which I cannot cover in this column. The main thing to remember is that if you give your wife the proceeds of your insurance to do as she wishes with, it will probably be exempt up to \$40,000; but if you try to be too specific and state how the money is to be used, or give it to other beneficiaries, it may be subject to taxation.

HE JOINS GENERAL TREND

Sand Hills Philosopher Wants Some One To Advocate Increase For Him

Editor's note: The Sand Hills Philosopher on his Johnson Grass farm has joined the general trend, his letter this week reveals.

Dear editor:

For a long time now in nearly every paper I pick up out here I've ben noticin that practically everybody these days is askin for a rate increase. The telephone company, the light company, the gas company, the water company, the government tax experts, children's allowances, barbers, tailor shops, coal miners, clerks, soda skeets, district judges, policemen, congressmen, everybody at one time or another has ben askin for an increase.

Now I have always ben in favor of everybody makin as much as they can, never did like to see how cheap I could work, in fact had rather sit around doin nothin than work at a rate which wouldn't return me at least 8 percent on my investment, and I got my investment figured pretty high, same as lot of other folks, but I have ben readin and readin and I haven't found anybody who's demandin a rate increase for me.

All I can see is a big howl for a rate reduction for farmers, with this fellow DiSalle rollin back the price on cattle every time he's interviewed in Washington, even if his rollbacks do have a hard time findin their way on the meat counter. I know cotton is sellin for a pretty good price now, but ain't nobody much got any cotton to sell now. Wait until the

stuff really starts flowin to the gin. If this year is anything like most years, us farmers will be in for a rate reduction, as sure as cotton is high at plantin time and low at pickin time, as sure as politicians reduce taxes while they're runnin and raise em when they get safely in.

Now I know a few stores in New York have cut the price on electric razors and aspirin tablets and a few similar items, but it ain't lowered the cost of livin out here a bit. They could cut the price of locomotives half in two and it wouldn't affect me none. I got very little use for a locomotive at any price.

I ain't givin up yet, I'm gonna keep on readin, but I'm still lookin for some bird who has come out for a rate increase for me. Farm products may be high, compared to what they was ten years ago, but as far as I can tell I fall just as shy of makin ends meet now as I did then.

Yours faithfully,
J. A.

"J. A."

Davenport Says He Viewed Heaven

Editor's Note: G. H. Davenport, who styled himself the "cripple" to distinguish him from others of the name, has written an interesting story of his trip to California. Mr. Davenport is an old settler here and we're very glad to hear from him and know others will enjoy his report.

By G. H. DAVENPORT

I am home from a two weeks visit to California, making the trip out there with my son-in-law and daughter, Mr. and Mrs. Alton

Lee, their son, Junior and daughter, Ernestine Lee, by car.

Via Big Spring, we went thru the southern part of New Mexico and Arizona to San Diego, our first point in California, driving 16 hours the first day and night and 15 hours the second day and night. Stayed the night with our oldest daughter, Mrs. Peggy Dallas and family.

Next day I took the streamliner on the railroad for Whittier, Calif., and spent one night with my son, R. W. Davenport. The next day on up to Fair Oaks to a son-in-law's home. Stayed 4 days there and back to R. W. Davenport's home. He and family have a small home but beautiful, and they have two little girls, 9 and 7 years of age. Another thing I want to mention is that I saw a cousin I had not seen for 67 years, I being 12 and he 11 years old when we last saw each other. I left for Vernon, Texas and he left for Creston, Iowa, in 1884. He moved to Pasadena in 1911.

I was at Bro. Fuller's service Sunday, July 1, an old friend, shook hands with him and wife. I saw the big Rose Bowl, lots of fine residences, Art Museum, etc.

Now, about Heaven. Do you read your Bible?

On Thursday, July 5, my son, R. W. Davenport, took me to the air terminal at Los Angeles and put me on a four motored plane. Keep in mind that this was my first time to be on a plane.

Left there at 9:45 and arrived in Clovis, 4:45. Changed planes at Albuquerque, N. M., losing an hour for connection.

Now, then, between Phoenix and Albuquerque was my view of Heaven. Above the mountain range, floating through the air with ease through and above beautiful white clouds. Oh! So wonderful! Just like I want to see it some day.

Do you read your Bible?

I have read it through three

THE MULESHOE JOURNAL, Thursday, July 12, 1951

TODAY'S meditation

from **The Upper Room**

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Preaching The Word

"Preach the word; but be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine". (II Timothy 4:2) Read Acts 10:34-43.

Once a church member came into my study and asked me some questions. "Pastor, what do you know about such subjects as politics and business?" Finally he said, "I suppose you wonder at my questions. Well sir, I live with all that six days a week. When Saturday night comes, I feel that I need a spiritual and moral bath. As my pastor, I want you to preach the Word. Tell me what the Lord has to say to me that will make me a better Christian in politics and business in the days that lie ahead".

That man was saying what God says to all "Preach the Word. Preach the Word that relates to all of life". Each of us has a duty

in this matter. What is God saying to us today? What is He asking in us to be? to do? The early disciples went everywhere preaching the gospel. But if we are to preach it, we must first receive it. We can only preach that Word as we receive, accept, and act upon it.

PRAYER

Father, teach us a greater appreciation of Thy Word. Help us to discover in it Thy guidance and to submit our wills to Thine in every phase of our daily living. Have mercy upon us when we fail in the preaching of Thy Word by what we are, say, or do. We pray in the name of Jesus, who makes Thy Word known to us in all richness, purity, strength, and practical usefulness. Amen.

Thought For The Day

Is my life in agreement with God's Word and will?

Jacob Prins (Michigan)

SHOW CARD Colors and Brushes. We have them at The Journal. If Read The Journal Want-Ads

From where I sit ... by Joe Marsh

Might Say The Birds Got "Nettled"

Had dinner with Tik Bradley the other day, and over a frosty bottle of beer I found out about his job with the U. S. Fish and Wildlife Service.

"Now just exactly what do you do?" I asked him. "Shoot birds with a cannon" he calmly replies.

Seems they actually do use a cannon—to shoot out a net over a flock of birds feeding on the ground. The birds start to take off at the sound of the shot, but the settling net brings them back to earth. Then they're banded around the leg so more can be

learned about their migratory habits. Afterwards, they're let loose—and everyone's happy.

From where I sit, it was a good example of how when you learn the real facts they're often not as bad as they may sound at first. Like with people. Get to really know your neighbor and chances are you'll be more tolerant of his preferences—even though they're not your own. Take a good look, before you jump to conclusions.

Joe Marsh

When better automobiles are built BUICK will build them

*Standard on ROADMASTER, optional at extra cost on other Series.

PARDON us if we play switchman with a familiar railroad phrase, but we aim to flag down some certain people...

Those folks who've always had a great big yen for a new Buick, but a big worry that Buick prices ran too high for their budgets.

Now we'll have to grant you that — on style and beauty and size and impressive appearance — a 1951 Buick looks like a pretty high price tag.

And we'll have to grant, too, that the zooming power and the luxurious ride and the heavyweight steadiness you get in a Buick would also indicate prices beyond the reach of most people.

But honestly, you'll find nothing farther from the truth when you note the price tags on 1951 Buicks.

You'll find that beauty with the big-power, big-mileage, valve-in-head Fireball Engine is really within your budget picture — with prices starting below those of many of today's sixes.

And you'll have to admit then and there that you can have Buick room and comfort, can have Buick ride and handling, can have Buick style and size — for little, if any, more than you've been paying for lesser cars.

That leaves the next step up to you — stopping in to see us.

Come in soon, look over the SPECIAL, SUPER or ROADMASTER you've always wanted — and let that happy glow go surging all through you as you sign up for your smart-buy Buick.

Equipment, accessories, trim and models are subject to change without notice.

Moore - Simmons Vows Are Read

Wedding vows were read Tuesday for Miss Carolyn Moore and Mr. Murray M. Simmons, Jr., at the Trinity Methodist Church, Clovis, N. M., with Rev. Watson, the pastor, reading the single

ring ceremony. The bride is the daughter of Mr. and Mrs. J. M. Moore and the bridegroom is the son of Mr. and Mrs. M. M. Simmons, all of Muleshoe. The bride was dressed in a navy sheared dress with white accessories and had a corsage of white carnations. The bride's only attendant, Mrs. James Moore, wore a light blue dress

with white accessories. James Moore was best man.

Mrs. Simmons is a graduate of Muleshoe high school, and also is a graduate of Beauty School at Lubbock and of Isbell University of Beauty Culture at Fort Worth. She has been employed with the Muleshoe Beauty Shop for the past two years.

Mr. Simmons is a graduate of the Frederick, Okla., high school and attended the junior college in Amarillo one year before serving in the U. S. Navy two years. He is now employed with the Farmers Country Electric Co-Op in Clovis, N. M.

The young couple is at home in Clovis, N. M.

Mrs. Julian Is HD Club Hostess

The H. D. Club of Muleshoe met Tuesday, July 10, in the home of Mrs. L. V. Julian.

The Willing Workers Class met Monday, July 9, in the home of Mrs. Willard Hedges for a social and business session.

Mrs. Lucy McAdams gave the devotional. Mrs. Hedges, Horace McAdams, and Clyde Latimer will meet together soon to plan a year book for the class.

It was decided that the Willing

Workers will meet one day a week in the after noons and make visitations to the absentee members and visit prospective members.

The next class meeting will be held in the home of Mrs. Beth White, with Mrs. Mildred Redwine as co-hostess. We will have as guest speaker at the meeting, Miss Ray Buster. We urge all the members of the class to be at the next meeting.

Refreshments were served to: Mesdames Beth White, Fay Weems, Wilma Davis, Ruth Roberts, Lynn Connell, Clarence Wilhite, Lucy McAdams, Billy Latimer, and Renaldo Hedges.

PLAN TO VISIT SON

Mr. and Mrs. C. A. Barnett and daughter, Diana, are planning to visit their son, Richard, who is stationed at Lackland AFB in San Antonio. The Barnetts plan to be gone three or four days.

The next meeting will be in the home of Mrs. E. E. Holland July 24. The program will be on China painting.

Smallpox, An Old Foe Fading Out

Not a single case of smallpox has occurred in Texas this year, said Dr. Geo. W. Cox, State Health Officer. Unfortunately, the fact that we have had no smallpox does not mean we are immune for all time.

"Smallpox can strike again. For example, in 1947, an infested individual from Mexico innocently carried the disease to New York City. The result was 13 cases and three deaths, the first deaths in 35 years. Service men returning from the Orient caused an epidemic of 68 cases and 20 deaths in Seattle in 1946.

"In spite of Texas apparent freedom from smallpox, vaccination of every child before he is

a year old and re-vaccination every three to five years is imperative. This is the only sure way to prevent the disease.

"With the speed of present day travel a person harboring smallpox could alight in our midst at any time. If the public becomes lax concerning vaccination that single case could spread as happened in New York and Seattle.

Dr. Cox asks, "When were you and your family last vaccinated against smallpox? Would you and your children be safe if exposed to this disease?"

WTCC Barbecue To Be Monday

Members of the West Texas Chamber of Commerce from 28 cities will meet Monday, July 16, in Plainview for a barbecue dinner and discussion of the organization's activities and general program of work. B. P. Bludworth WTCC president, announced today.

The meeting has been arranged on invitation of WTCC officials and civic leaders in the Plainview area.

This will be the eighth of a series of conferences with small groups of key men held in larger cities of the region in recent

weeks. These meetings have stimulated much interest in work of the organization. The other meetings were held in Wichita Falls, Abilene, Monahans, Denton, Vernon, El Paso, and Pampa.

Fred H. Husbands, executive vice president and general manager, will report on the enlarged program of work outlined for the coming year, and on additional staff personnel engaged to work on activities and projects. Community-level services are being emphasized in the objectives to

back, Canyon, Dimmitt, Littlefield, Levelland, Hale Center, be accomplished in 1951. Other WTCC staff members will be present.

Members in the following cities have been invited: Tulsa, Lubbock, Abilene, Lockney, Muleshoe, Hereford, Silverton, Ralls, Lorenzo, Slaton, Brownfield, Farwell, Friona, Morton, Tahoka, Seminole, Seagraves, Post, Spur, and Petersburg.

GUARD YOUR EARNINGS AGAINST THE PICKPOCKET YEARS

Many hands reach into your pocket without you knowing it. When your earnings are good it is easy to get a false sense of security. Later you find out there is nothing left of all your abundance.

Constant watchfulness is needed. Your best safeguard is to save regularly—and the best place to save is at the Muleshoe State Bank.

MULESHOE STATE BANK

TIMELY TIPS
 FROM YOUR
H. D. AGENT
 By Miss Dian McClurkin

STORAGE PLACE

Now is the time to arrange a good storage place for the food you will want this season. Here are tips for storing food canned in glass jars:

Arrange for a cool, dark, dry storage place. Dampness causes metal lids to rust. Heat and light cause food to lose flavor and vitamins. Some foods may lose color as well. Keep canned foods away from hot pipes, radiators, or the furnace. The cooler the storage place, the better, as long as foods do not freeze.

Freezing may crack a jar or break a seal and let in bacteria that will cause spoilage. If the freezing does not damage the jar or seal, the food will be safe to eat but it will not taste so good.

Provide shelves for canned foods not kept in cases. If jars of food are put away in cases, stand the cases on racks to keep them off the floor.

SNAPS FOR FREEZING

Snap beans recently have taken their place as favorites for home freezing. For freezing beans should be fresh and crisp enough to snap when broken—also be young, tender and stringless. Freeze them before they lose their freshness.

Allow 3/4 to 1 pound of beans, as picked or purchased, to fill each pint container. A pound is a good quantity to work with because it is about as much as can be preheated at a time with the usual home kitchen equipment.

First step is washing the beans thoroughly in cold water. Lift them out, away from the grit which settles to the bottom of the pan. Cut off ends. Beans may be cut in 1 to 2 inch lengths, or sliced lengthwise in strips for "frenched" or "julienne" style beans.

Next step is preheating to halt the action of the enzymes in the vegetable which otherwise would change the color and flavor of the beans in frozen storage.

The easiest way to pre-heat is in boiling water. Use large "blanching kettle," fitted with perforated metal or wire basket, or use a colander or sieve that fits down into a kettle holding at least a gallon of water—the quantity needed to preheat a pound of beans. Have the water boiling rapidly, lower the basket of beans into the water, cover the kettle, and cook off just 3 minutes—the time required for heating beans before freezing.

Lift the basket from the kettle and immediately lower it into a large pan of cold water. Change the water often or use lead water or very cold running water. The faster the beans cool, the better. Drain beans. Pack immediately into freezer bags or other containers—in freezer cartons or rigid

Mrs Spence Host To Homemakers

The Homemakers class met at the home of Mrs. Ellen Spence Tuesday afternoon, July 3.

The meeting was called to order by the president, Mrs. Dyer. Mrs. Harlan led the opening prayer. Mrs. Winn brought the devotional, in the absence of the secretary. The president calls reports from the officers, Mrs. Harlan, Mrs. Spence, Mrs. Evans, Mrs. Motheral, Mrs. Harper, and Mrs. Winn.

The motion was made and seconded that the next class meeting with Mrs. Harper be held at night by having a supper and inviting the husbands, August 7.

Mrs. Hale, the teacher gave a short talk. Mrs. Shook led the dismissal prayer.

Refreshments were served by the hostess to: Mesdames Dyer, Harper, Shook, Evans, Flanagan, Motheral, Snow, Winn, Harlan, and Hale.

REALIZES DREAM

John: Have any of your boyhood dreams been realized?
 Bill: One of them. When my mother combed my hair, I used to wish I didn't have any.

plastic, metal or glass containers. Leave a half inch headspace for expansion in freezing. When using bags, twist top of bag, double the end back, and tie securely with twine.
 Store the packaged beans at zero F. or lower.

THE MARVELOUS MOTORLESS SERVEL

Like magic... bigger inside, smaller outside!

Lots of room for frozen foods in Servel's new clear-across Freezer Compartment! And all the ice cubes you want in Servel's new Quick-Release Trays. Easy to flip out.

Big Dew-Action Vegetable Fresheners hold fruits, vegetables, salads, have see-through glass tops. They're easy to roll in and out, extra size, too.

More room inside the Food Storage Compartment, too! Even a special "Odds and Ends" Tray to hold small jars and bottles. Quick-Change Shelves adjust easily.

No motor to wear, no machinery to grow noisy! That's why Servel—and Servel alone—stays silent, lasts longer. It's wear-free, worry-free.

No moving parts to monkey with!
 Ten-Year Guarantee

175 Claims Each Month Filed With Social Security

During the first six months of 1951 the Lubbock office of the Social Security Administration has received an average of 175 claims per month for old age and survivors insurance. This is an increase to about four times the figure for the same period of last year, according to John G. Hutton.

Most of this increase, Hutton explained is due to changes last year in the law, which drastically reduced the requirements for eligibility. Under the new rules payments can be made in many cases after as little as six quarters—about a year and a half—in jobs covered by the law.

The new eligibility rule applies in two types of cases:

1. Retired workers past the age of 65.

2. Survivors of workers who have died since August, 1950.

The required six quarters of work may have been done at any time since the law went into effect in 1937 and can be either steady work or scattered jobs with several different employers. One effect of the changes, Hutton pointed out, is that a large number of workers, many well past the age of 65, who were not eligible under the old rules, may now qualify for the payments. The majority have already filed applications, but Hutton is certain that there are many in the Lubbock area who have not filed claims and are losing payments.

"We can make back payments for only 6 months," Hutton said, "so that a claim filed now will cover only the months from January on. Any payments which might have been due for 1950 are now lost. If a claim is delayed until August, then January will be lost, and so on, a month lost for each month of delay. For this reason, we urge anyone who believes he may be eligible for payments to get in touch with us at once."

Larger Than It Looks

Here is a house with good looks and space for a lot of living at very lowest cost. The rooms are not large, yet they have plenty of usable wall space.

The kitchen is arranged for an abundance of cross ventilation and light. It has a large amount of wall and base cabinets which are within easy reach.

On the screened porch is additional storage space for supplies and clothing. The porch also provides space for any future development of a workroom if it is needed.

The hall eliminates unnecessary travel through other parts of the house. The ideal location of the bathroom makes it needless for anyone coming in from the field to clutter up any room in the house before going to the bathroom to clean up.

The plan allows you to have either a separate dining room, or a dining-living room combination; whichever you prefer.

In case three bedrooms are needed, it would be very easy to provide doors between the living and dining rooms and let the dining room serve as a third bedroom temporarily.

The fireplace, a Southern tradition, has not been overlooked in this house. It is shown in the plan; however, it may be left out without materially affecting the construction or appearance of the house.

The living room, although not large, provides ample space for the average family, and yet keeps the cost down.

This house is designed for ordinary light frame construction and is so arranged that it will not require any unusual mill work or framing.

The front porch is sufficiently large to provide plenty of space for comfortable summer living.

You can obtain blueprints for this THE MULESHOE JOURNAL FARM AND RANCH House Plan No. 4805 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, FARM & RANCH, Dept. L-36, Nashville, 10, Tenn. Order by number—plan No. 4805. Blueprints are adequate for any farm carpenter or any farmer handy with tools.

Farmers Try To Beat Hail

People on the South Plains are making a new adaptation of Solomon's quip about turning "swords into swift-climbing hooks". Powerful, swift-climbing pursuit planes, used in World War II are being used in a battle against destructive hail storms.

Here's the theory of operation: The fast fighters, loaded with dry ice climb to an altitude of 30 to 40,000 feet, drop the ice in the hail clouds, and drive the hail away as rain.

Does it work? Well, that's impossible to tell in a few brief weeks of operation. The first time hail clouds hovered, the plane got off the ground but never accomplished its hail busting mission because of trouble with the landing gear.

Other results have been better. The sponsors make no claims, but say their fliers have gone up several times when hail clouds were threatening and after they accomplished their cloud seeding mission the hail failed to materialize. But there's always the chance a destructive hail storm may hit at 12:30 in the morning, as the one at Olton did this week. In that case the hail busters will require a more elaborate warning system than they have yet developed.

The organizers of High Plains Hail Prevention Association, with headquarters to Plainview, say it will take considerable more than one season of operation to prove the value of their service. But many South Plains farmers are interested and the cost is

BERRY PLATOON LEADER AT HIS ROTC CAMP

FORT MONMOUTH, N. J. — Col. Malcolm R. Kemmerer, deputy commander of the ROTC camp, announced the appointment of Cadet Glen E. Berry to the position of Platoon Leader, Company A, from June 29 thru July 1, 1951.

Cadet Berry, an undergraduate of Texas Tech, Lubbock, is the son of Mr. and Mrs. T. W. Berry of Muleshoe.

All of the 1300 cadets from the 73 colleges and universities will be given the opportunity during their six weeks stay at the Signal Corps Center to hold the position of a student officer in the Cadet Regiment.

VISITING WITH HORSLEYS

Mr. and Mrs. Bruce Horsley and Ronnie are visiting in the home of Mr. and Mrs. Chet Horsley this week.

VISITED FROM OKLAHOMA

Mr. and Mrs. R. S. Brown and family, of Oklahoma City, spent a few days in the home of S. D. Julian this week.

comparatively light 40 cents an acre. It's paid back to the farmer if his crop is hailed out.

Anyway, on the basis of mixed results in a brief experience, it looks as though hail busting may take its place with rain increasing as a recognized method of removing some of the uncertainty from that most uncertain of all business farming.

Its refreshing feature in this atomic age to see man seeking a way to combat the destructive forces of nature instead of teaming up with nature's forces to destroy.

—Amarillo News

Farmers Getting More Cash Money

Texas farmer's cash revenue was 45 percent greater the first five months this year than in the same 1950 period, the University of Texas Bureau of Business Research reports.

The Bureau estimates Texas farm cash income from major commodities through May at \$48,483,000, compared with \$334,184,000 during January-May last year.

Cattle, the main farm-income producer for both periods, brought in \$165,046,000, 42 percent more than January-May, 1950. Only commodities bringing less money in the 1951 period were cotton, cottonseed, fruit, vegetables and wheat. Most income drops were caused by unfavorable weather.
