

## Mrs. A. L. Davis Rites Conducted Here Sunday

Mrs. A. L. Davis, 68, long time resident of Bailey County, passed away Saturday, September 15, at 12:15 a. m. in the Amherst hospital, where she had been admitted for treatment at 6 o'clock on the preceding evening. Mrs. Davis had been in ill health for several months.

Mrs. Davis was born Martha Annie Pinkerton, daughter of Mr. and Mrs. T. U. Pinkerton, on July 10, 1883, in Milam County, Texas. At an early age she moved with her parents to Charlie, in Clay County. She and A. L. Davis were united in marriage on March 26, 1902.

Mrs. Davis is survived by her husband, A. L. Davis, of Muleshoe, and the three children born to this union, John and Cecil Davis of Muleshoe, and Mrs. Mary Clary of Hot Springs, N. M. Other survivors include seven grandchildren and two great grandchildren, several nieces and nephews. Three sisters and a brother also survive: Mrs. A. E. Pronger, Stratford, Texas; Mrs. George Fleming, Galveston; Mrs. Fred Arrington, Arrington Acres, Rogers, Ark., and Lawson Pinkerton, Coleman, Texas. Mrs. Pronger and her husband attended funeral rites; Mrs. Arrington and the brother were unable to attend because of illness. Mrs. Fleming was here for funeral services.

A large number of cousins of Mrs. Davis also attended funeral services.

Mr. and Mrs. Davis came to Bailey County with their children in March, 1920. They bought land about ten miles south and east of Muleshoe in Fairview community where they have engaged in farming and ranching ever since. Mrs. Davis had been a member of the Methodist church since early in life.

Funeral services were conducted at 3 p. m. Sunday in the First Methodist church of Muleshoe, with Rev. H. W. Hanks, pastor, officiating. Interment was in the Sudan cemetery under direction of Muleshoe Funeral Home.

Palbearers were Arnold Morris, Buford Butts, June Wagoner, Arthur Askew, Albert Perkins, and Joe Gillmore.

## Six Associate Directors Are Named By C. C.

Six associates were named to the Chamber of Commerce directors this week and two more remain to be selected. Each associate director was granted full voting powers and will be the active head of the various departments of chamber of commerce activities.

Ray Morrison of the St. Clair Stores was selected as chairman of the Retail Merchants division. Lee Pool will head the Membership and Finance activities, Pat Bobo will be chairman of the Transportation Department.

Onard Upton of the National Alfalfa Mills will direct activities designed to increase the wholesale trade of this area. John McFarland of King Bros. was named head of the Agriculture division and Ray Griffiths will be chairman of the Industrial Department.

All of the department heads had been appointed by the Executive board and contacted by chamber officials prior to the meeting. Each had manifested definite interest in the work assigned him and each is expected to name his committee of co-workers shortly.

Introduction of the associate directors was the highlight of the regular monthly meeting of the board which was attended by a score of officers, directors and interested members.

Four major projects were given approval for immediate action in various fields of endeavor. These included adoption of the Community Clinic idea for developing a long-range program of work, a retail trade promotion, presentation of a conservation speaker, and authorization to start planning and drafting a Christmas program.

## Football Boys Given Pass To Thorpe Film

Football boys of Muleshoe were admitted free to see the film depicting the career of Jim Thorpe, football and various other sports great about 1912. Few knew about it, however, Mrs. Hertha Walker, manager of the Valley theatre where the film was shown, for she failed to get them notified. The film brought out many astounding things about this most versatile great sports star in American history.

## Water District Vote Sept. 29

### First Bale Nets Producer Nearly \$600 Including Business Men Bonus

### Trustees Explain Band Situation

Members of the board of trustees of the Muleshoe Independent School district this week asked the Journal to explain the reasons why the band was not being carried by bus to out-of-town games except conference games. Jack Lenderson, president, said the board regretted they could not send the band to the other games but their transportation budget could not allow it.

Last year the transportation expenses amounted to \$9,000 more than the budget allowed. This year the transportation will have to stay within the budget because the school will have several thousand dollars less local funds this year than last because of a higher economic index as set up under the Gilmer-Aikin Bill.

Money for the bus trips must come from somewhere, and in order to meet the expenses a higher tax would be necessary. Mr. Lenderson said. The state only allows the bare minimum for transporting students to and from school and does not provide for trips made by school groups.

One member of the board pointed out under this system the home band has the entire interest during the half-time intermission and there is no split interests by short performances of the two bands.

### Quarterbacks To Meet Fridays

Jim Burkhead was elected president of the Muleshoe Quarterback Club at its recent organization meeting. Other officers are W. Q. Casey, vice-president and Clyde Holt, secretary and treasurer.

The club has for its purposes the support and cooperation with the Muleshoe high school football team. They provide a meal for the boys following each game.

The Quarterbackers will meet Friday of each week at noon in the dining room of Gerald's Cafe.

Muleshoe business men paid Alex Reid, Baileyboro community, a cash bonus of \$400 for producing the first bale of the 1951 cotton crop in Bailey County. The bale was bought by Jones Farm Store at 35.75, bringing Mr. Reid \$162.66.

The grower received \$562.66 for the 455 pound bale, exclusive of the free ginning and baling contributed by Shafer & McDonald gin, and the price he received for the seed. All told, this first bale harvested in Bailey County from the current crop brought its grower more than \$600.

The Muleshoe Chamber of Commerce was the promoter of the auction sale of the bale Saturday. Lewis Shafer of the ginning company arranged for various bids on the bale. A. S. Stovall graded it before the auction and Kenneth Bozeman, the auctioneer, conducted the auction sale. The following firms turned in bids, contributing to the bonus: **Business Firms And Individual Donors Are Listed**

Muleshoe State Bank, Cobb's Department Store, Muleshoe Motor Co., Ray Griffiths & Sons, Johnson-Pool Tire & Appliance King Bros. Grain & Seed, Willson-Sanders Lumber, C. & H. Chevrolet, St. Clair Department & Variety Stores, Arnold Morris Auto Fry & Cox Bros., Piggly Wiggly Cashway Grocery, Bill Moore (Muleshoe Elevator), E. R. Har Company, Glibreath Grain & Seed Co., Johnson & Nix, Muleshoe Implement, Hicks Tractor Co., Heathington Lumber, Muleshoe Liquefied Gas, Hurst Service Station, Gulf Oil Co., Evans Oil Co., Charles L. Lenau Lumber, Goss Conoco Station, Muleshoe Automobile, D. H. Sneed Supply Co., Pool Insurance Agency, Covin Motor, Workman Lumber, Cow Drive-In Theatre, Harner Appliance, Berry Electric, C. D. Guppton, Marlon F. Harris, Wiedebush & Childers, Bass Firestone Store, Dyer Hardware & Furniture, Benton Food, Lambert Cleaners, Sikes Motor Co., Bob's Service Station.

Muleshoe Food Market, C. L. Dyer Real Estate, Nelson & Vaughn Service Station, Nickels, Gin, S. E. Cone Grain & Seed Co., Muleshoe Journal, Production Credit Ass'n., Clyde A. Bray Real Estate, Muleshoe Cafe, Higginbotham-Bartlett Lumber, Johnson Furniture, Shafer & McDonald Gin, W. Q. Casey, City Cleaners, F. W. Shafer, W. L. Shafer.

### County Fair Is October 5 & 6

The annual two day Bailey County Fair will be held Friday and Saturday, October 4 and 5, but all booths and exhibitions must be ready by Thursday night, Ed White of the Fair Association said. He said an open class for all comers to show their prize hogs is expected to bring out some of those fathers who have been telling their club members sons how to do it the last several years. The adults will show their own animals.

The Seaboat Carnival has been engaged to show here two days. The show will feature the same rides and concessions they had in the Round Up here recently with one additional ride.

The Journal last week printed some of the rules governing the livestock department and below there is published the rules and regulations of the Home Arts Department.

1. This department will be open to receive entries Oct. 4, at 9 a. m. to 1 p. m.

2. Judging will begin at 1 p. m. Thursday afternoon.

3. All articles entered for prizes must be the work of the exhibitor.

4. Entries on which premiums were awarded in previous years will not be entered.

5. This department will close at 7 p. m. Oct. 6, and exhibitors may call for their articles between 7 and 9 o'clock.

6. A person can have no more than two entries in any one class.

**Division 1, Leathercraft**

4 classes: tool bags, tool bags, tool bags, tool bags.

**Division 2, Ceramics**

5 classes: Lamps, figurines, ash trays, lamps, and miscellaneous.

**Division 3, Metal Craft**

4 classes: Copper trays copper pictures, aluminum trays, aluminum pictures.

**Division 4, Textiles**

9 classes: Embroidery, buffet set, handkerchiefs, luncheon sets, pillow cases, table cloth, tea towels, towels, vanity set.

**Cut Work**

4 classes: Buffet set, luncheon set, pillow cases, table cloth.

**Applique**

6 classes: Curtains, dresser scarf, luncheon set, pillow cases, tea towels, vanity set.

**Knitting**

4 classes: Afghan, sweater, child's sweater, child's coat.

**Crochet**

6 classes: Afghan, bath mat, hand bag, luncheon set, table cloth, shawl.

**Quilts, Spreads, and Comforts**

8 classes: Comfort, feather filled, comfort wool filled, applique bedspread, chenille bedspread.

(Continued on Page 7)

### Conservation Meeting Friday

Conservation on the South Plains will be discussed here Friday night when the Muleshoe Chamber of Commerce presents O. F. Armstrong of Houston in a special program at the District Courtroom at 8 o'clock.

Armstrong is state representative of the Friends of Texas Conservation, a non-profit organization that is spending much time and money to promote interest in the conservation of all of Texas natural resources.

An official of the Second National Bank of Houston, Armstrong is considered to be one of the best informed and most capable of public speakers. His talks are enthusiastically received wherever he appears, due in large measure to the fact that he does not confine himself to soil conservation alone, but includes water, wildlife, woodland, and other subjects.

Armstrong's appearance in Muleshoe Friday night will be the last of three speaking engagements he has made on the Plains this week. He appeared Wednesday at the Lions Club in Hereford, Thursday he spoke to a meeting in Friona and following his talk here, he will leave for Houston.

John McFarland, chairman of the chamber's Agriculture Department has contacted heads of the governmental various agencies interested in conservation regarding the program Friday night. All have expressed keen interest and enthusiasm over the prospects of having Armstrong make a personal appearance here. "Right now many of these agencies are conducting extensive conservation programs," McFarland said, "and they feel that Mr. Armstrong will do much to create new interest in this phase of agriculture."

The meeting Friday night will be the second project the newly organized chamber of commerce has promoted in the interests of improved agriculture for Bailey County. Last week the chamber assisted in promoting and arranging the presentation of the bonus given for the first bale of cotton that was won by Alex Reid of Baileyboro.

"Our agricultural activities will be of a continuing nature," Myron Pool, Jr., chamber of commerce president pointed out. "With so many phases of agricultural economy in Bailey County and with so many different programs being conducted by the various governmental agencies, we shall do our best to develop an overall program that will be impartial in its nature, and of lasting benefit to the community."

From all indications a packed auditorium will be on hand to greet Mr. Armstrong at 8 o'clock Friday night.

### Sneed Supply Co. Displays New Ferguson "30"

D. H. Sneed of the D. H. Sneed Supply Co. is this week announcing the new Ferguson "30", the latest model tractor to be produced by Harry Ferguson, Inc. This new tractor is designed for four-row equipment whereas the previous models were only designed for two rows. The engine of the new model now develops 20 per cent more horsepower and the heavier and stronger clearing gives greater durability and longer rear-end life.

Other major improvements include better lubrication, a new air-fuel system, and an improved hydraulic system. This tractor is now on display in the show room of the D. H. Sneed Supply Co. located on the Plainview highway. Mr. Sneed said the tractor has only increased a few dollars in cost and has these many added advantages.

### Lions And Rotary Clubs Programs Feature Talks Favoring Water Dist.

Members of the Muleshoe Lions Club and of the Rotary Club this week heard programs based on the coming election to decide on the creation of a Plains underground water district.

Rotarians and their guests Tuesday were urged to inform themselves upon the facts concerning the creation of High Plains Underground Water District No. 1, decision as to which will be reached in the election scheduled for Saturday, September 29. Jesse Osborn, Muleshoe banker who is temporary director of the district to conduct the election, and Homer Sanders, Sr., emphasized the reasons why everyone should interest himself in this important election. Both have studied the Plains water situation for many years and they had facts and figures to point up their talks.

Mr. Sanders addressed the Lions Club at its noon luncheon Wednesday on the subject and again urged Muleshoe people to inform themselves and take an interest in the forthcoming election.

Mr. Osborn pointed out that there is nothing in the law under which the district would be organized that would authorize the board of directors to regulate anyone. This is not the purpose of the district; the purpose is to keep control of the Plains water in local hands and not let it go to the State; and to educate the people in water conservation and to conduct experiments in an effort to get more rain water that falls back into the ground.

He presented charts showing the course of the water level over the last few years; anyone viewing this chart likely would agree quickly that some sort of conservation program is necessary. In one county, the speaker said, the water level is 27 feet below where it was found when irrigation was begun several years ago. "Our water is just like our bank account; if we draw out too much we won't have any left," Mr. Osborn said. He advised those present to confer with others to help stimulate interest in the election.

**Tax Provision Explained**  
The district would be empowered to impose a tax of 5 cents on the \$100 valuation; Mr. Osborn doesn't believe this will be done any time soon, instead he predicted that 1 cent or 2 cents on the \$100 of county valuation for tax purposes would be sufficient for quite awhile. This would be spent in purely administrative expenses; in education, and in experimentation. For instance, he thought it might be feasible to dam up some of the draws and thus help the process by which rain water gets back into the irrigation water sands.

"The city man has every bit as much at stake in seeing that conservation methods are adopted as the farm operator. If our water plays out, your property won't be worth 50 cents on the dollar," the director declared.

The speakers were introduced by John McDonald, who was in charge of the program. Other guests included Rotarian Paul Amarillo; Jeff Peeler, Minister Ebb Randol, and Lee Pool, all of Muleshoe.

Mr. Peeler reminded the group of the vote the coming Saturday on the proposed \$12,000 school paving bond issue.

### Community Problems To Be Studied In Chamber Of Commerce Clinics

Community problems and improvements will be studied and discussed during a series of meetings to be conducted by the Muleshoe Chamber of Commerce in the near future.

The plan, known as a Community Clinic, will be a definite attempt by chamber officials to draft a program of work that will meet the most urgent needs of the greatest number of citizens in Muleshoe and Bailey County.

"In this clinic we shall attempt to sound out public opinions and draw up a program that will be debated by the majority of people in the Muleshoe trade area," President W. M. Pool, Jr. explained. "The old opportunist method, through its lack of planning failed to produce lasting benefits. In a growing community like ours, we need the benefit of long-range straight forward thinking to provide for future growth and development. Cooperation and suggestions from scores of people will conserve our financial and manpower resources, and assure us a program that will satisfy public demand."

Preliminary plans authorized by chamber officials this week call for over a dozen meetings, five in various communities in Bailey County and the others in Muleshoe.

Dates will soon be announced for meetings at Bula, Three Way, Needmore, West Camp and Y. L. Residents of Enochs will be asked to meet with the folks at Bula; invitations to attend the Three Way meeting will be sent to families at Goodland, Maple, and Stegall; and the Needmore meeting will include Baileyboro, Circleback and Longview citizens.

Interesting speakers and experienced leaders of group discussions will attend each meeting to headline a program that will include a free moving picture and refreshments.

The meeting in Muleshoe will be composed of smaller groups and as a rule will be held during the day, with a few evening meetings to accommodate those unable to attend otherwise.

Among the organized groups to be included in the city meetings will be the County Commissioners, City Council, PTA's Service Clubs, Ministers and the School Board.

## JayCees Back School Paving

Unqualified endorsement of the proposal to issue school district bonds in the sum of \$12,000 and the decision to support the proposal 100 per cent was announced by the Muleshoe Junior Chamber of Commerce following their Monday night meeting.

Tottie Middlebrook, president, said his organization's members present at the meeting not only were for the bond issue but they would work in its behalf; and would urge a full turnout of the voters throughout the district.

He made public the following letter to the voters:

To The Voters of the Muleshoe Independent School District:  
An important bond election has been ordered by the School Board for Saturday, September 22, to determine whether or not the streets adjacent to our school buildings shall be paved.

The Muleshoe Junior Chamber of Commerce strongly urges you to vote in this election, so that the final decision will represent the majority opinion of the taxpayers.

In casting your ballot Saturday,

we ask that you take into consideration the following reasons why

### THIS BOND ISSUE SHOULD BE APPROVED

1. Our school district has spent hundreds of thousands of dollars building and improving our school facilities. This investment should be protected by the construction of hard surface streets on all thoroughfares adjacent to the property.

2. The \$12,000.00 bond issue is ALL that is required to furnish this valuable improvement to our property.

3. This amount of money can be raised with NO INCREASE IN TAXES.

4. All of these streets carry more heavy traffic than any other city-maintained streets. By paving, we shall decrease the cost of maintenance and repair.

5. Paved streets will speed the flow of traffic during periods of special attractions such as football games, graduations and many others, and can well prove to be a great safety factor in

case of emergency.

6. Citizens of Muleshoe are carrying on an extensive paving program. They have always cooperated to the fullest to provide good farm roads. We can now cooperate to provide good paved streets, unmarred by ugly gaps around school property.

We, the JayCees of Muleshoe, feel that once you have taken the above factors into consideration that you will want to

APPROVE THE BOND ISSUE, SATURDAY

But regardless how you vote, be sure to cast your ballot. Yours for a better Bailey County, Muleshoe Junior Chamber of Commerce

### Study Club Has Begun Year's Work

The Muleshoe Study Club opened the first meeting of the year with a covered dish luncheon in the home of Mrs. M. F. Green with Mrs. Irvin St. Clair as co-hostess.

The table was decorated with beautiful crochet lace runners and centered with an unique arrangement of asters and laden with delicious food.

The Club president, Mrs. St. Clair, introduced the guests and

welcomed club members. Mrs. M. F. Green, vice president, gave a blueprint for the year's program: the course of study to be "Ten Commandments for Youth."

Those attending were: guests, Mrs. Benny Chapman, who is president of the Junior Study Club, and Mrs. C. W. Grandy; and the members, Mesdames Ray Keeling, Charles Lenau, John Watson, Harold King, Houston Hart, Clifton Griffiths, Marion Harris, Lee Pool, Homer Sanders, Jr., Milton Forbes, Vance Waggon, Julian Lenau, A. E. Lewis, G. O. Jennings, Jack Holland, A. J. Gardner, E. R. Hart, Buck

### GROUP ATTENDING JAMES FAMILY REUNION Thirty-eight Attended J. N. James Family Reunion, First In 30 Years

The family of Mr. and Mrs. J. N. James gathered at their home Sunday, September 9, 1951, for a reunion which was the first one in thirty years. It also was a celebration of Mrs. James' 73rd birthday on September 8.

Mr. and Mrs. James are the parents of nine children, and all were present excepting D. F. James of Ashland, Ore. Present were two sons, O. D. James, of San Jose, Calif., and T. H. James of Portland, Ore. and wife; and the daughters and husbands, Mr. and Mrs. Fred Watson, Texarkana, Mr. and Mrs. G. H. Hawkins, Lubbock, Mr. and Mrs. J. A. Akens, Mr. and Mrs. L. E. Testerman, Mr. and Mrs. H. F. Dyck, all of Muleshoe, Texas, and Mrs. Jessie Crouch of Paducah, Texas.

Grandchildren attending were: Mr. and Mrs. Roy Kyle, Mr. and Mrs. M. C. Kyle, of Fort Worth, Mr. and Mrs. Bill Jannin, Matarador, Delores Kent and Etta Dyck, Muleshoe; Barbara, Carol, and J. L. Hawkins, of Lubbock, Cary Crouch, Paducah, David Watson, Texarkana, and the following great grandchildren attended: Darlene, Roy L., Patricia Ann Kyle of Fort Worth, and Ann Kent, of Muleshoe.

Mrs. James' sister, Mrs. Dora Marsh of Lubbock, and a sister-in-law, Mrs. John Perry, and a nephew, Mr. and Mrs. J. C. Findley of Amarillo and a friend, Red Garrett, of Muleshoe.

Wood, Buck RaRgsdale, and the hostesses, Mrs. Green and Mrs. St. Clair.

### Miss Sanders At Wallpaper School

HOUSTON, Sept. 17 — Miss Shelton Sanders of Willson-Sanders Lumber Co., Muleshoe, attended the third annual National Wallpaper Training Institute being held at the University of Houston September 3-7.

Approximately a hundred men and women in the paint and wallpaper business attended the meetings, James C. Taylor, executive advisor for the institute, said.

Activities included workshops, demonstrations, lectures, and films covering topics such as displays, trends in wallpaper, how to sell wallpaper, basic colors, furniture and wallpaper, and period furniture.

Monday meetings were held at the Rice Hotel and the remaining activities took place on the University campus, Mr. Taylor said.

For those who have attended the conference in the past, advanced classes were held, Mr. Taylor added.

### West Camp Club Met September 12

The West Camp Club met in the home of Mrs. Willie Williams Wednesday, Sept. 12, with ten members, a new member, and two visitors present. Roll call was answered by "My Hobby."

In the absence of the president and secretary, Mrs. Austin Jones, vice-president, conducted a business session with Mrs. Elmer Hargrove acting as secretary. The remaining time was spent in recreation with each lady present commenting she had spent an enjoyable afternoon.

A lovely refreshment plate of ice cream and cake was served

### PTA Community Party Is Given At Three Way

The Three Way P. T. A. gave a community progressive 42 party last Monday evening, Sept. 10, in the school gym. Mrs. Krebs and Mr. Ford won prizes for having the highest scores. Everyone had fun and enjoyed the refreshments of cake and coffee.

Those present were: Messrs. and Mesdames George Tyson, M. L. Buie, Jack Lowe, Horace Mills, Odell McCoy, Irby Smith, A. L. Harding, F. E. Knox, Johnnie Wheeler, Amos Sedgwick, H. E. Baker, John Gunter, Cass Stegall, Neal Smith, Roy Tunnell, Thurl Lemons, K. K. Krebs, W. P. Parker, Roland Shepard, Welton Green, W. P. Simpson, Frank Griffith, M. F. Ford, Bob Kendle, and Joe Smith.

by the hostess to Mesdames Orvil Pair, Pershing Busbice, Johnnie Williams, Guy Austin, Ernest Hughes, Partin Austin, Seaborn Busbice, T. L. Pond, Austin Jones, Elmer Hargrove, Otis Thompson, and Evert Smith.

The next meeting will be in the home of Mrs. Bert Williams, Sept. 25.

### Summer Workers Should Preserve Their SS Cards

Students giving up summer jobs to return to school should get their social security account number cards in a safe place until they are needed again. This is the advice of John G. Hutton,

manager of the Lubbock social security office.

The card and number used this will be the same one used for the balance of the individual's working life. Next summer, or during the Christmas holidays, the student asking for a job will again be requested by any possible employer to show his social security number. Many employers will not hire unless the number accompanies the work application.

A lost or misplaced account

### Show In Dallas

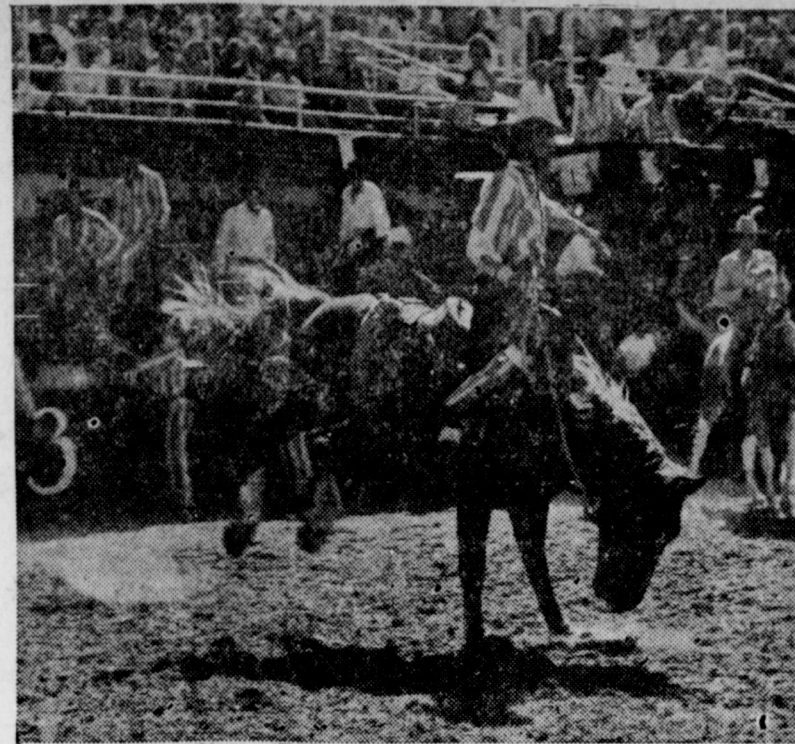

McBride Brothers of Muleshoe will exhibit five Hampshire hogs in the swine show at the 1951 State Fair of Texas, Dallas, Oct. 6 to 21.

The swine show is set for Oct. 6 to 14, with Hampshire judging on Oct. 9 for \$1,248 in premiums. In all swine exhibitors will receive \$11,175 at this year's State Fair.

number card may mean delay in going to work and could mean the loss of a job opportunity. Our office can replace lost cards but it takes time. The account number card should be safe-year, for perhaps the first time, guarded and shown to each new employer on the day the employee starts work. Correct benefit payments at old age or at death depend entirely on correct reporting of the name, account number and wages by every employer.

A representative of the Lubbock social security office will be in Muleshoe, at the U. S. Post Office at 9:30 a. m. on Wednesday, September 26, to assist persons who wish to file claims for benefits and to give information regarding the new social security law.

### EASY RIDIN'

Only the toughest riders could make it look this easy on the rough stock used at the 20th Annual Texas Prison Rodeo but they do it every Sunday in October in Prison Stadium at Huntsville.

### Hicks Gilt Wins County Champion

Gary Ray Hicks showed the Bailey County champion Poland China gilt in the annual gilt show held here Saturday. The two vocational agriculture instructors and another swine breeder acted as judges.

- Other boys placed their gilts as follows:
2. Donald Nash.
  3. Bobby Black.
  4. Ronnie Dulin.
  5. Larry Hicks.
  6. Jackie Dulin.
  7. Bob Carpenter.
  8. Wayne Sexton.

### Lazbuddie Wins Over Pettit

The Lazbuddie Longhorns defeated the Pettit Eagles Thursday night to remain unbeaten this football season. The Longhorns kicked off to the Eagles but on the second play of the ball game got control of the ball. The Longhorns scored on a long pass from Shan Foster to Wayne Clark and an end run by Paul Jesko.

Lazbuddie kicked off again, but gained possession of the ball and Don McDonald scored on a line plunge. Pettit then sharpened their defense and held Lazbuddie scoreless for the rest of the first half.

Just before the end of the first half Pettie scored. Lazbuddie received to start off the second half but lost the ball on a fumble. Pettie scored.

Pettit kicked and Lazbuddie received. Shan Foster scored on a quarterback sneak to lead 19 to 13. The Pettit Eagles then scored a touchdown in the fourth quarter to tie up the ball game. Five minutes before the end of the game Lazbuddie again scored to lead the game by 6 points.

Lazbuddie kicked and the Eagles received but lost possession of the ball and the game ended with the ball in Lazbuddie's possession.

Lazbuddie plays the Three Way Eagles Friday afternoon at 5 o'clock. The game will be held at Lazbuddie. A good crowd is expected.

### PRE-INDUCTION PHYSICALS NO BAR TO ENLISTMENT

The Navy Recruiting Station, Clovis, N. M., has announced that all men who have received their pre-induction physical examination can still enlist in the U. S. Navy. They can enlist until they receive their call for induction, officials advise.

"If you are in this group," the communication said, "check now with your Navy recruiter and see what he has to offer you." Address U. S. Navy Recruiting Station, Clovis, N. M., located in the basement of the Post Office building.

If you have two years of college you are eligible for naval cadet program. "Let's Go Navy."

Paper Supplies of all kinds at the Journal office. Phone 54.

### Football Champ To Be Decided At Tech Saturday

LUBBOCK, Sept. 17 — Unofficial football championship of the South Plains will be at stake when West Texas State and Texas Tech tangle in Lubbock Saturday night.

Besides being Tech's opener for 1951, it will also be the debut for a brand new Red Raider coaching staff headed by DeWitt Weaver. Weaver, former Tennessee guard, coached at Tulsa University last season.

West Texas bowed to Trinity 19-7 Saturday night, but Weaver found no encouragement in the fact. He figures that West Texas was thinking more of its game with Texas Tech, a natural rival. Too, West Texas also lost to Trinity last year but won the Border Conference championship, trampling Tech 28-13 in the process.

Wide-open ball is in prospect. Tech moves from the explosive split-T. This form of razzle-dazzle, Weaver believes will lead to Tech touchdowns in every game but may also backfire frequently. It depends largely upon multiple laterals.

A more or less veteran offensive starting eleven using nine 1950 lettermen will be fielded by Tech. But the outweighed Red Raiders are banking on Freshmen in their defensive set-up.

Tech's All-America candidate, tackle Jerrell Price of Brownfield, is slated for both offensive and defensive duties. Junior Arterburn of Ranger will quarterback Tech.

Coach Frank Kimbrough's Buffs, built around 26 lettermen, will run the winged-T offensive that gave them the Sun Bowl title in January.

### Blaylock Writes From Japan Base

An interesting letter from Pvt. Gordon L. Blaylock has come to his parents, Mr. and Mrs. Ottis Blaylock, from far off Japan, where Gordon is soldiering. He writes:

Dear Mom & Dad:  
I am now at the Ito Jima Specialist School. I am going to study refrigeration mechanics.

We are on an island about 20 miles wide and 50 long. It is on the south end of Japan. The School is to be about four weeks in length. After we finish here we are supposed to be stationed permanently somewhere in Japan. If I am, I will be here for two years.

The island we are on used to be a Jap naval base. If you didn't know where it was, you would think it was a place in the U. S. We are in a big store building, it holds about 3,000 men. Everything over here is cheaper than you would have to pay

at home. Just as soon as they will let us have a pass, I am going to buy something to send home. The Japanese money is in yens; it takes 36 yen to make a dollar. We use Army money on the post and yen outside.

My arm is still stiff (he has had an injury) so if you have trouble reading my writing you will just have to wait until it limbers up to get a letter that is more readable and longer, Love, Gordon

Gordon's friends who wish to write to him may address him like this: Pvt. Gordon L. Blaylock, RA 18389773, Co. E, Ito Jima Specialist School, 809th. A. U. APO 354, care Postmaster, San Francisco, Calif.

### VISIT LOS ANGELES

Joe Bill and Lloyd Alsop have returned from a visit in Los Angeles, Calif., with relatives and friends, during which they saw much of Southern California.

George Hicks, Ford tractor dealer of Muleshoe, is among this group of 54 Texas Ford tractor dealers and executives of The Stewart Company, of Dallas, world's largest distributors of Ford tractors, and sponsors of this special American Airplane junket, on Sept. 2-5, to the tractor production plants of Detroit, Michigan. The idea was to give the dealers first-hand knowledge of the products they sell from day to day.

## Area Methodists Prepare For Mighty United Evangelistic Mission

By Rev. Carrol M. Jones  
Pastor Progress Methodist Church

You may observe unusual activity in and about the Methodist Churches of the Muleshoe vicinity in the coming two months. If so, it is likely that preparation is being made to climax the Advance For Christ And His Church in an evangelistic effort commensurate with the need.

In 1948 the General Conference of the Methodist Church adopted a four year program of activity known as the Advance For Christ And His Church. The first year emphasized Our Faith; the second Our Church; the third Our Ministry. The closing year emphasizes Our Mission evangelism.

Texas Methodists are planning to do their part in blanketing this state with a United Evangelistic Mission. October 5-14 will find the pastors and district superintendents of the Dallas-Ft. Worth Area as "guest" preachers and visitation directors in the Houston Area. October 27-November 4 will find the pastors and superintendents of the Houston Area in a "reciprocal" mission in the Churches of the Dallas-Ft. Worth Area. Almost every Methodist pastor in Texas will be "on the move" in this gigantic undertaking.

Most of the pastors of the Amarillo District have received assignments in the deep southwest, from San Angelo to Del Rio. Specific assignments for local Methodist ministers together with their guest pastor's name will be announced soon.

In each administrative district the Mission will follow this pattern: Pastors will meet their guest preachers on the Friday afternoon that begins each Area Mission in an inspirational, get-acquainted kickoff meeting. Saturday evening features a great, district-wide youth rally. Sunday morning services mark the beginning of the preaching endeavor with guest pastors in the pulpits. Sunday afternoon a visitation campaign conducted by laymen will be inaugurated in each charge. On the second Saturday guest pastors return to their charges and local pastors take over.

Climaxing the Mission a huge mass meeting will be held in each district to hear final reports and an "invitation" to Christian discipleship. The final service of the campaign will be held in each Church Sunday evening

## Methodists Of Muleshoe Join In Mission Drive

Muleshoe Methodist Church is cooperating in the Texas United Evangelistic Mission. Rev. H. W. Hanks, pastor, announced this week.

This statewide activity, which will be carried simultaneously in each of the Methodist churches in Texas, is under the general chairmanship of Bishop William C. Martin of the Dallas - Fort Worth area, Bishop A. Frank Smith of the Houston area and Bishop Robert N. Brooks of the New Orleans area.

Rev. Dawson Bryan of Houston and Rev. Leslie Ross of Nashville, Tenn., are executive co-chairmen of the Houston area; and Rev. Joe Edwards, both of Nashville, are co-chairmen of the Dallas-Ft. Worth area, and Rev. J. W. Golden of Memphis, of the New Orleans area, Central Jurisdiction.

Committees from the local Methodist church have been named to assist the Rev. Mr. Hanks in the various phases of the campaign.

The Dallas-Ft. Worth area and the West Texas Conference will hold their activities Oct. 26 to Nov. 4. The Rev. Mr. Anderson of Del Rio will lead the campaign in the Muleshoe Methodist church.

## Adult Education Classes Announced

The Homemaking Dept. at the high school is offering adult education classes to the public. The classes will begin Oct. 1 and will meet once a week from 1:00 p. m. to 4:00. Anyone interested in these classes please contact Mrs. Doris Johnson or Mrs. Wanda Newsom.

A few of the classes to be taught are leathercraft, beginners sewing, aluminum work, ceramics, demonstration and complete instructions on sewing machine attachments.

All pre-school children will be cared for at the school.

## Lazbuddie WSCS Meets Thursdays

The Lazbuddie Women's Society of Christian Service meets Thursday of each week at 2:30 at the church with all phases of the work going along very nicely. All members and all ladies of the community are urged to attend the study classes which are to begin Sept. 27.

Mrs. C. D. Gustin will be in charge of the first study, "Latin America," that will be given in four sessions. This is a most interesting topic as we all want to know more about the facts, customs, and ways of the Latin American people and their country.

The programs from the new program books are also very interesting and will prove helpful to all who will attend.

Mrs. H. L. Ivy will be in charge of the second study, "The Book of Acts," and we all must know how interesting this is going to be. Date for this will be announced later, so friends, we welcome you.

STAPLERS and staples for many machines on tap at The Journal office. Phone 54.

## Mrs. St. Clair Is HD Club Hostess

Mrs. Dave St. Clair read "As the Twig Is Bent" for the opening exercise for the Muleshoe HD Club Tuesday, September 11, in the home of Mrs. A. D. Stancell.

Mrs. S. C. Caldwell gave a report of the state meeting held at College Station in August. Mrs. Leon Julian was elected to attend the Civil Defense training school in Lubbock Monday, Sept. 17 through the 21.

Miss McClurkin gave a lecture on landscaping.

Several met Thursday, Sept. 14, in Mrs. Juanita Jarman's home to finish their china paintings.

The demonstration at the next meeting will be rosebud corsages made of ribbon, also corsages made from nylon hose. Refreshments were served by the hostess to one visitor, Mrs. Walter Witte, the county HD Agent, Miss McClurkin, and the following members:

Mesdames R. F. Wright, Roy Carney, C. D. Julian, S. C. Caldwell, Don Bruns, E. E. Marrs, Lee A. W. Copley, Dave St. Clair, E. Holland, Dave Coulter, C. H. Gillis, Olen Dutton, C. E. Briscoe, T. F. Maddox, Dave Aylesworth, and a new member, Mrs. M. E. Simmons.

Next meeting will be Tuesday, Sept. 25 at 2:30 p. m. in the home of Mrs. R. F. Wright.

## FROST STOPS GROWTH OF SOME PLANTS

An early frost probably stopped growth of some plants in the area. Frost was noted Sunday and Monday mornings. Official temperature here Sunday morning was 35 degrees, 36 degrees Monday morning.

Several told the Journal that green beans, tomatoes, and other vegetable plants showed some effect of the frost. Others said leaves on their sorghum grain stalks were wilted. G. T. Maltby, who resides west of Muleshoe, said his thermometer registered a low of 33, and one of his neighbors said he noted a thin skin of ice on two mornings. The frost occurred at the middle of September, earlier than for many years.

## McWHORTERS SHOW THEIR DAHLIAS AT LUBBOCK

Mr. and Mrs. J. E. McWhorter had a table display of dahlias at the annual dahlia show sponsored by the South Plains Dahlia Society at the Kuykendall Chevrolet building in Lubbock Saturday. Many new varieties of dahlias from one inch in pots to 12 inches in cultural were shown.

McWhorters have over 500 plants of 120 varieties of dahlias. These are in bloom now at their shop and at the field two miles west of Muleshoe on the Clovis highway near the Hiway Grocery.

SUBSCRIBE to The Journal and quit borrowing your neighbor's paper. Only \$2 a year in the immediate territory.

**ARE WE GOING WITH THE WIND?**

WELL, DOCTOR, WHAT'S THE LATEST?" we asked as we washed a check for our family physician.  
"It's a busy time," he replied wearily. "Two cases of dust pneumonia out near the gyp hill. One of them, the mother of five children, can hardly be expected to pull through. The other is a baby."  
"Too bad there isn't some method of vaccination," we thought. And then we remembered something that Ernest Teffort said last fall:  
"Vaccinate your fields against erosion and you will protect your own property from deterioration, your children from poverty, and your grandchildren from starvation."  
If an ounce of preventive is worth a pound of cure, then there is a ton of opportunity for this community to correct some of the evils which accompany misuse of natural resources, of which dust pneumonia is only one.  
As a banker, we believe that money invested in a project tending to preserve the balance of nature will increase the happiness, health, and prosperity of our friends and neighbors, and is money well spent

"I got the story on  
**50,000 Miles-No Wear**  
and changed to New Conoco Super Motor Oil"

says E. M. Markl, Sr.  
Buick Dealer  
Kansas City, Kansas

**"50,000 Miles-No Wear!" Proved Here:**  
After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence. In fact, an average of less than one-one-thousandth inch on cylinders and crank shafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

**GARAGE MANAGER**  
"A mechanic dreams of working on a clean engine," says Lewis Stoddart, Garage Manager, Blackfoot, Idaho. "My dream came true when customers started using new Conoco Super. It cut down trouble, but I'm a loyal booster of Conoco Super."

**RANCHER**  
"I'm sure that you converted me to the '50,000 Miles—No Wear' oil," writes Albert E. Lentz, Rancher, Delta, Colorado. "I really battled my Mercury over the highway on a recent trip, and all I could hear was a motor purring like a kitten."

# Miss Jayne Damron and Mr. James O'Quinn Exchange Vows

Miss Frances Jayne Damron, daughter of Mr. and Mrs. Joe Sam Damron, of Muleshoe, and Mr. James O'Quinn Reese, son of Mr. and Mrs. A. L. Reese, of Comanche, were married Friday night in a double ring ceremony at the First Baptist Church of Muleshoe, with Rev. F. B. Hamilton of Fort Worth officiating.

Mrs. John W. Smith attended her sister as matron of honor. Bridesmaids were Daria Hawkins of Oklahoma City, Vernice Thompson of Seminole, Okla., and Mrs. Bill Goad of Plains, Texas.

Kenneth Froh of Comanche was best man. Ushers were Orin Newman of Brownwood, Sam Damron, brother of the bride, of Muleshoe, and John W. Smith, brother-in-law of the bride, of Muleshoe.

The ring bearer was Gary Stephen Smith, nephew of the bride. The vows were exchanged under an altar of pink tapers, fern trees and tropical greenery, decorated with pink and purple asters.

Mrs. Sam Damron, organist, played the traditional wedding marches, also, Romance by Rubenstein; Traumerl by Schumann; Because, by D'Hardelet; and Arlosa, by Bach.

As the bride reached the altar on the arm of her father, the groom sang "Always."

The bride's formal wedding gown was an original model of imported Chantilly lace and net over satin. Fashioned with high queen's collar of scalloped lace, the neckline had fluttering sweetheart line with scalloped edge of lace framing the face.

The fitted bodice had long sleeves ending in points over the hands and terminated with a slender point at center front waistline accenting its smallness. From this, stemmed a magnificent skirt with folds of lace over net and satin sweeping into a long and graceful train at the back. Hoops underneath emphasized the skirt's fullness.

Her veil of ivory silk illusion in fingertip length was joined to bonnet type cap of shirred net and lace trimmed with pink and white lilies, tied with narrow satin ribbon.

The attendants' dresses were of satin and net over satin fashioned with strapless bodices of satin with matching stoles; the bustline had pleated folds filled in with ruffles of net and terminated with a point at center front accenting the small waistline. Joining this was an immense net skirt with shirred fullness emphasized by hoops worn underneath. Short white gloves and a noseveiled tied with velvet ribbon and an aster in the hair completed the costume.

The matron of honor's dress was mauve and she carried a cascade bouquet of pink asters. The bridesmaids' dresses were pink and they carried cascade bouquets of purple asters.

The bride's bouquet was a white orchid surrounded by Stephanotis in a shower bouquet tied with a satin ribbon.

A reception was held following the ceremony in the home of the bride's parents. Pink and purple asters decorated the house the table was laid with an imported white linen cloth with a crystal punch bowl at one end and pink candles surrounded by the bridesmaids' bouquets at the other.

In the center of the table was the three-tiered pink cake with orchid decorative mallow roses, topped with a miniature bride and groom. Mrs. Owen Donnahoch of Roswell, N. M., poured punch and Mrs. Vern Thompson, aunt of the bride, cut the cake. Others in the house party were Miss Bill Edd Jones of Muleshoe and Miss Margaret Ann Johnson of Albuquerque, N. M.

Other out of town guests were: Mr. and Mrs. A. L. Reese, Comanche, Texas; Mr. and Mrs. R. L. Brooks, Lubbock, Texas; Mr. and Mrs. Joe Snead, Amarillo, Texas; Mr. Bill Goad, Plains, Texas; Mrs. Irving Hawkins and Martha, Oklahoma City, Mrs. Clarence Goins, Mrs. Allen Bing-

## GARY HICKS AND MARLON INMAN WIN Bailey Youths Take Top Honors In 4-H Sears Lubbock Pig Show

Youths from Bailey County carried away top honors at the South Plains 4-H club Sears pig show held in Lubbock Saturday, county agent J. K. Adams reports.

Gary Ray Hicks, of Muleshoe, showed the champion gilt, a Poland China, and Marlon Inman of Muleshoe exhibited the champion pen of three fat barrows. The fat barrows also were Poland Chinas.

The hogs were judged by Stanley Anderson of the animal husbandry department at Texas Tech. Hogs exhibited were those won previously by the 4-H youths in the Sears Lubbock pig show.

ham and Sharon, of Floydada, Texas; Mrs. Sue Coleman, Portales, N. M.; Mrs. F. B. Hamilton of Fort Worth, Texas; Mrs. Olen Jennings of Littlefield, Texas, Mrs. Dorcas Damron, grandmother of the bride, Seminole, Okla.

The bride's going away suit was of wine gabardine, classic in detail, with the new short coat and full skirt. This was worn with navy blue velvet hat, white gloves, navy shoes and bag. Her corsage was a white orchid.

The newlyweds left for Evansville, Ill., where they will attend Northwestern University. Mrs. Reese is a former student of Baylor University and University of Texas, where she was a member of Alpha Phi Sorority, Panhandle Club, and a blue bonnet belle nominee of 1950. Mrs. Reese will be a senior student in education.

Mr. Reese is a former student of Howard Payne College and a graduate of the University of Texas in radio work. He was a member of the Delta Sigma Phi Fraternity. He will work on his master's degree while attending Northwestern University.

### Lazbuddie News

Mrs. Laura Treider who has been visiting in Slaton, Minnesota, has returned home.

Mr. and Mrs. Chas. Neely of Corpus Christi, are visiting here with their daughter and son-in-law, Mr. and Mrs. R. G. Treider. The Neelys have a new trailer house which is the latest word in compact convenience, what with a living room, kitchen, nook, and 2 bedrooms completely furnished. Built in closets overhead and all around and under the beds gives the Neelys as much closet space as any modern home.

Mr. and Mrs. Treider and girls have returned from a visit in Leota, Kansas. They spent about ten days there with their daughter and son-in-law, Mr. and Mrs. Wesley Krey and daughters. Mr. and Mrs. McCurdy, Mrs. Barnes and Mrs. Raymond Treider are the cooks at Lazbuddie lunch room this year. Mrs. Charleta Treider is waitress.

Clovis El Rancho baseball team played Lazbuddie here Sunday and got a trouncing, 17-3 in favor of Lazbuddie. Max Steinbock was the winning pitcher.

### HOUSE WARMING

The following neighbors met at the new home of the Ernest Nowells Friday, Sept. 14.

Mr. and Mrs. Wyle Bullock and daughter Deborah Ann, Mr. and Mrs. Geo. Johnson, Mr. and Mrs. Glen Scott and daughters Juanita and Carolyn, Mr. and Mrs. Orbin Nowell and girls Betty, Wilma, and Norma of Lubbock, Mr. and Mrs. Walter Hansen and daughters Irene and Lynn, Mr. and Mrs. Deboe Carpenter and children Shirley and James Henry, Mr. and Mrs. Eulan Parham and children Sharon and Terry, Miss Frances Shure, Mr. and Mrs. Jimmie Seaton and children Mr. and Mrs. William Fr Gordon and son Max, Mrs. Chas. Gustin and sons, Mr. and Mrs. Hobbs and children, Mr. and Mrs. T. L. Gleason and Linda, Mr. and Mrs. J. T. Mayfield and children, Mrs. Dixie White, Mr. and Mrs. F. C. Wagoner, Mrs. Nelse McCurdy, Mr. and Mrs. Jack Smith and children, and Jack White. After Mr. and Mrs. Nowell and girls opened and viewed the gifts with the guests, refreshments of cakes, brownies and punch were served by the hostess O. Dell Press, Iva Carpenter.

Max Steinbock played the guitar and sang some hill billy music.

Mr. Emil Steinbock of Los Angeles, Calif. is here visiting in the home of Mr. and Mrs. Rudolph Pyritz.

Mrs. Alma Steinbock has been or the sick list this week.

Mr. and Mrs. Max Miley of Roswell, N. M. were here visiting in the Rhinny Steinbock home Sunday.

Farmers are busy cutting sudan and feed stuff.

## ESA Features Style Show At First Meeting

The first meeting of the year for Epsilon Sigma Alpha was held Wednesday, September 12 in the home of Mrs. Travis Barnett. Mrs. Carroll Howell was co-hostess.

The program consisted of a style show and preview of coming fashions with each member wearing the costume which she thought was the most attractive and most comfortable.

Miss Ann Woodley and Miss Gay Sanders modeled back-to-school clothes and clothes for the young adults were modeled by Miss Gwyneth Bigham.

Refreshments of cake, coffee and cokes were served to the twenty members and guests attending the meeting.

## COMPLIMENTED WITH BREAKFAST IN DAVIS HOME

Miss Eunice Florence of Levelland, bride-elect of Joe Jones of Owensboro, Kentucky, was complimented with a breakfast Sunday morning in the home of Mrs. Snow Davis, assisted by Miss Mildred Davis.

The tables were covered with pastel table cloths and pink and purple asters in floats formed the center pieces. Appointments of china and crystal were used and place cards designated the guests places. Fall cut flowers were other decorations.

A gift was presented to Miss Florence from the group.

Guests attended were: Mesdames J. W. McDermott of Morton, James R. Hobbs, of Lovington, N. M., Charles R. Haie of Monahans, Stella Brunson, Lubbock, Vance Wagoner, Buck Wood, H. D. King, Julian Lenau, Noel Woodley, A. J. Gardner, Charles Lenau, Howard Elliott, and Nell Rocky.

### Hospital News

Mr. and Mrs. Ray L. Benidic of California, injured in a car accident near Earth, are doing fair.

Mary Seales, daughter of Mr. and Mrs. Bert Seales, was in due to an accident and has gone home.

Condition of Mrs. C. S. Otto is fair.

### CONGRATULATIONS TO:

Mr. and Mrs. C. Vandever, on the birth of a son, James Clarence, Sept. 17.

Mr. and Mrs. Harold Wilson, on the birth of a son, Tommy Glenn, Sept. 14.

Mr. and Mrs. John Coleman of Portales on the birth of a son Sept. 19.

Mr. and Mrs. W. O. Burris on the birth of daughter, Sept. 19.

### EXPRESSION RECITAL

Mrs. Horace McAdams will present her expression class in a recital Tuesday night, Sept. 25, at 7:30 o'clock in Fellowship Hall. The public is invited to attend.

## Lady Luck Takes A Hand As Mules Lose To Hereford Whitefaces 13-7

Lady Luck seemed to be taking a hand when the Muleshoe Mules were defeated last Friday night by Hereford's Whitefaces 13-7, after getting an early lead and being the aggressor during the first stages of the game. A Muleshoe fumble and an intercepted pass made the difference after the Mules had scored in the opening minutes on trigger thinking by quarterback Buck Johnson and the leg-work of Robert Waggoner, 155 pound guard.

On the game's second series of plays, Johnson had gone 5 yards before he was hemmed in by the Whiteface herd. But as he was hit, he lateraled off to Waggoner, who fled the rest of the way past the astonished Herefords for a touchdown, the play covering 88 yards. Bill Willis place kicked the extra point and Muleshoe was on top 7 to 0.

Dewayne Burkhead recovered a fumble on the Mules 14 to stop a Hereford scoring threat in the second quarter, then kicked out of danger.

The break came in the third when Bill Rose, Whiteface guard, grabbed a fumble on the Mules' 10. Muleshoe recovered a Hereford fumble and fought out to the 31, where they juggled the ball again and Hereford took over and got a touchdown in 10 plays. A stubborn Mule defense forced Hereford to make 1 foot on their fourth try for the marker.

Muleshoe returned the Here-

ford kick to their 32 and on the first play thereafter Johnson's pass was intercepted by Kelly who raced 42 yards for the touch-down. It was Hereford's second win, Muleshoe's second loss of the young season. Hereford had 10 first downs to 7 for the Mules; gained 202 to the Mules 177 yards by rushing. A great number of fans attended and all praised the fine game the boys played; many thought the boys would have won but for the two bad breaks.

The Mules journey to Crosbyton tomorrow, Friday night for a tussle against Crosbyton high.

## Peeler Chairman Of Polio Chapter

J. V. Peeler, local manager of the Southwestern Public Service Co., has been elected county chairman of the Bailey County Chapter of National Foundation for Infantile Paralysis. Mr. Peeler succeeds A. S. Stovall, who has resigned.

Mr. Peeler announced the appointment of W. Q. Casey to be drive chairman for the 1952 March of Dimes campaign.

Formation of a woman's committee for the county to assist in all phases of the work is expected to become a reality soon. There will be more information on this in the near future.

## Baseball Club Thanks Patrons

The Muleshoe Club of the West Texas-New Mexico Amateur Baseball League has just wound up a most successful season of play, winning second place in the League, finishing behind Springlake, the pennant winner. Championship was decided in a three game series which Springlake won, two to one.

Strot Walker, manager, said he already has secured the services of five more good players to begin next year's campaign. Eight teams are in the league and they play a 14 game schedule.

Mr. Walker expressed his appreciation and thanks to all the fans and to the business men listed below for their financial support:

Gulf Oil Corp., Ernest Kerr, Muleshoe Liquefied Gas, Muleshoe Implement, King Bros., Jones Farm Store, Cross Roads Cafe, Muleshoe Motor, Muleshoe Locker, Fashion Shop, Cobb's Department, Johnson-Pool, Piggly Wiggly, Fry & Cox Bros., City Cleaners.

"Pop" Prather, Lambert Cleaners, Sanders Lumber, E. R. Hart Co., Sam E. Fox, City Motor, Morris Douglass Implement, Consumers Fuel & Supply, Leo Laux Blacksmith, Evans Oil Co., Davis & Lenderson, Johnson & Nix, Wiedebush & Childers, Jones Muleshoe Courts, Heathington Lumber.

Hurst Service Station, Russell

Supply Co., Bay Wilson, Malone Milk Co., A. S. Stovall Cotton, S. E. Cone Grain Elevator, Bovell Motor Supply, Edwards Grain, Rufus Gilbreath Grain & Seed.

## NAZARENE CHURCH REPORTS GOOD SERVICES

The Church of the Nazarene reports the last two weeks revival has been extremely successful. God has done wonders and this week end will be the last if it be Gods will. Come out and hear a message that will bless and stir your soul. Mrs. Wanda Liage is the evangelist.

## MRS. BLAYLOCK'S FATHER DIES AT WELLINGTON

A. B. Hicks, 77, father of Mrs. Otis Blaylock of Muleshoe, passed away at 10:40 a. m. Saturday morning, September 15, in the hospital at Wellington. He was stricken with a heart attack a few hours earlier. Mr. Hicks had lived at Wellington 36 years.

Funeral services were conducted at p. m. Sunday and interment was in Wellington cemetery. Mr. Hicks is survived by all his wife and seven children, all of whom were present for services. Mrs. Blaylock, her husband and children attended the rites Sunday.

## HAVE NEW DAUGHTER

Mrs. Clyde Waggoner returned home Sunday from Austin where she has been visiting with her daughter and son-in-law and family, Mr. and Mrs. R. L. Clark. The Clarks have a new daughter, born Sept. 11. She has been named Beverly Karon.

BABSON DISCUSSES

PRIZE FIGHT RAGE

NEW YORK CITY, Sept. 14.—I despise the commercial exploitation of brutality as it exists in prize fighting. So far this year six fighters have died from injuries suffered in the ring in the United States alone.

Surely, commercial prize fighting is something the country could well do without. It comes to me as a shock that an estimated 40,000,000 Americans turned on their radios or television sets to hear or watch the Ezzard Charles - Joe Walcott bout. We boast that our civilization is superior to that of ancient Rome because we do not have the bloody gladiatorial contests. Yet, doctors know that many prize fighters suffer with serious injuries which are not public knowledge.

**Boxing Gloves Protect Onlookers**  
It is my opinion that boxing gloves were invented not so much to protect the bodies of the boxers as to protect the consciences of the onlookers. When gloves are worn the people at the ringside can "kid" themselves that they are observing an exhibition of skill disassociated from cruelty and degradation.

It is the intentional infliction of physical injuries which distinguishes boxing, and probably wrestling, from the true sports. Boxing and wrestling may be essential to a young man's physical education, but they should be restricted to high school gymnasiums and military training camps. Keep them out of the entertainment field. I am chagrined to think that here in enlightened America the form of entertainment which draws the greatest number of viewers consists of the spectacle of two pugilists slugging each other until both are bleeding and bruised.

GREEN

Hospital & Clinic

Muleshoe, Texas

Telephone 142

and one of them, suffering from intentionally inflicted concussion, drops to the floor unconscious.

**Suggest Boycott Prize Fights**  
Let me state with emphasis, however, that I am not at this time recommending abolition of prize fighting by law. The menace of prize fighting can be met by a spiritual protest, which could manifest itself adequately by a turning off of television and radio sets. Americans must solve this problem by self-control and by setting their children and neighbors a good example.

World leadership appears to be devolving upon the United States of America, and the retention of leadership implies ample provision for the military defense. Personnel in our armed forces need all-round rugged physical training along with their technical training. Preparedness for individual combat is a virtue that should be cultivated to a reasonable degree. Courses in boxing and wrestling, therefore, should be part of the physical education of our young men, in the national interest. But I can't perceive that the need for such training warrants the commercial exploitation of brutal fights for high prizes before mammoth audiences.

**No Zealosity For "Jersey Joe"**  
I harbor no resentment against individual pugilists. I do not know how much we can believe of the publicity issued concerning the new heavyweight champion fighter, Mr. Arnold Cream whose ring name is Jersey Joe Walcott. I am greatly interested to read that Mr. Cream teaches Sunday School and before each bout seeks a few minutes of solitude for the purpose of prayer. My first reaction was to look only with a cynical eye on prayers for success in the prize ring!

But as I read more about Mr. Cream, a man near forty, I could not avoid the conclusion that it is unimportant whether or not he prays for God's blessing on an un-Godly endeavor. The sad thing is that in this country a man of Mr. Cream's lifelong character, perseverance, and interest in the Church finds opportunity for self-expression only in a profession that purveys to the lowest human instincts.

If racial discrimination and poverty had not borne down so heavily on this competent man in his youth, America might be richer by one more leader in some constructive profession. The difference between Arnold Cream's opportunities and the opportunities which our people

Reynolds of OPS Coming Wednesday

A price specialist from the Office of Price Stabilization will be here next Wednesday morning Sept. 26, to remind business men whose firms are covered by Ceiling Price Regulation 7 of a new amendment which requires a supplementary filing with the district office not later than September 29.

That amendment to the regulation which covers sellers of wearing apparel, furniture, variety store merchandise, sporting goods, jewelry and hardware, now requires the filing of a pricing chart which includes toys, games, Christmas decorations, laces, yarns and ribbons.

Price Specialist W. C. Reynolds who will visit Muleshoe next week to help the merchants of this immediate area, will be able to answer questions concerning all types of businesses who seek information regarding compliance with regulations.

Pvt. Bragdon Has Completed Course

FORT JACKSON, S. C.—Private Rennie J. Bragdon of Muleshoe has successfully completed a nine weeks General Intelligence Course, at The Army General School, Fort Riley, Kansas.

Private Bragdon, who is serving with the 31st Infantry "Dixie" Division at Fort Jackson, is in Headquarters and Headquarters Company, 2nd Battalion, of the 155th Infantry Regiment.

Now that he has returned from service school, Private Bragdon is putting to use the knowledge and experience gained through the course.

Before being called into the Army, Bragdon was engaged in farming.

SAND HILLS PHILOSOPHER Inflationary Type Cotton Seed Is What's Needed To Meet Higher Prices

Editor's Note: The Sand Hills Philosopher on his Johnson Grass farm has reached a new limit in wild ideas this week, although his proposal does have a certain appeal.

Dear editor:  
I ain't exactly what you'd call a cotton farmer, I ain't strong on plantin cotton ever since the year I decided to get rich on the stuff, planted all the land that I could find to it, worked hard all spring and summer, and wound up with two notes at the bank instead of one, but I have been reflectin on the cotton situation and think I know what the trouble is.

As you know, cotton was sellin for 45 cents a pound just ahead of plantin time, and the government was callin for all the stuff the South could grow, but to pacify the town people, it put a ceiling of 45 cents on the price against which the cotton farmers dutifully railed and ranted in a sort of token way, as privately they would be delighted to get 45 cents for all the cotton they could grow. So at the government's behest, coupled with the private and legitimate wish to make some honest money, the farmers turned loose and planted a lot of cotton. Was almost tempted to do it myself but overcame the temptation by hard thinkin and intense fishin.

Well, as you also know, despite the drought, a big crop of cotton turned up and the price started droppin. Dropped from 45 cents a pound to 35, then on to 33, with down graded cotton of course goin lower than that. There ain't nothin that'll lower the grade of cotton faster in the country than a light shower in town.

Now a lot of farmers are blaming the government, they're makin a little money on cotton but you can't plant for 45 cent cot-

ton and wind up with 33 cent cotton to no great advantage. That is, it ain't no get-rich quick scheme. Not with everything else goin up instead of down — tractors, fertilizers, seed, labor, taxes, etc.

But I think I know what the trouble is. The farmers planted the wrong variety. They planted anti-inflationary cotton in a inflationary year.

What the cotton farmer needs is a new variety of cotton, what they need is the First Year Inflationary type. With everything else goin up, you can't expect to get anywhere with cotton that goes down more than twenty-five percent right in the middle of the biggest inflation this country ever saw. Cotton that can't adapt itself to the times any better than that is mighty risky business.

If A & M College wants to render a real service to farmers, it'll start workin right now on breedin in this new Inflationary Cotton, a variety you can depend on to keep pace with the times and go up in price right along with tractors, repair bills, school teachers' salaries, automobiles, groceries, haircuts, plumbin, taxes, etc.

Yours faithfully,  
J. A.

"J. A."

TO THE BITTER END

A woman posed for a picture in front of the fallen pillars of an ancient temple in Greece.

"Don't get the car into the picture," she instructed the photographer, "or my husband will think I ran into the place!"

First Communist: "Nice weather we're having."

Second Communist: "Yes, but the rich are having it too."

TODAY'S meditation

The Upper Room  
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

THE POWER-GIVING CHRIST

"... Saul (Paul the apostle) increased the more in strength..." (Acts 9:22.) Read Acts 9:17-22.

On Christmas Eve the minister in a service invited the people to testify as to what the Lord had done for them during the year. A man got up. One could see that he was happy. He said, "In fourteen years this the first Christmas Eve that I have been sober." What joy, what triumph, what strength was his!

He had moved over and let the power-giving Christ take the helm of his life. Now it was Christ who was guiding and leading him where he should go. He had decided to become a minister.

When Christ comes into a life and takes charge, the entire pattern of life changes. The lifelong habits which have not been in keeping with Christ's ideals break away. Why? because the One who conquered even death comes and lives with us. In Him we find our strength.

PRAYER

Praise be to thee, O God, who through Christ giveth us the victory over our sins that separate us from Thee.. Unless Thou givest us the power, we can do

nothing. Abide with us, O Lord, this day. In Christ's dear name. Amen.

THOUGHT FOR THE DAY

"I can do all things in him that strengtheneth me." —Agnes Shaw (India).

LITTLE VISITS HERE

S. R. Little, of Stephenville, visited here last week with old friends. Mr. Little formerly was in the auto parts business here and lived in Muleshoe several years.

Maybe you're missing something BIG

WE know how you feel when a car has given you faithful service. You like it. You're loyal to it. And that's only human.

But just suppose you found out that some other car could make familiar roads seem a lot smoother.

Suppose some other car held the curves in a way you'd never felt before.

Suppose some other car had more thrilling power—steered like a dream—held its course like an airliner on the beam—and let you finish a long day's drive feeling daisy fresh.

Wouldn't you feel you're missing something big unless you tried it out?

There is such a car. Its name is Buick.

It has big soft coil springs on every wheel. It has a Fireball Engine. It has a "front-end geometry" that does miracles with steering. And it has Dynaflo Drive.\*

And incidentally, it wears a price tag

that makes it a very smart buy compared to anything else you own.

We'd like to have you try this car. You'll never know what you're missing till you do.

How about giving us a call—or coming in to see us real soon?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.

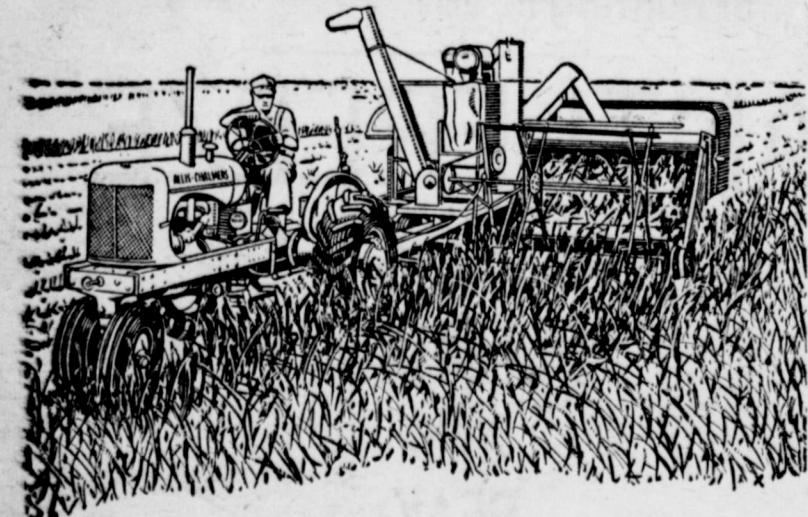

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLOW DRIVE\* • FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

# 30 YEARS OF SERVICE

NEW ELEVATOR --- This new elevator recently completed by Ray Griffiths & Sons is one of the most modern in this area. The elevator which has a 300,000 bushel storage capacity, is the tallest structure in Muleshoe and can be seen from several miles while approaching the city from any direction.

Ray Griffiths and Sons are completing their 30th year of service to the farmers in the Muleshoe area and wish to announce their new 300,000 bushel elevator is ready for grain storage.

This new elevator enables them to offer you the best in service. It is one of the most modern grain storage plants to be found in the South Plains and Panhandle areas.

Whatever your farm needs may be --- grain, fertilizers, field seeds, custom seed cleaning --- you will always find the same courteous and personal service at Ray Griffiths and Sons that you have received for the past 30 years.

**A Better Home For A Smaller Budget**

The plans for this house offer the greatest possible economy in construction and at the same time they provide for a comfortable and attractive home.

Several guests can be entertained in this living room without crowding. Attractive furniture arrangement is easily accomplished with so much wall space. The bedrooms, also are of nice size to allow a convenient and attractive furniture arrangement. Each room has large closets, seldom found in homes of this size.

The spacious kitchen has ample pantry and closet space for equipment and foods. There is plenty of room for a table that will easily accommodate six people. The window over the sink and the windows by the table will make this room light and airy. One chimney, if properly constructed, will take care of the range and a space heater in the living room.

The linen closet in the hall will be fine for the bedroom linen. You can provide some very valuable space in the bathroom for medicines and things that will not fit into the medicine cabinet by arranging shelves over the commode. You also can provide bathroom linen storage space between the lavatory and the wall by making a thin wall plywood cabinet and using the lower section of it as a clothes hamper. The suggested location for this extra storage is shown by dotted lines in the bathroom. The screened porch will not only serve as an ideal entrance and protection for the rear door but will also provide space for a washing machine, a freezer

chest, or other similar equipment.

You can obtain blueprints for this MULESHOE JOURNAL FARM AND RANCH PLAN No. 5027 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to building Editor, FARM & RANCH - SOUTHERN AGRICULTURIST, Dept. L-36, Nashville, Tenn. Order by number - Plan No. 5027. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

**Softball Team Donors Are Listed**

Stegall Ladies Softball Team this week issued a list of donors to their suit fund during the past summer and expressed their appreciation of this cooperation from merchants of the various towns. H. E. Baker of Stegall is team manager. The following were named as donors to the fund:

Brown & White, Sudan; Shafer & McDonald Gin, Baileyboro; Phillips Bros. Grocery, Stegall; Bass Firestone, Cobb's Department Store, Muleshoe Liquefied Gas, Muleshoe Livestock Auction Co., Malone Milk Co., Bovell Motor Supply, all of Muleshoe; Smith Grocery, Maple; Sanders Hardware, Maple; Reinhardt Grain Co., Sudan; Hethington Lumber, Muleshoe; Davis-Lenderson, Pop's Cafe, Muleshoe; Phillips Bros. Blacksmith Shop, Stegall; Cecil Cole, Goodland; and Goodland Gin, Goodland.

**November Draft Call For 575 Men**

AUSTIN, Sept. 18.—November draft call for Texas is 575 men, Brig. Gen. Paul L. Wakefield, state Selective Service director, announced.

The official call was received from national Selective Service headquarters last week.

The Texas November quota is 232 less than the state quota for October, 44 less than the September quota, 197 less than the August quota, but 208 more than the July quota.

Part of the men to be inducted in November will go to the Marines, as has been the case during the past several months. The State draft headquarters and local boards have no control over the factor of the armed service which the men enters.

Currently men are assigned to either the Army or the Marine Corps.

General Wakefield said his office expected to have the local board quotas for the November call figured by last week.

The November quota brings the total of men called for since the beginning of the United Nations fight in Korea to 29,980. Around 75,000 Texans have been examined to fill these calls.

Unless conditions change, local boards generally have enough examined and acceptable men on hand to last the remainder of the year, or perhaps longer, the draft director said.

**TO SCOTT & WHITE**

Arthur Crow, Muleshoe Chevrolet dealer, has been in Temple for a trip through the clinic at Scott & White. He was to return home this week, it was said.

**BACK FROM IOWA**

R. J. Klump has returned from a visit with a sister, Mrs. Settle Sponar, at Cedar Rapids, Iowa.

It's a great corn crop they have up there this year, he says, but the farmers are fearful of an early frost that might do the crop a lot of damage.

**Electric Cooking Is**

**EFFICIENT**  
... as MODERN women KNOW!

Efficient because it is clean, accurate, automatic, labor-saving.

The accuracy of heat application which assures you that the correct amount of measured heat will be delivered to each range unit takes the guesswork out of cooking — adds efficiency.

The automatic time controls on your electric range eliminate pot-watching and cooking failures, make it possible for your meals to be prepared while you are miles away — adds efficiency.

The cleanliness of electric cooking means less frequent general housekeeping, eliminates entirely pot and pan scrubbing — adds efficiency.

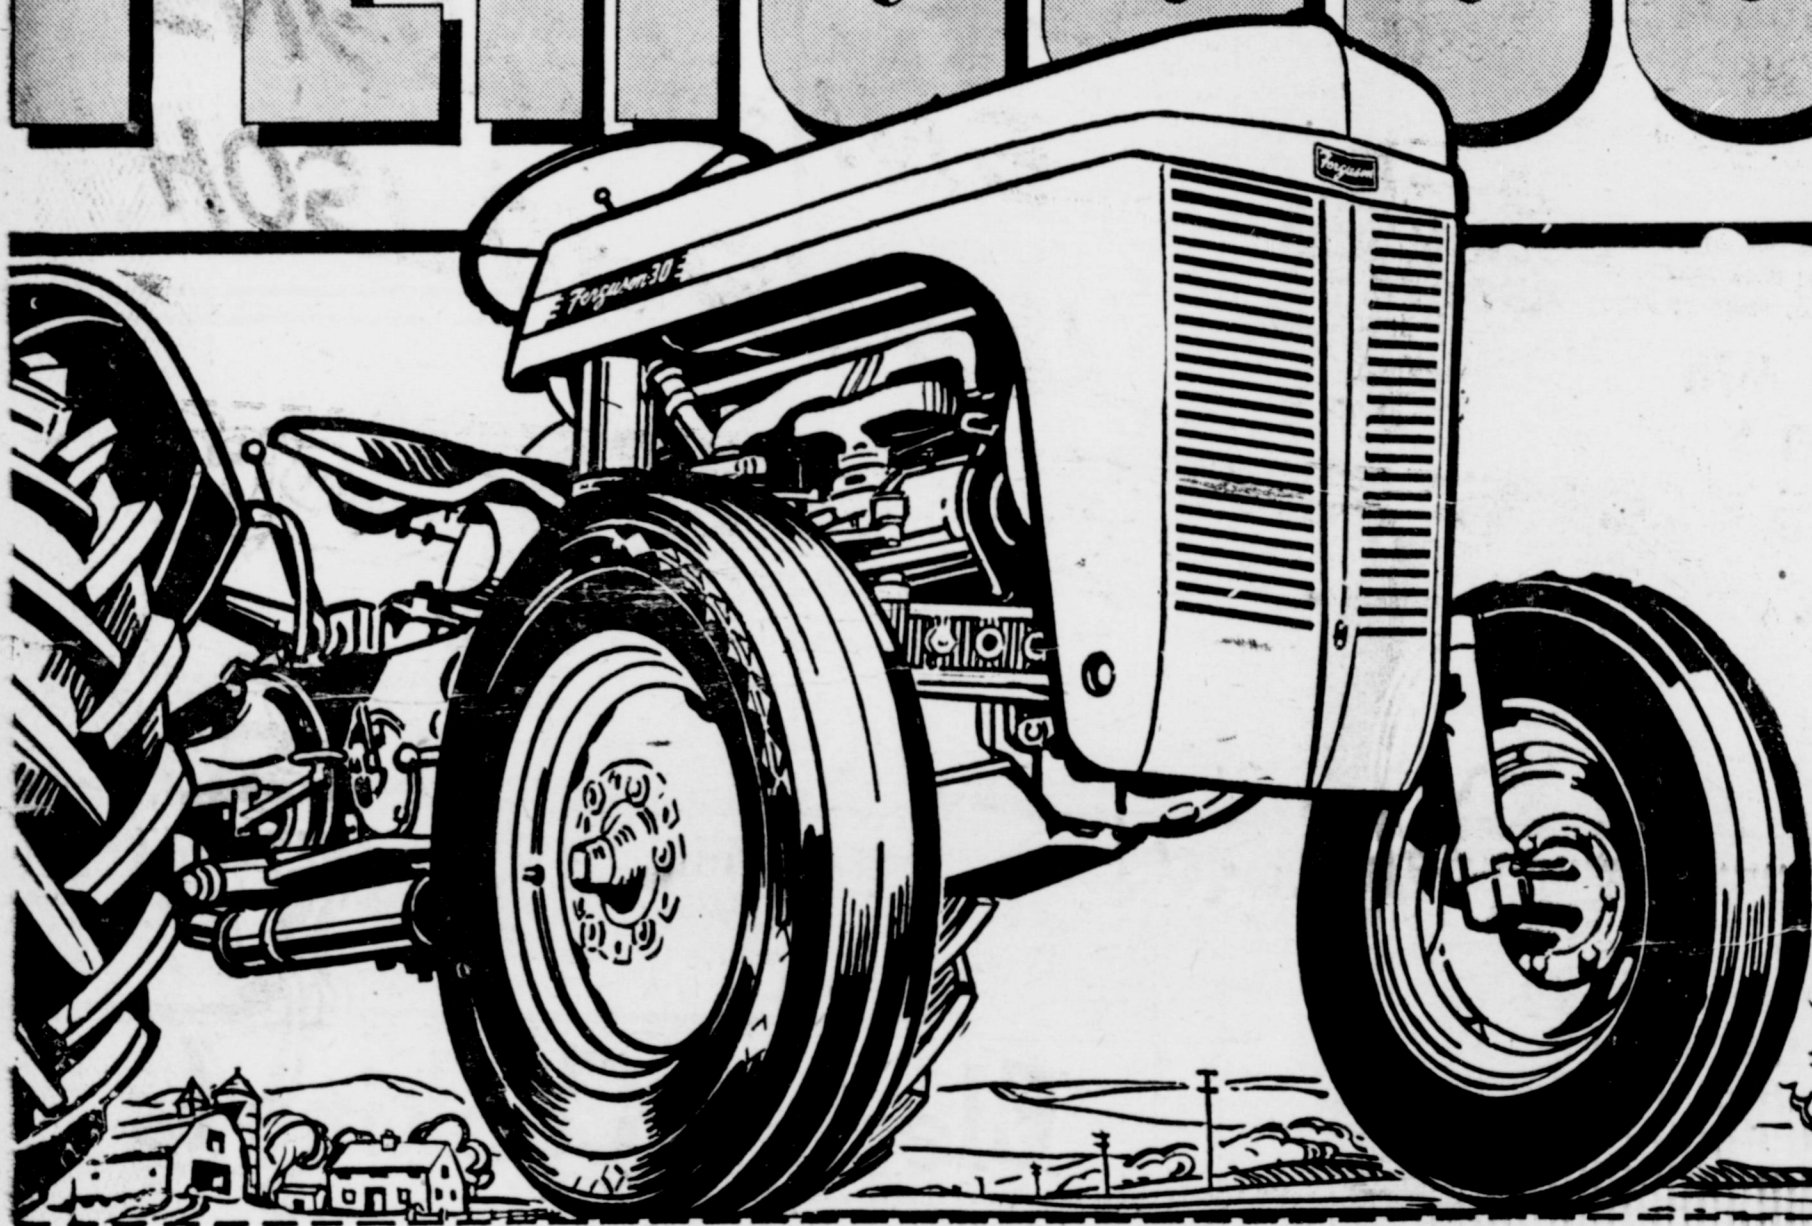

The coolness of electric cooking means added pep, more pleasant cooking conditions — adds efficiency. Yes, electric cooking is completely efficient — as modern women know.

# Here it is... IN A CLASS BY ITSELF... THE NEW FERGUSON "30"

Look at it. Get that feeling of size and power...weight and traction. Here's a tractor that has everything you've always wanted in a tractor. Abundant power for the toughest jobs. *Lugging power* that keeps you going where other tractors quit. Come in today and arrange for a demonstration on your farm. Take the wheel yourself and put the "30" through its paces.

Watch For The Announcement  
Of Our Field Demonstration

**A HOST OF GREAT  
ENGINEERING  
ADVANCEMENTS  
including**

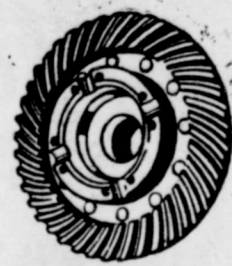

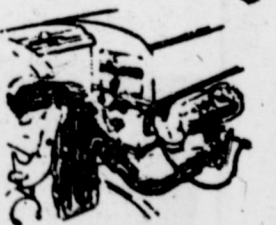

### A GREAT NEW ENGINE

Now develops over 20% more power to handle your biggest jobs. *Lugging power* like you never saw before.

### A NEW AIR-FUEL SYSTEM

Now provides a cleaner, cooler fuel mixture for longer engine life and maximum power.

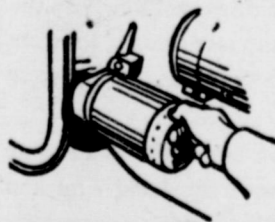

### HEAVIER, STRONGER GEARING

Now gives even greater durability and longer rear-end life.

### VALVE ROTATORS

Now keep exhaust valves at top efficiency and give an 800% increase in exhaust-valve life.

### BETTER LUBRICATION

Prolongs service life of crankshaft bearings, overhead valves, camshaft bearings and wrist pins... a horizontally mounted filter that's easier to clean and service... a floating intake.

### AN IMPROVED HYDRAULIC SYSTEM

A new oscillating valve gives positive control of oil flow.

Now on display at...
