

Fertilizer Meet Set For March 19

Persons who are interested in soil fertility and crop production will be offered some first hand information if they attend the anhydrous ammonia meeting scheduled here the night of Wednesday, March 19 in the Jones Farm Store.

Some movies and slides showing the result of experimentation will be shown and here to answer questions will be Harry Deaton and Beal Hargrove, of Plainview, who have had long experience with this fertilizer.

Deaton worked with anhydrous ammonia for six years in the Mississippi delta country and has been working with the fertilizer on the Plains the last two years. Hargrove was with the Texas Experiment Station at McGregor for three years, working with anhydrous ammonia.

Chief Jones of the farm store believes the meeting will be of great interest to dry land farmers, irrigation farmers, agricultural and extension instructors, as well as to business and professional people. Everybody is invited. The meeting will be held in the farm store and will begin at 8 o'clock.

Banquet Tickets Placed On Sale

Those who expect to attend the athletic banquet here next Tuesday night, March 18, had better get their tickets by the coming Saturday night, officials of the Quarterback Club announced today. They said it will be necessary to know how much food to prepare by that time.

Tickets are now on sale at the Wood Drug, Western Drug, and Dameron Drug for \$1.50 each. The Quarterback will count the number of tickets sold Saturday night and inform the school cafeteria, which will serve the meal, how many plates to arrange for. So, if someone decides belatedly to attend there might be a shortage of food.

Ed Price, head football coach at the University of Texas, will be the principal speaker; he also will show the movie of the Texas vs. TCU football game last fall.

Participants in high school athletics will be honored at the banquet.

C. C. Directors To Meet Monday

The regular meeting of the board of directors of the Muleshoe chamber of commerce will convene Monday night at 8 o'clock in the office of the organization on Avenue C.

Reports of the various committee activities will be heard and the program of work for the ensuing month will be determined.

Prominent on the agenda will be probable Retail Merchants activities, annual banquet plans, farm labor and agricultural activities.

This will be the last regular meeting of the board as it is presently composed. Shortly before the annual banquet, that is scheduled for April 15, the five new members of the board will meet with the eight hold over directors to elect officers for the new year. These officers will be inducted at the banquet.

Retiring from the board this year are Myron Pool, Jr., W. Q. Casey, F. L. Shelby, Horace Edwards and Edd White. Incoming directors will be Houston Hart, Herb Covin, Jim Cox, George Mayo and Buford Butts.

HIGH SCHOOL P. T. A. TO ELECT OFFICERS

A "Negro Sermon" by Mrs. A. W. Copley will be part of the program for the High School P. T. A. regular meeting Monday night, March 17, at 8 p. m.

Also on the program is a panel discussion, "What makes good schools." The speakers on this will be Supt. C. W. Grandy, Coach T. J. Bailey, D. L. Morrison, and Lee Pool.

Election of officers for the coming year will be held at this meeting and also the election of delegates to the spring convention.

Everyone is urged to attend.

RETURNS HOME

Edwin L. Mills returned home last week for a visit with his parents. Mr. and Mrs. J. E. Mills. He has been in a V. A. Hospital in McKinney and is to return there for a brain operation in about 25 days.

HOME AFTER LONG TRIP

The Jack King family are back at home in Muleshoe after a long trip through New Mexico, Arizona, and California. They left here January 8. Mr. King reports that he preached once in Baptist churches of three towns, Hot Springs, Phoenix, and San Diego.

Members of the girls basketball squad of Three Way high school left Tuesday with their coach and sponsors for Waco to take part in the state tournament of the McCamey Basketball League. They spent the night in Abilene, where they worked out on a local court, then drove on to Waco for the beginning of tournament play Wednesday.

Three Way was pitted against Aledo in the opening round of play.

The team won the right to enter the state tournament by copping the Sudan tournament, where they defeated Springlake in the final game.

In the accompanying photograph the girls are shown with their coach, M. D. Ford.

Girls on the squad are: Yvonne Tyson, Billie Reeves, Shirley Reeves, Anna Margaret Gunter, Carol Daricek, Anita Gibson, Nelda Breshner, Eva Lou Taylor, Rita Carter, Gail Milsap, Gail Daniels, Ann Cole, Thelma Jo Tanner, and Maudine Eubanks. Team managers are Peggy Wilson and Mary Clark.

Banquet Held Monday

To show their appreciation of the fine showing of the girls team and the boys basketball team, the people of the community honored them with a banquet held in the American Legion home in Muleshoe Monday night.

Blondie Ray served the meal, consisting of barbecued chicken and the accompaniments. After the banquet the entire group attended the Valley Theatre here before returning home.

Carpet Show To Be Here Next Week

Casey Carpet Co., of Lubbock, is trying something new, beginning with next week. On Monday and Tuesday of next week they will have in Muleshoe their "traveling carpet show room," a large trailer, showing their carpets already laid. A representative of the company told The Journal that the Muleshoe showing is the first in the planned series of showings.

TO PRESENT RECITAL

Mrs. E. H. Kennedy will present several of her pupils in a piano recital consisting of duets and popular numbers in the new assembly room of the grade school building Thursday, March 13, at 8 p. m.

VISITS RELATIVES HERE

Guss Schroeder, of Frederick, Oklahoma, visited in the homes of his mother, Mrs. Anna Schroeder and Miss Esther Schroeder this week.

Irish Potato Growth Outlined

Fred Barrett, Sr., who with his sons will seed some 250 acres in the Muleshoe country to Irish potatoes this spring, told Rotarians and their guests something about the culture of the crop, kind of soil desired, cost of preparing the land, seeding it, fertilizing and irrigating, then harvesting at Rotary Club's weekly meeting held in Gerald's Cafe Tuesday noon.

Mr. Barrett has been growing potatoes around Hereford for some years, and last year he and his sons produced some 1200 carloads.

For their operations here the Barretts have leased several tracts of land, each somewhat different from the others and well spaced through the county for experimental purposes. Type of soil and cultivation methods required, fertilization, etc. will be carefully observed to guide them in future years.

In general, he thinks, Muleshoe is somewhat more sandy than the soil around Hereford, and he anticipates that it will be less trouble to wash the potatoes and get them ready for market. The Hereford soil has more clay in it and the washing process sometimes is so forceful that the potatoes are damaged.

His belief is that potatoes grown here will come on the market at a time when potatoes are not being harvested in the main potato growing areas. There is an early deal in Florida, South Texas, and Southern California and a much later deal in Idaho and Nebraska, and the Muleshoe harvest will come late in June and early in July, timed just between those two deals.

Seeding of the 250 acres they will have here is underway now. In answer to questions Mr. Barrett said money return usually is higher than for most crops, sometimes running to \$400 and more gross and the expense through harvest and marketing usually runs about \$160. Potatoes are fine for the soil, leaving it in good condition for another crop, and many fine sorghum grain crops are grown by planting the field as soon as the potatoes are cleared from the ground.

Eddie Lane had charge of the program. Al Hall, Chamber of Commerce manager, announced that farmers around Muleshoe have tentatively pledged to plant nearly 600 acres to castor beans this year, but that more acreage is needed and he urged all farmers who will plant some land to castor beans to notify the C. of C. office or the PMA office soon.

VISITOR FROM KANSAS

Clifford Schroeder, of Hill City, Kans., has been a visitor here with his grandmother, Mrs. Anna Schroeder, and his aunt, Mrs. J. E. Mills.

Local Farmers Pledge 580 Acres To Castor Beans

Over a hundred interested farmers and businessmen of Bailey County listened enthusiastically to the prospects of raising castor beans in this locality at a chamber of commerce sponsored meeting in the District Court Room Monday night.

Paul E. Wiles of Oklahoma City gave the audience a summary of the present market demand for castor bean products, the government's request for 200,000 acres of beans this year, cultivation practices and probable profits.

The talk was illustrated by colored slides that showed the results obtained on Deaf Smith County farms during the 1951 growing season. During the discussions that followed, farmers of the Hereford area told of their actual experiences with last year's crop and answered the scores of questions asked by the audience.

From the talk it was estimated that the net profits from castor beans would equal to or slightly above milo and sudan, but slight-

Boys Club Fat Stock Show To Be Unreeled In Muleshoe Saturday

Doors will be open for entries of fat calf, lambs and barrows at the Muleshoe High School show barns Friday noon for the big Fat Stock Show Saturday, March 15.

The classes will be open to 4-H and FFA club boys who attend school in Bailey county. No entries will be accepted after 9:00 a. m. Saturday and it will be to the advantage of show officials for entries to be bedded down before dark Friday. Approximately \$600.00 dollars and a high box of ribbons and rosettes are being offered the young exhibitors by Muleshoe businessmen and other interested parties.

Glover Elected H. S. Principal

George Glover has been elected principal of Muleshoe high school by the Muleshoe independent school board. Mr. Glover has been teaching in the Muleshoe system two years, having instructed in social science in the junior high school. He has his master degree from Oklahoma University in administrative education.

Jerry Kirk, who has been principal of the high school was elected superintendent upon the resignation of C. W. Grandy.

Troy Perkins was reelected principal of the junior high school and grade schools. He has served in that capacity the last three years.

Gospel Meeting Is Continuing

The gospel meeting at the Church of Christ continues with the following preachers and subjects: Thursday, G. Dudley Stout of Bovina with "What it means to be a Christian"; Friday, Roy Tidwell of Littlefield with "Unity"; Saturday, Boyd Glover of Sudan, discussing "Teaching the Bible in classes."

These services are at 7:30 p. m. and the meeting closes Sunday with the local minister, Ebb Randol, speaking at the morning services on "Steadfastness" and Sunday evening on "Spiritual Prosperity."

You are invited and urged to attend.

ATTEND SERVICES IN LEVELLAND

Mrs. Jack Epps, Mrs. W. W. Smith, and Mrs. Leota Wilterding attended services in the First Christian Church of Levelled Friday night.

VISITING IN CALIFORNIA

Mrs. Jack Epps left Monday to visit her daughter in California.

Boys are restricted to two animals in any one division. Divisions are Sheep, Swine, and Beef. Competition will be in three major divisions, fat calves, fat lambs and barrows.

Fat calves will be divided equally into light and heavy classes and it is requested that weigh calves enroute to the show return to place of weighing and determine correct net weight of calf. Prizes on each class of calves are as follows: 1st, \$25.00; 2nd \$20.00; 3rd \$15.00; 4th \$10.00; all remaining calves \$5.00 each.

Champion calf a purple rosette and \$15.00. Reserve a rosette.

Fat lambs division will be made up of three classes conforming to the Lubbock Show. They are Cross-Bred Wethers, Fine Wool Wether and Milk Fed Lamb.

Prizes are listed as follows: Prizes in each class are as follows: 1st \$10.00; 2nd \$8.00; 3rd \$6.00; 4th \$4.00; each additional lamb entry will be awarded \$2.

Fat Barrows will show by breeds and each breed will be divided into light and heavy weights on an equal basis except in the event that a breed is less than eight barrows to a breed in which case all of the breed will show as a class. In event of fewer than four barrows of the same breed enter the show, they will be placed in competition with the breed having the next smallest number of entries.

Barrow prizes are as follows in each class:

1st \$10.00, 2nd \$8.00, 3rd \$6.00, 4th \$4.00; all remaining entries \$2.00. Grand Champion over all breeds \$75.00 and purple rosette. Reserve Grand Champion rosette.

All problems of a general nature will be handled by Al Hall, manager of the Muleshoe Chamber of Commerce who will be acting in the capacity of General Superintendent of the show Saturday.

Beef Superintendent will be Ed White. Fat lamb Superintendent will be Carroll Wilson. Barrow show Superintendent will be W. K. Adams. Many business men and others have been generous in contributing to the above list of cash prizes and a complete and final list of their names will be published in a later issue of The Journal following the completion of the drive for funds.

CHURCH OF CHRIST LADIES HAVE ALL DAY MEETING

The ladies of the Church of Christ are meeting all day Thursday, March 13, to sew and quilt for the needy. A covered luncheon will be served at noon.

This is a monthly affair each second Thursday of the month. In addition there are called meetings once a week to work if the need arises.

The church has sent many boxes of clothing to the mission work at Las Vegas besides the contributions at home.

HOUSE PLAN No. 39

Interesting Modern

If you are wallet conscious (and who isn't, in these days of high taxes and higher prices?), now more than ever you will insist on getting the most space and comfort for money you invest in a new house. And we have something that may appeal to you.

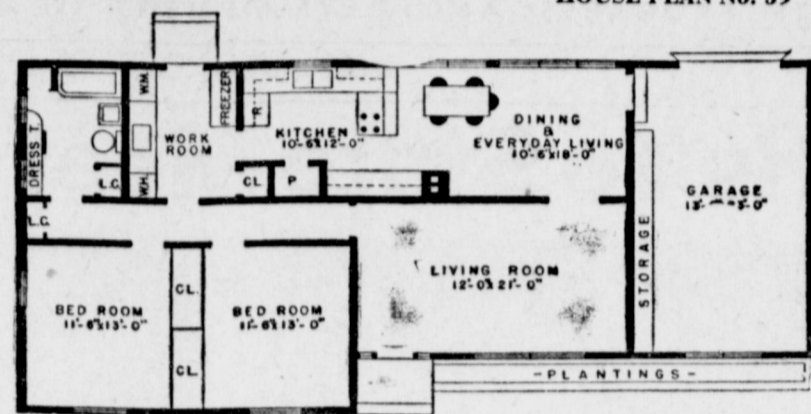

The workroom, kitchen, everyday living room arrangement in Farm & Ranch House Plan No. 5139 is the result of suggestions made by homemakers who sent us ideas for dream houses. They want space where they could serve meals and where the family could relax without cluttering up the kitchen. This area will be easily warmed, and it is an excellent "study hall" for the school children. Mother can keep a watchful eye on the little children playing in this area without stopping her work.

The bedrooms appear spacious because of the usable wall space, obtained by placing large windows in the front wall. By placing the doors opposite the windows, plenty of cross ventilation is possible.

There is an unusually large amount of closet space because the closets serve as the partition wall between the bedrooms. These can be built either with 3 inch walls or by simple use of 3/4 inch plywood cabinet construction and sliding doors.

One chimney can be made to serve both the living room and kitchen area by the use of two flues.

Not many houses have the

plumbing in such a compact area as does this one. The simple lines will make framing unusually easy and will hold cost to a minimum.

You can obtain blueprints for this The Muleshoe Journal Farm & Ranch House Plan No. 5139 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number, Plan No. 5139. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

SAND HILLS PHILOSOPHER

Says If Washington Says We Have A Disaster, We Should Act like It

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has been reading the papers again, his letter this week indicates.

Dear editor:

I was out here yesterday speculating on the weather situation and wonderin whether I was gonna be able to make another crop this year with conditions like they are when I noticed a puff of wind hustlin a newspaper along through my pasture and since I figured I might as well be lookin in that direction as any I kept followin it with my eyes and noticed it rolled into a bobwire fence and later in the day I worked my way down to it and picked it up, it was hangin on the third wire from the bottom and I didn't even have to bend over to reach it, and took off to a sunny spot and sat down and opened it up and the first thing I noticed was an article sayin Washington has declared the entire state of Texas a disaster area, on account of the drought.

While I am pleased to see Washington bring the rest of the state up to the level of my farm, which has been a disaster area seems like ever since I took it over, I believe we could make

better headway with gettin relief if the banks would stop publishin financial statements and people would stop drivin new cars and eatin so well.

While I am doin my part to maintain a disaster status, in fact my wife tells me my farmin would be on a disaster level if I could get a rain ever time I held up my hand and cotton was sellin for 50 cents a pound, the rest of the people of the state ain't cooperatin.

If Washington says we got a disaster on our hands, the least we can do is act like it. We keep up this anti-disaster spending and buyin and runnin around in good cars and buyin round steak and before you know it some expert in Washington will get suspicious. It's not treatin Washington right. If Washington says we got a disaster in every county in Texas, let's have a disaster in every county. The first thing a man wantin a pension ought to do is remove his flashy diamonds. Washington wasn't born yesterday. Maybe the day before, but not yesterday.

Yours faithfully,
J. A.

Party Honors Virginia Bowers

Virginia (Shorty) Bowers was honored Wednesday, March 5, with a party on her sixth birthday.

The guests wore clown hats and a circus theme was carried out through the entire party.

Games were played and the gifts were opened and enjoyed by all.

The serving table displayed clowns and animals and the angel food cake was decorated as a merry-go-round.

Favors of clowns made of suckers, bubble gum and balloons were favors.

Refreshments of angel food cake, strawberry ice cream and animal crackers were served to guests. Carolyn Nowlin, Mike Epting, Kathryn West, James White, Judy and Joe Dick Putman, Carole Evans, Gary Smith, Marshall Wimberley, Sue Stinson, Gary Ratliff, Judy and Jeannie Coffee, Larry Roberts, and the honoree, Virginia.

Evans-Richardson Vows Exchanged

Mr. and Mrs. L. E. Evans announce the marriage of their daughter, Shirley, to Paratrooper Jack Richardson, son of Mr. and Mrs. J. E. Richardson of Tulla.

The vows were solemnized February 14 in Oklahoma City with Rev. Emmett Tole, pastor of the First Baptist Church, officiating.

The bride chose a navy suit complemented by white accessories and a bouquet of sweetheart roses.

Serving the bride as maid of honor was Vivian Reed of Oklahoma City. She wore a gray suit with black accessories and a gardenia corsage.

Paratrooper Odell Marrow of Clarendon was best man.

After a brief wedding trip to interesting points of Tennessee and Kentucky, Mr. and Mrs. Richardson are at home at Camp Benning, Georgia, where he is stationed.

Beauty Shops To Style Hair For Easter Fashion Show Here March 28

The local beauty shops are co-operating with Los Planos Study Club to present the latest in hair styles at the club's Easter Fashion Parade, which will be given on the night of March 28. The shops which will style the models' hair are Wellborn Beauty Shop, Muleshoe Beauty Shop, Sue's Beauty Shop, Triple O Beauty Shop, and Myer's Beauty Shop.

Another attraction of the show will be the decorations done in Easter motif by the Muleshoe Floral. Mrs. Roberts of Muleshoe Floral will also design individual flower accessories for each of the model's costumes. Lloyd Alsup's local orchestra will provide music for the entire event, giving a melodic background of Easter themes and "pretty girl" melodies.

General director of the event is Mrs. Alvin Farrell; director of models is Mrs. Elmo Evans. Narrator for the style show will be Mrs. Ernest Kerr who, along with Mrs. Elizabeth Woodley, will prepare the script. A mistake appeared in last week's "Journal" concerning one of the models for Cobb's Department Store. The name was given incorrectly as Mr. Arnold Morris, and should have appeared as Mrs. Arnold Morris.

The public is invited to attend the show; men as well as women will be most welcome. Admission is \$1.00 for adults and 50c for children of high school age or under. Tickets may be purchased now from any study club member or at the door on the

night of the 28th at the American Legion Hall.

Social Club Meets In Grizzle Home

The Pleasant Valley Social Club met in the home of Mrs. Jim Grizzle Wednesday night, March 5.

The meeting was called to order by the president and roll call was answered by each one telling their best time saver.

Wednesday, March 12 is to be work day at the school house.

Mrs. Doyle Turner became a new member and Mrs. Turner won the hostess gift.

Delicious refreshments were served to members. Mesdames Oscar Allison, Harold Allison, Gerald Allison, A. Andreas, D. Turner, R. L. Roubinek, Leroy Hicks, J. West, J. Dulin and the hostess, Mrs. Grizzle.

The next meeting will be in the home of Mrs. Leroy Hicks on March 19.

Wimberleys Receive House Warming

Friends, neighbors and relatives of Mr. and Mrs. H. E. Wimberley gathered for a house warming Friday night, Feb. 29.

After a tour of the large and beautifully decorated house everyone played "Forty-Two."

The Wimberleys received many nice and useful gifts.

After refreshments of cakes, coffee, and cookies, group singing was enjoyed by guests, Mr. and Mrs. Lynn Bratcher and children, Mr. and Mrs. Ed Hicks and two boys, Mr. and Mrs. M. E. Lee and children, Mr. and Mrs. W. R. Bowers and daughters, J. W. Roberts and children.

Mr. and Mrs. Albin Ratliff and boys, Mr. and Mrs. V. E. Jamison, Mr. and Mrs. Jake Tunnell and boys, Mr. and Mrs. Sherman Inman and daughter, Mr. and Mrs. J. H. Wimberley, Mr. and Mrs. Troy Perkins and boys, Mr. and Mrs. Ed Little and son, Rev. and Mrs. A. W. Blaine and children, Gumbell Smith, and Tommy Bovell.

Many sent gifts who were unable to attend.

WSCS Celebrates Twelfth Birthday

In observance of 12 years of the Women's Society of Christian Service, the organization met Monday, March 10, in the Methodist parsonage with Mrs. H. W. Hanks as hostess.

Rev. Hanks gave the invocation.

Twenty three members and visitors enjoyed the Fellowship luncheon.

As the guests arrived, a Bee Bonnet was pinned on each one listing some Bees for being a good member.

During the luncheon hour, Mrs. H. C. Holt gave the history of the Woman's Society of Christian Service since it became an organization in 1940.

Minutes of the charter meeting were read by Mrs. Arnold Morris and the twelve candles of the birthday cake were lighted by charter members.

Mrs. F. B. Pierson had charge of the program and the business meeting.

A skit on the Society's magazines, "The World Outlook" and "Methodist Woman" was given by Mrs. D. B. Lancaster and Mrs. Arnold Morris. Mrs. O. N. Jennings then gave the devotional with emphasis on the Week of Dedication, the 9th to the 16th.

Mrs. I. F. Willman, the promotional secretary, gave the "Progress Meter" of the Quadrennial Advance, 1948 to 1952.

Mrs. D. B. Lancaster directed the social hour.

Fidelis Class Enjoys Luncheon In Damron Home

The Fidelis Sunday School Class of the First Baptist Church met Thursday, March 6, for a one o'clock covered dish luncheon in the home of Mrs. Joe Damron with Mrs. A. E. Lewis as co-hostess.

The St. Patrick's Day motif was used in the decorations. The serving table for the buffet luncheon was centered with a bouquet of white snapdragons and green styrofoam shamrocks in a miniature green hat flanked by green candelabra. The small tables were also centered with white snapdragon bouquets.

The devotional was given by Mrs. D. L. Morrison and a short business session was held after the luncheon.

Sunshine gifts were exchanged and new sunshine names were drawn for the next three months.

Those attending were Mesdames Loie Precure, L. T. Green, Jr., W. B. Wagon, Grace Lane J. V. Peeler, D. L. Morrison, R. L. Jones, W. B. McAdams, F. H. Davis, Ray Griffiths, Clinton Bristow, R. W. Muleshoe H. D. Club Meets In Home Or Mrs. Day

The Muleshoe Home Demonstration Club met in the home of Mrs. J. E. Day Tuesday afternoon, March 11, at 2:30.

Mrs. Don Bruns led the club in a question and answer game and a clothespin game, the latter proving very interesting. Each lady was given a corsage of three clothespins pinned together. Everytime someone crossed her feet or knees some other person could rake one of her pins for her own corsage. Mrs. Dian Reed was the winner.

Mrs. F. L. Snyder was appointed club representative to the civil defense school to be held soon. Mrs. Copley reported the progress of the Park Beautification committee and gave a five minute parliamentary drill.

Mrs. Reed demonstrated the planting of shade trees and set out two honey locusts in Mrs. Day's yard. Delicious refreshments of sand-

Muleshoe Club Is Entertained By Los Planos Club

The Los Planos Study Club entertained members of the Muleshoe Study Club with a tea Tuesday night in the home of Mrs. Howard Cox. Mrs. L. A. Reed, Mrs. L. S. Barron, Mrs. M. F. Blackman, and Mrs. L. I. St. Clair were co-hostesses.

Mrs. Ernest Kerr presided at the tea service.

Mrs. Arch Fowler reviewed "Arrow Lie Still" by Frank Cheavens. This novel by a Texas author describes the Karankaws Indians during their period of strength and traces their de-

clines and final extinction as a race. Guests attending were Mesdames A. J. Gardner, Bernard Phelps, E. E. Dyer, M. F. Green, Mary Hart, John Watson, Lee R. Pool, Julian Lenau, and J. M. Forbes.

Members present were Mesdames Elmo Evans, Forrest Jones, John Smith, Sam Damron, Richard Smith, E. W. Evans, H. W. McAdams, Jack Schuster, Horace Edwards, Deon Awtry, Willis Farrell, Alvin Farrell, M. F. Blackman, F. J. Chapman, L. A. Reed, and L. S. Barron.

wiches, cookies and punch were served to Mesdames Don Bruns, S. C. Caldwell, A. W. Copley, J. E. Day, Ethel Julian, Dave St. Clair, F. L. Snyder, Dollie Snyder, Tom Zimmer, and the agent, Mrs. Reed.

The club will meet Tuesday, March 25, in the home of Mrs. A. W. Copley. The demonstration will be on "Planning or Making a Drive."

ATTEND FUNERAL AT ROCHESTER

Rev. and Mrs. A. W. Blaine left this morning to go to Rochester, Texas for the funeral of Mrs. Blaine's uncle, Bob Speck.

Mr. Speck was very active in civic and church affairs. He died suddenly Sunday after a heart attack.

Members present were Mes-

BABSON DISCUSSES — Recent Stock Market Breaks

Babson Park, Fla., March 7. — The 1951 dollar is worth only 38 cents compared with the 1913 dollar of 100 cents. World War I inflation took it back to 59 cents, while the depression of the thirties raised the value to 79 cents in 1933. Today's dollar is worth only 53 cents when compared with the 1939 dollar. What caused these changes is beginning to bother Wall Street.

THE CHEAPENING DOLLAR

The present downward cycle of the dollar started in 1933 when President Roosevelt depreciated the dollar by lowering its gold content, in order to try to drive prices up in the depression. The Gold Reserve Act of 1934 cheapened the dollar by 41 per cent. At that time the dollar was worth approximately 75 cents when compared with the 100 cent dollar of 1913. World War II accelerated inflation through high wages, strong demand for goods and services, and the shortage of such goods and services. Furthermore, the post World War era, characterized by its shortages of goods and buying scares, continued the spiral.

Two major contributing factors undermining the post war dollar are labor unions and price support. Through continued pressure labor leaders have been making wage demands in excess of an increase in the work output per man hour. Price supports have been such that in 1950, when we were in the midst of a boom, only six out of seventeen support crops were selling above parity. These supports are undermining the dollar because they strike at food prices. Wall Street is realizing that this kind of prosperity is one of "make believe."

WALL STREET GETTING SCARED

A little inflation may seem like a good idea to some of our economic planners. It is more of an opiate than good economic sense. Cheap money at first deceives people into thinking they are better off than they really are. The more of it they use, the harder it is to stop; and once you try to stop, the aftereffects are disastrous. Recognition of this is a primary cause of the recent break in stock prices. Although Wall Street wanted inflation two years ago, it is now frightened of it.

The various kinds of security that have been hardest hit are old age pension plans (both private and government), schools and colleges, hospitals, churches, and the like. Investors at last have come to believe that inflation creates more tragedies than deflation. This is evidenced by the increased demands made each year by the various Community Funds.

CHEAP DOLLARS AND TOTALITARIANISM

Communist resort to the cheap money inflation philosophy. They find it more effective than dope. The great Englishman, Lord Maynard Keynes, wrote shortly after World War I, "Lenin said that the best way to destroy the capitalistic system is to debauch the currency. By a continuing process of inflation, governments can confiscate, secretly and unobserved, an important part of the wealth of their citizens."

"This attack against savings strikes not only at security but at confidence in the equity of all existing corporations. Those to whom the system brings windfalls . . . become profiteers who are the object of hatred by the masses whom the inflationism has impoverished. As the inflation proceeds, the real value of the currency fluctuates wildly from month to month . . . and . . . permanent relations between debtors and creditors become utterly disordered so that legitimate business degenerates into a scandal and a lottery."

FAKE PROSPERITY
Present dollar business profits, plus fictitious inventory gains,

FORD FOUNDATION

America is expecting great things from the Ford Foundation which owns 90 per cent of the Ford Co., as men like Paul Hoffman, Robert M. Hutchins, Chester C. Davis, and Milton Katz are at the helm.

The foundation is probably worth a billion dollars. It was set up by the Ford family rather than turn the family fortune over to the Treasury Department. We think the Fords acted wisely, for while a billion dollars will run the United States Government only six days, it will benefit mankind for a generation when distributed through a good foundation. The Ford money will be devoted to five areas of human affairs: (1) to strengthen peace (2) to aid democracy, (3) to advance education, (4) to support the economic well being of society, and (5) to extend our knowledge of human behavior.

The foundation will be able to do these things without worrying about pressures from legislators, reactionary radio commentators, or rabble rousing orators. It can, for example, bolster the great and free private universities of America which since the war have faced financial problems.

Were it not for a paragraph in the revenue laws, this money would be distributed by Congress which does quite well in attending to Social Security, defense, banking, and a thousand other practical matters. But Congress cannot lead in social and educational experimentation on which the eminence of the United States rests. This can only be done by a group somewhat insulated from the whims of the voters.

For this reason we continue to favor tax exemptions for foundations, universities, churches, and certain other institutions . . . Clearly, a lot of tax-exempt institutions are misusing their wealth and are not benefiting mankind. But enough of them, like Rockefeller's and Carnegie—

plus inadequate depreciation charges, plus the huge dollar salaries and consequent illusion of prosperity have already dragged too many investors into thinking they are really prosperous. Wall Street is beginning to shudder when it thinks of the ultimate outcome!

CHRISTIAN SCIENCE SERVICES

That true substance is indestructible because it is infinite Spirit, God, is a leading thought in the Lesson-Sermon entitled "Substance" to be read in Christian Science churches on Sunday. "The foundation of God standeth sure, having this seal, The Lord knoweth them that are his," is the Golden Text from II Timothy (2:19).

The strength of trust in real substance is illustrated in these Bible verses (Psalms 125:1, 2): "They that trust in the Lord shall be as mount Zion, which cannot be removed, but abideth for ever. As the mountains are round about Jerusalem, so the Lord is round about his people from henceforth even for ever." Mary Baker Eddy has given this definition of Zion on page 599 of her textbook "Science and Health with Key to the Scriptures": "Spiritual foundation and superstructure; inspiration; spiritual strength." And she also says this, "The supremacy of Spirit was the foundation on which Jesus built" (p. 138).

You're off in a Swirl of Power!

WE'RE willing to wager that not one person in a hundred knows what really goes on inside an automobile engine—so let's take this by easy stages.

The instant you nudge Buick's Fireball 8 Engine into action—a whole string of things starts to happen.

Eight sparks begin to crackle in well-timed sequence. Eight pistons start gliding up and down with rhythmic precision. Eight pairs of valves dance open and closed—to let fuel charges in, exhaust gases out of cylinder after cylinder.

All right, you say, what's so complex about that? Can't anyone build an engine that does this to perfection?

Well, we'd better add, these things happen at the rate of more than 10,000 times per mile—and that's 100 times per second at 35 miles an hour!

So—it's important to know that Buick uses a deep-breathing valve-in-head design that shoots a fuel charge in—cleans exhaust gases out—in a hurry.

It's important to know that all the power released by the fuel concentrates its driving force right on the head of each Buick piston. (Everyone who has recently built "new" high-compression engines copied this "Buick first.")

But most important of all—Buick adds one more twist which others still haven't copied.

Every charge of fuel rushing into a Buick engine becomes a twisting, swirling, high-compressed ball that flashes with sudden, consuming completeness the instant the spark sets it afire.

And to add this all up: clean, complete combustion—10,000 times per mile—is the secret of getting more power—more

miles—from each gallon of gasoline.

So we're not simply using picture words when we tell you that Buick—and only Buick—has a FIREBALL ENGINE—or that you're off in a swirl of power with one of these high-powered performers under the hood.

1952 has brought a lot of sparkling new improvements which you'll want to see and admire when you come to our showrooms.

But the thrill of thrills is still what you and a Buick—and a Fireball 8 Engine—can do out on the road. When do you want to try a sample?

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

Use Of Good Planting Seed Called Good Insurance For A Top Yield

Farmers will need to use "every trick in the bag" to meet the production goals which have been set for 1952. The planting season is approaching in most sections of the state and farmers are reminded by L. C. Coffey, associate agronomist for the Texas Agricultural Extension Service, that only top quality seed should be used for seeding the 1952 crops.

He points out that certified seed are usually the best seed of a particular variety available. These seed come from fields that have been inspected during the growing season, have been properly handled at harvest time, cleaned, tested for purity and germination, and properly stored.

The blue tags attached to each sack of certified seed carry accurate information about the quality of the planting seed. These tags are issued by the State Department of Agriculture for use on seed which have met with certain high standards of purity and germination. In 1951, blue tags were issued for 91 varieties of 15 different crops grown in Texas.

Although certified seed may cost slightly more than other seed, the added expense is offset by the assurance of purity, higher percentage of germination and varieties that are adapted to Texas conditions, says Coffey. Seed of questionable

germination and purity may not be cheap at any price.

Get Seed Needed Now
 Coffey urges farmers to get the seed that will be needed for this year's crops now while supplies are adequate. Last minute seed shoppers may find the stocks depleted and thus will be forced to plant whatever is available. The use of poor quality planting seed may prove to be a year long handicap in meeting production goals warns Coffey.

Dalton Attends Appliance Show

B. A. Dalton, owner of the Western Auto Associate Store in Muleshoe, attended the Western Auto Major Appliance Show which was presented in Dallas, Sunday, March 9.

Mr. Dalton said that the show exhibited the many improved features of the complete 1952 Wizard major appliance line — including Wizard refrigerators, Wizard gas and electric ranges, Wizard gas and electric hot water heaters, Wizard washing machines, Wizard food freezers, and Wizard vacuum cleaners. Purpose of the show was to enable Western Auto Associate Store owners to make early, first hand selections, and thereby insure stocks for spring and summer customers.

"The 1952 Wizard appliance picture is a bright one," Mr. Dalton said. "In spite of shortages and other difficulties, Western Auto has forged ahead to improve Wizard Appliances and create new things for better living."

air bases throughout the country to teach aviation cadets how to fly.

Lt. Smith, upon completion of the course here, will be assigned to an Air Training Command base as an instructor pilot.

He comes highly recommended for this assignment, having a great deal of flying experience behind him. An Air Force pilot and a graduate of the USAF cadet training program, Lt. Smith entered cadet primary at Santa Maria, California and went on to basic at Moffett Air Force Base, California, winning his wings by graduating from advanced flying school at Mather

Air Force Base, California in July of 1942. He was stationed in the South West Pacific Theater of Operations for 18 months.

Prior to his flying days, Lt. Smith graduated from the Muleshoe high school. The pilot's wife, Jewel, is at present residing with her husband at Capp's Trailer Park in Selma, Alabama.

Johnson Wins Combat Badge

With The 45th Infantry Div. In Korea. — Pfc. J. D. Johnson, Friona, has won the Combat Infantryman Badge, symbol of the front line fighting man, while serving in Korea with the 45th Infantry Division.

The badge shows a tiny Revolutionary War flintlock rifle mounted against a blue rectangle which is surrounded by a wreath. The Oklahoma National Guard Division left the U. S. early in

1951 and trained extensively on the Japanese island of Hokkaido before it was committed to Korea in December.

A rifleman in the 180th Infantry Regiment's Company K, Private First Class Johnson entered the Army and joined the 45th Infantry Division in November 1950.

Phone Securities Attract Interest

Southwestern Associated Telephone Company's offering of 75,000 shares of 5 1/2 per cent Cumulative Preferred at its par value of \$20 per share has created considerable interest in financial circles.

Unlike most offerings, the stock is being offered by the company, instead of by underwriters, through a selected group of investment dealers who are acting as its agents. The company is assisting dealers by mailing to its users, as well as residents in adjacent territory, cards informing them of the issue. The recipients may secure a prospectus and supplementary information by signing and returning the cards to the company. Such inquiries are then turned over to dealers who, in turn, contact the prospect with the view of consummating a sale.

A plan similar to this was originated by Associated Telephone Company, Ltd. which serves in Southern California and which is controlled, as is Southwestern Associated by General Telephone Corporation. During the past five years, Associated Telephone Company has had phenomenal success using this method, having disposed of \$17,000,000 of its 5 per cent Preferred to approximately 10,000 stockholders, a large percentage of whom are its subscribers or residents of adjacent territory.

This announcement is neither an offer to sell nor solicitation of an offer to buy any of these securities. This offering is made only by the Prospectus.

Grain Loans To Mature March 31

Commodity Credit Corporation loans made on 1951 Crop Grain Sorghums mature March 31, 1952, according to announcement from the local PMA office for Bailey County.

This date also applies to farm stored grain sorghum loans, and to grain sorghums under purchase agreement.

Warehouse loans not repaid by March 31, 1952 will automatically become the property of the Commodity Credit Corporation on April 1, 1952. Farmers having loan under Farm storage agreement will also be requested to deliver their grain to the account of the Commodity Credit Corporation, if the loans are not repaid by March 31, 1952.

Musick Awarded Combat Med. Badge

With The 45th Infantry Div. In Korea. — Cpl. Gordon R. Musick, son of Mr. and Mrs. J. H. Musick, Arch Route, Baileyboro, has been awarded the Combat Medical Badge in Korea where he is serving with the 45th Infantry Division.

The badge, awarded only to frontline combat aidmen, is silver in color and consists of a miniature cross on a Medical Corps caduceus superimposed over a wreath.

Musick, a medical aidman in Medical Company of the 180th Infantry Regiment, entered the Army in October 1950 and arrived in Korea in November 1950. He formerly lived in Portales, New Mexico.

WEEK END VISITORS

Mrs. Otto Treider and Mrs. Jewel Treider of Lazbuddie visited over the weekend here with Mr. and Mrs. C. D. Julian.

Grocery Survey Planned By OPS

Several members of the Lubbock district office of the Office of Price Stabilization are in training and preparing to assist in a nation-wide business survey to get underway later this month.

The survey is to be a study of percentage markups in use by wholesale and retail grocers on products bought and sold in the period immediately preceding the outbreak of war in Korea, according to district OPS officials.

The nation-wide survey, which will be conducted by the OPS in cooperation with the Bureau of Labor Statistics, will be used to determine how the markups used in the agency's wholesale and retail grocery ceiling price regulations compare with the markups resulting from the margins grocers were using in the pre-Korea period, May 24-June 24, 1950.

IN TEMPLE THIS WEEK

Mr. and Mrs. O. C. Thompson and Mr. and Mrs. Ed Bursmith are in Temple, Texas, this week where they are going through the clinic.

SHE TAKES THE FEAR OUT OF DARKNESS

At night, when the rest of the town is asleep, there's a light burning in the telephone office. If you've ever needed her badly, the night operator sitting at the switchboard there is your best friend. When the baby wakes up with a fever, when the ugly menace of fire threatens you or your neighbor, when emergency demands reaching through the darkness to rouse someone in the next block or many hundreds of miles away, she stands ready.

A small service perhaps, but a priceless insurance policy against the insecurity of the night.

Missionary From China Is Honored

The Dorcas Sunday School Class of the First Baptist Church honored Miss Blanche Groves, a missionary in China the past thirty years, with a tea in the home of Mrs. Byron Griffiths Wednesday afternoon, March 12.

Mrs. Thurman White served mint punch and tea cakes to the guests.

The St. Patrick's Day theme was used in the decoration. The centerpiece for the serving table

was an agreement of white stock in a green Irish hat. The plate favors were shamrocks.

Miss Grove entertained with comments on Chinese customs, clothing, foods and her views on Communism which were very enlightening.

Those attending were Mesdames Eddie Lane, M. F. Green, Lee Pool, Faye Cox, Woodrow Surrat, Vernal King, Minnie Jones, E. E. Dyer, Will Harper, Edward Hicks, C. R. Black, D. L. Morrison, Arch Fowler, Ed White, Hoyt Morgan, Lela Barron, Wiley Bowers, Thurman White, Howard Cox, Byron Griffiths, and Rev. and Mrs. A. W. Blaine.

Mr. Burriss Is Dinner Honoree

The young married people's Sunday School Class of the Assembly of God Church honored their teacher, Z. N. Burriss, with a surprise birthday supper Saturday night, March 8.

After the 52 candles were blown out refreshments of jello, coffee, cocoa, and two large birthday cakes were served to the 47 guests.

They were Rev. and Mrs. Lee F. Stokes and family, pastor of the church, J. E. Burriss and family, Mrs. Wanda McCaige and baby daughter, Fred Crow and family, W. T. Hendrix and family, Hank Gripdstaff and family, L. Dalruple and family, Mrs. Opal Lambert, Marilyn and Ray, Jim Lewallen and family, H. L. Burriss and family of Springlake, Bobby Burriss and family of Texico, N. M., Floyd Burriss of Texico, N. M., and Mr. and Mrs. Deon Johnson of Seminole, N. M.

Christian Church Makes Progress

In May of 1950, Mr. and Mrs. L. C. Reece of Fort Worth came to Muleshoe to visit their daughter, Mrs. R. R. Holton. Being evangelists for the Disciples of Christ, their interest in the Church naturally led them to contact the members now resident in Muleshoe with the resulting conviction that there was a definite need for a Christian Church in this community. This need was called to the attention of The Texas Christian Missionary Society and their promise of support for such a project obtained by Mr. Reece.

The building belonging to Mrs. Dean located on Avenue D, 1/2 block east of Main Street was rented for the purpose of providing a place for holding evangelistic meetings. A series of meetings was begun on June 4 and continued through June 18, during which time some 25 persons signified their wish to be charter members of the Christian Church in Muleshoe and at the close of these meetings The First Christian Church of Muleshoe was established.

As no suitable rental property in which to hold services was available the newly organized congregation found it necessary to purchase the Primitive Baptist Chapel located at Shady Rest in order to have a meeting place and held their first worship

service there the 2nd day of July, 1950. At this service a Bible School was organized and since that date Bible School and Worship Services have been held in this building on each Lord's Day.

On August 1, 1950, Frank Reece was called to serve as minister of the newly organized church and continued to work with us through June 1951. Since then the congregation has been without a resident minister but through the efforts of the local membership and the assistance of laymen from The First Christian Church of Lubbock, regular services have been continued each Lord's Day.

In October 1951 the congregation purchased the home place of the late Grandma Robinson on Avenue G one block west of the Green Hospital and Clinic and the Chapel was moved to this new location shortly thereafter.

We have just closed a ten day preaching mission under the direction of Mr. L. C. Reece with the co-operation of the neighboring ministers of the Christian Churches in District 2 of Texas. As all talent was donated, the tithes and offerings received during these meetings were dedicated to the task of refinishing the building on the outside. The Ladies of the Christian Women's Fellowship have as one of their projects the re-decorating of the interior of the building.

At the present time, the program of work is moving forward under the following officers, Clyde Bray, Chairman of the Board, Mrs. Jack Epps, Clerk.

Mrs. G. T. Maltby, Treasurer and Mrs. W. D. Moore, Chairman of the Christian Women's Fellowship. G. T. Maltby is serving as Superintendent of the Bible School. Regular worship services on each Lord's Day will be supplied by the laymen of District 2 until such time as a regular minister can be obtained.

LOCAL PEOPLE WERE INJURED IN CAR ACCIDENT

Mrs. Naomi St. Clair this morning was still under treatment in a Cleburne, Texas, hospital for injuries she received in an automobile accident, near there last Friday. She was severely bruised—and has two broken ribs.

Mr. and Mrs. Pat Bulloch, her sister and brother-in-law, were riding with her. They were hospitalized also. Mr. Bulloch was released Saturday, Mrs. Bulloch Tuesday of this week. Mrs. St. Clair's son, Lowell Irvin, accompanied by Lloyd Alsop, went to Cleburne at once upon receipt of the news.

A car whose brakes were defective came onto the highway from a side road and crashed into the left side of the St. Clair car.

DEAD RIGHT

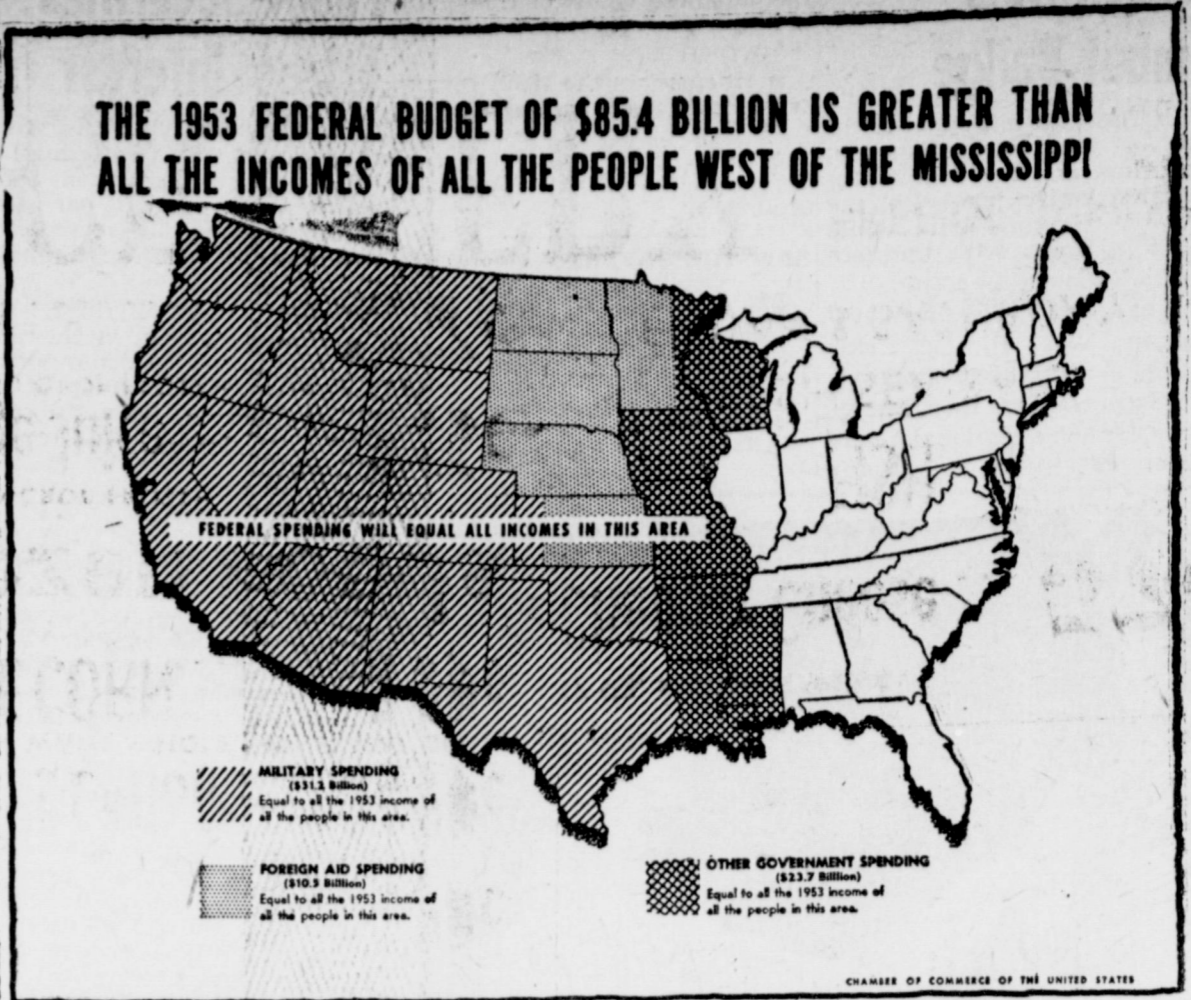

Here lies the body of Jonathan Gay;

He died maintaining his right of way.

He was right—dead right—as he sped along.

Bue he's as dead as if he'd been wrong!

THIS STARTLING PICTURE is the result of study by the National Chamber's Government Economy Program, based on figures from the U.S. Department of Commerce. Incomes of all people include all money that goes to individuals as wages, salaries, interest, rent, and dividends. Since latest Commerce Department figures available for the map were for 1950, the Chamber estimated total 1953 incomes at 15 per cent higher than those for 1950. Total 1953 spending under the President's budget would equal the incomes of all persons west of the Mississippi plus 96 per cent of the incomes in Wisconsin and all the incomes in Mississippi.
