

By John C. White, Commissioner

SEED TESTING PROCEDURE
There is an old farm maxim which states, "The harvest is no better than the seed."
You don't have to be a Biblical scholar to recognize the origin and wisdom of that saying. And right now is the time to prepare for sowing good seed in order to reap a high production harvest

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Dr. Caldwell's. Money back if not satisfied. Mail bottles to Box 280, New York 18, N. Y.

this fall. When you buy your seed from a dealer, the Tested Seed Tag required by law on all bags, tells you what to expect in germination quality and seed purity. Yet, what about that last year's crop of seed stored in the bin on your farm? Wouldn't it be a good idea to know as much about the qualities of your farm-grown seed as that which you buy at the store?

If you plan to sell some of that stored seed, the Texas Seed Act says it must be state inspected and tested. But whether you intend to sell or to plant it, a comprehensive test of the seed will pay dividends at harvest time.

Two laboratories are operated by the Texas Department of Agriculture for purity and germination tests. No charge is made for testing field seed of Texas residents but a fee of 25 cents per sample is levied for all vegetable and flower seed.

To expedite testing operations, a few suggestions are offered to the sender:

1. How To Take Samples. Only samples of re-cleaned seeds can be accepted. When you have five bags or less of seed, take a sample from each bag. If there are more than five bags, send samples from at least every fifth bag, but never less than five bags should be sampled. In sampling bulk seed, thrust your hand or a long probe into the

bin at least seven uniformly distributed spots.

2. Sizes Of Samples. Send 2 ounces of small seed like white or alsike clover and most grasses; 5 ounces of red or crimson clover, alfalfa, lespedeza, ryegrass, brome, millet, flax, rape or seeds of similar size; 1 lb. of sudan grass, sorghum seeds, proso and like sizes; 2 pounds of corn, cotton, cereals, vetches, cowpeas, or larger seeds.

3. Information Needed. Print your name and address, include the kind and variety of seed (the lab does not make varietal identification); the lot number or stock identification; the month and year of harvest and where grown; the test desired (whether purity, germination or both). If the seed has been treated, give name of material and rate of application.

4. Forwarding Samples. Samples should be mailed in cloth bags or strong cardboard containers. Paper bags and ice cream cartons are unsatisfactory since they usually burst in transit. Depending on your location, samples may be sent to either of the following addresses: Seed Laboratory, Texas Dept. of Agriculture, Austin, or Seed Laboratory, 116 Agricultural Bldg., Texas Tech College, Lubbock.

5. Tested Seed Labels. Labels are 1 cent each and one tag must be attached to each bag of seed offered for sale, showing the complete analysis and other information. Tags cannot be issued for seed tested for germination only. Include your order for tags along with the samples.

Phone Company Seeks Capital

The Genera Telephone Company of the Southwest announced in Dallas today that it was offering by means of a Prospectus 75,000 shares of its \$20 Par Value 5 1/2% Cumulative Preferred Stock in order to finance the continued expansion and development of its facilities.

The Company has made substantial additions to, and replacements of telephone plants during the last five years to meet the demand of the public for telephone service. This program is being continued in 1953. The Company estimates that gross construction will amount to about \$6,300,000, with retirements of approximately \$2,100,000, resulting in net additions to telephone plants of about \$4,200,000. Such construction consists principally of additions, improvements and replacements, including conversion of additional exchanges from manual to dial operation. The Company, which owns and operates telephone facilities in Texas, Oklahoma, New Mexico, Louisiana, and Arkansas, converted a total of 21 exchanges from manual to dial operation in 1952.

From where I sit... by Joe Marsh

Chip Pulls a "Pip"

Chip Hanson is a clever commercial artist. Beside doing cartoons on our paper, he picks up "free lance" drawing jobs.

Right now he's whipping up posters for the Safety Campaign. They all have headlines like "PLAY IT SAFE! . . . OR, 'A LIVE WIRE CAN START A FIRE!'"

Chip looked a bit sheepish yesterday. Didn't want to tell me why. Finally he blurted out, "I feel like a dope. Here I am on this safety program and the fire inspectors tell me my own studio's a fire trap. I've been storing paint there for years . . ."

From where I sit, what happened to Chip could happen to anyone. He was just too busy informing everyone else about safety - not realizing his safety was threatened. Like those who fret about their neighbors - whether they can afford a new house, whether they should have coffee or a glass of beer with lunch - Chip simply forgot to "draw" some obvious conclusions about himself!

Senate Bill No. 126 Is Amended At Insistence Of Water District

Lubbock, April 8 - The Board of Directors of the High Plains Undergrround Water District were fearful of Senate Bill No. 126, as passed by the Senate creating the Canadian River Municipal Authority. This bill, if passed by the House, would have enabled the Canadian River Authority through the cities within the bounds of the district to have collected water that could have been delegated directly to the Authority, but could have been brought about through mutual agreement with the member cities of the Canadian River District.

It was the feeling of the Board this pipeline could have been a pipeline from the cities instead of one to the cities.

After several meetings with directors of the Canadian River project, an agreement was reached which completely withdrew the right to develop underground water in any manner by the Canadian River Authority. All members of both groups were in perfect agreement and each heartily pledged their support to the project.

It is the belief of the directors

of the High Plains Undergrround Water District that any method of securing an additional supply of water should be pursued to its fullest extent. However, it does not believe the ground water of the High Plains should be put up as additional collateral to accomplish this purpose.

Directors of the High Plains Water District are to be in Austin for the hearing April 8, to support the Canadian River project and urge rapid passage of the bill by the House.

CHRISTIAN SCIENCE SERVICES

The question, "Are Sin, Disease, and Death Real?" will be discussed in the Lesson-Sermon in Christian Science churches Sunday. The Golden Text of the lesson is from Proverbs (12:28): "In the way of righteousness is life; and in the pathway thereof there is no death." And from Habakkuk: "Art thou not from everlasting, I Lord my God, mine Holy One? we shall not die. Thou art of purer eyes than to behold evil, and canst not look on iniquity" (1:12, 13).

In "Science and Health with Key to the Scriptures," Mary Baker Eddy, the Discoverer and Founder of Christian Science, explains that God's man is not truly subject to sin, disease and death because God's creation was finished and pronounced good. "God is as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this triad of errors, - man who is made in the divine likeness?" (p. 356).

PICTURES AVAILABLE!

If your farmstead has been pictured in The Journal's "Mystery Farm" series or if it is pictured in the future, remember you have one free picture waiting for you here in The Journal office. CONTINENTAL RED SEAL

LPG IRRIGATION ENGINE

FEATURES

- 10:1 compression ratio.
- Positive rotating exhaust valves. Sodium cooled valves available.
- Silchrome inlet valves and valve stems.
- Stellite-faced exhaust valve seat inserts.
- Full length water jackets.
- Aluminum pistons, with chrome top ring.
- Non-corrosive heavy duty bearings.
- Safety controls to protect engine from possible damage.
- Exhaust manifold with dual outlets.
- Cold intake manifold - no heat transfer from exhaust.
- Furnished with wood skid. Metal skid available.
- Friction throttle control. Governor available.
- Top oiler available.
- Engine furnished with distributor, generator, starter, ignition coil, direct drive power take-off, water temperature gauge, oil filter, air cleaner, LPG carburetor and reglator. Available also as an open or closed power unit.

GENERAL DESCRIPTION

Continental Red Seal LPG Irrigation engines have been developed and perfected under actual field conditions, with more than 50 years of manufacturing "know how" behind every feature. Parts most subject to wear have been engineered with generous safety factors, for rugged, heavy duty performance.

Designed for LPG, which enters the combustion chamber as a dry gas, crankcase dilution is eliminated and the oil may be used for much longer periods without fear of thinning out or losing its lubricating quality. Harmful deposits are reduced to a minimum and valves, cylinders and moving parts lubricated from the crankcase last longer.

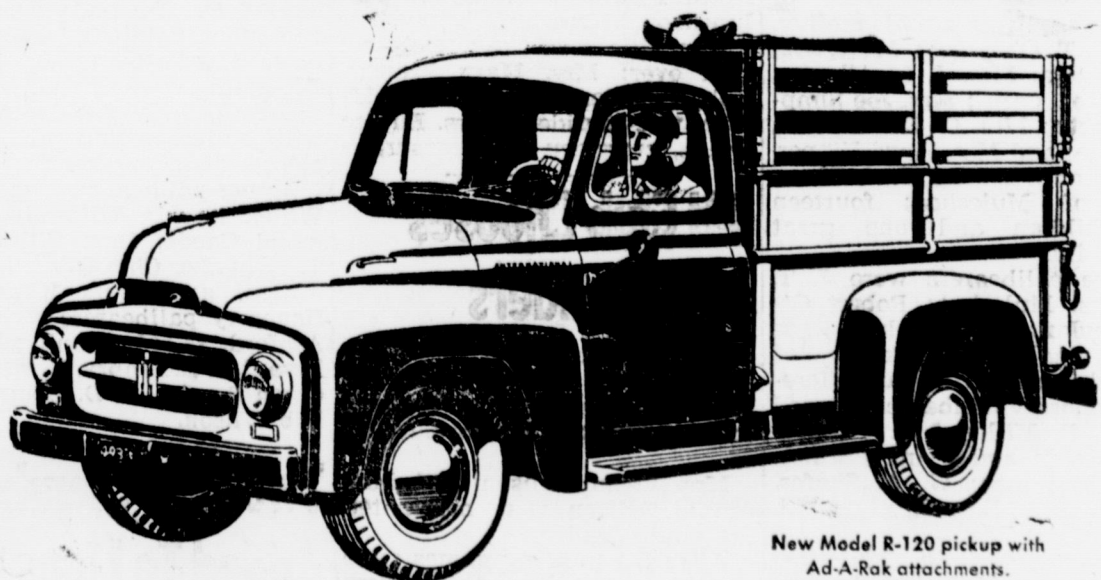

All of these features, plus the lower cost of LPG, result in more economical operation and lower maintenance costs for years to come.

McKinstry Students Present Musicales

Piano pupils and their mothers gathered at the home of Mrs. am McKinstry on Saturday, March 21, at 4 p. m. for a musicale. This was the first program which Mrs. McKinstry has presented her students since moving to Muleshoe.

Students participating in the program were Janet Franz, Barbara and Carolyn Hinkson, Davy Jean Anderson, Jimmy, Winston and Sherry Allison, Rosemary Pool, Nan and Susan Allison, Melinda Harris, Lois and Wanda Wimberley, Veta and Carolyn Allison, Linda Lancaster, Alva Shofner, and Ellen Allen who sang, "Welcome, Sweet Spring-time" as this was the first day of spring and "Alice Blue Gown".

Other students who started their lessons too late to be on the program are Kayla Smith, Earlene Peterson, Irene Head, Kay Lenderson, and Rosealean and Minnie Redwine.

Hastesses for the occasion were Mesdames J. T. Shofner, Lee Pool, Oscar and Harold Allison.

Fidelis Class Has Easter Meeting

The Fidelis Class of the First Baptist Church met Thursday, April 2, in the home of Mrs. R. L. Jones with Mrs. M. F. Green as co-hostess. Mrs. Clinton Bristow, president, presided during the meeting.

Mrs. Cecil H. Tate gave the devotional on "Christ Before the Crucifixion." A business session was then held.

Members present were Mesdames Ray Griffiths, Joe Damron, Tye Young, Roy Brashear, W. B. McAdams, C. M. King, Pat Bulloch, Clinton Bristow, A. W. Crow, J. V. Peeler, F. H. Davis, L. T. Green, C. H. Tate, the hostess and co-hostess.

The next meeting will be held in the home of Mrs. W. B. McAdams with Mrs. J. V. Peeler as co-hostess on Thursday, May 7.

Mrs. Faubus Hosts Philathea Circle

The Philathea Circle met in the home of Mrs. Ruby Faubus Thursday, April 2, for a lesson on

the Book of Acts, led by Mrs. Hanks.

A short business session was held.

Members present were Mesdames Gladys Black, Margaret Hough, Joy Whitte, Ida Mae Shofner, Helen Gardner, Melzine Elliott, Sammy Allison, Jeri Farrell, Dorothy Wyer, H. W. Hanks, and the hostess.

The next meeting will be in the home of Mrs. Waneen Ragsdale on Thursday, April 16, at 7:30 p. m.

Hobby Day Planned By H. D. Club

The Progress Home Demonstration Club met Thursday, April 7 in the home of Mrs. Edward Little for their regular meeting with one guest, Mrs. J. S. Alexander. Mrs. Alexander is the mother of Mrs. John Thomson. There were twelve members present.

Mrs. Wilbur Thomas, the president, called the meeting to order and roll call was answered by naming something that each had made the past year. Regular business was enacted and a Personal Service committee composed of Mrs. Manuel Self, Mrs. Arnold Gross and Mrs. Edward Little was appointed. Reservations for the District Meeting were taken.

Due to the absence of Mrs. Dian Reed, the agent, the planned program was postponed until the next meeting of the club. The club adjourned and the rest of the afternoon was spent in visiting.

Mrs. Wilbur Thomas was remembered with an anniversary gift from her Secret Pal.

There will be an extra meeting for the purpose of working on Hobbies on Thursday, April 16, in the home of Mrs. Arnold Gross, 1201 West 13th in Muleshoe. A different craft, making earrings with rickrack will be demonstrated by Mrs. Harold Mardis. Anyone interested will be welcome to attend. Bring a covered dish for luncheon.

A refreshment plate, consisting of sandwiches, doughnuts, and punch or coffee was served by the hostess, Mrs. Little, to the guest, Mrs. Alexander, and members, Mesdames Albert Davis, J. J. Gross, Harold Mardis, John Thomson, Odell Logan, Gordon Murrah, Arnold Gross, Ray Quisenberry, Wilbur Thomas, G. T. Maltby, and Manuel Self.

The next regular meeting will be Tuesday, April 21, at 2:30 p. m. in the home of Mrs. Wilbur Thomas. Mrs. Dian Reed, the Home Demonstration Agent will give the program.

CARD OF THANKS

Study Club Has Guest Night

"Lavender and Lace" was the theme of the Guest Night meeting of the Muleshoe Study Club Thursday night, March 26, at the Fellowship Hall. Mrs. Milton Forbes and Mrs. Lee Pool registered ninety-three guests and members as Miss Gwyneth Big-ham provided a background of salon music.

A gracious welcome was given by Mrs. M. F. Green, club president, and she introduced Mrs. Maurine Dunn of Friona who presented Jackie Burton, Carolyn Burge, Sandy Warner, Tish Butts and Nita Schmitz in a colorful costume dance skit.

Mrs. A. J. Gardner, program chairman for the "Lavender and Lace" program, introduced Mrs. Glenn Dunn, a member of the local club, who reviewed "The Mother of the Smiths" by Lorraine Carr.

A beautiful centerpiece of lavender pompoms and heather entwined with lace and flanked with tall lavender tapers on a white madiera cloth carried out the lavender and lace motif at the refreshments table. Spiced tea, cookies and mints were served with "lavender and lace" sachet plate favors.

Millen Heads Bailey County Farm Bureau; Reviews Legislature's Work

The directors of Bailey County Farm Bureau met Monday night, April 6, and elected officers for the year. W. T. (Bill) Millen was elected President, O. C. Thomson, 1st Vice-president, A. W. Copley, 2nd Vice-president. Joe Sooter was elected Secretary Treasurer.

Members present at directors meeting were: Lester Howard, W. T. Parker, Oliver Thomson, Ray Carter, Loyd Stevens, Truitt Smith, Robert Blackwood, J. D. Black, H. E. Schuster, Jimmie Wedel. Other important matters were discussed pertaining to Farm Bureau on both local and state levels. One of more importance was this:

Several state government departments, such as the Texas A. & M. Extension service and ex-

periment stations, will have to do without needed appropriation increases this year if the economy bloc in Austin has its way. Right now, the bloc backed by the administration, is determined to hold out for no increases in appropriations.

The general appropriations bill is in a free conference committee of the House and Senate. Starting out in the House as H. B. 111, the bill was almost identical with the recommendations submitted in the Legislative Budget Board report. The House did grant an emergency \$91,500 for controlling pink bollworm infestation. When H. B. 111 got to the Senate, the upper house substituted and quickly passed its own bill which calls for about 5 1/2 million dollars more than the House bill. However, the Senate bill did not include the emergency increase for controlling pink bollworm. Neither legislative body carried out Farm Bureau's strong recommendations for increased appropriations for the Extension Service and Experiment Stations.

Our information is that the conference committee will report out a bill that will hold appropriations to the level of the last biennium. If this happens, it will mean that all state departments would be operating for four years under the same budget with no increases to offset the rise in the cost of living.

In the case of the A. & M. College extension service, it would mean no increase since 1949.

What will be the result of these supposed economy measures?

Will it not be natural for the better-trained personnel to continue to leave public service for more lucrative positions where their pay will be commensurate with their ability? This "economy" drive will result in a deterioration of state programs and services. In the long run, it could cost you much more than a small increase now.

As mentioned above, the 53rd Legislature has failed to grant an emergency increase for pink bollworm control and an increase for the extension service and experiment stations.

At the present, the extension service has three (3) county agent vacancies and forty (40) county home demonstration agent vacancies. (There are 252 counties that have regular county agents.) In addition, the "turn-over" in personnel is becoming more and more of a problem. There were 120 changes in county agents last year. Many of the better agents are leaving for jobs in other fields.

The Legislature has also ignored the strong request by the Texas Farm Bureau Federation for more funds to carry on vitally needed research through the experiment stations.

The appropriations bill is due to be reported out of the free conference committee the middle of next week. If both houses concur on the bill, it will become law. If either house fails to concur, it will have to be reconsidered, perhaps by a new committee.

The directors voted to send a telegram to Rep. Jesse Osborn and Sen. Andy Rogers as follows: In regards to H. B. 111 the Bailey Co. Farm Bureau wishes to advise you that we are in favor of increased appropriations for the extension service and experiment stations, also the emergency measure for controlling pink bollworm. We believe this economy drive will result in a deterioration of state programs and services.

CONCERNING TYPOGRAPHICAL ERRORS — The editor of a small town newspaper, when taken to task because of an error in his newspaper, came up with this answer: "Yes, we know there were some errors in last week's newspaper. We will further agree that there were some errors in the issue of the week before. But before bawling us out too unmercifully about it, we want to call your attention to these facts — In an ordinary newspaper column, there are 10,000 letters, and there are seven possible wrong positions for each letter, making 70,000 chances to make errors and several million chances for transposition. There are 48 columns in this newspaper, so you can readily see the chances for mistakes. Did you know that in the sentence, "To be or not to be," by transposition alone, 2,759,022 errors can be made? Now aren't you sorry you got mad about that little mistake last week?"

McKINSTRYS HAVE GUESTS

Dr. and Mrs. Kenneth Osborn and daughter, Becky, of Lovington, N. M., visited in the home of Mr. and Mrs. Sam McKinstry for the Easter holidays and attended the Muleshoe Methodist Church services.

Sunday evening a birthday celebration for Mrs. McKinstry and Susan Allison was held in the home of Mr. and Mrs. Oscar Allison. Mrs. Osborn is the daughter of Mrs. McKinstry.

VISITORS FROM OKLAHOMA

Mr. and Mrs. Keith Levy and children, Janis and Thomas, of Elk City, Okla., visited Saturday in the home of Mrs. Levy's grandparents, Mr. and Mrs. W. H. Kistler.

Interesting New Book In Library

Among the new books in the Muleshoe Public Library is "Stephanie," by Ilona Karmner, the setting of the story being a room in a Swedish hospital for the handicapped.

The book concerns the lives of three patients in room N. 2, and how they are changed by the hospital and each other. They are Stephanie, a Polish refugee, determined to have a normal body after the disfigurement of the Ghetto and concentration camp; Froken Nilson, the spinster, whose broken leg cannot bear the gross weight of her secret feeling; gentle 16 year old Thura, having infantile paralysis keeps her completely immobile.

No one dreamed it would be Stephanie who changed the lives of Thura and Froken Nilson. The author of this novel writes from her own experience. At the end of World War II she was hospitalized in Sweden for injuries received in a Nazi concentration camp.

Polio Chapter Officers Chosen

J. V. Peeler was reelected chairman of the Bailey County Chapter for Infantile Paralysis at a meeting of the board held Monday in the Post Office Cafe. Other officers elected include: W. Q. Casey, vice chairman; Mrs. Clyde Holt, secretary; Mrs. W. B. LeVeque, treasurer.

Directors also were reelected, as follows: Cecil H. Tate, Noel Woodley, Buford Butts, J. M. Forbes, Pat R. Bobo, and R. P. Sanders.

Mr. Casey was drive chairman for the county in the campaign for funds held during January, and Mr. Peeler said more money to fight the dread disease was raised by the people of the county than ever before. The people contributed \$3,106.01.

Mr. Peeler pointed out the Red Cross Bloodmobile will be in Muleshoe again Monday, April 27, to collect blood, much of which will be made available for gamma globulin, in a new method that it is believed will give at least temporary immunity from polio. He added his appeal to the people to support the Red Cross in this drive for a quota of 200 pints of blood to be given by county people.

Clovis Men Get 5 Years In State Penitentiary

Fred Allen and Harry Finning were sentenced to 5 years in the penitentiary in District Court for Bailey County Monday, April 6. Both men waived jury trial and

entered a plea of guilty before the court. District Attorney Joe Sharp presented the evidence, and Judge E. A. Bills rendered the sentence.

The pair had been apprehended in Clovis, New Mexico for the same charge and had finished serving 13 months in the penitentiary in Santa Fe. They waived extradition and were brought to Bailey County for trial.

RAN INTO STORM

Mr. and Mrs. Eddie Lane and daughter, Mrs. Charles King, attended a Lane Reunion held last week end in Waco. Returning Sunday they ran into a terrific rain storm around Rising Star. Things look good down in Central Texas now, they said.

W. S. C. S. Packs Overseas Boxes

The Woman's Society of Christian Service of the First Methodist Church met in the church sanctuary Monday, April 6, for their regular business meeting. An inspiring devotional was brought by Mrs. Roy Bayless who

read the Easter scriptures. She commented on "The Wonderful Things of God." Prayer was led by Mrs. H. W. Hanks.

Mrs. F. B. Pierson appointed a nominating committee to select officers for the coming year. Mrs. R. O. Gregory, Mrs. W. D. Moore, and Mrs. Arnold Morris were the committee members chosen.

Mrs. J. E. Day reported on the Easter cards sent to college students and service men. Minutes

of the previous meeting were read and approved.

The society was dismissed with prayer by Mrs. W. D. Moore. Several boxes were packed for shipment overseas and to the Wesley House.

Present were Mesdames C. R. Farrell, Roy Bayless, F. B. Pierson, H. W. Hanks, J. E. Day, H. O. Barbour, J. C. Wollard, R. O. Gregory, H. Jay Wyer, W. D. Moore, Arnold Morris, and Little Claudia Huber and Virginia Bayless.

T. E. L. Class Meets In Dyer Home

The T. E. L. Class of the First Baptist Church met Tuesday, April 7, in the home of Mrs. Grace Winn for a business and social meeting.

Mrs. Allene Dyer, president, presided over the meeting.

Mrs. Harlan led in prayer and Mrs. Paul brought the devotional. The class then sang "Ready", directed by Mrs. Hale.

Minutes were read and approved and new and old business was discussed. Group captains gave good reports. Mrs. Hale then sang "The Cross He Gave May Be Heavy."

The closing prayer was led by Mrs. Hale. Members present were Mesdames Hale, Snow, Motheral, Dyer, Finley, Shook, Benson, Harlan, Wilson, Spence and Young. Lovely refreshments of cake and ice cream were served by the hostess, Mrs. Grace Winn.

Sunrise Service Held Easter

A beautiful sunrise Easter service was given in the Methodist Church at 6:30 Easter morning. The program was presented by the Methodist Youth Fellowship, the intermediates and juniors under the direction of Horace Edwards.

The trumpeter, Jimmy Wilkerson, began the program. After the processional hymn by the Youth and intermediate choirs, the call to worship and the invocation were given. The Lord's Prayer and a hymn by the choir were followed by a scripture reading by Ellen Allen.

Other selections on the program were an Easter poem by Jean Montgomery, a solo by Keith Gaede, and Easter meditation by Roald Johnson. After the anthem by the intermediate choir, the benediction was given. LaVon Copley was organist.

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas — GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return thereof, in a newspaper printed in Bailey County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO Charles Cook; the heirs, unknown heirs and legal representatives of Charles Cook, deceased, and their heirs and legal representatives; the heirs, unknown heirs and legal representatives of Elias Riddle, deceased, their heirs and legal representatives; and the heirs, unknown heirs and legal representatives of Novella V. Riddle, deceased, their heirs and legal representatives, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court, 64th Judicial District of Bailey County at the Courthouse thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of April A. D. 1953, to Plaintiff's Petition filed in said court, on the 4th day of March A. D. 1953, in this cause, numbered 1782 on the docket of said court and styled G. V. Coker, Plaintiff, vs. Charles Cook, et al, Defendants.

And in which said suit G. V. Coker is plaintiff; and Charles Cook; the heirs, unknown heirs and legal representatives of Charles Cook, deceased, their heirs and legal representatives; the heirs, unknown heirs and legal representatives of Elias Riddle, deceased, their heirs and legal representatives; and the heirs, unknown heirs and legal representatives of Novella V. Riddle, deceased, their heirs and legal representatives, are defendants; the plaintiff and defendants herein named being all the parties to this suit.

A brief statement of the nature of this suit is as follows: Plaintiff sues for title and possession of 150 acres of land in Bailey County, Texas, being the NE-4 of Sec. or Survey No. 22, Block "Y", of the W. D. and F. W. Johnson Subdivision No. 2, less 10 acres sold to Bailey County by C. L. Hagemeier, and less the oil, gas and minerals reserved by W. F. Hays and wife in their deed to Guy A. Gattis. Plaintiff alleges he is the owner of said land and that defendants unlawfully claim an interest therein; and plaintiff pleads the three, five and ten years limitation title; as is more fully shown by plaintiff's petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Muleshoe, Texas, this the 4th day of March, A. D. 1953.

Attest: M. G. BASS, Clerk, District Court Bailey County, Texas

J. M. FORBES Editor and Publisher

BABSON Discusses —
Korea And Your Job

New York City, April 9 — Readers will be interested in remembering that two weeks ago in this column I stated: "Churchill could be a great factor in bringing the Korean War to an end. Therefore, I still believe that 1953 will see a Korean truce unless one of the satellites kicks over the apple cart."

WHAT A TRUCE MEANS
A truce merely means cessation of fighting to ascertain if terms for peace can be arranged, but chances for peace are, of course, greatly enhanced by an armistice. If peace should come in Korea, what would it mean to the average American? Perhaps the most immediately important effect would be the loss of overtime and other extras which have come to be considered as fixed wages. Some families are already frantic, especially those with teen-age children, who claim they will be "disgraced" if the car, or television, or fur coat is taken away from them. During a truce these people, at least, will be cautious about future installment commitments.

Peace in Korea does not mean that our rearmament program will be cut down this year. Already too many families are cutting down on meats, doctors, dentists and other expenditures which the neighbors do not know about. This explains the record decline in the sale of some commodities, due, in part, to a fear of Korean Peace.

BUSINESS CYCLES
It certainly seems as if some manufacturers of products now sold on shaky installments will sometime be headed for trouble. As these goods are taken back

and repossessed, the stores where they were purchased may buy fewer electrical appliances, furniture and fur coats. If so, this may cause manufacturers to reduce their employees and hence cause some unemployment. But it is a mistake to get frightened about this now.

Just as prosperity rolls up like a snowball when employment is increasing, the snowball quickly melts when unemployment gets under way. We are now in the first stages, with the cutting off of overtime and perhaps one shift. Deflation has already taken the place of inflation. The 53 cent dollar which I advised "buying" during 1952 is already worth more.

DEPRESSIONS APPEAR NECESSARY
I dread going through another period of unemployment, but I really believe that such may someday be necessary to correct the evils of waste, inefficiency and dishonesty which develop during "good times." Unfortunately, we learn only through adversity.

Furthermore, the sooner such corrections take place, the better off we all should be. Those who now give their best to their employers will be the last to be laid off, if ever. The first to be discharged are the lazy clock watchers who, when applying for their jobs, asked: "What's the pay? How many hours? Do I get Saturdays off, and what about coffee?"

BETTER CHANCES FOR YOUTH
Young people claim that they have not the opportunities which their parents had. They talk about the "big corporations" doing all the business and supplying all the jobs, affording little chance to small businesses. I don't admit this to be true. There are more opportunities now than ever before for young men to get into business for themselves if they will work ten hours a day, for six days a week, and save money, the same as I had to do.

Good salesmen are needed now more than ever. Good salesmen backed by good advertising are the life blood of every business. They need no labor unions and are always well paid. They are never found amongst the unemployed. Hence, for their hard work "pounding pavements and ringing door bells" they need not ever fear being caught by installment purchases or any financial difficulties, under any conditions. In view of the news from Korea, these salesmen should now work harder than ever. In short, I believe we may sometime suffer from unemployment, but a Korean Peace need not bring this about. The Free Nations will still be fighting Russia's determination for World Supremacy. Therefore, no one should now get panicky over the prospects for a Korean Peace. We should think of our boys over there and thank God for the hopes of peace.

SAND HILLS PHILOSOPHER SAYS —

Einstein's New Theory May Be Fine For Albert, But Not Him

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is in pretty deep water this week, but he probably lands in the shallows before his letter ends.

Dear editor:
I read in a copy of a newspaper which was wrapped around some vegetable plants my neighbor gave me yesterday, I guess it was a pretty nice gesture and I appreciate it, but givin me some plants to set out is about as neighborly as givin a man who asked for some firewood an ax. I say, I read in this paper where Albert Einstein has come up with a new theory of the universe.

As I understand the matter, he has a new formula which explains the universe, but nobody understands the formula and as far as I'm concerned I believe I'd just as soon be baffled by the universe as baffled by a formula about the universe. If you can't understand what any women are nag-

DEATH HAS NO VICTORY

O death, where is thy sting? O grave, where is thy victory? Corinthians 15:51-58.

While sitting on a porch and looking out upon the river Euphrates, I write these lines. Across the river, in the fields, more than one hundred thousand Christians a generation ago chose death through torture and starvation rather than deny their Saviour and live in comfort. They died praying the last prayer of Stephen: "Lord, lay not this sin to their charge."

As one walks in those fields today, human bones in the sand still remind one of their great witness for the Saviour. This is not a story of past ages, but it is twentieth century history. Men and women of our own days have preferred death to a Christless life of ease.

At this time of the year when we ponder Christ's great sacrifice for our salvation, it is well for us to examine ourselves and see how deep our faith is. What degree of sacrifice are we ready to make for the sake of our witness for Christ?

PRAYER

Our Father, the cross of Jesus and the example of those who have followed in His steps remind us that spiritual death is far more to be feared than physical death. Help us to witness for Him at all costs. In his name. Amen.

THOUGHT FOR THE DAY

"The sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us."
P. C. Krikorian (Lebanon)

Matched Roping At Levelland

A matched roping event between Toots Mansfield of Big Spring, Texas and J. D. Holleyman of Ozona, Texas has been scheduled along with a Jack Pot Roping event on April 12 at the Levelland Rodeo Arena. The Jack Pot roping is expected to draw many entrants from rodeo enthusiasts of this area.

The matched roping pits the talents of two world champion ropers. Each will rope and tie 10 wild Brahma calves weighing over 200 pounds each. An indication of the hot competition between the two men may be seen by the results of a March 21 event at the Phoenix, Arizona World's Champion Rodeo. Holleyman posted the best time in calf roping with 12.4 seconds and Mansfield teamed with Sonny Edwards, also of Big Spring, to take first in team tying.

Also scheduled in connection with the roping event will be a dance the night of April 11 at the Rodeo Association club house, sponsored by the Levelland Rodeo Association.

The Levelland Jaycees are now stances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 1900.

(SEAL)

Herbert McClurkin Rites Are Held

Herbert Leon McClurkin, Spur jeweler, died in his home April 1. He is the father of Mrs. Dian Reed, county home demonstration agent. Funeral services were held at the Spur Methodist Church at 2 p. m. on April with Rev. Cal Wright officiating. Interment was in the Spur cemetery under the direction of Campbell Funeral Chapel.

Survivors include his wife, three children, Mrs. Selba Campbell of Rotan, Mrs. Dian Reed of Muleshoe and Joel McClurkin of Spur; one grandson, Mark Campbell; two sisters, Mrs. Margaret Hess of Jacksboro, and Mrs. Mary Hutchens of Corpus Christi; and two brothers, James of Corpus Christi and Fred of Jackson, Miss.

Bureau Elects New Directors

The Bailey County Farm Bureau held its annual meeting Thursday night, April 2, at 7:30 in the Muleshoe high school auditorium. President Oliver Thomson presided. H. E. Schuster, Sec. Treas. kept the minutes.

Dean Harmon, of Tullia, was principal speaker for the evening and his subject was on different phases of underground water.

Jesse Osborn, state representative, made a very interesting talk about water legislation, and also good work performed by the Farm Bureau assisting the legis-

The group was highly in favor of work performed by Mr. Osborn in the legislature in Austin.

Motion was made by H. B. Black, seconded by Carol Jones that the officers recommended by the nominating committee be elected by acclamation and the vote was unanimous.

The following were elected: Bill Millen, Joe Sooter, Jimmie Wedel, Ralph Ethridge, Earl Darsey, H. E. Schuster, W. T. Parker, J. D. (Pete) Black, Oliver Thomson, Robert Blackwood, Lester Howard, John Gunter, M. H. Skinner, Truitt Smith, Raymond Aiken, and Loyd Stevens.

Free coffee and doughnuts were served, and a good time was enjoyed by all.

Consumers Fuel Meets April 15

The annual meeting of the Consumers Fuel & Supply Co., is scheduled to be held the coming Wednesday night, April 15. The meeting will be held in the dining room of Gerald's Cafe after the meal. The meeting will take up at 8:00.

Two directors are to be elected and other business attended to, including the annual report of G. A. Sahl, the company auditor.

Harry Engelking is president and C. W. Weeks secretary of the organization. Wayne Kindred is the manager.

The members are expected to come and bring their families for this annual affair.

RETURNS FROM CALIFORNIA

Mr. and Mrs. J. M. (Mont) King returned last week from a three week trip to the West Coast and other points of interest. While in Long Beach, Calif., they attended the broadcast of "The Old Fashioned Revival Hour."

Relatives whom they visited enroute to California were their son, Jim King and family of Espanola, N. M., her mother, brother and sister and their families, Mrs. L. A. Rowe, W. C. Rowe, and Mrs. J. F. Temple, all of Roswell, N. M., another son, Loyd King and family of El Centro, Calif., and his sister and family, Mr. and Mrs. W. H. Parsons of San Diego, Calif.

About 300 Boys And Girls Attend Easter Egg Hunt

The Easter Egg Hunt held at the Cox Drive-In Theatre Sunday was a success in spite of the weather. About 300 boys and girls searched for the eggs in order to win the prizes donated by Wagon Grocery, E. R. Hart Co., St. Clair's Variety Store, Cash Wagon Grocery and Piggly Wiggly. First prize was a beautiful Easter Basket won by Cliff Jones with his high of 19 eggs found

by one hunter. Howard Cox said that by the fact that so many boys and girls turning out in spite of the weather made him feel that a bigger and better hunt would be in store for the youngsters next year.

Pete Freeman Buys Wood Laundry

Pete Freeman has recently purchased the Wood Laundry located on East 2nd Street. Pete will rename the business and is going to call it the Freeman Laundry.

Mr. and Mrs. Freeman are well known in the Muleshoe area because they were both residents here for many years, before they went to Portales and farmed.

Pete and his wife both said that they were happy to be back home again.

A CARD OF THANKS

We wish to express our appreciation of the kindness that was shown us in our time of grief and sorrow, and to the many friends that brought food for our comfort and need; also for the flowers that were sent in memory of our loved one's passing on May God bless you all.

Mrs. B. J. Obenhaus Mr. and Mrs. Lester Obenhaus Mr. and Mrs. Elmer Eason Miss Hazel Obenhaus Mr. and Mrs. Harve Brown Mr. and Mrs. Virgle Obenhaus Mrs. W. T. Obenhaus

NEW BOOKS ADDED TO PUBLIC LIBRARY

New books which have been added to the local public library recently are "The Intruder" by Helen Fowler, "Seed of Michief" by Willa Gibbs and "Stephanie" by Ilona Karmel.

ANNUAL SUDAN C-C BANQUET IS SET APRIL 17 IN CAFETERIA

SUDAN, April 4 — The date of April 17 has been set for the annual Sudan Chamber of Commerce banquet. It will be held in the Sudan grade school cafeteria and the public is invited.

Drew Watkins has been named chairman of the entertainment. Guest speaker will be announced later. James P. Arnold is chairman of the banquet committee, and George Reinhardt, Jr., is in charge of the ticket sales.

During the program, new officers for 1953-54 will be introduced. Wayne Brown, retiring president, will give a summary of last year's work of the organization. Joe Smith is the new president.

REFLECTIONS

Greatest handicap — Fear.
Best Day — Today.
Easiest thing to do — Find Fault.
Greatest comfort — Work well done.
Worst bankruptcy — Loss of enthusiasm.
Best gift — Forgiveness.
Greatest knowledge — God.
Meanest feeling — Regret at another's success.
Greatest thing in all the world — Love.

West Texas CofC Approves Water Bills And Proposed Amendment

ABILENE, April 8 — Directors of the West Texas Chamber of Commerce have endorsed eight bills and a proposed constitutional amendment dealing with surface water that are before the Legislature.

The bills were prepared and introduced as a result of work of the Governor's State Wide Water Committee, of which J. B. Thomas, Fort Worth, is chairman. The WTCC worked with the governor in organization of the committee and participated in the deliberations of the committee. The WTCC directors have accepted the recommendation of the organization's Water Resources committee, headed by Homer D. Grant, Lubbock. That committee

voted in a Big Spring meeting recently to urge that the regional chamber support the measures.

The proposed constitutional amendment would enable the state to collect fees for the right to divert or use fresh surface water. The funds this obtained would be used to secure not to exceed one-third of bonds or other obligations issued by cities or other political sub-divisions to finance diversion or use of public surface waters.

The amendment specially would prohibit collection of fees for use or diversion of percolating ground waters or waters covered by riparian rights, such as private stock tanks.

The proposed fees per year would be: for irrigation, 10 cents per acre; for hydro-electric power and other non-consumptive and non-diversionary uses, five mills per acre foot; for all diversionary rights of use other than irrigation, 10 cents per acre foot.

Briefly, the purposes of the

eight proposed changes in the water code are:

House Bill 447, by Carpenter — To cancel all permits or certified filings for appropriation of public waters no part of which has been put to beneficial use within ten years prior to the effective date of the act.

House Bill 448, by Carpenter — Creating a Water Pollution Advisory Council to coordinate the powers, duties and functions of five different agencies now charged with some duty with respect to prevention, abatement and control of steam pollution.

House Bill 449, by Cobb of Potter — Amending and clarifying provisions of the present water code that prescribe purposes for which public waters may be appropriated.

House Bill 450, by Bergman — Amending the water code to provide for issuance of seasonal water permits for specified and relatively brief periods to meet needs for temporary use such as highway construction and oil well drilling.

House Bill 451, by Bergman — Granting the State Board of Water Engineers full authority to enforce by injunction, mandatory injunction or other appropriate remedy, any and all reasonable rules and regulations promulgated by it, and the terms and conditions contained in certified filings and permits to appropriate public (surface) waters.

House Bill 452, by Kimbrough — To increase the powers of the Board of Water Engineers to provide designation of a Chairman by the governor, appointment of a Chief Engineer to serve at the will of the Board of three members, and defining the duties of the secretary of the board. The Board now designates one of its number as chairman, and he has authority only equal to that of the other two members. This will make the chairman the chief administrative officer, with such authority as the Board may deem proper.

House Bill 453, by Meredith — To clarify present statutes that may be interpreted as granting blanket permits or control over water of certain streams or parts of streams to state political subdivisions and to make certain that final authority rests with the Board of Water Engineers to grant, in accordance with present water use priorities, all permits

15 People for Dinner

A farmer today has to feed himself and fifteen other people. Back in 1930 he had to supply food for 11 other people. By 1975, experts predict, for each farmer there may be 25 at the dinner table.

It would be nice if there were more land. But last year there was only 1% more land under cultivation than prewar.

What's more, there are fewer farmers. 17% fewer man-hours were spent in agriculture last year.

Yet the farmer in 1952, with less help and about the same acreage, managed to produce 40% more livestock, vegetables, cotton, grain, milk than before the war.

Who helps the American farmer in a spot like that?

Electricity for one thing, and of course, more tractors, trucks, farm machinery, pesticides, chemical fertilizers, and a lot more.

One big clue to productivity is his increased use of electricity. Farmers today use 500% more electric power than in 1940.

Electricity pumps water, dries hay, keeps chicks warm, grinds feed, milks cows. In fact, the "electrical hired man" can do more than 400 farm jobs.

But the important thing is that there need be no empty plates tonight, and that this was done in a typically American way.

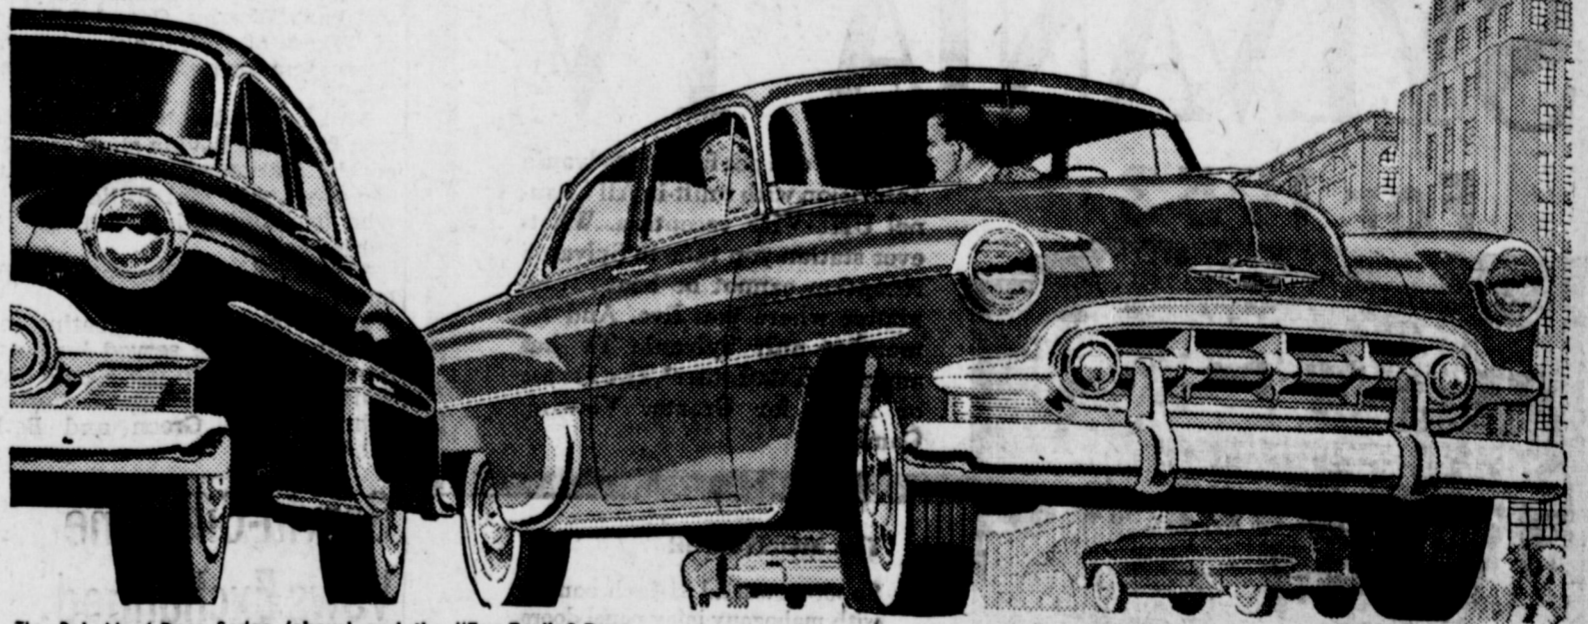

Many people and many companies, General Electric among them, developed labor-saving ideas and products. The best were tried and chosen. They have helped to make the American farmer the most productive in the world.

You can put your confidence in—

GENERAL  ELECTRIC

Chevrolet is the only low-priced car to offer...

Extra-Easy Power Steering

The Bel Air 4-Door Sedan (above) and the "Two-Ten" 2-Door Sedan (right)—two of 16 beautiful models in 3 great new series.

You park and steer with finger-tip ease,
yet the familiar feel of the road is still there.
Driving is easier—and safer than ever!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Power Steering! It's yours in Chevrolet for 1953 and in no other low-priced car!

This wonderful new feature, optional on all models at extra cost, marks the most important advance in driver convenience and safety since the automatic transmission, which Chevrolet also introduced into its field.

Power Steering makes steering virtually effortless on all roads and at all speeds. It permits you to park, even in a tight space, with finger-tip ease. It cuts steering effort approximately 80%; reduces driver fatigue; makes driving simpler, safer and more enjoyable than ever before.

But come in! See and drive Chevrolet for 1953 with Power Steering and all its other exclusive advantages!

Continuation of standard equipment and trim as illustrated is dependent on availability of material.

**Progress Church
Observes Easter**

The Progress Methodist Church observed the Easter holiday with several special programs. The regular Sunday School was opened with a short program on the symbols of Easter presented by the junior department. A large attendance enjoyed the program. Mrs. Beth Walker Clark sang, "Were You There When They Crucified My Lord" during regular services. The pastor, Rev. Carrol M. Jones, brought a moving message in his sermon, "The Tomb and The Light."

The service was concluded by infant baptism and acceptance of

several new members into the church.

Sunday afternoon, the Primary and junior departments enjoyed an Easter egg hunt on the church lawn. Other games were enjoyed and refreshments of punch and Easter-nest cupcakes were served to about 20 children as many were kept away because of the afternoon showers. The children under six years of age enjoyed their Easter egg hunt on Saturday.

On Sunday night members of the Methodist Youth Fellowship presented a play, "The Symbol of The Cross." Rev. Jones held a devotional hour after the play and spoke on "How Shall We Recognize Jesus."

**Methodist Church
Forms Brotherhood**

Members of the Muleshoe Methodist Church met Monday, April 6, to organize a Methodist Brotherhood. Joe Salem of Sudan was guest speaker.

Leaders who were elected were: Chairman, A. J. Gardner; secretary-treasurer, Noel Woodley; and program chairman, Sam Fox. The next regular meeting will be held Monday, May 4, at the Fellowship Hall at 7:30 p. m.

Those attending the Monday night meeting were Buford Butts, Tom Smallwood, A. A. Young, Rev. H. W. Hanks, Horace Edwards, David Wyr, Bernard Phelps, Billy Don Barbour, J. E. Day, James Allen, Cecil Davis, and Joe Salem.

**O. E. S. Has
Friendship Night**

The Muleshoe O. E. S. Chapter No. 792, met Tuesday evening, April 7, in the Masonic Hall for a regular meeting and Friendship night.

Viola Layne, worthy matron, presided over the business.

Grand officers from New Mexico and Texas were introduced: Mrs. Iona Jones, a Past Worthy Grand Matron of New Mexico, and Mrs. Flora Best Boone, the junior Past Worthy Grand Matron of Texas; M. T. Jones, a past Worthy Grand Patron of New Mexico, and Pat Boone, a Past Worthy Grand Patron of Texas; Mrs. Wynne Dunn, Deputy Grand Matron, District 2, Section 3 of O. E. S. of Texas; Miss Lula Hubbard, Grand Representative of Virginia to Texas of the O. E. S. of Texas.

Visitors were present from Plainview, Clovis, New Mexico, Bovina, Friona, Dimmitt, Hereford, Canyon, Littlefield, Earth, Eureka Springs, Ark., and Canton, Okla.

After several of the visiting chapters made talks a very interesting program was given by the following chapters:

Members of the Dimmitt chapter presented a skit that will apply to any organization, "Danger Signals", some of the Don'ts that tends to kill an organization.

Mrs. Belle Hromas, from the Hereford chapter gave a reading. Frank Joplin from Keystone Chapter, Clovis, sang "No One Ever Cared for Me Like Jesus", accompanied at the piano by Mrs. Inez Kennedy.

Mrs. Grace Findley from the Littlefield Chapter sang "In The Garden". Mrs. Loraine Hopping of Littlefield accompanied at the piano.

Mrs. Flora Best Boone, the junior Past Worthy Grand Matron of Texas, of Littlefield, gave an Easter message, "The Holy Grail".

Mrs. Laura Rundell, a past matron from the Bovina chapter, filled the station of conductress, in the absence of Mrs. Billie Mathis, who is recuperating from major surgery.

The hall was decorated with cut flowers.

At the close of the meeting refreshments were served by Mesdames Mildred Wingo, Hattie Ray Jones, Lorena Thomson, Bertha Johnson, Lou Green and Beth White.

**Garvin-Gillintine
Vows Exchanged**

Miss Anna Jewell Garvin, daughter of Mr. and Mrs. H. W. Garvin of Maple, became the bride of Mr. James V. Gillintine of Hico, Texas, in a double ring ceremony Sunday in the home of

the bride's parents. Rev. A. O. Graydon, pastor of the Maple Methodist Church officiated.

Mrs. John Flinn of Fort Worth, sister of the bride, attended her as maid of honor and Carl Fleming was best man.

Following the ceremony, refreshments were served to friends and relatives by Mrs. Ina Fleming and Mrs. Olga Long.

After a short trip to New Mexico, they will be at home near Maple where Mrs. Gillintine will continue her studies at Three Way High School. Mr. Gillintine will report for duty in the U. S. Army next month.

**Sunshine Club
Observes Easter**

The Sunshine Club met Thursday, April 2, in the home of Mrs. George Chambless. Each member answered the roll call with a household hint.

"Easter" was discussed by Mrs. Tipton and Mrs. Browder. Each member then gave her idea on the Easter Season.

Members present were Mesdames Odum, Atkins, Tipton, Browder, Crawford, Coulter, Patterson, Hughes, Chapman, and little Janie Coulter and Tayna Cherry, visitors.

The next meeting will be held

in the home of Mrs. Dave Coulter on Thursday, April 16, for an all day quilting and a covered dish dinner. Everyone is urged to attend and help with the quilting that will be given to the Girl's Ranch.
