NUMBER 29

Infant dies from accident

A crib accident in the home was responsible for the death of Alvin Truitt Hobson, infant son of Mr. and Mrs. Dale Hobson, at 10:00 a.m. Saturday in Angelo Community Hospital. The baby was treated in the hospital here Friday, immediately after the accident and transferred to ACH in San Angelo.

Alvin Truitt was six months and fourteen days of age, born in Eldorado Feb. 18, 1982. Funeral services for the infant were held Monday afternoon at 3 o'clock in Our Lady of Perpetual Help Catholic Church, with burial following in Cedar Hill Cemetery under the direction of Sizemore Funeral Home.

Survivors other than the parents include a sister, Corrie Dale Hobson and a brother, Jesse Mailloux, both of the home; grandparents, Mr. and Mrs. Joe Ortiz of Ozona, and Mr. and Mrs. Gerald Hobson of Monument, N.M.

Industrial accident is fatal

Rudy Morales, an employee of Detroit-Texas Gas Gathering system, died Tuesday morning as a result of a compressor blow-out at the plant 27 miles south of Ozona on Hwy. 163.

An ambulance was dispatched with Dr. Carlisle attending, to meet a pickup bringing Morales to town. However, injuries to the back and throat proved fatal and he was dead on arrival at Crockett County Hospital.

Services for Morales are pending at Sizemore Funeral Home.

Couple charged in child abuse

A couple was arrested and jailed Friday, charged with injury to a child. District Attorney Bill Mason gave credit for the arrest directly to a recent story on child abuse published in the Stockman.

The battered two-year-old boy has been hospitalized in San Angelo, and two younger children of the couple have been taken to shelters by Department of Human Resources employees. County Attorney Tom Cameron, in a hearing Friday afternoon, removed the children from the couple's custody.

The D.A. also gave credit to Steve Kenley and Bill Freeman, investigators for the Sheriff's Department and District Attorney's office, for a fantastic investigative effort in the case.

Barbecue to honor Bill Sims

Ozonans are invited to a barbecue for Bill Sims, Democratic candidate for State Senator, 25th District, Saturday, September 25, at noon at the fairgrounds.

All those in the district are invited to attend and get acquainted with the candidate, and enjoy barbecue and all the trimmings. Plates will be \$2.50 each.

Drug abuse, vandalism and juvenile crime discussed-

Jury asks court to help combat crime

Eight members of the 112th District Grand Jury, spring session, met with the Crockett County Commissioners Court Monday, to express concern and alarm at the increase in drug abuse, vandalism, and other serious matters in Ozona. They made recommendations to the court to combat this situation and spent some time urging that the court consider taking action in the matter.

Jury members informed the court in light of local population increases and the pressure of our changing society they carefully consider the need for additional qualified on-duty patrol personnel. They also asked for a review of salary schedules of

law enforcement personnel, with regard to hiring and retaining highly qualified and experienced personnel. The court was also asked to look into providing continuing education for all law enforcement personnel, as well as establishing a law enforcement fund for undercover work under the direct control of the District Attorney to facilitate the apprehension of drug law offenders.

The jury members also recommended the court actively encourage closer cooperation between school and county officials in the areas of drug law enforcement and vandalism, as well as the need to sponsor or co-sponsor a community education program on drug abuse.

As a group, the jury members, said they realized further appropriations would be necessary to implement their recommendations which they felt essential for the betterment of the community and its future. Several jurors, reminding the court they came from all parts of the community, expressed belief that a tax increase to fund these recommendations would be well-received by all members of the community. They also stated their intention to recommend to the next term of Grand Jury that it investigate the disposition of these recommendations.

Hank Sellers, jury foreman, told the court the recommendations were made as a result of information which came to light during a recent grand jury investigation which alarmed and appalled the members of the jury. Citing the secrecy of grand jury proceedings, he said he was not at liberty to discuss specific cases, but drugs, vandalism and various serious crime among the youth had become a serious problem in Ozona.

Judge Johnny Jones thanked the jury members for taking the time to bring the recommendations to the court's attention, but said he

felt law enforcement officials should be consulted.

Jean Reed, another jury member, suggested an outside investigation and evaluation of law enforcement in the county and suggested the court appropriate the money for such a study.

Judge Jones, who attended a juvenile board meeting Thursday night, said most of the discussion was about young people, drugs, vandalism and small crimes, and everybody is concerned. He said, however, that the court could set policy and attend to budget matters, but could not enforce the law. He also felt that the solution did not lie in spending more money,

but in cooperation among the agencies of the county government. He reminded the group that the law-enforcement budget had increased over the years second only to the hospital, and the over-budget run at the hospital had put the county in near-crisis more than once.

The judge explained the process of county government in Crockett County and the duties of each department, and asked if the group had contacted Sheriff Billy Mills about the concern they were expressing.

Mrs. Reed said they had gotten nothing but the run-around in that area.

Judge A. O. Fields spoke on behalf of law-enforcement

saying all officers were certified and attended continuing education courses offered by the state. He suggested the group obtain information on education from the state agencies.

Judge Jones cited laws that protect the criminal and leave the victim out in the cold as well as tie the hands of law enforcers. He said he felt this was changing and would change for the better in time.

In the final phase of the meeting everyone was in agreement there must be cooperation from all agencies involved as well as school officials if the solution was to be found.

Lions descimate Wall Hawks 31-6

By-Ross A. Alexander

The Ozona Lions, unleashing a formidable rushing attack, simply walked on the Wall Hawks 31-6, at Wall Stadium Friday night. The Lions, fresh from a convincing victory over a strong Junction team seemed at times almost reluctant to put the out-classed Wall squad away.

On the opening drive of the first quarter, Lion field general David Badillo called on as player of the week, Harvey Huereca, along with Ozona speedsters Payne and Leal to grind out yardage and establishing what Head Coach Don Abbott calls "an early ground presence." This rushing attack carried the Lions 44 yards to the Hawk 29 where faced with a 2nd and 9, Badillo fired a pass to his favorite receiver, Robert Massey, at the 11. After a QB keeper produced 7 yards, Diego Leal crashed in for the TD, completing an impressive 73 yard scoring drive on Ozona's first possession. After Mason's kick, the Lions enjoyed a 7-0 edge with under 8 1/2 minutes remaining in the 1st quarter.

After an exchange of punts, Wall managed to move into scoring position at the Lion 38, where a broken pass pattern and an acrobatic catch by Wall receiver Weishuhn gave the Hawks their deepest penetration of the quarter. However, a brutal sack, by Will Mason and a subsequent incomplection, stalled the Wall drive and forced a field goal attempt that failed.

The Lions failed to capitalize on several scoring opportunities. Badillo, directing a march from his own 20 down well into Hawk territory at the 36 on Ozona's first possession of the 2nd quarter, suffered a drive-stopping interception at the 25 yard line with under 2 minutes gone in the period.

Wall however had to face a fired up Lion defensive aggression. A powerful hit by David (Iron Man) Tijerina forced a Hawk fumble which Mason covered at the Wall 27. Badillo moved his unit in for the score in 4 rushing plays with Mason's kick providing a 14-0 cushion with 7 minutes left in the half.

Fabian Delgado's interception wrecked Wall's next drive upfield and after Ozona was forced to punt, a clipping penalty set Wall back further still into its own territory to face the "Iron Man" again. With 1:42 re-

maining, Randy and Carlos, a truly terrifying twosome, forced an airborne fumble

Hospital board head resigns

The Crockett County Hospital Board met last week in regular session and accepted a letter of resignation from Charles Huffman, board president. In the absence of the vice-president, Caroline Wilkins, the board's secretary, Beth Boyd, conducted the meeting. The appointment of a new board member was discussed.

In his letter of resignation Mr. Huffman said, "The reason for this resignation lies in the fact that I no longer feel that I could be an asset to the hospital and community in carrying out my duties, due to the evident conspiracy by some members of the board which led to the resignation of our last administrator, Glenn Rumley."

Explaining further he said, "Let me assure you it is not based on personal friendship for Mr. Rumley, but on the

principles employed in accomplishing that goal. Because of this I do not believe that I could personally perform my duties with an open mind. It is not a question of forgiveness, but in my inability to forget. I realize that there must be factions in every organization, but I believe that they should be open and above board so that differences might be discussed and dissolved if possible."

In his closing statement he expressed hope that the board would take advantage of the enormous opportunity it now has to put the hospital on a self sustaining basis, no doubt referring to the four physicians now on staff at the hospital.

Other board members present included Jody Sessom, Leandro Flores and Dan Pullen.

Snake bites here alarm physicians

After Ozona physicians had treated three rattlesnake bites in only a few days time last week, Dr. Don Carlisle asked the Stockman to issue a warning to the general public about the deadly snakebite which can kill its victim if not treated immediately.

The last bite victim was a young boy who was bitten by the snake on the school grounds of Ozona Intermediate School Thursday when he picked the snake up.

This time of the year is especially dangerous concerning rattlesnakes. Old-timers say snakes go blind in August and September and remain so until the first cold snap, causing them to strike at anything and crawl into unlikely places. More than likely the molting process triggers this action and the snake is frantically attempting to find a cool dry place to hibernate during the winter months.

Regardless of reason, snakes and all kinds of wildlife are migrating into town lately, and it always pays to

stay clear of the dangerous rattler whatever time of year. The unusually dry range conditions are probably a contributing factor as well, so it pays to be cautious even in town.

Parents should caution children to be careful around wood piles, rocky ledges, rock piles and even tall grass and weeds. They should be warned never to try to pick up or play with any kind of snake. And the parents should heed their own advice.

Dove hunters, especially, should take extra care when hunting and wear a tall shoe or boot for protection. If there is no weapon to kill a rattlesnake when one happens upon one, flight is the only good advice. In spite of the old saying "a rattler always warns before it strikes," this has not proven true, as a year or so ago, an Ozona woman stepped off her front porch and was bitten before she knew what happened. It is also said a rattler can only strike its length.

NEW VIDEO GAME AT YOUTH CENTER draws attention from Pat Man. Donkey Kong Junior is the new computer game which Tonya Ruthardt plays with Kim Bishop looking on. The center is open for school children daily Tuesday through Thursday from 2 to 6 in the afternoons and 7 to 10 at

night. Open Friday from 7 to 12 p.m. and Saturday from 2 to 6 and from 7 to 11. It is closed Monday afternoons, but open at night from 7 until 10 o'clock. The center offers many games and much fun for youngsters. For information on membership contact Garland Young.

Commissioners court has full agenda for meeting

The Crockett County Commissioners Court met in regular session after meeting with the Grand Jury until around 10:00 a.m. in the courtroom Monday morning, with a full agenda.

Judge Johnny Jones called the meeting to order, postponed approving bills until the afternoon, and asked the clerk to read the minutes of previous meetings. Following the reading of the minutes of various meetings, the judge took exception to the minutes of the meeting of July 13, and some controversy followed between County Clerk David Weant and Judge Jones.

The judge and the clerk were at opposite ends of the pole about that particular meeting. Weant contended the court called an unofficial meeting at the road barn following the morning meeting. The judge said everyone knew the time and place of the meeting and it was announced before the court adjourned for lunch. Judge Jones questioned everyone in the court about their version of the meeting

and all who were present on that day said they understood the time and place of the meeting.

Weant expressly denied he heard it. He said he knew there would be a meeting on the matter but did not know the time and place.

Judge Jones admonished the clerk that the minutes needed to reflect what was done. He said everyone knew the time and place of the meeting and the minutes must reflect the same. He ordered the clerk to amend the minutes, taking out anything that would make the court seem devious and secret and evasive to the public. The clerk acquiesced.

After receiving the monthly reports, the 1982 budget was reviewed and adopted and the tax rate set the same as last year, 48 1/2 cents to county, 55 1/2 cents to school and 10 cents to state for a total tax of \$1.14 per \$100 valuation. Also, the early payment discount was deleted.

In reviewing the budget, County Auditor Dick Kirby, warned members of the court

it contained no fat. He said the budget would be hard to live with, but it could be accomplished. However, he said every department, including the hospital, must cooperate in order to make it work. He also reminded the court they had refused to accept an earlier proposal which would have required a tax increase.

County Clerk David Weant asked that his 7% salary increase be given 4% to him and 3% to each of his employees. This would be 1% of his increase to each of his three employees, plus their individual 7% raises. Judge Jones told him that would be entirely against county policy and suggested he take his salary increase and distribute it any way he wanted. He said Weant could give his salary away, but the court could not. The rest of the court concurred.

Henry Elledge gave the road department report and said the reason the weed cutter and sweeper were not being used in town was because all his men were working on paving. Since

time is short for the paving period it must take priority.

The court discussed road equipment and the purchase of trucks. They agreed to purchase a piece of equipment they are now leasing for \$1800 per month. The lease to apply in the purchase price.

Some time was spent on easement requests. West Texas Utilities requested a 20-foot easement across from Moore Oil on Hwy. 163 to set a pole in order to get utility service to the new bank. David Childress, Midland attorney, appeared on behalf of Langford Oil Co. to ask for an easement in the same area, for a gas line. After some discussion, both requests were tabled until County Attorney Tom Cameron could study them. A special meeting was set for Thursday to take action on both applications.

A request from Tite Bishop for a hangar at the airport was approved.

Garland Young came before the court to give the

GLOOMY GOOD NEWS

By Edwin Feulner

Judging by what you read in the newspapers and see on the network news, "Reaganomics" is a failure. Not only is it responsible for near-record high unemployment and the continuing economic slump, the story goes, but it has heaped misery on the less fortunate through savage cuts in social services designed primarily to widen the gulf separating rich and poor.

As fallacious as the above statements are, their constant repetition has begun to affect even many of the President's long-time supporters. Though the President's program went into effect less than a year ago — and the first really meaningful personal tax cuts came our way just two months ago — Reaganomics has become the whipping boy for all of our economic ills.

But buried beneath this litany of gloom and doom is an untold story of progress in the war against inflation, high interest rates, and a still generous and expanding federal budget.

When the Reagan administration took office, Americans were groaning under a 12.4-percent inflation rate. Interest rates were running above 20 percent, and government spending was growing by 17 percent per year. Bracket creep, moreover, stole an ever-increasing percentage of personal income in federal tax revenues. So as your wages were pushed up by inflation, the government took a bigger cut — and your buying power went down.

What has happened after a year and a half of "Reaganomics"? Inflation has been more than halved, and in March of this year — for the first time in seventeen years — prices not only didn't increase, but they actually went down! Interest rates have fallen dramatically, though not enough yet to reinvigorate the housing market. Still, the prime interest rate is down to below 14 percent, a sharp drop from the 20-percent high that Ronald Reagan inherited. And the growth of government spending has at least been slowed.

The so-called dog-food budget that President Reagan submitted to Congress earlier this year was, of course, a liberal fiction. This "austere" budget provided for 95-million meals a day for needy Americans, medical care for 47-million people, subsidized housing for 10-million Americans, and 7-million loans and grants for deserving and needy college students.

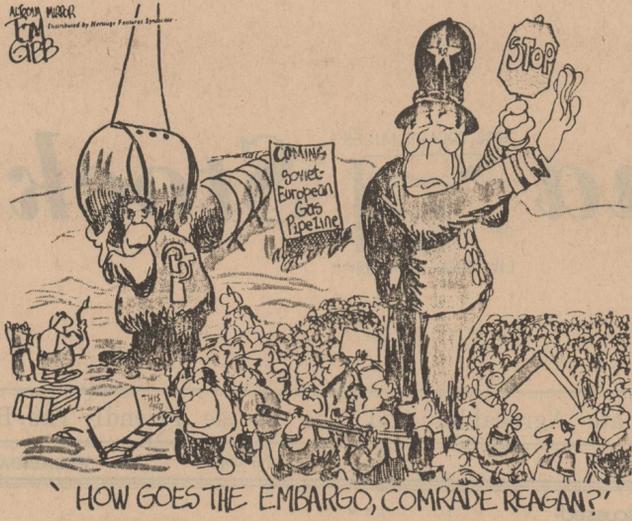

But the outrage with which this budget was met in Congress led people to believe that the President intended to starve the poor and rob the elderly.

Between congressional demagogues and a heady barrage of distortions aired nightly on the network news, is there any wonder that the President has had a difficult time restoring public confidence in the economy?

The President has been doing a herculean job working with his congressional supporters. Perhaps he's done too well. Victory, we all know, is the tonic that makes life worth living to the politician. Sooner or later all politicians find out that victory exacts a high price: compromise. Thus, we have the specter of Ronald Reagan, the great tax-cutter, pushing a tax increase of historic proportions and Ronald Reagan, the great world leader, cozying up to the Red Chinese, at the expense of our long-time allies on Taiwan.

At a time when the economy is showing signs of real improvement, it is hard not to feel a sense of gloom at the sudden turn of events.

Compromise, of course, is fine. But compromise that is damaging and wrong means we're back to business-as-usual in the Nation's Capital.

HOW DOES THE EMBARGO, COMRADE REAGAN?

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN — Texas employers who were faced with a massive increase in the taxes they pay to support unemployment compensation benefits can breathe a little easier because the Texas Legislature has approved a measure designed to prevent a whopping 2,700 percent tax hike and salvage the state's unemployment compensation fund.

The Legislature met last week in what was one of the shortest special sessions in history and passed a bill to allow state officials to borrow nearly \$400 million from the federal government to bail out the unemployment fund which has been drastically depleted because of the layoff of thousands of workers across the state.

The measure, sponsored by House Speaker Bill Clayton, will prevent a massive tax increase from automatically taking effect in October under state law. That law required automatic increases in the employers tax any time the unemployment fund dropped below its statutory floor of \$225 million.

The fund currently stands at less than \$150 million. But employers won't escape without some increase in their taxes. The amount most employers pay will more than triple under Clayton's bill, with the minimum amount going from \$6 per employee per year to \$28 per employee per year. That increase will generate funds to pay off the federal loan, with interest, and replenish the state fund.

The session, which lasted only three days, was second only to a 1923 session — which lasted only one hour — as the shortest session on record.

Mudslinging However, the brevity of the proceedings didn't stop the politicians from getting into some heated political mudslinging.

Liberal Democrats, led by Reps. Bob Bush of Sherman and Craig Washington of Houston and Sen. Lloyd Doggett of Austin accused Clements of ignoring problems with the unemployment fund until a major crisis had occurred and, then, trying to cover up his mistake.

Had Clements been at the Battle of the Alamo, he probably would have tried to belittle that predicament as well, Doggett charged.

"If Mr. Doggett had been at the Alamo, he probably would have jumped over the back wall," the Republican governor countered.

School Loans The only uncontroversial aspect of the brief session was the passage of a bill to allow local school districts to continue to borrow money against their expected property tax revenues.

Such borrowing is common practice, school officials said, but delays in preparing tax rolls — caused by this year's implementation of single appraisal districts — has held up the adoption of new tax rates, a step state law requires before money can be borrowed.

The measure approved by the Legislature simply removes that requirement and lets school districts borrow up to 75 percent of their previous years' revenues after

setting their budget for the upcoming year.

Battle Fight The Citizens Party has won its fight for a spot on the 1982 general election ballot in November. The minor party was granted an injunction by a Travis County district judge that forces Secretary of State David Dean to certify the group for the November election ballot.

Dean had excluded the group from this year's ballot on grounds that they failed to turn in enough signatures of registered voters who had not cast ballots in the Democratic and Republican primaries to qualify.

Citizen Party officials took the matter to court contending Dean's requirement that the signatures be accompanied by voter registration numbers was an "onerous burden."

District Judge Harley Clark agreed stating that "the convenience of the secretary of state" was not the primary concern.

The Citizens Party, however will not be the only minor party on the November ballot. Dean's office already had certified the Libertarian Party for the 1982 election.

The Libertarians will be fielding a complete slate of candidates for the major statewide offices, plus numerous candidates in congressional, legislative, State Board of Education and

county races. This will mark the second time the Libertarian Party has appeared on a Texas general election ballot. The party first qualified for the Texas ballot in 1980, when it ran David Hutzelman for the Railroad Commission. Hutzelman is the party's candidate for governor this year.

Telephone Rates The Public Utility Commission staff has announced its proposed rates in the \$471.5 million rate hike case by Southwestern Bell Telephone Co.

Under the staff proposal, residential local exchange rates would range from \$9.85 to \$12.55 depending on a customer's rate group. That compares to rates ranging from \$11.75 to \$14.50 proposed by Bell.

Current rates charged for local service range from \$7.15 to \$9.90. Bell's 1982 rate hike request is the second in two years seeking increases in excess of \$470 million.

The company received only about half of its 1981 rate request. No increase in long distance rates have been recommended by the PUC staff. Bell has been attempting to hold down long distance rates in order to compete with MCI, Sprint and other long distance services.

I would also support putting into effect recommendations of the small business task force initiated by the Governor. Two of these recommendations are especially appealing. One is to help small businesses borrow money at better rates. Most small businesses which fail do so because they are under-capitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses.

The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace.

If you have any thoughts on this, I'd like to hear them. Please write me at 1213 W. 34th Street, Austin 78705.

SMALL BUSINESS — A RESOURCE WE MUST PROTECT

You can look around the square of any Texas town and see the backbone of the state economy — and of the national economy. It's small business and it provides half of all jobs. By the current state definition there are 260,000 in our state — that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes; their independent tradition also helps explain the enduring quality of our democratic form of government.

The state of Texas recognizes the importance of small business and has programs to help it. But we can do better. For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair.

My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the revenue it will bring. And, as Lt. Governor, I would support its repeal.

LETTERS TO THE EDITOR

Dear Kitty, I received this letter today. I believe many of your readers would want to be informed of this.

The world is in trouble and Jesus Christ is the only answer.

We need voluntary prayer in our schools. Please print this for me.

Thank you, Shelly Connor (Ed note: Space does not permit a reprinting of the entire letter, some excerpts follow)

ACT Ministries from the Summit in Colorado Dear Friend in Christ:

President Reagan has asked us to act on a matter of urgent national and spiritual importance. I pray you will, as I have already pledged our support of the President.

In May, President Reagan decided it was time to restore one fallen brick of our nation's crumbling Biblical foundation, one demolished by the Supreme Court in 1963, when it removed the right of children to pray in their public schools.

Now President Reagan wants to return America to our Judeo-Christian heritage by restoring voluntary prayer, but to do so will require passage of a Constitutional Amendment.

So, Godly concerns demand that we speak out in support of Reagan's move to national restoration. Give the President our immediate written support, call your support in to the White House on this number, 202-456-7639. Help ACT Ministries generate massive support for the President's bold and courageous move by contributing funds now.

Please help me continue taking our Christian concerns before kings and those in authority with this message: "President Reagan, we want our children to be able to pray in school. Please use your Presidential authority and the ability it conveys to

exert Godly leadership to restore our national heritage.

The letter is signed by Ray Allen, President of ACT Ministries.

A re-run of "The Ozona Story" as gleaned from the files of the "The Ozona Stockman"

Thursday, Sept. 17, 1953

Arrangements have been made by the county agent to have Dr. Chas. W. Koberg, veterinarian, of San Angelo to come to Ozona one day each month to render veterinary service in Crockett Co.

29 Yrs. ago Bill Schneemann, son of Mr. and Mrs. Max Schneemann, 1953 Ozona High graduate has enrolled at New Mexico A&M College.

29 Yrs. ago A \$1,000 essay contest for high school seniors on the subject, "What the Oil Industry means to West Texas," was announced today by the oil industry information committee for this area.

29 Yrs. ago Ozona Parent-Teachers Association will inaugurate the 1953-54 season of activities with the first meeting next Monday afternoon in the high school auditorium.

29 Yrs. ago Mr. and Mrs. Tommy Newton are parents of a daughter, named Sandra Kay, born last Saturday morning in a San Angelo hospital.

PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on September 13, 1982, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective October 19, 1982. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 9.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

Table listing municipalities and counties affected by the utility rate changes, including Abilene, Alpine, Anson, Aspermont, Baird, Ballinger, Balmorhea, Benjamin, Big Lake, Blackwell, Bronte, Buffalo Gap, Chidwell, Cisco, Clarendon, Clyde, Cross Plains, Crowell, Dodson, Eden, Estelline, Goree, Hamlin, Haskell, Hawley, Hedley, Impact, Iraan, Jayton, Junction, Knox City, Lawn, Lueders, Marfa, McCamey, Melvin, Memphis, Menard, Merkel, Miles, Munday, O'Brien, Paducah, Paint Rock, Presidio, Putnam, Quanah, Quitaque, Rankin, Rising Star, Rochester, San Angelo, Santa Anna, Shamrock, Sonora, Spur, Stamford, Sterling City, Throckmorton, Trent, Turkey, Tuscola, Tye, Valentine, Weinert, Wellington, Winters, Woodson.

Areas affected by the filing with the Public Utility Commission of Texas are in the following:

Table listing municipalities and counties affected by the utility rate changes, including Albany, Chillicothe, Dickens, Eldorado, Lakeview, Matador, Mertzson, Moran, Roaring Springs, Baylor, Brewster, Briscoe, Brown, Callahan, Childress, Coke, Coleman, Collingsworth, Concho, Cottle, Crane, Crockett, Dickens, Donley, Eastland, Edwards, Fisher, Foard, Gillespie, Hall, Hardeman, Haskell, Irion, Jeff Davis, Jones, Kent, Kimble, King, Knox, Mason, McCulloch, Menard, Motley, Nolan, Pecos, Presidio, Reagan, Reeves, Runnels, Schleicher, Shackelford, Stephens, Sterling, Stonewall, Sutton, Taylor, Throckmorton, Tom Green, Upton, Wheeler, Wilbarger, Robert Lee, Roby, Rotan, Rule.

Debra Says

By Debra Price

If you plan to buy or make a new coat this fall, the choice of styles and colors will be wide.

Many styles will require minimum tailoring, making it easier to sew them at home. Look for high quality fabric so the coat will give good service.

"Big" or "full" styles will be popular. Full, swinging coats, capes and ponchos will be big, adding to that look.

A relaxed silhouette, fluid and feminine, will also be seen. These styles will include blouson jackets, vests, and lightweight wrap coats, all exciting and new.

Classic ensemble dressing will still be strong. Tailored car coats and "city looks" that average about knee-length will make up this style.

Skiwear will influence the casual coat market with piping and quilting on waist-length jackets.

Bulky looks in lightweight fabrics will be a popular trend. Leather, suede and wool are expected to be the three top sellers.

Fleece, brushed wools and furry fabrics will also be popular. Slicker fabrics, and pearlized, oiled, or laquered finishes will balance the bulky fabrics.

Colors will be subtle. Gray, black and white are expected to lead the field, especially in tweeds and bi-color fabrications.

Want to stretch your clothing dollars?

A good way to do so is by making your own coat, since it is one of the most expensive clothing items for winter wear.

Among the easiest types of coats to make are those with the following characteristics:

A simple design with few tailoring techniques.

Very loose and requires minimum fitting.

Simple-yet smart-kimono raglan or dropped sleeves.

May be collarless.

Have in-seam pockets.

Are unlined (but you may want to line the sleeves for easy-on, easy-off).

Fasten with ties, toggles or wrap with a belt.

DESERT BARS (makes 11x7 inch dish of bars)

2 cups quick or old fashioned oats, uncooked

1/2 cup firmly packed brown sugar

1/2 cup margarine, softened

1/2 cup honey

1/2 cup semi-sweet chocolate pieces

1/2 cup peanut butter.

1/2 cup chopped peanuts

In large bowl, combine oats, sugar, margarine and honey, mix well. Cook at High 3 1/2 to 4 1/2 minutes or until bubbly and brown, stirring after each minute of cooking. Press onto bottom of 11x7-inch glass baking dish. In small bowl, combine chocolate and peanut butter. Cook at high 1 minute, stirring after each minute of cooking. Press onto bottom of 11x7-inch glass baking dish. Chill 15 minutes; cut into bars; then chill until firm. Store in tightly covered container in refrigerator.

MONKEY CAKE

4-10 count cans of biscuits, cut in quarters (not buttermilk)

1/2 cup margarine

1/2 cup raisins (optional)

1 1/2 cups sugar

5 teaspoons cinnamon

1/2 cup nuts, chopped (optional)

Mix together 1/2 cup sugar and cinnamon and divide in half. Place half of mixture in a bowl with a lid. Take 2 cans of quartered biscuits and place a few at a time in the bowl and shake. Place coated biscuits in a greased tube pan. Add 1/2 cup nuts and/or 1/2 cup raisins on top of biscuit layer. Melt margarine and mix with remaining 1/2 cup of sugar. Pour half of this mixture over layer in pan. Repeat this process with remaining 2 cans of biscuits and melted mixture. Bake at 350 F. for 40 minutes. Remove from oven and let set five minutes, but no longer. Do not cut cake, just pull apart.

Womans Forum kicks off new club year

The Woman's Forum began its new club year with a morning meeting and luncheon on Saturday, September 11, at the Jones House in Sonora. The yearbook committee, composed of Mrs. Huey Ingram, Mrs. Buddy Russell, Mrs. Arthur Kyle, and Mrs. Fred Hagelstein, acted as hostesses.

Mrs. Gene Perry, President, welcomed the Forum members and presided over the business meeting.

Members answered roll call with "The trip I didn't get to take."

The treasurer, Mrs. Jess Marley, gave a financial report, and reported the purchase of a special care bed for Crockett County Hospital with funds from the Robin Jones Memorial Fund.

Mrs. Brock Jones, Robin Jones Memorial Fund chairman, also gave a financial report.

Mrs. Bonnie Warth presented the Woman's Forum with a Department of Health Certificate of Appreciation in recognition of meritorious

Beta Sigma Phi has drug abuse program

Presenting a program entitled "Drug Abuse in Ozona and Schools," Bill Freeman, area narcotics agent with the District Attorney's office, spoke to members of Beta Sigma Phi, Monday evening at the Civic Center.

Freeman, an authority on illegal drug abuse, made a slide presentation illustrating various types of illegal drugs and explaining common methods of usage. In a subsequent question and answer session, Freeman stressed the importance of various factors, including parental guidance, in combating the drug problem in Ozona. He further made the point that illegal drugs are in widespread use in children as well as adults here.

Following the program, a business meeting was held to assign committees and responsibilities to members for the new club year. Mrs. Rex Parker, president, presided.

Mrs. Fred Chandler was hostess for the program, which was attended by 15 members and their guests.

Members in attendance were Mmes. Fred Chandler, David Porter, Rex Parker, Kent Burks, David North, Forest Henderson, Steve

Wilkins, Dennis Clark, Cuatro Davidson, King Drake, Wade Richardson, Sandy Stokes, David Weant, Bill Glasscock, and Miss Jeanine Perry.

Guests were Mmes. Erby Chandler, Jeffrey Sutton, Bobby Aycock, David Marrs, and Miss Ellen Lipsey.

Ms. Williams is bridge club hostess

Mrs. Jack Williams was hostess for bridge at the Country Club Thursday.

High score went to Mrs. Sonny Bailey and second high to Mrs. Evart White. Mrs. C. O. Walker was third. Bingo prizes went to Mrs. Charles Williams, Mrs. Jake Short and Mrs. Duane Childress.

Others playing were Mrs. Clay Adams, Mrs. Joe Bean, Mrs. Charlie Black, Mrs. Buddy Phillips, Mrs. Sherman Taylor, Mrs. Byron Williams, Mrs. Hugh Childress, Mrs. Tommy Harris, Mrs. Gene Williams, Mrs. Gene Lilly, Mrs. J. J. Marley, Mrs. Bill Mason and Mrs. Kirby Moore.

Tips For Gardeners

From The Ozona Garden Club by Mrs. Bailey Post

With September well on its way into sudden changes for the next two months, we may still expect sweltering days, longer and cooler nights.

If any of your spring flowering shrubs need pruning this should be done now for the new growth to have time to mature before freezing weather.

Some have asked about their spider plant that is healthy looking and attractive, but the end of each leaf looks like it is dying. Fluoride in the water often causes tipburn on this plant. One way to prevent this condition is to add one teaspoon of dolomitic limestone per 6-inch pot, repeating the application every two months.

Another way is to use only fluoride-free water for watering the plant using either rainwater or tapwater that has been allowed to stand for 12 to 24 hours.

Many are selecting evergreen shrubs for containers used as accents on a terrace, deck or an entry. Permanence and portability are among their assets.

Choose slow-growing plants that can remain in the same container for a number of years. Also look for a plant that is tolerant of wind and drought. Also one that suits the amount of sun or shade provided by location it will occupy.

Choose a container made of treated wood, stone, or concrete if they are to be subjected to wind and hard freezes. Planting your chosen evergreens in containers should be in a porous, well-drained soil mix composed of equal parts sphagnum peat moss, fertile and sandy garden soil. The most important part of caring for these container grown plants is to keep them well watered.

Always water deeply, until

the water starts draining out the bottom of the container. Monthly applications of fertilizer will be needed in spring and early summer. Withhold fertilizer in late summer or fall. Among evergreens recommended for container growing in our area are: fraser photinia, leatherleaf mahonia, indian hawthorn, heavenly bamboo (nandina domestica), rosemary (rosmarinus officinalis), and mound-lily yucca (gloriosa), and wheelers' dwarf Japanese pittosporum, Swiss mountain pine (Pinus mugo compacta) and many others.

Engagement announcements and pictures should be in this office not later than six weeks prior to the wedding. Wedding pictures and wedding information must be submitted the Monday following the wedding. The Stockman will no longer be able to give space to a wedding occurring prior to the first edition following the event.

Calling All Homemakers

Brought to you by Brown Furniture

As a public service for you this week, we present the recommendations of the National Association of Furniture Manufacturers for taking the proper care of your wood surfaces on furniture.

When removing liquids spilled on surfaces, use a blotting rather than a wiping action. Be sure to pre-test cleaning and polishing methods on an inconspicuous part of the furniture before applying to more exposed parts. Lift objects when you move them on furniture; never drag them across the finished surface. Some rubber and vinyl products stain or soften furniture finishes. A protective pad, or piece of felt, should be used between them and the furniture finish. Avoid exposing wood surfaces to extreme heat or cold. Be sure to use pads under hot dishes—because although the finish itself may be highly burn resistant, the wood underneath the finish can be hurt. Use only polishes recommended for furniture. A self-polishing floor wax, for instance, might soften the finish on furniture. And, when dusting or waxing always work with the grain of the wood. Good quality furniture lasts longer. That's why it pays to visit us at Brown Furniture.

Get an edge on tomorrow... Tonight.

Morning Glory

Back Relief

Sleep in true luxury on the most comfortable mattress ever made by Morning Glory. Back Relief is downy soft as a pillow on top because of the double foam layers and deep-puff quilting of the rich designer cover. Underneath is just the firmness your body needs for a good night's rest.

And, of course, Back Relief has the famous Morning Glory edge support system that allows you to sleep all the way to the edge, giving you an estimated 25% more sleeping area. Come try this supremely comfortable mattress—and get an edge on tomorrow... tonight!

Brown Furniture

NIP and TUCK

How I had dreaded cleaning the attic! But it was all worth it after I found the picture of Nip and Tuck when they were puppies. I sat down there and then in the cold, dusty room and recalled the day when Bob brought them home to Carol. How she laughed and loved them and flung her arms around both our necks in excited gratitude. How much fun we three had, watching the cunning antics of the canine infants.

Nip is gone now, duly mourned and buried under our apple tree, and Tuck, gray and crotchety, limps if he moves too fast. Carol lives in Cincinnati in a happy home of her own, and I carry roses to the cemetery on the hill.

What a wonderful gift is memory. My days are rich with remembrances of the good life Bob and I had. How glad I am that we shared, not only a home, but also a love for God and His Church so that though now I am lonely, yet I am not alone.

Football

[Cont'd From Page 1]

the Hawk 20 yard line. With just 28 seconds showing on the clock, Will Mason booted an enormous 3 pointer padding the Lion margin to 17-0 at halftime.

Early 3rd quarter action saw the young Lion defense, swarming like angry bees, completely closing down the Hawk attack. DeHoyos became a living nightmare for the Wall QB for the rest of the evening.

Directing a good-looking drive from his own 21, and facing a third and five at the Hawk 32, QB Badillo was hurt with the clock showing 3:56 left in the quarter.

The stunned Lions, in a 4th down punt formation, turned the ball over giving the Hawks an opportunity to score their lone points of the contest. Though Wall's Edmiston pushed it across with 58 seconds left, the 2 point conversion attempt was foiled by the Lions' goal line unit.

In 4th quarter play, QB Badillo, playing despite deep bruises and a sprained ankle, employed Coach Abbott's variations of the inside veer with Willie Payne and Huerrea carrying the payload. The fleet-footed Payne, a 175 lb. senior running back, who has yet to really demonstrate his explosive capability for Lions fans thus far, was called on several times in the drive. Huerrea, playing with intensity and determination lacking in other backs, powered the Lion offense into Hawk territory. With the defensive secondary overattentive to the threat of run, the crafty Badillo faked to Huerrea and tossed to Robert Massey who sprinted across with 9:57 left. Mason's PAT made it 24-6 with the curtain falling on the hapless Hawks.

Realizing that Wall's desperate offense would resort to the bomb, the young Lion pass rush forced the Hawk QB into yet another intercepted probe with Massey gathering it in at the 46 of Wall. Payne, Badillo and Mason moved the Lion offense, but it was Huerrea in a burst of both power and speed who bulled over from 14 yds. away leaving a dejected and disheartened defensive unit in his wake. Mason's kick closed out the scoring for the evening giving the Lions a final margin of 31-6. Mason, who

had a big sack and a critical fumble recovery outscored the entire Wall offense with his accurate kicking. In addition, Mason intercepted the Hawk QB with 03 seconds showing in the contest.

After the game, defensive Coach Sexton had praise for the powerful Lion fullback and for the "iron man." "Huerrea is what every football team really wants and needs...a big, bruising, quick back we can call on when we need three yards, who will stick his head in there and blow people out of his way."

Turning to his defensive standout, Sexton smiled and shook his head. "I'll tell you this much," he said of the "Iron Man"... "Tijerina is a truly excellent ball player whom any opposing offensive game plan can't afford to ignore."

Could Coach Sexton have had Big Lake in mind?

The resurgent Lions journey to Big Lake this Friday evening to an 8 p.m. tilt!

CORRECTION-In South Texas Lumber Co. hunting advertisement last week, shotgun shells were advertised for \$3.99. This was an error on the part of the Stockman, as an old cut was used which we clipped from a service. We regret any inconvenience or embarrassment caused by this error but we are pleased to know so many people read even the ads in the Stockman.

CARD OF THANKS

I would like to thank the employers of the Ozona National Bank for the money tree and lounge chair upon my retirement. I will always remember and think of you all.

Thank you,
Chano-Torres

29-1tp

Fierro downs Dunn in match

James Fierro outlasted 13 year old tennis sensation Chris Dunn, Sunday evening 1-6, 6-4, 6-4, to win his first challenge match trophy of the season.

Fierro had difficulty with Dunn's serve and volley game in the first set, but stormed back from a 3-0 deficit to pull out the second set 6-4.

Dunn, whose service abandoned him in the crucial deciding set, nevertheless broke back several times to stay close. At 4-4 in the third set, Fierro unleashed a devastating forehand to move ahead 5-4 and managed to break Chris' service to ice the match.

This weekend more challenge match tennis will take place at the Ozona Tennis Courts. The public is invited and there is no admission.

Scholarship in rodeo to Gay Burns

Gay Burns, daughter of Mr. and Mrs. Glenn Burns and a member of the Southwest Texas Junior College rodeo team, a prominent member of the NIRA that went to the national finals last year, has signed a letter of intent accepting a rodeo scholarship for the fall semester.

Gay was a competitive performer for SWTJC all last season. Her team will begin the season at Uvalde Fairgrounds October 14-16. Ticket and other information is available from Merrill Adams at 276-4401.

Mrs. Henderson is Angelo chairman

State Senate candidate Ernest Angelo announced that Mrs. John L. (Martha) Henderson, Jr. of Ozona, Texas is serving as the Crockett County Angelo campaign chairman.

Mrs. Henderson is the chairman in charge of all campaign activities for Crockett county and serves on Angelo's 38-member Campaign Steering Committee. "I'm honored that so many well respected community leaders are involved in my campaign," said Angelo.

"The Texans serving as chairmen in each of the 38 counties of the 25th district reflect the broad base of support I have among Democrats, Republicans and Inde-

pendents. Regardless of political affiliation, conservatives want a State Senator with experience."

"In weeks ahead, these county chairmen, and hundreds of dedicated volunteers working with them, will be contacting voters on my behalf. Their work will provide the margin of victory on November 2nd."

Gerald James of Kerrville, Frank Cahoon of Midland, and Mrs. Baugh Lewis of San Angelo are serving as Campaign Tri-Chairmen of the Angelo campaign for State Senate in the 25th District. Angelo's campaign organization includes a county chairman in each of the thirty-eight counties within the 25th district.

Fierro retires from DHT after thirty years

Antonio Y. "Antone" Fierro with the Maintenance Section of the State Department of Highways and Public Transportation (DHT) in Ozona received a Certificate of Service, Lapel Emblem, and announced his retirement all at one time.

Mr. Fierro started work for the DHT in July 1952, doing general maintenance work, and had advanced to Maintenance Technician III at the time of his retirement.

Antone has always been a dependable and willing worker and a letter from a grateful motorist thanking him for help in the repair of his vehicle shows concern and consideration for the traveling public.

Mrs. Fierro "Sofia" and Antone have lived all their married life in Ozona. Their

six children have given them many grandchildren to enjoy. They are members of the Catholic Church.

The 30 year service award was accompanied by a letter from District Engineer D.R. Watson of San Angelo congratulating Antone on his long and dedicated time with the Department and with "hopes his retirement would be filled with good health and happiness in the years to come."

When Antone was asked what he intended to do now that he has retired he remarked "I like to travel and help my children with carpentry work. I expect to do a lot of both."

The Xerox Personal Computer.
Miraculously easy to use.

So easy, in fact, anyone can use it to make almost any office task simpler and easier. Because anyone can learn how to operate it in just a few hours. And because there's the added convenience of a familiar typewriter-style keyboard with a handy numerical pad.

So before you know it, you'll be using it as a personal computer for everything from keeping inventories up to date to financial planning. Or as a word processor, to type, edit, store and recall the printed word in just seconds. Even as an intelligent terminal, providing access to remote data bases or communication of information from one location to another.

The Xerox personal computer. A simply amazing machine that's so easy to use, it's almost miraculous.

The Lion's Roar

Editor-Karise Aycock

Reporters-Gayla Bell, Cynthia Trujillo, Melissa Galindo,

Robbie Turnley, Irma Ybarra, Naomi Gonzales

NEW ASSISTANT SUPERINTENDENT

By-Irma Ybarra

New assistant superintendent is Mr. Garland Davis. Mr. Davis is temporarily located in the old Junior High building, until his new office is completed adjacent to the administration building.

Mr. Davis is married to Rose Marie Davis. They are the parents of three sons. The oldest is Glenn, who is a senior at ASU. He is majoring in education, History and P.E., and plans to teach and coach. Gary, a sixteen year old sophomore in Ozona High School, is a student trainer for the Lion football team. He is also a member of the Ozona Lion Band. Gary plans to be in basketball and track. He also plans to compete in the UIL spring meets. Copie, a sixth grader, enjoys all sports. He "can't wait" to play Junior High football.

Mr. Davis has taught and coached in Robert Lee, and has been a principal for Elementary and High schools for sixteen years. He was a superintendent in Medina for nine years. Last year he was an Administrative assistant to the Commission of Education of Texas Education agencies in Austin.

Mr. Davis commented that as a family they did not like Austin. They were looking forward to coming back to a West Texas town. They are also pleased with Ozona, the friendliness, and the warmth of the community. Mr. Davis feels the school system is very good. He said the Davis family is looking forward to becoming a part of the community.

Mr. Davis' hobbies are outdoor sports such as golf and hunting. His favorite color is blue and his favorite food is steak and potatoes. He likes to watch sports and news on T.V.

When asked why he chose this job, Mr. Davis commented it was a result of "not being happy" in Austin. Mr. Davis also commented that he was looking for an administrative position in West Texas. He had known of the Ozona system for a long time. He commented that he would enjoy working here, and that the school system is good. He also said this was a place he wanted to have his boys come to school.

When asked what his goals were, Mr. Davis commented, "to be as functional as possible, to positive the education program and to give students the educational benefit that the administration can expose them to, also, to develop an educational program that would prepare the students for their future lives."

Mr. Davis commented that his philosophy of education is "that the school exists for the benefit of students," and first priority is to "meet needs that are experienced by students," and to serve the community and school

BAND MAKES CHANGE

By-Gayla Bell

Many students may have noticed the change made by the band at the pep rally. Having previously used the south side of the gym, the band has moved to the north side in order to be heard better. The acoustics in the gym prevented the audience from hearing anything but the drums. Moving to the other side of the gym will help the melodies of the songs to be heard more clearly, according to Mr. Glaze, band director.

The band first tried this change at the pep rally, Friday, September 3, and felt it seemed to work quite well.

When asked how he felt about the change, Mr. Glaze said he likes it. "It enables the people to hear the quality of the band," he said.

FUN TIMES FOR JUNIORS

By-Karise Aycock

Ask any junior what the most fun part of being a junior is and surely he or she will answer without a doubt, "Why, working in the concession stand at football games, of course."

Every year juniors face the thrill and challenge of manning the concession stand for all of the Cub and Lion football games. The fearless juniors undertake this task in order to raise money so that they can present the seniors with a catered banquet and prom.

It takes numerous talents for a person to be successful in the concession stand. Among these are the ability to take ten orders at one time, make correct change for ten different orders, carry two cokes, a frito pie, and a chili dog to the customer who is screaming the loudest, and the talent of knowing just who is really next in line. But most of all, working in the concession stand takes "tons" of patience.

A PARKING REMINDER

By-Melissa Galindo

Parking on campus follows a routine established through certain rules and years of tradition.

As has been the custom for many years, seniors and some teachers have the exclusive privilege of parking at the south side of the building. However, spaces beside the Suburban Propane building are "off-limits" to school-related parking.

Other student drivers may park in the school parking lot across the street from the main building.

Reserved parking for administrators and teachers only can be found in the spaces on Avenue D. No other school parking is allowed on that street.

NEW TEACHERS ARE IN A CLASS OF THEIR OWN

By-Robbie Turnley

Three new teachers at Ozona Primary School are Mrs. Nesa Chandler, Mrs. Susie Childress, and Mrs. Kathy Reavis.

Mrs. Chandler teaches second grade and has twenty-one children in her class. She previously taught kindergarten, but says she likes second grade better. Mrs. Chandler is the wife of Fred Chandler. They have been married a little over a year, though she has been in Ozona three years.

Mrs. Chandler's favorite food is Chinese food and she likes to eat out at Chinese restaurants. Her favorite colors are red and blue.

Another new teacher at Ozona Primary school is Mrs. Childress, who teaches first grade. She has sixteen children in her class. Mrs. Childress, the former Susie Russell, has been in Ozona all her life and says she "really likes it here." She calls teaching "a challenge." Her favorite food is Mexican food and her favorite colors are red, white, and blue. Mrs. Childress is married to Johnny Childress, and they have two children, Courtney and John Clayton.

A third new teacher at Ozona Primary School is Mrs. Reavis. She has a husband, Frank Reavis, who teaches Chemistry, Algebra II, Physics, and Math IV at OHS. She also has a daughter, Cindy, who is a Senior at OHS. Her son, Frankie, died in an automobile accident a couple of years ago.

Mrs. Reavis teaches kindergarten this year and has eighteen children in her class. She previously taught third grade at Ozona Intermediate School for nine years. She says she really likes to teach kindergarten children. Mrs. Reavis said her favorite food is shrimp and her favorite colors are blue and green.

The Reavis family has been in Ozona for fifteen years. Mrs. Reavis told us, "there's not a better place to live. Ozona is a place to call home."

NEW TEACHER AT HIGH SCHOOL

By-Melissa Galindo

Another new teacher at Ozona High School is Tony Keathley, who teaches American History.

Mr. Keathley came to Ozona from Kentucky, where he taught American History and Math.

He came to Ozona because of the dry climate and because he felt it was "the right place to live."

"Students here have been good to work with," he said. "They have a great desire to learn."

His goals for the year are to "teach my students as much about history as I can and to help them learn to think independently."

CANDID CAMERAS

By-Cyndi Trujillo

In order to have a yearbook, one needs pictures, and in order to have pictures, one needs photographers. Well, Ozona High School has both a yearbook and photographers.

The photographers for the 1982-83 Lion yearbook are Kim Williams, Gary Davis, Mary Trevino, Teresa Lee, Gloria Rios, Dennis Young, and Jene Wilton.

In an interview with some of the photographers, we asked them why they became photographers and what it means to be a good photographer. Their response was "to learn more about photography," and their definition of a good photographer was "someone who takes a lot of good pictures", and who "devotes a lot of time" to taking them.

Their purpose in becoming photographers was to help with the yearbook and to develop better picture-taking skills.

Some of the duties of the school photographers are to take pictures for the yearbook, to tote their cameras everywhere they go, to develop film, and to keep the darkroom in top order.

NEW JUNIOR HIGH TEACHERS

By-Irma Ybarra

One of the new teachers to Ozona Junior High, but not new to Ozona, is Mr. Jack Probst. Mr. Probst is married to Mrs. Judy Probst, a third grade teacher at the Intermediate school. They are the parents of Jennifer, who is an eighth grader.

Mr. Probst was Ozona's first school counselor. He then became the principal at the Primary School for five years. Mr. Probst has gone back to his "first love," coaching and teaching at the Junior High. Mr. Probst teaches history and is coaching football. He also coaches the High School girls golf team and was the first coach to take the girls golf team to state.

Mrs. Curry is another new teacher in the Junior High School. She is married to Mr. John Curry, who is the Civics teacher in High School. They are the parents of two daughters, Shannon, a sixth grader, and Cullen a third grader.

Mrs. Curry has been teaching five years. She teaches eighth grade English and sixth grade English. She also commented that she has taught High School and likes working with children.

Mrs. Curry's hobbies are reading, playing the piano, singing, and watching athletic events. Her favorite colors are red and her favorite T.V.

show is "Hill Street Blues." Her favorite food is enchiladas.

Mrs. Curry commented that although they "needed to move to a different school, it was hard for her to leave Van Horn, because it was her home town." Mrs. Curry commented that she loves Ozona and also says "It is easy to fit into." "The people are real friendly and open," she said.

LIONS "PLAY LIKE CHAMPIONS"

By-Cyndi Trujillo

Coining the motto, "Play like champions," Coach Don Abbott is leading the Lions as Head Coach this year.

Mr. Abbott has been coaching nineteen years. He moved to Ozona from Mason. His first coaching job was in San Angelo, where he coached for the Lakeview Chiefs.

When asked why he became a coach, Mr. Abbott's response was that he enjoys working with young people. He also stated that his coaches influenced him a great deal, too.

In Mr. Abbott's opinion, "Coaching is not just to win the games, but to try and help mold the lives of young people." His goal is to teach good sportsmanship, and to "help the players reach their full potential." Mr. Abbott said the way the Lions team is working out, he thinks this goal can be reached.

Some of the football players were asked what they thought about Coach Abbott's coaching procedures. Here are some of the responses:

"He is a very good coach and if we follow his procedures, we could probably get into the playoffs."

"He is the best coach I have had during my four years in high school."

"He is a real good coach and his procedures are excellent. He has good plays and is easy to get along with."

"He knows how to coach and is a 'Great Dad' to all the seniors."

A comment from some of the seniors was that they are proud that Coach Abbott came to Ozona. The players said they believe each player is needed by the others, and "no one can win alone."

In order that the public may become more aware of coaching procedures and may view the big game plays again, films are being shown each Tuesday night in the high school auditorium. These films will be shots of the previous game. Cookies and coffee will be served, and the public is urged to attend.

FAILING SLIPS MAILED

By-Noemi Gonzales

When failing grades are sent home on report cards, it is usually too late to change the past. For this reason, the school sends failing and near failing slips home to parents at mid-six-weeks.

This week is the first mid-six-week period for the 1982-83 school year.

The slips, which are compiled by teachers in individual classes, indicate the student's name, the subject, the grade average currently held, and the teacher's name. They are mailed three weeks prior to issuing report cards.

This procedure "lets the parents know in which subject the student needs extra help," according to Mr. Jim Payne, OHS principal.

BASKETBALL WORKOUTS BEGIN

By-Noemi Gonzales

Working hard on their fundamentals, the 1982-83 Lionette basketball girls have started their workouts.

The Lionettes have a very good chance this year, according to Debbie Deaton, coach. The only team Coach Deaton knows as of right now that the Lionettes will compete against in our district is Sonora.

Coach Deaton said she has high hopes for the Lionettes this year, adding that their attitude toward basketball is "terrific."

According to some of the Lionettes, the one thing they most like about basketball is that they can compete with other teams, and they find this an enjoyable challenge.

When asked how the Lionettes liked the athletic period this year, they said, "We think it is great and it gives us more time to do our homework."

The goal for the Lionettes, according to Coach Deaton, is to go "as far as they are capable of going."

The Lionettes are not the only basketball team getting started already. The Lions have also been working out. "They are not doing anything hard right now," according to Coach John Curry. "The Lions are mostly working on getting in shape," he added.

They have been lifting weights, running, and working on fundamentals.

Use Your ENERGY To Save Electrical Energy...

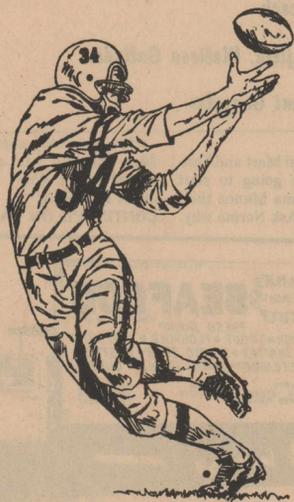

By using some of your energy you can save electrical energy. Simply by adding insulation, caulking around windows and doors, and adding weatherstripping you can help stop heat loss in your home. Stopping heat loss will help your home to operate more efficiently. Also, consider installing a 200% efficient heat pump cooling and heating system in your home. If you want more information pick up our FREE Home Energy Conservation Guide at any WTU office.

Crockett County Care Center News

BY ANN McCARTNEY
DIRECTOR OF ACTIVITIES & SOCIAL CARE

A poem by Emilee Hines that we have posted in our Care Center says "September is summer's last burst of harvest-and a hint of winter's coming sleep." This truth is seen at our facility as Tomasa Ramos waters our fall vegetables growing in our new planter box, as we sit outside for Sunshine Hour and wonder if next week it might not be too cool, and as we make plans for October at our resident council meeting, ever mindful that the changing weather of Texas autumn's could change our plans.

Sunday church services were conducted by Bonnie Warth, Madye Jo Humphreys, and Bernice Jones of the United Methodist Church. We appreciate their dedication. Tuesday's winner of the El Chato dinner for two was Frances Borrego. She and volunteer Dorothy Doll cashed it in on Wednesday. Frances was also the first place winner of a gift certificate from the Teacher Store on Friday. It was her lucky week at bingo! Second place winner of the week was Ramona Lugo. Volunteers included Juanita Delgado on Tuesday, Anna Bell Patrick on Friday and Alice Ross and Dorothy Doll on both days. Tuesday afternoon we had our monthly birthday party. Roberta Schoenhals, assisted by Dorothy Doll, served first our birthday ladies, Maude Pettit, Leona Harris, and Maggie Crawford cake made and donated by Polly Eppler. The ladies also wore pretty corsages donated by Maxine's Flower Shop. We were sorry that Bertha Miller who also has a September birthday was still in the hospital and missed her special event.

Dorothy Doll helped with ceramics and Sunshine Hour on Wednesday and attended our residents council meeting on Friday so one can readily see "how handy" she is to have around.

We also appreciate Frances Borrego's assistance in feeding the fish.

Thursday morning beauty shop was again manned by Bonnie Warth and Madye Jo Humphreys. Thursday afternoon the Lutheran Church group came for our weekly Bible study. We appreciate all our volunteers and it is hoped that, with the beginning of new fall activities, more Church and service groups will be contacting us to see what they too might do to be a service to our Care Center, what they too might do to help our people, most of whom are in their autumn years of life, have a fuller, happier, more pleasant lifestyle.

PUBLIC NOTICE

Notice is hereby given that SOUTHWEST TEXAS ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change its power cost adjustment rate for electric utility service effective September 29, 1982, or as soon as may be permitted by law. The proposed power cost adjustment changes the manner in which wholesale power cost are collected from the Utility's ratepayers. The change is applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed change. The proposed power cost adjustment is not expected to increase the annual revenues of the Utility. Implementation of the proposed change is subject to approval by the appropriate regulatory authority. A Statement of Intent including the proposed revision is on file with the Public Utility Commission of Texas.

The Statement of Intent is available for public inspection at the general office of the Utility located at 21 E. Gillis, Eldorado, Texas. Campbell McGinnis, ATTORNEY FOR THE UTILITY 27-4tc

COMMISSIONERS COURT

[Cont'd From Page 1]

Civic Center report and ask for three new members on his seven-member board. He recommended Mae Lay, Leo Cervantez and Alice Lopez. All three were approved by the court.

He also announced the new teen council members. Raedene Flores and David Adams will serve as freshmen representatives on the council. Sophomore members will be Susan Scott and Terry Abbott. Selected from the junior class were Dennis Young and Crystal Williams. Senior representatives are David Badillo and Darla Lovell.

James Conaway, hospital administrator, met with the court to give them good news and bad news about the hospital. He said the good news was revenues going up and the bad news was costs going up. Conaway reported occupancy up to 61% this month, compared with 15% for last month. He said things were looking up at the hospital with four doctors on staff, but it would take time. He reported collections remained at 43%.

The inhalation therapy service at the hospital was discussed. Conaway told the court the more services offered, the more a hospital of this size slips under financially. He also told the court the hospital board knew nothing about it until the contract was signed and the people were in the hospital operating it. He also said only one doctor really utilizes the service.

After some discussion about the service taking 70% of the income generated by it and the hospital taking 30%, Conaway was asked if it was really necessary with collections standing at 43%. The hospital does all the billing and collecting for the service and pays the 70% charge regardless of collections. The court wanted to know if the service was essential to the operation of the hospital, but Conaway could not give a definite answer. He said he expected the service would be dropped when the present 90-day contract was up.

The financial report for the hospital indicated the loss for last month was \$73,070.58, bringing the loss for the year to \$314,598.80. The hospital has used up its budget for

the year and must operate completely out of the general fund until January 1. However, Conaway told the auditor he expected the hospital to stay within its budget if things continued to improve.

The court reconvened for the afternoon at 1:15. Bills were approved and several others matters discussed. The court took responsibility for the renovation of the two rooms vacated by the abstract company and now in the process of being remodeled, thereby relieving the county clerk of the responsibility. When the clerk told the court the furniture was already ordered and in the hallway, he was told not to concern himself.

Adjournment came about 4:30 p.m.

Carlises get horse show wins

Dr. Don and Lee Carlisle attended the Alamo All Arabian Fall Shows I & II this past weekend in San Antonio and exhibited two of their purebred Arabian horses. Both horses were consistent winners in both shows.

They showed to three first place and five other high placed ribbons. Bask El Tigre, 4 year-old gelding, was ridden by Ms. Eydhe Collie, an occasional visitor to Ozona, to first place in two English Pleasure classes.

Arabisque, a stallion, was ridden by 17 year-old Misty Neely of San Antonio, winning the Championship in the International Arabian Horse Association National Saddle Seat Qualifying Class. It is anticipated that she will use Arabisque as her equitation horse in the National Arabian Show in Kentucky next month.

Arabisque, ridden by 15 year-old Kris Kienzle, also placed second in Championship Native Costume. Both horses are trained by Ms. Margo Smith and Eydhe Collie of Fancy Free Training Center in San Antonio.

Frank Chapman and Cole Chapman of Del Rio, were in Ruidoso last week on vacation.

Childress to serve on board

Sandra Childress, is one of about 65 members of the Board of Young Associates of Hardin-Simmons University who will attend a joint session in Abilene, Sept. 17, with the Board of Trustees and Board of Development.

The Board of Young Associates is made up of men and women graduates under 40 years of age who are committed to the university and have outstanding leadership abilities. They assist the university in various projects and as goodwill interpreters of the university where they live.

All three boards will hold separate sessions and will be updated on the university's \$15 million "Forging the Future" campaign which will raise funds for the endowment and building needs of HSU.

The Board of Trustees in the spring of 1982 approved long-range plans and priorities for the university and authorized a capital needs and endowment campaign.

DUPLICATE BRIDGE

In Duplicate Bridge Club play Sunday afternoon at the Country Club, Mrs. Robert Cox and Mrs. Tom Montgomery were first, and Mrs. Jack Williams and Mrs. Sony Bailey, second.

CORRECTION-In South Texas Lumber Co. hunting advertisement last week, shotgun shells were advertised for \$3.99. This was an error

on the part of the Stockman, as an old cut was used which we clipped from a service. We regret any inconvenience or embarrassment caused by this error but we are pleased to know many people read even the ads in the Stockman.

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES

PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son legítimas para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exención de la imposición de impuestos de la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que exención los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación.

La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gobernantes de ciertos distritos de agua y distritos de conservación y reclamación."

PROPOSICION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSICION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesorerero del condado.

Si se anula el oficio de tesorerero del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:
"La enmienda constitucional que anula el oficio de tesorerero del condado en los condados de Tarrant y Bee."

PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

Lion's Roar

[Cont'd From Pg. 7]

Rhonda Faries, how does it feel to have a white nose and white hair?

Denna Phillips, tuck your long hair in.

Kim Bishop, what did you forget?

Hey, Rita, who is your 'slim and trim' pal?

WHAT WOULD YOU DO IF YOU HAD A PAEDOMORPHOSIS?

By-Melissa Gallardo

The Lions Roar Staff asked this question to the students of OHS. The following are their opinions:

Mylene Najar-I'd hit it and run from it.

Irma Tobar-I'd play with it.

David Vargas-I'll eat it for supper.

Rodney Najar-I would wear it

Leonar H. Munoz-I'd go out with it!

Sylena Sessom-I'd try to eat it!

Cindy Lott-Love it like a puppy.

Marie Boggs-I don't know what I would do with it.

Rita De La Rosa-I'd play basketball with it.

Steve Sanchez-I would wear it.

Mike Trujillo-I would jump on it.

Mary Trevino-Get rid of it.

Rudy Hernandez-I would run over it.

Elisa Garza-I'll laugh with it.

Lupe Fierro-Put it in a jar and shake it.

J.R. Garcia-I would find the definition for it.

Peter Hunt-Form a hypothesis

Marisella Longoria-Go riding around with it.

Yvette Martinez-I'd drink it.

Brock Jones-Keep it.

Evelyn Cervantez-I would destroy it.

Paedomorphosis-A process by which one realizes his full potential.

OZONA KNOCKS DOWN WALL

By-Robbie Turnley

The date was Friday, September 12. The place was Wall. It began at 8:00 p.m. In a country-like atmosphere, the Ozona Lions took on the Wall Hawks.

By the end of the first period, the Lions had roared to a 7-0 lead. Ozona got another touchdown in the second period and also a field goal. They led 17-0 at half-time. The Lions got two touchdowns in the second half but Wall also broke the shutout with a touchdown of their own. Ozona ended up winning 31-6.

It took a lot of combined team effort to beat Wall. Wall beat Sonora the week before Ozona played them. The fans were really supportive of the Lions Friday night because the Ozona side of the stands were nearly full.

The Lions play Big Lake in Big Lake at 8:00 p.m. Friday. Thursday night, the

Lion J.V. will play here against the Big Lake J.V. The 7th and 8th grade Cubs will also play Big Lake, Thursday evening.

NEW ATHLETIC PERIOD

By-Gayla Bell

Students who want to participate in sports throughout this year now have the opportunity to get out of practice earlier because of the new athletic period. This is held during seventh period, and students involved in sports can go to the gym or field to work out.

This athletic period was possible because the administration and the school board thought it was a good idea. According to Coach Sewell, the school board felt it would give the athlete more competition and make him or her want to participate, and would give the athletes more time to study, since they will get out of practice earlier. Athletes are encouraged to use the athletic period throughout the year for all sports. The coaches think it will help in one sport in particular, Coach Rip Sewell said it would be "beneficial in all of the sports, not just one."

The coaches feel that this athletic period will help improve grades since it gives the student more time to study. They also feel that there will be more competition among the teams. Coach Sewell is sure it will succeed in future years because "the students seem to enjoy it."

Cafeteria Menu

- Monday: Corn Dogs, Macaroni & Cheese, Buttered Peas, Lettuce Salad, Fruit Cup, Cinnamon Rolls. Tuesday: Spanish Steak, Buttered Corn, Vegetable Salad, Fruit Cup, Cornbread. Wednesday: Pinto Beans, Stuffed Weiners, Cabbage Salad, Peach Cobbler, Cornbread. Thursday: Hamburger on Bun, Pork & Beans, Lettuce, Tomatoes, & Pickles, Fruit Cup. Friday: Turkey Roast, Mashed Potatoes, Green Beans, White Cake, Hot Rolls.

NOTICE-John McCary will not be responsible for debts or checks by Robbie Nell McCary as of 1st of September, 1982. 29-2tp

Ozonan is winner of dog trials

An Ozonan won the sheep dog trials at the 76th Annual West Texas Fair and Rodeo held in Abilene last week.

Bob Childress, in the open class, won first place and third place with his dogs, Fly and Nan. The sheep dog trials were a new event for this year and were held in the new horse barn facility.

Childress is not new to the sheep dog trials, having entered and won events in Great Britain, Australia and other countries. He and his dogs were featured recently in a story about the border collie in Reader's Digest.

VFW to honor law enforcers

All law enforcement officers, Texas DPS personnel, Game Wardens, U.S. Border Patrolmen, Sheriff and City Police Departments are invited to attend a law enforcement appreciation dinner in Ozona at the V.F.W. Post, September 23, 1982.

Come early and visit with old friends and dinner will be served at 7:00 p.m. No R.S.V.P. is necessary, just try and make it, as this is on a Thursday and things should be slow.

HOSPITAL NEWS

Patients receiving treatment in the Crockett County Hospital last week were:

Huff, Louise McWilliams, Gene Kiser, Jeremy Noah, Manuela Diaz and baby girl, Eugenia Ramos, Alice Martinez, Rosa Diaz, Coy McClaskey, Peggy Goll, Celia Galan, Amy Gonzales, Mickey Arredondo, Adolfo Rodriguez, Santos Martinez, John Walker, Isaac Leal, Vanessa Hobson, Cruz Trevino, Estella Chapman, Rudy Huerreca, Denis Moran, Arturo Vasquez, Teresa Martinez, Romano Saucedo. * denotes dismissal

WTU files for another increase

West Texas Utilities Company has filed for a general increase in its rates for retail customers.

The official application was filed Monday according to District Manager, Don Revell.

The manager said the application is a systemwide request for higher rates. Simultaneous filings were made in incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase in rural areas, unincorporated towns and in 13 incorporated towns which have ceded jurisdiction over electric rates.

The principal reasons cited for the request were the cost of WTU's construction program, high interest rates and the effects of general inflation on the cost of providing service.

The proposed rates would produce an increase in total retail revenue of \$20,404,166. This amounts to 9.4 per cent.

No major changes in rate structure are proposed except for some adjustments of allocations among customer classes. For residential customers, the average electric bill, including fuel costs,

would go up by about 10 per cent, although the actual increase would vary with the amount of usage.

WTU's last rate case was filed in the fall of 1981 and settled early in 1982 after a hearing and for an amount considerably less than had been requested. WTU had asked for 15.2 per cent but received 8.3 per cent. Company officials said at that time that another increase probably would be necessary within the year.

The Company had to spend over \$55 million this past year on new construction and must spend even more in the years immediately ahead to assure a continued reliable supply of electricity. The construction program includes a new coal-fired power plant at Oklahoma, as well as new transmission lines and distribution facilities over the system.

WTU built its last power plant in 1977 and since then has been able to lag behind most other utility companies in new construction and in rate increases. A recent survey by the Public Utility Commission of Texas shows that WTU's customer bills are lower than the state and national averages.

Notes from the Lions lockerroom-

By-Ross A. Alexander

Assistant Coach John Curry: "We were rather slow-starting tonight. Even after we settled into the flow we had lapses we had to snap out of. However, anytime you win 31-6 you can't be too dissatisfied. In spite of the lack of killer instinct earlier, and the missed opportunities, this team is improving and at this point, there's just no telling how really good they can become. Huerreca played like the game was still on the line even when it appeared fairly well put away."

Willie Payne: "We didn't play as well as we could have. We could have scored many more points, but I feel we're improving."

Ed Borrego: "They started passing when the running game broke down. David Tijerina played a really good game tonight, he helped us a lot with some big plays."

Basically tonight we just did our job."

Will Mason: "We got chewed out at the half and came out and played some really good ball in the 2nd half."

Robert Massey: "The team has definitely been improving from week to week. Tonight, we weren't as good as we could be, but the improvement was there."

David "Iron Man" Tijerina: "If you don't take in consideration the few lapses and mistakes, you can consider this a good win, because we all know we can go much better."

Zeke Martinez: "We contained their principal offensive weapon, the power sweep. The coaches put in a different look that confused their blocking assignments and they never seemed to really adjust. I feel we put good pressure on the passer again tonight and Tijerina played super ball."

Public Notice

CITATION BY PUBLICATION
STATE OF TEXAS

Norman Newsom and Pepper Exploration, Ltd Defendant, Greeting:
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 1st day of November, 1982, at or before ten o'clock A.M. before the Honorable 112th District Court of Crockett County, Texas, at the Court House of said County in Ozona, Texas.

Said Plaintiff's Petition was filed in said court, on the 2nd day of September A.D. 1982, in this cause, numbered 4472 on the docket of said court, and styled, SIMPSON-MANN OIL PRODUCERS, Plaintiff, vs. NORMAN NEWSOM, PEPPER EXPLORATION, LTD, ARCH MCKELLAR, H.K. ELROD, and RONALD CHILTON, Defendant.

The names of the parties to the cause are as follows: Simpson-Mann Oil Producers are Plaintiffs and Norman Newsom and Pepper Exploration, Ltd are Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff requests that a Declaratory Judgement declaring that all right, title and interest of Defendants' in and to the acreage and Leasehold Estates has reverted to Plaintiff and that said Defendants' have no further right, title or interest in and to said Leasehold Estates; and pursuant to the Uniform Declaratory Judgment Act, Article 2252-1-1 of the Revised Civil Statutes of Texas.

As is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said court, at office in Ozona, Texas, this the 9th day of September A.D. 1982.

Attest:
David H. Weant, Clerk,
Dist. Court, Crockett County, Texas.
By Debbi Puckett, Deputy.

Said Plaintiff's Petition was filed in said court, on the 3rd day of September A.D. 1982, in this cause, numbered 4473 on the docket of said court, and styled, Ex Parte: vs. Emma E. Arnold, et al.

The names of the parties to the cause are as follows:

Estoril Producing Corporation are Plaintiffs and Emma E. Arnold, Gordon G. Berg, Robert G. Bradshaw, et ux., Mary G. Bradshaw, John L. Brady, Max R. Chudy, David Cohen, Delia B. Edwards, Edward Mitchell, Edwards, E. M. Edwards Company, Roy Stephen Feltman and Howard A. Bermer, Co-Trustees for Irving L. Feltman, Roy Stephen Feltman and Judith F. Myles under Trust, Mrs. Carrie Gidwitz, Charles W. Hastings, Elmer G. Johnson, Harry L. Jones, II, Josephine Radue, Mrs. John E. McConnell, Jr., Individually and as Independent Executrix of the Estate of John E. McConnell, Jr., Robert R. McKee and Earnest W. McKee, Jointly, Lionel L. Shatford, Ida Miller, Edward F. Nicholin, Hylah G. Sullivan, wife of Frank P. Sullivan, Louis Ross, Ellis Rudy, Richard Harry Evans, Trustee of the 1976 Evans Trust, J. Franklin Zouck, W. B. Trammell, Flora G. Sarkisian, Executrix of the Estate of Dicran M. Sarkisian, and unknown heirs, devisees, executors, administrators, successors and assignees of each of said parties, Defendants.

A brief statement of the nature of this suit is as follows, to wit:

This is a suit brought to have a receiver appointed under Article 2320 (b), Texas Revised Civil Statutes, the nature of such suit is more fully shown by Plaintiff's petition on file.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said court, at office in Ozona, Texas, this the 10th day of September A.D. 1982.

Attest:
David H. Weant, Clerk,
District Court, Crockett County, Texas.
By Debbi Puckett, Deputy.

Ozona Garden Club has kick off lunch

The Ozona Garden Club opened the club year with a Dutch treat luncheon at the Inn of the West Monday, Sept. 13. Hostesses were Mrs. J.S. Pierce, IV and Mrs. Tom Stokes.

New yearbooks were issued and reviewed by Mrs. Pierce. The District VIII fall convention, which will be held in Ozona Nov. 8, 1982, was discussed by Mrs. Stokes.

A white elephant and plant sale Oct. 16, will be a money making project for the club this year. New projects include a membership drive with Mrs. J. B. Miller as

chairman; landscaping the grounds at the new schools, Mrs. Steve Kenley, chairman; replacement of the garden of the week sign, Mrs. J. W. Howell, chairman; plant sale, Mrs. Howell, chairman. Others attending the meeting were Meses. Joe Bean, Mike Clayton, Tom Conner, Leonard Hillman, J. W. Howell, Steve Kenley, Mike Ledoux, Bill Mason, J. B. Miller, Beecher Montgomery, J. S. Pierce, Bailey Post, Glenn Sutton, David Weant, O. D. West, Charles Williams, George Bean, Johnny Hokit and Boyd Baker, and one guest, Mrs. Sharon Wright of San Angelo.

Pandale Study Club unveils new cookbook

The Pandale Study Club met Thursday at the Pandale Community Center, and unveiled the all-new Pandale Cookbook. Club members are planning a cookbook sale the latter part of this month in Ozona.

Club members purchased books and discussed the sale of the stunning new edition. Advance sales of the book were being delivered this week.

The president, Mrs. Larry Arledge conducted the business meeting following a greeting to members for the new year. She named chairmen for committees and explained the duties of each. The yearbooks for the club year were distributed and discussed. Topic for this year will be "Changes of the Southwest."

Money from the sale of cookbooks help to support West Texas Boys Ranch, High Sky Girls Ranch and Volunteer Service of San Angelo.

Mrs. Carl Malone, Jr., Mrs. Carl Malone, Mrs. Ted White and Mrs. Buster Deaton served delicious homemade peach ice cream and cookies to those present.

Others present included Mrs. Elmo Arledge, Mrs. W. H. Bunker, Mrs. Penn Baggett, Mrs. Terry Gries, Mrs. Henry Mills Jr., Mrs. John Rowland, Jr., and a guest, Leanna Sue Baggett.

Allen Dews is new FFA president

Allen Dews was elected president of the Ozona FFA Chapter in its first meeting Friday in the Ozona High School Ag. Building.

Other officers elected include Dan Bean, vice president; Rowdy Holmsley, secretary; Capp Couch, treasurer; J. R. Garcia, reporter and Jon Moran, sentinel. The officers were elected by vote of all the members of the FFA chapter.

CORRECTION-In South Texas Lumber Co. hunting advertisement last week, shotgun shells were advertised for \$3.99. This was an error on the part of the Stockman, as an old cut was used which we clipped from a service.

Sports Fans

I BET YOU DIDN'T KNOW

By Jerry Lay

The most fantastic record ever made by a major college football team over a 4-year period was this incredible streak by Michigan from 1901 through 1904. In 4 years, Michigan not only never lost a game, but they scored 2,326 points while giving up only 30.

Of all the running backs in the history of the National Football League, which one led the league in rushing the most seasons? Answer is Jim Brown who amazingly led the NFL in rushing in 8 different seasons--1957 through 1961 and 1963 through 1965. Nobody else has ever come close to that record.

Although many fans consider that batting .400 in a season is baseball's rarest single-season achievement, consider this fact. Eight men have batted over .400 in modern major league history but only 3 men (Maury Wills, Lou Brock and Rickey Henderson) have ever stolen 100 bases in one season, and only 2 men (Babe Ruth and Roger Maris) have ever hit 60 homers in a season.
