Hospital board to meet

A called meeting of the Crockett County Hospital Board has been set for Thursday evening at 7:30 at the Care Center dining room. A full agenda is on tap. New board members will be welcomed; the last Medicare inspection will be discussed, along with the physician shortage brought on by Dr. Taylor's resignation, and the method of salary raises will be discussed.

The cut back of respiratory therapy will be addressed and the new ambulance discussed, along with operating room procedure.

New board members are Bonnie Warth, Al Ramirez and Bob Falkner. Holdover members are Dan Pullen, Leandro Flores and Jody Sessom. Board members serve two-year terms.

County gets gas discovery

Henry Petroleum Corp., Midland, No. 1 Shoubrock "82", Crockett County gas discovery, identified as Strawn, 1 5/8 miles north and slightly west of the Angus (Strawn and Canyon gas) field, 2 3/8 miles south of the depleted two-well Addie (Ellenburger gas) field, 2 7/8 miles south-southeast of the depleted two-well Clayton Ranch (Ellenburger gas) field and 13 miles east of Ozona, was finalized for a calculated, absolute open flow of 1,650,000 cubic feet of gas daily.

Production was through perforations at 8,504-719 feet, which had been acidized with 14,000 gallons.

The following tops were picked on ground elevation of 2,458 feet: Spraberry, 4,411 feet; Wolfcamp, 5,337 feet; Canyon, 7,484 feet; and Strawn, 8,499 feet.

Vandals and thieves take toll

Vandals and thieves have taken their toll in Ozona lately, and as Dudley McCary so aptly put it, "crime is alive and well in Ozona." Three damaging and costly break-ins have occurred the past two weeks.

The theft at the cemetery during the holidays amounted to theft of around \$2,000 worth of equipment, plus damage to the fence and doors to the buildings.

A break in at the Civic Center Thursday night or early Friday morning appeared to be more vandalism than theft. The drink machines were broken open and about \$20 in change was taken. However, whoever pried the door open used the same tool to pry open file drawers causing a good deal of property damage. The building was generally messed up and papers strewn over the floors.

The latest break in occurred at the Day Care Center at the Methodist Church, where entry was gained breaking in a door late Sunday or early Monday morning. A television set and a record player, used by the children, were taken.

4-H LIVESTOCK SHOW WINNERS at the annual show held at the 4-H barn Saturday was this group of 4-H members. They are, standing, Tammy Mayfield, Tamel West, Capp

Couch, Trebie West, Julie Reagor and Mary Wall. In front are Jena Allen, Donna Jo Patrick and Bobbie Acton.

First meeting of year is a busy one for court

The Crockett County Commissioners Court held its first meeting of the year Monday, Jan. 10, with a busy agenda and not much good news for the close of 1982, as most departments closed out over budget.

The really bad news came from the hospital administrator, James Conaway, who reported Dr. Fredric Taylor would be leaving Ozona to practice in Sonora. His resignation from the Crockett County Hospital staff becomes effective January 1. Conaway also reported a net loss of \$102,454.91 for the month of December, \$50,000 of this was used to settle a pending law suit by the respiratory therapy firm engaged by a former administrator. He then presented the court with a list of deficiencies which would fill a good size book on the most recent survey by HEW and Texas Human Resources inspectors. The hospital was placed on waiver, which is apparently nothing new. Conaway said the hospital had been waived since the inception of Medicare when the periodic inspections began, a fact which was not made public by former administrators. He also reported no hospital board meeting was held this month due to lack of a quorum and urged the court to appoint three new board members.

Some discussion was held about the loss of Dr. Taylor, whose six-month tenure cost the county \$30,000. The county picked up the tab to move Dr. Taylor from Canada, and furnished him a residence here.

Conaway said Dr. Taylor gave "personal reasons and lack of good rapport with other doctors," as his reason for leaving. He expressed the opinion the hospital would be back where it started, in very real financial trouble, with the loss of the physician.

The financial situation at the hospital was discussed at length after County Auditor Dick Kirby reported the overall loss for 1982 amounted to \$722,000. Judge Johnny Jones pointed out the average patient load for the year

was 12 patients with an average of 66 persons on the payroll, which the court found unacceptable. The consensus seemed to be the hospital was over-staffed and over-paid. This placed the administrator between a rock and a hard place. He pointed out with half the staff, but every time he tried to cut down he got flack from a member of the hospital board or the court. Also, Medicare requirements make it necessary to have personnel which is not really essential to a small hospital.

After discussion of the \$400,000 budget for this year, Conaway again urged the court to appoint the new

Final hearing on indictments

Pre-trial hearings, the last before the cases come to court, were held Monday in 112th District Court before Judge Troy Williams. Attorneys for the defendants and District Attorney Bill Mason spent most of the day filing motions and taking some guilty pleas.

Sherry Pascarella pleaded guilty of delivery of methamphetamine and was sentenced to four years in the Texas Department of Corrections for Women at Gatesville.

David Pierce was under two indictments for delivery of marijuana. He pleaded guilty to both counts and was sentenced to three years in the Texas Department of Corrections at Huntsville.

District Attorney Mason said he expected the other cases in the rash of drug indictments to be cleared up within the next few weeks. A jury trial for Ignacio Aguilar, who was indicted for involuntary manslaughter in the deaths of Mr. and Mrs. Hollis Stewart, has been set for January 24. The Stewarts were killed in a collision with Aguilar's truck at Midway Lane about two years ago.

board members.

Dr. and Mrs. Don Carlisle and Doctor Anita Brown appeared before the court. Dr. Carlisle introduced Dr. Brown and expressed regret his absence for some months last year caused a loss at the hospital, however, he said his illness had also caused him financial loss. He expressed the opinion that conflict of personalities was greatly overrated in the loss of Dr. Taylor, and he expected no drop in revenue as a result. He suggested that no physician brought to a town with money had any incentive to stay, suggesting if a doctor sinks his own money in a practice it is a different matter. He noted that Dr. Brown had roots in Ozona, and planned to make it her home and practice medicine here for some time to come.

Judge Jones welcomed Dr. Brown most eloquently and assured her the court would back the hospital in any way possible, but that it must be realistic when it came to the financial end.

Bids were opened at 11:00 a.m. for a truck for the road department, a new ambulance, and three cars for the sheriff's department. The low bid of \$40,576 from Mustang Chevrolet was accepted on the truck. Two bids were submitted for the ambulance and the low bid of \$27,180 from an Austin firm was accepted. Jim Bass Ford had the low bid for two automobiles, one of which was accepted. L-B Motors bid low on one of the vehicles and since there was only \$11 difference in the Bass bid and L-B, the court voted to accept both the local bids.

The court adjourned for lunch and reconvened at 1:00 p.m. While Commissioners Williams and Stuart discussed the ambulance at length, in what appeared to be a diversionary tactic, the judge was holding a conference with Commissioners Castro and DeHoyos about the hospital board appointments. When the court finally got around to appointing the board, the judge announced the appointment

of Bonnie Warth, Al Ramirez and Bob Falkner. No vote was taken.

A lengthy discussion was held on the dumpground after another bit of bad news came in the form of a letter from the Texas Department of Health informing Judge Jones the site was being operated in violation of the regulations. The letter cited six areas which need correction. The letter was discussed as well as the cost of keeping a man at the site at a cost of \$18,000 annually to the county. The court was of the opinion the county was paying too much for too little service. The water district supervises the dumpground and hires the employee for the county. After discussing taking over the site and placing it under road department supervision, the court decided to discuss the matter with Bill Cooper, manager of the district, and took no further action.

In other action the youth center board was given permission to install a dishwasher in the kitchen and make some repairs prior to the upcoming chamber of commerce banquet. A sign for the building was also authorized to designate Civic Center & Youth Center. The court was informed that parents of the teen council members would supervise the parking area during youth center sponsored functions to prohibit drinking.

The court took no action on a request from Clitis Sinclair to make improvements in Johnson Draw and suggested Sinclair negotiate with the oil company for restoration to its original state. The court feels the county is only responsible for keeping the draw open to channel water which is the intent of all parties.

In other business holidays were set for the year and the salary schedule was approved. Approved was a 7% across-the-board raise for regular county employees and all elected officials with the exception of the four commissioners, and a larger raise for department deputies.

At 36th annual show -

Record number exhibit livestock

The 36th Annual Crockett County 4-H Livestock Show and Sale was held Saturday in the County Show Barn with a record number of 4-H exhibitors and lambs. Some 94, 4-H members exhibited 400 lambs and 3 steers.

The new addition on the west side of the barn made it possible to house the livestock and was also a nice place to serve barbecue and to eat.

A large number of spectators, guests and buyers were on hand for the show, barbecue, and sale.

Sam Kuykendall, County Extension Agent from Menard, judged the livestock and Randy Dusek from Barnhart judged the showmanship and First Year Feeder Award.

Joe Bean, chairman of the sale committee and members did a tremendous job on the sale. The champions averaged \$800, reserves, \$350, and placing lambs well over \$250.

Jeffrey Sutton and Bob Childress were co-chairmen of the barbecue. Joyce and Karen Keilers were co-chairmen for the concession stand with proceeds from both going to the 4-H Parent and Leaders Association.

Wesley West, General Superintendent for the Sale, spent the bigger part of the week planning and making preparations for the show.

Trebie West took top honors in the finewool division of the show. Trebie, daughter of Mr. and Mrs. Wesley West, exhibited the Grand Champion Finewool lamb. The lamb was bred by Wesley West. Trebie received a silver belt buckle donated by Ozona Wool and Mohair Co. The Ozona National Bank purchased her lamb for \$800.00.

Jena Allen took top honors in the crossbred division by exhibiting the Champion Crossbred lamb and champion pair of crossbred lambs. Jena is the daughter of Mr. and Mrs. Tony Allen. These lambs were bred by Tony Allen. Jena received a silver belt buckle donated by Ozona National Bank for champion pair of crossbred lambs. McDonald Ranches of Sterling City purchased her lamb for \$1050.

Capp Couch exhibited the champion steer. Capp is the son of Mr. and Mrs. Joe Couch. The Chianina cross steer was bred by Joe Couch. Capp received a silver belt buckle donated by L.B. Motor Co. and a premium check of \$550 from Ozona National Bank.

Julie Reagor exhibited the reserve champion finewool lamb and the reserve champion steer. The lamb was bred by Bud Cox and her steer was bred by Tony Allen. Julie is the daughter of Mr. and Mrs. Billy H. Reagor. She received silver buckles donated by Crockett County National Bank and the Ozona Boot and Saddlery. Julie received \$500 from C&C Services for her reserve lamb.

Mary Wall exhibited the reserve champion crossbred lamb. Mary, daughter of Mr. and Mrs. Eddie Wall, received a silver belt buckle from Ted and Jessie White. Mary's lamb was bred by

Pancho McMullan. West Ranch Co. paid \$400 for Mary's lamb.

Bobbie Acton, daughter of Mr. and Mrs. Earl Acton, won Sr. High Showmanship, a spurclip donated by the Federal Land Bank. She also exhibited the champion pair of finewool lambs and received a trophy from Nathan's Jewelers.

Tamel West, daughter of Mr. and Mrs. Wesley West, won the first year feeder award. The silver belt buckle was donated by Wool Growers Central Storage of Ozona.

Tammie Mayfield, daughter of Mr. and Mrs. Bobby Mayfield, won the elementary showmanship award. This buckle was donated by the Crockett County Fair Assoc.

Donna Jo Patrick won the Jr. High showmanship Award. The spur clip was donated by the Federal Land Bank. Donna Jo is the daughter of Mrs. Mary Jo Patrick of Ozona and Don Patrick of Dallas.

The Ozona Lions Club furnished the ribbons, rosettes,

and banners for the show. Placing in each division were the following:

Steers-Capp Couch, first (champion); Julie Reagor, second (reserve champion); Will Mason, third place.

Places 1-10 in light-weight first year feeders were Trey Mayfield, Fleet Worthington, Tamel West, Roger Martinez, Trey Mayfield, Donna Jo Patrick, Roger Martinez, Fleet Worthington, Stacy Skains and Jodie Hodges.

Heavy weight first year feeders' class, places 1-10 were: Donna Jo Patrick, Brock Jones, Donna Tomlinson, Jesse Fierro, Misty Fowler, Margaret Jones, Shiela Hetrick, Melanie Hetrick, Shiela Hetrick and Tamel West.

Placing 1-10 in first year feeders pairs were Donna Patrick, Trey Mayfield, Roger Martinez, Tamel West, Shiela Hetrick, Misty Fowler, Donna Tomlinson, Margaret Jones, Melanie Hetrick, Fleet Worthington.

Five injured in fog shrouded collision

Five Ozonans suffered injuries ranging from critical to serious when the vehicle in which they were riding was in collision with an oilfield truck 2.5 miles north of Ozona on Hwy 163 in dense fog Thursday morning.

The truck, driven by Ronald J. Cochran, 39, had missed the Big Lake turn-off in the shroud of fog and was attempting a U-turn when the Ozona vehicle hit it broadside.

The driver of the car, Roy Elliott, 29, was injured along with his four passengers, his wife, Rita Elliott; Coy Tambunga, Andrew Galindo and Bekie Diaz.

The injured received emergency treatment at Crockett County Hospital and all but Diaz were transferred to San Angelo hospitals. Diaz, who

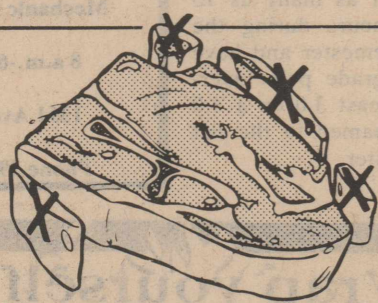

suffered the least injuries, was hospitalized here for two days.

Mrs. Elliott, who suffered massive head and bodily injuries, was critically injured and was transferred to Angelo Community Hospital where she was removed from the ICU Monday. Her husband was released Saturday from the same facility.

Tambunga, who suffered a broken ankle, was due to be released from there Tuesday. Galindo, is in St. John's Hospital in San Angelo with fractured vertebrae, where he will be hospitalized for at least two weeks, according to sources.

Investigating officer was Trooper Tommy Mathews. Cochran was issued a citation for unsafe turn violation.

Debra Says

By Debra Price

Buying secondhand furniture can be a boost to the housing budget. Many pieces of used furniture are of good quality and construction, and are great opportunities for the "do-it-yourselfer."

Secondhand furniture can be a good value for the shopper who is aware of quality construction, can make minor repairs, and can refinish at minimal cost. Secondhand furniture bargains can be found at auctions, estate and garage sales, consignment and thrift shops, flea markets, and in newspaper ads.

When purchasing secondhand furniture, look for quality construction. Beware of missing parts that are hard to replace.

Tables and chairs should be sturdy. Notice how legs are attached, and check for braces in the corners and stretchers between legs.

Doors and drawers should open and pull out easily. Hardware should be attached and have no missing pieces.

Check the frame on upholstered pieces for dowel construction and corner reinforcements. Find out if the springs and webbing need to be replaced.

Don't overlook a quality piece because it needs refinishing or regluing. Take into consideration the cost of repairs you can do yourself, and how much you are willing to spend to restore the piece.

MARINATED VEGETABLE SALAD

- 2 boxes frozen peas
- 2 boxes frozen baby limas
- 2 med. carrots, sliced
- 3 cans cut green beans, drained
- 2 cans button mushrooms, drained
- 1 onion, chopped
- 2 bottles Italian or Old-Fashioned dressing
- Diet mayonnaise
- Cook peas and limas until barely tender. Cook carrots until tender. Place all ingredients except mayonnaise in airtight plastic bowl. Refrigerate overnight. To serve, drain well and/or pat dry with paper towels. Add

enough diet mayonnaise to moisten.

INSTANT SPICED TEA MIX

- 1 2-oz. package Sweet 'N Low lemon-flavored soft drink mix
- 1 2-oz. package Sweet 'N Low orange-flavored soft drink mix
- 1 cup instant tea
- 1 tsp. ground cloves
- 1 tsp. ground cinnamon
- 1 tsp. Sweet 'N Low
- 3 or 4 sticks cinnamon
- Mix together first 6 ingredients. Place in airtight jar with cinnamon sticks. Use 2 teaspoons mix per cup boiling water. Yield: 18 calories per cup.

SUMMER BEEF SAUSAGE

- 1 cup water
- 2 tablespoons Tender Quick
- 1 1/2 tsp. liquid smoke
- 1/8 tsp. garlic powder
- 1/4 tsp. onion powder
- 2 lb. lean hamburger
- Mix water, Tender Quick, liquid smoke, garlic and onion powders. Combine with hamburger. Roll into 4 rolls. Wrap in Saran wrap. Refrigerate for 24 hours. Remove wrap; place in 9x13-inch cake pan. Cover with foil. Bake in preheated oven at 300 degrees for 1 hour and 10 minutes. Drain water from meat. Can be frozen or stored in refrigerator. Slice and serve on crackers.

Tips For Gardeners

From The Ozona Garden Club by Mrs. Bailey Post

After having missed being with you for the holidays, I sincerely hope all of you had a wonderful Christmas and New Year. As usual I always enjoy being with my family in Houston, but its great to be back home in Ozona.

January is the midway month for winter planting and transplanting of trees and shrubs.

Overall gardeners advice for 1983:

Select your vegetable garden area with plenty of sun if possible.

Study soil and exposure requirements of the garden crops chosen.

Draw a plan, allowing for successive plantings following harvests of earlier maturing crops.

Make seed purchases by seed count to know exactly what is purchased.

Purchase fertilizer and soil conditioners in 50 lb. bags for "most for your money".

Allocate your work time to coincide with your physical capacity to safety. Do the job regardless of your age.

Provide for deep tillage early (as soon as soil is sufficiently dried). Good tillers may be rented.

Carefully study various pests likely to appear and provide proper sprays and/or dusts for best controls. Consult your Extension Service.

Never use a sprayer for insect or disease control that previously has been used for weed or grass killing. (Regardless of rinsing, there will be residues that can injure your garden crops).

Have faith in your capabilities. Manure and prepare the soil for the more hardy crops.

Prune your vines, fruit trees and summer blooming shrubs this month. If warm

weather they begin to put on new growth next month. If you have any questions, call me and I will try to answer or help.

JANUARY

Above-ground crops: 13, 14, 18, 19, 23, 24, 27, 28.
Root crops: 5, 6, 7, 8, 9, 28.

4-H clothing leader training scheduled

A 4-H Clothing Leader Training will be January 22-23 at the 4-H Center in Brownwood. The training includes a variety of new ideas to update volunteers that help with the 4-H clothing projects.

The Crockett County 4-H Parents and Leaders Association will pay the registration fee for any 4-H leader that wants to attend. Leaders should call the Extension Office at 2-2721 to enroll for the workshop.

The training will include fashion trends for youth, sewing techniques for today's fabrics, and pattern and fabric coordination.

Leaders that participate in the training should bring a portable sewing machine. Samples of sewing techniques with new fabrics will be made during the training. Extension cords and personal sewing equipment are also needed.

Call Debra Price at the Extension office for more information.

Doris Hull, former Ozonan, was on the dean's list this semester at Tyler Junior College.

Ozonans named to dean's list

Two students from Ozona have been named to the Dean's List for the 1982 fall semester at Sul Ross State University.

Jack E. Thompson earned a 3.6 grade point average and Terry W. Crawford a 3.1.

According to Dr. Earl Elam, vice president for Academic Affairs, undergraduates students who have been enrolled for as many as 15 semester hours during the previous semester and have earned a grade point average of at least 3.0 on a 4.0 scale are named to the list each semester.

CARD OF THANKS

"Thanks" seems such a small word to say when you want to say so much, but to our friends, I want to say thank you for the care, love and comfort given to our family during the illness and loss of our loved one. God bless each and everyone who shares our grief and showed their kindness.

Four Strings

Only four strings! But these four strings offer endless possibilities of tone and harmony. They open to man new horizons of beauty and happiness.

And yet, improperly played, these four strings can bring forth unbelievable discord!

There are four strings in life—with similar possibilities. Mind . . . Character . . . Courage . . . Faith!

The truths that fill our minds, the ideals that mold our character, the

purposes to which our courage is given, the realities in which we believe; these can fill our lives with rich beauty and happiness or drab ugliness and sorrow.

For centuries our churches and synagogues have been the maestro of these strings of life—helping men to bring from their own souls the harmony and beauty God has put there.

You can find music in everyday living through regular worship and prayer.

LION'S ROAR TO BECOME TABLOID NEWSPAPER

Plans are underway to begin printing the *Lion's Roar* as a tabloid newspaper beginning in late January. The newspaper will be printed monthly this school year, and bi-monthly next year.

Sponsored by Mrs. Jan Henderson, the Journalism class at OHS will be writing and compiling the paper, with news being contributed by all schools.

As plans now stand, this issue of the *Lion's Roar* will be the last to appear in the *Stockman*, except for periodical news updates submitted by the journalism students.

The tabloid will be given to all students and school personnel free of charge at their schools each month.

INTERMEDIATE CLUB KEEPS JOGGING

By-Gayla Bell The Intermediate Jogging Club is still going strong, with many students trying to break previous records before the April 15, deadline.

As of December 21, Mrs. Abbott's fifth grade class is in the lead with a total of 775 miles. Luis Rico is the top boy runner with 142 miles and Rosario Ramos is the top girl runner with fifty-nine miles.

Mrs. Macias' fourth grade class is on top with 1,321 miles. Fleet Worthington is the top boy runner with 159 miles and Leticia Dominguez is the top girl runner with 148 miles.

In the lead for the third graders is Mrs. Spiller's class with 1,167 miles. Adrian Vargas is leading the boys with 119 miles and Janet McDaniels is leading the girls with 127 miles.

Mrs. Macias is the teacher who has run the most with 124 miles.

Current record-holders are Armando Trevino, who has a previous record of 350 miles and Leticia Dominguez, with 297 miles.

SEVENTH GRADE CUBETTES IN BASKETBALL ACTION

By-Gayla Bell Ozona's seventh grade Cubettes defeated McCamey with a score of 21-10 to make their record five wins and two losses, in a December game.

Against McCamey, Sharon McCrohan made ten points, and Lydia Pena made five. Sharon and Lydia had four rebounds each.

Martha Enriquez, a quick hustler on the court, had five steals to lead the Cubettes in that category. Lacy Miller, another quick guard, played good defense which caused McCamey to make a number of turnovers.

"This team has a lot of quickness and hustle which has contributed to the success they have had so far, and it should continue," said Coach McCullough.

Also, the seventh grade Cubettes lost to Wall with a score of 18-20 in overtime in a game here last Tuesday.

Leading the scoring was Sharon McCrohan with six points. Also scoring in this game were Lydia Pena with five points, Lacy Miller with three points, and Eileen Moran with two points.

Sharon had five rebounds, Lydia had three, and Regina Cervantes had three.

"Regina was full of hustle and came up with six steals, along with her good defensive play in the second half," Coach McCullough told us.

This loss brings their record to five wins and three losses.

STUDENT OF THE WEEK

By-Cyndi Trujillo Mr. and Mrs. John R. Jones are the proud parents of Amy Jones, the student of the week.

Amy is a freshman in high school. Playing tennis, drawing and painting are some of the things Amy enjoys doing.

So far this year, Amy has participated in band and plays on the junior varsity basketball team.

A corsage will be presented to Amy, compliments of the Flower Basket.

AIRPLANE SKYDIVING

By-Robbie Turnley The first jump is always the worst...and the best. Hanging from the wing strut, I peer below and wish I were dreaming. Houses and trees look small. Suddenly misgivings hamper my enthusiasm.

I jump. I am afraid to look down. The air feels dense, almost hard. CRACK!

As the chute opens I realize I've been rocketing nose-down toward earth. In less than four seconds, the rush slams to a halt. Looking up, I see a rainbow of nylon, promising deliverance. All is quiet now, except my hysterical heart and the trailing edges of my canopy. I reach for the toggles, crank my kite around and spiral down through the drop zone.

The thrill mellowed somewhat on my second jump. I know what to expect. But the excitement returns with the first freefall when I pull my won rip cord. Many jumps later, I bail out, linking spread-eagle in the sky, cutting patterns. At 3,000 feet I fall at a speed of 500 feet per second. Death feels warm only seconds away. Deploy the chute. Brace for opening shock. In an instant the feelings end.

LIONS FALL IN THRILLER

By-Robbie Turnley The Junction Eagles defeated the Ozona Lions in overtime 56-47 in boys varsity basketball action here Tuesday, January the fourth. The Eagles made some critical free throws down the stretch that helped them win. The Lions did not score in the three minute overtime period as the score at the end of four

periods was 47-47.

The Lions gave up leads (as much as nine points). The Lions led after each of the first three periods 8-6, 20-16, and 36-28.

Each team made 22 field goals in the contest but the difference was in free throw shooting. Ozona made 18.75% of their free throws and one out of two technical shots. Junction did not have a great night at the free throw line either as they made 44.4% of their free throws.

High point man for the Lions was David Badillo with twelve points. Others that scored for the Lions were: Steve Sanchez, eleven points; Zeke Martinez, eight points; Gary Whitehead, six points; Robert Flores, four points; Robert Massey, four points; and Bob Reneau, who scored two points.

The Lions will play at Iraan tomorrow night before opening district play Friday night at Coahoma.

JUNCTION EAGLES DEFEAT OZONA LIONETTES

By-Irma Ybarra The Ozona Lionettes were defeated by Junction in a home game last Tuesday night. The final score for the game was Junction 51 and Ozona 32.

In the first quarter the Lionettes trailed right behind the Junction Eagles by 4 points. The score for the first quarter was 9 to 5. In the second quarter Ozona scored 12 more points and Junction scored 14 to make the score 17 to 33. In the third quarter Ozona had 23 points while Junction had 32. In the final quarter the final score was 32 to 51.

Scoring for the Lionettes were Kristal Williams 12 points, Sherri Buckner, 2 points; Irma Ybarra, 2 points; Jacinda Marley, 4 points; Marla Wilson, 6 points; Rita DeLaRosa, 4 points; Lenor Munoz, 3 points.

The Lionettes started their first district game last Friday against Ballinger.

WEIGHT MACHINE FORWARDS PROGRAM

By-Cyndi Trujillo Another step forward has been made in improving the girls athletic program. The universal weight machine from the boys gym has been transferred to the girls dressing room at Lion Stadium to accompany two Marcy's wall weights.

All types of weight lifting operations can be done on the universal weights. They will be used for working on muscle flexibility and

strength, not for muscle building, stated Coach Maldonado, the head coach of the girls track team.

EIGHTH GRADE GIRLS DOWN McCAMEY

By-Gayla Bell The 8th grade girls beat McCamey 37-27 to close the first half of the season with a record of three wins and only one loss. Because of these girls' constant hustle and all of the hard work they put into their defense, they should pick up their season on the winning track.

In the McCamey game, Diana Sanchez had 14 points and Alma Gutierrez had 10. Leading the rebounding was Camille Davidson with 8 and Tamie Blakely with 6. Alma also had 6 steals and Diana had 5, with Vicky Flores close behind with 4.

Alma turned in her best performance of the season both offensively and defensively, due to her determination and hustle. Camille also had her best game pulling down important rebounds when they were needed the most.

Vickie Reagor was in foul trouble most of this game, but is a strong rebounder leading the team along with Tamie with 24 rebounds each.

The Cubettes will resume their season with a game against Wall followed by the Sonora Tournament.

WALL LOSES TO OZONA'S EIGHTH GRADE GIRLS

By-Gayla Bell The eighth grade Cubettes defeated Wall 30-22 in the first game after the Christmas break.

The girls started out slow, but played very good defense the second half. Because of this, they kept their turnovers below 10 for the game, which is the best for the season.

Camille Davidson and Diana Sanchez led the scoring with 10 each. Alma Gutierrez had 6 with Vickie Reagor and Kathleen Justiss having 2 each. Vickie Reagor led the rebounding with 5.

This win brings their record to 5 wins and one loss.

Notes from the lockerroom IRS offers tax assistance with toll free number

By-Ross A. Alexander

The Ozona Lions had an interesting post-holiday basketball clash with the powerful and always competitive Junction Eagles in Davidson Memorial Gymnasium last week, losing in overtime 56-47. Although the loss was made even more caustic and incisive insofar as the Lions blew an eight point lead in the closing minutes of the 4th quarter, the team displayed the caliber of total involvement from baseline to baseline which should indicate bright days ahead as the district season looms just around the bend.

The Lions played what Head Coach John Curry calls a "make-them-come-out" backcourt game which was a huge success in the first half. The play seemed to severely disrupt the Junction game plan and rhythm, springing loose Ozona's playmaking guard David Badillo for scoring opportunities.

However, Mike Alvarado, who seems to like to come to

Misty Dawn is honoree at circus party

Misty Dawn Moore was honored with a circus party Saturday afternoon at the Civic Center to commemorate her third birthday which was January 1.

A host of pre-schoolers were entertained with bubble-blowing clowns, helium balloons, and a festive bag of goodies along with party hats.

Refreshments of ice cream, cake and punch were served by the colorful clowns.

The party was hosted by her mother, Mrs. Douglas Moore, and her grandmother, Mrs. Kirby Moore.

Mr. and Mrs. Bill Cooper were in Henderson, Monday to attend the funeral services of Mrs. Cooper's brother, William H. Lehmborg. Mr. Lehmborg died Saturday in Tyler Medical Center following surgery performed several days earlier.

Ozona, came to life late in the 4th quarter, stealing several passes and scoring critical baskets during the come-from-behind push. The overtime period was all Junction as the Eagles dominated play and the defensive boards to insure victory. "The key to the Junction attack is their performance off the boards," a disappointed John Curry said afterwards. "We weren't able to effectively capitalize on the disruption of their rhythm, and the outbreak of poor ball handling late in the final quarter hurt us considerably as the stretch commenced."

The Lions hit on only 3 of 18 free throw attempts during the contest, and snatched 39 rebounds, although the 17 steals indicate a level of involvement that will surely pay off handsomely sooner or later.

Later in the week, Ozona took on the Iran roundballers at the hosts' court and avenged themselves 74-45, in a game of startling contrasts.

Collecting a team total of 42 rebounds, and shooting a torrid 30 of 58 from the floor, the Lions smeared the hapless Iran squad so decisively, Coach Curry was using terms like "the turning point of the season" to describe the encounter. "Robert Flores had his best game so far," the Lion Coach said smiling. "His floor play and work in close helped the

team and indicated what he's capable of when his mind is on what he's doing." Flores, whose 17 points paced the Ozonans, was rather cogitative after the contest.

"Last year I was playing inside at the post and I needed my quickness and jumping ability in order to play with guys much taller and stronger...and that experience has been quite helpful during this season whenever I find myself down low or driving to follow somebody or even after I've driven the lane. I'll say this much...if we continue to execute like we did in the 1st half in Iran, we won't have much trouble in district play. I'd also like to acknowledge Massey's board work in Iran...of both offensive and defensive boards he was very effective."

Ozona (team totals) against Junction.

Whitehead 6, Martinez 8, Badillo 12, Flores 4, Reneau 2, Massey 4, Sanchez 11--for a total of 47 points.

Ozona players scoring in the Ozona-Iran game were Whitehead 1, Hokit 1, Martinez 15, Badillo 6, Flores 17, Huerreca 2, Reneau 14, Massey 11, Sanchez 4, Bean 3---with a total of 74 points.

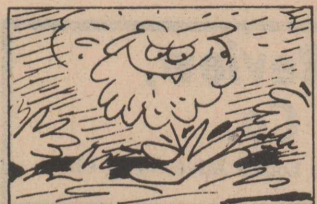

IRS offers tax assistance with toll free number

"Although there is a new number to dial 1-800-424-1040--the service will be the same as in prior years," said Clint Caves, Director's Representative for the Internal Revenue Service San Angelo office in announcing the taxpayer assistance program for the 1983 filing period. "Taxpayers will be able to get answers to their tax questions, order forms and publications, get information regarding their accounts, and find out about the Volunteer Income Tax Assistance (VITA) site nearest their home from 8:00 a.m. to 4:30 p.m. each Monday through Friday."

Caves notes that, while the San Angelo office will not provide walk-in tax assistance, IRS will be working with community agencies this filing period to conduct a series of group self-help sessions. He also mentioned that IRS has produced two films--one on the short forms, Form 1040A and Form 1040 EZ, and one on Form 1040 and Schedule A&B--which are available to schools and civic groups beginning in February.

The San Angelo office will maintain a limited selection of forms and publications, but Caves encourages taxpayers to use the order form contained within the tax package received in the mail. Certain post offices and banks will stock individual returns and local libraries will have a file of reproducible forms as well.

"Our VITA volunteers are attending training sessions right now and will be ready to do basic return preparation for low-income, handicapped, elderly and otherwise disadvantaged taxpayers by mid-January," said Caves. Taxpayers may pick up a list of VITA sites and their schedules at the San Angelo office or may order a schedule through the toll-free service.

Ortiz wins contest

Winner of the weekly football contest was Senovio Ortiz, who picked every game correct. A correct score on the tie-breaker would have given Ortiz a perfect

score and he would have won the big jackpot. Several entrants had only one miss. This ends the contest for this season.

"GREAT DINING" in the charm and beauty of this restaurant at Sutton County Steak House on Golf Course Road in Sonora, phone 387-3833. Their food brings you back again and again. Their service delights you. We are rewarded in this area by the management of this exceptional restaurant with a really good place to eat. ONLY THE BEST IS GOOD ENOUGH for you, their customers. They specialize in steaks, chicken fried steaks, hamburger steaks, hamburger steaks & seafood. They have banquet facilities, catering service and the Strawberry Patch Cocktail Lounge. We can assure you that if you wish to treat business acquaintances or your family to an enjoyable meal, it will be just that, a real treat, when you visit Sutton County Steak House. Linda Love appreciates her customers and extends a special welcome to all.

Thomas Jefferson is said to have invented the lever-operated double-door opener seen today on buses.

EL CHATO'S

This Frigidaire Laundry Pair is tops, when it comes to washing and drying clothes the way you want - conveniently, dependably.

Frigidaire

Washer offers dependable cleaning power - even lets you conserve hot water and detergent

Dryer puts big drying capacity within easy reach

- No need to waste hot water. This Frigidaire Washer features a Water Level selector that lets you match the amount of water to the size of your washload.
- Depend on Frigidaire to keep lint from settling back on your clothes with the Lint Filter which snaps in and out for easy cleaning.
- New horizontal cleaning action passes clothes under the recirculating filter 8 to 14 times each cycle. The new system is equally effective for small, average or large loads.

- For easy loading and unloading, the big oversize door opening - one of the largest in the industry - is positioned a comfortable 18 inches off the floor.
- For efficient drying, without hot spots that can damage fabrics, Frigidaire gently pulls air through your clothes.
- For big-family wash loads this Frigidaire dryer provides gentle fabric care for up to 18 pounds of laundry.

Hospital inspection turns up deficiencies

The Crockett County Hospital was cited for numerous deficiencies following a routine inspection by a team of state officials, January 4. The inspections are conducted periodically to ascertain the hospital's compliance with Medicare regulations. The hospital has been placed on waiver since the inception of Medicare, cited for deficiencies following every inspection, according to hospital administrator James Conaway, who feels the public should be aware of the possibility of the loss of Medicare coverage.

Space does not permit printing the cited deficiencies as written. Some of the

items will be stated here, briefly.

A-25-The hospital does not provide a sanitary environment to avoid sources and transmission of infections. Several deficiencies in this area are listed, all of which could be corrected.

A-34-The medical staff by-laws contain a provision which allows other than hospital staff members to have access to patients' medical records. A-92-Medical records are not maintained in accordance with accepted professional principles for every patient admitted to the hospital. Unauthorized personnel have access to the records.

A-30-Reappointment policies do not provide for a periodic appraisal of each member of the staff, including consideration of that persons' physical and mental capabilities.

A-31-There is not a roster of physicians specifying the surgical privileges of each kept in the confidential files of the operating room supervisor and in the files of the hospital administrator.

A-38-The pharmacy and therapeutics committee has not met at least quarterly during the past year. A-118-Facilities are not provided for the storage and safe guarding of drugs. K-50-There have been only two fire drills during the past year. Fire drills are required quarterly.

A-69-Telephone orders are given to LVNs in the absence of the registered professional nurse.

A-72-There is no documentation of monthly meetings of the RNs held in the past year.

A-65-The director of nurses is designated as the nurse in charge of OR, however, 5 of 5 surgical records revealed no RN present in the surgical suite during minor surgery.

A-39-There is not a functioning infection control committee that meets monthly and maintains minutes. The infection control manual has not been approved or adopted by the medical staff. A-40-Continuing education is not provided to all hospital personnel on the cause, effect, transmission, prevention and elimination of infections.

The next nine deficiencies concern nurses, nursing care and charting by nurses. The administrator feels these deficiencies have been corrected with the hiring of new R.N.s.

The last three deficiencies have to do with the pathologist as to how often he will visit the hospital and what consultation he will

give, etc. Conaway said the deficiencies are in the process of being corrected and with the support of the hospital board and community, they will be overcome. Also the inspections by the HEW teams are of public record and the publishing of same in no way violates hospital policy.

Local girl in pageant

Miss Dinky St. Clair, 16, daughter of Mr. and Mrs. Don St. Clair has been accepted as a state finalist in the Texas Miss American Co-Ed Pageant to be held July 1, 2, & 3, at the Adam's Mark Hotel in Houston.

The Miss American Co-Ed Pageant is open to girls between the ages of 14 and 18 who are active in their school, church, and/or community. Emphasis is placed on the importance of physical fitness, mental alertness, and self-confidence. The pageant seeks to recognize young women for their contributions to their community at the present time and to encourage them to set

goals for continued contribution in the future. The pageant motto is "Pride of the Present, Hope of the Future." Finalists will be judged on application, interview, personality, poise, and stage appearance. The winner will receive a \$1,000 cash award, crown, banner, and trophy. She will receive the title Miss Texas Co-Ed for 1983 and will return to the 1984 state pageant as queen and star performer. Each girl will also make a written application for the Miss Co-Ed Volunteer Award, and the Miss Co-Ed School Achievement Award. There will be optional talent and swimwear competition and awards given in the area of modeling, most photogenic, and other categories.

All State Finalists will be invited to an Orientation Luncheon in March to receive detailed information about the pageant week-end activities. A luncheon fashion show will be part of the Orientation agenda with finalists each modeling her luncheon attire. Parents and friends are also invited to attend the function at the Adam's Mark Hotel in Houston.

Kristi Kirby, Karen Kirby, Lisa Mitchell and Hope Phillips are cruising the Caribbean this week. While in Miami, they visited with the New England Patriots.

Beware easy-out when paying income tax

Like to stop paying taxes? That's a very tempting idea, and proponents of this notion are making speeches and offering seminars around the country on the "how-to's" of tax evasion. The Internal Revenue Service, however, has some words of advice on the subject, too.

Working toward tax reform certainly is not illegal, the IRS points out. For example, urging changes in the tax laws is the right of every

individual, as is arranging one's affairs to pay the lowest possible tax within the law. Also, if you hold securities so as to have a long-term instead of a short-term capital gain, the law supports your move.

However, illegal tax protest, such as advocating or participating in a scheme that results in the unallowed underpayment or nonpayment of taxes, or not filing required tax returns, is illegal, the IRS states.
