Kitty's Korner

By
Kitty Montgomery

When I was in third grade and deeply interested in Texas history, the top members of the class were treated to a trip to Austin. We were to be present for the opening of the legislative session and have an extensive tour of the Capitol.

We looked forward to the trip with great anticipation and when we were seated in the gallery we were in a state of reverence and subdued excitement. After all, never had we actually been in the presence of our lawmakers. At that time we looked at them just next to God in our idealistic little minds.

The speaker opened the session and called the roll. After that it was bedlam. No dignity, no statesmanship, just a general scurrying around on the floor. Some heated arguments which I now know as arm-twisting. When the vote came I had lost the thread of the subject matter. I remember thinking that except for the coats and ties and the elegant surroundings it was more like a zoo than what I expected from a legislative body. Apparently there has been no improvement in the last 50 years.

Being of sound mind, but unfit body, about all I've had to do is watch television the past week. It takes two hands to hold a newspaper open, so I relied on television for all news on the special session. For that matter, I relied on television for all entertainment, except when my grandchildren were visiting and it was entertaining and amazing what the older one could think of to do to the baby when nobody was looking. That's another story.

Back to special session news... the lawmakers seem as far apart as ever on balancing the state budget. I noticed they passed the local option horse racing bill, but it will not come before the people until 1987. If it's going to help the state coffers it should be on the Nov. '86 ballot. The state could be down the drain by Nov. '87. I think they O.K.'d a state lottery. I know nothing about this except its some form of gambling.

Tons of money go out of the state to New Mexico and Louisiana each year in horse racing, and now to Oklahoma, who recently voted pari-mutual betting to fatten their state coffers.

Those against this form of horse-racing claim it would take money away from families and encourage organized crime. It has been my experience that a gambler can lose his or her family grocery money in the alley in a crap game or out at a poker party just as easy as at a legal gaming event. If they are not going to take care of their families, they are just not going to, and there is plenty of evidence to support this allegation. Only recently we have hired a full-time child welfare worker and as far as I know we have no form of legal gambling in this county. The purchase of alcoholic beverages is also prohibited here, but you would certainly never know it if you went by consumption.

I am of the opinion that everything, including the setting of legislators' salaries should be left up to the people, who are called upon to fund the workings of government, local, state and federal.

Football Contest

The Ozona Stockman kicks off the football season this week with the weekly football contest. Entries may be found on the sports page, sponsored by local merchants.

Each week the winner of the contest will receive \$20. In case of a tie there will be a tie-breaker game. The score nearest to the score of the game in the tie-breaker will be declared the winner. Twelve games will be on the contest blank.

Everyone is eligible to participate. All entries must be in the Stockman office by 5 p.m. on Friday, and all entry blanks must have been clipped from the pages of the Stockman. The cash prize will be given weekly throughout the season.

Bicycle accidents-

Two separate auto-bicycle accidents occurred last week injuring two Ozona boys. This accident happened at the intersection of I-10 and 163 Wednesday. Rainy conditions made roads slippery and this automobile had trouble stopping when he saw the bike approaching.

Oilfield lay-offs drop school enrollment

Due to the failed economy caused by oil prices falling to record lows, many oilfield workers are looking elsewhere for work, forcing the Crockett County School enrollment down.

As of the end of registration Friday, the total school enrollment was 934. At the end of Fall registration last year, 970 students had registered. A loss of 36 students has been felt so far by school officials.

While 55-60 more students are expected to enroll in school on opening

day, the figures would still be short of last year's total enrollment of 1,004.

Although the figures are dropping, Ozona Junior High and Ozona Primary School have an increased number of students. Junior High gained ten students, with a total of 213 this year while Ozona Primary gained eight for an enrollment of 284.

Ozona Intermediate School suffered the greatest loss with a 48 student decrease in registration. The school registered 197 compared to last year's

245. Ozona High School suffered a small drop of 6 students, bringing its total enrollment to 240.

Superintendent Garland Davis released enrollment figures for the first day of school, Tuesday.

Pre-kindergarten had 28 enrolled. There were 76 enrolled in kindergarten, 102 in first grade and 81 in second grade for a total of 287 for the first day of school at Ozona Primary School.

Ozona Intermediate School had 76 third graders, 60 fourth grade students and 71 fifth graders making the total for the first day 207.

In Ozona Junior High School the count was 101 sixth graders, 67 seventh grade students and 68 eighth graders making the total 236.

Enrollment for the first day at Ozona High School was 265. There were 70 ninth grade students, 70 tenth graders, 69 eleventh grade students and 56 twelfth grade.

The total enrollment for the first day was 995 which was down 9 students from the 1985-86 school year.

First day enrollment last year would have seen a tremendous drop except for the pre-kindergarten enrollment, made mandatory by HB 72. First day enrollment this year is just slightly below last year's figures indicating a more stable population trend with a loss of about 4 families according to statistics.

Davee named J.P. nominee

The Crockett County Democratic Committee met Friday afternoon at 1:00 and after reading and discussing letters of three applicants, the decision was made to place the name of Christine Davee on the November ballot as Democratic nominee for Crockett County Justice of the Peace, Precinct 1.

Mrs. Davee was appointed by the Crockett County Commissioners Court to fill the unexpired term of her husband, Raymond Davee, on the event of his death. This appointment was made prior to the run-off which Davee was pitted against Jerry Lay for the nomination. The vote turned out 513 for Davee and 336 for Lay. Davee and Lay had emerged as run-off candidates in the May 5, Democratic Primary where the other opponent was David Weant. Neither Lay nor Davee garnered enough votes for an outright win, so the race was thrown into a runoff.

Davee, a retired game warden, was appointed to the post by the Crockett County Commissioners Court when long-time Judge A. O. Fields took the

job of Crockett County Judge upon the resignation of Johnny Jones in the fall of 1983. Davee served the unexpired term and won a full term on his own. He was serving his first elected term at the time of his death.

As custom dictates, his widow, Christine, was appointed to serve out his unexpired term. It has long been tradition in Crockett County for the spouse of an elected official to be appointed to fill out the term when the official dies in office.

The Democratic County Committee, as required by law, must make a selection for the Democratic nominee before the ballots are printed for the November election. This was the purpose of the Friday meeting. Had the opponent won the run-off election this would not have been necessary.

The Democratic Committee, consisting of Steve Kenley, chairman; Bobbie Fatout, Arlene Clayton and Luis Martinez, made the decision after reviewing the three applicants.

Mrs. Davee will run unopposed for the post in the general election.

Budget cut, taxes increase for school

The Crockett County School Board has approved a budget for the 1986-87 school year calling for expenditures of \$5,298,988. This is a reduction from the 1985-86 budget of \$3,511,420.

Revenue to support the budget is estimated to be \$4,445,628 which indicates a deficit of \$853,360. The deficit will be met through the use of prior year fund balances from the General Fund, the Debt Service Fund, and the Building Fund.

The budgeted revenue will include a five cent tax rate increase which will result in a seventy-eight cent tax rate for the school district.

With the rate increase in effect, the estimated school tax revenue to the district will be \$515,366 less than it was last year. The decrease is a result of the large value losses incurred by the decreases in oil and gas properties.

The budgeted expenditures will be dispersed as follows: 61% for payroll costs; 18% for supplies, equipment and purchased services; 12% for debt service; and 9% for capital outlay.

Function comparisons for budget dispersals show 51% of the budget to be used for instruction related services; 11% for pupil services which are classified as transportation, co-curricular, cafeteria, counseling and

health; 19% for administration; and 19% for plant maintenance.

The 1986-87 school year began with teacher workshops during the last week of August and the first day of student attendance of Tuesday, September 2nd.

Exotic dance party ends in shooting

Ozona is not ready for exotic dancing. This was evident Friday night when a party featuring this kind of entertainment was broken up by an irate wife with a loaded gun.

A group had rented the old G. I. Forum Hall for an evening of festivities and entertainment. Just as activities were getting underway and the dancers were giving forth with their most exotic routine, the wife of one of the party-givers entered and fired several shots from a .22 caliber pistol.

One of the dancers was hit in the fleshy part of a thigh and hospitalized, and the party was effectively halted.

Crockett County sheriff's personnel were on hand to quell any hostilities that might have arisen following the abrupt ending.

Bicycle-auto wrecks injure two local boys

Two separate auto-bicycle accidents sent two Ozona boys to the hospital with injuries Wednesday and Thursday evenings.

The first accident occurred around 6:40 p.m. Wednesday at the intersection of I-10 and Hwy. 163. A vehicle, driven by Joe Banda of San Antonio, was traveling west to east on the south I-10 service road. He proceeded across the intersection, with a green light, when the bicycle ran in front of him. Banda said he saw the bike coming but couldn't stop in time to avoid the accident, according to D.P.S. Trooper Richard Barton, investigating officer.

The bicycle, driven by Hilario Ramos, age 14, of Ozona, was traveling south to north on Hwy. 163. Ramos

was thrown into the windshield of the vehicle. He was taken to Crockett County Hospital by the local ambulance service with scalp lacerations and severe head injuries.

The second accident occurred Thursday evening, at the intersection of Hwy. 163 and 290, around 5:00 p.m. Luis Rico, 14, was riding his bike south on Hwy 163. Maribel Limon, a 15 year old unlicensed driver, was traveling north on 163. Limon made a left turn into the bike. Rico jumped from the bicycle before it hit him. He was taken to Crockett County Hospital by ambulance with a hip bruise from the fall, and was released later that afternoon. D.P.S. Trooper Richard Barton was investigating officer.

Heavy rains fall here during week

Bountiful rains fell on Crockett County last week with reports of over 7 inches in parts of the county. The heaviest rains fell Thursday but continued Friday, with the holiday weekend bringing sunshine with occasional cloudy skies.

Highway 163 south of Ozona was closed to thru traffic Thursday and part of Friday due to flooding conditions. Draws were reported running in this area.

The J. B. Miller ranch, 22 miles south, received 2 3/4" of rainfall for the week. Bob Childress' ranch 25 miles south had 7 inches and the Bill Carson ranch reported around 6 inches. The Carson ranch is located around 40 miles south. The Shannon Ranch 25 miles northwest of Ozona received a total of 5 1/2 inches. Dorothy Friend reported nearly 5" of rain on her ranch 35 miles south on Taylor Box Road with 2 inches falling Monday, Sept. 1. Rainfall registered by the Crockett

County Water Dept. for the month is 5.29 inches. Almost 3 inches of rain fell in town last week with .18 of an inch registered for Monday, August 25, .12 of an inch on the 26th, 1.12 inches fell on the 28th and Friday, August 29 there was 1.50 inches registered.

4-H lamb feeders set meeting

All 4-H lamb feeders will meet at the 4-H & FFA Feeding Barn on Saturday, September 6, at 1:30 p.m. to pick up lambs for the 1986-87 feeding program. Lambs will be tagged and assigned to each member. 4-H members who will be unable to pick up their lambs on that date should notify the Extension office and make other arrangements.

First day of school-

Sunny Jon and Tres Bailey were anxiously awaiting the opening of the school doors Tuesday morning at Ozona Primary School. They are children of Mr. and Mrs. Jim Bob Bailey. Paula is busy helping carry their school supplies to the classrooms for them Tuesday morning.

Incidents

August 27-A business on Ave. G reported the theft of an air compress-

September is square dance month

There's been a revival of an activity that hasn't been enjoyed for years in Ozona. A healthful, inexpensive pastime open to young and old square dancing is happening again.

Since last spring, a class of nine couples and two singles has formed Levis and Lace Square Dance Club. Some of these dancers have traveled to Del Rio, Crane, Eola, San Angelo, Fredericksburg, Eldorado, Iraan, Midland and Corpus Christi, to visit and dance with other clubs and attend the state square dance festival. They even became part of the historic Sesquicentennial wagon train.

This year's theme "Shape-Up-Square-Up" emphasizes the healthful aspect of square dancing-an activity enjoyed by all ages.

September is national square dance month. Levis and Lace offers classes beginning Sept. 15. The club invites you out to open house Sept. 13, 7 p.m. to see for yourself how much fun you could have. United Methodist Church is the location.

sor and an electric lawn mower. An Ozona resident reported that someone had broken some windows in his rent house on Santa Anna Street. He reported the names of several suspects and the case is being investigated.

August 29-A 21 year old woman was shot in the leg during a party on Santa Anna Street. Sheriff's Deputies interviewed several witnesses and arrested a 22 year old female suspect about two hours after the shooting. She was released on a \$2000 bond and the case has been referred to the District Attorney for action by the Grand Jury.

August 31-A Sheriff's Deputy was contacted by an Ozona family who told him that their son had stolen a .22 rifle from a residence on Del Rio Street. The Deputy took the rifle and contacted the owner, who had not yet discovered it missing. The case has been referred to juvenile authorities.

August 31-A report of child abuse was turned in to the Sheriff's Office in regards to a child being whipped. This case has been referred to the Child Welfare Officer.

Lions Club in weekly meet

The Ozona Lions Club met on Thursday, August 28, at noon for its regular weekly meeting.

The Club voted to provide an examination and glasses to a child who could not afford them otherwise. October 13 was set as the date for a "Lions and Ladies" night. Pon Seahorn will chair the committee for that event.

Robert Dierschke of the West Texas Boy's Ranch will present the program for the next regular meeting on Thursday, September 4. All members are urged to attend.

Ozona golfers host Big Lake

The Ozona Country Club Couples Golf Assoc. hosted six couples from Big Lake Country Club for golf and dinner Tuesday, August 19.

Monday, August 25, 12 Ozona couples traveled to Big Lake for golf and a fish fry. Making the trip were Mr. and Mrs. Jerry Fatout, Mr. and Mrs. Hank Wellman, Mr. and Mrs. Peanut Sanders, Mr. and Mrs. R. B. Babbitt, Mr. and Mrs. Royce Newton, Mr. and Mrs. B. W. Stuart, Mr. and Mrs. S. L. White, Mr. and Mrs. Randy Hall, Mr. and Mrs. Beecher Montgomery, Mr. and Mrs. Dale Taylor, Mr. and Mrs. Mike Womack, Ronald Koerth, and Nell Wester.

IT'S FRIGHTENING, MILMOSS, TO THINK PEOPLE WOULD TRY KILLING THE AMERICAN WAY OF LIFE.

you and the LAW

PRESENTED BY THE STATE BAR OF TEXAS

Q: My father inherited 100 acres of land from his mother. He died without a will. Before he died he gave a deed for 10 acres to the three children from his second marriage. There are seven of us from his first marriage who received the rest and divided it among ourselves. We agreed to give our stepmother 10 acres and the house; however, our three half-brothers will not sign a release because they say they still have more coming to them. Do you have any suggestions?

A: My suggestion would be for you to see an attorney about having your father's estate settled through an administration of the estate. The statute of descent and distribution will control the disposition of your father's estate because he died without a will. According to the statute of descent and distribution, your father's land will pass to all of the children in equal shares. Your stepmother, however, will be entitled to a "life estate" in one-third of the land. This means that she would be entitled to live on one-third of the land for the remainder of her life, and then that one third will pass on to the children.

Q: My fiancée has a 5-year-old son from a previous marriage. How do I keep custody of him if my husband-to-be should die after we are married? Can I adopt? What is involved?

A: In order to keep custody of the child of your fiancée, you must adopt the child. To adopt the child you must either obtain consent of the natural mother (if the parent-child relationship with the natural mother has not been terminated) or file suit to adopt which includes a request for involuntary termination of the parent-child relationship (if that relationship has not been terminated). To grant involuntary termination of the parent-child relationship the court must find "improper conduct" on the part of the nonconsenting parent and that the termination would be in the best interest of the child. This is a hard thing to prove.

Since your fiancée is also a parent of the child, he must join in the petition for adoption. You should consult an attorney about the procedures involved in adopting the child or any viable alternatives.

Q: Can a husband force his wife to stay home and not use the telephone?

A: No. Not without some kind of restraining order.

Q: Must a will be probated before it becomes legal? A woman sold some land left to her by her husband but never had the will probated. He had an only child by his first wife but did not mention the child in the will. Was the sale of the property legal? Could the man who bought the property get a clear title?

A: A will must be probated before its terms are effective. An application for the probate of a will may be filed within four years of the death of the person who made the will. If more than four years have passed since the death, the applicant must show the court that he or she was not at fault for the failure to present the will for probate within four years.

If there is no necessity for administration of the estate, the court may admit the will to probate as a Muniment of Title.

The problems with title may be cured by probating the will, if possible, or by obtaining a deed from the child of the first marriage.

Q: I have not been to court yet for divorce proceedings, yet our newspaper's divorce column has me listed as being divorced. How can this be? I was not notified that I was divorced. My attorney never told me. Can a person be divorced and not be informed?

A: Yes, under certain circumstances a person may be divorced without receiving personal notice. In a divorce suit, the party against whom the divorce is filed, the respondent is entitled to be personally served with the Petition for divorce by the sheriff or constable of any county in which the Respondent is to be found. However, if the location of the Respondent is unknown, or if the Petitioner has used due diligence to make service but has been unsuccessful, notice to the Respondent by publication under Section 3.521 of the Texas Family Code is allowed.

As with other civil cases, the party against whom a default judgment has been awarded who was served notice by publication may, after filing a Petition showing good cause supported by affidavit, file a Motion for New Trial within two years after the judgment is signed.

Q: What is the maximum percentage of child support that may be assessed from a person's wages by court for arrears and current support? Is this percentage based on gross or net income?

A: The Texas Supreme Court has withdrawn the child support guidelines issued earlier this year, and there is no "maximum percentage" to be based upon either gross or net income. Child support is within the discretion of the Court. A Texas court can order either or both parents to make periodic payments or lump sum payments for the support of the child, and in determining the amount of child support, the court will consider the needs of the child, the ability of the parents to contribute to the child's support, any financial resources available for the support of the child, and any other matters it believes important.

Furthermore, it should be noted that under Section 14.43 of the Texas Family Code (effective September 1, 1985), every divorce decree signed in Texas must contain a provision whereby child support, if ordered and not paid within a period of at least 30 days, shall be automatically garnished from the wages of the obligated parent.

Q: Is there a law regarding people riding in the back of open bed pickup trucks? A boy was recently injured when the driver had to stop suddenly and the boy was thrown from the truck.

A: There are no laws in Texas which prohibit passengers from riding in the back of an open bed pickup truck. The only possible cause of action by the boy, suing, (through his parents), would be against the driver under the common law theory of negligence, alleging that the driver should have known that the child could be thrown from the pickup, and didn't use proper care to prevent the accident. Other circumstances, such as the age of the child, whether the driver had been drinking, the condition of the roadway, and so forth, would need to be evaluated to see, given all the factors, whether the driver was negligent.

Q: My wife and I took a tour to Mexico. The travel agent said our tour group would form at the airport in Mexico. It did not. There were no hotel reservations in Mexico. We did not get everything we were promised. The travel agent said later we would be compensated, but so far they have not, and they will not return my calls. What can I do?

A: You must examine very carefully your agreement with the travel agent. If the promises you claim were made are not in writing, you might have a difficult time proving that the travel agent breached the contract with you. If you do have a written agreement in which these promises are made, you have a good chance of getting a refund for any money paid to the agent for the trip. If the amount of refund you are seeking is less than \$1,000 you can sue the agent yourself in a Small Claims Court. If the agent advertises the services that you did not receive, you may have a claim under the Texas Deceptive Trade Practices Act, which an attorney would best be equipped to handle.

Tips For Gardeners

From the Ozona Garden Club
by Mrs. Bailey Post

It seems the good showers have been coming our way and are always welcome, but we hope floods don't come.

September is one of the most important months of the year for gardeners. A few hours spent weeding, mulching, and fertilizing can bring new life to the garden. Marigolds, sage, impatiens, petunias, geraniums, and other bedding plants can be revitalized if they are attended to early in the month. Also give similar attention to warm season plants producing until frost. Too, be sure to get the fall and winter vegetable garden planted.

Early September is the last time in the growing season that an application of fertilizer will benefit warm season lawn grasses. Fertilizer applied after this time may be wasted if a killing frost or cool weather causes the grass to turn brown and go dormant. When in doubt as to how much to use, apply fertilizer at one-half the label recommendation this late in the season. After the application, water the lawn thoroughly to wash fertilizer into the zone.

A little grooming early this month can bring hybrid tea roses into a second season of beautiful bloom. Remove faded blooms to tidy up the plants and prevent seed formation, which saps plant energy. Snip off damaged or diseased parts and weak spendly wood. Cut off small branches that have no terminal bud, and remove shoots growing from the base of the plant below the graft union. Rake all litter out of the bed, apply a complete fertilizer, such as 5-10-10, at the rate of two tablespoons per bush. After lightly stirring the soil without disturbing the roots, water thoroughly to wash fertilizer into the soil. Usually our fall roses are the most perfect and

colorful, due to less wind to damage them.

Divide overcrowded clumps of oxalis, bearded iris, day lilies, daisies, and cannas. Retain only healthy outer portions of the clumps. Replant in well prepared soil. Keep watered until roots are established if there is no rain.

T&T VILLAGE SUPERMARKET is the appreciated business of the week. Here, Oscar Tumlinson, stands in the grocery store. Ozona is proud of its

many excellent stores and T & T Village Supermarket is just one of them.

T&T Village Super market is top business

Editor's Note: This is the second in a series of articles about one of Ozona's appreciated businesses. We plan to center on a different local business each week.

By Connie Jennings

It is not too often that a small community can enjoy the benefits that come with the insight of a former "big city" retail merchant. Ozona is among the fortunate few with the experience of local businessman Oscar Tumlinson.

Tuesday, Sept. 9, marks the first anniversary of Tumlinson's purchase of Jim's Foodway, now T & T Village Supermarket. The 43-year veteran moved to Ozona from Midland after retiring from M'System as Retail Operations Manager.

Tumlinson, along with his wife Betty and son Jason, visited several small towns before deciding Ozona was the one for them. "We found Ozona very pretty and extremely friendly," Tumlinson said.

Since his takeover of the supermarket, Tumlinson has added many items to the shelves. Ideally, his future plans include a larger store in order to provide more variety for consumers.

"Larger cities can offer more variety many times because they have more space," remarks Tumlinson. However, he feels because of his affiliation with the Independent Grocers Association, he is not locked-in to one wholesaler and can buy at competitive prices. "Our advertised specials are as good as or better than many of theirs," Tumlinson said referring to his "big city" competitors. He also emphasized that local shopping would play a large role in boosting the current sagging economy.

"It takes everyone working together and doing all they can do," he added speaking in reference to ways of improving the local economic situation. Tumlinson attributes part of the uniqueness of Ozona to the community awareness of citizens and merchants. Tumlinson's family joined him in Ozona in June. Jason is a freshman at Ozona High School where he is active in the band and football programs. "I think he was born to live in a small town," said Tumlinson about his son. "We've all found it very easy to adjust here."

Other future plans for the retail store include branching out to small area communities, keeping Ozona as central headquarters, Tumlinson said. "This is where we'll make our home," he added with a smile.

Teachers' Assn. to call on Bill Clements

The Crockett County Teacher's Association met August 28 in the high school auditorium in order to make plans for their 1986-87 school year agenda.

President Kelly Glaze read the slate of standing committees that are as follows: Programs-Bill Williams, chairman, Sherry York, Alicia Leal, Jill Crawford, and Virginia Cotton; Social- H.O. Hoover, chairman, Bob Wallace, Kathy Grendahl, Letecia Macias, Judy Bradford, Fred Jones, Glenda Winkley, and Ellen Lipsey; Publicity- Judy Probst, chairman, Donnie York, Vicky Gonzales, Jan North, and Shirley Kirby; Nominating-Jim Williams, chairman, Don Payne, Margaret Spiller, and Tommy Pena-Alfaro.

The organization is making an effort to obtain Bill Clements, candidate for governor, to come to Ozona and discuss his plans for this area and its teachers if he should win the fall election.

Within the next few weeks, each faculty will be voting on building representatives to serve on the executive committee.

54 participate in golfscramble

Fifty-four persons participated in the Labor Day Golf Scramble September 1st at the Ozona Country Club. The team of Mr. and Mrs. Jerry Fatout, Mr. and Mrs. Royce Newton and H. O. Hoover, and the team of Mr. and Mrs. Demp Jones, J. L. Alexander, Joe Clayton and Garland Davis tied for first place.

Winning second place was the team of Ricky Webster, Sherry Webster, Randy Crawford and P. L. Childress.

Shrine circus set for Sept. 13, in Sonora

The Tri-City Shrine Club will be hosting the Shrine Circus in Sonora on Saturday, September 13. Two performances are set for 2 and 7 p.m.

This year's event will be dedicated to the late Les Robertson of Sonora. Shriners from Eldorado, Sonora and Ozona make up the club, which is a member club of Suez Temple in San Angelo. The Suez Temple includes 32 counties in West Texas and 2600 members.

Officers of the Tri-City Club in 1986 are Bob Halbert, president; R. L. Murph, vice president; Herb Kerby, secretary; and Pete Anderson, treasurer. Circus chairman this year is Eddie McReynolds.

Shriners are best known for their funding of the Shriners Hospital for Crippled Children, which have been assisting more than 300,000 burned and crippled children since 1922.

During the 63 years the hospital system has been in existence, the Shrine of North America has spent approximately \$988 million operating Shriners Hospitals and nearly \$214 million on construction costs.

Since the first hospital opened there have been approximately 383,208 operations performed, 7,089,669 physical therapy treatments given, 372,095 braces and prosthesis applied, 4,522,525 x-rays and photographs taken and 3,009,230 clinic visits reported.

Children eligible for the treatment should not have reached their 18th birthday. The treatment is 100 percent free of charge, paid for by the Shriners' various fund-raising activities such as the circus, etc.

"If you know of a child that would benefit from such treatment, please contact any shriner and please attend our circus," a local Shrine spokesman said. Advance tickets may be purchased from any Shriner for \$4 for adults. Tickets at the door will be \$5. Children, sixth grade and under will be admitted free.

Hamburger supper to benefit elderly

The Helping Hands for the Elderly will be sponsors of a hamburger supper Friday night at the Civic Center prior to the Ozona-Eden football game. Serving time will be from 5:00 to 7:00 p.m.

Tickets may be purchased from the Chamber of Commerce office or Western Auto. Price will be \$3.00.

The Cafeteria Approach

By Ralph Moore, Pastor
Ozona Church of Christ

Recently, while observing a television talk show, I heard a woman make a statement that pretty well describes present day attitude toward Scripture. The topic of discussion was homosexuality, among those who serve a particular religious order. It was a somewhat heated discussion with both pro and con sides trying to make their points. Someone said, "I know the Bible condemns homosexuality. I do not, but God does, so how do you fit what you do in God's name to that Scripture?" Good question! The response was immediate: "The Bible differs in manuscripts, cultures, etc.,

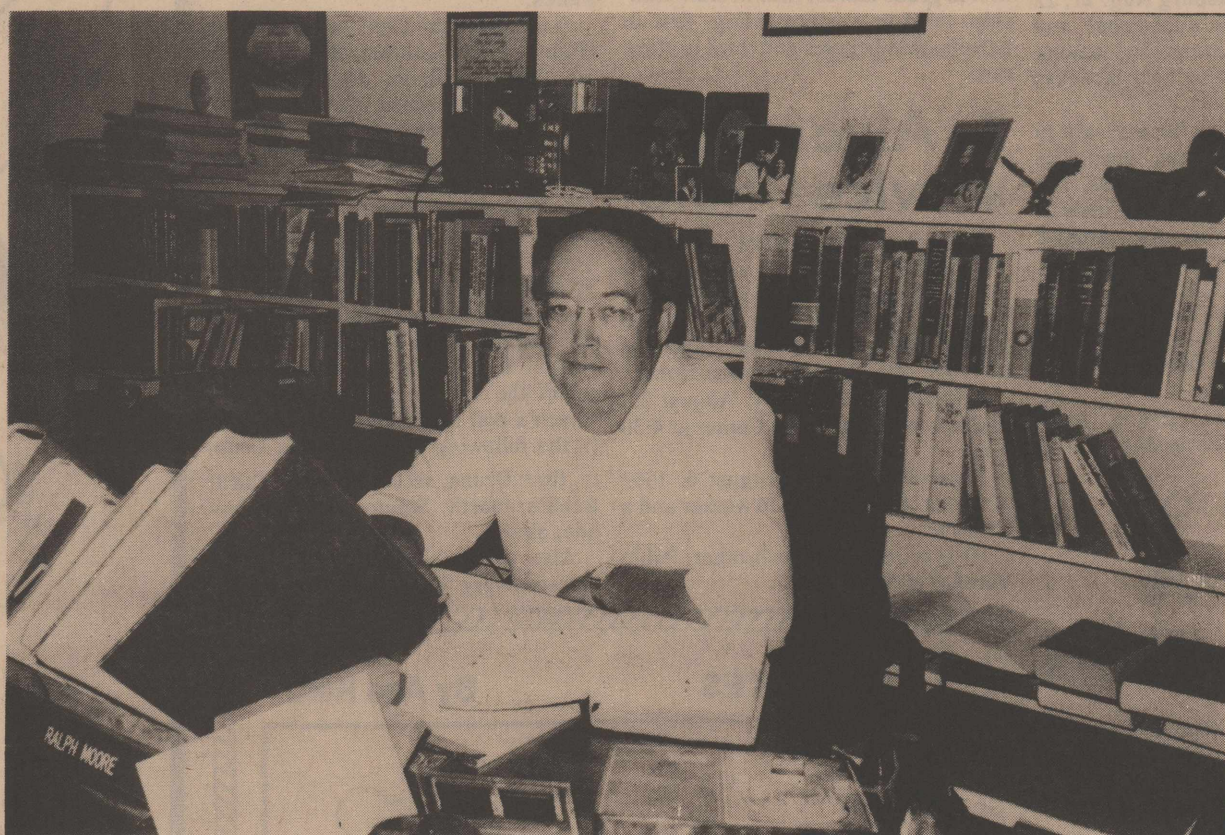

etc., so, I just take what I consider to be good, and let the rest go by."

That is exactly what I do when I go to the cafeteria. Going through the line, passing all sorts of delectables, I take what I want and let the rest go by. I've noticed over a period of time of going to the cafeteria that I always get the same thing. Guess it's a habit, but I like what I get - no matter what else is there.

The Scriptures and the cafeteria find identification together because one often takes what he wants at both places. Choosing chicken fried steak over boiled okra at the cafeteria is

quite understandable, but choosing one's own beliefs over God's stated Word is another matter. Man's eternal destiny depends upon his submission to what God has prepared at His table. Cafeteria conduct at the Table of the Lord is deplorable.

The Apostle Paul's admonition to the saints at Phillipi seem appropriate as we view the Word of God: "Finally, brethren, whatever is true, whatever is honorable whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, let your mind dwell on these things."

Ozona Lion varsity makes good slowing in scrimmage

By Lisa Collin

Friday night the Ozona Lions faced their second opposition of the year by scrimmaging the Sonora Broncos in Ozona. The J.V. and the first team varsity both tied, and the second varsity team suffered a loss.

The J.V. team looked very good on defense and allowed Sonora 145 yards of total offense in 27 plays. The majority of this yardage was gained on three plays where the Broncos picked up 124 yards. Sonora only had three first downs and scored two touchdowns.

Ozona's offense also played well with nine first downs and a total of 130 yards. The Lions drove down the field twice to score two touchdowns to tie the game.

Individually Harvey Dominguez rushed for 38 yards in eight carries and had a ten yard pass reception. Sub Fierro rushed for 29 yards in seven plays and scored one touchdown. Scoring the other touchdown for the Lions was Roger Martinez with a total of 58 yards in 11 carries.

Isaac Leal also had a 5 yard pass reception. Quarterback Copie Davis also had an impressive day and showed great style in throwing and running the ball.

On defense the lines did an excel-

lent job and standouts include Mark Fierro, Jose Gutierrez, Cory Lewis, Pete Ramirez and Cody Sutton.

The second varsity team had a disappointing day with Sonora having two touchdowns to Ozona's zero. Sonora offense gained six first downs, and 183 yards in 30 plays. Most of the yardage was gained in 3 plays where the Broncos had a total of 90 yards.

Ozona's offense had an off day and had a total of 92 yards, four first downs, and four turnovers.

Rushers for Ozona include Derold Vargas who carried the ball nine times for a total of 28 yards, Oscar Payne with two carries for seven yards and Harvey Dominguez with 5 carries for 21 yards and a six yard pass reception. Others include Copie Davis who had three carries for seven yards, Andy Trevino with a nine yard pass reception, and Jaime Castellanos with two receptions for ten yards.

Both the offensive and the defensive first string varsity did an outstanding job and tied Sonora, each having one touchdown.

Sonora gained 172 yards in 41 plays for their offense. They also had a total of eleven first downs. Meanwhile Ozona had 144 yards in 43 plays and seven first downs.

Rushers for Ozona are Valdo Galindo with twelve carries for 30 yards, Sam Hightower with two carries for 18 yards, and Butch Gonzales who had eight carries for 28 yards. Others rushing for the team included James Sanchez with four carries for 16 yards and a 16 yard pass reception, and Jaime Castellanos with a four yard pass reception.

Harvey Dominguez replaced full-back Bret Hood who had knee surgery on torn ligaments.

Coach Green was very impressed with the offensive line of Peter Shacklette, Abel Lara, Ben Rios, Donald Gutierrez and Rodney Beasley. Also having a good day in the backfield was James Sanchez and Butch Gonzales doing a great job blocking and running. Having a good day on defense was Harvey Dominguez. Also Abel Lara, Donald Gutierrez and Danny Gutierrez.

Coach Green is looking forward to the first J.V. and varsity football games. J.V. is scheduled to play Iran, here at 6:30 on Thursday. The varsity's first game is on Friday, here, against Iran at 8:00.

E.M.T.'s at work

One of the two bicycle-automobile accidents last week happened Thursday at the intersection of Hwy. 163 and 290. Here, the local ambulance service prepares to take Luis Rico to the hospital after he jumped from his bicycle to avoid being hit by a car.

Bicycle laws and safety rules need attention

Because of the recent bicycle-automobile related accidents, all cyclists should be reminded of the Texas bicycle laws and safety rules.

These regulations include:

Obey all traffic signs and signals. Warn other traffic when stopping or turning by giving required hand signals with the left hand. Always ride as near to the right side of the road as possible and in the same direction as motor vehicles. Be careful when passing parked vehicles or vehicles traveling in the same direction. Not more than two bicycles may be driven side by side. (It is safer to ride single file.) Do not ride double except on bicycles built for two persons. Ride only upon the bicycle's regular seat. Do not hitch to motor vehicles. Do not carry packages that will prevent keeping at least one hand on handlebars.

Always be alert for traffic from all directions. Also, watch for opening car doors and for cars pulling out into traffic.

Before leaving a driveway, alley, or when crossing a street or road "stop," look both ways, and wait for motor vehicles and pedestrians to pass.

Let pedestrians go first at street crossings and on sidewalks. Get off

the street or road and stop when you hear the sirens of emergency vehicles. Do not race with others on a public street or road. Do not play riding games in the street or roadway.

Always keep your bicycle in good condition. Every bicycle should have brakes that will skid the braked wheels on dry, level, clean pavement; when used at nighttime the bicycle must have a white light on the front which can be seen at least 500 feet, and when used at nighttime the bicycle may have a red taillight which can be seen at least 500 feet and must have a red reflector visible for 300 feet. For general safety purposes flags, reflectors, and bright clothes make the bike and driver easier to see.

When you ride a bike in traffic you are a driver. You "must" follow the rules of the road, give signals, obey signs and lights, yield the right of way and keep a sharp lookout for danger, just like car drivers do.

Remember, bicycle riders should yield to automobiles and vehicle drivers are cautioned to watch for cyclists. With school beginning this week many youths are traveling on bicycles and many walking to and from school, so be careful to watch and be extra cautious.

Hard working Lions get recognition

By Lisa Collin

For over a month members of the 1986 Ozona Lion football team have spent long hours and tremendous effort preparing for the upcoming football season. Because of their hard work, they should be recognized.

The varsity team consists of twenty-six players. The sixteen seniors include Sam Hightower, QB; Valdo Galindo, RB; James Sanchez, RB; Butch Gonzales, WB; Roger Flores, SE; Andy Trevino, SE; Jaime Castellanos, TE; Peter Shacklette, C; Donald Gutierrez, T; Danny Gutierrez, T; Rodney Beasley, T; Dean Tambunga, T; George Wall, T; Kenneth Sessom, G; Abel Lara, G; and Isais Flores, G.

The eight juniors playing for the team are Derold Vargas, RB; Oscar Payne, WB; Armando Fierro, WB; Bret Hood, FB; Jeff Sanchez, TE; Jim Etheridge, C; Ben Rios, G; and Rene DeLaRosa, G.

The two sophomores on the team are Copie Davis, QB; and Wolv Rutherford, TE.

Returning lettermen for the Lions include Captains Sam Hightower, James Sanchez, Butch Gonzales and Abel Lara. Others are Armando Fierro, Jaime Castellanos, Valdo Galindo, Peter Shacklette, Kenneth Sessom, Isais Flores, Ben Rios, Donald Gutierrez, Rodney Beasley and Roger Flores.

Starting for the Lions on offense are Hightower, J. Sanchez, Butch Gonzales, Valdo Galindo, Jim Etheridge, Abel Lara, Ben Rios, Donald Gutierrez, Rodney Beasley, Wolv Rutherford, and Roger Flores. Defensive starters include Derold Vargas, James Sanchez, Oscar Payne, Bret Hood, Butch Gonzales, Jim Etheridge, Abel Lara, Ben Rios, Danny Gutierrez, Wolv Rutherford and Roger Flores.

Not only has their hard work paid off on the field it has also placed the Lions second in the district ranking only under the Reagan County Owls. The Coach's poll has ranked District 6-2A in the following order: Reagan County, first; Ozona, second; Forsan, third; Rankin, fourth; Stanton, fifth; Eldorado, sixth.

Also to be commended for their extraordinary hustle and good atti-

tude are the junior varsity and freshman teams. These players include Richard Borrego, Richard Galvan, Chris Ramirez, Michael Sanchez, Willie Vargas, Stanley Winkley, Jerold Savala, Carlos Rios, Ernesto Castillo, Jose Gutierrez, Cody Sutton, Robby Tambunga, Javier Dominguez, Oscar Galindo, Roland DeHoyos, J. J. Baker, Feliciano Esmerado, Cory Lewis, Bruce Beasley, Ricky Burger, Chris Denman, Mark Fierro, Sotero Fuentes, Randy Judd, Isaac Leal, Roger Martinez, Phillip Munoz, Guadalupe Porras, Pete Ramirez, Lalo Rodriguez, Andy Stokes, Daniel Vasquez, George Ybarra, Luis DeLaGarza and Jason Tumlinson.

Last but not forgotten is the hard work of the coaches, trainer and managers. Their efforts will not go unnoticed.

Hubbard boys top rodeo events at Fredricksburg

The Luster Myers Co. Final Rodeo was held in Fredricksburg Aug. 21, 22 and 23 with Ozona's Marshal and Nathan Hubbard competing among top riders of 27 rodeos held in Texas this summer.

Marshal, who was in the top eight in his age group in each event he competed in, took 3rd in barrels, 3rd in poles, and qualified for the finals in calf riding. He won All Around Cowboy in the 10 and under age group.

Nathan placed in the top six on Friday night in boys barrels and stray away barrels, but he failed to qualify for the Saturday finals.

Following the Final Rodeo, Marshal tied for second overall in a 4-H

show in Kerrville Aug. 24th. He took first in grade mares, fifth in showmanship, third in western riding, first in barrels, first in poles and third in stake race.

T. Alvarado services held

Funeral services were held last Wednesday, August 27, at Our Lady of Perpetual Help Catholic Church, for Trinidad Alvarado, age 83. Burial followed in Lima Cemetery, under the direction of Sizemore Funeral Home.

Alvarado died Monday, August 25, in Crockett County Care Center at 4:30 a.m.

Alvarado was born August 6, 1903 in Ozona. He was a ranch worker and a Catholic.

He is survived by one brother, Pablo Varella, of San Angelo.

CROCKETT COUNTY OUTDOORS by Rod Chalmers

In the past, I've actually had poachers, under arrest for killing deer from the highway at night, tell me that they will do it again next chance they get—that it's cheaper to pay an occasional maximum fine of \$200 now and then than to pay for a lease like law-abiding hunters do. But at the end of the '85-86 hunting season, we surprised 'em with a new law. They got (or soon will get) a letter from the Texas Parks & Wildlife Department, backed by the State Attorney General's Office, advising them they now owe for the replacement value of the wildlife that they stole from the people of the State of Texas. Now they can pay the amount specified in the letter, or they can wait to be sued by the state, and if they cause that much trouble they can expect to pay the maximum—up to \$800 in the case of a good buck deer...or \$1,000 for an endangered species...or \$10,000 for a Whooping Crane or a Bighorn Sheep. Whatayassay, Mr. Poacher, is it still cheaper?

through flagrant, pre-meditated game law violations.

Now to lighten up a bit, I'd like to report on the TGWA Youth Summer Camp. You'll remember in last week's issue you saw a picture of a group of young folks from Crockett and surrounding counties that went to a four day summer camp, sponsored by the Texas Game Warden Association, to learn about gun and hunting safety and wildlife, and have one last fling before school starts. Well, parents stand tall and swell up a little, 'cause our kids really distinguished themselves. I was deluged by compliments from other counselors about the courteousness, politeness, and eagerness to learn exhibited by the kids from Ozona, Sheffield, and Del Rio. Our youngsters walked away with most of the awards for everything from shooting and athletic sports to wildlife identification and All Around Camper. But then we're not surprised are we...we always knew our kids were the best!

On behalf of the Game Wardens of Texas, I'd like to thank you for sharing them with us.

Rev. Mueller to lecture at local church

Rev. Reinhold J. Mueller will give a lecture and demonstration of the organ this Sunday, Sept. 7th. It will be held at Faith Lutheran Church, starting at 4:00.

Recently retired, Rev. Mueller served as pastor of Faith and Hope Lutheran Churches from 1978 thru 1980. Prior to that time, he and his wife, Dorothy, served over 20 years as missionaries in China; two while China was under communist rule. There is no charge for the program, however donations are welcome and will be applied to our organ fund in memory of Rev. Mueller's wife, Dorothy, whom God recently called home.

Refreshments and fellowship will follow his presentation. Everyone is invited to attend.

Services held for Bill Gage

Funeral services for William Robert Gage, 62, brother of Mrs Earline Jones, formerly of Ozona, were held Saturday, August 9, in Archer City at First Baptist Church with Rev. Ron Hill, pastor, conducting the service. Burial was in the Archer City Cemetery.

Bill Gage died Thursday August 7, at his residence.

Juanita Martinez buried here in Monday services

Juanita Martinez, 71, died Friday, August 29, 1986. She was born June 24, 1915, in Del Rio, Texas. Juanita was married to Samuel Martinez for 50 years and was a Christian model of a good wife, mother, and a grandmother. She will always be remembered for the loving care and attention that became the cohesive force of the Martinez family.

JUANITA MARTINEZ

In her early married years, Juanita was involved in community activities. She was an active member of the Mother's Club and P.T.A. Her most ardent desire was a higher educational attainment for her children. In her, Samuel Martinez found the tender support he needed as he met with the challenge of improving community

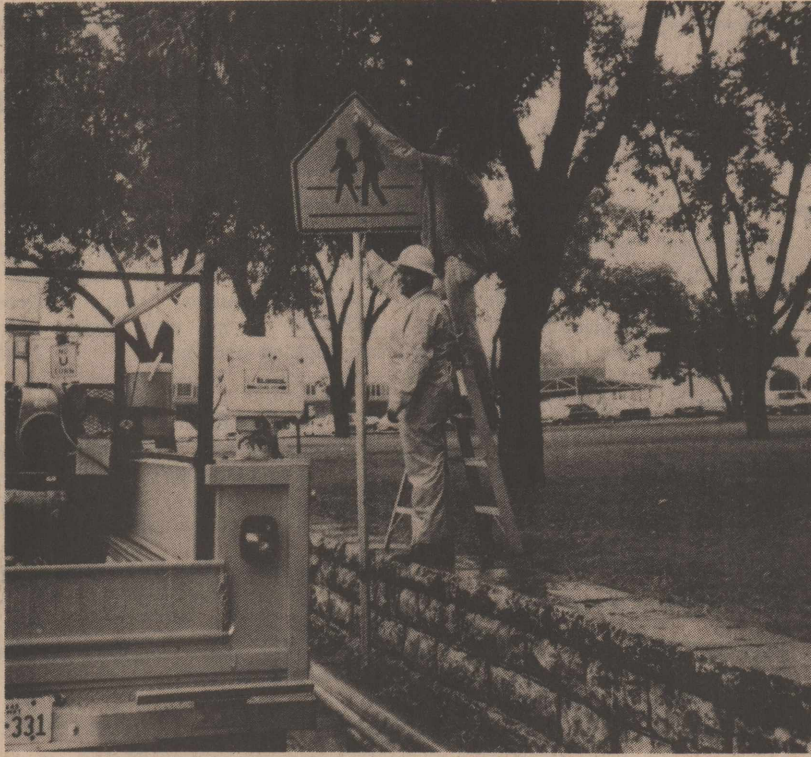

and educational conditions for Mexican-Americans.

In her later years, Juanita was actively involved with the "Templo Jerusalem" Baptist Church. The congregation provided the love and kindness which helped prepare her to meet her Savior with glorious anticipation.

The funeral services were held at Templo Bautista Jerusalem. Rev. Carlos Venegas officiated the services which included Rev. Jim Gray of the First Baptist Church, Rev. Crencio Rodriguez of Mertzon, Rev. Bekie Diaz of Ozona, Father Richard of Ozona, and Rev. Eppler of Ozona. Soloists were Rev. Jim Gray and Miss Rita Rios. The Baptist Choir and the W.M.U. sang some of Juanita's favorite hymns. Juanita's two eldest granddaughters, Norma Martinez and Lana Sosa, spoke on behalf of her 23 grandchildren. They shared their fondest memories of their grandmother.

Survivors include her husband, Samuel Martinez of Ozona, one sister, Concepcion Furnas; one brother, Santos Ortiz, and six children; Maria Torres of Ozona; Sam Martinez Jr., of San Antonio; Roberto Martinez of Austin; Delma Sosa of San Angelo; Yvonne Duran of Corpus Christi; and Sandra Martinez of San Diego, Calif.; 23 grandchildren; and eight great-grandchildren.

Seashell fairies were made in Monday morning's craft class. The tiny fairies can be used to give an added sparkle to a Christmas tree, or a bit of charm to a potted plant. Residents attending the class were Ola Mills, Pauline Clinton, Tomasa Ramos, Juana Hernandez, Bertha Miller, Lucia Rios and Moriamia Perez.

A game of target ball followed Monday afternoon's exercise class with several residents scoring a bulls-eye. Residents cheering each other on were Charles Watson, Ola Mills, Juana Hernandez, Tomasa Ramos, Moriamia Perez, Edna Wallace, Virginia Hoover and Nora Dalton.

Volunteers for Tuesday morning's bingo were Dorothy Doll, Mattie Cooper, Lillian Tambunga and Anna Bell Patrick. Moriamia Perez won the first place prize of an El Chato's gift certificate. Other prizes were won by Ola Mills, Theo Burns, Grace Cotter, Minnie Karr, Rebekah West and Juana Hernandez.

Tuesday evening, residents were entertained by the Bob Bell Band. Band members present were Bob Bell, John Babb, Terry Racher, Pattie Racher, George Hester, Randy Kilpatrick and special guest singers, Clare Babb, Janet Henry, and our own resident, Pauline Clinton. Residents and visitors were delighted with the performance. Thank you Bob Bell Band.

Residents were treated to delicious watermelon, donated by Ruth Hester, during Wednesday morning's ceramic workshop. Volunteers were Marie Pierson and Ruth. Residents participating were Tomasa Ramos, Juana Hernandez, Moriamia Perez, Anselma Limon, Ola Mills, Pauline Clinton, and Theo Burns.

Thursday morning's activities began with a trip to the beauty shop. Melinda Hokit, Clara Byrd, JoAnn Williamson, and Vivian Hughes were the volunteers. Lively piano music played by Clara Byrd followed the beauty shop.

That afternoon, the mid-week Bible study was presented by Charles Huffman of the Lutheran Church. Ruby Olson played the piano while residents and visitors sang hymns.

The Spanish Hour of Praise came next with a large group of visitors attending. A short visitation followed. Winners in Friday morning's bingo were Emma Taylor, Rebekah West, Minnie Karr, Jesus Hernandez, Charles Watson, Edna Wallace, Theo Burns and Grace Cotter. Rebekah West won the first place prize of a Watson's gift certificate. Popcorn was made and served by Anna Bell Patrick while Dorothy Doll, Mattie Cooper, Lillian Tambunga and Angie Marshall assisted residents with their cards.

Residents stirred up a delicious apple cobbler, Friday afternoon. The cobbler was prepared by Moriamia Perez, Juana Hernandez, Tomasa

Ramos, Edna Wallace, Inez Biggs, Pauline Clinton and volunteer Dorothy Doll.

Sunday worship service was presented by the Calvary Baptist Church.

We would like to say thank you to all the volunteers and visitors for making this week a fun-filled week.

LAMB FEEDING SEMINAR

No segment of the economy has ever been challenged to change so fast and so completely as has the new agriculture. Never in American history have so many innovations been adopted in such a short time. When these changes have required capital, your Federal Land Bank Association has been a primary source of funds. We recognize the inevitability of change — except in the importance of the man and the land. We also believe that a free agriculture — based on the family farm — will continue to flourish in any new environment

professionals at the USDA recommend losing only one to two pounds in a week. Dropping food intake to lose seven pounds a week threatens to disturb the dieter's nutritive balances.

To lose a pound, dieters must reduce their calorie intake by 500 calories each day for an entire week. This is 3,500 calories a week. So to lose seven pounds in a week the dieter would have to eliminate 24,500 calories from their weekly food intake.

The body needs a certain number of calories for basic metabolism. More calories are needed for work. Women usually need 1,800-2,000 calories a day and men about 2,700 depending on build and activity level.

The Rotation Diet drops calories for women to about 600 calories for the first three days, 900 calories for the next four days, then 1,200 for the next week and on the third week repeats calorie intake of week one. For men the diet contains 1,200 calories for the first three days, 1,500 calories for the next four days, and about 1,800 calories for the second week and then repeats week one.

A woman should not reduce calories below 1,200 a day unless under the regular care of a physician. Men are less vulnerable to nutrient deficiencies than women on weight control diets, since they are allowed more food, but weight loss should average only one to two pounds a week.

In general, the Rotation Diet menus for women are low in calcium, iron, some of the B Vitamins and in Vitamin A. For men, the menus are low in calcium and Vitamin A. Obtaining enough of the micro-nutrients on a low calorie diet is also a problem for both men and women.

When people go on crash diets, they may not only lose fat but protein as well and when weight is regained it is regained first as fat. Quick weight loss rarely has any permanent effect and often sends dieters into a cycle of quick weight loss and rebound weight gain when normal eating is resumed, and then even more difficulty losing when the next diet is attempted.

Adapted by M.K. Sweeten from a review of "The Rotation Diet" by Mary Ann Haubenreich and Rose J. Davis, Extension Nutrition Specialists from Tennessee and South Carolina, June, 1986.

The popular Rotation Diet, through which residents in many cities in the South and now in Texas hope to drop one million pounds may let dieters drop weight too fast.

Sorority kicks off current club year

The Alpha Alpha Mu chapter of Beta Sigma Phi met Thursday evening Aug. 28 at Granny Miller Hall. Serving as hostesses for the 1986-87 kick-off event were Karen Huffman, Connie Jennings, Barbie Myers and Marcy Williams.

The 23 ladies present visited together before helping themselves to salads and cheese cake. Special guests Katherine Bingham, Stephanie Monroe, Lori Williams and Teri Williams were introduced following dinner.

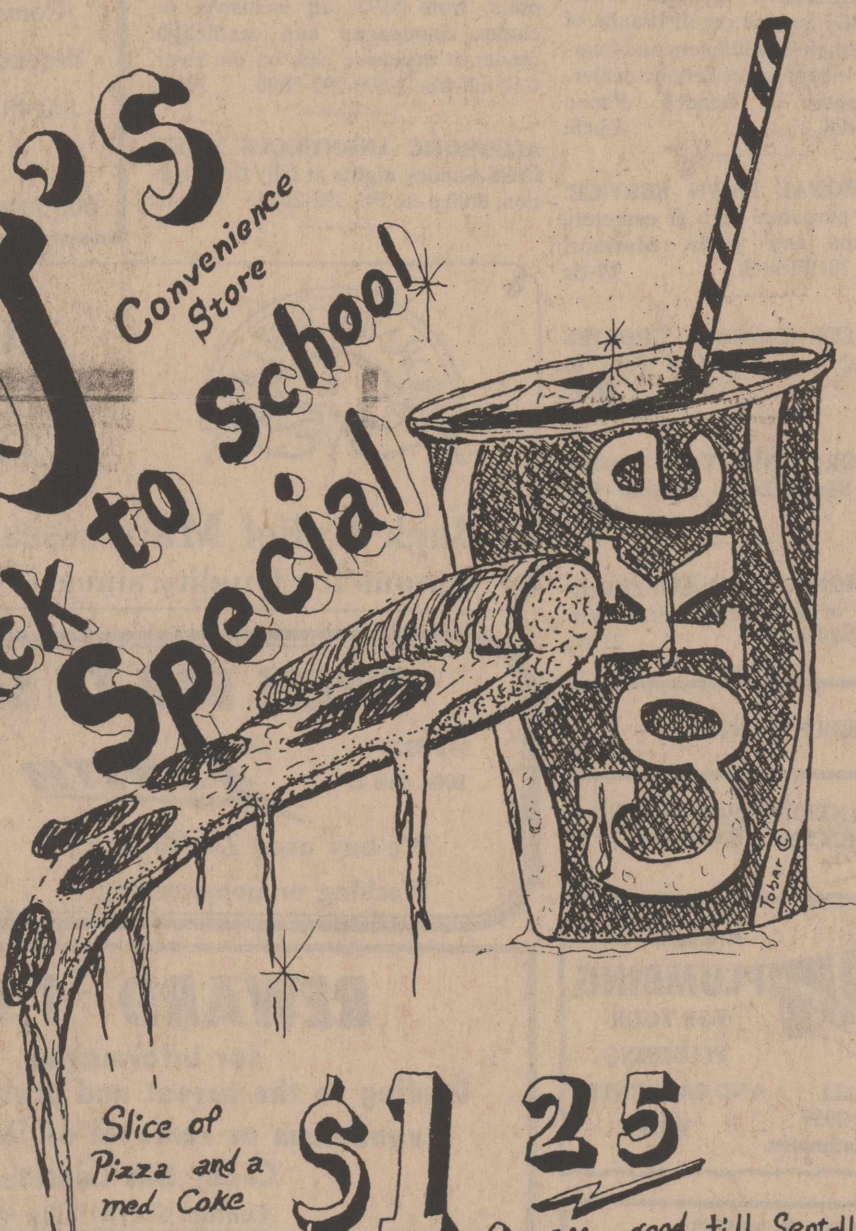

Those attending participated in a fun-time followed by the passing of the candle and the exchanging of secret sister gifts.

Members present were Tina Bean, Lisa Branch, Becky Dillard, Sharon Forehand, Kim Hager, Laurie Hale, Jeannine Henderson, Karen Huffman, Connie Jennings, Ellen Lipsy, Patti May, Susan McMullan, Barbie Myers, Renee Pearl, Leslie Reeves, Billie Renfro, Rita Sigwing, Lisa Wagoner and Marcy Williams.
