High speed chase through town..... Chase ends in capture of prison escapee

A North Carolina man remained in Crockett County Jail this week after leading officers on a 16-hour chase which began Wednesday night.

Oscar Lee Peacock, 29, was arrested on charges of felony evading arrest around noon Jan. 25 less than two hours after a ground search had been cancelled by Sheriff Jim Wilson.

Peacock's problems in West Texas began in Sutton County when he left a Circle K convenience store without paying for gasoline.

The suspect reached Crockett County with a DPS trooper in pursuit of what had already been confirmed as a stolen vehicle. When Peacock pulled into the parking lot at Circle Bar 76, a local officer was also at the scene, and others were en route.

Peacock left the parking lot and fled toward Ozona on Hwy. 290 as officers moved to intercept the speeding pickup before it reached Ozona. After attempts to stop the vehicle failed, Sheriff Jim Wilson gave the order to shoot out the tires.

"This is not something we would ordinarily do," Wilson said, "but I felt this was a highly dangerous situation... I knew it was about time for the Baptist Church and Church of Christ services to be over." Both churches are near the east-west highway through Ozona.

Chief Deputy Alton Davis succeeded in shooting out the vehicle's left rear tire and the driver's window at the I-10 interchange just east of town before he was run off the road.

Peacock tore through Ozona at an estimated 80 mph with seven law enforcement vehicles in close pursuit.

Hwy. 163 was blocked at the 290 intersection by Bob Falkner, fire chief and DPS dispatcher. Wilson gives Falkner's action credit for possibly preventing a serious accident.

Peacock wrecked three miles west of Ozona on the south side of 290 and fled on foot as officers arrived. Local lawmen set up roadblocks and began a ground search assisted by officers from Pecos and Sutton Counties, local firemen and other citizens.

Two U. S. Customs helicopters carrying infra-red equipment came from San Angelo to aid in the search.

A fixed-wing plane, believed to be a Customs jet from San Antonio, hunted the escapee with heat-seeking equipment.

There is no charge to the county for the use of these planes, Wilson said.

Operating from a command post near the accident scene, the sheriff learned around midnight that the pickup's driver was a North Carolina prison escapee serving 24-months for

false imprisonment and resisting arrest.

Peacock was discovered Thursday around noon in an abandoned car behind the Amax plant on Hwy. 163 south of Ozona. The suspect, who was dressed in a white T-shirt and running shorts, made another attempt to run before being captured. He was treated at Crockett County Hospital for injuries to his bare feet.

Wilson praised citizens who helped search pastures and at the roadblocks. "Anything we asked them to do, they did. They were a big help," he said. The sheriff also expressed appreciation for those who brought food and coffee to the command post throughout the night.

Deputy Davis left the search long enough for stitches near an eye injured when his patrol car was forced off the road and jumped a culvert.

Hospital, care center end year under budget

Crockett County Hospital and Care Center ended the year \$103,935 under the amount budgeted by the county for their operation Bill Boswell reported at the board's last meeting.

Boswell, administrator at CCH, noted that the hospital's earnings were much more than anticipated and that the hospital was not obligated to use \$44,582 of the \$567,310 tax dollars budgeted for 1989.

Care Center earnings were also much more than expected, Boswell said. The Care Center did not use \$59,353 of the \$288,746 tax dollars budgeted for its use.

All revenue generating departments of the hospital had a much higher level of activity in 1989 as compared to 1988, Boswell said.

The total estimated revenue for the hospital in the 1989 county budget included \$258,950 cash receipts, \$567,310 transfer from General Fund and \$27,000 from feeding of prisoners for a total of \$853,260.

Care Center revenues in the 1989 county budget included estimated revenues of \$535,975 from cash receipts and \$288,746 from the General Fund for a total of \$824,721.

Both Dr. Marcus Sims and Dr. Robert Owensby have signed one year contracts with the hospital with terms identical to their original contracts which terminate the end of February.

Dr. Owensby has requested the opportunity to renegotiate a new contract during the 1991 budget process.

Ambulance coordinator Doug Meador reported to the board that his EMT class has 14 trainees. Meador also discussed need for housing for ambulances, need for ambulance service rate increase, need for evaluation of pay structure for attendants making ambulance runs, funds for training aids and replacement of ambulance and hospital pagers.

Board members voted to table any consideration of increasing hospital ancillary charges until new board members have opportunity to become familiar with the information.

Also tabled was action on bad-debt write-offs until an acceptable collection agency is located.

The board approved purchase of hospital related items from Sterling County Hospital up to a total of \$2,500. An additional \$200 to the amount approved for purchase of items from the Texas Surplus Property Agency was approved.

Needed in the near future at the hospital are a Gomco type aspirator and one Burdick type ultra sound machine.

The board voted, on separate motions, to purchase a computer and a washing machine for the hospital.

Three deficiencies were found during an inspection of the dietary range hood by a Texas Department of Health engineer. These deficiencies are to be corrected by the company installing the hood.

Board members agreed to work toward a financial assistance program for local citizens who desire to enter the medical field. A formal recommendation will follow when the details are completed.

Mrs. Doris Hull, Care Center

administrator, reported that the facility had only one minor deficiency during its semi-annual inspection last week. That deficiency, which dealt with employee records, was immediately correctable.

The board complimented Mrs. Hull and her staff for a job well done.

Following an executive session, the board voted to adjust Vickie Cooper's salary to be comparable to other Care Center LVN's performing similar

tasks. Mrs. Hull, who has completed six months at the Care Center, was granted an annual salary increase of \$5,000 by the board. She is not, however, to be compensated for time spent acting in the capacity of an LVN.

Officers elected to the board are: Armando Arredondo, president; Fred Deaton, vice president; and Beth Smith, secretary.

Dee Keilers receives Silver Beaver Award

Dee Keilers of Ozona received the Concho Valley Scout Council Silver Beaver Award Jan. 27 at a banquet in San Angelo.

The Silver Beaver Award is made for noteworthy service of exceptional character to boyhood by registered scouters within the territory under the jurisdiction of a local council. This is the highest honor a local council may bestow upon its volunteers for distinguished service to boyhood.

Keilers was one of five recipients of the award at the ceremony held at the Houston Harte Center at Angelo State University.

Keilers has been active in Scouting for more than 13 years, serving as a Cubmaster, Scoutmaster and unit commissioner. He began working in Cubbing when his son Lance entered Scouting. After serving as Scoutmaster, Keilers accepted the post of unit commissioner and still serves in that capacity. As unit commissioner, he is Ozona's Scouting liaison with the Concho Valley Council program and district office in San Angelo.

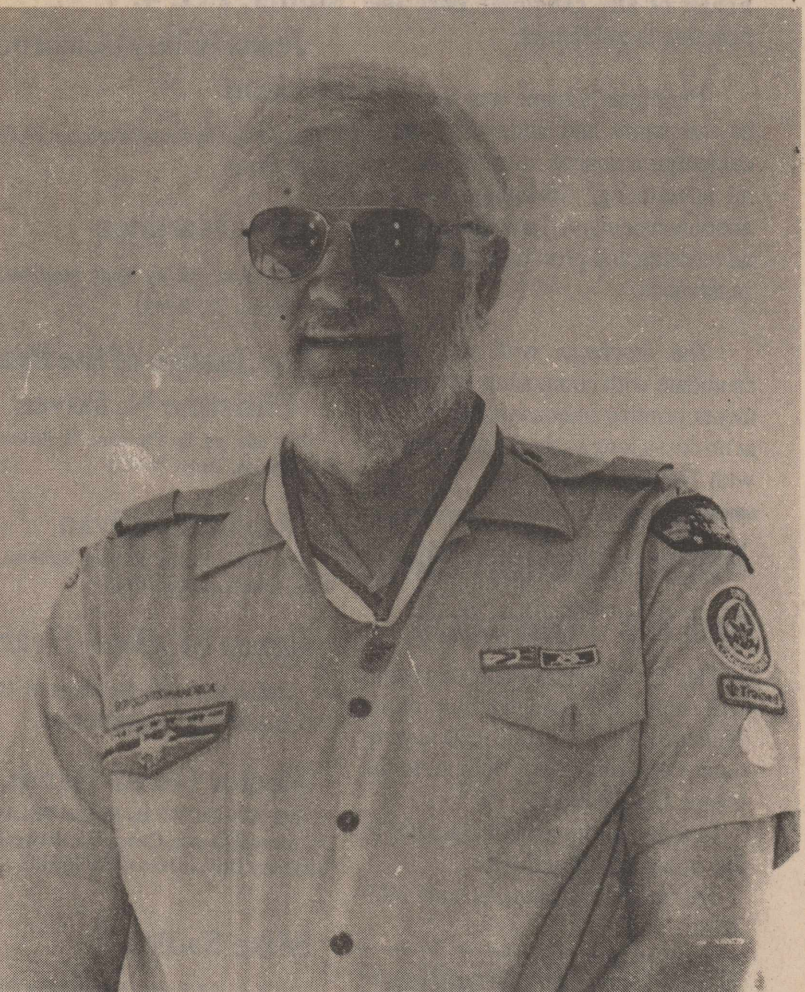

He has trained other commissioners, Cub, Scout and Webelo leaders

and helped establish the Tiger Cub program here. Keilers received the District Award of Merit in Scouting in 1983.

Selection for the Silver Beaver honor is also based on community involvement. Keilers is a longtime member of the Church of Christ and Ozona Lions Club. He has served as training chief of the Ozona Volunteer Fire Department and is a certified EMT with the local ambulance service. He is president of the Hill Country Fireman's Association and serves as a leader in the 4-H Field and Stream program.

Receiving the Silver Beaver with Keilers were Lloyd Deaton of Del Rio, Paul Johnson of San Angelo, Robert J. Kolb of Goodfellow AFB and James W. Matthews of Big Lake.

Two Ozona Eagle Scouts, Thomas William O'Bryant and Joe Charles Ross were among 47 Eagles recognized during the ceremony. The 1989 Ozona High School graduates are in school in other parts of the state and were unable to attend the ceremony.

Dee Keilers wears the Silver Beaver Scouting award presented to him Jan. 27 in San Angelo.

photo by Susan Sheppard

Wastewater facility recommended for award

Crockett County's wastewater facility is being considered as a nominee for an excellence award, Dee Keilers learned last week. Keilers, manager of Crockett County Water Control and Improvement District #1, was notified by Rex G. McDonnell of the Texas Water Commission Water Quality Division that the facility was recommended by the San Angelo District 9 Office for the Environmental Protection Agency award.

A written resume, photos and completion of a questionnaire are required in order to be eligible, Keilers said.

"We have come from non-compliance and being deeply in trouble with the Texas Water Commission for environmental impact to a state of exceeding requirements," Keilers said. The old plant was first named to the state's list of worst polluters in

1986. The new wastewater treatment plant began operation south of Ozona on Sept. 23, 1987. The plant was designed for 5,040 persons or until the year 2000.

Two 6.8 acre lagoons provide the primary treatment with a gravity sys-

Substance abuse program planned for probationers

Grant money received by the Permian Basin Adult Probation Department for a substance abuse program could begin helping Crockett County citizens next month. The plan for eight hour sessions throughout the region served by the department was announced to Crockett County commissioners Jan. 8 by Juan Hernandez, director of PBAPD.

A \$13,360 grant for the pilot program will be used for classes which include urine tests for drugs. There is a possibility of several counties combining for a class, Hernandez said. There will be no cost to the probationers at this point.

"We want to see if the program will work in our area," Hernandez explained in an interview Jan. 8. Helping probationers identify and take care of their substance abuse problems and become good members of society are goals of the program.

Hernandez also announced the receipt of two additional grants by the department. A support grant in the amount of \$32,719 will pay secretar-

tem to draw the effluent into two stabilization ponds of 24.4 acres.

The \$715,000 project was financed through a bond election held in 1985.

Water quality, plant appearance, operation cost and safety will all be considered in the nomination application, Keilers said.

ies' salaries in the 8-county region for eight months. The grant also enables the department to refund salary allocations to the participating counties.

The PBAPD serves Sutton, Upton, Reagan, Pecos, Crockett, Brewster, Jeff Davis and Presidio counties.

A \$7,640 grant for electronic monitors will cover the expense of a house arrest program for five individuals.

Rain delays track repairs

Due to the high school track repairs being delayed by rain, the school requests that all walkers and joggers refrain from using the track until Feb. 8. This will enable the track to "cure" satisfactorily. Also, the school officials request that all walkers and joggers limit their use to the outside four lanes. This will protect overwear in the inside lanes. Everyone's cooperation will be appreciated.

Crockett County Care Center News

by JoAnne Marshall

Residents worked on their Hopi Kachina dolls in Monday morning's craft class. With each additional piece, the dolls become more realistic. Juana Hernandez, Frances Davis, Chata Tambunga, Josefa Perez, Anna Bell Patrick and Moriana Perez can hardly wait to see their dolls completed.

Juana Hernandez was the undisputed winner of ring toss Monday afternoon. Out of eight rings she successfully scored at least six each time it was her turn. I tried it and only got two. Other residents trying their luck, after a short exercise routine to warm up, were: Olive Berry, Monnie Boyd, Virginia Hoover, Lucia Rios, Tomasa Ramos, Moriana Perez, Anna Bell Patrick and Josefa Perez.

Minnie Karr had three wins in Tuesday morning's bingo. Santos Martinez and Elvira Peña were not far behind her with two games each. Other winners included Juana Hernandez, Anna Bell Patrick, Lucia Rios and Moriana Perez. Alma Bednar and Georgia Kirby were our helpful volunteers. Thank you, ladies.

David McCarley and Maxine Brown of First Baptist Church taught us some new hymns during Tuesday afternoon's Bible study. David said the songs weren't new at all and that they had been around for some time now. None of the residents remembered them, but were happy to be introduced to them again. We would like to thank David for leading the singing and Maxine for playing the piano for us.

Glazing, dry brushing, and staining were done in Wednesday morning's ceramic workshop under the direction of Ruth Hester. Volunteers Ruthie Doris and Guy Seiver were on hand to assist residents with the different techniques. We would like to say thank you to these helpful volunteers for a job well done. Residents attending the workshop were: Theo Burns, Hazel McDaniel, Frances Davis, Chata Tambunga, Juana Hernandez, Josefa Perez and Moriana Perez.

Chocolate peanut butter squares

were made in Wednesday afternoon's bake day. Residents putting their culinary skills to work were: Tomasa Ramos, Lucia Rios, Moriana Perez, Josefa Perez, Chata Tambunga and Juana Hernandez. After the treats were served, several of the residents wanted the recipe for their families.

A hearty thank you goes out to Thursday morning's beauty shop volunteers: Vivian Hughes, Joann Williamson, Audrey Smith, Lisa Hobson, Lola Rios and the morning OHS cosmetology class.

Charles Huffman of Faith Lutheran Church conducted a short Bible study Thursday afternoon. Ruby Olson played the piano. A visitation followed. Charles also brought a box of homemade peanut butter cookies baked by Thelma Janes for the residents. We would like to thank Thelma, Charles, and Ruby for sharing their talents with us.

Chele Fuantoz conducted a Spanish Hour of Praise Thursday afternoon. Communion was offered and hymns were sung. Spanish speaking residents enjoyed a short visitation afterward. We would like to thank the members of Our Lady of Perpetual Help Catholic Church for attending this hour.

Manuela Perez was the big winner in Friday morning's bingo. She won three games. Virginia Hoover won two games, and the following residents won one game each, Juana Hernandez, Tomasa Ramos, Alice Ross, Adeliada Smith and Theo Burns.

Residents attended a T.G.I.F. party Friday afternoon. Soft drinks and marshmallows were served. Cartoons picturing different ways to spend a weekend were shown, and residents got a big laugh. Balloons were everywhere, and later were given out as souvenirs. Several of the residents shared their memories of how they used to spend the weekends.

Sunday's worship service was presented by members of the Church of Christ. We would like to thank them for bringing such a large group to sing for us.

Ozona Primary school sponsors book fair

What's new at Ozona Primary School? A book fair, and everyone is invited.

"Join us in promoting reading for our children," says a spokesperson for the school. "Help students discover the world of words at our book fair. There will be books and materials for kindergarten ages on up, and the prices are reasonable. So come on over and take a look."

The book fair begins Feb. 5 and will go through Feb. 9 from 2:15 to 3:15 p.m. The fair will be located in the school library.

The National Reading Academy of Education recommends that students spend at least two hours per week reading independently by the time they are in the third grade.

Mrs. Jan Lott dissected a snake for Girl Scout Troop #24 this week. The girls received "World of Well Being" nature badges. Pictured left to right are: Stephanie Franco, Reba Vargas, Stacy Ramos, Kathrine St. Clair, Jan Lott, Jessica Avila, Jennifer Usener, Jackie Lara and Dee Hobson. Leaders for the troop are Linda Usener and Marge St. Clair.

Stockman deadline: Monday at 5 p.m.

The Sanctity of Human Life

By Charles Huffman, Pastor

Faith Lutheran Church, Ozona

Hope Lutheran Church, Sonora

Isaiah 45:5-12

Again this month we've witnessed the rallies, marches, and demonstrations - both for and against the issue of abortion on demand, which was legalized by the Supreme Court on Jan. 22, 1973. The "right to choose" sounds so noble, so American! But if life begins at fertilization, we must finish that thought: The Right To Choose - WHAT? Our assumed "right to choose" ends our child's inalienable "right to life".

It's an indisputable fact that a fetus is alive and biologically human from the moment of conception. At 18 days your heart is forming; at 24 days it begins to beat and will continue till the day you die; at 30 days blood is flowing in your veins; at 42 days your skeleton is formed and you're moving; at 43 days your brain waves are recorded; at seven weeks your lips are sensitive to touch; at nine weeks thumb sucking occurs...etc.

Pregnancy is a continuum: what begins at conception will, if there's no natural misfortune or deliberate attack, become a child. Some claim that no one but the woman - not the Church, not the State - has anything to say about it, because it's a part of her body. However, abortion kills an organic system that's distinct from the woman's system. For example, if a fetus is "part" of a woman's body, can a woman who carries a boy in her womb be both male and female at the same time? Or if the unborn fetus is dead, can a mother be both alive and dead if it's part of her body? So it's obvious that we're talking about TWO distinct human beings. Biology does not allow the abortion argument to be about WHEN human life begins.

The argument, in which people differ, is what we should DO with that life, what the moral significance and legal status of life IS in its early stages. The bottom-line question is: Does GOD - the Creator and Giver of Life - give us the RIGHT to choose abortion? In the above reading, God declares: "I am the LORD, and there is no other. There is no god besides Me". Although man is the crown of God's Creation, to whom the Creator gave dominion over all the earth and the other creatures, he gave in to the

temptation of the Evil One in the Garden of Eden - in order to "be like God" (Gen. 3:5). Having eaten fruit from the tree of knowledge of good and bad, man now wants to make God's decisions his own, and to be accountable to no one but himself. Thus, the LORD has a word of admonition for those who're dissatisfied with the ways of the Creator - who's shared with human beings the gift of family through pro-creation, whether that gift comes through its proper use in the marriage bond or its misuse in unauthorized relationships. God says: "Woe to him who argues with his Maker, like a pot among other earthenware pots. Should the clay ask Him who shapes it: 'What are You making?'"

Because our youth become confused by the messages about sexuality given through the media and educational system - which conflict with the Word of God, many young women terminate pregnancies that come at an "inconvenient" time. Others, because our modern technology can detect genetic abnormalities beforehand, choose abortion even when life is not endangered - because it may come in an "inconvenient" package. But to the "Pots that Protest" about the "inconveniences", the LORD says: "Is it for you to ask Me about My children, or give Me orders about My handiwork? I made the earth and created the people on it." (Ver. 11-12).

Because of sin and its effects on our present-day society, all of us may be tempted to disrespect the life God created and entrusted to us - especially if it becomes a burden on our time and energy. So God calls us to repentance, for our human arrogance and sinful rejection - through the elimination, abuse, neglect and even our apathy - of His gift of life.

Then, let us thank and praise our Creator for considering ALL human life so very precious that He sent His own Son to redeem us and make us part of His eternal family. "When the RIGHT TIME came, God sent His Son, born of a woman, born under the law, to free those under the law and make us His sons" (Galatians 4:4). Jesus went around doing good, freeing the disabled of their abnormalities - such as the man born blind in John 9,

when He said to His disciples: "He is blind to show what God can do with him." On another occasion, as we read in Matt. 9, Jesus healed a paralytic and said to him: "Courage, son! Your sins are forgiven." Not only did God's Son have pity on the physically handicapped, but above all He came to free mankind from the most blinding and crippling disease of all - sin and its consequence of eternal death. He was willing to endure the rejection of others in order that ALL people - no matter how unwanted or imperfect, might no longer be rejected by their fellowman. Christ was even willing to be lifted up on a cross and suffer being forsaken by His own Father - and to taste death itself, so that we might never be forsaken by God - or suffer the eternal separation of hell. He came, as He says in John 10, that we might have Life - and have it in abundance. Because of His great sacrificial love for us, Jesus was lifted up from the grave in His glorious resurrection - and given life everlasting, which He now enjoys at the Right Hand of God.

It is God's will that ALL people come to know this truth, and share His gift of eternal life - through faith in Jesus Christ. To all who repent and believe in Jesus Christ as Lord and Savior, God grants forgiveness of all sins - and gives them a new life in His eternal family. And by His Spirit, who leads us into all truth, we're enabled to accept and love those who're unwanted, burdensome, or dependent - the unborn, newborn and elderly; just as God has accepted and loved us in Jesus Christ, despite our sinful imperfection. God wants us to celebrate His gift of Life, especially in light of the "new life" He gives us in Jesus Christ - and depend on His grace as we trust in His Son for full forgiveness and healing.

So the question is not whether the Pro-Life or Pro-Choice side should prevail - nor how to compromise the difference between them in order to keep the peace, but the question is WHAT, on the basis of God's Word, do we believe - and WHAT are the moral implications of that belief. Christians understand that life is a gift from God and must not be trifled with.

Snips, Quips, & Lifts

By Lottie Lee Baker

If you would have God hear you when you pray, you must hear Him when He speaks.

Now we know why they call politics the most promising of careers.

We learn some things from prosperity, but we learn many more from adversity.

Some people think religion, like aspirin, should be taken only to relieve pain.

Reputation is a large bubble which bursts when you try to blow it up yourself.

We should keep all our resolutions secret. That way nobody will know when we break them.

When ordering a dinner in a swank restaurant, if you can't pronounce it you probably can't afford it.

Retirement can be a great joy if you can figure out how to spend time without spending money.

A romantic fire is often kindled by a little spark in the park.

A rumor is afloat that we have a new trade agreement with Russia. We will send them 10,000 automobiles from Detroit and they will send us 20,000 parking spaces from Siberia.

Russian girls are more interested in boys than politics. The obviously figure it's better to be wed than Red.

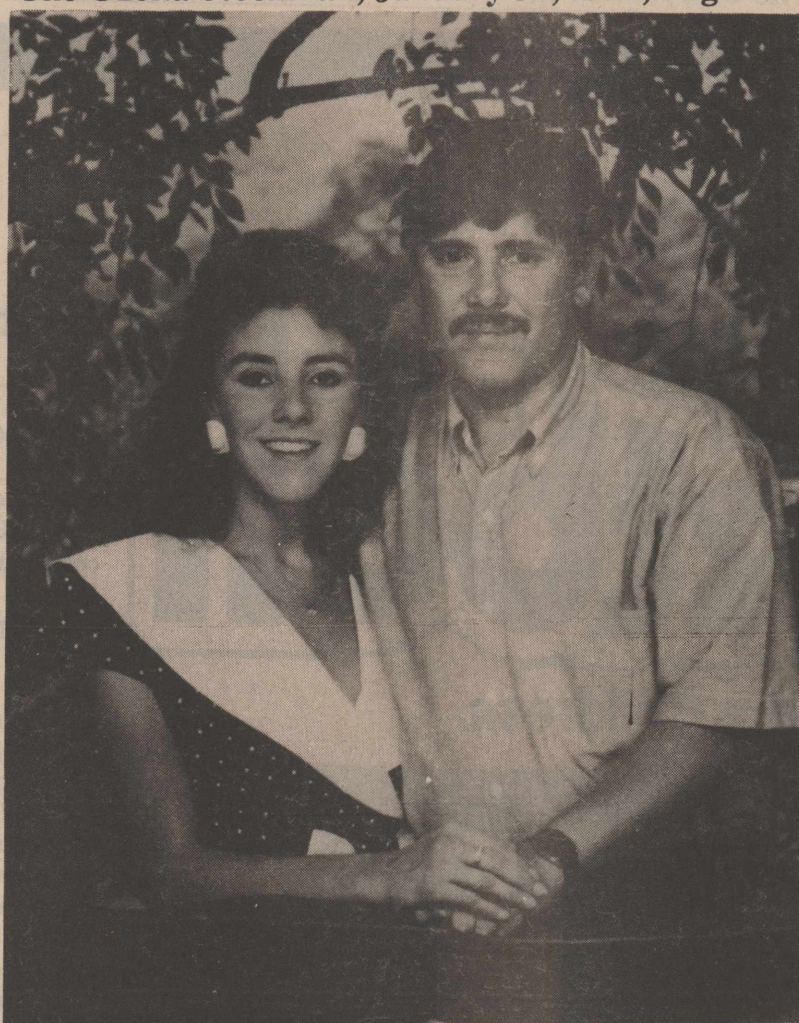

When selling yourself, don't misrepresent the goods.

The safest way to spend a holiday is to sit at home and yawn.

The only safe place to fall asleep behind the wheel is at a drive-in theater.

Next Christmas Santa Claus won't be the only one in red.

A LIFT FOR THE WEEK
Speech is silver, silence is golden and oratory, at the moment, is mainly brass.

Buckner-Prina engagement announced

Mr. and Mrs. Cecil Buckner of Ozona announce the engagement of their daughter, Sheri Ann, to David Prina of Midland. He is the son of Mrs. Dorothy Prina of Albuquerque, NM, and the late Grant Prina.

The bride-elect is a 1984 graduate of Ozona High School. She attended Angelo State University and is a graduate of American Commercial College in San Angelo. She is currently attending Midland College.

The prospective bridegroom is a graduate of Portales High School and

Museum plans photo/document workshop

Crockett County Museum will have an all day workshop Friday, Feb. 2, on the care and conservation of old photographs and other archival materials. Ms. Betty Orbeck of Odessa will conduct the workshop. She is the archivist of the Midland Petroleum Museum. Ms. Orbeck has had extensive training in this field and has conducted numerous workshops.

Those serving on the archival committee and working with Ms. Orbeck are: Mrs. C. O. Walker, Mrs. Don Long, Mrs. Oscar Kost, Mrs. Len Hillman, Mrs. James Childress and Mrs. Pleas Childress. Anyone else wishing to serve on this important project is asked to call the museum at 392-2837.

earned a degree in finance from Eastern New Mexico State University. He is presently employed by Texaco Inc. in Midland.

The wedding is planned for April 7, 1990, in the Clay Desta National Bank Building in Midland.

Country Club Bridge

Mrs. W. E. Friend was hostess for Country Club Bridge Jan. 25.

Winning high score for the afternoon was Mrs. Evert White. Second high score went to Mrs. Jess Marley. Winning bingo was Mrs. Lowell Littleton.

Other players included: Mmes. Charles Williams, Jack Williams, Clay Adams, C. O. Walker, Oscar Kost, John Childress, Rip Sewell, Gene Williams, George Bunger, Arthur Kyle and Joe Bean.

Wisdom completes career training

Robert Wisdom graduated Jan. 11, 1990, from Concho Career Institute in San Angelo with a diploma in air conditioning and refrigeration.

Wisdom earned a 95 grade point average and three certificates of achievement.

There to congratulate Robert on his graduation was his wife, Ruth.

Ozona services held for Aiguier

John D. Aiguier, age 47, died Saturday, Jan. 27, 1990, in Crockett County Hospital.

Rosary was held at 7:30 P.M. Sunday, Jan. 28, at Preddy Funeral Home. Mass was at 3:00 P.M. Monday in Our Lady of Perpetual Help Catholic Church with interment in Cedar Hill Cemetery.

John was born July 4, 1942, in Great Bend Kansas. He was the production foreman for Amox Oil and Gas. He was a veteran of the Vietnam War and a member of the Veterans of

Foreign Wars.

Survivors include his wife, Dora Aiguier of Ozona; his mother, Ruth Aiguier of Kermit; one daughter, Bianca Aiguier of Ozona; two sons, Albert Quintanar and Jonathan Parrish Aiguier, both of Ozona; two sisters, Donna Swanson of Kermit and Beverly Hayes of Lovington, New Mexico.

Pallbearers were: Otis Holt, Ronnie Jones, Mike Womack, Jimmy Moore, Jimmy Gillit, Danny Simmons, Raymond Maldonado and David Sanchez.

Mrs. Coates service in Colorado

Funeral services for Margaret Russell Coates (Mrs. Lloyd Coates) of Denver, Colorado, were held Saturday, Jan. 27, 1990, in Hugo, Colorado.

Mrs. Coates was preceded in death by her parents, George and Evelyn Russell, both former Crockett County clerks; a daughter, Stephanie Coates Kelly; and a brother, Buddy

Russell.

Survivors include her husband, Lloyd Coates of Denver; a daughter, Cherice, Mrs. Dennis Kjosness, also of Denver; a son, Bill Coates of Dillon, Colorado; and two granddaughters, Chris and Robin Kjosness.

Attending the service from Ozona were Mrs. Buddy Russell and Mrs. Johnny Childress. Hugh Russell attended from Greenwood.

Cubettes capture second at Big Lake tourney

by J. L. Tucker
STOCKMAN SPORTS

The eighth grade Cubettes traveled to Big Lake last weekend to compete in the Big Lake tourney. The Cubettes came home with a second place trophy.

The first round of the game the Cubettes faced Stanton. The first quarter the Cubettes tallied two points as their opponent scored three. By the second quarter's end, the Cubettes trailed 10-16.

During halftime Coach Aldridge must have made some changes because the Cubettes came out after halftime and scored four points and Stanton only scored two. In the last quarter, the Cubettes took charge and racked up eight points compared to Stanton's one and had a spot in the semi-final round.

The Cubettes won 22-19. Tiffany Vargas led the team with nine points and Shelby Stuart added six.

The second round of the tourney the Cubettes battled McCamey. The first half of the game the Cubettes took the lead 12-5. After the half, the

Cubettes maintained their lead and scored six points the third quarter. The last quarter the Cubettes added nine points to their score and McCamey also added nine.

The Cubettes came out on top, winning 27-21. Stuart and Petra Rios both added eight points to their team's victory.

In the championship round, the Cubettes lost to Big Lake. At the end of the half, the Cubettes trailed the very talented Owls. After the half, the Cubettes scored four points, and Big Lake was held to eight. The last quarter of the game the Cubettes again scored four, and their opponent, who continued to play their starters, racked up 16 points.

The Big Lake Owls won their tournament with an impressive victory over the Cubettes. Vargas was high point, scoring four points, and Rios contributed three while Mindy Coates and Rios both added two.

This tournament showed much improvement for the eighth grade girls as they had previously been beaten by Stanton and McCamey.

Cubettes win one, lose one to Sonora

by J. L. Tucker
STOCKMAN SPORTS

The seventh and eighth grade Cubettes won and lost respectively in games with Sonora Jan. 22.

At first it looked bright for Ozona's eighth grade Cubettes when they played Sonora to a 4-8 respective score in the first quarter. In the second quarter, Sonora added four points to their score while Ozona came up with three.

During the third quarter, the Cubettes put eight more points on the board as Sonora added two. In the fourth and final quarter the Cubettes contributed three more points while Sonora added six.

Petra Rios led the team with eight points and Diana Ramirez contributed five.

The seventh grade Cubettes claimed another win upon beating Sonora.

After the half the Cubettes were down by four, 10-14. During the fourth quarter a tenacious Cubettes' defense held Sonora to zero and the Cubettes scored six to claim the win, 16-14. The Cubettes' record now stands 9-4.

Gloria Peña-Alfaro was high point and scored eight points.

The Cubettes will host the McCamey Badgers Thursday at the high school gym. The seventh grade will be played first starting about 5:00 p.m. and the eighth grade will follow.

JV boys defeat Forsan and Reagan County

by Charles Wood
STOCKMAN SPORTS

The J. V. Lions continued to play successfully last week, as Coach David Porter noted. "It looks like we're really putting things together." On Tuesday

the team faced a tough challenge in Forsan, but came out on top in the end, 44-42.

In Friday's match against Reagan County the J. V. boys performed even better, winning with an extremely wide margin—42-19.

Members of the 1989-90 Girls Basketball Program and Coaches

Coach lauds girls' basketball program

By Sarah Pullen
STOCKMAN SPORTS

The Ozona Junior High and High School girls' basketball programs have proved to be successful during their 1989-90 season; however, as it seems the season just began, it is also beginning to wind down.

The program has roughly 55 girls

participating in grades 7 through 12. High school coaches are Frank Hughey, Craig Cooke and Rene Schultze. Kathy Aldridge and Brenda Pool are in charge of junior high girls' basketball programs.

"I think we made programwide progress this year," said Coach Hughey. "Our philosophy and teaching were more consistent.

"Personally I'd like to thank all the coaches who have done an outstanding job this year," Hughey added. "I'm also thankful for the girls' participation and all the community support."

Cubs place second in Big Lake tourney

by J. L. Tucker
STOCKMAN SPORTS

The eighth grade Cubs traveled to Big Lake last weekend to compete in the Owl tournament. The boys overcame their first two opponents then lost to Big Lake in the championship round.

The first round the Cubs beat Stanton 28-14. The Cubs trailed by one at the end of the half. During the third quarter the Cubs added 12 points to their previous eight while they held their opponent to four. The fourth and

Cubs win two against Sonora

by J. L. Tucker
STOCKMAN SPORTS

The seventh and eighth grade Cub teams both came away with victories Jan. 22 in games with Sonora. The seventh broke away from their opponent in the third quarter while the eighth rallied in the fourth to win by four points.

Once again J. J. Lozano led the way for the seventh grade Cubs as he tallied 14 of Ozona's 34 points. With Sonora one point behind at the end of the opening quarter, the Cubs proceeded to gain the lead and stretch it to seven points by third quarter's end.

In the fourth quarter the Cubs weren't able to score any points as their opponents scored one. The Cubs won 34-29.

Julio Martinez added six points to the Cubs' victory.

In the eighth grade game, the Cubs struggled for three quarters before blowing the score open enough to give them a four point win, 33-29.

The first quarter the Cubs maintained the lead by two points, 8-6, then by the end of half the Cubs were losing by one point. During the third quarter the Cubs took the lead again and held onto it.

The fourth quarter proved to be the most battling as the Cubs scored seven and Sonora added four.

Mike Fay led the team with 11 points and Juan DeLuna contributed eight.

The Cubs will travel to McCamey Thursday. The seventh grade will begin about 5:00 p.m. and the eighth grade will follow.

Lions add two victories in district play

by Charles Wood
STOCKMAN SPORTS

The Ozona Lions have had a successful week, winning two crucial victories in district play. Tuesday night in Forsan the Lions played an extremely tight match, winning with a

final score of 58-54. "It was a real tough game," Coach John Curry said. "We had to come from behind to win." The Lions, he said, "had a great third quarter. A strong defensive effort pulled us through."

High scorers against Forsan were Domingo Perez with 14 and George Ybarra with 12 points. Chris Denman

and Lalo Rodriguez had 11 points each.

In their Friday night game against the Reagan County Owls, the Ozona team was in peak form, winning with a score of 70-36. "Every aspect of the game was good," Coach Curry noted. "We shot the ball well and played great defense."

High scorers were Chris Denman with 23 points, and Ruben Borrego, who scored 11 points during the game.

Ozona is now tied with Big Lake for first place with a record of 4-1 in the first half of district. Friday's victory gives the Lions a 1-0 start on the second half of district play. The team's overall record for the season is 13-11.

Freshmen Lions whip Sonora 44-45

by J. L. Tucker
STOCKMAN SPORTS

Missing three regulars due to academic grade loss and the chicken pox, the Ozona Freshmen Lions took the fight to the Sonora Broncos, broke open a close game and rode away with a convincing 44-25 win Jan. 22.

Terry House, playing for a sick Chad Upham, blocked the first Sonora try for a score, setting their pace for the Ozona squad. Joe Hernandez canned six first quarter points as the young Lions took a 12-7 lead. House and Alonzo Hernandez continued to block shots and pull down rebounds while J. Hernandez poured in four more points to help the Lions to a 20-16 half time advantage.

Joe Mendoza and Andy Borrego helped turn up the tempo with their solid defensive play, causing several Bronco turnovers and collecting some steals leading to quick scores for the Ozona bunch. At the end of three quarters, the Lions led 34-22.

"I was real pleased with our defensive effort, especially in the last

half," commented Coach Jerry Tucker. "Terry House turned in one fine performance and Andy Borrego is starting to play solid basketball."

Coach Tucker cleared the bench in the last quarter and was happy with the hustle of all the players. "We completely out hustled them," he said.

J. Hernandez led the young Lions with 18 points, while Mendoza added 10. Borrego, A. Hernandez, and House scored four points each.

The freshmen Lions play at McCamey Thursday evening and travel to Big Lake the following Monday, Feb. 5, to close out their season.

Technology program shown to OHS seniors

On Wednesday, Jan. 24, Linda Alley of Phoenix Institute of Technology presented a program to the Senior Class of Ozona High School. P.I.T. is located in Phoenix, AZ, and is a private institute accredited with the National Association of Trade and Technical Schools out of Washington D. C. and is listed with the U. S. Office of Education.

P.I.T. has eight basic programs for the students to chose from: automotive diagnostics and air-conditioning, precision powertrain and chassis, architectural drafting and design, advanced computer aided design and production art, electro-mechanical drafting and computer aided design, and two programs in electronic technology.

Through the help of Jack Probst, counselor, and Chesta Stuart, OHS English teacher, all seniors present were able to see and hear Mrs. Alley's presentation. Should they wish more information, they may contact Mr. Probst, Mrs. Stuart or Mrs. Alley.

Co-op announces youth tour plans

Area teenagers have a chance to be in Washington, D.C. in June for a first-hand glimpse of the political process. The Government-in-Action Youth Tour program is sponsored locally by Southwest Texas Electric Cooperative. Youths 16 to 18 years of age can earn an expense-paid trip to the nation's capitol by winning the Youth Tour contest competition.

Each contestant will be required to submit an essay not to exceed 750 words on the subject: "History and Organization of Rural Electrification". Persons living in the following school districts are eligible: Schleicher, Sutton, Reagan, Menard, Crockett Counties and Iraan-Sheffield School District.

Local winners will join other co-op sponsored youngsters for the June 7-19 adventure. Being a Youth Tour participant in Washington, D.C. is special. The Texans will visit their respective congressman. A wreath will be placed at the Tomb of the Unknown Soldier in Arlington National Cemetery. A special tour of the White House and a possible meeting with the President are scheduled.

Other tour highlights include visits to Mt. Vernon, the National Archives - home of the original Declaration of Independence, the Constitution and the Bill of Rights, the Smithsonian Institute, the Bureau of Engraving and Printing, the FBI Building and many other famous monuments and memorials.

For more details about the Youth Tour program, contact Southwest Texas Electric Cooperative, Box 677, Eldorado, TX 76936 at 853-2544, OHS counselor Jack Probst or local English teachers.

Ray Ramos receives congratulations from program coordinator, Susie Childress, for being the high money earner in the Jump Rope for Heart fund raiser. He raised \$125.35 for the American Heart Association.

These Ozona Intermediate school students were among the 74 children who participated in the Jump Rope for Heart.

Rivercrest counselor to speak on assertiveness

Valerie Ewler, a chemical dependency counselor from River Crest Hospital in San Angelo, will present a program on assertiveness for the Progressive Extension Homemakers Club on Thursday, Feb. 8.

The program will begin at noon and will be held at the Crockett County Civic Center. There is no charge to attend, and all interested persons are invited to come and bring a friend and a sack lunch.

Assertiveness is healthy behavior, according to Crockett County Extension Agent-Home Economics Tedra Ulmer.

Assertiveness training, says Ulmer, is based on the idea that we can change ourselves to stand up for our own rights without violating the rights of others.

A person who is non-assertive may feel used, or taken advantage of, and suffer lowered self-esteem, while an aggressive person may take advantage of others and lower their self-esteem. Assertiveness helps people feel good about themselves and manage their time and work more effectively.

"If you feel pressured into doing things, resent the demands of others,

and neglect your own needs to meet those of others, you're a perfect candidate to attend this program," stated Ulmer.

For more information, contact the Crockett County Extension Office at 392-2721.

Card of Thanks

We want to express our sincere 'Thanks' to all the people in Ozona who were so caring and thoughtful during our daughter Edna's hospitalization. Special thanks to Dr. Owensby, Peggy, Kathryn, Alice and Felix for their genuine love and support in the emergency room. To Mrs. Sammy Hester for her quick thinking and for seeing that Edna got the medical attention she needed right away. Also special thanks to Kay & Tooter Lealbetter, Leti and Andrew Galindo and the Howard Marshall and Steve Usener families for taking care of our other kids in a moment's notice. It's in situations like this that real friends come through for you. Thanks to all of Edna's friends and teachers who called, visited and sent flowers to the hospital. Della, Eddie, Dee and Tasha - You all will never know how much you all helped in what seemed an interminable ride to San Angelo in the ambulance. It's good to know people like you are here to help in times of need. Thank you Ozona, for being there for us with so much love and support.

Robert and Ruth Wisdom and family

These Ozona Primary school students helped raise \$2,351.68 for the Jump Rope for Heart fund raiser sponsored by the American Heart Association.

West Texas A&M Club offers \$4,000 scholarship to 1990 graduate

The West Texas A&M Club is announcing a scholarship to be awarded to a 1990 graduate of an accredited West Texas high school. The scholarship will be for a student enrolling in Texas A&M University in the fall of 1990. The \$4,000 scholarship (\$500 per semester) will be awarded on the basis of academic achievement and involvement in school and community activities. Financial need is considered but is not necessarily the determining factor in selecting a recipient.

April 1, 1990. The students selected as finalists will be contacted for a personal interview as soon as possible following the deadline.

Extension Connection

By Tedra Ulmer, County Extension Agent
"Texas Agricultural Extension Service."

4-H opportunities on horizon for Spring 1990

With the coming of spring on the horizon, 4-H'ers and leaders in Crockett County can look forward to a host of opportunities.

While many county 4-H members are gearing up for the usual round of stock shows, this is an "off-season" for others - and a number of workshops and projects are designed to make their 4-H careers more profitable.

Judging teams and method demonstration participants will be getting ready for District Roundup. Crockett County has openings for 4-H members in range judging and plant identification, horse judging and livestock judging, as well as wool and mohair judging. Leaders are already making plans to begin practice sessions in these areas, so if you're not yet signed up for a team and are interested, call the County Extension Office at 392-2721.

Method demonstrations are a lot of work - but they're also fun and teach young people to stand up in front of people and talk, to organize their thoughts and actions, and to think on their feet. There are tons of subjects to choose from, and senior 4-H members can advance from district contest to state contest at Texas A&M University this summer.

Any 4-H member from 9 to 19 is encouraged to try giving a demonstration or talk. These can be either individual or team (two persons). The Extension Office has details on categories and requirements.

For those fashion-minded individuals, the clothing project will be getting underway. Most people think of clothing projects as just sewing - but they're wrong.

The 1990 4-H'er in a clothing project can choose to study either clothing construction or consumer buying techniques. Modeling, grooming and makeup, and studying the retail side of clothing are just some of the "new look" in clothing projects.

This year the state 4-H Fashion Show will be held in El Paso, and

senior 4-H members may have the opportunity to advance to that contest if they're entered in the fashion show; however, the clothing project can be completed without entering the contest - it's up to the individual.

Two new project areas in Crockett County are also on tap for spring 1990. They are photography and recreation, and statewide leader/teen leader trainings are available at the Texas 4-H Center in Brownwood in March.

The photography workshop will be held March 31-April 1, and the cost is under \$40 if you arrive on Saturday. The workshop is for adult leaders or junior/teen leaders and will include a three-hour Kodak photographic seminar and information on the new 4-H photography leader guides. The deadline to sign up is March 10.

Crockett County is still looking for members and a leader to serve as a county recreation team. They would attend the training at the State 4-H Center March 16-18. A team is composed of one adult and three to four 4-H members age 13 or older.

If you are interested in any of these opportunities or in finding out more about 4-H and how it can help your child, contact the Crockett County Extension Office at 392-2721. Or go by the office, located on the second floor of the courthouse annex.

MUSEUM PREPARING VIDEO ON COUNTY

Crockett County Museum needs old photographs to be copied for a video history of the county. Any early day pictures pertaining to Crockett County would be welcomed. Especially needed are photos of Frank Olney, John C. Perry, J. W. Friend, Sam Sawell, Joe Graham, F. B. Bird, M. S. Westbrook, prairie fires and flood pictures, early day school pictures and photos of early day businesses.

The museum is also seeking to compile a list of all the men from Crockett County killed in World Wars I and II, Korea and Vietnam.

If you have photographs to loan for this project, please contact the museum at 392-2837.

Producers and youth attend sheep production program

The commercial 4-H ewe lamb feeding program terminated on January 22 with a sheep production program.

Some 20 4-H members brought their ewe lambs to the barn, where they were shorn. The fleeces were identified and weighed. Dr. Frank Craddock, Extension Sheep and Goat Specialists from Uvalde, and Dr. Rick Machen, Extension Livestock Specialist from Fort Stockton, evaluated, placed and scored the fleeces and the pairs of shorn ewe lambs.

The pairs of ewe lambs were penned and the tables were set up with the fleeces on them next to the pens.

The program began at 5:30 with Dr. Craddock's discussion of sheep selection and evaluation of the ewe lambs followed by wool quality and evaluation of the fleeces.

Pleas L. Childress and R. J. Everett then presented the awards to the youth for their fleeces, shorn ewe lambs and the overall champion and reserve champion pair of ewe lambs.

JoLynn Vannoy exhibited the champion pair of commercial ewe lambs and received a buckle from Jeffrey Sutton. Her ewe lambs were bred by Gary Vannoy.

Chad Upham exhibited the reserve champion pair of ewe lambs. He received a buckle from Sonny's Drive Inn and his ewe lambs were bred by Randy Upham.

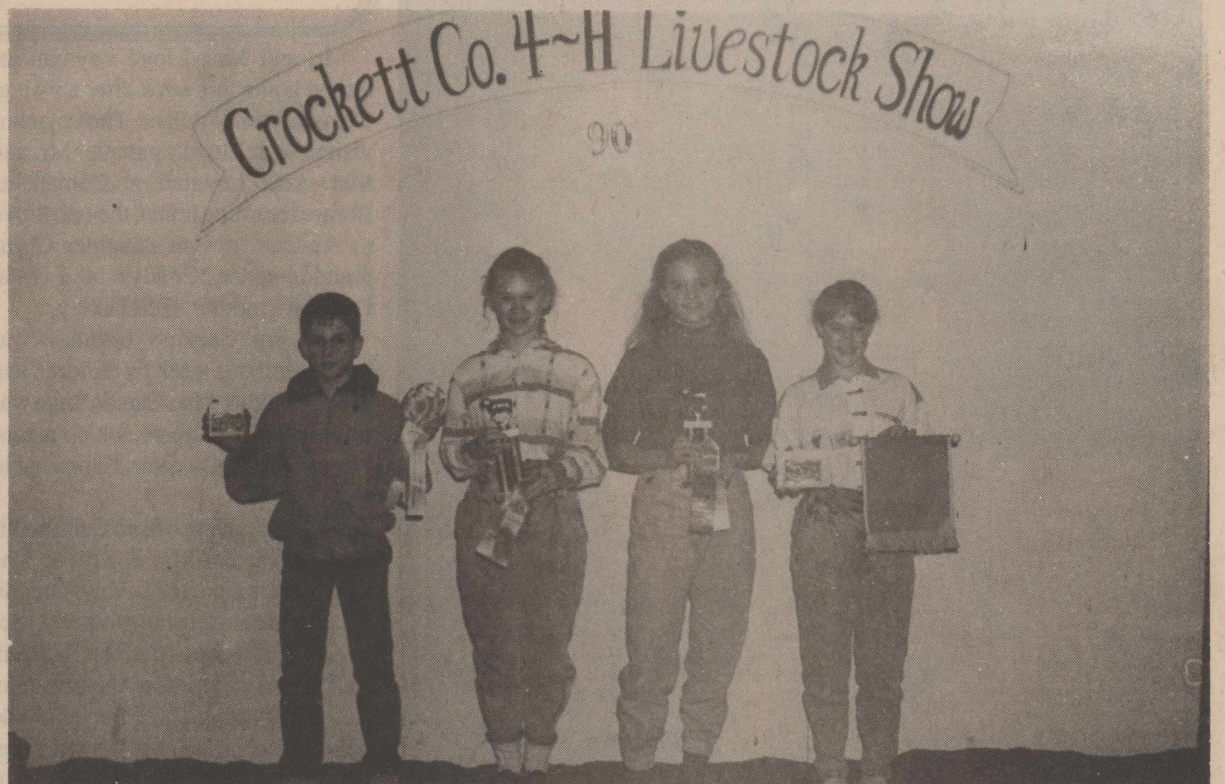

The first place pair of fleeces went to Tamel West with West Ranch bred ewe lambs.

Whitney Vannoy exhibited the 1st. place pair of shorn ewe lambs. Trophies were presented to these youth courtesy of Nathan's Jewelers.

Following the awards presentation, youth and producers received copies of the results of all categories and all viewed the fleeces and ewe lambs.

A barbecue meal was served at 7:00 p.m. courtesy of Hoechst-Roussel Agri-Vet Company. Following the meal, Dr. Rick Machen discussed the economic impact that a 5% increase or decrease in lamb crop would have on a producer's net income. He used a computer sheep budget for his demonstration.

Dr. Gary Vannoy, DVM, then posted a parasite infected lamb and demonstrated the proper method to look for internal parasites. He then identified the internal parasites and

Pictured are the winners in the sheep production program. Shown left to right are Casey Upham, accepting his brother Chad Upham's award, Whitney Vannoy, Tamel West and JoLynn Vannoy.

discussed damage, life cycles, and proper control.

Dr. Laird Laurence, DVM, and Dr. Tom McMurry, DVM, from Fredericksburg discussed and demonstrated the ultrasound pregnancy diagnosis instrument. The \$20,000 instrument and diagnosis demonstration created much interest. According to Billy Reager, this is a tool that can make the commercial Crockett County sheep producer money if it fits into his management scheme. They charge \$1.00 to determine if a ewe is open or bred and \$1.50 to count fetuses. Ewes can then be sorted and supplemented fed according to number of fetuses; therefore ewes will be supplemented fed more efficiently. Also, replacement ewe lambs may be selected from the twinning group.

The results of the commercial ewe lamb show are:

Final Placing
1. JoLynn Vannoy, 2. Chad Upham, 3. Tamel West, 4. Michael Mitchell, 5. Whitney Vannoy, 6. Terry House, 7. Tami Reager, 8. Heather Hill, 9. Casey Upham, 10. Tara Wilkins

Fleeces

Sheriff's Report

Week ending Jan. 1, 1990

ARRESTS

01-23-90...Martin Hernandez, age 36, of San Antonio, was arrested by THP on charges of driving while license is suspended. He was released the next day after posting bond.

01-24-90...Mike Dominick, age 36, from Nevada, and John H. Adcock, age 34, from Alabama, were arrested by THP and sheriff's deputies on charges of public intoxication. They were released on Jan. 27 after laying out their fines.

01-25-90...39-year-old Oscar Lee Peacock, Jr. is in county jail charged with felony evading arrest in Crockett County and escape and auto theft in North Carolina.

01-29-90...32 year old John M. Fay of Ozona was arrested by THP on charges of public intoxication and traffic warrants.

01-29-90...25 year old Ricardo F. Rodriguez of Ozona was arrested by THP on charges of DWI-felony and traffic warrants. The DWI case will be referred to the Crockett County Grand Jury.

INCIDENTS

01-28-90...Sheriff's deputies are investigating a break-in at Tony Allen's Hudspeth Ranch. Ranch hands found three white males in the ranch house, and the suspects fled south on foot. The suspects had been seen, earlier in the day, walking south on Hwy 163. It was reported that the suspects broke a glass on the front door and ate some food that they found in the house. Val Verde county officers and U.S. Border Patrol were notified to be on the lookout for these three men. Assisting in the investigation were THP and game warden.

Visiting

Mr. and Mrs. Lloyd Layman returned home last week after a visit to Comanche and Abilene. The Laymans visited with Lloyd's parents, Mr. and Mrs. Artie Layman, at Comanche. Before returning home, the two drove to Abilene to visit daughter Chris, granddaughter Chodya and Mrs. Layman's mother, Nell Hatley.

Mrs. Ira Carson's birthday was recognized this week by children and grandchildren. Mrs. Carson's age was revealed as X in years, which means you are X years sweeter. Happy birthday.

Visiting in Ozona from Canada this week are Mr. and Mrs. E. Kreljac. The Kreljacs are from the Lively, Ontario area and are touring the southern states to escape the four foot plus snow in Canada. Conversation taught me an interesting thing. These Canadians do not have social security numbers, yet they have a numbered card for Security Insurance. Never being in Texas before gave the two the impression that though Texans are a bit strange, they are amongst the nicest people, especially in Ozona.

Leaving Ozona this week for California are Bill and Scarlett Bolf. Leaving behind a host of friends and family, you two will be greatly missed. All who know and love you hope time is short before you visit. Best wishes on your new town.

S. L. White became a year wiser Jan. 23. Few knew about his day, but

those who did wanted him to know they hope his day was super.

Benjamin Phillips, grandson of Mrs. Joe Couch, turned three Jan. 30. Benjamin resides in Grand Junction, Colorado with his parents, Curtis and Michelle Phillips. Happy birthday thoughts were sent across the miles by his grandmother.

Brandon Marmelejo turned 5-years-old Jan. 27. "Gummy" prepared a cake for the birthday boy. Brandon is the son of Joe and Melissa Marmelejo.

Danny Sanchez Jr., son of Danny and Rosalia Sanchez, returned to Levelland recently after a nice visit with parents and family. Danny is studying pre-law at South Plains College in Levelland.

One of my young friends, Lalo Garza Jr., is having a birthday party Jan. 31 when he will turn 5. "Batman" ranks high with the children his age, and Lalo is no exception. His parents are Lalo Sr. and Belia Garza. Happy birthday, friend.

There was great excitement at Dee's Place Saturday when a popular Spanish singer stopped by to eat. Patsy Torres and her band handed out posters and autographs to a group of lucky youngsters who spotted them.

Billy Reagor is judging the market lamb division of the Fort Worth Livestock Show this week for the second year in a row. Billy said he was proud to be given the honor of judging the Fort Worth show.

Borrego enlists in U.S. Air Force

Naomie Borrego, daughter of Mr. and Mrs. Senovio Ortiz and the late Andres Borrego, Jr., recently enlisted in the U.S. Air Force, according to TSgt Weatherman, the local Air Force recruiter from San Angelo. Upon successfully completing the Air Force's six weeks basic military training at Lackland Air Force Base, Texas,

Naomie will receive technical training in the Medical Laboratory Specialist career area. Naomie is a 1989 graduate of Ozona High School. She will be earning credits toward an associates degree through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Richard Garza commended by Navy

Marine Sgt. Richard Garza, son of Consuelo Garza of Ozona, was recently commended while serving at Weapons Training Battalion Edson Range Area, Camp Pendleton, CA.

Garza was recognized for his outstanding performance of duty, professionalism, and overall dedication to the service.

A 1982 graduate of Ozona High

School, he joined the Navy in March 1983. His wife, Frances, is the daughter of Francisco and Gloria Moran of Ozona.

Mr. and Mrs. Gomez celebrate anniversary

Pete and Irene Gomez celebrated their 31st wedding anniversary Saturday, Jan. 13, 1990, at Mass in Our Lady of Perpetual Help Catholic Church.

A reception and dance with music by Santiago Ybarra - Nueva Onda followed.

Relatives attended the party from San Angelo, Odessa, Midland, So-

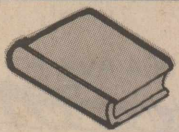

nora and Big Lake.

After the party the couple went on a second honeymoon to Las Vegas.

We would like to thank our family and friends who helped us celebrate our anniversary. Thank you for the many prayers and gifts. May God bless you all.

Pete & Irene Gomez

Crockett County Public Library News

by Louise Ledoux

1989 INCOME TAX FORMS

Crockett County Public Library now has a supply of income tax forms and schedules. Don't put off 'till April the dreaded chore of reporting your taxes. Come by the library and get the forms you need. Remember that librarians are not trained tax experts, so don't ask for tax advice. We also have several popular books on tax preparation.

FRIENDS OF THE LIBRARY

The Friends of the Library are now conducting their annual membership drive. The Friends are the biggest supporters of the library, and we urge everyone to get involved and join the Friends.

In 1989, the Friends donated a laminating machine to the library and held a book sale that sold hundreds of new and used books.

The Friends organize and present the Summer Children's Programs and seminars for teens every year.

If you don't care to be an active member, you can still support the library with an associate membership. Remember, libraries are not made, they grow with love and interest. Join the Friends today.

Sanchez participates in hurricane cleanup

Spec. Benjamin Sanchez participated in the cleanup of St. Croix, Virgin Islands following Hurricane Hugo.

The soldiers assisted in providing relief supplies, restored the commercial telephone system and assisted civil authorities with law enforcement functions.

The military teams were deployed by order of the President and Secretary of Defense after a state of emergency was declared following September's devastating storm.

He is a telecommunications center operator with the 330th Transportation Center, Fort Bragg, N.C.

Sanchez, a 1985 graduate of Ozona High School, is the son of Angelita Sanchez of Ozona. His wife, Vicky, is the daughter of Juan and Lisa Villarreal, also of Ozona.

Burks completes recruit training

Marine Pfc. Travis E. Burks, son of Perry O. and Ida B. Burks of Ozona, has completed recruit training at Marine Corps Recruit Depot, San Diego, Calif.

During the 13-week training cycle, Burks was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1989 graduate of Ozona High School, he joined the Marine Corps in July 1989.

Tag ends

by Scotty Moore

Excitement, excitement seems to be the name of the game in Ozona, Texas, here lately, what with all the murders, manhunts and helicopters. I am surprised we haven't made CNN or Dan Rather.

I guess the most exciting part of it all is listening to the scanner while the action is in progress with all the law officers trying to talk at the same time on so many different frequencies. I catch myself wishing one guy would get off the air so I could hear what's happenin' on another channel. I could come close to placing a sure bet that Ozona has more scanners per capita than any other community in the state. It seems most everybody has one, and those that don't are really missing out!

If your household is anything like ours, the little black box never gets turned off. It plays right along with the T.V. at normal volume, and sits on the other side of the room. That way if anything exciting is in the making you can turn down the sound on the T.V. without having to get up out of your easy chair and turn the volume up on the scanner, saves steps that way. We expect the parrot to start saying 10-4 any day now.

The manhunt was by far the most exciting thing that has happened lately. This prison escapee from out of state stole a pickup and ended up in our part of the world. After he relieved Sonora of a free tank of gas, he raced down the interstate toward Ozona only to be spotted by a DPS officer who in turn radioed Ozona.

The whole chase started at the truck stop when a bunch of our guys tried to stop him and he began his get away down 290 toward town at 85+ m.p.h. with seven cop cars right behind him, lights and sirens blazing away. Just about that time Deputy Davis shot the guy's left rear tire out at the edge of town, I finally realized that all of this was not coming from the T.V. set but from the black box. Sometimes it's hard to tell the difference, especially if there is a shoot 'em up movie going on.

I grabbed for the camera only to discover that I had left it at the office (it's never there when you need it!) and dashed out the front door reaching for the porch light as I passed by. Would you believe it, the bulb was burned out. Anyway, to make a long story short or a short story long I managed to catch a glimpse of the parade passing by in front of ONB after turning my ankle on the front steps in the dark. I'm glad that I didn't have a high school aged kid making the Ozona turn around on main street about that time! This man could very well have been armed and very dangerous. It's too bad that first shot didn't do the trick!

The next day Willa Perry was in the office and commented "Wasn't that exciting last night? We stayed up nearly all night listening to the scanner after moving it to the bedroom. I got up this morning and the scanner was gone. Jerry took it to the bathroom with him while he shaved. He was afraid he would miss out on something." Don't feel alone Willa, we also moved ours to the bedroom, and turned the volume up in order to hear it in the bathroom.

One thing is for certain. We have a built in public disaster warning system. In case of an approaching tornado, flood or etc. all we have to do is transmit it over our local law enforcement frequencies, and everyone in town will know about it in 5 minutes.

If you want to know the whole story of the chase, read the paper. It's on page one.

tag

On the lighter side, how many of you have missed the high school's Lion's Roar? We sure have. It's a shame that the program could not have continued. It was good for the kids, teachers and parents alike. It was a great tool for teaching kids how to write and provided great training in dealing with the public.

The Ozona Stockman has offered a full page for use by the Lion's Roar, but according to school officials there aren't enough teacher hours available to sponsor the program. We have a lot of talented kids up there who can write that are really missing the boat, because there is no boat to catch. What a shame! Big Lake, Sonora, Junction and Eldorado all have school news sections produced by the students printed in their local newspapers, but not Ozona.

Stanley and Mary Najjar were in Odessa recently to visit their son Rodney, a student at Odessa College. Along with his parents were sisters Micha and Mylene of Irving. The family enjoyed a basketball game between the Odessa Wranglers and the New Mexico Military.

No identification made on murder victim

The body of a white male in his late 20's found Jan. 21 in Crockett County has still not been identified, Sheriff Jim Wilson said Tuesday.

The sheriff was notified Friday by the F.B.I. lab in Washington that a good set of fingerprints had been obtained. No identification was found through the bureau's criminal records. A search of F.B.I. civil records was underway Tuesday, Wilson said.

A national bulletin describing the victim will result in missing person information being sent to Ozona from across the country. If no identification is made by Thursday, the Austin DPS office will be asked to make a sketch of the man from photographs. The sketch will be widely circulated and also published in a monthly bulletin published by the DPS, Wilson said.

Letters to the Editor

Dear Editor:
Wednesday night at 8:15 I pulled over to let 7 of our LAW ENFORCEMENT OFFICERS (7 cars) with a probable combined cost of over \$100,000 pass—chasing a vehicle at a high rate of speed, estimated to be in excess of 80 miles per hour—down our main east to west thoroughfare and later I learned the man had failed to pay for a tank of gasoline at Sonora. Sure they learned the vehicle was stolen but no real effort to recover it was made - just to destroy it.

I like each and every one of our officers but I feel that SOMEONE HAS THEIR PRIORITIES MIXED UP. Most towns one pays for gasoline before the switch is turned on—the filling station operator does not throw the switch until the money is paid—what a simple solution. This would release our OFFICERS to try and break up the drug culture we have in our town—in our school and on our streets. DON'T YOU KNOW THE 'DRUG LORDS' had a laugh while they brought another load of drugs into Ozona.

SURE, WE CAN OBTAIN MARAJUANA AND COCAINE around the school systems, on the streets and in the parks. WHY CAN'T OUR LAW ENFORCEMENT PEOPLE catch the important people and not just those stupid "mules" that are caught with infinite quantities of drugs? IT WILL TAKE THE COMBINE EFFORTS OF THE CITIZENS. Some neighbors are getting rich on the misery they are dealing our young people or do you really believe there are no drugs in Ozona.

LET'S RE-THINK OUR PRIORITIES

Troy Williams

Dance club elects officers

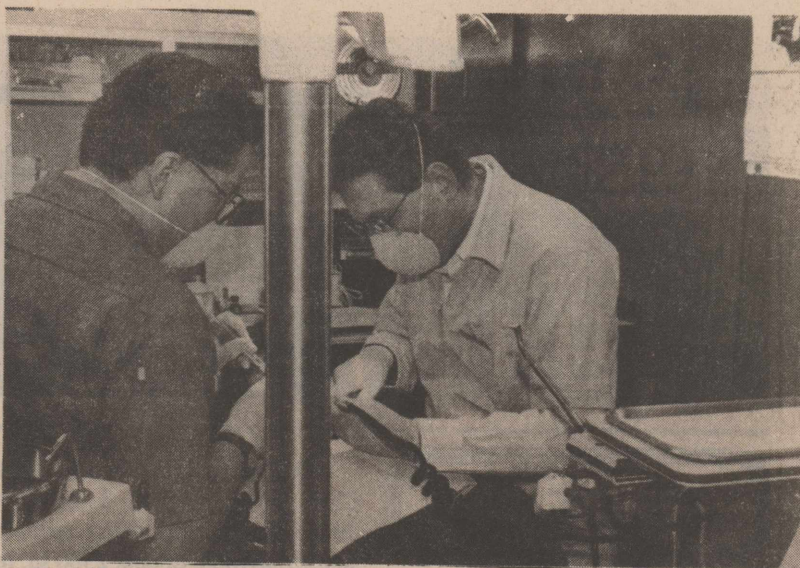

Levis and Lace Square Dance Club held its first meeting of the year and elected new officers. They are: J. D. and Lillian Brown, president; C. E. Light, vice president; Tracye and James Fuller, secretary; Tim and Beth Stallings, Tasha and Billy Nowell, reporter.

Square dancing is exercise, friends, fellowship and fun for young and old alike. You are invited to join the fun Thursday, Feb. 8, at 7 p.m. at the Catholic Parish Hall. For more information, call Bob Bell at 392-2104.

Joe Snavelly, D.D.S. and dental assistant, Fernando Morales of The Texas Department of Health Dental Unit provided valuable dental care for Ozona students last week.

Special dental unit provides care

School bells ringing start the Texas Department of Health Dental Unit rolling. This valuable unit covers 36 counties and 61,700 square miles during the school year, but more importantly, provides free dental care to children who would not receive it otherwise. This care is provided for children who qualify for free lunches at school or for Medicare.

reach and educate these children about proper dental care. Assisting Dr. Snavelly are hygienist Patricia Saucedo and dental assistants Fernando Morales and Alfredo Martinez.

"A number of these children wouldn't ever receive dental care if this program wasn't available," Dr. Snavelly said.

The children are first screened by school nurse Lu Ingram. A total of 43 children received this care in Ozona last week.

Joe Snavelly, DDS, heads the quartet of health professionals who dedicate four 10 hour days a week to help
