Bob Harris (r.) and Rod Chalmers display the special award presented in recognition of GTE's contributions to the 4-H Field and Stream program.

## GTE contributes to 4-H

On Feb. 17, the Texas Game Warden Association recognized GTE Southwest, Inc. for its contribution to youth education in the area of natural resources. The award was presented at the association's annual convention which was held this year in McAllen.

The TGWA lauded GTE for its generous financial contribution to support outdoor education through donations to the Crockett County 4-H Field and Stream Program. The funds provided by GTE were used to purchase teaching supplies and finance outings such as fishing and hunting trips, to enable participation of youngsters from all economic levels.

The donation was given in the name of Bob Harris, a GTE employee of 23 years and volunteer leader and fishing instructor for the 4-H program. Harris accepted the special recognition award on behalf of GTE at the TGWA awards banquet and wild game

dinner at the McAllen Civic Center, where the association praised GTE as a partner in the cause of "Conservation for Future Generations".

## "Red" celebrates 93rd

Red Greer was in the spotlight last week as he celebrated his 93rd birthday. Billboard messages wished him well. Friends gathered to shake his hand and reminisce at a party held in the Crockett Room.

The renown golfer was honored

with a cake decorated with a golf club and green. A bowl filled with silk jonquils decorated the serving table which also held golden punch in a silver bowl, mints and nuts.

Among his many messages was a card handpainted in watercolor by Joan Nicholas.

Red Greer proudly poses at his 93rd birthday reception held at the Crockett Room.

## Candidates forum held at Catholic Parish Hall

Local candidates and the wife of a state senator spoke their views and answered questions from a full house Thursday night at Our Lady of Perpetual Help Parish Hall.

Both candidates for the offices of sheriff and constable participated. Four of the six Pct. 1 commissioner hopefuls were present and a fifth candidate was represented by a family member. One of four Pct. 3 commissioner candidates appeared.

Kathy Dickson, wife of Sen. Temple Dickson, spoke for her husband who was unable to attend due to a schedule conflict.

A school board candidate in the audience was invited to join the panel of speakers by moderator Orlando DeHoyos, county attorney.

Each speaker was given two minutes for introductory comments. Questions from the audience followed, and the forum ended with each candidate

allowed five minutes for a concluding statement.

Sheriff Jim Wilson, who has almost 24 years' experience as a peace officer, said one of his goals when he became sheriff was to provide good, well-trained men. Since taking office, his officers have completed nearly 2,000 hours training in various aspects of law enforcement, street violence has been reduced by almost 45 percent and burglary and property theft by 30 percent, Wilson said. Numerous narcotic search warrants, arrests, prosecutions and convictions have taken place during his three years in office.

Drugs can best be fought by honest, straight forward law enforcement, Wilson said. "Arrest dealers, obtain convictions and work with education." The sheriff agreed that a drug sniffing dog is a helpful deterrent.

A concerned citizenry working with

law enforcement would provide the teamwork to solve many problems in the community, Wilson said. He does

## Hospital board meets

Members of the board of Crockett County Hospital and Care Center reviewed computer system bids from four companies and rejected all during a four-hour meeting Feb. 21.

The board then voted to search for an independent company to recommend a solution which would fit their needs.

A representative of Merritt Hawkins Physician Recruiting firm will be here March 5 to review the needs of the community. He will determine at that visit whether or not his company would be successful in physician recruiting.

Efforts in recruiting nurses continue. The board voted to give the administrator authority to recruit a Filipino nurse who may be available.

Revised specifications on the EMS ambulance building were pre-

not believe a drug task force would be good, citing recent happenings in other

## Lou Whitley promoted

Lou C. Haire Whitley has been promoted to vice-president and cashier at Ozona National Bank effective Feb. 14.

"Mrs. Whitley has been a valued member of the organization since 1979," said president Don Long. "The board of directors and I are very proud to announce her promotion.

"Mrs. Whitley's performance has contributed measurably to the growth of Ozona National Bank."

The first position she held with ONB was that of bookkeeper. She progressed to proof operator, then into

accounting and became an assistant with the computer.

At the time Ozona National bought the Wimberley bank, she assisted there with operations conversion.

Mrs. Whitley is an active member of Ozona United Methodist Church and was chairman of the Methodist Day Care Center for several years. She is also a member of Ozona Woman's League.

Her children are Leesa, a junior at OHS, and Lynne, an 8th grader. She is the daughter of Mr. and Mrs. Bud Cox.

Lou Whitley has been promoted to vice-president and cashier at Ozona National Bank.

## Wilkins asks election to board of trustees

"The determination to strive to give every child the best education possible is the quality that I feel is important for a school board member to possess," said Belinda Wilkins in announcing her candidacy for the school board. "We have too many children slipping through the cracks of our system and finding ways to bring them back up to level should be a top priority. In working towards this goal, I feel that all children in our system will benefit."

Belinda graduated cum laude from Ozona High School in 1976 and went immediately into the workforce, working as a bookkeeper and secretary for Texas Urethanes, Inc. in Austin. She married Steve Wilkins in 1977 and moved back to Ozona where she was employed as an office manager for Moore Oil Co. for three years and then as a legal assistant for Bill Mason for five years. She is currently assisting her husband in ranching and running a guided hunting operation. They have three children, Tara, 14; Lauren, 11; and Mason, 9.

Belinda is a member of the Ozona United Methodist Church where she has taught Sunday School and served on the Education Committee for the past 12 years.

She has always been involved in community and civic activities. She has served on the board of directors for the Crockett County Civic and Youth Center; was on the original board of directors which established the Ozona Day Care Center; and served

on the board of directors at the Ozona Community Center. She has also served as a club manager for the intermediate and junior high 4-H Clubs and an adult foods and nutrition leader in 4-H. Currently she is serving as a parent member of the task force which is working on the re-structuring of the junior high school.

"I feel that my business experiences with management, finance and the legal profession would be beneficial to me if elected to the school board; however, the most important experience I have is that of a mother of three children currently attending Ozona schools.

"I would appreciate your vote in the school board election."

## Commissioners go with self-funded insurance

Commissioners vote for a partially self-funded health plan Monday night after reviewing policy information from four companies.

The plan, which will be carried with Lamar Life/Hill House and Associates through White and Zesch Insurance, deviates from the current policy in that it has a \$500 deductible and no dental insurance.

County funds are used to pay claims through the policy to \$40,000, then a stop loss policy takes over and reimburses the county.

Voting for the measure were Judge Kathryn Mayfield, Sostenes DeHoyos and Fred Deaton. Voting against were Rudy Martinez and Dick Kirby.

The court voted to authorize advertising for paving rock and to advertise for an independent consultant to design and propose a computer system for the hospital and care center.

A meeting is scheduled for 8 a.m. Feb. 28 to approve doctors' contracts which expire at the end of this month.

## Sen. Sims announces for re-election to 25th

Incumbent State Senator Bill Sims recently announced his candidacy for the new 25th State Senatorial District at several press conferences around the 30 county district. Sims, a long-time San Angelo resident, will be opposed in the Democratic primary by incumbent Senator Temple Dickson, a trial lawyer from Sweetwater.

"The choice is between two very different philosophies," said Sims. "The question to the voters is whether they want their state senator to listen to them or to the Texas Trial Lawyers Association."

A long-time rancher and farmer, third-term Sen. Sims is the Executive Secretary of the Sheep and Goat Raisers and Chairman of the Natural Resources Committee. Sims is also champion of business and was recently honored by the Texas Chamber of Commerce for his service.

Unlike Temple Dickson, Sen. Sims supports workers' compensation reform and new limits on claims lawyers in products liability lawsuits. "We

must protect our businesses and encourage new ones to open. To do those things we must improve our workers' compensation system," Sims said. "I have always worked with the business community and I will continue to do so."

communities and previous undercover work done here.

Jon Perner Allen brings 15 years' experience on the Dallas Police Force to his candidacy. Twelve of those years were spent training other officers.

Allen wants to see deputies on the street and patrolling county roads. He believes Ozona deputies need additional street training which he could instruct, and that the investigative aspect of local law enforcement should be strengthened. He would also like to see a community relations committee formed.

Drug dealers won't be apprehended for anything except possession by methods being used here now according to Allen who favors a task force.

Other areas addressed by the two candidates in response to audience questions were: utilization of constable by Sheriff's Office and leniency of the courts.

Since the constable is an elected officer, he is not under the sheriff's control, Wilson explained. Allen said if elected he would utilize the services of the constable.

Wilson said the courts are too lenient, and Allen advocated "put them (criminals) where they belong and get them out of the county".

The men were asked to respond to a rumor that they each had been fired from previous jobs.

Both stated they had never been fired. Wilson explained that in 1984 when his boss was not re-elected he left with the defeated officer. Allen commented that he has letters of reference to back his statement that he has not been fired.

Sheriff Wilson was questioned by Jesse Fierro as to the procedures and duties of officers - on a disturbance

## Blood drive Feb. 27 at Civic Center

Ozona citizens have the opportunity to celebrate life by donating at the community blood drive from noon until 6 p.m. Thursday, Feb. 27, at the civic center. Every unit of donated blood is sent to United Blood Services laboratory in San Angelo for testing and processing. Laboratory technicians separate the whole blood into various components (including red blood cells, plasma, platelets and cryoprecipitate), so that one donation helps several patients.

Red blood cells are used for surgery patients. Plasma is needed to treat trauma and burn patients. Platelets are required for cancer and leuke-

mia patients undergoing chemotherapy. Cryoprecipitate is a special blood clotting factor used by those with hemophilia.

While components are transfused for specific medical needs, a patient with a serious injury may require several different components.

The Ozona blood drive has a goal of 30 donations. Anyone who wishes to donate may call Connie Jennings at 392-5433 to arrange an appointment.

Blood donated here will replace blood used by the late Alma Elizondo of Ozona as well as other patients in hospitals in the West Texas area.

## Levis and Lace selects new officers

Members and guests of Levis and Lace Square Dance Club enjoyed an evening of fun and fellowship Saturday night at Ozona Inn of the West. Callers were Arnie's Angels from San Angelo. Arnie Warnier was the main caller, sharing the responsibilities of moving the squares in lively cadence with the able assistance of John Guinn.

There were two squares on the floor at all times. The club is a mainstream club with some plus calls. Visitors are always welcome when the club meets each second and fourth Saturday of the month. Lessons are given at minimal cost, and there are seven students currently hard at work with teacher Carol Peek and the assis-

tance of "the angels".

A new slate of officers for the coming year was presented by outgoing president J. D. Brown. They include: Leroy Adcock, president; J. D. Brown, vice-president; Otis Nester, secretary-treasurer; Carol Peek, teacher; Betty Allen, reporter.

The next dance on the agenda will be in the civic center March 14. Randy Hooker will be caller for the evening.

Square dancing is for the young and old, is a perfect form of exercise with fun and fellowship and the opportunity to make new friends from all over. To get in on the fun, get a partner and contact any member of Levis and Lace for information.

The Ozona Woman's Forum met Tuesday, Feb. 18, 1992, in the Crockett Room with Totsy Hagelstein and Geniece Childress as hostess. Arlene Clayton, president, called the meeting to order and Lillian Brown led in reading the American's Creed.

Members were invited to attend the League Guest Day on Tuesday, Feb. 25, and also the Baptist Women's Tea on March 1.

Plans for the spring trip and year's program were discussed. March 17 was announced as Guest Day to be held at the Methodist Church.

The old scrapbook was displayed by Georgia Kirby and Elizabeth Dudley.

Going Once, Going Twice! The annual auction was enjoyed by all as members tried to out bid each other for items auctioned by Willa Perry and Judy Reagor.

Twenty-seven members ad-

joined at 5:30. Attending were: Jewel Bailey, Marolyn Bean, Jane Black, Lillian Brown, Louise Bunker, Crystelle Childress, Geniece Childress, Arlene Clayton, Maridel Dudley, Elizabeth Dudley, Totsy Hagelstein, Pauline Johnson, Georgia Kirby, Lucille Littleton, Marcille Long, Ethel Miller, Betty Perry, Willa Perry, Judy Reagor, Kathrine Russell, Madeline Stokes, Blanche Walker, Mary Agnes Ward, Barbara Malone, Virginia Hubbard, Luetta Kost and Benny Gail Hunnicutt.

## Country Club Bridge News

Jean North was hostess for five tables of bridge Thursday, Feb. 20, at Ozona Country Club.

Winning high score for the afternoon was Velma Marley. Second high was tied by Benny Gail Hunnicutt and Blanche Walker.

Bingos went to Emma Adams and Jean North.

Other players included: Jane Black, Louise Bunker, Eileen Childress, Dorothy Friend, Mary Friend, Peggy Hagle, Sophie Kyle, Willa Perry, Ellen Sewell, Celia West, Ruth White, Jonesy Williams, Rachel Childress, Elizabeth Dudley and Jewell Bailey.

 Brought To You  
 By J.D. Brown  
**MAKING THE MOST OF YOUR ACCESSORIES**  
 It goes without saying that every room in your home needs some accessories to add those certain finishing touches—but as long as you're using accessories, why not make the most of them?  
 And by that we mean some of the following ideas:  
 You probably want some clocks in your house, but why not pick out some really outstanding clocks that will do more than tell time. Add some clocks that also decorate the area where they're being used. You can consider floor, mantel and wall clocks. It's amazing what the selection of clocks is today with all kinds of styles sizes, shapes and finishes.  
 And people tend to forget what the right mirrors can do for a room. As long as you're going to use mirrors, why not use ones that will help a room. For instance, a tall mirror will add height to a room where needed; a rectangular mirror gives width. And the right mirror can change any room for the better.  
 The same goes for almost any accessory. If you're going to use a picture, an ornament, even an ash tray—make the most of them by selecting them carefully, displaying them right and having them beautify your home.  
 We stand ready to help you with any of your furnishing needs, so stop in.

## Crockett County Care Center News

By JoAnne Marshall

Carousel horses were stuffed with pollyfill during Monday morning's craft class. The next step will be making the mane and tail.

A game of ring toss highlighted Monday afternoon's activities. Almost all the residents tested their hand and eye coordination skills. The high scorer of the afternoon was Alma James. Selma Taliaferro came in second.

Moriama Perez tried to set a record for winning the most bingo games. She won four games during Tuesday morning's bingo. One more win and she would have succeeded. Residents winning two games each were Hazel McDaniel and Laura Owens. Jeff Owens, Jose Arredondo, Alma James, Juana Hernandez and Elvira Pena were also games winners. Our helpful volunteers were Sophie Kyle and Georgia Kirby. Thank you, ladies.

A song service was held Tuesday afternoon. Maxine Brown of the First Baptist Church was kind enough to play the piano for us. Thank you, Maxine.

Wednesday morning's ceramic workshop volunteers were: Ruth Hester, Ruthie Dorris, Shelly Davis and Gussie Schneider. Thank you, ladies. We appreciated your help. Residents attending the class were: Hazel McDaniel, Frances Davis, Moriama Perez, Florencia Porras, Lillian Hubbard, Mildred Kirby, Joe Connolly and Juana Hernandez.

A resident's council meeting was held Wednesday afternoon. Residents attending were: Moriama Perez, Mildred Kirby, Frances Davis, Modesta Talamantez, Hazel McDaniel, Lillian Hubbard, Lara Owens and Monnie Boyd. Visitors attending were Anne Davidson and Marilee Robertson. Anne will be our ombudsman. Flowers that would enhance the appearance of the yard were discussed.

Ideas for the upcoming apple fun activity were made by Joe Connolly and Hazel McDaniel. Caramel apples and apple crispets were the suggested refreshments for the activity. The election of officers was also discussed.

Thursday morning's beauty shop volunteers were: Lola Rios, Vivian Hughes, Joann Williamson, Tosha Nowell, Mary Proux, Anna Gilley and Audrey Smith. Thank you, ladies, for a job well done.

The Spanish Hour of Praise was

held Thursday afternoon. Mass was conducted by Fr. Quirino Cornejo of Our Lady of Perpetual Help Catholic Church. Visitors attending were: Alicia Perez, Paulita Leal, Anita Fierro, Maria and Nip Vitela, Herbierto and Lorena Gutierrez, Felipa Munoz, Isabel Ramirez, Rebecca Martinez, Germana Onofre and Lelia Tambunga. It sure was good to see such a large number of visitors. We enjoyed the service and the fellowship.

The Levis and Lace Square Dance Club entertained residents Thursday evening. Dancers performing were: Otis and Myra Nester, J. D. and Lillian Brown, Raul and Maria De La Rosa, Betty Allen, Joann Harms, Carol Peek, Leroy Adcock, Gaylia Underwood and Leonard and Mary Hillman. The dancing was great. We really enjoyed it, and would like to thank them for coming.

Friday morning's bingo winners were: Elvira Pena, Laura Owens, Juana Hernandez, Jeff Owens, Joe Connolly, Myrtle Post and Alma James. Elvira was lucky enough to win three games. Laura, Myrtle and Juana won two games each. Popcorn was served as an extra added treat. We would like to thank Shelly Davis for her assistance during the games.

A "Blas Buster Party" was held Friday afternoon, complete with a clown, relay races and a giant color wheel. Before the party was over, not a single resident was lacking a smile. If the antics of the clown didn't get them, the delight in winning at the color wheel or watching the volunteers running a relay race with a big pink balloon between their knees did. Even the refreshments of jelly beans and marshmallows were colorful. We would like to thank the following student volunteers for making this party such a success: Jennifer Lee, Shelly Davis, Jaime Ramos and George Hernandez.

A performance by Otis Nester livened up an otherwise dull Saturday afternoon. His lively accordion music really was great entertainment. Thank you, Otis. We appreciate your time and talent.

Sunday's worship service was presented by members of Our Lady of Perpetual Help Catholic Church. We thoroughly enjoyed their visit, and would like to thank them for this special hour with us.

## Letters to the Editor

I would like to congratulate the office personnel, faculty, and students of Ozona Jr. High. Thanks to the leadership of Mr. Howard and some other brave and hard working teachers and dedication and courage of nearly every other person on that campus (including parents); there are some terrific changes taking place in our kids lives!

It's no secret that the academic status and self esteem level of Ozona seems to fall way below the level of most schools in our state. But more important than comparing us to other schools, our kids are definitely in danger of growing into adulthood unable to handle the basics responsibilities of a full and fruitful life.

The population of Ozona Jr. High is going all out to improve this situation. There are too many new programs to list them all, but they are all dedicated to the positive development of our children.

If you see any of these people on the street, stop and congratulate them and let them know how much you appreciate their dedication and hard work towards a better future for everyone. Wouldn't it be great if we could see this level of leadership in all of our schools?

I would also like to thank the Knights of Columbus for putting on the free throw contest. It's one of the

few things in which our kids can participate in that they don't have to go out and knock on doors asking for money. Don't get me wrong, I want my kids to be charitable people, but it's great that the kids have something just for them. It doesn't cost them any money and there is no pressure put on them by anyone but themselves. They don't have to worry about how much money mom and dad spent on anything or letting the coach or team down.

Signed,  
Lisa Branch

## Tennison to preach March 1 at First Baptist Church

Dr. Clifton Tennison of West Monroe, La., will be guest minister Sunday, March 1, at First Baptist Church. Dr. Tennison's topic for the morning service will be Sharing Our Friendship.

Clifton and Daphne Tennison will be honored with a tea in the church parlor from 3-5 p.m. The community is invited.

Dr. Tennison retired as pastor of First Baptist Church of West Monroe in July of 1990 after 51 years in the ministry. He stepped into the pulpit to preach his first sermon at age 17, looked out into the congregation and asked himself what he was doing up there trying to tell people what to do. Then he fainted.

At the age of 19, while attending Wayland Baptist University, he became a part-time preacher at Pansy Baptist Church in Crosbyton. For preaching every other Sunday he was paid \$300 for the year.

Each time he preached, he was to be paid \$15. However, what he actually got to take home depended on how much was in the collection plate. Usually the amount fell short of the \$15.

From these beginnings, Tennison went on to pastor churches in Hereford, Sipe Springs, Wichita Falls, Shamrock, Ozona, Memphis, Borger, Childress and Houston before moving to Louisiana.

Under his leadership, First Baptist in West Monroe became one of the most dynamic in the Louisiana Baptist Convention. Its membership in 1990 was more than 4,800, its budget nearly \$1.5 million and its cooperative program giving exceeded \$220,000.

During his ministry, he has held

nearly every position in state and convention areas of leadership, including being a member of the Executive Board of the Baptist General Convention of Texas, member of the Board of Directors of the Sunday School Board of the Southern Baptist Convention, member of the Executive Board of the Louisiana Baptist Convention and member of the Board of Trustees of the Home Mission Board. He has served as president of the Louisiana Baptist Convention, president of the Panhandle Pastors' and Laymen's Conference, and has served as a member of the Board of Trustees of Decatur Baptist College, Howard Payne College and Louisiana College.

Dr. and Mrs. Tennison are the parents of two children, Dr. Clif Tennison, a psychiatrist, and Dr. Carol Williams, a college professor.

## Faith

By Dr. Tim Brewer  
Ozona United Methodist Church

A famous German theologian named Karl Barth had a profound influence on modern religious thinking through his teaching and his many books on religion. He was asked one

time how he would summarize all that he had written. After some thought, he said, "Jesus loves me this I know because the Bible tells me so." He quoted the song that almost all children learn in Sunday School.

Faith is both profound and simple. And it begins in childhood with the simple truth that God loves you and

the people of the church love you in God's name.

If it's been a while since you have felt love, then it's time to get back to the basics of the faith; get back to the community where the love of God is the foundation and the rule for living together; get back to the Book that tells you "You are loved".

call. Fierro expressed dissatisfaction with the department resulting from his call for assistance at his business, Jesse's Place.

Wilson said that the nature of the call determines the response.

After an exchange between the men, the sheriff advised Fierro that he could still file a complaint against the person causing a disturbance.

Constable Raymond Borrego explained that he is an officer of the court and has the same duties as a sheriff with the exception of overseeing a jail. Citations are now being served on a rotating basis between the Sheriff's Office and constable. Borrego quoted 54 papers served by his office in 1989; 32 in 1990 with 63 by the Sheriff's Office; 10 in 1991 with 103 by the Sheriff's Office and during the first two months of 1992, two by the constable and five by the Sheriff's Department.

Candidate Ray Shelton said he is running on an economic basis only. "I believe the money used on this (the constable's office) could be used better elsewhere. Shelton said if elected he would give up all but \$1 a year and still be available to assist the court, Sheriff's Office, justice of the peace and clerk in any way possible.

He maintains that the resulting savings to the county would be \$35,000 over a four year period. This includes salary, car allowance, employee benefits and expenses budgeted to the office during Borrego's term.

Borrego said he receives \$4,800 a year from the county. This includes salary and auto allowance.

Shelton offered to withdraw his candidacy immediately if Borrego would agree to a \$1 yearly salary.

Pct. 1 commissioner candidates present were: David Perez, Leo Cervantez, Jess Marley and Frank Tambunga. Elizabeth Harris read a statement for her step-father, William Harris, who was unable to attend. Alfredo Tobar did not attend.

C. E. Light was the only Pct. 3 candidate present. Other candidates in the race are: Freddie Nicks, Jamie Knox and Pon Seahorn.

These candidates were asked what problems they see within the community, what their views are on the role of the hospital, how they would correct street drainage problems, how to solve the county's financial problems, how they would feel about dropping court salaries and about 911 emergency service.

DeHoyos, who is unopposed in his bid for re-election as county attorney, asked the candidates to what extent they would support a public golf course.

David Perez said he would advocate an open door policy if elected, making himself available to his constituents. He sees the accumulation of many small, overlooked problems as an important area to be addressed.

All drainage problems are not solvable because of hilly terrain, but curbs would help channel water, Perez said.

He was in agreement with other commissioners on lowering salaries if necessary.

This candidate believes 911 is important. "Even 2 or 3 year-olds know to call 911 for help."

Leo Cervantez sees the county's main problems as drugs and children. Law enforcement which would make things difficult for dealers and education are top priorities for Cervantez.

Adjustments which would improve the economics of the county were also mentioned by Cervantez. Cutting the excess from the budget is the place to start, he said.

The candidate said that the hospital is a great asset to the county and talked of the need to work toward generating the money needed to operate the facility.

Regarding a public golf course, "if Mexican Americans want one, they can have one if they work hard for it. It depends on how bad we want it," Cervantez said. Commenting that such a project would take a lot of money and the county budget is not good, he advocated involving the community first.

Jess Marley sees lack of progress as the number one problem of Crockett County. He favors selling or trading county owned land south of the interstate as a way to promote economic growth and possibly solve problems of solid waste disposal.

Keeping the hospital in first class condition is essential according to Marley. "We need good health care in Crockett County. We need to work together for the hospital."

Bringing a dialysis machine to Ozona is an improvement Frank Tambunga would like to see. Tambunga's mother and several more Ozonans travel to San Angelo every other day for this treatment. He favors improving hospital services so people can be taken care of here as much as possible.

He believes if there is enough interest, citizens and the county could work together for a public golf course.

Tambunga was sympathetic to a question regarding uncorrected street drainage. This is a problem he is experiencing, also.

Solving the county's financial problems would have to begin with a look at the books before he could make suggestions, Tambunga said.

Miss Harris, reading the statement for William Harris, advocated building the barrio up to the standards of Precincts 3 and 4 and reversing prejudicial thinking. Harris' business experience and education were put forth as qualifications for office.

He will host a meeting at Circle Bar 76 Thursday night at 7 p.m. to personally express his views and answer questions from residents of Pct. 1.

Pct. 3 candidate C. E. Light talked about the work being done to upgrade the hospital and EMS service through grants. Working together will result in a better community, he said.

Light agreed with Pct. 1 candidates that he would have no problem lowering commissioners' court salaries if needed.

Drainage problems would be corrected if he became commissioner, he said.

School board candidate Wade Richardson talked about low test

Winning in the Knights of Columbus district free throw contest were: (l. to r.) Bobby Cervantes, Lindsay Flanagan, Randall Borrigo, Amber McWilliams and Andy Aldridge. Not pictured are Linda Mendoza and Lupe Llanas. They will compete in San Angelo at regional March 7.

## Ozona advances seven in free-throw competition

District free throw competition held here Feb. 15 ended with Ozona youths shooting for seven first places. Youngsters from San Angelo, Wall and Ozona competed in five divisions for boys and for girls.

Winning the 10-year-old division for Ozona were Bobby Cervantez with 17 and Lindsay Flanagan with 13.

Randall Borrigo and Amber McWilliams took first in the 11-year-old division. Randall made 24 shots

and Amber 17.

Linda Mendoza won the girls' 13-year-old division with 17 shots on a playoff.

The 14-year-old division was won by Lupe Llanas with 22 and Andrea Aldridge with 16 shots.

Stephanie Castro lost the top spot in the 12-year-old division on a playoff tie-breaker.

The winners compete at regional March 7 in San Angelo against ath-

letes from Midland, Odessa, Abilene, San Angelo and Brownwood.

The state meet will be March 21 in Austin.

The free throw contest is sponsored locally by Knights of Columbus Council #8572. Council members expressed appreciation to Supt. Jim Payne for use of the gymnasium.

### FOR Crockett County Sheriff

## THANK YOU

Lt. Joe Gunn, Watch Commander  
Dallas Police Department, Northwest Division  
2828 Shorecrest Drive  
Dallas, TX 75235

Citizens of Ozona, Crockett Co., TX;

I have been an officer with the Dallas Police Department for 21 years. I am a lieutenant day watch commander for the Northwest sub-station. I would like to take this opportunity to tell you about one of your candidates for sheriff.

J.P. Allen was an excellent officer with the DPD. He worked directly under my supervision at the Northwest sub-station for many years. He was a dedicated public servant and trained other police officers for a number of years. In 1974 he received the Johnny Sides Memorial Officer of the Year Award. Quite an achievement for one of 2,000 plus officers.

During his years with this department he set a standard of excellence in police work which is not often matched. I firmly believe J.P. would be a sheriff Crockett Co. would be proud to have.

Upon his resignation from the DPD I feel we lost a fine officer and a good man. I recommended J.P. to be re-hired as an officer at any time with the department.

Sincerely,  
Lt. Joe Gunn, Watch Commander  
Dallas Police Department, Northwest Div.

Sgt. Don Geer  
Dallas Police Department, Northwest Division  
2828 Shorecrest Drive  
Dallas, TX 75235

Dear Sirs:

J.P. Allen was an officer with this department many years under my command. I was his direct supervisor. I have been with this department for 36 years and in my opinion J.P. was one of the finest officers to serve under me.

He performed his duties in a direct and professional manner. He exhibited leadership qualities in that he trained numerous officers for the streets. J. P. was dedicated to the department and to serving the public to the best of his abilities.

During his years with this department he had one of the best arrest/conviction records. He received many commendations both from the public and this department.

J.P. Allen was an excellent officer and a good person to know. With his resignation I believe Dallas lost one of it's finest. I recommended he be re-hired if he ever wished to return to this department.

J.P. Allen would make the citizens of Crockett Co. a fine sheriff. He is an excellent public servant and a professional.

Cordially,  
Don Geer, Sergeant  
Dallas Police Department, Northwest Div.

## JV Lions complete 19-2 winning season record

**by Don Stark**  
The Ozona JV Lions completed their basketball season on Friday, Feb. 21, with a 63-53 victory over the Coahoma JV in Coahoma.

This victory gave the JV Lions a gaudy 19-2 season record and their 16th victory in a row.

Coach Keith Shoush's young Lions averaged 57 points a game while holding their opponents to just 42 points a game.

Their only losses came against the class 4A Ft. Stockton JV in the first game of the season and class 1A Comstock's varsity in the 5th game of the season.

From that point on to the end of the season it's been all wins for the JV Lions.

One of the keys for the JV Lions' success was that they did not have to depend on just one or two players. Six of the JV players scored over a hundred

points this season. Even when two of their players were moved up to varsity, (Chris Sanchez and Julio Martinez) they kept winning as other players stepped in and performed admirably.

"I am really proud of this group of kids," stated Coach Shoush.

"After Chris and Julio were moved up to the varsity, several other kids got a chance to play and they came through as winners. When these freshmen and this year's 8th grade get to play together in high school they should be a contender."

Members of this year's JV team were juniors Alex Borrego and Terry House, sophomores Joel Fuller and Frankie Moran, and freshmen Joe Esparza, Jessie Garza, Doug Meador, James Nelson, Brian Valdez, Cloudy Vail, Tony Valencia, Chris Sanchez (10 games) and Julio Martinez (16 games).

## Lions lose final game

**By Don Stark**  
The Coahoma Bulldogs closed the 1991-92 basketball season for the Ozona Lions as they defeated the Lions 77-72 in a boys' basketball game played in Coahoma on Friday night, Feb. 21.

After leading 19-18 at the end of the first quarter, the Lion offense went cold and the Bulldogs outscored them 24-9 in the second quarter to take a 42-28 lead at halftime.

Momentum switched to Ozona in the third quarter as the Lions outscored their hosts 26-18 and allowed them to pull to within 5 points of the Bulldogs.

However, the Lions were unable to overcome this deficit in the last quarter as both teams scored 18 points each.

The loss left the Lions with a 9-18 season record.

Chris Sanchez with 18 points led the Lion offense.

The Ozona JV defeated the Coahoma JV 63-53 with Terry House and Alex Borrego leading the way with 16 points each.

## Lions smash badgers

**by Don Stark**  
Manny Munoz scored 31 points to lead the Ozona Lions to a 78-68 victory over the McCamey Badgers in a boys' basketball game played in Ozona on Tuesday night, Feb. 18.

The Lions started out slow and were trailing at the half by a score of 33-24. The second half was a different story as Ozona's offense came alive and outscored the Badgers 22-14 in the third quarter and 32-21 in the fourth quarter to claim the victory.

Keith Miller scored 10 points to aid the Lion cause.

The JV Lions defeated the McCamey JHV 60-23 behind Tony Valencia's 17 points.

## Girl Scouts hold potluck supper

Girl Scouts, leaders and parents met at the Ozona United Methodist Church Fellowship Hall Feb. 21 for a potluck supper. This was the second year for the supper and observance of Thinking Day, which is observed by Girls Scouts worldwide.

Each troop contributed to the program with neighborhood chairman Debbie Bachman as M.C.

Special recognition was given to Connie Fielder, Silver Award Scout.

Connie began as a Brownie and fulfilled the awards, objectives and necessary requirements. It is a great honor to fulfill this recognition.

A gift was presented to Mrs. Bachman from leaders and Scouts.

"We have 89 Scouts in Ozona and hope to continue to grow so we are grateful to volunteers, leaders, parents and our community," said Brownie Troop leader Jackie Necessary.

scores being a cause for concern, a problem that needs to be addressed now. Inadequate supplies for teachers and mimeographed workbooks were mentioned.

If elected, he would dedicate his time to helping youngsters, not just attend meetings once a month, Richardson said. "The most important thing a community can give kids is an education."

Richardson also talked about the golf course issue. He stated that although the land for the country club originally belonged to his family, he is not a member of the board and has no say regarding the membership of the club.

**Murals have been removed for repair**

Have you noticed that the four murals located on the Perner building have been removed as well as those located on the J. W. Motor Parts Building?

Jack Feagan, renown artist, has been notified by the Ozona Chamber of Commerce that the paint has again started to peel.

Feagan, who is currently commissioned by the Fiesta Texas Theme Park in San Antonio, came to Ozona in the early fall to repair peeling damage to the murals. At this time the mural holding up best is the campfire scene.

Nancy Moore, chamber of commerce coordinator, stated that Feagan expressed real concern for the murals. Never before has he had this problem, but he will stand behind his paintings. Feagan said that the peeling looked as if it were caused by acid in the air. Another theory that he expressed to Moore was that the murals were sandwiched between the heat of the brick and the sun's ultra-violet rays. They were literally being cooked.

The murals, which average \$1,400 each, are done on four panels of plyboard and have yet to have the

captions placed under them. The murals were a project to be completed in time for the county's centennial celebration this past summer.

The first mural, paid for by the chamber of commerce, was placed on the Perner building on Aug. 11, 1990. The fourth was in place by Jan. 1, 1991. The last three were paid for by individuals, businesses and organizations of Ozona. They have become a source of pride in the county since they portray highlights of the county's development.

"The murals definitely draw many tourists," stated Nancy Moore. "They are one of the many attractions from which we hear many good responses. It is so sad to see them in this state."

Following repairs the murals will be housed inside said Mrs. Moore. At this time the place is undetermined.

Feagan has done paintings in many parts of Texas and Hawaii. There is a series admired along the River Walk in San Antonio, as well as in Ingram, outside of Kerrville. And soon he will have a series in the Fiesta Texas Amusement Park in San Antonio.

The Iraan Volunteer Fire Department and Emergency Medical Service is sponsoring an Emergency Medical Technician Intermediate (EMT I) update. The 40 hour class will serve as continuing education and will have skills examination available for those testing for certification with the Texas Department of Health.

Instructor for the class will be Annette Stacy through Midland Col-

lege. Class dates are March 5, 9, 12, 16, 19, 23, 26, 30 and April 1 and 6. All classes will be held at the Iraan Fire Department, 507 West 6th Street, Iraan. Class time is 6 to 10 p.m.

Pre-register by contacting Cindy Green at 639-2952 or 639-2879.

CE hours for EMT basic will be given on basic material at the discretion of the instructor.

**Dickson campaigns in Ozona**

Senator Temple Dickson of Sweetwater brought his campaign for the Democratic nomination in the 25th District to Ozona Wednesday. The senator spoke briefly at a gathering held at Our Lady of Perpetual Help Parish Hall.

Rural Texas is his agenda, Dickson said. He is chairman of the Senate Economic Development Committee. He was recently named to serve on both regional and national economic development committees.

The senator said he made use of the chairmanship by overseeing the restructuring of the Texas Department of Commerce to include creation of a Rural Economic Development Division to bring services to rural Texas. Dickson lamented the fact that

"our best and brightest" young people leave the rural areas to work in large cities and build their economy.

Dickson is completing his first term in the senate. He and Sen Bill Sims were paired in the March 10 Democratic primary as a result of the redrawing of boundary lines for Dickson's 24th District and Sims' 25th District.

Quiero anunciar mi candidatura para la posición de condestable del condado.

Con 24 años de experiencia en enforzar las leyes, estoy seguro que estoy calificado suficiente para esta posición. No obstante, estas calificaciones serían en vano cuando considera las razones por las cuales busco esta posición.

No estoy interesado en ninguna ganancia personal. Las responsabilidades que requiere esta oficina son minimas y hasta practicamente no existen. Por lo tanto cualquier gasto que se haga en mantener esta oficina sería simplemente una carga monetaria adicional al condado y a todos los que pagamos impuestos.

Si soy eligido, yo inmediatamente pediré a la corte de comisionados que sienten mi sueldo a un dólar por año, con eso ahorrando casi \$10,000 al condado. Este dinero puede ser invertido en otros proyectos que nos beneficien a todos. Su apoyo en este asunto será sinceramente agradecido

Gracias a todos

2-21 Mr. Bill Strauss reported that someone had killed one of his cows during the month of January. Sheriff's deputies are investigating the offense.

## Ranch and farm operator changes

Crockett County ASCS director, Herb Schwertner reminds producers to report any changes in their farm operations for the 1992 program year.

For full program benefits, farm program records must be up-to-date.

Herb says producers should contact ASCS if a farm will have a new owner this year, or if a change is made in the operation of an existing unit. Plans to combine farms or divide a farm should be requested early because of special processing and county committee approval.

Questions concerning farm operator changes can be answered at the local ASCS office.

Connie Bentley, Brenda McColum and Pauline Bentley recently returned from Oklahoma City where they attended the 50th wedding anniversary party of Connie's brother and his wife, Imogene Sellers. They also visited with Quannah Mars in Ada. They visited cousins not seen in a long time. Connie's sister, Ruby Hicks of California, was there. "We had not seen her in several years," said Brenda. "It was a great time."

## Trash containers to be placed in March

Pack Rat Services Inc., the company which has contracted with the water district to pick up and dispose of trash, will be placing waste containers throughout town in March.

"We will need the cooperation of all the citizens from Ozona," said Jack

Dorris, company president. "We ask that you let us set out all the containers before answering questions concerning placement."

Since there are few alleys, some containers will be placed on the street front. All efforts will be made to place the containers away from the front of any home.

Pack Rat will begin picking up the trash in April. No trash should be put in the containers until that time. Regular trash pick up will continue until all containers are placed.

Trash which should be placed in the new containers includes household trash and wet trash placed in bags.

Trash which should not be placed in the containers includes: tires, batteries, grass cuttings, leaves, large limbs, dead animals, used oil and hot ashes.

There will be two large metal containers placed in Ozona to handle large items such as old washers, dryers and such.

"Pack Rat Services Inc. will answer all questions concerning placement of the containers and will try to accommodate all special needs in Ozona when we complete the placement of all containers," Dorris said. "We believe that once this system is in place, the citizens will find a much cleaner Ozona."

## ASCS reviews new wool, mohair filing procedures

Wool and mohair sales documents for 1989, 1990 and 1991 must be filed by March 2, 1992, according to Herb Schwertner of the Crockett County Agricultural Stabilization and Conservation Service. The new filing procedure became effective in 1991 when the Food, Agriculture, Conservation, and Trade Act of 1990 made producers participating in the Wool and Mohair Price Support Payment Program subject to payment limitation and payment eligibility rules.

"For 1992 and subsequent marketing years, wool and mohair sales receipts must be filed within 60 days after the end of each marketing year," Herb said.

Under the new procedure, producers must file a person determination form within 15 days after filing the first sales receipt for any given year. For 1992 and subsequent marketing years, the status date for a wool and mohair producer's eligibility determination is the earlier of, the date the first application is submitted or December 1 of the applicable marketing year, Herb explained. Additionally, the policy regarding payments to no more than three permitted entities under the acreage reduction program applies to wool and mohair producers, as well.

Wool and mohair producers are also required to certify that they are in compliance with highly erodible land and wetland conservation provisions.

"We encourage producers to bring in their sales receipts as soon as possible," Herb said.

## VA publishes handbook to assist veterans in business

The Department of Veterans Affairs (VA) has announced the publication of handbook designed to assist veterans who own small businesses.

The free publication, "Handbook for Veterans in Business," includes information on federal contracting programs, acquisition regulations and procedures, contracting opportunities, and small business assistance programs.

VA, which manages one of the largest procurement and supply programs in the federal government with annual expenditures of more than \$4.5 billion, is constantly looking for contractors in such areas as building construction, maintenance, supply, equipment repair and other activities.

While VA is not authorized to set aside noncompetitive contract awards for veteran-owned businesses, it can and does actively seek out and assist these firms in competing for VA acquisition opportunities.

Each VA purchasing office maintains active bidders' lists and commodity index files, indicating the various items offered by prospective bidders.

Three Ozona VICA students qualified for state at the district contest held in Odessa Feb. 14. Winning were: (l. to r.) Sylvia Dominquez, Maria Ramos and Tess Worthington. Tess received a total score of 100, Maria - 90 and Sylvia a 90. Tess and Sylvia competed in VICA knowledge and received medals. All three competed in the mannequin division and qualified to compete in the state meet March 26-28 in San Antonio.

## High school track begins this weekend

Ozona High School track season gets underway Friday and Saturday with participation in the Comanche Relays in Fort Stockton. Field events begin Friday at 2:30 p.m. and running prelims at 3:30. Finalists will return on Saturday for competition beginning at 12:30 p.m.

The Ozona High School boys are looking forward to this season in order to improve on their past performances said Coach Pete Maldonado. The team will be a mixture of young athletes and experienced athletes due to the return of a number of lettermen.

One of the strongest areas will be in the distance events with the return of senior letterman Mark Ramirez. Mark will have help in this area with sophomore John Ramirez, freshmen Rene Tambunga and Bryan Valdez who were all state qualifiers in cross country. Mark's goal is a return to the state track meet this year where he was 8th in the 3200m run in 1991. The distance group will be coached by

Rodney Johnson.

In the weight events, Ozona boys will try to improve their performance of last year where two team members qualified in the shot put to the regional track meet. Returning junior letterman Michael Kennison will lead this group of individuals. Michael placed second in the shot put and third in discus at the district meet last year. Others in this group are: Alonso Hernandez, Luis Longoria, Doug Meador, Justin Moran, Juan Trujillo, Victor Villa and Clay Westmoreland. The weight events will be coached by Rodney Schneider.

In hurdles, sprints and relays, youth will be the factor to be overcome. This group of versatile athletes will be led by junior letterman Aaron Carroll who will run the high hurdles, intermediate hurdles and the mile relay. Aaron should be one of the top hurdlers in the district.

Also helping in the hurdles will be freshman Anthony Sanchez, who

also will run in the relays and will be a premier pole vaulter along with Travis Davidson.

Freshman Chris Sanchez will help in the high hurdles and will be a force in the triple jump. Junior Owen Powell and Leroy Martinez are returning lettermen who will add speed to the relays and help out in the jumping events.

Others in the group who will be counted on are: freshmen J. J. Lozano and Tony Valencia, sophomores Daniel Caldera, Keith Miller and Robert Bryson, junior Eric Sanchez and senior Adam Alba who was out last year with a broken leg. This group will be led by head coach Pete Maldonado.

Coaches Keith Shoush and Rodney Johnson will be in charge of the junior high track program. This group's first meet will be in Iraan on March 6.

The Ozona Relays will be held March 21 with the junior high track meet to be March 20.

## Lions Club talent show needs acts

Feb. 28 is the last day to enter an act in the Lions Club talent show. The event is scheduled for March 17. As of Monday, not enough acts have been entered to go on with the show according to club president Doug Meador.

If you are interested in performing, contact Meador at 392-5240, Tim Brewer at 392-2032, or any Lions Club member.

## Fort Stockton wins junior high UIL meet

Of the 10 schools attending the literary meet Saturday, there was one 4A school, five 3A schools, two 2A schools and two A schools. Fort Stockton won the three divisions with 162 points in the 8th grade division, 149 points in the 7th grade division and 104 points in the 6th grade division.

Reagan County placed second with 106 points and Ballinger third with 97 points in the 8th grade division. In the 7th grade division Ballinger was second with 107 points and Crane third with 72 points. In the sixth grade division, Ballinger was second with 100 points and Sonora third with 73 points.

Ozona 8th graders placing in the meet were: 1 Andi Aldridge, oral reading; 5 Tara Wilkins, ready writing; 6 Sandra Tijerina, maps, graphs, charts.

Placing in the 7th grade division were: 6 Megan Mitchell, ready writing; 2 Eric Shelton, 3 Matt Brewer, maps, graphs, charts; 6 Eric Shelton, listening; 6 Jeff Tambunga, science.

Awards going to 6th graders were: 4 Amber Tarr, maps, graphs, charts; 1 tie Amber Tarr and Bobbie Bryson, dictionary skills.

## OHS participates in dual tennis meet

The high school tennis team duelled Big Lake High School Saturday in Big Lake. Ozona won 29 matches and lost seven.

Players included Alex Sanchez, Ryan Morris, Billy Tramel, Bryon Dunn, Mickey White, Chris Cornet, John Vasquez, Ami Sewell, CJay McKinney, Steffy Sutton, Amy Goshen, Crista Chalmers, Jennifer Evans and Julie Childress.

The next tournament will be Friday and Saturday in Colorado City.

## TARIN RECEIVES DEGREE

Ozona resident Rebecca Martinez Tarin received a bachelor of arts degree in Spanish during the Fall 1991 commencement ceremony at The University of Texas of the Permian Basin in December, where over 200 degrees were conferred.

## DANGER ZONE: THE SUBSTATION FENCE

The signs on the substation fence say, "Danger-Keep Out!" or "Warning-High Voltage," and they mean it. They may not sound very friendly, but these signs carry an important safety message: that fence is there for your protection.

The electrical substation changes the extremely high voltage carried by the long-distance transmission line into the lower distribution voltage that serves your home and business. To do this, the substation must have a direct feed from the transmission line into the substation structure. The equipment within the substation is always under high-voltage electrical load.

Substation technicians, electrical linemen and maintenance crews are trained to work in high-voltage situations and to recognize and avoid potential hazards that exist in the substation. You can avoid these hazards by paying attention to the signs on the substation fence; they mark the danger zone for you.

## Workshop provides TAAS guidance

On Monday, Feb. 17, Ozona Intermediate School played host to another workshop to help teachers help students pass TAAS tests. This workshop was directed by Gayle Fuller, well-known for her expertise in this field. Mrs. Fuller has directed many such workshops during past years while teaching and building her teacher materials business, Teacher's Touch. Teacher's Touch teaching aides have been a part of many local teachers' preparation for TAB, TEAM and TAAS testing.

Manley Holmes, intermediate principal, requested that Mrs. Fuller cover as much material as possible on reading and math between 1:30 and 5:30 p.m. She did just that with constant information and examples on what works in the classroom in preparing for TAAS testing. All intermediate, primary and junior high staff members and their principals attended.

Mrs. Fuller now devotes all her time in developing teaching aides which she authors and creates, enlarging their availability to teachers through her headquarters in San Marcos.

Going up for two points in almost the last game of the season. The Ozona junior varsity beat the McCamey Badgers 32-21.

## Urbina named to student senate

Martin Urbina, Ozona High School graduate, has been named to the Student Senate at Western Texas College. Urbina is a criminal justice major and is a freshman at WTC. He is assigned to the senate's student life committee.
