## His

Have you ever noticed other drivers on our highways and here in town who do not wear their seat belts, including law officers? Well, if you have never experienced the nightmarish terror of being involved in a traffic accident, then you probably never give those beltless drivers a second thought. I can tell you from first hand experience that after falling asleep and being rudely awakened to the crunch of metal and the shattering of glass of a vehicle skidding across the pavement and then turning over, that seat belts are a very important part of my life. Now, to me beltless drivers stick out like a sore thumb. Those "useless-in-the-way belts", as some people refer to them, probably spared me from entering the pearly gates or the other place.

I know that young people are so involved in enjoying the best part of their lives that they disregard the importance of wearing a seat belt. Please don't. Take the time to buckle up.

## Hers

A story in this week's paper showing an increase in unemployment in Crockett County points to a need to dust off an economic development report prepared here some two years ago and see if something can be done to put more of our people to work.

A sad fact of life in most small towns is that there are not enough jobs to enable our young people to stay at home or return and make a living after college.

## Ozona is the place to be this Fourth of July

Ozona is the place to be this Fourth of July. The annual celebration sponsored by Ozona Chamber of Commerce begins July 3 at 7 p.m. in the rodeo arena. Family and child-oriented contests are a prelude to a performance by Texas fiddler Julie Carpenter at 8 p.m.

Activities start early on the Fourth. Entrants in the children's parade line up at 8:45 a.m. in front of the courthouse steps. Decorated bicycles, wagons and doll buggies are welcome.

The pet contest starts at 9:30 on the square and pets must have proof of vaccination. Contact the chamber office to pre-register.

An apple pie contest is scheduled for 10 a.m.

Awards for these contests will be announced from the bandstand at 10:30.

Lineup for the main parade is at 11 a.m. in the fairgrounds parking lot. The parade begins at 11:30, entering 11th Street from Ave. A. The route takes a right turn on Ave. D to circle the square before proceeding west on 11th Street to the J. B. Miller Co. parking lot. Winners will be announced at 1:15 p.m.

There is still time to enter the parade. To do so, contact the chamber office.

Food and craft booths officially open on the square at noon. A tentative list includes arts and crafts by: Denise Pittillo of Mertzon, Terry Adams, Mary Zapata and Shannon Curry.

Len and Mary Hillman of The Hideout will do computer pictures, and Beth Smith will have jewelry for sale.

Organizations and individuals

with food and drink booths are: Knights of Columbus, fajitas; Southside Lions, hamburgers; Pandale Study Club, fried pies and tea, cookbook; Baptist Youth, ice cream; Xi Sigma Omega, Cokes; Junior high cheerleaders, snow cones; The Pizza Place, pizza slices; Hamburger Hut, pound cake/strawberries; Helping Hands, turkey legs; Dee's Burger Shoppe, nachos, popcorn balls, pickles; Rosie Leal, sweetbread and candies; Danny Moran, beef cheek meat.

Games on the square include cake walk, Class of '93; toss game, Helping Hands; dunking booth and a new water game, 4-H Club; pine derby, Ozona Community Center; miscellaneous games, EMS.

The fire department's water polo begins at 1 p.m. as does a washer tournament. The renown husband calling contest is slated for 2 p.m. followed by arm wrestling at 3.

There will be entertainment on the bandstand from noon until 5 p.m. The Historical Society will show films in the Crockett Room during the afternoon.

Ending the celebration is a fireworks display at the baseball complex north of Ozona and a family street dance downtown.

Crockett County Ministerial Alliance will host a non-denominational evening service on the square Sunday night at 7:30 p.m. Rev. Bill Fuller of First Baptist Church will lead the service.

# 4th of July

## County youths top fashion show

Whitney Vannoy, Julie Childress and JoLynn Vannoy advanced to State 4-H Fashion Show competition in Houston by winning their senior categories at the District VI fashion show Saturday in El Paso.

Crockett County also had one junior winner, with Melissa Emery placing first in the Junior Non-tailored Daywear Buying category. Whitney Vannoy scored a double win by taking home the Best Senior Model award, and Steffy Sutton placed second in the Wool and Mohair award category.

Also participating in this year's district contest were seniors Adrienne Dickerson, 2nd in Non-tailored Daywear Buying; Steffy Sutton, 3rd in Tailored Construction; and Katharine Durham, 5th in Evening Wear Buying.

Jessica Fuller won a red ribbon in the Intermediate Non-tailored Daywear construction category, as did Robin Conner in Junior Non-tailored Daywear construction. Amanda Hignight received a white ribbon in the Junior Specialty Wear category and Amanda Denney also received a white ribbon in the Junior Active Sportswear category.

First place senior winners received a \$100 bond and a medal, and first place junior winners received a \$50 bond and medal.

The theme of this year's show was "A Blast to the Past." County Extension Agent-Home Economics Tedra Ulmer directed this year's fashion show, noting special thanks should go to the senior 4-H members from Crockett County who choreographed the dances and modeling for the per-

formance. A finale with all 70-plus contestants on stage was the highlight of the day, and Ulmer noted, "Without our talented 4-H members from Crockett County, we could not have attempted such an ambitious undertaking."

Accompanying the group to El Paso for the event were Sandra Childress, Nancy Vannoy, Carmen Sutton, Jeffrey Sutton, Jean Conner, Shelley Conner, Tasha Emery, Neal Ulmer and Tedra Ulmer. Ozona National Bank donated one of the Senior Wool and Mohair awards.

JoLynn Vannoy, Whitney Vannoy and Julie Childress will attend the State 4-H Fashion Show at the Marriott in Houston from July 30-Aug. 1 and will compete for scholarships and other prizes against 4-H'ers from 13 other Extension Districts in Texas.

Melissa Emery, Whitney Vannoy, Julie Childress and JoLynn Vannoy were ribbon winners at the District VI 4-H fashion show June 27 in El Paso. Senior division winners advance to state competition in Houston. Photo by Neal Ulmer

## Stockman wins special section top honors in TPA state contest

Stockman staff (l-r): Jon Moran, pressroom foreman; Susan Sheppard, account executive; Linda and Scotty Moore, editor and publisher.

The June 26, 1991, centennial edition of The Ozona Stockman won first place in the 3,000 and under circulation division of the 1992 Texas Better Newspaper Contest. There were 42 entries in the division, several with color photographs.

Winners were recognized at an awards breakfast Friday morning in Austin at the Four Seasons Hotel. Mayor Bruce Todd was on hand to welcome award recipients at the Texas Press Association's 113th Summer Convention.

Susan Sheppard, Stockman advertising director, accepted the first place plaque which bears a replica of the winning issue's front page. Also representing The Stockman were Scotty and Linda Moore and their son Scott of Austin.

Second place went to the Castro County News of Dimmitt followed by the Refugio County Advantage Press of Refugio and the Lake Travis View of Austin.

The Stockman entry was published to commemorate the county's 100th anniversary in July of

1991. Printed in Ozona on a three-unit web press in seven sections, the edition capsuled the last 50 years of the area's history.

The Stockman is unique in that it is printed in-house. Few non-dailies are equipped to do their own printing. Press foreman Jon Moran and publisher Scotty Moore operate the press. Sections for the centennial paper were printed over a period of several weeks and combined in the special issue.

"The long, hard hours Susan and Jon put in greatly contributed to the success of this project," Moore said. "We would also like to thank individuals and organizations who provided information for the issue and our advertisers for their participation."

This award is the third TPA recognition for the Moores. A 1983 centennial edition of The Texas Mohair Weekly, Rocksprings, was second in its category. The Crockett County News, Ozona, received a first place for photography in 1987.

## America's Most Wanted TV crew in town

A crew from the television program *America's Most Wanted* was in Ozona June 25 filming a segment on a missing Washington woman.

Patricia Candace Walsh was last known to be traveling with a man found murdered in Crockett County

## Hospital board votes to hire administrator

Crockett County Hospital and Care Center board members voted last week to hire Gerard Phillips III of Stephenville as administrator. Their action will be subject to approval by county commissioners at a meeting called for Wednesday morning.

Several prospective administrators have been interviewed by the board according to Martha Gries, board president.

Phillips, a native of Kentucky, has been employed as a nursing home administrator in DeLeon, Stephenville, and Brownwood.

## Auto accident fatal to Lopez

Lonnie Lopez was killed Thursday morning about 12:55 a.m. when the pickup he was driving struck a tree in a yard at Fifth Street and Hwy. 163.

DPS Trooper Richard Barton said Lopez apparently lost control of the pickup as he swerved to avoid colliding with a legally parked vehicle. The pickup jumped a curb, struck the tree and came to a stop against a house.

He was not wearing a seat belt, Barton said.

Lopez, 52, was a native of Ozona and owner of Lonnie's Contracting.

Jan. 21, 1990. The identity of the victim was not known until mid-May of this year.

Stephanie Walsh, mother of the missing woman, was here during the filming. Segments were done at the location where Douglas Zyskowski's body was found three miles east of the Pecos River along I-10 and at the office of Sheriff Jim Wilson.

Zyskowski and Miss Walsh left Normandy Park, WA, in November of 1989, traveling as evangelists of

The Everyday Church. They were last heard from when Zyskowski called his parents from El Paso in mid-January of 1990.

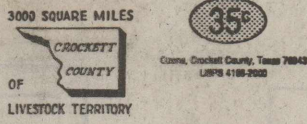

Miss Walsh is described as a white female, age 24, 5'7", 150 pounds with blue eyes and red hair.

In addition to assisting with the Walsh program, Sheriff Wilson provided the film director with information on the Dean Phillips murder. "The program is very interested in doing a segment on the Phillips murder," Wilson said.

Brothers James Lee Nelson Jr. and Robert Nelson were named most valuable players for the baseball tournament held in Ozona June 19-20. James was selected from the Senior League All-Stars and Robert from the Major League All-Stars. They are the sons of Connie and James Nelson. Mr. Nelson said this was the best Father's Day present he has had.

## Hyde services held June 24

Charles D. (Jack) Hyde, age 63, of Ozona died Monday June 22, 1992, at his residence.

Funeral service was held at 10:00 a.m. Wednesday, June 24, at the Ozona First Baptist Church with burial at 4:00 p.m. in Sunset Cemetery in Mountain Home directed by Preddy Funeral Home.

Jack was born May 28, 1929, in Junction. He was raised on the Y.O. Ranch near Kerrville where his father, Clarence Hyde was ranch manager for 38 years. When Clarence retired Jack took over for the next four years. Jack left the Y.O. and ranched in several places including Johnson City and Raymonville before returning to Kerrville to enter into law enforcement. In 1964 Jack and family moved to Ozona where he was a deputy sheriff for Crockett County for many years. He opened Jack's TV and Radio in September of 1971. Jack retired in 1988 and sold his TV repair business. The last few years he enjoyed traveling, doing wood work and working in his yard.

Survivors included his wife; Thelma Hyde of Ozona; three daughters, Mary Jo and Mike Jernigan of Iraan, Ann Giardini of Ft. Stockton, and Jackie and John Edwards of

Stephenville; two aunts and one uncle, Nona and Ralph Bulkey of Junction and Dorothy Hardy of Ingram; six grandchildren, numerous cousins and a wonderful friend, Elvira Vasquez.

Pallbearers were Jim Wilson, Von Parker, Bill Wright, Jody Cannon, Mutt Carnes, Manuel Hartnett and Jerry Kemp.

Honorary pallbearers were Dr. Robert Milne, Jim Jenkins, Jr., Jack Hinton, Lynn McCarty, Cliff Williamson, Freddie Duderstadt, Bob Lord and John Kelley.

## Alonzo Lopez buried June 27

Alonzo (Lonnie) Lopez, age 52, of Ozona died Thursday, June 25, 1992.

Funeral service was held Saturday, June 27, 1992, at Our Lady of Perpetual Help Catholic Church. Burial followed in Lima Cemetery under the direction of Preddy Funeral Home.

Lonnie was born June 1, 1940 in Ozona and was a lifetime resident. He was the owner/operator of Lonnie's Contracting.

Survivors include his wife, Al-

icia Lopez of Ozona; two daughters and sons-in-law, Aileen and Jeff Ingraham of Arlington and Annalu and Dave Suddreth of San Antonio; two sisters, Concha Zapata and Juanita Gutierrez, both of Ozona; three brothers, Thomas Lopez of Sacramento, CA, Carlos Lopez of Ozona and Justo Lopez of Andrews; two aunts, Chita Cisneros and Lee C. DeHoyos, both of Ozona.

Pallbearers were Hector Gutierrez, Jose Luis Gutierrez, Heriberto Gutierrez, Eric Lopez, Philip Zapata and Paul Zapata.

## Letter to the Editor

The Emergency Room at Crockett County Hospital is here for those patients who have a need. The emergency room sees very critical patients which are true emergencies. Also seen are minor emergencies which may not be a lifethreatening situation but need immediate care.

When a patient presents to the ER, information is taken about their situation and vital signs taken and the physician on call is notified and orders received.

There are some situations where the patient may be asked to return during clinic hours, for example, colds or tetanus injections.

Please be aware that the emergency room is staffed with professionals to render services as needed.

We believe that the patients and their care are of most importance. Crockett County Hospital

## ★ Sheriff's Report ★

WEEK ENDING 6-30-92  
ARRESTS:

6-24 A truck driver hauling new cars across country reported four men hiding in one of the vehicles on his trailer. Sheriff's deputies arrested four illegal aliens and turned them over to Border Patrol.

6-24 23-year-old Jose Ramirez Villarreal of Ozona was arrested on charges of public intoxication and possession of marijuana. This resulted from a disturbance at Kwik Marc. Villarreal pled guilty to the public intoxication charge in JP Court. The drug charge will be tried in county court.

6-27 39-year-old Douglas B. Howard of Stamford was arrested on traffic warrants out of Jones County. He was released after paying his fine.

6-28 33-year-old John David Hohertz of Ozona was arrested on charges of felony possession of marijuana. The arrest was the result of the execution of a search warrant at Hohertz' residence in Crockett Heights. He was released on bond the following day. The case will be referred to the Crockett County grand jury and tried in district court.

6-29 33-year-old Ernesto G. Martinez of Ozona was arrested in Jordanton on Crockett County warrants charging him with contempt of

court in district court. The offense grew out of a child support matter.

6-29 41-year-old David Lee Schiller of Austin was arrested on charges of driving while intoxicated. The case will be tried in county court. He is currently in county jail.

### INCIDENTS:

6-23 Sheriff's deputies are investigating a reported fight between a Midland and a Dallas man. Each wanted to file charges on the other following fight on Hwy. 137. The dispute occurred over a disagreement over an oil lease. The Sheriff's Department has recommended to the county attorney that both men be charged in the disturbance.

6-28 Sheriff's deputies, assisted by THP, executed a search warrant at the Johnny Hohertz residence in Crockett Heights. Officers found approximately one pound of marijuana at the residence. Hohertz was placed in county jail on a charge of felony possession of marijuana. On June 29 Hohertz posted bond and was released. The case will be tried in district court.

6-29 Sheriff's deputies are investigating the report of an assault on Santa Rosa Street. A 16-year-old girl reported that she was hit on the head by a suspect. It is anticipated that criminal charges will be filed in this case.

## Miss Stockton, Mr. Adams wed in Coppell

Marla Janene Stockton and David Michael Adams were united in marriage Sunday, June 7, 1992, in Historic Round Grove Church at Coppell. Rev. Byron Wells performed the ceremony.

Parents of the couple are Ms. Carole Ann Stockton of San Angelo, W. D. Stockton Jr. of Menard and Mr. and Mrs. Jack Adams of Ozona.

Honor guests at the ceremony were the couple's grandparents, Mr. and Mrs. W. D. Stockton Sr. of Menard and Mrs. Barbara Breisacher of Florida.

Special music was performed by Mary Ann Watkins at the piano and Gary Davis who sang "Forever's As Far As I'll Go".

Vows were spoken before an altar centered with a massive crucifix. Two arched candelabrum decorated with gardenias and greenery held glowing tapers. An arrangement of spring flowers in white, pink and blue was placed on the piano. Each pew was marked with a pouf of white tulle tied with Battenburg lace and pink satin.

The bride was given in marriage by her father. She wore a satin gown with V-necked bodice covered in lace. Pearls, iridescent sequins and beads embellished the lace and the scalloped hemline. The bodice back plunged to a butterfly bow. Full, puffed sleeves were gathered at the elbow to fitted lace sleeves extending to points. The

were pink rosebuds with baby's breath. Lighting candles and ushering guests were Gary Davis of San Angelo and Ty McKinney of Fort Worth.

G. L. Bunger of Ozona, nephew of the bridegroom, was ringbearer.

Upon entering the sanctuary, the bride presented her mother with a long-stemmed pink rose. As she left the altar with her bridegroom, she gave a rose to his mother.

The marriage was announced to the community by the bridegroom with the traditional ringing of the bell in the church foyer.

For her daughter's wedding, Ms. Stockton chose a V-necked dress of multi-colored flowers on a black background.

Mrs. Adams wore a black and white dress with a wide collar, V-neck and puffed sleeves. Corsages of pink roses were worn by the mothers and grandmothers.

A reception followed at the church.

The bride's three-tiered cake was topped with large confectionery roses. The cake layers were of white almond, Italian cream and white chocolate. The three-layer bridegroom's cake was of German chocolate, chocolate mousse and double chocolate fudge.

Both cakes, chocolate dipped strawberries, brown and white cookies and mints were served from a rectangular table covered with a floor-length white cloth. The pink overlay, which was topped with white lace, was caught at the center with a tulle bow. The bridal bouquet decorated the table.

A side table held finger sandwiches, shrimp mousse, Swedish meatballs, cheese, crackers, fresh vegetables and fruit with dips, coffee and champagne punch.

Serving were: Mrs. Kevin Carswell of San Marcos and Ms. Sissy Evans of Bay City, sisters of the bride, and Mrs. Mike Rich of Artesia and Mrs. Louis Bunger of Ozona, sisters of the bridegroom. The wedding was coordinated by Mr. and Mrs. Jon Adams.

Jamie Rich of Artesia, NM, niece of the bridegroom, distributed rice bags as the couple left the church.

A rehearsal dinner was held at Gibbs Station in Coppell. Guests were served lasagne, salad, garlic bread and strawberry shortcake.

The couple is at home in Longview where he is employed by Halliburton.

## Country Club Bridge News

Mary Clayton was hostess for Country Club Bridge on June 25 when Marolyn Bean won high score. Jonesy Williams won second high score. Consolation went to Mary Friend and Emma Adams won bingo.

Other players included: Celia West, Eileen Childress, Rachel Childress, Peggy Hagle, Sophie Kyle, Catherine Cahal, Ruth White, Louise Bunger, Mary Jo Mason, Jean North and Benny Gail Hunnicutt.

## Snips, Quips, and Lifts

by Lottie Lee Baker

Every accomplishment, great or small, starts with the right decision: "I'll try".

The trouble with America today is that all the stupid people are cocksure of everything and all the intelligent people are full of doubt.

Anybody who thinks the United States isn't still the land of promise just hasn't been listening to the political speeches.

A good American looks up to nobody, looks down on nobody, but looks straight into the eyes of everybody.

You can't choose your ancestors, but that's fair enough, they probably wouldn't have chosen you.

Striking while the iron is hot may be all right, but don't strike while the head is hot.

Anger makes your mouth work faster than your mind.

The world's most unsatisfied hunger is the hunger for appreciation.

In an argument the best weapon to hold is your tongue.

Trouble and weeds thrive on lack of attention.

Nothing intoxicates a person more than a sip of authority.

A man called his car Abe because it was a Lincoln.

Automobiles wouldn't be so dangerous if the horsepower of the engine was proportioned to the horse sense of the driver.

Nowadays it is easy for a bachelor to stay single. Every time he turns his TV on he hears that most women have stringy hair, rough red hands, bad breath and are overweight.

There's a bank that has a "western window" for those who are quick on the draw.

Being prosperous means your credit is good enough to borrow money at the bank.

## Comfort Inn-Rio's Cafe to open

The grand opening of Comfort Inn and Rio's Cafe July 3 gives invited guests an opportunity to tour the

completely renovated motel and restaurant. Sen. Bill Sims is special guest for the event.

Directors of Ozona Chamber of Commerce will hold ribbon cutting ceremonies at the motel and restaurant.

Formerly known as Ozona Inn of the West, the facility was purchased by Gopalkrupa, Inc. in September of 1991. J. R. Bhakta is president and major shareholder of the corporation. He will serve as general manager of Comfort Inn. Bhakta also owns and operates the DayStop Motel.

The two building complex has undergone extensive renovation. "Except the inside and outside walls, everything has changed," Bhakta said. Renovation began in December. New roof lines and paint have changed the appearance of the exterior.

The 50-room motel has two rooms for handicapped guests. There are 24 rooms with king-size beds, 22 with queen-size beds and four with three queen-size beds. Some rooms have writing desks and 25" televisions while others have writing tables and 20" televisions. There are 17 non-smoking rooms. All accommodations have FAX and computer hookup lines. Doors are operated with card locks.

Guest rooms are tastefully decorated with floral bedspreads complementing the colors in the carpet.

A meeting room adjacent to the restaurant will seat 75. The motel also has a laundry for use by guests.

A three-year improvement plan for the motel includes development of a walking trail in a natural area which is part of the property.

Comfort Inns are inspected four times a year for quality control purposes, Bhakta said. Comfort Inns are part of a chain which includes Friendship Inns, Quality Inns, Sleep Inns, Roadway Inns and EconoLodges. The Ozona Comfort Inn will be linked through a reservations computer center with the chains' 2,800 hotels worldwide.

Rio's Cafe at Comfort Inn is leased from Gopalkrupa, Inc. by Joe Tobar. Mr. and Mrs. Tobar will open the restaurant to the public July 4.

The centerpiece of the restaurant is a Texas-sized salad bar and buffet in the former coffee shop area. The dining room will accommodate 84 with additional seating for eight in the buffet area.

All the kitchen appliances and equipment have been replaced, said Tobar. Mr. and Mrs. Tobar will cook for the restaurant, featuring an all you can eat buffet lunch Sunday through Friday. The restaurant will be open from 6 a.m. to 10 p.m. seven days a week.

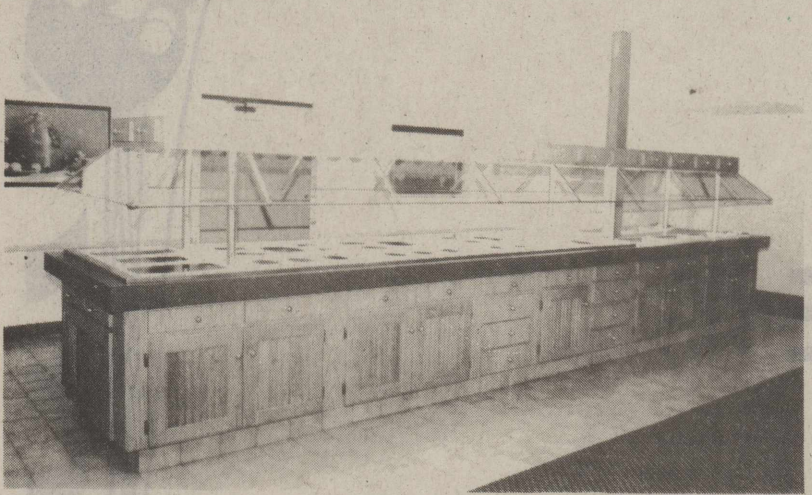

The July 4 opening of Rio's Cafe is especially exciting to Tobar. He opened his first restaurant, El Chato's, in Ozona 23 years ago on July 4. "I started with \$200," Tobar recalls. He now owns El Chato's in Big Lake and Crane as well.

The motel lobby and restaurant are decorated in a blue/gray color scheme with rose accents. A navy blue carpet with touches of gray and tan is used throughout. Restaurant chairs are covered in a dark blue fabric and table tops are rose Formica with cedar edging.

The alternatives are not happy ones. Cut costs, limit student enrollment or raise more revenue from other tax sources. None of the options is painless. Significant cost reductions, for instance, would mean a direct hit on salaries and personnel, the *Fiscal Notes* article said.

Comfort Inn will hold a grand opening June 3. Invited guests will be given a tour of the extensively remodeled 50-room motel and lobby following a ribbon cutting by directors of Ozona Chamber of Commerce and general manager J. R. Bhakta. Sen. Bill Sims is honor guest for the grand opening.

This Texas-sized salad bar and buffet is the showpiece for Rio's Cafe opening July 4 at Comfort Inn. Mr. and Mrs. Joe Tobar, owners of El Chato's, will operate the restaurant.

## Comptroller Sharp says college degree best buy

AUSTIN—"A degree from a Texas college or university continues to be one of the best buys in the country," State Comptroller John Sharp said.

"Historically, tuition and fees at Texas colleges and universities have been lower than in most other states and this remains the case even with the 20 percent jump in tuition rates scheduled when classes begin this fall.

"Although the new \$24 per semester hour cost is an eight-fold increase over tuition levels in 1984, in the 1991-1992 school year Texas still ranked 48th in the nation with an average \$1,275 in tuition and fees paid by in-state students at four-year public institutions," Sharp said.

"Texas ranked among the lowest in tuition of the 10 most populous states. Even out-of-state students who study in Texas receive a bargain. The average \$4,788 in tuition and fees paid by non-resident students ranked Texas 42nd nationally, the lowest of the 10 most populous states," Sharp said.

The latest issue of Fiscal Notes, a publication of the Comptroller's Research Division, explores the costs of attending state colleges and universities. Effective this fall, the Texas Legislature has ordered an acceleration of tuition rate increases which began in 1985. Tuition rates are scheduled to reach \$32 per semester hour in the fall of 1996.

In the recommendations made by the *Texas Performance Review* to the Legislature last summer, Sharp proposed that colleges and universities use local sources of funds to offset higher operating costs.

It has been estimated that Texas colleges and universities have accumulated more than \$2 billion in these discretionary funds.

"Twenty-one states this year had double-digit increases in tuition, the biggest hikes since 1982. The magnitude of some tuition increases is staggering. At the University of California, tuition fees rose 40 percent last year and are expected to rise another 22 percent next fall to an average \$4,046 per student," the *Fiscal Notes* article says.

"Tuition rates increased by as

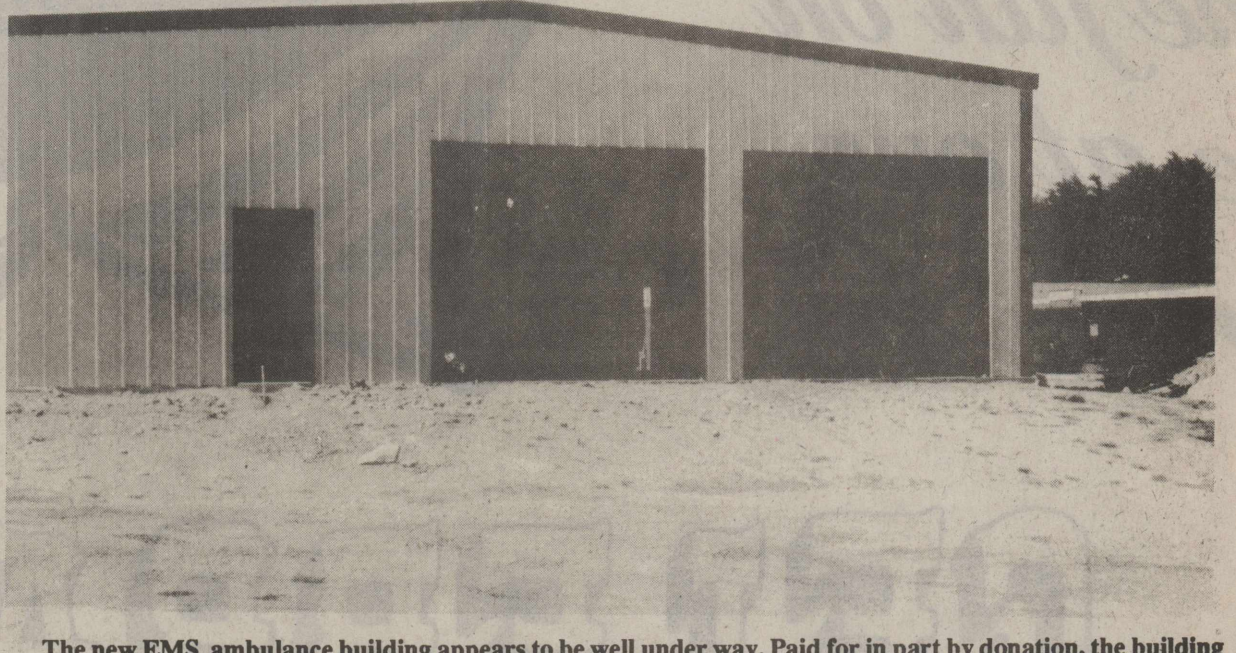

much as 29 percent in Connecticut, and rose 15 percent in Florida after students paid a 10 percent increase the year before. In Texas, annual tuition for undergraduates at the state's four-year institutions will climb to an average \$720 this fall, and mandatory fees, including student services and building use charges will add up to about another \$500," the report continues.

"Regardless of how you look at it, Texas colleges and universities remain among the least expensive in the nation. College cost in the U.S. range as high as New Hampshire's 1991-92 rates for out-of-state students—an average \$9,840 for one year of study, up 30 percent from 1989," Sharp said.

The report also pointed out that Texas does enjoy one unusual advantage. The Permanent University Fund, a trust fund based on land and mineral holdings, provides almost 7 percent of current biennial appropriations for higher education. With a market value of \$3.9 billion, the fund is the largest public university endowment in the country.

The exact proportion of costs that students at state-supported colleges and universities should pay is the subject of considerable debate in legislatures across the nation. As it becomes more difficult for state governments to operate within existing revenues, pressure grows to increase college tuition.

The alternatives are not happy ones. Cut costs, limit student enrollment or raise more revenue from other tax sources. None of the options is painless. Significant cost reductions, for instance, would mean a direct hit on salaries and personnel, the *Fiscal Notes* article said.

The new EMS ambulance building appears to be well under way. Paid for in part by donation, the building will have a meeting/training room in addition to housing ambulances.

## Falling behind Indictments handed down

Texas' Hispanic population continues to grow, but the proportion of students from this minority enrolling in college hasn't changed much in a decade.

It's true that larger numbers of Hispanics are going on to college. Latest figures show 61,287 Hispanic students enrolled in Texas public universities compared with 58,765 a year ago. As a percentage of the total Hispanic population, however, the number is dwindling.

Grandchildren of Mexican immigrants to Texas are getting less education than their parents, according to Dr. Jorge Chapa, a professor at The University of Texas at Austin Lyndon Baines Johnson School of Public Affairs. A breakdown of data by age, sex and generation reveals this picture:

Second-generation Mexican-Americans attain higher levels of education than the first, but the third generation fails to reach the levels of the first.

Dr. Chapa says these younger "Latinos are not catching up educationally, and in some cases, they are falling behind."

A Crockett County Grand Jury handed down the following indictments when it met June 15-16:

Albert Sifuentes Borrego, felony driving while intoxicated

Adolfo Pedro Rodriguez, felony driving while intoxicated

Robert Yruegas Ybarra, possession of a controlled substance, cocaine, less than 28 grams

Gray R. White, theft by check of at least \$750 but less than \$20,000

Jesus Tellez Contreras, aggravated robbery

Robert Edward Garza, aggravated robbery

Freddy Ybarra, unauthorized use of a motor vehicle

Juan T. Villarreal, felony driving while intoxicated

Michael Vitela, aggravated assault

Carlos Martinez, driving while intoxicated

Michael James Thornton, possession of a controlled substance, methamphetamine, less than 28 grams

Alexander Villegas, felony driving while intoxicated

Gary Alan Ebeck, criminally negligent homicide

Raymundo Borrell Villarreal, burglary of a building, five counts

Michael Flores, burglary of a building, two counts

Luis Robert Perez, unauthorized use of a motorvehicle

Luis Robert Perez, aggravated assault, two counts

All News Classified & Display Ads Must Be in Our Office By 5 P.M. Monday For Publication In The Ozona Stockman On Wednesday.

Chosen as Garden of the Week is the yard at the Jack Brewer home at 1205 Owens. The award is given by Ozona Garden Club honoring colorful, attractive and well-kept yards. There are caladiums, geraniums and impatiens planted at the home. A natural area to the west of the formal yard has plumbago, Mexican sage and cactus under oak trees.

## WTU offers \$25 million of first mortgage bonds

West Texas Utilities Co. sold \$25 million of 7-3/4% first mortgage bonds due June 1, 1007, to underwriters in a negotiated offering. The proceeds from the sale of the bonds will be used to refund \$25 million of 9-7/8% bonds due May 1, 2009.

According to Paul Douty, WTU's

vice president of finance, this transaction will produce over \$2.5 million of total savings for WTU which will help keep the company's costs down.

Morgan Stanley & Co. Incorporated is lead manager for the offering with Smith Barney, Harris Upham & Co. Incorporated as co-manager. The

bonds are offered to the public at 99.329% to yield 7.826% to maturity. The proceeds to WTU were 98.579%, resulting in a cost of money of 7.913%. The new bonds are rated Aa2 by Moody's, AA-by Standard & Poor's and AA by Duff & Phelps' bond rating services.

WTU provides electric service to approximately 179,000 customers in a 53,000 square-mile area of central and west Texas. The company is a wholly owned subsidiary of Central and South West Corp., which is a public utility holding company based in Dallas.

## Mammograms given here July 2

A breast cancer detection unit will be at Crockett County Hospital Thursday, July 2, from 3 until 7 p.m.

The charge for the screening mammogram is \$65, but qualified Medicare patients pay only \$11. The unit accepts cash, check, Visa, Mastercard and American Express.

According to the American Cancer Society, one out of 10 women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that more than 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A

woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

## Attention 1982 graduates

The Ozona High School Class of 1982 will have a reunion the weekend of July Fourth. The reunion kicks off with an ice cream social for the whole family at 1 p.m. Saturday at the rodeo grounds park. (If there are any teachers brave enough to attend, please do so.)

There will be a dinner and dance for adults at 6:30 p.m. at the Hitchin' Post.

Class members and their families will end the get-together Sunday morning at 10:30 at the rodeo park.

For more information, contact Kim Buie Miller at 949-8328 or Kathy Weant Morris at 392-2141. If no answer, please leave a message.

Returning last week from Walt Disney World in Florida were Sue Arledge of Pandale, Debra and Jodye Brown of Pumpville and Marandy Keith of Ozona. The four enjoyed the sights and sounds of MGM Studios, Magic Kingdom, Epcot Center and were overwhelmed by the ingenuity, creativity and realism of the exhibits and rides. A side trip to the towns of Cape Canaveral and Cocoa Beach and a splash in the Atlantic Ocean concluded the trip.

Any party which takes credit for the rain must not be surprised if its opponents blame it for the drought. -Dwight Whitney Morrow

## Chamber coordinator attends school

Nancy Moore, coordinator of the Ozona Chamber of Commerce recently completed a week-long program of study at the Institute for Organization Management at the Southern Methodist University. The Southern Methodist Institute is one of seven similar educational programs for managers of non-profit organizations held at leading universities across the country.

The Institutes are designed to help the managers and staff of chambers of commerce and trade and professional associations to improve their knowledge and skills. Management and operations of these voluntary organizations differ in several respects from those of for-profit businesses. The highly-regarded educational program was started in 1921.

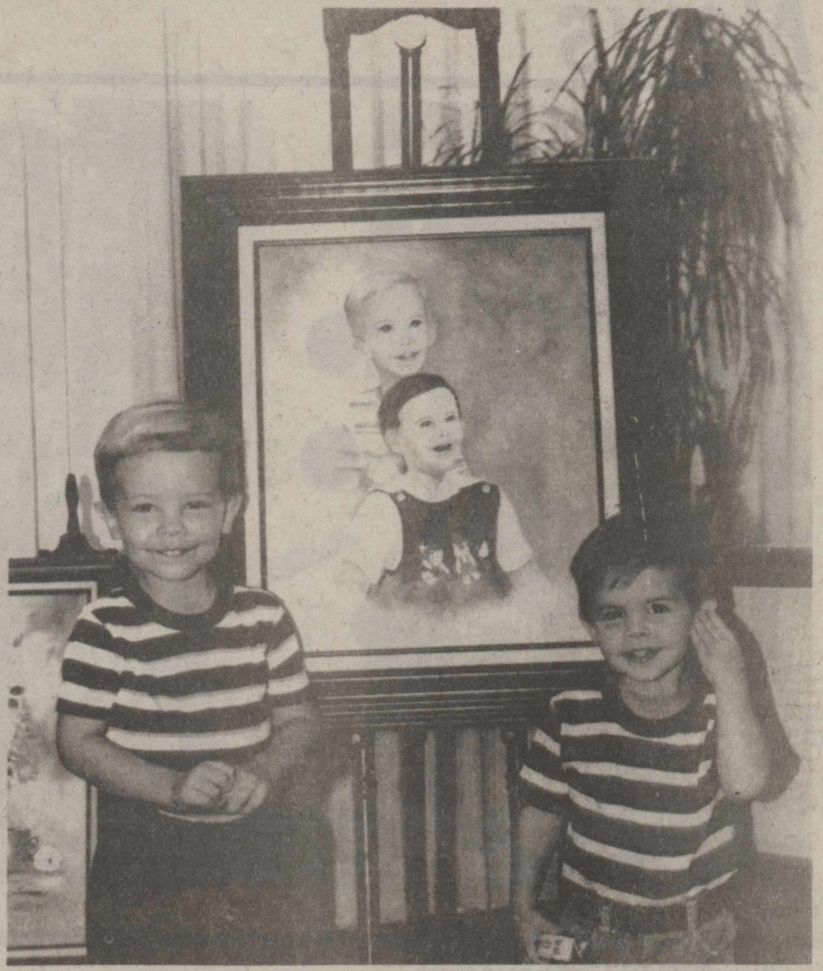

The Institute is a one-week-per-year, six-year-long work/study program. Participants use the time between annual sessions to implement on-the-job what they have learned and to prepare for the next session. The program is highly regarded, and academic credit is offered to those who complete the full course.

A rigorous program of advance study and testing is required and attendance is mandatory at all classes in order to gain credit. Courses cover such specialized subjects as government relations, management philosophy, interpersonal relations, volunteer recruitment and training and economic and environmental concerns.

Faculty for the program are chosen from universities nationwide, from executives in the work, and consultants with specialized chamber of commerce and association management skills. Instruction in the program of study is considered unique for its depth and range of knowledge and experience.

The program is produced by the Center for Leadership Development, an educational foundation of the U.S. Chamber of Commerce in Washington, D.C. More than 2000 individuals participate in the program each year. Other universities that host Institutes are the University of Notre Dame, University of Georgia, the University of Colorado, Stanford University, University of Delaware, and the University of Oklahoma.

Your news is always welcome at The Stockman. Call 392-2551 to share those special events.

Levi and Ethan English proudly pose with their grandmother's portrait of them. The portrait was done from a photo of the boys a year younger than they are now.

## Artist shares work through library exhibit

An exhibit by Beverly Dennis of Christoval is on display at Crockett County Public Library. The paintings will remain at the library until August 1.

Mrs. Dennis has a studio in Christoval where she has lived since 1975. She always enjoyed drawing and became inspired to paint when a friend, Delilah Mary Thompson of Rochelle, gave her an oil painting set. She began with small brushes and through the years has added larger brushes and

pallet knives as part of her equipment.

A great-uncle, Vess Prickett, was an artist of note in Montana, Mrs. Dennis remembers. He studied in Paris, then returned to Montana to paint.

Among the pictures exhibited at CCPL is a portrait of grandsons Levi and Ethan English, whose parents are Ben and Cathy English. In addition to having her daughter live in Ozona, Mrs. Dennis also has a brother, Jamie Knox, here.

## Ozona shoot a success

The Ozona Trap and Skeet Club shoot held Saturday at the club range northwest of town was a big success according to Frank White. Ten competitors from Sonora, Ozona and San Angelo participated.

The club plans to hold more shooting competition meets in the future.

## Hood on honors list

Bret Hood has been named to the President's List at Hardin-Simmons University for the spring semester. Students must attain an A on 12 or more hours of work to be named to the President's List.

He is the son of Mr. and Mrs. Gene Hood of Ozona.

Ozona Intermediate School students with a perfect attendance during summer school were rewarded Friday with a visit to the snow cone truck.

## The economy cannot improve until the job picture gets better, Nabers said

The economic picture in Texas is absolutely flat," Commissioner Mary Scott Nabers said recently as the Texas Employment Commission released the state's monthly jobless statistics for April. The report placed Texas' unemployment rate at 7.4 percent—exactly the same as last month.

"Our job growth is down considerably from previous years," Nabers said. "That was our concern last month when less than half as many jobs were created compared to one year ago. It remains our greatest concern this month as we compare all the way back to 1990 and realize that we are adding only about half as many new jobs as we did during this time period in 1990. That is definitely not good!" she said.

There are two other areas of grave concern, according to Nabers. Wages are losing ground to inflation and the state is seeing most job growth in the lower paying industries. "If this continues, and the trends are well-established, the standard of living for all Texans will ultimately drop," she said. "With wages slipping because of inflation increases and upper level jobs being eliminated, the economy is

being negatively impacted. Add to that the fact that the majority of new jobs being created are low-paying ones, and you have a triple hit to the economy," she said.

The TEC has reported that statewide the occupations adding the most jobs between 1980 and 1990 was a category called Janitors and Cleaners. All average weekly wages when adjusted for inflation have decreased since 1984 statewide. "We have our work cut out for us in the area of economic development," Nabers said. "Our economic prosperity as a state is tied to jobs."

In April of 1991, the Texas unemployment rate was 6.9 percent and that was up from just over 6 percent in 1990. "Considering those rates, this month's rate of 7.4 percent is not only flat, it is also high," Nabers said. The national unemployment rate is 7.1 percent.

Approximately 648,000 Texans are officially out of work. That number does not include individuals who are no longer seeking work or those not registered with the Texas Employment Commission.

The largest growth was recorded

in eating and drinking establishments and construction. Labor market analysis report that such trends are seasonal.

There was no firm pattern to unemployment changes among the 27 Metropolitan Statistical Areas for which data are currently available. None of this month's changes in unemployment were significant. Ten areas had April rates that were moderately lower than March rates; nine areas had higher rates in April; and the remainder were unchanged from March to April.

Areas with the lowest unemployment rates in April were Bryan-College Station's 3.5 percent, Austin's 4.9 percent, Amarillo's and San Angelo's 5.7 percent, and Abilene's 6.0 percent rate.

Metropolitan areas with the highest rates in April were McAllen-Edinburg-Mission at 16.3 percent, Brownsville-Harlingen at 12.4 percent, El Paso at 10.7 percent, Corpus Christi at 9.9 percent, and Odessa at 9.8 percent.

## Texas Department of Health curbs sales of 'herbal' pills

Some of Texas' most ardent drug abusers may be better known for their prize-winning pies than for underworld connections.

The users and sellers of a so-called herbal medicine, pea-sized black pills called...among other names..."Chuihong Toukawan", "Black Pearls," "SanKee" and "Mother Nature's Finest" often are senior citizens.

According to investigators at the Texas Department of Health (TDH), the pills can be deadly poison to the user. Sold as an all-herbal Chinese pain remedy, the shiny pills contain an unapproved combination of at least four prescription drugs, and potentially lethal impurities such as lead and cadmium.

Lab analysis shows that among the substances in the pills are: diazepam (Valium), a powerful tranquilizer, hydrochlorothiazide, a diuretic; indomethacin, an anti-inflammatory analgesic; and mefemic acid, another analgesic.

The 60-pill baggies carry no warning labels, although the amount of Valium in one pill taken in combination with one beer might be fatal to the consumer, according to Ken Davis, chief compliance officer for the TDH

Division of Food and Drugs. Other ingredients can dangerously increase blood pressure or adversely react with lawful medicine the user might be taking.

"One of the obstacles in stopping smuggling and sale of this drug is that many of its users are unaware even that it is illegal, much less that it is harmful," Davis said. "Until about four years ago, health food stores and private citizens selling to their friends usually were the main suppliers," Davis said.

Since the pills were touted as cures for arthritis, rheumatism and other illnesses common among the elderly, older people were among the first to popularize the pills. According to Davis, users often enjoy feelings of euphoria caused by the large doses of Valium, as well as pain relief. "Some say they have not felt so well in years, and even discontinue legitimate prescribed medications. Since Valium can be addictive, some users have become dealers to their friends...even after learning the pills' dangers just to pay for their own pills."

Davis said that state and federal authorities now believe Chuihong or similar products have been quietly sold in the US. for perhaps 30 years. "It

wasn't until 1988, when TDH led to a crackdown on the pills that we learned how widespread the distribution was," Davis explained.

Repeated raids on distributors have netted dozens of arrests and seizure of thousands of the illegal pills.

"We (TDH) were the first state agency to successfully prosecute a major distributor, in 1990. An Amarillo dealer is now serving 20 years and has paid a \$10,000 fine for possession and distribution of 'Mother Nature's Finest' in the Panhandle," he said.

Because of TDH's experience in curbing abuse of the black pills, other states as well as federal agencies rely on Davis and his colleagues for aid in their own investigations.

"We know we have hurt the distributors of Chuihong," Davis said. "Not only are the pills harder for us to find, the black market price for them has jumped in four years from \$18 a bag to more than \$60."

He added, however, that stopping the open sales of the pills may have been the easy part of protecting the public from Chuihong Toukawan. "Tracing the distribution routes for the pills and cutting them off outside the country is more than we can do from the state level. Until the federal government can stop the flow into the country, we are going to have to watch for its underground distribution in Texas."

## Big Bend top tourist destination

Big Bend National Park topped the list of visitor attractions in Texas, according to the Spring Texas Auto Visitor Survey released by the Texas Department of Transportation.

Although Big Bend has been ranked first for the past three months, the Alamo still maintains its lead as the state's top attraction.

"The U. S. Travel Data Center is forecasting a nationwide four percent increase in travel compared with 1991; however, Texas may expect a bigger increase," said Milton Meharg, director of Travel Services with the Texas Department of Transportation.

"Right now, our Texas Travel Information Centers are showing an increase of almost eight percent in visitors compared to last year," he added, "and since January, more than 26,000 inquiries have been answered on the TxDOT's toll-free telephone number."

Meharg continued that the Texas travel industry is gearing up for even more visitors to the Lone Star State. "With the opening of Fiesta Texas, and the multimillion dollar improvements to Six Flags, AstroWorld, and Sea World, we have a lot more to offer visitors this year," he said, "and in the fall we expect big things with Space Center Houston's grand opening."

Scenery, friendliness, and good

highways consistently rank highly when visitors list what they liked about Texas. "You know, it makes TxDOT extremely proud to see 'good highways' high on the list," said Meharg.

According to the survey, the top 10 destinations for the spring included Big Bend National Park, the Alamo, the San Antonio River Walk, the State Capitol complex, Fort Davis National Historic Site, the Lyndon B. Johnson National Historical Park, the LBJ Library and Museum, San Antonio Missions and McDonald Observatory.

San Antonio continued to be the number one city destination this spring, followed by Austin, Dallas, El Paso and Houston.

Free travel services are available daily beginning at 8 a.m. at 11 travel centers around the state, or by calling 1-800-452-9292.

New officers of Masonic Lodge #747 were installed Friday night in the Crockett Room. Standing are: Harold Shaw, Master of Ceremonies; Freddie Nicks, Tiler; R. L. Brown, Master of Ceremonies; Charlie Sanders, Senior Steward; Shane Fenton, Junior Deacon; Rex Fenton, Senior Deacon and Graham Childress, Past Grand Master of Texas and installing officer. Lodge officers seated are: Oscar Kost, Chaplain; Len Hillman, Secretary; Mike Sadler, Junior Warden; Al Bailey, Senior Warden; and Larry Hensley, Worshipful Master. Not present were Junior Steward Gus Robertson and Treasurer Don Long.

Mrs. Katharine Russell reads from the stories of Pooh Bear by James A. Milne during story hour at Crockett County Public Library Monday. After story time, the children went outside to watch beekeeper Dee Keilers take honey from a hive.

## Automobile accidents investigated

Fern S. Paulus of Nederland was the driver of a 1979 Cadillac involved in an accident in Crockett County June 17. The vehicle was east bound in the right lane six miles west of Ozona on I-10 when the accident happened at 7:40 a.m.

Investigating officer Richard Barton said Paulus swerved to avoid a rock thrown by the rear wheel of a semi-truck/trailer. The car veered to the right and hit two delineator posts. The driver pulled back to the left, overcorrected and went into a broadside skid off the roadway to the left and into the ditch.

Dorothy Rains Hilburn of Kerrville and Donald Ray McMahon III of

Mountain Home received incapacitating injuries in a one vehicle accident June 21 on I-10 24 miles west of Ozona.

Mrs. Rains apparently went to sleep while eastbound in the right lane of I-10, Trooper Barton said. The vehicle

veered off the roadway to the right. The driver awoke and overcorrected, then lost control of the car which rolled onto its roof. The vehicle turned onto its right side and flipped one and one-half times before coming to rest on the roof.

## Gasoline from Coal?

Research in progress at Texas A&M University may free the United States forever from dependence on foreign oil.

The Aggies have more than 300 rolls of microfilmed documents dealing with the experiments of German Nazis in producing gasoline from coal. The documents detail how Germany developed 25 synthetic fuel plants from 1936 to 1945 and were able to provide 90% of the aviation fuel needed in World War II.

A&M is the only institution in the world to have acquired most of the Nazi secrets to the manufacture of synthetic fuels.

## Written, signed hunting lease protects hunter and landowner

COLLEGE STATION—Although summer has barely begun, many hunters already are seeking landowners' permission to hunt on private property when deer season opens in November.

Permission is granted via a hunting lease, which may last for the entire season or for a few weeks or days. A lease may be an oral agreement, but this option is not recommended, says Judon Fambrough, an attorney and senior lecturer with the Real Estate Center at Texas A&M University.

"A hunting lease not only grants the hunter permission to enter a landowner's property, it sets the terms and conditions of entry and use," explains Fambrough. "Thus, the lease agreement should be written, read and signed by all parties to avoid potential

disputes."

While individual lease terms may vary, key issues should be addressed in all leases. Important provisions include types of weapons allowed, access to the land and lease price.

"Because landowner liability in Texas depends on the amount charged for entry in the lease, landowners may want to use a signed waiver from the hunter releasing the landowner from liability," says Fambrough. "However, the hunter must realize what rights are being given up and must grant the waiver willingly and intentionally."

Further details on arranging a hunting lease are given in Fambrough's *The Texas Deer Lease*, a 12-page publication from the Real Estate Center. The report, which in-

cludes a sample waiver form, is available for \$1 in Texas and \$2 out of state from the Real Estate Center, Texas A&M University, College Station, Texas 77843-2115. Request publication NR-570 and include \$1 handling charge per order.

For a sample copy of the waiver form only, send a stamped self-addressed envelope to the Real Estate Center at the above address.

The Real Estate Center was created in 1971 by the Texas Legislature to meet the needs of many audiences, including the real estate industry, instructors, researchers and the general public. The Center's comprehensive program of research and education yields publications, audiovisuals and computer software distributed widely under the slogan "Solutions Through Research."

## Pops concert marks July Fourth Celebration

The music of a symphony, the blast of cannons and the roar of fireworks will all highlight the sixth annual celebration of Independence Day on Friday evening, July 3, at the RiverStage in San Angelo. Once again the City of San Angelo and the San Angelo Symphony will join forces to present a 4th of July Pops Concert featuring the San Angelo Symphony and Chorale under the direction of Gene Chartier Smith.

The symphony is pleased to announce that Town & Country Food Stores has provided \$20,000 to be the corporate sponsor of this concert. For the third year in a row, Steve and Pollyanna Stephens and Town & Country Food Stores are presenting this gift to the people of the Concho Valley. "This is our opportunity to thank the people of this area for their support of our stores, and to express our patriotism for this great country we live in," said Steve Stephens. "In appreciation for the generosity of Town & Country, this year's event has been renamed Town & Country 4th of July Pops," stated Alicia Gibson, chairperson for this year's celebration.

"Our Town and Our Country" has been selected as this year's theme. Alicia Gibson together with her assistant Elizabeth McGowan and music director Gene Smith have worked hard to utilize the theme in the evening's events. The orchestra will perform works as diverse as "Bridge Over the River Kwai" and the city's own "San Angelo". Live cannon fire provided by the U.S. Army National Guard will

be featured during the 1812 Overture and the finale will include an exciting fireworks display set to music. Good-fellow Air Force Base will participate with a presentation of the state flags of America and a salute to all veterans of the armed forces.

The City of San Angelo is providing a free shuttle bus for people who park at the convention center. Concertgoers will be dropped off one block from the main entrance to the RiverStage. This entrance is a smooth, inclined walkway with no steps. A selected area will be roped off for the handicapped. Special parking and transportation will be provided by the city for the handicapped.

A limited number of chairs will be sold at \$5 a seat on the cement slab directly in front of the stage. Tickets

will go on sale Monday, June 15, at the San Angelo Symphony Office.

For the audience member who wishes to come early to select a spot at the RiverStage, a new feature has been added this year. A live band, "The Others" will perform from 6 p.m. The band is led by Dr. Pat Gibson and specializes in classic rock as well as country music. The San Angelo Symphony and Chorale concert will begin at about 8:30 p.m.

Gates at the RiverStage will open at 6 p.m. Food and drinks, provided by Henry's Diner and The Grubsteak, will be available for purchase. Families bringing their own picnic supper are asked to use non-breakable containers. For more information, please contact the San Angelo Symphony Office at 658-5877.

## McCord-Wade engagement announced

Mr. and Mrs. Lloyd McCord of Anson announce the engagement and approaching marriage of their daughter, Stacy, to Dennis Wade, son of Mr. and Mrs. Willie Schreffler of Wills Point and grandson of Bud and Mar-

garet Coates of Ozona.

The couple will exchange vows in Childress August 1 at 5 p.m. at the First Baptist Church. Friends of the family are invited to attend.

## Whitehead-Epperson announce wedding date

Kelly Whitehead of Sonora and William J. Epperson of Rocksprings will be married Sept. 19, 1992, at St. John's Episcopal Church in Sonora.

The bride-elect is the daughter of Mr. and Mrs. W. L. Whitehead of Sonora and the granddaughter of Mrs. Howard Espy of San Angelo, the late Howard Espy, and the late Mr. and Mrs. W. R. Whitehead of Del Rio.

The prospective bridegroom is the son of the late Mr. and Mrs. Tom

Walker Epperson of Rocksprings, and the grandson of the late Mr. and Mrs. Brown Epperson and the late Mr. and Mrs. James Leo Greer Sr. of Rocksprings.

Miss Whitehead is a 1988 graduate of Sonora High School and attended Abilene Christian University.

Her fiancé is a 1980 graduate of Rocksprings High School. He attended San Angelo State University and received a degree in finance from Sul Ross State University at Alpine.

### Card of Thanks

To our friend:

Thank you for your kindness, help and your caring for the three of us. We love you.

Lynett, Traci and Megan Bolinger

### Card of Thanks

I would like to thank the folks in Ozona for the kind expressions of sympathy, gifts and visits I received while a patient at Shannon Hospital following open-heart surgery. I'm especially grateful for all the prayers offered in my behalf. This certainly aided in my recovery. There are wonderful people in Ozona. God bless you all.

Sincerely,  
Mrs. John Bohannon

### Card of Thanks

We would like to express our deepest gratitude to all our friends and relatives for being there for us in the time of loss of our loved one, Ernest Lujan. Thank you for the food, flowers, calls and prayers from everyone during this time.

The family of Ernest Lujan,  
Nora, Stephanie, Yvonne and Robert LouRome

### Card of Thanks

I would like to thank the many friends and relatives who have been here for me following Jack's death. Bro. Bill Fuller for the lovely service, organist Marilyn Chalmers for the inspirational music, Harold Shaw who got the choir together and each and every choir member who sang so beautifully.

A special thank you goes to Manuel and Sharon Hartnett, Mena and Mutt Carnes, Jim Wilson, Zelma Johnigan and Von and Allie Mae Parker.

Thank you all for the dedicated prayers, and good food and lovely flowers. Your consideration and concern are greatly appreciated.

Sincerely,  
Thelma Hyde  
The Jack Hyde Family  
Mary Jo and Mike Jernigan

## It's a boy

Jesse and Margarita Deaton of DeBerry are the proud parents of a baby born June 17, 1992. The baby boy weighed eight pounds, five ounces.

Proud grandparents are Buster and Lou Deaton of Ozona and Al and Carol Bateman of Shreveport, Louisiana.

## Supper Bridge Club

Mr. and Mrs. J. B. Miller had three tables for the Supper Bridge Club at the Civic Center June 26. Winning high score were Mr. and Mrs. Billy Carson. Second high was won by Mr. and Mrs. Glenn Hagle and bingo went to Mr. and Mrs. Cap West.

Other players were Mr. and Mrs. Tim Brewer, Mrs. Catherine Russell, Louise Bunger, Georgia Kirby and J. B. Miller.

## Crockett County Care Center News

By JoAnne Marshall

Clock movements were mounted on a variety of shapes and styles of clocks in Monday morning's craft class. Residents were delighted with the results. Lovely geese or duck baskets were also completed. If you get the opportunity, come by and see our handiwork. We are proud of our creations.

A game of ring toss was played Monday afternoon. Florencia Porras was the high scorer. Juana Hernandez came in second.

Tuesday morning's bingo winners were: Hazel McDaniel, Joe Connolly, Frances Davis, Monnie Boyd, Juana Hernandez, Florencia Porras, Myrtle Post, Mildred Kirby, Moriana Perez, Jose Arredondo, and Jeff Owens. Much appreciated volunteers were: Sophie Kyle and Georgia Kirby. Thank you, ladies.

A combination Bible study-song service was held Tuesday evening with Bill Fuller of the First Baptist Church conducting the service. Maxine Brown played the piano. Thank you, Bill and Maxine. We enjoyed the service.

Gussie Ruth Schneider kept residents busy working on ceramic pieces during Wednesday morning's ceramic workshop. Southwestern pieces are still the most popular items. Thank you, Gussie Ruth.

A residents' council meeting was held Wednesday afternoon. The annual Fourth of July backyard picnic was among the activities discussed. A display of clocks and ducks was

shown.

Talented beauty shop volunteers using their creative abilities Thursday morning were: Joann Williamson, Jo Davidson and Jerri Pesson. Thank you, ladies.

On Thursday evening, residents were thoroughly entertained by the Levis and Lace Square Dance Club. Dancers performing were: J. D. and Lillian Brown, Myra and Otis Nester, Betty Allen, Gaylia Underwood, Carol Peek, Raul DeLaRosa, Leroy Adcock and Tabby and Ruthie Ewen. We would like to thank each and every dancer for sharing their time and talents with us.

Thursday afternoon, Spanish speaking residents attended the Spanish Hour of Praise. Members of Our Lady of Perpetual Help Catholic Church attending this special hour with us were: Alicia Perez, Paulita Leal, Anita Fierro, Maria and Nip Vitela, Herbierto and Lorenza Gutierrez, Felipa Munoz, Isabel Ramirez and Pablo Talamantez. We would like to thank them for coming.

Mildred Kirby came close to filling her piggy bank during Friday morning's bingo games. Other winners were: Frances Davis, Elvira Pena, Joe Connolly, Florencia Porras, Hazel McDaniel, Alma James, Laura Owens and Moriana Perez.

A table in the lobby was piled high with fresh fruit of all kinds for the residents to enjoy Friday afternoon. Our Fresher the Better party was a

huge success.

We would like to thank all those who attended our summer bazaar Saturday. We appreciate your stopping by.

Sunday's worship service was presented by members of Our Lady of Perpetual Help Catholic Church. We thank them for taking time out of their busy day to be with us.

### CALLING ALL HOME MAKERS

Brought To You By J.D. Brown

### ANOTHER DECORATING IDEA FOR YOU

From time to time in these columns, we bring you different decorating ideas -- including different ways to use furniture to get even more beauty and function in your home.

This week, we thought we'd bring you an idea for decorating around your sofa that many people don't often think of.

This particular idea is to use some kind of long table BEHIND your sofa. This can have some practical and attractive possibilities. For example, you can use the top of that table to place a lamp or lamps, flowers, books or other accessories.

If your sofa is now against a wall, you can implement this idea by pulling your sofa away from the wall and putting the table between the sofa and wall. Or, if your sofa is already away from a wall, with its back exposed, the table can cover the back of the sofa and give you an added area on which to display things.

Placing a table behind a sofa can bring a pretty new dimension to a room -- and be surprisingly useful.

There are any number of tables that can be selected for such decorating, and for this, or for ANY of your furnishing needs, we invite you to browse here. We look forward to helping you.

## Celebrate Freedom

By Dennis J. Prutow  
Sterling, Kansas

On July 4, 1776 America declared its independence. And every July 4th since then we have celebrated the personal, economic, political, and religious freedom that has grown out of the Declaration of Independence.

But are we really free? Sure we have the freedom to work at the job we choose and enjoy our favorite hobby.

We may enjoy the freedom to operate a business or run for public office. And we have the freedom to worship or not to worship as we choose. But with all this freedom, we may not be truly free. How so? If we do not have that inner joy of heart which makes freedom of expression so wonderful, we are not free at all. We are in bondage! Jesus said, "Everyone who commits (practices) sin is the slave of sin" (John 8:34).

But Jesus Christ came into the

world to break the reigning power of sin over human lives. And when Jesus Christ breaks the ruling power of sin, you actually are free to express all that is good and healthy and joyous! You are free to follow God! This is why the Bible says, "It was for freedom that Christ set us free" (Galatians 5:1).

Real freedom is freedom of heart. It is freedom from the inner burden of a bad conscience. It is a freedom really worth celebrating!

## Justin Moran and Clay Westmoreland attend Smith football camp

On Monday, June 22, two Ozona youngsters, members of the Ozona Lion football team, departed Ozona for a week full of fun activities. Fifteen year olds, Justin Moran, son of Joe and Tina Moran, and Clay Westmoreland, son of Paula Westmoreland of Ozona and Harlan Westmoreland of Ft. Worth, accompanied by Ms. Westmoreland, began their trip with travel to De Leon for a short visit with Clay's grandparents.

After a short rest and a meal, they continued on to Ft. Worth for a visit with Clay's dad. While there, the boys were treated to a Toronto Blue Jays vs Texas' Rangers baseball game by Mr. Westmoreland. Much excitement was expressed by both boys at the opportunity of having seen one of their baseball favorites, Nolan Ryan.

On Thursday, a more serious note, they reported to Eagle Stadium at the University of North Texas, where the boys along with 323 others from

throughout the U.S. were introduced to Emmitt Smith, Dallas Cowboy running back. He not only sponsors the Emmitt Smith Football Camp, but spends individual time with each group of boys. A very intense session of lectures and on-field exercises began at 6:30 a.m. and ended at 9 p.m. each day.

The boys were divided into groups according to positions played with their home teams. Justin and Clay were instructed on pass protection and better pass rush. One of the most important lectures was the importance of good grades being first. Performance Nutrition Co. was also present to instruct the boys on proper nutrition.

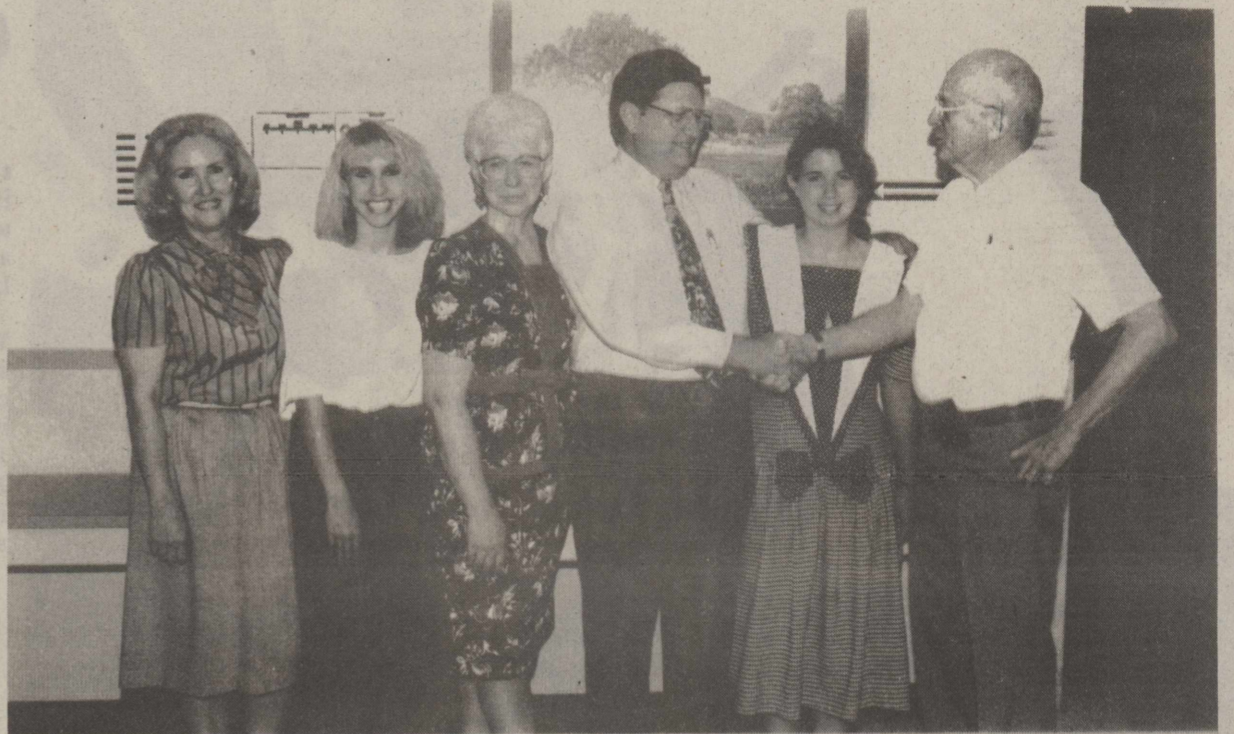

Other celebrities at the camp were Troy Aikman, Alexander Wright, Mark Stepnoski and Issaic Holt of the Dallas Cowboys and Bill Maas of the Kansas City Chiefs. Also present were coaches and players from sev-

eral universities and professional teams to assist Mr. Smith.

A certificate of attendance, autographed by Mr. Smith, was given to each young man on Sunday before departure.

Joe and Tina Moran and grandson Joe Don traveled to Denton on Saturday to be present for awards ceremonies. A weekend full of Emmitt Smith hand shakes, pictures, autographs and lots of sun was enjoyed by all.

A very tired, sunburned, but happy Justin is back home in Ozona while Clay remained in Ft. Worth with his dad for the remainder of the summer.

Mr. and Mrs. Bob Denson were honored with a farewell tea at Crockett County Hospital Sunday afternoon. Wishing the Densons well is Dr. Robert Owensby. Pictured from left are: hospital/care center board president Martha Gries, Marissa Denson, Mary Denson, Bob Denson, Krista Denson and Dr. Owensby.

## Texans asked to speak out on operation of public schools

State Auditor Larry Alwin announced June 19 that his office has installed a toll-free hotline so that Texas citizens may speak out on the operation of Texas public schools and "make a difference" by calling 1-800-TX-AUDIT.

The State Auditor's Office, an agency in the legislative branch serving as the independent auditor for Texas state government, is currently conducting an audit of Texas' public schools and funds. The audit, known as MAPS (Management Audit of Public Schools), will provide the Legislature with an in-depth look at how our school districts spend their money and how our spending habits compare with those in other states. Between now and November, auditors will analyze data from 1,043 school districts and will physically visit at least 50 school districts to conduct management audits.

Alwin stated that citizen tips from the hotline could point auditors in the right direction. He said, "Teachers, parents, and students can tell us firsthand about school programs that are working. They can also tell us where our tax dollars are not being spent wisely."

Alwin said the MAPS hotline is in response to citizen reaction over the past month. "People from all over the state have been calling us to report everything from outrageous administrators' salaries to the fraudulent misuse of school bus fuel." He emphasized that his office appreciates the phone tips and that "each and every suggestion is being considered."

The 1-800-TX-AUDIT (1-800-892-8348) hotline will be manned Monday through Friday from 8:00 a.m. to 5:00 p.m. An answering machine will record detailed messages after hours.

## Sun can damage eyes

The sun's ultraviolet (UV) light causes skin damage, but it may also be linked to age-related eye disorders, say researchers at Baylor College of Medicine of Houston.

"Understanding how ultraviolet light ages cells in the eye may help doctors treat disorders such as cataracts and macular degeneration, two major vision disorders that can be age-related," said Dr. Laurence Rapp, assistant professor of ophthalmology at Baylor.

Rapp is measuring the effects of UV-A light in the eyes of rats. Cells in the retina of the eye are examined to evaluate damage and to determine the influence of that light on the aging process. Rapp says this research may also answer some questions about one of the mechanisms which may be involved in aging called oxidation.

When oxidation occurs, cells lose the ability to break down matter which leads to a buildup of material known as 'debris'.

"The debris buildup caused by oxidation may cause several age-related problems in the eye such as detachment of the retina, hemorrhaging

and cell death," said Rapp. "If we can learn how UV-A light enhances this process, we may be able to treat these and other disorders of the eye in earlier stages."

There are three bands of ultraviolet light called UV-A, UV-B and UV-C. Only two of them, UV-A and UV-B, penetrate the earth's protective ozone layer.

Rapp suggests using sunglasses with full UV-light protection. "Your ophthalmologist can tell you if a pair of glasses properly blocks out the harmful rays. Sunglasses with 100-percent UV-light protection may help lessen the risk for age-related vision problems."

**A VERY SPECIAL THANKS  
GOES TO RAY DON MYERS**

ANY SMALL OR LARGE FAVORS NOT RECOGNIZED WERE GREATLY APPRECIATED AND WE APOLOGIZE FOR ANYONE OMITTED.

Beekeeper Dee Keilers donned his special veil and hat Monday while giving a program on honeybees during Crockett County Public Library's children's story hour. Each child tasted honey straight from the hive after Keilers explained how the product is made.

## ASCS changes spouse signature requirements

The Crockett County Agricultural Stabilization and Conservation Service (ASCS) announces changes to spousal signature requirements. Changes to 1992 regulations have resulted in significant revisions on spousal signature requirements. Effective August 1, 1992, the signature requirement change will permit a husband or wife to sign on behalf of the other for most farm programs in which either has an interest. Written notification to the county office will be required to deny a spouse this authority.

This policy does not permit a husband or wife to sign on behalf of the other for a power of attorney authorization. Contracts are documents signed before the effective date can only be modified or terminated by the spouse who signed the contract or with a proper power of attorney.

REMINDER: Spousal signatures will be accepted without "power of attorney" unless written notification is filed in the county office objecting to this authority.

Signature requirements have been simplified for partnerships, corporations, etc. When the program document shows the name of the partner-

ship, corporation, etc., the person signing needs only to sign his or her name and does not need to add capacity or title. (Generally the authorized signer has been designated in agreement, affidavit, corporate charter, or other documents and will have been designated on ASCS Payment Limitation forms for ASCS use.)

For other situations, the general rule for signature authority still ap-

plies. The signature authorization must be on file in the county office before accepting a signature on any program or related documents on behalf of another.

All producers are asked to review their signing authorities for operations in which they hold an interest. Please contact the county ASCS office for information or to request changes as needed.

## Ozona 4-H'ers attend leader lab

Eight 4-H members from Crockett County and 41 4-H members from Extension District VI enjoyed an intensive leadership training workshop at Western Texas College in Snyder last week.

The third annual TU Electric/West Texas 4-H Leadership Workshop was held June 22-24 on the WTC campus. Participants from Ozona included Casey Upham, Chad Upham, JoLynn Vannoy, Leigh Chandler, Jennifer Evans, Steffy Sutton, Katharine Durham and April Graham. Sessions on public speaking, 4-H promo-

tion, dressing for success, job interviews, applications and resume building were included in the program.

The participants also enjoyed recreation, dances both nights, and a formal banquet on Tuesday night featuring a talk by Dr. Lynne Thibodeaux, State 4-H Program Leader. Each 4-H member also gave a speech as either part of the banquet or closing ceremonies on Wednesday.

During the banquet, Katharine Durham and Leigh Chandler performed a dance which was part of the Crockett County 4-H Share the Fun

act.

The purposes of the Leadership Workshop are to instill self-confidence, poise and leadership skills in 4-H members from across the district.

TU Electric's sponsorship of the workshop has kept the cost to participants low. Two delegates from each county are able to attend at \$15 per person, and others attending pay \$50 per person.

The 4-H members were accompanied by County Extension Agent-Home Economics Tedra Ulmer.

## Sam Mosley retires from Humble ISD

By Sandy Stark

A story in the June 10 Houston Chronicle regarding the retirement of

Sam Mosley, athletic director of Humble ISD, was brought to The Stockman by Bob Falkner. Since Ozona was mentioned as a school where Mr. Mosley had coached, the article created a bit of interest.

A call to Rip Sewell was all it took to open the door to many memories. "Oh, yeah! Sam and I go back a long way," said Sewell. "A 32-year friendship!" Sewell gave Sam's son, Mike, his first football. Mike later played football for Texas A&M and the Buffalo Bills.

While Rip was in Plains "way back in '59," he gave Sam Mosely his second coaching job. Later in 1965, Mosely was in Ozona and brought Rip here to assist him.

The first year they coached to-

gether in Ozona, the team was 7-3. During Sam's Ozona tenure, he won district four times, bi-district two times and regional once.

Mosley and Sewell coached many athletes together. Among them were Gary Lee Sutton who played in the All-Star game for the Texas Coaching Association and later played for Baylor University, and George Cox who went on to run track at the University of Texas, twins David and Donald Huff, Marlin Farris, John DeHoyos, Fleet Coates and Johnny Barbee.

Mosley, who likes to hunt, fish and play golf, will eventually move to his ranch at Camp Wood.

"He's a good 'un," said Sewell. "He'll be missed by the coaching profession."

## Oh, my aching tooth

Lucky residents of the Rio Grande Valley don't have to worry about seeing their dentist twice a year.

The dentist comes to see them. Two fully-equipped mobile dental vans travel through the area offering everything from custom-fitted athletic mouthguards to cavity-sealants for children's cavity-prone teeth. Older patients can get new dentures without ever leaving their home for a fitting.

The service is provided by faculty, students and staff of the Dental School at The University of Texas Health Science Center at San Antonio. The service often reaches patients who otherwise would not receive dental care.

## County unemployment up in May

Crockett County's unemployment shot up to 11.0 percent in May from 9.5 the previous month according to a report released by the Texas Employment Commission.

The May figures show a civilian labor force of 1,899 with 1,691 employed. April's count was a labor force of 1,859 with 1,682 employed.

Crane County's unemployment rate fell from 9.1 to 7.6 percent with 134 of its 1,758 member labor force unemployed.

The unemployment rate also improved in Reagan County, dropping

from 5.6 to 5.2 percent in May. In Schleicher County, the May unemployment rate moved downward to 8.3 from 8.6.

Sutton County posted an increase in May to 8.8 from 7.9. Terrell County's unemployment also increased, moving from 3.2 to 5.0 in May.

Upton County's rate of 7.1 in May was up from 5.6 percent in April. Texas posted a monthly rate of 7.4 percent - exactly the same for the third month in a row.

"This rate is higher than this month one year ago," said Texas Employment

Commissioner Mary Scott Nabers. "In 1991, the monthly rate was 6.3 percent and the official count of out-of-work Texans stood at 540,200. Today we are looking at 645,000 jobless men and women.

"Positive job growth statewide makes us feel somewhat better about our current economic condition, but the state's economic wellness factor could almost be compared to a person who was very ill, got better, but cannot seem to recover completely. We are grateful for the improvement, but we need more," she said.

## Saddle tramps to be at Ft. McKavett on July 4

Visitors to Fort McKavett State Historical Park can step back in time and celebrate an old-fashioned Fourth of July 1880's style. The "1880 Sad-

### Swimmers' ear dangerous condition

Swimmers aren't the only candidates for swimmer's ear, a potentially dangerous condition caused by moisture in the ear canal.

"Swimmer's ear is not really a sports-related condition," says Dr. Dan Franklin, an otolaryngologist at the Methodist Hospital. "Anyone who takes a shower, perspires when exercising, or, for that matter, lives in the humidity of Houston can get it."

Swimmer's ear is a layman's term for inflammation and infection in the external ear canal. It happens when water breaks down natural skin barriers, allowing bacteria to infect the ear's soft tissue.

Pain in the ear is the most common symptom of the condition. Other, less common symptoms can include fever and hearing loss.

Franklin says swimmer's ear is usually preventable by keeping the ear dry. "Over-the-counter ear drops containing acid and alcohol can help keep the ear dry," he says. "But once an infection sets in, you should see a physician."

Treatment is two-pronged: keeping the ear canal clean, and applying antibiotic ear drops.

Franklin issues a special warning for people with immune system deficiencies, such as diabetics, leukemia patients, and organ transplant recipients. "If these people have symptoms of swimmer's ear, they should see a physician immediately and receive aggressive treatment," he advises. "Otherwise, the infection can spread to the bones of the ear and become very difficult to get rid of."

dletramps" from San Antonio will be portraying frontier men, women and children as they perform and host various activities based on July 4th celebrations over a century ago. Featured will be such activities as old time contests and period games, "patriotic oratories", a Victorian bathing suit contest, an old style medicine show and other activities representing an old-fashioned Fourth of July. In addition, the Saddletramps will interpret life on the Texas frontier through various interpretive activities, including a non-alcoholic representative period saloon and various demonstrations in some of the buildings.

The program will run from 10 a.m. until 5 p.m. on Saturday, July 4th, and from 8 a.m. until 3 p.m. on Sunday, July 5th. Park fees are \$2 for adults, \$1 for children ages six-12.

Children under six are admitted free. Individual holders of the Texas Conservation Passport are admitted free. There are no extra fees for the program. A small store operates near the park for visitors' convenience.

Fort McKavett, an 1850's-1880's era U.S. military post, is considered by many to be one of the best preserved forts in Texas. There are currently 18 restored structures along with numerous stabilized ruins. The program will be held regardless of the weather, as most of the buildings are open to the public and have porches to help keep visitors dry.

Fort McKavett is in Menard County, 23 miles west of Menard on Ranch Road 864 and 40 miles northwest of Junction off Ranch Road 1674. If more information is needed call 915/396-2358 between 8 a.m. and 5 p.m.

## Fourth quarter sales down

Retail sales for the fourth quarter were down for most area towns according to a report released by the State Comptroller. The 84 reporting outlets in Crockett County listed gross sales of \$5,891,931, a 12.2% decrease from \$6,712,409 reported by 97 outlets in 1990.

Reagan County reported 64 outlets with \$5,801,867 in sales for the 1991 quarter. This was down 12.8% from \$6,655,228 reported by 74 outlets in 1990.

In Sutton County, 96 outlets reported sales of \$5,910,212 for the fourth quarter of 1991 compared to 112 outlets and \$6,493,773 in 1990, a 9.0% drop.

Retail sales dropped 12.9% in Upton County with 89 outlets reporting \$3,356,756 in sales in 1991. The 93 outlets reporting in 1990 had sales of \$3,852,212.

Improvements were recorded in Val Verde, Terrell and Schleicher Counties. Val Verde's number of outlets decreased from 597 to 545, but sales were up 1.4% from \$59,971,324 to \$60,824,848 for the 1991 fourth quarter.

The Terrell County figures showed 45 outlets, down three from 1990, but with an 84.3% increase in sales from \$945,108 to \$1,742,065.

In Schleicher County, 38 outlets reported \$2,561,993 in 1991 fourth quarter sales, up 13.5% from the \$2,257,141 reported by 44 outlets in 1990.

## Airman Fuentes promoted

INCIRLIK AIR BASE, Adana, Turkey—Sotero H. Fuentes, son of Patsy J. Gutierrez and stepson of Emilio L. Gutierrez of Ozona, has been promoted in the U.S. Air Force to the rank of airman first class.

Fuentes, an apprentice communications-computer systems control specialist, graduated from Ozona High School in 1990.
