Rep. Bob Turner Addresses The Group

Dairy Economic Impact Meeting Held

by Scotty Moore

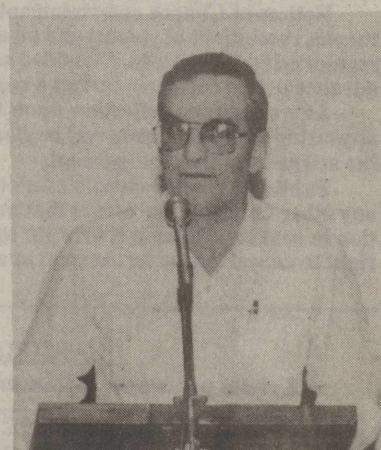

A well-represented section of the Ozona business community, interested citizens and ranchers attended a dairy economic impact meeting last Thursday night at 7:00 p.m. at the Ozona Civic Center. Hosting the meeting were the Crockett County Economic Group and the Ozona Chamber of Commerce.

Rep. Bob Turner, who has been working with smaller towns and communities in his region with economic ideas and plans, spoke to the group and emphasized that leadership plays a big role in those communities that are successful in saving themselves from the devastation of apathetic economic negativism. "What happens to your county is entirely related to the leadership in the community. You are going to have to grow your own economic development program from what you have to offer, and Crockett County has only petroleum or agriculture to chose from," said Rep. Turner.

Representing the economic group were Robert Bryson, West Texas Util-

ties manager and chairman of the Crockett County Economic Group, local rancher and "Eco" group member Jeffrey Sutton, Ozona Chamber of Commerce president Johnny Jones and County Extension agent Billy Reagor. Representing the state agencies were Bob Melton with the Texas Department of Commerce and Desi Mora with the Texas Natural Resources and Conservation Department. Steve Teaff, agri-business specialist with West Texas Utilities, also spoke before the group and offered his help to the community in planning a sound economic program.

Chairman Bryson explained to the audience the concern of a group of business men in the community of the negative direction of business and trade in the county and the consequent or-

organization of the Crockett County Economic Group. "We decided that some-

Lions Whip Bulldogs To Reach Playoffs

by Neal Ulmer, Stockman sports-writer

On another cold Friday evening, Nov. 5, the Ozona Lions met the Coahoma Bulldogs in Coahoma—and the Lions won, to take District 6-2A runner-up honors with a 24-14 win.

It's uncanny that the Lions will be rematched with last year's bidistrict opponents, the Van Horn Eagles, who won last year's contest 27-7. The Lions will face the Eagles Friday at 8 p.m. in Odessa's Ratliff Stadium.

The Lions finished the regular season with a 7-3 overall and a 4-2 district record.

In the Coahoma game, a must-win situation, the Lions finished the night with 407 total yards on offense, including 238 yards rushing.

Coach Don Payne said, "Justin Castro had a great game, and Anthony Sanchez ran real hard." Castro threw for a total of 142 yards and one TD pass, and rushed for a game-high of

106 yards in 13 carries. Anthony Sanchez rushed for a total of 114 yards in 26 carries.

The Lions got off to a good start with their first possession of the ball game, as it took only eight plays to travel 59 yards to the goal line. The drive was topped off by a one-yard touchdown run by Julio Martinez, the extra point was good, and the Lions led with 7:56 left in the first quarter by a score of 7-0.

Good defense by the Lions forced a pass interception on the Lion 40-yard line which was snagged by Jesse Garza. With another eight plays, QB Castro led the Lions down the field, connecting on a 20-yard pass to James Nelson and a 25-yard TD pass to Garza. The extra point attempt failed with 3:17 left in the first quarter, and the Lions led 13-0.

The second quarter was practically all Coahoma's. The Bulldogs'

drive started on their 40-yard line, with the main yardage coming from passes of 13 and 12 yards, topped off by a 19-yard TD. The extra point was good, and the scoreboard read Ozona 13, Coahoma 7 with 8:42 remaining in the second quarter.

Turnovers were important factors in the game, as Ozona had a total of seven. Two of these were intercepted passes and five were fumbles. Coahoma cashed in on an Ozona fumble which they recovered on the Lion 29-yard line. Five running plays

Hospital Board Considers Physician Assistant Instead Of New Doctor

Crockett County Hospital board members met in executive session Nov. 3 and discussed the possibility of hiring a physician assistant as an alternative to hiring a doctor. A physician assistant who is being considered by the board is also a family nurse practitioner. Physician's assistants have 6 1/2 years of medical education and serve an internship, according to Gerry Phillips, hospital administrator.

The board agreed to use special funds to recruit registered nurses from Canada. This recruiting would be through Health First Management Services, a company which has already provided some hospital personnel. This action is being taken because of overtime hours and current shortage of registered nurses.

Board members tabled the bid received from WTU for washers and dryers. Also under consideration is the taking of bids from laundries as an alternative.

A medical records retention policy was changed from 10 years to seven years on a vote by the board. Seven years is all that is required by law with the exception of infant and juvenile records which must be kept until the patient reaches the age of 18.

Administrator Gerry Phillips informed the board that he believes the \$3,400 per year fee to be a member of the Texas Hospital Association is excessive. According to Phillips, the membership does not offer discounts and the benefits of membership are a magazine subscription and two or three newsletters per month. The board agreed it would be cost effective to discontinue the membership with the

Texas Hospital Association. The facility is a member of the American Hospital Association at no cost and will be kept current through this membership.

The EMS passed a recent spot inspection by the Texas Department of Health from El Paso, Phillips told the board. The new ambulance hit a deer Monday morning during a transfer and is currently in San Angelo being repaired. The Care-A-Van also broke down on the way to San Angelo and is there to be repaired.

Director of Nurses Diane Schwertner reported that she has received two letters from Pack Rat and their attorney stating that the hospital has been negligent regarding disposal of used syringes. Mrs. Schwertner does not believe the syringes have been generated by the hospital and suggested that possibly others in the community using syringes have thrown them in the hospital trash bin.

Board members present for the meeting were: president Jack Baggett Jr., Concha Zapata, Carmen Sutton, Lupe Sanchez and Donnie Laughlin.

Local Voters Nix Four Amendments

The constitutional amendment election saw only propositions one and 16 turned down statewide last Tuesday, but local voters didn't like one, two, seven and 10. In Crockett County, voters vetoed:

Proposition 1 (Issuance of \$50 million of bonds for state economy), 238 to 101;

Proposition 2 (Promote reduction of pollution and job preservation), 182 to 156;

Proposition 7 (Repealing restric-

tions on corporations to raise capital), 174 to 143; and

Proposition 10 (Issue \$750 million in bonds to Veterans Land Fund), 174 to 170.

They were for: Proposition 3 (Clearing land titles in Fort Bend and Austin Counties), 208 to 110;

Proposition 4 (Prohibiting personal income tax without voter approval), 248 to 102;

Williams-Bottles Exchange Vows

Miss Karlyn Ann Williams became the bride of Alfred Howard Bottles Jr. Oct. 23, 1993, at First Baptist Church in Lancaster. She was given in marriage by her father. Lindsay Coffield officiated the service.

The bride is the daughter of Jim and Kathlyn Williams of Lancaster. Parents of the bridegroom are Al and Wilta Bottles of Kendalia.

For her wedding the bride wore a designer original by Demetrius. The silk satin bodice had a high neck encrusted with iridescent sequins, seed pearls and Alencon lace. The illusion sweetheart bodice and long, puffed sleeves were also enhanced with lace, pearls and sequins. A large bow accented the full, heavy silk satin skirt. Pearls and sequins adorned the train.

Attending the bride were maid of honor Kathleen Kuhl of Victoria and bridesmaids Kim McGeath of Dallas, Sandy Brown of West and Marsha Kohn, sister of the bridegroom, from

Cornwall-on-Hudson, N.Y. They wore street-length dresses in winter green taffeta.

Kelly Sanders of Round Rock was best man. Serving as groomsmen were Neil Williams of Lancaster, brother of the bride; and cousins of the bridegroom, Richard Wright and Charles Cooley of Corpus Christi.

The bridegroom and his attendants were attired in black tuxedos.

The bride is a 1986 graduate of Lancaster High School and a 1990 graduate of Baylor University. The bridegroom is a 1987 graduate of Blanco High School and a 1990 graduate of Texas State Technical College. He is employed by CompuAdd in Austin. They will make their home in the Austin area.

Grandparents of the bride are Mrs. Crawford Key of Weslaco and the late Crawford Key, and Mrs. Ben Williams of Ozona and the late Ben Williams. Mrs. Julia Herrin of Kendalia is the grandmother of the bridegroom.

Forum Hears Program On Stress

Ozona Woman's League met in the home of Jeannine Henderson for the Halloween meeting Oct. 26. Katrece Hale assisted with hostess duties. Twenty-six guests were welcomed.

Elizabeth Clark presented an inspirational reading, and members were reminded to work on their volunteer hours. The Crop Walk will be Nov. 14, and hours can be earned for participation.

Ozona Woman's Forum Meets Nov. 2

The Ozona Woman's Forum met for their regular session, Nov. 2, in the Crockett Room of the Ozona National Bank.

Hostesses for the meeting were Elizabeth Dudley and Geniece Childress. Twenty-two members were present and were served refreshments.

For the program, Rubi Edmonson, a stress therapist from San Angelo, demonstrated the Swedish massage technique on a voluntary member. She emphasized that this is the most popular method of stress reduction among her clients. Mrs. Edmonson also suggested exercises to help reduce tension. She is in Ozona two days a month.

After a short business meeting, conducted by president Katharine Russell, Crystelle Childress introduced the guest speaker, Naina Bhakta. Ms. Bhakta is a native of India and told about weddings in her homeland. She wore a lovely authentic wedding dress. The meeting was adjourned by president Katharine Russell.

Design Program Presented To Garden Club Nov. 8

The Ozona Garden Club met Monday, Nov. 8, at the civic center for a delicious covered dish luncheon. Hazel Sommerville, 1993 Garden Club Woman of the Year, presented the program "Beauty Through Design".

A business meeting followed the program, and a plant auction was held.

Members attending were: Marolyn Bean, Mary Kay Brewer, Pam Brewer, Sue Burns, Lou Deaton, Nancy Forehand, Joycelyn Graves, Peggy Hagle, Sybil Howell, Virginia Hubbard, Joyce Keilers, Mary Jo Mason, Dorothy Montgomery, Katharine Russell, Marge Smith, Betty Tumlinson, Jan Van Shoubrouek and Celia West. New member Neva Palmer was welcomed.

Cecil and Rebecca Johnson and sons Seth and Reed were here last weekend to visit her mother and aunt, Ruth Seahorn and Margaret Miller.

Court Examines Library Plans For Expansion

An architect's drawing depicting the proposed addition to the public library and a budget for the project was examined by commissioners Monday. The information was presented by librarian Louise Ledoux during her report to the court.

Jack Meek, San Angelo architect estimates total construction cost of \$199,080 for the 2,800 square feet of the new addition and changes necessary to the existing building. There will be no new construction on the second floor.

Now that the plans and budget have been prepared, the Friends of the Library can pursue grant funds for the project, Mrs. Ledoux said.

Court members approved purchase of two computers and a printer for the sheriff's department with funds remaining from certificates of obligation. Software for the program will be considered at the next meeting of the court.

The commissioners reviewed a past contract for lease of Ingram Trap property and agreed to offer the land for lease on a bids basis. These bids will be opened at the December meeting as will bids commissioners agreed to let for automobile and fire extended insurance coverage.

Reports were heard from auditor Sandy Stokes, Garland Young for the civic and youth center, and Gerry Phillips for the hospital and care center. Written reports were received from Helping Hands and the fire department.

During his report, Stokes told the court that the attorney representing the county regarding insurance coverage of a possible bone marrow transplant for the county judge had notified his office that he is compiling information. No comment was made by the attorney on what the county's position looks like.

Young told the court that the new air conditioners are in and doing well, but that the center is experiencing some heating problems now. He said that the board is interested in getting a Super Nintendo game for the television with money in the youth center fund.

Commissioners approved appointment of Fannie Sanchez as a new member of the civic and youth center board.

As part of Mr. Phillips' report, he told the court of prospects for hiring a physician's assistant instead of a new doctor for the community.

The Helping Hands Meals on Wheels program served 1025 meals in October. Commodities were given out to 73 families representing 138 individuals.

The fire department responded to two vehicle fires and one investigation during October. Total incidents to date (through October) are 127.

Commissioners approved payment of an \$800 bill for communications repair during the fire department report.

Road and parks superintendent

Eddie Moore told the court he has been authorized by Jimmy Thompson to contact Art Roane at Double T Ranch for admission to the property if a mountain lion is seen in the area again. Last month the court approved hiring Moore to hunt the cat if it is seen.

J. R. Bhakta, owner of Comfort Inn, met with the court regarding his need for a clear survey of motel property as it relates to AA Street. A survey which Mr. Bhakta had done several months ago shows one and one-half motel rooms built on a portion of AA Street.

On a map of the town, AA Street is shown to be 80 feet wide while other streets are 60 feet wide, Bhakta said. Bhakta and commissioners discussed possible ways of resolving the problem including an easement from the county, sale of land in question by auction, or as suggested by county attorney Orlando De Hoyos at the meeting, an adverse possession case to be filed against the county declar-

ing that the land has been in use in this manner.

Commissioners canvassed returns of the constitutional amendment election, approved a contract and agreement with Tom Green County for detention of juvenile offenders, approved line item budget changes transferring the remaining balance in the courthouse renovation fund to the equipment fund to help pay for the air conditioners at the civic center and authorized creation of an equipment replacement fund for the road and parks department in the 1994 budget.

Frank Tambunga, commissioner of Pct. 1, is to gather information before the December meeting to help formulate rules or policies for use of county property including parks, fair grounds and rodeo arena.

Commissioner Rudy Martinez presided in the absence of Judge Kathryn Mayfield. Other commissioners present were Freddy Nicks and Frank Tambunga.

Chamber Chatter

by Nancy Moore

I love a shopping spree! Oh, boy, do the Ozona merchants have one for us. Monday, November 15th, is the starting day. Customers will receive tickets from the dollars they spend with the participating merchants. These tickets may be the lucky ones drawn during the month of December. Drawings will be held December 4, 11, 18 and 23. Thousands of dollars have been pledged in gift certificates from our merchants. These certificates will be given away at the drawings. Customers will want to save all their tickets from Nov. 15 - Dec. 23. Be sure and read the rules printed in this week's Stockman, then get ready to shop, shop and shop some more in Ozona, "It Makes Good Cents".

The chamber, along with the

participating merchants, hope you will enjoy your Christmas shopping in Ozona. Dollars spent in our local community help all of us. We are very fortunate to be living in a small town that is growing when so many around us are dying. Working together is what it is all about.

A special thanks to all the booths that cheerfully made a move to the 4-H Barn Oct. 30. The annual Halloween carnival had to be moved at the last minute because of cold weather. Many braved the cold to march in the costume parade and were thankful for a warm place to go and continue the night's fun.

Georgia Kirby attended the Kirby family reunion in Temple last week

The Ozona-Sonora Sewing Club met last Tuesday at Sonora, and the group traveled on together to Fredericksburg for a day of shopping and visiting. Club members going from Ozona were: Luetta Kost, Blanche Walker, Virginia Hubbard, Benny Gail Hunnicutt and Shirley Kirby.

Myrtle Malone was honored with a birthday party last Saturday at the Pandale Community Center. A barbecue dinner was served to about 50 family members and friends. John Henry Cash of San Angelo was a special guest. Mr. Cash gave the invocation. The group sang "Happy Birthday" to Myrtle. Guitar playing, singing and dominoes were enjoyed by all.

Myrtle's three sisters and their husbands were present. They are: Dorothy and A. C. Askin of Langtry, Maude and Sam Lovette of El Paso and Ruth and Garland Sprout of Alpine. Also present was her granddaughter, Tanna Wooten of San Angelo.

Hosts for the party were: Barbara Malone of Ozona, Earl and Billie Malone of Sheffield and Sonny Malone of Pandale.

GENIECE CHILDRESS, TINA MORAN and her granddaughter, DANA MORAN, were at work measuring the David Crockett statue Friday afternoon. The activity was part of an inventory of outdoor sculpture requested by the Texas Historical Commission in conjunction with the movement to Save Outdoor Sculpture! sponsored by the National Museum of American Art of the Smithsonian Institute and the national Institute for Conservation of Cultural Property.

Crafts Sale Deemed Success

Crockett County Arts and Crafts Guild members hailed the ninth annual show and sale as a big success.

Many exhibitors arrived Friday night and stayed until Sunday. Plans were being made to return next year, and 21 booths have already been reserved for the 10th annual show and sale in November of 1994. Anyone interested in showing next year is urged

to reserve a booth now.

An estimated 1,528 people attended the show this year, enjoying the booths and the live entertainment.

"It seemed that this was our best arts and crafts show yet," commented publicity chairman Dan Fleming. "We are looking forward to our next year's show. Can we top the '93 show?" he asked.

League Presents Fall Luau

Ozona Women's League Annual Bazaar is coming soon. Nov. 23 from 5 to 6:30 p.m. at the civic center will be the date, time and site for a Fall Luau, which hopefully will warm your spirits in the November chill.

The bazaar will feature arts, crafts, canned goodies, food items and much more. Special food orders will be taken Nov. 1-19 by calling Tina Bean at 392-3334 or Lou Chapman at 392-3581.

Other activities include face painting for the children, a raffle, and even door prizes. "We will even cook your dinner with take-out barbecue plates for only \$5.00," said League member Sally Oglesby.

Monies received from sales during the bazaar go back into the community by way of projects of the Ozona Women's League. Some of these include scholarships, an academic banquet for A-B Honor Roll, additional sand volleyball court at the rodeo park, and contributions to Lu Ingram for help with the special needs of school children. "There are a total of 29 projects to which funds are returned back

into our community, so every sale has a double effect: you get some early shopping done and some holiday cooking already prepared, and the community profits from each sale!" said Mrs. Oglesby.

The Ozona Women's League takes this opportunity to invite everyone to attend and have some "warm" fun!

Peyton New At First Baptist

Rodney Peyton is the new minister of worship and education at First Baptist Church. As such, he helps organize the educational aspects of the church and is in charge of the worship service.

Mr. Peyton and his family come to Ozona from Hurst where he was at Bellview Baptist. Prior to that time he was at Greenwood Baptist in Weatherford.

A native of Missouri, Mr. Peyton is a graduate of Hardin-Simmons University where he earned a bachelor

of music degree. It was at Hardin-Simmons that he met his wife, Djuana. They are the parents of three children, Michael, age 8, Joshua, age 6, and Sarah, 17 months.

The Peytons began home schooling their children with their move to Ozona. "It isn't because we came to Ozona," Mr. Peyton explained. "It is because we wanted her (Mrs. Peyton) to have the whole responsibility of raising the children rather than the school. We wanted her to have more influence over them than their friends."

The Great Flood

By Dennis J. Prutow

The great flood of 1993 has dominated the news. Our insurance policies once called such events, "acts of God." We've gotten away from that terminology. But all of this rain and flooding ought to cause us to look at the power of God. By contrast, we are also seeing our own inabilities. Many scientists thought the Mississippi River basin could be successfully engineered. Dams and levies were

supposed to contain the flood. But all our expertise failed. We could never cover all the contingencies. The task is too big. Besides, God rules and over rules.

This was true of the great flood in the time of Noah. He and his family were bitterly ridiculed by snickering mobs because of the ark. No one imagined the proportions of the flood which came. The devastation was awesome. The old world was destroyed. But why? Answer: "The

earth was filled with violence" (Genesis 6:11). God responded by cleansing that old world with water.

Is there any connection to our present situation? We rightly hesitate to make too precise a comparison. But this one thing is sure. The amount of violence in our world is escalating exponentially. Horrid "ethnic cleansing" and civil strife are on the rise. Street violence in our cities is expanding. Is it time to examine the meaning of the "acts of God" all around us?

Eighth Grade Cubs End Season With Three Wins

By Neal Ulmer,
Stockman Sportswriter

The Eighth Grade Cubs ended their season in Big Lake last Thursday (Nov. 4), as a 40-12 loss to the Reagan County team left their season record at 3 wins and 5 losses.

The Cubs had a difficult time trying to move the ball offensively, as they racked up numerous penalties and fumbles. Unfortunately, the Reagan County 8th Grade Owls were able to capitalize on Ozona's turnovers.

The Owls got on the scoreboard first as the result of a Cub fumble. The extra point attempt failed, but the Owls took an early 6-0 lead and never looked back. Wasting little time, they quickly took advantage of a second Cub fumble to score again, and with a successful run for a two-point conversion, Reagan County led 14-0. The Cub offense tried to move the ball, but were stopped by a tough Owl defense. Reagan County took over on downs and scored on a 45-yard touchdown run. The two-point conversion was good, to make the score 22-0.

Ozona regained the ball on the 37 yard line, and put together some good runs by Brian Badillo of eight, nine, and three yards before a fumble; however, the Cubs recovered the ball and runs by Justin Browne—including a final scamper for 27 yards—produced a touchdown for Ozona. The extra

point attempt failed, and the score stood at 22-6.

The second quarter was good for Ozona, as they scored again after Lalo Guadarrama recovered a Reagan County fumble on the Owls' 15-yard line. Gary Dominguez ran 14 yards to set up a 1 yard touchdown by Brian Badillo. The extra point attempt failed, but the Cubs were within striking distance of Reagan County, 12-22.

Reagan County received the ball on their 25-yard line, then put together a series of plays resulting in a breakaway 51-yard touchdown run to score again. The extra point failed, leaving the score Ozona 12, Reagan County 28.

Ozona took the ball on the 43 yard line, but the Cubs fumbled on the next play and the Owls recovered on the 43. Reagan County strung out several more runs before scoring on a two-yard run. The first kick for an extra point was good, but a penalty forced them to re-kick; the resulting kick failed, leaving the halftime score at 34 for Reagan County, Ozona 12.

Reagan County received the second-half kickoff, but the Cub defense forced them to punt. Brian Badillo returned the ball to the Reagan County 40-yard line, but after several good runs, Reagan County took over on downs. The Cub defense held this time, however, and after receiving the ball Ozona had good field position on the Owl 45-yard line.

The fourth quarter began with the Cubs being held by the Owls, and Reagan County took over on downs, on Ozona's 48-yard line. On the second play of their series, Reagan County fumbled and the ball was recovered by John Ortiz on Ozona's 33-yard line.

Robert Daniels was substituted at quarterback for the Lions, and although his first two passes were incomplete, the third time was a charm, as he completed a 17-yarder to Guadarrama.

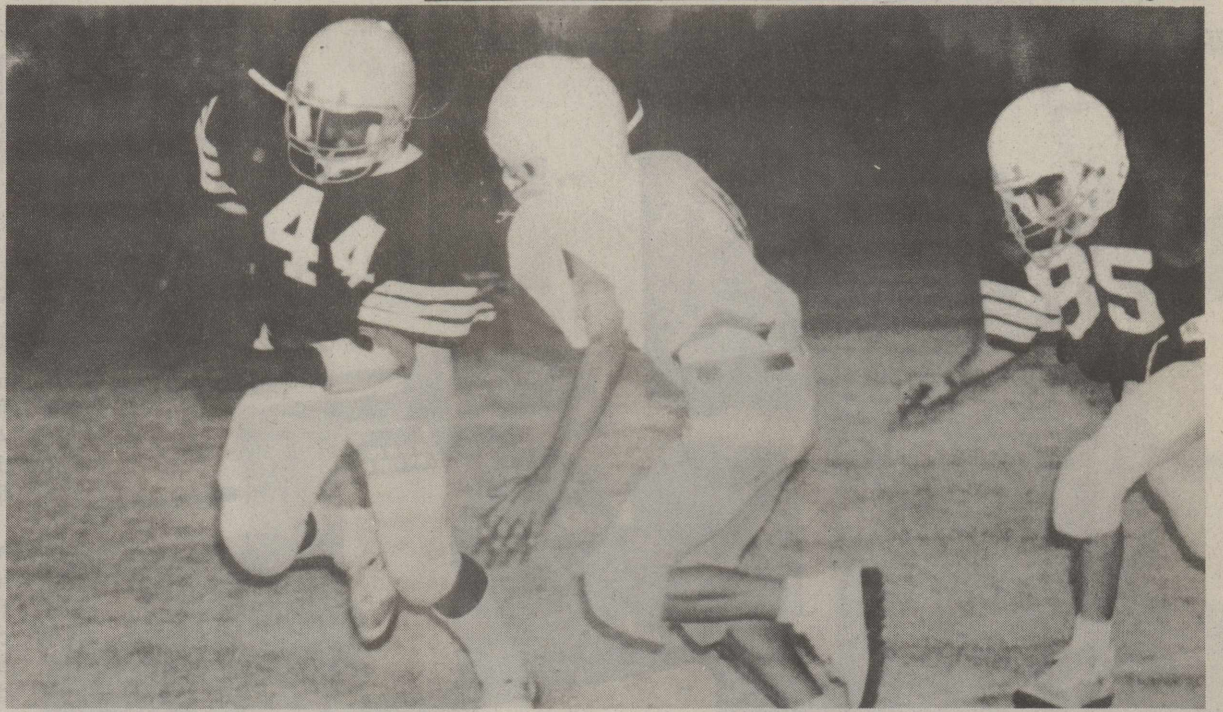

Several plays later, the ball went to Reagan County on downs, and the Owls took over for their final scoring drive on their own end of the field. Reagan County scored after several good rushes set up a 28-yard touchdown run, and the final point attempt failed, leaving the score 40-12 in favor of the Owls.

Coach John Cox commented, "Our kids wanted to win real bad, but they made some mistakes and had to play catch-up early in the game." He added, "Offensively, we ran well and blocked well. We had some good plays and executed well, but some mistakes were made."

Defensively, "We played good solid football but allowed too many big plays," Cox noted. Both Coach Cox and Coach Lee Gonzales felt they saw signs of things the players learned through the season, but they just weren't put together consistently. They added, "We shut down the short yardage and played more aggressively."

The coaches complimented the play of Gary Dominguez, Justin Browne and Brian Badillo on offense, as well as Albert Flores and Lalo Guadarrama on defense. "Albert did a super job at linebacker and played super in the second half; Lalo did well at defensive end."

Both coaches expressed their appreciation for the players and their efforts in what was a long, hard season for the eighth graders.

Fifth Grade Students Find Fort Fun

The fifth grade class received a break from the classroom last Tuesday, Nov. 2. They traveled to Fort Lancaster located four miles from the nearby town of Sheffield.

The buses, filled with eager kids, departed at 8:30 a.m. It didn't seem far to the fort, especially with popular bus drivers and the speaker systems on the new buses. Mr. Green's bus listened to Rap, while Coach Porter played a George Strait tape. When the buses pulled into the parking lot at Fort Lancaster, Melinda Hokit was ready to be their guide. Students were led through an exhibit and a nature trail that included ruins of old soldier quarters, the hospital, and Fort Lancaster's cemetery.

On the way home, the students stopped on top of Lancaster Hill and ate lunch. Mr. Green remarked, "It was a very beautiful view!"

When the classes returned to school at 2:00 p.m., they had approximately an hour and a half for taking a quiz about what they learned at Fort Lancaster.

Mrs. Laughlin, fifth-grade Language teacher, said, "This was a very good learning experience for the kids and teachers. There was a lot of history involved. I thought the most interesting parts were the various punishments for desertion and the Camel Expedition."

"I like it! It was fun! The fort was exciting and I learned a lot," stated student Summer Browne.

This educational field trip was taken to provide students with information about early Americans, as the students are studying about Native Americans in Social Studies.

This article was submitted by the fifth grade G/T students: Codi Richardson, Dustin Faught, Trey Hale, Laramie McWilliams, Josh Tambunga, Jason Davis and Joseph Knaack.

Addition, Please

The Ozona Stockman and Coach Lee Gonzales would like to apologize to Nancy Gutierrez and family for the accidental omission of her name in

the girls' Ozona Junior High Cross Country team story last week. Nancy placed 7th and helped her team win the district championship.

Seventh Grade Cubs Beat The Owls

Trip To Cemetery Reveals History

The sixth graders at Ozona Junior High School took an academic journey deep into history as they visited the local cemetery. Students respectfully discovered graves of veterans from the Civil War, World War I, World War II, the Korean Conflict and the Viet Nam War.

The students visited burial sites of relatives. They visited graves of local leaders such as Texas Rangers, judges and members of fraternal organizations.

The students sharpened their math skills as they calculated dates to find data to meet certain requirements. As they enjoyed the outdoors, they looked for scientific adaptations in animals and plants that would correspond with information learned in class. Each took a rubbing of an actual tombstone. The rubbings will be used as stories started for English class.

The entire sixth grade and especially the teachers extend a tremendous thanks to the parents who made the field trip a success: Wade and Jane Richardson who shared their home and served the sixth grade lunch, parents Kat Pagan, Matilda Camarillo, Vicki Cornett Rachel Maldonado and Helen Bean who served the lunch. Several others such as Belinda Wilkins helped prepare the food.

Thursday evening (Nov. 4) and came out with a 6-0 win. With the Cubs' win, their season ends with a 6-1 record.

The only Cub score came in the first period, on the first series of the game. Led by QB Brad Sullivan, the Cubs quickly worked their way down the field with runs by backs Matt Galindo and Jason Alvarez.

Those runs were topped off by a 30-yard touchdown pass from Sullivan to Matt Galindo. The extra point attempt failed, and the Cubs led 6-0.

Throughout the rest of the game, however, the Cubs were troubled at inopportune times, with a total of four penalties and three fumbles. Good defense by the Cubs kept the Owls from scoring, yet the Ozona offense was unable to capitalize on good field position gained by the defense.

At one point, Anthony Ortiz intercepted an Owl pass and returned the ball to the 50-yard line, but good defense by the Owls forced Ozona to punt.

Coach David Delgado said, "There was great effort by the kids, especially defensive effort." The coach complimented play by Alex Castaneda, Robert Kelly, Jason Alvarez, and Matt Bennett on defense, as well as offensive efforts from running backs Jason Alvarez and Matt Galindo, Robert Kelly and QB Brad Sullivan.

This was Sullivan's first game as quarterback and the coaches felt he did a good job. "The offense, although having their sweep plays shut down completely, kept pounding down the middle to gain yardage," said Coach Delgado.

Coach Rodney Johnson gave the team a final compliment by adding, "The Cubs had a great work ethic in practice—they never complained and they never griped—it was the most pleasurable crew I've been around."

regular categories and nine special categories will be recognized. Following the awards program, which will be conducted by 4-H Council members, a tasting tea will be held. At the tasting tea, guests will have the opportunity to sample the wide array of delicious dishes prepared by the 4-H members.

There is no charge to attend the food show, and all friends, relatives and interested persons are invited to see some of Crockett County's most outstanding youth as they demonstrate the new skills they have learned in their foods and nutrition projects.

Entrants in this year's show include Junior contestants Dorthiann Huerca, Lacy Vestal, Marsha Maskill, Megan Castro, Jessica Bragg, Claressa Tambunga, Amanda Carson, Laura Reyes, Dominique Perez, Billy Fleming, Paige Tambunga, Laramie McWilliams, Lana Stewart, Jessica Herring, Michelle Necessary, Trey Hale, Marlana Sanchez and Kyle Richardson.

Intermediate entries include: Helena Williams, Ty Porter, Lindsay Flanagan, Romie Arredondo, Lori Sanchez, Natalie Ybarra, Ashlee Ramos, Camelia Williams, Lauren Wilkins and Maria Quiroz.

Senior entries are: JoLynn Vanoy, Stefny Sutton, Tara Wilkins and Adrienne Dickerson.

The goals of the foods and nutrition project are to help 4-H members understand the interrelationship between science, nutrition and food preparation; the connection between good health and eating foods needed by different age groups; to develop desirable eating habits, skills in buying foods, management skills in planning, preparing and serving nutritious meals, and an understanding of the social and cultural roles of foods in daily living; develop leadership talents and work toward developing character and effective citizenship.

This year's 4-H Foods and Nutrition project featured a series of workshops taught by 4-H Adult Leaders, Senior and Intermediate 4-H members, local resource persons and County Extension Agent-Home Economics Tedra Ulmer.

Workshops included a day-long multi-county course with sessions on pasta-making, cake decorating, foreign foods, and cooking with lamb

and beef. Other single-session workshops held in the past few weeks featured dairy projects, Indian foods, bread making, garnishes and gadgets, and menu planning.

Participation in the food show is optional, but is encouraged as an activity where the 4-H'ers can demonstrate what he or she has learned, can receive praise from peers and public, and can learn principles of sportsmanship.

4-H members in the food show also gain the ability to think on their feet and to communicate with others from their experience with the judges. In addition, they learn to carry through a task to completion.

In the food show, 4-H members are judged on their nutrition knowledge, poise and communication ability, as well as the food they have chosen to prepare. The 4-H member prepares the food at home and brings it to be judged. The judges, who are 4-H leaders or senior 4-H members from another county, ask designated questions and taste the food.

Senior 4-H members are eligible to advance to the state food show if they place first at the district food show. According to Ulmer, "Crockett

County has had five state food show contestants in as many years, and we hope to do well again this year."

Junior and Intermediate members may advance to the district 4-H food show, which will be held this year in Fort Stockton on Dec. 4.

For more information about the food show or other 4-H activities, contact the Crockett County Extension Office at 392-2721. Educational programs such as the food show, which are sponsored by the Texas Agricultural Extension Service, serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or handicap.

Honoring The Americans Who Have Defended Our Freedom

These days, we hear a lot of people in Washington talk about sacrificing for the good of our country, but few Americans have sacrificed more than those who have served in our armed forces.

As we honor the veterans who have bravely served our nation during its 217-year history, we should take a few moments to recognize and appreciate some of the blessings we have here in America: peace, freedom and democracy. Without the dedication and pride of generations of soldiers, sailors and airmen, the United States would not be the leader of the free world today.

Veterans Day is celebrated every year on Nov. 11 to honor all U.S. veterans, living and deceased. The date commemorates the Nov. 11, 1918, armistice which ended World War I. Originally called Armistice Day, President Eisenhower changed the name to Veterans Day to honor not only those who served during World War I, but

veterans of all the conflicts the United States has fought.

Over the years, millions of men and women have left their families and friends and the comfort of their homes to fight on foreign soil for our freedom and our flag. Hundreds of thousands have died and millions have returned home, scarred in some way by the brutality of war. These are the people who have made the ultimate sacrifice to protect the American way of life and the ideals our nation is built upon. We should never take them or their deeds for granted.

On this Veterans Day, take a few moments out of your everyday activities to remember and thank those brave Americans who have given so much to protect our liberty.

As the young wife of a Desert Storm veteran wrote in a letter to TIME magazine, "We would not be the land of the free if we were not also the home of the brave." That says it all.

Jason Yeager To Report For Basic

WEEK ENDING 11-09-93 ARRESTS:

11-4...37-year-old Armando Borrego Ramirez of Ozona was arrested on charges of family violence. Later in the day he pleaded guilty in JP Court and was released after paying his fine.

11-8...34-year-old Randy M. Sanchez of Houston was arrested on charges of no driver's license. He is in county jail awaiting arraignment in JP Court.

11-8...37-year-old Keith E. Magee of Louisiana was arrested on charges of failure to identify. He is in county jail awaiting arraignment in JP Court.

INCIDENTS:

11-2...Steve Koska of Ozona reported the theft of a 1993 Ford pickup from his residence on 9th Street. The vehicle was entered in the national computer by the Crockett County Sheriff's Office. On 11-5, sheriff's deputies determined that the vehicle was in Seagoville near Dallas. The truck was recovered, and Imogene Neves of Ozona was arrested on charges of unauthorized use of a motor vehicle. She is in Dallas County Jail and will be returned to Ozona to be tried in District Court.

11-2...Leesa Haire of Ozona reported that someone had used a sharp object to scratch the door and back panel of her 1992 Ford car. The sheriff's office is interviewing witnesses, and the case is under investigation.

11-4...John Crowder of Ozona reported that he was threatened by a man during an argument on a ranch south of Ozona. Sheriff's deputies are investigating the offense.

11-5...Casey Cain of Ozona reported that three men threatened him with a rifle at Shot's #2. The men were apparently angry that the store was closed. Sheriff's deputies are investigating the offense.

11-6...David Bean of Ozona reported that someone stole his cellular phone from his vehicle. The case is under investigation by the sheriff's office.

11-7...Amanda Munoz of Ozona reported that she was assaulted during a family argument that occurred on Blas Street. Sheriff's deputies are investigating the offense.

Jason Wayne Yeager, a 1993 graduate of Ozona High School, has joined the U.S. Army.

Sergeant Francis A. Hayden of the Army's Recruiting station at 2833 D Southwest Blvd., San Angelo, who recruited Yeager, says he reported Oct. 15, 1993, to begin basic training at Fort Sill, Oklahoma. Yeager has committed to three years' service and asked for advanced individual training as a cannon crew member in the Field Artillery. Before enlisting, Yeager assured himself of a \$25,000 fund for college after his service is over by qualifying for the Army College Fund as well as the Montgomery GI Bill.

Yeager is the son of Donald R. and Carol Yeager of Ozona.

found the Bulldogs in the end zone on a 3-yard TD run with 5:00 left in the second quarter. They connected on the extra point, giving them a 14-13 lead at halftime.

The Lions had a good chance to get back on the scoreboard in the second quarter when Castro threw a 57-yard TD pass into the hands of Chris Sanchez. Unfortunately, an Ozona penalty negated the TD pass, and the clock ran out before the Lions could score.

However, a spirited Lion team came back in the second half with the able running of Anthony Sanchez. The Lions were not able to score a touchdown, but Ryan Morris kicked a 25-yard field goal to put them ahead 16-14.

Payne, discussing the third period, said, "The drive to open up the third quarter was a real important drive; it gave us a field goal and put us back on top."

Defensively, the Lions were able to stop the Bulldogs throughout the third and fourth quarters. According to Coach Payne, "Julio Martinez had a great game with 12 tackles—tremendous for a noseguard. Travis Davidson and Juan Trujillo had a good game with 9 and 7 tackles, respectively. Clay Westmoreland did a good job filling in for injured Eddie De Luna."

When the fourth quarter started, the Lions had the ball but were unable to get very far. Coahoma also had their problems with the Lions defense and punted the ball.

A last Lion scoring drive started from a Coahoma fumble recovery on the Coahoma 40-yard line. There the Lions started with runs by Anthony Sanchez and two passes caught by Jesse Garza—a 12-yard reception and a 27-yard pass from flanker Chris Sanchez. The extra point attempt was bobbled, but holder Jesse Garza grabbed the ball and ran across the goal line for the two-point conversion practically putting the ball game away.

Commenting on the game, Payne said, "The turnovers gave Coahoma momentum, and you have to give them credit for cashing in on them."

Payne added, "I'm real proud of the way the kids played. I thought we started the game with a lot of intensity, but in the second quarter we had a little sag and allowed Coahoma to catch up and get back in the game. Our defense won the game for us because they shut the Bulldogs down in the second half."

Other players that Coach Payne noted were the offensive linemen—opening holes and giving Castro pass protection. Chris Sanchez was double teamed from time to time, leaving Jesse Garza wide open for some big plays.

Also noted were, "Travis Davidson's efforts coming up with a big play and shutting them down. James Nelson did a good job of catching the ball," Payne said.

Looking to the bi-district game with Van Horn, Payne admitted, "They have been in the playoffs for several years in a row and they will be pretty good. They will have some speed and will play aggressively."

Payne's last comment seemed to say it all about preparation for the game, "We have to continue to improve on things we do every day and find another level."

*Dairy Meeting (Continued from pg. 1)

thing must be done to counteract this slumping business trend, and we started looking at possibilities of getting an industry such as a dairy to move to Crockett County. We spent a lot of time and money making sure that this industry is what we need and want in Crockett County. Folks, I'm here tonight to tell you it is a good deal," said Bryson. "We made sure, through a lot of effort, money and time that dairies are a sound economically viable industry for our community," said Bryson.

Jason Baird and his son, Jim, owners of the Baird Dairy of Troup, Texas, are in the planning stages of moving their dairy operation to Crockett County with possible land acquisition several miles north of the Circle Bar Truck Stop.

The Bairds gave a slide presentation on dairies of Texas, with emphases on Texas Natural Resources and Conservation regulations of water and solid waste containment and handling. The Bairds told the group that they want to re-locate to Crockett County. "There are too many advantages in West Texas that East Texas doesn't have," said Jason Baird. "We are located 20 miles from Tyler and Kilgore and there are three small towns within three miles of the dairy and odors do not present a problem," said Jim Baird.

The Bairds have a contract with bottlers in Corpus Christi and by relocating in Crockett County freight costs will be much less to the South Texas market. "Milk trucks from the El Paso area where the largest dairy in Texas is located will be passing right by us on

I-10 going to the same market area. We will definitely have the advantage," said Jason Baird.

The Bairds plan to have two truck loads of milk a day from 1700 head of cows, employing 33 people with an annual payroll of \$600,000.

Following the Bairds, Crockett County Extension Agent Billy Reagor gave a slide presentation on dairies in Texas covering their economic trends, stability and operation.

At the end of the program, chairman Bryson asked for questions from the public. Three were raised regarding the amount of water needed for the operation of the dairy and if studies had been made regarding usage and the effect it might have on the water table for surrounding landowners. Bryson indicated that studies are being made on this issue. Rep. Turner said that he was going to get the state to begin a study of water availability in the area.

The Stockman learned later in the week from chairman Bryson that the 3000 acre plot that the Bairds are proposing to buy has two deep, high volume sulfur wells which would be more than sufficient for the dairy operation itself. Bryson told the Stockman that the Bairds said all they will need is a fresh water well for homes at the dairy site.

State Senator Bill Sims said in a letter written to the Ozona Economic Development Group on Oct. 19, "It is my understanding that some dairymen are considering moving their operations to the Ozona area.

I believe that a dairy or several dairies should be welcomed to Crockett

County as long as they meet all the requirements of the Texas Natural Resources Commission. It is my belief that there will be no problem.

Crockett County is a perfect place for dairies because you have: hard working people who understand livestock; plenty of room so that the dairies will not be in each other's lap; you are on the interstate, which would be necessary for feed deliveries and marketing of milk; you are very close to Mexico where a large quantity of milk is shipped; you have excellent water; you have strong banks; and many more resources.

Please remember that dairies MUST produce a pure product, so they work all the time keeping things clean. I encourage you all to take a long look at the dairy industry. I believe they will make good citizens.

Sincerely,
Bill Sims,
State Senator-25th District

Public Notice

CALL FOR APPLICATIONS FOR THE SECTION 16 GRANT PROGRAM

ELDERLY AND/OR DISABLED GRANTS TO ASSIST WITH PUBLIC TRANSPORTATION

Pursuant to Title 49, United States Code, Section 1612 of the Federal Transit Act, the Texas Department of Transportation (TxDOT) issues this notice for solicitation of proposals and/or applications from private and public nonprofit organizations serving elderly and/or disabled persons to utilize funds available under the Section 16 grant program, administered by TxDOT.

Notice of Invitation: The Texas Department of Transportation (TxDOT) is issuing this request for applications for the Section 16 grant program. The Section 16 grant program provides capital assistance to nonprofit organizations which provide transportation services to elderly and/or disabled persons in Texas.

Funding for the Section 16 grant program is appropriated by the Federal government under the Federal Transit Act as described in FTA Circular 9070.1C, December 23, 1992. Fiscal year 1994 appropriations for Section 16 grant program are expected to be announced in October.

Eligible capital expenses under the Section 16 grant program include: (1) the replacement of vehicles such as buses, vans, trolleys, etc., currently used to transport elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; (2) the purchase of vehicles for service expansions and new services to elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; and (3) the purchase of radio equipment only, i.e. equipment that is not part of a vehicle allowed categories I and 2 of this paragraph. Section 16 funds must be used for transportation projects serving elderly and/or disabled persons.

Each project will be evaluated in the appropriate category in accordance with the stated selection criteria. However, TxDOT reserves the right to establish minimum required scores. Projects must meet Federal funding criteria included in Circular 9070.1C and must also comply with property management standards set out in Title 43, Chapter 31.57 of the Texas Administrative Code, relative to the replacement of vehicles. To be eligible for consideration, each 16 proposal must include the following documents and information:

(1) Successful completion of the pre-application interview and on-site visit with the District public transportation coordinator.
 (2) A complete Section 16 grant application, copies of which are available at TxDOT District offices. Applicants requesting funds for multiple projects should group them within the application by funding category (replacement vehicles, expansion vehicles, new starts, and radios). The narrative should demonstrate the need for the equipment, the capability to maintain and operate the equipment,

and the involvement of the applicant and the community in requesting funding for the equipment.

(3) A budget for each category of equipment which shows the unit cost of each item and total equipment costs. The federal dollars and local match dollars provided by the applicant should be noted.

(4) Compliance with the Americans with Disabilities Act to provide transportation services that are accessible to disabled persons.

(5) Provide proof of demonstrated coordination efforts with other transit systems within the applicant's immediate service area in the application.

(6) Proof of local match ability to pay a minimum of 20 percent of funding for said equipment. No federal dollars may be used as local match unless authorized by the federal agency that awards those monies.

(7) The latest annual one-way passenger trip figures for the applicant agency, with the source of the information shown (such as TxDOT reports, etc.).

(8) The latest annual administrative/operating budget for the transportation services provided by the applicant agency. Equipment costs should not be included.

(9) The latest population estimates for the applicant's authorized service area and agency clientele served, with source of the information shown.

Agencies requesting Section 16 funds for the purchase of vehicles (replacement or expansion) must also submit the following information:

- (a) A complete inventory of the current vehicle fleet, with the following information provided for each vehicle:
 - *type (bus, van, etc.)
 - *license of serial number
 - *size (length)
 - *passenger capacity
 - *special equipment on board (radio, lift, ramps, etc.)
 - *model year
 - *odometer reading, date of odometer reading, and whether vehicle is a spare or is used regularly to provide service.

Agency contact: Questions concerning the request for proposals should be referred to the Public Transportation Coordinator with the local TxDOT District Office.

Response date: Written proposals must be received by the Public Transportation Coordinator, Mr. Tommy Robinson, Texas Department of Transportation, at 4502 Knickerbocker Road in San Angelo, on or before January 18, 1994.

Selection criteria: TxDOT will select projects for Section 16 funding on quantitative measures such as demonstrated coordination efforts, ability to operate present equipment on an annual basis where applicable, local match ability, ability to meet service needs of elderly and/or disabled persons based on passenger trips per vehicle per month in urban or rural areas, hours of services, ability to maintain equipment, average fleet mileage where applicable, and average fleet age where applicable. Only those measures appropriate to a specific funding category will be used in evaluating projects within that category. 2c38

Emergency Farm Loan Applications Being Accepted

Applications for emergency farm loans for losses caused by drought from Jan. 1, 1993 and continuing are being accepted at the Farmers Home Administration (FmHA) office located in Eden, Texas, FmHA County Supervisor Fred Greenway said.

Crockett County is one of seven in Texas recently named by Secretary of Agriculture Mike Espy as eligible for loans to cover part of actual production losses resulting from the drought.

Fred Greenway said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business

for \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Mr. Greenway said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

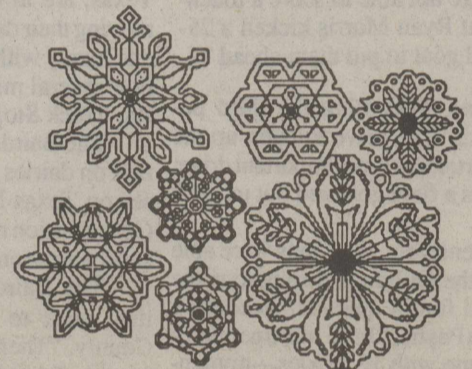

"Applications for loans under this emergency designation will be accepted until June 27, 1994 but farmers should apply as soon as possible.

Delays in applying could create backlogs in processing and possibly over into the new farming season," Fred Greenway said.

FmHA is a credit agency of the U.S. department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

VETERANS DAY

Democracy. Freedom. The American experience and spirit is founded on these words. In times of peril our servicemen have defended this spirit with dedication and courage. Many have given their lives to preserve it. Today, young men from our community are continuing to uphold tradition. Our hearts and thoughts are with them, and with all those men before them.
