Pulfer Overall Winner In Crockett County Sheep Dog Trial Classic

Ralph Pulfer became a two-time overall winner in the Texas Winter Olympics Sheep Dog Trials when his dog, Ken, took the Top Dog Award at the finish of the Crockett County Classic Trial held January 14 through 16 at the Weir-Perry Kennels in Ozona. After two near perfect runs on Friday and Saturday, Ken brought Mr. Pulfer a beautiful porcelain sculpture from Border Fine Arts in Scotland entitled "The Shed". The Top Dog Award for the three-trial Winter Olympics was donated by West Texas Utilities. Charles and Nancy Stegall, representing the Sanderson Sheep Dog Trials and the End of the Road Trials, along with Ivan and Janet Weir and Gene and Betty Perry of the Crockett County Classic presented the award.

Forty-four Open Class dogs finished a grueling ten days of sheep herding with two runs on the new and larger National style course at the Weir-Perry Kennels. Mr. Bud Boudreau of Marcus, South Dakota, who judged all three trials, had nothing but praise for the dogs and their handlers. "This is a great course for some of the finest trial dogs in the nation. It really shows what they can do."

Mrs. Kathy Know of Butler, Mo., with her dog, Jess, was the Open Class winner in the Crockett County Classic. On Sunday, Charles Stegall of Sanderson, with Dolly, was the winner of the Open Ranch Class; Jody Everett of Mertzon, with Oso, took the Ranch class; and Sarah Muir from Phoenix, AZ with her dog, Dix, won the Nursery Class. In all, 116 dogs were entered during the three day event.

In addition to cash awards, first place trophies in the Nursery, Ranch, Open Ranch and Open Classes were donated by Crockett County National Bank, Ozona National Bank and the Ozona Chamber of Commerce. Second place mohair throws were given by the Ol' Sonora Trading Company, Perry Motors, and J. W. Motor Parts. Weir-Perry Kennels provided the third place awards. Additional prize money was subscribed by: Ozona Butane, Jim Bass Ford, Crockett County National Bank, Ozona National Bank, Dr. Marcus Sims, Shelton Oil & Gas, Ozona Wool & Mohair, Wool Growers, West Texas Utilities, Circle Bar 76 Truck Stop, Circle Bar Best Western Motel and RV Park, South Texas Lumber Company, Ed Collett & Son Gun Shop, Preddy's Chevron, Livestock Weekly, Fesco, Westerman Drug, Flying W Motel, Upham Insurance, The Teacher Store, Young's Barber Shop, Tedford Jewelry, A Family Affair, Silverhawk Mechanical, Ozona Veterinary Clinic, McCleary Used Cars and Aircraft Service, Thorps Laundry, The Outpost, American RV, Perry Motors, JW

Motor Parts, Village Drug, Hero's Pizza, and the Davidson Ranch. The Ozona Lions Club provided a special novice dog award and other special awards were donated by Beef Pro. Crawford Mitchell of Rocksprings and Randy Wilson of Ozona were up at 4:00 a.m. each morning to furnish a hot campfire breakfast for the dog handlers. In addition, they prepared a campfire lunch every day for handlers, their families, and sponsors of the trial. Maida Sims and Alfred Enriquez manned a busy Coke trailer. Coca-Cola of San Angelo provided free soft drinks for everyone throughout the trial.

With only ten hours of daylight, the sheep handlers, Gloria and Bobby Ogle and Virginia Gotcher, faced the formidable task of having sheep in place on the course every twelve minutes to ensure each dog had his run.

Janet Weir, Jean Read, Jo Davidson, Glenda Henderson and Betty Perry acted as clerks, scorekeepers, and paymasters. Lalo Longoria and Ron Repman took care of the equipment and maintenance.

A Dutch Treat Handlers' Supper was held Saturday evening at the Circle Bar Restaurant. Following dinner, Ivan and Janet Weir and Gene Perry presented awards for the Open Class held Friday and Saturday. Open Ranch, Ranch and Nursery Class Awards were presented Sunday evening at the completion of the trial.

Results in the various classes:
Nursery Class; 1st Place-Sarah Muir, Phoenix, AZ, with Dix; 2nd Place-Richard Whalley, San Diego, CA, with Blazin Lacy; 3rd Place-John Bellamy, Red Oak, with Bud; 4th Place-Dal Lamphere, Barksdale, with Nap.

Ranch Class; 1st Place-Jody Everett, Mertzon, with Oso; 2nd Place-Candy Brown, Iredell, with Wisk; 3rd Place-Judy Stegall, Sanderson, with Ned; 4th Place-Steven Watson, Houston, with Midge.

Open Ranch Class; 1st Place-Charles Stegall, Sanderson, with Dolly; 2nd and 3rd Places-John Bellamy, Red Oak, with Max and Bud; 4th Place-Ivan Weir, Ozona, with Moy.

Open Class; 1st Place-Kathy Knox, Butler, Mo, with Jess; 2nd Ralph Pulfer, Quincey, OH, with Ken; 3rd Place-Red Oliver, Caldwell, with Roy; 4th Place-Kathy Knox, with Bob; 5th Place-Ralph Pulfer, with Clint; 6th Place-Lewis Pulfer, Quincey, OH, with Cap; 7th Place-Herbert Holmes, Sheffield, with Dave; 8th Place-Robin Elliott, Boulevard, CA, with Blaze; 9th Place-John Bellamy, Red Oak, with Skeet; 10th Place-Charles Stegall, with Taff, and 11th Place-Ralph Palmer, Omaha, NE, with Nap.

Top Dog Award

Ralph Pulfer of Quincey, OH, receives a beautiful porcelain sculpture for being the overall winner of this year's Texas Winter Olympics Sheep Dog Trials of Crockett County from Charles Stegall of Sanderson. This is the second overall win in a row for Pulfer.

Photographed (L-R): Janet and Ivan Weir, Ralph Pulfer and his dog, Ken, Charles Stegall, Judy Stegall, Gene Perry and Nancy Stegall.

Fort Operation To Continue Under TRC

Melinda Hokit, supervisor at Fort Lancaster State Historic Site, was in Austin last week to attend a meeting at Texas Rural Communities Inc., the organization which operates the fort. Texas Parks and Wildlife Department entered a five-year contract last year with TRC to operate Fort Lancaster and four other state parks.

"TRC was very pleased with the

Partnership in Parks agreement that they made with Texas Parks and Wildlife Department," Ms. Hokit said. At this time the department is exercising an annual option to renew the five-year agreement with TRC. "The contract is in the final stages of renewal," she said.

Other parks in the TRC program are Eisenhower Birthplace in Deni-

son, Fort McKavett in southwestern Menard County, Starr Family Mansion in Marshall and Caddoan Mounds near Alto.

At the meeting last week all park managers discussed the activities they were planning for the near future and ideas on how to draw more attention to the parks.

"We discussed cost control,

community involvement, promotions of the parks, operations and maintenance. To me the meeting was very productive for everyone. I know that I learned some things that will help.

"Things are looking better all the time for the parks. Fort Lancaster has an interesting assortment of books and souvenirs for sale with an open invitation to come by and look around," said Ms. Hokit.

Local Organizations Sponsor Blood Drive Jan. 27

Xi Sigma Omega will join with the Ozona Lions' Club Jan. 27 in accepting blood donations for United Blood Services of San Angelo. Donors may volunteer at the civic center between 1 and 7 p.m. or until all donors have been drawn.

"It seems the past two or three drives have found me pleading for donors," said Connie Jennings, local drive coordinator. "We're in a bad situation again. Widespread illness in the Concho Valley has left the shelves at the center looking bare. Healthy donors have been volunteering at the center, but turn out at the mobiles, such as the one we'll have here tomorrow, has been very poor. We are desperately pleading for all healthy citizens of Crockett County to take a few minutes to come in some time tomorrow

to volunteer their assistance in this near crisis-situation," Mrs. Jennings went on.

Gary Karschner, community relations representative of United Blood Services, and Mrs. Jennings met Monday with primary, intermediate and high school students in an effort to educate them on the donor process and enlist their help in finding new donors. The "Be A Hero" program, as it is known, was presented in the elementary grades last spring, and the students were successful in bringing in more than 50 volunteers. Those bringing in volunteers receive pencil packets for their notebooks.

"I'm confident these kids will work equally as hard this time," said Mrs. Jennings. "They are a great influence on their parents and really seem to enjoy educating mom and dad on the importance of giving blood."

The Ozona Lions' Club has volunteered to join in the effort by providing hamburger plates for all donors beginning at 5. The ladies of Xi Sigma Omega will provide desserts.

The T-shirt program begins again with this drive. This year it will be "4 in '94". There will be a total of five drives throughout the year hosted by United Blood Services and Xi Sigma Omega.

"Many people are putting forth every effort to bring in donors tomorrow," Mrs. Jennings explained, "but, of course, you can't make people come in. We're hoping that every citizen of our community will see the urgency of this situation and rise to the occasion. We're willing to stay as long as people are coming in."

United Blood Services is the nonprofit community blood provider serving patients in 16 hospitals throughout the West Texas area. Since blood cannot be manufactured or synthesized and can be stored only 42 days, a safe and adequate supply of blood must be available to meet the needs of local hospital patients. Currently, more than 1300 units of blood must be collected each month to meet

area demands.

Blood used by patients in the U.S. system is freely provided by volunteer blood donors, so there is no charge for blood itself. U.S. charges a processing fee to recover the operational costs of the blood center, including collecting, testing, processing, storing and delivering blood and blood components. Health insurance usually covers this fee.

Healthy people 17 and over may donate blood. Each donor receives a thorough pre-donation interview, including a careful review of medical

history and a check of temperature, pulse, blood pressure and blood iron level. After the blood is collected, it is typed and tested for diseases which could be transmitted to the recipient. Should any of these tests indicate the need for medical attention, the donor is notified.

The actual donation takes about 10 minutes. The donor relaxes in a comfortable chair while one unit (about a pint) of blood is collected in a special container. Afterward, donors will be treated to hamburgers and a dessert before returning to their normal routine.

Cubettes Maul Eagles

Remain undefeated for the season

By Neal Ulmer, Stockman
Sportswriter

The Ozona 8th Grade Cubettes easily won 42-13 over the Eldorado Eagles in the Jan. 17 evening game in Ozona. The Cubettes remain unbeaten with a 12-0 season record. The 8th Grade B team beat Eldorado 10-4 in earlier action.

Causing turnovers in a fast paced quarter, the Cubettes jumped out in front scoring 15 points. Good defense held the Eldorado team to only six points scored in three quarters.

"The half-court defense was real good and actually they all played good," said Coach Dickie Faught of the Cubettes. "A lot of shooting from the perimeter was to loosen the defense up. I was encouraged to see the perimeter shooting."

Scoring for the Cubettes were: Bobbie Bryson (two 3-point) and Amber Tarr with 12 points each. Amber McWilliams scored five points, Leslie Avila made four points, Lauren Wilkins and Tracy Screws scored three

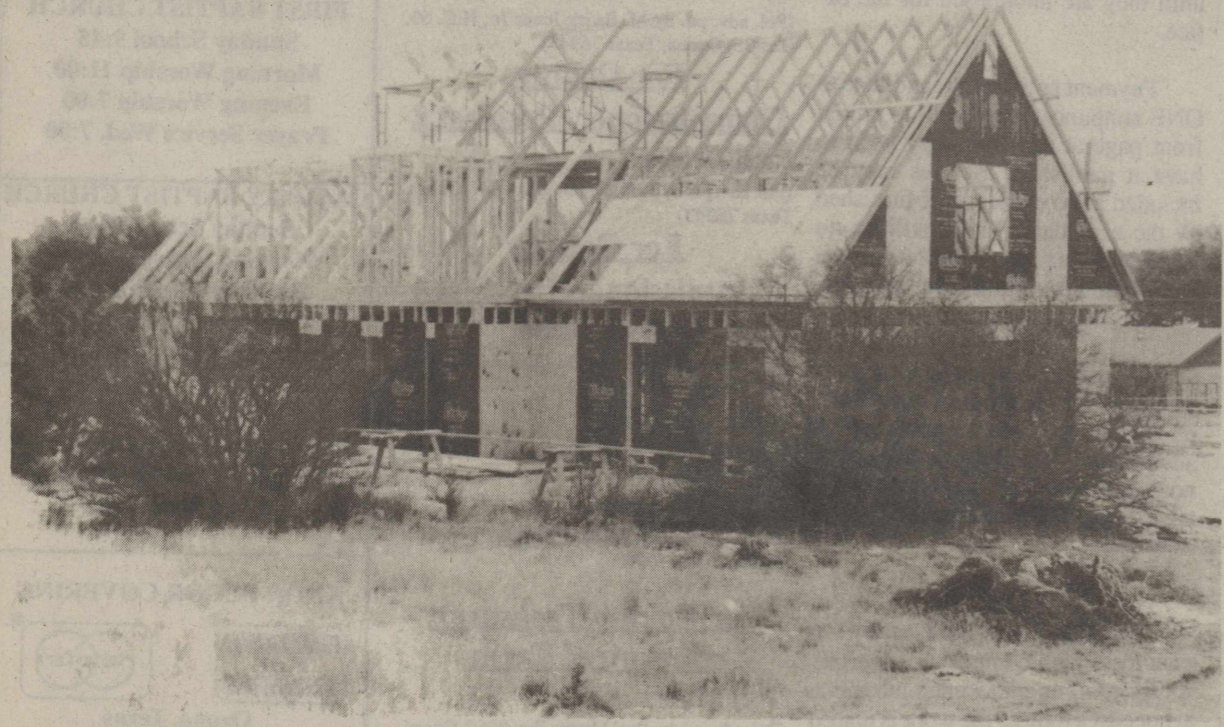

points each, Autumn McWilliams made two points and Juli Hall scored one point.

The Ozona 7th Grade Cubettes had little difficulty in defeating Eldorado 25-18 in an early evening game Jan. 17 in Davidson Gym. An early lead was taken with the Cubettes scoring seven points and holding Eldorado scoreless.

The Cubettes' team had trouble in the second period with their defense and allowed Eldorado to score eight points. The remainder of the game was about even with the Cubettes staying on top and winning the game.

Coaches Renee Schulze and Michelle Driver were pleased with the outcome. "This was an important win, for the Cubettes have been beaten by this team, and we have proved that we are better," the coaches said.

Cubettes scoring were: Lindsay Flanagan with 12 points, Lori Sanchez scored six points, Angela Branch made four points, Courtney Cameron scored two points, and Gina Castro made one point.

MRS. JOHN BOHANNON is justifiably proud of this recently completed quilt which was begun by her mother, Mrs. O. N. Mayo, in 1938. Mrs. Bohannon's sister-in-law, Laura Bohannon, completed the project after a year of work.

Heirloom Quilt Finished After Years Of Storage

Mrs. John Bohannon is the happy recipient of a recently completed quilt which was begun by her mother in 1938. The late Mrs. O.N. Mayo started the floral-appliqued coverlet in Brownwood, but a war and a debilitating stroke ended her work on the project.

After Mrs. Mayo's death in 1950 Lucile Bohannon's father gave her a box of her mother's things, "a little sentimental box", and the partially completed quilt top was inside.

Many moves later, Mrs. Bohannon took the quilt out to show her sister-in-law, Laura Bohannon. They laid out the cut pieces and found that most of the parts were there, along with the directions and a metal embroidery hoop still in place on the quilt.

"I asked my sister-in-law if she thought it could be finished," Mrs. Bohannon said. Laura, who is the wife of John's brother, Vernon Bohannon of San Antonio, responded that she didn't know if it could be completed or not, but it would be a challenge.

"I offered to pay her for the work, but Laura said if she put in that much time she couldn't part with it. She would bequeath it to my youngest daughter."

A year and many tiny, even stitches later, the quilt is back in Ozona. "A month ago Laura said 'I want you to go ahead and have it,'" Mrs. Bohannon related.

On its way to completion, Laura Bohannon worked to match some fabric, part of the pattern was gone and cut pieces were used to make new ones. The design had to be modified slightly in one area to cover rust from the embroidery hoop.

"I like to think my mother knows its been finished," said Lucile Bohannon. "I had a wonderful mother; she loved beautiful things and I hope she knows about this."

Carefully embroidered in one corner are the words "1938 Susie Mayo 1993 Laura Bohannon bequeath to Carol Bohannon Martin".

Lucile and John are happy that their youngest daughter and her husband, Sammy, will have the quilt to enjoy and display in their home near Leesville.

Lone Star Events

Jan. 28-29—Texas Mohair Festival, Kerrville. Even though cattle drives put Kerrville on the map, some of the town's first pioneers settled here to raise goats. Kerrville, located 46 miles northwest of San Antonio, is the angora goat capital of Texas. Naturally Kerrville is host to the world series of goat shearing during this weekend tribute to the mohair industry. Activities include compe-

titions for stock dogs and cutting horses trained to work with goats and a trade show. Browse through the arts and crafts booths, and attend spinning and weaving demonstrations. Be sure to catch the Miss Mohair beauty contest. Contact the Chamber of Commerce, 1200 Sidney Baker, Kerrville, 78028. 210/896-1155.

Card of Thanks

I want to take this time to thank the men at the Texaco Plant for the very nice and enjoyable party and for the great gift they gave me on my retirement. I will never forget you.

Thanks also to my family for the reception and to friends that attended.

To Carmen and Charlie Ramos, El Chatos and the Stockman — thank you.

God Bless each and everyone of you

Card of Thanks

The family of Baby Harrison would like to express our gratitude for the tremendous amount of support given to us during her lengthy illness.

We would like to thank our many friends for all the floral tributes, visits, food, cards and calls we received in sympathy. We would especially like to thank the Church of Christ for delivering dinner to our home and for their many prayers.

Many friends encouraged Baby at the beginning of her illness and continued to remember her on special occasions. We would like to thank these friends now for their calls, flowers, cards and hospital visits. She had so many friends, and we appreciate the devotion and love they showed her and us throughout her illness.

We would like to take this opportunity to thank the Crockett County School Board and Mr. Jim Payne for their concern and support. We are very grateful to and would like to thank the nurses and staff of Crockett County Hospital and the Crockett County Emergency Medical Service.

Our family would like Dr. Marcus Sims to know how much we appreciate everything he did for our family. He aided us in many ways, and we were fortunate to have him as a physician and a friend during these long months.

Many special friends did so much for us during this most difficult time in our lives. We hope these exceptional people know how much their kindness, love and support meant to our family. Thank you.

(Series #4)
(Harvest Time Christian Center)

In my last article, I concluded with reference to the fall of man and his need of redemption. Because of God's great love, he was not willing to let man perish, so he began to unfold his plan to bring fallen man back into fellowship with himself.

From the time God promised a Redeemer (Gen. 3:15) until His own Son, Jesus cried out from a cross, "It is finished" (Jn. 19:30), many centuries were to pass, but God never forgot his promise to man. All God's promises come to pass in His own time. Paul told the Galatian church, "When the time had fully come, God sent his Son, born of a woman, born under the law, to redeem those under law, that we might receive the full rights of sons" (Gal. 4:4,5; NIV).

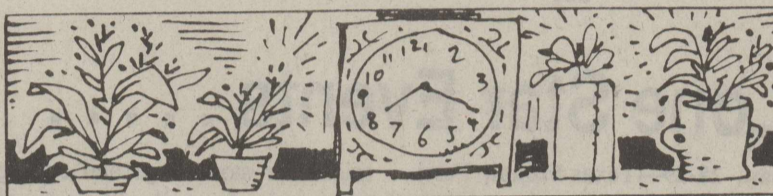

We believe salvation is the theme of the Bible. It is God's will that all be saved (2 Peter 3:9). But in order to become a partaker of sal-

vation with all its benefits, there is something we must do. Paul said "...if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God has raised him from the dead, thou shalt be saved", "...for whosoever shall call upon the name of the Lord shall be saved" (Rom. 10:9,13). This is called by Jesus a spiritual birth. He said, "without this new birth, we could not enter into the kingdom of God" (Jn. 3:3-7).

In much of our teaching and preaching, we encourage people to accept God's plan of salvation and be restored to fellowship with God and insured of an eternal home in heaven.

Next week, we will tell you what we are to do after we receive cleansing from sin.

Total Of Divorces More Than Half The Number Of Marriages In 1992

Divorces granted to Texas couples in 1992 totaled more than half the number of marriages performed during the year, according to statistics from the Texas Department of Health.

While TDH recorded 178,070 marriages in 1992, the state also granted 86,629 divorces.

The most numerous age group of both men and women who married in 1992 was 20-24 years. Divorces were most common among the 25-29 age group for women and among the 30-34 age group for men.

The largest number of divorces concluded marriages of less than five years (32,542). Some marriages lasted less than a year before divorce (4,475).

Among adolescents and teens, 506 girls and 55 boys younger than 15 were married. Meanwhile, among those 65 and older, 1,881 women and 3,483 men were married. Divorces involving those 65 and older included 1,019 women and 1,897 men.

Almost half of the divorces in 1992 involved no children, while 23,461 involved one child. The total number of children involved in divorces last year was 89,936.

By Tim Brewer

Henri Nouwen suggested that there are three obstacles to modern spirituality. The first is business. The modern world idolizes productivity. We reward workaholics. We list people's accomplishments and give the hardest workers awards and recognition. The problem is that work becomes our goal and spirituality is forgotten. We have no time to pray or

read scriptures or go to worship or just appreciate what God has given us. They are less important than work. We end up with a full resume and an empty life. Business pushes spirituality out of our lives.

A second obstacle to spirituality is envy. We see what other people have and we want it. We think our lives would be complete if we just had their wealth or talent or personality. We are never satisfied with what we have and who we are. Contentment is part of the spiritual life.

A third obstacle is anger. In truth we nurture, even enjoy our anger. We feel people deserve our anger and they may have done something terrible. The problem is that anger eats us up, consumes our attention, and pushes us to neglect God. If we give up anger, we make room for love and God.

We are busy, envious, and angry, and God takes a back seat. We are consumed and not built up. Community is destroyed.

Removing obstacles lets the river of life flow again.

Medicare General Enrollment Period Begins, Through March 31

Did you decide not to take Part B of Medicare when you were first eligible for it? Or, did you have Part B once and then dropped the coverage? If you fit into either of these situations, you'll have a chance to sign up for Part B during the annual enrollment period that runs from Jan. 1, 1994, through March 31, 1994. This three-month period offers a second chance to those who did not enroll when they were first eligible and those who dropped their coverage in the interim. If you enrolled during the current sign-up period, your coverage will begin July 1, 1994.

If you did not enroll when you first were eligible, your Medicare Part B premium will be 10 percent higher than the basic monthly premium for each 12-month period you were eligible but not enrolled. For 1994, the basic monthly Medicare Part B premium is \$41.10. There are special premium rules and enrollment period (generally with no penalty for delayed enrollment) for workers age 65 or older and for people under age 65 with disabilities who have group health coverage based on their own or their spouse's current employment. Part B coverage, also called "medical insurance", helps pay for doctor's services, outpatient

hospital care, and other medical services.

If you're age 65 or older and not eligible for Medicare's premium-free Hospital Insurance (Part A) coverage, you can buy this coverage along with Part B coverage during the annual enrollment period. (People entitled to Medicare Hospital Insurance through the Social Security or Railroad Retirement systems or through government employment do not pay this premium.) Your monthly premium will be 10 percent higher than the basic amount if you delayed your enrollment for 12 months or more after you were first eligible to enroll. In 1994, the basic monthly premium for Part A coverage will be \$245. For individuals with 30 credits or more of work covered by Social Security but not enough to qualify for benefits, the amount is reduced to \$184.

If you think you qualify but you haven't filed for Medicare Part A, contact Social Security to find out if you need to file an application. Further information about filing for Medicare is available from your local Social Security office or from Social Security's toll-free number, 1-800-772-1213.

Texas Monthly Oil And Gas Statistics

Services Available For Blind Children

The Texas Commission for the Blind offers a variety of services for children through the Blind and Visually Impaired Children's Program.

Early detection of potentially disabling eye conditions makes it possible to treat many of these children. In some cases, full sight can be restored; in others, blindness can be avoided and existing sight can be conserved and enhanced through visual aids.

Young children whose vision cannot be restored or corrected will need intensive specialized developmental stimulation, and their parents will need an equally strong support

Prevocational guidance, counseling and advocacy all play important roles. Dependent upon the degree of visual loss, various types of low vision aids and technological equipment are needed to enhance learning, traveling and communicating skills.

Through a caseworker in its San Angelo office, the Commission offers service to blind children and their parents living in this area. If you or someone you know has a child who is blind or visually impaired, contact the Commission's San Angelo office at 915 949-4601 or call toll free 1-800-252-5204 to find out more about agency services.

Cubettes Win McCamey Tourney

By Neal Ulmer, Stockman Sportswriter

The Ozona 7th Grade Cubettes, nervous and excited, easily made it to the finals in the McCamey Junior High Tournament held Jan. 13 and 15. The Cubettes won the tournament by defeating the hometown team 17-13 in Saturday evening's championship game.

Both the Cubettes' A and B teams were entered in the tournament with only the A team being victorious. The B team was eliminated from the tournament after losing two games.

Scoring was led by Lindsay Flanagan with 13 points in the A team's first game with Reagan County, followed by Lori Sanchez with four points, and Robin Tambunga and Griselda Quiroz making two points each.

The 7th Grade Cubettes again found it rather easy in defeating Sonora 30-17 in their second tournament game. Working as a team, the Cubettes played hard to get the 9-9 tie at the end of the first period. Shooting consistently until the fourth quarter, the Cubettes slowly took over control of the game.

Ozona had difficulty in scoring in the last period with only three points scored while holding Sonora to two points. Scoring for the Cubettes were: Lindsay Flanagan with 10 points, Lori Sanchez and Angela Branch made seven points each, Gina Castro scored three points, Robin Tambunga made two points, and Nicole Perez scored one point.

Reaching the championship game probably came as no surprise to 7th grade coaches Renee Schulze and Michelle Driver. "I think I've never seen a total group as this that wanted to win so bad," said Coach Schulze. "They played so good, hustled, and came through when needed."

The Ozona 7th Grade A team,

through sheer determination, won the championship game 17-13 over their host McCamey in Saturday's evening game. Scoring did not come easy for the seventh graders, as they could rally for only three points in the first quarter.

Down by two points at halftime, the Cubettes energized for six points in the third period and held McCamey scoreless. This led to a four point lead by the end of the third quarter. The Cubettes persisted and kept their lead to win the game.

Scoring in the final game were: Lori Sanchez with 11 points, Lindsay Flanagan made three points, Gina Castro scored two points, and Angela Branch made one point.

In discussing the championship game, Coach Schulze said, "The Cubettes really hustled. It was their best defense they've played the whole season and best team effort."

The Ozona 7th Grade B team played their first McCamey tournament game on Thursday afternoon, meeting the Iraan 7th Grade team. Although the Cubettes played hard, they lost 33-6.

Scoring for the Cubettes were: Misty Graham, Patricia Garza and Amanda Denny making two points each.

The second game for the B team was just as hard as the first game with the Cubettes facing Rankin on Saturday morning. The Cubettes scored in three of the four quarters, but unfortunately not enough as they lost 18-7.

Scoring in this game were: Misty Graham with three points, and Jackie Tucker and Courtney Cameron making two points each.

"With a little more practice and court time, the Cubettes will be tough and good," said Coach Schulze.

Cubs Win Second In McCamey

By Neal Ulmer, Stockman Sportswriter

The Ozona 7th Grade Cubs won second place in the McCamey Junior High Tournament Jan. 13 and 15. The Cubs hustled and played hard, but came up short on the scoreboard in the championship game with McCamey.

Winning is not always easy, and sometimes can be very difficult as the Cubs found out in their first game with Reagan County. Although, the Cubs won the game 33-29, it proved to be tough as the Owls came up with a 10 point rally in the fourth quarter. The Cubs were only able to score six points in the fourth after rallying for 13 points in the third quarter.

Scoring for the Cubs were Mitchell Martinez with 11 points, followed by Matt Galindo with eight points, Anthony Ortiz and Robert Kelly scored six points each, and Brad Sullivan made two points.

Ozona won the second game 35-26 over the Sonora Colts in Saturday afternoon's action. Shooting came easier to the Cubs as they scored 12 points to Sonora's five points in the first period.

Sonora was not able to get close to the hustling Cubs. Ozona had their biggest lead at the end of the third period with the score Ozona 29, Sonora 13.

Leading the scoring in this game was Mitchell Martinez with 16 points, Robert Kelly scored 10 points, Matt Galindo made five points, and Anthony Ortiz and Brad Sullivan scored two points each.

The championship game with McCamey was interesting with both teams hustling and working hard. The McCamey team won the game, but an Ozona injured player interrupted the manager from completing the scorebook. Therefore, a final score and individual scores were not available. The score at the end of the third period was Ozona 19, McCamey 23.

"McCamey was much taller than we were, and they just put the ball up and made their shots," said Coach David Delgado. "We just couldn't stop them."

"We had to shoot from the outside and put up jump shots, but they just didn't go in," added Delgado.

Although not complete, scoring for the Cubs were Mitchell Martinez

with eight points, Anthony Ortiz scored five points and Robert Kelly made two points.

Cubs Split Two With Eldorado

By Neal Ulmer, Stockman Sportswriter

The Ozona Cubs split two games with the Eldorado Eagles on Jan. 17 in Eldorado. The 8th Grade Cubs playing well in the first half had trouble in the third period, scoring only three points, and lost 30-41.

Leading his team in scoring, David Browne made two 3-point shots and garnered a total of 19 points, followed by Rick Hamon with five points, Rob Hamon made four points, George Hernandez scored two points, and Brandon Parlow made one point.

"I though the Cubs played real hard, and I have seen improvement every time we've played," said Coach Don Payne. "Our post players are getting better with Brandon Parlow and Wesley Bean. Those people playing inside are getting better."

"We still need to get the ball in the basket and especially some other guys scoring," Payne added.

With only one loss for the season,

the 7th Grade Cubs beat the Eldorado Eagles 37-31 last Monday in Eldorado. The Cubs started big with 13 points scored in the first period compared to Eldorado's five points.

Eldorado came within five points at the end of the third period, but the Cubs continued to hold on to their lead to win.

Mitchell Martinez led his team in scoring with 15 points, followed by Anthony Ortiz with nine points, Matt Galindo scored five points, Robert Kelly and Mark Childress made three points each, and Brad Sullivan scored one point.

"In the McCamey tournament, Eldorado ran a zone defense and last Monday night they ran a man-to-man defense, allowing us to execute plays," said Coach David Delgado, noting an interesting point.

"Our press worked real well, and we got a lot of turnovers. Defensively, Mitchell and Matt were outsized but did excellent."

Pasture To Packer Meetings Set

Two identical programs explaining the Texas Agricultural Extension Service's recently completed lamb Pasture to Packer Program are set for 7 p.m. Jan. 31 in San Angelo's Texas A&M Research and Extension Center and at 7 p.m. Feb. 9 in the Ozona Civic Center.

The program's purpose is to explain and discuss the final results of the program. Since participants were from across Texas, two centrally located sites were chosen.

The Pasture to Packer Program completed the end of October, was Extension's first effort to provide lamb producers an objective hands-on view of commercial lamb finishing. Sixty-two producers from 18 counties put over 1,200 lambs on the feeding test. The program's purpose was to pro-

vide lamb producers information on their animal's growth and carcass qualities. It also gave them a taste of profit or loss potentials faced through retained ownership through the feedlot and on through the slaughtering process.

"All the producers involved have already received checks for their lambs as well as preliminary date on their animals," said Dr. Frank Craddock,

San Angelo-based Extension Sheep and Goat Specialist and a test coordinator. What we plan to do at these two meetings is to give them a final overall view of the program and discuss where we go from here."

For further information, contact Craddock at 653-4576 or Dr. Rick Machen, Extension Livestock Specialist in Uvalde at 210 278-9151.

Birth Records Reflect Continued Popularity Of Some Babies' Names

Of all the tables, graphs and lists combined in the annual report of the Texas Department of Health's Bureau of Vital Statistics, perhaps the item most of interest to new parents is the list of most popular baby names.

Richard Bays, chief of the Bureau of Vital Statistics, said that since 1990, the list of most frequently given names of newborns from the previous year has been a standard entry in the report. The list and other data are compiled from birth certificates filed at the bureau. Bays said that some names recur every year on the list. "Only their rankings among the top 10 ever change," he added.

"However," he said, "sometimes we see celebrities' names appear. We suspect that ideas for some names, particularly those of girls, are inspired by popular movie and TV stars, and sometimes by soap opera characters."

In the order of most often chosen, the 10 most popular names for boys born in Texas during 1992 were: Christopher, Michael, Joshua, Matthew, David, John, Justin, James, Daniel and Jonathan.

For girls born during the same period, the 10 most frequently given names were: Ashley, Jessica, Amanda, Brittany, Sarah, Stephanie, Samantha, Elizabeth, Lauren and Jennifer.

The rankings of both lists varied slightly from the lists of 1991, but the names remained the same, with one exception: Jonathan replaced Jose on the 1992 list for boys.

Besides compiling separate lists for all boys and girls born during the previous year, the report also provides similar lists representing ethnic groups. Although those lists contain many of the same names as the over-all roster, there are some exceptions.

Among children of white parents, the most popular names for boys were: Michael, Christopher, Matthew, Joshua, James, John, Justin, William, Jacob and Cody. For girls, the were: Ashley, Sarah, Brittany, Lauren, Amanda, Taylor, Shelby, Chelsea, Elizabeth and Courtney.

Black parents chose: Christopher, Joshua, Michael, Brandon, Anthony, James, Jordan, Robert, Darius and Xavier for boys, and Jasmine, Ashley, Brittany, Jessica, Taylor, Amber, Danielle, Alexis, Briana and Courtney for girls.

Hispanic parents chose: Jose, Juan, Luis, Jesus, Daniel, Michael, David, Christopher, Jonathan and Joshua for their sons, and Jessica, Ashley, Stephanie, Maria, Amanda, Samantha, Jennifer, Vanessa, Crysta and Elizabeth for their daughters.

Eighth Annual Texas Cowboy Poetry Gathering Set For March

The Eighth Annual Texas Cowboy Poetry Gathering is set for March 4 and 5 on the campus of Sul Ross State University. *Trappings of Texas*, 1994, the fine arts and horse gear exhibit at the Museum of the Big Bend, will open in conjunction with the gathering on March 5.

The gathering will include some new sessions as well as the old favorites, the chuckwagon dinner, the open session at the civic center on Friday night and the Saturday night stage show. Craig Carter and the Spur of the Moment Band are booked to play for the Saturday evening dance.

Over 35 cowboy poets and musicians have already signed on for this popular event. Favorites such as Alpine's Apache Adams, B. J. Haverlah and Michael Stevens will be joined by Clay Lindley, Sam Massey, Larry McWhorter, Chuck Milner and host of other poets and musicians to entertain and educate viewers on cowboy life.

For more information on this fun-filled weekend that celebrates the traditions of the West, contact J. J. Tucker at 837-8191.

Big Lake Little League Expands Area

Recently the Reagan County Little League Board of Directors voted to expand their charter to include the Ozona area.

"In doing so, we hoped to provide Little League sanctioned activities for a larger number of West Texas youths," said president Greg Ethington. "The emphasis of our program, particularly in the younger age groups, is participation. We like to see as many participants as possible in a positive setting that will provide an enriching experience for each player."

Anyone in the Ozona area who is interested in playing as individuals within the existing league or in forming teams to play in the Big Lake league is asked to contact Mr. Ethington at 915 884-2116 no later than Feb. 15.

Team and age categories are: T-Ball: boys 6-7, girls 6-8; minor league: boys and girls 8-10; major league: boys and girls 9-12; junior league: 13; senior league: 14-15; big league 16-18; girls' softball league 8-10 and 10-12 years old.

Stitch In Time Takes Time

If Luverne Schniers of Wall had a dollar for every stitch she's sewn, she'd be a very rich woman. Luverne's hobby is quilting, and she shared some tips with members of Alpha Alpha Mu at their last meeting. Luverne is the mother of member Janell Sparks and by the end of her presentation, everyone was wishing Luverne was their mother.

Luverne has produced numerous quilts, but she's never sold one. She gives them away to her relatives, and members learned she's passed this talent on to her daughter...but Janell says she's not the daughter who inherited Luverne's quilting skills.

Following the demonstration, hostesses Janell Sparks and Melissa Glosson served a tasty supper consisting of King Ranch Casserole, pinrolls, salad, brownies and cherry surprise.

The poinsettia committee reported on the success of the Christmas fund-

raiser and Pledge Trainer Gail Spence reported that training is progressing nicely.

Just prior to the quilting demonstration, the candle was passed with Tonya Olive blowing it out on the third round. Ask Tonya about her happy news.

Members present included: Diane Anderson, Melissa Glosson, Lau-

rie Hale, Ellen Lipsey, Stephanie Monroe, Jackie Necessary, Tonya Poindexter, Sally Roane, Diane Schwertner, Beverly Solansky, Janell Sparks and Gail Spence. Pledges in attendance were Adrienne Cook, Tonya Bullard, Leesa Haire, Tonya Olive, Molla Romine and Karen Taylor. The next meeting will take place Monday, Jan. 31.

Lady Lions Topped By Wall

By Neal Ulmer, Stockman Sportswriter

Even with "a lot of hustle," the Ozona Lady Lions were not able to stay out of the clutches of the Wall Lady Hawks as they fell 48-33 in a district game Friday, Jan. 21, in Ozona. Improvement in passing and hustling was good, but it did not make up for the lack of the ball going in the basket or lack of good defense, as both were under par.

The Ladies were not able to withstand the shooting attack by Wall as the halftime score showed Wall 32, Ozona 20. Only six points were scored by the Ladies in the third period compared to Wall's 13 points. A total of 16 turnovers also plagued the Ladies throughout the evening.

"We played hard, hustled, and played one of our better games of the year," commented Coach Dickie Faught. "Also, they played with a lot of enthusiasm - I'm proud of them."

As they come close to the end of the first half of district play, the Ladies' district record stands at 2-5 and the season record is 7-15.

Lady Lions scoring were: Tiffany Vargas with eight points and two

rebounds, Tara Wilkins scored eight points and had seven rebounds, Gloria Peña-Alfaro made one 3-point shot for a total of seven points, two rebounds and one steal, Petra Rios scored three points and had three rebounds, Connie Fielder made three points and one steal, Diana Ramirez scored two points and had two rebounds, Heather Hall made two points and had one rebound, Linda Mendoza had three rebounds, and Shelly Sullivan had two rebounds.

The Ozona JV Lady Lions played hard but lost 35-25 to the Wall JV Lady Hawks last Friday evening in Davidson Gym. Hustling and working hard are two elements of a good team, but bad passing and cold shooting can spell trouble for a team.

The Ladies shot very well by scoring 12 points in the first period but a streak of bad luck hit them in the next two quarters. A scoreless second period and only two points scored in the third period put the Ladies 14 points behind at the end of the third quarter.

Scoring for the Ladies were: Amy Laughlin with 11 points, Jackie Lara scored nine points, Dana Bishop made four points, and Julie Perez scored one point.

Lions Rip Hawks In District Play

By Neal Ulmer, Stockman Sportswriter

The Ozona Lions put on an exciting performance Friday night, Jan. 21, in Davidson Gym by defeating the Wall Hawks 59-51 in a district game. The Lions added to their district record and are now 3-1 and 8-8 for the season.

"This win allowed us to get into a second place tie with Wall and Eldorado," said Coach John Curry. "We cashed in on all our opportunities in the second half. I thought overall, our team defense was good, and we got a lot of help off the bench."

Very few points separated the two teams as the game progressed. A halftime score of Ozona 28, Wall 30 only represents how many points were scored but not how the two teams really played.

Julio Martinez led the Lions in scoring with 17 points, Chris Sanchez made one 3-point shot and 12 total points, Keith Miller scored 10 points, Ray Fierro made seven points, Frankie Moran scored six points, Tony Valencia made three points on a 3-point shot, and Mike Fay and Doug Meador scored two points each.

The Ozona JV Lions rolled to a

52-42 victory over the Wall JV Hawks in Ozona's Junior High gym last Friday evening, starting out cold but finishing up hot.

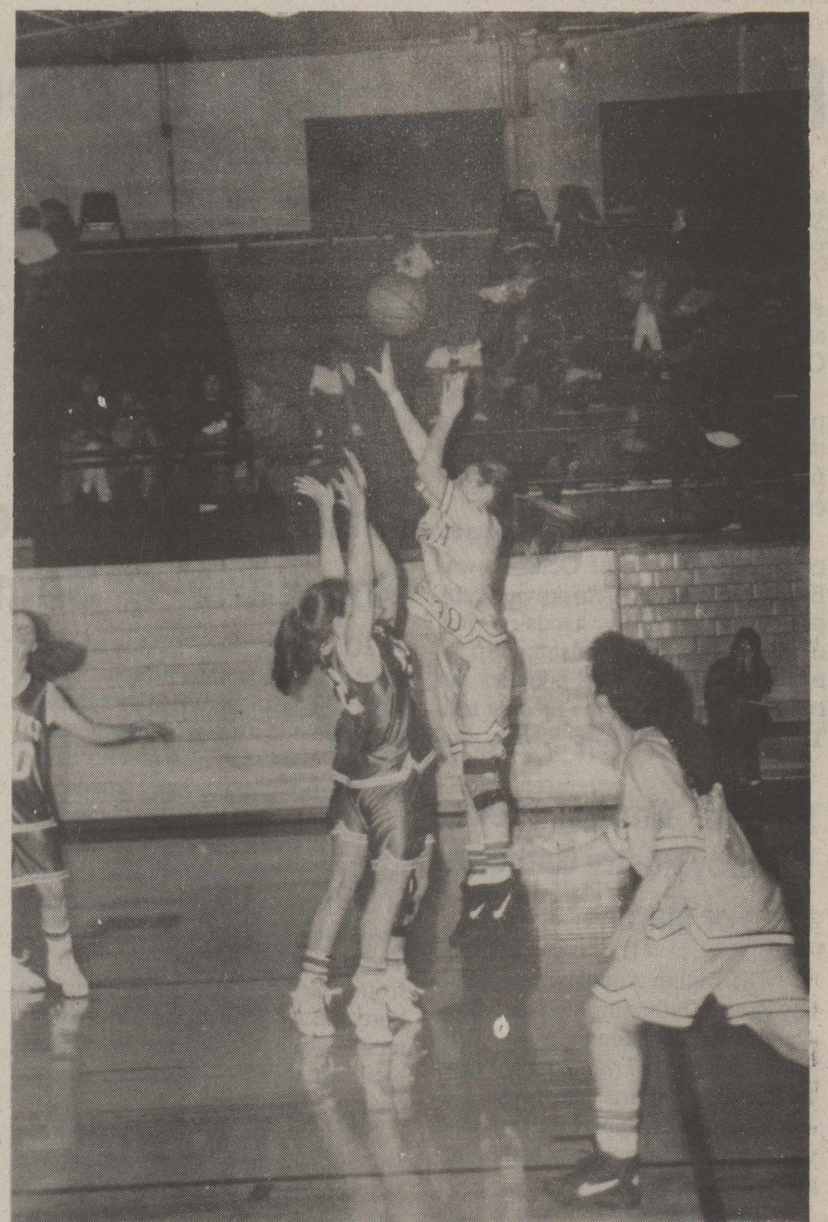

Ozona's lapses in shooting and defense allowed Wall to build a 26-18 lead at halftime. However, inspired words by the coach at halftime and an energized team can turn things around in a game.

"In the first half, we were down 10 points, but in the third we started turning it around," said Ozona's six-foot-plus Mel Martinez. "We had some good blocked shots on defense."

The Lions came back in the second half, scoring 19 and 15 points in the third and fourth periods respectively to win the game.

"I thought Lance Jamerson had an all-around good game," said Coach Tommy Wilson in praising his team. "Jon Sanchez showed a lot of courage and determination by playing on a bad ankle."

Leading the scoring for the Lions was Jamerson with 15 points. Mel Martinez scored 14 points, Lupe Llanas made eight points, Joe Esparza scored six points, James Nelson made one 3-point shot and a total of four points, Jon Sanchez scored three points, and Lando Peña-Alfaro made two points.

Lions Split Two With Eldorado

By Neal Ulmer, Stockman Sportswriter

The Ozona Lions did not escape the talons of the Eldorado Eagles as they lost their second district game 52-58 last Tuesday, Jan. 18, in Davidson Gym. Leading 25-22 at halftime, the Lions ran into problems defensively and were unable to control the Eagles' hot shooting streak in the fourth period.

"We didn't deserve to win the game, and they did because they took advantage of opportunities and we didn't," said Coach John Curry. "That was the difference in the game."

Ray Fierro made one 3-point shot and scored a total of 15 points to lead the Lions in scoring. Others scoring were Chris Sanchez and Keith Miller scoring 12 points each, Tony Valencia made nine points, Mike Fay scored two points, and Doug Meador and Julio Martinez made one point each.

The Ozona JV Lions hustled and played well to dominate the Eldorado

JV team 63-47 in Ozona last Tuesday evening. The Lions seemed to have little trouble in defeating Eldorado, as they led at the end of each quarter.

Leading by 10 points in the first quarter, the Lions increased their lead to a 37-13 halftime score over Eldorado. Great shooting and defense kept the Lions ahead throughout the game.

"I'm real proud of James Nelson and Lupe Llanas for the way they played defensively," Coach Tommy Wilson said. "We didn't turn the ball over very much, and that contributed to our fairly high scoring effort."

Leading the scoring for the Lions was Mel Martinez with 16 points, Lupe Llanas scored one 3-point shot and nine points total, Lance Jamerson made eight points, Jon Sanchez scored six points, Jason Stuart made one 3-point shot and five total points, Lando Peña-Alfaro and Cody Porras scored five points each, and Blas Villa and Joe Esparza made two points each.

Lady Lions Lose To Eldorado

By Neal Ulmer, Stockman Sportswriter

The Ozona Lady Lions lost a heartbreaking district game 35-40 to the Eldorado Lady Eagles last Tuesday, Jan. 18, in Ozona, as their district record fell to 2-4.

The Ladies shot extremely well in the first period with 13 points scored, and did a good job on defense by holding Eldorado to four points in that same period. At the end of the first half, Ozona was still leading 19-11. However, Eldorado's shooting improved as the game wore on, and the score changed leads several times in the fourth quarter as the Lady Lions were unable to stop the Lady Eagles.

Gloria Peña-Alfaro led the Ladies in scoring and tied her season performance with a total of 20 points and five rebounds. Shooting well, she made four 3-point shots in the game. Others scoring for the Lady Lions were Connie Fielder with four points and two steals; Heather Hall scored three points and six rebounds; Petra Rios made two points, had two rebounds and one steal; Tara Wilkins scored two points, had two rebounds and one steal; Diana Ramirez made two points and recovered two rebounds; and Linda Mendoza scored two points, had two rebounds and three

steals. In an exciting and very close game, the Ozona JV Lady Lions lost 26-25 to Eldorado in last Tuesday's action in Ozona. The Ladies hustled and played hard but continued to stay behind at the end of each quarter.

Making 9 of 13 free throws, Amy Laughlin led the scoring with her nine points, followed by Isabel Esparza with five points, Megan Tambunga and Dana Bishop scored four points each, Emily Stuart made two points, and Jackie Lara scored one point.

Most school children can tell you two negatives make a positive, but few can name the man who first said so. It's said to have been John Lowth who first laid down that rule of grammar in 1762.
