Bobby Halydier Honored On Retirement

Bobby Halydier ended a 38-year career at Ozona National Bank Oct. 27. Bank officials and directors, co-workers and friends gathered to wish him well as he begins retirement.

Highlighting a reception in the bank lobby was the presentation of gifts. First came the Golden Typewriter Award, an actual typewriter painted gold. Real gold appeared in the form of a tie-tack made of a \$10.00 gold piece given to Halydier by co-workers. A bronze sculpture by Michael Garman titled "Saddletump" was a gift from the bank.

Retiring as a loan officer, Halydier began working for the bank in 1956.

"I was working at South Texas and Lowell Littleton came and asked if I'd like to go to work for him," Halydier recalled. The bank used only men tellers then, and Halydier was hired to work along with George Russell Jr., assistant cashier, and J. W. Howell, cashier. Roy Thompson was assistant vice-president and Mr. Littleton executive vice-president at that time.

"Deposits were at four million

and they were hoping to reach five million soon," he said.

"The radar base was the beginning of growth of the bank, then came the big oil boom," said Halydier. Now the bank boasts deposits of over \$74,000,000.

Time out for three years in the U. S. Army saw Halydier stationed in Germany two years and in Fort Polk, LA, for one year. But back in Ozona the bank held his position open, and he returned to work.

In time the method of operation changed from doing everything by hand. "We had no calculators, no computers," Halydier said of those early years at the bank.

For 17 years Halydier has driven from Mertzon to work. "Gas was 45 or 50 cents a gallon when I started this," he said. In all those years, he never hit a deer, although one darted out and hit the back of his car once.

"I've had no car trouble, no flats; I do my own maintenance, and I've had a lot of luck," he said.

"It is a challenge to go across the divide when it is solid ice," advises the

commuter.

Wife Shirley said she never let him know of her concerns about the drive. "I just kept telling him to go on, that it wasn't so far," she said with a laugh. Upon reaching Ozona for the retirement party she did confess that it was a long way, she said.

Mrs. Halydier is a bookkeeper for Shelton Oil and Gas in Mertzon and plans to work a few more years. When she retires, they plan to travel and to spend more time visiting their children.

Son Michael and his wife Lynne live in the Dallas area and daughter Susan is a senior psychology major at Angelo State University. She plans to continue her education at North Texas State University.

For now, the new retiree plans to spend some time fishing and a take care of his wife's "Honey-Do" list.

"We've really enjoyed Ozona; it's been home to us," he said. Halydier was born to Menard and moved here with his family in 1938 when he was five. His mother, Mrs. Rex Halydier, makes her home in Ozona.

Cubs Win District Cross Country

By Neal Ulmer
Stockman Sportswriter

The Ozona Cubs took first place honors as the junior high district champions at last Saturday's district meet held in Iraan. The Cubettes were the district's runner-up champions in the meet.

Coach Lee Gonzales said it was a job "well done" as they won the district contest scoring 16 points. There were no other team placings available at press time.

According to Gonzales, Ozona had four seventh-grade boys and three eighth-grade boys running in the eighth grade division. The seventh grade runners were: Mat Castaneda, I.J. Villarreal, Jimmy Talamantez and Alfredo Tijerina.

Winning first place was Matt Castaneda with a time of 12 minutes, 45 seconds. Taking second place was Matt's brother, Alex Castaneda, with

a time of 12:53, followed by Jesse Salazar, fourth, 13:32; Jimmy Talamantez, fifth, 13:33; I. J. Villarreal, sixth, 13:44; Mark DeArruda, seventh, 14:15; and Alfredo Tijerina, tenth, with a time of 15:17.

"The junior high boys well deserve this honor as the junior high champions. They kept up the tradition as district champs," said Coach Gonzales.

The Cubettes ran well, placing second as the runner-up champions in the district. An all eighth grade team from Iraan won the district championship.

Taking second place with a time of 14:08 was Ozona's Ammie Avila. Placing sixth was Gina Castro with a time of 15:16 followed by Stacey Mendez, seventh, 15:36; Kayla Turland, eighth, 15:38; and Julia Ramirez, eleventh, with a time of 16:11. Castro was the only eighth grader running for

Ozona. Eighth grader Lori Sanchez did not compete due to an ankle injury.

"Four of the five runners were seventh graders, therefore, finishing second is really a great accomplishment, especially against an all eighth grade team from Iraan," said Gonzales.

Gonzales added, "Next year's teams, both boys and girls, will be a well-experienced team and proven winners, as well."

"I'm very grateful for these young athletes, who gave of themselves unselfishly to train hard to obtain their personal and team goals. Only a few athletes can withstand the duration of vigorous training and dedication to develop a winning team."

"I personally want to express my gratitude to the parents for their support and for their attendance at the meets. This means a lot to the youngsters and the team. Thank you, parents, and thanks for a great season," said Coach Gonzales.

"We did as well as we expected," said Coach Pete Maldonado. "I was pleased with the efforts of everyone, and the girls did a great job. I'm also proud of the junior high kids. Our tradition keeps going as these young

men and women continue to compete."

Letters To The Editor

Dear Editor,

I noted the Gentleman's pertinent remarks concerning the requirements for County Judge. Though the Judge need not be an Attorney, let us not forget that Kathryn Mayfield was one of Crockett County's most excellent Judges. Mrs. Mayfield was an Attorney. So we see that an attorney can function very well in the position of Judge. Kathryn Mayfield was fair, impartial, and efficient in her judgments in my family's experience. I can't help observing that her ability must have been sparked by her family background, including a lawyer father. I think that Crockett County could be well served in the Judge's office by the wisdom and experience of that very father.

Respectfully,
Leonard Drago, Ozona

Dear Editor,

I would like to compliment the residents of Ozona for their friendly manners. I came up here two weeks ago to do some carpentry and painting for Mrs. Catherine Coates. The employees of South Texas Lumber Company were very helpful and friendly, as were the employees of T&C Grocery Store. I lost count of the people (women, men and children) that said hello or good morning. Being an outside that made me feel welcome. My hometown is also very friendly. I look forward to maybe seeing one of you there so I can say "Good morning" or "How are you?" Live long and prosper Ozona.

Sincerely,
Albert Aguilar
Uvalde, Texas

Let Ozona Woman's League help with holiday baking. It's as easy as picking up a phone to order mouth-watering goodies ranging from cakes to pies, cobblers to cookies, candies to quick breads and dinner rolls to meat casseroles...not to mention a carry-out barbecue dinner with all the trimmings.

Every year, League members prepare Crockett County's favorite holiday foods in their own kitchens. By ordering baked goods and casseroles prior to Friday, Nov. 11, you can assure your family and guests will enjoy the tasty favorites they've become accustomed to.

Nov. 11 is the cut-off date for custom food orders, and to ensure you get the items you want, League Food Committee members urge you to order ahead. "We have so many members who are employed full-time outside the home now, we must concentrate on baking for ordered items," said Peggy Dickerson, committee member.

The items you've ordered can be picked up at the civic center on the day of the annual bazaar - Tuesday, Nov. 22, beginning at 5 p.m. and lasting until 6:30 p.m. That's another great opportunity to select from the craft and other food items available that day, including a few extra gift copies of League's acclaimed cookbook, "Diamonds in the Desert". The special group craft project for this year is the highly popular stick horse - great for kids of all ages. A limited number will be available, so get to Bazaar early.

Not sure what you want? Call Tina Bean at 392-3334 or Peggy Logan at 392-5470 to place an order or ask about special requests.

In addition to the tasty custom-baked items, weary homemakers can

take an evening off thanks to League's delicious barbecue dinner at 5:30 p.m. on the 22nd. Generous take-out plates, at the mouth-watering price of only \$5, will feature tender brisket, spicy sausage, beans, potato salad, bread and the trimmings.

Tickets for the plates can be purchased ahead of time from League members, reserved when you call to order other food items, or may be purchased at the Bazaar. In addition, tickets will be on sale at The Teacher Store, Small Fashions and Tedford's Jewelry. However, barbecue chairman Laurie Hale reminds everyone that the dinners are usually a sell-out, so reserve early to get your hot and tasty meal.

Why order food from Ozona Woman's League? Besides the quality of the home-baked items, it's important to remember that the money made from Bazaar and from sales of the Diamonds in the Desert Cookbook go back into the community in the form of scholarships, community service and charitable projects conducted by League each year.

Items and prices for special-order foods include the following:

Cakes - Fancy Cakes (Italian Cream, German Chocolate) \$18; Iced Cakes (Red Velvet, White Chocolate, Carrot, Sour Cream Chocolate, Chocolate) \$16; Pound Cakes (Seven-Up, Pumpkin, Lemon, Rum, Buttermilk, Fresh Apple) \$10; Sheet Cakes, \$8 plain and \$9.50 with nuts.

IF IT'S HALLOWEEN, BAZAAR CAN'T BE FAR AWAY. This merry band of Ozona Woman's League members got together at Monday night's carnival to remind everyone about the crafts, cookbooks, baked goodies and barbecue at the annual Woman's League Bazaar on Tuesday, Nov. 22, at the civic center. Procrastinator's Christmas Program Nov. 10

Christmas is just around the corner, and you haven't done a thing. With busy schedules, demands on time and lagging energy, you may not have your Christmas shopping done...but with very little effort you can impress your friends and family.

How? Start by attending the Nov. 10 program "A Procrastinator's Christmas" at either 10 a.m. or 7 p.m. at the civic center. The program, presented by County Extension Agent Tedra Ulmer, will feature low-cost, time-saving gifts, food items and decor for the holidays.

"Since we no longer have the WTU Christmas program, many folks have requested a similar program for our Family Community Education Club," said Ulmer. She noted that the Extension Homemakers had sponsored the WTU program each year for many years, so it was logical that the FCE club should pick up the tradition and make it their own.

Ulmer also announced that District FCE chairman Barbara Creagor of Pecos will be present at the 10 a.m. meeting to present the club with certificates and a \$100 prize for gaining the most members of any club across the state in 1994. "We hope you will make a special effort to attend and make Mrs. Creagor feel at home," said Ulmer.

There is no cost to attend the program, and individuals with disabilities who require an auxiliary aid, service or accommodation in order to

participate are encouraged to contact Ulmer at 392-2721 to determine how reasonable accommodation can be made.

Any interested person can attend, said the agent. She added, "You certainly don't have to join FCE to attend any of our programs, but we welcome all new members. Dues are extremely low and make you a state and national member as well, qualified for state and district adult educational scholarships for members."

For more information about "A Procrastinator's Christmas" or Family Community Education Club, contact Ulmer at 392-2721. Educational programs such as FCE which are sponsored by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

The World
His Agony, Our Ecstasy
BY DENNIS J. PRUTOW

Christ endured tremendous suffering in the Garden of Gethsemane. The Bible says, "And being in agony, He was praying very fervently; and His sweat became like drops of blood, falling down upon the ground" (Luke 22:44). Such turmoil is difficult to comprehend.

As Christ looked ahead to the cross and the agonizing death it represented, His mental anguish was enormous. Christ knew He was to suffer an excruciatingly cruel and humiliating death. In the face of this death, coagulated blood was actually forced through His pores and fell to the ground. Behind the mental and physical strain there was immense emotional stress. Christ was overcome with a mixture of grief and horror. In addition, there was infinite spiritual torment. Christ looked into the furnace of wrath against sin. He knew He must bear the fury of death as the wages for sin.

But Christ endured this agony for people like you and me. He endured mental torment so those who trust in His sacrifice for sin might have health of mind. He bore physical agony so people like us might enjoy physical bliss in heaven. He faced emotional grief so that those who trust in Him would have emotional freedom. And He suffered spiritual separation from the love of His Father so that those trusting Him would never be separated from the love of God.

ASCS News

Laurie Hale, Acting CED of the Crockett County Agricultural Stabilization and Conservation Service (ASCS) said that the recently-enacted crop reform bill contains important deadlines for those farmers concerned with maintaining eligibility for the USDA benefits such as farm program payments.

The new law, signed by President Clinton on October 13, requires producers of insurable crops to take out at least the minimum, catastrophic level of insurance to remain eligible for USDA benefits. Mrs. Hale said that while producers of fall-seeded crops have until early next year to sign up for catastrophic coverage and remain eligible for benefits, those who wish "buy-up" coverage on their fall-seeded, insurable crops must do so by October 31. She urged these producers to check with their local private crop insurance agent to determine applicable crops and other options.

"Buy-up" coverage is available only through private crop insurance agents but farmers seeking only catastrophic coverage may sign up within the next few months at either their local ASCS office or with private agents.

The new law—the Federal Crop Insurance Reform Act of 1994 combines the crop insurance and disaster assistance programs into one program beginning with next year's crops. Its provisions virtually eliminate the possibility of future crop disaster assistance program.

Mrs. Hale said, however, that for 1994 weather-related disasters the current ASCS crop disaster assistance program will continue much like it has in recent years. She said the target date for farmers to begin applying at county ASCS offices for partial reimbursement on their 1994 weather-related crop losses is early December.

The 1994 program is similar to those in recent years in which farmers with crop insurance who suffered crop losses greater than 35 percent of normal production (40% losses for those without crop insurance) would be eligible for partial reimbursement.

"The United States Department of Agriculture (USDA) prohibits discrimination in its program on the basis of race, color, national origin, sex, religion, age disability, political benefits, and marital or familial status." (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (braille, large print, audiotape, etc.) should contact the USDA, Office of Communications at (202) 720-5881 (voice) or (202) 720-7808 (TDD)

Extension Office Asks Help With 4-H Mailings

Recently one of the Crockett County Extension Office's computers literally went up in flames, and the entire computerized 4-H enrollment system was lost. While the staff believes most names and addresses are on file on good old paper, there is the chance that some names were lost in the smoke.

"If you do not receive any mailouts from us, or have not been contacted about projects you signed up for, it is absolutely necessary for you to let us know," said Tedra Ulmer, County 4-H coordinator. Ulmer noted that most of the 200 plus 4-H members in the county have filled out current

enrollment forms, but that some folks never seem to get their mail. "Once it leaves our office, we can't promise you'll receive it - but we can at least be sure you have an up-to-date address and that you are signed up for the projects you're interested in," the agent said.

Every 4-H member is required to re-enroll each year - either by filling out a new enrollment form available at school registration or the County Extension Office, or by calling the office at 392-2721. "If you do not have a correct, current form on record, you are not enrolled and cannot participate in 4-H activities," said Ulmer, who

noted that youth ages 8-18 may join at any time during the year.

To find out if you are enrolled in 4-H, call or come by the Extension Office. 4-H and other activities conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

4-H'ers exhibit Knowledge At Food Show

What's the main nutrient in your dish? How many servings from each of the food groups do you need daily? What happens to your body if you don't get enough of a certain nutrient?

These and other questions were answered by 30 4-H food show contestants during the annual Crockett County 4-H Food Show on Saturday at Our Lady of Perpetual Help Catholic Church's Parish Hall. The 4-H'ers were judged on their nutrition and food preparation knowledge, communication skills and quality of their dish by judges from surrounding counties.

Of the 56 4-H members who participated in this year's project, the 30 who entered the food show were competing for an opportunity to advance to district competition on Dec. 3 in Fort Stockton as well as exhibiting their expertise in the foods and nutrition project to parents, grandparents, brothers, sisters, friends and interested audience members. Those present for the awards program also enjoyed a terrific tasting tea, sampling the 30 delicious dishes prepared by the 4-H members.

4-H Council President JoLynn Vannoy presided at the awards program, which was carried out by various 4-H members. Patricia Garza and Leslie Flores gave the pledge to the U.S. Flag, while Amanda Carson, Codi Richardson and Kyle Richardson presented the 4-H motto and pledge.

Helena Williams and Lindsay Flanagan explained the objectives of the 4-H Foods and Nutrition project, and donors were recognized by Camelia Williams and Marsha Maskill. Ashlee Ramos and Kristen Tambunga thanked more than 30 parents and leaders who assisted with this year's project. Senior awards were represented by Ty Porter and Trey Hale, intermediate awards were presented by Paige Tambunga and Erin Castro and junior awards were presented by Laramie McWilliams, Travis Vordick and Brittany Ellis.

The 4-H prayer was led by Claressa Tambunga, Zachary Beasley and Clay Hale. Others assisting in many ways during the show were: Kimberly and Tee Jay Nowell, Jessica Bragg, Ruth Cervantez, Melonie Stewart, Jamie Hall and Janet Rodriguez.

First place participants will advance to district competition in Fort Stockton; second place participants serve as alternates. All participants in the food show received a blue ribbon, small gift and cookbook; all first through third place winners received a rosette, and all first place participants received a \$50 U.S. Savings Bond.

Age division and category placings are as follows:

Ozona's coach Don Payne said, "We played a pretty good game, but we were a little rusty after a week off. All in all, it was a pretty good effort on our part. Our guys played hard, and again our defense was aggressive and hustled to the ball well."

The Badgers and the Lions fought a defensive battle the first half of the first quarter. It finally came time for the Lions to get their machinery rolling.

"Offensively, we sputtered a few times, but after we finally got cranked up, we started moving the ball pretty effectively. Anthony had one of his better games of the year, and J.J. and Julio got in some good runs," said Payne.

Senior Anthony Sanchez had 15 carries for 81 yards and two touchdowns. Quarterback Chris Sanchez had 19 carries for 96 yards, 115 yards passing and two touchdowns.

Starting on the McCamey 42-yard line, the Lions crossed the Badger goal line in three plays. Running back Anthony Sanchez picked up 14 yards and a 26-yard touchdown run. The extra point was good by kicker Travis Davidson.

In the Lions' next possession, junior tight end Adam Carroll caught two of his four catches. He ended the night with a total of 45 yards. The Lions, starting on their own 43-yard line, reached the McCamey 34-yard line with Carroll getting 23 yards.

Energetic runs by J.J. Lozano with 24 yards and two runs of eight and two yards by Anthony Sanchez found the fast back in the end zone. A kick for the PAT went wide to the right, making the score Ozona 13, McCamey 0.

The Badgers were not to be totally left out of the game. They busily got to work from their own 34-yard line. After taking a 2-yard loss, the Badgers' Chris Jaramillo caught a pass for 52 yards. The Badgers' wide receiver Bowers ran for a 15-yard touchdown. McCamey faked a kick and tried to run the ball in for the PAT, but it failed and the Badgers were on the scoreboard with Ozona 13, McCamey 6.

Close to the end of the first half the Lions added another score with the drive starting on the Badger 43-yard line. Anthony Sanchez, Chris Sanchez and J.J. Lozano picked up some good yardage in the drive.

The score came on a 27-yard pass from quarterback Chris Sanchez to Tony Valencia with only 22 seconds showing on the clock. A run by Anthony Sanchez failed on the 2-point conversion, and the Lions went into the field house leading 19-6.

The Lion defense came out prepared to put the Badgers in a hole. "Defensively, our inside five people had an outstanding game," said Payne. Those five young men were: Justin Moran, Julio Martinez, freshman Albert Flores, Travis Davidson and Juan Trujillo. Linebackers Juan Trujillo and Travis Davidson had 10 tackles each in the game followed by Julio Martinez with eight tackles.

After stopping several short runs, Lion defensive end Adam Carroll blocked a Badger punt, giving the Lions the ball on the Badger 27-yard line. Unfortunately, the Lion offense got down to the Badger 2-yard line but could not get in due to a determined Badger defense.

Ozona, knowing what they had to do in the fourth quarter, got the ball rolling - scoring three touchdowns. A beautiful fake punt and pass by Jesse Garza to Adam Carroll for 18 yards set up a one-yard scoring run by Chris Sanchez. The PAT by Davidson was good, and the Lions increased their lead to 25-6.

A McCamey fumble on the mid-field line gave the Lions their next scoring opportunity. Anthony Sanchez carried the ball for nine and 13 yards in the drive. Chris Sanchez had good runs of 21 yards and a 6-yard touchdown came with 5:50 left in the quarter. A pass for the two-pointer failed, but the Lions increased their score to 32-6.

Julio Martinez got to stretch his legs and ran for 51 yards on four carries and a 29-yard touchdown with only 1:04 left in the game. The kick for the PAT went wide to the right, but the Lions got another district win with the

The Lions will play their last district game Friday night at 8 p.m. in Van Horn. The Van Horn Eagles are returning 11 lettermen and 16 seniors.

Coach Payne says the Eagles are a better team than their record indicates 1-6-1 overall and 0-3 in district. "They are the biggest team we will have seen all year round, and their backs have a lot of speed," he said. The Lions and fans should watch half-back Matthew Molinar and quarter-back Cain Quintana.

A send-off pep rally will be held on Friday, Nov. 4, at 10 a.m. at the boys' field house parking lot. There will be no school that day, so go out and "Back the Lions".

Public Notice

Southwestern Bell Telephone Company (SWBT) has filed an application with the Public Utility Commission of Texas (PUC) to restructure the current PLEXAR I and II service offerings. This restructure will significantly change PLEXAR I and II services.

The restructuring of PLEXAR I will, among other things: (1) reduce the maximum line size from 30 to 9; (2) obsolete and grandfather certain optional features; (3) eliminate the requirement to subscribe to Feature Package Two in order to subscribe to certain optional features; (4) reduce the nonrecurring and monthly rates of certain features; and (5) increase the nonrecurring charges for the PLEXAR I System Charge (\$2.10 to \$8.00), Call Transfer Disconnect feature (\$3.00 to \$8.00), and Convenience Dialing I feature (\$6.35 to \$8.00). All current PLEXAR I customers will have the option of keeping their current PLEXAR I service, switching to the new restructured PLEXAR I service, or switching to PLEXAR II service with ten or more lines.

The proposed PLEXAR II restructure will, among other things: (1) change the tariffed offering to serve the market segment of 10-74 stations; (2) create two station pricing structures, one for customers with 10-29 stations, and one for customers with 30-74 stations; (3) reduce the sensitivity for the loop portion of the rate to two price bands: 0-2 miles, and beyond 2 miles; (4) offer a PLEXAR II basic station that can be flexibly configured, from a number of standard features, to meet the individual customer requirements; (5) change the way the termination liability is calculated so the customer is responsible for 65% rather than 56% of the present worth of the remaining monthly payments in the contract; (6) create an option that allows month-to-month customers to convert to long term contracts of at least three years and receive a credit or "contract signing bonus"; and (7) establish a System Subsequent Change Charge which applies per serving central office when changes are made that affect the entire system.

Current PLEXAR II customers will also have the option of keeping their current PLEXAR II service, or switching to the new restructured PLEXAR II service. PLEXAR II customers with at least 75 stations also have the option of switching to PLEXAR Custom service in certain situations.

This application has been assigned Docket Number 13210. Persons who wish to comment on this application should notify the Commission by November 28, 1994. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the PUC Public Information Office at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf. TAX NOTICE

Crockett County Tax Office mailed 1994 tax statements on October 3, 1994. Most property owners pay their property taxes before the end of the year so they can deduct the payments from their federal income taxes. In addition, the tax office offers the option of paying the current taxes by split payment, which allows you to pay half your taxes by November 30 and the remainder by June 30 without any penalty.

In most cases, the deadline for paying property taxes is January 31. Taxes that are unpaid on February 1 are considered late or delinquent. Penalty and interest charges are added to the original amount. If February 1 draws near and you haven't received a tax bill, contact the tax office in the Courthouse Annex or call 392-2674.

If you need additional information, the tax office can answer your questions about property taxes.

Badgers Beat Ozona JV Lions 15-6

By Neal Ulmer
Stockman Sportswriter

The Ozona Junior Varsity Lions fought a good battle on the field but came up short as the Lions lost 15-6 to the McCamey Badgers in last Thursday's game in McCamey. The JV Lions' record is 2-5-1. The Lions started out pretty good in the beginning but faltered later on. The game became a defensive one as neither team scored in the second half.

Coach Tommy Wilson said, "Our offense moved the ball early in the game, but had trouble moving it in the second quarter and from then on. Our defense played pretty well but gave up some passes."

"We had a pretty good game," added Coach Rod Schneider, "and the teams were about even."

The Badgers drew first blood on their second possession of the ball. They started a scoring drive from Ozona's 25-yard line, taking only three plays from that point for the score. The touchdown came on a 19-yard pass, and the quarterback ran the ball in for the PAT to take an 8-0 early lead.

The ballgame continued to go back and forth until the second period when the Lions started the drive from the McCamey 45-yard line. It took five plays with runs by Justin Browne, Shayne Fuentes and Brian Badillo to reach the end zone. The score was

made by Fuentes on a one-yard run. Kicker Pete Castaneda missed the uprights for the PAT, and the score stood Ozona 6, McCamey 8.

The Badgers fought back and started their last scoring drive from their 48-yard line. It took the Badgers 10 plays to cover the 48 yards for the score. The touchdown came on an 8-yard pass play with a kick for the PAT good, giving the Badgers a 15-6 win.

The ballgame became a defensive one in the second half as neither one were able to score. McCamey had the best chance to score again in the fourth quarter. They reached the Lion 5-yard line before time ran out in the game.

"We shut them down except for

the two scoring drives. McCamey had a hard time establishing a running game," said Coach Schneider. He noted linebackers Manuel Mendoza and Gary Dominguez as having a good game, along with Moses Ramirez as noseguard, and Justin Browne in the secondary.

Offensively, Shayne Fuentes and Gary Dominguez ran the ball well. The Lions did well considering the turnovers and penalties.

The junior varsity will play their last game in Rankin at the conclusion of the junior high games. The JV starting time will be approximately 7 p.m. on Thursday, Nov. 3.

Cubs Pound McCamey Badgers

By Neal Ulmer
Stockman Sportswriter

The Ozona Cubs gave the McCamey Badgers a good pounding in last Thursday's games in Lion Stadium. The eighth grade won their game 28-6, improving their record to 6-1. The seventh grade won 26-8 to better their record 6-2.

The Ozona eighth grade wasted little time in getting started and putting points on the scoreboard. Ozona's Jesse Salazar recovered a McCamey fumble on the Badgers' 19-yard line to set up the Cubs' first touchdown.

Three running plays by Jason Alvarez of six, five and seven yards helped set up the one-yard touchdown plunge by David Gutierrez. Gutierrez also ran the ball in for the 2-point conversion to give the Cubs an 8-0 lead with 5:42 in the first quarter.

Quarterback and defensive free safety Anthony Ortiz had a great evening both offensively and defensively. Defensively, Ortiz picked off two Badger passes and returned each one for a touchdown. Ortiz also had a 4-yard touchdown run in the second quarter.

Forty seconds later, the Cubs disrupted the Badgers' next possession when Ortiz intercepted a pass and returned it 50 yards for a Cub score. A run by Gutierrez for the 2-point conversion failed, and the Cubs increased their score 14-0.

In the second period, a Mark Childress pass interception set up the third score for the Cubs. Childress

intercepted the pass on the McCamey 38-yard line. Running backs Matt Galindo, Jason Alvarez and David Gutierrez picked up yardage getting the ball down to the 8-yard line. Alvarez picked up three yards then Ortiz took the ball in from the 5-yard line for the score. Ortiz also attempted to run in for the 2-point conversion but failed. The Cubs increased their score to 20-0 with 2:05 left to go in the first half.

Defensive end Robert Kelly made two great defensive plays - stopping the running backs twice with a total loss of 30 yards. This forced the Badgers to punt and gave the Cubs possession of the ball on the Badger 34-yard line.

Although the Cubs were not able to score on that possession, a play later Ortiz intercepted his second pass and ran it back 40 yards for a touchdown. Gutierrez attempted the 2-point conversion and failed, increasing the Cubs' score 26-0.

The Badgers' only score came in the fourth quarter after a Cub fumble on the Badger 44-yard line. Six plays later the Badgers scored on a one-yard run. The Badgers tried the "swinging gate" play for the PAT but failed.

Ozona's final score of the evening came on a safety when Ricky Dominguez tackled a Badger runner in the end zone. The game ended with the final score Ozona 28, McCamey 6.

"The Cubs did a great job defensively - scoring 14 points in the game," said Coach David Delgado. Coach

Rodney Johnson commented that the team's "attitude and desire is the best we've seen all season".

The coaches noted that the offensive line did a good job of blocking; Jason Alvarez gave a lot of second effort, and Anthony Ortiz and Matt Galindo had a great game.

Defensively, Anthony Ortiz and Robert Kelly had an excellent game while Ricky Dominguez, Mark Childress and David Gutierrez played well, also.

The Ozona Seventh Grade team won their game 26-8 over the McCamey Badgers last Thursday evening. The Cubs scored four touchdowns and two sets of 2-point conversions to blow the Badgers off the field.

On their first possession of the game - the second down, Matt Castaneda scampered for a 60-yard touchdown run to give the Cubs an early 6-0 lead. Ross Crawford tried to pass but was tackled on the 2-point conversion try.

A good Cub defense forced McCamey to give up the ball on the Badger 47-yard line. Crawford picked up good yardage of 12 and 29 yards in getting the ball downfield.

Crawford ran five yards for the score, but an Ozona illegal procedure call negated the touchdown. After the penalty was assessed, Crawford ran for one yard, then scored on a nine-yard run. A pass fell incomplete on the PAT attempt, and the Cubs upped their score to 12-0 with 5:40 left in the second quarter.

Two more touchdowns were scored in the third quarter by the Cubs. Matt Castaneda broke through

the Badger line for a 65-yard score with a pass for the PAT incomplete. On the next possession, Clay Richardson caught a pass for 27 yards. Crawford got the score on a 15-yard run. Castaneda ran the ball in for the PAT, increasing the Cub lead to 26-0.

The Badgers got on the scoreboard with 18 seconds left in the game on a 62-yard run. The quarterback ran the ball in for the PAT, making the final score Ozona 26, McCamey 8.

When England wanted to cut government waste, a Texan showed them how to trim the fat

Cutting waste in government isn't easy. That's why, when members of Parliament wanted to make the British government more efficient, they consulted the recognized expert in America: Texas Comptroller John Sharp.

Hardly a surprise, old chap. Since taking office in 1991, John Sharp and his Texas Performance Review team have set the standard for streamlining government agencies, saving taxpayers a documented \$6.2 billion and helping Texas avoid a state income tax. And his reviews of Texas school districts have saved taxpayers more than \$24 million.

Now he's fighting to cut millions of dollars in welfare fraud and bureaucratic waste by abolishing paper food stamps, which are often stolen and then traded for drugs. Sharp's plan is to replace food stamps with computerized security cards.

No wonder U.S. News and World Report (1/4/94) says: "John Sharp has become the mastermind behind a sweeping overhaul of the bureaucracy that has put Texas at the forefront of the nationwide effort to...root out waste."

Yet, despite all the additional duties and initiatives taken on by the Comptroller's Office, Sharp still managed to reduce the number of his employees and return \$9 million of his budget to the taxpayers.

Of course, there's a lot more waste in Texas state government just waiting to be cut, so the job is far from over. That's why we need to keep John Sharp on the job.

DID YOU KNOW: Baylor has the oldest Law School in Texas. They graduated 2 or 3 students in 1858 -- University of Texas in 1882 and SMU in 1902.

DID YOU KNOW: There were no COUNTY JUDGES in Texas until the so-called "carpet bag" Constitution of 1866 and it was repealed in 1869. Then in 1876 the present Constitution was adopted and it provided for a County Judge in each County and his qualifications ..." one who shall be well informed in the laws of the State."

TROY WILLIAMS is **QUALIFIED**. He has been a life member in the INTERNATIONAL ASSOCIATION OF PROBATE JUDGES for over 20 years. He served as a FACULTY MEMBER at the TEXAS CENTER FOR THE JUDICIARY SEMINAR for Judges as early as 1975. He attended seminars for Judges two different years at the RENO COLLEGE FOR THE JUDICIARY, in Reno, Nevada.

TROY WILLIAMS says, "People have been most gracious. I have enjoyed renewing acquaintances and making new ones. I expect to see the rest of you before November 8th."

"I would love to service the people of Crockett County and to help it achieve its rightful place in the area with priorities being:

- A Senior Citizens Center
- An Improved Airport--Possibly Even A Regional Airport
- A County Owned Disposal System For Garbage
- A 911 Emergency Service (*We are already paying GTE for it*)
- A New, Modern Accessible Fire Station

You may wish to add to this list, and if elected, I will always have an open door to suggestions."

REMEMBER, NO JUDGE CAN PROMISE THESE THINGS without the support of the Commissioners Court, and I believe we have a Court that will work with the Judge to accomplish these goals.

OHS Career Day Unqualified Success

By David McWilliams
Counselor

Friday, Oct. 21, 1994, was the first Ozona High School Career Day. Many members of the community and school have been contemplating a career day. This year, with the guidance of Ms. Chesta Stuart, National Honor Society sponsor and Advanced Placement English instructor, the students in these two groups planned and organized the OHS Career Day.

Hundreds of hours were spent in preparation, and the results indicated the effort. Post career-day questionnaires indicated that 97 percent of the students benefited from the day and learned important concepts concerning post-secondary training and employment.

The magnitude of the project was overcome by the support of the community, teachers, students, and area citizens willing to give their time and resources for our young adults. AP students gave up valuable time in class on Fridays to telephone, write letters and schedule students and speakers.

The day started with motivational speaker Colonel Howard Daniel, U.S. Army (Ret.). Col. Daniel's message involved work ethics, importance of choices, and taking responsibility. Listening to a motivational speaker was a new experience for most of the students, and the response was exceptional.

Bringing in someone of this caliber is expensive, and again, the community and the Region XV Drug Education Cooperative made it possible because of their commitment to our youth. Mr. J. R. Bhakta, Women's League, Louann Cates of Region XV, Student Council, National Honor Society members and the following individuals and businesses made it possible to bring in Col. Daniel: WTU, Sanisa, Troy Williams, Jane Black, Cameras Two, Dr. Steve Sessom, Joe and Marolyn Bean, Beth Smith Jewelry, Primos Ranch, Water Works, Coca-Cola, Baggett Agency, Double T Ranch, John Daniels, Oscar Kost, Ozona Stockman, DeLaRosa Plumbing, Ozona Floral, Ozona Vet Clinic, My Answering Service, Willconstruct, Fenton's Water Service, Circle Bar 76 Convenience Store, Harrison Interests, Orlando DeHoyos, Flying W Lodge, Lilly Construction, Petals and Pearls, Continental EMSCO, T&T Village Supermarket, Ozona Butane, Ozona national Bank, The Outpost, Upham Insurance, Thorp's Laundry and Ozona High School Cosmetology class.

Following the motivational speaker were career sessions given by members of the community and surrounding areas. Each student was assigned a set number of sessions with one of the sessions in the gym where colleges, technical schools and military recruiters had booths.

Career representation and speakers included: Mark Duncan, sports medicine; Beth Wallace, attorney; Bob Calibris, computer technology; Dale Rollins, wildlife management; Gary Smith, drug and alcohol counseling; Corporal Matos, law enforcement and the DPS; Karen Huffman and Peggy McWilliams, nursing; Fred McDougal, engineering; Sandy Stokes and

Burl Myers, accounting; Opal Mobbs, cosmetology; Rick Bird, pharmacy; Mike Preddy, mortician; Rodney Hamon, financial management; Nancy Vannoy and Belinda Wilkins, secretarial science; Dan Pullen, banking; Wade Richardson and Art Roane, agricultural science; Dave Jeck, physical therapy; Tommy Wilson, teacher/coach; Sally Trussler, lab technology; Butch Gonzalez, fitness coordinator; Dr. Marcus Sims, doctor; Gary Loudamy, personnel director and interview techniques.

The morning sessions were ended at noon with a luncheon given for the speakers, guests and teachers by the AP class and National Honor Society. The students prepared the meal aided by Ms. Chesta Stuart, Mrs. Ann Shaw, Shelby Stuart, Mrs. Chester Wilson, Mrs. Steve Wilkins and the donation of the use of the Hoover Building by the First Baptist Church.

The afternoon sessions began with door prize drawings. This opportunity helped give the speakers and guests more time to eat lunch and relax. The door prizes were donated by the following businesses and individuals: The Teacher Store, Hero's Pizza, Caverns of Sonora, The Design Line, Tedford Jewelry, Hillcrest Restaurant, Crockett County National Bank, Wool Growers, Leo's Texaco, The Hideout, Dairy

Queen, Permian Basin Waste Disposal, Avon, The Family Affair, Southwest Texas Electric Co-op, South Texas Lumber Co., T & C Market, Athletic Supply of Odessa, Texaco Gas Plant, Rye Supply and Ozona Chamber of Commerce.

Ending the afternoon sessions was extension agent Carolyn Gilbert. Ms Gilbert is a colonel in the Air Force Reserve and the liaison officer in this area for the Air Force Academy. She reiterated the concepts the students were presented with during the day and placed emphasis on the willingness for students to develop positive work ethics.

Anytime a project of this size is presented it seems like Murphy always sticks his head in. However, true to form, members of our community jumped in and saved the career day. Mrs. Opal Mobbs, Mr. Pete Maldonado, Mr. Ronnie Casey, Mr. Gary Smith from San Angelo, and Mr. Wade Richardson along with JoLynn Vannoy and Heather Hall took over sessions in the last minute. A special thanks to the maintenance crew and the Ozona Church of Christ for donating and transporting extra tables for the career and college booths.

Students involved in planning the career day include: student coordinator Doug Meador, Travis Davidson,

Justin Moran, John Vasquez, Mickey White, Clayton Westmoreland, JoLynn Vannoy, Tara Wilkins, Eli Hernandez, Gloria Peña-Alfaro, Hiram Carrizales, Dora Garcia, Kelli Gentry, Heather Hall and Lance Jamerson. A special thanks goes to Mr. Rod Miller for technical help, Mr. Larry Taylor, Mr. Ted Cotton and Mr. John Curry for their encouragement and support, and all the teachers and office staff for their tremendous help.

Book Fair At Ozona Schools Nov. 14-18

VOTE
November 8, 1994
Early Voting begins October 19th

Pol. Adv. Pd. by Julia Vaughan for Justice Campaign • Charles Tigue, Treasurer • Box 2776, Midland, Texas 79702-2776

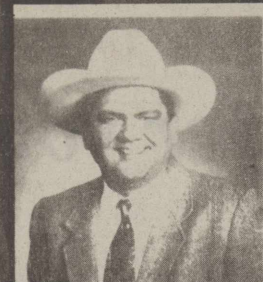

THE RACE IS ON! for Justice in West Texas.

Who would you want to judge your appeal?

An experienced appeals court lawyer...or a politician? The 8th Court of Appeals is based in El Paso. The Court hears and decides civil and criminal appeals from trial courts throughout West Texas. Julia Vaughan is the most qualified candidate for Justice. For twelve years, she has tried cases in the 8th Court. Not once, twice or every-now-and-then... she has an impressive record in this court and other appeals courts throughout Texas.

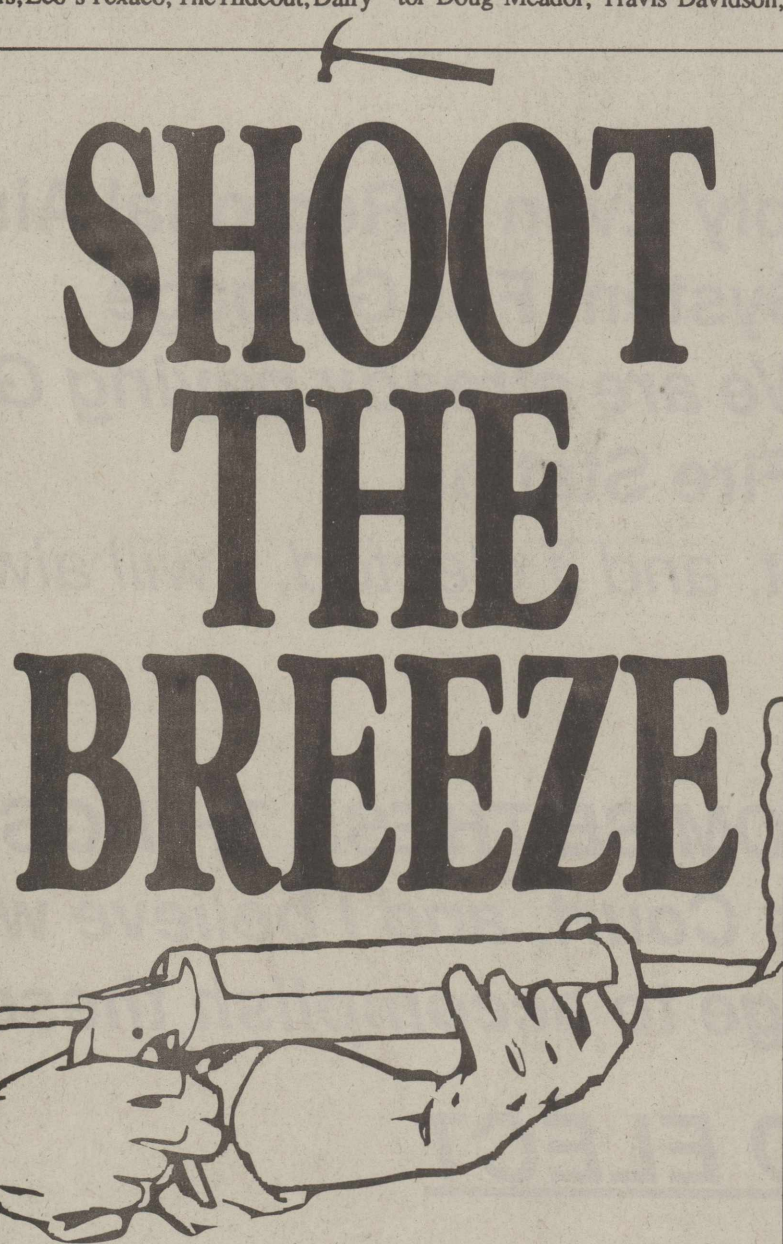

Before you cast your vote for State Representative, you should know where the two candidates stand on the issues.

BOB TURNER (Incumbent)	THE ISSUES	JOHN BRELSFORD
Voted for legislation which required racial quotas in order to receive state financing. (Source: Record Vote 521, May 25, 1993)	QUOTAS	Opposed to all racial quotas. The State has no business subsidizing businesses on the basis of gender or ethnic origin.
Voted for School Based Clinics which provide abortion counseling to minors and allow condom distribution to children. (Source: Texas Health Policy Task Force, Aug 31, 1992)	SCHOOL BASED HEALTH CARE	Opposes School Based Clinics. Favors return of control of public schools to parents and local school boards.

Voted against Tort Reform by voting against a bill which would have reduced the amount of jury awards for damages. (Source: Record Vote, HB 2602, April 20, 1993)	TORT REFORM	Strongly supports Tort Reform measures, including limits on jury awards for damages.

When it comes to caulking or weatherstripping, there are areas that are sometimes overlooked -- leaving your home drafty and less than comfortable. Seal areas around windows and doors or where the walls meet the floor. That way you don't get a breeze unless you open a window.
