FRED DEATON, owner-operator of Ozona Butane Company of Ozona has taken over the duties as official National Weather Service observer and recorder for Ozona. Fred stands by the new temperature recorder machine installed by the National Weather Service in the back yard of Ozona Butane Co. Fred says that the new equipment is all transistorized and records the high and low temperatures for a 24 hour period beginning at 8:00 a.m. in the morning.

Bond Election Fails

The \$4,990,000.00 school bond election was defeated July 16.

Proposition 1: \$3,600,000- New middle school
For: 229 Against: 570

Proposition 2: \$1,390,000- Competition gym
For: 152 Against: 634

There are 2765 eligible voters with 805 voting for a 29% turnout.

Good Heavy Rains Cover Parts Of Crockett County

by Scotty Moore

Sunday evening and Monday morning were good for Crockett County as general rains fell on parts of our dry, parched, drought-stricken country. Ozona Butane Company, National Weather Service observer for the town of Ozona, reported 75/100". This report came at 8:00 a.m. Monday.

Heavy rains fell east of town starting at the Circle Bar Truck Plaza and extending east northeast in the county where up to 5 inches were reported. Dry Devil's River was seen running bank to bank with many of its tributaries running, also.

Other reports include: the Forehand ranch north of town receiving 5 1/2 inches; Terry Crawford on the Baggett country-3 1/2 inches; J. B. Parker-1

inch at the ranch house with up to 3 inches on other parts; George Bunger Ranch to the west received up to 3 inches; Terry Gries reported 1 1/2 inches and Pleas Childress recorded 3-4".

The rain stopped just south of the Sonny Henderson Ranch on Taylor Box Road. The Bean Brothers on the Hume country further south only got a sprinkle.

The Maggie Moore Ranch received none for this period, but enjoyed a total of 7/10 of an inch over a two-day span last week, enough to make one lone frog croak three times.

The rains were heavy to moderate but mostly scattered which is typical of drought conditions. But, rain is rain, and we would all agree that any is better than none.

Summer Soon To End For Faculty, Students

Faculty at Ozona schools will soon be back in harness. Aug. 7-8 are staff development days, and Aug. 9 is a teacher work day in preparation for the Aug. 12 opening of school.

The year's first holiday is Labor Day, Sept. 2. The first six weeks ends Sept. 20, and Oct. 14 is a staff development day.

The second six weeks is over Nov. 1, and Thanksgiving holidays are Nov. 27-29.

The third six weeks/first semester, concludes Dec. 19, and Christmas/New Year holidays are from Dec. 23 through Jan. 3.

Feb. 14 finishes the fourth six weeks, and spring break is planned for March 10-14. Easter holidays follow close behind March 28-31.

April 4 is the end of the fifth six weeks, and April 18 and April 25 are on the calendar as either holidays or bad weather make up days.

The sixth six weeks comes to a close May 22; May 23 is a teacher work day and graduation day for the Class of 1997.

Ozona Blowout-Crockett Birthday, Youth Rodeo and Jay Miller Roping Coming Up In August

by Scotty Moore

Well, it's that time again when Ozona has one of its biggest blowout weekends of the year. Action will begin with the Lions Club Jr. Rodeo starting on Friday, Aug. 2 at 7 p.m. and continuing through Saturday, plus the Annual ol' David Crockett Birthday Celebration on Saturday at 4 p.m. continuing through the day with all kinds

of activities for kids, moms and pops alike.

Rodeo action at the Fairgrounds Arena will, as always, feature contestants from far and near participating in all of the events ranging from goat tying, barrel racin', goat ropin', team roping, pole bending and goat scrambles for the little tykes.

If you are a softball enthusiast, you can treat your fancy on Friday with a softball tourney. Include your team by calling 392-3863 or 392-2727 at \$100 per team. T-shirts will be given the winners in 1st, 2nd and 3rd places.

Then, on Saturday, activities will begin at the fairgrounds park at 7:30 with the 2nd Annual 5K Run and the 1K Fun Run all sponsored by the Ozona Chamber of Commerce. Entry fees are \$12.00 with t-shirts and prizes given to the winners.

Say, have you got that old ridin' lawnmower tuned up and ready to go? Well, you better hurry, because the Crockett County Public Library is again sponsoring its Annual, "one of a kind", Crockett County Lawn Mower Race. If you have never witnessed the thrill and action of this race, don't miss it this year, because there will be plenty of black smoke, clanking cylinders, squealing tires and a lot of loose bolts and plenty of oil spots on the track at the fairground park area circle.

All day activities at the downtown park will begin at 9:00 a.m. and includes all kinds of stuff such as games, washer pitchin', exhibits that mom will enjoy, music, the diaper derby (for ages 2 and under), salsa contest, (need plenty of ice cream for this one), treasure hunt (sign up at chamber office).

In the afternoon at 2:30 the Junior

Rodeo Princess Court Fashion Show will be held. There will be a lot of fine attire modeled by the girls, so don't miss it. Then at 3:30 there will be a big surprise for everyone with the "Saturday Afternoon Matinee" Can't wait to see what the big surprise will be.

At 3:45 the direct descendants of David Crockett will convene at the downtown park. These folks are very interesting and have a lot of tales about Crockett Family history. Drop by and meet these folks. You will enjoy it.

At 4:00 p.m., the Crockett County 4-H Club will officially begin the David Crockett Birthday Party. Hey kids, free cake for everyone.

Other afternoon activities include free kite flying sponsored by T&C Village Market. I want to try this one.

At 5:30 is the time for everyone to line up around the square, and witness the thrilling annual junior rodeo parade sponsored by the Ozona Chamber of Commerce. Action will begin at the rodeo grounds and will continue on through town looping the downtown square ending up who knows where. There will be plenty of horses, floats, fire trucks and best of all, plenty of kids on their decorated bicycles.

The main performance of the Ozona Lions' Club Junior Rodeo will begin at 7:00 p.m. and will be followed with a dance on the slab, all taking place at the Crockett County Fairgrounds Arena.

Sunday, the Annual Jay Miller Memorial Roping will begin at 1:00 p.m. This one of the best calf ropin' events in this part of the country, so don't miss it.

LET'S ALL HAVE FUN IN OLD OZONA TOWN AUG. 2-3. BRING A NEIGHBOR AND HIS DOG.

GOOD HEAVY RAINS FELL in parts of Crockett County early Monday morning with Ozona recording 75/100 of an inch. This ranch pickup loaded with hay was photographed early Monday morning leaving the parking lot at the Village Shopping Center in the rain.

Taliaferro Rites Held Tuesday

Warren Taliaferro, 75, of Ozona died Saturday, July 13, 1996, in a San Angelo hospital.

Graveside services was at 10 a.m. Tuesday in Cedar Hill Cemetery. Arrangements were by Preddy Funeral Home.

He was born Feb. 28, 1921, in San Angelo. He served in the U.S. Air Force during World War II and was a member of the Veteran's of Foreign Wars.

A retired Ozona businessman, he actively managed a rental business.

He was preceded in death by his parents, Mr. and Mrs. C.W. Taliaferro.

Survivors include his wife, Louise Taliaferro of Ozona; two sons, Steve Taliaferro of Cassville, MO., and Craig Taliaferro of San Antonio; and three grandchildren.

Vargas Service Held July 10

Sammy Vargas Jr. of Ozona died Wednesday, July 10, 1996, in a San Angelo hospital.

Funeral mass was held at 10:00 a.m. Friday at Our Lady of Perpetual Help Catholic Church with burial in Lima Cemetery. Arrangements were by Preddy Funeral Home.

Mr. Vargas was born Oct. 10, 1964, in Ozona.

Survivors include his parents, Samuel and Maria Vargas of Ozona; four sisters, Imelda Robledo, Melissa Vargas and Irma Vargas all of Ozona, and Marisa Gonzales of Merton; one brother, Santiago Vargas of Ozona; two step-brothers, Ray Vargas of Ozona and Larry Martinez of Del Rio; three brothers-in-law, Armando Robledo, Santiago Gonzales and Manuel Villarreal; numerous nieces and nephews; paternal grandmother Romanita Vargas of Ozona; four aunts, Alma Longoria, Rafela Perez, Mickey Arredondo and Alda DeHoyos; four uncles, Thomas DeHoyos, Hector DeHoyos, Pete Vargas Jr. and Pancho Vargas.

Robbins Rites Held Monday

Avis Robbins of San Angelo died Saturday, July 13, 1996, in Baptist Memorial Hospital.

Graveside service was held at 2 p.m. Monday, in Lawnhaven Memorial Gardens with the Rev. Nancy York, pastor of the First United Methodist Church in Christoval, officiating.

Avis was born June 28, 1914, in Christoval and was a member of the First United Methodist Church there. She was a retired sales-lady and had been a resident of San Angelo since 1972.

She was married to Paul Robbins on Nov. 11, 1937, in Merton. He preceded her in death on Feb. 25, 1976.

Survivors include two sisters, Ruth Seahorn and Margaret Miller, both of Ozona; one nephew, Pon Seahorn of Ozona; one niece, Rebecca Johnson and husband, Cecil, of San Angelo; three great-nephews; one great-niece; and one great-great-nephew; and one great-great-niece.

Del Rio Service For Donald A. Patrick

Donald Alva Patrick, 53, died Monday, July 8, 1996, in Del Rio. He was born Sept. 8, 1942, in Tulsa, OK.

He is survived by his daughter, Donna Jo Patrick of San Antonio; a sister, Carole Robicheaux of Houston; a brother, Charlie Patrick of Maybank, and an aunt, Florence Richards of Del Rio.

Memorial services will be held Wednesday, July 17, under the direction of the Del Rio Funeral Home.

Social Security Rep. Here Today

A representative of the San Angelo Social Security office will be in Ozona Wednesday, July 17. You may conduct Social Security business at the courthouse annex in the conference room on the second floor between the hours of 1 and 2:30 p.m.

HIGHLIGHTS

By Lyndell Williams & Ed Sterling
TEXAS PRESS ASSOCIATION

AUSTIN — A proposal passed by the state Senate Education Committee would eliminate tenure — the lifetime guarantee of employment for some college professors and a "carrot" often used to attract the best faculty.

The proposal, which is only a proposal, could strip tenure from professors at public colleges and universities or fire them if they are rated poorly for two consecutive years by peers and students, the *Austin American-Statesman* reported.

Mary Burgan, general secretary of the Washington, D.C.-based American Association of University Professors, said that eliminating tenure would have "a chilling effect on Texas' faculty and a chilling effect on the state's ability to recruit."

An education committee member, Sen. David Sibley, R-Waco, disputed claims by educators' groups that killing tenure would hurt faculty recruitment.

"What this is saying is, if you're a bad professor, don't come to Texas," Sibley told the *American-Statesman*, adding that the proposal is not a response to abuses of the tenure system, but addresses a growing belief that tenure has outlived its purpose.

David Merkwitz, spokesman for the American Council on Education, said an "extreme intervention" like eliminating tenure "can do extraordinary damage to Texas universities."

Presently, the Texas A&M Uni-

versity System is under a regents' directive to revise policies so tenured professors could be removed for poor performance. University of Texas President Robert Berdahl said he favors a post-tenure review that would help professors identify their strengths and improve on their weaknesses.

Reform Party Ballots Mailed

The Reform Party sent out a million presidential nominating questionnaires last week naming Dallas billionaire H. Ross Perot and former Colorado Gov. Richard Lamm as "the potential candidates most frequently mentioned," but Reform Party members can write in any name they wish. Lamm formally announced his candidacy on July 9.

The questionnaires were mailed to people who signed petitions to get the Reform Party on the general election ballot. Party members will have until July 20 to mail in a response.

Candidates who qualify for nomination will be allowed to speak to a Reform Party convention Aug. 11 in Long Beach, Calif.

The name of the nominee will be announced Aug. 18 at a Reform Party meeting in Valley Forge, Pa.

Ruling: Adultery Not Protected
Adultery is not protected by the constitutional right to privacy, the Texas Supreme Court declared last week.

The ruling was against a Sherman police officer who was denied a promotion because of an affair with another man's wife.

The majority opinion, written by Justice Greg Abbott, concludes that the right to privacy "does not include the right to maintain a sexual relationship with the spouse of someone else" but stipulated that the court's decision does not mean that the government is free "to engage in intrusive investigation methods to determine the sexual practices of individuals."

Uribe Vows to Dissolve RRC

Texas Railroad Commission candidate Hector Uribe of Brownsville says he intends to work on dissolving the three-member panel if he is

elected Nov. 5.

He said the offices of the three commissioners are "historical anachronisms" that need justification.

Uribe, who is running against Republican commission chairman Carole Keeton Rylander, acknowledged the passage of a constitutional amendment would be necessary to close the agency, but he said the commissioners' jobs could go unfunded in the meantime.

He also said, if elected, he would accept a fraction of the \$79,000 annual salary while trying to transfer the agency's duties to the Department of Public Safety, the Transportation Department and the Public Utility Commission.

Uribe, a Democrat, served in the Texas Senate from 1981 to 1990 and in the Texas House from 1978 to 1981.

Other Capital Highlights

■ A report released last week by the state Senate Economic Development Committee says school property tax abatements granted to businesses are hurting both poor and wealthy school districts. The committee adopted a recommendation that will encourage the 1977 Legislature to find alternatives to the abatements as a way to attract business to Texas. Lt. Gov. Bob Bullock, who presides over the Senate, has never been a fan of tax abatements.

■ Literacy projects in Houston, Bryan, Beaumont, Bastrop, Decatur, Mount Pleasant, Devine, Midland, Marble Falls and Paris will share \$150,000 in grant money from the Barbara Bush Foundation for Family Literacy. Gov. George W. Bush and first lady Laura Bush said the grants were part of their campaign to improve literacy in Texas.

■ An Austin state district judge has granted a temporary injunction to prevent the "Republic of Texas" group from filing bogus liens. Attorney General Dan Morales has said bogus liens filed by the group are clogging the state's property record system. One lien, filed in February, was filed against all state property, the Associated Press reported.

Story hour programs for 3 to 5 yearolds are from 10 to 11 a.m. each Monday through July. Story hour for children ages 6 to 12 is from 11 a.m. until noon. *photo by Eddy Hall*

It's Time To Join 4-H

School is only a few weeks away, and youth who don't want to miss out on 4-H activities need to make sure they are enrolled.

4-H is the world's largest youth-serving organization, and it is open to all youth from age 9 (or in the third grade) to age 19. There is no charge to join, and the cost depends on which projects and activities a youth participates in.

Youngsters don't have to be beautiful, talented, rich, brilliant or athletic to succeed in 4-H...they just need an interest in learning and "making the best better."

The organization is under the direction of the Texas Agricultural Extension Service's County Extension Agents, with parents and other adults providing leadership through teaching and supervising projects and activities.

4-H is more than just "cows and cooking". Leadership, citizenship activities, public speaking, skits, hands-on scientific learning and much more are involved. There are many projects and activities to choose from so many that a youngster can easily tailor his or her activities to suit family income, schedule and school activities.

All Invited To Sat. Reunion Reception

The Ozona High School Class of 1961 will gather at the civic center Saturday morning. Family and friends are invited to come by between the hours of 9 and 11 a.m. to enjoy the festivities.

Every year, current 4-H members need to complete a new enrollment form. This enables the Extension Office to keep their mailing lists updated, and helps make sure no one is left out of an activity they want to participate in.

Signing up for 4-H projects doesn't obligate a youth to participate; the Extension Agents encourage them to sign up for anything in which they might be interested, so when meeting notices are sent out at the beginning of a project, they can make the choice at that time.

For more information about 4-H, contact Tedra Ulmer or Miles Dabovich at 392-2721. Educational programs such as 4-H conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Chandler And Black Roping Saturday

The third annual Chandler and Black steer roping is scheduled for Saturday, July 20, at the Crockett County fairgrounds arena.

The 20 by 20 round robin begins at 10 a.m. Entered are 20 headers and 20 heelers.

Pattie and Pete Jacoby Jr. of North Platte, NE, were here last week to visit his parents, Mr. and Mrs. Pete Jacoby.

Happy Birthday

July 17 - Glenna Mae Ross, Colleen Everett, Joe Galvan, Rudy Lozano, Albert Barrera, Ismael Castro, Susie Black
July 18 - Ashley Ramos, Mark Fierro, Connie King, John Fierro Jr.
July 19 - Roberto Anastasio De Hoyos, Guadalupe Porras Jr., Sammie Hester, Juan Molina
July 20 - Devon Diehl, Ben Sanchez, Lonye Cain, Fleet Worthington

July 21 - T. J. Nowell, Helen Bean, Ann Shaw, Harold Shaw, B. W. Stuart, Leticia Dominguez, Kristen Tambunga, Hyacinth Long, Rae Lynn Arredondo
July 22 - Alton Everett, Megan Womack, Vicky Sanchez
July 23 - Vi Allen, Jim Bob Rodriguez, Pam Young Groll, Lisa Ann Mendez, Domingo Leal, Becky Barrera, Glenda Henderson

It's Important To Know Stroke Symptoms

Stroke symptoms require fast action. Strokes are a loss of circulations to the brain caused by a closed artery or by a blood clot that has moved from the heart or large arteries in the neck. Ruptured blood vessels in the brain can also be a cause, said Dr. James Killian, a neurologist at Baylor College of Medicine in Houston.

Any of these symptoms warrants an immediate trip to the emergency room:

- *Loss of strength in an arm, leg or both.
- *Loss of speech or slurred speech.
- *Sudden, severe and unexplained headache.

Other possible stroke symptoms may not require emergency treatment but do warrant an immediate call to a

physician:
*Numbness or odd sensations on one side of the body or face.
*Temporary loss of vision or double vision.
*Dizziness or loss of balance.

OZONA COMMUNITY CENTER REGISTRATION

will be held
July 23, 24, & 25 from
9:00 - 12:00 each day,
18 mo. - 12 yrs.
Classes start Aug. 12.

Tie-Dyeing On Tap For FCE Club

Crockett County Family Community Education Clubs will meet for a sack lunch on Thursday, July 25, at the County Extension Office to learn a great new way to recycle old fabrics or create beautiful new ones.

It's tie-dyeing, and it's not the same as you did in the '60's.

A new technique called "colorflaging" is easy and inexpensive. Participants can bring a t-shirt, blouse or other lightweight garment, or a 1-2 yard length of fabric to experiment with, if they wish, or can simply watch the demonstration. The technique can be used on any fabric, and County Extension Agent Tedra Ulmer suggests a soft, light-colored fabric in a medium weight. Silk is particularly beautiful when the technique is used, she said.

Iced tea and water will be furnished to drink, and participants are encouraged to bring a friend. They are also reminded that it's time to start thinking about dues, which are \$4/year for state and \$16 for both state and national. The group will also again discuss the possibility of a field trip

to the stitchery convention in Austin during August.

For more information, call Tedra Ulmer at 392-2721. Educational programs and activities conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability. Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in this meeting are encouraged to contact Ulmer to determine how reasonable accommodation can be made.

Card of Thanks

We would like to extend our warmest thanks and blessings to everyone who donated food, flowers and their prayers in our time of need and sorrow. A special thanks to Mrs. Adrian Tijerina, Mr. and Mrs. Thomas DeHoyos Sr., Alex Castenadas, and Hilba C. Villarreal. Also, to the pallbearers, and all the people, who helped us in this very painful time. May God bless and keep all of you safe, and may the Lord have Sammy, our beloved son, brother, nephew, friend and uncle, in a very special place for all eternity. With all our love and blessings. Thank you,
The Vargas and Robledo family

Honor Your Heritage

Deadline-August, 1996

To honor your heritage by having the names of your loved ones on a bronze plaque to be placed in the Crockett County Museum.

There is a place for you to attribute someone you care for as a memorial or an honorarium. Each entry in bronze is only \$125.00.

WTU Begins "Deliberative Poll" Recruitment In Area

West Texas Utilities Company (WTU) subsidiary has begun recruiting participants for a "deliberative Poll™" that will involve customers in the company's energy-resource planning process.

About 250 WTU customers from throughout the company's 53,000-square mile service territory are expected to participate in the West Texas Town Meeting on Electricity Issues, the name given to the Deliberative Poll™ scheduled for August 9-10 at Hardin-Simmons University at Abilene. Recruitment of customers selected as a part of the scientific random sample for the deliberative Poll™ began recently.

Deliberative polling is a survey process where a scientific sample of customers is brought together in one location for a weekend and given the opportunity to "deliberate" about the various factors associated with a particular issue. WTU will be using the approach in its efforts to develop an integrated resource plan to meet the future electric needs of its customers. WTU plans to use its Deliberative Poll™ as part of its public participation efforts to involve customers in the development of its resource plan.

WTU's Deliberative Poll™ will make the second time that a Central and South West Corporation (CSW) company has used a Deliberative Poll™ to involve its customers in planning for future energy needs. WTU is a wholly owned subsidiary of CSW. Central Power and Light Company, another Central and South West subsidiary, was the first company to use a Deliberative Poll™ during the weekend of May 31-June 2. Southwestern Electric Power Company (SWEP) has scheduled a Deliberative Poll™ for August 23-25.

Professor James Fishkin, chairman of the Government Department at the University of Texas at Austin, developed the concept of the Deliberative Poll™ as an approach for determining informed public opinion. The method is explained in his new book, "The Voice of People," published by Yale University Press. The approach received national attention when it was used during the national Issues Convention, which was held in Austin in January 1996.

Ordinary polls, surveys and focus groups examine what the public is thinking about certain issues at a particular time. A Deliberative Poll™ attempts to determine what the public would think about different issues if given an opportunity to learn more about all sides of those issues.

Advocates and opponents of competing resource options, such as natural gas generation and wind generation, are involved in developing briefing materials for participants and will serve as panelists during WTU's town meeting. The town meeting format will alternate between large-group settings involving the entire group and small groups of 15-20 people.

Participants will be surveyed about their views on electricity issues at the time of recruitment and then once again at the conclusion of the meeting to determine whether their opinions have changed and to what extent. Through this process, participants will be asked to make value judgments about the options associated with different resource choices.

WTU will consider and evaluate all of the information learned from its customers when developing the company's integrated resource plan. The company is scheduled to submit its integrated resource plan to the Public Utility Commission of Texas this fall.

Museum Notes From Mary

Museums are established to retain the memories of those who lived before us. They tell the stories of who built or settled the area by housing the artifacts important in doing just that. We can even say that museums are an area's living history because we can see and touch these things - they're here and were a part of someone's life.

Our Crockett County Museum is one of the best museums around.

The people who visit tell me that our collections and arrangements are superb. Many of these folks stop at any and every museum they see as they travel nationwide as well as worldwide. Since they have seen much more than I can even dream of, I take their word for it - our museum is top-notch.

Our museum is also a vital part of our town. It keeps that thread of continuity stable for those of us following the life pattern established by the early pioneer families who chose this land. We all feel a general pride in their efforts because their accomplishments remain. As descendants carry on the

tradition of ranching, and we all blend together to maintain the uniqueness of Ozona, the town still thrives, with the museum keeping that heritage alive.

Our Indian room displays promote an appreciation for the Native Americans of this area as the artifacts speak for themselves. The pioneer room offers a look into the past with things Grandma had that tell the story of a plain existence and very few frills. The spinning wheels and butter churns sit idle now, quietly reflecting a life that most can hardly even imagine.

The ranching room's displays speak boldly of a way of life that was established out of necessity - can't grow crops around here, but sheep, goats and cattle do pretty well in this sparse country. The leather chaps in the "Working Cowboy" display in this room show a bit of wear - somebody used them a lot.

A museum is where we can thank God for those who lived before us and contemplate our own input for the betterment of all. What have we done? Who are we, anyway?

Each day we add to our individual legacy. How does your story read? Since we're all in this world together, let's try and live in harmony and peace. Just think - some day our memories could be in a museum. Happy days to you.

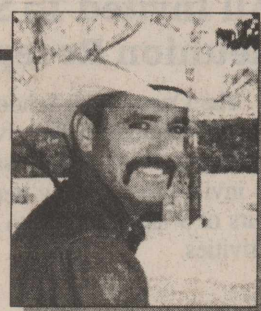

Selecting A Nursing Home Can Be Difficult

Placing a loved one in a nursing home is a difficult task.

"There are many factors to consider," said Dr. Husam Ghun of the Huffington Center on Aging at Baylor College of Medicine in Houston.

People who are comparing nursing homes should:

- * Find out when the nursing home was last inspected and granted a license.
- * Check the staff-to-patient ratios.
- * Determine if the medical director is qualified in geriatric medicine.
- * Determine if the facility has an emergency-transfer agreement with a hospital.
- * Find out if a professional social worker will be available at every stage of the admission process to help ease the transition.
- * Include the loved one in visiting and evaluating the nursing homes, if possible.

Letter To The Editor

Dear Linda,

I really look forward to getting my Ozona Stockman. I saw in the July 3rd issue where you wanted to know when we received our paper. The July 3rd issue got here (Mineral Wells, TX) July 9. Maybe it was because of the holiday. Sometimes I don't get it until Saturday or Monday.

I miss Ozona, all my relatives and friends. Getting the Stockman keeps

me up on what's going on there. I love Ozona and wish someday I could move back there.

If you ever see Peggy McWilliams tell her "Hello" for me. She's a wonderful person and nurse and I miss working with her.

Say "hello" to everyone in Ozona for me. Hope to be down there soon.

Peggy Goll Dodd

"Steamrolled Paradise"

As the popular hit song by Amy Grant goes, "They steamrolled paradise and put up a parking lot". I guess this sort of sums it up for America! We had it so good; our schools were the model and the envy of the rest of the world. The words "Made in the U.S.A." always good for top-notch! Our leaders were men of integrity - "Statesmen", only to be replaced by opportunists with little or no values...they're now called "politicians". Hilary says that it "takes a whole village to raise a child", when in times past the simple school house with the McGuffey readers produced brilliant minds. Where did all this go? Through mans' pride we decided to fix and meddle with what was not broken and to do away with the very thing that made us great, The Holy Bible!

My friend, if you adhere to the belief that the constitution was written in a way to keep the bible out of politics, then you're partly responsible for the decline of America as well. It's time for all of us to get our heads up and realize that only God can save America through a return to age old values. Yes, that also means that all life is precious, the unborn and the feeble.

If you would like to have a free cassette tape of one of our services, please write us at P.O. Box 103 or give us a call.

Foot Care Important For Diabetics

For diabetics, there is no side-stepping foot care.

"Fifteen to 20 years into the disease, poor circulation and nerve damage can threaten the limbs," said Dr. Glenn Cunningham of Baylor College of Medicine in Houston. "But preventive measures can help avoid infection, gangrene and amputation."

Cunningham urges diabetics to practice proper foot care, including:

- * Wearing shoes with good arch

support and proper fit.

- * Wearing clean socks or hose.
- * Avoiding walking barefoot.
- * Checking inside shoes for pebbles, tacks or tears.
- * Cutting toenails straight across to prevent ingrown nails.
- * Buffing down corns or calluses with a pumice stone or emery board. Do not cut them or use a chemical corn remover.

Meals On Wheels Menu

July 22...Hamburger steak, oven brown potatoes, green beans, bread and pears.

July 23...Bake ham, raisin sauce, sweet potatoes, cake and tossed salad.

July 24...Chicken ala king, rice, buttered corn and Jello

July 25...Roast beef, mashed potatoes, green salad and lemon pudding.

July 26...Cold plate and pot luck dessert

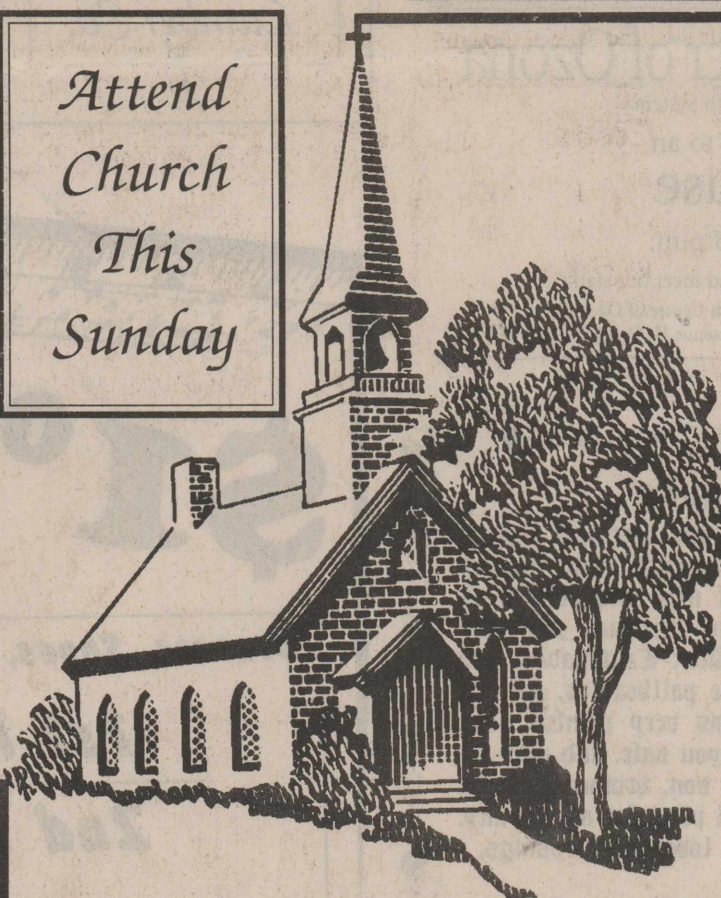

"The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them.

Attend Church This Sunday

God Is Out There

By Dennis J. Prutow

In a recent interchange with an avowed atheist, he claimed there is no evidence for the existence of God. This fellow also affirmed the God hypothesis cannot be tested. Testing evidence for the existence of God is impossible. There is a contradiction here. First, he does not believe in God because there is no evidence for His existence. Two, the God hypothesis cannot be tested. Such a contradiction undermines this atheist's argument.

Why would a person insist we cannot test for the existence of God? One of two reasons. God cannot manifest Himself in and through His creation. Do artists reveal anything

about themselves through their paintings or music? Why can't God reveal himself through His creations? Second, God does not exist. In this case, our friend looks at all the evidence through his atheistic glasses. He assumes what he desires to prove. This too is contradictory.

When I asked my atheist friend to define himself with a term which does not refer to God, he refused. He insists on defining himself in terms of what he calls a non-entity. I am a theist. I hold God does exist. This other man is an atheist. He says God does not exist. Odd. For some reason, he must describe himself with reference to the God he rejects. This also seems to me to be a contradiction.

Class of '56 Enjoys 40th Homecoming

by Carolyn (Stuart) Wilson and Jan (Jones) Van Shoubrouck

"The Class" of 1956 had its 40th class reunion the weekend of July 5, 6 and 7. The weekend was attended by 25 class members, one coach and 16 spouses, bringing our total to 42. Soveida (Machado) Solena was expected from Costa Rica, Central America but fell and broke her arm a few days before the planned trip. She, being a nurse, realized her limitations, and will write when her arm heals. Many class members arrived early and spent Thursday in the park visiting and preparing for the arrival of other classmates at Jan's family home, the old Jones house behind ONB.

Friday evening was a "get acquainted" at Jan (Jones) and Fred Van Shoubrouck's home on Henderson Drive. The house was decorated with many old time memories from formal to football jackets and twirling uniforms. We walked to the Civic Center to hear classmate Travis Yancy play western music with his cousin Murice Gillit. Memories flowed.

Saturday morning the men played golf in Sonora and the ladies had lunch with The Pampered Chef, Susie (Schneemann) Reynolds, at the old Jones home. Saturday evening was spent with Carol (Friend) and Tuffy Whitehead at the Mary Friend home on Ave. C, where dinner was served in the back yard. Way more than a "bit" of visiting took place, and pictures were taken. Sunday morning everyone said good by with a breakfast at the Circle Bar Dining Room.

The fifty's were fun, but being OVER fifty and remembering the 50s was a hoot.

Start down memory lane with a small event and by the time six or eight people add their version to your story, it becomes a blockbuster movie. Having taken a small detour in the

memory department, I thought, pinning down details would be a "Mission Impossible". Wrong! Our classmates (A.K.A. The Fossil Fest Group) recalled all, the best of times, pleasant, embarrassing, and tender moments of their school years. Not to mention many practical jokes that should have been mailed to the *Saturday Evening Post* or at least *Ripples Believe It or Not*.

All were excited by the homecoming of seven former classmates, Charleen Galbraith Archer of Syracuse, New York, Roy Mann of West Linn, Oregon, Jean Price of Farmington, New Mexico, O.D. Paulk of Houston, Charlie Castro of Alvarado, LaNell Bingham of Pipe Creek and Bill Lonon from Granbury who, after 48 years made a special trip to visit and renew old friendships.

We should mention other traveling efforts by Luis Vela of Vancouver, Washington, Vi Nixon Kirby of Yuba City, California, Ann Baggett Oswald of Fayetteville, Georgia, Beverly Day Hooper of Tulsa, Oklahoma. Not only did they attend this year, they also came for the 38th in 1994. Way to go, class.

Not only are we celebrating our 12 years in the Ozona school system, we are celebrating our friendship with anyone that joined our class, any year. Many lost sheep came to mind like Baynell Grewill, Margaret Ray Scott, Jack Brown and Jack Mullens.

Wherever you are, ex-classmates, come join us on a growing list of old and renewed friends.

Hang on to your seats (or walkers). We are planning the 45th in 2001....

Lost class friends can contact Janice (Spencer) Marley 915-655-7869, Jan (Jones) Van Shoubrouck 915-392-5843 or Carolyn (Stuart) Wilson 915-392-2821.

P.S. Rosie Walley McDade and Thomas Purdom, we missed you and send our love and special thoughts.

Hignight Elected To District 4-H Council

Jason Hignight, son of John and Sara Hignight, was elected as Officer Alternate of the District VI 4-H Council on Thursday, July 11th.

The district officer elections were held at Fort Stockton during record book judging. Hignight is one of seven officers who will represent the 4-H members from the 23 counties of Dis-

trict VI.

He will be involved in planning and carrying out district achievement events, including Roundup, Fashion and Food Shows, leadership workshops, Junior High Council and much more.

"We are proud to have Jason rep-

resenting Crockett County on Council. For the past eight years, we have had at least one officer each year, and we feel fortunate to have someone with Jason's work ethic and leadership abilities in this group," said County Extension Agents Tedra Ulmer and Miles Dabovich.

4-H Foods Leader Training Monday

A training for adult and teen leaders, including parents of participants, on the 4-H food and nutrition project is slated for Monday, July 22 in the County Extension Office classroom. The program will last from 5:30 p.m. until 8:30 p.m. and snacks will be served.

This program is not the actual foods project, but rather a training and planning session prior to the project. "This is a great opportunity for parents to learn things that can help their children be more successful and get more from the project," said Ulmer.

The training will provide hands-on experiences to give adults and teen leaders an overview of the foods project, familiarize the participants with basic teaching resources available, and enable the leaders to plan the 4-H food and nutrition project activities for the fall.

A deadline had been set for June 10th, however, space is still available for a few more parents and leaders. Persons may register by calling the County Extension Office at 392-2721 before 4 p.m. on Friday, July 19th. Cost to attend is \$5 per person to cover the cost of refreshments.

For more information, call Tedra Ulmer at 392-2721. Educational programs and activities conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability. Individuals with disabilities who require an auxiliary aid, service or accommodation in order to participate in this meeting are encouraged to contact Ulmer to determine how reasonable accommodation can be made.

Class of 1986 Celebrates 10 Year Reunion

Members of the Ozona High School Class of 1986 celebrated their ten year reunion on the weekend of Friday, July 5 and Saturday, July 6.

On Friday evening, the former classmates gathered at The Hitchin' Post Restaurant and enjoyed several hours of reminiscing and catching up. Saturday at noon, the graduates and their families picnicked in the park.

The final event of the reunion was on Friday evening, when the former classmates gathered at El Chato's Restaurant for a buffet dinner. The class presented awards in three categories: Annalu Lopez Suddreth, who traveled approximately 1,200 miles with her family from Warner-Robins, Georgia, received the award for traveling the farthest. The least changed

classmate award was won by Arturo "Turk" Gonzales, while the "Most changed classmate award went to Ty McKinney.

While listening to music from the late 1980s, after dinner the classmates continued with visiting and reminiscing while looking through yearbooks and scrapbooks brought by members of the class.

Special friends of the class who have passed away and are dearly missed were remembered by their classmates, who have purchased bricks for the memorial patio which will be a part of the expansion of the Ozona Public Library. Individual bricks were bought in memory of Bonnie Cameron, Blas Vargas, J. B. Green and David Lovell.

The class of 1986 wishes to give special thanks to Beth Scoggins for her help with preparations for the reunion, and to Alicia Lopez for the great decorations for the dinner at El Chato's.

Free Publications Reflect Latest S.S. Changes

Social Security publications are free and, despite budgetary constraints and the furloughs, have been updated for the year and reflect the latest changes in the Social Security law, states Franklin H. Upp, manager of the Social Security Office in San Angelo.

Upp said he noticed an increase in the number of ads promoting Social Security information for a fee. Some ads offer to sell books on Social Security that will show people how to get benefits, while others promote a service that will provide such information for a fee.

"You should know that the best, most accurate and up-to-date information you can get is available free of charge from your Social Security office. You've already paid for it as taxpayers. You should not have to pay for it again," he said.

Available publications cover various subjects related to the Social Security's retirement, survivors and disability programs and the Supplemental Security Income program for people 65 and older, or blind or disabled with little income or things of value. Publications are also available explaining Medicare hospital insurance (Part A) and supplemental medical insurance (Part B).

In addition, there are publications and factsheets that focus on various aspects of the program. A factsheet discusses what to do when an older relative is unable to handle his/her Social Security benefits. Another publication shows you how to apply

for disability benefits and how you can speed up your application.

"This information is valuable to people who need it, and that's why there are those who would sell it to them. But, if you have questions about Social Security benefits or coverage,

just ask us," Upp said. "Call our toll-free number, 1-800-772-1213 24 hours a day. You can talk to a representative between 7:00 a.m. and 7:00 p.m. during the week. If you call at other times, you'll get recorded information."

Bakers Celebrate Twenty Years of Wedded Bliss

Miss Richey Weds Mr. Baker In Ft. Stockton

Miss Annetta Kay Richey became the bride of William Fredrick Baker in a candlelight ceremony in Northside Baptist Church in Fort Stockton Friday, July 16, 1996, at 7 o'clock in the evening. Rev. J.B. Hennigan, pastor, and Dr. Clyde Childress, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Walter T. Richey of Fort Stockton and Mr. and Mrs. Boyd Baker of Ozona.

The bride, given in marriage by her father, wore a traditional Chantilly lace gown enhanced with silk ribbon insertion and Venice lace. The princess line gown featured a deep ruffle flounce. Two folded panels flowing from the neckline formed the train. Her veil was a bouffant three-tier of lace which fell from a lace Camelot. She carried a bouquet of yellow roses and baby's breath.

Mrs. Mike Ross of Plano served as matron of honor. Bridesmaids were Miss Sherry Clifton and Mrs. Mike Baker

of Fort Stockton and Miss Christi Dillow of Monahans.

The attendants were gowned in blue dresses designed with matching blue floral overlay. They carried bouquets of yellow daisies and baby's breath.

Mike Baker, brother of the bridegroom, was best man. Groomsman were James Hendricks, Johnny Richey, Marshall Islands and David Bean.

Ushers included Floyd Pettit, Richard Hawkins and Dennis Ables. A reception was held immediately following the wedding in the fellowship hall of the church.

Following a wedding trip to Memphis, TN, the couple will be at home on the Baker Ranch in Fort Stockton.

The bride is a graduate of ASU. The bridegroom attended ASU and Odessa College. He is presently employed as assistant inkeeper at Holiday Inn in Fort Stockton.

Among the out of town guests were the bridegroom's grandmothers, Mrs. Alice Baker and Mrs. George Bean, both of Ozona.

4-H'ers Attend Trans-Pecos Wildlife Camp

Neal Ulmer, Stockman Reporter

Wildlife camp was pretty interesting with four teenage boys attending the Trans-Pecos 4-H Wildlife Camp held in Alpine on July 8-10. Actually, it was quite entertaining and informative.

The four 4-H youths attending from Ozona were Ty Porter, Robert Quiroz, Dustin Shaffer, and Mack Lindsey. Accompanying the youths was 4-H leader, Neal Ulmer.

All of the attendees stayed in the dorm rooms at Sul Ross University and ate breakfast in the dining hall. The university and dorm rooms overlook the city of Alpine and provided a

Rachel Murr Has Champion Finewool

Rachel Murr, daughter of Fred & Jane Chandler, exhibited the Champion Finewool market lamb at the Sweetwater Summer Classic in Nolan County this past weekend. She was accompanied by her parents. Rachel participated in the Belt Buckle Bonanza in Austin earlier this month and plans to participate in other shows throughout the summer.

4-H Activities Keep County Youth Busy

by Tedra Ulmer, CEA-FCS, Crockett County

Summer may drag on for some youth, but active Crockett County 4-H members have had a hectic summer attending a number of educational and fun activities.

Currently, three teens from Crockett County are attending Texas 4-H Congress, getting hands-on legislative experience. Delegates from Ozona are Jason Hignight, Tonya Petty and David Martinez. They met the remainder of the District 6 delegation Sunday morning at Big Lake, then traveled to the Marriott in Austin where the biannual conference takes place.

This year, 4-H delegates from counties across Texas have the opportunity to sit on the floor of the real Texas House and Senate to pass their legislation. The theme for the week is "Planning Today to Change Tomorrow." Tours, dances and leadership activities round out the week. The group will return on Wednesday, July 17.

On July 8, four other teens--Robert Quiroz, Dustin Shaffer, Mack Lindsey and Ty Porter--attended the Trans-Pecos 4-H Wildlife Camp at Alpine. The group was hauled by Neal Ulmer, and had the opportunity to ex-

perience an in-depth, hands-on seminar related to the science and economics of wildlife management.

Three other teens were already at State Water Camp, having traveled on July 7th. Water Camp is held each year at Monahans, and involves travel all over West Texas as 4-H members learn about water conservation and usage, conduct scientific experiments related to water, and of course enjoy some recreational time getting to know each other.

Jason Hignight, Jeff Ybarra and Amanda Hignight attended. Ybarra and Hignight were sponsored by the Crockett County Water Conservation District and the Emerald Underground Water Conservation District. As a payback, they will conduct educational programs on water in the community. Jason Hignight was also the Crockett County delegate to State Range Camp. The Texas Society for Range Management conducts the camp every year, and it is truly intensive. This is a workshop--not a vacation. During some of the hottest days in the summer, 4-H'ers were busy at the Texas Tech facility near Junction checking out rangelands, learning more about wildlife habitat and livestock needs.

Several 4-H members excelled with their record books at District

Record Book Judging on July 11th. Placing first with their books and advancing to state competition in August were Amy Laughlin in Sheep and Amanda Hignight in Rabbit. Junior books placing first belonged to Jenna Henderson in Home Economics Achievement and Hilary Huffman in Foods and Nutrition. Second-place junior books belonged to Mica Aaron in Meat Goats and Clay Hale in Horse.

In judging for the J. T. Rutherford trophy, Amy Laughlin was second in the girls' division and Jason Hignight was third in the boys' division.

Record books are hard work, but they pay off when it's time to complete scholarship or job applications later on. The 4-H members spent many hours on the computer or laboriously writing their information out. At least one 4-H'er had the opportunity to write a paragraph each week during the summer.

With all the negative comments about today's youth, it's great to see young people willing to put forth effort to learn and better themselves, to become better citizens, and to see parents willing to support their children with financial and personal assistance. For more information on how your family can become a 4-H family, contact the Crockett County Extension Office at 392-2721.

great view of the surrounding mountains. The campers arrived in Alpine at 11 a.m., toured the city, and at lunch before the 1 p.m. registration. They registered at the university's Kokernot Lodge with the youths and adult leaders being divided into five Indian tribes--Apache, Comanche, Kiowa, Shawnee, and Sioux.

Management Area. The land is owned and operated by the Texas Parks and Wildlife Department and headed by Clay Brewer. Campers and adults loaded up into six TP&WD trucks and slowly climbed the 6,000 foot-plus mountain. The Wildlife Management Area(WMA) is composed of 23,000 acres and was donated in 1985 specifically for the conservation and development of the Desert Bighorn Sheep. Park rangers through aerial survey estimate there is between fifty and sixty head there. We were fortunate to see about thirteen head composed of ewes and lambs at a distance of about 200 yards.

Not to disturb the Bighorn Sheep any further, the group traveled three-quarters of the way down the mountain to continue their wildlife study. Although no other particular wildlife was seen, there is still a variety of wildlife that inhabit the area.

Other wildlife species that inhabit the area include mule and white-tail deer, pronghorn antelope, coyotes, mountain lions, bobcats, javelina, skunks, jack rabbits, grey fox, ground squirrel, ringtail, mice, kangaroo rats, many different species of lizards and snakes. Black bear and elk are sometimes seen migrating through the area. Also, many species of birds such as scaled quail, road runners, red tail hawks, wild turkey, and cactus wrens can be seen throughout the area.

Dr. Charles Hart, Range Specialist of the Extension Service from Fort Stockton and Gary Fuentes of the Natural Resources Conservation Service from Van Horn showed and discussed the importance of range plant identification. They discussed the interactions of wildlife and livestock in regards to range plants and water.

Ruben Cantu, Wildlife Biologist of the TP&WD showed the campers how to age deer by looking at their teeth. Dr. Rollins explained to 4-Hers how researchers track animals with radio telemetry. He demonstrated how to use it, then allowed them to use the equipment to find some hidden quail eggs.

After a sack lunch had been eaten by the campers back at the area headquarters, staff and camp personnel conducted wildlife trivia questions for the campers to answer.

TP&WD personnel also informed and answered questions on antelope and deer management. Gil Turman, a government trapper discussed predators, how to control them, and demonstrated the use of traps and snares.

Back at the shooting range, campers learned how to stalk wildlife as demonstrated by Dr. Rollins. They also did archery, shoot black powder muzzle rifles, and continued to shoot shotguns. Dr. Rollins ended the evening by revealing the campers and adults with a multitude of wildlife calls such as for deer, turkey, coyotes, and elk.

The final morning of the camp found the participants in the courtroom of the Brewster County Courthouse. An interesting slide show and discussion was presented about mountain lions by TP&WD ranger Billy Pat McKinney.

Preparing and presenting to the participants about wildlife conflicts was Matt Wagner of the TP&WD

Non-Game Division from Austin. He is a specialist in conflict resolutions and presents the TP&WD in wildlife hearings. He also discussed the problems with wildlife in regards to private property and land use.

The morning ended with the committee/court case about "Whether or not to release lobo wolves back in Texas in the Big Bend National Park."

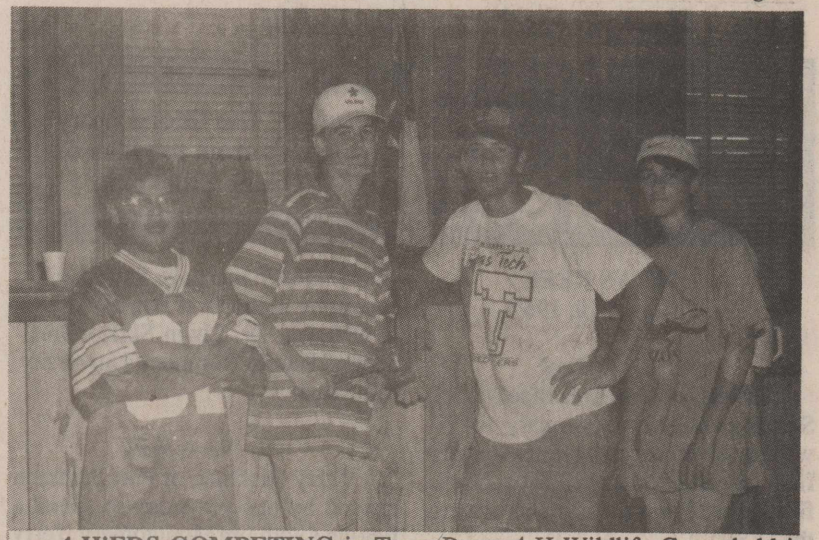

Each camper and three leaders were assigned roles to play. This was presented on Wednesday morning and it was an "eye opener" to many, considering they might have played a role in which they had opposite beliefs.

Computer Specialist, Steve Paz of the Extension Service from San Angelo showed the campers how to get information about wildlife on the Internet.

After a hamburger supper, the campers traveled to the local gun club's shooting range for basic shotgun knowledge, safety, and shooting. Teaching were three persons from Texas A&M University headed by Karla Beatty. For some people that had never shot a shotgun, several turned out to be pretty good shooters.

At sundown, county agents Mike Barbour and Scott Anderson led the youths to a local girl scout ranch. There Dr. Rollins instructed the several pickup loads of campers and adults how to do a tacky deer survey with spotlights. Supposedly, there are several that are now trained to count deer on area ranches.

The next day was another eye opener for the campers as they traveled to Elephant Mountain Wildlife

4-H'ERS COMPETING in Trans-Pecos 4-H Wildlife Camp held in Alpine July 8-10 were: (l-r) Robert Quiroz, Mack Lindsey, Dustin Shaffer and Ty Porter. Each participated in a mock committee/court case in the Brewster County Courthouse on "Whether or not to release lobo wolves back in Texas in the Big Bend National Park". photo by Neal Ulmer

10 Reasons to Choose Home Health Care

Reason #5: Home Care is an efficient form of health care. By bringing health services home, the patient does not generate room and board expenses. Family and friends can assist when needed.

Technology has now developed to the point that almost any services available in the hospital can be offered at home.

NEWS REEL August 10, 1967

News Reel
Friends of Miss Lola Mae Daniel, Southern Baptist missionary to Tiwan, received word this week that her five-year assignment in that country is finished and that she is on her way to the U.S.

News Reel
A large crowd of Ozonans and out-of-towners attended the formal opening Sunday afternoon of the Crockett Hotel, completely remodeled inside and out. It is the latest reconstruction job of the Buster Miller family.

News Reel
Roger Dudley, Jr., narrowly escaped serious injury or death recently when a farm tractor overturned with him while he was doing some dirt work at his ranch on the Pecos River.

News Reel
Mrs. Lloyd Sherrill reported yesterday that Dr. Sherrill is recovering rapidly from his heart ailment. He has been home ten days after being ill in a San Angelo hospital for several weeks and is able to be up and about longer each day.

News Reel
Funeral services for Mrs. J. M. Wood, 80, mother of Mrs. Lonnie Van Ness of Ozona, were held from the Lakeview Baptist Church in San Angelo Friday afternoon.

News Reel
Football shoes were issued to 35 boys yesterday morning at the field house, and physicals were given at 2:45 in the afternoon. Equipment will be issued Monday morning at the field house at 9 a.m. instead of 8 a.m. as previously announced, and practice will begin immediately after.

News Reel
Spending the past week at Mt. Wesley in Kerrville at Methodist Youth Program were Shelley Jones, Lou Cox, Stacy Dockery and Debbie Deaton.

News Reel
Miss Sandra Lynn Ellis, daughter of Mr. and Mrs. Grady Ellis of O'Brien, and Pleas L. Childress, III, son of Mr. and Mrs. P. L. Childress, Jr., of Ozona,

Babies and Sun Not A Good Mix

Babies and the hot summer sun are not a healthy combination. Children younger than 6 months should not be exposed to sun for long periods and never placed in direct sunlight, said Dr. Jan Drutz, a pediatrician at Baylor College of Medicine in Houston.

"In addition, it's not a good idea to take an infant to a sandy beach or a swimming-pool area," Drutz said. "Sunlight can reflect off the water or the sand, causing sunburn even when an umbrella is used."

If being outside is necessary, dress the baby in light-colored clothing, keep a bonnet handy and try to avoid being outside between 10 a.m. and 3 p.m.

were united in marriage Saturday in a ceremony at the First Baptist Church in O'Brien. Dr. Elwin Skiles, President of Hardin Simmons University, officiated.

News Reel
Terry Hickman of Fort Stockton arrived by bus yesterday to spend a few days with Jim Montgomery. Terry is the son of former Ozonans, Mr. and Mrs. Pete Hickman.

News Reel
Mrs. Jack Wilkins returned home Monday from a Houston hospital where she had been receiving medical treatment for several weeks. She is recovering well from her illness.

News Reel
D. C. Ratliff, county road engineer, was hospitalized last week as the result of a leg injury suffered while moving a piece of equipment at the County Memorial Park.

News Reel
Mr. and Mrs. Eddy Bower are here from Dallas for a vacation and visit with Mrs. Bower's mother, Mrs. Vera Baker.

News Reel
Mr. and Mrs. James Dockery and children, Shannon and Stacy, spent the weekend visiting friends in Santa Anna.

News Reel
Wade Garlitz, 8-year-old son of Mr. and Mrs. Gary Garlitz of Midland, is here visiting his grandmother, Mrs. Clay Adams.

News Reel
Mrs. Arthur Phillips returned this week from a vacation trip with friends to Santa Fe, N.M.

News Reel
Mr. and Mrs. Spot Friend are in Houston where Mrs. Friend will undergo a medical check up.

NEWS REEL August 11, 1938

News Reel

Crockett County Sheriff's Report

Week ending July 16, 1996

ARRESTS

07/09/96 . . . 29-year-old Brilla Gill of California was arrested on traffic charges. He pleaded guilty in JP Court and was released after paying his fines.

07/10/96 . . . 25-year-old Abel Villarreal of Ozona was arrested on charges of assault. On 07/11/96 he was released after posting bond on the charge. The case will be tried in County Court.

07/10/96 . . . 26-year-old Raymond Villarreal of Ozona was arrested on a warrant charging him with probation violation in a previous burglary case. He is being held in County Jail and the case will be heard in District Court.

07/10/96 . . . 29-year-old Clint Austin Perner of Ozona was arrested on a warrant charging him with Assault/Family Violence. On 07/11/96 he was released after posting bond.

The case will be tried in JP Court.

07/15/96 . . . 25-year-old Moses Coy, Jr. of Ozona was arrested on two warrants charging him with Contributing to the Delinquency of a Child. He is in County Jail unable to post bond. The case will be tried in County Court.

07/16/96 . . . Romulo Arturo Lozano, 17-year-old, of Ozona was arrested on one warrant charging him with Contributing to the Delinquency of a Child. He is in County Jail unable to post bond. The case will be tried in County Court.

INCIDENTS

07/15/96 . . . Sheriff's deputies cleared a burglary that occurred at a hunting camp on the River Road south of Hwy. 190. A large quantity of property has been recovered. Arrested in the case were Louis and Juanita Lefler of Iraan, and one juvenile. Texas Rangers and Pecos County deputies assisted in the investigation and arrests.

Protect Plants From Drought Conditions

Miles Dabovich, CEA-AG

Hot weather and high winds, coupled with very little moisture, put plants around the house in stress. However, homeowners can assist these plants.

Mulches provide one of the best techniques of conserving moisture. Mulches can consist of chipped tree bark, leaves, grass clippings, straw, shredded paper or commercial sheets. Mulches are placed around landscape and garden plants to provide protection for the soil from wind and sun. Ordinarily, two to three inches of mulch is adequate to provide protection to the plants.

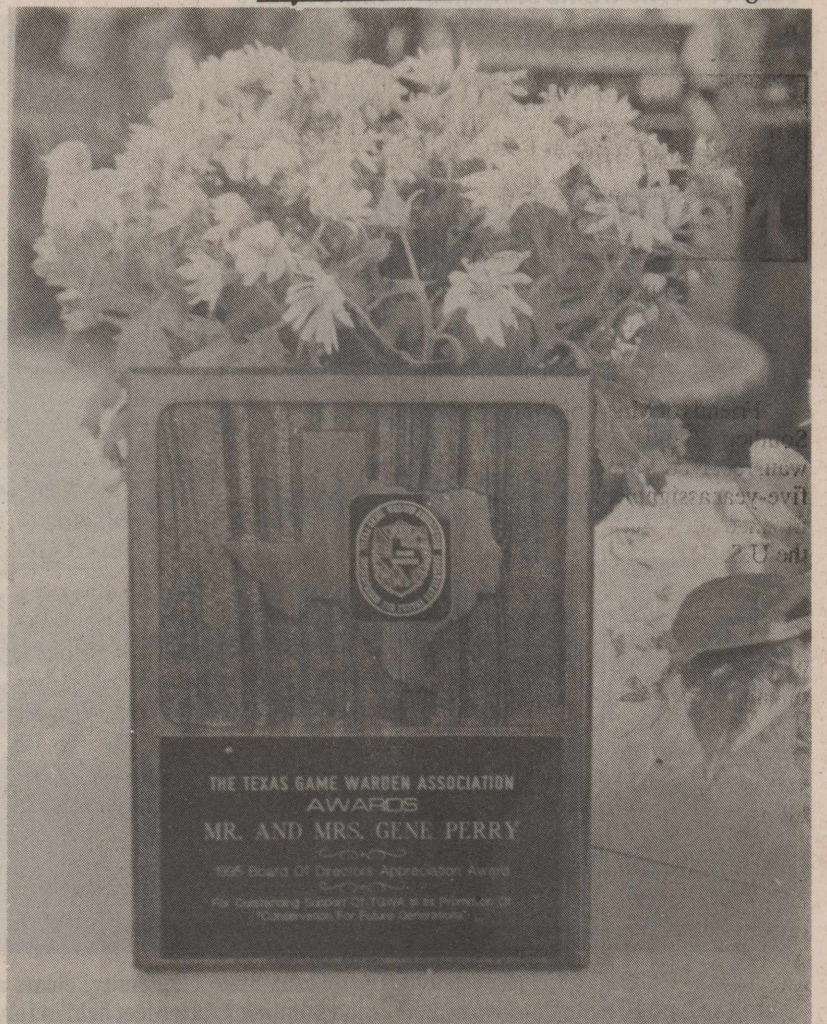

Mulch also helps control the germination of weeds. Since weed seeds need sunlight to germinate, the protection from sunlight provided by the mulch can prevent weed infestation. The weeds that do grow are usually spindly and easily uprooted.

Another necessary technique is to

water plants thoroughly and deeply when irrigating. To accomplish this, irrigation should be done over a long period of time by flooding the soil. Soils should be soaked to the one foot level. Homeowners can check this by probing the soil. If the probe goes into the soil easily to 12 inches, then adequate moisture is present. Continue to use this technique to check for the need for more moisture throughout the season.

Sprinklers that spray water high in the air should be avoided, as 24 to 33 percent of water can be lost to evaporation during the irrigation process.

The use of low water-requiring landscape plants, a planting technique known as "xeriscaping", is appreciated during these times. A list of plants requiring little moisture is available at the County Extension Office. For more information, call County Extension Agent Miles Dabovich at 392-2721.

GENE AND BETTY PERRY were recognized for their outstanding support of the Texas Game Warden Association in its promotion of "Conservation For Future Generations" with this plaque. The award was accepted on their behalf by Game Warden Chuck Cosper. photo by Scotty Moore

Ozona Longhorns Win Championship

by Neal Ulmer, Stockman Sports-writer

The Ozona Longhorns, a team of 13 year-olds, has recently been extremely successful in their first year of baseball in the Junior Division of District 4 Little League. The team started late in the season, getting to play only in the second half. Luckily for them, they qualified for the top eight post season tournament in a field of 17 teams in the American League Division of District 4.

The Longhorns traveled to San Angelo for their first game and beat the host team 19-7 in five innings. Ozona hosted the next game and eliminated Eldorado 12-7. When the Reagan County team advanced to the final round, Ozona again became the host team.

Ozona faced a different team from Reagan County than expected, then lost the coin toss for a bad start. Challenged by coach Ray O'Bryan and assistant John Tarr, the team was told to forget the odds, step up their game and play to the best of their ability to put the team back on track.

Sure enough, the Ozona Longhorns prevailed by defeating Reagan County 13-10 to become the 1996 American League Champions in the Post Season Tournament. Each team member and their coaches were presented a t-shirt by local president Ray Don Myers on behalf of District 4.

The team finished the season with a record of 5-1. They were composed of Ty Allen, Roman Castaneda, Dustin Faught, R. J. Fierro, Chad Flanagan, Leon Garcia, Anthony Hodges, Rob Madris, Jeffrey Mendez, Chris O'Bryan, Zeke Rivera, Abel Rodriguez, Derek Smith, James Swearingen, and Stephen Tarr.

In the championship game with Reagan County, both teams played a good defensive first inning with neither team scoring. Dustin Faught made a good diving catch, Garcia snagged a grounder, and O'Bryan struck out the batter.

Ozona started things out in the second inning with Faught leading the team with a double. He was followed by Flanagan with an RBI single, and an RBI double by Garcia. Garcia stole third and a throw to third went over the third baseman's head giving the speedster a chance to get home. Ozona ended the inning with three runs to Reagan County's zero and plenty of wind to continue their journey.

Ozona increased their lead by two runs in the third inning. Singles by Rivera and Faught turned into runs when Flanagan hit a two RBI single. Reagan County fought back in the bottom of the inning scoring three runs on two hits and an error to make

the score Ozona 5, Reagan County 3.

Garcia opened up the fourth inning with a ground double, he was followed by Mendez who singled and a fielding error scored Garcia. The same thing happened with Rodriguez as he helped get in a score. Also scoring in the inning were Tarr and O'Bryan, with Tarr getting to base on a fielder's choice and O'Bryan getting a double. O'Bryan scored a run on a throwing error and Ozona increased their lead 9-3.

Reagan County again came back for two unearned runs on two walks and an error. Good defensive plays by Garcia and Faught helped keep the Big Lake team in check as Ozona held a 9-5 lead.

Not to be caught off-guard, Ozona had another big inning in the fifth with Garcia and Smith scoring on passed balls and an error. Also getting lucky

was Rodriguez reaching first on an error and scoring on passed balls. O'Bryan got another double despite the fact that Reagan County had changed pitchers at the first of the inning. He scored on an error to give Ozona a 13-5 lead. Big Lake scored two runs on walks and wild pitches by Garcia. Ozona came through with good defense to slow down Reagan County 13-7 at the end of five innings.

Ozona was scoreless in the sixth and seventh innings but Reagan County was not. They scored three runs on two hits and an error in the sixth inning as their rally brought them within three going into the seventh at 13-10.

It eventually turned out that good defense would be the key to win the game. "Faught to the rescue" could have easily been the battle cry of the evening as he was called upon two

more times. He met the challenge by fielding two more grounders and making good throws to first.

In the seventh Ozona fans tended to hold their breath and hope that their players would continue to play good defense. Indeed they did as right fielder, Ty Allen came up to back up first on a bad throw and put out a runner headed to second.

Coach O'Bryan said it was the best demonstration of the reason a coach tells outfielders to be moving and backing up every play. That pretty well knocked the wind out of Reagan County as they were unable to come back. The Longhorns had surely stepped up their play in just a short time and were worthy of the championship.

Many thanks go to Pat O'Bryan for his contributions to this sports story.

Crockett County FSA News

1995 feed checks are ready. Come by the office and pick yours up.

As soon as Crockett County is approved for the new Disaster Reserve Assistance Program (DRAP) we will begin sign-up. This program will be retroactive back to June 1, 1996 if you are signed up by August 9, 1996. It will end on August 31, 1996, there is possible extension to Nov. 30, 1996. Producers will sign-up the same way they have with the Emergency Feed Program. You will need June 1st head counts, feed on hand June 1st. and acreage. You will also have to meet the same eligibility requirements: at least 10% of gross income from farming or ranching, gross income of less than 2.5 million and you will fill out

paylimit papers. More information will be available when we are approved.

Crockett County has received more funds for ACP. If you are interested in brush work, pipelines etc., come by the office. The deadline to sign-up is July 26, 1996.

Tribute to

J. D. Kilgore, a Cowboy

by Louella Jones
April 1996

He was born in Coleman County, at the turn of the century. Guess you'd say he's as much a Texan as any man can be. He rode in a covered wagon, when he was just a child. Not many now remember when the West was still so wild. He lived through the Great Depression, times were tough as they could get. He worked real hard, and always knew good times come from simple pleasures yet. He was married to his Goldie for more than 60 years. They shared some real good times, some laughter and some tears. They raised four sons with pride, then mourned the one they lost. Later on, with Goldie gone, who knows which he missed the most. He truly loves the history of the cowboys, and the true old West. But the lore of Indians, is what he loves the best. He's proud of his collection of arrowheads and such. And if you check the storage sheds, he doesn't throw out much. His hearing's not so keen now, but his eyes still dance with life. His hands are gnarled and painful, and his hair is thin and white. He no longer plays the fiddle, but he still tells with pride. Of the contests that he entered, and all the friends he made. He has a sorrel mare named April, she's his joy and pride. There's not much he likes better, than going for a ride. "A man with a horse always has a job," or so he used to say. He cleans his tack and saddle on inclement days. In summer time, his hat's a battered straw, in winter he wears a sweat-stained felt. On any given day, it's boots and spurs and a well-worn belt. His favorite jeans are soft and faded, the shirt a Western plaid. If he could have his way, one thing would make him glad. If you'd go out and visit, wear your boots and jeans. Sit around a campfire, swap some yarns and cook some beans. He never met a stranger, any one can tell.

Every one who knows him, thinks they know him well. His family calls him "pappy," "Daddy" or "Dad". He's about as good a friend and neighbor as anyone ever had. Whether he's riding out on April, or napping in the shade; J. D.'s just the kind of man of which legends are made.

Shannon Regional Clinics: Bringing A New Health System To West Texas.

J.M. and Margaret Shannon... the original healthcare pioneers of West Texas.

The new Shannon Health System isn't just for San Angeloans. Because a Shamrock Clinic or rural health clinic brings Shannon quality to a 19-county area

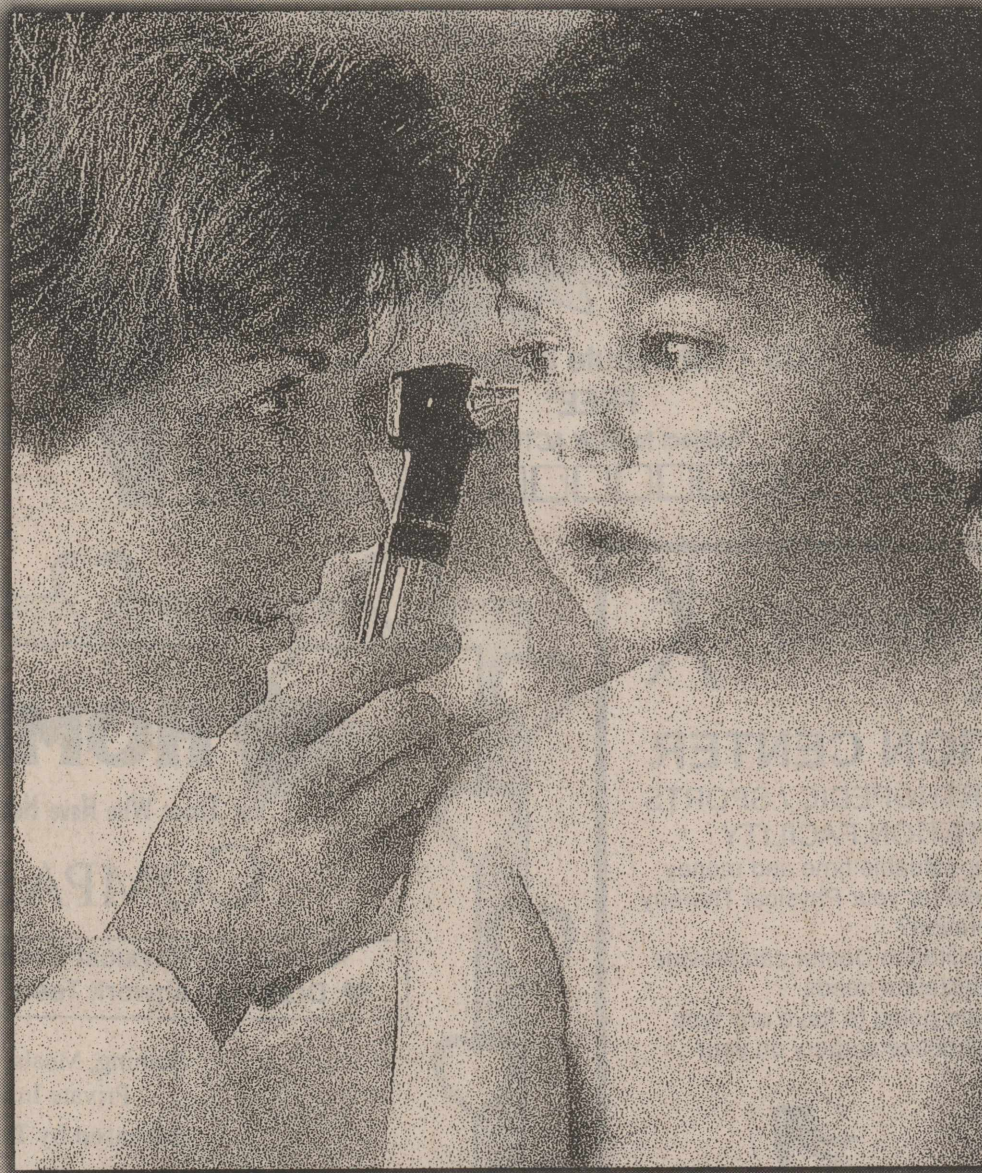

in West Texas. If need be, your clinic doctor can always call on the specialist physicians and resources of Shannon Medical Center.

In addition to bringing Shannon Health System to your hometown, we can also bring you to Shannon — at 150 miles an hour, using our Medivac 1 helicopter for air emergency medical transport.

So no matter where you live in West Texas, don't settle for anything less than Shannon Health System. We're pioneering a new health system in West Texas, with Shannon Clinic, Shannon Health Plan, Shannon Regional Health Services and Shannon Medical Centers: Memorial Campus and St. John's Campus (formerly Concho Valley Regional). Together they form West Texas' first integrated network of high quality, affordable healthcare services. Call 657-6222, or outside of San Angelo call 800-640-6222 for information on Shannon Health System and how we can bring better healthcare to your hometown.

Rain Dampens Ozona's Youth Football Camp

Neal Ulmer, Stockman Sportswriter

Monday was the opening day for Ozona's first football camp but it was cut short by Sunday's continuation of rainfall. Only four athletes showed up for the first half of the first day of football camp which is being held from July 15-18.

Ozona's head football coach and athletic director Walter Hargrove is serving as camp director. According to Hargrove, the camp will start with the younger age group in the morning with the fourth, fifth, and sixth grades. In the afternoon, the seventh, eighth, and ninth grades will go from 1 p.m. to 4 p.m.

"If the rain continues and the numbers continue to be small; then we will combine the groups and use the junior high gym," Hargrove said.

Like most camps, especially for the younger grades, the coaches will work with the kids on fundamentals.

"Mainly, we will work with them on fundamentals. We will teach them throwing, catching, carrying the football, blocking, tackling, and stances," said Hargrove. "We will also work on punting, kicking, and will probably get into some formations."

Not only will they learn the fundamentals but Coach Hargrove and his staff will make it fun as well. "We will have some flag games and competitive games, such as throwing and

catching. Also, there will be time on quickness drills and on the mats," he said.

There will be no pads issued as each participant will use their own shorts, shirts, and shoes. Each participant will receive a tee-shirt at the end of camp on Thursday.

USDA Announces Dates For Sheep Production And Research Referendum

The U.S. Department of Agriculture announced recently that a second nationwide sheep referendum on the Sheep and Wool Promotion, Research, Education and Information Order will be conducted Oct. 1.

USDA's Agricultural Marketing Service, a marketing and regulatory programs agency, has oversight responsibility for federal research and promotion programs. AMS administrator Lon Hatamiya said all producers, feeders, and importers who certify they were engaged in the production, feeding or importation of sheep or sheep products (except importers of

raw wool only) between Jan. 1 and Dec. 31, 1994, are eligible to vote. Hatamiya said that a second referendum is needed based on a review conducted by USDA, which revealed that the referendum rules were inconsistently applied during the Feb. 6, 1996, referendum.

Voters may register and vote in person or request absentee ballots at one of USDA's county Cooperative Extension Service offices. Absentee ballots must be requested from the office serving the county of voter residence, for individuals, or the county where the business headquarters is

located, for corporations. Absentee ballot requests may be requested in person or by mail between Aug. 26 and Sept. 17. Absentee ballots must be received in county offices by close of business Sept. 27.

The Farm Service Agency, formerly the Agricultural Stabilization and Conservation Service, will count ballots, determine eligibility of voters and tabulate the results.

For the Order to go into effect, it must be approved either by a simple majority of voters and tabulate the results.

For the Order to go into effect, it must be approved either by a simple majority of voters or by voters who

account for two-thirds of the sheep and wool production represented in the referendum.

If approved, the program would be funded by mandatory assessments. Domestic producers and feeders would be assessed 1 cent per pound on sales of live sheep and 2 cents per pound on sales of greasy wool. Importers would be assessed 1 cent per pound or the equivalent on imported sheep and sheep products and 2 cents per pound or the equivalent on imported degreased wool and wool products.

Details on voting procedures will be published at a later date when they become available.

Miles Dabovich, CEA-AG

Cook, Browne Compete In Track Events

Neal Ulmer, Stockman Sportswriter

Ozona's Dan Cook, brother of state hurdler champion Ron Cook, and Justin Browne have been busy this summer competing in track and field events across Texas.

Coming from a track family, Dan Cook, attended Fort Davis High School competing in the 110 meter hurdles, 400m relay, 1600m relay, high jump, and the long jump. He received a track scholarship from East Texas State University competing in the 110m hurdles in the Lone Star Conference.

Cook, who competes in the U.S.A. Track & Field Sub-Masters Meets (under 40 years of age), was recently ranked fifth in the nation in the 55m indoor hurdles with a time of 7.96 seconds. The ranking was listed in the U.S.A. Track & Field National Masters News.

"I was raised around track and field. I enjoy competing and being competitive," said Cook. "It is a family sport and a great way to stay in shape. Also, a sport I can enjoy in later years and I want to stay in shape."

Both Browne and Cook were joined by Rick Hamon on June 15 to compete in the Mason Masters and Open. Cook and Browne competed in the 110 meter hurdles and Browne and Hamon competed in the pole vault. All

three of them plus a fourth person ran in the 400 meter relay.

On June 22, Cook and Browne competed in the Austin Meet. Cook ran in the 110m hurdles and Browne competed in the pole vault.

On June 29, Cook took Justin Browne to the Llano A.A.U. Junior Olympics Qualifying Meet. Browne qualified in the 110m hurdles and the pole vault. He had a vault of 12'6" to qualify for the State A.A.U. Junior Olympics to be held in Houston later this month.

Cook will be traveling this weekend to San Antonio to compete in the 55m hurdles at the Southwest Regional Track Meet of the U.S.A. Track & Field Sub-Masters Meet. He hopes to compete in the Outdoor Nationals in Spokane, Washington on Aug. 24.

If anyone is interested in competing at all age levels through the month of July, contact Dan Cook at 392-3696.

Independent Cattlemen's Assn. Meets

The Independent Cattlemen's Association of Texas held a special meeting July 8, at the Sutton County Steak House. A dutch treat dinner was served.

Troy and Estelle Williams of Ozona, Larry Finklea, past chairman; Dick Street, George and Martha Wallace, Ruth Shurley and Ruth Espy were in attendance to hear Charles Carter, executive director, speak on "every segment of agriculture is suffering" along with other topics of interest and importance to the rancher.

Many questions were asked in regard to the beef check-off, potential price fixing of beef and NAFTA.

The 22nd I.C.A. Convention will be held in Beaumont Aug. 1 through Aug. 4. Reservations can be made at the Holiday Inn Beaumont. Aug. 1 will be fun day starting with a golf tournament in the afternoon and casino action in Lake Charles, LA. There will be a free all you can eat buffet at the casino. For more information call the home office at 512-836-1321.

RAILROAD COMMISSION OF TEXAS
OFFICE OF GENERAL COUNSEL

OIL AND GAS DOCKET IN RE: CONSERVATION AND PREVENTION OF WASTE OF CRUDE PETROLEUM AND NATURAL GAS IN THE STATE OF TEXAS
No. 7C-0213038

Austin, Texas
July 16, 1996

NOTICE OF HEARING ON THE APPLICATION OF UNION PACIFIC RESOURCES COMPANY TO DISPOSE OF OIL AND GAS WASTE BY INJECTION INTO A POROUS FORMATION NOT PRODUCTIVE OF OIL AND GAS, ELLENBURGER FORMATION, CROCKETT COUNTY, TEXAS

NOTICE IS HEREBY GIVEN to the public and to all interested persons that under the legal authority and jurisdiction of Title 3, Oil and Gas, Subtitles A, B, and C of the Texas Natural Resources Code, Chapters 26, 27 and 29 of the Texas Water Code, and TEX. GOV'T CODE ANN. art §§ 2001 et. seq. (1996), the RAILROAD COMMISSION OF TEXAS will hold a hearing on AUGUST 2, 1996 at 9:00 a.m. at the William B. Travis State Office Building, 1701 N. Congress Avenue, Austin, Texas. This hearing will be conducted in conformity with the TEX. GOV'T CODE ANN. art. §§ 2001 et seq. (1996). For room assignment, on the date of the hearing please check the bulletin board in the 1st Floor lobby. Persons planning to attend this hearing are urged to contact the applicant (see service List) immediately prior to the hearing date to be sure that the hearing will proceed on the scheduled date.

This hearing will be held to consider the application of Union Pacific Resources Company to dispose of oil and gas waste by injection into a porous formation not productive of oil and gas pursuant to the provisions of Railroad Commission Statewide Rule 36 (c)(10), 16 TAC §3.36(c)(10). Union Pacific Resources Company, P.O. Box 7-MS3006, Fort Worth, TX 76101-0007 is applying to the Railroad Commission of Texas for a permit to inject fluid into a formation which is not productive of oil and gas. The applicant proposes to inject fluid into the Ellenburger formation, Union Pacific Lease, Well No. 21. The proposed injection well is located 3 miles SW of Ozona in the Ozona (Ellenburger) Field, in Crockett County. Fluid will be injected into strata in the subsurface depth interval from 8700 to 9700 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Texas Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for further information concerning any aspect of the application should be submitted in writing to the Environmental Services Section, Oil and Gas Division, Railroad Commission of Texas, P.O. Box 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6792).

If you have questions regarding this application, please contact the Applicant's representative, Glenn E. Johnson, at (512) 480-5600. If you have any questions regarding the hearing procedure, please contact the Railroad Commission, Office of General Counsel, at (512) 463-6848.

IF A CONTINUATION IS NECESSARY, this hearing will proceed at the William B. Travis State Office Building, Austin, Texas, and, to the extent possible, on subsequent working days. The room number and exact time of the continuation will be announced on the record in this proceeding and recorded with Docket Services, Office of General Counsel, Railroad Commission of Texas.

PURSUANT TO SAID HEARING, the Commission will enter such rules, regulations, and orders as in its judgment the evidence presented may justify.

CERTIFICATE OF SERVICE

I hereby certify that a true and correct copy of the foregoing Notice of Hearing in Oil & Gas Docket No. 7C-0213038 was served on each of the persons named below by depositing same in the United States Mail (or by Inter-Agency Mail), postage thereon fully prepaid, properly addressed, as follows:

POSITION OPEN for administrative assistant: Responsibilities include, but are not limited to computer data entry, answering telephones, and filing. Experience with word processing and spreadsheets would be beneficial. High school diploma or GED required. Qualified applicants should send their resume to: Circle Bar Truck Corral, Inc., P.O. Box 1498, Ozona, TX 76943. 1c23

Systems Administrator

We are a major independent oil and gas company currently seeking highly qualified candidates for a Systems Administrator position in our Ozona office.

This position provides support to the Ozona Production Department by maintaining the WAN computer system, telephone system and SCADA system. Additional responsibilities include department budgets, timely performance criteria reports, and coordination of computer training for all Ozona employees. This individual will also assist teams in evaluating and implementing well automation and in reducing operating costs.

This position requires a bachelor's degree with a minimum of 2 years related experience including a working knowledge of Telecommunications systems and SCADA systems. Also critical are good communication skills, organizational skills and customer focus.

We offer competitive salary and benefits package and flexible work hours. If you are interested in a challenging, high-energy environment where your contributions will have a direct impact on company performance, please send your resume and salary history to: BSA Confidential Response Service, Dept. DF/SA1, 4835 LBJ Freeway, Suite 230, Dallas, TX 75244. Union Pacific Resources is an Equal Opportunity Employer, M/F/V/H. Principals only. No phone calls, please.
