## Sen. Lucio Threatens County Economy Over Golf Issue

Ozona Country Club and its policy of not allowing local non-members to play golf there came under attack by a South Texas senator late last month and again last week. Sen. Eddie Lucio of Brownsville, in Ozona Oct. 23 on a get-out-the-Democratic-vote tour, said in a press release he was "appalled" when a member of his six-person group was asked to leave the course during a benefit golf game that morning. The player, County Attorney Orlando DeHoyos, is not a member of the club. The men were there with member Jesse Fierro Jr.

"I want to remind those people (in Ozona) that I am chairman of the subcommittee on agriculture for the state of Texas," Lucio said last week.

teria. "I was really proud to be associated with that," DeHoyos said of the bill.

Two days later at a rally in Austin, Lucio accused the club of "exclusionary practices", and said he was considering filing legislation which would prohibit discrimination by small town country clubs. Similar legislation filed by Lucio in 1993 failed.

Lucio had expressed his intention to play golf in Ozona when his bill to criminalize discriminatory practices at athletic clubs passed the Texas Senate in 1993. Lucio said once the legislation was approved he would try to play a round of golf at Ozona Country Club. "If they turn me down, they are in for a world of..."

After passing the senate, that legislation was killed by a House committee's refusal to consider the bill.

The senator issued a threat to the community last week which affects anyone who directly or indirectly otherwise benefits from agriculture.

"I want to remind those people (in Ozona) that I am chairman of the subcommittee on agriculture for the state of Texas," Lucio was quoted as saying. "I believe in trying to help those people in that part of the state every way I can, and my record reflects that, but it leaves a bad taste in my mouth that I can't play golf with a county official up there at his own community's golf course."

A short time earlier at a political rally on the square with the temperature registering in the 20's, DeHoyos had introduced Lucio as sponsor of a 1993 bill which was prompted by allegations that Ozona Country Club barred Hispanics from membership. The bill prohibits Texas public school teams from using athletic clubs that have discriminatory membership cri-

by Scotty & Linda Moore

### His

Well, here is another opinion to add to the rest of the free-for-all statements made about Ozona and the never ending story about the private Ozona Country Club.

I am just an innocent bystander like most everybody else in this town wondering what in the heck is going on around here? What's the big deal about the whole thing anyway? It sounds more and more like a political play to earn votes for Mr. De Hoyos in his bid for another term at Crockett County attorney.

The whole thing first came to a head back in 1993 when legislation was introduced and made into law by State Sen. Eddie Lucio which forbid public school athletic teams from using private facilities that allegedly have racially discriminatory policies. As we all know this did nothing but kill the golf program at Ozona High School for the year. It ended up hurting the kids regardless of their race rather than helping. I understand that the public schools gave thanks that the club allows them to use the facilities in the first place. My gosh, Mr. Lucio, what do you and your buddies want, the cake and icing both?

In my opinion a private club is just that "a private club". They can make any rules that they so desire so long as it doesn't affect their neighbors. If their neighbors want to play golf they can apply for membership and pay their dues for upkeep of the facilities like anyone else. I can't play out there because I am not a member. But you must realize that I don't have to pay the dues for the expensive upkeep either.

I guess the most damaging part about the whole pile of beans was the threatening and blackmail statements made by the supposedly honorable State Sen. Lucio against agriculture, an important livelihood of Crockett County. A great big portion of this county relies on agriculture in one way or another. Without it Ozona probably wouldn't be anything but a post office, gas station and a grocery store, and that's all folks. Those stinky old sheep and goats are responsible in

## Mason Elected

Independent candidate Bill Mason was elected attorney of Crockett County in Tuesday's general election by a 347 vote margin. Orlando DeHoyos, who is in his second term of office, received 588 votes to 935 for Mason. Early voting accounted for 636 of the total votes cast.

In the presidential race, Republican candidates Bob Dole and Jack Kemp carried Crockett County 714 to 684 for the Clinton/Gore ticket. Independent Ross Perot and running mate

James Campbell received 147 votes. There were 8 votes for Libertarian Party candidates Harry Browne/Jo Jorgensen, none for Natural Law Party candidates John Hagelin/Mike Tompkins and 4 for Howard Phillips/Harbert W. Titus of the U. S. Taxpayers Party.

Sen. Phil Gramm (R) carried the county with 830 votes. Victor M. Morales (D) received 669 votes with 5

## Lady Lions Send Two To State

Three of Ozona High's Cross Country Lady Lions competed as individuals in the Region I-2A Cross Country Meet held on Nov. 2 in Mae Simmons Park in Lubbock. Competing for Ozona were Lori Sanchez, Terren Marshall and Amy Laughlin. Lori Sanchez and Terren Marshall

qualified for the state competition, turning in sixth and seventh places, respectively. Sanchez had a time of 12 minutes, 17.7 seconds for sixth place, and Marshall had a time of 12:18.3 minutes for seventh place out of a total of 140 contestants. Amy Laughlin placed 49th with a time of 13:33.2 minutes.

THE OZONA MASONIC LODGE AND TEXAS SCOTTISH RITE HOSPITAL hosted a dinner and presented an informational program on childhood learning disorders as well as medical services offered by the hospital at the civic center Oct. 29. The program was presented by Elizabeth Cantrill (2nd from right), the Outreach Coordinator of Child Development of the Scottish Rite Hospital. Also pictured are: (l. to r.) Mr. and Mrs. Graham Childress, Dan Davidson, Ozona Masonic Lodge Worshipful Master; Cantrill and Elizabeth Clark, dyslexia coordinator for Ozona Public Schools. Photo by Neal Ulmer

## Christmas Show And Sale Nov. 9

Crockett County Arts and Crafts Guild's annual Christmas show and sale Saturday at Fair Park Convention Center provides an opportunity to get your Christmas shopping done early. In addition to handcrafted items and food for sale from 10 a.m. to 5 p.m., there will be entertainment and demonstrations. Door prizes will be given away, and someone will take home a beautiful handmade quilt and pillow shams being given away by the Guild.

There will be gospel and western music by David and Lora Dean and friend from Burkett. Local talent Billy Fleming will also sing gospel music. Levis and Lace Square Dancers will perform and let you participate.

The Brush and Brag tole painting chapter of San Angelo will have a field trip as a group of 10-40 women and will have a demonstration booth.

Eastern Star will have food for sale, Mu Chi drinks, Xi Sigma Omega hot punch and cookies and address books. Laura DeHoyos will serve breakfast from 7 to 9 and have tamales to go. Baked goods will be for sale by Calvary Baptist Church youth and the Eastern Star. Several exhibitors will have homemade candy. Lacy James of Dryden will sell homemade jelly and gift items, and David Billings of Fort Davis will have pecan specialties. Pat Cox of Fort Davis will sell

apples from her orchard. Other exhibitors include: Lindenberg from Kerrville, handcarved Santas and wooden figures; C.R. Allen of Christoval, wood items; Martin and Karyn Brown of San Angelo, old and new wood furniture; Coston of Brownwood, wood, tole and ceramics; Cecilia Schwartz from Garden City, wood, decorated mirrors and frames, gift baskets and stuffed animals; Jay and Kathleen Crooks of May, assorted and decorated wooden yard ornaments and gift items; T. K. O'Bryant and Patsy Hester, handpainted wooden items, wreaths, jelly baskets, handpainted and decorated T-shirts and sweatshirts and miscellaneous;

Also Nancy Tubb of Midland, silversmith; Janet Cauthen from San Angelo, handmade clothes and jewelry, vests and home decorations; Lupe Longoria and Linda Ramos, handmade angels; Jo Elkins, clothes and assorted items; Pam Teague of Brownwood, birdhouses; Rose Reyna, assorted pillows and angels; David Markins of Hobbs, decorated candleholders and barbed wire crafts; Gertrude Rogers of San Angelo, assorted; Linda Harmon of Del Rio, assorted Southwest items; Helping Hands, decorated baskets;

And Audrey Glynn and sister of Ozona and San Angelo, assorted; Sara

Hignight from Ozona, assorted; Whitlock of Junction, assorted; Gloria Harris from San Angelo, wood and assorted items; JoAnn Williamson of Ozona and Veda Wooten of Sonora, handmade dolls, doll clothes and Barbie clothes; Bobbie Davis of Goldthwaite, clothes; Lindsey, Caldeil and Grissom of Ozona, stained glass, hair bows and angels; Mary Zapata of San Angelo, assorted; Pat Cunningham of Ozona, stained glass; Dana Cowen from Ozona, home baked items; Rhonda Parker and Sharon Taylor of Ozona, wooden items, Christmas items and handiwork; Jan Mobley of Eldorado, designer clothes and homemade candy.

"We will also have some local ladies displaying their fine arts pictures in several booths," said T. K. O'Bryant, of the guild. "Come out and do your Christmas shopping early."

## Fashion Show Tickets On Sale

The annual holiday style show and luncheon will be held Nov. 23 at the Circle Bar Dining Room. Serving begins at 11 a.m. A \$12 ticket includes the meal and style show.

Fashions will be by The Teacher Store and Small Fashions.

Tickets are available at Ozona Community Center, 392-2710; The Teacher Store, 392-3216; or Small Fashions, 392-3226. Raffle tickets for a cash prize of \$300 will be available for \$1 or six for \$5. You do not have to be present to win.

Seating is limited, so please make your reservations before Nov. 20. All proceeds go to the Ozona Community Center.

HAVING A BALL AT THE HALLOWEEN CARNIVAL held at Fair Park Convention Center last Thursday are: Peyton Fenton, Ashley Anderson, Carolyn Taylor, Rachel Byrne and Rebecca Byrne. Photo by Scotty Moore

### Letter to the Editor

Dear Linda and Scotty,  
Last Saturday evening, Nov. 2, I attended the Lions' Club dinner play and had a very entertaining evening. The dinner was very good and the play was a great joy.

I feel we need to compliment our Lions' Club members and families for all the hard work and let all of them know we in Ozona appreciate them in all that they do.

Thank you,  
Luc Morrow

### Meeting Notice

A Producers Marketing Cooperative Inc. meeting is scheduled for Nov. 6 at 5 p.m. in the Crockett Room.

### Correction, Please

In a story in the Oct. 30 issue of The Stockman about the eighth grade game against the Wall Hawks, the sentence reading "(Leon) Garcia caught a 52-yard pass play from quarterback Stephen Tarr." should be corrected to: "Garcia caught a 52-yard pass from quarterback Dustin Faight." The Stockman apologizes for the error.

### \*HIS

(Continued from pg. 1)

one way or another for putting a many a meal on the table for lots of people in this community and surrounding communities.

I honestly believe that if it were possible for the people of Crockett and surrounding counties, that rely on agriculture, to form together and file a class action suit against Sen. Lucio, or what ever his title is, that they would win in a New York minute.

### Fundraiser Planned For Girls' Home

In January 1996, the Concho Valley Home for Girls took over operation of the San Angelo Children's Emergency Shelter. Both facilities are licensed by the Texas Department of Protective and Regulatory services to provide residential care for children.

Since both serve children who require out-of-home placement, the merger was a natural one. The two share administration, staff and resources while each retains its individual identity and mission.

The girls' home provides shelter and specialized programs for up to 23 girls who were experiencing unfavorable conditions at home or who were abandoned. The home, open since 1973, shelters girls age 10-18 in one of three separate residences.

The Children's Emergency Shelter provides temporary emergency shelter for up to 13 children who have been abused, neglected, abandoned or are runaways. The safe, secure, home-like atmosphere allows children to recover from the trauma of family separation while the agency that places them does research and makes decisions on where the children will go when they leave the shelter.

During 1995, 39 girls lived at the girls' home while another 89 young people were provided non-residential services by the home.

Since the Children's Emergency Shelter opened in 1978, more than 2,700 children ages 0-17 have been served.

Children in both agencies come not only from San Angelo and Tom Green County, but also from several surrounding counties, including Crockett.

As cuts in funding are made in social services on the state and national levels, the effects are felt locally, according to Sammie Ruppeck, director of the girls' home and emergency shelter.

A fundraiser planned for Nov. 10 will benefit the Concho Valley Home for Girls and the Children's Emergency Shelter, both United Way agencies. The Secret Garden Tea Party, with seatings at 1 and 4 p.m., will be held at the Cactus Hotel in San Angelo. The mother-child tea party will be an afternoon filled with music, illusions, refreshments, fashions, toys, Victorian memorabilia and fun. Everyone is invited.

Reservations are required. For more information, or to reserve a spot, call 942-6070.

1997 CALENDARS AND CALENDAR REFILLS are at The Stockman.

## Ranch To Rail Program Reshaping Cattle Industry

The "Ranch to Rail" program, a five-year effort by cattle producers, private industry and the Texas Agricultural Extension Service to assimilate detailed information about production and consumer trends, is providing new direction for the beef industry in nine states.

Producers, feedlots, packers, retailers and consumers — every link in the chain from ranch to dinner table — is benefitting from the information carefully gathered and rapidly shared by the program, said Dr. John McNeill, associate department head and Extension Service program leader for animal science at Texas A&M University.

"The program is an information feedback system that sends detailed facts back to the cow-calf producers," McNeill said. "It tells them how their products fit or don't fit the system, and gives them an opportunity to evaluate and modify their genetic and management decisions to better fit the needs of the beef industry."

Each year since 1991-92, participating ranchers have assigned cattle to the program, placing them on feed at the Randall County Feed Yard or the King Ranch Feed Yard. Each animal is sold on a carcass basis when the feed yard managers determine it is in optimum market condition. Since the program began, 1,004 ranches in Texas and eight other cattle-producing states have taken part.

Throughout the feeding period, detailed records are maintained on each animal's performance. This includes average daily gain, calculated feed efficiency, total cost of grain, medicine, break-even cost and net return.

Extremes in net return, health costs, performance factors, and carcass parameters in the Ranch to Rail animals reflect the variability that exists in the beef industry. "Reduction of these variables and production of a product that meets the needs of all segments of the beef industry must be each producer's goal," McNeill said.

"Looking at the data makes a cow-calf producer realize they are in the food business," he said. "They're producing food, not just a commodity.

They can look at the data and evaluate their (herd) genetics and management to determine how their calf crop is fitting the needs not just of the feedlot but providing the type of product the consumer wants."

Ranch to Rail showed Texas producers that nearly 40 percent of their cattle were discounted at the packer because carcasses were too heavy, too light, too fat or had physical defects. The cattle weren't measuring up to packer and consumer demands for leaner, more uniform animals.

Things the producer-driven program has pinpointed have been taken to heart by all segments of the industry, McNeill noted. Many ranchers have changed their genetics to get the type of cattle that performs better and grades out better when marketed. Some have changed management practices to provide "preconditioning" of calves before they go the feed yard and adopted the new Value Added Calf (VAC) vaccination management program.

As a rule, calves are weaned from their mothers and sent immediately to the feed yard. Add the stress of the long haul and the new environment with different bacteria, and the calf has new problems.

If the rancher weans the calves at home and preconditions them, "they don't get sick, they're under less stress, they know how to eat and drink out of a trough," said rancher Clyde Williams of Brazos County.

Preconditioning data from Ranch to Rail resulted in the VAC program. It showed that four to six weeks of preconditioning before shipping and two rounds of vaccinations resulted in fewer respiratory diseases and fewer health problems. Adoption of this management technique by producers reduced the costs of medicine administered at the feed yard this year over previous years.

McNeill said findings from the Ranch to Rail program also have led to major changes in the private sector of the beef industry.

Criteria established by the pro-

gram data have been adopted as standard by Friona Industries, the nation's seventh largest cattle-feeding operation and a co-sponsor of the program. It now pays a premium of \$8 a hundredweight for pre-conditioned calves it buys from ranchers.

Two of the leading livestock video marketing operations — Superior Livestock Video and Producers Livestock Video — also have adopted the criteria for their video catalogs. And a group of veterinarians in South and East Texas have used the findings to establish the Vets Advantage program of livestock health care and marketing.

"It's the cooperation of all industry segments that has enabled us to gather and share critical information that is the key to the survival of our beef industry," McNeill said.

Program sponsors are the Extension Service, the Texas A&M department of animal science, Texas Cattle Feeders Association and Texas Purebred Cattle Alliance. Cooperators are Randall County Feed Yard, King Ranch Feed Yard, Iowa Beef Processors, Inc., Excel Corporation, Sam Kane Beef Processors, Inc., West Texas A&M University and the Federal-State Livestock Market News Service.

This program is one of many supported by the statewide county Extension network, which needs additional state funding if it is going to continue to have the capacity to deliver educational programs to citizens across Texas.

"After a decade of funding constraints, the Extension Service needs additional monies to ensure county-level staffing is adequate," said Dr. Zerle Carpenter, director of the Extension Service. "We are making every effort to work with the state legislature and county government to keep this system in place."

OZONA GARDEN CLUB AND OZONA CHAMBER OF COMMERCE are working together to refurbish the nativity scene for Triangle Park. Pictured with some of the newly painted figures are: from left, Celia West, Dorothy Montgomery, Jonesy Williams and Mary Jo Mason  
Photo by Scotty Moore

## Nativity Scene Being Readied For Holidays

The nativity scene displayed for many years at Triangle Park near the Village Shopping Center will return this Christmas season after a two-year absence. The display is being refurbished by members of Ozona Garden Club with materials provided by

Ozona Chamber of Commerce. Mahlon Couch Robertson started the nativity scene in 1966. Due to failing health, she asked Celia West to help her finish the painting of Joseph and Mary. These pieces were finished in 1967.

Mrs. Bailey Post, past president of the garden club, asked Mrs. West to add other figures to the scene. The figures of the three wise men were completed in 1969 and the shepherd and lamb in 1971.

The figures needed complete renovation, and the chamber of commerce, headed by Carmen Sutton, asked garden club members to see what they could do. Celia West, Dorothy Montgomery, Mary Jo Mason and Jonesy Williams have been working in Cap West's shop sanding, putting and painting. "As the nativity represents love, this has been a project of love, much fellowship and sharing," said Mrs. Montgomery.

Jim White did the carpentry reconstruction and bracing. He has used metal for the supports. Cap West also has contributed carpentry and moral support.

The entire project will be waterproofed before it is introduced this coming Christmas season.

## Ozona Woman's League Annual Holiday Bazaar

Let the women of Ozona Woman's League do your holiday cooking this year! Again this holiday season, the League members will be baking delicious homemade pies, cakes, breads, candies, cookies, meat casseroles, and jellies. The bazaar will be held at the Ozona Civic Center on Monday, Nov. 25, from 5:00-6:30 p.m. A convenient mail-in food order form is available in *The Ozona Stockman*, or you may place a food order by calling Karen Huffman at 392-3425 or Becky Childress at 392-2492. Because of the amount of foods ordered each year, it is necessary to have an order deadline. Food orders this year must be placed by Thursday, Nov. 21.

Also a tradition of the Woman's League is the bazaar raffle. This year's items to be raffled will be a hand-painted vest by Tammy Bunger, a large holiday wreath by Terri Faight, and a basket of home-baked goodies made by League members. Raffle tickets are \$1.00 each and are good for all three prizes. They may be purchased at the door during bazaar, or may be bought from any League member.

If you haven't ordered bazaar goodies before, please try it this year. All proceeds from the annual bazaar, sales from the *Diamonds In The Desert* cookbook, and from the raffle, go right back into the community in the form of scholarships, civic projects, and charities. Not only will you be getting some quality time off from cooking, but you will be helping your community, too.

All food orders may be picked up

at the Ozona Civic Center from 5:00 to 6:30 p.m. on Nov. 25. If you need your items delivered to you, please let a League member know when you place your order. We will be delighted to deliver your order.

Put Nov. 25 on your calendar now. You and your family will be glad you did.

## Bonilla Announces internship For Julie Childress

U.S. Rep. Henry Bonilla (R-Texas-23) recently announced that Ozona resident Julie Childress has begun an agriculture internship in his Washington, D.C. office.

"I am delighted that Julie will be helping out in my Washington office," Bonilla said. "She is a good student and her experience in agriculture makes her ideal for this internship."

Childress began her internship in September and will continue with Bonilla through the fall. She will concentrate on assisting Bonilla and his staff on agriculture issues.

Childress, a senior at Texas A&M University, is participating in the agriculture department's internship program. She is working toward a bachelor's degree in agriculture development.

Childress comes from a ranching background. Her family has raised sheep and goats for more than three generations.

"Julie's background in farming and ranching will be a tremendous help to my team," Bonilla said. "She knows sheep and goat raising firsthand and what it's like to deal with federal government on insurance and regulatory matters."

In addition to being a student, rancher, farmer and congressional intern, Childress is a member of the Texas A&M Dean's List, the Alpha Zeta Agricultural Honor Club, and Pi Beta Phi Fraternity. Also, in 1995 Childress was a member of the Texas A&M wool and mohair judging team and placed third in individual competition at the Houston Livestock Show and Rodeo Mohair Contest.

Julie Childress and U.S. Representative Henry Bonilla

"IT'S WONDERFUL KNOWING THAT IF I EVER NEED EMERGENCY HELP, ALL I HAVE TO DO IS PUSH THIS BUTTON ON MY PENDANT."

One push of a button sends a coded signal to the Response Center, where trained professionals stand ready to dispatch help.

In a crisis, dialing or even getting to a phone may be impossible. But, with SOSSignal, the Personal Emergency Response System (PERS) from Baker Durable Medical Equipment, one push of a button on an easily worn pendant transmitter sends help immediately for medical, security or fire emergencies at any time day or night.

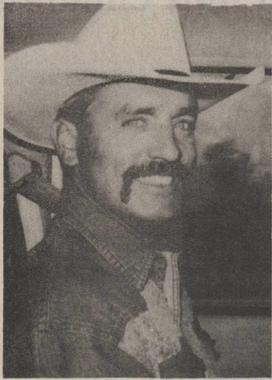

This PERS program is ideal for elderly or physically impaired persons as well as single women, those receiving home care, or anyone with health or safety concerns.

This program now serves a growing number of individuals, couples and families in California, providing the highest level of service at an extremely reasonable monthly cost with no equipment to buy and no long-term contracts to sign.

For more information, call us at

## Price Begins Traveling Ministry

Monty Price

After four years of pastoring Faith Fellowship, which was a year ago changed to Iraan Community Church - "The Church That Grace Built", Pastor Monty Price announced his resignation.

The Lord has called Pastor Price,

his wife Susan, daughter Leann and son Jake to continue reaching the lost in the arena of cowboy ministry under Cowboy Church of The American West. With invitations to such places as Colorado Springs, CO, Tomball and Mason, to regular once a month cowboy church services in San Angelo, it is clear that they are to evangelize in the highways and by-ways of the western world.

A covered dish dinner was held on Sunday, Oct. 27, at the Old House Cafe in Iraan to honor Pastor Price and his family and also welcome incoming pastor Rick Thomas, his wife Debbie and two girls Kacy and Kandi.

Nov. 1 marked the change. Rev. Price held cowboy church at the San Angelo Roping Fiesta Nov. 3 and Rick Thomas held his first service as pastor of Iraan Community Church. Services at Iraan Community Church are Sunday mornings at 10:30 and Wednesday nights at 7. For more information, call 915-639-2734 Monday-Friday 9 a.m. - 3:30 p.m.

## Community Members Learn About Children's Hospital

By Elizabeth Clark

Over 180 people enjoyed an informative program explaining the services provided by the Texas Scottish Rite Hospital for Crippled Children and a delicious dinner last Tuesday. The Masonic Lodge brought Elizabeth Cantrill, the outreach director of the child development division, to Ozona to let everyone know of the outstanding work and opportunities that the Scottish Rite Hospital provides. In a beautiful autumn setting, Dan Davidson, his family and friends worked together to host an exquisite meal.

The desperate battle to free Texas children from the crippling effects of polio spurred concerned Masons in the early 1920's to establish the Texas Scottish Rite Hospital for Crippled Children. Since then, more than 71,000 patients have been treated, but no one has ever been charged. Throughout its history, the hospital has been supported by donations from individuals, civic groups, corporations and foundations.

Since then, the hospital has expanded to treat a wide range of orthopedic and neurological conditions afflicting children. Among these is dyslexia. The hospital is internationally known for its diagnosing and treatment of this "invisible handicap". Dyslexia is a developmental disorder manifested by difficulty in learning to read despite having an adequate intelligence and all the opportunities to learn. An estimated 10 percent of the population has difficulty with the symbols of written language, including reading, reading comprehension,

writing and spelling. Without help to overcome this disability, these bright, intelligent children will lose their self-esteem, often drop out of school, and, ultimately, fail to realize their potential.

To end the night, everyone was treated to a poignant video written and produced by dyslexic children. This video, entitled "Come Inside Our World", portrayed the frustrations, misunderstandings, and expectations of these children. It made everyone more sensitive and aware of the problems manifested by dyslexia. We also became aware of the fact that dyslexics have the potential to be successful leaders of our world. They are talented, intelligent people who can make a difference.

## Book Fair Coming To Primary School

Ozona Primary School is once again sponsoring its annual Troll Book Fair Nov. 11-Nov. 15. The time will be from 9 a.m. to 3:15 p.m. daily, and it will be held in the school library.

This special reading event features the best of children's literature with hundreds of award-winning titles and other popular titles on display. Young readers and their parents will have the opportunity to see and purchase the latest picture books, chapter books and novels, including a wide selection of science, craft and nonfiction titles for the whole family to enjoy.

Profits from this fair will go into the school's library fund.

Don't miss the book fair that's coming to Ozona Primary School. Admission is free, and everyone is invited.

For more information, please call 392-4022 and ask for Simply Cervantez, book fair chairperson.

These things I have spoken unto you, that in the world ye shall have tribulation: but be of good cheer; I have overcome the world.

St. John 17:33

## Crockett County Public Library News

By Louise Ledoux

### Internet Grant

Crockett County Public Library is proud to announce that we have just received a substantial grant from the Massie Memorial Foundation to fund Internet access in the library. The grant is for one telephone modem connection and for two Internet provider accounts. Access to the Internet in the library for the youth of Ozona will mean that our small rural library can provide the same level and quality of information that youth in Dallas, Houston or Austin have and take for granted. This grant from the Massie Memorial Foundation has ensured that distance will not be a restricting factor for education for our children.

The Massie Memorial Foundation was established in the 1930s after the deaths of Robert and Mary Massie. It was to be dedicated to the use, uplift, education, culture or training of young people. Mr. and Mrs. Massie were a dynamic force in the West Texas area, beginning with ranching in Crockett County and then extending into business in San Angelo. Robert Massie formed what is now Wool Growers Central Storage, became a director in Ozona National Bank and Central National Bank in San Angelo, and

later formed the Robert Massie Furniture Company and the Robert Massie Funeral Home. Mrs. Massie was very active in civic clubs and the First Methodist Church. They touched and influenced thousands of lives in the area, and that influence continues today through the Massie Memorial Foundation.

The Massie Memorial Foundation has had a tremendous influence on the library in Ozona beginning in 1966 with the formation of the adult room in the high school library, continuing through the transition to the Crockett County Public Library with a gift of magazine files on microfiche with a reader and copier, to historical videos, and most recently to Internet access in the library.

The foundation is still dedicated to the education of youth. Foundation board members are: Roger M. Dooliver of San Angelo (president), Joe Bean of Ozona (vice president), Pierce Miller of San Angelo and Ozona, Tom Gregg Sr. of San Angelo, Brock Jones, Jack Baggett Sr. and Steve Kenley of Ozona.

## The "Holy" Spirit

By Dennis J. Prutow

When Christ left this earth after His resurrection, He promised His Father would send the "Holy" Spirit. The "Holy" Spirit took His place. "I will not leave you orphans," said Jesus. "I will ask the Father, and He will give you another Helper, that He may be with you forever" (John 14:18 and 16). God sent this other Helper, the "Holy" Spirit into the world to be with us and stand with us just like Jesus.

Since the Father sent us the "Holy" Spirit, there are some very dramatic consequences. When Jesus Christ walked on the earth, men and women came face to face with their sins. Jesus gave some directions to Peter and other fishermen. As a result, they hauled in a huge catch of fish. "But when Simon Peter saw that, he fell down at Jesus' feet, saying, 'Depart from me, for I am a sinful man, O Lord'" (Luke 5:8). The holiness of Jesus Christ became evident to him. Peter felt tremendous guilt because of his sins.

Should we be surprised if the "Holy" Spirit does the same thing? Look at what Jesus promised about the coming of the "Holy" Spirit, "He, when He comes, will convict the world concerning sin..." (John 16:8).

Here is the good part. When we see our sins, we may turn to Jesus, the Savior from sin.

## •Lady Lions

(continued from page one)

"It is a great accomplishment," said Ozona High's cross country coach Pete Maldonado. "One qualifying as an individual is a great accomplishment, and having two is a much greater accomplishment. It is a great accomplishment to them as individuals, to show how much work they put into it. This region is the toughest region to compete in."

The meet was won by Roscoe's Katherine Duncan with a winning time of 11 minutes, 55.1 seconds. Winning the top spot as a team was Hawley with a score of 51 points. The other top four placings were: 2 Sundown, 99 points; 3 Clyde Eula, 128; 4 Seymour, 151; and 5 Winters, 163 points. Other area teams placing include Stanton 12th with 259 points, Iraan 13th with 303 points, and Wall 14th with 318 points.

Sanchez and Marshall will advance to this Saturday's state meet in Round Rock starting at 12:30 p.m. at the Old Settler's Park. The young ladies will be running a 3200 meter course.

## \*Mason

(Continued from pg. 1)

going to Michael Bird (L) and 10 to John Huff (NLP).

U. S. Rep. Henry Bonilla also got the nod in Crockett County with 986 votes. Charles P. Jones (D) received 403 and Linda J. Caswell (NLP) 34.

Other races and their local results were:

Railroad Commissioner - Carole Keeton Rylander (R), 829; Hector Uribe (D), 508; Rick Draheim (LP), 32; Paul Pigue (NLP), 20

Chief Justice, Supreme Court - Tom Phillips (R), 530; Andrew Jackson Kupper (D), 455; David Parker (LP), 46

Justice, Supreme Court, Pl. 1 - John Cornyn (R), 465; Patrice Barron (D), 502; Thomas Stults (NLP), 436

## Lady Lions Ready For Basketball Season

By Neal Ulmer  
Stockman Sportswriter

The 1996 Ozona Lady Lions are ready to three-peat, that is, claim a third Class 2A state basketball championship. If you thought the last two years were exciting and great - well, there is another one to come. The Ladies return after a very successful 1995-96 season of 37 wins and two losses.

"Our primary goal is to win district and try to play well and have success in the post season. Each year is a new challenge, and this year will be that way as well," said Ozona girls' head basketball coach Dickie Faught. "We have a chance to be a very good basketball team this year, but we know that will happen only if we work hard and develop a great team concept. The team concept has been our strongest asset the last two years."

There will be 11 returning Lady Lion lettermen to help make a repeat of district and state championships. "We have a lot of returning lettermen, who have been instrumental in our past successes. So, we are hoping for good things to happen this year," Coach Faught said.

Returning seniors are Shelly Sullivan, a 5'10" post player who was chosen to the Class 2A all-tournament team last year; Amy Laughlin, a 5'9" post player; Julie Perez, a 5'2" guard, and Megan Tambunga, a 5'4" wing player. Returning juniors are Amber Tarr, a six-foot post player who was chosen for the second year as the Most Valuable Player of Class 2A state girls' tournament; Bobbie Bryson, a 5'2" guard chosen to the District 5-2A team; Amber McWilliams, 5'4" wing; Autumn McWilliams, a 5'4" wing; and Stormi Sessom, a 5'9" wing player. They will be joined by fellow juniors Leslie Avila, a 5'4" guard; Lauren Wilkins, a 5'6" wing; and Juli Hall, a 5'8" post player.

Coach Dickie Faught will be returning to his fourth year as varsity girls' coach and will be assisted again by Coach Rodney Johnson, who will also coach the girls' junior varsity team. Also joining the Lady Lion coaching staff is Dale Mayfield from Brownfield, who will coach the Lady Lion JV B team.

"We are fortunate to have her, and she is a good quality coach," said Coach Faught. "She was a junior high coach in Brownfield. Coach Johnson will coach the JV and has been doing a good job."

Manager of the varsity Lady Lions will be Leanna Baggett, and trainer for the Ladies will be Connie Cowan.

In looking at the 96-97 basketball schedule, Coach Faught sees the com-

petition as being fairly tough. "I feel like we have a real good schedule. We have quite a few teams that will give us good competition. That is gonna help us, because our district will be tougher overall. We know it will be a difficult year, because everyone will be up for us and they will play their best against us," said Coach Faught.

Although there are actually only three new players, Coach Faught sees it as a new team. "We have a new team - not only a few new players on varsity, but the relationships on the team have to be built, roles sometimes have to change, and sometimes players gain new strengths and weaknesses. So, blending our team chemistry and unity is a very important part of the new season. We have been fortunate the last two years to develop a great chemistry, but it's not always very easy to do," Coach Faught said.

Picking up again on the team concept, Faught added, "everyone on our teams the last two years has been willing to do what was best for the team; setting aside personal goals and individual accomplishments. That has defined our team the last two years - teamwork, unity, togetherness and camaraderie."

"It looks like we may not start the season as healthy as we should be," said Coach Faught. "We have some sickness (mononucleosis) and injuries. We've had injuries, and those are some adversities we have to overcome through perseverance, hard work and a good attitude."

The Lady Lions will be playing their second scrimmage with San Angelo Central and Snyder in Snyder starting at 2 p.m. on Saturday, Nov. 9.

The Ladies' first game will be in Fort Stockton starting with the junior varsity at 6 p.m., and the varsity will follow on Tuesday, Nov. 12. They will play in Ballinger starting at 6 p.m. with the JV and followed by the varsity on Friday, Nov. 15.

### Happy Birthday

## Local Students Included In The National Dean's List

A total of four students from this area are among the 125,000 students included in the 19th Annual Edition of *The National Dean's List* just published by Educational Communications, Inc., Lake Forest, Illinois.

Students are selected for this honor by their college deans, registrars or honor society advisors and

must be in the upper 10% of their class, on their school's dean's list or have earned a comparable honor. Listed students are eligible to compete for \$30,000 in scholarship awards funded by the publisher and may also use a referral service for future employment opportunities. More than 2,500 colleges and universities na-

tionwide use the publication to recognize their academically qualified students.

Local students selected include: Aaron Carroll, Embry-Riddle Aeronautical University; Calli Jackson, Howard Payne University; Rey Rivera, Western Texas College and Tiffany Vargas, South Plains College.

## Lions' Turnovers Give Buffaloes Win

By Neal Ulmer,  
Stockman Sportswriter

Ozona Lion turnovers and trouble moving the ball gave the Forsan Buffaloes a 27-6 win in District 8-2A action last Friday night in Forsan. The Lions are now 1-8 for the season and 0-5 in district.

A very concerned Coach Walter Hargrove, head coach at Ozona High said, "We didn't block well, tackle well, hang onto the ball, turned the ball over at inopportune times, and gave them the momentum. We didn't get off their blocks and didn't tackle well."

The Lions got on the scoreboard first on their first possession of the ball. They started on their own 22-yard line with Lion quarterback, Justin Browne, picking up seven yards on a run. On the third play, Browne connected with Darin Jackson for a 72-yard touchdown pass play with 7:33 remaining in the first quarter. The PAT by Browne was bobbed and Browne attempted a pass, but it fell incomplete.

"Offensively, we didn't execute when we had an opportunity on gains—running or throwing, dropping the ball, and throwing where it could be caught," said Coach Hargrove. "We had a lot of pressure; it wasn't all the linemen's fault or all the receivers fault. We had a breakdown somewhere. They were 1-7 like we were and played harder to win the game."

The Buffaloes score twice in the second period. Forsan started their first touchdown drive from their own 28-yard line. Two plays of 4-yards each placed them down onto the Lion 2-yard line. After Justin White picked up one yard, Lipham scored on a 1-yard dive play. Place kicker, Brian Fielder kicked the PAT to give the Buffaloes a 7-6 lead.

A Browne pass was intercepted by Buffalo Ferroll Voight on the Buffaloes' 46-yard line to set up their second touchdown. They eventually scored when Buffalo running back, Robert Hillger scored on a 2-yard run with six minutes left in the first half. The PAT by Fielder was good to increase the Buffaloes' score and lead at halftime to 14-6.

Forsan did some things correctly, according to Coach Hargrove, to win the game. "They tackled, didn't fumble (they did have 4 and lost 1), caught the ball, and blocked. We didn't see anything that we hadn't practice. We executed on offense in practice all week, but not on Friday on both sides of the ball."

On the Buffaloes' first possession of the ball in the third quarter, they scored on a 47-yard run by Wes Osburn with 9:39 remaining in the period. The PAT by Fielder failed, but the Buffaloes increased their lead to 20-6.

Another fumble by Browne on the Buffaloes' 33-yard line late in the third quarter set up the Buffaloes' last touchdown of the night. A 26-yard pass from Forsan's quarterback, Cade Park, to Brian Fielder placed the ball on the Lion 24-yard line. Four plays later, Hillger scored on a 2-yard run with 10:10 remaining in the game.

Fielder added the PAT to put the Lions out of touch at 27-6.

The Ozona coaching staff have always urged the Lions to put all their effort into every play. "We talked about finishing every snap, both offensively and defensively and on the kicking game, but we didn't do it. We worked all week on it," Coach Hargrove said.

Defensive back, Justin Browne led the Lions once again in tackling with 14 tackles. He was followed by teammates Jon Sanchez with 12, Jason Stuart with 11, Manuel Mendoza 8, John Esparza 7, and Gary Dominguez, Jason Hightight, Jonathan Hill, and Armando Flores had five tackles each. A total of six players had 11 tackles for the evening.

The Lions will host the Winters Blizzards in their last season and District 8-2A game, starting at 8 p.m. in Lion Stadium on Friday night, Nov. 8. The Blizzards, under the direction of head coach Robin Byrd, have a season record of 4-4 and a district record of 2-3, dropping to Eldorado last week by a score of 20-10.

They led their district with a 5-0 record last year and are returning 16 lettermen this year. They have five offensive and five defensive starters returning.

Coach Byrd sees their strengths as good size, quickness, and the kicking game. He sees their possible weaknesses as lack of depth.

"They have a lot of kids hurt and some right now. They've always played hurt and have a lot of new faces on the field," Coach Hargrove said. "They are playing real well. In fact, they have been playing good all year."

They base their offense out of the wishbone, but also run a split back offense. "They throw the ball real good, their running backs are real good, and they run hard and block well," said Hargrove. "They have pretty good size and overall bigger than we are. They have some speed and quickness."

Defensively, the Blizzards run a split-6 and have at least one good inside linebacker. "It's going to be real tough," said Coach Hargrove.

Some of the Blizzard players to watch are running backs Chris McCaslin, Marshall Scates, Arnold Silva, and Eric Bernal; tight end Dennis Conner, wide receivers Ricky Luz and Jonathan Cobb; and linemen Steven Cross, James Andrae, Brent Jacob, Bear Nitch, and Jason Ventress. Leading the Blizzards at quarterback will be Kenny Whittenburg.

Get out and "Back the Lions" in their last game of the season.

## Cubs Take Two From Eagles

By Neal Ulmer  
Stockman Sportswriter

The Ozona Cubs defeated the Grape Creek Eagles in both middle school games held in Eagle Stadium last Thursday evening. The eighth grade won 14-6 to increase their record to 2-6. The seventh grade won their game 8-6 and increased their season record to 4-3.

Coach David Delgado was pleased with the win, but was concerned about the turnovers his team made. "Offensively, we moved the ball well in both halves, but turnovers stalled our drives in the first half."

The Eagles opened the scoring in the second period on a pass play. A run for the 2-point conversion failed, and they led at halftime 6-0.

"In the second half, we were able to hold on to the ball and able to convert into points," said Coach Delgado.

The Cubs scored in the third quarter on a 3-yard run by Leon Garcia. Garcia ran in the ball on the conversion to place the Cubs in the lead 8-6.

In the fourth quarter, Garcia scored again on a 5-yard run. A run by Chase Adams failed for the conversion, but the Cubs came away with a

14-6 victory.

"Defensively, we were able to contain them most of the night with the exception of a couple of big plays" Delgado said.

"They were scrappy," added Coach Rick Bachman about the Eagles.

In the seventh grade game, the Cubs set the tempo of the night as they defeated the Eagles 8-6 in earlier action.

"Grape Creek matched up very well with us and played extremely hard," said Coach Bachman. "I felt this was a big win for the kids, as it was the first game we've won on the road this year."

Both teams went up and down the field in the first half with neither scoring. The third quarter proved to be the scoring quarter as the Eagles opened it

up with a 42-yard touchdown pass play. A run for the conversion failed, giving the Eagles a 6-0 lead.

Ozona's Abel Rodriguez twisted and turned for a 36-yard touchdown to tie the score at 6-6. He also took the ball across the goal line for the 2-point conversion to take an 8-6 lead and win the game.

"The first half was a defensive struggle for both teams," said Coach Delgado.

"After falling behind in the third quarter, the kids showed a lot of courage and character by hanging tough.

We executed our offense well and were able to go ahead and take the lead on our next possession," Coach Bachman said. "Our defense again rose to the challenge and kept Grape Creek off balance as we played fairly evenly the rest of the game."

The Cubs will host the Sonora Colts starting at 5 p.m. for the seventh grade game and 6:30 p.m. for the eighth grade game on Thursday, Nov. 7.

"We are looking forward to playing Sonora in our last game, as we feel this will be a good measuring stick for both teams," said Coach Bachman.

### Ninth Grade Eagles Defeat Ozona JV Gold

By Neal Ulmer,  
Stockman Sportswriter

Twice was enough for the Grape Creek JV Eagles as they defeated the Ozona JV Gold Lions 33-6 in Lion Stadium last Thursday night. The Lions fall to a 1-7 season record.

"We played them a lot better this time," said JV Gold coach Alan Phillips. "This group of kids played hard together, have fun together, and are fun to work with."

"We took the opening kickoff and drove 60 yards for a touchdown," Coach Phillips said. "It shows an improvement on the offensive line."

Lion Joe Luna scored on a 6-yard option play. The two-point conversion pass was caught by Michael Martinez, but he fell short of the goal line. The Lions led 6-0 over the Eagles.

The Grape Creek scoring was not available.

The Lions put in a pretty nifty play that worked. "On the last play of the first half, we executed a tight end around double reverse that Clay Richardson ran about 35 yards. The Lions tried another play later, as a double pass from the fullback, Joe Luna, to Cade Clark was unfortunately intercepted.

"Offensively, Clay Richardson had a good game; Joe Luna played well catching 3 or 4 passes and one TD; and the offensive line consisting of Ty Mitchell, Zeke Flores, Ryan Bean, Tripp Farris, Mario Barrera,

and Cade Clark," said Coach Phillips. "Also doing a good job in the secondary include Jimmy Talamantez and Daniel Landin."

Although the Eagles scored 33 points on the Lions, Phillips thought the Lions played well. "Jimmy Talamantez and Daniel Landin did a good job in the secondary," said Coach Phillips.

Ty Porter did a good job of punting and put the Eagles in a hole.

Both coaches are very appreciative of the parents and fans as Phillips said, "Coach Vickers and I really appreciate the support of the parents and the fans in supporting this football team," said Coach Phillips. "The kids played hard because they know their parents are behind them—win or lose, they know they will support them."

The JV Gold team will combine with the JV Purple team to play the Winters Blizzards JV, starting at 6:30 p.m. on Friday, Nov. 7, in Winters.

### Menard JV Squeezes By JV Purple Lions

By Neal Ulmer,  
Stockman Sportswriter

The Ozona JV Purple Lions had trouble getting their engines going as they were defeated by the Menard JV Yellowjackets 25-14 in Menard last Thursday evening. The JV Purple Lions are now 5-4 for the season.

Ozona JV Purple offensive coach, Ronnie Casey had only one comment, "We need to improve on our offense."

Ozona's first score came in the first period. Matt Castaneda scored on a 6-yard run, and Ross Crawford was sacked before getting a pass off for the conversion.

The Lions scored their second touchdown on a 52-yard end-around by Will Roane. Castaneda scored on a double lead to the right for the two-point conversion.

Coach Casey noted that Mark Childress had about 80 yards in receiving and Crawford had about 120 yards in passing with one interception.

Coach Lee Gonzales set up how the Yellowjackets scored on their first possession. "On the opening kickoff, Menard took the ball to the Lion 9-yard line. They scored on us the next play, and it took a lot of air out of us in the first half," said Gonzales.

The halftime score was Ozona 6, Menard 25.

The Lions looked better in the second half according to Coach Gonzales. He said, "In the second half, we adjusted our defense, and we caused three consecutive turnovers. We played hard defense in the second half."

The Ozona JV Purple team will combine with the Ozona JV Gold team

to play the Winters Blizzards JV, starting at 6:30 p.m. on Friday, Nov. 7, in Winters. Get out and "Back The Lions".

## Ozona Seniors Visited By Pre-schoolers

Residents of the Ozona Senior Apartments were visited by costumed pre-schoolers Oct. 29. Students of Erik's House Pre-School entertained the residents in the club room. The children performed several Halloween songs and recited poems to the residents and guests. After the performance, residents reflected and shared with the pre-schoolers what they did on Halloween as children. The pre-schoolers were told that costumes were made by parents and not store bought. Door to door trick or treating was limited, and all gathered at churches or schools for Halloween activities and fellowship. Bobbing for apples was a past favorite activity. Refreshments of pumpkin, ghost and bat cookies, along with orange

punch, were served to all. An enjoyable time was had by both the seniors and pre-schoolers. Residents and their guests in attendance were: Juliana Arrendondo, Etoile Bennett, Ruby Reeves, Lola Rios, Helen Stokes, Meadora Lara, Myrtle Welch, Janet McDaniel and Virginia Bishop. Also attending were: Martha Weant, Nancy Hale, Luann Pierce, Polly Perner, Cindy Komechak, Lucille Littleton, Amy and Victor Newton, Alice and Charles Childress, Colton Childress and Vicki White. Pre-school class members attending were: Grady Childress, Trey Fierro, Lane Hale, Rose Karnes, Russel Komechak, Taylor Newton, Rebecca Pierce, Jaydn Poindexter, Nathan Weant and Lane White.

**"COOKIE THE CLOWN"** suggests to school students that, "We need to eat breakfast everyday because it helps us with our school work and health." ## Roping For Rehab

A team roping to benefit West Texas Rehabilitation Center has been rescheduled for Saturday, Nov. 9, at the Richards Park Arena in Brady, according to volunteer coordinator James Allen Williams. Books will open at 1 p.m., roping begins at 2 p.m. and will remain open through the end of the first round. Concessions also will be available, including a hamburger meal. The cost is four head for \$30 per team and the contest is progressive after one. Frontier buckles will be awarded to average winners. Originally set in September, the event has been rescheduled twice due to rainouts, and Williams is hopeful the third time truly will be a charm for this Rehab Center fundraiser. He also reminds ropers they must have a current card to collect winnings, and no numbers will be issued the day of roping. For additional roping information, call Williams at 915 597-2427 or 597-0323 evenings.

**READY FOR HALLOWEEN AT CROCKETT COUNTY CARE CENTER** are: Cheryl (the maintenance guy) Vestal, Neva Palmer, Bonnie Warth, Hazel McDaniel, Rafela Perez and Rodrigo Machado. *photo by Scotty Moore*

## Out and Around WITH EDDY HALL

We are so glad to see Mary Hillman back with her big smile. She is doing so well and does not have to have any treatments. Royce and Donna Hightower just returned from the Polar Bear Safari in Canada. The trip was made with the Wylie Byrne Caravan Club International. They left on Sept. 14 and didn't return until Oct. 7. From Ozona they traveled to Harve, MT. Harve is a very large railroad town now. Years ago Harve burned. There was no wood to rebuild, so they built their new downtown underground. The area is still very active to this day with a barber shop, drug store, bakery and all kinds of offices. Even their judge has his office there. At Wolf Point, MT, they toured the property of a man who has collected more than 500 tractors, and they all are still in running order. He owns all but five models of the John Deere tractors. In Minot, ND, the Hightowers toured the Oral Logic plant where 3-sided toothbrushes are manufactured. Called Dentrust, they are sold in name brand stores in the U.S. Near Dauphin, Manitoba, Canada, they toured a PMS farm where pregnant mares are kept. Urine from these mares is collected under very sterile conditions and used in the manufacturing of female hormones. Quarter horses are also sold there.

Because of the 41 people on this tour, the town of Swan River opened all its demonstration exhibits for them. They saw a blacksmith, wood carver and old timey baking in clay ovens. The tour group was fed two meals there and entertained by an Indian gentleman who traveled 60 miles to sing country and western songs to the group. If you go to The Pas, Manitoba, beware when you visit their Royal Canadian Legion Hall. If you failed to remove your hat before entering, you had to buy the house a round of drinks. The taxes are higher in all of Canada. Goods and services were 7 percent plus a sales tax of seven percent. The Pas has a paper mill by the name of REPAP (paper spelled backward). At Flin Flon, the source of income for the residents is the Hudson Bay Mining and Smelting Co. Part of the town is closed down for an underground nursery that grows tomatoes and some kind of trees that are being used in cancer research. The temperature is constant and special lighting is used. Ocean freighters on the Hudson Bay are foreign, usually carrying grain. The group had to leave their motor homes in Thompson to board a train for a 13 mile journey on to Churchill, which is accessible only by plane or train. You can have a car transported in for \$450. This part of the tour takes three days plus riding the train two nights to new destinations.

Tundra buggies took them to see the polar bears. Donna said the buggies' tires are as tall as she is. If the bears come to town, they are trapped in big cylindrical cages baited with seal oil. Then the bears are kept in a building until the Hudson Bay freezes over. They are then released to go home, hopefully. While in captivity, the bears are tagged and have a tooth removed to determine their age. If they return a second time, they are destroyed. At Churchill there were no trees, lots of water and a large bird sanctuary plus the ever famous Northern Lights. It was on to Winnipeg, the capital of Manitoba, then back to their trailers for their departure and return home. Donna said every town had a welcoming committee with tours and meals for the group, and you just had to buy a souvenir pin from each town. They enjoyed the trip tremendously.

\*\*\*\*  
Thelma Hyde stopped by the office Monday with a warning about snakes. Seems she found a coral snake in her yard on Ozona's east hill not too long ago and wants everyone to be aware. This is the second coral snake found on Thelma's property over a period of years.  
\*\*\*\*  
Melinda Hokit came home Saturday after a hospital stay and surgery to fuse vertebrae in her neck. She is doing well but has to be very careful during her recuperation says her mom, Alena Faye Hokit.

### Keep Texas Beautiful Promotes Use Less Stuff Day Nov. 21

On Thursday, Nov. 21, Keep Texas Beautiful has joined *The ULS Report*, the Environmental Protection Agency and 50 other organizations to sponsor the Second Annual ULS Day. Use Less Stuff Day will highlight the importance of reducing waste - an especially significant problem during the holiday season, when it's estimated that Americans throw away an extra million tons of trash per week.

Keep Texas Beautiful, the non-profit state affiliate of Keep America Beautiful, works to provide grassroots solutions to Texas solid waste and litter issues. KTB works with volunteers, elected officials, businesses and state and federal agencies to promote litter prevention, environmental public awareness and education, proper solid waste management and recycling illegal dumping enforcement and beautification. For more information, call 1-800-CLEAN-TX.

### Crockett County Sheriff's Report

#### SO WEEK ENDING 11-5-96 ARRESTS:

10-29-96...19-year-old Kevin Bledsoe, 18-year-old Scott Bucholz and 18-year-old Cassandra Delgado, all of San Antonio, were arrested on charges of possession of marijuana and drug paraphernalia. They are in county jail awaiting arraignment.

11-0-96...29-year-old Catherine Cardillo of New York and 31-year-old Robert DeGracia of Austin were arrested on charges of possession of marijuana and drug paraphernalia. They are in county jail awaiting arraignment.

11-1-96...22-year-old Chester Carouth of Ozona was arrested on charges of possession of cocaine. He is in county jail unable to post bond. The case will be referred to the Crockett County Grand Jury and tried in district court.

11-1-96...37-year-old Aureliano Luna of Ozona was arrested on a warrant charging him with disorderly conduct. The arrest occurred as a result of an investigation into a complaint of window-peeping on Largo Street. He was released after posting

bond. The case will be tried in JP Court.

11-4-96...Sheriff's deputies are investigating a theft of beer at the Shot's #4 store. Store employees were able to identify the suspect, and criminal charges have been filed.

11-4-96...Lucrecia Varela reported that her car was damaged with BBs while it was parked on Cherry Street. The offense is under investigation.

#### Election Day Results!

Would you please personally thank Jon Moran for sacrificing his birthday party Nov. 5th in order to print the election returns for our benefit. If you appreciate his sacrifice please come by the paper and wish him a "Happy Belated Birthday." All tips would be appreciated.

A friend of Jon's

## The Newsreel

A rerun of "The Ozona Story" as gleaned from the files of The Ozona Stockman

#### NEWS REEL NOV. 9, 1967

##### News Reel

Helen King, daughter of Mr. and Mrs. Joe King, was crowned Ozona Lions 1967 Football Queen during halftime activities at the homecoming game Friday night.

##### News Reel

Mr. and Mrs. Bill Pagan and son, Steve, visited Mrs. Pagan's mother, Mrs. J. H. Millhollon, in Snyder over the weekend.

##### News Reel

Funeral services for Mrs. Maude A. Thurman, 76, will be held today at 3:00 p.m. from the First Baptist Church with Rev. Jim Hancock, pastor, conducting services.

##### News Reel

Mr. and Mrs. Beecher Montgomery, Mrs. George Montgomery and Mrs. Charlie Black will leave tomorrow to spend the weekend in Ft. Worth and attend homecoming activities at Texas Christian University.

##### News Reel

Mr. and Mrs. Ray Boyd returned Thursday from a hunting trip to Colorado.

##### News Reel

Ozona firemen were called out early this morning to extinguish a fire in a clothes dryer in one of the apartments at Crockett Heights. The fire resulted in an un-estimated amount of smoke damage to the apartment and its contents.

##### News Reel

Mrs. R. A. Harrell, chairman of the Crockett County Historical Survey Committee, represented this county at the 1967 annual meeting of the Texas State Historical Survey Committee and its private affiliate, the Texas Historical Foundation, held

in Galveston last week.

##### News Reel

Mrs. John Childress was hostess for the Ladies Golf Association bridge play at the country club Thursday. Mrs. Bob Bailey won high, Mrs. Sherman Taylor, low and Mrs. C. O. Walker won the bingo prize.

##### News Reel

Mr. and Mrs. Taylor Word and granddaughter, Tammy Word, daughter of Dr. and Mrs. Max Word of Rifle, CO, visited friends here last week. Mr. and Mrs. Word are former Ozonans.

#### NEWS REEL NOV. 10, 1938

##### News Reel

Dr. George L. Nesrsta, who has been engaged in the practice of medicine and surgery in Ballinger for the last three years, has moved to Ozona to take up practice here.

##### News Reel

Howard Lemmons, husky back on the Ozona Lions football team, is suffering from an arm infection and may be out of the all-important Armistice Day game at Sonora Friday.

##### News Reel

Oscar Kost employed at the Jones Saddlery, recently bought 140 head of Angora goats from Vic Montgomery. The goats are being pastured on the Ernest Dunlap ranch.

##### News Reel

Mrs. Charles E. Davidson, Jr. and Miss Wayne Augustine were hostesses to the Junior Woman's Club for the meeting Thursday at the Davidson home.

##### News Reel

Mrs. F. T. McIntire of San Angelo was the house guest of Mrs. Wayne West here during the music club's convention.

**GOOD TO THE LAST SCRATCH.**

Get busy with your scratching coins, because as of November 1, 1996, you won't have these three instant games to scratch around anymore: *Monster Cash*, *Holiday Surprise* and *Happy Valentines*.

We're scratching all three games off our list on November 1, 1996, but you can still purchase any remaining tickets or claim any prizes through April 29, 1997.

With *Monster Cash*, you can win up to \$2,000. *Holiday Surprise* gives you a chance to win up to \$4,000. And *Happy Valentines* has a top prize of \$1,000.

You can claim prizes up to \$599 at any Texas Lottery retailer. Prizes of \$600 or more are redeemable at one of the 24 regional Texas Lottery claim centers or by mail.

Questions? Just call the Texas Lottery Customer Service Line at 1-800-37-LOTTO (1-800-375-6886).

Overall odds of winning in *Monster Cash*, 1 in 4.69. Overall odds of winning in *Holiday Surprise*, 1 in 4.60. Overall odds of winning in *Happy Valentines*, 1 in 4.69. Must be 18 years or older to play. ©1996 Texas Lottery
