## Temporary manager appointed for Convention Center

At a meeting called Oct. 7 to discuss management and bookings of the convention center, commissioners were told that the lease they thought they had on the fairgrounds area was not valid. County Attorney Bill Mason told the court he had researched their lease and that one executed on March 12, 1963, was probably the most valid lease between the county and Crockett County Fair Association. A Jan. 1, 1991, lease signed by Judge Katherine Mayfield and Pleas Childress Jr. was not signed by commissioners. A later lease, signed by commissioners on Feb. 11, 1991, was never signed by a representative of the Fair Association.

Pon Seahorn, a member of the Fair Park Convention Center committee, asked whether or not the lease of \$1.00 a year has been paid.

Mason also questioned the validity of the Fair Park Convention Center board, asking if the board met in regular open meetings which were posted so that the public might attend, were minutes kept and did the board report monthly to the commissioners court.

This discussion took place as several residents of the area near the convention center waited to learn what the court would do about excessive noise from dances in the building.

"We need somebody to go over there and get a hand on the volume," said Judge Jeffrey Sutton. All agreed that it would take a special person to take care of the building and be firm

regarding loud bands. Commissioner Fred Deaton pushed for purchase of a decibel meter which would turn the electricity off when the sound level was too high.

No bookings are being taken until something can be done regarding management, said Miles Dabovich. Dabovich, Crockett County Extension Agent whose office is the booking location for the building, said the convention center board wanted to stay in place and didn't wish to put any more burden on the county until the \$350,000 building is completely paid for. An increase in rent from \$500 to \$600 would help pay for someone to take care of the entire fair park area, Dabovich said.

Eddie Moore, superintendent of the road and parks department, said he has three positions open and could take one person and have them do the maintenance on the entire complex, convention center, Extension office, fairgrounds and park.

Commissioners voted to appoint Moore as temporary manager of the convention center and also voted to authorize a permanent position for an employee for the fairgrounds area and buildings.

Mason told the court that the Sheriff's Department has the authority to send an officer to the building in response to complaints about loud noise. Moore was told he could take a deputy with him if he had to go to the convention center because of noise complaints.

TREE TRIMMERS FOR WTU ARE BUSY AT WORK at the First Baptist parsonage. Radical trimming of trees around town has many residents up in arms. County Attorney Bill Mason says property owners can refuse to allow their trees to be trimmed. For information from WTU, see their ad on page 11. DigiCam Photo by Scotty Moore

## Autopsy says Gravell sexually assaulted

An autopsy report received last week by Justice of the Peace Jim Hearne confirms that 9-year-old Jennifer Gravell was sexually assaulted and died of severe blunt force injury to the head last August. Despite several searches, no murder weapon has been found.

Details of the report from the Bexar County Forensic Science Center reveal that the child's hands were bound behind her with black electrical tape and that black electrical tape was wrapped around her neck and chin. An adult's white sport sock was entangled in the tape and lay along the front of her neck.

Charged in the murder is Melvin Wayne White who lived in the same block as the Gravell family. White reportedly co-operated with officers in finding the body, which was behind a tank battery northwest of Ozona half a mile west of the intersection of Highways 137 and 163.

He remains in Crockett County Jail charged with two counts each of capital murder, murder and felony murder in the course of committing and attempting to commit aggravated sexual assault.

A pre-trial hearing has been set for Oct. 24.

## Care center nears capacity

In what is described by some as an air-clearing session, commissioners and care center/health services board met in joint session Oct. 9 to discuss personnel. The personnel to be discussed, care center administrator Crystal Hargraves and Gerald Creel, director of nurses, waived having the meeting in executive session. No action was taken following the meeting.

During the earlier care center/health service board meeting at 6

p.m., Creel told the board that representatives of West Texas Rehab Center were in Ozona Oct. 8 with an architect to look over the area being considered for physical therapy. Creel said WTRC is actively pursuing having a physical therapy facility here. A proposal will be presented in detail at a future board meeting.

Shannon Health Services had offered to pay for recently purchased

## Pioneer Heritage Day Saturday

Pioneer Heritage Day, a project of Crockett County Museum, is planned for Saturday, Oct. 18, at Emerald House in Fairgrounds Park. Activities begin at 8 a.m. with a chuckwagon breakfast and continue to 4 p.m.

The day will include music, square dancing, games, demonstrations of pioneer type activities and plenty of good food. At 11 a.m. Vicki Stokes will lead a chorus of pioneer descendants and old timers in a round of song.

Cost of the chuck wagon lunch prepared by Graham Childress is \$5.00. Breakfast will be \$2.00.

## David Screws new Stockman sportswriter

DAVID SCREWS  
David Screws has accepted the position of sportswriter for The Ozona Stockman. He will be replacing Neal Ulmer who has faithfully reported the sports and other news events for The Stockman for several years. Neal and his wife, Tedra, are moving to Centerville. David, who is employed by Texaco, and his wife, Sandy, have resided in Ozona for several years. Welcome aboard, David.

## Complete recovery expected for Bill "UPS"

Now in rehab riding and walking his way back to health from a recent heart attack and surgery, Bill "UPS" Donica is looking forward to full recovery.

Bill will be in Ozona Saturday, Oct. 18, at the gazebo, says Mike Bien, also one of Ozona's UPS men. The occasion will be a drawing for a Winchester Model 70 Classic Featherweight .270 rifle. Proceeds from the raffle will benefit Donica.

# County to haul some trash

Commissioners voted Monday to buy a truck for hauling trash and five trash containers. The trash to be hauled will be that which is deposited by citizens at the 14th Street collection point. Eddie Moore, road and parks superintendent, said cost would be about \$45,000 and that the money is available in his department's equipment fund. Moore believes that the county can dispose of the trash considerably cheaper than paying West Texas Waste Management to haul the material away. Costs have already been cut by sorting trash at the collection area and taking as much as possible to a composting area on the Double T Ranch.

West Texas Waste Management will continue to pick up household trash which is transported to a receiver near Midland. Trash collected by the county can also go to that location or be taken to Big Lake.

During Moore's report, the county approved purchase of a 2-1/2 ton dump truck with air brakes from the state. This will be bought out of the 1998 budget. Moore also said he needs a larger truck jack for lifting big transmissions. This will be purchased out of this year's budget.

Commissioners were agreeable to closing in a breezeway area at the road department shop where diesel tanks have been removed. Putting in a concrete floor and walls will create a storage space and also enlarge the meeting room where elections are held.

In his capacity as temporary manager of the convention center, Moore reported that a sound system controller for bands will be installed Thursday.

Only two bids were received for the Senior Citizens' Building. Both companies bid cost plus due to not having the specifications long enough

to prepare further. These bids were rejected, and the project will be put out for bids for the third time.

Extension Agent Miles Dabovich reported on the results of the predator control program in the county at the end of its first year. Trappers verified livestock losses of \$77,130 to predation. Possible losses based on the number of predators caught, projected livestock kills and stock values amounted to \$126,910. The majority of landowners in the county are participating in the program, Dabovich said.

Dabovich asked for a line item change in the program's budget to purchase two 4-wheelers to be used by trappers. The money is available because the program was short two of its four trappers for a time. Two previously purchased 4-wheelers are being used with success.

Commissioners voted to approve a resolution of non-support of the American Heritage Rivers Initiative. Present to stress the importance of rejecting the AHRI were Sid Hoover and Ginger Perner. Mrs. Hoover told the court she has contacted taxing entities south of the Pecos River and landowners in the area urging them to write letters stating that they do not want that river to be considered in the initiative.

The American Heritage Rivers Initiative would designate 10 U. S. tributaries as American Heritage Rivers. In order to be designated as a heritage river, the river must be nominated by a community and be backed by broad community support. The initiative would bring Federal control to any river nominated.

Commissioners listened to Paul Evans, area manager for West Texas Utilities as he talked about a 138,000 volt line which will be brought into

Ozona to the substation here. The exact route for the transmission line from Big Lake to Ozona to Sonora has not been selected yet, Evans said. He said the line will improve voltage and system reliability.

Later in the meeting, Walter Hornaday and Patrick Woodson of The Texas Wind Power Company talked to the court about their plan to construct a large scale wind power plant in the county. The company is presently on WTU's final short list for the project. The company is seeking

tax abatement for a 10-year period as an incentive to put the facility in the county.

Commissioners voted against purchase of new judicial and administrative software. The software, which would serve the entire county, would cost \$251,000.00 and could be paid for in part by grants, Judge Sutton said. He anticipated an actual cost to the county of \$25,000.00.

During a financial report by John

State Capital

HIGHLIGHTS

By Lyndell Williams & Ed Sterling TEXAS PRESS ASSOCIATION
AUSTIN — Child support payments by delinquent parents in Texas rose to \$700 million last fiscal year...

cent; and the number of children for whom paternity was established increased by 269 percent.

Despite the improvements, however, collections overall have reached just 22 percent of the 915,064 cases being handled by the attorney general's office.

Water Zone Map Released

The Texas Water Development Board has released a draft of a map dividing the state's 4,959 square miles of inland water into 14 regional water zones.

Last week, the water board scheduled public hearings to be held around the state in October to receive comments on the draft.

Senate Bill 1, the comprehensive water bill passed during the legislative session that ended in June, requires the water board to transfer the responsibility for managing water resources to 14 regional water planning areas.

Water resource management had been shouldered by the state and a loose network of more than 7,000 river authorities, water conservation districts, utility companies and others.

Sen. J.E. "Buster" Brown, R-Lake Jackson, co-author of the legislation, knows that disputes are likely.

"The nice thing about the process is that those concerns get to get aired before the lines are drawn," Brown was quoted in the Wall Street Journal.

SB 1 requires cities, counties, water districts and local entities to map out how they will conserve water supplies and respond to future droughts in their planning areas. The legislation also requires the regional water planning areas to submit plans to the water board for approval every five years, beginning Sept. 1, 2000.

Judge Defends Prof's Right

In an interview with the Austin American-Statesman, Judge Fortunato "Pete" Benavides of the 5th U.S. Court of Appeals said University of Texas law professor Lino

Graglia has the right to speak his mind, even if his ideas are offensive to some.

Graglia's comments sparked national attention in September when he said most black and Mexican-American students can't compete with white students because those groups don't look upon failure as a disgrace.

He made the comments at a news conference in support of the New Orleans-based 5th Circuit's "Hopwood" decision which barred the University of Texas School of Law from using race as a factor in student admissions.

Benavides said it is "wrong to call for (Graglia's) resignation. We all say things that are wrong."

And he defended the "freedom of professors, above all, to speak out even when they're wrong or when they're perceived to be wrong or whatever by the community, whether they are or not."

"To me," Benavides said, "a college campus is supposed to be for ideas that are spoken about freely and checked out to see whether they're true or not."

Other Capital Highlights

Teachers would have to be recertified every five years under a proposed state requirement. The Texas Federation of Teachers says teachers should be allowed to vote on the proposal. Currently, 97 percent of teachers in Texas are certified but at least half teach subjects outside their field of certification.

Democrats are airing television ads in East Texas asking voters to call the district office of Sen. Drew Nixon, R-Carthage, and demand his resignation. Nixon said he would not resign after a Travis County jury sentenced him to six months in jail on gun and prostitution charges.

The U.S. House voted 309-106 last week to approve an agreement allowing Maine and Vermont ship their radioactive waste to a disposal site near Sierra Blanca in West Texas.

## Belinda Wilkins--Cook-of-the Week

"My grandmother, Odessa Carter, is the reason I love to cook," says Belinda Wilkins. "I still can't make a pecan pie as good as hers, though." Belinda takes lunch to her grandmother several times a week and uses recipes and cooking skills year 'round that were taught to her by Mrs. Carter.

The family dogs, Doc, Shaq and Hershey, and a guest, Honey, are usually in the kitchen when meals are being prepared. "Dogs are a large part of my cooking; I have to step around them," says Belinda.

This Cook of the Week loves to try new recipes but says sometimes that doesn't work too well. Her sister, Karen, is responsible for many of the cookbooks in the Wilkins kitchen. On her travels, Karen would always remember to bring back a cookbook for Belinda.

"I especially like Junior League cookbooks. I use the ones from Corpus and Austin a lot," says Belinda. She also likes to work with recipes, making them uniquely her own.

Monday is the day for a big lunch at the Wilkins house. Husband Steve brings home friends for lunch and the children's friends are there, too.

Holiday meals are heavy with tradition in the Wilkins household. Thanksgiving and Christmas have their standard menus. "You cannot delete from these menus," she said. "You can add to, but not delete." Attempts to change are met with disfavor by the youngsters of the house.

Belinda is busy in the community as a member of Women's League and Ozona Garden Club. She is chairman of the pastor/parish relations committee at Ozona United Methodist Church, chairman of the Crockett County Civic Center board and has been a member of the chamber of commerce board.

"What I'm most proud of that I do is Project Graduation," she said. "I work on that just about year 'round. We have one of the best (Project Graduation) anywhere."

Now that daughter Tara has her own apartment in Austin, she loves to cook, also. Lauren is a senior at Ozona High School and Mason is a sophomore. 4-H, UIL sports and literary activities of the children keep the entire family busy. And Steve is additionally busy now getting ready for hunting season. He breeds show lambs, commercial sheep and cows and registered Brahman cattle. But many know him through the radio as an announcer for Ozona school sports events.

Belinda's recipes include Lauren's absolute favorite, Fiesta Chicken. Also included is a Christmas menu item, Blueberry Salad.

### Fiesta Chicken

1 - 3 lb. chicken, cut into serving pieces  
 1 c. buttermilk  
 3/4 c. flour  
 1/4 c. yellow cornmeal  
 1 tsp. garlic salt  
 1 tsp. chili powder  
 1/4 c. grated Parmesan cheese  
 1/2 c. butter

Place chicken pieces in buttermilk. Combine flour, cornmeal, garlic salt, chili powder and Parmesan. Dip chicken into cornmeal mixture. Melt butter in baking dish. Add chicken, placing skin side down. Bake at 375 degrees for 20 minutes. Turn and bake 20 minutes longer or until chicken is tender; baste with drippings as needed.

### Belinda's Blueberry Salad

2 pkg. (3 oz.) Concord grape gelatin  
 1 c. boiling water  
 1 can (1 lb., 4 oz.) crushed pineapple, drained and juice reserved  
 1 can (16 or 17 oz.) blueberries, drained and rinsed (May use frozen)  
 1 pkg. (8 oz.) cream cheese  
 1 c. sour cream  
 1/2 c. pecans (optional)  
 Dissolve gelatin in water. Add enough water to juice to make 2 cups, add to gelatin. Add fruits and pecans. Chill until partially set. Blend cream cheese and sour cream. Drop spoonfuls of thickened gelatin alternately with cheese mixture into 9x13-inch glass dish. Run a knife in both directions through mixture several times to make swirls. Chill until firm. Serves 12 to 16.

### Green Chili Chicken

2 chicken breasts, skinned, deboned and diced  
 1/4 c. butter  
 1/3 c. flour  
 1/2 c. diced onion  
 2 c. chicken stock  
 1 (4 oz.) can green chilies, cut into strips  
 2/3 to 3/4 c. creamed or frozen corn  
 1-1/2 tsp. ground cumin  
 1 tsp. minced garlic  
 Melt butter in large skillet. Soss chicken with flour to coat well. Saute in butter. Add onion and garlic, chicken stock, chilies and spices. Simmer 10 minutes. Add corn and cook 1 minute, until chicken is tender. Do not let liquid boil away. Mixture should be consistency of a hearty soup or stew. Serve in bowl with warm tortillas or Mexican cornbread. Garnish with avocado slices and/or sour cream. Serves 2-3.

### Strawberry Cake

2-1/2 c. flour  
 1 c. butter (softened)  
 4 eggs  
 1 tsp. vanilla  
 2-1/2 tsp. baking powder  
 2 c. sugar  
 1 c. milk  
 1 - 3 oz. box strawberry gelatin  
 1/2 c. pureed strawberries  
 Preheat oven to 350 degrees. Grease and flour a 9x13 cake pan. Mix flour, baking powder; set aside. Cream butter, sugar and gelatin until fluffy. Beat in eggs one at a time at medium speed until fluffy. At low speed, beat in flour mixture alternately with milk. Add vanilla and strawberries. Beat 1 minute at medium speed. Pour batter into prepared pan and bake 30 minutes or until cake springs back when pressed lightly in the center. Let cake cool and frost with cream cheese icing. Smooth strawberry glaze over the top of cake.

### Cream Cheese Icing

Combine and beat until creamy  
 1/2 c. butter, 1 lb. powdered sugar, 1 - 8 oz. pkg. cream cheese, 2 tsp. vanilla.

### Strawberry Glaze

1 c. pureed strawberries, 1 T. cornstarch, 1/4 c. sugar

## October special for Alpha Delta Kappa members

October is Alpha Delta Kappa Month for Women Educators in the West Texas Sorority Branch which includes Ozona. Members from Eden, Mertzon and Ozona get together once a month in San Angelo to discuss educational issues, plan projects such as giving items to the San Angelo Shelter, sending school supplies or books to hospitals or schools and share ideas.

Ozona members are Virginia

Cotton, Jeannine Henderson and Carolyn Taylor.

A display of books donated to the Ozona Primary Library was set up on Wednesday, Oct. 8. The names of the books are *Owl Babies*, *The Fourth Little Pig* and *Mortimer*.

Donuts were served to show the organization's appreciation for the hard work and dedication of the primary teachers.

## Forum provides equipment for museum

The Ozona Woman's Forum met Oct. 7, 1997, at the civic center with Charlotte Harrell and Jewel Bailey as hostesses.

Shirley Kirby, the president, opened the meeting. She welcomed Elaine Phillips as a new member of the Forum. Mrs. Kirby also announced that five more maquettes of *The Tie That Binds* had been ordered.

Willia Perry stated in her projects report that she had met with Judge Jeffrey Sutton concerning 911. At this time, all 911 calls will go directly to the Sheriff's Office and then be directed to the correct source. The mapping of the county will begin soon.

Charlotte Harrell gave a museum report and asked the Forum for support. Glenda Henderson moved to buy a new fax machine for the museum. This was seconded by Katharine Russell.

The Forum and Woman's League are to be co-hostesses for the Heart of Texas District Convention Oct. 25. This is to be held at the Ozona United Methodist Church Fellowship Hall. The decoration committee will be chaired by Marolyn Bean. Members are Benny Gail Hunnicutt, Patsy White and Helen White. The food chairman will be Katharine Russell for the registration, and the Project Graduation will cater the luncheon.

Forum members enjoyed having Trey Hale and Ashlee Worley, two very outstanding 4-H members, giving a slide presentation of their exchange trip to Kentucky last summer.

Cydnie Jane Worley assisted.

Members attending the meeting were: Jewel Bailey, Marolyn Bean, Pauline Brown, Geniece Childress, Nancy Childress, Beverly Evans, Charlotte Harrell, Glenda Henderson, Virginia Hubbard, Benny Gail Hunnicutt, Lu Ingram, Jimmie Jacoby, Georgia Kirby, Shirley Kirby, Lucille Littleton, Dorothy Montgomery, Willa Perry, Katharine Russell, Margaret Tabb, Blanche Walker, Elaine Phillips and Madeline Stokes.

## The Family of God Supports.

Not everyone is supported in good and bad times. But a support that makes life worth living is possible in The Family of God.

The United Methodist Church is such a family, where hearts draw you into a circle of support.

THE UNITED METHODIST CHURCH OF OZONA

## Care Center Communique

Wake up Ozona! It is great this morning to get up and plan on doing something special for someone. Become a secret friend.

Our new activity is a winner. Know anyone that doesn't like to get together with friends and eat? Well, I know a few but the majority enjoy the social hour. We are having a wine and cheese social on Fridays around 3:30, so come and visit us.

Jan and I are still involved in the classroom for our activity director certification. Others joining us from the community are Kay Baker, Janet McDaniel, Lupe Martinez and Terry Surreddge. The six of us attended a Senior Fall Fest Saturday in San Angelo at the convention center.

This was a great opportunity for nursing home residents to interact in a social, community setting. All were able to participate in game booths, cake walks, visit with family and friends, admire handmade items, and food booths were tempting to the taste buds. Lunch was served and a bingo bash started at 1:00 p.m. Door prizes were given out throughout the day. The students from Ozona and Sonora helped with some booths and made contacts with other activity directors from the Concho Valley.

Thanks to Marci Arranda from Heritage Oaks in Ballinger. She put us all to work and helped us fulfill some of the work needed to complete our course.

## MYF begins fall Dollar Store schedule

The United Methodist Church Youth Foundation members have begun the fall schedule for the monthly opening of the Dollar Store. The Dollar Store is located in the U.S. Sunday School room in the church's Educational Building at 12 Eleventh Street. The Dollar Store carries a variety of pre-owned clothing, toys, books, household items and "odds-n-ends" for sale at reasonable prices. Portions of the proceeds from the Dollar Store are used for group field trips, and contributions to special needs services such as World Hunger, the Food Pantry, Methodist Youth Home and other out-reach programs chosen by MYF members. Donations of good pre-owned items are gladly accepted and may be made by contacting any MYF member. The following schedule for the Dollar Store is planned for the remaining fall months: Sunday, Oct. 19, 12:30-2 p.m. — Sunday, Nov. 16, 12:30-2 p.m.

## Crockett County Museum News

By Charlotte Harrell

Pioneer Heritage Day is almost here! This coming Saturday, Oct. 18, from 8 a.m. to 4 p.m. the museum board will host a fun-filled day to honor the early pioneer settlers of Crockett County and to raise funds for the museum. Besides all the demonstrations of pioneer activities, the day will feature a reunion of descendants of the pioneer and old timers from 11:00-12:00 noon. They'll form a chorus to sing the old ballads and gospel songs and then have group photos taken. Then, several music groups will keep your toes tapping while you enjoy a bake sale and wait for the square dancing to begin. You may go home with a fine raffle prize — but you have to buy some tickets to win. Raffle prizes have been donated

by many Ozona merchants, and two lovely handmade items by Opal Everett and Mary Hillman have been donated, too.

While enjoying Pioneer Heritage Day, you'll have an opportunity to see a sample of the new Crockett County throw, which will be available sometime in November — just in time for Christmas giving. The throw is woven in shades of green, brown, and ecru and depicts many of Crockett County's important landmarks. The throws will sell for \$55 plus tax. However, if you are a Museum Muse, you'll get your 10% discount. And, it is not too late to join the Museum Muses. We are over 50 strong and anticipate a membership of at least 100. Barbara Malone will be accepting membership dues at the Emerald House. Hope to see you on Saturday.

## Fire Department sponsors Boy Scout Explorer Post

The Crockett County Fire Department is sponsoring a Fire Fighting Explorer Post in Ozona announces the Concho Valley Council, Boy Scouts of America. This Explorer Post will be open to all young men and women in high school.

Fire Exploring gives young people valuable insight into the fire fighting profession. This insight will allow the individual to decide whether or not he or she desires to pursue a greater role in the fire fighting service.

By participating in the Fire Exploring program, the individual will gain personal confidence, learn how to use various tools, develop mechanical skills and aptitude, and gain a greater awareness of personal and fire safety.

This Explorer Post is for any high school aged youth interested in emergency type services. Although the emphasis will be on fire fighting, many other areas will be touched on. The role of a fire fighter is much more than extinguishing flames. A fire fighter must be well trained in medical situations and crisis intervention.

Anyone who is slightly interested in this Explorer Post should contact Bob Falkner, fire chief for the Crockett County Fire Department. He may be reached at 392-2544.

## World Day of Poetry Festival Oct. 18

### Food For Thought

If ever the need arises  
To place me in a home,  
Please don't go and forget me  
To finish my life alone.  
But rather keep me in your heart  
And on your mind each day,  
Come and see me when you can,  
and think of me when you pray.  
Sit and talk with me awhile  
Or read me the daily news.  
Keep me informed of the outside world,  
Of events and worldly views.  
Call me on the telephone,  
It doesn't cost that much.  
Let me know that you still care,  
And that you will keep in touch.  
Send me letters, gifts or flowers,  
It will brighten up my day.  
Don't let me feel rejected,  
or feel that I am in the way.  
Let me live these last and final years,  
Knowing that I've done my best,  
And I've been a loving parent,  
And my goals have met the test.

18For thus saith the Lord that created the heavens: God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited; I am the Lord; and there is none else.

Isaiah 45:18

Nationally acclaimed poet Dr. Walter McDonald, a native of Lubbock, will conduct a poetry writing workshop and present a reading of his poetry at the Permian Basin Poetry Society's World Day of Poetry Festival Saturday, Oct. 18. The festival will be held at the Center for Energy and Economic Diversification (CEED) between Midland and Odessa at the intersection of Hwy. 191 and FM Rd. 1788.

The workshop is scheduled from 1 to 3 p.m. Dr. McDonald's reading will begin at 3:15. Presentation of awards to winners of the World Day of Poetry Contest and reading of the winning poems will follow. Registration fee for the workshop is \$10. No admission will be charged for the reading, awards ceremony and reception.

Walt McDonald, who has presented more than one hundred readings and workshops at universities and museums around the country, is the Paul Whitfield Horn Professor English, Director of Creative Writing, and Poet in Residence at Texas Tech University. McDonald is a Vietnam veteran and former flight instructor at the Air Force Academy.

One hundred forty-six poems from 64 writers, representing nine Permian Basin area towns, were entered in the World Day of Poetry Contest and judged by Dr. McDonald. First, second, and third placed prizes plus honorable mention certificates will be awarded at the festival.

## Ozona Chamber Of Commerce - Member Of The Week

### Cameras Two

Taking pictures is what Sandra Childress does. A former member of the annual staff at her high school with a continued love of photography, she realized a need for a professional photographer in Ozona when friends kept asking her to take pictures at events.

After working out of her home for awhile, Sandra and Chris Clegg Beckham opened Cameras Two in mid-April of 1979. In 1982, Sandra bought Chris' interest in the business, and Ruth Gilliam, described as indispensable, came to work there.

Sandra does portraits, family groups, school groups, weddings and parties. She also photographs dance classes in Del Rio, Iraan and Fort Stockton. Her talents as a portrait photographer are part of an annual promotion by Ozona National Bank in Ozona and Wimberley.

She is a former director of Ozona Chamber of Commerce. A new dimension was added to the business in 1982 when Sandra's husband, Pleas, and his mother, Geniece Childress, became custom framers. In addition, for approximately five years Pleas has created barbecue sets, letter openers, file knives and ice cream scoops from deer antlers and sold them through Cameras Two. Last year he added fishing lures made from sotol stalks.

In addition to photographs and gifts, Cameras Two carries a line of invitations and personalized stationery. The shop is located at 404 Ave. J.

For more information on how you or your business can become a member of Ozona Chamber of Commerce, call 392-3737 & talk to executive director Shelly Childress.

## Lion Band to participate in regional marching contest

The Ozona Lion Marching Band will travel to Brady on Saturday, Oct. 18, to participate in the Region VII U.I.L. Marching Contest. Judging the bands will be Dan Frels of Cuero, Ray Lashaway of Lubbock and Gordon Shultz of Devine. The Ozona Band will perform at 2:30 p.m. and is the last one in Class AA to perform. Ratings will be announced shortly after the performance. The Lion Band is under the musical direction of Mr. Kelly Glaze and is assisted by Mr. Norman Carroll. Drum Major is senior Marybel Dominquez.

Other Class AA bands performing at Brady are Bangs, Mason, Junction, Eldorado, Winters and Wall. The public is cordially invited to attend and cheer on their favorite bands.

Bands can earn one of 5 different ratings at a music contest. A Division I-Superior rating is the highest award followed by Division II-Excellent, Division III-Good, Division IV-Fair and Division V-Poor performance.

Several years ago the U.I.L. began certifying Superior Rated bands at the Region Contest on to the Area and

State level of competition. On even numbered years only 3-A and 5-A bands may advance, and on odd numbered years only A, 2-A and 4-A bands may advance. This makes 1997 a year in which Ozona can advance to the Area Marching Contest to be held on Oct. 25 at Pennington Field in Bedford.

## Fall Arrangements topic of program

Members of the Ozona Garden Club met in the home of Bill and Mary Jo Mason Oct. 13. Assisting hostesses were Dorothy Montgomery and Nancy Forehand.

Before the business meeting, Tom Ridgeway from Ridgeway Florists of San Angelo gave a very interesting and informative program on "Fall Floral Designs" which included centerpieces for dining tables and side tables using beautiful contrasting color combinations. While making the designs, he identified the plant materials used and entertained the group with anecdotes from his professional and personal experiences.

On completion of the program, Jan Van Shoubrouek, president, called the meeting to order and asked that the minutes be read and treasury report given. When asked for special reports, Marolyn Bean gave an evaluation report and the clubs rating's standing in the district.

Members were reminded to attend the District VIII Fall Convention to be held in Del Rio on Nov. 7 and 8.

The annual Second Time Around sale will be held Nov. 15 at the county barn. Members were urged to bring their contributions on Friday, Oct. 14, at 3 p.m. to organize for the sale

Dorothy Montgomery's 5 min-

utes with the Lone Star Gardener were on composting. Now is the time to begin or add to current compost containers green and dried organic materials of clippings and trimmings from gardens and kitchen scraps of peelings, greens and coffee grounds for use in planting beds in the spring. Materials should be turned each month and watered when needed to have the compost for use in six months.

The November meeting will be a celebration of Thanksgiving with a covered dish luncheon at the ranch home of Chris and John Beckham. Members will meet at Marge Smith's at 10:30 to depart.

A plant auction was held after the meeting. Those attending were: Marolyn Bean, Chris Beckham, Sue Burns, Vivian Childress, Nancy Childress, Susan Creel, Lou Deaton, Nancy Forehand, Debbi Hamilton, Charlotte Harrell, Virginia Hubbard, Camille Jones, Mary Jo Mason, Molla Maytubby, Dorothy Montgomery, Jerri Lynn Pierce, Marge Smith, Carmen Sutton, Jan Van Shoubrouek, Jeanne Wellman, Mary Kay Brewer, Sibyl Howell, Katharine Russell and Jonesy Williams. Welcome visitors were Benny Gail Hunnicutt, Mary Harris and Crystelle Childress.

Marge Smith reporting

## Long elected to IBAT board

Local banker and civic leader Don W. Long was recently elected to a second-term on the board of directors of the Independent Bankers Association of Texas. The election of officers took place during the IBAT annual convention and business meeting. Long is president and chief executive officer of the Ozona National Bank.

"Community banks are the heart and soul of many towns and cities across our state and community bankers are always willing to step up to the plate and play an active role in civic activities," said Christopher L. Williston, IBAT president and chief executive officer. Don Long is just such an individual, and IBAT is fortunate to have him in a leadership role as we prepare for the new millennium."

Long has been very active in the community banking industry for 34 years and serves on the IBAT Education Committee. He is also active in community affairs including the Ozona Lions Club, Masonic Lodge, Scottish Rite Schrimers and the Crockett County Historical Society. IBAT officers for 1997-98 include Harlan Keitkamp, chairman of the board, president and chief executive officer of The International Bank in Corpus Christi, as chairman; Gary Edmiston, president and chief executive officer of Security State Bank in McCamey as chairman-elect; Robert Hulsey, president and chief executive officer of the American National Bank in Terrell as vice chairman; and Byron L. LeFlore, chairman

of the board of Jefferson State Bank in San Antonio as secretary-treasurer.

Other members elected to the IBAT Board include Stan Callahan, Amarillo National Bank; James D. Lindsey, First State Bank, Mesquite; Michael J. Montgomery, First National Bank, Ennis; Riley C. Peveto, Guaranty National Bank, Gainesville; William T. Bain, Medina Valley State Bank, Devine; R. David Guerra, International Bank of Commerce, McAllen; Larry Hawkins, Unity National Bank, Houston; Kenneth Irwin, Guver State Bank; Michaux Nash, Jr., Dallas National Bank; John C. Owens, Plains National Bank of West Texas, Lubbock; and A. P. Plaia, Gulf Coast Bank in Winnie.

Keynote addresses by two statewide elected officials, Agriculture Commissioner Rick Perry and State Comptroller John Sharp highlighted the 23rd annual convention in Austin. The two state leaders are favored in their respective primary races and predicted to be opponents in the 1998 general election for the post being vacated by Lieutenant Governor Bob Bullock. IBAT, chartered in 1974, is the largest state community bankers association in the United States, exclusively representing more than 700 locally owned and operated independent banks in the state, with more than 1,500 banking offices located in small towns, rural areas, suburbs and cities across Texas representing more than \$61 billion in assets.

## Museum Commemorative Coverlet arrives

By Mary Hillman

The beautiful Crockett County commemorative coverlet has arrived. Geniece Childress, Dickie Dell Ferro, Mary Hillman and Crystelle Childress make up the Historical Commission committee responsible for designing and ordering the coverlet.

The coverlet measures approximately 46 by 68 inches, and the colors are cranberry, navy and green on an ecru background. Depicted are Ozona's earliest buildings, complete with dates, along with the David Crockett Monument, a pump jack to represent our oil and gas business, and sheep, goats and cattle to represent ranching.

The price of the cotton coverlet is \$55.00, and may be ordered from the museum or any of the ladies mentioned, along with your name, phone number and \$20.00 down payment.

The coverlet will be on display at the museum until Oct. 18, when it will be shown at the Emerald House during the Heritage Day activities, and orders will be taken then. It's a six-week weaving process, and the first order for 200 has been placed, assuring Christmas delivery.

The committee is excited about the sale of this coverlet. It will quickly become a cherished part of Ozona's heritage for your family, and will also help to finance the remodeling of the museum. They remind everyone that all Museum Muses members get a 10% discount off the purchase of this coverlet.

If anyone would like more information on Museum Muses, please call or stop in at the museum. Mary has printouts of the advantages of being a member, along with the different levels of membership categories.

## JV Lions overwhelm Plowboys 30-16

Neal Ulmer,  
STOCKMAN SPORTSWRITER

The Ozona JV Lions went to work in the first quarter, never looked back and defeated the Roscoe JV Plowboys 30-16 in an early Oct. 9 game in Ozona. The win improved the Lions' season record to 2-4 and district record to 1-2.

"I think last week was a disappointing loss (30-22 to Iraan) for each one of the team members," said Ozona JV coach Ronnie Casey. "I felt like we

grew up a lot from that loss."

Regarding this week's win over the Plowboys, Coach Casey said, "Overall, as a coaching staff, we were extremely pleased to see our team bounce back like we did. We had a real good week of practice working out two or three days with the varsity. It prepared us to be more alert and ready for last night."

The Lions put points on the scoreboard first on a great 29-yard run by Glenn Sutton. It was a six-play drive covering 52 yards. The two-point conversion run by quarterback Clay Richardson was good giving the Lions an 8-0 lead.

Late in the first period, the Lions started their next scoring series from their own 18-yard line. Leon Garcia broke free for a tremendous 82-yard run for a touchdown with 20 seconds left in the period. The conversions run by Sutton was good, and the Lions increased their score to 16-0.

Roscoe started their first scoring drive from their own 40-yard line. After a 5-yard loss, they scored on a 65-yard pass play with 9:47 remaining in the second period. A run on the conversion was successful and they trailed the Lions 16-8.

"We had some miscues in our coverage, gave Roscoe an opportunity, and they ran a great play," Coach Casey said.

Starting on their own 30-yard line, the Lions received a boost in the arm on a 53-yard pass play to Dustin Faught from Richardson to the Plowboys' 16-yard line. Two plays later Richardson had a pass intercepted by a Plowboy on their 10-yard line. Luckily for Ozona, the Plowboys received a penalty, and Ozona had the ball on their 5-yard line.

Garcia ran two more plays with the last play a 4-yard touchdown run with 6:40 remaining in the second quarter. The two-point conversion run by Richardson came up short, but the Lions expanded their score to 22-8.

The Plowboys' next score occurred in the latter part of the second quarter. It took the Plowboys eight plays to cover 57 yards with the touchdown coming on a 5-yard run. The conversion run was good, and the Plowboys trailed the Lions 22-16 at halftime.

"Offensively, I think after that scoring we did in the first period caused us to think it was good to be easy," said Coach Casey. "We made some adjustments at halftime as well as Roscoe, but we played real well the rest of the night. We really didn't have any turnovers."

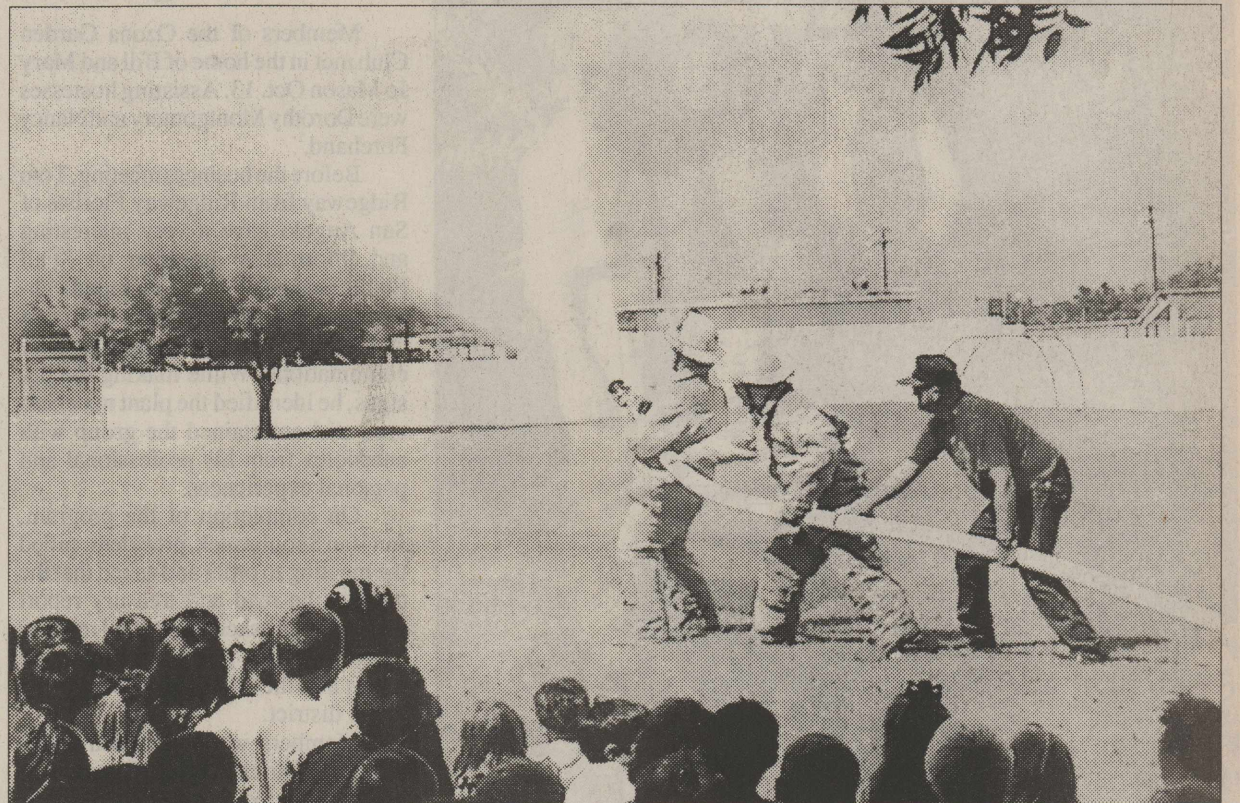

Neither team was able to take advantage of the other in the third quarter.

"Our defense played real well. We caused some fumbles. We spent time on tackling this week, and it showed in our game," Coach Casey said. "Mack Lindsey had a real good game, the best he ever played. Probably, our defensive ends had one of their better games—Juan Garcia and Lindsey."

The Lions started their last touchdown drive from their own 23-yard line. Some good running by Garcia, a 28-yard pass to Faught and some other good runs placed the ball down to the Plowboys' 1-yard line. Two plays later, Garcia score on a 2-yard run with 7:34 left in the game. Richardson ran the ball across the goal line for the conversion, and the Lions enlarged their score to 30-16. Two plays later, Roscoe fumbled the ball, and Dustin Faught recovered it on Roscoe's 24-yard line. The Lions reached the Plowboys' 4-yard line and let the clock run out with the Lions winning the game 30-16.

"We had opportunities late in the game to score. We let a lot of people play, and let some of the guys execute some new plays," Coach Casey said. "We had a great night of throwing and catching the football. Catching some passes were Seth Webster, Dustin Faught, Joe Luna, Ty Porter, and Juan Garcia."

The JV Lions will play the Coahoma JV Bulldogs starting at 6:30 p.m. on Thursday, Oct. 16, in Coahoma. Get out and urge the JV team on to another victory.

PRESENTING A DEMONSTRATION for the primary school students during Fire Prevention week are: (l. to r.) Shawn Morrow, Brad Thompson and Bailey Bishop.

## Lions host cross country meet

David Screws,  
STOCKMAN SPORTSWRITER

The annual Lions Cross Country Meet was held Saturday, Oct. 11, in spite of rainy conditions which had made mud of some parts of the course. Coach Pete Maldonado said the turnout was great and the meet went well. He also extends his thanks and appreciation for all the volunteers who gave their free time to make the meet go smoothly.

The ladies from Ozona High School placed third in the team competition behind a strong team from Class 5A Odessa High, which took top honors. Iraan's squad took second with 92 points, only 5 points ahead of Ozona's team.

In the girl's individual competition junior Lori Sanchez led all runners for first place with a time of 12:31.92. Senior Terren Marshall helped Ozona's cause with a strong third place finish of 12:43.76. Other Ozona runners placed as follows: 23) Melissa Herrin in 14:34.70; 41) Haley Holden in 15:46.45; 43) Stacey Mendez in 15:50.69; 47) Felicia Ramirez in 16:10.38; 50) Alex Lira in 16:32.68; 55) Kayla Shurley in 16:47.41; 58) Cecilia Gonzales in 16:54.86; 68) Andrea Hiers in 18:07.86.

In the men's competition, Odessa High Team #1 took first with a score of 34. Fort Stockton was second with 104 points. Ozona's team #1 came in

at sixth with 127 points. As the sun began to set later in the day Coach Maldonado was still looking for Team #2 to arrive at the finish line. Somebody thought they saw them circling by a nearby convenience store for sodas and chocolate bars. Actually, Team 2 was the off-season basketball players, and they did finish in time for lunch.

Individual results from Ozona's runners are as follows: 16) Ismael Villarreal in 19:31.40; 26) George Hernandez in 20:00.31; 27) Josh Tambunga in 20:01.90; 32) Wayne Flores in 20:14.07; 34) Jomie Tebbets in 20:22.80; 49) Ray Ramos in 22:09.41; 56) Armando Flores in 23:02.72; 62) Gabriel Tijerina in 23:51.30; 64) Peter Rodriguez in 24:44.55; 68) Randall Borrego in 28:34.31; 69) Bobby Cervantez in 29:40.59; 71) Ray Galindo in 29:44.02.

The high school ladies compete on a 2 mile course while the men run a 3 mile route. In junior high, both groups compete on a 2 mile trip.

In the junior high girl's division, Iraan captured the top team trophy with 21 points. Ozona's team placed

second with 43 points.

In individual places Ozona was led by Valicia Hartman who finished second overall with a time of 14:02.72. Others finished as follows: 11) Laken Villarreal with a time of 15:00.52; 18) Jessica Herring in 15:32.27; 19) Paige Tambunga in 15:37.75; 20) Lana Sanchez in 16:01.62; 27) Kelly Cunningham in 16:43.12; 28) Lana Stewart in 16:43.35; 30) Staci Sutton in 17:13.19; 32) Joyce Caldera in 18:21.58; 33) Julia Mathews in 18:40.79.

The Junior high boy's meet was a tight race between Ozona, which capped the first place trophy with 36 points, and McCamey, which was second with 38 points.

Ozona was led by Jared Shaffer who took first in the individual honors with a time of 12:04.06 and by Abel Rodriguez who finished fourth with a clocking of 12:49.78. Other finishers for Ozona were: 12) Michael Ramos in 13:24.75; 18) Chris Kennedy in 13:54.05; 19) Steven Moreno in 14:11.92; 22) R. J. Fierro in 16:02.41.

## Warriors down cubs seventh grade 28-12

Neal Ulmer,  
STOCKMAN SPORTSWRITER

The fighting seventh grade Ozona Cubs came up short on the scoreboard as the Iraan Seventh Warriors won 28-12 in last Thursday's game held in Iraan. There were great strides made by the Cubs even though they are sitting with a 1-4 season record.

"Overall, it was a tremendous improvement from last week. A tremendous effort by everyone. We did tremendous at passing and catching the ball," said Ozona seventh grade coach Dane Vickers. "We did a tremendous job of protecting the passer and giving him enough time to throw the ball. We were tremendous on execution of the offense and the new wrinkles. We were just tremendously happy with the aggressiveness the kids showed and the never give up attitude."

The Warriors scored first in the first period on a running play by a big running back. That same back also scored the two-point conversion to give them an 8-0 lead.

The Cubs came back in the second period and scored on a 5-yard pass

from quarterback Michael Savala to Robert Ogle. The two-point conversion run by Quay Oglesby was short, and the Cubs trailed the Warriors 8-6 at the halftime mark.

The Warriors added three more scores in the second half. One touchdown and conversion occurred in the third period and the other two in the final period. The third quarter score was Ozona 6, Iraan 16.

In the fourth quarter, the Cubs scored on a 55-yard tight end around pass from Robert Ogle to Lalo Garza. A run by Oglesby on the conversion failed, and the Warriors won the game 28-12.

Coach Vickers was impressed with his offensive units. Quarterbacks Jarrett Vickers and Savala were 12-of-16 passes for 183 yards, and they used seven different receivers. "There was a lot of passing, a lot of catching, a lot of big hits, and a lot of touchdowns. The kids really played well."

The Ozona Cubs will host the Rankin Red Devils starting with the seventh grade at 5 p.m. and the eighth grade game at 6:30 p.m. on Thursday, Oct. 16 in Lion Stadium.

**SCHOOL LUNCH MENU**

## HOROSCOPES

For the Week of Oct. 15-21

**ARIES**  
March 21-April 20

Your skills as a team player stand you in good stead this week. Be jealously protective of your weekend time. You may be in need of some restorative time, but someone else might want you to be on duty. Stick to your guns, and you'll find what you really need.

**TAURUS**  
April 21-May 21

This week, set a goal for yourself that's much higher than you've ever dreamed of. You might not make it immediately, but in the long run, you'll do just fine. A friend with a radical idea dishes out some food for thought. Don't let a relative bring you down.

**GEMINI**  
May 22-June 21

Careful planning makes the most of a meager asset. Concerns about a loved one's health dominate the early part of the week. Show that person how much you care, and you'll be a real comfort to him or her. Good news comes from afar this weekend.

**CANCER**  
June 22-July 22

Plan now to build a more secure financial future. A super opportunity is just around the corner, so be prepared. Some friction in a personal relationship could be due to stress, so be understanding. You might try delegating some responsibilities, too.

**LEO**  
July 23-August 23

A run-of-the-mill gathering could get rowdy. If you're not in the mood to participate, be prepared to suggest an alternative activity, or go off by yourself. A rush demand puts you on the spot, but your dedication and clever thinking should save the day.

**VIRGO**  
August 24-September 22

A sweetheart or mate may seem distant. Treat him or her to a special something that says just how much you care. An outing could turn into an unforgettable experience, so pay close attention, or you'll miss something. This weekend, spend time on your hobby.

**LIBRA**  
September 23-October 23

Focus on paying off a debt, and your financial picture will improve. Be clear and realistic about your true capabilities when asked, and your workload should adjust itself accordingly. Avoid travel this weekend—you'll have more fun curled up with your sweetie.

**SCORPIO**  
October 24-November 22

A conflict that you've been avoiding now comes to the forefront. The more you employ your diplomatic skills, the better off you'll be. A team effort pays dividends late this week. Give credit where it's due, or you risk alienating a key player.

**SAGITTARIUS**  
November 23-December 31

Link yourself with an opposite type to really start some fireworks. Anything could happen, especially if you keep an open mind. Rip yourself out of an old pattern and set sail for a new destination. The possibilities are without limit, and the change will do you good.

**CAPRICORN**  
December 22-January 20

Your natural gifts are a powerful resource this week. Count on your natural diplomacy and good nature to smooth over a rift between two other people. Finish up a chore you hate late in the week. This weekend, treat yourself to a special outing.

**AQUARIUS**  
January 21-February 18

Clear your mind of a worry that's been nagging at you. Instead, focus on the positive things you can do this week. Actually, you're in a position to do an extraordinary amount of good. Play the active role, and you'll notice a difference in your life.

**PISCES**  
February 19-March 20

If you want to cultivate good will, you'll have to use your creativity instead of your wallet. Plainly stated, this is a bad week for your budget. Avoid financial temptation and focus on spending time with friends. After all, a friend in need is a friend indeed.

8th Cubs squeeze by Iraan Warriors 20-16

Neal Ulmer, STOCKMAN SPORTSWRITER

Definitely an exciting game and finish was the 20-16 victory by the Ozona Eighth Grade Cubs over the Iraan Eighth Warriors in last Thursday's game in Lion Stadium. The Cubs received their first victory with four losses for the season.

"Overall, this was a fantastic game for our kids," said Ozona eighth grade coach Rick Bachman. "They have played well in every game except for one, and they finally got the victory that they deserve."

Although the Warriors took the opening kickoff, they fumbled on their third play, and Ozona recovered the ball on Iraan's 49-yard line. On the first play by Ozona, they fumbled the ball back to Iraan on the 50-yard line.

On the second play of the second time to take the ball, Ozona's Jared Shaffer ran down the right side of the field for a 70-yard touchdown with 2:19 left in the first quarter. The two-point conversion run by Shaffer was short of the goal line, but the Cubs took an early 6-0 lead.

An Ozona fumble on a punt was

recovered by the Warriors on the Cubs' 6-yard line to set up their first touch-down. A large running back of Iraan's team scored on a 5-yard run with 5:06 remaining in the second quarter. The same back scored the two-point conversion to give the Warriors an 8-6 lead.

About two minutes later Ozona responded with a nice 58-yard touch-down run by Luis Cruz with 3:37 left in the first half. The two-point conversion run by Shaffer was again short, but the Cubs retook the lead 12-8.

"Offensively, we moved the ball up and down the field well, and we were fortunate to score on some big plays which kept us in the ball game emotionally," said Coach Bachman.

Iraan started their next scoring drive from their own 38-yard line. Ozona's defense did a pretty good job containing the Warriors along with two Iraan penalties. On an Iraan fourth-and-one play, a Warrior running back broke loose for a 48-yard touchdown with 1:31 remaining in the second period. The two-point conversion run by that same back was good giving the Warriors a 16-12 halftime lead.

"Defensively, the boys hit hard all night long which allowed us to take the lead in the fourth quarter," Coach Bachman said.

Both teams had a difficult time moving the ball in the third quarter, but Ozona decided they could get the win with a little more effort.

Iraan punted the ball deep in their territory, and Ozona's Luis Cruz re-

turned the ball to the Iraan 14-yard line. Abel Rodriguez ran for 11 yards and took the ball two more times. He scored on a 2-yard run with 2:52 remaining in the game. Rodriguez ran the ball in for the conversion to give the Cubs their first win of the season at 20-16.

The Warriors gave the Cubs a run for their money, starting their drive on their own 31-yard line. They started moving the ball on mainly running plays, reaching the Cubs' 48-yard line. With only 52 seconds remaining in the game, the Warriors were able to get the ball down to the Cubs' 4-yard line on a 26-yard pass play. The next play, they ran for three yards down to the Cubs 1-yard line. Then on the next play time ran out and the rest of the Cubs on the sidelines ran joyously onto the field with the Cubs winning the game 20-16.

"The goal line stand to end the game was just wonderful," said happy Coach Bachman. "The kids wanted that win for Coach Delgado and his family, and they played like true champions when they had to."

Coach David Delgado was absent from the game due to an automobile injury to his wife, Gracie. Gracie is in a hospital in Seguin, where she underwent surgery on her ankle.

The Cubs will host the Rankin Red Devils starting with the seventh grade at 5 p.m. and the eighth grade game at 6:30 p.m. on Thursday, Oct. 16. Back the Cubs, for they need your support.

Service center offers computer lab Oct. 17

Education Service Center Region XV will offer 1 Computer, 2 Computers, 3 Computers, Lab! on Friday, Oct. 17, from 9 a.m. to 3:30 p.m. at the Holiday Inn-Convention Center in San Angelo. All educators from school districts in Region XV are invited to attend at no charge. The fee for educators from districts outside of Region XV is \$18. The workshop presenter is Patsy Lanclos, a Houston educator who is internationally recognized in the field of educational technology. Ms. Lanclos is coordinator for secondary instructional technology at Spring Branch ISD, where she is responsible for developing the vision and goals for instructional technology, facilitating the implementation of programs that support the vision and the goals, and evaluating the impact of the programs on student achievement for the secondary schools. Ms. Lanclos has been instrumental in leading Northbrook Middle School to be recognized as Spring Branch Independent School District's technology demonstration school and a National Exemplary School with additional special technology recognition.

As an adjunct professor of graduate level courses at the University of Houston Clear Lake, she teaches Educational Applications of Technology and Multimedia in the Classroom. She has also served as consultant to many school districts and as a reviewer/editor for major textbook companies. Ms. Lanclos has received many awards for excellence and has served on numerous national and state boards.

Educators are requested to pre-register in order to ensure that space is available. To register, call Kimberly Tanner, ESC Region XV, 915-658-6571.

## Plowboys drizzle on Lions' hopes

David Screws,  
STOCKMAN SPORTSWRITER

In an on-and-off drizzling rain the Ozona Lions met the Roscoe Plowboys on their home field in Roscoe, both team in search of an elusive district victory. The Plowboys had dropped two district contests, one in a close loss to undefeated Eldorado. The Lions, hoping for a victory in order to build some confidence into their program, were thwarted by a relentless ground attack in the first and third quarters led by Roscoe's Jeremy Williams, who turned in 178 yards on the ground. The Plowboys amassed a total of 279 yards rushing to go with an equally impressive 102 yards in the air while their defense bent at times but seldom broke, beating the Lions 41-8.

Roscoe began the scoring at the 9:13 mark of the opening period when Williams took a pitch out and rambled 40 yards for the TD. However, Justin Browne breathed life into the Lions when the extra point attempt was booted off the back of a blocking Plowboy, and Justin scooped it up at the 3 yard line, then raced 97 yards down the Ozona sideline for a two point score. Instead of a 7 to zip deficit the Lions were only down by 4.

The Plowboys had some trouble handling the ball throughout the contest, losing 3 of their nine miscues. The first of those fumbles gave the Lions good field position at their own 44 yard line. Tim Maldonado scampered 51 yards on first down, and the Lions looked to be in good shape to take the lead. This was one of the occasions the Roscoe defense bent but held. On a fourth and goal at the one, Lions' quarterback Justin Browne hit Anthony Ortiz at the back of the end zone but he landed on the end line in a gallant effort to get a foot in bounds.

It took the Plowboys only two plays to cover the 99 yards for their second score. Quarterback Rodney Alexander hit Nick Anthony for a 54 yard strike, then Williams took it the remaining 45 yards on the next snap of the ball. At the 1:36 mark of the opening stanza, Alexander kept for a 21 yard TD to cap the scoring in the first half.

In the second period, the Lions threatened twice to get back into the game. On one possession Brian Badillo hauled in an 11 yard pass from Browne, then Ross Crawford followed with carries of 6 and 8 yards before the Lions turned the ball over on downs inside the Roscoe 20. Justin Browne recovered another Plowboy fumble at the Roscoe 32. Crawford carried to just inside the 20 before the Plowboys bowed up, pushing the Lions back-

wards until they again turned the ball over on downs.

In the third quarter, the Plowboys put two more TDs on the board, one aided by a personal foul penalty which followed a 24 yard gain to the Ozona 30. In the final quarter, the Lions traded scores with the Plowboys, Anthony Ortiz hauling in a 27 yard throw from Browne for a touchdown with only 5 seconds to play.

Defensively the Lions looked better than the scoreboard showed. As Coach Walter Hargrove put it, "We gave up some real big plays. Six plays I think they had a total of over 200 yards."

"The kids played real hard," added Hargrove. "We did a lot of good things offensively and defensively."

"We had another offensive line this week," Coach Hargrove explained, "which was the fourth week in a row we've had different kids up there. The continuity is hard to get when you have a different line each week."

"We've got to get better, and I think they (the players) know the things we have to get better at. Consistency is one of them."

A strongly balanced defensive effort was led by Justin Browne with 10 tackles and John Esparza and Matt Castaneda with 8 each. Gabe Tambunga had 7 tackles, and Tim Maldonado had 6.

On the offensive side of the ball, Tim Maldonado led all rushers with 57 yards. Ross Crawford turned in 34 steps and Justin Browne had 24. Browne was 3 of 14 passing for 43 yards and had 1 interception.

In the receiving category, Anthony Ortiz had one for 27 yards, Brian Badillo one for 11, and Crawford one for 5.

The Lions will host the winless Coahoma Bulldogs in next Friday's district match up. Of the Bulldogs Coach Hargrove says, "They've straggled some offensively, kind of like we have, they've had a hard time getting the ball in the end zone. But they have played real good defense. It's going to be a challenge on both sides of the ball for us. It should be a real good ball game."

## Taylor receives academy scholarship

Larry Taylor, superintendent at Crockett County CCISD, has been chosen as one of 40 superintendents to receive a scholarship to participate in the Lamar University Superintendents' Academy, an advanced leadership training program on Lamar's Beaumont campus. Funded by a grant from the Texas Education Agency and supported by IBM, the academy provides senior level executive training for superintendents recognized as leaders among their peers. The scholarship pays all tuition, fees, training costs, materials and out-of-state travel associated with the academy.

According to its director, Dr. Bob Thompson, participation in the academy is by invitation only. The 40 superintendents were chosen from a list of over one-hundred nominees. To be selected is an honor not only to the superintendent, Thompson said, but also to his or her board and district. Without the support of forward-looking boards, and a quality district, no superintendent could have achieved the level of success and recognition necessary to be nominated and selected to the academy.

At the academy, Taylor will review the latest technology for enhancing student learning, participate in advanced leadership training from some of the nation's foremost trainers of company executives and get experience in the Decision Support Center, a high tech laboratory for improving the speed and quality of management decision making. Also as a part of the academy, IBM hosts the superintendents for a training session at their Advanced Leadership Training Center at Palisades, NY. Taylor will also have the opportunity to work with superintendents from other exemplary districts and to review practices that have helped make those districts successful.

Thompson says the knowledge superintendents glean from work in the academy is immediately applicable to any district, regardless of size or location. To assist the districts in incorporating these management concepts, the academy will host a three day summer conference for academy superintendents and their boards

where they will be led through joint leadership training and planning activities. They will also meet with boards and superintendents of similar sized districts to share ideas for increasing student achievement.

The year-long academy is designed to provide the most profes-

sional growth opportunities with the least amount of time away from the district. During the year superintendents meet on five different weekends at Lamar University. The schedule is planned so that half of the training will be on Saturdays or during the summer when school is not in session.

Executives from IBM along with Lamar faculty jointly plan the curriculum and manage academy operations. According to Thompson, this type of cooperation between university and business ensures the academy incorporates the best of both theory and practice.

## Weekly Drilling and Completion Report

Compiled by Charles Lewis Communications, Lindale, Texas  
Oct. 8, 1997

Union Pacific Resources has posted first production data on four new developmental wells located in Crockett County's Ozona Field. The wells produced in the Canyon Sand Formation, as follows:

--No. 8 Crystelle Childress "8", located 24.1 miles southwest of Ozona. Flowed 394,000-CFD on a 1-in. choke and was rated at 419,000-CFD on absolute open flow. Drilled to a 6,900-ft. bottom, will produce from 6,136 to 6,370 feet into the hole.

--No. 6 C. C. Montgomery "12C", 16.9 miles southwest of Ozona. Produced 88,000-CFD on a 0.75-in. choke and was evaluated at 101,000-CFD on absolute open flow. Bottomed at 6,628 feet, will produce at 6,316 to 6,538 feet into the wellbore.

--No. 8 Moody Minerals "9B", located 18 miles southwest of Ozona. Was drilled a total of 7,300 feet. It flowed 118,000-CFD on a 0.75-in. choke and was rated at 123,000-CFD on absolute open flow. Production will be from 5,948 to 7,062 feet into the hole.

--No. 7 Crystelle Childress "8" is 24.1 miles southwest of Ozona. It flowed at the rate of 324,000-CFD on a 1-in. choke and earned a 366,000-CFD evaluation on absolute open flow. With total depth of 6,900 feet, it will produce from 5,998 to 6,250 feet into the wellbore.

The No. 7402 McMullen Ranch "B" has been brought on line in Crockett County's Whitehead Field, 14 miles southeast of Ozona. Louis Dreyfus Operating Co. is the operator. Flowing 860,000-CFD on a 1.5-in. choke, the well earned a 3,907,000-CFD evaluation on absolute open flow. It was drilled a total of 9,453 feet with plugback to 9,000. Production will be from a Strawn Formation perforated interval, 7,762 to 8,760 feet into the hole.

Enron Oil & Gas Co. recently completed the No. 11 Nan D. Grimmer about seven miles south of Ozona in Crockett County's Northeast Ozona Field. The developmental well flowed 648,000-CFD on a 1.25-in. choke and was rated at 680,000-CFD on absolute open flow. Enron took the well to an 8,600-ft. bottom with plugback to 6,321. It will produce from Canyon Sand Formation perforations, 5,955 to 6,054 feet into the wellbore.

Rated at 2,800,000-CFD on absolute open flow, the No. 1 Addie Clayton "26" has been brought on line 11 miles northeast of Ozona. J. Cleo Thompson is the operator. The well showed ability to flow 807,000-CFD on a 1.25-in. choke. It probed to 7,910 feet total depth and was perforated for Canyon Formation pay, 7,524 to 7,583 feet into the hole.

## Wool prices good

Prices received at wool sales here last week were "the best prices we've seen in the fall in several years," said Donnie Laughlin, general manager of Wool Growers.

At the Oct. 10 sale, Wool Growers sold 198,638 pounds. "There was real good competition and very strong demand," Laughlin said.

Selling from \$0.62 to \$1.825 were 126,000 pounds of paint free wool. Three thousand pounds of fall paint wools went from \$0.53 to \$0.735. Prices for 41,000 pounds of lamb wool were \$0.98 to \$1.15 5/8, and 28,000 pounds of 12-month wool sold from

\$0.88 to \$1.2025.

A sale later in the morning at Ozona Wool and Mohair "went real well" said assistant manager Joe Will Ross. Fall wool sold from \$1.09 to \$1.185 and lamb wool went from \$1.13 with one lot at \$1.185. 12-month wool sold for \$1.09, Ross said. All lots of the 42,000 pounds offered sold.

The bulk of Ozona Wool and Mohair wool was included in the Producers Marketing Co-op Inc. sale held at the Ozona warehouse. No information was available on that sale, but Ross said one lot of OWM short wool which was in the co-op sale went for \$1.13.

## New mohair collection well received

The 21st Century Mohair Collection, developed by Dick Pactor of the Mohair Council of America, is now being shown to designers, retailers and mail catalog merchandisers across the U. S. as well as internationally.

"We have received good reception for these new fabrics, wovens, knits and home furnishings," said Zane

Willard, of San Angelo, the council's executive director. He just recently returned from New York where he and members of the New York staff called on manufacturers.

The development work was done by Pactor, who is responsible for creating new ideas for mohair product development in order to revitalize the fiber in the marketplace.

"The goal of the Mohair Council is to jump-start our industry and establish a knowledge of mohair in order to allow the fiber the opportunity to exist in markets that are not as susceptible to trends," said Lanny Leinweber of Mountain Home, council president. "If we are successful, it will ensure a profitable and steady market for mohair today and in the future."

Samples of the 21st Century Mohair Collection will be shown at Brownwood during the council's executive committee meeting to be held at 2 p.m. on Nov. 6 at the Gold Key Inn, 515 E. Commerce.

## Monahans, Marfa livestock shows in November

The Crockett County Extension Office has entry forms and information for two upcoming livestock shows in West Texas. The Ward County Silver Dollar Classic Prospect Show in Monahans will be held on Saturday and Sunday, Nov. 8-9. There will be shows for market lambs, meat goats, swine, steers and heifers. The entry deadline is Monday, Nov. 3. You may pick up an entry form at the County Extension Office.

The Presidio County Livestock Show Jackpot in Marfa will also be held Nov. 8-9. There will be shows for market lambs, swine, steers and heifers. Entry deadline is Oct. 31. For more information and an entry form, please come by the Extension Office located at 1301 Ave. AA.

**Letter to the Editor**

Oh boy, here we go... point counterpoint. This is getting just like "Sixty Minutes". Maybe we should call it, "Every Seven Days". Naaaa, this is the last thing I have to say. Sorry guys (and ladies of the press), I think you missed the point. I AGREE that we have some of the finest kids with the finest talents in all the world. I agree that we have some great leadership in our schools. The point in my letter two weeks ago did not bash our kids, it just bashed our priorities a little. The point I was trying to make was, why don't we APPRECIATE each other for the talents we have instead of bashing each other for not having the same talents? Like I said this is my last statement, but if you want to come over to my house or give me a call, I will tell you about a lot of kids through the years who were harassed to the max because they didn't play football. By *all the folks* in the football world. I'll also tell you about all of the people who came to me or called me in the weeks following my letter and said things like, "It's about time someone said something about this problem, it has been going on for years and years and years."

You know, believe it or not, it's not easy to come out and say something that will make you SO unpopular, but there comes a point when someone has to bring things into the light. I'm sorry again, but I think the glossy egos are getting in the way again. I promise you, I like to go to the games, too. I like to hear the band and watch the cheerleaders AND the football players and the fans. However when the "big homecoming fiasco" occurred, the proverbial straw was broken and I just had to say something. I don't think that you will see the truth unless you have a very large boy who chooses (remember freedom of choice?) to play tennis, golf, rodeo, instead of football, or ever not play any sport and see what they go through. (what did you say Mr. Coach? "You would kick that guys what?" if he had said that about you? Well that's a real good example!! What did you say Mr. Fan during the game, "that band kid is a WHAT?" Wow, that's real adult behavior and an excellent example) Kids are kids, they will have their little feuds, I just really wish their leaders would remind them to RESPECT each other and set a good example. Contact me if you want, and I'll give you the phone number of some of the folks who know first hand what I'm talking about.

Like I said, we have some of the best kids and we definitely have some of the very best leaders in our schools. I know that I am far from perfect (are you?), but that doesn't mean I have to shut my eyes when I see something very wrong going on year after year with no one saying a word. There is HOPE! — From what I've seen and heard, I think that our new High School principal is probably one of the best that this school system has ever had and I think that we have a chance of snuffing out this "respecting each others talents" problem, mainly because of his leadership. I sure hope we keep him here!!!!

Sorry again guys, like I said, I'm not bashing the LIONS, just trying to make a point about what is right for our kids.

**Yearly flu shots urged for everyone, especially for the elderly**

The Texas Department of Health (TDH) urges all Texans to get yearly flu vaccinations. The experts also warn that the elderly and others who may be at high risk of influenza and its complications should be immunized even before the flu season begins.

The flu season usually lasts from December through April.

The U.S. Center for Disease Control and Prevention (CDC) each year predicts which strains of influenza pose the greatest public health danger in the U.S.

The vaccine CDC has recommended for the 1997-98 season is meant to combat the A/Wuhan, A/Bayern and B/Beijing strains of the disease. The effectiveness of each year's shots declines with time, therefore, annual immunizations with the appropriate vaccines are recommended for everyone except people with serious allergies to eggs.

People most at risk of severe or fatal complications of the disease include those 65 or older, anyone with chronic respiratory or heart problems, diabetics and children on aspirin therapy.

Influenza kills about 20,000 in the U.S. each year. According to Jim Schuermann, public health technician in the TDH Infectious Disease Epidemiology and Surveillance Division, the elderly are the group hardest-hit by influenza and its complications.

"Fewer than 30 percent of elderly Americans and others in high-risk groups heed our regular warnings to have yearly influenza vaccinations," he said.

"We know that one reason some older people fail to be vaccinated is because of a persistent, unfounded fear that the vaccine can actually cause influenza. The truth is that a vaccinated person may still contract some strains of influenza, but not from the vaccine. If they do become ill with flu, the vaccine usually helps lessen the severity of the case."

Other categories of people who are most likely to develop influenza complications are:

- \*Adults and children with chronic heart or lung disorders, including children with asthma;
- \*People under medical care for chronic metabolic diseases, diabetes, kidney or blood problems or weakened immune systems; and
- \*Children (18 and younger) who already are receiving long-term aspirin therapy, which can place them at risk of developing Reye's syndrome after influenza.

"We strongly recommend influenza vaccinations for all people in high-risk groups, international travelers or pregnant women," Schuermann advised. "People infected with the human immunodeficiency virus (the virus which causes AIDS) also may be at increased risk for flu complications." TDH also recommends that physicians, nurses, emergency medical technicians and other health professionals be immunized against influenza to avoid spreading the disease to their patients. Residents and employees of nursing homes and other facilities treating chronically ill patients also should be immunized.

Physicians are advised to offer vaccine to all their patients during routine clinic visits, beginning in September and throughout the influenza season. The vaccine can take two weeks to become effective and about six weeks to reach peak strength. Children younger than 9 who have never received flu vaccine need their first shot, followed a month later by a booster. Adults need only one shot each season.

Schuermann said that the only person who should not receive the influenza vaccine are those with severe allergic reactions to eggs. Influenza vaccines are produced with virus cultured in eggs.

**Red Ribbon Campaign set for Oct. 23-31**

This year's Red Ribbon Campaign against drug abuse has been scheduled for Oct. 23-31, according to officials with the Texas Commission on Alcohol and Drug Abuse, who will be helping to promote the annual event.

The Red Ribbon Campaign helps coordinate a wide range of substance abuse prevention efforts on the part of schools, businesses, prevention agencies, community groups and religious organizations.

Kids, parents and other concerned adults show their support for a drug-free life and future by wearing red ribbons on their clothing during this special time.

The Red Ribbon Campaign was founded in the wake of the brutal murder of a U. S. Drug Enforcement Administration agent in 1985. Enrique "Kiki" Camarena, a 37-year-old father of three, was killed in the line of duty while investigating a multi-billion dollar drug marketing operation in Mexico.

The Texans' War on Drug program (TWOD) was the official state sponsor of the campaign through 1996. TCADA this year has been helping to update and produce new program tools that communities can use in their own local campaign.

TCADA executive director Terry Bleier said: "One of the best prevention tools we have in the fight against substance abuse is increased public awareness. The Red Ribbon Campaign offers us an excellent opportunity to help the public focus on the need for prevention work."

Bleier said many Texans have been involved in prevention work for years, and TCADA is making major efforts to emphasize the importance of prevention in its programs and contracting. Helping to promote the Red Ribbon Campaign gives TCADA an opportunity to build support for

new and existing substance abuse prevention initiatives in communities across the state.

Red Ribbon Campaign materials are available to the public at TCADA's 11 new Prevention Resource Centers. For information about the nearest center, call the toll-free number (888) PRC-TEXX.

The centers have a wide variety of substance abuse prevention materials available for public use. They are located in Abilene, Bryan, Corpus Christi, Dallas, El Paso, Houston, Lubbock, Nacogdoches, Odessa, San Antonio and Tyler. The same materials are available at TCADA's Library and Clearinghouse in Austin, which can be contacted toll free by calling (800) 832-9623.

The first Red Ribbon campaign was launched by groups of concerned parents in Illinois and Virginia. Congress officially recognized and extended support to the program in 1988. Since then, millions of Americans have joined in participating in the program. The National Family Partnership, formerly the National Federation of Parents, is the official U.S. sponsor.

TCADA is providing copies of the 90-page Texas Red Ribbon Campaign manual titled *The Tie That Binds* free of charge. This manual also can be ordered by calling the toll-free number (888) PRC-TEXX.

The *Red Ribbon Campaign Curriculum Planning Guide* and the *Red Ribbon Campaign Marketing Kit* can be ordered at cost from the TCADA Library and Clearinghouse, (800) 832-9623.

The Texas Federation of Parents, a non-profit affiliate of the National Family Partnership, is planning a statewide Red Ribbon Campaign kick-off event. Persons interested in participating in this may call (281) 440-4656.

**\*Care center**

(Continued from page 1)

pages or would pay the monthly pager bill for three years, Creel said. After discussion, the board voted to leave it up to Shannon which way they would assist.

The board also voted to contract with a collection service to attempt to collect past due ambulance bills. Because they are ambulance bills rather than for health services, the agency will retain 45% of all monies collected.

There were 30 ambulance runs during September. Of those, nine were local, 14 transfers, six standbys and one run was canceled.

Eligibility guidelines for receiving nurse scholarships were discussed. Guidelines are to be written and reviewed with Judge Jeffrey Sutton in relation to county policies.

viewed with Judge Jeffrey Sutton in relation to county policies.

Clinic visits for September were 839 with 635 as doctor visits, 51 physician assistant visits, 18 nurse visits and 135 lab.

The health clinic is without a physician assistant at this time. Several are visiting Ozona to look the facility over.

At meeting time there were 46 residents in the care center. Three more were admitted Oct. 13 according to Ms. Hargraves.

Numerous care center fire alarms which proved to be false were found to be caused by the emergency sprinkler system. The problem is being remedied.

**WTU**

**"TREE MANAGEMENT"**

**Electric Line Clearance NOTIFICATION**

If you are not the property owner, PLEASE give this important notice to the owner.

WTU has identified windblown tree limbs in contact with power lines as a major cause of interruptions of electric service. To maintain the safety and reliability of your electric service, WTU has employed a professional tree service to trim and/or remove trees near electric power lines. Trees under or near electric lines may be removed with property owner's permission. This work will be done at no charge to you.

If you notice a tree interfering with power lines, please call us. Never attempt to trim a tree near our wires yourself.

The professional tree service under contract with WTU will be working in your area in the near future. Trees to the side of the power lines will be trimmed according to national arboricultural standards, removing all limbs to provide a minimum of three years clearance from regrowth, or back to the next available limb fork so that no branch stubs are left. All limbs overhanging the line will be trimmed back to eliminate the danger of them falling on the power lines.

All trees within five feet of a pole or guy-wire will be removed to allow access for maintenance of WTU equipment. Herbicide will be applied to the stumps to prevent resprouting. Wood can be cut to firewood length and stacked on site if requested. If you have any questions or special circumstances we should be aware of please contact: DAVEY Marty Nixon, office 915-928-5267, voice mail: 800-727-7782x406

**Plant Tips**  
from M&R Nursery  
by: Ronnie Winkler  
**Don't Stop Yet!!!**  
We finally have the Excel Pre-emergent back in stock for winter weed control. Sorry for the delay, but we have plenty in stock now.  
I know I've talked about them before, but if you have not tried planting bulbs for spring color, you're really missing out on one of mother nature's miracles. From the common looking tulip bulb to the anemones (which looks like something you would not want to step on), the spring color assortment is truly amazing...and most types and varieties return every spring.  
When I heard how cool it was going to be this week, I was reminded how bleak many yards look in the middle of winter...colorless and dull. Don't let this happen to your landscape. Plant pansies, flowering cabbage and kale right now so by the time winter has set in you will have the bright spot on the block.  
This may be the last time (this year anyway) that I will be writing this article. It's fun writing these articles and hearing the comments about them. Thanks mom and Dad.  
Thanks,  
Ronnie Winkler

## Crockett County Sheriff's Report

### WEEK ENDING 10-13-97 ARRESTS:

10-9-97...Escandon, David Ruiz, age 47 from Kilben, was arrested by Department of Transportation on a charge of theft over \$25,000. Subject posted bail and was released on 10-10-97.

10-10-97...Elizondo, Johnny Regino Jr., age 35, of Ozona was arrested on charges of possession of marijuana. He posted bond on 10-11-97.

10-11-97...Daniel, Roberto, age 18, of Mexico was arrested and brought to the Sheriff's Office then released to Border Patrol Unit on 10-11-97.

10-12-97...Elizondo, Johnny Regino Sr. of Ozona, age 42, was arrested on three warrants; 2 on family violence injury to a child and one on family violence assault. He was released from custody after posting bond on 10-13-97.

10-13-97...Stevenson, Robert Gregory, age 43, of Ozona was arrested on a motion to revoke warrant out of Tom Green County. Subject still in county jail.

### OFFENSES:

10-8-97...Deputy met with complainant stating she was getting terroristic threats from her husband. She is separated from him at this time. Warrants were issued and subject was arrested and brought to Sheriff's Office for booking. He is still in jail.

10-11-97...Deputy met with complainant wishing to file criminal trespass charges on a subject out of Big Lake. Subject had gained illegal entry into a resident's home. A warrant was issued and subject located and brought into the Sheriff's Office for booking. Subject posted bond and was released on 10-13-97.

### ACTIVITY LOG:

10-7-97...Report of a truck roll-over on I-10 at mile marker 353. Deputy was unable to locate any roll-over.

Report of an alarm at the high school building. Deputy advised it was set off by the janitors. All clear.

Report of a brown pickup selling snacks to kids at the intermediate school. Deputies were advised to keep an eye out for the vehicle.

Deputy met with complainants at Sheriff's Office reference domestic dispute. Deputy spoke to subjects involved.

Deputy met with a complainant at a local residence reference the theft of a two horse trailer.

10-8-97  
Report of loud music on Besente Street. Deputy advised subjects to shut party down.

Deputy met with a complainant at a local residence, reference dogs running loose. Owner of dogs advised there would not be any more problems.

Deputy took a statement from a local female subject.

Deputy assisted Department of Public Safety Trooper on a minor vehicle accident on Hwy. 163 and 11th Street.

10-9-97  
Deputy responded to an accident on I-10 at mile marker 353. A tractor-trailer ran over a small Toyota pickup. Subjects in Toyota were taken to San Angelo by ambulance.

Deputy was sent to Maness Texaco on a

stranded motorist call. Subject wanted 2 tires and a ride back to vehicle. Subject was advised to call local tire shop since he needed help getting tires on vehicle.

Deputy met with complainant reference a 15-year-old kid being harassed by complainant's sister-in-law's daughter. Complainants were to come in after school and file complaint.

Deputy met with same complainant reference sister-in-law making obscene gestures towards complainant's wife and daughter.

Deputy met with complainant reference 29 goats missing from ranch. Goats were found later on, everything okay.

Deputy and K-9 Shark put on a demonstration for Noon Lions.

Deputy met with complainant at Elma's Grocery reference newspapers being stolen from newspaper rack. No charges have been filed at this time.

Deputies responded to a disturbance call between two high school kids.

Deputy met with mother and daughter over earlier disturbance. Deputy will talk to kids on following day.

Deputy talked with complainant at Sheriff's Office about problem daughter and what deputy was going to do following day.

Deputy responded to a call of an intoxicated person at Walnut and Pecan Streets. Upon arrival subject was at home and wife talked subject into going inside residence. Everything okay.

Deputy met with complainant reference complainant's kid having problem with another kid. Complainant wanting deputy to talk to both and ask them to stay away from each other. Other subject was not found, so deputy could not speak with him.

Deputy responded to a dispute between two local subjects, one of whom hit the other. Deputy was told to call parents if daughter was seen with one of the local subjects.

Deputy took statement from complainant of earlier incident so Judge Heame could furnish a protective order against other subject.

Deputy responded to a loud music call on Walnut. Subject had music up in car but he turned it off. Everything okay.

10-10-97  
Deputy met with two subjects at Sheriff's Office on a prior incident. Took statements.

Pickup had a blow out on Ave. J. Caller thought it might have hit another car. Deputy went to location. There was no wreck. The vehicle was parked over to the side of the street. Everything okay.

Report of reckless driver in small blue Honda. Deputy was unable to locate vehicle at that time. Will keep an eye out for vehicle.

10-11-97  
Report of criminal trespass on 13th Street was taken by deputy. Warrant was issued and subject was arrested in Big Lake then transported to Crockett County Jail.

Alarm at high school building. Was secured. Everything okay.

Report on Sutton County of a black male subject in a 1994 Eagle acting suspicious en route to Ozona.

Report of subjects at local body shop causing problems. Deputy on stand by while subjects got their belongings.

Report of two juveniles playing on guard rails 1/2 mile west on I-10. Deputy brought in two illegal aliens. Subjects were released to Border Patrol at Crockett County Jail.

Report of an intoxicated person on Largo Street. Subject was told to call it a night. Wife went with her mother.

10-12-97  
Deputy responded to a call of a report of loud music coming from a red pickup truck on Hickory. Upon arrival everything was quiet.

Deputy located vehicle and advised subject of problem.

Deputy was called on an intoxicated driver. Deputy was unable to locate subject.

Deputy responded to a call of an intoxicated female at Santa Rosa. Subject's husband was advised he could not keep her from going in because it was her residence, also. Female had left premises upon arrival. Sister said she would watch for her.

Report of loud music on Heracio Street. Deputy went to residence and advised subjects to shut it down. Everything okay.

Deputy met with complainant on a local subject hitting dad's pickup causing pickup to hit the wall of residence. Deputy advised subject they would be on look out for subject.

Deputy was dispatched to truck stop. Met with complainant advising them that an intoxicated person was causing problems. Deputy spoke to subject. Subject advised he would go to truck and sleep.

Report of a suspicious person at Kwik Mart. Deputy spoke to subject. Subject was with couple washing vehicle at the car wash.

Deputy met with local subject at residence on Admiral Street reference his daughter leaving home. Deputy advised he would try to locate subject and pass information along to other deputies.

Deputy met with complainant at DPS office reference kids throwing pumpkin seed at his vehicle. Kids were made to clean up pickup. Met complainant at Sheriff's Office reference physical abuse at home. Subject was advised to bring subject in for statement and photos at Sheriff's Office.

Deputy met with complainant at truck stop restaurant. She advised some guy called her and told her he was going to her place of work and take her to Missouri by force. Deputy was there upon his arrival he advised subject to leave and to leave subject alone. He was followed to Reagan County line. Deputy was also backed up by DPS troopers.

Deputy met with complainant on Ave. G reference two kids had stolen a Tonka truck belonging to her kids and were beating on husband's pickup with a horseshoe. Deputy was sent to talk to parents of kids living on Ave. L.

Deputy was unable to locate subject hotrodging down Man O' War.

Deputy was on look out for a subject driving without a driver's license.

Deputy had a welfare concern at jail. They were given gasoline and some food at T&C Convenience Store.

Deputy responded to a call of a person causing trouble at relative's house. Upon arrival deputy was advised that subject had already come by and left. Everything was okay.

Local subject was arrested on three family violence warrants and brought to Sheriff's Office for booking.

10-13-97

## Monarch butterflies stalled midway across Texas

AUSTIN - Oct. 10 - The front line of Monarch butterflies migrating through Texas appears to be "stalled" on a line stretching roughly from Fort Stockton through Abilene through Dallas to Paris, with unusually heavy concentrations of Monarchs in West Texas. Texans are being urged to help in a nationwide effort to solve the mysteries of the migration, with Texas State Parks being some of the best places for people to witness the monarch spectacle and look for tagged butterflies.

The top scientist studying the Monarch migration through Texas believes the migration front line came to Texas with a weak cold front about a week ago, but has stalled in its current position due to a lack of repeated, strong cold fronts. Dr. Bill Calvert is leading the Monarch research effort in Texas with funding from the Nongame and Urban Wildlife Program of the Texas Parks and Wildlife Department and the Margaret Cullinan Wray Trust.

Calvert says Monarch viewing is excellent in areas along and behind the stalled Monarch line. A cold front is expected at the beginning of next week. Once it comes, the butterflies should start to move again, and viewing should be good in a 300 miles swatch from Wichita Falls to Del Rio.

While there are no guarantees in nature, many Texas State Parks in the path of the current stalled migration line are good bets for Monarch view-

ing, including Big Spring State Park in Big Spring, Abilene State Park near Abilene, Fort Lancaster near Ozona, Monahans Sandhills near Monahans, Fort McKavett near Menard, Possum Kingdom west of Mineral Wells, Meridian State Park near Meridian, Cedar Hill near Dallas and Ray Roberts Lake north of Dallas.

The massive Monarch migration is a well-known phenomenon, but much needs to be learned about how they get to their over-wintering grounds in Mexico in the fall.

"We know that tens of millions arrive at the central Mexican over-wintering sites in late October and early November," Calvert said. "We also know that their migratory journey originates in the central and eastern states and Canada, and that they fly in a southwesterly direction across the continental United States, converging on Texas before disappearing into Mexico. Still, the great mystery is how Monarchs coming from many different sites from Colorado to New England all find the same tiny over-wintering areas in the high fir forests of central Mexico year after year after year."

Scientists wonder what environmental cues are used to guide the Monarchs' migratory flight, whether

they use the sun as a compass or the earth's magnetic fields or structural features such as rivers and mountains.

Average Texans can help answer these and many more questions by getting outside and collecting information about the migration and Monarch populations each year. Keeping a Monarch migration calendar of the presence and abundance of Monarchs and tagging them all over the country also helps researchers to keep track of where they go from year to year. The data are compiled showing where and when tagged butterflies are found and their numbers reported to Monarch Watch Centers.

To report the tag numbers and locations of tagged butterflies found, people can call the Texas Monarch Watch Hot-line at 800-468-9719. Once the tag number is read and confirmed and the sex of the butterfly noted (male Monarchs have two small black dots on their hindwings), the butterfly may be released to continue its journey.

To receive a mailed newsletter or brochure about the Monarch migration through Texas, or for information about Monarchs in Texas State Parks, people can call the TPWD toll-free information line at 800-792-1112, option 3 for state parks, option 3 for park information.

## TPWD to hold public scoping meeting in Kerrville

The Texas Parks and Wildlife Department is hoping to increase constituent involvement in the process to determine how the state's natural and cultural resources are to be managed by conducting a scoping meeting this month in Kerrville. The meeting is scheduled for 7:00 p.m.

Tuesday, Oct. 21, at the former Texas State Comptroller's Building (125 Lehman Drive) located directly behind the Department of Public Safety office on Hwy. 16 south.

According to Dr. Jerry Cooke, Upland Game Program Director for TPWD in Austin, "the public meeting is being held mainly to seek input on new legislation that allows our Department to issue special permits to private landowners who want to have more control over wild white-tailed deer confined behind a high fence on their property. House Bill 3061 mandates that TPWD develop requirements and procedures for issuance of the permits and guidelines for ensuring program compliance."

Dr. Cooke emphasized that although the high fence issue is the main topic of concern for the meeting, TPWD staff on hand will welcome discussion on any other natural resource matters that might be brought up by those in attendance. Similar meetings are being conducted throughout the state during the months of September and October.

For more information about the Kerrville meeting, or any of the other scoping meetings, contact Dr. Bill Harvey, TPWD, 4200 Smith School Rd., Austin, TX 78744 or call 512-389-4642.

## \*Trash

(Continued from page 1)

Stokes, auditor, the court was told that as of this month, the care center has spent its entire year's budget and that revenues at the center have come in about as budgeted. Stokes said the budget was "real unrealistic to begin with". Unbudgeted expenditures for the facility included \$23,000.00 for a court appointed administrator and nursing personnel, \$45,000.00 for extra nurses and a \$75,000.00 legal settlement.

Other monthly reports received by the court were from Steve Kenley for the Sheriff's Department, Esme Barrera for the civic center, Crystal Hargraves for the care center, Janet Hill McDaniel for Helping Hands, Louise Ledoux for the library and a written report from Bob Falkner, fire chief.
