Rep. Bonilla brings good news for mohair producers, interest free loans

Congressman Henry Bonilla (R) was in Ozona Monday at Wool Growers to meet with mohair producers and other residents. At the meeting, he discussed a new U. S. Department of Agriculture loan program for mohair producers included in the Omnibus Appropriations bill. The bill was approved by the House of Representatives last week.

Bonilla worked through his position on the House Appropriations Agriculture Subcommittee to secure the mohair loan program, and Rep. Charles Stenholm (D) also worked for

the measure. The program provides three year loans with the first year interest free. The loan rate is two dollars per pound.

"Since virtually no mohair has been sold in the last three to four years, this loan program is vitally important for mohair producers," Bonilla said. "It will provide them the money they so desperately need to keep afloat through this down time in the mohair market. These loans will definitely make the difference for mohair producers who haven't sold mohair in several years."

This will bridge the bad time for another year, minimum, said Bonilla. "The mohair deal is for one year now, but I don't see why it couldn't extend for three years."

Last August Bonilla sent his agriculture aide, Tamara Daniel, to West Texas to listen to the concerns of mohair producers and discuss ways to lessen the stress the down-swing in the mohair industry is causing for producers. This loan program is one of the solutions discussed in the August meetings.

Details are still being worked out regarding applications and how quickly producers will be able to apply. This information will be put forth through various agriculture associations and the news media according to the congressman.

Criticism of the loan program for mohair producers has appeared in one national magazine and in the newspaper column of George Will. These people don't see the economic disaster producers face, Rep. Bonilla said. In spite of the criticism, "I'm proud to do what I've done," said the congressman.

He also commented on the state of the U. S. military today. "Since 1985, the military has been cut beyond the bone," said Bonilla. He cautioned listeners that "the military no longer has the capability to react the way we used to react any more."

U. S. REP. HENRY BONILLA greeted Crockett County mohair producers and interested citizens during a stop at Wool Growers Monday afternoon. Bonilla was successful in securing a mohair interest-free loan program bill for all devastated mohair producers. Dan Davidson congratulates Bonilla on a job well done. DigiCam photo by Scotty Moore

Conner earns trip to Hula Bowl

Robin Conner received the All-American Award this summer when she participated with other Sonora cheerleaders at a national Cheerleaders Association summer camp. The award is the most prestigious individual award in cheerleading today according to the National Cheerleaders Association.

Participants vying for All-American status were judged on motion technique, jumps, tumbling, spirit and enthusiasm, voice projection and overall crowd appeal. All-American Award winners are eligible to perform at various NCA special events.

As a result of her award, Robin will cheer at halftime at the Hula Bowl on Maui, HA, on Jan. 25, 1999. Lee Ann Rimes will sing, also.

At the NCA summer camp held in Sonora, Robin was selected to be

head cheerleader by college cheerleaders who judged them

The National Cheerleaders Association selects award winners at each of the more than 1,100 camps it administers around the world each summer. The NCA, the largest privately held cheerleading organization in America, holds events for more than 150,000 cheerleaders and dancers around the world. The NCA, founded in 1948 by L. R. Herkimer, has been conducting training camps for 50 years.

Robin began cheerleading in junior high, continued as a junior varsity cheerleader and is now varsity cheerleader for the second year. A senior at Sonora High School, she is the daughter of Mr. and Mrs. T. C. Conner and granddaughter of Mr. and Mrs. T. R. Conner and Mr. and Mrs. Dempster Jones.

New sportswriter for Stockman

Rani Davis

Rani C. Davis has been hired as sportswriter for The Ozona Stockman beginning with basketball season. David Screws will leave in early November after being transferred with Texaco.

The new addition to The Stockman is a student and athletic trainer at Ozona High School. Rani enjoys all sports and writing. She was a member of the track team in junior high.

A native of Ozona, Rani is the daughter of Patti and David Davis. She has one brother, Jason. Rani attends Ozona Church of Christ.

Halloween Carnival planned for Saturday

It's parade time. Get your costumes ready for the Helping Hands sponsored Halloween Carnival and parade on Oct. 31. The parade will start at 5 p.m. on the east side of the square, so line up and get ready to be led by some Ozona Lion Band members and the Grand Ghost, Johnny Gimble. Harvey Hill will be the Great Pumpkin to end the parade.

Early this week there were 22 games signed up along with 21 different foods, says event coordinator Janet McDaniel. Call Virginia Bishop at 392-5215 to get a map or find out where your spot will be. Alternate location for the carnival in case of bad weather is the 4-H Barn.

Carnival goers are asked to not forget the Spook House in the old hotel. This will surely be an experience you won't forget for a while.

"Thanks to all that are making this festive occasion a big hit for our great town," said Mrs. McDaniel.

Entertainment in addition to the Spook House includes: Feed the Elephant, grab bags and cake walk by Helping Hands; ping pong toss,

Crockett County Arts and Crafts Guild; bean bag toss, bowling, basketball toss, Sorority #2; go fishing, skee ball, wheel of fortune, ring toss, Sorority #3; Tattoo chair, glow in the dark items, magic paint machine, Ozona Community Center; floating ducks, hand painting, ring a tail, Crockett County Care Center; obstacle course, Cub Scouts; pictures, Hillman's Hideout; golf, ring a Coke, EMS; and dunking booth, Band Boosters.

Food booths will serve: hot dogs,

onion blossoms, Project Graduation; fajitas, Knights of Columbus; tamales, gorditos, Band Boosters; sweets by the slice, Boy Scouts; funnel cakes, Melissa Ybarra; taquitos, Marta De La Garza; drinks, popcorn, Sorority #3; gumbo, Ozona Community Center; nachos, Frito pie, candied apples, popcorn balls, pickles, Irma McCutcheon; Mexican sweets, sandwiches, Sylvia DeHoyos; fried pig tails, Brenda Pratt; beans, carne encebollado, Lupe Maskill.

Best Students name best teachers

A select group of America's teachers are being honored by their toughest critics...their former students, in the fifth edition of Who's Who Among America's Teachers, 1998.

All of the approximately 130,000 teachers being honored were selected by their former students who themselves are currently listed in Who's Who Among American High School Students®, or The National Dean's List®, publications which recognize five percent of the nation's high school and college students respectively. Paul Krouse, publisher of Who's Who Among America's Teachers said, "there is no greater honor teachers can receive than to be recognized by former students for their excellence and dedication. In this publication we clearly have the best teachers in America selected by the best students."

The students were requested to nominate teachers who "made a difference in their lives" by helping to shape their values, inspiring interest in a particular subject and/or challenging them to strive for excellence. Many of the students commented about the enthusiasm and knowledge their teachers demonstrated in the classroom, and many praised their teachers for their ability to relate to youngsters on a personal as well as a professional level. One student wrote about her teacher saying, "she made education something pleasurable, in-

stead of a dreadful ordeal, by letting me spread my wings and showing me the best way to fly."

Local educators honored in Who's Who Among America's Teachers, 1998 include Virginia Cotton and Glenda Winkley of Ozona Primary School.

Mrs. Cotton has taught 24 years, totally in Ozona's second grade. "I graduated from Sul Ross on Thursday night, came to Ozona for a faculty meeting Saturday and began teaching Monday," she recalls.

"I've loved every minute of it; it's just my hobby," said Mrs. Cotton who never wants to retire.

Mrs. Cotton also works with U.I.L. storytelling and the gifted and talented program.

Mrs. Winkley took seven years out from teaching when her children were young, but she has taught a total of 25 years. Of those, 22 years were in Ozona. She was a second grade teacher for 19 years and now teaches first grade.

She, too, has worked with U.I.L. Mrs. Winkley is gifted and talented certified and also completed her English as a Second Language certification.

Every day is a new world when you work with small children, says Mrs. Winkley. "I just love it. This is a good school system to work in, and I enjoy working here."

Mrs. Winkley is a graduate of North Texas State University.

Pioneer Heritage Day set for Saturday

Crockett County Museum and Historical Society invite you to participate in a day of reminiscing. The Annual Pioneer Heritage Day will be Oct. 31 at the Emerald House grounds.

Chow bells ring at 8 a.m. for breakfast at \$2.00 a plate. The morning will be spent enjoying activities and music from the past. The annual group photo for pioneers and their descendants will be taken at 11:30 a.m. A chuckwagon lunch will be served from noon until 1:00 p.m. with music by Johnny Gimble. Cost of the lunch is \$5.00 a plate.

The afternoon will be filled with many activities and climaxing with the merchant sponsored raffle. All proceeds go to the renovation and expansion of the Crockett County Museum.

Melony Moran to compete in Miss Pre-teen Contest

Melony Moran has been selected to be in the Miss Pre-Teen Contest in Waco on March 19, 1999. With the help of the people of Ozona, she will do her best to represent Crockett County and the people of the community.

Fundraisers are being conducted to help Melony with the competition.

Melony is the daughter of Marty and Mikki Moran. She is the granddaughter of Jerry and Viola Perez and Florencio Moran. Her great-grandfather is Dennis Moran.

Webelo Scouts participate in camporee, Oct. 10-11

Webelo Scouts from Ozona were in Junction Oct. 10-11 to participate in the Great Permian Basin District Camporee. Six Ozona youths and five adults made the trek to Junction where they joined two other Webelo groups and five other Scout troops. Ozona's Webelos were ranked third overall for their competition abilities in lashing, first aid, knots, fire building, water activities, and cross country skiing, which they won. Boys attending were Christopher Fierro, Freddie Fierro, Matthew Harris-Cane, Grant Stevens, Kyle Webb and Roman Tambunga. Adults helping Webelos leader Tim Gilmore were: Frank Tambunga, Angel Fierro, Jon Webb and Charlie Lopez. Ozona's Cub Scout Pack 153 was represented by 20 members at the Cub/Dad campout Oct. 17-18 at Camp Sol Myer near Fort McKavett. Approximately 200 Scouts were there having a great time even if it did rain Saturday. "We want to thank Cindy Smith for working on staff and working so hard putting on the 1998 Cub/Dad event," said Gilmore.

Court okays fire truck, weather warning system purchases

Purchase of a new fire truck was approved when commissioners met in called session Monday night. The \$236,000 approved for the fire department purchase includes money for a new jaws of life and miscellaneous loose equipment for the truck. The fire truck is a demonstrator being bought on a lease/purchase plan from Ferrara Fire Apparatus, Inc. in Holden, LA. Commissioners appropriated an additional \$4,400 for the weather warning system approved in July. The system will be purchased from Crown Broadcast of Elkhart, IN. Most scanners have the weather frequency which the system will require, and many radios do, as well. In addition to the system, the county will purchase two new sirens. Existing sirens will be relocated to increase efficiency. Additional sirens may be purchased the following year, Judge Jeffrey Sutton said. As auditor John Stokes was not present, no action was taken on an agenda item to approve purchase of his military service time to be included with his county service time.

Kay Baker—Cook-of-the-Week

Cook of the Week Kay Baker says when she married Fred "I couldn't cook a lick. Fortunately he was a good cook."

Kay, a Pampa native, met Fred at their place of work in Fort Stockton. They have been married 22 years and have two sons, John, age 20, and Jason, 18.

"Most of what I learned about cooking I learned from Alice (Baker), Frances (Baker) and Grandmother (Vada) Bean," Kay said. "My philosophy is I'll try cooking anything once. We've eaten some very strange things throughout the years."

As a result of their three bite rule, you had to try three bites before you could say you didn't like it, neither son is a picky eater, Kay says.

The Bakers returned to Fred's hometown six years ago because of ranching interests. They opened Baker Durable Medical and Health Food three years ago. Their health food business began in an attempt to eliminate some of the medicines Kay was taking for rheumatoid arthritis. Success has been such that she now only has to take one medicine.

Later this fall Baker Durable will move to a new location on the square. Larger quarters will allow for expanded inventory and Katie Doll's, smocking and heirloom sewing for adults and children. After the first of the year, Kay plans to teach classes in smocking.

Katie Doll is the pet name Kay's father had for her as she was growing up.

In addition to staying busy with home and business, Kay volunteers in the beauty shop at the care center and on the care center care-a-van.

A Great Way to Serve Sandwiches

- 1/2 c. margarine
- 1 c. flour
- 1 c. boiling water
- 4 eggs

Combine butter and boiling water in saucepan. Heat until the butter is melted. Add flour all at once and stir until the mixture is thick and smooth and does not cling to the sides of the pan. Remove from heat and add the eggs one at a time, beating well to mix.

Drop by teaspoons or tablespoons (depending on how large you want the finished puff) onto a greased baking sheet. Bake at 400 for 30 to 35 minutes or until browned. When cool, slice off 1/3 and fill with favorite sandwich filling such as tuna, chicken or roast beef salad. "Recap" the sandwiches with the cut off portion. Even teenage boys think these are fun to eat.

7-Up Salad

- 1 box lemon Jello
- 1 c. boiling water
- 8 oz. cream cheese
- 2-3 cups miniature marshmallows

24 oz. 7-Up

- 1 box lime Jello
- 1 c. boiling pineapple juice
- 1 lg. can crushed pineapple
- 1 c. chopped pecans

Bring water and pineapple juice to a boil. Dissolve Jellos in water and juice, then add cream cheese and mix until cream cheese is melted and well blended. Add pineapple, marshmallows and pecans. Pour 7-Up in very slowly to avoid a kitchen counter covered in foam. Chill at least 8 hours before serving.

Cinnamon Rolls

- 3/4 c. warm water
- 1 pkg. dry yeast
- 1/2 c. sugar
- 1 tsp. salt
- 1 tsp. sugar
- 1 c. warm milk
- 2 T shortening or oil
- 3 1/2 to 4 c. flour

Combine the yeast, 1 tsp. sugar and water. Set aside for at least five minutes. Then add warm milk, sugar, shortening or oil and salt. Mix well. Add flour, one cup at a time, mixing well after each addition. Put into a greased bowl and cover. Let dough rise for at least 1 1/2 hours or until double. Roll out to a rectangle shape 1/4 to 1/2 inch thick. Brush on 2 T soft butter, then sprinkle on a mixture of 1/4 c. white or brown sugar and 2 tsp. cinnamon. Roll and cut into 1 inch slices. Place in pan to rise until double. Bake at 350 degrees for 30 minutes or until browned. Frost with 1 T soft butter, 1 c. powdered sugar and 1 T water. Makes about 3 dozen rolls. Nuts and/or raisins can be added before the dough is rolled.

Alice's Seven Can Casserole

- 1 can cream of mushroom soup
- 1 can water chestnuts
- 1 can chicken or turkey
- 1 can cream of chicken soup
- 1 can pimientos
- 1 can evaporated milk
- 1 can Chinese noodles

Drain the water chestnuts. Mix all ingredients together and put in 9x11 greased casserole. Bake at 350 degrees for 30 minutes. Sliced black olives or green onions can be added.

Xi Sigma Omega plans fundraiser

Members of Xi Sigma Omega met Oct. 19 at Crockett County Abstract Company to discuss fundraising plans for the upcoming Halloween Carnival. A decision was made to sponsor two children's booths - bean bag toss and basketball throw. The price for each booth will be 50 cents for three bean bag tosses or three basketball throws. Small prizes will be awarded to everyone who participates at each booth. In addition, a drawing for donated major prizes will be made at the end of the evening from among all participants who successfully completed all three tosses or made all three baskets.

The top prize is a CD/cassette boom box donated by West Texas Utilities. Other prizes include a \$25.00 gift certificate donated by Westerman Drug, a \$20.00 gift certificate from Target and \$10.00 gift

certificate from Halfmann's Cake Cottage, Blizzards donated by the Dairy Queen of Ozona, Frosties from Wendy's, movie theatre passes and dinners from Long John Silver's.

Also, a separate raffle will be held for a chance to win four tickets donated by UPRC to a San Angelo Outlaws Hockey Game. The tickets will be \$1.00 each, and will be available at the Xi Sigma Omega booth at the carnival or from any member prior to the carnival.

All proceeds raised during this carnival will go towards the Beta Sigma Phi Scholarship that will be awarded to a high school senior at the end of this school year. Members attending the meeting were: Janet Smith, Susan Buchanan, Diane Anderson, Shannon Hunnicutt, Sherry Rostyne and Laurie Hale. Diane Anderson reporting

It's a girl!

Austin and Andres Borrego are proud to announce the arrival of their baby sister, Ashlynn Renee Borrego. Ashlynn was born Oct. 5, 1998, at 2:13 a.m. at the Columbia Medical Center of San Angelo. She weighed in at six pounds, five ounces and was 18 3/4 inches long.

Also helping the two brothers in

welcoming their sister are proud parents Andy and Amanda Borrego; grandparents Pete and Grace Maldonado and Albert and Andreita Borrego. Great-grandparents are Roman and Armandina Maldonado and Frances Borrego, all of Ozona; Jose and Lupe Cantú of Brownwood.

Knights sponsor scholarship dinner

Knights of Columbus will sponsor their annual football Friday fundraising dinner Oct. 30 at the civic

center. A beef fajita dinner with all the trimmings will be served beginning at 5 p.m. Cost of the meal is \$4.00 whether you dine in or carry out.

It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age. Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment.

Medicare will pay for an annual mammogram for eligible women.

The Heart Of Christianity

By Dennis J. Prutow

October 31 is Halloween. It is also Reformation Day. It is the anniversary of the Protestant Reformation. The year was 1517. A priest by the name of Martin Luther, not to be confused with Martin Luther King Jr., challenged the religious world. The vital question Luther had was simple. How is a person right with God? How do men or women have right stand-

ing with God?

Luther's study of the Bible revolutionized his life. One verse in particular heralded new freedom and joy. It was Romans 1:17 and the words, "The just shall live by faith".

The just person is the person justified, declared righteous, by God. Why would God declare sinners, evil men and women, people full of hatred, to be righteous? The answer has to do with faith in Jesus Christ.

In accounting terms, the ledger

of my life shows no assets and huge liabilities. I have no savings but my debt to God is enormous. I have no good works to present to God. I only have a host of sins.

With faith in Christ, God wipes away my debt. He also applies Christ's good deeds to the list of my assets. I now have no debt before God. My assets are enormous. God gives me eternal life and the joy of heaven. This is the heart of the Reformation and Christianity.

"Make haste, my beloved, and he like a gazelle or young stag on the mountain of spices."
Song of Solomon 8:14
"He who testifies to these things says, "Surely I am coming quickly Amen even so come, Lord Jesus!"
Revelations 22:20
This message made possible by persons who value a soul.

"My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever."
(Psalms 73: 26)

Hope.

There's Plenty To Go Around.

Wouldn't it be great if we went through life without any problems? Well, that's not the way things always are. We all struggle. But there is a way to face whatever comes along with peace, and with confidence.

We're your neighbors, the people of The Lutheran Church—Missouri Synod, and we invite you to celebrate with us that special hope and peace that Christ alone can bring.

Survival is the major issue confronting most retail and service businesses today. Big-box retailers, category killers and monster merchandisers with billions dollar buying power are stealing customers and stripping away profits. Despite this level of hypercompetition, you can compete! You must know what to do, and then do it well. In this seminar, Don Taylor, America's number one small-business survival specialist, will show you how not only to survive, but also to grow and prosper.

TOPICS TO BE COVERED:

- Ten survival strategies that never fail.
- The Marketing Pyramid and how to use it.
- Using variable pricing to punch up the bottom line.
- How to out promote, not outspend your competitors.
- Using value-added strategies to reposition for success.
- Twelve financial "must knows" you'll need to build profit.
- Power principles for attracting, satisfying and keeping customers.

Junior Varsity Lions outlast the Eldorado Eagles 48-36

By David Screws
STOCKMAN SPORTSWRITER

It wasn't even Halloween, yet, but it was fright night in Lions Stadium last Thursday as the Junior Varsity Lions took on the Eldorado Eagles. There was tricks and treats for both teams throughout the entire ballgame, but the tricks were enough to give both schools nightmares.

The Lions opened with a bang, scoring twice before the Eagles could take one offensive snap. Jimmy Lopez returned the opening kickoff 85 yards, racing past the Eldorado eleven, and Zeke Rivera added the two points to give the Lions the lead. Eldorado fumbled the ensuing kickoff and Ronnie Tippie recovered the loose ball, setting up the Lions next score. That came only a few plays later as

Kyle Richardson passed to Luis Cruz for a 39-yard strike to give the Lions a 14-0 lead. The extra point attempt failed.

After a strong defensive stand held the Eagles Luis Cruz scored again, this time racing 60 yards for the touchdown. As the first quarter drew to a close the Lions were out front 20-0.

For the Eagles the nightmare continued into the second period. A great punt return by Cruz set up the Lions at the Eagle 35. Two plays later Josh Tambunga threw to Ty Porter for a gain of 20 yards to the 11. From there Abel Rodriguez scored, then Richardson passed to Jarred Shaffer for the two points.

In the same quarter the Lions struck twice more. Richardson passed to Ty Porter for a 20 yard score. Minutes later Richardson found Shaffer wide open and lofted yet another scoring strike which covered 24 yards. On the extra point attempt Richardson

passed over the middle to Michael Ramos for the two points and what seemed to be a huge 42-0 halftime lead.

It was now Eldorado's turn for the tricks. They opened the second half much the way Ozona opened the game, scoring 16 quick points to narrow the score. The Eagle defense began to halt the Lions, getting the ball back quickly and scoring quickly. With the score Ozona 42, Eldorado 24 the Eagles intercepted a Richardson pass and returned it for a touchdown, but the play was nullified by an extremely late hit to the quarterback. After the reprieve the Lions moved the ball to the 50 and Luis Cruz broke loose once more, rambling 50 yards for the Lion's final score.

The Eagles managed twelve more points, narrowing the margin to 48-36 before the Lions ran out the clock to escape with the victory intact. The Junior Varsity Lions record is now even at 4-4.

Seventh Cubs move to 4-2

By David Screws
STOCKMAN SPORTSWRITER

With a 13-6 victory over the Eldorado Eagles last week in Eldorado Ozona's Middle School 7th Cubs pushed their season record to four wins against only two losses.

The game got started wrong for the Cubs as the Eagles marched down the field in the opening period to score. With the failed extra point attempt the Cubs trailed 6-0.

In the second quarter the Cubs got their offense on track as Arron Garza ran a bootleg covering 55 yards into the end zone. Garza, who rushed for over 100 yards for the second week in a row, lined up to boot the extra point, giving the Cubs a 7-6 lead at the half.

Garza scored again in the third period, this time from 34 yards out, but the extra point attempt was kicked a little bit wide and the Cubs began the final stanza trying to protect their 13-6 lead.

Two big defensive plays in the 4th period, from a team that seems to win with defense, secured the victory for the Cubs. With the Eagles knocking at the goal they put in a huge running back hoping to pick up a first down at the Cub 20. Brad Mayfield bulldozed into the backfield, stripping the ball away from the big man, and Arron Garza fell on the loose football to forestall that Eagle drive. With 1:30 remaining in the game Clay Hale came up with another Eagle miscue with Eldorado deep in Cub territory.

Eighth Cubs pound Eldorado

By David Screws
STOCKMAN SPORTSWRITER

Lalo Garza led a crushing offensive attack and the eighth grade Cubs defense destroyed Eldorado's offensive efforts in a solid 34-0 victory last week in Eldorado. The win moves the eighth Cubs season up another mark to 4 wins and 3 losses.

Things started quickly for the Cubs as they built a 28-0 lead at the intermission. On the halfback pass Robert Ogle nailed Lalo Garza and Garza did the rest, covering 34 yards for the score. The ball went to Quay Oglesby who made good on the extra point attempt. Later in the opening quarter Ricky Perez fielded a punt at the Cub 32 yard line, then blew through the coverage for the second Cub score of the night. The failed extra point attempt left the score at 14-0.

In the second period the Cubs continued to roll over the Eagles. Another punt return resulted in the third score for the evening, this one at 42-yard dash from Lalo Garza. Chase Clark carried over for the 2-point conversion. Before the clock could wind down the Cubs took possession and

worked the ball to the Eagle 15 yard line. Garza took the last handoff on a double reverse, then waltzed into the end zone. An attempt to kick the extra point failed.

Sitting on a comfortable lead with the defense playing great the Cubs ran up only one more score on the hapless Eagles. From the 3 yard line Michael Savala, at quarterback, kept over the middle to make the final score 34 for the Cubs and nothing for the opponents.

The Cubs rushed for a total of 189 yards in the game. Besides Garza and Savala, Jarrett Vickers, Chase Clark, Quay Oglesby, Koby Fenton, Derek Faught, Dominique Perez, and Robert Ogle contributed to the ground attack.

On the defensive side of the ball Oglesby came up with two intercepted passes. He scored on one, but the return was nullified by a penalty. Ricky Perez also picked off one pass. Oglesby and Raymond Trujillo stuffed the Eagles 12 times each, Victor Hernandez had 9 tackles, G. L. Bunker added 7 more stops, and Joe Perez was in on 6 tackles.

Eagles ramble past Lions

By David Screws
STOCKMAN SPORTSWRITER

Utilizing a powerful rushing game the Eldorado Eagles controlled the football and the scoreboard on their home field last Friday to best the Ozona Lions in a district contest. Eldorado scored twice in the first period and once in the second to build a 21-0 lead, then ate up the clock and stifled the Lion's offensive efforts for the balance of the game as they closed out the night with a 27-6 win.

The Eagles rushing was led by Lance Mitchell who scored the first and the last touchdowns while rolling up 218 yards to his credit. The Lions struggled to gain much yardage against the stout Eagle defense. Kenny Vargas contributed 12 yards to the rushing stats, which was most of the 19 net yards attributed to the Lion's offense.

With the running game closed off the Lions went to the air once again, and once again realizing some success. Ross Crawford completed 5 passes for 44 yards, but 42 of those came in the second half and set up the Lions only score of the night. Dustin Faught picked up 2 catches for 20 yards, Clay Richardson caught one for another 14 yards, and Mark Childress had a single reception for a 10 yard gain. Trailing 21-0 the Lions reached the Eagle 12-yard line as a result of the passing game. From there Crawford kept for the final twelve steps into the end zone with 1:58 to play in the third period. The failed extra point left the Lions trailing by only 15 points with a full quarter to

go. The Lion defense played hard most of the game, but seemed to dig in after the Eagles' initial scores. Eight Lions were in on five or more tackles. Those eight had a total of 51 tackles of the game, but accumulated 35 of those in the final half. Ty Mitchell, leading the Lion's defense of the second consecutive week, had 10 stops. Stephen Tarr and Juan Garcia tallied nine tackles each while Ray Ramos and Cade Clark halted the Eagles on eight occasions per man. Kenny Vargas and Mark Childress brought down the Eagles six times and Ross Crawford chalked up five tackles. Tarr also came up with two Eagle fumbles.

The Eagles threw sparingly early in the game, but were picked off twice, once by Kenny Vargas and once by Mark Childress. In the second half Eldorado went to the air only once.

Minutes after the Lion's touchdown the Eagles put together their final scoring drive to close out the 27-6 victory. Eldorado remains in contention for a playoff spot while the Lions fall to 0-3 in district play.

Fifth Quarter skating party after last home game

Following the Ozona High School vs. Sonora football game on Friday, Oct. 16, OHS and OMS students met at the Lion Stadium Fieldhouse for a "5th Quarter" hayride. Three trailers full of hay, kids and chaperones left the lights of town behind, and headed to the Thompson Ranch. Singing and laughing could be heard for miles around.

Members of the Ozona United Methodist Church provided all the makings for a cook-out, including hot dogs, chips, drinks and, of course, marshmallows, which were roasted over the open fire.

During the hayride back to town, a student was injured. Crockett County EMS quickly responded to the call. All of those involved deeply regret this accident, and would like to thank the EMTs for the professional manner in which they handled this difficult situation. Thoughts and prayers go out to the injured student with wishes for a speedy recovery.

The next 5th Quarter will be the last of the season. Following the OHS vs. Junction football game Friday night, OHS and OMS students are invited to a skating party at the Fair Park Convention Center. Our Lady of Perpetual Help Catholic Church will provide refreshments. Parents are reminded that 5th Quarter ends promptly at midnight, and are asked to please pick up their kids at the convention center.

Volunteers to chaperone and help prepare food are always needed. If you have any questions, or would like to volunteer, please call any of the following participating church of

fices: Our Lady of Perpetual Help Catholic Church, First Baptist Church of Ozona, Harvest Time Christian Center, Ozona Church of Christ and Ozona United Methodist Church.

FIRST HE OVERHAULED THE IRS. NEXT HE'LL ABOLISH IT.

This year, Henry Bonilla went on record stating his position to eliminate the IRS.

Next year he will lead the effort to replace it with a more fair and simple tax system.

BONILLA

Protecting you from the IRS

Already this year, Henry Bonilla voted to reform the IRS, strengthening the taxpayers' rights and making the IRS more accountable. Those changes include:

- The burden of proof is now on the IRS, not the taxpayer;
- Innocent spouses who are divorced or separated are only responsible for their incomes;
- In some cases, taxpayers are now given relief from interest and penalties; and
- The IRS cannot seize a taxpayer's home without a court order.

In addition, Henry Bonilla will continue to:

- Support small businesses;
- Keep taxes down;
- Protect private property rights;
- Keep government out of our lives; and
- Demand accountability and responsibility.

**Early voting ends
October 30. Election day
is November 3rd.**

Community Center News

By Lynn Dominguez

We understand working moms and dads have enough stress without having to worry about their children's day care provider. You need to know that they are in the best possible environment for learning and growing. The early years are the most impressionable and most important for brain growth and development.

Not just a "babysitter", the community center offers a loving, nurturing environment. Your children will not just be watching T.V. all day. Activities are structured by age group with individual classes/teachers for ages one month to kindergarten. Our

preschoolers use the High Reach Curriculum in addition to a new phonics computer program. One of our goals is to help prepare children for the transition to school.

Instructors are license and certified in first aid and C.P.R.

Ozona Community Center is changing, growing and moving into the future, and we invite you to come by and see for yourself.

Ozona Community Center is a non-profit organization, and support from the community is vital. Please watch The Stockman for upcoming fundraising events. If you wish to make a donation, please contact the center or one of our board members.

First quarter report shows sales decline

The first quarter 1998 state sales and use tax analysis report issued by Comptroller John Sharp in September shows Crockett County with a decrease of 3.4% in the all industries category and by 7.5% in the retail sales division.

Gross sales for all industries in the first quarter of 1998 were \$13,054,772 reported by 124 outlets. The same period of 1997 recorded sales of \$13,510,735 reported by 128 outlets.

Crockett County's retail trade division indicated 1998 gross first quarter sales of \$7,282,175 compared to \$7,873,664 for 1997. There were 76 reporting outlets each year.

Other area counties showing a decline were Crane, Reagan, Terrell

and Upton. Val Verde, Sutton and Schleicher all had increased sales. The 6.7% drop in Crane County resulted from 61 outlets reporting \$6,088,243 in sales for the 1998 period compared to 67 outlets and gross sales of \$6,524,319.

In Reagan County, 51 outlets had sales of \$7,599,354 compared to 55 outlets with sales of \$8,066,638 in 1997. This was a 5.8% decrease.

Terrell County's 25 reporting outlets had \$697,660 in sales in the first quarter of 1998 compared to 23 outlets with sales of \$934,361 in 1997 for a decrease of 25.3%.

Sales in Upton County for the first quarter of 1998 were \$4,029,516 for 56 outlets. This was a 3.2% decrease from 1997 sales of \$4,162,279 reported by 65 outlets.

The 10.1% increase in Schleicher County was derived from sales of \$2,080,969 in 1998 compared to \$1,890,883 for the first quarter of 1997. There were 32 reporting outlets each time.

The 7.2% increase for Sutton County in 1998 came from 75 outlets reporting \$6,815,296 in sales compared to 85 outlets and sales of \$6,359,589 in 1997.

Val Verde County had a 9.9 percent increase from 446 outlets reporting sales of \$73,065,737 in 1998 compared to 456 outlets and sales of \$66,491,156 in 1997.

Chamber sponsors Veteran's Day ceremony

Veteran's Day is Wednesday, Nov. 11. This is a time to honor all veterans for their service to the United States. On this day at 12:30 p.m. on the town square, a ceremony will be held at the flag pole on the south end of the park.

Led by Frank Tambunga, local Boy Scout troops and others, a flag raising ceremony will be held to honor our heroes.

"We would like to invite all veterans and their families to participate in this ceremony," said Shelly Childress, chamber executive director.

For more information, contact Mrs. Childress at the chamber office, 392-3737.

Friends Flamingo Fundraiser

The Friends of the Library Flamingo Fundraiser continues to be a huge success. Everyone has gone wild over the Library Flamingos, and funds for new library furnishings are pouring in. So far, over 57 yard flocks and 25 potted birds have been booked to appear in yards and offices around Ozona. Flamingo watchers are cruising around to catch the latest sighting of the pink plastic phenomenon.

I want to thank a few loyal Friends who have made this popular fundraiser possible. First, I want to thank the Friends of the Library officers, President Ann Light, Vice-President Dean Allen, Treasurer Audrey Glynn and Projects' Chairman Patsy White for their unflinching support of the library. Second, I want to thank Scott and Nicole Kelly for the wonderful pink Library Flamingo signs. Third, I want to thank Jan Van Shoubrouek and Steve Wilkins. Jan was the first to book the flamingos and has sent them flying all around town. Steve has sent the most flocks

to all his best friends, and has made this fundraiser fun and successful. Fourth, I want to thank Sheriff Shane Fenton and his deputies for their Flamingo patrols to keep an eye on our birds. They have rounded up and returned several stray birds. And last, but not least, I want to thank Lucy Humphrey and Marie Pierce for the use of their pickups to transport the flocks and for their hard work moving the birds from yard to yard. It's been lots of fun. Thanks, Friends.

The fundraiser will continue through November. You still have time to book a flock or send a potted flamingo. The Friends will have the Library Flamingos available for booking even after the fundraiser is over. You can book them for special occasions, birthdays, anniversaries, new babies, etc., throughout the year. They are the perfect gift for the person who needs a little lift and a laugh. Get your bookings in now. Call 392-3565 or visit your public library.

Yates field becomes first U.S. oilfield to gain OSHA-VPP Star Award

The Yates Field, operated by Marathon Oil Company - one of the largest and most historic oilfields in the United States - has been proclaimed as one of the safest.

Yates, at Iraan, has become the first oilfield in the U. S. to gain the highest rating possible in the Occupational Safety and Health Administration's Voluntary Protection Program: the OSHA-VPP Star award for superiority in safety programs.

Ed Cosgrove, area director for OSHA, presented the award - including the official OSHA-VPP Star flag - to more than 200 Marathon and contractor employees Sept. 30 at the field. Also attending the award ceremony were representatives of the state House of Representatives and the Texas Railroad Commission, and executive management from Marathon's corporate headquarters in Houston.

Cosgrove told Yates Field employees that they "should be especially proud" of the honor, because only 373 out of six million work sites in the U.S. have earned OSHA-VPP Star status.

"There have been many moments in Marathon's long history when the entire company could be very proud of the accomplishments of one segment or group," said Vic Beghini, Marathon president. "The efforts of the team at Yates to achieve the OSHA-VPP Star designation is one of those moments. To take a 72 year-old oilfield and move it to the pinnacle of operations safety and

health is a glowing testimony to everyone involved in this effort."

To be eligible for OSHA-VPP Star, the Yates Field had to have a three-year injury accident rate below the current industry average. In fact, employees have achieved a much-lower-than-average three-year lost-time accident rate at the 26,000-acre Yates Field - where gross production currently averages between 53,000 and 55,000 barrels of oil per day.

OSHA also required Yates employees to provide an extensive written application covering 19 program elements, including accident rate and all aspects of management leadership and employee involvement, worksite analysis and protection, hazard prevention and control, and safety and health training. Later, Yates was required to pass a rigorous five-day on-site OSHA inspection on those elements.

It was a 25-person task force of employee volunteers - called the "Yates Excellence in Safety," or YES Team - that took ownership of the OSHA-VPP Star process and drove it to success, said Dave Hoopman, superintendent of Yates Field.

The 255,000 barrel per day refinery operated by Marathon Ashland Petroleum LLC at Garyville, LA, is also an OSHA-VPP Star facility. The Garyville refinery was one of the first U.S. refineries to attain OSHA-VPP Star status - in 1994 - and gained recertification this spring. Other Marathon facilities are now actively pursuing the OSHA-VPP Star rating.

Economic Injury Disaster Loan Assistance available

Businesses in some Texas counties can now apply for disaster loan assistance from the U. S. Small Business Administration. Economic Injury Disaster Loans are available to eligible small businesses that suffered a substantial loss of income as a result of damages caused by Tropical Storm Charley which occurred on Aug. 22-31. These loans are not intended to cover physical damages resulting from the storms.

Crockett, Kimble, Sutton, Terrell and Val Verde are among the 22 eligible counties.

To obtain an application, interested businesses should call the SBA toll-free number, 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired. The deadline for filing an application is May 26, 1999.

This disaster loan is a working capital loan that can help a business meet installments on long-term debt, accounts payable and overhead expenses that would have been met had the disaster not occurred. Refinancing of long-term debt, however, is not eligible under this loan program. The loan program is designed for those businesses with substantial disaster-related needs and will supplement monies the business owner can provide from other sources.

Loans are available for up to \$1,500,000 or actual disaster-related financial needs of the business. Interest rates are four percent and terms may extend to 30 years, depending upon the repayment ability of the individual applicant. To qualify, businesses must be small by SBA size standards. Businesses that can meet their financial needs through other sources are not eligible. Farmers and ranchers are not eligible for these loans; however, they may be eligible for disaster assistance from other Federal agencies.

A tip for the town

Saturday, Oct. 24, the Levis and Lace Square Dancers of Ozona gathered for a business meeting before a night of dancing and laughter. The members voted Rita Longoria Rios as the new public relations officer. Other business included monthly dues, which were set at \$7.50/single and \$15.00/couple. Dances will be held on the second and fourth Saturdays of each month, and the Westerner's "Yellow Rock" dance is to be held at the Ozona Civic Center Nov. 14. The Permian Basin is invited to reciprocate, and everyone is welcomed.

Anyone wishing to dance pays at the door. The price will be \$3.50/singles and \$7.00/couple, which in-

cludes food and fun. Barbecue will be served to all those present, and "line" and "country dancing" can be expected between tips.

The dancing began at 8 p.m. led by Tracey Dowell of McCaulley. He was accompanied by his wife, Charlotte. The members of Ozona's Levis and Lace were accompanied by members of the San Angelo Star Promenaders: John and Nora Geen, Glenda Dawkins and George and Ethyl Wilson, and from Barnhart were Jack and Leda Deitz, and from Ozona, Len and Mary Hillman and Joe and Tina Moran.

Two squares were on the floor all night.

For those wishing to know more about square dancing, lessons are taught by Carol Adcock on Tuesdays from 7 to 8 p.m. at the Comfort Inn. Call Carol at 392-2912 for more information.

Caregiving seminar Thursday, Nov. 19 in San Angelo

The Area Agency on Aging of the Concho Valley and the Retired Senior and Volunteer Program of the Concho Valley are sponsoring a seminar titled "What's So Funny About Caregiving?" on Thursday, Nov. 19, from 9 a.m. to 4 p.m. at the San Angelo Convention Center. Caregiving specialists Merlene and Jim Sherman of Minnesota will conduct the seminar. This personable husband/wife duo combines 36 years of caregiving experience to provide assistance to family care partners and professionals as they cope with the rigors of caregiving.

Registration brochures are available from the AAA and RSVP. Registration will cost \$10.00, which will cover breaks and lunch. CEU's will be available from Angelo State University for an additional \$10.00. A series of caregiving books will be available for purchase at the event.

The seminar is designed to identify specific humor and wellness techniques that caregivers can use - and teach their clients and patients to use - to be healthier and more effective in their work. In order to attend, family caregivers may need respite care for their family member. Adult Day Care is available to meet that need, and may be contacted at 942-9253.

For more information, contact Area Agency on Aging at 915-944-9666 or 223-5704 or Retired and Senior Volunteer Program at 915-223-6388.

THE STUDENTS IN MRS. COTTON'S second grade class read spooky Halloween stories and poems to the Ozona Primary School students this week. Following is a list of selections performed. "Bloody Fingers" - Jesse Ramos, Preston Tebetts and Whitney Wilson; "Green Ribbon" - Whitney Wilson; "Teeny Tiny Teeth" - April Trevino; "Owl Babies" - Kara Bird, Iris Vergara, Josh Smith and Tyler Sewell; "Slithery-dee" poem - Wilson White; "In A Haunted House" - Jordan DeHoyos; "Mortimer" - Jesse Ramos, Whitney Wilson, Josh Smith and Jimmy Munoz; "Spooky Riddles" - Bethany Marmolejo and Victoria Zapata and "Hairy Toe" Nathan Knox and Fabian Onate.

Clinic promotes basketball

Ozona's Amber McWilliams will be one of the instructors at a Cowgirl Basketball Clinic Nov. 7 at Hardin-Simmons University in Abilene. The clinic is under the instruction of Coach Julie Goodenough and current Hardin-Simmons Cowgirls for all girls in kindergarten through sixth grade.

Clinic fee is \$25.00 and late registration will be from 8 a.m. to 8:45 a.m. on Saturday, Nov. 7, at the Hardin-Simmons Mabec Complex.

S.S. office in new location

Field office manager, Fredi Franki, has announced that the Social Security Administration in San Angelo has moved its office from the current location on Sherwood way to the Sunset Crossing shopping center at 2851 Southwest Boulevard. San Angelo's Social Security office opened its doors at the new location Monday, Oct. 26. The move was needed to accommodate new computer equipment Social Security is scheduled to receive in the near future, Franki said. The new location should also offer a larger parking area for Social Security customers.

The Sunset Crossing shopping center includes such businesses as Hobby Lobby and Tractor Supply, and is located near the intersection of Sherwood Way and Southwest Boulevard.

Workers to receive Social Security statement

Between Oct. 1, 1998, and March 31, 1999, about 33 million workers between ages 40 and 47 will receive a Personal Earnings and Benefit Estimate Statement from Social Security. About 24 million statements will be mailed before Dec. 15, with the remainder to be mailed between Jan. 15 and March 31, 1999.

The statements will display the year-by-year earnings that have been posted to workers' Social Security records and provide estimates of the Social Security benefits they and their families may be eligible for now and in the future.

This information is intended to help workers better understand the value of their Social Security benefits and help them plan a secure financial future. Because workers' Social Security benefits will be based on the earnings Social Security has posted, it's important that they make sure the statement reflects their correct earnings. If it doesn't, they should contact Social Security as soon as possible.

As required by law, Social Security began mailing the forms in 1995 to individuals age 60 and older. Since then, the mailings have gone to younger workers. Beginning Oct. 1, 1999, all workers age 25 and older will be receiving statements annually.

For information about the statement, visit this website www.ssa.gov/mystatement. For additional information about Social Security benefits, visit this website, www.ssa.gov or a Social Security office or call toll-free 1-800-772-1213.

Halloween safety tips

- The American Red Cross of Southwest Texas, a United Way agency, offers the following tips for safe Halloween:
 - Plan your route and share it with your family. If possible, have an adult go with you.
 - Wear light-colored or reflective clothing so you are more visible. (And remember to put reflectors on bikes, skateboards and brooms, too!)
 - Use face paint rather than masks or things that will cover your face.
 - Cross the street only at corners. Look both ways before crossing the street to check for cars, trucks and low-flying brooms.
 - Don't hide or cross the street between parked cars.
- Walk, slither, and sneak on sidewalks; not in the street.
- Carry a flashlight to light your way.
- Visit homes that have porch lights on.
- Keep away from open fire or candles. (Costumes may be extremely flammable.)
- Accept your treats at the door - never go into a stranger's house.
- Be cautious of strangers and animals.
- Have a grown-up inspect your treats before eating. And don't eat candy if the package is already opened. Small, hard pieces of candy are a choking hazard for young children.

Junior High 4-H Club News

The Junior High 4-H club met at the Extension office at 7:00 p.m. on Monday, Oct. 19. As a community service project members carved a pumpkin with a ghost design to give to the care center to decorate their lobby for Halloween. 4-H'ers roasted the pumpkin seeds and ate them as snacks along with their cookies and Cokes.

Members present were: Chase Clark, Bryan Skehan, Aaron Renfro, G. L. Bunger, Clay Hale, Andy Birkfield, Jenna Henderson, Kristin Bunger, Katie Parker, Hilary Huffman and Regina Garcia.

Dairy Queen receives quality/purity award

Edward Watson, executive vice president of operations for International Dairy Queen, Inc. has announced that the Dairy Queen®/Brazier® store at I-10 and Hwy. 163 in Ozona has won a national quality/purity award for maintaining outstanding standards of quality, service and cleanliness.

The store is owned by Wade and Jane Richardson.

The Quality-Purity Award, pre-

sent to the Richardsons by American Dairy Queen Corporation, a subsidiary of IDA, is awarded to stores who receive an outstanding rating on an evaluation conducted by corporate field personnel.

The evaluation covers more than 12 categories, including general store appearance, product preparation and appearance, sanitation procedures and customer service. The evaluation is conducted without previous notification to store owners.

The quality-purity award is part of the Dairy Queen system's continual program designed to recognize the basics of superior store operation, including quality, value, service and cleanliness.

The Dairy Queen®/Brazier® store in Ozona is one of more than 5,000 Dairy Queen outlets in all 50 states and 19 other countries. Minneapolis-based IDA is one of the world's largest retailers of fast-food and frozen dessert products.

Big Lake crafts show Nov. 10

The annual 20th Century Club flea market and arts and crafts show will be held at the Reagan County Community Center on Tuesday, Nov. 10, from 9 a.m. to 5 p.m. If you need a hand-crafted Christmas gift or decorating item for your home, this is the place to find it. There will be ceramics, needlework, art work, potted plants, jewelry, wood work and other miscellaneous items. Door prizes will be awarded throughout the day.

For booth space, call Jeanne Virden at 915-224-3326.

Proceeds from the booth rental and concession stand are used for a scholarship for a deserving Reagan County High School senior student.

To say thank you for your support, and friendship, Diane and I would like to invite everyone to join us at the Crockett Room Nov. 3 from 5:00 until 8:00 p.m.

CROCKETT SOIL AND WATER CONSERVATION DISTRICT

47th Annual Report

DISTRICT

The Crockett Soil and Water Conservation District was established in 1950 to identify and prioritize resource concerns within the county and to serve as a medium for local ranchers in coordinating assistance from federal, state and local agencies. Agencies providing assistance include the Natural Resources Conservation Service (formerly known as Soil Conservation Service), Texas Agriculture Extension Service, Farm Service Agency (formerly Agricultural Stabilization and Conservation Service), Texas Parks and Wildlife Department and University of Texas Lands.

A Memorandum of Understanding between the USDA-NRCS and the District allows the NRCS to furnish technical assistance to ranchers, farmers and other interested individuals in order that conservation plans can be developed to meet the needs and capabilities of the land and the objectives of the landowner.

The District is governed by a five member board of locally elected directors. These directors serve as a voice for landowners and operators within the District. Directors for the past year include Earl Acton, Chairman; Larry Williams, Vice-Chairman; Pleas Childress III, Secretary; Paul Perner III, member, and Steve Wilkins, member.

Improper grazing management, brush infestation, conserving soil, water, plants and related resources and improving wildlife management on rangeland as secondary land use are the primary concerns outline in a long range program and plan. The Crockett Soil and Water Conservation District realizes these concerns need to be addressed and steps that need to be taken to solve these problems in order to protect our resource base.

Conservation Education

The Crockett SWCD sponsored the Fourteenth Annual Conservation Field Day for sixth grade students of Ozona. The field day was held on the Gene Perry Ranch east of Ozona. The purpose of the field day was to increase the awareness of our natural resources and educate the students to the need for proper management to sustain and improve these resources. Topics consisting of soils, water, range and wildlife were presented by professionals with the Natural Resources Conservation Service and Texas Parks and Wildlife Department.

Ivan and Janet Weir entertained the group with a sheep dog demonstration. They showed how these dogs are used to assist ranchers in their everyday ranching operations. The dogs, which are from Weir-Perry kennels and trained by Ivan, put on a show that all enjoyed.

Following this presentation, the students were treated to a hamburger lunch provided by the Crockett National Bank. Miles Dabovich, County Extension Agent, gave the students a presentation on sheep and goat production in Crockett County. Dennis Clark, manager of Emerald Underground Water Conservation District, talked about water monitoring and conservation.

A trip to Wool Growers Central Storage Co. capped off the day. Donnie Laughlin and Mike Edinbrough explained to the students about the processing of wool and mohair.

Feast or Famine

This year has had highs and lows in the rainfall category. Most of the year has been extremely dry, but conditions have improved. The rangeland has responded to the recent rains, but caution should still be exercised. Producers should maintain conservative and flexible stocking rates. The carrying capacity of the pastures is still below normal. The health and vigor of the plants is still down. Plants need time to recover from extreme drought conditions. As plants are continuously and closely grazed, they lose their ability to capture energy from the sun, root reserves are used up, and root systems are reduced. The end result, if grazing is not corrected, is death of the plant. Forage plants should be inventoried frequently and livestock numbers balanced with available forage. Even though no one can prevent a drought, precautions can be taken to lessen the impact of one. There is an old saying that "every drought ends with a flood", but does a flood really end the drought?

Prescribed Burning

As part of the overall brush management goal, prescribed burning is a very useful and relatively inexpensive tool. When used properly, undesirable plants such as small junipers and mesquite, pricklypear and tasajilla can be suppressed or controlled.

There are two other advantages to burning. One is the improvement of forage quality. Plants such as tobosagrass become coarse and unpalatable. Periodic fires will maintain the quality of this plant for a longer period of time. The other benefit is the resprouting of the desirable browse plants such as liveoak and elbow bush.

Prescribed burns are not wildfires. Prescribed burns are well planned and carried out under specific conditions. Deferment of pastures, proper grazing management and correct stock numbers are all part of the planning process.

Mohair builds itself a stable market

By Delores Kelly Carson

Unwilling to be ruled by the whims of nature and fashion, the American mohair producers have decided to take action to ensure a steady market for mohair. Having endured several seasons of natural disasters, drought, followed by floods and untimely freezes in the Texas Hill Country, the primary growth area in the U.S., all of which has taken a heavy toll on the industry, they felt it was finally time to take more pro-active measures to bolster the mohair industry.

While nature may not be control-

lable, distribution of the fiber is. The key was to find new markets for mohair.

Until recently, most efforts were directed solely towards promoting the sale of raw mohair, said Dick Pactor, product developer for Dove Creek Collections, a division of the Mohair Council of America. Pactor and Zane Willard, executive director of the Mohair Council, decided to take "the bull by the horns", or in this case, the Angora goat by the hair, and create salable mohair products. Using the older adult grades of hair in blends, they have developed Dove Creek Collections, a line of luxurious throws (small blankets) for the home and a collection of casual sweaters.

Letter to the Editor

Dear Editor:

The Mohair Council is doing some of these things as shown in the Inside Fashion newspaper in Hong Kong.

We feel very strongly about this sweater project and also the carpet venture.

Everyone knows that these projects are not a "fix all" but hopefully they will help sell mohair.

Sincerely,

Lanny Leinweber

Mohair Council President

Over the years mohair sales have been at the mercy of swings in fashion, limiting the regular consumption of the product. When the fickle finger of fashion dictates fuzzy or textural finishes, mohair is "in". The exception is kid mohair, used in blends, for which there is a steady demand.

Texture, however, is not the only attribute of raw mohair. With its affinity for dyes, soft luxurious hand, rich luster and durability, it can be spun, alone or in blends, into lofty fleeces, rich tweeds, knits and crisp suitings.

For the Dove Creek project, Pactor is concentrating on utilizing the adult mohair, which has been the victim of fluctuating demand. By using the adult mohair (less expensive than kid mohair) in blends Dove Creek can target the mid-market with retail price points of US\$50 to \$100.

Following consumer trends, the Council is addressing the current "dress down" mentality of fashion.

"The apparel side is focused on casual clothing. Items that can be mixed with jeans. We are focusing on sweaters, vests, hunting shirts, over shirts and other tops in both knits and

woven," said Pactor. Additional collections of socks and scarves are also on the drawing board.

"The collection will be of color coordinated, integrated garments. Styles will fit the trends, yet be timeless in an effort to eliminate the volatility of the market," he explained.

Launched six months ago, the project developers have spent most of their efforts "putting the building blocks in place," said Pactor, a textile engineer who is working internationally with mills and designers to design the garments. This includes sourcing the yarns, finding manufacturers and creating the products. Much of their efforts have been concentrated in the United Kingdom, Hong Kong and the U.S.

"The introduction collection hasn't formally gone to market, but we have been actively involved in promoting it," he said. The primary introduction of the garments is planned for January of 1999, in time for the Fall '99 buying season. Target retail markets are the U.S., U.K. and Japan.

"The entire focus of the project is to encourage the distribution of American mohair," said Pactor.

Recourse Loan program secured for mohair producers

With passage of the Agriculture Appropriations Bill and Signing into law by the President, a recourse loan program was established for mohair. Congressman Henry Bonilla (R-TX) and Congressman Charles Stenholm (D-TX) were instrumental in securing the program. "These two men know better than anyone in Washington that the Texas mohair industry is seriously depressed. This program will provide funding as well as time for the new marketing strategies the industry is undertaking to take effect and begin to help producers," commented Carl Menzies of Menard, Texas Sheep & Goat Raisers' Assn. president.

The program, which will be administered by the Farm Service Agency, will provide a one year interest free recourse loan for FY 1999 on producer owned mohair produced during or before that fiscal year. The loan must be repaid at the end of the one-year-term. In the event of default, the borrower will be liable for any deficiency between the sale of the product and the amount of the loan.

The Mohair Council of America and the Texas Sheep and Goat Raisers' Association were instrumental in bringing the plight of mohair producers to the attention of USDA Secretary Dan Glickman and the two Texas congressmen whose districts were most impacted. Stenholm and Bonilla. Industry insecurity due to

phase-out of the National Wool Act, coupled with depressed markets, brought about the huge stockpile of unsold product, primarily adult mohair. "The entire economy of several Texas counties is built around Angora goats and mohair, and the situation has caused severe economic woes in those areas," stated Zane Willard, executive director of the Mohair Council. "We felt we had to find a way to buy some time for our producers so the programs we have been working on could be brought to fruition. It is our hope that these programs will give the industry a much-needed boost so we can begin to clear the backlog of adult mohair," stated Willard.

Although wool was listed under "other fibers", specifics on wool were not spelled out as they were for mohair because only a portion of the current wool clip remains unsold. Should the wool market continue to decline, industry leaders will address the issue with their representatives.

"There is a 'no net cost to government' sentiment in Washington now," said Menzies. "The recourse loan program hammered out by Congressman Bonilla and Congressman Stenholm will provide some resources for beleaguered mohair producers and time for our new program to develop. We appreciate them going to bat for agriculture"

Powell Herefords sale grosses \$193,110

Weekly Drilling and Completion Report

Compiled by Charles Lewis Communications, Lindale, Texas

Oct. 28, 1998

Altura Energy Co. has completed a couple of developmental wells 40 miles southwest of Ozona in Crockett County's Simpson-Mann's Field.

The company's No. 1 Hallie Black "3" flowed 762,000-CFD on a 1.25-in. choke and was rated at 906,000-CFD on absolute open flow. It was bottomed at 6,200 feet and will produce from 4,930 to 5,948 feet into the hole.

With 6,203 feet total depth, the No. 1 M. K. Daniel "113" earned a 1,400,000-CFD evaluation on absolute open flow and showed ability to yield 1,158,000-CFD on a 1.25-in. choke. It will produce from 5,194 to 5,563 feet into the wellbore.

First production figures have been posted for the No. 3 Hoover State 11.9 miles southwest of Ozona in Crockett County's Ozona Field.

Union Pacific Resources Corp., the operator, bottomed the well at 6,900 feet. It flowed 408,000-CFD on a 1-in. choke and was rated at 499,000-CFD on open flow. The well will produce from 6,214-6,607 feet into the hole in the Canyon Sand Formation.

The No. 2601G Henderson has been brought on line 16 miles southwest of Ozona in Crockett County's Northeast Ozona Field. Pioneer Natural Resources USA is the operator.

Rated at 345,000-CFD on absolute open flow, the well flowed 250,000-CFD when tested on a 1-in. choke. It probed to 6,750 feet total depth and will produce from a Canyon Sand Formation interval, 6,358 to 6,464 feet into the wellbore.

Operating out of Tulsa, Oklahoma, Questa Oil & Gas Co. is preparing to make hole for the No. 1 Pierce 22-18 15 miles southwest of Ozona in Crockett County's Hunt-Baggett Field.

Location is a 1,044-acre lease in the GC&SF Survey A-5228. Strawn Formation will be the objective at a depth of approximately 11,000 feet.

Cross Timbers Operating Co. has posted first production reports for the No. 13 Helen Henderson West, 11 miles southeast of Ozona, in Crockett County's Henderson Field.

The well was bottomed at 9,382 feet with plugback to 8,880. It flowed at the rate of 676,000-CFD on a 1.25-in. choke and earned a 750,000-CFD evaluation on absolute open flow. Production will be from 7,822 to 7,841 feet into the hole.
