

SCOOP SEZ

By J. M. FORBES

On man's action to the information that the school may need to spend \$500,000 between now and the end of 1961 for expanding the physical plant.

Let's vote bonds in the sum of \$1 million, this time, with the stipulation that the bonds be sold by the board as and when the money is needed. That way, the board wouldn't have to be coming back to us every year or two for more bond issues; all of us have infinite faith in the school board members, knowing they would be as conservative with a million as with a half million.

And I am so sold on the future of Muleshoe and its area that I believe the board has been much, much too conservative in estimating what will be needed in the next five years.

I believe people generally would go along with that, after they've thought of it for a time. Lubbock, it was recently reported, voted an \$8 million bond issue for their school; at half will be needed any time soon, but the folks there know their schools must expand and keep expanding.

This column hopes the people of the district will encourage the board to improve the stadium simultaneously with their improvement of other facilities.

Remember this about the whole program, that Jerry Kirk says: Folks, if we don't provide for the education of our youth, on a higher standard than ever before, too, the Federal government will. Then it's natural to think they would want to help decide how your school is run. And we don't want that. Amen, Jerry.

About the time I got ready to turn the pitiless spotlight of publicity on old John Mock for sitting in his house and watching the football games with his binoculars, and so not having to pay nothing, I learned he'd been to the game and paid his admission. Not only that, he bought popcorn and a program. You reckon somebody had swiped his binoculars?

All kidding to one side, you fans really supported the Band Boosters at the five home games and spent money like this:

Concession Stands	\$1,012.00
Programs	221.89
Pop Corn	165.00

The Boosters own the popcorn machine, the program money was all net to them, no expense, and of course they had to buy some groceries. Even so, they paid their indebtedness and came out with money left and under these circumstances, all their workers ought to feel well repaid.

We will observe the Texas day for Thanksgiving, Nov. 29 on a day when some of you have almost forgotten the Thanksgiving turkey and trimmings you had Nov. 22. We presume it will be several years before the calendar lists five Thursdays in November again; in the meantime, may we venture to hope that the U. S. will join Texas in setting the annual holiday to fall on the last Thursday?

List Grand Jurors For Session To Begin December 3

The list of grand jurors has been selected for the December 3 session of the Bailey County Grand Jury, according to the Grand Jury Commissioners, Mrs. Verney Towns, B. A. Dalton, L. H. Davenport, and Harold Mardis. Names of grand jurors include: Lester Howard, Rt. 5; W. M. Pool, Jr.; C. E. Roark, Rt. 2; J. G. Arnn, Goodland; C. A. Betree, Maple; Charles Alsop, Muleshoe; Arvil White, Muleshoe; M. T. Wilson, Muleshoe; Ernest Kerr, Muleshoe; Harvey Bass, Muleshoe; Julian Lenau, Muleshoe; E. F. Eason, Rt. 2; P. J. Barnett, Muleshoe; V. C. Weaver, Rt. 1; and Noel Woodley, Muleshoe.

Two Ordinances Adopted Friday By Local City Council

The Muleshoe City Council met Friday afternoon and passed an ordinance prohibiting parking of cars or trucks on the south side of the highway from Gordon's Conoco station to the residence of Mrs. Hertha Walker. The group also adopted an ordinance prohibiting the storing of used refrigerators, ice boxes, freezers, etc., without first removing all doors, covers and lids, which might become a hazard to children. The Council set a penalty for violation of this ordinance, ranging from \$5 to \$200 for each day of violation.

Delinquent tax rolls, prepared by the city secretary, was approved by the Council. A committee was appointed to undertake methods of collecting delinquent taxes.

Officers Continue Search For Leads In Three Burglaries Friday Night

County, city and state law officers were continuing to press an investigation into three burglaries Friday night or early Saturday morning, which resulted in the loss of at least \$1200 in cash and some clothing from B&C Motors and St. Clair Department Store.

Sumpter G. White Funeral Services Held Wednesday

Funeral services for Sumpter Guy White, 66, of Rt. 3, Muleshoe were held Wednesday at 2:30 p.m. from First Methodist Church here, with Rev. Clarence Stephens, the pastor, officiating.

Mr. White was a retired farmer, and passed away November 19. He was a native of Mississippi, and had resided in the Lazbuddie community since 1947, moving there from Oklahoma.

He is survived by his wife, seven sons, Hollis, of Mansfield, Ohio; Herman, Gene and Ross, all of Lazbuddie; Golden of Houston, Jack of Friona and Joe of Muleshoe; one daughter, Mrs. Louis Foster of Hereford; two brothers, J. L. White of Maude, Okla., and N. C. White of Lazbuddie, 15 grandchildren and two great grandchildren.

Funeral services will be held at 11 a.m. on Friday at the home of Mrs. White, 1501 S. Main St., Muleshoe.

144 NEW SUBSCRIBERS IN YEAR Growth of Town Seen In Increased Phones

A steady, although not spectacular rise in population in Muleshoe, is indicated by the number of new telephone subscribers, Fred Mathis, district manager of General Telephone Company announced this week, on the occasion of the distributing of new directories for the Muleshoe area.

Mathis said there are 1217 telephone subscribers in Muleshoe, as of September, showing an increase of 144 new subscribers over September of 1955, when there were 1073.

12 Candidates For 4-H Queen

Twelve young ladies are candidates for the honor of Bailey County 4-H Queen, the contest to be decided at Three Way school, the coming Monday night. Pictured here are nine of the contestants. Other candidates are:

JANE MILLAR, age 16, is the daughter of Mr. and Mrs. J. G. Millar of Morton. She will represent West Gas Company in the 4-H queen contest.

SUE WARREN, daughter of Mr. and Mrs. L. E. Warren, will represent Shaefer's Gin.

YUVONDA TAYLOR, daughter of Mr. and Mrs. A. G. Taylor, who is sponsored by Malone Milk Co.

PAULA KINDLE, 16, is the daughter of Mr. and Mrs. R. R. Kindle, and is sponsored by S & S Mercantile store in Maple.

of the city police force, were still on the trail of the burglars, who also entered Muleshoe Liquefied Gas Co., but were unable to break into the safe there.

Officers said that about \$800, protected by contents insurance, was taken from the St. Clair store, and about \$300 from B&C Motors.

The burglars peeled back the top of the safe at the department store and motor company, and succeeded in knocking off the hinge knobs at Muleshoe Liquefied. It is believed that tear gas, released automatically from inside the safe, drove the burglars away.

Charges Filed In Monday Afternoon Highway Accident

Charges have been filed against Homer S. Womack, of Lubbock, who was injured Monday afternoon when he attempted to pass a road maintainer on the Clovis highway and ran into the rear of the big machine.

Highway patrolmen, investigating the accident said Womack attempted to pass on the left side of the vehicle, near Leigons, and rammed into the maintainer. His car was smashed, but little damage was sustained by the maintainer.

W. L. Middlebrook was driver of the road grader.

STYLE SHOW MODELS of the Parent-Teachers Association style show Monday night in the high school auditorium. The cheerful old party in the foreground is E. K. Angeley, and the rather forward looking type in the background is Spencer Beavers, herself. (Staff Photo)

Seaborn L. Busbice Services To Be Held Saturday

Funeral services for Seaborn Louis Busbice, 68, West Camp farmer, who passed away November 22 at 5 a.m. in West Plains Hospital, will be conducted November 24 at 2 p.m. from First Baptist Church in Muleshoe.

Mr. Busbice was a native of Georgia and had resided in the West Camp community for nine years.

Services will be conducted by Rev. T. L. Pond of West Camp, assisted by Rev. Wayne Perry of Sudan. Interment, under direction of Singleton Funeral Home, will be in Bailey County Memorial Park.

Survivors include his wife; a son, Perishing of Muleshoe, a daughter, Mrs. Lucille Weatherly, of Fontana, Calif.; two sisters, Mrs. Pauline Smith of Louisiana, and Mrs. Violet Bixler of Beaumont, Texas; two brothers, Elton Busbice of Rayville, La., and Emory Busbice of Jonesboro, La., and seven grandchildren.

Pallbearers will be Sam Reed, W. W. Couch, Loyd Stephenson, Roy Sheriff, A. J. Jones and Arvie Pair.

Formal Opening Tasty Cream Set Coming Saturday

Mr. and Mrs. John Mock have announced the formal opening of Tasty Cream for the coming Saturday, Nov. 24. They'll have free coffee and donuts for adults, ice cream for the kiddies and everybody is invited to visit with them on that day.

They recently acquired the business from N. H. Greer.

Mr. Mock, who will be the manager, said Tasty Cream will operate as a drive in, with car hops ready to serve customers in their cars. There also is a drive by window where the customer may be served without leaving the car.

Tasty Cream, located on Clovis highway and West 3rd, street, serves sandwiches of all kinds, hot dogs, steak fingers, and features steak sandwiches using garlicky toast, fountain drinks of all kinds and ice cream.

Honorary pallbearers are Myron Pool, Jr., Robert Byrd, Webb Watts, Clarence Wilhite, Byrl Wingo, Victor Foss, Irvin St. Clair, Morris Childers, C. E. Roark, R. V. Bills and Fred Bass.

School Official Outlines Needs Through 1961 At Rotary Luncheon

Needs of Muleshoe schools' physical plant, estimated on expected increases in scholastics and projected through 1961, may involve an outlay by the district of \$500,000.

The figure was deduced by a Journal man from facts and figures produced by Jerry Kirk, school superintendent, in a talk Tuesday before the Rotary Club.

As outlined in this paper before, the school authorities foresee the district's needs like this:

1. Additional restroom facilities at the new grade school.
2. A new cafeteria for the elementary school. The present lunchroom will seat 180 to 190; it is now serving lunch to as many as 700 children each noon.
3. A new, additional elementary school building with 24 classrooms and cafeteria.
4. An addition to the high school building containing 6 classrooms and band room.
5. A new administration building, to house the tax office, superintendent's office, offices for counselors, etc.; and adequate storage and protection for school records.

6. An improved stadium and dressing rooms, if the people want it. Mr. Kirk said that the board has hesitated to put the stadium improvement project in the list of absolutes; but they feel it is desirable to improve the athletic plant. However, should the people desire this improvement, they would have to vote bonds to pay for it separately from the vote on the other school buildings outlined.

Mr. Kirk said the members of the district board of education have spent many hours each week for a long time getting up the surveys and studying the school's needs. They are still studying the proposals they will finally make; in the meantime would like to have the opinion of everyone who is interested in the schools.

They do not pretend, Mr. Kirk said, that the needed improvements and new buildings will not cost the taxpayer. He estimated that if all the proposals are carried out, the taxpayer's bill will go up 15 to 17 per cent.

He revealed that total tax valuation in the district is now \$14,000,000. The board has been taxing property at 85 per cent of value, and when the above proposed bonds are voted, they will probably use 100 per cent.

In reaching an estimate on needs of the school system through 1961, the authorities have projected the known increase in the county birth rate and in the district's rate of population increase. Seventy-three children were born in the county in 1945; in 1951, 173. Population of the city of Muleshoe was 2448 in 1950, 4250 in 1955, and will be 5460 in 1960 if present rate of growth is maintained.

Mr. Kirk thought the board may have been "a little conservative" in making its estimates. The speaker was introduced by Myron Pool, program chairman.

In closing, Mr. Kirk asked to see the hands of all who thought the stadium improvement project should be placed on the agenda along with the other work, and was pleased to see that virtually everyone present raised his hand.

City Paving Project Ends With 76 1/2 Blocks Paved; Cost Near \$200,000

Paving of 76 1/2 blocks of city streets in Muleshoe has been accepted by the City Council, with some patching and adjustment still to be done by the Cen-Tex Paving Co., Mayor W. T. Bovell told the Journal this week.

Mayor Bovell said the project cost in the neighborhood of \$200,000, with the city paying about \$16,000 of that amount, for resurfacing existing streets, and participating in the property owners' cost to the amount of 10 per cent. Some extra work and repairs was necessary, running the city's total cost up to about \$46,000.

The city has about \$4,000 left out of the \$50,000 paving bond money with which it plans to do some paving work next spring.

Mayor Bovell said that some paving has also been done out at the airport, including paving a parking area and an apron in front of the hangars.

Four dozen traffic signs have been ordered by the city to be placed at intersections, Bovell said, and others will be added later on.

The Pleasant Valley folks will furnish guns and ammunition and the cost is \$1 per person. Proceeds from the shoot will be used for the Pleasant Valley building fund.

Goodland Youth Dies Wednesday

Funeral services were pending Thursday in Lubbock for Paul Kirby, 12, son of Mr. and Mrs. Haskell Kirby of the Goodland community.

Paul was killed when he apparently fell from a horse about 5 p.m. Wednesday afternoon and was dragged for some distance.

Justice Joe Vaughn rendered a verdict of accidental death, following an inquest conducted at the farm scene, two miles north and two west of Goodland.

Next Thursday Is Thanksgiving For Most Texans

While the postoffice remained closed today, as did the ASC and SCS offices, most business offices and mercantile establishments will join the schools in observing Thanksgiving day next Thursday, November 23.

The banks, courthouses, and most every store and business house in town will be closed all day next Thursday, November 23, and the schools in the county will remain closed on Friday, November 30 for a two day Thanksgiving holiday. The Journal will observe the November 29 holiday also.

Talent Contest Has 39 Entries

Thirty-nine area students have entered 21 acts in the Talent Contest to be staged in high school auditorium here Friday night, Bud Calcote, a senior sponsor told The Journal last night.

He said entry deadline was Wednesday at midnight and that he expected additional entries by mail today.

Five impartial judges have been named for the contest. Johnny Allison, president of the high school student council, will emcee the show, which will start at 8:00.

Calcote said acts already entered included twirling, quartets, sextettes, duets, solos, instrumental numbers pantomime, acrobatic, and humorous skits. It will be a variety program that is sure to please, he said.

Prizes will be \$15 for first, \$10 for second, and \$5 for third. Students only are to be admitted to the contest, and 13 area schools were invited to send their contestants.

Taylor Is Dealer For GE Heating, Air Conditioning

Taylor Metal Products has been appointed authorized dealer in Muleshoe territory for General Electric air conditioning and heating equipment, it was announced this week.

"We are very proud," said Don Taylor, owner, "that G. E. has chosen us as their area dealer for the heating and cooling equipment, as we feel that they are the finest obtainable."

Taylor said that his firm will do the dust work and make complete installations.

An amazing piece of equipment now being placed by G. E. dealers in offices, shops and homes is the Weathertron, which heats or cools with air and electricity. Once the thermostat is set, no further attention is required. For instance, in the early morning hour of fall days, the Weathertron will be heating; as the sun mounts and the temperature rises, the Weathertron will be pumping hot air out of the house and cooling the interior.

All heating and cooling units in the General Electric line will be sold and serviced by the Taylor company in this territory. The line includes, also the G. E. Packaged Air Conditioner, units of which will be on display at the Taylor shop and store on Clovis highway.

Muleshoe School Luncheon Staff To Host 17 County Meeting Jan 19

Preparations are being made here to entertain about 300 school luncheon workers from towns in 17 area counties in annual session in Muleshoe January 19.

Muleshoe school luncheon staff, headed by Mrs. Ry White, supervisor, will host the gathering. The program will feature addresses by two representatives of the Texas Education Agency, Supt. Jerry Kirk will give the address of welcome.

It is the first time that Muleshoe has been privileged to have the area meeting. The annual banquet will be held in the school luncheon, and programs will be staged in the high school auditorium.

A meeting of luncheon representatives from schools in Lamb, Castro, and Bailey Counties was held Oct. 29 in Olton. Mrs. Margie Slatten of that city was elected president of the three county group; Mrs. White, vice-president; and Mrs. Ginger Miller, Olton, secretary.

Program committee is Mrs. White; Mrs. Greta, Olton; Mrs. Aline Maynard, Dimmitt; and Mrs. Hazel Oden, Muleshoe. Reporter for the local group is Mrs. Roy Carney. Next meeting of this group will be in Dimmitt Dec. 13.

Insurance Quiz Being Conducted In Muleshoe Area

W. F. Hale, of the Fire Insurance Division, Texas Insurance Commission, has been in Muleshoe several days investigating possible infractions of the Commission's rules, including unfair competition and advertising by agents.

He will resume his investigation in the area after visiting with his family in Austin over the Thanksgiving holiday, he said.

His investigation also will cover activities of "outside" or itinerant representatives of distant companies or agencies, many of whom are said to have operated in the Muleshoe countryside in recent years.

Local insurance people have complained to The Journal many times about this particular type of competition. Purchasers of policies from these itinerant salesmen seldom know where the home office is, seldom ever see the salesman again, and he does not expect to service the policy.

F. E. Hightower Is Principal Speaker At JayCee Banquet

F. E. (Red) Hightower

F. E. (Red) Hightower, president of the Texas JayCees, delivered the principal address last Thursday night at the annual Muleshoe JayCee Bosses Night banquet in Leigon's Dining Room.

Hightower, who was introduced by Bill Wilson, vice-president of Texas JayCees, made a fine talk on the part JayCees play in developing the civic leaders of the future.

He mentioned the fact that JayCees are celebrating their 35th anniversary this year, and have grown to be the third largest civic organization in the world, with chapters in 64 nations, and permanent offices in Miami Beach, Fla.

He touched briefly on the mental health program being sponsored by Texas JayCees, and the efforts of the organization to change the laws so the legislature meets annually instead of biennially.

Hightower spoke in glowing terms of the bosses of Texas JayCees, who encourage their employees to participate in JayCees projects, calling this an investment in the future.

Lloyd Alsop was master of ceremonies for the meeting, and Pesky Winn, president of the Muleshoe JayCees introduced local officers and directors. Each member introduced his wife and guests.

Entertainment was furnished by the Bowman Brothers trio of Lubbock.

TRAINING UNION TURKEY SUPPER TUESDAY NIGHT

The Training Union of First Baptist church is holding a turkey supper next Tuesday night, Nov. 27 in the church dining room. Members attending will bring a food dish, also, to go with the roast turkey. Time is 7 o'clock.

Community Choir To Present Cantata On December 16

The Muleshoe Community Choir will present "King of Kings, and Lord of All", a Christmas cantata, in the high school auditorium December 16 at 3 p.m., under the direction of Paul Summersgill.

The choir met in regular rehearsal Sunday afternoon in the Nazarene Church with 20 members present, and elected Ann Birdsong and Rufus Aylesworth co-chairmen of the choir.

The co-chairmen are particularly anxious that all choir members attend each rehearsal. The choir will meet Sunday in the Assembly of God Church, East First and Avenue E at 3 p.m.

Following the rehearsal and business meeting last Sunday, refreshments were served to choir members.

P-TA Style Show In Auditorium Monday Night

A fairly large audience braved cold winds Monday night to witness the Parent Teacher Association-sponsored style show in the High School auditorium.

Model for women's fashions included Ernest Kerr, Roger Albertson, E. K. Angeley, Homer Sanders, Jr., Paul Summersgill, Spencer Beavers and L. I. St. Clair.

Musical entertainment was furnished by local talent, and Gil Lamb was master of ceremonies.

Commissioners Canvass Votes At Monday Meet

The Bailey County Commissioners Court met Monday and canvassed the votes cast in the November 13 election on a ninth amendment to the state constitution.

The Court found that 121 votes were cast in favor of the amendment, and seven votes were cast against it.

The election was to determine if an amendment should be made to the constitution, matching federal funds to provide for the care of mentally ill persons.

bring a food dish, also, to go with the roast turkey. Time is 7 o'clock.

Committee For Nominating CofC Directors Named

The nominating committee for naming four new members to the board of directors of the Muleshoe Chamber of Commerce, has been selected, Senn Slemmons, Chamber manager announced this week.

W. Q. Casey is chairman of the nominating committee, with Homer Sanders, Ralph Mardis and Myron Pool as members.

About December 1, the committee will select eight names from the Chamber membership and submit them to the entire active membership for voting. Four names will be selected, having received the majority of votes, and they will be elected. Members may also write in names of candidates for nomination and election.

Retiring members include outgoing president Muri Wilson, Ralph Mardis, Lloyd Alsop and Cleo Middlebrook, who was appointed late this year.

New officers will be installed and introduced at the annual banquet to be held in January.

JayCees To Build Public Restrooms In City Park

The Muleshoe JayCees have announced that they will construct a public restroom in the city park here, and have the building ready for use before next summer.

Pesky Winn, president of the club said that the building, to be constructed of public stone and concrete will be built and equipped by members of the club, and will be located near the center of the park.

The city has agreed to run water and sewer lines to the building when completed.

Phillip Gillespie is chairman of the JayCees committee.

Firemen Answer 2 Calls This Week

Muleshoe firemen answered two fire calls this week, one of them a false alarm to the country, east of town, on Monday, and the other one early Wednesday morning.

The Wednesday morning fire, turned in at 6:45 a.m., was in the burnt pit at Edwards Gin.

Bill Boothe, fire marshal, said the fire was small and easily confined.

Greer Announces Sale of Property

N. H. Greer, a business man here for several years, announced this week he has sold virtually all of his property here and expects to move away from the Plains in the next month or so.

Mr. Greer this week traded his Tastee Cream to John Mock. The latter also acquired four 50-foot lots facing on Clovis road, part of which was formerly occupied by Corral Drive-In. Greer previously had sold the Darl-Delite to Charlie Tiller.

Mr. Greer became the owner of a tract of land in the old Muleshoe Ranch, 480 acres, which he is offering for sale. He told The Journal he will probably locate somewhere south of here, "where it's a little warmer".

City Directory Issued By CofC

A Muleshoe city directory, containing names of householders in the city has just been issued by the Chamber of Commerce. The directory, mimeographed in the CofC office, is free to members.

The listing carries the street address and the telephone numbers. It is the first comprehensive city directory ever issued here it was said.

Located Across From Courthouse

THERE IS A "CAUSE" FOR EVERY DISEASE
CHIROPRACTIC LOCATES AND CORRECTS IT

Dr. Green Shown Explaining Nerve Chart
TESTS DISCLOSE SPINE IS KEY TO GOOD HEALTH

"Oh my aching back" or "That gives me a pain in the neck" are often laughable phrases but are no joking matter to thousands of sufferers. They may also be the cause of serious illness. Mother's persistent headache or the arthritis in father's back may both result from what Chiropractor's call a "subluxation" or a misplacement of the vertebrae in the spinal column.

Patients may spend years in bed and swallow hundreds of pills without attacking the real cause of their pain, according to Dr. B. J. Palmer, president of the Palmer School of Chiropractic and International Chiropractor's Association. Chiropractic approaches the pain-wracked body as if it were a mechanism out of order rather than a compound of chemicals out of balance as medicine does. The Chiropractor centers his care only on the principle that misalignment of vertebrae presses the nerves where they leave the spine, thus interfering with the flow of energy.

Migraine Headaches

Case History: Young woman, age 38, who had suffered severe migraine headaches sixteen years came to the Chiropractic Clinic in an effort to alleviate her pain. She also had symptoms of stiffness and hurting in neck and shoulders, stomach cramps, hurting in lower back and legs, extreme nervousness, menstrual trouble for which she had female surgery in an effort to relieve her headaches—to no avail, poor appetite and black out spells.

A comprehensive Chiropractic examination revealed the cause of her headaches and she became a Chiropractic patient—and ultimately a well woman.

Ruptured Discs

Case History: Man, age 31, came to the Chiropractic Clinic after reading an ad describing a condition similar to his. He had been confined with extreme back pain which was aggravated by a spinal tap which in turn started terrific headaches. He was medically diagnosed "ruptured discs", and was told it would take a year or more to recover. In an effort to avoid an expensive and dangerous spinal fusion operation, he consulted us. After an examination, consisting of nerve analysis and spinal X-ray at the clinic, this man began corrective spinal adjustments. His pain was lessened from the first adjustment. His condition continued to correct rapidly until in less than six months, he was doing heavier mechanic work than ever before.

Sorority Plans Christmas Party

Mrs. Alene Bryant, Mrs. Christine Rutherford, and Mrs. Frankie Parker were hostesses to the Muleshoe conclave of Kappa Kappa Keta in the home economics department of the high school Nov. 13.

Mrs. Jessie Stovall presided over a short business meeting after which Mrs. Parker directed the group in playing several psychological games.
Refreshments of sandwiches, pie, nuts, and coffee were served to the following members: Mmes. Margaret Stenmons, Elizabeth Watson, Grace Whitley, Jessie Stovall, Ola B. Jones, Hiss Roberta Biles, and the hostesses. A Christmas party will be given at the home of Mrs. Jerry R. Kirk Dec. 20.

Announce Engagement

Mr. and Mrs. Claude Willemom announce the engagement and approaching marriage of their daughter, Sharon, to Homer Ingle, son of Mr. and Mrs. J. F. Ingle, of Mineral Wells. Vows will be exchanged December 28.

Miss Willemom is a graduate of MHS 1955, and also attended Draughtons' Business College of Lubbock. She is now employed in Lubbock.
The bridegroom is a graduate of Mineral Wells high school and is now attending Texas Tech.
After a brief wedding trip to Ft. Worth, Dallas and other points, the couple will be at home in Lubbock.

ONE TREASURE CHEST for holding important documents. Ideal for Christmas gift. See it at The Journal.

FOR CHRISTMAS buy him or her a Remington Portable typewriter. We have them in attractive colors, no down payment, \$1 a week, at The Journal.

SINGLETON FUNERAL

Hi-Lo Piano Club Meets Nov. 27

The Hi-Lo Piano club will meet November 27 at 7:30 pm in Fellowship hall for their regular monthly meeting.

According to Mrs. Sam McKinstry, club counselor, these meetings are proving beneficial, and the piano pupils of Mrs. McKinstry have another program ready.

Club hostess are Mmes. J. H. Angeley, Alex Williams and J. B. Foster.

The following pupils will play: Janelle McGuire, Donna Baker, Carolyn Hinkson, Bennie McDaniel, Charles King, Sylvia Pool.

Hi-Lo Club To Present Program

Hi-Lo Piano Club will meet Monday, Nov. 26, at 7:30 in Fellowship Hall. According to Mrs. Sam McKinstry, club counselor, these monthly meetings are proving very beneficial and her piano pupils have another interesting program ready.

Visitors are always welcome. Club hostesses are Mesdames J. H. Angeley, Alex Williams, and J. B. Foster.

Mr. and Mrs. James O. Wells are the proud parents of a daughter, born November 16 in a Clovis hospital. They have named her Jimmye Michelle. Grandparents are Mr. and Mrs. Dick Willman of Muleshoe and James O. Wells of Greenville.

Ladies Golf Club Met Wednesday

Members of the Ladies Golf Club met Wednesday November 21, at the club house for a sack luncheon and the regular monthly meeting.

A short business session was held.

Attending the meeting were Mmes: Reba Barrett, Jo Wood, Melzine Elliott, Marie White, Majorie Platt, Ruby Hart, Ruth Malone, Yydia Lopez, Rita Johnson, Lois Lenau, Dorothy St. Clair, and Janet Wagnon.

Celebrates Birthday

Stephen Ray Black celebrated his fourth birthday last week with a party at the home of his parents.

The guest list included Martha Jane and Bill Chapman, Mark Black, Brenda and Cathy Wyr, Chester Clay Beavers, Chunky Roming, Patty Murray and Betty Harbin.

Cake and ice cream was served to the guests and their mothers.

FOR CHRISTMAS buy him or her a Remington Portable typewriter. We have them in attractive colors, no down payment, \$1 a week, at The Journal.

Noretta Fern Harrison Is Bride Of Chester Wayne Miller of Tulsa, Okla.

(Photo by Cline)

Miss Noretta Fern Harrison, daughter of Mr. and Mrs. W. F. Harrison, became the bride of Chester Wayne Miller, son of Mr. and Mrs. E. B. Miller, of Tulsa, Okla., in the home of her parents 3 miles northwest of Muleshoe, Saturday, Nov. 17, at 8 p.m.

Rev. E. K. Shepherd pastor of the First Baptist Church here, read the double-ring ceremony before an archway of greenery and white wedding bells, flanked on either side by candelabra tied with huge white satin bows and holding white candles.

Mrs. E. H. Kennedy, who played the wedding music, also accompanied Miss Carolyn Hicks as she sang "O Promise Me" and "Because."

The bride, given in marriage by her father, wore a wedding gown of white lace over net and taffeta, which was designed with a portrait neckline, outlined with seed pearls and rhinestones, and the long sleeves tapered to points over the hands. The fitted bodice

extended to a point in the front and buttoned up the back with tiny covered buttons. The bouffant skirt was waltz length. From a tiny satin hat embroidered with rhinestones and pearls, hung her shoulder-length veil of illusion outlined in nylon lace. She carried a bridal bouquet of white feathered carnations on a white lace covered Bible and from the bouquet hung blue satin streamers tied in lover's knots.

Miss Jeanette Harrison attendant sister as maid of honor and wore a blue brocaded taffeta gown fashioned like that of the bride. She carried a nosegay bouquet of white carnations.

Don Hebert, of Aline, Okla., served as best man, and Bill and Bob Miller twin brothers of the bridegroom were candlelighters.

For the reception following the wedding, the bouquets of the bride and her attendant centered the table, which was covered with a lace cloth over blue satin. A two-tiered cake and crystal appointments completed the setting.

Miss Linda Wade, cousin of the bride, presided at the guest register.

For traveling, the bride chose a brown tweed woolen suit with brown accessories and she wore a corsage of white carnations.

The bride is a 1956 graduate of Muleshoe high school, where in her senior year she received many honors, being chosen Princess of Friendship, Outstanding Girl and Who's Who in Sports. The bridegroom is a graduate of Cleo Springs high school in Oklahoma.

Named To Committee

Jerry D. Gleason, son of Mr. and Mrs. T. L. Gleason of Lazbuddie, has been elected a member of the election committee of the Student Senate at Texas A. and M. College. The Senate is the student governing body.

At A. and M., Gleason is a junior majoring in veterinary medicine and is a member of the Lubbock South Plains club, Intramural Athletics and the American Veterinary Medical Association. He was a member of the cadet corps his freshman and sophomore years.

Shower Honors Noretta Harrison

A miscellaneous shower honoring Miss Noretta Harrison, bride-elect of Chuck Miller of Aline, Okla., was given in the home of Mrs. Horace Blackburn, Thursday, November 15, from 4 to 6 p.m.

Hostesses for the occasion were: Mmes. D. C. Stovall, Clyde Henry, Doyle Henry, J. L. Redwine, L. V. Kolar, B. H. Black, W. B. Harlan, Jerry Black, Hugh Freeman, L. M. Stinson and Horace Blackburn.

In the receiving line was the honoree, her mother, Mrs. Walter Harrison, her grandmother, Mrs. Joe Simpson of Earth, and her sister, Jeanette, who presided at the guest book. Mrs. Harrison was presented with a corsage of white mums, and Mrs. Simpson and Jeanette with a corsage made up of kitchen gadgets from the hostesses.

Decorations were white and silver. The table was laid with a lace tablecloth and an arrangement of white mums and love birds was the center piece, with the silver coffee service at the end of the table.

Misses Shirley Mathiesen and Sandra Briscoe alternated at the coffee service.

Coffee, spiced tea, individual cakes, mints, and nuts were served. About fifty guests called during the afternoon and many others sent gifts.

Credit Is Topic Of Pleasant Valley HD Club Meeting

The Home Demonstration Agent, Mrs. Lady Clair Phillips, was present when the Pleasant Valley HD Club met in the home of Mrs. W. J. Meeks, Thursday, Nov. 15, at 2:30.

President, Mrs. Allan Haley,

was in charge of the business meeting, during which roll call was answered by giving a household hint or decoration suggestion for Thanksgiving.

Mrs. Phillips then gave the program on "Credit".

Delicious refreshments were served to members. Mrs. Seaborn Moore, Mrs. Alton Taylor, Mrs. H. W. Kendricks, Mrs. James Parrish, Mrs. Roy Taylor, Mrs. Haley, Mrs. C. B. Landers,

the visitor, Mrs. Phillips, and hostess, Mrs. Meeks.

The members will meet the first Thursday in Dec. in the home of Mrs. Allan Haley to work on their project in reed work.

Mr. and Mrs. Clarence Mason and children are spending the Thanksgiving holiday in Snyder, with his parents Mr. and Mrs. W. A. Mason and other relatives.

Mules End Best Season Since 1948 With 24-12 Win Over Tulia

The Muleshoe Mules ended their best season since 1948 Friday night with a 24-12 win over Tulia, to wind up in the five won, five lost columns of the record books.

Tulia has not won a game in the entire season, just as Muleshoe ended their season last year, without a win to their credit. An estimated 300 fans, mostly from Muleshoe, saw the game played in almost freezing weather at Younger Field in Tulia.

The Mules' freshman half-back, Donnie Shafer, playing the role of a veteran, scored first with 5½ minutes left in the first half, when, on a second down and 23 yards needed for a first, he raced over an opening at tackle and raced 67 yards to score.

Shafer also set up the second score, gaining 18 yards on an end sweep to give the Mules possession of the ball three yards from the Tulia goal. He also went over for the touchdown.

Diekie Johnson completed his only pass in nine tries just before the half ended, for a gain of

The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 35, NUMBER 47 Published Each Thursday At Muleshoe, Bailey County, Texas THURSDAY, NOVEMBER 22, 1956

70 yards and a third score. Charles Jennings made a tremendous catch on the 50 yard line and outdistanced the secondary to give the Mules an 18-0 margin at the half.

In the third period Lewis passed 37 yards to Peugh to make the first score for Tulia. Bill Black developed an off tackle power play to make a 50 yard scoring run for the Mules.

The final TD came when Lewis again connected with Peugh for a 60 yard air attack.

Neither team was able to convert in six attempts.

Cotton Center Wins Over Three Way

Cotton Center ran rough shod over Three Way, 57-6, last Friday night to take a District 2-B six-man football win.

Scoring for Cotton Center, mostly on long runs, were M. K. Fisher (two TD's), James Oats (two TD's), Jessie Master (two TD's), Erwin Benson and Odie Shadden. George Taylor recovered a fumble in the end zone for Three Way's tally.

Lazbuddie Loses To Kress 45-0

The Lazbuddie Longhorns finished their first full competitive football season at Lazbuddie Friday night on an unhappy note —Kress' Kangaroos taking a 45-0 District 3-B decision.

Lazbuddie finished the season with a 2-7 record and no conference wins. It was Kress' third district win against three losses. Kress scored three times in the

opening period when Louie Bezel ran 30 yards and Larry Johnson ran 9 and 29 yards, respectively.

In the second period, Howard Foster ran 20 yards and C. A. Rouser 13 yards with Johnson kicking both extra points to give the Roos a 32-0 halftime advantage.

Foster ran 16 yards in the third period and Harold King ended scoring in the fourth with a 16 yard scamper. Johnson kicked the last extra point.

by Billy Ellis

The Muleshoe Mules have rung down the curtain on their most successful year since 1948. By downing the Tulia Hornets 24-12 Friday night, the Mules evened their season's record at 5-5. It is the first time for a Mule eleven to win five games. Last season that a Muleshoe squad won five was in 1948, before the modernizing of the school nickname, when the Yellowjackets of coaches James Bean and Willard Hedges had a 5-4 season.

Coach Wayne Mantooth along with assistants Bill Taylor and Charles McClure did a magnificent job of rebuilding from a dismal 0-10 season last year — only winless year in the school's history.

Although followers of the team agree that the Mules should have had at least a 7-3 season, Coach Mantooth prefers to look to the future. "We're looking forward to an even better year next season," Mantooth said Friday. The youthful mentor was making movies of the Hornet-Mule game Friday night, after being hospitalized for a week following an operation last Friday afternoon.

The Mules lose only four men by graduation, although those

four have turned in a lot of service to the team. Co-Captain Johnny Young, three-year letterman at right half, leads the graduating list. Young led the Mules in almost every statistical department this year, closing out his career in fine fashion.

Young will probably be replaced by another 140-pounder in Donnie Shafer. The freshman griddler, who saw mostly defensive action this year, gave evidence that he will be a valuable man in the future by his performance Friday. Replacing Leroy Corrales at left half early in the game, the small back raced 67-yards for a touchdown the first time he got the ball.

About Shafer, Coach Bill Taylor has to say: "He has the greatest gift of an athlete — speed." Shafer proved that statement Friday by leading his team with 108 yard on 8 carries — in his first chance to show his stuff.

Also lost by the Mules for next year are Charles Jennings, leading receiver at left end, who also is a stalwart defensively, a two-letter winner; and center Joe Roark, a three-year letterman, who turned in yeoman service to the Mules at center, being as most of the Mules a "48-minute man". Lost earlier in the season was senior tackle Teddy Eason, at 202, was the largest man on the team.

Eddie Wilt, who had quarterbacked the Mules for two years and had been moved to end this season, received an injury early in the season, leading to a knee operation that sidelined him for practically the entire season. Ed is a senior and is expected to be a mainstay for the Mule basketballers, who begin play Tuesday by hosting Amherst.

Another distinction of the Mules this season is the fact that the team had three freshman to letter—first year freshman have lettered in several years at Muleshoe—which tells in itself what a young team the Mules had this season.

Besides Shafer, the Mules got a lot of play from Darrell Oliver, who alternated between halfback and end for the Mules, tying Jennings in receiving with seven catches. The third Mule freshman letterman is Thurman Clark, a stalwart at tackle.

The Mules will have back as seniors next year two of their leading backs of this season — quarterback Dick Johnson and fullback Bill Black. Black was second to Young in scoring and rushing, and did all the punting for the team this year, winding up with a highly respectable 34.3 per try average. The figure would have been even higher had not two long boots been called back for penalties Friday.

Johnson did a marvelous job of piloting the Mules in his first year as the man under. With a year's experience under his belt, the 145-pounder should be an able signal-caller next year.

On the line, the Mules received excellent play this year from tackles Don "Oakie" Alexander and Bob Sanders, sophomore and junior respectively. Guard positions were ably handled by the Turner twins, Royce and Doyce. Light as linemen go (130 and 145 respectively), the Turners are hustlers, and will be top hands next year as seniors.

Bula 39-12 Winner Over Southland

Led by tailback Burley Roberts, who scored four touchdowns, the Bula Bulldogs won the District 2-B six-man football title last Friday night, rapping Southland 39-12.

Norvell Roberts and Wendy Jones posted TD's for the winners. Donohoo threw two touchdown passes for losing Southland.

Bula meets Mobeetie in bi-district play this week. The winner will play the winner of the Jayton-Point Creek game for regional honors.

3-A Students In Tour of Plants

Members of Class 3A of Muleshoe school are making a tour of local shops and business houses this week. In company with their teacher, Mrs. Christine Rutherford, they spent a short period in The Journal plant Monday and visited Malone Milk Co. plant Tuesday.

They are to wind up their tour today at radio station K M U L where they will broadcast a short program.

"Shoot The Works" Is Junior Class Play For Dec. 14

The Junior class has selected its play, "Shoot the Works", to be presented December 14, with fourteen characters:

Kate Ashworth, Delores Cannon, Laura Ashworth, June Ward, Sallie Hunt, Darlene St. Clair, Lucinda Livermore, Patsy Nowlin, Lou Undine, Nita Thompson, Ruth Bright, Vicki Platt, Jud Clarendon, Don Taylor, Max Neal, Harold Cooper, Homer Boylston, Buddy Peeler, Guy Priest, Jerry Blaylock, Jake Moore, Jack Dunham, Dex Newell, John Gross, Joshua Perkins, David Shepherd, Bessie Perkins, Nan Allison.

Musical numbers will be presented by the Hicks sisters and the Dalton sisters.

Virginia Lowery is in charge of stage properties. Student directors are Betty Sowder and Toni Billingsley. Chairmen of ticket sales are Mary Pruitt and Agnes Long, and chairmen of the ushers will be Gloria Schafer and Joan Green.

Pat Brown will act as master of ceremonies.

Mrs. Ward and Mrs. Jones, class sponsors, are directing the play.

Lunchroom Menu

The menu for the school lunchrooms for next week is as follows:

MONDAY
Sausage and gravy.
Creamed potatoes, buttered carrots.
Old fashioned cole slaw.
Hot rolls and butter.
Cocoanut cake.

TUESDAY
White beans with ham hock.
Vienna sausage, cantilled yams.
Pineapple and cottage cheese salad.
Cornbread.
Apple cobbler.

WEDNESDAY
Turkey and dressing.
Creamed potatoes, green beans.
Cranberry sauce.
Pumpkin pie.
Hot rolls and butter.

Happy Thanksgiving!

THANKSGIVING SATURDAY

The H. M. Gables will observe Thanksgiving Saturday, for that is the day when relatives will be able to be present. Guests expected are Mrs. Gable's brother, Sgt. Luther Wakefield and family, of San Antonio, and her sister-in-law, Mrs. Edith Wakefield, Archer City.

'57 Mercury With Dream Car Design Being Shown By Brown-Watkins

Introducing "dream car" design, the 1957 Mercurys are distinguished by an unusually low silhouette, a completely new and larger body, choice of 255 hp. Safety-Surge V-8 or 290 hp. Turnpike Cruiser engine and a unique new floating ride which pioneers air-cushion rear suspension on many models.

"These new Mercurys introduce a new concept of motoring with bold, new styling and many mechanical advances destined to influence the shape of cars for years to come", said F. C. Reith, Ford Motor Company vice-president and Mercury general manager.

"Designed to provide unequalled driving ease, comfort, safety and performance for motorists on America's turnpikes and freeways as well as on rutty, rural roads or city streets, they represent one of the most extensive changes in the history of the automotive industry."

"We are confident they will present Mercury's greatest challenge for public favor."

Mercury's long, flowing lines are highlighted by graceful,

sculptured side projectiles toppling low rear fenders and terminating in massive V-angle taillights which make Mercury unmistakable on any road.

The new Mercury's "dream-car" styling is based on the XM-Turnpike Cruiser — an experimental model—which was introduced last January and has won nation-wide approval on its coast-to-coast tour this year.

The 1957 Mercury is 3 inches longer than the previous year, 3 inches wider and 4 inches lower. Headroom has been increased 2 inches and there is also more hip room and leg room. Wheelbase is up 3 inches from 119 to 122 inches and the front tread is one and a half inches wider.

The new Mercury styling starts with the thin, crisp roof with its distinctive front and rear overhang. Slim but rugged pillars support the roof front and rear.

With sharply reduced car height, the roof has become an integral part of car design. First to recognize this important transition, Mercury has imposed a clean-cut channel in the center of the roof which continues in the rear deck with the channel extending past the rear windows into the package tray. For better vision, total glass area has been increased by 700 square inches.

The projectile side trim on rear fenders accents the feeling of motion induced by the car's low silhouette and the projectiles as well as the distinctive V-angle tail-lights are rimmed in chrome. Jet-flow double bumpers with large, twin ovals project both front and rear. A full-width grill composed of verticle strips of bright metal houses combination parking lights and turn signals and is topped with projecting headlamps and forward-thrust fender hoods.

Mechanically as well as in styling design, the 1957 Mercury makes noteworthy strides forward. Outstanding features are:

New Keyboard control with Mere-O-Matic transmission which is mounted on the instrument panel to the left of the steering column. It features a "Neutral/Start" button which automatically cancels the previous push button setting and engages the starter when the ignition is in the "On" position. Buttons are illuminated for night visibility.

Air cushion rear suspension — first in the industry for passenger cars — is featured in many models as part of Mercury's all-new "floating ride", designed to smother bumps, vibrations and road noises and provide smooth, effortless driving. An air cushion (at atmospheric pressure) the size and shape of a 6-inch by 1 1/2 inch tire is inserted between the frame and the rear spring front eye and absorbs both driving and braking forces together with bumps and jounces encountered in any type of road. The air-cushion suspension is available in the new series of Mercury station wagons and also on all Monterey and Montclair models (except convertibles) equipped with the extra-cost, 290 hp. Turnpike Cruiser engine.

New "floating ride" — which

provides jolt-free comfort at all times and includes new, improved springing action with longer, softer front coil springs and more flexible rear leaf springs; swept-back ball-joint front suspension through which the front wheels are pulled over, rather than pushed into bumps; a lower center of gravity and scientific weight distribution which contributes to better ride, easier handling and more responsive steering.

Office supplies of all types on sale at the Journal.

WISC Students To Be Guests Sunday At Lazbuddie MYF

Sunday evening Nov. 25 is the date set for a special program at the Lazbuddie Methodist Church. Guests for the occasion will be students from the Wesley Foundation of West Texas State College at Canyon.

The Lazbuddie MYF will serve a fellowship supper to the group at 6:30 p.m. At 7:00 the college students will meet with the various Fellowship Groups to explain some of the purposes of the Wesley Foundation. At 7:45 the college group will be in charge

of the evening worship service. The public is invited.

The Wesley Foundation is the Methodist Church at work on the state college campus. Its motto is "Your home away from home", and is just off the college campus, offering to interested students a place for worship, recreation and fellowship. Another part of its work is the offering of Bible courses for college credit. The director of the Wesley Foundation at Canyon is Rev. Robert Cooper.

Pupils Like Food In Lunchrooms

School rooms having the highest percentage of members taking their lunch in the school cafeteria are given a treat by

Crow Will Lead Membership Drive

Arthur Crow, local Chevrolet dealer, is devoting one day of his time during the week commencing Friday, November 23, to head

lunchroom personnel. The following letter was typical of those received by Mrs. White, following such a treat:

Dear Mrs. White: Thank you for the treat you made possible. I liked it very much and I am sure everyone liked it too. I hope we win again. I like to eat at the lunch room. The food is always good to eat. Your friend, James Pitts.

a membership campaign among factory authorized new car and truck dealers. As Area Chairman for Bailey County for the National Automobile Dealers Association and the Texas Automotive Dealers Association, Mr. Crow is an active leader in dealer association affairs. The campaign, called "GAD", for Give A Day, has as its goal the enrolling of every authorized new car and truck dealer as a member of the state and national associations.

Announcement of the membership campaign for the two associations was made jointly by Tom Abbott of Fort Worth, Texas, Director for the National Automobile Dealers Association, and D. L. Johnson, Dallas, president of the Texas Automotive Dealers Association.

Mr. Crow, along with 200 other

active leaders in new car and truck association activities throughout the State will give his time to furthering the membership drive of the two associations he represents.

ATTENDING N. M. M. I. HOMECOMING, NOVEMBER 22

Mr. and Mrs. H. S. Sanders, Jr., and son Mike, are attending the Thanksgiving Homecoming of the New Mexico Military Institute at Roswell, N. M., held Nov. 22, honoring the classes of '36, '37, and '38. Mr. Sanders is a graduate of the class of '37.

FOR CHRISTMAS buy him or her a Remington Portable typewriter. We have them in attractive colors, no down payment, \$1 a week, at The Journal.

Postoffice Urges Early Mailing To Avoid Big Rush

Postmaster Arnold Alcorn, today urged citizens of Muleshoe to shop early and mail early this Christmas season to facilitate the processing of the largest Christmas mailing in the history of the Muleshoe post office.

To put off mailing Christmas cards and parcels until the last moment results in an extra burden being placed on the postal employees and on the postal facilities of the Muleshoe post office, Mr. Alcorn pointed out.

Every facility of the Muleshoe post office will be pressed into maximum service so that again this year, as in the past, the Muleshoe post office will be cleared, if possible, of all Christmas mail by Christmas.

"There are still some people who retain the mistaken idea that a gift or card arriving on Christmas Eve has a special significance", Postmaster Alcorn said. "It is the thought behind the gift or card, not the time of arrival which is the important consideration."

In an appeal to all citizens of Muleshoe, Postmaster Alcorn praised the fine cooperation of past years when record mail loads were processed and delivered and asked that this same cooperation be again in evidence this year.

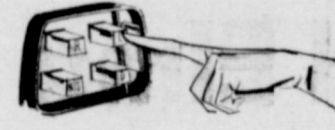

"By following the simple suggestions of mailing early, wrapping carefully and addressing plainly, the citizens of Muleshoe will be assured of the safe and timely arrival of their Christmas mail", Postmaster Alcorn added.

Office supplies of all types on sale at the Journal.

Now showing! Dream-car come true

We invite you to see the car with an exclusive power seat that "remembers" your

favorite driving position...  ...try a 7-position Keyboard Control

that does almost everything but steer...  ...dream through

THE MULESHOE JOURNAL

West Camp Church Is The Scene Of Austin-Jones Wedding November 11

The West Camp Baptist Church was the scene of a lovely informal wedding ceremony uniting in marriage Miss Marilyn Austin, daughter of Mr. and Mrs. Partin Austin of Farwell, and Dean Jones, son of Mr. and Mrs. Curtis Jones, also of Farwell, on Sunday afternoon, November 11, at 3 o'clock.

The bride's chosen colors of brown, aqua, and gold were featured in the wedding setting which was formed by three large baskets of yellow, gold and bronze chrysanthemums, with a background of palms and fern. A white kneeling bench was flanked on either side by two candelabra holding tall gold tapers. The family pews were marked with gold and brown bows.

Rev. T. L. Pond, pastor of the church, performed the double-ring ceremony as the couple stood before the kneeling bench. Given in marriage by her father, the bride wore a ballerina-length dress of white imported Chantilly lace over Capri taffeta and nylon tulle. The dress was designed and made by the bride's mother.

The fitted lace bodice featured a scooped neckline, long sleeves and a full overskirt with the bodice coming to points in the skirt. The neckline and points of the bodice were edged with tiny seed pearls.

Her shoulder length veil of silk illusion, edged with lace like that of her overskirt, was attached to a small tiara and was trimmed with tiny pearls.

She carried a white Bible topped with a white orchid surrounded by stephanotis. Fastened into the arrangement was her grandmother's wedding band which she carried for the traditional "something old." "Something new" was her wedding ensemble and "something borrowed" was the white Bible she carried which belonged to Jo Elaine Magness, and "something blue" was her garter.

Miss Jo Elaine Magness served the bride as maid of honor. She wore a street length dress of aqua Capri taffeta styled like that of the bride with the exception of the long sleeves and full overskirt. She carried a nosegay of gold chrysanthemums accented with brown velvet. Her headband was of matching aqua net and veils.

Bridesmaids were Misses Doris Pond, Dixie Turner and Betty Hubbell. They wore dresses of dark brown Capri taffeta styled identically to that of the maid of honor. Their headbands were of matching net and veils and they also carried nosegays of gold chrysanthemums.

Miss Sherri Austin, sister of the bride, was the junior bridesmaid. Her dress was of aqua and styled like that of the maid of honor.

and bridesmaids. She also carried gold chrysanthemums. Candelighters were Misses Mikala Austin and Penny Jones, cousin of the bride and groom respectively. Their dresses were of aqua and they wore wristlets of gold chrysanthemums.

Attending the groom as best man was his brother, Donald. Groomsmen were Troy Christian, James Norton and LaVon Jones. Junior groomsmen was Randy Pritchard, cousin of the groom. Carroll and Laren Fulton were ushers. Ringbearer was Stanley Austin. To carry out the fall theme, the male attendants wore brown trousers with their white coats and gold chrysanthemum boutonnières.

Mrs. Troy Christian, accompanied by David Willard at the organ, sang "Whither Thou Goest" and "Oh Promise Me" prior to the ceremony. Then as the couple knelt at the kneeling bench after repeating the vows, Mrs. Christian sang "The Wedding Prayer". During the ceremony, Willard softly played "Whither Thou Goest".

Mrs. Gale Burton, cousin of the groom, registered the guests at the church.

Mrs. Austin wore a gold suit with black accessories and a tan cybindium corsage for her daughter's wedding. Mrs. Jones, mother of the groom, was attired in a navy suit with white and black accessories and a pale pink cybindium corsage.

Immediately following the ceremony, a reception was held at the home of the bride's aunt and uncle, Mr. and Mrs. Guy Austin. The refreshments table was laid with a brown cloth and garlands of gold chrysanthemums at the corners further carried out the fall theme. Aqua candles in crystal candelabra completed the table decorations.

Mrs. Gale Burton, cousin of the groom, presided at the crystal punch service, and Mrs. Jack Pritchard, also a cousin of the groom, served the three tiered wedding cake.

For going away, the bride changed to a princess styled dress of a brown and silver weave featuring a short jacket. She wore brown accessories and the orchid from her wedding bouquet.

Following a short wedding trip to points of interest in New Mexico, the newlyweds are at home in Farwell. He is employed at McKillip Motor Co. and she works at the Farwell ASC office. They are both 1956 graduates of Farwell high school.

Out of town guests for the wedding were from Lubbock, Shallowater, Anton, Plainview, Amarillo, Dimmitt, Whiteface, Slaton, Littlefield and Clovis, N. M.

MR. AND MRS. DEAN JONES

West Camp HD Hears T. Berbeau

Members of the West Camp Home Demonstration Club met in the home of Mrs. Jack Peel November 14 at 2:30 p.m.

Tom Berbeau gave an interesting talk on women's responsibilities as jurors. He stated that in Texas the selection of jurors is made by a jury commission, and that the use of women jurors makes about twice as many people available for jury duty.

Present for the meeting were Mrs. Gerald Byrd, Jack Hough, William Flowers, E. E. Hughes, E. A. Walker, Welch, and the hostess.

The next meeting will be held November 28 at 2:30 p.m. in the home of Mrs. Jack Hough.

Party Will Honor Gilbert Wollard

Gil Wollard, who has retired as mail route carrier after serving more than 31 years, will be honored by friends and former patrons with a party Tuesday night, Nov. 27, in the American Legion Home.

Mr. Wollard delivered the mail on Routes 1 and 3 out of Muleshoe since coming here in 1931.

Hostesses for the occasion will be: Mesdames Mervin Wilttering, J. E. Embry, J. D. Black, Spencer Beavers, Owen Broyles, R. D. Precure, O. M. Jennings, A. W. Black, R. E. Buhman, J. A. Nickels, B. H. Black, C. C. Buhman.

Mesdames R. L. Matthiesen, R. C. Gaede, C. A. Barnett, Harold King, Finis Jennings, Seaborn Moore, Charles Gustin, O. N. Jennings, J. B. Jennings, John Bickel, Leland Moutns, W. B. McAdams, and Martin Oliver.

Epsilon Chi Holds Holiday Dinner At Leigon's Friday

Members of Epsilon Chi chapter of Epsilon Sigma Alpha, international sorority, enjoyed their annual Thanksgiving dinner Friday night at Leigon's Dining Room.

Mrs. Carl Bamert, president, welcomed the guests, and Don Brvant offered the invocation.

Special guests were Mr. and Mrs. Fred Johnson and Mr. and Mrs. Richard Smith, of Mexico, Missouri.

Following the traditional meal, guests enjoyed playing bridge, with Rudy Johnson and Mrs. Wilbur LeVeque winning high scores, and Carl Bamert, low score.

Present were Mr. and Mrs. Rudy Johnson, Mr. and Mrs. Jack Young, Mr. and Mrs. James Crow, Mr. and Mrs. Bob Glass, Mr. and Mrs. Bill Jim St. Clair, Mr. and Mrs. Willy Moore, Mr. and Mrs. Carl Bamert, Mr. and Mrs. Mack Ragsdale, Mr. and Mrs. Jim Gaede.

Mr. and Mrs. Don Bryant, Mr. and Mrs. Bobby Wallace, Mr. and Mrs. Bob Harvey, Mr. and Mrs. Dick Ellis, Mr. and Mrs. Jack Hough, Mr. and Mrs. Graves Nelson, Mr. and Mrs. Kenneth Precure, Mr. and Mrs. James Glaze, Mr. and Mrs. Wilbur LeVeque, Miss Bill Ed Jones, and Mrs. Paul Hammett.

FROM LUBBOCK

Mr. and Mrs. Arlo Farrell and children spent the week end here with his parents Mr. and Mrs. C. R. Farrell and visited with friends.

VISITORS FROM LUBBOCK

Mr. and Mrs. C. B. Allen and son of Lubbock, spent the week end in the home of Mr. and Mrs. Arch Fowler.

Co-Workers Class Banquet Tonight

The husbands will be guests when the Co-Workers Class of the First Baptist Church hold their Thanksgiving banquet in the dining room of the church tonight (Thursday) at 7:30. Roast turkey is featured on the planned menu. A special program has been arranged, and Rev. E. K. Shepherd, pastor, will bring the devotional. Mrs. Sarah Payne is teacher of the class.

Rehearsal Dinner In Austin Home

Mr. and Mrs. Curtis Jones of Farwell were host and hostess Saturday night November 10, for the rehearsal dinner honoring their son Dean and his fiancée, Miss Marilyn Austin at the home of the bride-elect's parents, Mr. and Mrs. Partin Austin.

The individual tables were centered with small arrangements of gold chrysanthemums and other decorations throughout the home were bouquets of fall flowers. A full course dinner was served to the guests.

Assisting with the hospitalities were Mesdames Ernest Jones, Raymond Rhoton, C. C. Christian and Miss Phyllis Christian.

Guests were the honorees, Donald Jones, LaVon Jones, Mr. and Mrs. Troy Christian, Randy Pritchard, James Norton, Betty Hubbell, Dixie Turner, Doris Pond, Sherri Austin, Penny Jones, Mikala Austin, Carroll and Laren Fulton, Stanley Austin, Davis Willard, Clair Lackey, Elaine Magness, Marion Smith, Mrs. Jack Pritchard, Mr. and Mrs. Guy Austin, Rev. and Mrs. T. L. Pond.

Anniversaries To Be Observed

Mr. and Mrs. Rex Sanderson and Mr. and Mrs. Buck Gregory will have open house in the home of Mr. and Mrs. Garland Freeman, honoring them on their 25th wedding anniversary, on Sunday, Nov. 25, from 3 to 5 o'clock. They invite all of the friends and relatives to come by to see them. They live one block south of the Highland Motel.

Joyce Dean Davis Becomes Bride Of Kenneth Wayne Hicks November 17

Miss Joyce Dean Davis, daughter of Mr. and Mrs. Ashley Davis of Springlake, became the bride of Mr. Kenneth Wayne Hicks, son of Mr. and Mrs. George Hicks of Muleshoe, Saturday, Nov. 17 at 8:00 p.m.

The wedding took place in the living room before an improvised altar of white gladiolas and blue carnations, blue candles in white candelabra and under an archway of green ferns. Rev. Morgan Sturgess of Tulla read the impressive double-ring ceremony.

The bride, given in marriage by her father, wore a dress of white velvet with white lace jacket. Her short veil fell from a beaded head piece. She carried a white Bible topped with white carnation corsage.

Miss Nona Stevens of Muleshoe was bridesmaid. She wore a pale pink dress with white carnation corsage. Morris Hicks, brother of the bridegroom was best man.

The bride is a graduate of Springlake high school and is employed as bookkeeper at the Hicks Tractor Co. in Muleshoe. The bridegroom is a graduate of Muleshoe high school and is engaged in farming near here.

A reception was held following the wedding for the 15 guests present. The traditional wedding cake was served with lime sherbet punch, from a table decorated in white and blue, the bride's chosen colors.

Newest Buick Yet

WE'VE introduced a lot of new Buicks to the local scene—but never before one as new as this.

Inside and outside, top to toe, end to end—this is the newest Buick yet.

And it's not just new for newness itself—but new in ways that make driving more comfortable, safer and more fun.

You'll see what we mean when you study these gorgeous new Buicks close up.

They're inches lower and stunningly styled from stem to stern—yet each is wondrously roomy inside.

They bring a wide-eyed new visibility of the road ahead with a rakish windshield that adds hundreds more square inches of glass area.

They're new in ride, with a new contour frame chassis that "nests" your going—giving new roadability with a lower center of gravity—yet road clearance is unchanged.

They're new in handling with a new Buick-developed ball-joint suspension that makes steering and cornering easier while it levelizes braking.

But above and beyond all else—these 1957 Buicks are brand new in performance:

—with a V8 engine that's new from the crankshaft up, to give you the highest power and compression in all Buick annals.

—with an advanced new Variable Pitch Dynaflo* that brings you such instant response, such smoothness, such a full range of fluid motion in "Drive" that the need for "Low" is all but eliminated.

All this covers only the big advances in the 1957 Buick.

There are other wonderful new things—the new safety instrument panel—the new color-mate interiors—the new counterbalanced brake pedals—well over a hundred and fifty new features in all.

As your Buick dealer, we're ready to show you these newest Buicks yet—and how easy you'll find it to call one your own. Stop in and see us this week.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

What's all this I hear about AMALIE L. P. G.?

"Man, it's true, all right. When you're burning butane or propane in an engine, you sure need a real SPECIAL oil. That oil I was using used to thicken up just about like gear-grease. But not this AMALIE L. P. G. Still looks fine when I drain—and I don't drain near as often!"

Ordinary, common-grade oil won't do! It has to be ENGINERED just for an engine burning butane or propane (Liquid Petroleum Gas). There's nothing like AMALIE L. P. G. Oil. From selected Pennsylvania crude—no other crude like it in the world. Refined to HOLD its viscosity, its flowing qualities; not let them burn away. Has special additives, to hold dust, grit, rust, etc., in suspension—so the filter takes them out. How it does cut engine wear! And it's cross-graded, 20W-30 (or 40)—use it summer and winter. Give YOUR engines—and your bank balance—a break!

Sand Hills Philosopher Passes Up Opportunity TO MAKE HIS FARM INTO A BUSINESS ENTERPRISE

Editor's note: The Sand Hills Philosopher on his Johnson grass farm probably is misinterpreting somebody's speech, his letter this week indicates.

Dear editor:
With the north wind picking up speed recently, I've been getting more newspapers than usual blown onto my farm out here, and there's nothing more satisfying than a good newspaper to read on a chilly day in a warm spot.

Yesterday I found one caught on a barbwire fence—a barbwire fence is one of the greatest inventions in the history of man when it comes to snagging a blowing paper, and while maybe there are some papers worth chasing after all over the pasture as the wind scoots them along the ground, it's a lot more pleasant to let the fence do the work for you—and I pulled it off and took it home and settled down to my main occupation.

I hadn't read far before I ran into an article that made me smile. According to it, an agricultural expert made a speech recently and declared that "agriculture is now a business, requires business methods, and a few acres of land is no longer a haven of refuge where a man can sit and dream."

Well, I'll tell you. It looks to me like somebody has been sitting and dreaming about what farming maybe ought to be. There's some business connected with farming, all right, but most

of it is applied to what the farm produces, after it leaves the farm. You take a Jersey steer from my farm. Very little business administration goes into getting him ready for market, outside of what he's picked up on his own, but the minute he leaves my hand at a price set by somebody else, not me, then business takes over, and a 10-cent steer turns up a little later on as 40-cent hamburger or 60-cent round steak.

I know that not all farms are run like mine, or there wouldn't be a surplus, but the surplus itself demonstrates somebody is failing to be very business like in agriculture. You don't hear of the steel industry producing four times as much steel as the country needs. This country has more oil than it needs, but you don't hear of any surplus gasoline depressing the price you pay at the filling station.

And as far as a farm being a haven of refuge where a man can sit and think, that's what mine is exactly, and if it comes to a choice of installing a business administration out here or giving up sitting, you know which one I'm gonna choose. I haven't got anything against business or business methods, but if I wanted to go into business, the best place to do it is in town, not in the country.

Yours faithfully,
J. A.

Sword of Damocles

and love for God, and sheds a magic glow over our attitudes and actions.

PRAYER
Our Father, we have frequently failed in our praise of Thee because we have not learned the secret of awareness. Help us to become aware of Thy presence in us, in others, and in Thy gifts to us, through Christ, Amen.

THOUGHT FOR THE DAY
The secret of giving thanks is awareness of God.
Mary Edith Barron (Calif.)

Babson Says

NO ONE KNOWS WHAT RUSSIA WILL DO

Babson Park, Mass., Nov. 22. First, let me say that Russia's decision as to the Egyptian situation will be a great factor in the U. S. business outlook for 1957.

IMMEDIATE OUTLOOK FOR 1957
If Israel had not stirred up this trouble, business in 1957 would be fair—with maximum average decline of not more than 5%. The stock market could, however, sell nearer 600. Israel, however, has upset any definite forecast at this time.

If Russia keeps out of the conflict, we can depend upon the above forecast. If, however, the Middle East should flare into a small war and if the United States remains neutral, 1957 could be the busiest and most profitable year we have ever had, with all basic commodities going higher.

WHAT HAS HAPPENED TO DATE?
Israel has apparently already pulled out, regretting that she ever started the row. She now realizes that if it should develop into a real war, she could be wiped out. Certainly Israel is no longer a factor. The United Nations has agreed to police the Suez Canal, but not to police the world's greatest oil reserves nearby. This may "save face" for Britain and France; but the Canal is not much good to these countries if there is no oil to take through it.

WILL RUSSIA REMAIN NEUTRAL?
Thus far Russia has refused to do so and is threatening to help Egypt and the Arab World by contributing to Egypt airplanes, munitions, and "volunteers," as she helped the North Koreans some years ago. This could result in the United States remaining neutral for the present at least. Eisenhower does not want another "Korean" war. If we can long remain neutral, I repeat that United States business in 1957 should be excellent and that most stocks should now be held rather than sold; especially hold the oils.

I cannot now force Russia and the United

States joining forces even to bring about real world peace. Russia does not want stable world conditions unless she is the "top dog." To this President Eisenhower would never agree even though—as a general—he realizes the hopelessness of any nation winning another war; in fact, he believes all nations engaged there-in would lose. Russia surely will not engage in war directly, for fear of losing the satellites.

On the other hand, I can understand why President Eisenhower would be willing to see England and France worry for a while. They refused to take the advice of our President and Mr. Dulles. These men both urged England and France to refrain from using force in Egypt. Furthermore, our President is disappointed in the way Western Europe has failed to cooperate in his plans for an economic and military union. He feels that a scare might do them good.

DON'T FORGET THE ARABS

Remember that Eisenhower knows and likes the Arabs, having become acquainted with them during the course of World War II. He knows that their desert lands need only water to be the most productive in the world. He goes to give them atomic power to irrigate and get this needed water. He knows, too, that the Arabs are fairly close to the Belgian Congo, which is the largest producer of uranium in the world.

In closing, let me say that one real goal of Russia and England and the United States is to keep open the Middle East oil fields and retain the good will of the Arab World. I forecast that France is now out of the picture and will lose all of North Africa. Neither Russia nor England can win except by force; but Eisenhower hopes to win by negotiating and by helping Egypt and her Arab friends, though economic aid, to become strong and to build her dam and secure atomic power. The Arabs should know by this time that Russia promises are no good.

THIS WEEK -In Washington

Clinton Davidson

We would like to join with you, if we may, in observing Thanksgiving—in laying aside our personal problems and worries and in counting the many things for which we are thankful.

It is good to take inventory at least once a year, and to bow down in gratitude and thanksgiving for the spiritual and material strength that sustains our lives in a nation blessed by Divine Providence.

We think of Thanksgiving as an American institution, originated 200 years ago by the Pilgrims, but the Bible mentions thanksgiving many times. In it Paul says, "Let your requests be made known with thanksgiving." That is, thanks to God should be given at least as often as requests to God are made.

Thanksgiving Day is as truly American as roast turkey, with dressing, cranberry sauce and pumpkin pie. In two centuries it has not changed. "Thank you" has become an established part of our language and customs.

As a boy, at home, I recall we always said "thank you for the biscuits" or "thank you for the butter" instead of "please pass." All of us, of course, use "thank you" as an expression of appreciation.

As a nation of free people, we are thankful that today we can enjoy the democratic privileges of freedom, peace and prosperity. Those are blessings enjoyed by the people of few nations in the world. Earlier this month we chose our local, state and national public officials to preserve and administer our democratic system of government. We did it in the true spirit of democracy and without violence or bloodshed.

ONE TREASURE CHEST for holding important documents. Ideal for Christmas gift. See it at The Journal.

TODAY'S MEDITATION

Read Psalm 116:12-19.

Philip said to him, "Lord, show us the Father, and we shall be satisfied." Jesus said to him, "Have I been with you so long, and yet you do not know me, Philip?" (John 14:8-9, RSV.)

At a family conference in a

secluded woodland area, our five year old son became separated from his age group. I found him in tears. "What happened?" I asked. "I just stopped for a minute to look up," he cried. "I heard

Freedom and democracy are priceless possessions. Once they are lost, the price for regaining them, as in parts of Europe, Asia and Africa today, is a fearful one to pay. And yet the people pay it with their lives if necessary.

Our material wealth and income is unequalled anywhere else in the world. With more than 67 million people employed, we have a national income of over \$400 billion this year.

Although farmers have not shared as fully as others in that tremendous growth of prosperity, they have maintained the most productive farming system in the world, and the future looks brighter.

When we compare farming today with when I was a boy we have much for which to be thankful. Much of the drudgery has been taken out of life on the farm, and in the farm home, through modern conveniences such as power machinery, electricity and other advancements in science.

Automobiles, good roads, radio, television, running water in the home, more and better educational opportunities, are only a few of the things that make life on the farm more satisfying and rewarding.

With only about 5% of the world's population, Americans own two-thirds of all automobiles, have more than one-half of all paved roads, use one-third of all electricity, own three-fourths of all television sets, and have better homes and more modern conveniences than any other nation.

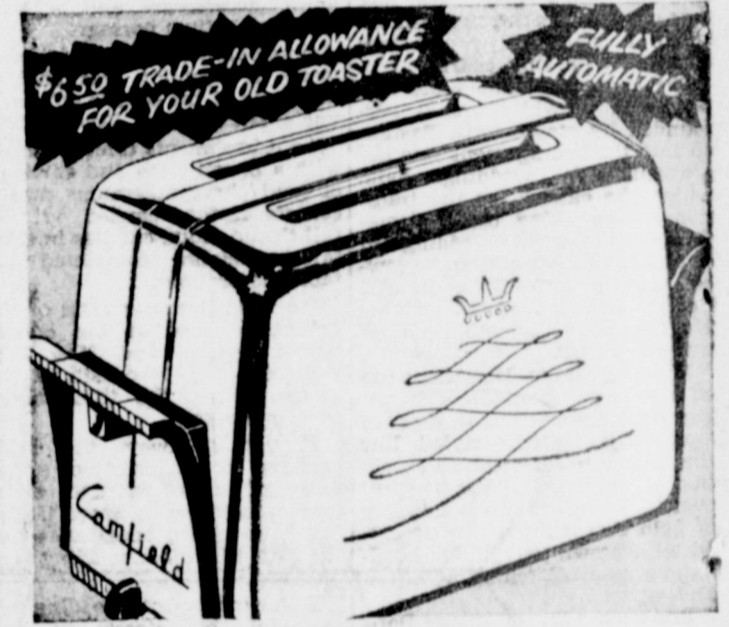

In a world where violence and revolution exist or are threatened we have dedicated ourselves and our nation to maintaining peace. Second only to freedom and democracy, it is a prized blessing for which we are thankful.

Thanksgiving Day

Dear the people coming home,
Dear glad faces long away,
Dear the merry cries, and dear
All the glad and happy play,
Dear the thanks, too, that we give
For all of this, Thanksgiving Day.

Released by
U. S. Department of Agriculture

By John C. White, Commissioner

Dissatisfaction with the new drouth relief hay and feed concentrate program of the federal government is becoming evident from letters received by the Texas department of Agriculture.

After four months of negotiations, the Texas Emergency Drouth Committee succeeded in attempts to get the federal government to re-instate a drouth aid program in the state. The plan went into effect in October. It called for \$7.50 per ton grants-in-aid for drouth area farmers on hay or roughage purchases. In addition, a price reduction of \$1.50 for each hundred pounds of feed concentrate in government storage was granted needy stock farmers.

The state committee, composed of farmers and leading agriculturists, strongly recommended that the government also inaugurate some temporary form of price controls on roughage and feeds. This phase of the program was neglected when the plan went into operation.

Here are the results of price studies since that time:

In June, when a new relief plan was suggested, grass hay was selling mostly at \$33.70 per ton. In July, when the federal government gave notice that it probably would start a program, grass hay went to \$28.20, and in September when the program was a certainty, prices stood at \$42.90. This \$9.20 increase not only takes all of the \$7.50 aid allotted farmers, but makes it more expensive than when no program was in effect.

The same was true to legume hay. June prices went from \$34.80 to \$39.50 in July and then to \$48.10 per ton in September—an astounding increase of \$13.30 per ton. Hulls jumped from \$15.80 to \$24.20 and mixed hulls and meal from \$35.80 to \$42.80 in the same period.

Temporary controls would have gone a long way towards applying the relief money where it was intended.

Potatoes, Corn Lead Plentiful Foods Listings

Potatoes, canned sweet corn and broilers and fryers are featured on the U. S. Department of Agriculture's December plentiful foods list.

These products are in the heaviest supply in relation to normal holdings at this season in all of the trade territories surveyed in the southwest as well as on a national basis, says the chief of the southwest food and distribution division, John J. Slaughter of Dallas.

Meats and other protein rich foods also continue to dominate the plentiful list. Such holiday favorites as turkey, pork, beef, canned tuna, fish sticks, frozen haddock and ocean fillets, dry beans, peanut butter, eggs, milk and other dairy products are all listed as being in heavy supply.

Fruits listed for December include winter pears, dried prunes and canned purple plums.

Vegetables, other than those featured, include onions and cabbage. Rounding out the list are rice, lard and dates.

Booklet On Cotton Irrigation Made Available By A&M

High Plains cotton farmers should find the information given in a new Texas Agricultural Experiment Station publication, B-838, Guides in Cotton Irrigation, most helpful in setting up their plans for another crop year.

Authors of the new publication are E. L. Thaxton, Jr., assistant irrigation engineer, at the Lubbock substation and N. P. Nelson, irrigation engineer, ARS, Lincoln, Nebraska but formerly of the Amarillo Experiment Station.

Covered in the bulletin are the results of studies conducted at Lubbock and Tulla on the use of irrigation water by cotton. The research workers found that cotton yields in pounds of lint per inch of water were about the same for all moisture levels studied but in general, the high moisture levels are the most profitable.

They say that because cotton can use varying amounts of water efficiently, it is an easier crop to irrigate than grain sorghums. They emphasize that the most important irrigation is the one done before the cotton crop is planted. Getting water stored in the soil for the upcoming cotton crop, they say, can go a long way toward supplying the moisture required for maximum crop production.

Recommendations are listed in the bulletin on water management, cultural practices, along with brief statements on methods of irrigation and fiber quality.

Copies of the publication are available from the Agricultural Information Office, College Station, Texas.

ONE TREASURE CHEST for holiday important documents. Ideal for Christmas gift. See it at The Journal.

Farm Fires Can Be Prevented By Proper Precaution

Officially, winter is still a few weeks away but colder weather has arrived. When temperatures drop and all forms of heating equipment are brought into use on farms, the chances for farm fires increase. Every year in the nation more than 100 million dollars worth of farm property is lost to fire and members of the Texas Farm and Ranch Safety Council say most of this vast loss can be prevented.

W. L. Ulrich, extension agricultural engineer and secretary of the Council says studies made at many of these destructive fires show that defective chimneys, carelessness with combustible materials or misuse of petroleum products rank high as causes of farm fires.

He says the Council recommends that a check be made now of all heating equipment used on the farm whether in the home or in connection with water systems or in other farm buildings. Cracks or other chimney defects should be repaired and rusted or burned out stove pipes should be replaced. Petroleum products should never be used to start or hasten a fire. Make sure, emphasizes the engineer, that combustible materials are protected and stored away from heat sources.

He suggests using a metal or asbestos floor covering under wood or coal-burning stoves and a spark arrester on the chimney to eliminate the risk of a roof fire. Care should be taken to see that stock water tank heaters, brooders and other types of farm heating equipment are installed safely and kept in good operating condition. Make sure, he adds that chimneys in stoves or furnace pipes are never closed so tightly as to force carbon monoxide or other gases out into a room.

Too, he cautions against running combustible motors in closed shops or garages. If farm machinery is being repaired in a closed shop, make sure the ventilation and heating systems are safe and in good operating condition. Keep combustible materials away from heat wherever it is coming from a stove or a torch being used in connection with the repair job. Care can prevent waste.

the associated press covered the convention, also.

As you know by now, District II provided the State Farm Bureau Queen for the second year in a row. She is Miss Joann Vaughn, of Tulla. Runner-up, Miss Donna Black, is from Dumas, also in District II.

We feel that one of the most significant features of the session occurred when Bill Miller, president of Bailey County Farm Bureau, arose and moved that the section of the suggested 1957 TFB Preamble reading, "We endorse and pledge our support to the principles of the United Nations Charter" be deleted. His motion was seconded and adopted by the delegates. Miller summarized his reasons briefly as follows: Russia, because of her control of satellite nations who are members, holds three votes to America's one. Because of the one-nation veto power, the UN Charter cannot be changed unless Russia wants it changed. There are numerous other good reasons for the action taken. We hope many people will study aspects of the charter within the next year.

CONSIDER THIS: And he arose, and departed to his house, Matthew 9:7.

FOR CHRISTMAS buy him or her a Remington Portable typewriter. We have them in attractive colors, no down payment, \$1 a week, at The Journal.

There was a sub-district meeting held at the Enochs Methodist church November 12, with the young people of the church conducting the meeting. Following the program, refreshments were served to 84 young people attending.

Enochs Events

Mr. and Mrs. L. O. Orr, of Nash, Texas, spent a week visiting their son and family in Enochs.

Wanda and Joe Doak, from Meadow, were here visiting her sister and family, Mr. and Mrs. Cleo Hall.

Bro. and Mrs. Henderson were at the Monument Lake church Sunday night. Bro. Henderson filled the pulpit for Rev. C. C. Dorn. After services, there was a refreshment hour.

Mr. and Mrs. Bob Darnell spent Sunday in the home of Mr. and Mrs. Lynn Crabtree.

Mr. and Mrs. Harry Bethel and son, from Amarillo, visited in the home of Rev. and Mrs. C. C. Dorn Sunday. Mrs. Bethel is Mrs. Dorn's twin sister.

There was a sub-district meeting held at the Enochs Methodist church November 12, with the young people of the church conducting the meeting. Following the program, refreshments were served to 84 young people attending.

Mrs. Dutch Cash, Mrs. Cleo Hall, and Mrs. H. H. Snow went to Portales on club business Saturday.

Mr. and Mrs. J. W. Layton have been in Mineral Wells, where Mrs. Layton's father, R. A. Parker, had an eye operation.

Mr. and Mrs. Bill Burrus of Stegall, visited her parents, Mr. and Mrs. Carl Hall Sunday.

Mr. and Mrs. John Gunter, Jr., visited her parents, Mr. and Mrs. C. P. Price Friday. She stayed over for the football game Friday night at Bula.

Bula played Southland Friday night, winning 39-12.

New China Kiln
Enochs Homemakers Club put in a china kiln recently. The women are doing such beautiful work, making ceramics. Helping them Thursday, were Mrs. Louise Shaefer, of Needmore, and Mrs. Thuri Lemons of Stegall.

Judy Fine, granddaughter of Mr. and Mrs. Roy Tunnell, is in a Lubbock hospital, still in serious condition.

ELIZABETH FARLEY IS PLEDGE OF TSCW CLUB

DENTON, Tex. — Miss Elizabeth Ann Farley, sophomore at Texas State College for Women, is completing pledge activities for Adelphi Literary-Social Club. She will be initiated into the organization later in the semester.

TSCW's nine literary-social clubs are affiliated as junior clubs of the Texas Federation of Women's Clubs.

J. C. Pearson spent several days in a Littlefield hospital last week. He works at the Gardner and Hawkins gin, and was overcome by gas fumes.

Bridal Shower
A bridal shower for Mrs. Carlton Gilliam was held in the home of Zed Robertson November 17. The table was decorated with a miniature bride and groom. A basket of pink roses on the piano added color to the room.

Mrs. John Gunter presented the gifts to the bride and groom. The hostesses were Mrs. E. N. McCall, W. R. Adams, H. H. Snow, J. C. Snitker, F. A. Altman, Roy Tunnell, Willie Welch, John Gunter, Cecil Jones and Zed Robertson.

Many beautiful and useful gifts were received.

NO. 6 In a Series of ads telling the Compress Story

COMPRESSION OF COTTON

THE FACTS surrounding the compression of cotton are not generally known. Government control of pink bollworm areas require that cotton be compressed or fumigated prior to shipment.

HOWEVER, THE PRIMARY PURPOSE of compression is to reduce the size of the bale so that the owner may secure the lowest transportation cost, by rail, truck, or steamer.

OUR FACILITIES offer the owner of the cotton his choice of any transportation — standard density cotton to domestic mills or high density cotton for export at no duplicate compression cost.

This means the farmer retains approximately \$1.50 per bale which he otherwise would be required to pay in order to market his cotton.

FARMER COUNTY Farm Bureau News

By RAYMOND EHLER

The eleven members who attended the State Convention in Houston last week had an enjoyable and fruitful time. Seven of them were voting delegates and participated in the policy making sessions that determined Texas Farm Bureau's policies for 1957. They supported or opposed resolutions according to the instructions they received at the county convention in September when you voted. Those subjects that were not acted upon at the county convention were discussed by your delegates and acted upon according to what they believed you had indicated in principle on other related issues.

One of the resolutions Farmer county sent in was not included in the draft from the state resolutions committee. Upon the advice of your delegates, Harry Hamilton went before the delegation and presented it from the floor and it was adopted. This was the resolution favoring a marketing regulation that will reflect the superior quality of feed grains free of noxious seeds at the local market level.

Cotton John, our radio friend of KGNC was on hand recording and relaying news reports to the radio and newspapers of Amarillo. His presence made everyone from this area feel more at home, too. All three Houston newspapers and reporters from

Yes it's true the new Tappan Sizzle 'N Simmer burner starts foods cooking almost TWICE AS FAST as any other burner you may now have. Starts coffee perking in minutes less than needed by other burners... brings water to a boil for cooking eggs faster than ever before. Achieves maximum heat from a ring of flame instead of tiny openings. Get this new Tappan Range now... and get the 5 piece "Club" Aluminum Set Free — you'll make a cool saving of exactly \$70.00.

Permits Lower Turn-down
Lower turn-down permits lower heat settings for foods without being overcooked, dried out or scorched.

Greater Economy
The flame from Tappan's Sizzle 'N Simmer burner is so steady and uniform, allowing heat to be used more efficiently.

Easier Cleaning
Tappan's Sizzle 'N Simmer burner has a special stop burner cap cover that can be easily disassembled for easy dish pan cleaning.

FUEL FOR A GROWING EMPIRE

Three-Way News

Mrs. Frank Griffith

The annual Thanksgiving supper, given by the P.T.A., was enjoyed by about 100 patrons Thursday evening in the Three Way school cafeteria.

Mrs. Earl Bowers was chairman of the entertainment committee, and the decorations and meal were planned by Meses. Nan Dyer, Jack Ferguson, Willie Welch, Morris Gant, and Eam Green.

The tables were decorated with fall leaves, cornucopia, pumpkins, apples, nuts and grapes.

The menu consisted of baked beans and link sausage, cabbage slaw, candied apples, cornbread slicks, pumpkin pie, coffee and milk.

Proceeds from the supper will be used to pay on the water well that was installed on the school grounds last year.

Mr. and Mrs. W. T. Parker and Mrs. Lewis Henderson attended the Texas Farm Bureau convention in Houston last week.

Mr. and Mrs. Ira Griffith and Grady of Shallowater, visited in the Frank Griffith home Friday and Saturday.

Cotton harvest is near completion in Three Way community. The crops yielded more per acre than was anticipated by many farmers.

Stanley Party
Mrs. Bill Burris was hostess to a Stanley party Friday afternoon, with Mrs. Jackson of Muleshoe. Refreshments were served to Meses. W. R. Bvers, Marlon Walker, Don Davis, Frank Griffith, Cecil Cole, Thurl Lemons, Florence Bailey, Conrad Williams, Leon Jones, Watson, Burris and Keys.

Eagles End Season
The Three Way Eagles finished their football season Friday night with a defeat at Cotton Center, 51-6. The girls and boys will have a basketball game this weekend at Shallowater.

Charles Latimer, son of Mr. and Mrs. Ed Latimer, is confined to his home with knee infection. He is under treatment by a doctor.

Mrs. Keith Key, formerly of this community, now living in Washington state, was visiting relatives and friends here last week. She is the daughter of Mr. and Mrs. Perry Fort.

Pink and Blue Shower
Mrs. Paul Holcomb was pleasantly surprised with a pink and blue shower November 13 at the home of her mother, Mrs. Zemy Boozer.

Hostesses were Meses. Millard Townsend, Bob Sandlin, Frank Knox, D. P. Brinker, Elmer Bat-

Three Way junior FFA chapter conducting team competed in the contest at Friona last Saturday morning. Leon Jones is chapter sponsor.

Members of the team included Bailey Griffith, president; Carter Williams, vice-president; James Tarlton, secretary; Robert Sandlin, treasurer; Jess Hodge, reporter, and Joe Clark, advisor.

They competed against teams from Littlefield, Dimmitt, Muleshoe, Springlake and Friona.

On the sick list the past week were Mrs. Earl Bowers and Bob Sandlin.

Frank Knox is slowly improving after receiving injuries in a fall several weeks ago.

Visiting in the Lewis Jordan home over the weekend were Mr. and Mrs. Gaylon Weaver of Slaton; Mrs. J. S. Dial, Mr. and Mrs. Wilbur Dial, all of Lubbock; and Mr. and Mrs. Buster Betts of Morton.

Family Night
A family night of fun, sponsored by the Farm Bureau will be held November 26 at 8 p.m. in the Three Way school gymnasium. The 4-H club queen will be presented at the program, along with runner ups. Other entertainment will be furnished.

The queen contest is sponsored by the Home Demonstration club, and proceeds will be used to buy community ceramic making equipment. Candidates and their sponsors are listed elsewhere in this issue of The Journal.

Sunshine Club Dinner
Mr. and Mrs. Gene Bandy were the host family for the traditional Thanksgiving dinner enjoyed by members of the Sunshine Social Club and their families at noon on Nov. 15. The covered dish luncheon included baked chicken with all the trimmings, including pie and cake.

After the meal, the ladies had a "white elephant" sale, which raised approximately \$10. This sum was sent to the Preventorium, a tuberculosis clinic, for use by the children there. The club sends a donation there annually. This is their tenth year.

A social hour of games and visiting followed. Several members were absent because of illness, and other reasons. Those attending were Mr. and Mrs. George Chambless, Mr. and Mrs. John Williams, Mr. and Mrs. L. D. Tipton, Mr. and Mrs. C. W. Patterson, Mrs. Blanche Coulter and the host, hostess and their children.

Class Party At Shipp's
The Women's Class of the Progress Baptist Sunday School enjoyed a social at the home of their teacher, Mrs. M. L. Shipp last Thurs. Nov. 15. A Bible lesson, with scriptures from the Psalms, was followed by talks on Thanksgiving by members, and a Bible quiz. Refreshments of sandwiches, cookies and cold drinks were served to Meses. J. R. Walker, Carl Kindred, Lawson Bessie Davis, C. A. Bishop, H. T. Peugh, J. J. Redwine, and the hostess, Mrs. Shipp. The class will have its Christmas social on Dec. 13 at the home of Mrs. M. O. Nigh.

WCS Studies Mental Health
On Thursday afternoon, members of the Progress WSC met in the church sanctuary for a lesson on "The church and mental health". Mrs. Irma Chaddix was in charge of the prayer group preceding the regular meeting.

Mrs. Donna Shaw read the scripture. A devotional talk was given by Mrs. Doris Wedel. Then Mrs. Vergie Shaw gave many interesting facts on mental health and what the church is doing in this work. She led the discussion afterwards.

Mrs. Johnie Westbrook held the business session. Reports were made on the chairs and curtains to be bought for Fellowship Hall. Members attending were Meses. Mattie Griffin, Louise Green, Donna Shaw, Vergil Shaw, Henrietta Havens, Ruby Atkinson, Sadie Bass, Irma Chaddix, Johnie Westbrook, Doris Wedel and Velma Gwyn.

Skating Party
Several members and guests of the Progress Girls' 4-H Club enjoyed a skating party at the Priboth Rink last Sunday afternoon. Those attending were Mary, Wanda, Janie and Carolyn Wedel, Beatrice and Louise Stinson, Gay Lewis, Linda Wells, Kay, Jim and Pat Thompson, Mrs. Doris Wedel and Mrs. Myrtle Wells.

Mission Film At WMU
The WMU met in separate circles for their Royal Service program on missions last Monday afternoon. The Virginia Circle had seven members present and the Martha Circle, four. Theme of the programs was "Joy from

Wells of Salvation", with the devotional from Isaiah 12:1-5. Both circles saw a film on Hong Kong presented by Mrs. Elmer Downing. After a brief business session, the ladies were dismissed with a prayer by Mrs. Amon Blair.

Family Night Social
On Wednesday evening, at 8:00 p.m. all members and friends of the Progress Methodist Church are invited to a covered dish supper and informal social hour, in the Progress Fellowship Hall. Don't forget the date, and be sure to come.

Birthday Supper
Homer Redwine, whose birthday is Nov. 21, were honored with a birthday supper by Mrs. Homer Redwine last Monday evening. Present in addition to those already named were: Mr. and Mrs. J. J. Redwine, Mrs. H. T. Peugh, Mr. and Mrs. D. L. Redwine, Jerry and Connie.

Mr. and Mrs. R. O. Durant and grandson, Dickie, all of Canadian, spent Wednesday of last week in the home of her sister, Mrs. J. J. Redwine.

Mr. and Mrs. Doyle Green had as Sunday guests, his sister-in-law, Mrs. Sutton and two children of Littlefield.

Mrs. Anna Hill spent last week at Y. L., returning home on Saturday.

Mrs. Bill Garrett and baby daughter returned home last Friday from a Clovis hospital. The little girl was born Tuesday, Nov. 13, and weighed 7 lbs., 1 1/4 ozs. She has two sisters and a brother, Sherrie, Terrie and Craig, and has been named Phyllis Donnell by her proud parents.

Grandparents are Mr. and Mrs. C. J. Darby of Lebanon, Oregon, and Mrs. Birda Garrett of Rt. 2, Muleshoe.

Wayne Chiddix of Dimmitt, spent Sunday here with his parents, Mr. and Mrs. A. W. Chiddix.

C. S. Otto has been quite ill recently and is still under the care of a doctor.

Mrs. Don Barber and children, and Mrs. Luwana Roberts, all of Clovis, N. M., visited their mother, Mrs. Anna Hill last Sunday.

Mrs. G. T. Malby recently accompanied Mr. and Mrs. H. E. Mitchell of Muleshoe to Clovis to attend the November Community Concert.

Mrs. Harold Ham and daughters, Melinda and Vicki, arrived Monday to visit a few days with her sister, Mrs. Odell Logan.

Mrs. A. O. Cummings, of Lubbock, is spending this week here in the home of her aunt, Mrs. Ross Goodwin.

I. W. Hammonds, father of Mrs. Sherman Imman, is still in the Muleshoe hospital. He has been very ill the past four weeks, but his condition is now improved enough that he can take food.

Pat Simmacher was here from Tech in Lubbock, visiting her parents and sister, Mr. and Mrs. Joe Simmacher and Brenda.

A short business session was held following the program with Mrs. Mildred Redwine in charge. Members present were Meses. Mildred Redwine, Wesley Barnes, Claude Heath, Ira Wimberly, Earl Peterson, Frances Troider, John Agee, F. W. Greene, Carrie Withrow, Raymond Houston and Bert Gordon.

WILMINGTON, Del., Nov. 17.—One and a half million new businesses of all sizes will be created in America by 1976, if an expanding population's demand for high living standards is to be met, it was predicted in a new booklet, "The Story of Business: Large and Small," published today by the Du Pont Company.

Tracing the growth of the business community, the booklet points out that the composition of the U.S. business establishment today parallels that of other elements of society in the varying size of its units.

The business structure is likened to the educational, military, and church establishments, where sizes of facilities vary widely, and are shaped by the need to be filled.

"What we have in this country is not big business and little business," the booklet says, "but a business establishment in the same sense that we have a military establishment and an educational establishment. Each is composed of units of various and varying sizes, shaped and adapted to the need. It would be difficult to conceive of a military force in which all elements were limited to some predetermined strength or a naval maneuver in which all vessels, of whatever mission, were of comparable tonnage."

In early America all firms were small. It is pointed out, but economic progress developed new needs that could be met only by a business structure including small, medium-sized, and large firms.

Now there are 42 million small firms, but by 1976 there will have to be 57 million to keep pace with present trends. "Instead of the 3,500 large firms, there will have to be 7,000, and they must be larger that they are today to provide the resources of money and men that new technological developments will require."

The booklet also predicts that the American family's living standard will almost double. There will be at least 19 million more jobs.

These predictions merely project present trends, assuming there will be no catastrophe "and that business growth is permitted and encouraged."

"Growth and progress are shared by all members of the business community. The size of the largest firms has increased

steadily, but the need for the smallest remains, and the economic principles which govern success operate unchanged for both", it says.

"Business size is determined not by fiat but by function," it continues. "How large a firm may grow is controlled not by a preconceived theory, but by the size and nature of the needs a business seeks to fill, and the skill that its management displays in filling them."

To be meaningful, "the size of a firm must be related to its function. It is this factor, above all, that explains the wide size differences found in the American business community. If so many are small, it is only because so many of the needs of so many million of families can best be served by small organizations; if some are large, it is only because they are filling needs that can be met only by large units."

In colonial times, virtually all business was small. The coming of the Industrial Revolution gave promise of a new kind of living standard based on high-volume, low-cost output, demanding big production units. Economic and geographic barriers to growth crumbled. As a result, since 1900 the living standards of the na-

tion have been transformed. At the same time, it has been a period of swift business growth, with a continuing need for firms of all sizes and opportunity for each business to expand.

It has also been a time of increasingly vigorous competition because of the abundance of products and services available to the consumer. However, most firms normally compete with companies of about the same size, rather than big ones against little ones.

Small and large businesses, instead of competing with each other, usually complement each other's efforts. The large firms undertake the jobs that call for extensive facilities and investment, and the small ones operate in field where their flexibility and personal services enable them to make unique contributions, the booklet points out.

Mr. and Mrs. M. D. Gunstream and son spent the week end in Memphis, visiting her parents Mr. and Mrs. A. R. Childress and friends.

FROM PAMPA
Mrs. John Branhan of Pampa, spent the week end with her mother and father Mr. and Mrs. Ross Glaze.

IN NEXT 20 YEARS . . . 1.5 Million New Businesses Predicted To Meet Needs Expanding Population

WILMINGTON, Del., Nov. 17.—One and a half million new businesses of all sizes will be created in America by 1976, if an expanding population's demand for high living standards is to be met, it was predicted in a new booklet, "The Story of Business: Large and Small," published today by the Du Pont Company.

Tracing the growth of the business community, the booklet points out that the composition of the U.S. business establishment today parallels that of other elements of society in the varying size of its units.

The business structure is likened to the educational, military, and church establishments, where sizes of facilities vary widely, and are shaped by the need to be filled.

By LEE POOL

A homeowner recently returned from a movie to find his home had been broken into by vandals, wallpaper smeared with butter and jam, rugs and upholstery slashed, and the whole interior a general mess. Their loss in this instance was close to \$2,500. This loss would have been covered by the Additional Extended Coverage endorsement. Other perils covered by this endorsement are: Rupture, bursting of steam or hot water heating system, vehicles owned or operated by the insured or a tenant, glass breakage, ice, snow and freezing, fallen trees, and collapse. Although these coverages are all subject to a \$50 deductible, the above person would have been glad to have paid the first \$50 to have had the balance covered by insurance. The cost of this endorsement is so small, that I cannot see how any insured can afford to be without it. For more facts call—
