## Commissioners adopt '01 budget

Last minute adjustments Monday night put the county budget in the black for 2001 instead of operating at a deficit of some \$44,000.00. Commissioners voted to adopt a budget with net receipts of \$7,857,751.00 and disbursements of \$7,857,214.00 after removing \$25,000.00 from the \$100,000.00 in the budget for waste removal/recycling. They also adjusted upward the estimated fines amount by \$20,000.00 to \$530,000.00 in net receipts.

Commissioner Frank Tambunga voted against adopting the budget, saying he is opposed to the raise for elected county officials. The commissioner says he does not want the increase.

Tambunga and County Attorney Bill Mason were told they will have to decline in writing before it is legal for the amount to be withheld from their pay while being given to others.

The 2001 budget shows disbursements of \$361,000.00 for Ozona Family Health Clinic, \$1,978,653.00 for the care center and \$104,554.00 for the EMS.

Receipts for the care center are budgeted at \$1,254,450.00 with an additional \$724,203.00 from the county. EMS receipts are budgeted at \$54,900.00 with \$49,654.00 more from the county.

Commissioners and citizens attending the meeting heard from Louise Ledoux, county librarian, and her sister, Lucy Humphreys, about the county's employee policy regarding nepotism and transfers from job to job within the county.

Ms. Humphreys, who is employed in the auditor's office, has applied, along with 31 others, for the newly created position of librarian assistant. The number of applicants who will be interviewed for the job has been narrowed to five by the library board. Ms. Humphreys is one of those five.

The employee policy states that elected officials and department heads may not hire persons related within two degrees by marriage or three degrees by blood relationship.

A section of the policy regarding transfers states that transfers are permitted when they are in the best interest of the county. "Transfers are arranged by your elected or appointed department head and the county personnel office following the appropriate interviews and evaluations."

Mrs. Ledoux handed commissioners a timeline of events relating to the proposed assistant librarian position documenting conversations she had with Judge Jeffrey Sutton, commissioners and library board members about the job, any possible nepotism concerns and hiring.

Ms. Humphreys said she had

talked with her department head, Sandy Stokes, and with the judge. At one point, she said she offered to pull her application for assistant librarian if there was a chance it would prevent the upgrade at the library.

Pleading that her application be left in for consideration, Ms. Humphreys said, "I went line by line," referring to the personnel policy. "I'm being penalized now because we did do exactly what the handbook said."

The interpretation she offered of the transfer rule is that it negates the nepotism portion of the policy.

Emphasizing that "it is nothing personal," Commissioner Frank Tambunga stated his opinion, which was given in the last regular meeting of commissioners. "I believe its nepotism whether it's a hire or transfer," Tambunga said. "You believe that it's (the transfer) in the best interest of the county. I believe that it's not."

Commissioner Pleas Childress said he believes the transfer clause does not negate the nepotism clause. "In my opinion, you have to meet the qualifications for all of them. To me, every employee has to meet all the criteria."

A number of those in the audience, including the women's parents, Polly and Sam Perner, library board president Cathy Carson and board member Clay Childress, made statements or asked questions about the matter.

Commissioners voted that the nepotism policy should be considered with a new hire and or transfer between departments, that none of the paragraphs in the personnel policy should be exclusive of one another.

In other business, commissioners voted, as recommended by the Crockett County Historical Commission, to accept the bid by Clay Childress for the vacant lot at 1204 Ave. E owned by the commission. Under the terms of the lot's donation to the commission, the money from the sale will be used to benefit the museum.

Judge Jeffrey Sutton abstained from voting on this measure.

Court members also voted to approve a mutual aid agreement for EMS services with Val Verde County, Iraan, Sheffield, Big Lake and Sonora.

The commissioners approved appropriation of \$10,000.00 for the Title V program at the Texas Tech University Health Services Clinic here and to provide office space for the clinic.

The office will be in the county building at the medical complex where Dr. Joe Logan once had dental offices. Medical records which are being stored in a portion of that office will have to be moved elsewhere, possibly necessitating a portable building.

Carolyn Wilson was appointed by the court to the grievance committee

Sue Burns of Ozona died in a two-vehicle accident eight miles north of Ozona Sept. 21.

Injured in the head-on collision was Merced Solis of Eldorado.

Solis was northbound on Texas 163 and Mrs. Burns was southbound at the time of the accident. The Solis vehicle, a 1995 Ford F-350 pickup, was on the wrong side of the road on the improved shoulder. Mrs. Burns, who was driving a 2000 Chevrolet 2500 Suburban, took evasive action by slowing down and leaving the road to the west according to the DPS report.

### WEEKLY REPORT

Congressman  
**Henry Bonilla**  
 23rd District, Texas

1529 Longworth House Office Building Washington, D.C. 20515 202/225-4511

### It's time for Washington to pay its bills

You could get back more than \$5,000 of the money you've worked hard to earn. The House of Representatives overwhelmingly approved legislation last week to use 90 percent of next year's budget surplus for debt relief. And, if President Clinton chooses to approve the legislation, that will mean more money in your pocket.

For far too long, government spending reigned supreme in Washington. Deficits ran rampant, the debt ballooned and taxes skyrocketed. It was always "spend first" and worry about the debt later. But over the past six years, conservative members of Congress have changed the course and said that paying off the debt for our children's future should be at the front of the line. Paying off the debt is a top priority, not an afterthought.

Debt reduction may sound like a dry economic term, but it really does have an impact on working Americans. You see, as our national debt rises, so do your interest rates. But, by using ninety percent of the \$364 billion surplus to pay off the \$5 trillion debt, we will bring down the high interest rates that you pay on mortgages, student loans and retirement savings. Every American family could save as much as \$5,200 in one year. That's real money.

If households can figure out a way to balance their checkbooks, so can the federal government. If you and your family had a large credit card balance, and then suddenly found yourself with extra income, either through a raise or some other act of good fortune, you would pay off your debts. It's time for the government to do the same. We have racked up three decades of debt. Now we have a surplus. We have extra money in our government coffers. Instead of spending it, we should pay off our debts, just as any common-sense working American would.

There may be some who will try to convince you that using 90 percent of the surplus to pay off the debt will hurt government programs that you depend on. That is simply untrue. Through measures such as the Social Security and Medicare lockboxes, we make sure money for Americans' retirement and health care cannot be spent for other programs. Through the fiscal conservatism of budget caps and by rooting out waste, fraud and abuse in government, we take historic steps reversing the trend of irresponsible spending and rising debt.

Congress needs to end the old "spend now and pay later" Washington mentality that creates deficits as far as the eye can see. We should not pass our debt onto our children and grandchildren. They should not inherit our mistakes. It is our responsibility to pay off our debts now, in order to secure a debt-free future for America.

## Mu Chi recognized for pledges

Preceptor Mu Chi met Monday, Sept. 25, at UPRC for a regular meeting. Present were: Terry Adams, Nancy Davee, Queta Fierro, Zoe Green, Nancy Hale, Debi Hamilton, Sonja Hoover, Billie Morris, Brenda Newton, Sylvia Ramirez, Donna Sanders, Linda Taylor, Penni Tippie and Lynda Wende.

The chapter received congratulations from International for having more than three new pledges last year and also received notification of a 3-star rating for the past sorority year.

Following the business meeting, the hostess, Sylvia Ramirez, served

pizza, salad and homemade lemon pie.

She presented an interesting program on hiking the canyons of the Guadalupe Mountains, showing slides, photos and a large book about Texas. She also told us we need to be in good physical condition and start walking to build up physical endurance for the hiking. It sounds like a wonderful experience and a beautiful part of our great state of Texas to explore.

The next meeting is scheduled for Oct. 9.

## Ozona Woman's Forum News

"The Best is yet to Come" was the title and message of the meeting of the Ozona Woman's Forum Tuesday, Sept. 19. Glenda Henderson and Helen White were hosts to 27 members and one guest with Patsy White presiding.

Norma Carson led the group in repeating the Club Collect.

Willa Perry introduced the guest speaker, Jean Higgins. Ms. Higgins is an avid reader, a wife, mother and grandmother, and sister-in-law of Mr. Perry. She lives near Oklahoma City.

Ms. Higgins reviewed the book, *Am I Old Yet?* by Leah Komaiko, a 1999 publication. The story tells of a middle-aged author of children's books who fears getting old. Searching for solutions to her dilemma, she volunteers at a nursing home and a real friendship develops between the author and a 93-year-old lady. She learns the lesson that "old is gold" and "age makes no difference as long as there is love in one's life".

A letter of invitation from the Woman's League to join them in a trip to the Wind Power Station near McCamey was read by Dorothy Montgomery.

Shirley Kirby gave a 911 report. Glenda Henderson moved that the Forum sponsor Charlotte Harrell as our delegate to the FWC fall board meeting in Austin. This motion was seconded and passed.

Katharine Russell discussed the trip to San Angelo to the Museum of Fine Arts and to Eldorado for the dinner theater. This will be Oct. 2.

Willa Perry announced the meeting on Oct. 5 would feature the Home Demonstration Agent from Eldorado, Nancy Lester, presenting "Holiday Happenings". Martha Gries and Dorothy Montgomery will host the meeting at the civic center.

Meeting adjourned.

### Banned Books Week

Banned Books Week will be held Sept. 25-29 at the public library. The theme for 2000 is *Fish in the River of Knowledge*, and everyone is encouraged to come sample the waters at your public library. Check out a book that has been banned or challenged, and celebrate your freedom to read.

Censors have gone after favorites by Twain, Angelou, Steinbeck, Grisham, King, Sallinger, Blume, Vonnegut, Sendak, Atwood, Morrison and more. "This just proves no book is safe from censorship attempts," said Judith Krug, director of the American Library Association's Office for Intellectual Freedom. The ALA Office received a total of 472 reports of challenged titles last year. You can visit the Banned Books website at <http://www.ala.org/bbooks>. The majority of challenges are reported by public libraries, but some are in schools. For each formal challenge reported, as many as four or five remain unreported. The *Ten Most Challenged Books of 1999* reflect a wide variety of themes.

The books, in order of most frequently challenged, are: *Harry Potter* series by J. K. Rowling for its focus on wizardry and magic; *Alice* series by Phyllis Reynolds Naylor for offensive language and unsuited to age group; *The Chocolate War* by Robert Cormier (the *Most Challenged* fiction book of 1998), for using offensive language and being unsuited to age group; *Blubber* by Judy Blume for offensive language and unsuited to age group; *Fallen Angels* by Walter Dean Myers for offensive language and unsuited to age group; *Of Mice and Men* by John Steinbeck for offensive language and unsuited to age group; *I Know Why the Caged Bird Sings* by Maya Angelou for being too explicit in the book's portrayal of rape and other sexual abuse; *The Handmaid's Tale* by Margaret Atwood for its sexual content; *The Color Purple* by Alice Walker for sexual content and offensive language; *Snow Falling on Cedars* by David Guterson for sexual content and offensive language.

Kids and curiosity go together. Children and teenagers have an unquenchable thirst for knowledge that usually pleases but sometimes overwhelms. Why? How? The questions never seem to end! Fortunately, there are libraries and librarians to help answer these unending questions, send kids on wondrous adventures, and provide them with the resources they need to learn and grow. Parents can relax knowing the public library is a friendly place for all families.

Libraries are family-oriented, public institutions charged with making a broad selection of materials available for everyone, including children and teenagers. Most public libraries have special areas for children and teens with materials that appeal to various ages and interests. Each library has its own selection and collection development policies. The majority of books and materials selected have been reviewed and recommended by professional librarians or reviewers. Because an item is selected does not mean the librarian endorses or promotes it. The librarian is sim-

ply helping the library fulfill its mission of providing information from all points of view.

The *Library Bill of Rights* is a policy adopted by the American Library Association to guide librarians in serving their communities or schools. This policy, based on the First Amendment, protects the rights of all library users to choose for themselves what they wish to read, listen to or view. It has been voluntarily adopted by many libraries to ensure that they serve everyone in their communities equally and fairly.

As public institutions, libraries cannot discriminate based on age, sex, race or any other characteristic. Librarians must meet the diverse needs of everyone in their communities. Like adults, children and teenagers have the right to seek and receive the information that they choose. Librarians are not authorized to make decisions for children, but are happy to provide suggestions and guidance. Most libraries provide reviews and ratings for parents to use in guiding their children's library use. Decisions about what materials are suitable for particular children should be made by the people who know them best - their parents or guardians. This week make the public library a part of your family routine.

Come check it out!

## MDA here to lock up citizens

The Muscular Dystrophy Association is coming to Ozona to lock-up its fine citizens. Sept. 28 from 10:00 a.m. to 2:00 p.m., volunteer "jailbirds" will donate their time behind bars to help MDA raise money to send children with neuromuscular disease to summer camp.

The Muscular Dystrophy Association is dedicated to finding a cure for the 40 muscle wasting diseases that affect more than 300 clients in West Texas and millions more nationwide. Money raised from this event stays in West Texas to help "our" families by providing them with quality patient services. These services include a comprehensive medical clinic, occupational and physical therapy, wheel-

chairs and leg braces as well as sending children to summer camp each year. These services are of no cost to the patient or their families and MDA is not funded by the government or the United Way. MDA relies on the generosity of individuals and businesses to raise the much-needed funds.

Go by Ozona National Bank at 503 11th Street on Thursday, Sept. 28, and see who you can bail out. These terrific "inmates" will be provided with lunch and have their mug shot made just for helping "Jerry's Kids". You never know, you might find your boss, a long lost relative or a friend who needs help bailing out. Or you can make a donation to keep these "jailbirds" incarcerated indefinitely.

## Social Security News

### A NEW INTERNET TOOL FOR FINANCIAL PLANNING

By William Halter  
Deputy Commissioner,  
Social Security Administration

We recently announced the availability of a new retirement planning aid for people to use to incorporate Social Security in planning their financial futures. The Retirement Planner is a new Internet service that makes it possible to calculate online the benefits one can expect to receive at retirement. For people interested in assuring they will have enough to meet the challenge of the later years, this is a welcome tool. Go to [www.ssa.gov](http://www.ssa.gov) to reach it.

But I am concerned that many young people do not realize that this vehicle can be as useful to them as it is for people nearing retirement. For the latter group, the planner provides useful information that helps them dot the "i's" and cross the "t's" of their financial plans. For young people, however, it can be a means of mapping a scenario that will make a difference in how well they meet their retirement goals.

Social Security is designed as a base of income in retirement. While increasingly more young people are looking beyond Social Security to other means of producing retirement income, the fact is, Social Security will be there for those who fail to meet their goals otherwise. As such, it represents

a floor of protection that should not be discounted in making plans for the future. Nine out of 10 of today's 154 million workers are covered under Social Security and could receive retirement benefits as early as age 62.

Social Security benefits are designed to replace approximately 53 percent of the preretirement earnings of a person with low earnings, about 40 percent of the income of a person with average earnings, and about 26 percent of the earnings of a worker with high earnings. Retirement experts say you need approximately 70 percent of your preretirement earnings to maintain your current lifestyle in retirement. This means the average worker would need to come up with about 31 percent of his/her preretirement earnings to be comfortable in retirement.

Studies show that most people have no idea how much they need in savings for a comfortable retirement. This is unfortunate, if for no other reason than the increased availability of such information. It notes, for example, how a recent law eliminated restrictions on the earnings of beneficiaries who reach full retirement age (65 in 2000). For younger beneficiaries, the limits continue and the planner explains how much a person can earn and still keep his/her benefits intact.

For a young person covering all the bases, the retirement planner is a useful tool. It eliminates the "sticker shock" many of their parents experienced when they retired, expecting perhaps more than the program was designed to offer. As a foundation on which to build retirement income, Social Security is solid and supportive, a guarantee on which a worker can count on for the future.

Those who use the retirement planner will find themselves empowered to take control of their future in exciting new ways and new directions.

### Domestic violence awareness important

October is Domestic Violence Awareness Month. "Please join the Institute of Cognitive Development, Inc., Family Shelter in showing your support against domestic violence by displaying a purple ribbon on the front of your business or home during the month of October," urges Krystal Rocarek, legal resources advocate for ICD.

"You will also see individuals wearing purple ribbons during the month. The purple ribbons indicate your support for increasing the awareness of domestic violence, which is a serious danger to not only the current victims, but also, to children growing up in these environments."

<sup>27</sup> But He whom God raised up [to life] saw no corruption [did not experience putrefaction and dissolution of the grave].

<sup>28</sup> So let it be clearly known and understood by you, brethren, that through this Man forgiveness and removal of sins is now proclaimed to you:

<sup>29</sup> Take care, therefore, lest there come upon you what is spoken in the prophets: Acts 13: 41 Habakkuk 1:5

## Worldly Seduction; Counterfeit Spirituality

Some of us remember reading the 17th Century allegory by John Bunyan "The Pilgrims' Progress". Christian and Faithful (the first and secondary heroes) are on the path to the celestial city and find that it inevitably leads through the Devil's "Vanity Fair". In the Fair are several kinds of seductive places and things. Dancers, gold, monies, pleasures, lands, titles, lovers, wives, husbands, slaves, powers, prestige, fame, blood, bodies, souls, etc.

The two wayfarers are invited to buy and be involved. They refuse. They then are arrested, brought to trial for treason and one of them loses his life in the process.

The world as a system of delusion is almost irresistible. The seduction of the world to a Christian means basically "the process by which the Christians' mind can be secularized by the weakening of its spiritual orientation".

We understand how worldliness is seductive in terms of sensuality, materialism, hedonism and radical individualism. But the most powerful force of the secular world is the temptation to embrace the current world-view popular in modern America. Allen Bloom, in his book, "The Closing of the American Mind", has documented modern education's almost universal embrace of relativism as the regulative principle for modern living. The American mind has been closed

to the idea that objective truth can be known rationally. Relativism is ego-centric irrationality. To say that truth is relative is insane. It is an assertion that forfeits itself. The statement "All truth is relative" is relative itself and has no creditability.

The secular mind-set, the world mentality, has infiltrated the religious arena and has very near erased the lines of distinction between the Church and the world. Evangelicals assert the Christian ideology of life but encourage and for the most part embrace the secular world-view by materialistic endeavors. Their flocks follow right along.

Christianity is privatized into a closet; carnality becomes the "Modus Operandi". To be sure, evangelicals do not call it relativism or individualism. The philosophy is spiritualized, thinly veiled in religious jargon. The "leading of the Holy Spirit" is the license for a multitude of sins. This relativistic movement endorses all types of emotional passionate activity which blurs all lines of definition. People who are "led by the Spirit" begin to interpret and accept all their experiences within "emotional contents". This type of neuro-synthesis justifies even things and practices that are prohibited by God's revealed Word. There is no higher order of reason than logic. There is no higher order of morality and personal religion than that revealed in God's word (2 Tim. 3:16-17

cf., 2 Pet. 1:3-4).

If we seek a coherent, logical, consistent and rational understanding of the Bible, we maintain an objective point of reference which is not negotiable to philosophical or emotive subjectivism. All consistent theologians agree that Biblical Faith is first rational. Spiritually rational. (1 Cor. 2:9-14).

Christianity is not rationalism. But it is rational. It may contain truth beyond what reason can fathom. But it is "more" than rational, not less. It is virtue, not vice. It is God-centered. We must seek a coherent understanding of God's word. It is not mystical nor irrational. It was designed to be read and understood by even the simplest mind.

The world would like to convince us that everything is subjective and realistic. But such is not the truth on reality. God is out there, and His word is with us. The Christian life requires diligence and hard work. The world is designed by God's enemy to seduce all the unthinking victims at his disposal. (Eph. 2:2-3).

Let us be sober and alert. Self-examination is a help in times of dangerous surroundings.

May God richly bless you dear reader  
In Jesus Christ,  
Amelio Hinojos, B.S.A.

## Rep. Henry Bonilla honored by NFIB Sept. 20

The small-business group National Federation of Independent Business on Sept. 20 named U. S. Rep. Henry Bonilla (23rd District - TX) a Guardian of Small Business for an outstanding voting record on behalf of America's small-business owners in the 106th Congress.

NFIB president Jack Farris praised Rep. Bonilla for "taking a stand" for small business, citing Bonilla's 100 percent NFIB voting record.

The record shows that when the roll is called, Rep. Bonilla has been a true and consistent advocate for Main Street small businesses," Farris said. "Small business owners pay close attention to how their elected representatives vote and will reward those who win the Guardian of Small Business Award. With Election Day less than two months away, small business owners will remember those who supported small business, as well as those

who didn't."

NFIB's voting record tallies 20 key small-business votes in the U. S. House of Representatives taken during the 1999 and 2000 sessions. Issues range from legal-reform measures to regulatory relief to a variety of tax-relief measures.

In all, NFIB will present Guardian awards to 215 representative and

52 senators who voted favorably on key small-business issues at least 70 percent of the time during the 106th Congress.

## Letter to the Editor

Rosalie Friend Richardson shares the following letter from Clem Parker Hannah. Anyone wishing to write Mrs. Hannah may contact Rosalie at 387-2290 to obtain the address.

August 18, 2000

Dear Rosalie,

How thoughtful of you to include me in the reunion plans last year! I think it's been fifty-six years since I taught in Ozona, but I still remember it with fondness, and I did recall so many of the names on the list. Many I've kept up with through my brothers and their wives, who were also teachers at the same time.

In two weeks, I'll be returning for my twenty-seventh year of teaching in Montgomery County, Maryland. After a twenty-two year maternity leave it was fun to get back.

Thank you,  
Clem Parker Hannah

## Lions shear the Angoras

By Michelle Holtz  
STOCKMAN SPORTSWRITER

The J.V. Lions defeated the Angoras Sept. 21 in Rocksprings 37 to 0. In the first quarter, the Lions started with an opening drive of 57 yards with a combination of passing and running. Lions Brad Mayfield and G. L. Bunger ran the ball well behind key blocks of Johnny Tambunga, J. R. Luna and Wilson Stokes. Lion Koby Fenton then dropped back to pass the ball to G. L. Bunger for a 17-yard gain and then to Wilson Stokes for a 12-yard gain. Bunger then ran in the Lions' first touchdown on a 1-yard touchdown run. The point after the touchdown attempt was unsuccessful.

The Lion defense went to work holding the Angoras on their first possession led by Josh Long, J. R. Luna and Mikey Savala. Ozona forced the Angoras to punt, and when they did, Mikey Savala returned the ball for 27 yards to the Rocksprings' 26-yard line. Koby Fenton then threw a sweet 14-yard pass touchdown to Bryan Skehan who caught the ball, scoring for the Lions. The extra point was no good.

The Angoras were flabbergasted on their next possession as they fumbled the ball and Lion Bryan Skehan recovered. In the very next play, the Lions scored as Fenton threw a pass to Rogelio Sanchez for a 26-yard strike. The extra point was no good.

At the end of the first quarter, the Lions led the Angoras 18-0. In the second quarter, the Angoras drove the ball to the Lions' 24-yard line, but Josh Long picked off their pass. The Lions then drove the ball down the field for 68 yards behind a forceful offensive line, including Stephen Maskill, John Ray Luna and Johnathan Munoz.

Mikey Savala scored the Lions' fourth touchdown on a 7-yard dive. The extra point failed.

The Angoras were given no breaks by the Lions as Ozona led the Angoras 24-0 at halftime.

In the third quarter, there were three fumbles, two by the Angoras and one by the Lions. Ozona kicked off and the Angoras fumbled the ball. The Lions drove the ball all the way to the Angora 4-yard-line, but Ozona then fumbled with Rocksprings recovering.

Two plays later, the Lion defense, led by Josh Long, Brad Mayfield, Bryan Skehan and Nat Hernandez, forced the Angoras to fumble. Three plays later G. L. Bunger scored another touchdown on a 6-yard run. The point after by Bryan Skehan was good.

Ozona led Rocksprings 31-0 at the end of the third quarter. The Lions, however, were not through, as the Lion defense completely shut down the Rocksprings Angoras, forcing them to punt. Mikey Savala returned the ball for a 48-yard touchdown run led by key blocker Ramon Trujillo. The extra point was unsuccessful.

The Lions roasted the Angoras 37 to zip. "Coach Bobby Azam and I can't say enough good things about this game," said Coach Lynn Searsy. "Our specialty teams scored, our secondary picked off passes, our backs and receivers had some great plays behind some strong blocks. Our defense stepped up and played great."

"Coach Azam and I would like to thank the fans that drove such a long distance to support these guys," said Coach Searsy.

The junior varsity Lions will host the JV Wall Hawks Thursday, Sept. 28, at Lion Stadium at 6:00 p.m.

## Cubs barbecue Angoras

By Michelle Holtz  
STOCKMAN SPORTSWRITER

Ozona's eighth grade Cubs defeated the Rocksprings Billy Kids 31-0 in Rocksprings Sept. 21.

In the first quarter, J. D. Borrego scored for the Cubs on a 47-yard run. This would be his first of five touchdowns for the night. The kick for the extra point was not good.

The Cubs' second offensive series in the game included long runs by Vince Castro and Toby Pagan. J. D. Borrego took the Cubs to the 2-yard line, but they fumbled. Three plays later, Borrego caused the Billy Kids to fumble, then went on to score his second touchdown to lead the Rocksprings team 12-0. Again the extra point kick was unsuccessful.

Neither team scored in the second quarter.

"Our defense was great in the first half, only giving up one first down for Rocksprings," said Coach Steve Osborn. "Jared Bird had a quarterback sack. Several players had stops behind the line of scrimmage, including Bird, Doug Duncan, Vince Castro and Michael Garza."

After the half, Cub J. D. Borrego scored his third touchdown with an amazing 90-yard kick return. Borrego then converted the extra point kick to give the Cubs a 19-0 lead.

Doug Duncan blocked a Billy Kid's punt, and Jared Bird picked up the loose ball and returned it for 15 yards for what looked like a touchdown. The TD was called back on a penalty, but J. D. Borrego again reached the end zone on a 25-yard sweep around the right end for his fourth touchdown of the game. The kick was no good.

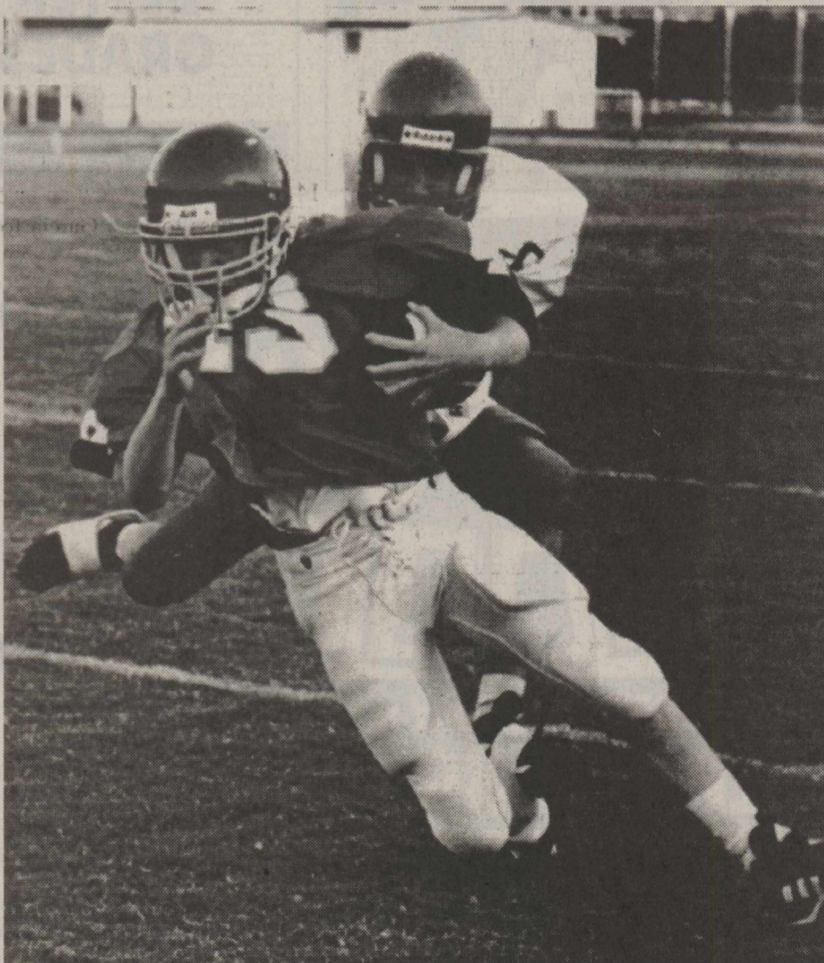

Ruben Talamantez intercepted a desperation pass, his second interception of the season. J. D. Borrego again took advantage by running 55-yards for his fifth touchdown. The extra point kick failed.

At the end of the third quarter, the Cubs led the Billy Kids 31-0.

The Cub reserves finished the game by playing the entire fourth quarter. "They did a great job, allowing only one first down and played well on offense, also," said Coach Osborn. "Roland Galindo led the way on defense with two stops for losses. Jeffery Gillit played well at linebacker as did J. R. Villarreal from the secondary. Stephen Lara did a good job leading the offense. Eliseo Treto and Raven Perez ran well, and the offense got two first downs before time ran out. Another great effort by the whole team," added Osborn.

The eighth grade Cubs are 3-0 for the season after barbecuing the Billy Kids 31-0.

The Cubs will take on the Wall Hawks Thursday, Sept. 28, in Wall at 6:30 p.m.

# Lions roast Angoras 39-7

By Michelle Holtz  
STOCKMAN SPORTSWRITER

The Ozona Lions grilled the Rocksprings Angoras 39-7 to win their 2000 homecoming game Friday night.

Early in the first quarter, an Ozona fumble was recovered by the Angoras on the 39-yard line. The Angoras' pass on fourth and 14 was incomplete, and possession of the ball went to the Lions.

Ozونا again fumbled the ball, but Jimmy Lopez came through by recovering for the Lions to set up their first touchdown.

Five plays later, Lion Jared Shaffer shot up the field between the Angoras' defense for a 27-yard touchdown run. Ty Allen's kick was good.

With 6:09 remaining in the first quarter, the Lions led the Angoras 7-0.

Allen kicked off for the Lions, and four plays later, Rocksprings fumbled the ball. The Lions recovered, but just when it looked good for them, a Lion pass was intercepted by Rocksprings. The Lions, however, held the Angoras back, ending the first quarter.

In the second quarter, the Angoras continued to forge their way to the end zone, but four plays later, Lion Juan Garcia intercepted an Angora pass, which would set Ozona up for another touchdown.

Lions Arron Garza and Ray Ramos took turns moving the ball up the field, and seven plays later, Garza handed off to Ramos for a 2-yard touchdown run. The extra point kick

by Allen was good.

With 7:35 remaining on the clock before the half, the Lions increased the score over the Angoras 14-0, but Ozona wasn't done yet. The Lions again pushed the Angoras back, forcing them to punt.

Jared Shaffer carried the ball for 44 yards in three plays, and Abel Rodriguez carried for 20 yards for the Lions, eventually running in a 2-yard touchdown with only :29 seconds remaining in the second quarter. Allen's kick was good for the extra point.

Also carrying the ball in this series were Chase Clark for five yards and Kyle Richardson had a 7-yard pass

to Lalo Garza who was tackled after making the catch.

The Lions led the Angoras 21-7 at halftime.

The Lions came out in the third quarter thoroughly pumped as they continued to frustrate the Angoras. Defensively, the Angoras mustered the strength and forced the Lions to punt. Lopez punted the ball for 38 yards.

After two incomplete passes by the Angoras, the Lion defense began to crank up the heat. As Ray Ramos added pressure, Dustin Faught blocked the Angoras' pass for fourth and four.

Lion Robert Ogle devastated the Angoras as he blocked the punt and Jared Shaffer received the ball for the Lions and ran to the 34-yard-line.

Eight plays later, Kyle Richardson scored the Lions' fourth touchdown on a 1-yard run. The extra point kick was blocked.

With 6:12 remaining in the third quarter, the Lions increased the lead to 27-0.

The Angoras again failed to get even close to the end zone, forcing them to punt on fourth and 20.

Lion Abel Rodriguez received the ball. Arron Garza then took off on a 14-yard dash and threw an awesome 15-yard pass to Juan Garcia for first and 10 on the 17-yard-line.

Two plays later, Garza found Dustin Faught on a 14-yard pass for another Lion touchdown. The extra point kick was no good. The Lions led the Angoras late in the third quarter 33-0.

Rocksprings made another crucial mistake early in the fourth by fumbling the ball. Lions Ogle and Faught recovered the ball, leading to the Lions' final touchdown of the game.

Jarryd Taylor ran in a 2-yard TD with 8:34 remaining in the game. The

kick was unsuccessful.

In the final minutes of the game, the Angoras scored their only touchdown on a 5-yard run. The extra point attempt was good.

The Lions grilled the Angoras 39-7.

Offensively, the Lions had 53 carries for 279 yards. Jared Shaffer led the Lions with nine carries for 102 yards and had one touchdown followed by Ray Ramos with nine carries for 51-yards and one touchdown and Abel Rodriguez with nine carries for 37 yards and one touchdown.

Defensively, Ray Ramos led in tackles with nine, five of which were behind the line of scrimmage. He had four quarterback harassments and recovered a fumble.

Robert Ogle also did well with nine tackles and a blocked punt. Dustin Faught had two receptions for 31 yards and one touchdown.

"Our #1 goal in the pre-district games is to get better every week, and we think we're doing that," said Coach Steve Taylor. "Our running game looked the best it's looked all year with Jared Shaffer and Ray Ramos running hard and punishing some people."

"Up front, Roy Estrada, Lance Unger, Ty Allen, Josh Tambunga and Jacob Tambunga did a good job opening up holes for the running backs. Defensively, Ray Ramos had a good game, along with Lance Unger, Juan Garcia, Jared Shaffer and Jarryd Taylor."

The Lions will take on the Wall Hawks in Wall Friday, Sept. 29, at 8:00 p.m.

The game began as Cub #15, Jared Espino, kicked to the Eagles, who fumbled the ball. Cub #21, Jack Rodriguez, recovered the fumble, but the Cubs ended up losing possession on downs. The Eagles then drove the ball up field for a 55-yard touchdown run. Their 2-point conversion was successful.

the ball.

The Cubs turned possession of the ball to the Eagles, and with :49 seconds remaining in the third quarter, Eldorado scored their second touchdown of the game on an 8-yard pass. The 2-point conversion attempt was successful.

The final eight minutes of the game were scoreless.

Leading in tackles for the Cubs in the second half were: #85, Dean Wadsworth, and #52, Junior Valdez, each with three tackles.

"This was a tough lesson for the players as they went against a big, strong and talented Eldorado team," said Coach Rick Bachman. "We just couldn't get anything going offensively until late in the fourth quarter, and we still couldn't put the ball in the end zone. I feel we played very well on defense as we gave up only two touchdowns. Hopefully, we will use this loss as a learning experience and continue to work hard in practice and improve."

The Eagles soared past the Cubs, winning the game 16-0. The Cubs' record is 2-1 for the season. They will take on the Wall Hawks in Wall Thursday, Sept. 28, at 5:00 p.m.

# Freshman Lions shoot down Eagles in no fly zone

By Michelle Holtz  
STOCKMAN SPORTSWRITER

The freshman Lions defeated Eldorado's JV Eagles here Sept. 21 by a 6-0 score.

After the opening kickoff by the Lions, it took 10 plays in the series before the Lions forced the Eagles to punt.

Lions #50 Manuel Gutierrez and #74, Chris Martinez, each had two tackles in the series of Eagles' play, including each on a quarterback sack. Also having two tackles was #44, Romeo Perez.

The Eagles forced the Lions to punt, and returned the ball for an apparent touchdown. However, the touchdown was called back due to an Eagle penalty block in the back.

The Eagles' next move had drastic consequences as Lion #12, Clay Hale, recovered the ball. At the end of the first quarter, the scoreboard read 0-0.

In the second quarter, the Lions fumbled the ball twice in one play with the Eagles recovering the second fumble. Eldorado moved the ball down the field eight times in the same series before Lion #44, Romeo Perez, intercepted an Eagle Pass and ran to the 38-yard line where he was tackled.

After an Eagle penalty and six plays later, the Lions would score their only winning touchdown of the game. Quarterback Clay Hale passed the ball to split-end Ryan Wiley who caught the awesome pass then ran the

ball in on a 60-yard touchdown. Wiley made the touchdown even after an Eagle deflection, but the 2-point conversion failed.

With 1:39 remaining in the second quarter, the Lions led the Eagles 6-0.

After halftime, the Lions came out of the locker room pumped and ready to finish what they had started. The Lions recovered an Eagle fumble in the third quarter, but lost the ball on a turnover.

As time passed, the Lions became more and more aware in the final seconds of the game that the Eagles were in Lion Country, flying

in a no flying zone. The Lions shot the Eagles out of the sky to win the game 6-0.

"Offensively, total yardage for both teams was the same," said Coach Tom Duncan.

"Linemen Chris Martinez, Kris Gray and Aaron Espino played good. Defensively, Manuel Gutierrez, Matt Carter, Travis Vordick did well. Also, linebackers Brennan Brown and Jake Stewart played well," stated Duncan.

"We had a tremendous team effort on defense, which turned the game in our favor. Specialty teams made a huge difference in the game." Coach Ty Payne said "We will

continue to work on offensive consistency this week for our next opponent. It was a great win for our players."

The Lions are 1-2 for the season. They will take on Midland Christian at 5:00 p.m. Sept. 28 at Midland Christian.

## County 4-H Rabbit Club members exhibit at Permian Basin Fair and Exposition Sept. 16

Members of the Crockett County 4-H Rabbit Club went to the Odessa Permian Basin Fair and Exposition on Sept. 16. With record numbers of visitors and exhibitors attending this year, the rabbit show was viewed by many people from Odessa and surrounding communities. There were 67 entries in the rabbit show that came from as far as New Mexico and the Lubbock area. There were also entries there this year from San Antonio.

There was a total of 346 rabbits plus meat pens and single fryers shown. Judging were Gail Krall from San Antonio and Bill Fulkes of Austin. Krall and Fulkes are certified by the American Rabbit Breeders Association as judges. They have completed their studies, and passed tests and have been licensed registrars in order to complete the process of becoming a certified judge.

Attending the show from Ozona were: Mr. and Mrs. Vince Huffman; Mrs. Jeannine Henderson and Julia; Mr. and Mrs. Nat Hernandez, Diane; Mr. and Mrs. Jon Moran, Dana and Selena; Mr. and Mrs. James Haire, Kelsey; Mr. Rick Bird; Mrs. Bobbi Bird, Kara and Jared; Mr. and Mrs. Scott Kelly, Ross and Cory.

The largest class of rabbits shown was the Florida Whites with a total of 66 rabbits. Dana Moran placed with an 11th in the Sr. Buck class, and Diane Hernandez placed 6th in the Sr. Doe class. Neither placing may seem high, but with the number of rabbits shown, they are. Dana and Diane were also the only youth in this competition as they were showing against adults who show in Texas, New Mexico and Oklahoma.

Julia Henderson placed second with her Sr. Doe in the Jersey Wooley breed. Kelsie Haire placed second with her Sr. Buck (black) Dutch rabbit. In the Satin rabbits, Diane Hernandez had two first places with a Sr. Doe - copper and Sr. Doe - chinchilla. Each rabbit later received the Best of Variety rating from the judge.

In the Californian class, Diane Hernandez received a third place Sr. Doe, First place in the fur class and also received a first place 6/8 Buck. This rabbit was then given the award of Best of Breed for being the best rabbit on the table for meeting the standards of the Californian rabbit.

There was a total of 48 Holland Lops shown. Hilary Huffman's entry took most of the honors for this breed. She had a first place Sr. Solid Doe and a first place Solid Jr. Buck. She also placed third in the Solid Sr. Bucks. In the Broken category she placed first in the Sr. Does, second in the Jr. Bucks and first in the Jr. Does. This last little rabbit later won the award of B.O.S.V., and then went on the win Best Opposite Sex for that breed. This award is given as the rabbit that comes in closest to matching the standards of the Holland Lops and is placed at the top with the winner.

Dana Moran competed in the New Zealand class. She brought one rabbit, a Sr. Buck, which received a first place,

and then later also won the coveted award of Best Opposite Sex for that Breed. Dana was also the only youth who competed in the New Zealand class as the others were adults.

Kelsey Haire took her one Mini Lop solid Sr. Doe and also walked off with the award of Best Opposite Sex for that Breed. This was the first time Kelsey had ever won this and was excited to receive her first trophy showing rabbits. Kelsey was also the only youth in this class as she was showing against adults and against her friend, Amanda Hignight, who won Best of Breed. The rabbit Amanda showed was the father of Kelsey's rabbit.

One of the hardest breeds to show is the Netherland Dwarfs. Mrs. Krall for many years has been the top raiser and exhibitor nationally for this breed.

In judging this class of rabbits, she made many compliments to the breeders for their fine quality of rabbits shown. Kara Bird placed first with a black Jr. Doe that received of B.O.S.G. and a B.O.V.; first Silver Martin Sr. Buck, B.O.S.G. and first Jr. Buck Ruby Eyed White to Diane Hernandez which received a Best of Variety and also the Best of Group Award. Kara also received a first with a Sr. Doe that also won a Best of Variety. Jenna Henderson won a second place with her Jr. Black Doe in this class. Kara also placed first with her Jr. Doe in the Silver Martin class that received a Best of Variety, Best of Group and also a Best Opposite Sex. She also received a trophy for this placing. Julia Henderson received a third place for her Agouti Sr. Buck, and Jenna received a second place for

her Sr. Agouti Buck. Julia then received a 1st place for her Opal Sr. Buck. This rabbit took the honors of Best of Variety, Best of Group and also Best of Breed which also had a trophy for this honor.

In the Mini Rex class, Diane Hernandez received a second place for her Black Sr. Doe. Amanda Hignight received a second place for her Castor Sr. Doe and first place for her Castor Sr. Buck which received Best Opposite of Variety.

Serving as the show superintendent was John Hignight, and show secretary was Sara Hignight. Helping with the show were Mr. and Mrs. Mike Ratliff of Rankin, and Phyllis and Tara Price of Midland. There was a total of 18 breeds plus the meat and single fryer classes. This year's show had the highest entry of rabbits and exhibitors coming from the state. This year for the first time there were two breeds that had not been shown at this show which were Tans and Havannas. The show started at 9:30 and ended at 4:00, which was record time. The Permian Basin Fair and Exposition and the Poor Boy Rabbit Club sponsor this show.

Members of the Crockett County Rabbit Club are to be complemented on doing such a wonderful job at the rabbit show. They participated in a show that was open to adults and they came out with many of the top wins of the day. They also knew how to show their rabbits, and they impressed the judges and the adults there with their show etiquette. Congratulations.
