## Skehan, Anderson lead the Class of 2006

Allison Elizabeth Skehan has been named the Valedictorian for the Ozona High School Class of 2006. Skehan finishes with a 100.7843 grade point average.

The Salutatorian is Brian Scott Anderson with a 98.7222 GPA.

These two will lead their classmates at the commencement exercises beginning at 8 p.m. on May 26 at Lion Stadium.

Skehan is the daughter of Laura and Jim Skehan. She plans on attending Texas A&M University where she will major in chemical engineering.

During her high school career, she has competed in University Interscholastic League One Act Play, where she was named to the All Star Cast, and in Prose, Accounting and Science.

She has also been seen on the basketball court, the track field and in cross country. She was a regional qualifier in the 800-meter dash, as well as in cross country. Skehan received the MVP award for both track and cross country as well as Academic All District honors in all three sports. She was also a cheerleader for all four years and competed in the high school rodeo.

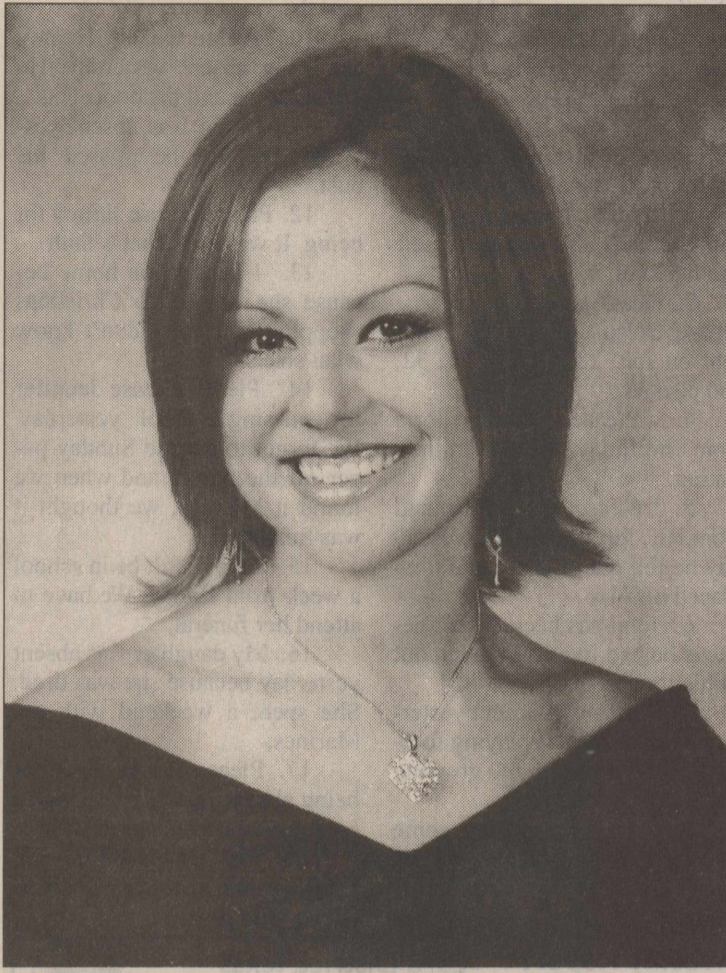

Skehan is a member of the National Honor Society, Who's Who Among American High School Students, Crockett County 4-H Club and was this year's Homecoming Queen. She also served as Student Council President and Vice President.

Anderson is the son of Diane and Tom Anderson. He plans on attending Texas A&M University and majoring in petroleum engineering.

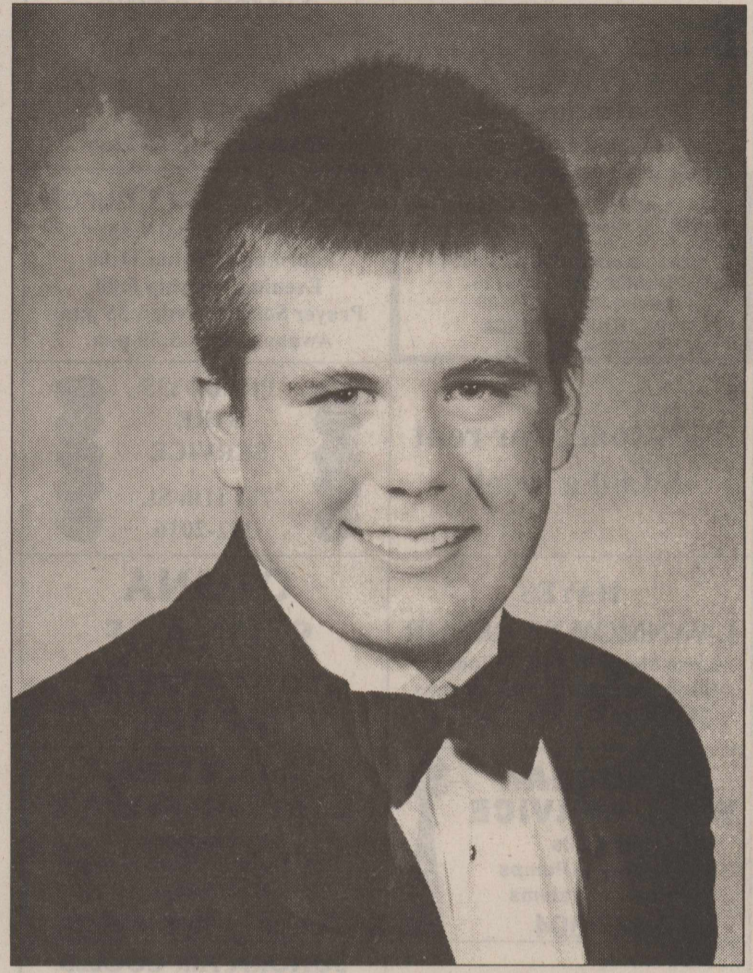

During his high school career, Anderson participated in UIL Science, Current Events and Social Studies. He was a regional qualifier in Current Events and Social Studies.

Anderson was also seen on the football field all four years of his high school career and in the band for three years. He was named Academic All District in football for two years.

He is a member of the National Honor Society, Who's Who Among American High School Students, Crockett

## Moore captures second place at state tennis meet

By MELISSA PERNER  
 Editor and Publisher

After months of hard work and preparation, Jessica Moore fulfilled her dream of coming home with a state medal on May 9.

Moore finished second in the Class 2A Girls' Singles meet in Austin.

"First of all, when I first took center courts for my final match, we got our own referee, score

board, the whole works! I was overwhelmed with all kinds of emotions. I felt like I was dreaming! Never in my wildest dreams did I picture my last match of my high school career to be for the state title on the UT courts! After my match, I just couldn't believe after playing for so many years, the end had come, but it was so gratifying going out like I did. I really didn't know what

## County Attorney withdraws resignation

By MELISSA PERNER  
 Editor and Publisher

County Attorney Bill Mason has withdrawn his resignation, due to a violation of the Texas Open Meetings Act.

In a letter filed May 10 to the County Judge, Mason states that when the commissioners approved his resignation during the May 8 meeting, the agenda posting this action was filed after the advance notice of 72 hours.

"Notice is further given that all actions taken during that meeting were and are of no force and effect," Mason's letter stated.

According to the Texas Open Meeting Act, the notice of a meeting of a governmental body must be posted in a place readily accessible to the general public at all times for at least 72 hours before the scheduled time of the meeting. The commissioners' court meeting began at 9 a.m. on May 8.

On the original commissioners' court agenda, which was filed at 8:22 a.m. May 5 (within the 72-hour notice), the resignation of the county attorney and appointment of a new county attorney was listed as a discussion item. This means that the commissioners could not take action on this item.

A supplemental agenda was posted at 1:22 p.m. on May 5 that stated for the commissioners to take action on accepting

## Funny school excuses

As the school year comes to a close, here are some funny school excuses to tickle your funny bone. These are actual excuse notes from parents (including spelling errors).

1. My son is under a doctor's care and should not take P.E. today. Please excuse him.
2. Please excuse Lisa for being absent. She was sick and I had her shot.
3. Dear School: Excuses Please excuse John being absent on Jan. 28, 29, 30, 31, 32, and also 33.
4. Please excuse Gloria from Jim today. She is administering.
5. Please excuse Roland from P.E. for a few days. Yesterday he fell out of a tree and misplaced his hip.
6. John has been absent because he had two teeth taken out of his face.
7. Carlos was absent yesterday because he was playing football. He was hurt in the growing part.
8. Megan could not come to school today because she has been bothered by very close veins.
9. Please excuse Ray Friday from school. He has very loose vowels.
10. Please excuse Tommy for being absent yesterday. He had diarrhea and his boots leak.
11. Irving was absent yesterday because he missed his bust.
12. Please excuse Jimmy for being. It was his father's fault.
13. I kept Billie home because she had to go Christmas shopping because I don't know what size she wear.
14. Please excuse Jennifer for missing school yesterday. We forgot to get the Sunday paper off the porch, and when we found it Monday, we thought it was Sunday.
15. Sally won't be in school a week from Friday. We have to attend her funeral.
16. My daughter was absent yesterday because she was tired. She spent a weekend with the Marines.
17. Please excuse Jason for being absent yesterday. He had a cold and could not breed well.
18. Please excuse Mary for being absent yesterday. She was in bed with gramps.

## Paying at the pump

Since the spring of 2004, gas prices have risen tremendously, putting added pressure on family budgets across the United States. The escalating price of crude oil, which is traded in a world market, is one contributing factor. Decisions or events occurring in the farthest, most remote areas of the globe can have a huge affect on the price of crude for all nations. Over the past couple of years, many factors have contributed to this crisis. Predatory pricing by members of the Organization of Petroleum Exporting Countries (OPEC) drove many U.S. producers out of business. This gave the members of OPEC a greater majority of the international oil production and increased America's dependence on foreign sources of fuel. Additionally, OPEC has been slow to raise production quotas after having greatly reduced them in 2002. You may remember that an oil embargo instituted by OPEC 30 years ago rattled our economy and triggered mile-long lines at gas pumps. Shortages in supply have been furthered by large disruptions in the oil production of major oil exporters, such as Venezuela, Iraq and Nigeria. However, the largest contributing force driving the current oil shortage is an explosion in demand for fuel by China and India. Add all these factors together and you have the perfect recipe for an international fuel shortage.

What can we do to alleviate this problem? As a nation, we must decrease our dangerous dependence on unstable Middle East oil. Three decades ago, America was 30 percent dependent on foreign oil. Today, we are nearly two-thirds dependent. I am committed to decreasing our nation's dependency on Middle Eastern oil. I support environmentally sound exploration in the Alaskan National Wildlife Refuge (ANWR), which is known to have the single largest deposit of oil in the entire United States with an estimate of more than 10 billion barrels of oil. That is more than double the proven reserves of the entire state of Texas and almost half of the total proven reserves in the U.S. Drilling in ANWR will also generate more than 735,000 new jobs and benefit the national economy.

Another contributing factor to the increase in the price of gasoline is the lack of necessary refineries to process crude oil into gasoline. American demand for gasoline has risen significantly as economic growth has increased. This mounting need for fuel must be met with

## Man-Made Disasters

It's true, you know, what they say about one man being able to change the world. Every time I stand in the line at the post office I am reminded of the Unabomber who single-handedly was responsible for the rule requiring me to wait in line to have a two pound package mailed instead of just shoving it down the mail chute. Whenever I wrestle with a hard-to-open "safety cap" on a bottle of aspirin I think of the rotten scoundrel who first started putting poison in Tylenol capsules so that now just trying to open a bottle of aspirin will give you a headache. And now we must all take off our shoes and reveal our holy socks and smelly feet for all the world to see and smell just because some heel of a terrorist tried to turn the souls of his shoes into bombs.

I'm sure that female readers will agree that it is mostly men who have had the biggest (or should I say worst?) impact on our lives. Take Napoleon for instance. This little sawed-off stump of a man with his hand in his jacket is the reason we must tite a goody portion of our income every year to the federal government. You see, the British enacted the first income tax in 1799 to finance the Napoleonic War. We followed suit in 1894 when our Congress passed an income tax law requiring everyone to pay 1 percent of their income as tax. But in a rare bit of brilliance the Supreme Court declared income tax unconstitutional! (Our current Supreme Court could learn a thing or two from those guys.) But to our dismay and H & R Block's delight, we then passed the 16th amendment and in 1943 the feds started garnishing our paychecks. People who made over \$200,000 that first year had to pay as much as 91 percent of their income to the federal government. And all because of Napoleon.

The very best bad example (or should I say worst good example?) of a man who changed the course of history is Samuel A. Maverick. It's because of him we have to have a branding every year.

Samuel Maverick didn't start out to be a bad person, in fact he was one of the original

### Ozona Garden Club News

By ALICE BREWER  
Ozona Garden Club

The last regularly planned meeting of the year for the Ozona Garden Club members was a trip to Langtry, Texas, "Law West of the Pecos," museum and West Texas country side cacti and plants that are native for this area.

Members met at 8:30 a.m. at the Ozona Church of Christ parking lot to start the day trip. Lunch was provided by club president Debi Hamilton. We all enjoyed fresh chicken salad sandwiches and brownies made by several club members, at the Pecos River High Bridge crossing road-side park. Four courteous club motor-bikers, three men and one woman, cheerfully joined us for lunch.

The business meeting was held "open-air." It was announced that a summer meeting will need to be called at a later time, and that will be phoned-called to members.

Pamela Maresch will present our plans for the triangle park "Butterfly Garden" to the upcoming Commissioners' Court

meeting for verification.

Three vitex trees have been purchased to celebrate Arbor Day. They will be distributed as decided.

Our Ozona club will be hosting a district convention in November of this year; date and plans will be established. Charlotte Harrell, our district representative, will be planning this event. Mrs. Harrell also addressed a fund-project to be considered to assist the tree and plant restoration of Cross Plains, Texas, destroyed earlier this year by a sweeping grass fire. Pamela Maresch made a motion to donate \$50 to this project; seconded by Carmen Sutton, and agreed upon by all. These funds will be distributed to the Cross Plains victims by Texas Garden Club distributors. Other projects were discussed and tabled for later consideration.

Our day-trip fellowship was a pleasant experience for attending members: Alice Brewer, Debi Hamilton, Charlotte Harrell, Pamela Maresch, Carmen Sutton, Jan Van Shoubrouek and Esther Williams.

## Mr. & Mrs. L.B. Cox III celebrate 60th anniversary

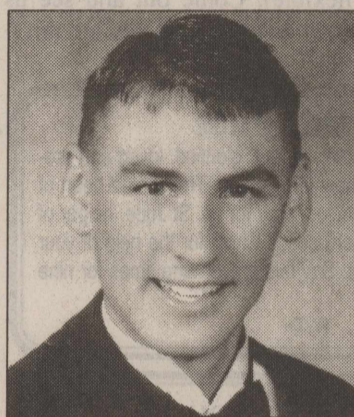

Mr. and Mrs. L.B. Cox III celebrated their 60th wedding anniversary on May 4, 2006.

The couple married on May 4, 1946 in Wichita Falls, Texas at the First Methodist Church. Following a honeymoon trip to New Mexico and Arizona, Bud and Marilyn took up residence at the Cox ranch southwest of Ozona. With their three children approaching school age, they purchased a house in Ozona and later built a new home, in which they still reside.

Bud and Marilyn have both been extremely active in the community and in the Ozona United Methodist Church. Bud has retired from ranching and Marilyn has retired as organist of the church. They both enjoy traveling. Throughout their marriage, Bud and Marilyn have shared their love and time with their children, their grandchildren and now, their great-grandchildren.

On May 6, 2006, a celebration was held in the couple's home marking their love and commitment toward each other and their family.

Those attending were: the couple's children and their spouses, Jay and Lynn Evans of Austin, George and Jackie Bob

Our nurses were presented with stem roses honoring them for National Nurse Week by DON Vicki Childress. We thank all our nurses for all the care and love they give our residents.

Volunteers for the week are E.A. Wadsworth R.N., Audrey Glynn, Brother John Collis, Judy Reagor, the Ozona Church of Christ, beauty shop ladies Colleen Kilgore and Rachel Ybarra, the Ozona Stockman, Ann Shaw, Lucy Hinde and Carol Adcock. Thank you all, you all are very much appreciated.

Friday afternoon, we honored our mothers here at the facility and May birthdays. We had punch, cake and fresh strawberries. Employees Belia Reyes, Flor Longoria, volunteer Rachel Ybarra and granddaughter Renee Payne serviced our residents. Thank you all.

Friday flowers for Mother's Day started arriving, making each mother very happy from loved ones close and far away.

Our birthday parties are sponsored by the Crockett National Bank. Thanks to them for the birthday cakes each month.

Please notice I need a month's notice for activities inside our outside the facility as our calendar is planned in advance.

Our Father's Day and residents June birthdays will be celebrated at 3 p.m. June 15 in the main dining room. Come honor our residents on this special day.

Have a good week from all of us here at the CCCC.

By **LYNN ENGLISH**  
Senior Center Director

We had our Pot Luck on May 10. A representative from Humana was here who had information about Medicare Part D and did sign up anyone who had not done so.

I just spoke with Betty Fields and Al had gone back to the hospital over the weekend but was home on Monday celebrating his 93rd birthday. Happy Birthday Al and we wish you many more.

Also going to the hospital this weekend were Lucille Littleton and Dorothy Montgomery. I haven't had an up date on either of these ladies but hope both are getting well and will be back with us soon.

Dee Keilers came in this morning with more puzzles from Rio Concho Terrace in San Angelo. We thank Dee for bringing them and the folks at Rio Concho Terrace for sharing them with us.

Several senior citizens went to San Angelo May 11 to the annual "Spring Fling." Those who went were Nell Wester, Jo Ann Babbitt, Lynn English, Carol Adcock, Jonny Johnson and Pamela Marsch. The event had volume of information for senior citizens. We were all happy that we had the opportunity to go.

If you need transportation to the Crockett County Senior Center, call Lynn English at 392-

9094. I will arrange a ride for you.

We have number of books to select from in our new bookcase. We also have magazines and a few recipes. The bookcase was placed in the hall across from our small kitchen here at the Senior Center.

Our exercise class, "Walk Two Miles" is still going very well. The exercise conditions you to begin your day. We meet to exercise by walking every Monday, Wednesday and Fridays.

The group of the "Two Mile Walkers" who are "Walking Across Texas" are still going strong. We are gearing up for first place if possible.

A group of 8-12 ladies are still coming to the Senior Center to play bridge. They are playing bridge every Monday and Thursday afternoon at 1:30 p.m. here. The ladies who come have such fun and bring smiles with them. Come by and let them cheer up your Mondays and Thursdays.

If you are a pool player we have a good pool table in the back room. Call your friends and get a game set up one afternoon. If you would like to teach pool, call Lynn English at 392-9094.

Hope to see you at our activities.

Our activities are for those of you ages 50 or over (we are flexible). Come out and see us soon and see what you are missing.

Levis and Lace Square Dancer

Tuesday night club members Leroy and Carol Adcock, Jim Couch, Renee Padier, Nell Wester, JoAnn Babbitt and Tina Jarvis had lesson with students Tammi and Danny Monzingo, and Barbara Jean and Tesla Caperton. Carol reviewed what they had been taught in the 2 previous lessons and the Tom Harrison from Abilene put everyone through their paces by putting it all into singing calls. Everyone had a great time and our students are doing great.

Saturday night club members Leroy and Carol Adcock, Raul and Maria De La Rosa, Jim Couch, Renee Padier, Dale and Sandy Beebe, JoAnn Babbitt, Lucy Hinde and Tina Jarvis accompanied by our students Barbara Jean and Tesla Caperton danced to caller Tom Harrison from Abilene. Carl and Pat Schlinke, Ernie and Sally Wolfe, John and Nora Geen and Jim Gross came to join us from clubs in San Angelo. Tom did quite a few tips that were practice for all of us but especially to help the students feel comfortable with dancing to a caller. Our birthdays tonight were for Renee Padier, Rita Rios (could not attend) and Dale Beebe we surrounded them and then sang happy birthday to them. Tom and Debbie Harrison were also celebrating their 1st wedding anniversary and we made a cake for them and also gave them badges and they are now members of Levis and Lace. We had a good crowd and Tom called to two squares, line dancing took place in between tips. Of course there was a lot of

26, 1920 and died Jan. 29, 1921 and Delana Ann Chadwick.

She is survived by her husband Ray Chadwick of Ozona; four sons, Robert R. King and wife Marilyn of Boerne, Morris W. King and wife Betty of Ozona, Johnny W. King and wife Pam of Crane and Dennis Chadwick and wife Nancy of Charlotte, N.C.; 11 grandchildren and many great-grandchildren.

food and conversation.

We had quite a few visitors tonight Nell Westers son Larry, his wife Connie and their daughter Rebecca and son Will Chin joined us. Jim Couch's daughter Anna Hill and her husband Stephen and their daughter Ashley also joined us.

Our next dance will be Saturday, May 20 featuring National caller Gary Bible from Austin. Everyone is welcome to come.

Keep it square and happy dancing!

**COUNTERFEITS**

Years ago my dad had to go down to the bank and talk to the bank president and the FBI because he was given some counterfeit money by one of their tellers. We kidded my dad about that for years. That event reminds me about a problem that we face in life. How can we tell if something is real or counterfeit in relating to God or the things of God? Remember, Satan is called a deceiver and liar, (John 8:44, Ephesians 6:10&11) and he wants us to believe or be involved in something that looks good, just not the real thing, (Matthew 7:15, 1John 4:1).

Knowing the Bible from cover to cover will help us spot the fakes, (2 Timothy 3:16). I have learned two ways that are easy to spot counterfeit Christianity or fake religion. One is they will always attack the word of God. Satan used this approach in the Garden of Eden, (Genesis 3:1-5). They try to discredit, change or modify or add other books to it. Another way is to attack the person or deity of Jesus Christ. If Gods word, The Bible, (Isaiah 40:8) and Jesus Christ are not who or what they claimed to be we are in great trouble because our sins are not forgiven, (John 14:6). Recently a new book and movie came out attacking on both of those points. I will not see them, they are counterfeits.

See you in Church next Sunday.

# House infesting ants

Nuisance ant species in the home, such as the Pharaoh ant, can be controlled using a variety of different methods. One method is baiting, using a self-made bait with boric acid as the active ingredient.

Pharaoh ants are omnivorous, feeding on sweets (jelly, particularly mint-apple jelly, sugar, honey, etc.), cakes and breads, greasy or fatty foods (pies, butter, liver and bacon). Nests are rarely found outdoors and are found almost anywhere indoors, such as light sockets, potted plants, wall voids, attics, in any cracks and crevices, particularly close to sources of warmth and water. Nuisance ants are often found in window sills where they feed on dead insects.

Proper identification of the nuisance ant species is an important first step to controlling them effectively. If red imported fire ants are found indoors, consider treating colonies outside the structure as described in the Texas Cooperative Extension publication B-6043, "Managing Red Imported Fire Ants in Urban Areas", also found on the web site, <http://fireant.tamu.edu>. Also, try following ant trails to find where their nest is located or if they are coming indoors from outside nesting sites.

Boric acid is a slow-acting stomach poison. It is commonly formulated as a dust or liquid bait for indoor control of ants. Boric acid powder can be purchased at any pharmacy to be used in making a home-made boric acid bait. For indoor situation, mix 1 part

boric acid powder per 100 parts bait material, i.e., 1 teaspoon per 2 cups of food material, to make a 1 percent bait.

For outdoor use, a boric acid solution can be made by mixing 1 teaspoon boric acid, 3 tablespoons sugar in 2 cups water, placing it in a container plugged with a cotton ball, and laying it on its side near an ant hill. However, organic gardeners feel that boric acid should not be used outdoors since it can be toxic to plants.

Effective bait formulations contain slow-acting pesticides that are collected by foraging worker ants and brought back to the colony where the pesticide is fed to the other ants queen(s) and brood.

Tips for success when using baits to control house-infesting ants include: Do not make the bait concentration of boric acid too strong, as this reduces its acceptance. The one percent bait is better than higher concentrations since it is less repellent to the ants and kills ants as efficiently. Keeping the bait fresh and moist. Use enough stations or material to treat the infestation. Enhance bait effectiveness by removing or covering other food sources which compete with the attractiveness of the bait. Avoid the use of any surface applications of long-acting contact insecticides (often applied to control cockroaches or ant trails) that would prevent foraging worker ants from being capable of reaching the bait station before and during baiting efforts.

Be patient for the baits to work. Three to four weeks or more may be required to eliminate some colonies.

Example for making a 1:100 Mint-Apple Jelly Bait Station:

- Step 1: assemble supplies:
- Mint-apple jelly
  - Boric acid powder
  - Foil
  - Soda Straws
  - Squeeze Bottle (marked "Poison")
  - Scissors
  - Spoon
  - Measuring sup & spoon (1/4 tsp)

Step 2: Add 1/4 tsp boric acid powder to 1/4 cup mint-apple jelly or other attractive material. (Note: adding peanut butter may make the bait more attractive to soil and grease feeding ant species). Stir well. Wash or discard all utensils after use. Do not use them for any other purpose.

Step 3: Squeeze mixture into soda straws cut into 2 inch lengths. Alternatively, cut foil into 2 inch squares on which to squeeze bait. Mark squeeze bottle "poison" with a description of contents. Do not use for any other purpose and keep out of reach of children.

Step 4: lace soda straws containing any bait or foil squares in area where ant activity has been observed. The more stations the better. Do not place stations where they may be consumed by small children. Monitor stations and refill as needed. Be patient for ant activity to cease.

Note: This bait may not be attractive to all ant species.

## Texas Garden Clubs, Inc. District VIII news

By CHARLOTTE HARRELL  
Director

The Texas Garden Clubs Inc. 2006 Spring Convention held April 23-26 in Ft. Worth, "The Joys of Gardening," was terrific! It's too bad everyone from District VIII couldn't have been present, but we were well represented among 156 attendees.

Programs enjoyed at the Ft. Worth convention included: Lawyer Quentin McGown IV's presentation of the history of Ft. Worth in narrative and pictures; "Creating Magical Spaces" by Jane Taylor, founding curator of the Michigan 4-H Children's Garden and adjunct faculty member in the Department of Horticulture at Michigan State University; the history of D. Landreth Seed Co. and Heirloom Seeds by Barbara Melera of the Landreth Seed Co. in Baltimore, MD; "Taking the Mystery out of Growing Orchids," by Doty Woodson, County Extension Agent for Texas Cooperative Extension in Tarrant County; "Painting with Pressed Flowers," a workshop by Lillian May; Tea at TGC Headquarters to include Celebration of Arbor Day with the dedication of a "Freedom Tree" and installation of Blue Star Memorial Marker sponsored by District X; tour of D&B Orchid greenhouse led by Doty Woodson and her husband Berry; tour to the eight-acre garden of Anne H. Bass hidden behind thick forest of trees and shrubs in the Westover Hills of Fort Worth. The modern house is by architect Paul Rudolph, and the gardens by English landscape architect Robert Zion. Finally, participants of the convention enjoyed a super flower show, "The Wisdom of Dr. Seuss."

The April issue of the *Lone Star Gardener*, quarterly magazine of the Texas Garden Clubs Inc., featured information about District VII, giving our district much appreciated recognition.

Of great importance, all voting members at the Texas Garden Clubs, Inc. Fort Worth convention approved the Cross Plains Tree Rescue Project. Cross Plains was devastated by fire last December, and many Texas Garden Club members, led by State President Carol Russell, felt that Texas Garden Clubs should join to help Cross Plains restore many trees and shrubs killed by fire. After approving this special

project, the hast was passed and \$1,104 was collected on the spot. It is hoped that all club presidents will ask their members to contribute to this fund during the next year. Contributions to this fund should be made payable to **Texas Garden Clubs, Inc., designated for "Cross Plains Tree Rescue Project."** This is presently a one-year project, which will be re-evaluated at the beginning of the next administration to determine if it should be continued.

Our District VIII clubs were mentioned frequently during the convention's Award Ceremony. Thanks to the talent of Jerri Lynn Pierce of **Ozona Garden Club**, their scrapbook was number one in Texas. A 5th grade student from Big Lake won first place for his Environmental poster, which the **Reagan Garden Club** submitted. Two fourth grade students from San Angelo won third place and honorable mention, respectively, for their U.S. Forestry posters, submitted by the **San Angelo Garden Club**. The **Merkel Garden Club** received a Presidential Citation, "honoring their vision, perseverance and endurance" for completing a

5-foot high rock fence, enclosing the community cemetery begun in 1958 and completed in 2006.

The Texas Garden Clubs Inc. Nominating Committee presented a slate of officers for 2007-2009, which included District VIII member **Jo Ann Denison of Stamford** for Treasurer.

Texas Garden Clubs Inc. was pleased to report that we have an increase in membership for the first time in eight years. We have 429 clubs, 21 councils and 12,757 members statewide. Districts 2, 3, 6 and 7 increased their memberships. Four Texas Garden Club scholarships were given this year, and contributions of \$4,568 were received.

The Texas Garden Clubs Inc. Fall Convention 2006, "Grow West with Sun, Sage and Song," will be held October 19, 20 and 21 in El Paso.

The Ozona Garden Club looks forward to hosting the fall District VIII convention in Ozona November 10-11, 2006 along with the Reagan Garden Club of Big Lake, the Mildred Parker Garden Club of Iraan and the Yellow Rose Garden Club of Rankin.

## ATTORNEY: Mason intends to remain in office until end of term

from page 1

the county attorney's resignation and appointing a new county attorney. This agenda was posted after the 72-hour requirement, Mason stated in his letter.

During the meeting, the commissioners approved Mason's resignation and approved a motion to appoint Steve Taliaferro as county attorney.

In a letter from County Judge Johnny Jones to the members of the Crockett County Commissioner's Court, and also to Taliaferro, it states: "Enclosed are the documents presented by County Attorney Bill Mason. Mr. Mason has informed me that he intends to remain as Crockett County Attorney and has withdrawn his letter of resignation. No action is required by the Crockett County Commissioners' Court on this matter."

In another letter by Mason, filed May 10, Mason states that he "intends to continue office until the end of the term for which I was elected." Mason's term ends at the end of 2008.

**LUCINDA BIRKENFELD** traveled to Fort Worth to compete in the Texas Classic Junior Show and the Texas Color Classic Open Boer Goats. In the Junior show LuCinda had the Over-All Grand Champion Boer with this Yearling Buck, plus she exhibited the Grand Champion Senior Buck and the Grand Champion Junior Buck. This same Buck turned around and competed in the open show against all Breeders and was the Over-All Grand Champion Buck. LuCinda's next show is the National American Boer Show and Junior National ABGA show in West Monroe, La. Pictured is LuCinda and Judge Reggie Phillips of Odessa.

## TENNIS: Moore made final run 'truly special'

from page 1

to expect for my senior year," Moore said.

In her first match, Moore defeated Kara Orsak of East Bernard 6-2, 6-1.

In the semifinals, she then defeated Kendra Casey of Franklin 6-0, 6-0.

In the finals, Moore was defeated by Brittni Fausett of Winona 6-1, 6-0. Fausett has defeated the defending two-time state champion Cally Woerner in the semifinals.

"As you may know, to take your tennis to the next level, it takes quite a bit of money for so many expenses, such as camps, lessons, academies, just all the traveling required is a strain. Since it was my senior year, I didn't want to put that much of a strain on my family. I knew I didn't have the same kind of training I did my junior year, so wasn't sure what to expect, but what ended up happening, I relaxed more and knew I would have to try harder and I really and truly enjoyed each match I played," Moore said.

"After her last match, I told her I could not think of a better place to play her final high school match than in the finals of the State tournament at UT. We talked earlier this season about this being our 'final run', and she made it truly special and I will always be grateful to her for that. I am just so very proud of Jessica and everything she represents as a young woman, student, mentor, and person," added Coach Rick Bachman. "She deserves every-

thing she has achieved this year as it takes a tremendous amount of time, effort, and desire to be able to get to State in tennis, and she was able to do it two years in a row and bring home a medal both times. Her singles record for the past two years stands at 70 wins and only 5 losses for a 93.33 winning percentage, which is truly phenomenal. I have been so fortunate over the years to have had the privilege to work with some great tennis players, and Jessica will always be at the very top of that list."

Moore won every tournament she competed in this year, as well as was the District 2-AA champion and the Region I-AA champion.

"Each tournament I won, especially the Mason tournament, was so exciting, and such a thrill. What was also so exciting was all the friendships I developed along the way, and it was amazing to have so many people from so many towns supporting me, beginning with my own 'little town,'" Moore said. "I had the best support group here, people like Tom, Corina, and Devon Diehl, Coach Bachman, Wendy Justiss, and all my teammates who all never told me no when I wanted to play. I learned so much from each of them. I just want any little girl or boy to know that no matter what your size, shape, or handicap may be, if you want something bad enough, great things can happen with hard work and determination."

## Victoria Miller, Jared Espino named Mr. and Miss OHS

Victoria Lauren Miller and Jared Lance Espino were named Miss and Mr. OHS during the May 10 Academic Awards Ceremony.

Victoria is the daughter of Rod and Kim Miller.

She is a magna cum laude graduate and has participated in basketball, softball, track and rodeo all four years of high school. She was also a state qualifier on the Texas High School Rodeo all four years.

Victoria has been on the Computer Science Team during high school and regional champion for three years and state champion her senior year. She is also a member of the National Honor Society, was voted "Most Beautiful" of her senior class and is THSRA Secretary, AJRA President and on the Wrangler All Star Team.

Victoria plans on attending Tarleton State University this fall where she will major in computer science and compete on their rodeo team.

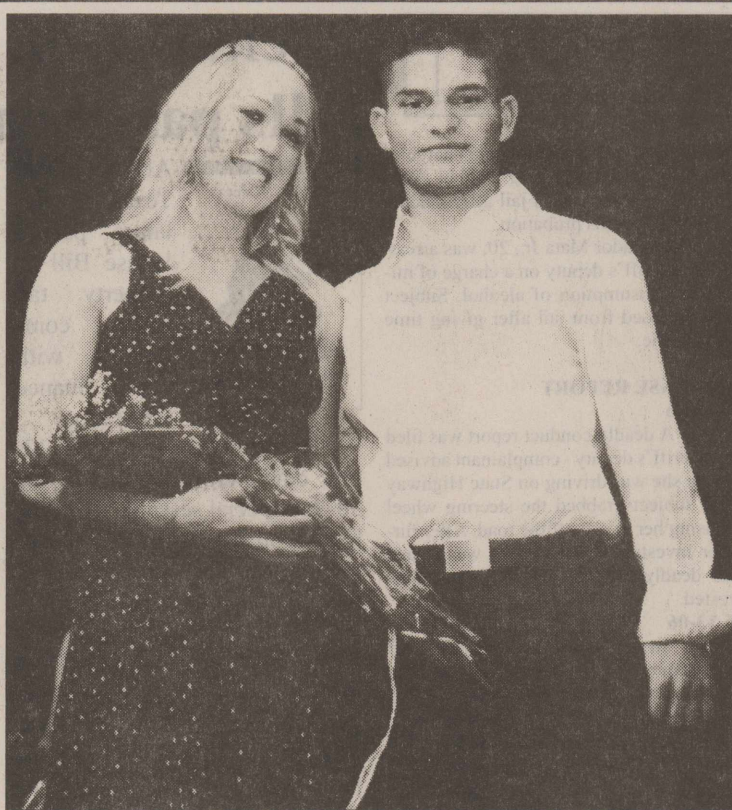

Jared is the son of Alicia Espino and Paul Espino. He participated in football, tennis, baseball and track. He received the Defensive Football MVP, Fighting Heart and Outstanding Male Athlete awards.

He was also nominated for "Best Dressed" of his senior class.

Jared plans on becoming an automotive technician and opening his own business.

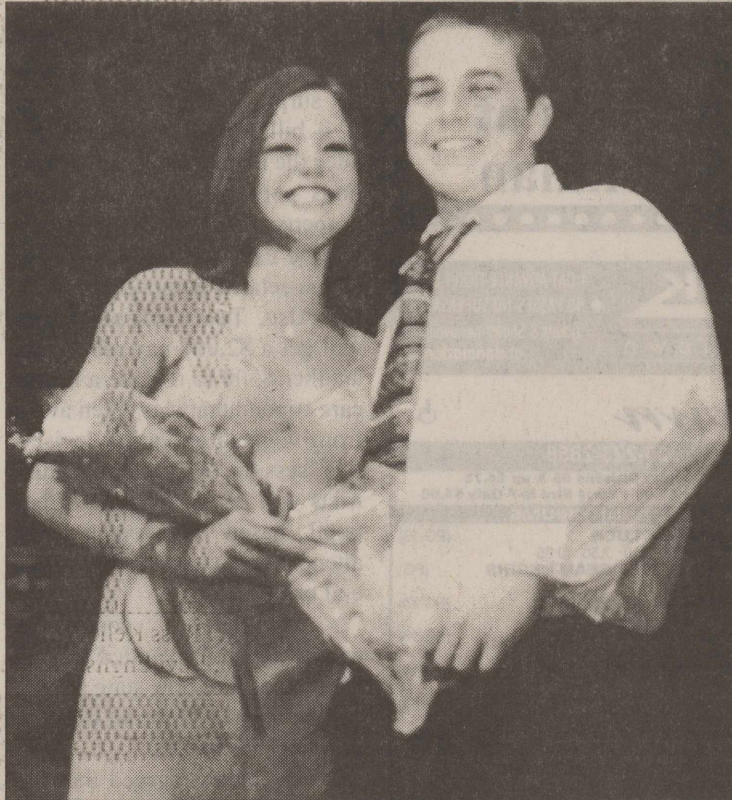

Miss and Mr. OHS Runner-up are Allison Skehan and Drew Clayton.

Other nominees were: Jasmine Tambunga, Jessica Moore, Michael Maldonado and Daniel Cruz.

Package of tax reform bills pass, head to governor

AUSTIN - The Texas Legislature passed House Bill 1: property tax relief combined with school finance legislation. Passage came on May 12, four days before the end of the 30-day special session, when the House on a vote of 136-8, approved Senate amendments to the bill.

Also, Texas schoolteachers will get a \$2,000 pay raise, plus another \$500 to replace a health care stipend that was taken away from them in an earlier legislative session. ... Lawmakers agreed that the legislation, while not perfect, is good enough for now, and that it can be improved in the next regular legislative session, which begins in January.

### We mark the spot.

At El Paso Natural Gas, one of the ways we serve energy needs is by operating underground natural gas and natural gas liquids pipelines in this area. A recognized leader in safety and compliance, El Paso Natural Gas is committed to preventative safety practices. We mark all of our pipelines with warning signs that include emergency contact information.

Pipelines are the safest mode of transportation today, surpassing highway, rail, air, and water.

#### At any time if you:

- Smell a natural gas or petroleum odor
- Detect soil erosion or discolored vegetation near the pipeline
- Hear a hissing sound
- See dust blowing up from the ground
- See a vapor cloud or pool of liquids
- Observe construction or other activity near the pipeline
- Observe bubbles in bodies of water

Please call us immediately at 1-800-334-8047, or call 911 for emergency services.

#### Dig Safely.

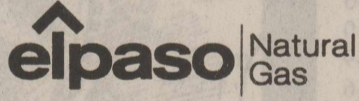

Before you begin work near the pipelines, please contact your state One Call center. One Call will inform us of your activity, and we will dispatch a company representative to mark the location of the pipeline in the vicinity at no charge. Your safety is important to El Paso Natural Gas.

The One Call number for New Mexico is 1-800-321-ALERT.

The DigTess number for Texas is 1-800-344-8377

### Marcamos el lugar

En El Paso Natural Gas, una de las maneras en las que satisfacemos las necesidades energéticas es mediante la puesta en funcionamiento de gasoductos de licuados de gas natural y gas natural subterráneos en esta área. La compañía El Paso Natural Gas, como líder reconocido en seguridad y acatamiento de normas, está comprometida a llevar a cabo prácticas de seguridad preventiva. Marcamos todos nuestros gasoductos con señales de advertencia las cuales incluyen información de contacto para emergencias.

Hoy en día, los gasoductos son el modo de transporte más seguro, sobrepasando incluso niveles de seguridad de carreteras, rieles, sistemas de aire y agua:

#### Si usted en cualquier momento:

- Percibe un olor a gas natural o petróleo
- Detecta erosión en el suelo o vegetación descolorida cerca del gasoducto
- Escucha un sonido de silbato
- Ve polvo soplando desde el interior del suelo
- Ve una nube de vapor o una charca de líquidos
- Observa construcción u otra actividad cerca del gasoducto
- Observa burbujas en consistencias de líquidos.

Por favor llámenos inmediatamente al 1-800-344-8377, o llame al 911 para asistencia de emergencias.

#### Dig Safely.

Antes de que comience cualquier trabajo cerca de los gasoductos, por favor contacte a su centro de llamadas One Call de su estado. El servicio One Call nos informará de su actividad, y enviaremos un representante de la compañía para marcar el sitio del gasoducto en el área circundante sin costo alguno. Su seguridad es importante para El Paso Natural Gas.

El número telefónico One Call para New Mexico es el 1-800-321-ALERT.

El número telefónico Dig Tess para Texas es el 1-800-344-8377.
