

Montgomery And Henry Honored At Annual MHS Athletic Banquet

Everyone is happy in the above picture showing the winners of the '54-'55 Fighting Heart awards, and their coaches. They are from left to right: Doyle Henry, Coach Leroy Scott, Jean Montgomery, and Coach Bill Taylor.

Dedication And Note Burning At First Baptist Church

The final note of indebtedness against the First Baptist Church here will be burned in a ceremony on the coming Sunday morning. Rev. E. K. Shepherd, pastor announces.

The ceremony will be in formal dedication of the church building. It is completely free of debt.

Rev. A. W. Blaine, of Sherman, former pastor for several years, during whose pastorate the building was erected, will bring the dedication sermon. He and his family will visit old friends in Muleshoe during their stay.

Former members, wherever they live now, all present members and visitors will be made welcome at this ceremony, which will be at the regular

There will be some special music and Mrs. Byron Griffiths, a long time member, will relate the history of the church.

Alfalfa Harvest Begins Next Week

Alfalfa harvest will begin in the Muleshoe country next week. The alfalfa mill here will begin dehydrating Monday. Arlys Leveridge, manager told The Journal. He said several fields are about ready for harvest.

Likely the mill will operate with one crew until the season gets a little further along.

However, the mill has not been idle, in fact a crew of 10 has had about all it could attend to during the winter months. Since the regular dehydrating season ended early in November, the local mill has been processing baled hay, pelleting hay from Colorado, repairing and cleaning machinery.

During the busy season the local mill employs a large number of men and has one of the largest payrolls in this immediate territory.

STRAW HAT DAY IN MULESHOE SATURDAY, MAY 7

A PROCLAMATION

WHEREAS Spring has come to the West Plains and the season of bright sunshine and warmer weather is just beginning, and

WHEREAS it is therefore time for all good men to blossom forth with a lighter, brighter, more comfortable headdress, and one that will be more becoming to him as well, and

WHEREAS our fine men's clothing stores have laid in ample supplies of these said more comfortable and more becoming headwear of the latest styles:

NOW, THEREFORE, I, W. T. BOVELL, Mayor of the City of Muleshoe, Texas, do hereby proclaim Saturday, May 7, 1955, as STRAW HAT DAY IN MULESHOE, and I earnestly solicit the cooperation of all male citizens hereof of the age of 15 and over to the end that we shall on this day eliminate all felt hats, the symbol of winter and cold weather.

Done in the City of Muleshoe This the 5th day of May, 1955 by W. T. BOVELL, Mayor

Mail Box Week Is Designated

U. S. Post Office Department has designated the period, May 15 to 21 as "Rural Mail Box Improvement Week". A. J. Gardner, local postmaster announces.

Postal Service News in its May edition says:

It has been aptly stated that a rural mail box is not only an article of utility but the front door of the home it serves. And when it is realized that nearly nine and one-half million families were served by rural routes as of June 30, 1954, the importance of postal employees impressing on patrons the need for neat and efficiently operating rural boxes can not be overemphasized.

The Department is hopeful of an aroused interest in mail box improvement and that the week this year will be one of much progress in this direction.

'55 School Term Nears The End

Mills To Open New Machine Shop

L. J. "Les" Mills is announcing the establishment of a new machine shop for Muleshoe, to be known as the Mills Machine Shop. It is located on Sudan Highway at the corner of East 3rd, across from Muleshoe elevator.

Mr. Mills has been for several years the shop foreman at Fry & Cox Bros., local M-M machinery dealers.

He will do general blacksmithing, welding, irrigation pump repair, gin work, etc.

Machinery is being installed this week as it arrives and the new firm will probably be open for business by next week.

DARLA MYERS Salutatorian

ELIZABETH ANN FARLEY Valedictorian

Commencement exercises for graduates of Muleshoe high school, 1955, are set for Tuesday evening, May 17, in the school auditorium. Sixty-two boys and girls are listed on the senior class roll.

Valedictorian of this year's class is Elizabeth Farley, daughter of Mr. and Mrs. John Farley. Elizabeth had a four years high school average of 96. Salutatorian is Darla Myers, daughter of Mr. and Mrs. Ed Myers, whose 4-year average is 93.

Sue Atkinson wound up in third place with an average of 91.07, and Jean Montgomery is in fourth place with 91.

Commencement Program The commencement program is outlined as follows:

Processional — "Pomp and Circumstance", Elgar, Betty Shanks, pianist.

Invocation — Rev. James Todd, Salutatorian, Darla Myers, Valedictorian, Elizabeth Farley, Introduction of Speaker, Jerry R. Kirk.

Address, Dr. E. N. Jones, president, Texas Tech College.

Presentation of Awards, J. E. Baker, high school principal.

Presentation of Diplomas, Buford Hunt, member board of trustees.

Alma Mater, Senior Class.

Benediction, Rev. J. E. Moore.

Baccalaureate May 15

Rev. E. K. Shepherd, pastor of the First Baptist Church will bring the sermon for baccalaureate services scheduled for Sunday evening, May 15, in the school auditorium, at 8 o'clock. The program follows:

Processional — "Largo"—Handel; Betty Shanks, pianist.

Invocation, Rev. Clarence Stephens.

"Adormus Te", Clemens; and "Holy Lord God", Cain; high school A Capella choir.

Introduction of Speaker, Supt. Jerry Kirk.

Message, Rev. E. K. Shepherd.

Class Song, by Billy Ellis; senior class and choir.

Benediction, Rev. R. V. Luna.

Recessional — March from "Aida"—Mozart; Betty Shanks, pianist.

While he was confined to his home with a siege of the mumps, senior Billy Ellis composed the words for the class song, which reflects great credit on one of the outstanding members of the class of '55.

Seniors, 1955

Sue Atkinson, Carl Adair, Pat Wright Arnold, Mary Alice Baker, Virginia Miller Beller, La Vonne Bessire, Darlene Black, Lou Ann Agee Black, Jerana Bradley, Wayne Bristow, Bobby Brown, Hinderk Brun, Glynn Morrison Buhman, Keith Buhman, Wanda Cherry.

Wanda Joyce Clements, Bettie Collins, Ralph Cooper, Randall Craig, Elmer Davis, Clinton Dillard, Barbara Douglas, Billy Ellis, Dwayne Epling, Elizabeth Farley, Dwayne Farr, Myra Foster, Peggy Fried, R. L. Gabbert, Ginger Gaede, Ingle Gatewood.

Winona Glenn, Alice Dawson Harvey, Leon Harvey, Texann Holdeman, Cloyce Hunt, Joyce Hunt, Jerry Inman, Loy Jackson, Jack Jones, Mary Lou Lambert, Charles Lenau, Carol Buhman Mann, Ernest Martin, Marlene Black Martin, Mona Mitchell.

Jean Montgomery, Don Moore, Darla Myers, Roger Pool, Rosemary Pool, Paula Proven, Maxine Pugh, David Sanders, Donna Wright Shaw, John Stevens, Gaylord Tate, John Thomson, Karlene Towns, Sharon Wilemon, Jira Wilkerson, Gorden Wilson, Sonja Young.

Employment Up In Co. During April

Maurice Oden of the local Texas Employment Commission reports a small increase in placements for the month of April. In non-agricultural jobs he made 49 referrals of which 46 were placed in jobs. In agricultural work he referred 85 persons, and 41 of these were hired. This made a total of 87 placements for the month, 80 placements were made in the month of March.

Oden requests that all school children desiring to work this summer contact him as soon as possible so that he may get applications from them. For the convenience of the school children he will be in his office, located in the Bailey County Courthouse, each weekday after 4:00 p.m., and will keep his office open on Saturday mornings until school is out. He expects to have quite a few jobs open for young people, both boys and girls, this summer.

THE MULESHOE JOURNAL

THURSDAY, MAY 5, 1955

Koreans Need More Hand Tools

That Secretary of National Defense Charles E. Wilson will come to Texas to dedicate the Friendship for Korea was reported by Rev. Carroll M. Jones, pastor of Progress Methodist Church, and district coordinator for CROP after attending a meeting of the Knife & Fork Club in Lubbock where Dr. You Chan Yang was principal speaker. Rev. Walter O. Parr, CROP director for Texas also was at the meeting.

Since the secretary, Rep. George Mahon, and other Washington dignitaries plan to attend the ceremony at Houston at the departure of the ship bearing Texas gifts for Korea, the date for its sailing has been changed from June 15 to June 20, Rev. Jones said.

President Eisenhower himself has shown an interest in the Texas effort, and has messaged: "God bless you in the work."

Rev. Jones is making almost daily appearances before clubs and groups of the area, is personally helping to accumulate the gifts, and will go on the ship to Korea, there to help distribute Texas folks' gifts.

And how is the program progressing in Muleshoe and surrounding area: "Both good and bad", Rev. Jones answers. "Every group that allows me to present the cause responds in a most wonderful way. Our schools have been most receptive. For instance, Muleshoe schools (all grades) have contributed \$84.52 to date.

"It is encouraging", he continued, "when our youth show such genuine interest. The senior class of Sudan high gave \$25 out of their funds and the FFA of that school gave a sewing machine. In Amherst the FFA gave \$44 and the pep squad gave \$25.

"Several individuals in this area have given \$100 and many have given from one to 4 pigs. One man has given a combine. The Muleshoe Chamber of Commerce plans to give a team of mules and a wagon. At least 20 sewing machines have been contributed by women's groups, clubs, and individuals. Approximately 1200 pounds of hoghead seed have been pledged and 500 lbs. of castor bean seed.

"The most disappointing project thus far has been that of securing hand tools and supplies. Trailers were parked according to arrangements at the courthouse and the schools to receive supplies Tuesday, May 3. Five women spent the day at these trailers to register the gifts. Outside of seed that had been promised, about six bits worth of used tools were brought in."

How about the support from the churches? One small club reports 12 pigs, 1 heifer, 2 sewing machines, 1200 pounds of seed, and other small articles. Another reports the equivalent of \$125 in cash. A men's group has given a pig. "I trust that the churches will not fail Texas Friendship for Korea", Rev. Jones concludes.

HERE AT HOME

By J. M. FORBES

DISASTER DEFENSE

Here in Bailey County we are, on paper, organized to cope with a disaster, but few people take any interest in this matter, although it ought to be plain that to be prepared and braced for the worst is only common sense and just might save a life.

Though we do not give a great deal of thought to defense, it is different in the cities, where people are anxious to accept jobs in their neighborhoods to help care for the injured, maintain order, restore needed service.

At San Antonio a young man in the family takes his assignment seriously, gives time and thought to prepare himself for his responsibility in case of emergency. A woman relative in another city considers resigning her job with the railway company in order to help organize the women of her part of town, whose duty, she thinks would be to get the children out of the city and to a safer place because it might be the men folks would be at work.

These folks will come back to civil defense as a subject of conversation every now and again. A large number of them are, for instance, taking to heart the CDA's recommendation that families and individuals keep a 7-day reserve supply of food and water on hand as a home defense against nuclear attack.

A person who watched the televised recording this morning of the large A-bomb blast in Nevada ought not to have difficulty in imagining what would happen should one of our great cities ever be the target for such bomb. Maybe we better get better acquainted with our own plans in case of a catastrophe.

REVOLUTION IN TEXAS AGRICULTURE

A recent publication by the Texas Agricultural Experiment Station of the A. & M. College shows that the farm population in Texas is now less than it has been at any time since the 1870s. The number of persons residing on farms and ranches in Texas on April 1, 1954 was 1,126,000, as compared with 1,387,000 in April, 1950, and 2,359,000 in 1930. Farmers and ranchers constituted 40.5% of the total Texas population in 1930, 33.7% in 1940, 18.3% in 1950, and 13.7% in 1954.

The number of farms in the state decreased from 495,000 in 1930 to 418,000 in 1940, 332,000 in 1950, and still further to 281,000 in 1954. The average acreage per

All Out Cancer Drive Is On

Muleshoe JayCees have put the full might of their organization behind Bailey County's drive for funds to fight cancer. They have secured the cooperation of Johnson-Pool, local appliance dealers, in giving a Whirlpool Automatic Washer, valued at \$299; and of Piggly Wiggly in giving a \$25 basket of groceries to some contributor to the fund.

An all out campaign for funds is being started this week. Governor Allan Shivers has designated the entire month for Texans to rally behind the effort to help wipe out cancer.

Tickets are being sold by the JayCees that will give the donor to the cancer fund a chance at the prizes mentioned above.

Gilbert Lamb, chairman of the drive this year, has invited the

support and cooperation of Sunday School, clubs, and other groups of the country who desire to help in the fight on this great killer.

He pointed out that: Cancer kills more children from 3 to 15 than any other disease.

Cancer strikes one out of 4 persons, 2 out of every 3 families. 75,000 were saved from Cancer last year, but twice that many could have been saved with the knowledge possessed.

One-third of the requests for money to carry on research were turned down for lack of funds.

Between 40 and 50 Cancer patients have been in our own hospital here in Muleshoe in the last 6 months!

In all literature distributed by

Murl Wilson Is Elected Chairman Bailey County Red Cross Chapter

The Bailey County Red Cross met in the District Court Room in the Courthouse Tuesday evening to elect officers and discuss disaster plans.

Following officers were elected: Murl T. Wilson, county chairman; Senn D. Slemmons, vice-chairman; Clio Middlebrooks, disaster chairman; Travis Reed, home service chairman; Milton Forbes, public information chairman; Ernest Kerr, treasurer; and Dorothy Barron, executive secretary. The board of directors are: Mrs. Buford Butts, Bill Wilson, Gene Winningham, Mrs. Gene Winningham, B. F. Blackman, Robert Blackwood, W. E. Myers, and Harvey Bass.

The chapter voted to have quarterly meetings of the officers and board of directors. Meetings to be held the 2nd Thursday of the first month of each quarter. The next meeting is to be held Thursday evening, June 9.

Jim Watson, Red Cross Field farm and ranch in Texas in 1930 was 252; in 1940, 329; in 1950, 438; and in 1954, 517.

Another interesting fact is that the per cent of tenancy of Texas farms and ranches was 61% in 1930, 49% in 1940, 30% in 1950, and 25% in 1954. During this period the so-called "share-croppers" almost vanished. There were 105,122 in 1930 and only 11,668 in 1954.

Lubbock Rites For James K. Jackson

Funeral services for James K. Jackson, 76, Shallowater, were held at 2:30 p.m. Tuesday, at the Broadway Church of Christ, Lubbock, with Dr. M. Norvel Young, minister officiating.

Burial was in the Abernathy Cemetery under the direction of Rix Funeral Home.

Jackson, a ginner, had lived in the Shallowater vicinity for the past 25 years.

Survivors are: his wife; three daughters, Mrs. Arthur Crow, Muleshoe; Mrs. Berch Scott, Shallowater; and Mrs. Jimmy Harral, Lubbock; a son, Herbert W., Rt. 2, Anton; a brother, John W. of Gainsville; a sister, Mrs. Dela Gardner, Forestburg; seven grandchildren and five great grandchildren.

Pallbearers were six grandsons, Aubrey Tucker, Wayne Tucker, Gene Don Harral, James Crow, Johnny Crow, and Jerry Jackson.

Honorary pallbearers were: Roy Riddle, D. M. Henderson, Tom Simmons, O. L. Peterson, Dixon White, A. A. Roberts, Bill Roberts, and C. O. Campbell, all of Lubbock; C. P. Young, Bill Moore, G. P. Wright, and Nolan Trantam, all of Wolforth; L. B. Young and C. C. Shipman, both of Abernathy; J. U. Cone, Hubert Gentry and L. L. Anderson, all of Shallowater, and Ray Griffiths, Muleshoe.

Filing Cabinets, file folders, file guides at The Journal Office.

Nazarine District Conference Meets At Plainview Soon

The Nazarene Conference will convene in Plainview next week, J. E. Perryman, minister of the Nazarene Church here reports.

On Monday, the Young People will meet, then on Tuesday there will be the Missionary Convention. Wednesday, the District Assembly of the Abilene District will convene.

Delegates from Muleshoe are: Rev. J. E. Perryman and Mrs. Perryman, Mrs. Joe Peugh, Mrs. B. F. Orteg, W. M. Daniel, Mrs. Alfred Ratliff, and Mrs. Charles Long.

Dr. Hugh Benner, General Supt., will preside over the assembly.

Rev. Perryman announces

also, that there will be a special Mother's Day program at the Church in Muleshoe the coming Sunday, beginning at 9:45 a. m. The message will be given at 10:45, and is entitled, "The Great Mother Heart of God".

Youth services will be held at 7:30 in the evening followed by the Evangelist service at 8:00. Wednesday evening at 8:00 will be the regular prayer services.

Rev. Perryman extends a cordial invitation for all to attend services at the Nazarene Church.

OES Elected New Officers Tuesday

Officers for the coming years of 1955-56 were elected when the OES met Tuesday evening at Masonic Hall.

Open installation will be held June 9, at the Masonic Hall here.

Officers elected are as follows: Mrs. Lola Bray, worthy matron; W. F. Creamer, worthy patron; Anna Lucy McAdams, assistant matron; Albert Nowell, assistant patron; Mary Farley, secretary; Micky Bryant, treasurer; Myrtle Creamer, chaplain; Hazel Nowell, marshal; Margaret Epps, organist; Hazel Welch, warden; Louise Busbice, sentinel; Star Points: Lorena Thomson, Ada; Callie Smith, Ruth; Mildred Wingo, Esther; Ada Thomson, Martha; and Jewel Strong, Electa.

Committees will be appointed by the new worthy matron.

A report was made on the School of Instruction which was held recently in Plainview. Several members received A and B certificates. A report was also made concerning the accessories sent as a gift to Mrs. Annie Bush, adopted sister of the Lodge here, who is in the OES Home at Arlington. The accessories were a gift for the Homecoming at the Home.

Refreshments were served by Ruth McCarty and Iris Butts.

Sculptured pine, hand-burnished to give it a soft, deep lustre, makes a very lovely and unique vanity. Comfortable reflection is given by a large, long mirror. The drawers are spacious and well-placed to provide storage for the necessary toiletries, with room to spare for lingerie, and any additional items. This vanity is from a bedroom grouping, appropriately titled, "Natural Modern".

29 Attended HD Recreation School

Twenty-nine persons attended the Bailey County Home Demonstration Clubs recreation school, Monday and Tuesday. Mondays meeting was held in the Community Center at Needmore, while Tuesdays meeting took place in the District courtroom in Muleshoe. Miss Lucille Moore, Extension Service Recreation Specialist was in charge of the two day meeting.

The workshop was held in connection with the clubs demonstration on family recreation and with National Home Demonstration Week. Knowledge of recreation and its possibilities are one of the needs of many families today, and Bailey County club ladies are trying to learn more about it.

During her talk Miss Moore stated that "anything anyone does, that isn't to earn his bread and butter, is considered recreation". "Everyone needs to let off steam some way, some time, and recreation is one good wholesome way to do it", Mrs. Moore added.

The group planned a party or Tuesday afternoon.

Those attending the two day meet were: Mmes. Totsie Lemons, Hoyt Tiller, Billie Bell, Dana Arnold, Zezza Shafer, Louise Fullerton, Janey Moraw, S. L. Bushice, A. L. Jones, N. E. Harding, Juaree Smallwood, June Smballwood, Fern Davis, Ruby Jane Batchelor, G. T. Maltby, Roy Carney, S. C. Caldwell, A. W. Copley, J. E. Day, C. H. Gillis, Mary Ratliff, Maurice Oden, Louis Jordan, Katherine Cole, Joe Prater, Bayne McMurray, Mollie Stinson, and Miss Moore.

Necchi Club To Donate \$10 To Cancer Fund

Necchi Club met the past Thursday, April 28, at 8:00 in the evening at the Harvey Bass Appliance Store.

Bob Kelly gave a very interesting talk on "The Muleshoe Water". Analysis was made of water from various parts of the county, and it was found that a large

percentage of the water was high in iron and PH value. Also, that most of the water was very hard. The club voted to donate \$10 to the Cancer Fund.

Club will meet at the same time and place on May 26. As new officers will be elected at this meeting, all members are urged to attend.

Baptist Girls Meet And Elected New Officers For Year

The Character Builders, composed of twelve year old girls of the First Baptist Church in Muleshoe held a Sunday School meeting May 1, and spent the day with their teacher, Mrs. Gaddy.

The following girls were present: Norma Hennington, Sandra Henexson, Roxie Rush, Doris Ann Gilbreath and Sharon Moses.

After dinner, games were enjoyed and a business meeting was held. The following officers were elected: president, Norma Hennington; vice-president, Sandra Broyles; secretary, Sandra Henexson; assistant secretary, Roxie Rush; treasurer, Doris Ann Gilbreath; reporter, Sharon Moses.

The meeting closed at 6:30 following a delicious supper.

TEL Class Met With Mrs. Bray

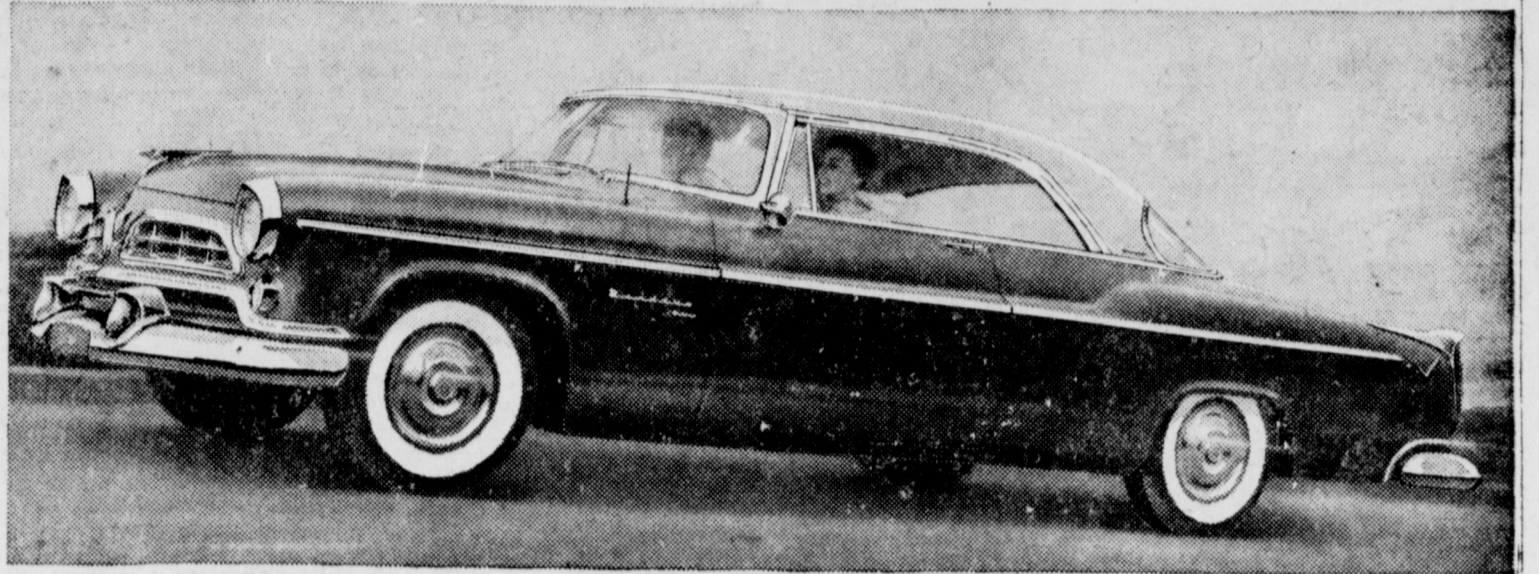

Mrs. A. C. Bray hosted members of the T. E. L. Class of the First Baptist Church Tuesday afternoon of this week.

Mrs. Beulah Carles, president, was in charge of the business meeting. Opening prayer was given by Mrs. Motherall, and Mrs. Mary Evans read the devotional, taking Scripture from Proverbs.

Mrs. Benson gave a poem, and reports were given by group leaders. Also a report was made by the secretary, Mrs. Lois Shook. The class discussed quilting for the Orphans Home, and decided to meet and quilt in the dining room of the church Tuesday of next week.

Delicious refreshments were served to ten members one one visitor.

Now- come take the "100-Million-Dollar Ride!"

It's an unforgettable experience . . . just lift up the phone and we'll bring a brand-new Chrysler to your front door!

IF YOU HAVEN'T YET driven America's dazzling new style leader, you've been missing out on a tremendous thrill!

There's so MUCH here to please you . . . including the world's most powerful type of V-8 engine, the silken-smooth acceleration of PowerFlite fully-automatic Drive, and the one and only Full-time Power Steering. Giant Power Brakes match greater "Stop" power with Chrysler's greater engine power.

And with double-strength Ori-flow shock absorbers, you can face up to the roughest roads without a qualm.

We're eager for you to experience Chrysler's "100-Million-Dollar Ride" and we'd like to bring a beautiful new Chrysler out to your home . . . just phone us whenever you wish.

Of course, if it's more convenient, stop in at our showroom. You'll get a hearty welcome any time!

Study Club Met With Mrs. Watson

Mrs. Julian Lenau was in charge of the program last Thursday afternoon when the Muleshoe Study Club met in the home of Mrs. John Watson.

Mrs. Lenau gave a very interesting program on Federation, entitled, "Our Founders On Parade." She gave the history of the first organized clubs in the United States, and related some of the highlights in the lives of several women famous for their work in organizing women's clubs in Texas.

Mrs. Buck Ragsdale gave a report on her trip to the Texas Federation of Women's Clubs, Seventh District Convention, which was held at Snyder. She was accompanied on the trip by Mrs. H. D. King.

The club will meet May 12, in the home of Mrs. Lonnie Arnold with Mrs. Homer Sanders Jr., in charge of the program. All members are to meet at the home of Mrs. H. D. King at 7:30 before going on to Mrs. Arnold's.

Mrs. Watson served delicious refreshments of strawberry pie to the following members: Mmes. Lonnie Arnold, S. C. Beavers, A. J. Gardner, H. D. King, Julian Lenau, Buck Ragsdale, H. S. Sanders, Jr., A. S. Stovall, and Jerry Kirk.

THE MULESHOE JOURNAL, Thursday, May 5, 1955

Progress WSCS Bazaar Saturday

Aprons of frilly organdy or everyday print; lovely pillowcases with pastel borders; baby sunsuits, shirts, or dresses; dainty crochet scarves and doilies and a host of other gifts will be offered for sale by the Progress WSCS at their bazaar sale, Saturday, May 7.

The sale to last throughout the day Saturday, is to be held at Piggly Wiggly Grocery.

There will be gifts suitable for Mother's Day, graduation, bridal showers, and many other occasions. There will be many handmade items from which to select.

The society will use all proceeds received, for church purposes and will appreciate the patronage of everyone.

HARVEY BASS APPLIANCE

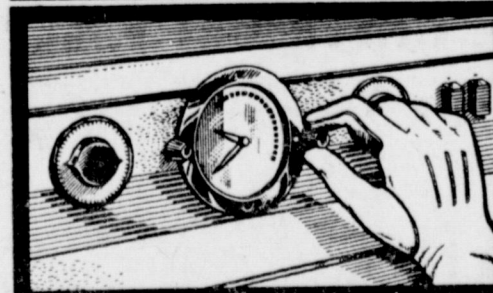

YOUR FRIGIDAIRE DEALER IN MULESHOE

Enjoy "White Glove" Cooking

That's electric cooking, of course — the modern cooking method, the white glove cooking way. That's because electric cooking is so clean that you can actually take a clean, white glove and run it across the top of the electric element. Unlike the old-fashioned flame-type burners, electric elements collect no soot.

Then, too, electric cooking is electrically controlled for accuracy and dependability. Ever notice how engineers build things with electric controls when they're after modern, automatic control? So, it's obvious that for modern cooking it makes good sense to go all-electric. Get the range that cooks with and is controlled by electricity.

An electric range is clean and it always looks modern. That's because electric cooking is as clean as an electric light bulb. And, it looks modern because if it's electric it IS modern. See the beautiful, modern electric ranges on display at your Reddy Kilowatt Electric Appliance dealer's store. Ask for a free demonstration. Go modern . . . and that's to go electric!

...of course, it's Electric!

High School Band And Chorus Win Honors In Music Contest

The Muleshoe High School Band Choir has taken honors in their respective contests this spring. The Choir won a second division in both Concert and Sight-Reading at the Region I Vocal Competition Festival held in April, while the Concert Band also won a second division in Concert and Sight-Reading at the Region I Interscholastic League Instrumental Music Competition Festival held this past weekend in Plainview.

The Band, Choir, Ensembles and Soloists were in competition for ratings given by the various judges. Several ensembles and soloists from Muleshoe high school also won honors: Clarinet Trio, first division; Clarinet Quartet, second division; David Mathis, French Solo, first division; Don Copley, Trombone solo, first division; Max King, Tenor Sax solo, first division; Jean Gray, Clarinet solo, first division; Jack Roubinek, Cornet solo, second division; and Wesley Stephens, Cornet solo, second division.

RETURNED HOME

Mr. and Mrs. Bill Collins returned home Wednesday night from Springdale, Ark., where they had taken their daughter and son-in-law, Mr. and Mrs. Bill Jeter and son Butch. The Jeters had been here visiting for the past week.

Fox Elected S. C. Pres. For '55-'56

Five girls were elected to Student Council offices in the annual Muleshoe High school election last Friday to give the "weaker sex" a definite majority in the executive branch of MHS's student government next year.

Stanley Fox, who is president of his Junior class this year, was elected president of the '55-'56 student body. Fox was the only favorite among the many male candidates.

Quinn Elliott won the race for the office of vice-president, and Patricia Sinnacher was elected to the office of secretary by the day's greatest majority. Next year's reporter will be Marcia Dale Redwine and Doris Ann Fields will serve as historian.

Outstanding among this year's races was or the office of parliamentarian. In the first count Friday the two candidates, Patsy Knowlin and Deloris Cannon were tied with 134 votes each. Deloris won the run-off held Monday morning. This office will be especially important next year since the local student council was elected parliamentarian of the South Plains Association of Student Councils at this year's

convention at Tulsa. Billy Ellis, present leader of the local student body stepped down from his office for Fox in the regular meeting of the Council Monday morning to lead off the exchange of positions.

MHS Juniors Honor Srs. With Banquet

For many years to come the Junior-Senior Banquet of 1955 will be remembered by those present as perhaps the most outstanding of their high school days at MHS. The formal festivities took place last Saturday evening in the Muleshoe High school lunch room.

Most impressive of the many things surrounding the occasion was the magnificent decorating which brought the Oriental Gardens theme almost to the point of reality. Small, brightly colored Chinese lanterns hung from a star filled sky. The guests were seated below, four at a table. Beautiful young oriental girls served the excellent dinner while music such as might be heard in a Tokyo cafe filled the room.

Seniors graduating from MHS this year were addressed for the last time by a man who has been with many of them through the years spent in junior, high and high school here, superintendent of schools Jerry R. Kirk. Kirk urged the students present, representing the two upper classes of the local high school, to prepare themselves both mentally and spiritually for the years ahead.

President of the Junior class, Stanley Fox, served as toastmaster for the evening and kept the program rolling at a lively pace. Keith Buhman, president of the Senior class, acknowledged the welcome by expressing the gratitude of the Senior class for the honor shown them by the upper classmen of '55-'56.

Everyone enjoyed a good laugh as Bobby Nelms read the class prophecy relating the whereabouts of the '55 seniors 25 years hence.

LaVon and Don Copley entertained with two selections on the piano and trombone, and a high school combo under the direction of Norvil Howell played several of the favorite "pop" tunes of our day.

The invocation was by Billy

Ellis and the benediction by Wayne Bristow.

RETURNS TO QUANAH

Two-Fold Purpose

This fold-a-way baby tender is an ideal item for the initial nursery use. It provides the infant with an abundance of play or eating surface. It adjusts easily to many heights, so that the baby can be seated at the dining table with grown-ups. When the child outgrows the infancy stage, the fold-a-way can easily be converted into a play table. The seat back folds down into the table and makes a smooth, uninterrupted play surface. For storing, the very minimum of space is required. The legs fold under as on a card table.

Soil Conservation Service Faces Many Problems On West Plains

(Editor's Note:) Recently The Journal completed a series of articles featuring the supervisors of the Blackwater Valley Soil Conservation District. In this issue it is our aim to acquaint you with the men who through their technical assistance form an important part of the soil conservation movement here on the West Plains.

To some 730 farmers and ranchers in the Blackwater District the letters SCS are a very common part of their every day vocabulary. They stand for an agricultural agency of our federal government, the Soil Conservation Service.

Muleshoe offices of the SCS are located next to the post office building, and in those offices are three men who have the welfare of the farming district surrounding the Capital of the West Plains as the motivating force of their every day work. They are work-unit conservationist, Duane Bartee, soil conservationist, Jack Douglas, and soil conservationist aid, Charles Ball.

Charles Ball was raised in Bailey County, and began working in the soil conservation office here in August of 1945. He is married and has two boys, Charles Wayne, age seven, and Curtis Dale, age five. Ball does a fine job of assisting conservation

agent Bartee in both the field and the office.

Jack Douglas has been with the service here since August of '54. A young man in his middle twenties, Jack was born in Shamrock, Texas. He was graduated from Texas Tech College in 1950, and served two years as assistant county agent at Plainview, Texas before coming here.

Duane Bartee, the head conservationist in the local office, has been with the SCS since 1951. After graduating from Blackwell High school in '41 he attended Texas A & M, where he majored in Agronomy and was graduated in 1949. Duane was employed for a year and a half with the extension service and before coming to Muleshoe he served as a conservationist at Paducah, Childress, and Floydada.

Bartee is married and he and his wife, Lou Emma, have three girls, Brenda, age eight, Sandra, age two, and Glynell, aged six months.

Facing the soil conservationist is a job that can by no means be classed as an easy one or a small one. In the vast farming and ranching area covered by the local Blackwater Valley district almost every problem of soil conservation imaginable exists. In general the purpose of the staff at the SCS Office is to help the

farmer or rancher to understand their soil resources and the needs of their soil, and to point out the principles of meeting these needs.

An invaluable amount of aid can be drawn from the conservationist's knowledge of engineering in the field of conservation, agronomy, and range and range use.

As previously mentioned there are approximately 750 co-operators in this district, that is farmers and ranchers who have expressed a desire to the district's board of supervisors for technical assistance in soil conservation projects. The land farmed by these men includes more than half the area covered by this district.

Jobs falling under the heading of technical assistance provided by the SCS include the lay-out, design, and supervision of land leveling, terracing, waterways, pipelines, graded borrow and furrows for better use of irrigation water, and farm ponds.

On the West Plains one of the most important jobs of a conservationist is pointing out principles of treating land against wind and water erosion, and the proper utilization of range for protection and improvement.

The motivating idea of the SCS may be summed up by saying, "Soil conservation includes any and all measures that will in any way increase the productivity of the land and cause the land to keep on producing satisfactorily".

National Anthology To Publish Poem By Helen Stovall

Helen Stovall, daughter of Mr. and Mrs. A. S. Stovall of Muleshoe, received word last week that a poem she wrote while a junior student at Muleshoe High School, has won national acclaim and will be published in the National Anthology magazine.

The poem, "Fall In Muleshoe", was one of 60,000 to be selected for publication in the Texas Anthology magazine in 1953. In

1954, when Helen was a senior at MHS, the poem was published in three other educational magazines in the United States.

Her composition is one of 200 poems in the United States selected for publication this year in the National Anthology magazine.

Helen is now a freshman student at Texas Tech College in Lubbock.

Joan Montgomery and Bruce Simnacher Married Friday At Methodist Church

In a candlelight ceremony Friday evening, April 29, at the First Methodist Church, Miss Joan Montgomery, daughter of Mrs. V. J. Montgomery, became the bride of Bruce Simnacher, son of Mr. and Mrs. Joe H. Simnacher.

The ceremony was read before an arch of candelabra bearing white tapers. The altar rail was decorated with white candles, greenery, and white mums, with a floral arrangement of white gladiolus and chrysanthemums on the altar table.

The Reverend Clarence Stehens, pastor of the church, read the single-ring ceremony.

Given in marriage by her brother, A. K. Montgomery, of Muleshoe, the bride wore an original model of white imported Chantilly lace over net and satin. Designed with a Queen's collar and fitted bodice outlined with applique of lace, the dress flared out in three tiers of lace, fully shirred in a voluminous skirt. The long sleeves ended in points over the hands. The veil of silk illusion was joined to a hornet type cap of sequined tulle outlined with lace. She carried a cascade bouquet of white rose buds and stephanotis.

She wore the traditional blue garter, carried a white lace trimmed handkerchief belonging to her grandmother for something old, wore a borrowed coin in her hair, and her earrings, which was a gift from the groom were new.

Sisters of the bride and bridegroom lit the candles preceding the ceremony. Organ music was played by Mona Wilhite. During the exchange of vows Miss Wilhite softly played "Because", and "Liebestraum".

Marilyn Gupton was maid of honor, and Jean Montgomery and Patricia and Brenda Simnacher were bridesmaids. All were attired in identical ballerina length gowns of blue taffeta.

The bridegroom was attended by Willard Dement as best man, with Elroy Simnacher, Marvin Gaddy and Faroy Simnacher serving as groomsmen.

Mrs. Montgomery wore a pink lace dress with black and white accessories, while the mother of

the bridegroom, Mrs. Simnacher, wore a turquoise taffeta dress with white accessories.

A reception in Fellowship Hall followed the ceremony. Relatives and numerous friends attended. The wedding cake was served by Helen Ingle, sister of the bride, from a table covered with a lace cloth over blue, and centered with white candles and blue iris. Marilyn Gupton presided at the crystal punch bowl, and bridesmaids assisted in serving and registering guests.

Out of town guests attending the wedding included: Mr. and Mrs. A. K. Montgomery, and Miss Elizabeth Montgomery, Santa Fe, N. M.; Mr. and Mrs. Millard Moore and children, Amarillo; Mr. and Mrs. Phillip Simnacher and children, Morton; Mr. and Mrs. Frank Simnacher, Mr. and Mrs. Leo Simnacher, Mr. and Mrs. Mathis Simnacher, Mr. and Mrs. Thomas Simnacher, all of Portales, N. M.; Mr. and Mrs. Ed Wotiphas, Dora, N. M.; Mr. and Mrs. Clendon Cox, Portales; Mrs. Elroy Simnacher, Lubbock; and Mr. A. L. Powers, Athens.

The couple will be at home in Lubbock where the bridegroom is attending Texas Tech.

Nat'l. HD Week Observed In County

Exhibiting crafts and clothing and attending a recreation school and club meetings were among the activities the Bailey County HD ladies were participating in this week. The five clubs in the county were a part of the more than 40,000 Texas HD Club members and five million homemakers in the nation observing National Home Demonstration Club Week.

During this week of May 1-7, members of the 1,985 home demonstration clubs in the state are highlighting their work in various ways. In Bailey County, club members are using window displays. An exhibit of family recreation is on display in the window at Cobb's Dept. Store, while in Anthony's window may

be seen the products of clothing demonstration.

These exhibits were planned and displayed by the county council and club EEE committees. Mrs. Joe Simnacher is council EEE chairman.

Over the state, special educational exhibits and programs, feature stories, radio and television programs, and tours of result demonstrations are aimed at interpreting the objectives of HD work and showing some of the club contributions to family and community life. Local leaders and demonstrators are being especially recognized.

The newest research information in all phases of homemaking is brought to homemakers through specialists, HD agents and local leaders in HD work. The main emphasis in Bailey County this year is on basic clothing techniques and family recreation.

Programs and demonstrations in foods and nutrition, housing and home improvement, home management, health and safety, family life, clothing, consumer buying and public affairs are developed to fit local needs and interests.

Observance of National Home Demonstration Week is designed to acquaint more families, especially young families, with this educational program. In keeping with the National theme of the week, "Today's Home Builds Tomorrows World", special activities during the week over the state will also stress the role of the home and family in developing and maintaining

Band Boosters To Meet Next Thurs.

Officers for the coming school year will be elected by the Muleshoe high school band boosters in a meeting at Gerald's Cafe on May 12 at 8 p.m. Those present for this important meeting will pay their own expenses and any meal may be ordered.

It is not necessary to be a band parent to be a booster but more parents of children in the MHS band are expected to be members this year than ever before. Those who wish to join for the coming school year are urged to those qualities valued in a democracy.

be present for this meeting.

The business session will not begin until about 8:45, so those who are unable to make it for the meal will still be able to attend the important period following.

Scouts Attended Anton Meeting

Muleshoe Troop 20 Scouts went to Anton Tuesday evening of this week where they attended the District Court of Honor.

Boys receiving awards and medals were Don Gardner, John Wilkins, Jerry Howard, Kenny Murrah, and John Lee. All the above boys are former

Soil Conservation News

An interesting story showing some of the possibilities with grasses was obtained on a seeding of weeping lovegrass in the Amherst work unit recently. Mr. F. N. Smith, who is a coach in the Sudan schools has a 100 acre field of weeping lovegrass near Sudan. He has no livestock so he leased the grazing last season for which he received \$2100. During the season the seed was harvested by Mr. C. A. Robinson on a 50-50 contract basis. Mr. Robinson told me that he gave Mr. Smith a check for \$2250 for his half of the 3800 pounds of seed harvested. The price of seed was considerably above normal but the grazing alone would be good returns on the investment, and it could be equaled on most of the soils of the South Plains. When the seedcrop is worthwhile it would mean that much more profit. Also we have other grasses which should prove just as productive and profitable as weeping lovegrass. Also we can count on soil improving and conditioning benefits which are not included in the above information.

The following is a summary of the observations of methods of planting blue panic grass which were made last season:

This summary included only 61 fields and is therefore not conclusive. The number of fields planted on a flat seedbed and in lister furrows was large enough to be fairly accurate being 25 and 28 respectively. Because the idea of planting on the beds is new to farmers the number of plantings of this type was small, totaling only 8. Factors other than the seedbed were also involved because the plantings on lister beds and flat seedbeds were all made with special grass planting equipment, including drills, two row sod planters and inter-row seeders. Practically all the plantings in furrows were made with the regular lister planting and covering attachments. The small number of plantings on beds hardly does justice to the method because the ratings used do not give the proper amount of emphasis to the excellence of some of the stands. Some of these plantings were on problem soils, also, including heavy soils subject to surface crusting in the Coleman area and very sandy soils in the Aspermont area. The majority of the observations were in Rolling Plains work units where a flat seedbed would not be as subject to wind erosion damage as in our South Plains area. Considering all the factors which we have any information on I am convinced of the value of seeding on the lister beds for our conditions. Not only will it give more consistent results for blue panic but it can be used for other grasses in rotation such as weeping lovegrass, KR bluestem, Caucasian bluestem, sand

THE MULESHOE JOURNAL

VOLUME 35, NUMBER 18 SECTION II — 8 PAGES THURSDAY, MAY 5, 1955

THIS & THAT

About Homemakers & Homemaking IN BAILEY COUNTY By MOLLIE STINSON Home Demonstration Agent

Well we all had a good time at the district meeting. At least I did. I want to thank all of you for the lovely corsage that those who went presented to me in the name of Bailey County Club women. It made me feel sort of "extra special".

One thing that we picked up at the meeting and I want to pass along to you is two cherry pie recipes.

Vivian Oman's Cherry Pie (One 9" Pie)

Filling:
1 cup sugar.
3 1/2 tablespoons cornstarch.
2 drops almond extract.
1 teaspoon butter.
1/2 teaspoon salt.
3 drops red coloring.
2 cups canned unsweetened cherries.

1. Mix cornstarch, sugar, salt. Add to cherries and cook slowly until smooth and thickened.
2. Add butter, coloring and almond extract. Cool.
3. Line pan with pastry, pour in filling and cover with lattice top. Bake in very hot oven (425 degrees) 15 minutes. Reduce to moderate (375 degrees) and bake 25 minutes.

Vivian Oman is a 4-H Club girl in New Mexico. She was the regional winner, Western Region, National Pie Bake, 1955. Both of these recipes included a crust recipe, but to save space I left them out. The filling would probably be of more interest to you, I thought. There is a copy of the entire recipe in the office if you would like it.

I hope all of you will make an

bluestem, Blackwell switchgrass and sand lovegrass. The plantings of sesbania at Texas Tech and on the Cecil Bra-shear farm near Lubbock last season have created considerable interest in the possibilities of this legume for use on both dryland and irrigated land. We also learned recently of a dryland planting in the Colorado City work unit area last season. If you are interested in making a planting, it would be well for you to arrange for seed at once. The only sources which we have noticed are the Empire Seed Co., Temple, Texas and Northrup, King, & Co., 404 23rd Ave., Phoenix, Ariz.

effort to see the window exhibits in Muleshoe this week. You know that this is National Home Demonstration Week. The family recreation exhibit is in Cobb's and the clothing exhibit is at Anthony's. Special thanks should go to Mrs. Alvin Kriegel, Mrs. O. M. Self, Mrs. S. C. Caldwell, and Mrs. Mary Sweatmon for their work on Anthony's window.

Betty Byar's Cherry Pie (Two 9" Pies)

Filling:
3/4 cup brown sugar.
3/4 cup granulated sugar.
3/4 teaspoon salt.
1 1/2 cup cherry juice.
1/2 cup cornstarch.
2 tablespoons lemon juice.
1/4 cup margarine.
1/8 teaspoon nutmeg.
4 1/3 cup drained sour cherries.
1/2 teaspoon red food coloring (if desired).

Heat sugar, salt and 1 cup juice. Mix cornstarch and remaining juice. Add to first mixture and cook five minutes, or until it thickens. Remove from heat and add the lemon juice, margarine, nutmeg and coloring. Pour cherries into lined pie pan.

Pour juice mixture over the cherries and lattice pie. Bake at 375 degree for 35 minutes, or until brown.

Betty Byars is a Lamb county 4-H Club member. She was the

Texas representative to the National Cherry Pie Bake, Chicago, 1955. Miss Byars spoke at the district THDA meeting.

Gerald Young, medical; Scott Donaldson, medical; Mr. Chaney, medical; Mrs. M. E. Simmons, surgery; Arnelis Gomez Reyes, medical; Mrs. Marvin Mooney, medical; Mrs. C. C. Spitzer, medical; June Osthus, medical.

DISMISSED:

Horace Woodward, medical; E. B. Richards, medical; Gerald Hughes, medical; J. L. Atkinson, medical; Clyde Gilbert, medical; Mrs. A. L. Robinson, medical; Mrs. G. W. Mealer, medical; Gilbert Masten, medical; Mrs. L. L. Gosden, medical;

James Cox, medical; Mrs. Jeffery Avery, medical; David Bratcher, medical.

CONGRATULATIONS TO:

Mr. and Mrs. A. L. Leamon on the birth of a daughter, Mary Sue, April 29, 1955.

Mr. and Mrs. J. C. Snitker, on the birth of a daughter, Catherine Jean, May 3, 1955.

Guernsey Cow Sets Champion Record

Ralph Harbin, Muleshoe, is the owner of a purebred Guernsey that has just completed a state championship production record. This cow, Crescent H-A-Chum, produced 10,487 pounds of milk and 530 pounds of fat, which is the highest Herd Improvement Registry record in the state of Texas, made by a junior four-year-old, milked two times daily for 305 days, and met calving requirements.

The sire of this cow, Cooper's H. Falstaff, owned by J. Luke Pearcy, Levelland, has one tested daughter in the Performance Registry of the American Guernsey Cattle Club.

TO JOIN HUSBAND

Mrs. J. C. Simmons and son, James, Jr., left Amarillo by plane this morning for Quantico, Va., to join their husband and father, Sgt. J. C. Simmons, who is stationed at Camp Barrett.

They have been here for the past month visiting her parents, Mr. and Mrs. R. C. Cline and other relatives and friends.

LOOKING FOR MORE VALUE from your motor car dollars? Then, look no more. Ford brings you a wealth of fine-car features that even some of the higher-priced cars can't match.

For example, the chart above shows that in feature after feature Ford gives you everything you have come to expect in a medium-priced car . . . and more. Yet, a Ford Fairlane Town Sedan costs* you less than the lowest-priced comparably equipped 4-door sedan of four popular medium-priced makes.

And, with Ford recognized as the style leader . . . "at home" wherever you may go . . . why pay more?

Feature for feature . . . price for price . . . you can't buy better than Ford.

**SAND HILLS PHILOSOPHER—
Claims Sec. Of State Dulles Follows His
Method Of Uninterrupted Thinking**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is trying to justify his farming methods this week, but we doubt if he makes it.
Dear editor:
People are always asking me how I get any farming done when I spend so much time sitting under a tree, but this only goes to show they don't understand the modern world we're living in.

And while I was sitting under a tree yesterday afternoon looking over a newspaper I was pleased to find out that no less a man than the Secretary of State, John Foster Dulles, follows the same principle I do.
That is, he doesn't let the immediate problem at hand get in the way of his deeper thinking, which is the same principle I've been using for years out here on my farm.
The other day, according to this newspaper article, Sec. Dulles was talking with a man about having to fire him, and after the talk the man said "he was sympathetic but his mind appeared to be elsewhere, on the big international things, like Quemoy and Matsu".
That's exactly the way I am about my farm operations, and I'm glad to have the Secretary of State following my principles. I'm sympathetic all right with the fact my crops need working, but my mind is elsewhere. Just because a man's garden needs hoeing doesn't mean the international situation should be

dropped.
And I'd like to point out that the world situation needs as much thinking about as my farm, and if somebody doesn't forego the job of plowing or hand-shaking and give some thought to it, plowing and hand-shaking may lose their value.
Me and Sec. Dulles have this thing figured out exactly alike, and I hope my neighbors who have been making remarks about the amount of sitting I do will get upon the international level in their thinking and recognize it. It's not that I'm gonna change my habits, and anybody who would chop weeds just to be well thought of is putting a mighty high price on public favor, but if you can attain the latter and still sit under a tree, why not?
Yours faithfully,
J. A.

CHRISTIAN SCIENCE SERVICES

The fact that man's real nature in God's likeness is unfallen, upright, and free will be brought out at Christian Science services this Sunday.
Readings from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Adam and Fallen Man".
Among the passages to be read from Science and Health is the following: "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow — thoughts which presented man as fallen, sick, sinning, and dying" (259:6-11 The.).

BABSON SAYS—

Competition May Be A Public Enemy

Babson Park, Mass., May 5 — We have an enemy in this country eating away at us from within in a way that may be very destructive to our national well-being. That enemy is COMPETITION, which forces us to put an employee's loyalty to the business ahead of his loyalty to his family. When praising the "American Way" of free enterprise, let us not forget that it has serious dangers.

BUSINESS CAN HELP WRECK THE HOME

Big Business is surely contributing to juvenile delinquency by the high priority it claims on a man's evenings and week ends. When father should be spending time with his wife and children he is entertaining customers or whittling down the paper work on his desk. He is a stranger in his own home. This almost hysterical pursuit of company business at any cost to family life is evidence of the decline in moral values that has hit too many business executives.
There are millions of sad

homes across the land, homes where fathers have awakened with a jolt to find sons already grown up. Sons have gotten into serious difficulties because they never received the kind of guidance and discipline they needed from father. I recall a plaintive cry from a "corporation wife" which appeared in Fortune magazine a couple of years ago. She particularly condemned the type and amount of entertainment that she, as a corporation wife, was expected to offer to her husband's associates. In this case, the corporation left little time for either parent to spend with the children.

CONSTANT CHANGE IS DANGEROUS

It is a mistake for companies not to allow sales managers to stay in any one place long enough to become part of their community. They must move every two or three years. Of course, the wives become irritable; children have a hard time in school; and husbands develop

ulcers. Marriage and the family don't have a chance.

Graduates of Colleges of Business Administration have been criticized in recent years for being unwilling to be away from home five nights a week for their dear old employer; but these graduates may be justified. The present generation of fathers and mothers of teen-agers haven't a very good record. Perhaps the new crop of prospective fathers and mothers will do a better job!

PARENTIAL GUIDANCE LACKING

A father tells about the very good prep school to which he is sending his teen-agers. Says he, "Why I don't have to be bothered with the kids at all. This winter the school taught my boy how to ski and to skate. Saved me a lot of time and trouble!" School and college guidance offices are filled with records of young people who are emotionally unstable because their parents never played with them enough, never gave them the understanding and guidance they needed.

A friend recently stated that when he suggested a plan for fathers and sons to raise money together by planting and marketing certain garden crops, he was nearly booed out of the meeting. "Whoever heard of such a ridiculous idea? We're all too busy!" was the reply. Don't blame the schools for all the shortcomings of the younger generation!

RESPONSIBILITIES OF "BIG BUSINESS"

How often have you heard a business executive say that he doesn't want his children to work as hard as he has had to? So he hands them out fat allowances, automobiles, expensive education, and perhaps even subsidies for marriage. This eases his conscience; he can say he has given his children everything—"everything", the children will tell you, except what they really wanted most—companionship.
Such prolonged wet-nursing can develop a generation of young people who are egocentric, emotionally immature, and who believe the world owes them a living. Who is to blame? I have

By John C. White, Commissioner

DROUTH TOUR

AMARILLO — "A day on the Plains without a sandstorm is like a week's vacation in Florida".
That's the way an Amarillo housewife characterized the weather situation in this High Plains city this spring. In a country where the horizon is shrouded in a dusty haze for weeks on end, a clear day free of sand is a rare thing.
But dust storms in West Texas portend more than inconvenience to area housewives. They tell of real trouble to farmers. It means there is a critical shortage of ground moisture. It indicates that another crop season is off to a bad start. And it threatens a fifth straight year of unbroken drouth in many sections of Texas and the Midwest.

A study of soil conditions in the Panhandle is a study of paradoxes. Some sections of this farming country show the benefits of years of strict adherence to good soil saving practices that hold the land and conserve the minimum amounts of rainfall. Yet the adjacent field may be blowing away — mute testimony of a farming system that "mines" the soil.
Even national farm leaders recognize the Panhandle as the center of a disaster area. Secretary of Agriculture Benson surveyed it in one day. But I recognize that even my short week here is not enough to study all the symptoms in the hope of making concrete and practical recommendations for disaster relief measures.
One thing is clear. Texas farmers desperately need emergency help from both the state and federal governments. Not one of the farmers I have talked with has asked for a "handout", however. They merely want aid in the form of long term loans so they can stay on the land and preserve their soil for a future crop year.
The dry land wheat crop in the Panhandle is gone. Drouth and freezes took care of that. Prospects for grain sorghums look equally dim. Unless some rain is

had within the next few weeks, not enough moisture will be left in the soil to germinate the seed.
Perhaps the nation-wide attention which has been focused on this country in the last few days will result in some practical emergency measures for the farmers.
In the meantime, a good rain would be a tremendous morale booster — even though it might be too late for many crops.

a hunch that the pace business sets has something to do with the situation. In fact, when asked as to what will bring on the next depression, I forecast: "Employers, executives, wageworkers, and even consumers will some day get tired and just quit the struggle. Many parents are now reaching this stage".

News Highlights From 3-Way

By MRS. FRANK GRIFFITH

In the Cochran County Junior Livestock Show held at Morton April 22 and 23, placing of animals entered by Three Way FFA members were:

Gilts, Howard Pollard, 2; Glen Lowe, 3; Dalton Hodnett, 4.
Barrows (single), Howard Pollard, 1 (also grand champion) and 3; H. C. Brashear, 5.
Pen of 3 Barrows, Howard Pollard, 1.
Sow and Litter, Kirk Holt, 1; H. C. Brashear, 2; Howard Pollard, 3; Jerry Simpson, 4.
Mature Sow, Kirk Holt, 1 (also reserve champion); Howard Pollard, 3; Jerry Simpson, 4.
Boars, Howard Pollard, 1.
Fat Steers, Light wt., Jimmy Wheeler, 2. Reserve Hereford and Reserve Champion of the show.
Heavy Wt. W. C. Eubanks, 5 and 6.

Three Way had 14 entries which included 47 animals. The boys took 21 ribbons and approximately \$4318 in premiums and sales of animals above market price combined. They also received the award for having the greatest kept swine pens throughout the show. This was called the Herdman Award. Roy Crawford is the FFA sponsor of Three Way.

Mr. and Mrs. Rhama Whiteside and Laura Whiteside of Sun-
town visited relatives and friends in the Three Way Community Sunday. Mrs. Whiteside is the former Lucy Clark of Maple.

Mr. and Mrs. R. B. Wittner and Terry of Lubbock visited Mr. and Mrs. D. P. Brinker and Mr. and Mrs. Andrew Wittner Sunday and Sunday. Mr. and Mrs. Billy Knox also visited the Wittners.

Mr. and Mrs. Jackie Knox of

Lubbock spent the weekend with his parents, Mr. and Mrs. Frank Knox.

Don Knox plans to go to McKinney, Texas soon for a medical examination. He has been ill several weeks.

Pupils out of school with mumps the past week were: Peggy Fowler, Richard Coleman, Jane Garvin, Kay Underwood, Joe Clark, Bobby Dupler, and Glenda Tarlton.

Lynda Klutts, daughter of Mr. and Mrs. Bob Klutts was honored with a birthday party at her home Thursday afternoon. Cake and ice cream were served to the group.

Robert Shackelford, son of Mr. and Mrs. John Shackelford, is sick with the mumps. Winford Rush also has been confined to his home with the mumps. The three youngest children of Mr. and Mrs. Winford Rush have just recovered from Chicken Pox. Others on the sick list are James Kizer, Donna Shackelford, and Mrs. Rainwater.

Wayne McKeochen, a ministerial student at Wayland, preached the morning and evening messages at Three Way Baptist Church Sunday.

Workers Conference was held at Hicks Chapel Baptist Church Friday.

Three Way Seniors plan to leave for Laramie, Wyo., Thursday afternoon. Mr. and Mrs. John Criner will accompany them on this trip.

Mr. and Mrs. Gene Kinley and girls visited relatives in Lubbock Sunday.

From 1/2 to 1 inch of rainfall was received over the community Friday, Saturday, and Sunday evenings.

Mrs. Bill Burris visited relatives and friends at Enoch's Sunday.

Today's Meditation

Read Ephesians 5:14-21.
If you abide in me, and my words abide in you, ask whatever you will, and it shall be done for you. (John 15:7, RSV.)

Someone says to another, "Father grumbles, Mother is discontented, I am uneasy all day. We are only three in the family. My father gets more salary than your father. There are six in your family. Now what is it that makes your home so happy that you sing songs in the morning and evening every day?"
The other replies, "They are

U. S. Defense Savings Bonds Week in Texas Designated By Gov. Shivers

AUSTIN, April 30 — Governor Shivers today proclaimed the week of May 22-28 as "U. S. Savings Bonds Week" in Texas, and called upon all Texans to do their part toward national defense by increasing their purchases of United States Savings Bonds.

"It is the earnest desire of every American", the Governor said, "that our country maintain an impregnable defense for the protection of our democratic ideals and free way of life. One way to insure this is through in-

creased sale of Defense Savings Bonds. Therefore, I call upon every Texan to join wholeheartedly in this campaign".

"Texans ranked only 38th in the nation in 1954 in the percentage of the state sales goal attained", the Governor said. "This is far short of Texas standards. I think we can lead the nation in 1955 if every Texan will give this matter serious thought and action".

More than 1200 volunteer workers representing every Texas county will devote their time and

efforts to this drive during the week of May 22. Their goal will be: (1) To double the number of people buying bonds regularly on the Payroll Savings Plan and the Bond a Month Plan, and (2) to ask those already on the Plan to increase the amount of purchases each payday.

The 1955 Savings Bonds sales goal for Texas is \$201.9 million. The national goal is \$5.5 billion.

RECEIVED DISCHARGE
Phillip Garrett received his discharge from the U. S. Navy recently, after serving four years. He has been aboard the USS Valley Forge.

He arrived home Thursday morning.

New School For Boys Ranch

Drawing of the new Peace Officers of America School at America's First Boys' Ranch, Amarillo, Texas. Work has begun this week and the Ranch hopes to have the building, which will include academic and vocational school for the 220 boys, completed sometime next fall. The Colorado red stone school will be the largest permanent building at the Ranch.

Construction on a new modern, ranch-style school building has begun at America's First Boys' Ranch, Amarillo, Texas, in place of the old frame, two story building which has been inadequate for the growing needs of the Ranch.

The new school will include classroom and vocational school for 500 boys that the Ranch hopes to be able to take care of within the next few years. The old building was a remodeled army barracks moved in from Dalhart several years ago.

The boys will do the majority of the construction on the new school under the supervision of a competent director. Two-hundred and sixty five tons of Colorado red stone have already been brought to the Ranch from Longmont, Colo. It is being brought to the Ranch by the Denver-Amarillo Express without charge. The building will be of the same stone and style as the housing unit completed by the boys two and one-half years ago.

The Peace Officers of America have formed an organization for the purpose of helping the Ranch to build the new school and it will be called the Peace Officers

of America School. The citizens of Plainview and Tulia, Texas are building two classrooms to be known as the Plainview and Tulia rooms and a group of businessmen in Houston, Texas, have formed a Shirt Tail Club in order to build another classroom. Their idea came from the boy's Ranch slogan, "Furnishing Boys A Shirt Tail To Hang Onto."

It is necessary that Boys' Ranch have its own school because it is not a public school and the majority of the boys have been out of school from one to three years when the Ranch takes them. The teachers live right at the Ranch and work with the boys to give them extra time and help.

The total cost for the building will be \$200,000 fully equipped and although all funds have not been raised, the Ranch will build as far as possible and hope that it can be completed by the fall term of next year.

NOTICE:

Any man or boy wanting to play on a softball team contact Arvil Lewallen at Goss' Service Station. The team has been entered in league play at Morton.

PARMER COUNTY Farm Bureau News

By RAYMOND EULER

According to Les Bruns, Parmer County Farm Bureau's Weed Committee made a real impression on those in attendance at the Bushland Experiment Station on April 28. Participating in the panel discussion led by County Agent, Joe Jones, were Les Bruns, Bruce Parr, and Gilbert Kaltwasser. Bruns told about the origination of the committee within Parmer County Farm Bureau last year, outlining the discussions of the increase of bindweed, in particular. Parr reviewed accomplishments of the committee last year, with particular emphasis on cooperation of the Highway Department and County Commissioners and the promise of Santa Fe Railway Officials in relation to right of ways. Kaltwasser outlined aims of the committee for continuing the program for this year. Plans are being made to secure sodium chlorate in wholesale quantities for those farmers who wish to make a real effort to eradicate these noxious weeds this year.

The success of this cooperative program last year has led to many inquiries from other county Farm Bureaus interested in weed eradication. Bailey County, at their annual convention, after hearing a report by Parr, began taking orders to make up a car load shipment of sodium chlorate for use in the area. Continued cooperation in this effort will make possible almost complete eradication of bindweed in this county, committee men believe. Any inquiries made at the office in Friona, or at the county agent's office will be answered with any information the committee may have accumulated.

MILQ — The record shows that Farm Bureau is responsible for the support being 70% instead of 60%. Farm Bureau asked 75%.

If you have something to contribute to the Christian Rural Overseas Program for Texas Friendship for Korea, take it to Miss Stinson at the courthouse or bring it to the Farm Bureau office. We'll see that it goes to the right place.

Beginning last Monday, all farmers residing on the farm began paying less for automobile and truck insurance with all stock companies in Texas.

Consider This: A scorner loveth not one that reproveth him; neither will he go unto the wise. —Proverbs 15:12.

Vanities with a long, full-length look are still popular. Here is one with a fresh appeal, improvised from a flexible new bedroom grouping. Its base is a newly styled seat stand which also serves storage purpose as a night stand, window seat, or vanity base as shown here. A black and gold marble pattern is used for the stand's scuff-proof base, lending it both beauty and practicality. (C. R. Anthony Co.)

Mrs. Black Hosts Philathea Circle

The Philathea Circle of the First Methodist Church met Thursday evening, April 28, at 7:30 in the new country home of Mrs. Eugene Black.

Meeting was called to order by the president, Dorothy Wyer, and opening prayer was led by Mrs. Stephens.

Friday evening, May 6, has been set as the date for the annual Mother-Daughter Banquet, which is sponsored by the Circle. Final plans have been made to make it an enjoyable evening for those in attendance. Tickets are on sale from members of the Circle.

An interesting program was presented by Mary Nell Chapman and Theresa Edwards on the final chapters of the study, "God and Man In The City".

Delicious refreshments were served to one visitor, Pat Cowan and members, Mmes. Fayrene Harris, Mary Nell Chapman, Betty Murray, Theresa Edwards, Pat Nickels, Joy Whitt, Ida Mae Shofner, Stephens, Dorothy Wyer, Charlene Bickel, Mary Andreas, Margaret Adams, and hostess, Gladys Black.

Mary Andreas will be hostess for the next meeting, May 19, at 8:00 in the evening.

Mrs. Wyer Leads WSCS Program

Mrs. H. Jay Wyer was leader for the program when the W. S. C. S., of the First Methodist Church met Monday afternoon, May 2, at 2:30 in the sanctuary.

Opening the meeting the group sang "Something For Thee". Mrs. Wyer led the devotional and introduced the study, "Be Ye Doers of The World". Other ladies taking part on the program were Mmes. S. C. Beavers and H. C. Holt. Mrs. Holt also led in prayer.

A new study, "Jesus' Teaching Concerning Women", will begin at the next meeting. Mrs. Roy Bayless will be the teacher.

The group was dismissed with the singing of the hymn, "Take My Life and Let It Be". The hymn was sung as a prayer.

Those present were Mmes. H. Jay Wyer, J. J. Gross, O. S. Richards, H. C. Holt, L. M. Fowler, W. F. Gable, Cecil Davis, Arnold Morris, C. R. Farrell, I. F. Willmon, Clarence Stephens, Morris Childers, Mervin Wilterding, and S. C. Beavers.

The Journal Want Ads always gets results.

Two Muleshoe Teachers Will Attend Meeting

The Texas Classroom Teachers Association is sponsoring Spring Workshops for its teachers throughout the state. The workshop for teachers from District IV will be held at Big Spring High School on May 7, beginning at 9:30 a.m. Mrs. Eulalia Mitchell is president of Big Spring Classroom Teachers Association.

Mrs. Oneta King, chairman of Professional Standards of Texas Classroom Teachers Association, will be in charge of the Workshop. She will be assisted by Mrs. J. C. Richardson, Advisory Member of TCTA Board; and W. C. Watts, former Advisory member from District IV.

Theme of the study is "How TCTA Helps to Build Better Home-School Relations". This is an important subject in the field of education at the present time. Its importance is evidenced by the fact that the Elementary Principals Association which met in Chicago, March 16-19, devoted part of its time to this study. The Congress of Parent-Teachers is making a study of the question.

Big Spring Classroom Teachers Association, under the direction of Mrs. Mitchell, is making careful plans for hosting the workshop.

Members from the Muleshoe Classroom Teachers Association who are planning to attend are: Mrs. Christine Rutherford, president; and Mrs. Ola B. Jones.

Mother-Daughter Banquet Is Set For Tomorrow

Mothers and daughters of all churches in Muleshoe will join

hands in fellowship at the Fellowship Hall here tomorrow evening at 8:00 o'clock.

This social event, sponsored by the Philathea Circle of the First Methodist Church is known as The Mother-Daughter Banquet, and is an annual affair. The hall has been filled to capacity the past two years on banquet night.

Details concerning late purchase of tickets can be obtained by contacting Mrs. David Wyer, president of the circle.

Wholesome food and good entertainment will be enjoyed by all who attend.

MAGIC SLATES, 2 sizes, on sale at The Journal.

Nineteen Ladies From County Attended Home Demonstration Meeting At Morton

Nineteen from Bailey County attended the District Two Texas Home Demonstration Association meeting Thursday in Morton. Mrs. S. C. Caldwell, County THDA Chairman, participated in a skit, "The Party Line" on the program. In this skit she gave a report on first aid and civil defense activities over the district. To add reality to her part she was bandaged practically from head to toe. Mrs. John G. Gollightly, State THDA president from Hico, presided over the meeting, which was attended by approximately 350 women from twenty counties. The invocation was given by Mrs. E. M. Harris, Hale County. Greetings were given by the Morton Chamber of Commerce and Mrs. Charlie Sanders, Cochran County. Mrs. Gordon McMillan, Hockley County gave the response.

Mrs. Gollightly brought the message on state activities from the THDA Board. The Hale County Chorus sang three numbers. This chorus is composed of home demonstration club members. Miss Nancy Adian, Texas Tech, Coleman County, gave a report on women's part in 4-H. She is a THDA scholarship winner. After a lunch of barbecued chicken, the Morton High School Chorus sang several numbers. Miss Betty Byars, Lamb County reported on the National Cherry Pie Contest in Chicago. She was the Texas representative in this contest.

The delegates voted to purchase a United States Flag and a

4-H Flag with the money in the District 4-H Fund. Water pitchers will also be purchased. The items will be used at the 4-H camp grounds in Lubbock. Mrs. Hal Spencer of Lubbock, gave the main address on "Women in the Scheme of Things". She gave a very entertaining talk, and brought the group up to date on women in the scheme of things from the time in the eighteen hundreds when it was unthinkable for women to speak publicly, to the present time and the newest advancement — women's jury service.

A very interesting reading on safety on highways was given by Mrs. Clyde Witten, Hale County.

Mrs. R. N. Bowers, Mrs. S. L. Busbee and Mrs. T. Haley were voting delegates attending from Bailey County. Other club members attending were: Mmes. Sylvan Robinson, J. E. Day, Roy Carney, Maurice Oden, S. C. Caldwell, Olen Dutton, R. R. Benham, C. H. Gillis, and Oswald, Muleshoe Club; Horace Hutton, Three Way; June Smallwood, Maurine Smallwood, O. M. Self, G. T. Maltby, Albert Davis, Progress; A. J. Jones, West Camp; and Mollie Stinson, Agent.

Mrs. Copley Wins Gift At Meeting

Mrs. M. E. Simmons was hostess last Tuesday afternoon, April 26, as members of the Muleshoe Home Demonstration Club held a regular meeting.

Mrs. A. W. Copley won the hostess gift, a Tupper Wear salt and pepper set and measuring spoons. Ladies taking part on the program were: Mmes. Roy Carney, C. H. Gillis, J. E. Day, and S. C. Caldwell. Mrs. M. R. Oden was appointed civil defense chairman for the Muleshoe Club.

The club will have one half of a window at Anthony's Store in Muleshoe for clothing display, and a window at Cobbs for the recreation and crafts display during National Home Demonstration Week, May 2 to 7.

Mrs. M. E. Simmons led the group in a game, "Beat The Clock". Mrs. S. C. Caldwell and Mrs. John Purdee won the game in 28 seconds.

Members present were: Mmes. J. E. Day, Alvin Krieger, Roy Carney, Olen Dutton, Bessie Fletcher, C. Caldwell, C. H. Gillis, M. R. Jean Landers, S. L. Robinson, S. Oden, M. L. Oswald, Mary Ratliff, John Purdee, E. H. Baugh, John Boydston, Don Bruns, J. H.

Mrs. Harding Was HD Club Hostess

The West Camp Home Demonstration Club met Wednesday, April 27, at 2:30 in the afternoon in the home of Mrs. N. R. Harding, with seven members present. As an opening exercise, Mrs. Harding read a poem from the Club Book, and also gave the council report.

The program was on belts, and each member took part in the discussion.

Club adjourned to meet April 11, with Mrs. Margaret Huff.

Members present were: Mmes. Gerald Byrd, A. J. James, N. R. Harding, Ollie Peoples, Wanda Walker, S. L. Busbee, E. E. Hughes, and one visitor, Mrs. Williams.

Sgt. Clyde King Now At Ft. Hood

Fort Hood, Tex. — Army Sgt. Clyde King, 29, whose wife, Olive, lives in Southland, Tex., recently arrived at Fort Hood, and is now a member of the 1st Armored Division.

"Old Ironsides", the first armored division organized in the United States, won fame for its World War II fighting in Africa and Italy. Combat readiness is now maintained by intensive training.

Sergeant King, son of Edward L. King, Route 3, Muleshoe, is a meteorologist in the division's 91st Armored Field Artillery Battalion. King entered the Army in December, 1944 and received basic training at Fort Bliss. He is a 1943 graduate of Southland High School.

Hanks, Fred Bruns, T. F. Maddox, C. E. Broscoe, and H. G. Griffiths.

Max Crim Attended ROTC Activities Day At Ft. Sill

Max Crim of Muleshoe was among a detachment of cadets from the West Texas State College Reserve Officers' Training Corps unit that attended "ROTC Day" activities last Friday and Saturday at Fort Sill, according to Col. Raymond H. Lumry, professor of military science and tactics.

The group were guests of the Army, which provided transportation to Fort Sill in a chartered bus. A tour of the post was made and demonstrations of aircraft and infantry and artillery weapons were shown. Among the artillery fired was the 280 mm atomic cannon.

Dr. Walter H. Juniper, dean of WT, represented the college on the tour and Col. Lumry and Capt. Garland R. McSpadden accompanied the group.

UNDERWENT SURGERY
Mrs. James R. Hobbs, of Lovington, N. M., has been released from Scott & White hospital in

Temple, where she recently a daughter of Mr. and Mrs. Bill G. underwent major surgery. She is Kistler of Muleshoe.

You'll feel like a pilot

without leaving the ground

Just wait till you switch the pitch of Buick's new Dynaflo*!

It's The Hardtop with Four Doors!

Here's the new hit in hardtops that's taking the country by storm — Buick's pioneering and pace-setting 4-Door Riviera. The "convertible" look, with no center posts in the side-window areas — but with separate doors for rear-seat passengers. Shown here in the low-price SPECIAL model — also available in the high-powered CENTURY Series. Both now in volume production to insure prompt deliveries.

How would you like to take the wheel of a high-powered Buick and feel an experience you never felt before in any earth-bound vehicle?

How would you like to do — just by pressing down the gas pedal — what a pilot does when he's ready for take-off?

And how would you like to drive with the happy thought that you're getting plenty of miles per gallon in normal cruising — and the electrifying action of the world's first airplane-principled transmission when you need it for split-second getaway response?

It's all for you when you say the word and slip into the driver's seat of a new Buick with Variable Pitch Dynaflo.*

Not only do you take command of record-high Buick V8 power — and the most envied ride in the industry — and the brawn and heft and luxury of a truly solid automobile.

You also call the turn on twenty propeller-like blades deep inside a wondrous new Dynaflo that's patterned after the principle of the modern plane's variable pitch propeller.

You hold these blades in their high-economy angle when you press the pedal in the normal way — and you get a lot more miles from a tankful of gas.

You switch the pitch of these blades to take-off position when you press the pedal way down — and you get spectacular action instantly.

Don't take our word alone that this is thrilling beyond all previous experience.

Talk to anyone who's tried it. Or, better yet, come try it yourself. That way you can learn firsthand why Buick sales are soaring to all-time best-seller highs. Drop in this week, won't you?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

AMERICA'S FOREMOST ARTISTS VOTE PLYMOUTH

"AMERICA'S MOST BEAUTIFUL CAR!"

"To Plymouth in honor of the men and women who designed the 1955 Plymouth—most beautiful car of the year"

— SOCIETY OF ILLUSTRATORS CITATION

Plymouth is proud to announce this award bestowed by the famed Society of Illustrators. To the trained eye of the professional artist, Plymouth's *Forward Look* styling represents the year's most beautiful automotive design.

You'll appreciate this beauty, too, and what it does for you. How, for example, it gives you the greatest visibility of any low-price car... the roomiest interiors... the largest trunk space.

But see for yourself. See America's most beautiful car today—the all-new PLYMOUTH!

BEST BUY NEW; BETTER TRADE-IN, TOO

Lazbuddie News

* Baccalaureate services for graduating seniors will be held in the Grade School auditorium on Sunday night, May 15, at 8:00 o'clock. Speaker for the occasion is to be Rev. C. K. Roberts of the Lazbuddie First Baptist Church. Commencement for the high school is to be held in the school auditorium on Tuesday night, May 17, at 8:00 o'clock. The grade school commencement is to be held on Monday night, May 16, at 8:00 o'clock.

* The Senior Class presented their play, "It's Great To Be Crazy" on Thursday night to a fairly full house.

* On April 26, the Lazbuddie FFA held its regular monthly meeting. At this meeting the chapter decided to take its first summer trip. The place to go was not decided at that time.

Also at the meeting, the chapter chose their officers for the coming year. The former president, Virgel Merriott, was relieved of office by Durwood Teague, the vice-president. Johnny Gannon was re-elected. Glen Watkins, secretary, retained his office also. The treasurer, Jimmie Oliver, was replaced by Leon Wilson. Santinel, Joe Briggs, was relieved of his duties by Leon Smith and the former reporter, Leon Smith, was replaced by Travis Peterson.

Another point decided at the meeting was to have summer meetings. Starting in June, meetings will be at 8:00 p.m., on the first Monday of each month.

* At the Area I Judging contests, held in Lubbock, April 30, the Lazbuddie Dairy Judging Team, composed of Andy Fuqua, Durwood Teague, and James Gilmore, placed eighth. As the top nine teams in Area I are to enter in the state contest, the Lazbuddie team will go to Texas A. & M. for that contest on May 14. The Chapter of Future Farmers in our school system is really backing

this team and we sincerely hope that they will come out on top.

* The Senior Class plans to leave on their senior trip the nineteenth of May. They plan to go to a Dude Ranch at Bandera. They will probably be gone for a week or ten days.

* A pink and blue shower, honoring Mrs. Buck Kyle was held in the home of Mrs. Calvin Clark. Theme of the shower was "Rock a Bye Baby in the Tree Top". Mrs. Kyle and her mother, Mrs. Rhiney Steinbock, were presented with corsages of bibs with booties and rattlers in the center of them. Pink snapdragons and blue carnations with pink branches and a tiny baby in the top were used as the centerpiece.

Refreshments of blue cakes and pink punch and nuts were served along with plate favors of miniature bibs to Mes. Jimmie Ivy, Alfred Steinbock, Ed Steinbock, Judd Clark, E. L. Clark, Rhiney Steinbock, Ronald Davis, Raymond McGehee, Demp Foster, Walter Steinbock, Wayne Clark, Ben Foster, Willie Steinbock, Delayne Steinbock, Sonya Brown, Sharon Welch, and the hostesses, Mrs. J. W. Coffman, Mike Langford, Andrew Brown, Everett McBroom, Roney Smith, James Welch, Elfreda McGehee, Clayton Graef, and Calvin Clark.

* Luther Ham returned Thursday from a business trip to Brownwood.

* A party honoring the senior class was held in the home of Mrs. Juel Treider with Mrs. Bert Gordon as co-hostess. Games were played and refreshments of angel food cake and cold drinks were served to everyone present.

* Carol Clemens, daughter of Mr. and Mrs. Wilson Clemens, teachers in the Lazbuddie school system, is in the Clovis Memorial Hospital, recovering from a bout with pneumonia. Carol took

pneumonia almost immediately after recovering from the measles.

* Daniel Tarter is still improving in the Clovis Memorial Hospital after undergoing surgery.

* The seventh grade and their sponsors recently went to Muleshoe for a theatre party. The movie they saw was "The Detective", with Alec Guinness. Those attending were: Shorty Ivy, Jerold McGehee, Kenneth McGehee, Derrell Jennings, Joe Don Beavers, Bill Stigulde, Herman Josko, Glenda Robinson, Donna Redwine, Minnie Redwine, Oma Lee Porter, Loretta Beene, Pat McLeod, Alice Gordon, and Maudine Barnes. These were accompanied by Mrs. James Robinson, Mrs. Alfreda McGehee, Mrs. Bert Gordon, and Mrs. Wesley Barnes.

* Two former resident families of the Lazbuddie community are the proud parents of children born on the same day. Mr. and Mrs. Charles Barton of the Parmer County Gin are the parents of a boy, John Robert, born on Friday, April 22, and Mr. and Mrs. W. D. Revel, former teachers in this community, are the parents of a girl born on the same Friday, April 22. We of the community hope that both children and parents have a richer life because of each other.

TO JACKSONVILLE

Mrs. J. E. Perkins left last week for Jacksonville to visit her sister, Mrs. Mary Henson. On the way down, she stopped in Dallas to visit her sons, Dewey and Lester Perkins and families. She expects to be gone some six weeks.

Mrs. Bobo To Take Part On Program At Bank Meeting

The Southwestern Division of the National Association of Bank Women, which is comprised of Oklahoma, Arkansas and Texas, is having its convention in Ft. Worth, at the Hilton Hotel, May 13, 14, and 15.

The National president, Miss Cora I. Blanchard, Assistant Treasurer of the Suffolk Savings Bank, Boston, Mass., will address the convention.

One of the outstanding features of the program will be a "Sing-Song", which will be led by Mrs. Inez F. Bobo, Vice-President and Cashier of the Muleshoe State Bank. Mrs. Bobo will be accompanied by Miss Ruth E. Ford, Vice-president of the Lubbock National Bank in Lubbock.

NOTICE:

Any former resident of the counties of Wilbarger, Hardeman, or Ford, now living anywhere on the Plains, are asked to contact Mrs. Jimmy Presley, Box 1005, Muleshoe, if they are interested in attending the annual Wilbarger, Hardeman and Ford County Reunion, which will be held at Lubbock sometime in August.

Interested parties are asked to send their names and addresses to Mrs. Presley and she will send them further information.

TEXAS' BIGGEST CAVE

Underground map of famous Texas Longhorn Cavern shows the two miles of subterranean passageways that have been opened to visitors and some of the amazing natural phenomena that make the cavern one of the most spectacular scenic wonders of Texas and the nation. The tremendous cavern, located in Longhorn Cavern State Park near Burnet, is the largest cave in Texas and the third largest in the world.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR® stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

*National Association for Stock Car Auto Racing.

Combine your new Chevrolet purchase with your vacation plans!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

THANKS TO ALL

I would like to say thanks to all our many friends for their loving kindness, hospitality, flowers and food during the sickness and death of our darling parents, Grandpa and Grandma E. J. Thomas.

Would also like to thank my customers for their being so understanding of my closing and opening the cafe/business so much recently. I know by your return when my doors are open that you have been understanding.

I feel it was my duty to care for my parents all I could during their sickness until death. I have been blessed in doing so. I was embraced and thanked by both on their dying beds. I deem that it was one of my greatest pleasures in life. I feel I have these two treasures in Heaven in hopes I may meet again some day.

Thanks again,

MRS. THERON WEST
