

Watkins Wins In Clovis GG Tourney

Horace Watkins came forth from the Clovis Regional Golden Gloves last night as the only Muleshoe champion of the '55 tourney. Last night's card climaxed three days of the best boxing ever seen in the Clovis ring.

Several local fighters made the finals but were unable to conquer such strong teams as the one from Santa Rosa, N. M. In the first go Monday night, Delbert Black dropped his bout to Nelson of Santa Rosa. John Young fell before Lopez of Santa Rosa also. The Santa Rosa team continued to rack up points as Gene Lewis went down before their power house. Dewayne Farr decided Frank Daily of Millrose, and G. R. Howell took Bill Wilkerson, another Santa Rosa boy, to keep Muleshoe in the fighting.

On Tuesday night Dewayne Farr went down the TKO route after a good start against Chavez of Santa Rosa. Wendell Pike nailed team-mate Jackie Tidwell to go on to the finals last night.

George Chavez and Pike met last night and Chavez won a KO in the third. Santa Rosa's Orlando Padilla took a decision over G. R. Howell. Then Horace Watkins came on to take the 160 lb. championship by defeating Jeffers of Clovis.

Santa Rosa took the high school championship. Clovis took the open and novice classes.

Home Ec. Girls Hostesses Friday

High School Home Ec. girls are to be hostesses for a luncheon Friday for members of the school board and their wives, and administration officials and their wives. The girls are showing their appreciation of the fine equipment provided for their kitchen and sewing room.

Rooms will be decorated in the Valentine motif and kitchen and sewing room equipment will be on view. The meal will be prepared by the girls and served in their kitchen.

Library Benefit Breakfast Saturday

Muleshoe Study Club announces a library benefit breakfast the coming Saturday, between the hours of 7 and 9 o'clock in Fellowship Hall.

People of the city are being informed they will be kidnapped sometime during this period, and that if they don't resist and go along quietly, the coffee and doughnuts will be only 50 cents a person.

C. B. Stanley To Speak Sunday At Main St. Baptist

Loy J. Ferguson, pastor of the Main Street Baptist Church in Muleshoe, announced earlier this week that Elder C. B. Stanley, manager of the Texas Baptist Orphanage at Waxahachie, will be at the Main Street Church in the interest of the home next Sunday, February 6, and will preach at the morning services.

Those having food, clothing, etc. to give to the home are asked to bring it with them to church.

NEW BARBER HERE
Willard Renau, recently of Wellington, is a new barber at Holland Barber Shop.

JayCee State President Here Tonight

FORD

HEATHINGTON

Two top leaders in the Texas Junior Chamber of Commerce pictured here will be in Muleshoe tonight for a get-together with Muleshoe JayCeers. Rocky Ford, of Midland, the state president, will address the gathering in the dining room of Gerald's Cafe.

He will be accompanied by the state vice-president for Region 2, Odell Heathington, of Ralls.

Local JayCeers had a big part in the election of Ford to head the state organization in the convention held at El Paso last summer.

A large group from the Muleshoe organization will be on hand for the bi-regional meeting the coming Saturday and Sunday in Pampa, which will be attended by the two state leaders.

PRESSING 5,000 BALES A WEEK

Compress Busy Place These Days

TERMED "UNFAIR"

Farm Bureau Voices Objections To Disaster Loans Applied To Bailey Co.

Liberalization of the disaster loans as applied to Bailey County has been suggested by the county Farm Bureau, which recently addressed letters to Texas Senators and Congressmen and to Sec. of Agriculture Benson explaining its stand.

Bill Millen, president of the body, said the Bureau thinks the rate of interest and length of repayment both should be modified. The letter follows:

We wish to express our objections to the present disaster loans in Bailey County:

First, we feel that the interest is too high for that type loan. It was raised from 3 per cent to 5 per cent and the interest starts on the whole sum from the date the money arrives. Maybe the borrower is never allowed to use

all the money, but he still pays interest on it anyway. We think this is unfair and too high for this type loan.

Also, the farmer is put to quite a bit of trouble and expense getting his abstracts and loan insurance fixed up, so as to give the Government lien note on his farm, while some other farmers with no land are loaned as much money with no additional security. We feel that this is unfair.

DEATH IS CITED

Due to four years of drouth, we think it will be extremely difficult for some farmers to recover from the effects of this drouth, even though they should have satisfactory moisture conditions in 1955. Therefore they need something in a long term loan at a low rate of interest.

Catholics Plan Church Building

A call for all Catholics of this immediate territory to meet in the Palace Theatre in Muleshoe the night of Tuesday, Feb. 15, has been issued by Rt. Rev. W. F. Rosen, monsigneur of the Littlefield Catholic Church.

The meeting is set for 8 o'clock. The group will discuss plans to build a church in Muleshoe.

Last Rites For Mrs. Moore To Be Held Saturday

Funeral services for Mrs. Julia E. Moore, colored, will be conducted at the Saint Matthew Baptist Church here, Saturday, February 5, at 2:00 pm with Rev. Fields, of Littlefield officiating. Mrs. Moore was eighty years of age at the time of her death, January 31. She was born May 31, 1874, in Belton, Texas. She had resided in Muleshoe for some nineteen years and had been a member of the Baptist Church since coming here. She was also a member of the Saint Joseph Grand Lodge No. 1300, of Muleshoe.

Burial will be in the Muleshoe cemetery.

Mrs. Moore was preceded in death by her husband. Survivors include three daughters, Lizzie Wilson, El Paso; Arisca Curtiss and Leatha Busby, of Muleshoe; two sisters, Lucy Garner and Leah Busby, both of Dallas; one brother, Charles Garner of Belton; six grandchildren, and six great grandchildren.

Charles Snyder Rites Conducted Here Sunday

Last rites were conducted here at 3:00 pm Sunday, January 30, at the First Baptist Church, for Charles Lee Snyder, son of Mr. and Mrs. Charles F. Snyder, of Roscoe.

Charles Lee passed away at 5:00 am, January 29, at the Sweetwater Medical Center. He was born in Friona, and was three months and sixteen days of age at the time of his death.

Rev. E. K. Shepherd was officiating clergyman.

Pallbearers were: Bruce Lambert, J. B. Young, Robert Trapp, and Dee Chitwood.

Other than his parents, young Charles is survived by a brother, Willard Gene; and his grandparents, Mr. and Mrs. Frank Snyder of Muleshoe and Mr. and Mrs. W. A. Kemp, of Portales, N. M.

Two Break-Ins Are Reported Monday

Lightning does strike twice, it appears, or at least break-in operators go back to the same places more than once. Monday night someone broke into the Cayle Reed Buick Co., and the A. J. Lenderson Implement Co.

In the latter place they took about \$7 in cash but nothing else was missing. Sheriff Hugh Freeman Wednesday was holding a suspect, who, he said had not signed a statement.

Santa Fe's Crack New Train To Be On View In Muleshoe Friday, February 18

LUBBOCK, Feb. 2 (Special) — The new streamlined Diesel-powered passenger train which will provide the South Plains with first class overnight service to Chicago will be in Muleshoe on Friday, Feb. 18, from 12:30 to 2 p.m., according to the tentative schedule. Those aboard will have lunch here.

In order to acquaint all South Plains residents with the modern equipment which will begin daily service between Amarillo and Lubbock on Sunday, Feb. 20, the train will be brought here on one of six area-wide trips to be made the week before the new schedule actually goes into effect, officials of the Lubbock Chamber of Commerce and Santa Fe have announced.

While in Muleshoe the train will be open for inspection by all local residents. Representatives of the railroad, the Lubbock Chamber and other area towns will be aboard the streamliner when it arrives.

Over 100 Persons Work At Local Plant

Union Compress & Warehouse Co., of Muleshoe is rapidly whittling away at the huge stock of cotton received during the ginning season, and is now pressing about 5,000 bales a week, Don Moore manager reports. He said the pressing probably will be completed by March 15.

To date the company has received 81,300 bales and still is receiving a few bales now and then. The plant operates from Monday morning to Saturday noon, then closes down for a general cleanup of boilers and the premises about the press room.

Counting construction crews engaged in building a new warehouse, the company now has well over 100 employes in their Muleshoe plant.

The new warehouse is similar to the others and will contain 50,000 square feet of floor space, enough room for 7,500 bales of cotton, the limit for storage in one space unless fire walls are built. Mr. Moore said the company is preparing plans for two more warehouses, each to contain about 5,500 square feet of space.

All cotton will be stored inside these warehouses by mid-March, it was said.

Tractor Plunges Across Highway As Guide Breaks

A driverless tractor ran wild for a bit Tuesday morning when the furrow guide broke. The tractor was being used to pull a breaking plow. It dragged the plow across the highway, plowing a nice furrow in the paving, but the motor died as it ascended the railroad embankment.

The incident occurred on the Gulley farm about one half mile east of Lariat, Rudolph Renter, Jr., operates the farm.

Highway Department crews got the paving repaired in short order.

Dist. Governor Addressed Lions At Zone Meeting

Jim Ed Waller, of Plainview, District 2-T-1 Lions International governor, was principal speaker when the Lions held their zone meeting here with Muleshoe Club as hosts last Friday evening. The zone meeting, combined with ladies night and banquet, was held in the school cafeteria.

Besides Muleshoe, clubs represented included those of Dimmitt, Friona, Bovina, and Hereford. The speaker was introduced by Lion Charles Allen, Friona. Gilbert Lamb introduced the visitors and Jerry Kirk was emcee. Rev. Clarence Stephens gave the invocation.

The crowd enjoyed several numbers presented by the high school chorus under direction of Norvil Howell.

RED CROSS DRIVE BEGINS MARCH 7

Rev. Clarence Stephens, pastor of the First Methodist Church here is chairman for the Red Cross. The drive is scheduled to begin March 7.

Muleshoe School Endeavoring To Secure Course In Educational Psychology

Supt. Jerry Kirk of the Muleshoe Schools, is announcing this week that the school is endeavoring to secure an Extension Course in Advanced Educational Psychology from West Texas State College, Canyon.

Mr. Kirk asks that all who are interested in taking this course, please notify him not later than Feb. 11, as there must be as many as 26 registered for the course in order to secure it.

This is the same course taught here last year, and as several have expressed a desire to take it, and he has also issued invitations to surrounding schools he feels assured that will be a sufficient number register to assure its teaching. It is a three-hour course, and anyone taking it will receive credit on any college degree, Mr. Kirk stated.

Jones Farm Store Offers Free Chicks

Biggest Baby Chick event ever to be held here is in the works at Jones Farm Store, which carried an advertisement in last week's Journal to tell about it.

Free cockerels are being offered with purchases of \$5 and over, in proportion to size of purchase, 25 with \$5. Those who purchase or book 50 pullets or 100 straight run or 200 heavy bred cockerels will get a ticket good for a chance on Feb. 12 and March 19 at a drawing for 100 Hy-Line pullets.

Then the company will give their grand prize on April 30; 100 Hy-Line pullets and enough supplies and feed to put these pullets on the laying nest. It will pay the reader to look into this free chick offer.

Howard Cox Off For 2-Weeks Naval Duty

Howard Cox genial proprietor of the Cox Drive-In Theatre, accompanied by Mrs. Cox will leave Friday for Corpus Christi, where Howard will see active duty with the U. S. Navy for two weeks. He will be stationed at the Naval Air Base in Corpus Christi.

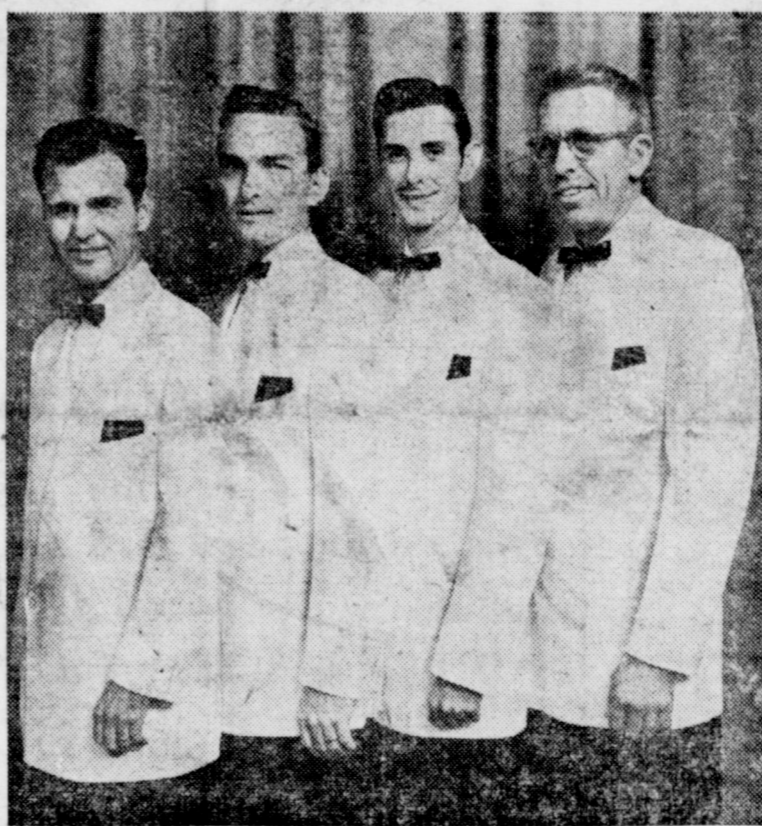

Howard said he hoped it didn't turn into two years instead of two weeks. He has been in the Navy in active duty and as a reserve for 16 years, and plans serving four more.

Rotarians Meet Again At Gerald's

Rotary Club members Tuesday returned to their old meeting place in the dining room of Gerald's Cafe after being out of a private meeting place for some time. Many business items had been passed over and the meeting Tuesday was devoted to that phase of club work.

President Bob Gregory announced that the film, "The Great Adventure", made in celebration of Rotary's Golden Anniversary, will be shown here March 8. Rev. James Todd was named chairman of the youth committee. J. M. Forbes, Clyde Holt, and Ray Franz were named to a committee which will submit recommendations for filling three vacancies on the board of directors. Visitors included Rotarians Phil Raught, Sudan; and Harry Lyman, Clovis; and Jerry Kirk of Muleshoe. The club enjoyed a 100 per cent attendance at the meeting.

Famed Quartet Coming Friday

Delegates Named To Student Council Texas Convention

In a recent meeting of the Muleshoe High school Student Council, the delegates who are to attend the Texas Student Council convention, to be held in Denton this spring, were elected. They are Barbara Darsey, Pat Simmacher, Bobby Nelms, and Stanley Fox. Local SC president, Billy Ellis and high school principal J. R. Baker will make the trip as sponsors.

All the delegates are underclassmen, and will be able to put those things learned in the convention's many workshops and discussion groups to active use here next year. The Student Council in the High school is government in action, and these boys and girls will meet with over 1,200 student leaders like themselves at the TASC convention. What they learn there will not only be shaping the future of MHS but the future of our nation.

Only 1120 Persons Paid Poll Taxes

Extremely light payments of poll taxes is reported from the office of Hugh Freeman, sheriff, tax assessor and collector.

Mr. Freeman said only 1120 people in Bailey County have paid their taxes to qualify them to vote in this year's elections. He estimated it is about half the number which customarily are paid.

Workers Breakfast Tuesday to Launch Annual Boy Scouts Finance Drive

The annual Boy Scouts finance drive will be held in Muleshoe next Tuesday, Feb. 8 and will be launched with a breakfast at Gerald's at 7 o'clock. The work is to be finished in one day, according to plans announced by Rev. Clarence Stephens, drive chairman.

The following workers have been appointed: Clyde Holt, James Crow, Blundy Ray, A. J. Gardner, Gilbert Lamb, W. E. Young, Lee Pool, Jeff Peeler, Jerry Kirk, M. E. Simmons, Cecil Tate, Glen Williams, Al Griffin, D. B. Lancaster, Owen Jones, Dee Clements.

Paul Brock Joins Brock Motor As Service Manager

Paul Brock has become service manager for Brock Motor Co., Muleshoe Hudson dealers, it was announced today by Ernest Brock owner of the motor firm, which is located in the building formerly occupied by Robertson Motor Co.

Paul Brock has had many years of experience as mechanic and service manager. The last seven years he has been service manager for General Truck & Engine Co., Cadillac and Oldsmobile dealers in San Diego, Calif. He has had experience both with Diesel and gasoline motors.

He attended Y. L. Lazbuddie and Muleshoe schools and is well known to the people of this territory. His wife and their three young children will join him here in the next few days. Mrs. Brock is a native Californian, but is looking forward to making her home on the Plains.

The two Brocks last week attended the showing in Ft. Worth of the 1955 Hudson line, announcement of which will be made soon. The two then went on to Tyler to visit their parents, Mr. and Mrs. H. T. Brock, who are former residents of this community.

Workers Breakfast Tuesday to Launch Annual Boy Scouts Finance Drive

The annual Boy Scouts finance drive will be held in Muleshoe next Tuesday, Feb. 8 and will be launched with a breakfast at Gerald's at 7 o'clock. The work is to be finished in one day, according to plans announced by Rev. Clarence Stephens, drive chairman.

The following workers have been appointed: Clyde Holt, James Crow, Blundy Ray, A. J. Gardner, Gilbert Lamb, W. E. Young, Lee Pool, Jeff Peeler, Jerry Kirk, M. E. Simmons, Cecil Tate, Glen Williams, Al Griffin, D. B. Lancaster, Owen Jones, Dee Clements.

Mullettes Win Fourth Conference Game Friday 52-30, Downing Littlefield

The Mullettes took their fourth district win last Friday afternoon by defeating the Littlefield girls 52-30, at Littlefield.

Littlefield was first to score, racking up four points before Jean Montgomery hooped the first two through for Muleshoe. A few moments later the Mullettes tied the score 6-6, then went ahead to stay. The score was 14-6, Muleshoe, going into the second frame.

The Muleshoe defense was magnificent in the second quarter, making sure the Mulettes offense stayed in possession of the ball the better part of the period. Every shot counted as Montgomery, Wright and Douglass worked together to total a 30-16 half time score.

The contest continued to be a show of defense against Littlefield on the part of both the Mulettes offense and defense, in the third. The scoring was seldom, but there were few times when Muleshoe wasn't in a position to add another tally. Heads-up ball kept the local six

Jr. Teams Win Two Over Spade

The local sixth grade boys' and seventh grade girls' basketball teams journeyed to Spade, Monday night to take both games from their hosts.

The boys came out on top to the tune of 35-24, over Spade's seventh grade team. James Shephard led the scoring for Muleshoe with 12 points.

The Muleshoe girls were strong on defense while winning their game 19-9. Mary Sue Gross took scoring honors for Muleshoe.

Littlefield Wins Two From Locals

The freshman and eighth grade boys met with defeat Monday night at the hands of Littlefield's Junior high Wildcats.

The freshmen dropped their game to Littlefield with an even 36-26 score. The local eighth graders had to lose a hard one, in which very little scoring took place. Littlefield eked out ahead 18-17.

Mules Stop Olton In Conference Tilt 49-44; Mullettes Roll To 59-44 Win

The Mules and Mullettes took both games Tuesday night as they played host to the Olton squads in the fifth leg of the District 2-AA race. The Mullettes took their game easily, 59-44. The Mustangs lost out to the determined Mules 49-44. In an early preliminary contest, Olton's "B" team defeated the local second string 55-30.

In their game, the Mullettes jumped to a quick seven point lead before Olton found the night's first hoop. From that point Olton rallied to pull within four points of the Mullettes at the end of one.

Olton tied the game up 23-23, midway through the second frame. Once before the half the Mullettes trailed, but managed to fight for a 30-27 half time lead.

Muleshoe turned the offensive power on in the third quarter and racked up 19 points to lead 49-35 going into the last frame.

With two minutes remaining the starters for Muleshoe on both offense and defense took to the bench, with their thirteenth straight win in the bag.

Jean Montgomery racked up 28 points to take the night's honors. Linda Franks led Olton with 25.

In the boy's game, Olton came out on the long end of a hard fought first quarter, to lead the Mules 14-12 going into the second round of play.

Mid-way through the second frame the Mules tied the game up 17-17, but they were unable to score only two more from the foul line while the Mustangs went on ahead 27-19 before the end of the first half.

The Mules stormed back in the third quarter to take a 32-31 lead with three minutes gone. Olton was quick to tie it back up 34-34 as the game reached the crucial moments. Going into the final quarter the Mules had hustled to a 37-36 lead.

A full-court press turned the tables in the fourth quarter. The Mules capitalized on every break, while it seemed that Olton's luck was all gone, and their last minute rally was not enough.

Eugene Shaw led the Mules victory with 17 points, while Rhodes dropped in 13 for the Mustangs.

Gabbert's GG Days End At Plainview

A nose injury received in his fight with Don Britian, of Canyon during the Plainview district Golden Gloves, brought the high school boxing career of R. L. Gabbert to an abrupt halt.

With a ten win, one lost record, Gabbert is recognized as one of the best high school lightweights ever to come from Muleshoe. His boxing career began at Clovis, N. M., during R. L.'s sophomore year in high school here. He has won one high school championship at Plainview, and three at the annual tourney at Clovis.

Gabbert was planning to enter the regional tourney at Clovis this week, when doctors advised against any further ring competition.

Ginger Gaede Installed Worthy Advisor Of Rainbow Assembly In Lovely Ceremony

Ginger Gaede, daughter of Mr. and Mrs. Raymond Gaede, was installed as Worthy Advisor of Muleshoe Assembly No. 161, Order of the Rainbow for Girls, in a beautiful installation ceremony, Thursday evening, January 27, in Masonic Hall.

Other officers installed were: Jean Louise Gammon, worthy associate advisor; Doris Fields, Charity; Elaine Evans, Hope; Mary Janice Puckett, Faith; Darla Johnson, recorder; Pat Braune, treasurer; Quinell Elliott, chaplain; Mary Jo Holt, drill leader; Doris Childers, Love; Sandra Briscoe, religion; Nan Allison, nature; Marcia Redwine, Immortality; Jean Cawthron, Fidelity; Kay Lenderson, Patriotism; Nell Moore, Service; Sandra Allison, confidential observer; Sherry Allison, outer observer; and Carolyn Hinkson, musician. The choir is composed of Sandra Welch, Marie Houston, Nancy Donaldson, LaQuinna Stone, Judy Hanks, Nelda Redwine, Judy Lambert, Jackie Burton, Dolores Wagnon, Sandra Briscoe and Pat Thomson.

Mrs. LaVonne Hinkson is mother advisor and the advisory board is made up of Mr. and Mrs. A. J. Lenderson, Mr. and Mrs. W. F. Creamer, Mrs. Ada Thomson, Mrs. Peggy Childers and Mrs. Bertha Johnson.

Outgoing worthy advisor Darla Myers, acted as installing officer. She was assisted by Janice Gaede, Bettie Collins, Tommie

Bratcher, Helen Stovall, and Barbara Douglass. Darla graciously congratulated Ginger, as she presented her the gift and the gift from the assembly to Mrs. Jewel Strong, out-going mother advisor.

After the officers were declared installed, Mr. and Mrs. Gaede were presented behind the bow, introduced and conducted to the east, where they were extended a courtesy by their daughter, who pinned a corsage on her mother and a boutonniere on her father, and thanked them for their love and encouragement during her years in Rainbow.

Others presented behind the bow and introduced were: Mr. and Mrs. A. C. Gaede, Barbara Hinkson, Mrs. Billie Mathis, Elbert Nowell, Janice Gaede, Elizabeth Farley, Bettie Collins, Barbara Douglass, Tommy Bratcher, and Ada Thomson.

Lynn and Pam Lenau sang "Count Your Blessings", accompanied at the piano by Mrs. Elizabeth Woodley, Elizabeth Farley paid tribute to Ginger by reading, "To Our Worthy Advisor", Barbara Douglass and Doris Fields sang duets, dedicating "Girl of My Dreams" to Darla and Mrs. Strong. They were accompanied at the piano by Doris Childers.

Ginger thanked all her installing officers and those on the program and presented them with gifts; the past worthy advisors pin going to Darla Myers.

Marion Clark Harris Becomes Bride Of Bobby Goodwin In Candlelight Service

MR. AND MRS. BOBBY ROSS GOODWIN

Miss Marion Clark Harris became the bride of Bobby Ross Goodwin in an impressive candlelight ceremony at the First Methodist Church, Saturday, January 29, at 6:00 o'clock in the evening.

She is the daughter of Mr. and Mrs. Marion Franklin Harris and his parents are Mr. and Mrs. Robert Ross Goodwin.

Rev. C. E. Jamison of Midland performed the double ring ceremony before an archway of candelabra bearing pink tapers entwined with pink ivy glittered with silver. The choir rail was decorated with pink tapers entwined with greenery and pink ivy glittered with silver and the communion table held a huge bouquet of pink gladiolus and baby's breath.

Miss LaVon Copley presented a prelude or organ music and accompanied soloist Keith Gaede as he sang "Because" and "O Promise Me". Miss Copley played "O Promise Me", softly as vows were being exchanged, and the traditional wedding marches.

The bride, given in marriage by her father was lovely in a gown of imported lace and nylon tulle over net and taffeta in blush pink. Designed with a portrait neckline outlined with sheer voke held with applique of scalloped lace, the fitted bodice had tiny sleeves, completed by tulle gauntlets ending in points over the hands, and terminated with rounded waistline. From this stemmed a bouffant waltz-length skirt of shirred tulle encircled with bands of scalloped lace. The veil of matching silk il-

lusion was joined to a Juliet cap of shirred tulle petals held with scalloped cord.

She carried a bouquet of pink rosebuds centered with a white orchid and encircled with pink net ribbon.

Has Ten Bridesmaids

Miss Ann Woodley was maid of honor and Miss Carol Leaverton, Lubbock; Misses Helen Stovall, Barbara Douglass, Bettie Collins, Ginger Gaede, and Lola Roark were bridesmaids. They wore identical dresses of nylon tulle over net and taffeta in pastel pink to blend with the bridal gown. The frocks were designed with strapless bodices accented by shirred lace and satin bands and were joined to bouffant waltz-length skirts. They wore net stoles and velvet bandeaus enhanced with velvet grapes and leaves dotted with rhinestones.

The maid of honor carried a cascade bouquet of pink rosebuds and pink baby's breath showered with ribbons and the other carried pink ranunculi and baby's breath.

Jana Goodwin, sister of the bridegroom and Pamela Lynn Lenau were junior bridesmaids. They wore waltz-length gowns of pale blue nylon over taffeta. Their headbands were of pink velvet and they carried small replicas of the bridesmaid's bouquets.

Melenda Harris, who served her sister as flower girl, wore pink net over taffeta and a pink headband.

The candles were lighted by Kay Lenderson and Richard

Goodwin, brother of the bridegroom.

Max Self served his cousin as best man. Marlon and Jerry Inman, Stanley Fox, Cecil Mardis, Wayne Bristow and Jimmy Presley were ushers.

Reception Held In Lenau Home

Following the ceremony a reception honoring the couple was held in the home of Mr. and Mrs. Charles Lenau. Mmes. Bernard Phelps and Wilbur LeVeque assisted in hospitalities.

Included in the houseparty were Mmes. Joe Leaverton, Sid Clark, and Lester Bacuss of Lubbock; Mmes. Gerald Byrd, Cecil Mardis, O. M. Self, Jimmy Presley, Noel Woodley and Misses Sue Young and Rheta Peeler.

After a trip to Ft. Worth and Dallas, the Goodwins will be at home on a farm near Muleshoe. For traveling, the bride wore a pink silk suit with rhinestone and pearl trim, a matching hat and pink lizard accessories. Her corsage was a white orchid.

The bride is a graduate of Muleshoe High School and attended Texas Tech last fall. The bridegroom is a former student at NMMI, Roswell, N. M.

Out-of-town guests included Mrs. Fanny Parr, Lindsay, Okla.; Mr. and Mrs. Sid Clark, Mr. and Mrs. Roscoe Clark and children. Mr. and Mrs. Jim Clark and daughters, and Mrs. W. A. Clark, Lubbock; Mrs. Myrtle Wright and R. B. Boren, Dimmitt; Mrs. Edna Williams and Mrs. Harry Stevenson, Tulsa, Okla.

Program On Music Enjoyed As Study Club Met Thursday

Members of the Muleshoe Study Club met in the home of Mrs. Pat Bobo, Thursday evening, January 27, for a study on music.

Each lady answered roll call by telling what her favorite type of music was. High on the list were semi-classical and music such as is played by Wayne King and his orchestra.

Mrs. A. J. Gardner gave an interesting review of the lives of Jimmy and Tommy Dorsey, top orchestra leaders. Jimmy and Tommy, sons of a coal miner have now attained top ranking orchestras, both in popularity and in cash intake. Mrs. Gardner said the Dorsey theory was "You never get hurt thanking people", and "always leave them on the upbeat".

A report of the nominating committee was given by Mrs. A. S. Stovall, on officers for the coming year. The following officers have been elected: Mrs. Vance Wagon, president; Mrs. Lee Pool, vice-president; Mrs. H. S. Sanders, Jr., secretary-reporter; Mrs. Horace Blackburn, corresponding secretary; Mrs. John Watson, treasurer-librarian; Mrs. Lonnie Arnold, parliamentarian; Mrs. Jerry Kirk, critic and Mrs. A. J. Gardner, historian.

Mrs. Jerry Kirk gave a report on the resolutions before the house on driver education in the schools. The club voted to support the resolution, and each member is asked to write their congressman or senator, asking their support.

Final plans were made for the kidnap breakfast in the near future, to raise funds for the Bailey County Library, which the club sponsors.

Refreshments were served by the hostess to the following members: Mmes. Lonnie Arnold, S. C. Beavers, Horace Blackburn, J. M. Forbes, A. J. Gardner, Mary Hart, H. D. King, Jerry Kirk, Julian Lenau, Lee Pool, Buck Ragsdale, T. M. Slemmons, A. S. Stovall, H. S. Sanders, Jr., Vance Wagon, John Watson, Buck Wood and H. S. Sanders, Sr.

Hi-Lo Piano Club Studies The Life Of Beethoven

The Hi-Lo Piano Club met January 29 in the Fellowship Hall for a program on music.

Mrs. John Gammon had charge of the program which followed a short business session. She spoke on the life of Beethoven. Tonye Welch, Alva Lee Shofner, and Jean Gammon played music composed by this great man, following her talk.

Other selections were presented by Donna and Vicki Lynn Talbert, Janet Franz, Ann McReynolds, Larry Allison, Charles King, Doris Childers, Jane Sanders, and a duet was played by Mrs. Moore and Kathie.

During the refreshment period, a round table discussion was held by the mothers on "how I get my child to practice". The children also had some comments to make on the subject. Hostesses were Mmes. Houston Howard and Robert King.

Mrs. Motherall Is President Of TEL Class

The home of Mrs. John Benson set the scene for a meeting of the TEL Class of the First

Baptist Church met February 1 at 3:00 o'clock in the afternoon. Mrs. W. E. Harlan was in charge of the business session in the absence of the president, Mrs. Finley. Prayer was offered by Mrs. Harlan and the devotional taken from Matthew 7:1-14, was given by Mrs. Benson.

Group leaders gave their reports and the class voted to send a box of clothing to the orphans' home.

Mrs. M. E. Finley turned in her resignation as president, and Mrs. Beulah Motherall was elected to take her place.

Mrs. D. W. Winn has offered her resignation as reporter.

Mrs. John Benson dismissed the meeting with a prayer after which refreshments were served to ten members and two visitors.

The parsonage of the Progress Methodist Church set the scene Monday evening as men of the church gathered to enjoy a meal of fish with tartar sauce, salads, hot rolls, pie and coffee. The fish were furnished by

Carroll Jones and Byron Gwyn, who caught them several weeks ago when they were fishing in the Gulf. There was plenty of fish for everyone and Mmes. Jones and Gwyn said they were glad to have room again in their deep-freezers for something else.

Supper was prepared and served by ladies of the WSCS and MYF of the church.

After eating, the men elected new officers for their mens organization.

Officers are as follows: president, Byron Gwyn; vice-president and program chairman, James Wedel; secretary-treasurer, Joe Walker.

Special project of the organization this year is remodeling the Alamo building into classrooms, fellowship hall, and kitchen, for the church and community.

Clean-up activities have already begun. Men attending were: Albert Davis, Doyle Green, Bill Shaw, Elmer Wolfe, Bill Garrett, Owen C. Powell, Joe Walker, Byron Gwyn, John W. Thomson, Troy Atkinson, C. E. Kauffman, James Wedel and Carroll Jones.

Mrs. Roy Bayless brought the devotional, using Psalms 23 as the scripture, followed by a prayer by Mrs. Clarence Stephens.

Mrs. S. C. Beavers gave a talk on "Missionary Education". Her talk was followed by a short talk on "Children's Work", by Mrs. H. M. Shofner and a talk on "Youth", by Mrs. J. T. Shofner.

A short business session was conducted by the president, Mrs. H. Jay Weyer.

Ladies present were: Mmes. H. Jay Weyer, Roy Bayless, J. E. Day, O. S. Richards, H. C. Holt, H. M. Shofner, I. F. Willman, C. R. Farrell, Arnold Morris, H. O. Barbour, W. D. Moore, S. C. Beavers, Clarence Stephens, and J. T. Shofner.

Monday, January 30, the W. S. C. S. of the First Methodist Church met in the Fellowship Hall with thirteen members and

one visitor attending. Mrs. Roy Bayless brought the devotional, using Psalms 23 as the scripture, followed by a prayer by Mrs. Clarence Stephens.

Mrs. S. C. Beavers gave a talk on "Missionary Education". Her talk was followed by a short talk on "Children's Work", by Mrs. H. M. Shofner and a talk on "Youth", by Mrs. J. T. Shofner.

A short business session was conducted by the president, Mrs. H. Jay Weyer.

Ladies present were: Mmes. H. Jay Weyer, Roy Bayless, J. E. Day, O. S. Richards, H. C. Holt, H. M. Shofner, I. F. Willman, C. R. Farrell, Arnold Morris, H. O. Barbour, W. D. Moore, S. C. Beavers, Clarence Stephens, and J. T. Shofner.

Monday, January 30, the W. S. C. S. of the First Methodist Church met in the Fellowship Hall with thirteen members and

Needmore Club Met February 1

Marie Allen was in charge of proceedings as the Needmore Rebekahs met at the lodge hall.

Plans were discussed to attend friendship night February 7, at the Sundown Lodge. Those present were Mmes. Marie Allen, Lillie Bell Baker, Thursie Reed, Vanita Busby, Betty Hopper, Jessie Waldrop, Florence Holmes, Maude Young, Adel Tompkins, Gertrude Broyles, Thelma Gage, Ruby Garner, and Mr. and Mrs. Roy Brasher.

**Progress HD Club
Donates \$5 MOD**

Mrs. Elzada Gulley was hostess in her home for a business

meeting of the Progress HD Club at 2:30 in the afternoon, January 27. Roll call was answered with "A Time Saver". A letter was read from Boys Ranch thanking the club for the Christmas gift. It was voted to give \$5 to the March of Dimes.

Secret pals drew names for the year, and Mmes. Ada Murrah and Mary Sweatmon were appointed to serve on the personal service committee.

Mrs. Joe Sinnacher, council delegate reported that the district meeting will be held in Morton on April 28. The budget she presented for the council was approved.

The program on laying, cutting and marking material was presented by clothing demonstrators, Mmes. Phoebe Gray and Mae Sinnacher.

Refreshments were served to one new member, Ruby Batchelor and Mmes. Joe Sinnacher, Lewis Sinnacher, Gladys Haley, Marie Maltby, Mary Sweatmon, Veta Self, Ada Murrah, Phoebe Gray, and Fern Davis.

The next meeting will be February 10 at the home of Phoebe Gray.

4-H Club To Be Organized For High School Girls

A meeting will be held in the courthouse, Saturday, February 5, at 1:00 pm to organize a club for high school girls who are interested in 4-H club work.

The club will be organized at the meeting and it will be decided whether the girls want to meet once each month, or whether they would rather work on individual projects. Any girl in the ninth through twelfth grades will be eligible to join.

Any girl who is interested, but unable to attend the meeting should call the county agent's office and leave word with County HD Agent Mollie Stinson or the secretary.

All mothers who would like to attend the meeting are welcome to do so.

Early Breakfast Enjoyed By The Progress WSCS

Just about the time the sun was peeping over the horizon on the morning of January 27, many sleepy-eyed women could be seen gathering at the Carol Jones home in Progress. They

were members of the WSCS who were coming to enjoy a breakfast at the Jones home. All brought food.

Members present were: Mmes. Doris Wedel, Ivela Jones, Elberta Wolfe, Joann Garrett, Eva Murrah, Velma Gwyn, Elmita Gray, Joyce Walker, Ruth Cooper, Ruby Actkinson, and Johnnie Westbrook.

Children attending were John Gwyn Walker, Charlotte and Carolyn Wedel, Sherrie Craig, Terrie Garrett and Kirk Jones.

Sorority Members Guests, Dine At El Monterrey

Members of the Epsilon Sigma Chi Sorority and their husbands and guests traveled to Clovis, N. M., the evening of January 26, where they enjoyed a dinner of Mexican food at the El Monterrey.

Those attending were: Mr. and Mrs. Don Bryant, Mr. and Mrs. Bill Brown, Mr. and Mrs. Bob Gregory, Mr. and Mrs. James Glaze, Helen Crow, Gwyneth Bigham, Bill Ed Jones, Mr. and Mrs. Paul Hammett, Mr. and Mrs. Jim Grizzle, Mr. and Mrs. James Finley, Mr. and Mrs. Sam Damron, Mr. and Mrs. Lloyd Alsup, Jane Griffith, Mr. and Mrs. Wilcy Moore, Mr. and Mrs. Don Moore, Mr. and Mrs. Bob Glass, and Mr. and Mrs. Fred Johnson.

CARD OF THANKS

We wish to thank everyone for the kindness shown, for the lovely flowers, the food, and all the other things our friends and neighbors did to help during the illness and death of our loved one, Mrs. M. J. Mills.

Especially do we want to thank the doctors and nurses at the West Plains Hospital and Clinic. May God bless each of you in our prayer.

M. J. Mills

NEWS HIGHLIGHTS FROM LAZBUDDIE

NEW ARRIVAL WELCOME

The Lazbuddie community is happy to welcome, Sarah Lese Gammon, infant daughter of Mr. and Mrs. J. W. Gammon of Route 1, Friona. Sarah was born Saturday, January 22, at 5:00.

SHOWER HONORS MISS JUNE SMITH

A pre-nuptial shower was given in honor of Miss June Smith, bride-elect of Frank Donald Spittler, Wednesday, January 19, in the home of Mr. and Mrs. Barney Floyd.

After games were played, the gifts were opened and refreshments served to the following: Mary Gonsler, Marlene McDonald, Clara Jean Jesko, Louise Ham, Betty Floyd, Mina Jennings, Theresa Jesko, Carolyn Seals, Nealy Steinbock, Shirley Carpenter, Sherry Steinbock, Mary Blackburn, Janice Lawhon, Jo

Ann Nowell, Danny Cargile, Janice Oliver, Jeanelle Floyd, Joy Smith, Juanita Scott, Gracie Smith, Jo Smith, the honoree and her mother, Mrs. Charles Smith.

FAREWELL PARTY HONORS MANGRUMS

Friends of Mr. and Mrs. Homer Mangrum honored them with a farewell party in the home of Mr. and Mrs. John Gammon on Monday, January 17.

Those present played "42" and later in the evening presented the honored couple with an electric frying pan.

After the presentation of the gift, refreshments were served. The Mangrums plan to leave Tuesday, February 1, for Alfornia to make their home.

Courtesy is a coin that will pass at par in any nation.

THURSDAY, FEBRUARY 3, 1955

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

Aubra Ellison, of Farmer, Virgil Dodson, Deaf Smith, Bill Millen, Bailey and Roy Pyatt of Castro County were in Waco this week attending a Farm Bureau President's conference. Purpose of the meeting was to create a closer relationship between county and state officials and get the home folks ideas for improvement of legislative and service procedures within their organization. Monday, February 7 will find T. E. Lovett, vice-president of our county and five or six of his membership captains in Lubbock for a district planning meeting for the membership drive which will probably take place the latter part of February.

Speaking of membership, the promptness of dues payments being evidenced upon billing promises to give workers more time for new member acquisition. March statements will be mailed early in February so the four hundred or more falling due then will have opportunity to contribute to the worker's time to talk to prospective members. You can help. The membership goal set for this year is 775 in Farmer County, which will of course, be exceeded.

For the information of those who are not sure, the so-called acreage diversion plan adopted by USDA is not the Texas Farm Bureau plan by quite a bit. It has features that are not favorable, by any means. If Texas can acquire a few thousand more members this year there will be a greater possibility of the Texas Plan's earlier adoption. We don't know of any plan giving the farmer promise of more freedom of choice in his operations

and at the same time giving him a sound hope for more stable markets. There are few farmers in Texas who do not enthusiastically support this plan when it is explained to them. This goes for stockmen, too.

CROP contributions still come in. One farmer who brought his check in was disappointed to know contributions were so short. He said if farmers would give only one percent of their maize or cotton production, the surplus problem would be solved. That would mean 19% of production would leave USA to feed people who can't buy. What do you think about this?

Someone left a nice pair of ladies' gloves at the school house on the night of the MOD show. They're here at the Farm Bureau Office. Call about them.

Consider This: The ear that heareth the reproof of life abideth among the wise. Prov. 15:31.

MYF OFFICERS ATTEND MEET

The Methodist Youth Fellowship members who are officers of the Plainview Sub-district MYF, attended a business meeting at Earth Methodist Church Sunday afternoon.

Those present from Muleshoe were: Don Copley, Linda Lou Lancaster, LaVon Copley, Alva Lee Shofner, and sponsor, Mr. David McReynolds and Mrs. McReynolds.

Bailey County Soil Analysis Reveals Shortage Organic Matter, Nitrogen, Available Phosphate

By J. K. ADAMS
County Agent

A recent analysis of 143 Bailey County Soil samples by the soil testing laboratory at College Station accumulated returns that showed 110 of these soil samples were low or very low in organic matter, Nitro-

gen and available phosphate.

The recommendation for fertilizing cotton based on these soil tests almost without exception, has been 40 pounds nitrogen, 40 pounds active phosphate and no potash. There is considerable evidence that our soil samples, taken in the dead of

winter, shows a very low nitrogen content when the nitrogen is actually temporarily unavailable and later becomes available and the forty pounds of nitrogen recommended by our Agricultural Chemist proves to be an excess and a loss result.

Joe Sooter, prominent farmer of the West Camp community, carries out a cotton fertilizer demonstration with fertilizer furnished and applied by a local fertilizer dealer. Forty one pounds of nitrogen in the form of anhydrous ammonia and twenty eight pounds of active phosphate was applied per acre. The results indicate that it was a serious mistake to apply more nitrogen than phosphate to cotton in Bailey County.

The fertilized cotton produced 762 lbs. lint per acre while the unfertilized cotton produced 747 pounds lint per acre. The fertilized cotton produced fifteen pounds more lint per acre, however, the demonstration was not based on lint per acre but on hard cash returns per acre. The unfertilized cotton sold for over twenty seven cents per pound as compared to slightly over twenty five cents per pound returns for fertilized cotton.

The fertilized cotton brought in \$1.10 per acre less than the unfertilized cotton. The loss in price of cotton and cost of fertilizer amounted to over \$23.00 less net income per acre of fertilized cotton. The 40-28-0 application was evidently too low in phosphate or too high in nitrogen. The low application of phosphate was a mechanical error made in application but many discoveries are made by accident. Farmers in Bailey County should think twice before applying more nitrogen than phosphate to cotton.

Farmland Prices In Small Decline

College Station, Feb. 2.—Prices of farmland in Texas fell two percent in the four months ending November 1, 1954, according to a farm real estate market report issued by the U. S. Department of Agriculture.

In general, prices of farmland strengthened in the central Corn Belt and some states along the eastern seaboard, while in most other states they drifted moderately lower. Texas was among 11 states to drop two percent or more.

New high prices were reached in six states, and in 16 others values were within five percent of their previous highs. Largest declines were in the mountain and Pacific coast regions where farm real estate values in November averaged 15 percent lower than peak levels.

Most of the moderate change in land values occurring in individual states was credited to local and regional differences in weather, crop outturns and local supply-demand situations, says U. S. D. A.

In some Southeastern and South Central states, drought, lower farm income and inability of many prospective buyers to meet lender's requirements resulted in a dull and inactive land market.

Wyoming and Colorado showed the largest declines in farmland prices, four and three percent, respectively, reflecting the severe drought in parts of these states.

BABSON DISCUSSES—

"Discount Stores"

Babson Park, Mass., Feb. 3.—One of the most significant lessons business learned in 1954 is that you can't kill competition in a free economy, not even with Fair Trade Acts or price fixing! For you, this may mean better quality for less cost in 1955.

THE PRICE-FIXING CONTROVERSY

The automobile is a good example to use in this discussion. Remember the gravy train the average dealer rode from 1946 to 1953? Remember how you had to know Joe and even slip him a few extra bucks to get on a preferred waiting list back in 1948?

It was a seller's market; the dealer called the shots and he made plenty of easy money.

Suddenly in 1953 the seller's market became a buyer's market. The consumer was back in the driver's seat and because of much of the pent-up demand had been satisfied. Dealers who never learned how to make a dollar the hard way wound up in trouble. Some day the stock market will suffer the same experience!

DISCOUNT MARKETS OPENED

As time went on, new cars began to appear on Used-Car Lots at reduced prices. Some manu-

facturers, after reopening new showrooms ballyhooed "great sales" with discounts of \$800-\$1,000 on new cars. This greatly encouraged the "Discount Houses". About the same time the National Automobile Dealers Association announced that it would "leave no stone unturned" to eliminate bootlegging and all other practices it considered unfair; but did it turn any stones?

A group of Detroit bankers, studying the industry's plight, found that not one of them had been approached by car or electric appliance salesman since World War II. However, got around that consumers had the money to buy and were only waiting for lower prices. Finally, dealers woke up and again worked hard for sales. This competition finally broke "price fixing" not only in the automotive industry but all along the line. It became as popular to break "fair

trade" as it was to ignore Prohibition during Hoover's Administration.

THE DISCOUNT HOUSE SCARE

The automobile dealers were not the only ones losing money. Appliance manufacturers, pen and hat makers, carpet weavers, and many others were in trouble. One prominent discount chain began to sell a "fair-traded" \$89.95 vacuum cleaners for \$49.95, and still made a good profit. Cries went up from manufacturers who vowed they would buy back every item of their manufacture they found in discount houses! Others wanted Government interference to enforce "fair trade" and price fixing to rescue their profits.

The dam broke last year when General Electric's Major Appliance Division announced it was giving its distributors the responsibility for determining retail prices. With this announcement, big New York City department stores also broke away. They finally decided that they could not stand the competition of the discount houses. These are now provoking the same kind of a furor and revolution in merchandising as did the department stores and dime stores in the Nineties. These latter have now become "respectable", and discount houses are taking their former places. Whether here to stay cannot now be forecast. They, however, are reported to be doing \$25 billion retail business annually and accounting for about 18% of all retail and 15% of all wholesale trade.

LESSONS FOR MERCHANTS TO LEARN

It may be the so-called automobile bootlegger and the discount houses have rendered our economy a real service. I do not know, but I can remember how the department stores, mail-order concerns, and the chains started sixty years ago. They have reminded us that whether a manufacturer or his sales agent are wealthy or poor depends on the ingenuity and effort they apply to their work. They cannot expect to always make money by playing golf or going to Florida.

Much of what some businessmen call "unfair competition" may be "lazy competition". Another revolution may be needed to maintain a healthy free-enterprise system. It is this kind of competition that gave us the highest standard of living in the world. Furthermore, unless department stores, merchandising chains, and independents learn to do business cheaper and sell profitably at lower prices, "fair trade" may be doomed. Perhaps Self-Service will save the day.

JIMMY HOLT HOME FROM UNIVERSITY OF TEXAS

Jimmy Holt spent last weekend at home with his parents, Mr. and Mrs. Clyde Holt. He is a student at Texas University, Austin. Also visiting in the Holt home was Miss Delores Ellis of Snyder.

FORMER TEACHER HERE

Miss Grace Chapin of Wichita Falls and Miss Edna Mae Mongel of Clarendon were guests Saturday of Mesdames C. C. Mardis, I. W. Haney, and I. W. Harden. Miss Chapin and Miss Mongel are lifetime friends of Mrs. Harden. In 1927 and 1928 they taught in the Muleshoe Schools and lived in the homes of Mrs. Mardis and Mrs. Haney. At present Mrs. Chapin is librarian in the Wichita Falls school system and Miss Mongel teaches the fourth grade at Clarendon.

WAS IN MULESHOE

Sanford Lovelass of Brownfield was in Muleshoe Sunday visiting friends.

SAND HILLS PHILOSOPHER—

Comes Out With Block Crop Sales Plan Patterned On Veterans Program

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has a hair-brained idea this week, which he won't get anywhere with.

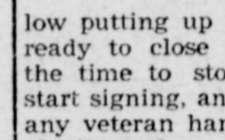

Dear editor:

A lot of people have been complaining about the block sales of land under the veterans program in Texas.

As I understand it, a man goes out and contracts to buy up a lot of land at as low a price as

he can get, divide it up into blocks, and sells it to veterans at as high a price as he can get, with the state of course furnishing the money.

Naturally, some men have gone at this program too hurriedly, and in their desire to help the state spend its money have sold land faster than some veterans could buy it or even have a chance to look at it, but as any salesman knows when the fellow putting up the money is ready to close the deal, then's the time to stop talking and start signing, and if there wasn't any veteran handy to do the signing, they didn't see any sense in lettin a technicality stand in the way of a good profit.

Now I don't know anything about the veterans land program, but I have been thinking, and I'm wondering why the state don't extend this program to farmers.

Under the present system of crop controls and price guarantees, the farmer and the government both know at the start of a crop year what the government will pay for the crop when it's harvested, but under this newer system, why couldn't I, instead of the government, contract to buy say all the crops in this county this year? I wouldn't want em for the whole state, just one county, no use in being greedy. Then after I'd contracted to buy the crops, without of course putting up any of my own money, all I'd have to do is get an appraiser who had the proper training to come out and appraise the stuff at 10 or 15 per cent more than it cost, after all, it ought to be worth something to the government to get to buy everything that's grown in this county with one big check instead of a lot of little ones, and complete the deal and deposit the difference. I have plenty of time for such activities, as my farm operations don't take up my full time and if you think this system will come into general use, I would like to reserve this county for my territory.

Yours faithfully,
J. A.

A NOTEWORTHY BIRTHDAY

We salute the Boy Scouts of America on its 45th birthday, now being observed during Boy Scout Week, Feb. 6 to 12.

Since its founding in 1910 the organization has enriched the lives of over 22,750,000 boys and adult leaders. Truly Scouting represents a living cross section of American life.

Boys of every race, religion and economic background are attracted to Scouting. Today we find 2,700,000 boys in its ranks. Add to that impressive figure the 960,000 adults of good character who give generously of their time and talents to serve as leaders of units, Merit Badge Counselors, and in many other capacities. There is hardly an American family that has not felt its influence.

Dr. Arthur A. Schuck, the Chief Scout Executive, a leader in the organization since 1913, feels that it is of vital importance to train the boys of today to be ready for positions of leadership as they grow to manhood.

"Strong character, participating citizenship and physical fitness," he says, are needs of our boys and young men who are served by the program of Scouting in cooperation with the home, the school, the church, and all other community institutions actively interested in training our future citizens."

Scouting's purpose, stated in the Federal Charter granted by Congress in 1916, is to promote the "ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues."

Every member of the nation's 95,000 Scouting Units is indeed having some kind of experience that is adding to his equipment to meet the problems of adult life."

It is that training that we heartily endorse on this noteworthy birthday.

Where's the smart place to put your savings?

Today millions of Americans will tell you that the smart place to save your money is an insured Savings and Loan Association. They'll give you three good reasons why this is so . . .

1. You're smart to put your money where it brings you excellent returns. Insured Savings and Loan Associations can invest most of their funds in sound, steady-paying home mortgages. They really make your money work hard for you.

2. You're smart to put your money where you know it's safe. In these Associations, it's protected by good management and substantial reserves. And the Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government—insures your savings up to \$10,000.

3. You're smart to deal with friendly, experi-

enced people. People who really know their communities. People who are right on the spot when you need them.

So it's hardly surprising that Americans are now putting more of their hard-earned savings account dollars into insured Savings and Loan Associations than they put anywhere else.

And here's another important point: When you're thinking of buying a home, remember that these Associations are the nation's largest single source of home mortgage loans! They make liberal loans. They see to it that you get the money quickly—and at moderate rates.

Shouldn't you get to know an insured Savings and Loan Association in your community? You'll find it's a mighty good place to do business!

◆ Today's Meditation ◆

Read Luke 8:37-40.
 When Jesus was returned, the people gladly received him: for they were all waiting for him. (Luke 8:40).
 For nearly two thousand years Christians everywhere have prayed daily, "Thy kingdom come." It has been their mainstay and their most cherished hope. Yet it has not come.
 Yet, as early as in John, the Baptist's day the kingdom of God was at hand. Did not John say so?
 What, then, is the mystery of the kingdom of God? Christ said, "The kingdom of God cometh not with observation", but "the kingdom of God is within you." Ever since the days of John the Baptist, many persons have mis-

understood the phrase, "at hand" to mean "to come soon." They overlooked the one necessary condition which was and still is necessary—repent, and believe the gospel. The kingdom was within them; that is, within their reach. In this sense it was "at hand". But they were not waiting for the Christ, not willing to receive Him.
 In our day the kingdom comes to you and me if we repent of our sins and believe in the truth of the gospel and in Christ as our personal Saviour.

PRAYER

Our Father, we thank Thee that the kingdom is within us—within our will, within our reach, at hand. This day grant us faith to accept Christ as our Saviour and Thy gift of the kingdom. We pray in the blessed Saviour's name. Amen.

THOUGHT FOR THE DAY
 "The kingdom of heaven is at hand." Max Zalcman (Israel)

Protection For Self Employed Offered By S. S.

(Editor's Note: This is another in a series of articles prepared for farm families by the Lubbock, Texas, District Office of the Social Security Administration.)

The self-employed farmer, rancher, or cotton ginner will begin to have in 1955 the same sort of protection for himself and his family against income loss by reason of old age or death that other self-employed persons gained in 1951.

The old-age and survivors insurance provisions of the Social Security Act have a purpose that might be summed up in this short phrase: "Replacement of a portion of a lost income where the loss is caused by old age or death. Later articles will deal with how large a replacement is possible, and to whom such pay-

This Week's Mystery Farm

CAN YOU IDENTIFY THE MYSTERY FARM? If you are the first correctly to identify the farmstead pictured below, you will be awarded two tickets to Cox Drive-In Theatre in Muleshoe. Watch The Journal each week for a picture of an attractive farm home of the Muleshoe country.

Just phone The Journal and inform us where you live and whose farm you think this is. There will be two tickets each for the first out of city dweller and the first city resident to telephone or call at this office. Phone 5400 and 7220.

Look under the hood!

How to tell if it's a modern short-stroke engine: check the specifications of bore and stroke. In a short-stroke engine the "stroke" is as short as, or shorter than the "bore."

Make sure you get Money-Saving short-stroke power. Only FORD has it in every truck!

THIS YEAR, the truck industry is beginning to follow Ford's lead to modern short-stroke V-8 engines. Shorter stroke prolongs piston ring life up to 53%. Engines last longer! You get more usable power. You can save up to one gallon of gas in seven!

But here's the big thing to remember: FORD and only Ford gives you a short-stroke engine in every size truck from Pickups to tandems—available now! Ford, most experienced builder of V-8's in the business, has four short-stroke V-8's and the industry's most modern short-stroke Six.

So, before you buy any new truck this year—look under the hood! Go modern! Go short-stroke! Go Ford Truck—the Money Maker!

New Ford Trucks for '55 give you modern short-stroke power in every one of over 190 models! Shown: new F-600, GVW 16,000 lbs., with choice of three short-stroke engines!

MULESHOE

ments are made. Large corporations have intricate profit and loss statements

and batteries of accountants busily engaged in compiling them. Most merchants maintain rather detailed records of inventories, receipts, losses, etc. What sort of records must the farmer keep in order to know whether he must make a special social security report in 1956 on his 1955 earnings.

There are no set rules or particular bookkeeping systems prescribed by the law. However, the records, of whatever nature they may be, must be sufficiently complete to support a finding that there was or was not a net profit for the year. And, to keep his social security protection in force even through drouth or other bad years, the farmer who has a gross income of more than \$1800 may claim credit for either his actual net income or one-half of his gross income, but here that figure must be at least \$400 or no social security credit is possible.

Farmer A grosses \$3700 but his true net income is only \$500—he can legally report \$500 or \$900. Farmer B grosses \$1700, but nets only \$500—he can report either \$500 or \$850. Farmer C grosses only \$799, and nets less than

\$400—he can have no social security credits for that year.

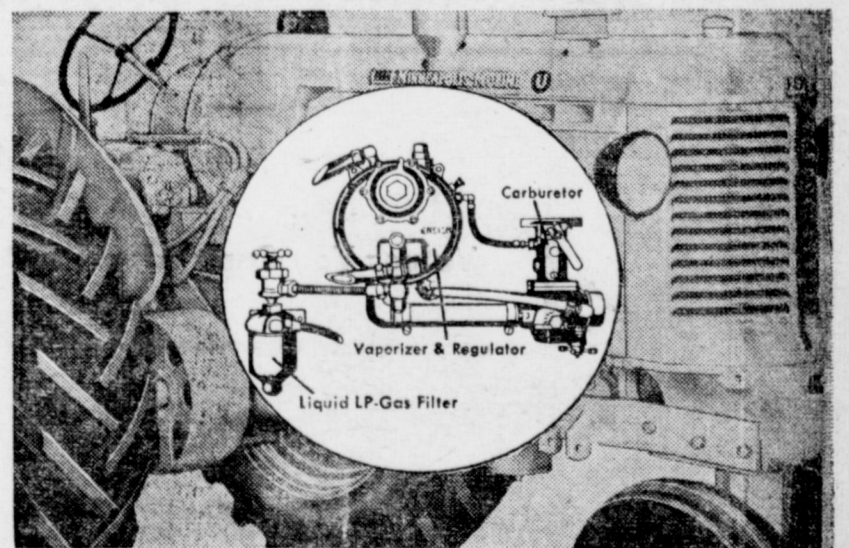

Later articles will give more details, or if you prefer to write us a card or letter, we'll send you our free booklet, "Facts for Farm Families". Our mailing address is Social Security Administration, Room 202, Vet. Adm. Bldg., 1616-19th St., Lubbock, Texas.

Remember, the records of the self-employed farmer must be complete enough to show his net income from his farming operations, his operating expenses, and finally his net profit. Income from renting out a pasture, or a part of the farm itself, on a true rental agreement does not count toward Social Security credits for the farm owner. Only income traceable to actual operation of the farm or ranch can be used in building up a social security account.

WERE FISHING IN MEXICO

Clarence Weeks, Bill Jim St. Clair, James Crow, Elmo Evans, Dee Brown, and Herbert Griffiths, were in Guaymas, Mexico last week where they enjoyed fishing and skiing.

make your tractor a MODERN tractor

CONVERT TO LP-GAS With ENSIGN Carburetion

Right there in the circle above you've got the key to modern tractor efficiency — LP-Gas fuel plus Ensign Carburetion. It's just good business sense to find out how modern LP-Gas efficiency scraps ordinary performance standards. Get the facts on profit-boosting fuel savings and phenomenal freedom from maintenance expense (3 or 4 seasons without service!). The six points below suggest a few LP-Gas and Ensign Carburetor advantages. Keep the profit-angle in mind as you read them!

1. Fuel savings 25 to 40 percent.
2. Lube oil lasts four times as long.
3. 50 to 75 percent fewer overhauls.
4. Increased power. 100 octane fuel permits high compression.
5. Smooth-running engine — no vibration.
6. Same fuel storage serves tractor and household.

Let your Authorized Ensign Dealer check your engine. He can tell you what you can save by making your tractor a MODERN tractor with LP-Gas.

Keith Gaede In WT Opera Cast

Canyon, Feb. 2 — Keith Gaede of Muleshoe has been named in the cast of one of West Texas State College's two one-act operas to be presented March 31 and April 1. They are "Sunday Excursion" and "Gianni Schicchi."

Gaede, the son of Mr. and Mrs. R. A. Gaede, is to portray Rinnucio, one of several grasping relatives in "Gianni Schicchi", a short comical opera by Puccini. A sophomore majoring in music, Gaede is a member of Alpha Sigma Xi, the Varsity Quartet, and the WT Choir. He has done solos for the choir for the past two years. Last year he had a role in "Singin' Billy", third opera produced at WT.

West Texas State's Workshop is in its fourth year in producing operas. In 1952, the first production was Gilbert and Sullivan's

"H. M. S. Pinafore". Mozart's "Cosi fan Tutte" was presented in 1953, and last spring a contemporary work, "Singin' Billy", was given.

It is next to impossible to make a man see the light if he is blind to his own interests.

"Tirkee" for Lincoln's Birthday

The turkey industry of the United States suggests that it will be "altogether fitting and proper" to serve turkey spelled t-i-r-k-e-e on Lincoln's birthday, February 12.

The industry approves this misspelling for one day because of historical evidence that Abraham Lincoln, as a boy, had difficulty spelling tur-

key correctly. Often as not he wrote tirkee, historians say.

No matter how it is spelled, turkey makes an appropriate Lincoln's birthday meal for the family. It is easy to cook, available in various sizes to meet family needs, tender, delicate in flavor, and one of the most plentiful and reasonably priced meats on the market.

1954 Income Tax

YOUR 1954 INCOME TAX NO. 2

Which Form Should You Use The Three Types of Returns

In an effort to fit the tax returns to the needs of the more than 50,000,000 persons who must file them, three types of returns have been provided: Form 1040-A, Short-Form 1040, and Long-Form 1040.

The law expects you to pay your correct tax — no more, no less. It will pay you to think for a moment which is the best form in your case. To do this, you should consider the size of your income, the source of your income, and the amount of your non-business deductions such as medical expense, contributions, interest, taxes, and child care expenses. The tax table used in computing the tax on Form 1040-A and on the Short-Form 1040 automatically allows you approximately 10 percent of your income to cover your non-business deductions.

Income Less Than \$5,000

1. The Form 1040A is the simplest return of the three. If you file this return, you do not need to figure your tax. Just fill in a few blanks, answer a few simple questions, sign it, and send it to your local District Director of Internal Revenue, together with the original of your withholding statements (Form W-2) furnished you by your employer. The Internal Revenue Service will figure your tax for you and send you a bill or refund. You may use the Form 1040A if your total gross income was less than \$5,000 and consisted entirely of wages reported on withholding statements and not more than \$100 total of other wages, dividends and interest. You may not use Form 1040A, but must use Form 1040 if (1) you had income from other sources such as annuities, rents, royalties, a business or profession, farming, transactions in securities or other property, partnerships, estates and trusts, or (2) you are a married person filing a separate return in a community property state, or (3) you claim the status of head of household or surviving widow or widower, or (4) you wish to claim credit for dividends received or retirement income, or (5) you wish to deduct travel or

reimbursed expenses from your wages.

2. Form 1040 may be used either as a short or as a long form. The short form is simpler than the long form. It differs from 1040A in that (a) you must find your own tax, (b) you must include income from sources not eligible for reporting on Form 1040A, (c) you may deduct from your wages certain reimbursed expenses, travel, transportation, and outside salesman's business expenses, and (d) you may deduct from your tax the credits for dividends and retirement income. Therefore, if your income was less than \$5,000 and your non-business deductions were less than 10 percent of your income, find your tax from the tax table on the back of the instructions accompanying your Form 1040, enter the amount in Item 7, Page 1, of the return.

3. Long-Form 1040 — If your non-business deductions are more than 10 percent of your income, you will ordinarily save money by itemizing your deductions on Long-Form 1040. You will then figure your tax according to the computation on Page 3 of the return. If your non-business deductions are so close to 10 percent that you are in doubt which is the better form, try both the long form and the short form to make sure.

CHRISTIAN SCIENCE SERVICES

That man made in the image of God, Spirit, is not subject to material laws, but is controlled by spiritual truth, be brought out in the Lesson Sermon entitled "Spirit" at Christian Science services Sunday.

The healing by Paul of the blind man at Lystra, and the singing of Paul and his instantaneous healing as the disciples gathered round him, will be included in the Scriptural selections to read from the King James version of the Bible.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will be among those read 8:14: "When we come to the more faith in the truth of what we have in error, the more faith in Spirit than in mat-

ter, more faith in living than in dying, more faith in God than in man, then no material suppositions can prevent us from healing the sick and destroying error."

People cannot be judged by what others say about them, but they can be judged by what they say about others.

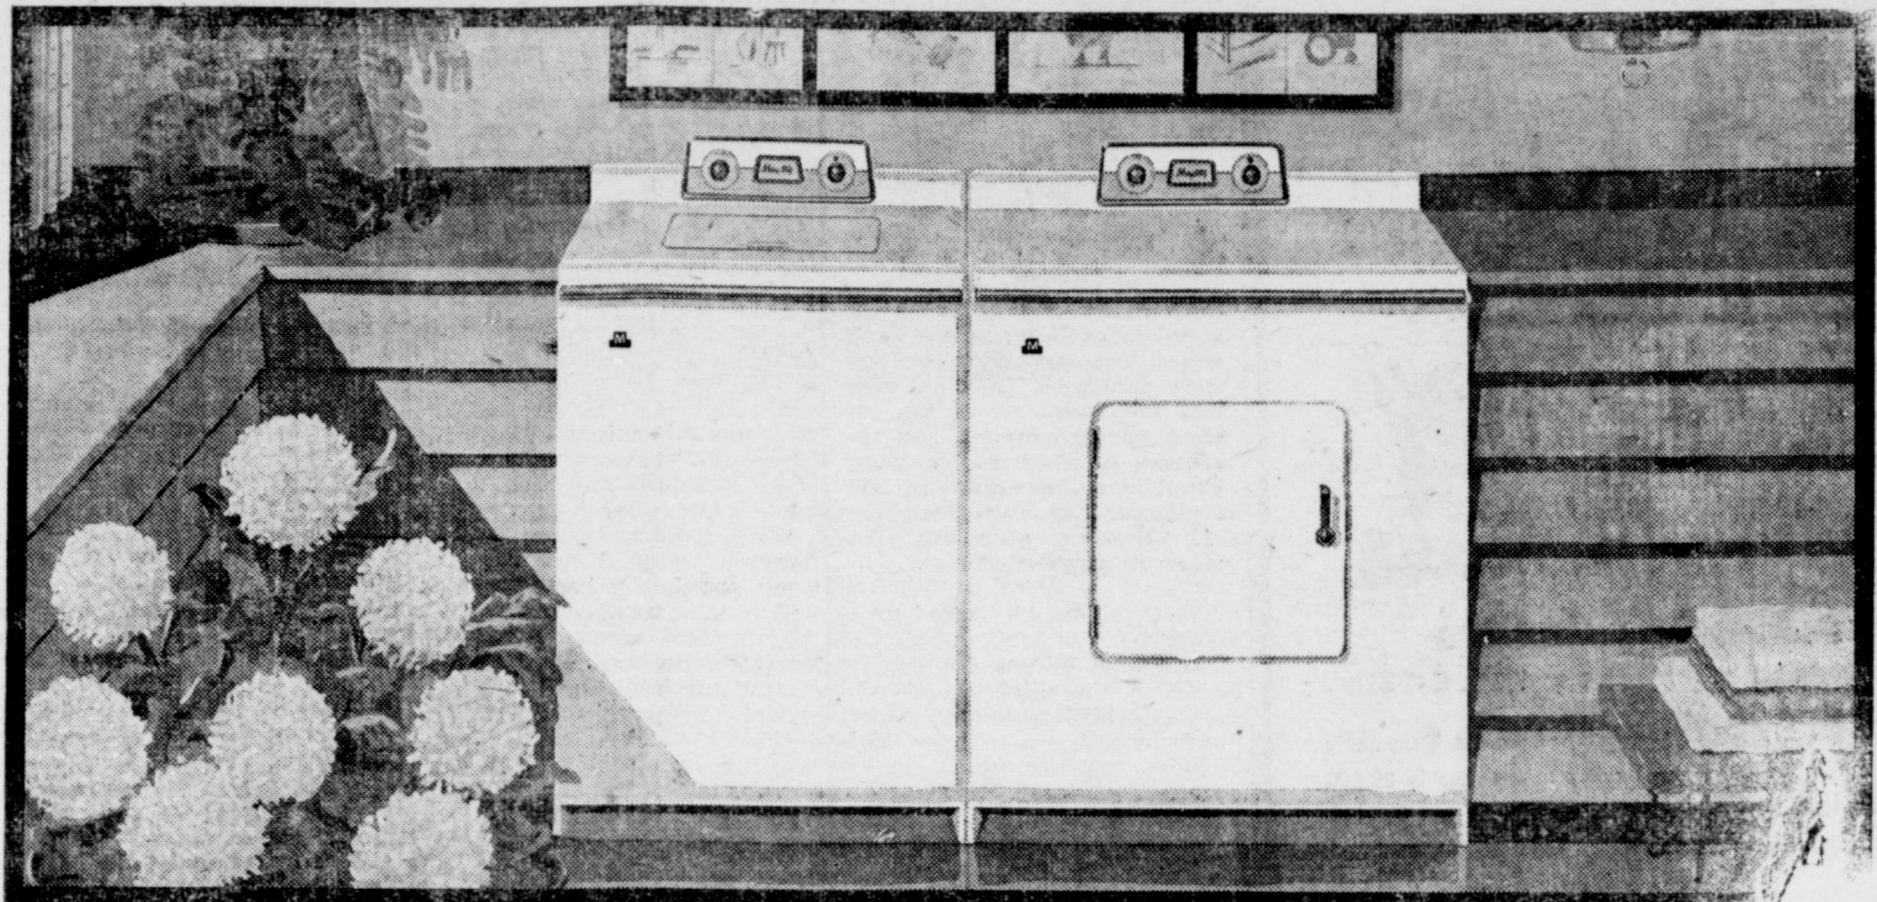

Tip to motorists: Every time you run a traffic light you're betting your life against a few seconds' time.

Man has one consolation—he can avoid a lot of fool taxes if he has been imposing on himself.

*"Smile away 'Washday Blues'
 with an ELECTRIC Clothes Dryer!"*

"I really had the washday blues when I had to hang clothes on the line. Besides the long walk out to the line, and lifting that heavy clothes basket, there was always the uncertainty about whether the clothes would be dried right."
 "That's all gone now with an electric clothes dryer, and I have a smile — and time for a coffee break — on washday. What's most important, I know the clothes will be dried perfectly and I've ended the lugging and lifting."

says
Mrs. Bill Bates
 3603 37th St.
 Lubbock,
 Texas

Ladies, the lugging out to the clothesline adds up to one-third of a mile every washday, and the lifting, by the end of a year, is the same as picking up a two-ton load.
 Be like Mrs. Bates, instead of lifting on washday, get a lift with an electric clothes dryer.

**Wire for Reddy
 and Convenience**
 Nearly everyone has added new appliances in their home lately, but most of us have expected our old wiring to carry the new load. Be sure you're wired for Reddy and electric convenience. Have your electrician check your home wiring now. Good wiring never grows old — it serves and saves.

ELECTED VICE PRESIDENT

Selita Mooney of Muleshoe was recently selected vice-president of the Pennybacker Club at Sam Houston State Teachers College in Huntsville. The Penny-

backer Club is an organization for home majors and minors. Miss Mooney, daughter of M. F. Mooney, is a junior at Sam Houston. She is a member of the Loulies, a women's social organization on the campus.

A Report To The Home Folks

from George Mahon

The first month of the new Session of Congress has been unusually eventful because of the Resolution in regard to the defense of Formosa which we passed upon the urgent recommendation of President Eisenhower. I felt that the President was entitled to support on the issue even though the action taken is fraught with grave danger. To have repudiated the President on the issue would have produced an even more dangerous situation.

My only direct contact with the President since returning to Washington was to shake his hand at the reception which he and Mrs. Eisenhower gave at the White House for Members of Congress and their wives. The newspaper writers were unable to figure out why less than one-half of the invited guests attended the reception. A lot of the taft-wing Republicans are upset with the President, but with Members of Congress generally, he seems as popular as ever.

The President has asked us to appropriate at this Session of Congress 58 billion dollars. He estimates the Government will spend 62 billion dollars during the forthcoming fiscal year. This includes certain funds which were appropriated by Congress in previous years. The President

estimates that during the coming fiscal year tax revenues will lag behind spending and that the Government will finish up in the red by 2.4 billion dollars. This will be the third fiscal year for the new Administration to operate at a deficit. The last balanced budget was in 1947.

In a radio debate last week with Rep. John Taber, former Chairman of the House Appropriations Committee, I predicted that Congress would reduce by two billion dollars the President's request for new funds. The President predicts that Federal spending for the coming fiscal year will be 5 percent below the figures for the last full fiscal year of the previous Administration.

I have resumed my old job as Chairman of the Subcommittee on Military Appropriations. The bill which I will present to Congress this spring will be the biggest of the Session, the defense items far outweighing all other requests for funds.

We called Secretary of Defense Charles Wilson before us this week and began hearings which will run for weeks. Admiral Arthur Radford, who took General Omar Bradley's place as Chairman of the Joint Chiefs of Staff, was also before us this week. He is the top military officer of our Government, a very colorful and forceful character. Hearings of this type are behind closed doors.

and you will not read anything in the papers about them. They are much more interesting than ordinary hearings because officials can and do talk frankly without the danger of having their words concerning defense secrets quoted publicly to the embarrassment of our Government abroad. Non-secret testimony is later printed and made available to the public.

I always invite correspondence, and I am getting many letters from our District. My greatest volume of mail this year relates to the inadequacy

Spring Gardening Time Nearly Here

College Station, Feb. 2—There's plenty of satisfaction and amazing production in a "small" spring garden.

The garden fever however often persuades folks to plant a larger area than they can properly care for. So when you plan this year's garden, trim it down to your size, advises B. G. Hancock, extension horticulturalist.

Spread out your plantings so the harvest will extend over a longer period of time, suggests Hancock. A garden planted at one time causes over-production for a short period and then supplies are gone.

Plant a variety of vegetables, about 32 are commonly grown in Texas. Why not try a new vegetable each season, he says. Have commercial fertilizers, insecticides, seed treating chemicals and other needed equipment on hand for ready use.

English peas, turnips, cabbage plants, onions, head lettuce and white potatoes can stand considerable cold weather and may be planted four to five weeks before the last average killing frost.

Other vegetables adapted to early planting two or three weeks before the last frost—are radishes, mustard, beets, carrots and leaf lettuce.

Finally, Hancock says for best results plant those vegetables suited to your particular area.

John is the son of Mr. and Mrs. Earl Ladd.

LeVEQUES IN HALE CENTER
Mr. and Mrs. W. B. LeVeque visited relatives in Hale Center Sunday and also visited with their son, Martell, who is a student at Tech College, in Lubbock.

With respect to cotton acreage allotments, there is need for some readjustments to meet cases of severe hardship. I have talked personally with Secretary of Agriculture Benson and explored the situation otherwise. My colleagues from Texas and elsewhere are not too sympathetic toward the cotton allotment problems in our District by reason of the fact that allotments in our District are vastly greater than in most other areas. It is true that our District produces about one-tenth of the cotton of the Nation, but we do have some very serious cases, principally by reason of the drought and other special situations. Prospects are not good for any significant changes in the cotton allotment program this year.

Congratulations
To The Boy Scouts
on their 45th Anniversary Feb. 6-13th

Since 1910 over 21,000,000 youngsters have been members with some 3,400,000 boys and leaders now active in 89,000 Units. This splendid organization deserves our support for their contribution toward a better America. Let's give it.

HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever in history—topping the popularity that has already made Buick one of the "Big Three."

In Price, too, it is one of the "Big Three"

THE 1955 BUICK SPECIAL delivers locally for less than some models of the 2-Door, 6-Passenger Sedan, Model 48 (Illustrated), so-called "low-price three." **COME IN AND CHECK!**

MOST PEOPLE still don't believe it. But it is true. And when you look into the facts, you'll find these two solid truths:

Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price tag we'll show you proves it.

So why not get what a Buick has to offer, if you are in the market for a new car?

You find that the dollars you pay for Buick buy you a lot more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber.

You find it in the record-high V8 power that gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra silencing—all part and parcel of every Buick.

We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on.

But—you get the idea. This is a buy, this '55 Buick—a great buy—and a thriller from the instant you press its gas pedal. Come in this week and check things for yourself, won't you?

Thrill of the year is Buick

Muleshoe — Texas

By John C. White, Commissioner
Pink Bollworm has been approved by the Texas Department of Agriculture, making cotton burrs more readily available for return to the farm for use as fertilizer and feed.

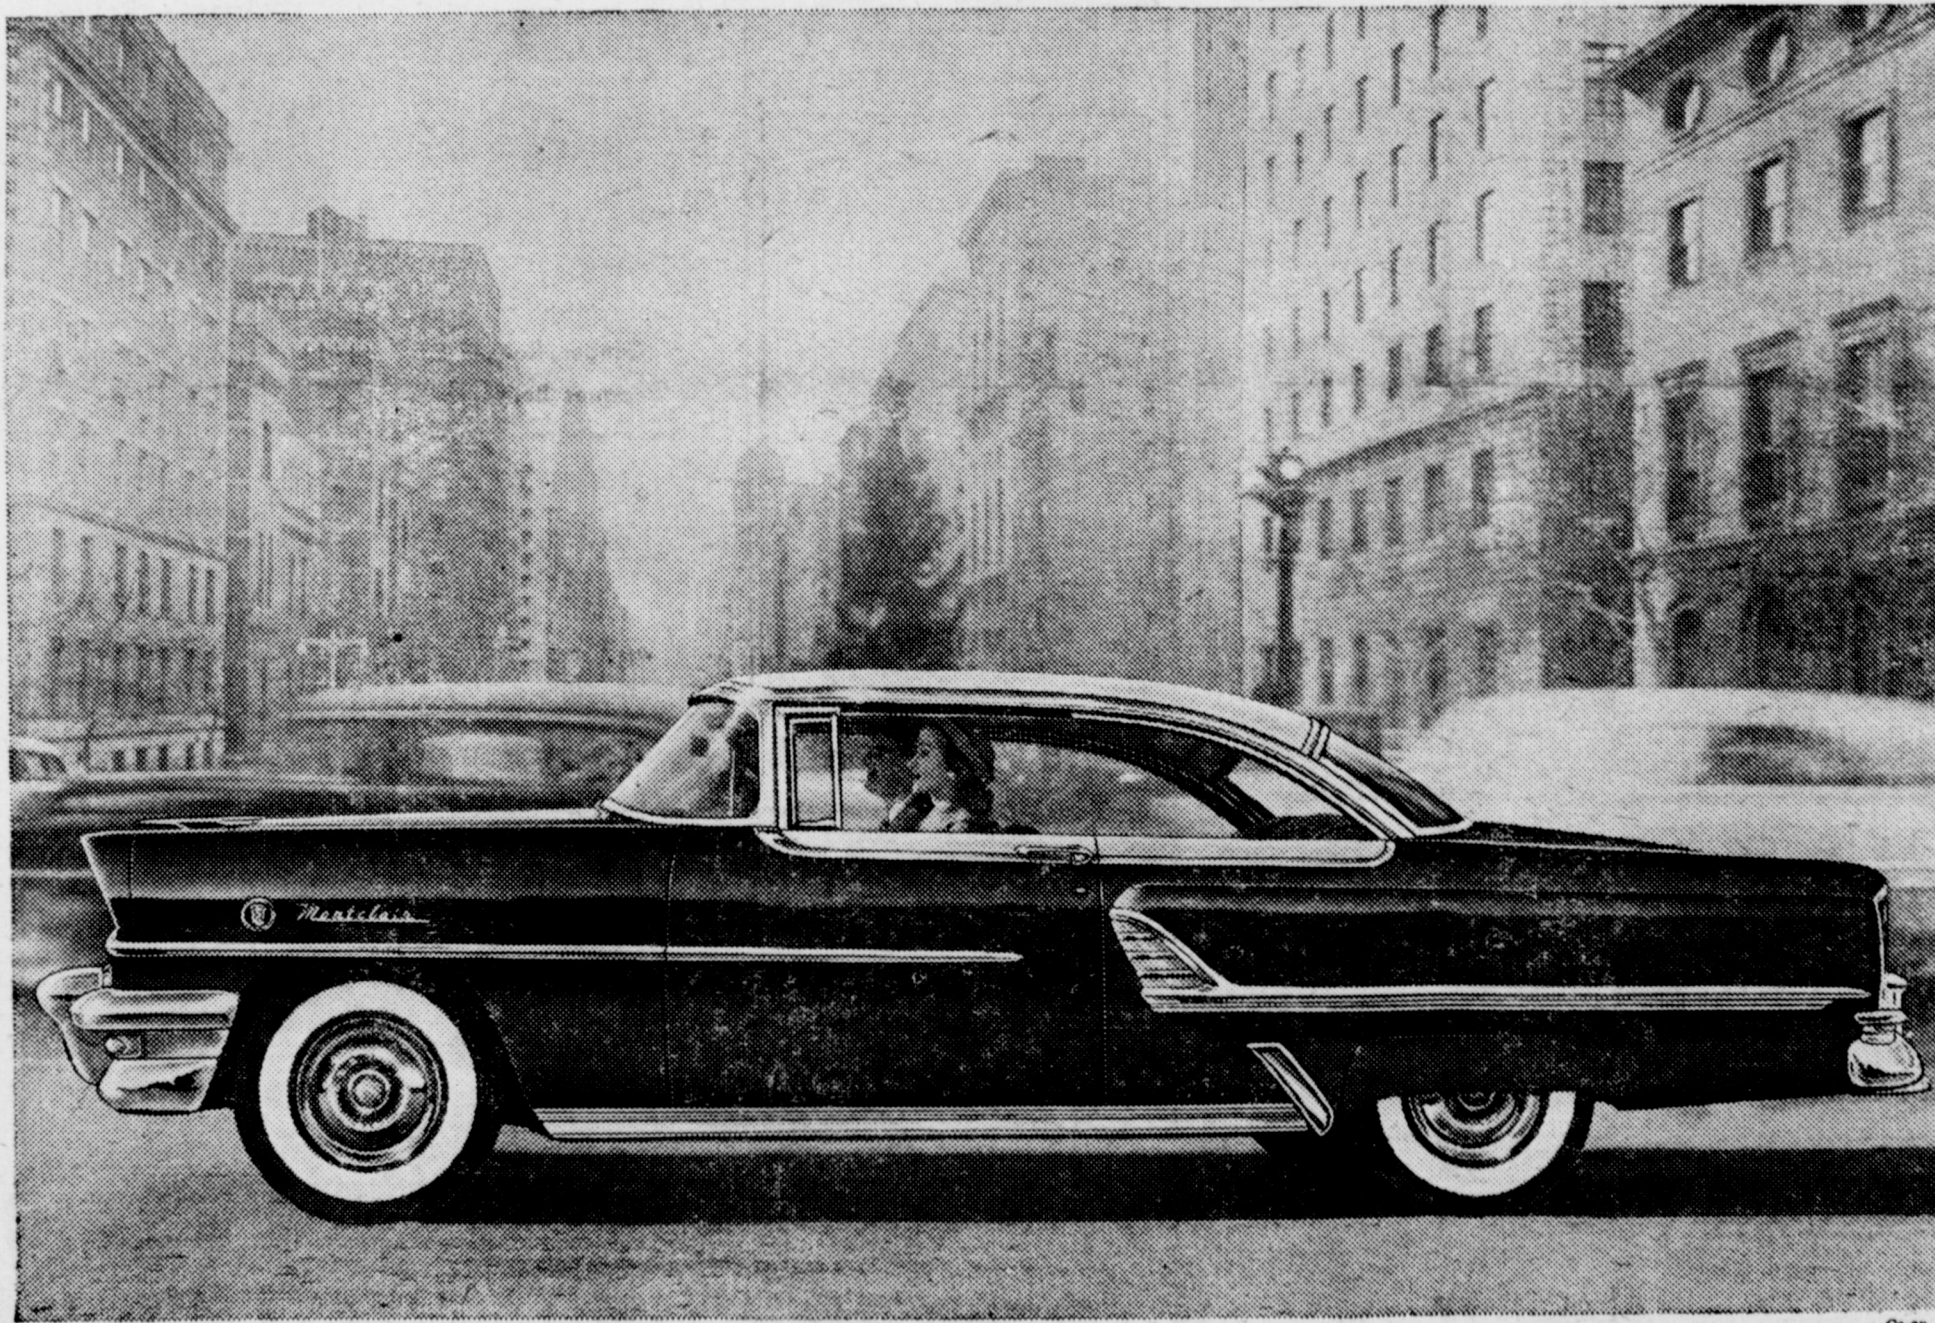

Many gins in Texas previously have been forced to burn burrs because treatment methods were too slow or necessary equipment too expensive. This prevented farmers from being able to use burrs on the land where they are aids in preventing soil blowing, or erosion during heavy rains. In addition, it deprived the farmer of an element which adds valuable organic matter to the land. Untreated cotton burrs have their disadvantages, however. They provide the ideal hibernating place for the Pink Bollworm. Just a few hundred of these worms carried to a farm in gin trash could infest and ruin hundreds of acres of cotton in one season.

Recent experiments show that gins equipped with a single "chopper" fan could achieve an effective kill of bollworms in the waste burrs. The fan is installed near the outlet where trash is blown from the gin. Burrs treated in this manner are "safe" for

CHRISTMAS CARD TREE. Although Christmas is over, Mrs. Raymond Gage, of Circleback is justifiably proud of her tree containing 481 cards she received during the holidays from every state in the U. S., every province in Canada, Mexico, Alaska, and 10 other countries, plus 115 towns in Texas alone. Mrs. Gage is past president of the Rebekah Lodge in Texas, and is active in this and other fraternal work. She has traveled extensively in this connection and has a host of friends, as witnessed by the amount of Christmas cards she receives. The photo above, by Cline Studio will be reproduced on 600 cards she will send out this next Christmas. Cards she receives are given to a Sudan store. (Cline Photo)

How the 1955 Mercury makes sense out of high horsepower

NEW 1955 MERCURY PUTS HIGH HORSEPOWER TO WORK AT NORMAL DRIVING SPEEDS WITH NEW SUPER-TORQUE V-8 ENGINE, DUAL EXHAUST, 4-BARREL CARBURETOR

Mercury gives you high horsepower you can use in all performance ranges—not just brag about.

More important than high horsepower alone is pickup, passing, hill-climbing power—more power for your everyday driving.

Everything about Mercury's new and advanced SUPER-TORQUE V-8 engine is designed to give you more usable power with super pickup in every speed range.

It's a short-stroke, low-friction design, with high-turbulence combustion chambers, full-vacuum automatic spark control—all specially engineered to squeeze more power out of every drop of gas.

And there are Mercury exclusives like:

1. A 4-barrel vacuum-operated carburetor for instant response. Only Mercury in its field offers it as standard equipment on every model.
2. A dual-exhaust system on all Montclairs and Montereys to cut power loss, and add

more efficiency and economy. Only Mercury in its price class has it as standard equipment.

3. High-compression spark plugs—a revolutionary new design—for peak performance at all speeds without overheating or fouling. Only Mercury has them in its field.

They all add up to a new kind of high-horsepower performance by Mercury—the car that's always used V-8 engines—built over 2,000,000 of them. We invite you to try the new 198-hp Montclairs, the 188-hp Montereys and Customs. Just stop in at our showrooms.

return to the farm in any area of Texas.

A number of devices were tried but many of them proved to be inadequate or impractical. The single-fan installation will be a boon to gins which cannot afford the more expensive devices and methods.

Gin trash which is blown from the gin untreated still must be burned or given other approved methods of treatment before it can leave the yard.

It would be to the farmer's advantage to make certain any

trash he carries away from the gin yard has received proper treatment. This normal precaution could save an untold amount of cotton.

WAS IN HOSPITAL

Leroy Hawkins has been in the hospital with shoulder and neck injuries he received in a highway accident earlier in the month. The other passenger in the vehicle, Lonnie Merriott is still in the hospital here with a broken leg and other injuries.

WITH RUSCO
