DPS EMPLOYEE DONALD GUTIERREZ stands in the new Ozona Driver's License office. Gutierrez will oversee the office at 1503 Monterrey Street.

## Driver's license office is officially open

BY MELISSA PERNER  
THE OZONA STOCKMAN

Ozona residents now have a permanent place to renew their driver's license.

State and local officials held a grand opening ceremony Monday for the new Ozona Driver's License office at the Ozona Chamber of Commerce Visitor Center and the new office.

The office is located at 1503 Monterrey Street between the DPS Office and the

Ozona Chamber of Commerce.

Donald Gutierrez, an Ozona High School graduate, will be running the Ozona office. He will split his time between Ozona and Sonora during the week.

The office will be open in Ozona from 8 a.m.-5 p.m. (closed from noon-1 p.m.) on Mondays, Wednesdays and Fridays.

Gutierrez will be in Sonora from 8 a.m.-4:15 p.m. Tuesdays and Thursdays.

The office can renew and

issue new driver's licenses, identification cards, commercial driver's licenses (CDL), as well as CDL testing and endorsements.

People can also register to vote at the new office.

"I know that Crockett County residents welcome this new driver license office to Ozona, and we are excited to see the completion of this important project, which will benefit the residents of this area," said County Judge Fred Deaton.

Monday's ceremony featured state and county officials, as well as DPS Troopers and a DPS Honor Guard.

Deaton said the office is a project the Crockett County Commissioners have been working on for a \_\_\_\_ years.

Prior to this new office, Ozona residents have had to travel to San Angelo or Sonora to renew their licenses.

"This project had to do with the people," Deaton said.

# Lions workouts begin

THE OZONA LIONS FOOTBALL TEAM begin their pre-season workouts Monday at Lion Stadium. The Lions will hold an intersquad scrimmage Saturday at 9 a.m., followed by Meet the Lions at Lion Stadium. First scrimmage is against San Saba on Aug. 15 at 5 p.m. in San Saba. Second scrimmage is Aug. 21 against Coahoma at 5 p.m. in Lion Stadium.

## School board filing underway

Filing for the November 2014 CCCSD School Board election is currently underway.

There are three single member district seats up this year. Those seats include: SMD 4 currently held by Ray Don Myers; SMD 5 currently held by Dwight Childress and SMD 3 currently held by Roland DeHoyos.

Filing runs through Aug. 18. Election Day is Nov. 4.

Prospective candidates must meet certain eligibility requirements. They must have lived in Texas for at least a year and in the school district for at least six months before the filing deadline.

They must be at least 18 years old and registered to vote at the time of election.

Anyone interested in filing for a position on the school board, can pick up a packet at the CCCSD Administration Building at 797 Avenue D.

Registered voters can apply for a ballot by mail starting Sept. 5 and ending Oct. 24.

The last day to register to vote in the November election is Oct. 6. Early voting will take place Oct. 20-31.

For more information on the school board elections, call the Administration Building at 392-5501 ext. 5700.

For general election information, visit [www.votetexas.org](http://www.votetexas.org).

## County employees ask for pay raise

BY MELISSA PERNER  
THE OZONA STOCKMAN

County employees talked to the commissioners Monday night about a pay raise for 2015.

During their called budget workshop, the commissioners heard from several county employees about the need of a pay raise in the 2015 budget.

"The county road department is still under paid," said Ninfa Preddy. "We are in dire need for a good raise for our employees. We really would appreciate you all taking this into consideration."

Last year the county gave all employees a \$150 a month pay raise.

Employees spoke about

the cost of having to include spouse and family members on health insurance, along with the cost of living during an oilfield boom.

"As a person who left the oilfield, I knew I was going to take a pay cut, but I was looking at the long term. I failed to look at the now. I still have to be able to support my family," said John DeHoyos Jr.

Road Department Employee Roland DeHoyos said his paycheck barely covers his monthly bills. He also said the school district is starting maintenance employees at \$12.50, which is higher than the county right now.

"This was my choice to work here, but I'm proud of

my community. We're losing people to the oilfield, but those of us sitting here are going to stay here," DeHoyos said.

County Road Supervisor Jeffrey Stuart said the commissioners recently approved an increase for EMS personnel on what they make per run.

"That doesn't look fair," Stuart said. "I have guys that have worked here 20 or 30 years."

County Judge Fred Deaton said the county will never be able to build up the road department personnel with an oilfield boom, but that the commissioners are in the position to look at the issue.

## LETTERS TO THE EDITOR

### School employees go extra mile

Editor's note: The following letter was presented at the July 23 CCCSD School Board Meeting.

Dear Mr. Chavarria,

Thanks to you and your excellent employee, Chuy Martinez, for the excellent condition you all left my building in after the weight equipment was moved out.

When I offered the building for the school's use to store the equipment, I did not expect anything in return. It was most definitely a nice surprise to see that

Chuy had rounded up a crew to clean the floors after they had moved the equipment out.

It is very rare in these times when anyone goes the extra mile to show their appreciation and thankfulness. You guys certainly went the extra mile, and I wanted to let you know that I appreciate that.

I am glad I was able to loan the building for the schools use at a time when it was needed.

## It's imperative to follow the law with drug offenders

The sheriff and I have been talking about our local drug problems and some of the problems he has encountered trying to eliminate some of those problems.

Sheriff Rodriguez says he has citizens ask him why he has not taken action on a local known drug offender that this citizen knows or that may be one of his neighbors. What this citizen may not know is that it is very probable that this offender has been arrested, and maybe repeatedly, but has the right to a reasonable bail. The offender's Eighth Amendment right states that "Excessive

bail should not be required..." Sheriff said there are several cases of this situation where an individual has been arrested repeatedly and has not yet been adjudicated. He said they will continue to pursue additional charges for these individuals, but that they will continue to have the right to a reasonable bail each time they are arrested. This is not negotiable. It is

ON PATROL

JANET PULLEN

not a decision the sheriff is making, it is mandatory to making sure the offender's rights are protected and the laws are followed.

The sheriff also says that sometimes he has had people ask him why he does not arrest some known drug offenders that are believed to be involved in drug traffic in their neighborhoods. "Everybody knows" is not probable cause for a search warrant and right fully so. The offender's Fourth Amendment right is his "right

to be secure in his person, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the person or things to be seized." That means that the warrant must state exactly what is to be searched for and where. It must be specific and very recent information. It is not easy to search a person's house and rightfully so.

## A roller coaster journey

When I look back on this summer, it will be remembered as the time I decided to hop on a roller coaster.

Before I explain my meaning, let me say that I am not a fan of roller coasters. I have ridden a few, but I don't like to go fast, be jerked around, soar around loops, hang upside down and peril down high dips.

I'm more of a carousel type of girl. Simple, slower paced and I don't have to worry about what is ahead.

That being said, this summer my husband Paul and I decided to go on the ride of in vitro fertilization (IVF).

For the past few years, we have been trying to have a baby. After trying all kinds of medications, methods and procedures, we decided to hop on the IVF ride.

When you purchase the ticket for this ride, you think you know what you are getting for the price of admission. Let me tell you, that admission ticket is a big, expensive one.

You also hope that at the end of the ride, you will be pregnant and expecting a baby.

As you step onto the platform, waiting to get on, you do a lot of reading, lots of tests and ask lots of questions.

Then, after all the tests and questions are done, you strap in and then ride begins.

You start out going up the hill of shots, blood work and ultrasounds. The box of medications would blow anyone away when opened.

As you approach the top of first hill, you anticipate that your first procedure is next. Down the hill you go as you are told a few more days, and more shots, are needed.

Up the hill again to the peak, down again, as tests and more tests are done.

Then, you reach the top of the hill and spin around a curve as the first procedure is done.

Next you dip down across the water as you make it through the embryo transfer. The two fertilized eggs that you hope will become a baby.

The longest part of the ride is the "two week wait." Waiting to see if the transferred worked, kind of like going around more curves

WHAT'S ON MY MIND

MELISSA PERNER

and going up and down small hills.

Then the big day arrives. You get the news, but it's not what you wanted.

That's when you hit the big loop. The one that turns you upside down and you don't know what to think because

you feel like your mind is going a million different directions. You are also so full hormones and emotions that you feel like you will never stop crying.

Then everything slows down and you're going back up the hill again. You're thinking about the carousel. You want to be on the carousel and off of the roller coaster.

Now, please don't think that this ride is all bad. It's not.

You have lots of people cheering you on, helping you out along the way. We had a great support system with our family, employees, friends and the community. We appreciate all the prayers, thoughts and support people have given us during the ride.

We all have our roller coasters. Everyone's ride is different with a different ending.

We all have to do different things to deal with our roller coasters, in order to make it through the ride.

We don't regret getting on. We are still on this ride, asking more questions and thinking about things.

You see there's no disclaimer before you get on this ride that says your emotions will be crazy.

You will be fine one moment, crying the next and then nervous and anxious.

I have talked to so many others that have taken this ride, and they have assured me that it's worth it. I believe that it is.

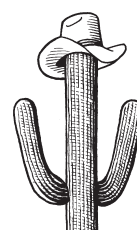

I believe that some good will come through all this.

Paul keeps telling me to have faith, which I am. I know our ticket is waiting for our next ride. I know that God has a plan for us. I know that with faith we will get through all this.

Up another hill we go.

## The Green Game

IT'S THE PITTS

LEE PITTS

My Grandpa wanted me to be a lawyer because as a child I was argumentative and always on the lookout for an easy buck. But I never wanted to wear a suit or be cooped up all day with crooks and ambulance chasers in some courtroom.

I still enjoy a good argument though and seldom do I let an opportunity pass to practice. Such was the case as my wife and I were ripping out our front lawn which I'd groomed meticulously for 25 years. Across the road two hikers, Mr. and Mrs. Greeny, got out of a hybrid SUV wearing spandex and hiking boots and unloaded two wolf-hybrids that eyed me suspiciously. I'm used to this because we live next to a huge state park where people like to hike. I don't know why, because danger lurks around every turn with rattlesnakes, mountain lions and lost Sierra Clubbers all ready to pounce.

Stuck to the back of the Greeny's rig was a bevy of bumper stickers like, Down With Dams, X-Rays Kill, and Honk if you Love Peace and Quiet. I knew their kind; they are watermelons... green on the outside but really red on the inside.

"Taking out your lawn to save water?" asked one of the liberal wing-nuts.

"Yes sir," I said. "Instead of a water guzzling greenscape we are creating a better habitat for the red legged humpbacked salamanders. It's the right thing to do."

"Oh, we know what you mean, we took out our lawn years ago," said Ms. Greeny.

"We also got rid of the leaf blower and lawnmower to reduce noise pollution. But are you using any weed or bug sprays?" she asked, trying to one-up me in this little game the enviros play to determine who is greener. (First place means you get to be the guest speaker at the next monthly meeting of Earth First.)

"Are you kidding, see this cattle ear tag hanging from my belt," I replied. "It's the green way to keep flies and gnats at bay without destroying the environment."

"But isn't that ear tag made of plastic? And we notice you have a conventional automobile in your driveway. Did you notice our new hybrid?"

"Oh, but we hardly ever go anywhere to use evil carbon based fuels. We haven't taken a plane or train trip in years and we don't own a gas guzzling RV, boat or plane."

"I hear you," said Mr. Greeny, spewing forth a few sunflower seeds from the trail mix in his mouth. "We only travel on eco-vacations like our trips to the Yucatan where we built shelters for the Blotched hooknose snake and Short-faced snail eaters."

"Hey, you keep my family out of this," I said as the discussion was beginning to get

heated, probably as a result of man-made global warming.

"Say," said Mr. Greeny, "is that water pooled under your car. Did you wash it?"

"Oh, no. We would never waste precious water resources like that. Our car just leaks. Speaking of cars, I see from that bumper sticker on your rig that you have an honor student in the family. Good for you but my wife and I don't have any kids, feeling strongly that it's not right to inflict another body on this fragile planet. If everyone would follow our lead there'd be no more evil human footprints left on Mother Earth in just one generation."

"Well aren't you special," said an obviously overmatched Mr. Greeny.

"Yeah, and you could beautify our ecosystem immediately by staying indoors," I suggested.

Checkmate. Game over. And that, my friends, is how The Green Game is played.

I was enjoying my victory when my wife reminded me, "You're so full of it. We don't hang the clothes on the line, go around in the dark, buy our clothes from yard sales, set our thermostat at 40 degrees in winter, rip out our lawn, or recycle paper towels because we're green. We do it because you're cheap!"

"Shhhh, I know that but they don't," I replied, pointing to the dejected enviro-meddlers sulking away in defeat, so green they were blue

## Texas deals with border as Congress departs

STATE CAPITAL HIGHLIGHTS By Ed Sterling | Texas Press Association

AUSTIN — Congress left Washington, D.C., Aug. 1 for a month-long recess, without having passed an immigration bill addressing the porous U.S.-Mexico border and humanitarian crisis.

Figures compiled by the federal Department of Homeland Security's U.S. Customs and Border Protection division show 57,500 "unaccompanied alien children" have been apprehended and processed since October 2013, the majority in the Rio Grande Valley.

While President Obama's request to Congress for \$3.7 billion in emergency funding remains pending, the governor's office said the state of Texas will tap available funds to pay the cost of deploying 1,000 national guard troops along the border to assist in law enforcement operations.

The cost to do that is estimated at \$12 million a month.

Volunteer organizations are delivering support to help

care for mothers with small children and unaccompanied minors from Guatemala, Honduras and El Salvador who have crossed the border to escape gang violence and poverty. Aid comes in the form of food, clothing, medical supplies, school supplies and legal assistance.

On July 25, U.S. Rep. Henry Cuellar, D-McAllen, sent letters to House Appropriations Chairman Hal Rogers, R-Kentucky, and Federal Emergency Management Agency Administrator Craig Fugate requesting financial assistance and reimbursement for communities affected by the current border humanitarian crisis. Included in Cuellar's correspondence to both officials were letters from the City of McAllen, City of Laredo and Webb County Sheriff's Office detailing costs

incur by each entity.

"Since the border humanitarian crisis began, local governments, non-profit organizations, law enforcement and community partners have been shouldering a large and unexpected cost," Cuellar said, adding, "These communities have expended hard-earned taxpayer dollars in support of law enforcement and community efforts to address the surge of unaccompanied minors crossing the border. These communities along the border, which I represent, have taken it upon themselves to provide support where they can. They understand these children are coming to the U.S. border and need care. Our local governments and non-profits understand our federal law enforcement are stretched thin

during this surge and they have stepped up to provide resources and assist where they can."

## T&C Wholesale named Business of the Month

BY SHANON BIGGERSTAFF  
 OZONA CHAMBER OF COMMERCE

The Chamber of Commerce recognizes T&C Wholesale, LLC, a long standing member of the Chamber and supporter of Ozona for many years, as the Business of the Month.

For over 25 years, T&C Wholesale, LLC., formerly known as Shelton Oil & Gas, has been serving customers all over West Texas and beyond. T&C Wholesale is owned by Susser Holdings, the same company that operates the Stripes Convenience Stores. T&C Wholesale has offices in Ozona and Mertzon with over 20 employees working out of the two locations. Retail fuel sales, wholesale fuel sales, propane, and lubricants are delivered to customers all over West Texas utilizing a fleet of pickups, bobtail trucks, and transports.

T&C Wholesale, in Ozona, presently has four employees. Beth Gravell, an employee of over nine years, runs the office located at 1003 12th Street. James Montgomery, Sidney Gunnels, and Jimmy Gillet operate bobtail trucks delivering different products from the Ozona Yard.

T&C Wholesale has a great staff and all are willing to go above and beyond to take care any and all the needs of the customers in their area.

Call (325) 392-5426 for all your fuel, propane, and lubricant (oil) needs.

The Chamber of Commerce would like to recognize T & C Wholesale for their efforts to provide quality service in addition to being an asset to the local business community.

*Help stamp out lumber vision*

You have probably heard of High Def Vision, 3D Vision, and Night Vision, but have you ever heard of Lumber Vision. Well it is a symptom that affects 100 percent of the population at some time in their life. It is extremely harmful and detrimental to those infected with it and also those with whom they come in contact.

While it most definitely existed since the Fall of Man our first real definition of Lumber Vision is recorded in Matthew 7:3-5 where Jesus said, "Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye? How can you say to your brother, 'Let me take the speck out of your eye,' when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye."

It would seem with the rise of modern technology Lumber Vision has been brought out into the "public eye" (pun

**PASTOR JOHN CURRY**

intended) through Facebook and other media. It is so easy to "trash" someone for their supposed failings or indiscretions, while ignoring our own sin, because when we have Lumber Vision, the "speck" in another's life appears to be a beam and our failings appear to be insignificant!

This is not just limited to media technology. The old rumor mill and gossip table still stand strong in America as well. How many times have we, this writer included, spoken about another's shortcomings, while ignoring our own? The Education System seems to be a prime example of Lumber Vision. With Parents and Students blaming Administrators and Teachers and Administrators and Teachers blaming Parents and Students and

the Politicians blaming everybody, the problems will never be overcome. But, if we stop blaming one another and focus on what we each can do to improve ourselves and help and encourage one another, we can see improvement! You see God gave us a sure fire remedy for Lumber Vision: Matthew 7:12 "So in everything, do to others what you would have them do to you..." and Matthew 6:12 "And forgive us our debts, as we also have forgiven our debtors." Isn't it interesting how we all want God and others to forgive us, but how easy it is for us to hold unforgiveness in our hearts and eyes towards another.

Let's begin a campaign to stamp out Lumber Vision in Ozona! This writer commits to start seeing and dealing with his own failings and sin and seeking to encourage, support, and help others along their life's journey. Will you join me?

**WORDS OF INSPIRATION**

*Spiritual Fruit*

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law." Galatians 5:22-23 (NIV). It is God's purpose and expectation that His servants will grow to produce "much fruit" in this world and in the place where we have been planted. Please consider several Biblical spiritual principles concerning fruit bearing.

1. We are to bloom where we are planted. "He is like a tree planted by streams of water, which yields its fruit in season

**PASTOR DAN SLEDGE**

and whose leaf does not wither. Whatever he does prospers" Ps. 1:3 (NIV)

2. We will bear fruit in all periods of life. "They will still bear fruit in old age, they will stay fresh and green." Ps. 92:14 (NIV)

3. We are not the fruit producers but the fruit "bearers." "I am the vine; you are the branches. If a man re-

mains in me and I in him, he will bear much fruit; apart from me you can do nothing." John 15:5 (NIV)

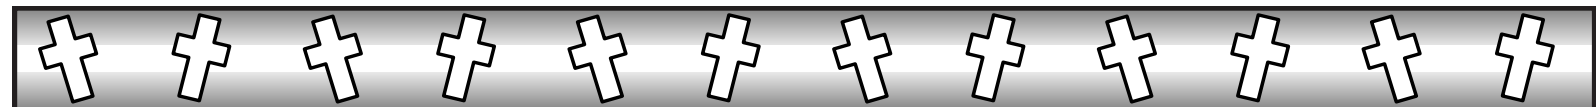

4. God prunes and cultivates His fruit bearers. "He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes so that it will be even more fruitful." John 15:2 (NIV)

Remember, we are to go into all the world and bear fruit produced by the Holy Spirit working in and through us.

Have a Blessed Week, Dr. Dan

**UNEQUALLY YOKED**

Their farm was just up the road from us if we went by and if I saw them I would beg my grandfather to stop so I could watch them. It was a large brown mule and a small bay horse that were hitched to a plow. As I watched I noticed that the big mule had to do most of the work and if he stopped the plow stopped. Seeing that unequally yoked team reminded of what many marriages face in life. I am not talking about physical size or race but where are the two individuals in their relationship to God? Maybe they were not Christians when they got married and one or the other accepted Christ later on. That can make a marriage real difficult. What is one to do? The Bible gives some clear instructions. 1 Corinthians 7:12-16 says not to leave or abandon (divorce) your mate just because he or she is not a Christian. Many also misinterpret these verses and think because they are Christians their spouses or children are also Christians. They are not but God can work in their lives in a special way because they can have a Godly influence in the home. Each person must accept and exercise a faith in Christ personally, (John 1:12 & 13, Romans 10:13). If we are married to a non-Christian we are to pray for them and they may become a Christian one day.

See you in Church next Sunday.

Manuela Martinez, 96, of Odessa, Texas died July 10, 2014. Services were held Friday, June 13, at Our Lady of Guadalupe in Midland. Interment will be held in Ozona at a later date. Funeral arrangements by Stanton Memorial Funeral Home.

Survivors include: two daughters, Leonila A. Villarreal and husband Vicente, of Midland and Rosa Sanchez (Nuncio) of Odessa, as well as eight grandchildren and numerous great-grandchildren and great-great-grandchildren.

**Batura raising funds for Leukemia & Lymphoma Society**

Former Ozona resident, Amber Batura, is training to run in the Nike Women's Half Marathon, a 13.1 mile run, on Oct. 19, in San Francisco, Calif.

Batura is running for Team in Training, The Leukemia & Lymphoma Society's (LLS) leading endurance sports charity training program. LLS is an organization committed to curing leukemia, lymphoma, Hodgkin's disease and myeloma, and improving the quality of life of patients and their families.

She is running for her friend Brandy Solis, who has Chronic Myeloid Leukemia. Solis, 36, and her husband, Josh, have five children, ages 16-10 months. She is currently taking oral chemo at home once daily. She has blood drawn every two weeks, and travels from her home in Fort Stockton to Odessa once a month or more for her doctor's appointments.

Batura is asking for financial donations to help her raise \$4,100 by Oct. 6. Seventy-five percent of the donation goes directly to patient services and research.

"This is something that is very important to me. As I train to accomplish a physical feat I never thought possible, please consider supporting me. You will have my eternal gratitude," Batura said.

Anyone interested in making donations, can do so online at <http://pages.team-intraining.org/ntx/nikesf14/abatura> or make checks payable to Leukemia and Lymphoma Society with "Amber Batura" in the memo and mail them to 5710 4th st, Apt 1903. Lubbock, Tx, 79416.

**OZONA SENIOR HAPPENINGS**

**BY BRENDA NEWTON**  
SENIOR CENTER DIRECTOR

If you did not come to the center to watch movies - you missed out. We have had two movies so far, and it has been great! The next movie will be on Thursday the Aug. 7 at 2 p.m., and it will be "Driving Miss Daisy" starring Morgan Freeman, Jessica Tandy, and Dan Aykroyd. I know these are old movies but they are good ones. We will work up to the newer ones as we go. Come join us for a fun and relaxing time.

We are going to do some crafts on Tuesday at 2 p.m. I want you to bring some of your beads off of the broken jewelry, and we will try to fix them up so you can wear them again. I am talking about costume jewelry. We can match them up and put them on new string and make them into bracelets or something you can wear. Sound like fun? If we get bored with this, I have some other things we can try. You are welcome to take the things you make home.

We are still having the computer courses on Tuesdays at 10 a.m. I do wish more of you would come take advantage of these courses. Modern technology is here to stay and we are getting further and further behind in our knowledge of how it works. You may say you do

not want to learn about computers but it would make it a lot easier on you if you do. Not only for keeping up with your finances or reading or keeping up with what is going on in the world, etc. It will help you have something to talk to the younger set about.

We have been trying the new exercise tape on Monday, Wednesday, and Friday mornings. It was a real workout, but everyone can quit when it gets to be too much. It is exciting because it has modern music in the background. You should come out and try it.

The Balance Exercise is working better in the morning - so we will leave it in the morning at 9 a.m. on Tuesdays and Thursdays.

If there is something you would like to have started at the center, please let me know and I will try to make it happen. Don't forget the trade table. We have really had a good time with the trash to treasure table lately. Thank you for the ones that have donated to this table.

Exercise at 9 a.m. on Monday, Wednesday, and Friday. Bridge is on Monday afternoons at 1:30 p.m. Balance exercise is Tuesday and Thursday mornings at 9:30 a.m. Mexican Train is 1:30 p.m. on Wednesday. Prayer Group is on Wednesday at 3 p.m.

Come on out - the coffee is on.

# 27th annual Haby, Lockhart, Ross, Speck Production sale

BY FRED L SPECK JR.  
AND JOE DAVID ROSS  
SUBMITTED ARTICLE

The 27th annual Haby, Lockhart, Ross, Speck Production sale was held Saturday, July 19, at the Hill Country Youth Exhibit Center in Kerrville, Texas. Preston Faris of Sonora served as the auctioneer. This year the goats were offered by Ross and Speck.

Interest in the sale was high. With a greater number of buyers than in previous years, the sale was the best in years.

One hundred two lots of yearling bucks and does grossed \$56,275 averaging \$551.72. Thirty eight does averaged \$494.74 and sixty four bucks averaged \$585.55.

The top doe was purchased for \$1,100 by Sterling and Summer Hall of Sonora, Texas. The second high selling doe was purchased by Jerry Don Balch of Sonora, Texas for \$1,050. The top buck was purchased by Doris Haby and Hugh and Dennette Coates from Brackettville for \$2,500. The second high selling buck was purchased by Jerry Don Balch for \$1,200.

The third high buck was purchased by Cal and Pam Hengst of San Angelo, Texas for \$1,000. The fourth high buck sold for \$950 to John Frett of

Lamdenberg, Pennsylvania. These top selling goats were offered by the Speck family.

New buyers were Nancy Burton of Burnet, Gary Clark of Gatesville, Lorelei Hankins of Rocksprings, Brad Nelson of Rocksprings, Terry Schenkel of Sonora, Willis Springfield of Rio Frio, Carlon Stapper of Ozona, and David Walsh of Sonora.

Volume buyers included: Jerry Don Balch -19 head for \$10,950, Cal and Pam Hengst -12 head for \$7,050, Nancy

THE TOP BUCK AT THE 27th annual Haby, Lockhart, Ross, Speck Production sale was purchased by Doris Haby and Hugh and Dennette Coates of Brackettville for \$2,500. Pictured are (left to right) Dennette Coates, Fred Speck, Doris Haby and Hugh Coates.

Burton-12 head for \$5,750, Haby and Coates-6 head for \$4,800, John Frett -6 head for \$3,300, Terry Schenkel -5 head for \$2,800, Gary Clark -4 head for \$2,250, Jim Cummings of Evant, Texas -6 head for \$2,125, and Lorelei Hankins -4 head for \$2,100. Other volume buyers include Madalyn Fisher of Sonora, Ted Smith of Mason, Seco Mayfield of Sonora, Mark Bindseil of San Antonio, and Sharon Holman of Sonora. Others buying were Marty Blanchard of Evant, Wayne Brown of Del Rio, Kelby Kneese of Harper, Daniel Raab of Fredericksburg, David Ross of Sonora, and Allen Stieler of Rocksprings.

This year's catalog was dedicated to Hayden "Mort" Haby, Feb. 11, 1928 to Sept. 29, 2013.

Hayden Haby will be remembered as a great man for several reasons.

His life long service as a "teacher" and mentor is remarkable. One of his first jobs as a vocational agricultural teacher (Dripping Springs, then Fort Davis) was highlighted with admitting one of the first female students into the Texas FFA program. His move to Rocksprings in 1957 was to a position as a Texas Extension Service Agent (county agent) where he served until 1977. His emphasis was mentoring 4-H "kids" in many different programs, including public speaking, livestock projects, and judging of livestock, grass, wool and mohair.

His primary love, of course was his wife, Doris, and children Dennette and Hayden Jr.

THE SALE WAS DEDICATED TO HAYDEN HABY. Family members were present: Dennette Haby Coates, Hugh Coates, Doris Haby, HG Haby III, his fiancée Georgea Pappas, Kandi Haby and Hayden Jr.

and his namesake H.G. Haby III, sister Venetia Haby, and special kids Dylan and Shae Coates. In a close second was his love of ranching and raising Angora goats and Rambouillet sheep.

He ranches in Edwards, Kinney, and Uvalde counties and in Queensland, Australia. He shared his extensive knowledge and expertise with all who asked. His ability to evaluate livestock quickly and accurately was uncanny.

In his memoirs he gave credit for development of the Haby & Haby Angora goat flock to several individuals. Foremost, Doris's uncle, Brooks Sweeten. Also Fred & Armer Earwood, Joe Brown Ross, Howard Hay, Mike Pember, Arthur Davis, Bob Davis, W.S. "Bill" Orr, W.S. Hall, Leslie Pepper, James Wittenburg, Carlton Goldbold, D.L. Cloudt, Lloyd Mitchell Jr., Bill Craddock, and Werner Lindig.

Hayden developed the first pelleted ration for show Angoras in Texas. He gave the ration to Brooks Sweeten who had Lloyd Mitchell put it in pelleted form. Before other major companies developed rations, breeders from all of Texas were driving to the Mitchell plant in Rocksprings to obtain

their feed. Hayden was one of the founding members of the Haby Lockhart Ross (and later Speck) Sale to promote the fine haired aspect of the Angora goat industry. He was also a partner in the 1994 importation of the first stud Boer goats directly from South Africa and the first importation of Angora goats since 1925. He received multiple awards over the years.

His sheep and goats won the high indexing Ram and Buck at the Ram and Angora Goat Progeny Tests at the Texas A&M Experiment Station at Sonora, Texas. He was the only breeder to win both the sheep and goat high indexing animal.

He won the Hamanaka mohair trophy two years in a row, and the British Mohair Spinners Award four years (the industry's most prestigious event). Goats from his herd have been exported to Madagascar, France, India, Turkey, Mexico, Spain, Canada and Australia.

He judged Angora goat shows in Canada, Australia, France, Great Britain and in multiple states in the United States.

The partnership sincerely appreciates the buyers' faith in the mohair industry and their faith in the HLRS fine haired Angoras.

## County conservation partners host local work group meeting

The USDA Natural Resources Conservation Service (NRCS) in Texas' Crockett County and the Crockett Soil and Water Conservation District cordially invite the public to attend their 2014 Local Working Group (LWG) meeting Aug. 19 at 2 p.m.

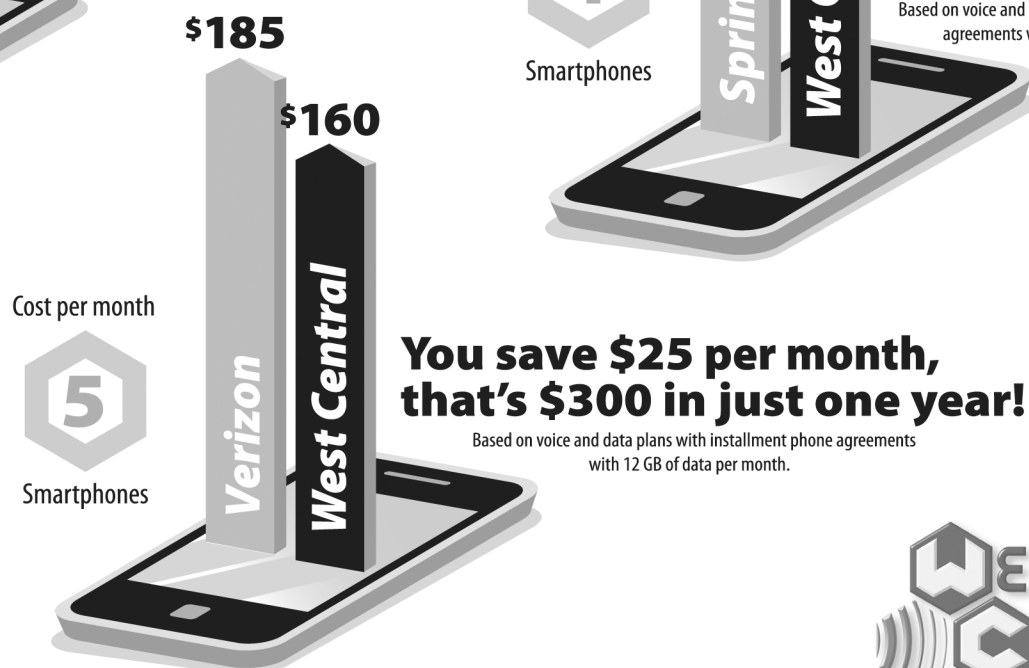

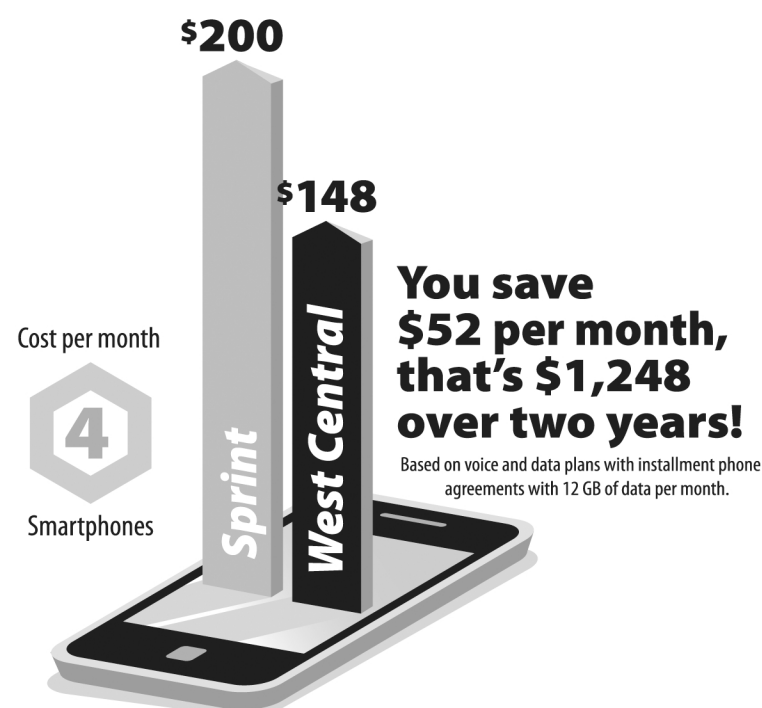

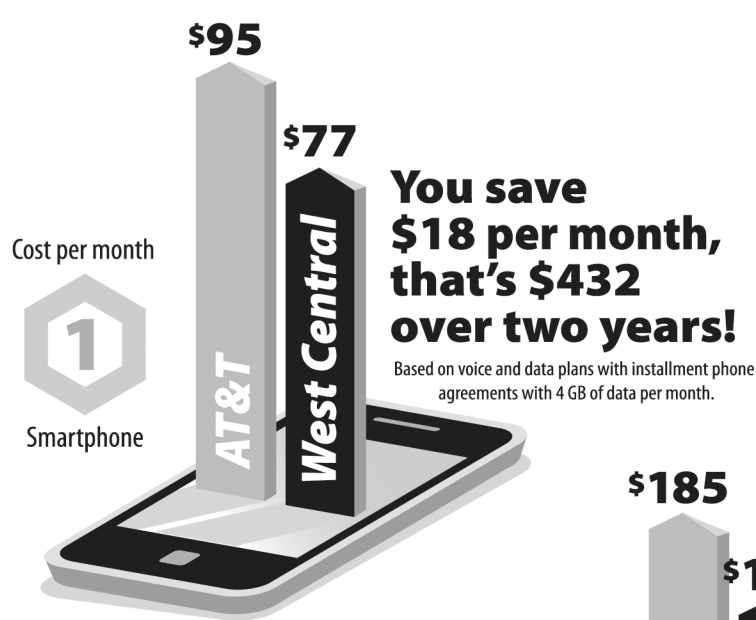

The purpose of this annual LWG meeting is to set local conservation priorities and bring conservation stakeholders together to discuss conservation topics and issues relevant to helping Crockett County farmers and ranchers better conserve on-farm natural resources.

The agenda of the meeting is to update attendees on recent conservation efforts and to collect public input to help guide future conservation activities. Through regular identification of conservation opportunities, effective Farm Bill investment can continue to benefit Crockett County. Farmers, ranchers, conservationists, and others interested in obtaining Federal technical and financial assistance to improve private land in Crockett County are invited to participate.

For more information, call Tori Dutton, district conservationist, at (325) 392-2301 ext 3. For more information, visit the NRCS Web site at <http://www.tx.nrcs.usda.gov/>.

**PLEASE NOTE THAT IN ALL GRADES THE SUPPLIES WILL NEED TO BE REPLENISHED THROUGHOUT THE YEAR**

Texas Comptroller Susan Combs reminds shoppers they can save money on certain items priced under \$100 during the state's annual sales tax holiday.

This year, the sales tax holiday is scheduled for Friday, Saturday and Sunday, Aug. 8 - 10.

The law exempts most clothing, footwear, school supplies and backpacks priced under \$100 from sales tax, which could save

shoppers about \$8 on every \$100 they spend during the weekend.

"Families gearing up for the new school year will not pay any sales tax for many back-to-school items ranging from pens to blue jeans," Combs said. "When the back-to-school list is long and the money is short, it can be difficult for Texas families. We hope this tax break will help ease that burden."

Lists of apparel and

school supplies that may be purchased tax free can be found on the Comptroller's website at [www.TexasTaxHoliday.org](http://www.TexasTaxHoliday.org).

This year, shoppers will save an estimated \$82.7 million in state and local sales taxes during the Sales Tax Holiday.

The tax holiday weekend has been an annual event since 1999.

## CCCCSD Dress Code

Dear Parents, and Students, At CCCCSD we believe that we should "dress for success". Clothes matter a lot to everyone. They affect how we feel about ourselves and how well we can function at school. We had a lot of violations of dress code this last year at CCCCSD, and so we want to clearly set the boundaries up before school begins. Here are some guidelines from our handbook, as well as, a copy of the dress code section from our handbook, so parents and students can make good clothing choices.

### SHORTS

We have had some short, shorts last year at CCCCSD, and so we are giving our school kids a rule - "shorts and skirts of modest length" is the statement in the handbook and for our kids "modest length" is either 2 inches below the fingertips OR 3 inches above the knee that is the "Target Modest Zone" at CCCCSD!

### OUR DRESS CODE ALSO STATES THAT:

- "shirts or tops with spaghetti straps and tank tops are not permitted"
- "shirts or tops which expose the midriff are not permitted"
- "hair styles, accessories, clothing or lack of clothing that are extreme or disrupt, distract or interfere with the learning process will not be permitted" for us at CCCCSD this means:
- that any shirt you wear must have a shoulder panel of at least 3 fingers wide,
- no exposed shoulders

or shoulder blades,

- no exposed undergarments of any kind.

- If a student wears leggings, then the shirt over the leggings must be of "modest length" which is either 2 inches below the fingertips OR 3 inches above the knee

- this also means that if your shirt shows any cleavage you will be made to change into a t-shirt from the office until the end of the day or until another shirt is brought to you from home

- this also means NO HOLES, frays, rips, or tears above the knee in your pants - NONE, not patches, no leggings underneath, NONE means NONE!

Our handbook finally says that "Principals retain final discretion and authority in determining dress code violations"; it also states that the principal can (and will) confiscate clothing that is in violation of dress code for up to one week. We want to be very clear with students, staff and parents as to what we consider to be appropriate, so students and parents can make decisions about student clothing.

Students will be expected to follow these dress code guidelines at all school events: band concerts, awards ceremonies, dances, and any other school activity.

If you have any questions, please feel welcome to call or come by the office and discuss them with us.

Sincerely, Ronny Clayton, Ozona High School; Tamara McWilliams, Ozona, Middle School; Janina Savala, Ozona Elementary School

## COURT: Tax rates presented

from page 1

"We're very fortunate to have the oilfield. With that it does get harder to maintain a labor force. The only thing that the counties have to offer is the benefits and retirement and a stable job," Deaton said.

Commissioner Frank Tambunga said every year he looks at budgeting pay raises, but at the same time he has people who are concerned about tax rates increasing.

"Nobody wants taxes to go up. You get what you pay for. You want good, quality employment sooner or later you're going to have to pay for it. You want people patrolling 24 hours a day that costs money. You want people picking up your trash that costs money. Everybody here, they love their jobs or they wouldn't be here, but they are not going to do it for free. We are trying to give the best we can for the county. All we're saying is step up to the plate and do the best for us too," said Sheriff Robert Ro-

driguez.

Deaton told the commissioners that by the next meeting, they will need to figure out a raise for the employees.

Tambunga said he would like to see some kind of cost of a percentage raise.

"I think this would be the year to do a percentage raise," said Commissioner Eligio Martinez.

The commissioners said they are looking at a raise for all county employees.

Commissioners will go over the 2015 proposed budget again at their regular meeting on Monday, Aug. 11. The commissioners generally approve the budget in September.

### TAX RATE

Chief Appraiser Rhonda Shaw presented the county's values and tax rates.

Shaw said appraisals increased 24 percent from last year. She said minerals make up 94.9 percent of the county's values and ranch land and improvements, houses in the town of Ozona and business make up the remaining 6.1 percent.

In 2000, the county's values were at \$847,167,480. For 2014 the values are at \$2.5 million.

Shaw said due to the increase in values, the county could go above the effective tax rate and still keep the county tax rate six cents lower than last year.

The effective tax rate will raise \$205,924 more than 2013. The proposed 2014 effective tax rate is .45343 per \$100 evaluation.

If the county goes to the rollback tax rate, the increase would be around \$1.1 million. The rollback rate is .4897. The 2013 county tax rate was .55076.

For the past five years, the county has operated under the effective tax rate.

"This is a year you could go up closer to the rollback rate and make up a little bit that you've held the past five years, and still people will have a reduction in taxes," Shaw said.

Shaw also presented options of adopting a tax rate just below the rollback and moving two cents from the general to the road and bridge fund.

At their regular meeting on Monday, Aug. 11, the commissioners will vote on the county tax rate.

### OTHER AGENDA ITEMS:

The commissioners approved a letter of request of surplus property at the Ozona TxDOT for 250 yards of crushed rock and cement culverts.

Budget request of \$2,600 for the Concho Valley Community Action Agency.

Commissioner Randy Branch was absent from the meeting.

The next commissioners' court meeting will be 9 a.m. Monday, Aug. 11, at the courthouse annex. The meeting is open to the public.

# CCCCSD 2014-2015 Free/Reduced Price Lunch Program

## CROCKETT COUNTY CONSOLIDATED COMMON SCHOOL DISTRICT

Dear Parent/Guardian:

Children need healthy meals to learn. CROCKETT COUNTY CCSD offers healthy meals every school day. Breakfast costs *OHS-1.30; OMS-1.30; OES-FREE*; lunch costs *OHS-2.45; OMS-2.45; OES-2.30*. Your children may qualify for free meals or for reduced-price meals. Reduced price is *\$ .30* for breakfast and *\$ .40* for lunch. The following questions and answers will provide information about the Free and Reduced-Price Meal Program.

- Do I need to fill out an application for each child?**  
No. Complete one *Free and Reduced-Price School Meals Application* to apply for free or reduced-price meals for all children in the household. We cannot approve an incomplete application, so be sure to fill out all required information. Return the completed application to *Ludy Vargas, Box 400, Ozona, TX 76943; 325/392-5501 ext. 5847*.
- Who can get free meals?**
  - Income**—Your children can get free or reduced-price meals if your household's gross income (total, without deductions) is within the limits described on the *Federal Income Eligibility Guidelines*.
  - Special Program Participants**—All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), Food Distribution Program on Indian Reservations (FDPIR), or Temporary Assistance for Needy Families (TANF), can get free meals. Children attending Head Start, Early Head Start, and Even Start are also eligible for free meals.
  - Foster**—Foster children under the legal responsibility of a foster care agency or court are eligible for free meals. A foster child is eligible for free meals regardless of the income of his or her resident household.
  - Homeless, Runaway, and Migrant**—Children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told about a child's status as homeless, runaway, or migrant, please call or email *Raul Chavarria*. If you have received a letter of notification that your child is directly certified for free meals, do not complete an application, but do let the school know if any children in your household who attend school are not listed on the letter.
- Should I fill out an application if I received a letter this school year saying my children are approved for free meals?** Carefully read the letter you received and follow the instructions. Call your child's school at *325/392-5501* if you have questions.
- My child's application was approved last year. Do I need to fill out another one?** Yes. Your child's application is only good for one school year and the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for this school year.
- I get WIC, can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced-price meals; please fill out an application.
- What if my income is not always the same?** List the amount that you normally receive. Even if you missed some work in the last month, put down your usual pay. If you normally get overtime pay, include it. If you have lost a job or had your hours or wages reduced, use your current income.
- We are in the military. Do we include our housing allowance as income?** If you get an off-base housing allowance, it must be included as income. If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. **Is combat pay counted as income?** No, if combat pay is received because of deployment in addition to basic pay and was not received before deployment, combat pay is not counted as income.
- May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced-price meals.
- Will the information I give be checked?** Yes, and we may also ask you to send written proof.
- If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year. If your household income or circumstances change, you may become eligible for free or reduced-price meals.
- Who should I include as members of my household?** You must include yourself as well as others living in your household who share income and expenses—related to you or not (grandparents, other relatives, or friends). You must include yourself and all children living with you. Do not include others who live with you who are economically independent—that is anyone you do not support, who does not share income with you, and does pay a pro-rated share of expenses.
- What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to *Raul Chavarria, Box 400, Ozona TX 76943; 325-392-5501*.
- My family needs more help. Are there other programs we might apply for?** To find out how to apply for other assistance benefits, contact your local assistance office or 2-1-1.

If you have other questions or need help, call: *LUDY VARGAS @ 325-392-5501 EXT. 5748*. Si necesita ayuda, por favor llame al telefono: *LUDY VARGAS @ 325-392-5501 EXT. 5748*.

Sincerely,  
Cynthia Hokit

## Multi-Child and Multi-Use Free and Reduced Price School Meals Applications for 2014–2015

### More Information on How to Report Your Income on the Application

- Gross Income**—Record the amount earned before taxes and other deductions.
- How Often Income Is Received**—Record type of income received for the month—weekly, every other week, twice a month, or monthly and not the take-home pay. You should be able to find this information on your paystub, or ask your boss.
- All Other Income**—Record Worker's Compensation, unemployment or strike benefits, regular contributions from people who do not live in your household, and any other income.

Do not include income from SNAP, FDPIR, WIC, federal education benefits, and foster payments received from the placing agency.

For the self-employed ONLY, under *Earnings from Work Before Deductions*, report income after expenses. This is for your business, farm, or rental property. If you are in the Military Privatized Housing Initiative or get combat pay, do not include these allowances as income.

"We felt that this would benefit all the citizens of Ozona."

County officials worked through the Texas Legislature and with officials at the Texas Department of Public Safety to get the new office.

"This is an exciting day for all of us. DPS is committed to serving area residents at this new facility now and in the future, and I want to thank all the hardworking individuals, both at the state and local levels, who made this project possible, said Carey Matthews, DPS Region 4 Commander.

Paul Watkins, deputy assistant director of the Texas DPS, said more than \$6 million driver's licenses and

identification cards are issued each year in Texas.

He also said the driver's license division is working on adding computer kiosks in communities. The kiosks do

not take the place of the driver's license office, but offer another service.

"This is a year that we are trying to provide better service for rural communities. We

are proud to be a part of this community," Watkins said.

## Three injured in Irion County vehicle accident

Three people were injured in a multiple vehicle accident on Sunday between Mertzson and Barnhart.

A 1997 Ford Pickup, driven by Juan Rodrigo Rodriguez, 26, of Mission, Texas, was traveling westbound on U.S. Highway 67 when the pickup struck a 2000 Peterbilt Truck Tractor pulling a semi-trailer that was stopped on the right hand shoulder, according to a report from the Texas Department of Transportation.

A second crash occurred when a 2011 Chevrolet Pickup, Cubert James Dery, 35, of Weatherford, Texas, struck the rear of the Ford Pickup while on the shoulder of the road, the report stated.

Ford Pickup passengers

Rodolfo Rodriguez Jr., 31, of Mission, Texas and Noel Garcia, 21, of Penitas, Texas, along with Juan Rodrigo Rodriguez were all transported to Shannon Medical Center in San Angelo with incapacitating injuries, the report stated.

Dery and Michael Dewayne Jackson, 43, of Ozona, the driver of the Peterbilt, were not injured.

Juan Rodrigo Rodriguez stated he had fallen asleep causing him to leave the lane and hit the Peterbilt, the report stated. The report also stated alcohol may have been a factor in Ford Pickup striking the Peterbilt.

The accident is still under investigation. It was investigated by DPS Trooper Jason Lujan-Luna, of San Angelo.

## STATE: from page 2

Lottery and Texas Lottery Commission, a joint House-Senate panel created by the Legislature in 2013 to study charitable bingo and the distribution of the revenue that such bingo generates. The panel also will study the potential impact of eliminating the state lottery.

Straus named Rep. John Kuenpel, R-Seguin, as co-chair, and committee members, Reps. Giovanni Capriglione, R-Southlake; Garnet Coleman, D-Houston; Rick Miller, R-Sugar Land; and Senfronia Thompson, D-Houston.

Lt. Gov. David Dewhurst, who presides over the Texas Senate, on Aug. 1 named Sen. Charles Schwertner, R-Georgetown, as co-chair, and as committee members, Sens. Kelly Hancock, R-North Richland Hills; Eddie

Lucio Jr., D-Brownsville; Larry Taylor, R-Friendswood; and John Whitmire, D-Houston.

### HEALTH AGENCY INVESTIGATES

Reports of an intestinal illness that may be attributable to the parasite cyclospora have prompted the Texas Department of State Health Services to investigate, in collaboration with local health departments, to gather information and identify the cause.

On July 23 the agency reported it has received reports of 77 cyclosporiasis cases from around Texas this year, including 69 in the last month. The major symptom is watery diarrhea lasting a few days to a few months.

Thorough washing of fresh produce is recommended, but that may not entirely eliminate the risk because cyclospora can be difficult to wash off. Cooking will kill the parasite.

### DROUGHT EMERGENCY

Gov. Rick Perry on Aug. 1 renewed the emergency disaster proclamation he originally made on July 5, 2011, certifying that exceptional drought conditions posed a threat of imminent disaster in specified counties in Texas. The renewed proclamation applies to 108 of Texas' 254 counties and specifies "rules and regulations that may inhibit or prevent prompt response to this threat are suspended for the duration of the state of disaster."

## SHERIFF: from page 2

Just because the neighbors think you are up to no good is not sufficient, thank goodness.

It is imperative that the sheriff and his deputies follow the law and court rulings when dealing with our drug offenders. The cases could

not proceed in the court system otherwise. It is a tedious process that must be adhered to in order to make any progress in the dangerous situation. They will continue to make their arrests, following the law, one after another.

**NOTICE TO BIDDERS**

Crockett County wished to procure road material for the 2014 TxDOT TIF Program from multiple vendors. The County will receive sealed bids for approximately 5,000 cubic yards crushed rock road material until 4:00 p.m. on August 7, 2014 at Crockett County Courthouse, Attn: Judge Fred Deaton, PO Box 1857, 909 Avenue D, Ozona, Texas 76943. The bids will be publicly opened and read aloud at 4:30 p.m. on August 7, 2014 at the Crockett County Courthouse at 909 Avenue D, Ozona, Texas 76943. Price proposed is for material only. Crushed rock road material is to be hauled by Crockett County, and will be paid for by the cubic yard. Crockett County will select material based on price per cubic yard, quality of material, and proximity to ongoing and future Crockett County Road work. Bids must be submitted on the bid form in price per cubic yard. Contact the County Judge at (325) 392-2965 or by emailing to fred.deaton@co.crockett.tx.us. Crockett County reserves the right to reject any or all bids or to waive any informalities in the bidding. Bids may be held for a period not to exceed 30 days from the date of the bid opening for the purpose of reviewing the bids and investigating the bidders' qualifications prior to the contract award. HUBs are encouraged to submit.
