LEO FLOYD IS FATALLY HURT

Died At Vernon After Horse Had Fallen With Him; Buried Here Monday

The remains of Leo Floyd, 24, son of Mr. and Mrs. R. B. Floyd residing a few miles south of town, were buried here Monday afternoon following funeral services conducted at the Methodist Church. Elder L. J. McCarty of Lorenzo, of the Primitive Baptist Church, officiated.

Young Floyd died shortly before four o'clock Sunday morning from injuries sustained Saturday afternoon when a horse which he was riding fell with him, the accident occurring on the Waggoner ranch 15 miles from Vernon, where Floyd was working. The horse became unruly and ran with its rider into a wire gate falling and throwing the rider.

Floyd got up and walked to the ranch house not far distant, was taken in a car to a hospital in Vernon, and walked unaided into the hospital. An x-ray examination showed the bones of the shoulder to be badly crushed. These injuries were treated and dressed but the patient did not seem to recover as well as had been expected and a second x-ray examination was made, which revealed that one of the ribs had been broken and driven into one of the lungs. An operation was performed and the broken rib removed, but the patient died within a few minutes after the operation was concluded.

The remains were accompanied to Tahoka by two fellow workmen on the ranch, and all sent a sumptuous floral offering as a token of their esteem. A large crowd attended the funeral here. Active pall bearers were Bob Brown and Grover Johnston of Vernon and Buell Draper, A. D. Sanders, Ivan Cathcart, Harlan Cook, Rufus Slover, and Laurence Sanford of this place.

McGehee Out For Precinct 1 Place

We have another entry this week in the commissioners' race, precinct No. 1. T. E. McGehee, who resides six miles east of Wilson in the Morgan community, is the new entrant, and his name appears in our announcement column this week.

Mr. McGehee is a farmer by occupation and he has been residing in the Morgan community for about sixteen years. He has never held any public office before except that of school trustee. He has been one of the trustees of the Morgan community for several years. He enjoys the confidence and esteem of his neighbors and has many friends in that part of the county.

Mr. McGehee says that the only promise he can make is that if nominated and elected he will do his very best to serve the people fairly and efficiently. He respectfully solicits your vote and influence.

The first census taken in the United States in 1790 was made by a group of less than 700 marshals at an expense of about \$45,000.

PLAN JUDGING EVENTS HERE

Twenty Schools Of South Plains Invited To Participate In Contests

A livestock, dairy and poultry judging contest is to be held here Saturday, beginning at 10 A. M., according to announcement made by Taylor White, teacher of Agriculture in the Tahoka High School. The contest is to be conducted by the Future Farmers of the Tahoka school which consists of the vocational agriculture classes.

Mr. White states that invitations have been sent to about twenty high schools in this section of the state inviting them to send one or more teams.

The same rules that govern the Tech and A. & M. contests will be observed. Arrangements are being made for prizes to be awarded the winning teams. If the weather is favorable, it is hoped that many teams will be here participating in these contests.

Record Set In City Poll Taxes

Mrs. J. B. Walker, city secretary, states that 468 poll taxes have been paid this year by people residing within the city limits of Tahoka. There are about a hundred over and unders, she thinks, so that the voting strength of the city will be more than 550.

It is expected that a large vote will be polled in the city election to be held the first Tuesday in April.

FARM AID IS OFFERED LYNN

Average Of \$50,000 Per County Will Be Available To Farmers Of This Section

South Plains counties may average \$50,000 each of the expected seven million dollars which will be available for crop production loans in Texas, Owen W. Sherrill, manager of the regional loan office in Dallas, estimated here Tuesday night. Sherrill addressed a mass meeting of farmers, county committee members, county agents, and others in Lubbock Wednesday morning.

The loan manager arrived Tuesday from Abilene, where he explained operation of the crop aid loans to 500 persons.

D. H. Sandige is director for Lubbock, Cochran, Hockley, Terry, Yoakum and Lynn counties.

Organization set-up, on a basis of one man to five counties was announced Tuesday.

Amount of money to be available for the South Plains area depends on speed with which farmers take advantage of the offering, Sherrill pointed out.

"The original fifty million dollars set aside for the farm loan division of the Reconstruction Finance Corporation already has been increased to eighty-five million and we expect it to be swelled to two hundred million," Sherrill declared.

Loan applications must be mailed in time to be received not later than April 30, 1932, he said.

Attendance Good At Methodist Services

Last Sunday's two services at the Methodist Church were marked by splendid sized congregations in spite of the absence through illness of many of the regular attendants. In the morning Rev. H. C. Smith preached inspirationally on the need of daily sacrificial living and its reward. M. J. Weaver conducted the devotional period preceding the sermon and the musical offering was a male quartet consisting of Messrs. Standefer, Munn, and Clyde and Frank Sargent. The usual first Sunday observance of the Communion followed the regular service.

Miss Elizabeth Wyatt played "Prelude" by Chopin for the opening of the day's worship. Supt. G. M. Reid made interesting announcements of coming programs to be in charge of various classes of the adult church school.

At the 7:30 o'clock hour, Rev. Smith by no means exhausted the text from Matt. 5, from which he has already preached some splendid sermons.

Let every one be in his place all day next Sunday.—Reporter.

W. D. Nevels and Jim Weatherford are spending a few days out at Hot Springs, New Mexico, enjoying the hot baths and undertaking to get rid of a little rheumatism with which they are each afflicted.

Walter Florence Back Home, Sick

Walter Florence, ex-county commissioner, who disappeared several weeks ago, returned to his home near Draw last Saturday night and has since been confined to his bed with the "flu", it is said.

A bill of indictment was returned against Florence by the grand jury which recently adjourned, charging him with misappropriation of county funds. His office was declared vacant by the commissioners' court a little more than two weeks ago and his wife was appointed by Judge Grider to fill the vacancy.

FUNDS NEEDED FOR CEMETERY

Association Must Make Payment On Property; New Officers Are Elected

At a meeting of the Cemetery Association held in the county court room Wednesday afternoon new officers and a new board of directors were elected and methods for collecting what is due the association and paying its indebtedness were discussed.

E. I. Hill was elected president, Mrs. Gladys M. Stokes was re-elected vice-president, and Don Bradley was re-elected secretary and treasurer.

A new board of directors was also chosen by the body. The new board consists of Sam Sanford, D. C. Davis, W. D. Nevels, J. K. Applewhite, and E. H. Boullion. Messrs. Nevels and Applewhite were members of the old board.

A report made by the secretary showed that quite a number who have purchased lots in the cemetery have never paid for them. It is suggested that all such come in and make payment or other satisfactory arrangement at an early date so as to avoid the necessity of the collector having to call. Some pressing debts are past due by the association and it is in sore need of funds.

Goodman State Senator Aspirant

To the voters of the 30th Senatorial District:

I hereby announce my candidacy for office of State Senator for the 30th Senatorial District of the State of Texas, subject to the action of the Democratic Primaries.

I was born of native Texas parents at Bastrop, Texas, 42 years ago, my grandfather Goodman being a Mexican War and Confederate veteran. At an early age I moved to Austin. I received my education in the Public Schools of that city and after graduating from Austin High School, I entered the University of Texas. In my sophomore year I was offered a position in the Ball High School at Galveston, where I taught for three years; I then returned to

Shaw Wants To Be Wilson Weigher

Clyde Shaw of Wilson has entered the lists as a candidate for public weigher of justice precinct No. 2.

Mr. Shaw has been a citizen of Lynn county for the past twenty-five years. He resided a few miles east of Wilson for 23 years but moved into town a couple of years ago. He is regarded as one of Lynn county's very best citizens, always standing for the best in the community in which he resides.

Mr. Shaw is in the prime of life, being 42 years of age. He has never before asked for a remunerative public office. He promises if elected to give faithful service. He will genuinely appreciate your support.

Red Cross Needing Lard And Beans

We are having a good many calls for help form the Red Cross and our funds are small. We need some lard; so if you have any to donate to the Red Cross—a pound or just any quantity—it will be appreciated and will help feed the needy. Bring it to the Red Cross office and you will be given a receipt for it.

We can also use dried black-eyed peas or beans.

B. P. Maddox, Chairman of Lynn County Red Cross Chapter.

Sister Died Sunday

Mr. and Mrs. W. S. Anglin and family were called to Gorman last Sunday morning by the death of his sister, Miss Callie Anglin. Funeral services were held Monday, and the Anglins returned home Tuesday. Miss Anglin was 49 years old at the time of her death.

Tom Higgins left today for Merol, after having spent a week here visiting.

MUSICIANS TO APPEAR HERE

Aggie Students-Sponsoring Program March 19 By V. O. Stamps And Boy Genius

Taylor White, teacher of Agriculture at the High School, announces that the High School Agriculture Club will render a program at the high school auditorium on the night of March 19, featuring V. O. Stamps and Freddie Martin in a musical program.

A brief agriculture program will be given by the members of the club, at the conclusion of which the Stamps program will begin.

V. O. Stamps is known throughout Texas as a musician and song leader. Freddie Martin will be remembered here as the musical prodigy who sang and played at the recent meeting of the Lynn County Singing Convention held at the Central Ward School building. "Freddie is wonderful; he is truly a musical genius", Mr. White stated Monday in asking us to make the announcement of the program. The appearance of Stamps and Martin in a program here will furnish the people of Tahoka and of Lynn county a musical treat that they rarely have the privilege of enjoying.

A small admission fee will be charged: 25 cents for adults and 15 cents for school pupils.

Dr. J. A. Hill Will Deliver Address

Superintendent J. B. Pace announces that speakers for the high school commencement have been procured. He expects to furnish us with the program in full some time soon.

Rev. H. C. Smith, pastor of the local Methodist Church, has been invited to preach the Commencement sermon and has consented to do so. This will be at 11 A. M. Sunday, May 15, in the high school auditorium.

Dr. J. A. Hill, President of the West Texas State Teachers College at Canyon and also President of the State Teachers Association, has been procured to deliver the class address on Friday night, May 20. Dr. Hill is well known by many of the teachers here and throughout the county, especially by those who have attended the College at Canyon.

Workers Meet At Central Church

In spite of the bitterly cold weather, quite a goodly number of Baptists attended the Workers' Conference of the Brownfield Baptist Association held at Central Church, 11 miles east of Tahoka Tuesday, according to reports brought back by the Tahoka pastor.

A good program was enjoyed and a wonderful feast was spread at the noon hour, the good pastor further reports. Food had been prepared for a large number of visitors. The cold weather cut the attendance but not the food supply, and the impression that we got from the pastor is that "he took care of the situation in a great way".

Visitors were there from Lubbock, Brownfield, New Home, Tahoka and other places. Those in attendance from Tahoka were Rev. and Mrs. O. J. Hull, Rev. D. D. Johnson, who preached at 11 o'clock, and Meses. H. P. Caveness, W. F. Humphries, F. M. Billman, and Deen Nowlin.

Improve Highway 84 In Garza County

Post, March 9—Nearly 20 miles of state Highway 84 between the Kent county line and Post is to be grubbed out and the shoulders straightened and built up. Herschel Brown, foreman of the state highway department's maintenance work in Garza and Lynn counties, says.

Between six and seven miles have been completed. The work was started at the Kent county line and is coming towards Post.

Mrs. T. J. Bovell returned Tuesday night from Fort Worth, where she spent four weeks with her mother, who is sick. She left her mother somewhat improved.

Fire Damages Barnes' Home

A fire of unknown origin did considerable damage to the residence of Buck Barnes Monday morning.

Both Mr. and Mrs. Barnes had left the house some time before the fire and it was impossible to determine exactly where the fire originated. Considerable damage was done to the building and much damage to the furniture.

The loss was partially covered by insurance.

REDMAN CASE IS CONTINUED

Sick Witness And District Attorney Causes Postponement Of Murder Trial

When the Mrs. Ola Redman case was called in district court Monday morning, the State asked for a continuance on the grounds that Sheriff Cato of Post, who is a material witness for the State, was in bed sick and also on account of the illness of District Attorney T. L. Price. Mr. Price was in court but was not well and did not feel that it would be safe for him to undertake the trial of the case.

Mrs. Redman is charged with the killing of Howard Chase near the east line of this county last June. The case was continued at the Fall term of the court upon the application of the defendant. She is represented by N. C. Outlaw of Post.

In dismissing the special venire which had been summoned for the case, Judge McGuire instructed the regular jury for the week to be back Wednesday morning, at which time it was expected that Mr. Price would be able to proceed with the trial of other criminal cases on the docket.

Clem Calhoun Out For Atty.-General

Clem Calhoun of Amarillo has announced that he will be a candidate for attorney general.

Calhoun will be remembered as the man selected by Gov. Dan Moody to help clean up Berger when Dist. Atty. Holmes was assassinated, and when martial law was declared because of lawless conditions that existed there in September, 1920. He was district attorney at Abilene at the time and had won the reputation of being one of the ablest prosecutors in the state. He had been appointed district attorney originally by Mrs. Miriam A. Ferguson.

After serving as district attorney of the Berger district for a year, he resigned and again entered the private practice of the law, locating in Amarillo.

Calhoun is able, honest, and clean, and would doubtless make a most excellent attorney general.

Home Agents Visit Tahoka

Miss Myrtle Murray, district home demonstration agent, Miss Ida Mae Chitwood, Lubbock county home demonstration agent, and Miss Gertrude Watson, clothing teacher in the Lubbock high school, were guests of Miss El Fleda Harrison Sunday afternoon and night.

Attend Fat Stock Show

Among those who attended the Fat Stock Show at Fort Worth during the past week are Chester Connolly, Jeff Connolly, Truett Smith, Deen Nowlin, H. C. Story, Carl Griffing, W. D. Smith, and Clay Bennett. Some of the above also visited Dallas while away.

Wilson Weigher Asks Re-election

F. R. Crews, public weigher at Wilson, announces this week as a candidate for re-election to that position.

Mr. Crews is serving his first term and is asking for a second. He has given general satisfaction, so far as we have been able to ascertain, and feels that he is entitled to a second term. He has long been a citizen of Wilson, and is known to practically every voter in his precinct.

He will appreciate the support of every one of his constituents.

TUESDAY WAS COLDEST DAY

New Low Temperature Marks For Winter Are Set This Week Fruit Damaged

Winter has been staging a return engagement this week, and the coldest weather of the entire season was experienced here Tuesday and Wednesday mornings. The lowest temperature was registered Wednesday morning when the mercury stood a tiny fraction below 15 degrees. The temperature rose above the freezing point in the afternoon, however. While the lowest minimum was registered on Wednesday, the lowest mean temperature for any day of the entire winter was shown on Tuesday. The lowest temperature registered on that day was 16 and the highest was 28, the mean temperature for the day being 22.

This cold spell began last Friday when the wind shifted to the north and the mercury took a sudden tumble. On Saturday morning the thermometer registered 18. Sunday was a much warmer day, but a fresh norther that arrived that night had driven the mercury down to 20 before dawn Monday, and it has been unreasonably cold ever since.

The coldest day this winter prior to this spell was January 24, when a minimum temperature of 17 was registered. The mercury rose to 35 in the afternoon, however.

It is feared that the fruit crop in this section has been badly damaged, though it is possible that some of it had not reached the stage at which it would be affected by low temperatures.

4-H Girls Taught Meat Canning

Miss El Fleda Harrison, home demonstration agent, reports that six team demonstrations in the canning of meats were given by her to girls 4-H clubs at the Legion Hall last Saturday. Girls present were: Marie Owens of Edith, Alice Church of New Lynn, Marie Barton of New Lynn, Arlisse Lindley of Edith, Martha Chancellor of New Lynn, Ermynne Blevins of Morgan, Nellie Cato of Morgan, Margie Higginbotham of New Lynn, Mabel Draper, sponsor, of Wells, Sybil Bol-h of Wells, and Loree Barnes of Wells.

On next Saturday the girls will give the demonstrations, she announces.

Teams from the Lynn county clubs will participate in the canning demonstrations to be held in Lubbock during the meat show, March 24 and 25.

Judging of canned meats will be done on March 23; therefore, all canned products must be placed at the show on the night of March 22. A nice premium list has been provided by the Lubbock Chamber of Commerce.

There are nine classes this year, whereas there were only four classes last year, it is announced. Furthermore, there are five placings in each class. An entry will consist of two cans of each product, one can to be opened and judged and the other to be placed on exhibit. The cans must be labeled correctly with 4-H labels.

SPECIAL TERM COURT CALLED

Judge McGuire Will Hold Two Week Session Of Court To Clear Up The Docket

District Judge Gordon B. McGuire announced Wednesday that a special term of the district court would be held, beginning on Monday, February 28, and continuing for two weeks, in order to try a number of cases on the docket that could not be reached, for one reason or another, at the regular term.

There were a large number of criminal cases that came over from the last term of court and the grand jury recently turned into court another large batch of indictments. While the Court has disposed of more cases this term than usual, yet there is quite a large number of cases yet remaining on the docket.

The doctrine of states rights and local self government is all right when not carried to an extreme and when properly applied. In the early history of this country, when there were no railroads and few highways, when every community lived largely to itself, this doctrine naturally had and should have had wide application. But in this day of railroads and automobiles and airplanes, of telegraphs and telephones and radios, when distance has been all but eliminated and when we are living largely as one great community, such an application of the doctrine would be absurd and preposterous. Local self government should apply, of course, in those matters that are of purely local concern—but there are few such matters in this progressive age. States' rights should be invoked in those matters that can be best handled by the states, but this field of legislation is gradually growing narrower. The powers of the federal government should be invoked in all those matters that are general and national in their scope and with which the national government can deal more effectively than the state and the local community. The chief object should be good and economical government.

Tuesday's papers brought the information that Attorney General Jimmie Allred had scored another victory in his anti-trust suit against the oil companies. The companies are now defending on the grounds that the state anti-trust law is unconstitutional. When Allred filed this suit the East Texas Chamber of Commerce and the South Texas Chamber of Commerce and the big commercial interests generally denounced it as premature and unjustified and heaped a lot of abuse upon the head of the youthful attorney general. They charged that the attorney general had filed the suit merely for political purposes or in order to pocket some big commissions. Jimmie kept his head, however. He replied vigorously but declined to be drawn into a newspaper trial of the issues involved. He said he preferred to try the case in the court house. The success he has attained thus far would indicate that he knew what he was about. At least the courage and abil-

ity with which he has gone about this business has won the admiration and plaudits of the common people.

All the world loves a baby. All the world appreciates mother love. All the world is touched by the unspeakable sorrow that parents experience in the loss of a little one. It is no wonder, therefore, that the whole country has been sorrowing and sympathizing with the Lindbergs in the tragedy which has come to their home. It is no wonder that the police force of the entire nation has been on the alert for any clue that would lead to the capture of the kidnapers. It is no wonder that every mother and every father and even every boy and girl in our country and many in other countries have been hoping that the villains may be apprehended and punished. This is said to be a selfish old world, but a great calamity or a great catastrophe of any kind always brings to the surface the natural sympathy and brotherly feeling that every normal human being has for every other human. Let even a poor negro child get lost and the whole community will quit their various occupations and turn out to hunt it. It is this spirit of brotherliness, renewed and invigorated and intensified by the spirit of Christ, that is the hope of the world.

It is generally believed that Pat Neff will resign from the railway commission and accept the presidency of Baylor University. It has been stated from seemingly authoritative sources that is such an event Col. E. O. Thompson, mayor of Amarillo, will be appointed by Governor Sterling to fill the vacancy on the commission. Such an appointment would be most gratifying to the people of West Texas and should be so to the people of the whole state. Thompson is a dynamic fellow. He is aggressive and full of fight. He has the interests of the people at heart. He knows how to get what he goes after. He has risen by his own efforts from the lowest rung of the ladder. He is a man of the people. No better selection for this place could be made.

Petty

(Delayed)

Mr. and Mrs. R. B. Nowlin and Mr. and Mrs. O. S. Smith made a business trip to Snyder last Monday. Mr. Ray Porter is quite sick with flu and it is feared he is developing pneumonia. There is quite a lot of flu in this neighborhood. Little Calvin Mooney has been quite sick. We learn Mrs. Wyatt is very sick with flu. There was a Leap Year's party at Mrs. Baker's last Monday night. Although the girls did not go after the boys, they had an enjoyable time. Mr. George McCracken is a visitor of this community this week.

W. M. Thompson, who has been running the Farm Bureau Gin at Cotton Center in Hale county the past season, was here Friday greeting friends. Mr. Thompson was much elated over the fact that his gin had exceeded all other gins in Hale county in the number of bales ginned. He had ginned 3561 bales and expected to reach a total of 3600 before the season closes.

SOUTHERN DEMOCRACY

Garner is the most capable candidate for President in the United States. He has exhibited the greatest political generalship exhibited since the days of President Monroe. Unfortunately, he is from a State where politicians have intimated that any person participating in a Democratic primary and voting for a nominee or part of the nominees of another party is a liar, traitor and scoundrel. Particularly all of the Southern States have been fed on this doctrine.

Indiana statutes do not permit a primary voter to be challenged if he voted for a majority of his party's nominees at the last general election and intends to vote for a majority of the party's nominees at the following general election. Since the Civil War, an Indiana citizen has secured the Democratic Vice Presidential nomination five different times.

The Indiana population is 3,238,503 Hoover received 846,290 votes, Smith received 562,691 votes.

The Texas population is 5,824,715. Hoover received 367,038 votes, Smith received 341,032 votes. Texas should have cast 2,000,000 votes.

Northern States vote their sentiments. Southern States are cowed by the party lash and afflicted with something akin to Chinese ancestor worship.

The figures and the Constitution can be found in The Texas Almanac. Our Southern politicians practice the double standard. They invade Northern Republican States urging Republicans to vote Democratic. Still they protect the inferior part of the Democratic ticket.

My suggestion is for every voter to vote exactly like myself. Enter the primary and vote for whom you see fit, then in the general election vote regardless of party.

SAYS EXPENSES SHOULD BE CUT

The News has received the following communication from George Lightfoot, who resides near O'Donnell. He thinks that our county expenses should be cut. This is the way he puts it:

Ye Editor, Dear Sir: In regard to our crop of candidates—and it seems we have plenty—it has come to a time when I think we should put in a man that is a tax payer, one that owns enough lands in this county to know how it feels to have to rustle the tax on some of this farm land at the present price of cotton and the present tax rate. We have neighbor counties that cut their salaries, etc., but our county has some officials that asked for a raise and got it. It seems that we should all share in this depression, not a few make money at the expense of the others, a time when 40 per cent of the people can't pay their taxes. I came to Lynn county before it was organized and you boys that have had land here and helped make the county what it is today know what it is to do without some things sometimes. We have lands in some independent districts assessed at \$50 per acre for school tax on top of state and county.

With all due respect for the county officials that have tried to hold down taxes (or expenses rather)—and we have some that have tried to do that all right—I think we should do some figuring before we go to the polls and see if we can't get some men in office that at least will have the future of our county and their home at heart as much as the salary they get, at least till times change for the better; for they will. A tax payer,

The News had a card this week from S. H. Howell, now of Wauchula, Florida, complaining of having missed a couple of copies of the News. "If you were down here in the swamps of Florida and missed your home paper you would realize how we feel when we fail to get it," Mr. Howell writes. Then he adds this line, "All is well with us. Plenty hot and dry—about like June weather in Texas." We are indeed sorry Mr. Howell failed to get his papers. We have sent him the missing numbers. We are wondering if these March blizzards that swoop down on the plains occasionally ever drop over as far as Wauchula.

Mrs. B. M. Hays, who suffered painful burns from boiling water a few weeks ago, has recovered sufficiently to be up again. The burns were very severe on one foot and ankle.

Wilson

The weather man seems to be playing pranks on us the past few days. The weather is the most unusual we have ever known in our long life time.

People that were reported ill last week are all just about on their feet again but a few new cases are reported for this week.

The Wilson Parent Teachers Association met in its regular monthly session Wednesday with the largest attendance of the year, 44 members being present. The first grade room, taught by Mrs. W. L. Forrester, received the picture as a prize for having the largest number of parents present. The following program was presented: Play, "The Old Fashioned Family", written and presented by fifth grade; reading, "Dad", Ada May Kahllich; reading, "Butter Side Down", Miss O'Berger Forrester; solo, "If Winter Comes", Miss Lela Day; "Value of P. T. A. to School and Patrons", Supt. A. L. Faubion.

Basketball Entertainment
Mr. and Mrs. Brady Nix were host and hostess at a party in their home Saturday night honoring the basketball boys; all ex-captains and their friends, number thirty in all. In the outset the girls were required to gossip while the boys were required to tell of their first love affairs which proved to be very interesting as well as to furnish a lot of fun. Several games of "42" were played in which Maurine Hamilton and Alvin Crews were high point winners, while Zetta Campbell had to be content with low score. Harold Key was elected as captain for the coming year to succeed the retiring captain, Leroy Crews. The new letter men are Jyles Shaw, Loyd Hamilton and J. W. Partin. One thing that was of outstanding interest was the fact brought out that during the past nine years the Key family have lived in the Wilson community three of the brothers have served the team as captain and another has been elected to serve the coming year. At a late hour, ice cream and angel food cake were served.

Mrs. J. C. White was taken to a Lubbock sanitarium Sunday evening, where she underwent an operation of a serious nature Monday morning. She is reported as doing as well as could be expected. Mr. J. P. White went to Lubbock Sunday afternoon to assist in taking his sister-in-law, Mrs. Jeff White, to the sanitarium and upon returning home learned that his son had had a serious accident and had been taken to a sanitarium in his absence. His 13 year old son, Presley, had gone to a neighbor's home for a visit and in some way was thrown from his horse, receiving a fractured skull and severe cuts and bruises. He was resting very well according to reports received Tuesday.

Miss Lela Day entertained her Sunday school class of intermediates in the R. C. Forrester home last Friday night. Progressive 42 was the main attraction till a late hour when refreshments were served. Mrs. Vick, mother of Mrs. Pat Swan, who has been making her home with the Swanns for several months, left Sunday to be with other relatives who are ill elsewhere. I just received a report that the son of Mr. and Mrs. Havel who live south of town was very badly injured by a horse Sunday afternoon but have not received particulars. Mr. John Heck became very ill at

about 6 o'clock Tuesday morning. A doctor was hastily summoned and his case was pronounced acute indigestion and his condition as very serious.

The churches report a fine day Sunday. The Baptists report 98 in Sunday school and good attendance in both services and B. Y. P. U.

Robert Rost and family returned Friday from Eden where they had spent a week in visiting relatives and doing some fishing.

Mr. W. G. Boyd had the misfortune of losing a fine Jersey cow the last of the week.

Miss Mattie Hancock was a week end visitor in the home of her sister, Mrs. Mart Murray of the Union community.

Mrs. J. T. Williams received word Friday that a brother was very ill in San Antonio and she, in company with Mr. Williams, Miss Hattie Server, Mr. and Mrs. Johnnie Streit, left for that place late Friday.

Mrs. Doss Freeman and little daughter Nena Joe of Sparenburg are visiting for a week in the home of her parents, Mr. and Mrs. John Heck.

Little Albert Crumbly, who was operated on for appendicitis several days ago, is getting on fine and is expected home in a short time.

Miss Evva Faye Huffaker was a week end visitor in the home of her sister, Mrs. Jim Johnson of Lubbock. Rev. Floyd Dawson and family, who have been temporarily residing with his mother, Mrs. Fannie Dawson, moved to Lubbock Monday. Rev. Dawson plans to organize a Four Square Gospel Church at the end of a revival which is now in progress. If the church is organized he will act as pastor.

A large number of Wilson citizens are attending night services of the Four Square Gospel meeting that is in progress at Lubbock.

Mr. Johnnie Streit was replaced as agent of the Santa Fe the first of the month by a new man.

PLAY AND PIE SUPPER AT T-BAR FRIDAY NIGHT

The News is requested to announce that there will be a pie supper and a play at T-Bar school Friday night of this week. The play is entitled "The Path Across the Hill". There will be no admission charges. Everybody invited. The pie supper will follow the play.

Restless, could not sleep

"THERE were days when I felt like I could not get my work done. I would get so nervous and 'trembly' I would have to lie down. I was very restless, and could not sleep at night. My mother advised me to take Cardui, and I certainly am glad she did. It is the first thing that seemed to give me any strength. I felt better after the first bottle. I kept it up and am now feeling fine."—Mrs. E. R. Gibson, Fort Payne, Ala.

"Judge" Smith Tries First Case

Lynn county's newest attorney, Truett Smith, present county clerk and former county and district clerk, has had his first law case and won—a moral victory, at any rate. Truett recently passed with flying colors his law examination and just a few days ago received his certificate as an attorney at law. The certificate, framed, is now hung up where all may see.

Two O'Donnell youths, Norman Barber and Maynard Eubanks, charged with burglary for the alleged breaking into a store at O'Donnell and taking a case of extract, did not have an attorney and could not hire one, they told Judge Gordon B. McGuire of the district court, before whom they were arraigned.

Judge McGuire named Mr. Smith to defend them. After a long consultation with his clients and with Thomas L. Price, district attorney, the youth agreed to waive the right of trial by jury.

After an examination by the court, following their direct testimony under Mr. Smith, Judge McGuire gave a suspended sentence of two years. He talked to the boys about their responsibility to society and upon their pledge of good behavior.

Mr. Smith attended Texas Technological College and the University of Texas for several years, and while holding the office of county clerk has been reading law. Members of the bar here encouraged him and helped him in his study.

The new attorney has announced his candidacy for the office of county attorney. So far he has not had any opposition.

MAN SAYS TAMMANY WILL DOMINATE CONVENTION

Jack Alley, local Republican, requests that we publish the following communication sent out from Houston recently:

"It is very apparent that John Garner has plenty of time to make foolish statements about the President, although he can't find a minute to say how he stands on any public issue," declared John F. Grant, Republican candidate for governor, in a statement here today.

"Every one knows that the many constructive efforts made in Washington recently have come directly from President Hoover. The weight of public opinion, especially of the business world, has been so entirely with him that the Democrats dared do nothing but follow along. With the big items of the program put in the statute books, however, the Democrats will now begin their demagogic efforts to

mislead the public."

"Mr. Garner would be in much better taste if he were letting the public know how he stands on a few public issues. The excuse that he is so busy that he hasn't time to consider it, is an insult to the public's intelligence."

"He comes from a district where almost every item produced is tariff protected. His entire district would be ruined economically without tariff protection. Yet he is being offered as the leader of an anti-tariff party. He has a pleasing record, of seeing that all the products of his district are on the protected list, then making sure that there are enough Republican votes to pass the bill, then himself voting against it. No wonder he is running no risk of tariff revision at a time when there might not be enough Republican votes to assure protection in his own district."

"He has repeatedly asked and secured the indorsement of the Anti-Saloon League in his district, yet he is being offered the country as a whole."

"On most issues no one knows how he stands, yet Texas politicians are pretending vast enthusiasm for his candidacy. It is all camouflage, of course merely an effort to keep down pre-convention conflict in Texas, with each faction trying to grab power under the Garner banner."

"The Texas friends of Mr. Hoover should not be deceived. There is nothing to the Garner boom, as the men promoting it very well know. The Democratic nominee will be someone pleasing to Tammany Hall and the other corrupt political machines of the large cities of the North and East. They control enough convention votes to dominate the convention, and Southerners might as well understand now as later that they must accept domination by this alien machine crowd or get out of the party. It is no longer a party of the South."

S. S. Forrest of Slaton, one of the owners of the Forrest Lumber Company, was here on business Wednesday.

Mrs. N. E. Ballou of the St. Clair Hotel was a business visitor in Lubbock Wednesday.

The cold weather has killed most of the fruit for this year.

The W. M. S. ladies will not meet at the church Thursday. They will have a program, all day service, and dinner on the ground. Every one is invited.

We had Sunday school Sunday morning and prayer meeting and singing Sunday night. We will have singing every Sunday night now. Every one is cordially invited to attend and help us in our singing class. We are glad to report that Mr. W.

S. Pollard and family have moved back to our community to live this coming year.

Mr. Wayne McClintock from Midway visited Mr. Jack Henry during the week end.

Mr. and Mrs. L. M. Nordyke from Midway spent Sunday afternoon with Mr. and Mrs. R. E. Bland and family.

Mr. and Mrs. Elbert Roman from New Home visited in Jack Curry's home Saturday night and Sunday.

Mr. and Mrs. C. H. Smith were visited by Mrs. Smith's parents, Mr. and Mrs. J. R. Merrel from Shallowater.

Mr. W. M. Thompson from Cotton Center came down here on a business trip Friday.

Mr. Robert Virden from Plainview visited Mr. and Mrs. R. E. Bland and family Saturday night.

Mr. and Mrs. Howard Tunnell and family of Midway were guests of Mr. and Mrs. M. B. Walters Sunday.

Mr. and Mrs. E. P. Hale and family have moved from this community to Edith, and Mr. and Mrs. T. C. Carrel have moved in their place.

New Game Warden For Lynn County

Lynn county has been made a part of the district of O. D. Cardwell, of Post, district deputy game warden, in a reorganization of the state game department. The transfer was made when a score of deputies were cut off the pay roll in an emergency economy measure.

Mr. Cardwell's territory now consists of eight counties, four long and two wide. The counties are: Lynn, Lubbock, Crosby, Garza, Dickens, Kent, Stonewall and King. Floyd county, formerly in Mr. Cardwell's territory, has been assigned to another deputy.

The closed season on bass and crappie went into effect on March 1. It will remain in effect until May 1.

Mr. Cardwell reports seeing hundreds of thousands of ducks on a trip over his territory and into other counties on the South Plains.

He also reports prospects are for a good season for prairie chicken, dove and other game of limited season in the fall. If the summer and spring conditions are right, there should be more of these game birds than ever. Last fall was the best season for prairie chicken in the history of the South Plains.

The new deputy is well known here. He has made numerous visits all over this section and is known to scores of sportsmen, both hunters and fishermen.

BAPTISTS WILL CONDUCT MEETING DURING APRIL

A revival campaign will begin at the Baptist Church on Sunday, April 10, according to action taken by the church in conference Wednesday night. The services will probably continue a couple of weeks.

Unless it is otherwise determined, the pastor, Rev. O. J. Hull, will do the preaching, and the singing will likewise be directed probably by the home forces, but more definite announcement as to these matters will be made later.

It is believed that this will be a time of comparative leisure so that the entire membership and the community may find it easy to attend the services.

Musicians Who Will Appear Here

V. O. Stamps, one of the South's leading singers, and Freddie Martin, youthful musical genius, who will appear at the High School auditorium in a program of vocal and instrumental numbers on Saturday night, March 19. These musicians are being brought to Tahoka by the High School Vocational Agriculture boys. A small admission fee will be charged.

New Lynn

After several weeks of silence we shall write again.

There has been a number of cases of flu and smallpox in our community the past few weeks. Those being ill are slowly recovering.

The majority of our farmers are preparing the soil for another crop. Some are through while others are still ploughing due to a late start.

For the past few days ice has been found in various places. The fruit is thought to have been damaged considerably.

All churches were well attended over the week end.

Rev. Robinson filled his regular appointment at the Baptist Church Saturday night and Sunday morning but was called away to the bedside of his sister at Plainview, who is seriously ill. Brother Stephenson filled his place in the pulpit Sunday night. Few were present but this sermon was a splendid one. Rev. W. G. Boyd of Wilson will preach next Sunday at the 11 o'clock hour.

A report from the Methodist Church stated that a fine crowd was present at Sunday School.

Miss Martha Chatceller is on the sick list this week.

Mr. and Mrs. McCarty entertained the young people with a party in their home Wednesday night of last week. All reported a fine time.

School attendance is getting back normal, after many have been absent due to sickness. A fine interest is being taken in the school again. The junior boys and girls are undergoing some fine workouts for the last few

weeks, while others are practising on the track events.

Our school will hold elimination contests in declamation at the school auditorium Friday night. Judges for the contest have been secured from Tahoka and Close City. There are a number of splendid speakers in each division and the contests will be close. Every one invited to come. Winners of the contests will be announced in next week's items.

Mrs. T. T. Jones returned last week from Lubbock, where she was called some time ago to the bedside of her daughter, Mrs. Thomas Tombs of Littlefield, who underwent an operation for mastoids.

Mr. Earl McNeil and his father motored to Bronco, New Mexico, last week end.

Miss Lula Mitchell spent the week end with her sister, Mrs. Artie Williams of Slaton.

Some people over our land are crying "Depression", but in this part of the world business is doing fine. Two business houses several days ago opened their doors to the public in our little city, one being a grocery store and the other a blacksmith shop. We, as well as many others, are hoping this will end the so-called depression. Mr. and Mrs. W. E. Ray formerly of Newmoore are operating these houses.

Dr. Callaway visited our school again this week and a number were vaccinated for diphtheria.

A number of young people gathered at the home of Mr. and Mrs. Kilgore Flemings Tuesday night for a party. All present reported a fine time.

MRS. FRANK LARKIN HOSTESS TO BRIDGE CLUB MEMBERS

Mrs. Frank Larkin entertained with a pretty St. Patrick's party Friday afternoon when she had the Tuesday Bridge Club and several guests.

The St. Patrick color scheme was used in table appointments, tally cards and covers. Mrs. J. H. Powell won high score.

The hostess served green sherbert and white angel food squares bearing a green Shamrock. The plate favors were green candy three leaf clovers.

Those enjoying the afternoon were: Mesdames Jim Burleson, Oscar Roberts, C. B. Townes, W. L. Burleson, M. O. Bridges, W. R. Fenton Jr., L. E. Turrentine, J. H. Powell, A. D. Sanders Jr., E. E. Callaway, W. B. Slaton and Frank Hill.—Reporter.

Mrs. S. R. Kemp, who has been in very ill health for several weeks, is now somewhat improved.

Sam Park and Sam Bartley are both among the "flu" victims this week.

CHENAULT GIVEN YEAR ON ASSAULT CHARGE

A jury in the district court today brought in a verdict of guilty in the case against W. D. Chenault, charged with assault to murder R. H. Adams, the attack on Adams having been made a few days ago while both were prisoners in the county jail. The case went to trial Wednesday afternoon. The punishment was assessed at one year in the penitentiary.

Mrs. Ben Brown of Belton is here visiting Mr. and Mrs. Will Brown and Mrs. Coleman Wells.

The human eye can see stars five times as faint as the dimmest photo electric cell will detect.

America air-transport lines in 1930 carried 385,910 passengers, an increase of 133 per cent over 1929.

MMES. KNIGHT AND FENTON ENTERTAIN WITH BRIDGE

Mesdames Leroy Knight and W. R. Fenton Jr. were charming hostesses when they entertained a number of their friends in Mrs. Fenton's home Tuesday afternoon.

A spring-time color scheme of green, pink, orchid and yellow was used. Pretty little Kewpies dressed in spring bonnets and fluffy dresses bearing place cards were used for table favors.

Mrs. M. O. Bridge scored high.

The hostesses served a lovely ice course to the following: Mesdames Lura McCormack, B. H. Robinson,

W. L. Burleson, Roy Taylor, W. T. Bovell, A. D. Sanders Jr., Jim Burleson, Louie Weathers, W. B. Slaton, D. W. Gaignat, M. O. Bridges, Carl Griffing, H. A. Maasen, Summer Knight, E. E. Callaway, Frank Larkin, C. B. Townes, L. E. Turrentine, J. H. Powell, Jack Alley, Frank Hill, and Oscar Roberts, and Miss Audy V. McCormack.

According to a scientist, the average amount of absolute rest during a night's sleep is only eleven and a half minutes, there being muscular or mental action during the remainder of the time.

Draw

There was a good attendance at Sunday school last Sunday. There was also a good crowd to attend preaching services. It was Rev. Hester's regular preaching day. He will be absent from the pulpit next Sunday week because he will be holding a meeting at Grassland.

The Methodist quarterly conference will be held at Grassland soon.

The Workers Council met with Mr. Sherill last Wednesday evening. Most all members were present. The following program was rendered: A lecture on "Methods of Teaching Religious Education" by Mrs. F. C. Thorpe; and "How to Improve Attendance" by W. W. Caswell. Each teacher gave class reports. Refreshments were served by Mrs. Sherill.

The Young People's Union met at the regular hour and Group II was responsible for the program. Next

Sunday Mr. Kinley's group will have charge of the program.

Draw school has been making several improvements the past two weeks. Mr. Beattie and Mr. F. C. Thorpe went to Lubbock Feb. 29 and got 35 trees which are now being planted on the school campus. Mr. W. W. Caswell plowed the ground for planting the trees. The high school boys dug the holes for the plants. The agriculture class is going to be responsible for the rest of the task.

The boys have the race track in good shape now. They used the road grader and have cut out a good track. The boys are also beginning to make good use of it. There will be a four-way track meet held here next Friday between Wells, T-Bar, Redwine and Draw.

The school census trustee will soon start his task of enumerating the school census. We are hoping that our scholastic enumeration will be larger than the past year.

PRESBYTERIAN SERVICES SUNDAY

Services will be held at the Presbyterian Church Sunday morning and night. Sunday school at usual hour, ten a. m. Women's Auxillary meets Monday afternoon. Bible study and reports on years work. Representatives elected this month, to Presbytery and Presbyterial, both meeting at Lubbock in April. Morning theme: "Our World Religious Outlook." A most timely and pungent message reflecting these times and needs. A most cordial fellowship always greets you at the Presbyterian Church. If you are accustomed to getting up early on Sunday, come around and we will have you served with only one offering at the time. Subject Sunday night: "Spiritual Blockades"—things that hinder and delay in Kingdom work. Good song service with our good choir and rested up voices. The open Church, like the break of Spring time, puts pep in everything alive. Always glad for visitors and strangers in our services. Preaching services only one Sunday a month. Why not give these services a chance with you? You are invited. W. K. Johnston, Minister.

R. C. Donald of the Slaton Slatonite was a pleasant caller at the News office Saturday afternoon.

BILIOUS

"I have used Black-Draught . . . and have not found anything that could take its place. I take Black-Draught for biliousness. When I get bilious, I have a nervous headache and a nervous, trembling feeling that unfits me for my work. After I take a few doses of Black-Draught, I get all right. When I begin to get bilious, I feel tired and run-down, and then the headache and trembling. But Black-Draught relieves all this."—J. G. Hendrix, Homerville, Ga.

The attendance at Sunday school was about as usual Sunday. We were unable to have B. Y. P. U. because of the lights being out. However, we were invited to the home of Mr. Walter Jordan, where we enjoyed several hours of singing.

Mr. Griff McConal was on the flu list this week end. We are glad to say that he is able to assume his duties this morning.

Misses Eunice Little and Mary McMurry of the Eason community were visitors here Sunday.

Mr. Boyce Tucker of Quitman and Mrs. Warren Tucker of Calgary spent several days visiting the latter's parents, Mr. and Mrs. Walter Jordan.

A large crowd attended singing Sunday afternoon. The singing was enjoyed by all and the next meeting will be at Eason, better known as O. K.

Miss Lucille Townzen, a student in Tech, spent this week end with her parents, Mr. and Mrs. Robert Townzen.

According to reports, the play Friday night was a glowing success. The crowd was smaller than usual due to bad weather. The same play, "Mammy's Lil' Wild Rose," will be given by the Wells cast at T-Bar next Saturday night.

Misses Sybil Boloh and Loroe Barnes spent the week end with Miss Mabel Draper at her home near Tahoka. The three attended a meat canning demonstration for 4-H club girls at Tahoka Saturday morning.

The wheat around here is fine. Almost every one has enough wheat for grazing for their stock.

Mrs. Jack Mueller has been on the sick list the past week.

Mr. and Mrs. Tom Moore have been taking their baby to Slaton for treatment the past ten days.

Mr. and Mrs. George Shockley spent the week end in the Swope home. Mrs. Shockley is Mrs. Swope's daughter. The Shockleys are teaching near Breckenridge.

The farmers are busy around here breaking their lands. I think every one is through with their cotton.

Henry Sanders and family of Lubbock visited his son, Hugo Sanders, of Way-ide Sunday.

We will write more next week if we don't have so many sandstorms we forget how to write.

GOODMAN IN RACE FOR TEXAS STATE SENATOR

(Cont'd. from first page)

the University, finishing my law course in 1916.

During my high school and college career much of my spare time and vacation was spent working as an employee in the legislative and departmental branches of the government in the Capitol at Austin. As a small boy I worked as page in the house of representatives, later while I was in college as a committee clerk of the House, also at various times as clerk in the land office, adjutant general and comptroller departments. I practiced law in Austin until the World War, volunteered and served as captain in quartermaster corps. After the Armistice I resumed the practice of law in Ft. Worth, where I married a former Plainview girl, Lena E. Williams. In 1920 I moved to Waxahachie, Texas, to accept a position as Director of Athletics and instructor of business law in Trinity University; in addition, continuing my practice.

On a visit to West Texas and the Plains in the summer of 1923, I saw the possibilities, future and the type of citizenship offered by this section and determined to locate in this part of the state. I resigned my position immediately and opened a law office in Lubbock the following September, where I have continued to practice nine years. I have served as City Judge of Lubbock for three years, also have been active as a democrat, representing my precinct, county, state senatorial and congressional districts, in their respective local, county, district, state and national conventions and served on various committees.

The contact made as a University student, employee of the State Government, as a lawyer, active work in the State Democratic organizations, have afforded me the opportunity of forming friendships with many of the Governmental leaders of the State, which I believe would be of great benefit to me as your senator.

Economy in government is the crying need of the hour. Our present government is so burdened with commissions, boards, bureaus, and sinecure offices, that our expense of government is one thousand per cent more than it was twenty years ago, while our population has only doubled in that time. By eliminating the unnecessary parasitic appendages, commissions, boards and sinecure jobs, and consolidating many of the duplicate functions in necessary governmental commissions and departments, millions of dollars can be saved the tax payers of the state. This also applies to our local governments. One dollar out of every seven is used to support our Government.

I believe that our antiquated tax system should be adjusted, taking most of the burden of taxes off the real property, and placing it on intangible assets, inheritance estates, large incomes, both personal and corporate, and on luxuries. The exemption of homestead, from ad valorem tax by the state will save the small farmers and home owners in the towns many thousands of dollars.

The development of citizenship depends on the education of the boy and girl, the citizenship of tomorrow. The public school system, including the institutions of higher learning, should be well taken care of by the State, and thus, relieve the local governments of much of its tax burden as possible.

Agriculture and stock raising being the leading industries in West Texas, your Senator should make every effort to obtain all the help necessary for the raising of the best products, and see that the markets are available on an equal basis to them with the rest of Texas. This should include an adjustment of the present transportation tariffs that now discriminate against this section of Texas.

Actual damages should be paid farmers or stockmen for losses by governmental regulations, thru no fault of their own. The farmer's position in Texas is of foremost importance; he should be returned to that state.

I believe in the enforcement of all laws; special attention should be given to juvenile delinquency, as the majority of the crime is now committed by the youth of the land.

I believe that highways should be taken care of out of the money raised from gasoline and automobile taxes, which amounts to \$39,000,000 per year. I am not in favor of a state wide bond issue, but think that part of the above funds should be used in retiring outstanding local highway bonds as they are due, another part to connect up unpaved gaps in said highway facilities; while regulation of automobiles and trucks on the highway are necessary, such regulation should not amount to restriction of their use on lateral

roads, or where no common carrier serves that particular route satisfactorily.

Utilities should be subject to regulation in such a manner that they may make a reasonable return on the actual value of their investment, but not to take care of watered stock and bonds.

I believe this is a representative government "of the People, for the People and by the People" and should the voters of this district confer upon me the honor and trust of being their Senator I would feel it my duty to represent the majority of its voters, on any question coming up, for consideration.

While the above statements express my views, it will be my desire and request that you express or state your views on any other matter of interest that you think should need consideration, and I will at all times welcome such discussion, and act to the best of my knowledge. The State and Man should come before the Dollar and Dividend.

I will appreciate consideration of my candidacy for the office of State Senator for the 30th Senatorial District, I am, most sincerely,
 JAS. H. (Jim) GOODMAN,
 Lubbock, Texas.

Lakeview

We hardly knew what to think of the cold weather after so long a spell of warm weather. But we appreciate it, as it will keep the fruit trees from budding so early. We hope that we may have some fruit this year as all the fruit was killed by the freeze last year.

We had an extra large crowd present at our church services Sunday. We had Sunday school at ten o'clock. Bro. Bickley preached at eleven. Dinner was served at the church, and was enjoyed very much by everyone. Bro. Bickley brought another sermon at two o'clock, after which he held quarterly conference.

We had a large number of visitors with us in our church services Sunday. We are very glad to have the visitors and want them to always feel welcome in our community.

Our young people presented their League program at Slide Saturday night, after which they helped organize a Young People's Division for the Slide community.

Quite a number of young people were entertained by a party in the

home of Mr. Murry Parker Saturday night.

Rev. and Mrs. Frank Beauchamp were guests in the home of Mr. L. H. Moore Saturday night.

Jay Moore went to Wolforth Sunday morning and to Fairview Sunday night with Rev. Beauchamp in behalf of organizing a Young People's Division at those places.

W. T. Jones Jr. of the Tahoka Produce Company has been in Littlefield since Sunday helping to entertain a little daughter born on Monday night. He writes back that the little lady weighed six pounds and they have named her Beverly Ruth. Mother and babe both doing well. The father wrote as if he were somewhat excited but it is believed he will recover nicely.

Mrs. Earl Harris, Miss Ola Womack, her sister, and Miss Mildred Harris, all of Marietta, Cass county, were guests in the home of Mr. and Mrs. W. M. Harris here over the week end. Mrs. Earl Harris is the mother of Leonard, who is attending school here, and Miss Mildred is a sister of Miss Evelyn Harris, who is likewise a student in the Tahoka High School.

Miss Ganell Tate is able to be in school again, after having undergone an operation in Fort Worth in which a growth on the bone of one of her arms was removed. Surgeons expressed the belief that the growth would not return.

Mrs. L. C. Haney and little daughter, Frances Marion, left Friday for a visit of two or three weeks with Mrs. Haney's mother and two sisters at Robstown.
