THURSDAY, JUNE 30, 1955

## Drouth, Wind, Hail Reduce Bailey Co. Cotton To Estimated 90,000 Acres

HERE AT HOME  
By J. M. FORBES

### D. Warner Reports

D. Warner, the former Muleshoe farmer, now farming near Adrian, Mo., blew in this week to pick up a tractor he had left here; none of the others could come because they had hogs to feed and other chores to attend to.

Dee said he never has seen such beautiful crops as the whole state of Missouri now has coming on. He bought a farm which already was planted; his corn is high as a man's head, so green it's black; oats turned out about 80 bushels, barley was real good. Rain stopped his oat harvest.

Muleshoe folks, going by to see the Warners, if they go real soon, will find the Missourians loaded with things to eat.

Their garden has things in it that Dee never heard tell of, or this editor either. One plant, he said, they called an oyster plant. Connie Guntton, the Kentuckian, remembered it was "salsify". The edible root, says Webster, has the taste of oysters; therefore it's called oyster plant or vegetable oyster.

Howard and Gene Cox, out at the drive-in theatre, appear to be the only ones set to celebrate July 4th. They'll have a fireworks display that night. Pretty much, Muleshoe will close down for the day; no use trying to conduct business when everyone else is closed and gone fishing.

## Public Mass Held At Palace Sunday

The first Public Mass to be held in Muleshoe will be Sunday, July 3, at 5:30 p. m., at the Palace Theatre, according to an announcement made this week by Mrs. Hertha Walker.

Confessions will be heard at 3:30 p. m. All Anglo-Saxons, and Spanish Americans are invited to attend. Monsignor Boesen of Littlefield will officiate.

## Hybrids Will Be Next Big Step In Grain Sorghums

By J. K. ADAMS  
County Agent

The next big step in grain sorghum production will be a change to hybrid grain sorghum. The change is expected to be as big and as rapid as the change over from old fashioned sorghums to combine varieties. Approximately 150 growers in Texas each will plant one acre crossing blocks of hybrid grain sorghums this year.

Walter B. Little, certified seed producer of West Camp community planted his crossing block June 23 using Day Westland mulo as the pollen-row and self sterile K-60 selection for seed production rows. The seed he produces will be white seed and, when planted in 1956, they will produce red grain sorghum. The seed grower will keep one half of the seed and the other half will be returned to the Experiment Station.

The Experiment Station hopes to turn much of this seed over to county agents for demonstration purposes in 1956. The seed rows are male sterile and will shed no pollen. Thus, any seed produced on them will be hybrid seed.

These hybrid seed, when planted in 1956, will show increases over pure strains now being

## Lions Install New Set Leaders

Lee R. Pool was installed as president of the Lions Club in ceremonies held at the last meeting. He succeeds Charles Lenuau as Lion Boss.

Other new officers and directors installed: Sam Damron, first vice-president; Ernest Kerr, second vice-president; Dee Clements, third vice-president; Owens Jones, secretary; Truman Lindley, treasurer; Clyde Bray, Lion Tamer; Dr. T. M. Simmons, Tall Twister; Travis Reed and Fred Johnson, new directors; N. L. "Red" Johnson and W. B. LeVigne, holdover directors.

Acres of cotton now standing in Bailey County is estimated at 90,000. Lonnie Bass, ASC Administrative officer, and J. K. Adams, county agent, compared notes and came up with this figure.

The county allotment this year was 104,000 acres. The two men estimated crops on 14,000 acres have dried out, blown out, or has been hailed out.

The county likely will wind up with somewhat less than 90,000 acres, depending upon the weather rest of the growing season.

## Two State And One American Farmer From Local F F A

Results of the State Committee on Advanced Degree for Future Farmers of America's decisions concerning applications for advanced degrees were released last week.

From the entire Lone Star State 690 applications for "State" Farmer degrees were submitted, and 660 were approved by the committee. The names of Bobby James Black and Ronald Howard Lewis, of the Muleshoe Chapter, appeared on the list of approved applicants.

Charles Bratcher of the local chapter, was one of the four boys from Area 1 to have their applications for the American Farmer degree approved.

Area One, which includes Muleshoe, led the state with 108 applications for Lone Star Farmer degrees being approved. Three were rejected. These applications came from 38 chapters or 41% of the area's total of 92 chapters. The six counties submitting the largest number of applications were: Littlefield 14, Ropes 9, Silverton 8, Plainview 7, Cooper 6, and Floydada 6. These six chapters furnished 50 of the 108 applications.

### VISITED AT DENTON

Tommy Osborn visited last weekend in Denton with his fiancée, Texann Holdeman, who is attending summer school there.

## The Glorious Fourth

Monday, July 4, marks the 179th Anniversary of American Independence. The day will be a complete holiday in Muleshoe as city hall, courthouse, post office, and most of the business houses close and the workers take a long weekend holiday.

## Dinner Bell Has New Management

J. A. and Ruby Mills, formerly of Wickenburg, Ariz., recently became the new owners of The Dinnerbell restaurant, located west of Muleshoe on the Clovis highway.

A number of years of experience follow these new-comers into the cafe business here. Both Mr. and Mrs. Mills are pleased with their home here and have plans to take hold and grow with the town in the years to come.

Mrs. Mills is a sister to Claude Riley, who reside here in Muleshoe. The public is invited to stop at The Dinnerbell anytime from six a. m., until eleven p. m., and get acquainted with the Mills while enjoying the good food prepared by their capable crew.

Their ad appears on another page of this paper.

## City To Take Steps Concerning The Use Of The Local Park

Constable J. J. Redwine announced Tuesday several steps being taken by the City to keep the City Park in such a manner that all persons living in Muleshoe can enjoy its facilities to the fullest degree.

In the future the park will be divided into two sections. The Northeast quarter of the grounds will be set aside for use by Muleshoe's Spanish American citizens only.

It was also requested that persons picnicking in the park help to keep it clean and attractive by placing all empty containers, scrap paper, etc., in the garbage cans provided for that purpose.

All equipment in the park is placed there to make the surroundings pleasant for those who go there and to provide for the needs of the local youths' recreational program. Redwine asked that the public aid in keeping these things in good condition by leaving all equipment where it is placed.

## Cox Drive-In Display Jet Engine

The Cox Drive-In Theatre thru the courtesy of the Clovis Air Force Base, will have on display each evening during the showing of Strategic Air Command, Thursday, Friday and Saturday, a J-33 Jet engine.

An airman from the Clovis base will be on hand at all times to explain the intricacies of the Jet to anyone interested.

Also, following their usual custom, there will be a big Fireworks display at their theatre July 4.

## Rev. Todd Victim Of Foul Swing

James Todd, minister of the local First Christian Church, came out the loser in Tuesday's Babe Ruth League game between the Eagles and the Cats. While watching the game from the side lines, Todd was hit in the face by a hard hit foul ball.

Injuries to his nose were serious enough to merit attention throughout the night at West Plains Hospital here.

### FORECAST FOR NEAR FUTURE

## More Paved Roads For County Is Aim Of Commissioners Court

Some more farm to market roads are in Bailey County's future, members of the commissioners court learned in Lubbock Friday during a meeting with the district engineer for the highway department, S. E. McCarty.

## Early Insect Control Is Explained To Area County Agent and Farmers

Dr. W. L. Owen, Entomologist for the Lubbock Experiment Station, met with County Agents and Farmers of Cochran and Bailey Counties Tuesday in the city auditorium in Morton. About eighty farmers attended, showing a surprising amount of interest in early season insect control. Dr. Owen lectured the group and showed slides. Special emphasis was given to thrip damage to cotton.

The increase of one half bale of cotton from applications of insecticide by Dr. Owen on the Lubbock Station has created a new awakening to realities. His color slides showed conclusively evidence of thrip damage to cotton. A field trip concluded the meeting. Dr. Owen pointed out errors employed by both the plane and tractor rig demonstrators so that farmers could go home and correct these errors.

The plane was flying in too much wind and pulling up before he reached the end of the row. The plane should cover a swath from wing to wing tip and no more. A plane should use twice the amount of poison recommended for ground rigs when spraying young cotton.

The ground rig should have only one cone type nozzle above each row and this nozzle should be a three gallon nozzle when tractor is operated 4 to 5 mph. Two gallons of spray per acre

## Winners of Sears Gilts Announced

J. K. Adams, Bailey County Agent this week announced the names of the eight lucky 4-H boys in the county who won the Registered Poland China gilts.

They are: Tom Byars, Enoch; Bailey Griffiths, Three Way; Hansford Tunnell, Maple; Loyd Warren, Maple; Freddie Carter, Maple; and Jerry Dawson, Billie Roming and Lyndal Black, Muleshoe.

These boys will fit and show these gilts for valuable prizes and raise a litter of pigs from this good stock. The county agent will select a choice gilt from each litter to award some other deserving boy next spring.

The Sears Foundation sponsors the project and Extension Agents of Texas supervise all phases of the work.

## Griffiths' New Building Near Completion

Byron Griffiths announced this week that his modern new office building, located next door to Bobby's Beauty Box on West First, will probably be completed by August 10.

Two of the 36x65 buildings' four offices have been rented; one to Guy Nickels and the other to Raymond Green. Each office is 15x30.

This building is just one of the many modern new structures that are telling the story of Muleshoe's amazing growth.

### FRIENDS VISIT HOGANS

Mr. and Mrs. Paul Canter and daughter, Linda, of Rittman, Ohio, visited here this week with their friends, Mr. and Mrs. Roy Hogan and family. The Ohio folks were very much impressed with the Muleshoe country, and often remarked about the spirit of friendliness they found here.

## Measurement of Cotton Started

Cotton measurement began in Bailey County on June 13. In making this announcement the ASC office here stated the following things concerning a farm operator in connection with measurements. The farm operator or his representative must be available to assist the reporter in measurements. The reporter or his representative must sign the report before the acreage can be determined. The farmer's cooperation in this matter is greatly needed and appreciated.

If a farmer is overplanted, he must destroy the excess in 20 days from the date of notice and notify his ASC office of the action. Also a fee for checking the excess must be paid to the local office. The fee has been established at \$2.00 for the first plot and 50c for each additional plot per farm.

Compliance with acreage allotments is no longer a requirement for ACP cost-sharing. This means you can still be eligible for ACP assistance, even though you harvest an allotment crop in excess of the allotment.

### New Growers Wheat

Just another reminder to farmers who had no wheat acreage in 1953, '54 or '55 and want a wheat allotment for 1956. An application must be made for a new-growers wheat allotment before July 15, 1955.

### 1954 Cotton Loans

The U. S. Department of Agriculture announced recently that Commodity Credit Corporation Loans on 1954 up-land crop cotton, which have a maturity date of July 31, 1955, will be carried in a past-due status through October 31, 1955. This will give producers an additional three months in which to redeem their 1954 crop up-land cotton. The 1954 crop up-land cotton not redeemed prior to November 1, 1955 will be purchased on that date by CCC.

## Building Permits Will Be Required

In the future it will be necessary to get a permit for constructing, moving, or changing any building in the city limits. The council will soon adopt an ordinance requiring this formally, and will furnish proper forms for entering the information needed.

The permit is not required for construction, or proposed changes or additions to city property.

There will be no charge for the permit.

## HERE FROM STEPHENVILLE

Mrs. Ferrel Little and son Steve of Stephenville, arrived today (Thursday) for a visit over the weekend and Fourth with her mother, Mrs. Irma Willis, and sister, Mrs. Clyde Holt and family. She will be joined Sunday by Mr. Little and son Royce who will accompany them home. Mr. and Mrs. Little were former residents of Muleshoe, both graduates from Muleshoe High.

## Potato Harvest Began Here Tuesday

Tuesday, June 28, saw the potato harvest make its start for the '55 season here on the West Plains. Spuds in fields belonging to Burrows, Sanders, and Angeley of Earth, were the first dug by Fred S. Barrett Produce of Muleshoe.

Like the first movement of a steam engine, the harvest is slow in these first few days, but next week the work will go on at a break neck pace until the job is finished around August 5.

This year's spud crop is above average in both yield and quality. Some potatoes in the Spring, Lake and Earth district have been damaged by hail in the past weeks, but the fields classified under the Muleshoe area have been spared from these

crippling blows.

Approximately 900 acres of potatoes are covered in the harvesting operation of Fred S. Barrett alone. 320 employees, many whose homes are not in Muleshoe, are employed each year by this company to handle the 24-hour-a-day job.

Spuds from Bailey County fields will leave here for points throughout the South and Midwest, such as Houston, Birmingham, Detroit, and Pittsburg. Half by rail and half by truck, the crop harvested here is shipped to these points each season, and another of the many features that are fast making the limelight of the West Plains swing to Bailey County is added to the long list.

## Just Look At The Journal Today

Yes, your Muleshoe Journal has a new and different appearance.

This week, for the first time, we go to an 8 column paper, and The Journal takes another step forward, changing from a "small town" paper to the type paper printed in larger towns and cities. We hope you like the change.

You may see places where there could have been more ink or less ink; you may see discrepancies in press work here and there. We hope you won't be hasty in judgement and will remember that it takes time to perfect a change in methods, in work habits, in editorial, advertising, and production shop procedure.

We know that we will be able to give this great Muleshoe country and Bailey County a finer, more comprehensive newspaper, more in keeping with what the publisher feels the people deserve. We hope the format will not be the only thing that is changed; that progressively the paper will carry more and more local news, views, and happenings, more features, more business and farming news.

Anyway, off with the old, and on with the new. Everyone at The Journal deeply appreciates the cooperation, friendship, and encouragement extended so generously by all you people in the community and hope to continue to merit your highest regard.

## TUESDAY, JULY 5, ISS DAY IN MULESHOE

# buddie News

By JIM GORDON

**ISTON**  
In the home of Mr. and Mrs. T. D. Reed, is Mrs. Reed's sister, Mrs. Ruby Jones, of Houston. Many of the people of this community will remember Mrs. Jones as a former resident here.

**WEEKEND GUESTS**  
Visitors in the home of the J. W. Crims over the weekend included five of the six children and one of Mrs. Crim's brothers. The children home for the weekend were: Mr. and Mrs. Winn Henley, of Bovina; Mr. and Mrs.

Lovel Johnson of Dallas; Mr. and Mrs. Buck Crim of Route 3, Muleshoe; and Mr. and Mrs. Fred Curtis of Farwell. The only one of the family not present for this gathering was Max, who is on ROTC maneuvers at Camp Hood. Mrs. Crim's brother and family, of Coleman, Mr. and Mrs. C. E. McQuary and son Keith were also visitors in the home on Sunday as they returned from a vacation trip in Colorado.

**RETURNED HOME**  
Mrs. Sol Tipton returned home recently from a two week vacation in Denver, Colo.

**GUESTS FROM ABILENE**  
Mr. and Mrs. Pendergrass were hosts to Mrs. Pendergrass' sister and family of Abilene.

Wesley Barnes home was the setting recently for a Pink and Blue shower honoring Mrs. Alton Morris.

The living room of the home was decorated with lovely bouquets of sweet peas and santalinas with the traditional stork standing watch over the many lovely gifts.

Refreshments of cake, punch and mixed nuts were served from a lace covered table, with miniature storks as plate favors.

Those present for the occasion were: Mmes. John McGehee, Jack Black, Frank Spitzer, Abe Mallof, Henry Ivy, Demp Foster, Ed Steinbock, Rudolph Pyrtz, Clarence Mason, Douglas Frye and Ira Wimberley.

Many who were unable to attend, sent gifts. Hostesses for the occasion were: Mmes. Juel Treider, W. S. Manefee, C. W. Duker, Raymond Houston, John Agee, Claude Heath, Thomas Carrell, C. K. Roberts, Bert Gordon and Wesley Barnes.

**VISITING RELATIVES**  
Marie Houston is spending the week in Slaton visiting relatives.

**WEEKENDED IN LUBBOCK**  
Mr. and Mrs. John Agee and family spent the weekend in

Lubbock and Rosemary stayed to spend this week with her aunt, Mrs. O. D. Burden.

**MISS SMITH, MR. LUCY MARRIED ON JUNE 15**

In a quiet ceremony held in the Main Street Baptist Church of Muleshoe, on June 15, Rufus Lucy, son of Mr. and Mrs. Sam Lucy, and Jo Smith, daughter of Mr. and Mrs. Charlie Smith, of Lazbuddie, exchanged wedding vows with the Rev. Loy J. Ferguson performing the ceremony. The couple plan to make their home in Lubbock.

**FARMERS WELCOME**

When the farmers around Clay's Corner need small hardware, such as nails, bolts, pipe fittings, and even up to air conditioners, these things have been added to the stock in this store. Mr. Clay says that he can also charge batteries now.

**LL PRACTICE CALLED OFF**

Little League practice was called off Monday afternoon because of wet grounds. However, the team did play Farwell, on Tuesday.

**FROM IOWA**

Mr. and Mrs. Albert Eggers, and daughters, Mary Maude and Margaret Ann, of Ankeny, Iowa, are visiting relatives on both sides of the family in this community. Mrs. Eggers is a sister to Jack Smith and Mr. Eggers is Bernice Webber's brother.

**TROUBLE ON TRI P**

It was reported that while the FHA girls were on their trip to Colorado Springs, or at least on the return trip, as they got to Raton Pass, they had a breakdown in their truck and went back to Trinidad, Colo., for a short layover.

**HAS MEASLES**

Suzanne Thompson, daughter of Mr. and Mrs. Denton Thompson, is down with the measles.

**LEFT WEDNESDAY**

Mrs. Ethel McCurdy and her granddaughter, Beverley Smith, daughter of Mr. and Mrs. Jack Smith, left Wednesday for Pocatello, Idaho.

**MADE IMPROVEMENTS ON BAPTIST ASSEMBLY BLDG.**

A group from the Lazbuddie Baptist Church went this past Thursday, to the Plains Baptist Assembly Grounds, to paint and paper the cabin that is used and owned by the church.

Those going to do the work were: Mr. and Mrs. Luther Ham, Mr. and Mrs. Weldon Slatin, Mr. and Mrs. Wesley Barnes, Mr. and Mrs. Bert Gordon, Mrs. Carrie

Withrow, Mrs. Raymond Houston, Mrs. Juel Treider, Mrs. Harold DeLoach and Mrs. C. K. Roberts.

**SUFFERED INJURY**

Wynell Barnes, daughter of Mr. and Mrs. Wesley Barnes, stayed in the hospital one day and one night receiving treatment for a head injury suffered when she fell from her bicycle this past Sunday afternoon. She returned home Monday afternoon and is reported to be recovering as well as could be expected.

**LBS CIRCLE MET FOR BIBLE STUDY**

The Lucy Bell Stokes Circle of the W. M. U. of the Lazbuddie Baptist Church met in the home of Mrs. Carrie Withrow for Bible Study, which was led by Mrs. Juel Treider.

Those present for the interesting study were Mmes. Abe Mallof, Harold DeLoach, W. S. Manefee, Juel Treider, C. K. Roberts, Raymond Houston, Luther Ham, John Agee, Bert Gordon, and the hostess, Carrie Withrow.

**WERE AT FT. STOCKTON**

Mr. and Mrs. S. J. Bozeman and Mr. and Mrs. Bert Gordon spent the first part of the past week in the country around Sheffield and Ft. Stockton. Alice and Richard Gordon accompanied them as far as Brownfield, where they visited Mrs. R. L. Jenkins.

**Muleshoe Rainbow Girls Attended Grand Assembly**

Seventeen members of Muleshoe Assembly No. 161, Order of

the Rainbow for Girls, and five sponsors left Muleshoe at 5:00 o'clock Tuesday morning, June 21, for El Paso, to attend Grand Assembly of Rainbow for Girls in Texas.

Those making the trip were: Doris Fields, Elaine Evans, Mary Jo Holt, Kay Lenderson, Darla Johnson, Elizabeth Farley, Barbara Hinkson, Sandra Howard, Jackie Burton, Nelda McCary, Jean Carter, Pat Braune, LaQuinta Stone, Donna Guinn, Jana Godwin, Pat Thomson, Janelle McGuire; Mother Advisor, LaVonne Hinkson; Blanche Lenderson; Bertha Johnson, Mary Farley and Jewell Strong.

The first seven girls received "A" Certificates and the rest received "B" Certificates. Doris

Fields sang in the Grand Choir. The Grand Cross of Color, an Honorary Degree for outstanding work in Rainbow, was conferred upon Elizabeth Farley and Barbara Hinkson. Elizabeth received a Grand Appointment, being appointed Grand Representative from Texas to Alabama.

The group went to Juarez, sight seeing and souvenir hunting. This was an exciting and interesting experience for most of the girls.

Total registration was 3,200. Texas Assemblies were well represented. The Muleshoe girls traveled in a bus, and on their homeward journey, stopped for a picnic lunch in the cool shade at Ruidoso. They reached home Saturday, a tired, but happy group.

and are already planning for Grand Assembly next year. The sessions will be held in Houston.

**FROM KANSAS**

Mr. and Mrs. J. W. Sanders, of Liberal, Kans., were Monday night guests in the home of his aunt and uncle, Mr. and Mrs. C. E. Layne. They were on their way home after visiting the Carlsbad Caverns.

**RETURNED HOME**  
Mr. and Mrs. C. E. Layne returned Saturday evening from Ojo Caliente, N. M., where they spent last week taking mineral baths and fishing.

### Mary Jo White To Marry Luther Clegg Early August Wedding Being Planned

MISS MARY JO WHITE

Mr. and Mrs. Roy H. White, of Route Three, Muleshoe, announce the engagement and approaching marriage of their daughter, Mary Jo, to Mr. Luther Bryan Clegg, son of Mr. and Mrs. J. F. Clegg, of Hobbs.

Miss White graduated from Bethany-Peniel College, Bethany, Okla., where she majored in English, in June.

Mr. Clegg graduated from Bethany-Peniel College in 1954, and has for the past year been engaged in teaching in the Fluvanna Public Schools.

Tentative wedding plans set the nuptial date as August 13, in the Muleshoe Church of the Nazarene.

### Gleaners Class Planning Picnic

Gleaners Sunday School Class held their monthly class meeting at the home of Mrs. James B. Glaze, Tuesday evening at 8:00 p. m.

Vanda Mae Moses, president, called the meeting to order, after which minutes of the last meeting were read. Members discussed plans for the annual picnic, which will be held at Horse Shoe Bend, July 21.

A visitation program was discussed, and plans were made to meet at Mrs. Jack Obenhaus' home, Saturday morning, at 9:00 a. m., for coffee, and go from there to the homes of absentees to visit.

Refreshments of fruit punch and cherry pie were served to Mrs. James B. Glaze, Mrs. Jack Obenhaus, J. Lewis...

Miss White graduated from Bethany-Peniel College, Bethany, Okla., where she majored in English, in June.

Mr. Clegg graduated from Bethany-Peniel College in 1954, and has for the past year been engaged in teaching in the Fluvanna Public Schools.

Tentative wedding plans set the nuptial date as August 13, in the Muleshoe Church of the Nazarene.

Mr. and Mrs. J. E. Randol were in Muleshoe on business Monday. He is the former minister of the Church of Christ here, and at present is minister of the Melrose, N. M., Church of Christ.

Rev. T. L. Fona, pastor of the church, read the double-ring ceremony before a background of palms and candelabra.

### Cub Pack 20 And Dads Went To Buffalo Lake

Cub Pack 20, of Muleshoe, and their dads, spent the past weekend at Buffalo Lake, Lubbock.

The group enjoyed fishing, boating, an other activities. They cooked all their meals out, and Sunday morning, Sunday School lessons were taught.

This is the largest group from here ever to attend the annual affair.

Making the trip were the following boys: Danny Allen, Herb...

ert Blair, Edwin Cox, Mike Connell, Clarence Hill, Jr., Gary Middlebrook, Wayne McNatt, Lynn Perkins, Alan Roberts, Harold Wellborn, James and Johnny West.

Gerald White, Don Winningham, Mike Epling, Teddy Jacobs, Darrell Burton, Harland Curry, John and Ken Wilkins, and Danny Dutton, formerly of this troop, but now of Lubbock.

Adults who went were: Olen Dutton, Jim Cox, Bill Connell, C. O. Hail, Sr., Tootie Middlebrook, Ernest McNatt, Troy Perkins, Curtis Wellborn, John West, Gene Winningham, Alton Epling, Mr. Curry, Horace Richards, Frank Cox, and Cubmaster Alec Wilkins.

### Miss Mary Irene Shanks And Joe Jones Married In Afternoon Cermony Saturday

MRS. JOE WALTER JONES

In an impressive ceremony performed at 2:00 o'clock, Saturday afternoon, June 25, in the West Camp Baptist Church, Miss Mary Irene Shanks became the bride of Joe Walter Jones.

She is the daughter of Mr. and Mrs. R. A. Shanks of West Camp, and his parents are Mr. and Mrs. J. B. Jones, of Evant.

Rev. T. L. Fona, pastor of the church, read the double-ring ceremony before a background of palms and candelabra.

Miss Karolene Towns, organist, played the traditional wedding marches, and accompanied Jim Wilkerson as he sang, "Wedding Prayer".

The bride, given in marriage by her father, was lovely in a white linen dress, featuring a white cotton lace inset at the neckline and a full-circle lace overskirt. Her shoulder length veil of illusion was joined to a matching lace tiara. She carried a white orchid with cascading daisies and stephanotis.

Miss Betty Shanks, who served her sister as maid of honor, wore a soft blue silk shantung dress with a matching tiara. Her semi-colonial bouquet was of white roses.

Charlie Christian was best man, and ushers and candle-lighters were Jim Wilkerson and Marlon Inman.

For going away, the bride chose a blue linen suit which she complimented with white accessories. She wore for a corsage, the orchid from her bridal bouquet.

Following a wedding trip in Colorado, Mr. and Mrs. Jones will make their home in Farwell where he is County Agent of Parmer County.

The bride is a graduate of Texas State College for Women. While going to college there, she was a nominee for Junior Class Beauty and Aggie Sweetheart, and was on the Dean's Honor Roll.

Mr. Jones is a graduate of Texas State College for Women.

Mr. and Mrs. D. L. Morrison, Sr., spent the past weekend in the New Mexico mountains, near Las Vegas. They attended church Sunday morning at Glorieta.

Mr. and Mrs. G. T. Maltby were in Clovis, N. M., Sunday attending the dedication of the new Central Church of Christ, which is located on 14th St.

Speaker at the dedication was Judge Hatch.

Guests in the J. M. Moore home last week were their daughter and son-in-law and family, of Roby, Mr. and Mrs. M. M. Simmons.

Neil Moore returned home with her sister for a visit.

### HD Program Is Presented By Mrs. J. E. Day

Mrs. J. E. Day was in charge of the program at the meeting of the Muleshoe Home Demonstration Club this week. She was assisted by Mrs. A. W. Copley. The two presented a program on recreation for small children.

The Copley home was the scene of the meeting. Ladies attending were: Mmes. S. L. Robinson, T. A. Allison, J. E. Day, Roy Carney, W. W. Smith, W. R. Bowers, S. C. Caldwell, M. R. Oden, Walter Witte, C. H. Gillis, H. G. Griffith, Alvin Kriegel, Glenn Stevenson, and M. L. Oswalt. Also a visitor, Mrs. Walter Burford.

Hostess gift, a cake cooling rack, was won by Mrs. Alvin Kriegel.

Delicious refreshments of punch and cookies were served by the hostess.

Mrs. H. G. Griffith will be hostess for the next scheduled meeting, July 12. At this meeting 4-H girls will present a program on dairy food.

Mr. and Mrs. Vernal King visited in Tucumcari, N. M., over the weekend with her sister, Mrs. Cecil King and family, who have recently moved there from Arizona.

### 33rd Annual Young Family Reunion Held In California

Almost fifty members of the family of Mrs. J. H. Young, 78 years of age, who resides in Arlington, and an equal number of friends gathered in Downing, Calif., on June 19, for the annual family reunion.

She is the mother of Tye Young of this city. Nine of her twelve children were present for the reunion.

This year, Mr. and Mrs. Frank Thompson, Mrs. Young's eldest daughter, were hosts in their home in Downing. The clan started gathering the first of the week, following the arrival by plane of Mrs. Young and her son Dewey, of Dallas. They came from Texas, Arkansas, Missouri, New Mexico, and California, for the reunion, which was climaxed by a family dinner in the Rio

San Gabriel School cafeteria. All her children are married, and Mrs. Young has thirty-four grandchildren and thirty-two great grandchildren. Her husband passed away five years ago.

Members of the immediate family in attendance were: Mr. and Mrs. Tye Young, Muleshoe; Mrs. Jack Lowry, Wellington; Mr. and Mrs. James Young, Irving; Mrs. Doe Vaughan, Arlington; Mr. and Mrs. Rufus Sweat, Wellington; Mr. and Mrs. Henry Young, Artesia, N. M.; and Mrs. Walter Taylor, Arlington.

### Troop 3 Scouts To Buffalo Lake

Girl Scouts of Muleshoe's Troop No. 3, left Sunday morning for the Girl Scout Camp, Las Leonitas, which is located at Buffalo Lake, near Lubbock.

They will be gone until Saturday, and while there will enjoy boating, swimming, picknicking and other outdoor activities.

Making the trip were: Marilyn Green, Patricia Butts, Davie Jean Anderson, Roxanna Hart, Janet White, Loraine Thomas and Pamela Lenau.

### Sanders Home Scene of Social

Ice cream and cake were enjoyed at a social Monday evening of this week at the home of Mr. and Mrs. Homer Sanders, Jr.

Sponsors of the party were members of the Wesleyan Service Guild of the Methodist Church.

Those attending were: Mr. and Mrs. R. L. Rarnell and children; Rev. and Mrs. Clarence Stephens, his mother, and David and Linda, Mr. and Mrs. Fred Johnson, Mr. and Mrs. A. S. Stovall, Mr. and Mrs. Buford Butts, Mr. and Mrs. Ray Edwards, Mr. and Mrs. Sam Gohson, Mr. and Mrs. S. D. Clements, Mrs. Lois Schoenberger, Mrs. Clyde Bray, Mrs. Horace McAdams and Elizabeth Harden.

New Dodge Custom Royal Lancer 4-Door Sedan—the flair of a Hardtop, the roominess of a Sedan

## SOLID: that's the way Dodge builds 'em!

There are a number of exciting discoveries waiting for you when you join the growing ranks of proud Dodge owners! Its dashing style. Its surging power. Its remarkable handling ease.

But none of these is more rewarding to you than the deep-down dependability you find built into the very fiber of this great automobile.

Right from the start you sense the rugged qualities that put Dodge in a class by itself. Here is a car that does not ask to be pampered, or babied over bumps. Here is stamina and endurance that takes all roads as they come, and brings you lasting rewards in driving satisfaction.

That's the way Dodge builds cars. Through the years and over the miles you'll learn to appreciate how much Dodge dependability means to you.

## FIRST CHRISTIAN CHURCH

W 2nd & Ave. G James Todd, Minister

We believe in and practice the congregational form of government, which was that of the early, or apostolic church.

We believe in having no other book of faith, and practice, and discipline but the New Testament, with each local congregation having in its own body its highest source of authority, yet we also believe in each of these local congregations being related to each other and functioning together for our mutual welfare in the work of the Kingdom of God.

We therefore, participate in district, state, and national conventions of our own brotherhood, and are a denominational member of the National Council of Churches of Christ of America, and the World Council of Churches.

We are building a new church, but you will not be asked to donate any money

## Babe Ruth All-Stars Named Here

L. S. Barron, president of the local Babe Ruth League, announced for the first time the all-star line up from Muleshoe's league which will compete in the District I playoffs, following a meeting of the managers of the league's four clubs last night.

Fifteen boys make up the Muleshoe all-star lineup. These boys were picked by their managers because they are considered winning material and it is hoped that once they are thrown together on the same squad that they will be just that. The boys were picked as follows: Pitchers, Eugene Jackson, Colts; Travis Fudge, Cats; Joe Gross, Eagles; Dick Johnson, Colts. Catchers, Darrell Oliver, Colts and Leroy Corrales, Cats; 1b, George Whatley, Colts; 2b Don Taylor, Colts; 3b, Bobby Sanders, Dusters; ss, Jerry Roddam, Colts. Outfield, Cayle Davis, Dusters; Monroe Lee, Dusters; Neal Floyd, Eagles. Utilities, Benny Walters, Cats; and Ralph Tunnell, Cats.

Only 14 days remain for the team to work out together before they face Sundown on July 15 to start the playoffs rolling at De Pauw Park here. An attempt is now being made to complete arrangements to take the boys

to Portales, N. M., for practice under the lights there so that they will be able to play with less tension when the lights begin to shine down on De Pauw Park soon.

Parents of all boys now playing Babe Ruth League ball are urged to help the league officials secure a birth certificate for the players immediately. The all-stars must have a certificate before they will be able to play in the series games coming up the 15 and 16.

Word also came from last night's meeting that the lighting project now under way for the local park is going surprisingly well, however the league still needs about \$1000 dollars to meet all expenses involved.

El Paso and Sundown can both be sure of this one thing when they arrive in town for the playoffs, every effort has been made to provide both competition and facilities equal to the best for the two biggest days in the local league's opening season.

El Paso and Sundown can both be sure of this one thing when they arrive in town for the playoffs, every effort has been made to provide both competition and facilities equal to the best for the two biggest days in the local league's opening season.

## Ladies Sponsor July 4 Weekend Golf Tournament

Members of the Ladies Golf Association here have announced plans for a Fourth of July weekend tournament for men and women. They will play as partners, using two selected golf clubs.

Tee-off time for all participants will be at 1:30 p. m. Monday, July 4. Non-members are also eligible to play.

The ladies said gift certificates will be presented the winners. A picnic is to follow the tournament after all play is concluded.

Members of the Ladies Golf Association here have announced plans for a Fourth of July weekend tournament for men and women. They will play as partners, using two selected golf clubs.

## MULESHOE BABE RUTH LEAGUE SCHEDULE

July 11 — Colts vs. Cats.  
July 12 — Eagles vs. Dusters.  
July 15 — Dusters vs. Ponies.  
July 16-17 — District I Play-offs.

June 30, Rotary Cardinals vs. American Legion Cubs; July 1, Lions vs. Jaycees Sox; July 4, Lions vs. Rotary Cardinals; July 5, American Legion Cubs vs. Jaycees Sox; July 7, Rotary Cardinals vs. Jaycees Sox; July 8, Lions vs. American Legion Cubs; July 11, American Legion Cubs vs. Rotary Cardinals; July 12, Jaycees Sox vs. Lions; July 14, Rotary Cardinals vs. Lions; July 15, Jaycees Sox vs. American Legion Cubs; July 18, Jaycees Sox vs. Rotary Cardinals; July 19, American Legion Cubs vs. Lions; July 21, Rotary Cardinals vs. American Legion Cubs; July 22, Lions vs. Jaycees Sox; July 25, Lions vs. Rotary Cardinals; July 26, American Legion Cubs vs. Jaycees Sox; July 28, 29, 30, Three game play-off.

## Barron District I Director For Babe Ruth Playoffs

Word came last week that L. S. Barron has been appointed director of the District I Babe Ruth League play-offs scheduled to be played here on July 15 and 16.

It will be Barron's job to direct the action of all committees or individuals connected with the district series. The two teams competing with Muleshoe during the two days of play will be Sundown and El Paso.

Approximately 15 boys will be on each team. The teams matched in playoff games are made up of the all-star players from their town's league. The manager of the team is also elected from the league's four pilots as the man best suited to direct the all-stars.

## Eagles Held In League Cellar

As the week drew to an end the Dusters still held a slim edge after the most recent round of Babe Ruth League baseball while the Eagles remained the hard-luck team of the league. Lowe and Montano pitched the Dusters to a 13-6 win over the Eagles Friday, and Monday the Cats bettered their standing by picking on the cellar dwellers for a 17-13 victory.

Thursday's grind between the Colts and the Cats was ruled not to be a full game after the contest was called at the end of five because of darkness.

## Miss Mary Jeanette Kirk and Stacy Cole Exchanged Wedding Vows Saturday

MR. AND MRS. STACY COLE

(Photo by Cine) Muleshoe Methodist Church was the scene at 8:00 o'clock Saturday evening of the marriage of Miss Mary Jeanette Kirk and Mr. Lister Stacy Cole.

Parents of the couple are Mr. and Mrs. O. C. Kirk of Route 3, Muleshoe, and Rev. L. S. Cole, of Corpus Christi.

Rev. G. M. Cole, pastor of the First Baptist Church of Snyder, and brother of the bridegroom, officiated at the double-ring ceremony which was read before an archway of greenery and flanked by baskets of pink and white gladioli.

Accompanied at the organ by Miss LaVon Copley, Mrs. Pat Bob sang, "Because," and "The Lord's Prayer," as the bride and bridegroom knelt.

Given in marriage by her father, the bride wore a street-length dress of white linen lace. She carried pink sweethearts and white feathered carnations atop a white Bible.

Attending her sister as maid of honor was Miss Carolyn Kirk, of Midland. She wore an aqua street-length dress with aqua accessories and a corsage of pink rosebuds.

Dargin Kirk, brother of the bride, served as best man, and ushers were David Taylor of Slaton, and Morris Hicks.

Reception Followed Ceremony

Immediately following the ceremony, a reception was held in the home of the bride's parents. Members of the houseparty were: Wanda Cherry, Rheata Peeler, and Wanda Beauchamp, of Midland.

Carrying out the bride's chosen colors of pink and white, the serving table was covered with a white linen cloth and centered with an arrangement of pink and white flowers.

The bride is a graduate of Muleshoe High School, and is a senior at Baylor University, where she is majoring in Office Administration. She was R. O. T. C. Group Sponsor at the University, 1954-55.

Mr. Cole was graduated from Corpus Christi High School, and Baylor University, with a major in History and Religion. He played varsity basketball three years, and was a member of the E. S. U. Council.

Accompanied at the organ by Miss LaVon Copley, Mrs. Pat Bob sang, "Because," and "The Lord's Prayer," as the bride and bridegroom knelt.

Given in marriage by her father, the bride wore a street-length dress of white linen lace. She carried pink sweethearts and white feathered carnations atop a white Bible.

## FHA Girls Held Summer Meeting

A special summer meeting of the Muleshoe High School FHA was held June 2, in the Home-making Department at 7:00 in the evening.

Marcia Dale Redwine, president for the 1955-56 term, was in charge of the meeting.

Other officers for the coming year are: vice president, Shirley Matthiesen; recording secretary, Noretta Harrison; corresponding secretary, Ginger Roberts; treasurer, June Freeman; historian, Mary Jo Holt; reporter, Pat Cooper; parliamentarian, Doris Childers; song leader, Janie Biekel; student council representative, Delores Lowe; and pianist, Joan Green.

Miss Ford explained to the girls how any member of the FHA who is interested in achieving a degree of achievement could easily acquire it.

Means of raising funds for the organization were discussed. It was decided that the club would sell sandwiches at the Little League Park on July 8.

Election of Chapter Mothers was held. The Chapter mother and father are Mr. and Mrs. W. H. Harrison. Assistant chapter mothers are Mmes. J. L. Redwine, H. C. Holt, E. W. Evans, A. P. Childers, Blondie Puckett, Doc Wilhite, Schaefer, Morris Nowlin, Goldie Roberts, L. T. Green, and Hugh Freeman.

Refreshments were prepared and served by Delores Cannon, Patsy Nowlin, Jera Lynn Wilhite, and Rosemary Hicks.

Refreshments were prepared and served by Delores Cannon, Patsy Nowlin, Jera Lynn Wilhite, and Rosemary Hicks.

## Lions Awarded For Attendance

Several members of the local Lions received buttons for 100% attendance during the past year at the club's regular meeting Wednesday a tnoon in Gerald's Cafe.

Plans were also made during the meeting for the carnival which will be sponsored by the Lions here beginning next Wednesday evening and running through Tuesday.

It was pointed out during this week's meeting that the club here will be 15 years old in July.

Plans were also made during the meeting for the carnival which will be sponsored by the Lions here beginning next Wednesday evening and running through Tuesday.

## St. Clair Adopts Credit Policy

Announcement of adoption of a credit sales policy by St. Clair's department store is being carried in an advertisement in this issue of the paper.

St. Clair's is Muleshoe's oldest established department store and this change represents a departure from their cash policy, followed for many years.

Lowell Irvin St. Clair announced that Chifton Finley, the company bookkeeper, has been appointed credit manager and that all applications to open an account at the store will be handled by Finley. Explanation of how the credit plan works is contained in the advertisement.

Announcement of adoption of a credit sales policy by St. Clair's department store is being carried in an advertisement in this issue of the paper.

## Retail Credit Course To Begin Tuesday Night At 7

Heinz Ulrich, Retail Credit Specialist from the University of Texas, will direct a 10 hour course dealing with the techniques of present day credit and collection procedures, from seven until ten next Tuesday, Wednesday, and Thursday.

Ulrich, who spent yesterday in Muleshoe meeting the people with whom he will work, said, "This visit has been a pleasure and I am looking forward to the attendance of each of the people I have met personally concerning the course next week."

Sponsors of the course, which will be conducted in Room 13 of the Muleshoe High School, have announced that the class will consist of owners, managers and employees of department stores, banks, furniture stores, automobile dealerships, grocery stores, drug stores and other retail, wholesale and service organizations.

Topics for discussion include the following elements of present day credit and collection activity:

1. Advantages of using a credit application.
  2. Interviewing credit customers.
  3. Investigation and evaluating the customer.
  4. Accepting and rejecting the applicant.
  5. Collection procedure.
  6. Small claims court procedure.
  7. Checks and check methods.
  8. Credit sales promotion.
- Anyone who has not been contacted concerning the course and wishes to learn more about it may do so by calling the Retail Merchants Association here in Muleshoe. Their number is 3940.

## Hail Damages Young Cotton

Everybody hereabouts is holding his breath these days, fearing that hail will continue to visit the territory and lay waste a cotton crop that has started off well. Already, considerable damage has been reported.

A cloud that looked rather puny and slight, Monday afternoon badly damaged crops in the Wilby Baker, Tom Watson and Smallwood neighborhood west and north of Muleshoe. Mr. Watson said the stalks were not entirely beaten down, and they probably will come back all right. It's past the time of year when most farmers like to report. Fortunately this hail cov-

Everybody hereabouts is holding his breath these days, fearing that hail will continue to visit the territory and lay waste a cotton crop that has started off well. Already, considerable damage has been reported.

## Achievement Day Program Held At MHS Past Tuesday

Muleshoe Homemaking Department was the scene of an Achievement Day program, Tuesday, June 28, from 2:00 o'clock until 4:00 o'clock p. m., for all girls enrolled in summer homemaking at the high school.

Many interesting and worthwhile home experiences have been planned and carried out. Some of these are: yard and home improvement gardening, meal planning and preparation, wardrobe planning and clothing construction.

Along with their work in the home, the girls have completed a department project improvement, consisting of stenciling designs which they created on tablecloths and place-mats.

Each girl gave a progress report of her home experiences.

After reports were given, Nita Thomson, program chairman, conducted an interesting program of entertainment. Refreshments of brownies and punch were prepared by Rosemary Hicks and Patsy Nowlin.

Some of the girls planned and carried out their home experiences in six weeks, and others will be working until August.

## St. Clair Adopts Credit Policy

Announcement of adoption of a credit sales policy by St. Clair's department store is being carried in an advertisement in this issue of the paper.

St. Clair's is Muleshoe's oldest established department store and this change represents a departure from their cash policy, followed for many years.

Lowell Irvin St. Clair announced that Chifton Finley, the company bookkeeper, has been appointed credit manager and that all applications to open an account at the store will be handled by Finley. Explanation of how the credit plan works is contained in the advertisement.

## Mrs. Springstube, Former Resident, Recognized For Work With Children

Editor's Note: Monday's Amarillo Daily News tells how Mrs. M. A. Springstube of that city has cared for 50 homeless children in the last 10 years, in addition to her own five daughters. People here remember the Springstubes as extra fine neighbors and people; they lived in Progress Community until about 10 years ago. Mrs. Roy Hogan brought the article to The Journal. She said Mrs. Springstube was a member of Progress HD Club during their residence here.

"Give a little love to a child, and you get a great deal back." Perhaps these words of John Ruskin explain as well as words can why an Amarillo woman, the mother of five children, opens her home to care for other youngsters "in need of love".

Mrs. M. A. Springstube, 4114 Winchester, has cared for more than 50 children — ranging from infancy to teenage — in addition to her own five daughters, during the past ten years.

These youngsters are among the many separated from their families for a number of reasons and whose custody is awarded to the Potter County Child Welfare Unit.

Mrs. Springstube isn't sure why she decided to provide a temporary home for such youngsters. "Someone told the Child Welfare staff I liked children and would make a good foster mother. They called me one day and asked me to care for a little seven-year-old boy.

"They brought him out and he stayed three years before other arrangements were made", she said.

That was the beginning. Since that day 10 years ago there have been times when as many as six foster children have stayed at the Springstube home at the same time.

At present, three youngsters — a 7 year old boy and his sisters, age 3 and 5, are living at the Springstube home.

"We try to make them a part of the family. They do everything we do. They have chores, like the rest of the family, and they get an allowance and go to Sunday School", Mrs. Springstube said.

While youngsters are in her care, they call Mrs. Springstube "Mother" and Mr. Springstube "Daddy". Mr. Springstube, a carpenter, in the summertimes often takes his foster sons with him to watch a house under construction.

While a child is staying at the Springstube home, the entire family "adopts" him. And when the time comes for the child to leave — after a three-month or three-year stay — the whole family is sad to see him go.

Mrs. Springstube said if a youngster is returned to his parents or sent to live with relatives, no attempt is made to keep in contact with him. "It's better that way".

But she said if a child is sent to an orphan's home or some state institution, the family writes to him and keeps up his progress.

"I have pictures of most of 'my children'", she said.

She said many youngsters are "frightened and troubled" when they arrive at their foster home. Her recipe is simple: "love—and proper care".

There seems little doubt youngsters who have spent time as a part of the Springstube family have benefited from application of this simple formula.

And the Springstube family feels they've benefited, too.

## CHRISTIAN SCIENCE SERVICES

How understanding of the Ten Commandments brings freedom from fear and limitation will be brought out at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "God" is the Golden Text from Psalms (77:13): "Thy way, O God, is in the sanctuary; who is so great a God as our God?"

Scriptural readings will include the following words of Moses (Deut. 6:4, 5): "Hear, O Israel: The Lord our God is one Lord: And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might".

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (200:4): "Moses advanced a nation to the worship of God in Spirit instead of matter, and illustrated the grand human capacities of being bestowed by immortal Mind".

How understanding of the Ten Commandments brings freedom from fear and limitation will be brought out at Christian Science services Sunday.

## Colts Pound Cats 17-9 For 3rd Win

Thursday, June 23 — St. Clair's Cats dropped their third ball game today as they faced the Irrigation Supply Colts in a wild game that was called because of darkness at the end of five.

Benny Walters suffered his second loss in a row, while Peterson pitched only two innings to win. The Cats were off to a good start in the first, scoring five runs, but the Colts came back to score six runs in the third and repeated the performance again in the fourth to break up the party.

Travis Fudge, Cat first baseman, had the best day at bat, tagging a three bagger and two singles for the perfect average.

VOLUME 32, NUMBER 26

SECTION II — 8 PAGES

THURSDAY, JUNE 30, 1955

## Cadet Blaunt At Hutchinson Kans.

Hutchinson, Kans. Among the students who arrived May 31 at the Naval Air Station here for advanced flight training is Naval Aviation Cadet Anthony M. Balutson of Mr. and Mrs. Joachim M. Balut of Route 1, Fredonia, Pa.

Before entering the Navy in 1953, he attended Alliance College, in Cambridge Springs.

trains Naval cadets and student officers in the flying of multi-engine, land-based patrol bombers.

The students first fly the two-engine SNB to learn the basic principles of multi-engine flight. They then go into P2V "Neptune" for an instrument course. The final weeks are spent in the four-engine P4Y "Privateer." Upon completion of training the flyers receive their Naval Aviator "Wings of Gold".

PAPER MATE Pencils at The Journal.

## Galveston Doctor May Find Way To Remobilize Joints

Research which may lead to new hope for victims of polio, arthritis, and other joint-crippling diseases got a final boost this week when Dr. G. W. N. Eggers of John Sealy hospital in Galveston received a grant from the Texas Society for Crippled Children.

Presenting the check for the Easter Seal organization was Mrs. Thomas A. McCarthy, leader in its work in Galveston county.

We are trying to find the best way to treat joint stiffness in human beings", is the simple description Dr. Eggers gives of the important work he and his staff are doing at the Galveston medical center.

Dr. Eggers is believed to be the first to study various ways of getting an immobilized joint back into use. He is unique in this respect, as earlier experiments have studied only the immobilized joint, with no attempt at re-mobilize it.

### VISITED HERE

Mr. and Mrs. Earl Wilkins and son Lee, of Coronan, Calif., visited here the past weekend with Mrs. Wilkin's sister Mrs. Bill Collins and family.

### GUESTS IN REDWINE HOME

Visiting in the home of Mr. and Mrs. J. J. Redwine the past week was their grandson Terry Boatman, son of Mr. and Mrs. Billy Boatman of Hereford.

Mrs. Dallas McCurry, an aunt of Terry's carried him home and spent a few days with her sister, Mrs. Boatman and Mrs. Sneed.

Since 1933 the Galveston doctor and his research team have first made immovable, and then re-mobilized, the knee joints of scores of white rats. Following an operation in which a plastic strut is fastened to the leg bone of a rat, causing its knee joint to stiffen, Dr. Egger and his

helps experiment with different methods of re-mobilizing the joint. Observation of the rat's progress and degree of recovery in the laboratory is expected to lead to improved methods of treatment for crippled children and adults.

### SELECTIVE SERVICE TO NEW LOCATION

Mrs. Karold Wyer is announcing that the Selective Service Office will move to a new location this week.

The office will be located in the Haney Building, at 1209-A West 1st, St.

### SPENT WEEKEND HERE

Jack Wilterding, who is attending the summer session at Texas Tech, Lubbock, spent the past weekend here with relatives and friends.

### VISITED DAUGHTER

Mr. and Mrs. J. E. Day and Mrs. E. R. Wright visited Sunday in Southland with Mr. and Mrs. H. C. Dunn.

Mrs. Dunn is the Day's daughter.

### FROM AMARILLO

Mrs. Edsel Bynum and children of Amarillo, are here visiting her parents this week. Mr. and Mrs. Roy Bayless and other relatives and friends.

## Too Many Drown Each Year In Texas

AUSTIN, June 28 — There were 397 drownings in Texas last year according to figures released by the Texas State Department of Health. Over half of these deaths were among those under 25 years of age. Drownings dropped sharply after age 45, but occurred in each age bracket up to 90 years.

Dr. Henry A. Holle, Commissioner of Health, stated that most of these deaths could have been prevented if sensible precautions had been taken. This is the season of the year when many of us like to take to the water for a cool swim, for week end boating or fishing trips. These are all healthful forms of recreation, if you follow common sense rules, don't get cocky about your ability in the water and don't take chances.

The safest place to swim is the municipal pool where a life guard is on duty. The water is treated to kill disease germs and is kept fresh by a continuous change of water. Also there is no danger of wading into unexpected deep holes such as there is in ponds, lakes, and rivers.

If you go boating and do not know how to swim always take along a life preserver. See that each child is so equipped. Be careful not to overload the boat. Changing seats or standing up in a small boat is dangerous

business. If you should capsize, stay with the boat.

Watch children carefully while they play around small pools or even buckets of water. Small children often drown in stock tanks, fish ponds, ditches and drainage canals. They even drown in bath tubs, because thoughtless mothers leave them to play without supervision.

Consciously practice safety precautions and avoiding accident hazards will become a second nature to you. Swimming, boating and fishing are healthful exercise if you do them safely.

### OLD SCHOOLTEACHER VISITED LAST WEEK

Dr. and Mrs. Chester Williams, of Butler, Okla., visited old friends in Muleshoe and surrounding area last week.

Dr. Butler, who taught school here in 1909 and 1910, met quite a few of his former school pupils.

The Williams reported having an enjoyable time.

## Lang Transit To Get New Quarters

Lang Transit in Muleshoe soon will have new quarters from which to operate. Houston Hart began Monday the construction of an iron and masonry building 30 by 40 feet along the railroad tracks, facing Highway 84 at East Second. It's the property formerly occupied by an old King Bros. elevator, destroyed by fire a few months ago.

The building will have loading docks, warehouse and offices.

### VISITED IN AMHERST

Mrs. Ola Ragsdale, of Baileyboro, visited Sunday with Mr. and Mrs. Walter Witte. During the afternoon, the three traveled to Amherst, where they visited Willis Branscum, who is in the hospital there. They also visited Mr. and Mrs. J. T. Stevens.

## Chevrolet's special hill-flatteners!

**162 HP V8**  
**180 HP V8**

See that fine fat mountain yonder? You can iron it out, flat as a flounder . . . and easy as whistling!

Just point one of Chevrolet's special hill-flatteners at it (either the 162-h.p. "Turbo-Fire V8" or the 180-h.p. "Super Turbo-Fire") . . . and pull the trigger! Barr-r-r-o-o-o-O-OOM! Mister, you got you a flat mountain!

. . . At least it *feels* flat. For here are engines that sing as sweetly as a dynamo . . . built to pour out a torrent of pure, vibrationless power. Big-bore V8's with the shortest stroke in the industry.

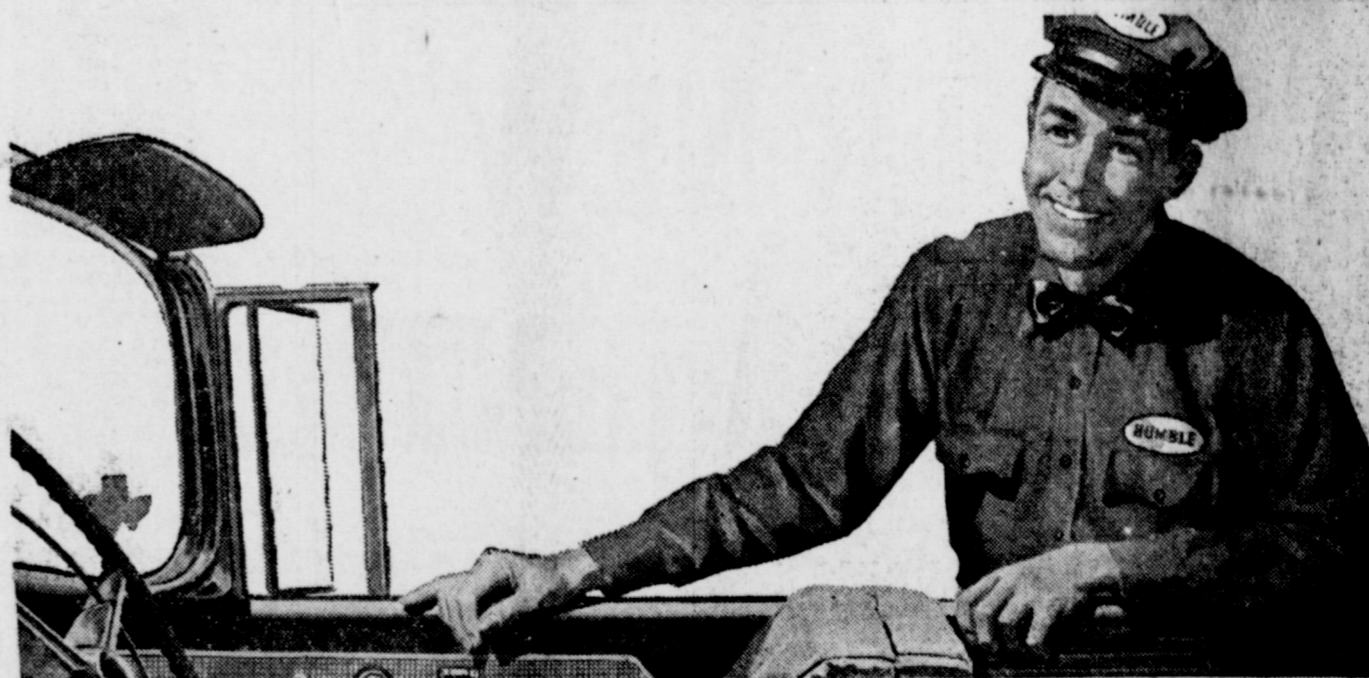

So most of the time they loaf. Even at the speed limit they just dream along, purring out a fraction of their strength.

An engineer can understand why they are so hyper-efficient. But you don't have to be an engineer to know that these are the sweetest running V8's you ever piloted. Just come in and try one out!

\*Optional at extra cost.

**C. & H. CHEVROLET CO.**  
MULESHOE, TEXAS

Enjoy the long Fourth of July weekend, and . . .

**PLEASE DRIVE SAFELY!**

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

HUMBLE OIL & REFINING COMPANY

### THIS & THAT

About  
Homemakers & Homemaking  
IN BAILEY COUNTY  
By MOLLIE STINSON  
Home Demonstration Agent

The wonderful dark cottons now provide comfortable and fashion-right costumes the year around. With proper care they can be kept attractive and new looking for a much longer time.

Good dark cottons should be dry cleaned to preserve their finish and appearance, at least as long as they are used for best wear. Garments with decorative details, padding, interfacings, and designs which cannot be removed must either be dry cleaned or laundered with special care. Dry cleaning avoids any risk of spoiling the appearance of the garments.

To launder the garments, wash each one individually in softened water. Rinse completely to remove all traces of soap or detergent. Soft water helps to prevent hard water curds or lint from sticking to the cotton. Use warm, not hot, water with mild soap flakes or detergents.

Soapless detergents are good for dark cottons, especially in hard water. Be sure to read the directions on the package. Some detergents are used for cottons and some are recommended for rayon. Do not use a bleach. Many of the bleaches affect the finish of the material.

When ironing a dark cotton garment, press it on the wrong side to retain the finish of the material.

And speaking of cottons reminds me to put in a plug for the girls dress review to be held July 9 at Three Way School in the afternoon around 2:00. I hope you can come, even if your 4-Her has grown up or if she is still too young. I think you'll enjoy seeing the girls and their garments.

Everyone attending district camp had a wonderful time, I believe. We made copper brace-

lets and learned how to give a tea party. We did hand care including a manicure with clear finger nail polish and learned some corrective exercises. The girls learned new games, and how to direct some old ones. We went swimming and skating and had a talent show and an outdoor party and supper. Everybody made new friends, and had lots of fun, I believe. Get the girls who attended to tell you about it sometime. Those attending were: Kathy Pollard, Carolyn Parker, Ruby Cash, Peggy Howell, Shirley Cherry and Jay Carney. The adult leader was Mrs. Roy Carney.

Do you reach for something cold to drink on these hot summer afternoons? Good, ice cold milk is your best choice, both flavor-wise and nutrition-wise.

Be sure it's the ice cold, but don't put ice cubes in it for that will dilute it and spoil the flavor. The easiest and the best way to make sure your milk is cold when you drink it is to use cold glasses. Try keeping several empty glasses in your refrigerator during the summer months. When you pour milk into the frosted glasses, it will be really cold and delicious.

A glass of milk is refreshing any time during the day. Try drinking it when you stop to rest in the midst of your housework. It serves as a quick energy pick up, and is loaded with food nutrients.

An 8-ounce glass of whole milk has 170 calories, about one-thirteenth of the needed daily caloric requirement, but it is high in other food values. You get a third of your daily calcium requirements, more than one-fourth of the riboflavin, and more than one-sixth of the protein requirements. Milk is your best source of calcium, the mineral that keeps bones hard.

Why not begin getting in the milk-drinking habit at mealtime and between meals, too. Most people like plain milk at mealtime, but for between meals try adding a scoop of ice cream or a little sweetened, crushed, fresh fruit.

Whether you're enjoying plain milk, or a dressed up version, you'll find milk tastes better

these hot summer days when it's served in a frosty, cold glass.

**Final plans for the Bailey County Dress Review will be made Wednesday, July 6, when the Dress Review Committee meets at Three Way School. The group is going to meet at the Courthouse at Muleshoe at 9:30 a. m., and drive to Three Way together.**

The dress review is to be held Saturday, July 9 at the Three Way school. The girls are to be at the school by 2:00 p. m. when the judges will judge the fit and appearance of their garments. The garments and records are to be turned into the county home demonstration agent's office by Friday, July 8, if at all possible, or taken to the Three Way school by 9:30 a. m., Saturday. The judges will judge construction of the garments and the girls records Saturday morning.

Members of the dress review planning committee are: Judy Hanks, Kathy Phillips, Mrs. Ray Franz, Mrs. J. H. Hanks, Mrs. Helen Morris, Mrs. Georgie Bird Lowe, Mrs. Roy Carney, and Mrs. Robert Sanders, all of Muleshoe; Mrs. Albert Davis of Progress, and Mrs. Thurl Lemons, Sandra Lemons, Mrs. W. T. Parker and Carolyn and Gwenda Parker, all of Three Way.

Senn Slemmons, Manager of the Chamber of Commerce, will present the awards to the winners. The Chamber of Commerce is furnishing ribbons and prizes for the dress review.

Twenty-two entries had been received in the office of the home demonstration agent by noon Tuesday. The total of entries expected to mount to around thirty-five or forty by the deadline Wednesday.

Girls participating in the dress review range in age from 9 to 17 and their garments include gathered, gored and circular skirts, dresses and blouses.

**SUDAN SEAMAN ON HORNET**

**PACIFIC FLEET (FHTNC)** — Serving aboard the attack aircraft carrier USS Hornet is Navy Ensign Charles C. Taylor, of Star Route, Sudan. The Hornet is a unit of the 7th Fleet operating in the Far East.

**ATTENDED HAY RIDE**

Mr. and Mrs. Jasper Pruitt and Doyle King attended the Louisiana Hay Ride at Shreveport, La., recently, instead of The Big Barn Dance, as was stated in the paper last week.

**VISITED DAUGHTER**

Mr. and Mrs. R. Q. Whatley spent the past weekend in Lubbock with their daughter, Mrs. Arlo Farrell and family.

**VISITED SUNDAY**

Mr. and Mrs. Roy Whitt visited Sunday in New Deal, with Mr. and Mrs. Lase Barnes.

**FROM LUBBOCK**

Mr. and Mrs. Bruce Sinnacher of Lubbock, visited in Muleshoe over the weekend with his parents, Mr. and Mrs. Joe Sinnacher, her mother, Mrs. V. N. Montgomery, and other relatives and friends.

**VISITED RELATIVES**

Dorothy Giles, Rex Robinson and Harold Williams spent last weekend in Knox City with Dorothy's parents and brother, Mr. and Mrs. R. C. Giles and Robert. They also visited her grandmother, Mrs. J. H. Redwine in Benjamin.

**VISITED IN HAMLIN SUNDAY**

Mr. and Mrs. G. C. Bristow, sons Dudley and Wayne, and R. L. Gabbert, spent last Sunday visiting with Mrs. Bristow's mother and father, Rev. and Mrs. S. J. King, in Hamlin, Texas.

**VISITING GRANDPARENTS**

Michael Scott Thomas of Dimmitt, is visiting his grandparents Mr. and Mrs. Arlie Thomas. He will be here two weeks.

**FROM WASHINGTON**

Guests in the home of Mr. and Mrs. Roy Bayless is their son, Myron and family, of Richland, Wash. They will be visiting here until the latter part of next week.

**SISTEP VISITED**

Mrs. Pruitt Goss and daughter, of Artesia, N. M., visited here last week with her sister, Mrs. Ikey Bayless and family.

**RETURNED HOME**

Judy Kay Garrett, who has been visiting here for the past six weeks with her grandmother Mrs. E. H. Ivy, and other relatives and friends, returned to her home in Farwell Monday evening.

**PLAN ARKANSAS TRIP**

Mr. and Mrs. George Provence and daughter Paula were in Snyder Sunday, where they met Mr. and Mrs. Byron Gilbreath and daughter, of Santa Anna. The Gilbreaths are former Muleshoe residents.

Beverly returned home with the Province family, and will accompany them on their trip to Arkansas. They expect to leave Thursday, and will be gone some ten days.

**GUESTS FROM MISSOURI**

Mr. and Mrs. William F. Walker and sons, of Springfield, Mo., are visiting here this week in the home of Minister and Mrs. W. R. Tittle.

Mr. Walker is minister of the

North National Church of Christ in Springfield.

**IS VISITING IN FT. WORTH**

Mrs. Major Wood is visiting in Ft. Worth with her daughter and son-in-law.

**ATTENDED RAINBOW GRAND ASSEMBLY**

Mr. and Mrs. H. W. McAdams have returned from El Paso where they attended the Thirty-Second Session of the Grand As-

sembly of Rainbow for Girls. Mrs. McAdams gave a reading, Thursday morning, at the Cortez Hotel at a breakfast honoring Janabeth Laing of Earth, and Betty Miller, of Houston.

**J. B. MOORE TO UNIVERSITY OF S. C.**

J. B. Moore, Assistant Supt., at the Valley's Boy's Ranch, Harlingen, will take a two weeks leave in the near future, to attend a special training course at the University of South Carolina.

J. B. is the son of Mr. and Mrs. J. M. Moore, of Muleshoe. He graduated from Muleshoe High School in the spring of '51 and since that time has been employed at the Ranch.

**TO WELLINGTON**

Mr. and Mrs. Otis Blaylock and family are planning to spend the July 4 weekend in Wellington with her mother, Mrs. A. B. Hicks, and in Shamrock with her sister, Mrs. Raymond Brown and family.

**BABSON DISCUSSES—  
 FOREIGN INVESTMENTS**

Babson Park, Mass., June 30—Last week I showed that Uranium, Aviation, the Telephone, and Television are opening up the entire world to businessmen with vision. I will now offer some suggestions to investors with vision.

**J. R. GOVETT**

For the past 100 years English and American promoters have sought "concessions" to invest money and do business in foreign countries. These concessions consisted of railroad and trolley lines, electric power plants, manufacturing or merchandising operations, and later mining and timber rights. Some were unprincipled exploitations, but most have been honestly operated. All, however, have given little attention to the local people of these foreign countries; almost none of whom have had a stock interest.

These "one-sided" agreements have caused many diplomatic misunderstandings and even revolutions "against the white man". Where the "white man" has insisted on his "pound of flesh" and has refused to voluntarily give up anything, he has ultimately lost; but in Burma this has not been the case. I have in mind Burma Mines Limited, Burmah Oil Co., and other foreign developments. Burma has a wonderful climate and faces on the Bay of Bengal midway between Indo-China and India. During World War II Burma was sacked by the Japanese, and Burmese companies were forced to reorganize. J. R. Govett, of 37 Dover Street, London, formulated a plan which will be used worldwide.

**THE BURMA PLAN**

Mr. Govett's Plan divides stock ownership, and membership on the Board of Directors of the foreign-owned companies be-

tween the old stockholders and the foreign government at the start of the reorganization. One half of the stock goes to the old stockholders, and the other half is put in a Rangoon bank to be delivered to the Burmese Government as it contributes labor and native supplies. The Govett Plan insures that the profits hereafter will be divided fifty-fifty. The foreign nation supplies the ore, or oil, or customers if it is a utility, while the English and American investors supply the "know-how" and management.

I not only believe in the future of these Burma "50-50" companies, but also I believe in other companies in Africa, Australia, and Argentina which are considering the Govett Plan. Powerful Standard Oil interests have just adopted a similar plan for the Argentine, and the St. Joseph Lead Company may follow. A great opportunity for the Govett Plan lies with the American & Foreign Power Company which has holdings in Argentina, Brazil, Mexico, Venezuela, Colombia, Ecuador, Guatemala, Panama, Chile, Cuba, Costa Rica, and China. Most of these properties I have personally visited, including the Shanghai Power Company.

**SHANGHAI POWER COMPANY**

This was the most valuable property in a city of 6,000,000 population. When it was expropriated by the Communists, it probably could have been saved by adopting the Govett-Burma Plan; but the American & Foreign Power Company, which owned it, hesitated to make such an offer fearing to set a precedent. As a result, the Shanghai Power Company bonds, sold to U. S. investors originally for \$1,000 each,

**SAND HILLS PHILOSOPHER SATISFIED  
 To Learn There Is No Dirt Farmer  
 Serving In United States Senate**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has an odd bit of information this week, his letter reveals.

Dear editor:  
 I was out here on my farm the other afternoon resting under a tree watching the clouds seeing if I could figure out what the weather was gonna do, people have become so used to depending on the U. S. Weather Bureau to tell em what to expect a lot of em have gotten out of the habit of ever looking at the sky, but I always believed in going to the source for my information and while I may not be able to tell you very far in advance what the weather will do, I imagine there are more people who still cut hay by the looks of the clouds than the weather report in the paper or over the radio, and they get more bright hay that way, or at any rate you don't find many weather forecasters who are also in the hay business.

Any way, it took me all afternoon to make up my mind what I figured the weather was gonna do, and by that time it was too late to do any work anyway, and I pulled a newspaper out of my pocket which I'd been saving to put on the tractor seat in case I did any work and had to go to the house for a drink of water

can now be bought for \$5 each. The properties are still mentioned in the annual reports, but no capacity, output, or earnings figures are included.

Certainly the stock of the American & Foreign Power Company is one of the most interesting of foreign investments today. There are 7,224,238 shares of common stock outstanding, and a large debt. The stock paid \$0.75 in 1954 and sells at about 14. If the Management has the vision and courage to gradually change the ownership of its foreign properties over to the Burma Plan, this American & Foreign Power stock could sell much higher. This would especially be true if Congress should pass certain tax legislations favoring foreign investments. If, however, the Management and Congress are stubborn, this stock could become valueless. Several times I have personally talked this problem over with the Company's famous founder, the late Stiney Mitchell, but it was wasted breath on my part. He was an honest and remarkable man, with technical training and great energy; but he was a hard dictator with very little social vision. Unfortunately, this applies to the heads of many big Corporations today that have large foreign investments.

while the sun was shining, and the first thing I ran into was an article that reported there isn't a single dirt farmer in the United States Senate.

The writer of the article was astonished at this, but it doesn't affect me that way.

The people are always figuring out ways to do something for the farmer, by which they generally mean getting him to work harder and produce more so he can spend more, but here is a clear-cut case of the people's actually doing something for him; they've never sent one to the U. S. Senate.

They may have sent some to the poor house, to an early grave, or up one row and down another, but the fact they haven't sent one to the Senate in recent years shows evidence of something.

And it works the other way, too. One of the greatest joys a Senator now has is standing up and telling his colleagues what the farm problem is, but if there was a dirt farmer in their midst it would take all the fun out of it.

Judging from the grass in my crops, you might think I had been off serving in the Senate, but that's not where I've been off to.

Yours faithfully,  
 J. A.

**Texas Viewpoint  
 In Washington**

By Senator Price Daniel

The pending resignation of Robert E. Anderson from his post as Deputy Secretary of Defense was a shock and surprise to most of us here in Washington. Bob Anderson has distinguished himself as one of the most able men in this Administration. He first served as Secretary of the Navy and was later promoted to the position he will now leave.

The amount of work and knowledge necessary to hold down these responsible positions is the biggest part of our tax dollar goes to the defense establishment. Anderson's resignation is a great loss to both the Administration and the country.

These views are shared by Democrats and Republicans alike. President Eisenhower once said to me that he considered Bob Anderson one of his best appointments, and it was generally believed that Anderson would be promoted to the post of Secretary of Defense in due time. Even before this is printed, some of the reasons for this resignation may be known to the public. Whatever they are, his shoes will be hard to fill.

Senate Majority Leader Senator Lyndon B. Johnson is receiving praise throughout the

country for his excellent job as majority leader of the Senate. Newspapers, magazines, columnists and commentators agree that he is having greater success than any other majority leader in modern times. Whether they agree with him or not on the various issues presented, most members of the Senate also pay tribute to his ability to get the work done. Mention has been made of one day when the Senate passed 90 bills, confirmed an Ambassador and a Federal Trade Commissioner, and then recessed because it was temporarily out of pending business.

For the first time in many years, the Senate is ahead of the House in its legislative program. Usually the House is ready to adjourn far ahead of the Senate. It is pretty certain that Speaker Sam Rayburn is not going to be outdone. He will see that the House catches up on its work before August 1. That is the date the leaders predict Congress will adjourn.

**Atoms For Peace Conference**

In Geneva, Switzerland, August 10-20, there will be a world-wide conference on peaceful uses of atomic energy. As a member of the Senate Interstate and Foreign Commerce Committee, I have been invited to attend this conference and am now making plans to do so. In the future it is anticipated that we will be dealing more and more with nuclear energy as a source of power. The major nations of the world, including Russia, will present in Geneva exhibits and reports showing the latest information on possible uses of atomic energy for constructive rather than destructive uses.

Originally devised as a destructive weapon, atomic energy may yet play a most important role in bringing about peaceful relations among the nations of the world. The time has arrived when military men of all countries realize that atomic warfare could mean destruction of civilization. There are so many

atomic bombs available on both sides of the world-wide conflict that all may be forced to the conclusion that war cannot be used as a method of settling differences in the future. Cooperation toward peaceful uses of atomic energy may help in preventing its destructive uses.

**Battles of Peace**

Even if we are able to prevent fighting wars in the future, there will be victories to be won in peaceful pursuits. The Communists will continue their propaganda of political and social revolution. It will be up to us who believe in Christianity and Democracy to reach the minds, hearts and souls of men and women and boys and girls throughout the world.

We have principles, ideals, and ideas which are far more appealing than atheistic Communism. The only trouble is that we are not doing as much as the Communists toward selling our principles and philosophy to people of other nations. If they knew more about us, they would understand us and know that our way of life with all of its moral and spiritual ideals is far better than the materialistic preachments of the Communists.

**Today's Meditation**

CHRIST, OUR HOPE  
 Read I Peter 5:6-11.  
 Christ Jesus our hope. (1 Timothy 1:1, RV.)

Before we had a church of our own here in Hong Kong, many of us had had our religious background on the Chinese mainland. We had not lost our faith and hope in Christ Jesus, but we were living a self-imposed exile until we could establish a congregation and be accepted by our denomination.

A little over two years ago we held our first Sunday service in a Chinese restaurant. Now we have moved into our "Garage Church," a group of garages rented and remodeled to suit our

requirements. Until we have our permanent church building, we will occupy our "Garage Church" of which we are so proud.

At present we have an active membership of eighty, with Sunday service attendance of about one hundred fifty. A very congenial and harmonious congregation are we. The religious experience of most of our members has stood many a test in all the fightings we have gone through in recent years.

As Christ is our hope now and evermore, we leave everything in His hands.

**PRAYER**

Our heavenly Father, we thank Thee for Christ who makes life worth living not for our personal benefits but for the advancement of the cause of Thy kingdom. In the midst of our trials, we know they are as nothing compared to what Christ suffered during His sojourn on earth. In His blessed name we pray, Amen.

**THOUGHT FOR THE DAY**  
 Christ, our hope, makes life worth living and death meaningful.

T. C. Woo (Hong Kong)

**CALIFORNIA GUESTS**

Mr. and Mrs. T. A. McLaren and son Bobby, of Sun Valley, Calif., arrived here Saturday evening and will be here until today, Thursday, visiting with her mother, Mrs. Carrie Wilhite and other relatives and friends.

Sunday, Mrs. McLaren's sister, Mrs. Troy Atkinson, prepared dinner for the McLarens and other relatives. Those attending were: Mr. and Mrs. Lonnie Wilhite and family, Mrs. Carrie Wilhite, Mr. and Mrs. J. E. Wilhite and family, Mr. and Mrs. Doc Wilhite and family.

Mr. and Mrs. Clarence Wilhite and family, all of Muleshoe; Mr. and Mrs. Bill Tinsley and family, Hobbs, N. M.; Mr. and Mrs. Oscar Wilhite and family, Reed, Okla.; Mrs. J. C. Tinsley, Mangum, Okla.; and grandmother Atkinson.

Donna Atkinson, daughter of Mr. and Mrs. Troy Atkinson, will accompany the McLarens back to their home, where she will visit for some three weeks.

**VISITED FATHER**

Mrs. Owen Jones and son have been visiting in Dumus with her father.

## Hale County Now Leads Plains With 3,700 Irrigation Wells Survey Shows

Hale County with 3,700 irrigation wells on 470,000 acres leads High Plains counties in both total number of wells and amount of land irrigated, according to a survey compiled by the Extension Service of Texas A&M in cooperation with the USDA.

## Farming From The Skies Is Growing

COLLEGE STATION, June 28—Agricultural aviation has come a long way since the first experimental application of insecticide from an airplane in 1919.

One cultivated acre out of every six is now treated by aircraft with dust, spray, fertilizer, or other kinds of agricultural chemicals, according to Civil Aeronautics Administration. Aerial crop control is done in every state on more than 200 different crops.

Private aerial applicator firms operating over 7,000 aircraft disperse an annual 644,000,000 pounds of dust-type chemicals and 80,000,000 gallons of liquid sprays. Aerial pest control, weed control and fertilizing add an estimated \$3 billion to annual farm income.

Despite the tremendous growth in agricultural aviation, only recently have airplanes been specifically designed for this purpose. The Ag-3, the second agricultural plane designed and built for spraying, dusting, fertilizing and seeding by Fred E. Weick, internationally known aircraft designer and engineer at Texas A. & M. College, is now undergoing flight tests. The small 135 horsepower plane was built with emphasis on low-speed, high maneuverability and pilot safety.

Airplane spraying with new insecticides, particularly DDT, has provided the first practical means for controlling epidemic outbreaks of destructive insects in forests. During the past eight years, over 5 million acres of forest land have been successfully treated from the air, and control costs reduced from \$3 to approximately \$1 an acre.

All types of aircraft have been used for agricultural work — blimps, helicopters, and bombers, though the majority have been conventional-type, small aircraft converted for agricultural purposes.

## Report Says That Bindweed Can Be Controlled

College Station, June 28—Bindweed can be controlled on large acreages of cropland through competitive cropping, intensive cultivation and the use of 2, 4-D.

These practices are recommended as a result of experiments conducted in the Texas Panhandle since 1949 by A. F. Weise, agronomist for the Amarillo Experiment Station, and H. E. Reag, agronomist for the Main Station at College Station.

Wheat was the best competitive crop used. Sorghum was not easily established during the summer when the weeds were growing vigorously.

A fallow-wheat system, using intensive cultivation during the fallow periods, eliminated 92 percent of the weeds in three years.

The 2, 4-D was applied in the fall before the wheat was planted or in the spring when the wheat was fully tillered.

Patches of bindweed up to half an acre in size were eradicated with applications of soil sterilants, such as sodium chlorate, Concentrated Borascu, Alclade, Polybor chlorate and Karmex W at rates of 5, 16, 7, 12 and three-eighths pounds, respectively, per square rod. One application of a soil sterilant seldom completely eliminated bindweed; retreatments usually were necessary for complete eradication.

Complete results of these studies are given in the Texas Agricultural Experiment Station's bulletin 802. Copies are available from the Agricultural Information Office, College Station, Texas.

## ASC Explained To Ag. Workers

This group meets together regularly for the purpose of learning the past programs of the ASC. Eleven members of the Bailey County Professional Agricultural Workers Club met at Leigon's Shamrock Cafe Monday morning for a regular meeting.

Lonnie Bass of the local ASC gave the background of the organization, the committee men elected, and described various programs of the organization. In closing he explained several of the Office presented the program. He how to work together better in their field of agriculture, and to learn more of the individual jobs done by its members.

## Operation In U. S. Cream Of 4-H Crop To Get Recognition

The best 4-H'ers of the Nation are not chosen by ballot, but earn their honors by merit and accomplishment.

This deserved recognition goes to the top ranking of the Nation's 2,100,000 club members through three National 4-H Award programs, Achievement, Citizenship and Leadership. Each of the programs recognizes the different qualities by which people are judged and success is measured.

In this Achievement program, boys and girls are honored for over all accomplishments in projects and activities, based on long-time records. Awards are provided on the county, state, sectional and national levels by the Ford Motor Company.

Medals are available to four

## Bailey Farmers Favored Wheat Allotments

Bailey County farmers favored the continuation of wheat allotments and quotas in the referendum held Saturday. Lonnie Bass, ASC administrative officer said. However, only 48 wheat growers registered their preferences.

The vote was 36 for and 12 against in this county. At the three voting places results were: Muleshoe, 19 for, 6 against. Three Way, 11 for, 6 against. Bula, 6 for, 0 against.

A two thirds majority was necessary for the continuation of the support laws. Bailey County farmers gave a slight margin above the minimum figure.

## WEEK END GUESTS

Weekend guests of Mr. and Mrs. Sam Gholson and family were her father, R. P. Curry, her sister, Loraine Curry, and brother Donald Curry and family, all of Wellington.

winners in each county. The winning boy and girl in the state receive a set of two miniature statues, and 24 sectional winners are given all-expense trips to the National 4-H Club Congress in Chicago, Nov. 27-Dec. 1. At the Congress, six boys and six girls will be presented \$300 scholarships as national winners.

## RE-ESTABLISHING TEXAS PASTURES

Drought-breaking rains in many parts of the state have focused attention on the need to restore vital pasturands ravaged by fire years of burning dry weather.

Many thousands of acres of Texas, have been relegated to "second table" or even barren condition during the drought. Rainfall, alone, will not restore it to proper productivity without additional care.

Landowners must take into consideration the makeup of the soil when they start seeding operations. Plenty of seed

but too little lime and fertilizer may mean "poor luck" in establishing a good pasture.

for poor stands and failures, including planting seed too deep or too shallow; lack of firmness of seed bed, use of poor quality or unadapted seed and competition by weeds.

There are scores of reasons by which farmers are below even minimum standards on grass culture. The growers in regard to regular and disastrous stand failures is cost-

ing them an extra \$50 million a year for seed, alone.

Before seeding a field, it is to the farmer's advantage to get a complete soil analysis and determine what nutrients it may need to guarantee a good crop. On one Central Texas farm, proper fertilization meant the difference between 2,210 pounds of weed-free forage per acre as compared with a previous yield

of 110 pounds containing 40 to 70 percent weeds.

Grassland farmers are urged to consult their county agents or write direct to the Texas Department of Agriculture, Austin, for soil sample information. Proper planting beforehand may mean the difference between success and failure in re-establishing pastures wiped out by the drought.

## FAMOUS TEXANS' RECIPES

### Texas Sage Recommends Old Pioneer Beef Dish

J. Frank Dobie

J. Frank Dobie's all-time favorite beef dish is a modern-day legend. Reminiscent of a bit of local color from the fabulous history of Texas, the illustrious and near-legendary historian of Texas folk-lore says of "jerked" beef: "It has always seemed especially wholesome and is certainly nourishing."

"My way of cooking it is to chop it up and boil it with potatoes, plenty of onions and a few Mexican peppers. It makes a whole, satisfying and balanced meal."

"Jerked" beef, not to be confused with dried or corned beef, is a cured meat which is still very much in evidence around cow camps, even in this era of refrigeration. During round-up time, cow hands feast on the forequarter cuts the first few days after killing an animal, after which they rely on "jerked" beef for their meat supply.

To preserve freshly killed beef by the "jerked" technique, it is boned and stripped in one-half inch lengths, seasoned and stretched over wire or rope to dry in the sun. The sun-cooked beef, called "jerky," keeps indefinitely.

Some cowboys like to chew on a hunk of jerky as a substitute for the less-nutritious black-horse tobacco.

The Texas Beef Council, in its search for authentic pioneer jerked beef recipes for inclusion in the Famous Texan Cookbook, asked Mrs. A. C. Jones of Beeville, a third generation Texan and family-friend of Dobie, for her "Picadilla" (jerked beef hash) recipe. The following measurements will serve four:

- 4 cups chopped jerked beef
- 1/2 cup shortening
- 1 cup chopped onion
- 3 cloves garlic
- Chilipeppes or jalapenos (optional)
- 2 cans tomatoes
- 2 tablespoons chili powder
- 1 tablespoon pepper
- Salt to taste

Soak jerky in warm water until softened; place on meat board and chop into small pieces. Sauté lightly onions and garlic in shortening in heavy skillet; add beef, tomatoes, (4 cans tomato sauce may be substituted for tomatoes.) Add seasonings; cover and simmer for about one hour.

For Carne Con Arroz, another Dobie favorite supplied by Mrs. Jones, add two cups uncooked rice to shortening with onions and garlic and brown slightly; add potatoes, canned corn or hominy.

**Betty Williams and Virgil Leon Phipps Will Be Married Here On Sunday, July 3**

MISS BETTY WILLIAMS

Mr. and Mrs. Glen Williams of 1110 Avenue J, Muleshoe, announce the engagement and approaching marriage of their daughter, Betty, to Virgil Leon Phipps, son of Mr. and Mrs. Charles Phipps, of Friona.

The double-ring ceremony will be read in the home of the bride's parents, Sunday morning, July 3, at 10:00 o'clock.

Miss Williams will be attended by her sister, Gwen, and G. A. Collier, Jr., brother-in-law of the groom will be the best man.

After a short honeymoon in the Rio Grande Valley, they will make their home on the farm near Friona.

The bride's father, a Primitive Baptist Minister, and county judge of Bailey County, will officiate at the wedding.

**Shining Light Sub-District Council Installed June 23**

The Shining Light Sub-district meeting was at the Methodist Church in Muleshoe, Thursday, June 23 at seven p. m. There were nine churches represented with approximately seventy five people present. There were two visitors present, Kathy Pundell, from Yakima, Wash., and Sandra Campbell from Overton Methodist Church in Lubbock.

David Stephens was in charge of the beautiful Installation Service. The Yoke was used as the theme for the service. A large yoke was used at the altar, each officer was presented with a small yoke which represented the duties of his offices.

The officers installed were as follows: Linda Lancaster of Muleshoe, president; Kenneth Powell, Progress, vice-president; Linda Wilson, Olton, secretary; Alva Lee Shofner, Muleshoe, publicity chairman; Don Copley, Muleshoe, Christian fellowship; Larry Cooper, Oklahoma Lane, Christian witness; Pat Cooper, Progress, Christian faith; Rose Lee Millen, Y. L. Christian citizenship; Zerlina Tolleth, Sudan, Christian outreach; LaVon Copley, Muleshoe, pianist and organist.

Refreshments of sandwiches, potato chips, olives, cookies, and punch were served by Mr. and Mrs. Troy Wilkerson, Rev. and Mrs. Clarence Stephens, Mrs. D. B. Lancaster, Mrs. R. O. Gregory, David McReynolds, and Mrs. J. T. Shofner.

Immediately following the Installation Service, the new officers held their first council meeting of the year. It was decided not to have a sub-district meeting in July the next meeting being scheduled in August. The next Council meeting will be in Sudan on July 17 at 3:30 p. m.

**Bridal Shower Honors Miss Kirk**

Miss Jennette Kirk, bride-elect of Stacy Cole, of El Paso, was honored with a miscellaneous shower Friday afternoon from 5:00 o'clock until 7:00 o'clock in the home of Mrs. G. W. Cherry. Co-hostesses were Mmes. C. D. Gupton, John Bell, A. W. Copley, Vanoy Tipton, Dave Aylesworth, J. V. Peeler, D. C. Stovall, Clint Everett and Hugh Winger.

Assisting with hospitalities were Misses Doris Copley, Wanda Cherry, LaVon Copley and Rheta Peeler.

In the receiving line was the honoree, her mother, Mrs. O. C. Kirk, and Mrs. Mac Cole, sister-in-law of the bridegroom, of Snyder.

The serving table, which was laid with a white lace cloth over pink, was centered with a beautiful arrangement of pink and white roses, to carry out the chosen colors of the honoree.

**Last Chapter Of Study Presented At WSCS Meeting**

After the opening song, prayer and Scripture reading, Monday, June 27, at 2:30 in the afternoon, Mrs. J. E. Day presented the last chapter of the Bible study, "Jesus Teaching Concerning Women", to those ladies who were present for the regular weekly meeting of the Muleshoe W. S. C. S.

There will be no meeting of the W. S. C. S. on Monday, July 4. The next regular meeting will be held on Monday, July 11, with Mrs. Mervin Wilterding as program leader.

Ten ladies were present; Mrs. Nora Stephens was a visitor.

**PARMER COUNTY Farm Bureau News**  
By RAYMOND EULER

There are some individuals and groups who are determined that Government shall wholly regulate the hiring of all domestic employees, including those of farmers. We could easily name some of the individuals and perhaps all of the groups who are activating this effort. The most important thing about them is that they are not your friends, but your enemies, bent on putting your every transaction under federal domination. The only reason they may accomplish their mission, is that they are working on your congressional representatives, and you may not be.

Your Farm Bureau President, Gilbert Kaitwasser and Legislative Chairman, Ralph Miller, have already sent wires to Congressmen and Representatives opposing attachment of an amendment giving federal and labor union moguls authority to tell you who to hire and how much to pay. If it is not too late today, add your personal wire to these.

Farm Bureau representatives were successful in getting the bill out of the House Committee without attachment of the devastating amendment, but effort will be made to get it attached on the House Floor this week.

Another important thing is the minimum wage situation. It appears that congress will wind up with enactment of a \$1.00 minimum wage per hour. Farm Bureau's effort now is being directed to clarification of "area of production", the only phrase of the law that can exempt agricultural employers from the minimum wage scale law. Your personal wire regarding this may be life savers too.

We suggest that you cotton farmers keep an eye on a proposed new method of cotton grading. Some favor it, others oppose it. Let us know what you think.

Roy V. Miller, Sr., a former president of PCFB, was recently elected to the office of secretary-treasurer.

If you plan to use Mexican Nationals this fall, it will save time and inconvenience if you come in at your leisure to sign a

**PLYMOUTH DESIGNS WITH YOU IN MIND!**  
to put extra value in the low Plymouth price!

All cars have horns and wheels and headlights, but there's a lot of difference in the features of a car that add up to v-a-l-u-e. Here are just a few of Plymouth's features that will add to your comfort and your convenience. In the low-price 3, you'll find them only in Plymouth!

Cornerposts of Plymouth's glamorous new Full-View windshield are swept back, top and bottom (not bottom only), for better, safer vision.

For more direct pillowing action, Plymouth mounts the longer-stroke front Oriflow shock absorbers inside the big front coil springs.

Plymouth places two hydraulic brake cylinders in each front wheel (other low-price cars use only one) for smoother stops, greater reliability.

Plymouth's brilliant Forward Look styling gives you better forward visibility by letting you see more of the road directly ahead of the car.

If you ever have a blowout, your Plymouth has Safety-Rim wheels which help hold a deflated tire on the rim while you slow to a safe stop.

NOT HERE  
HERE

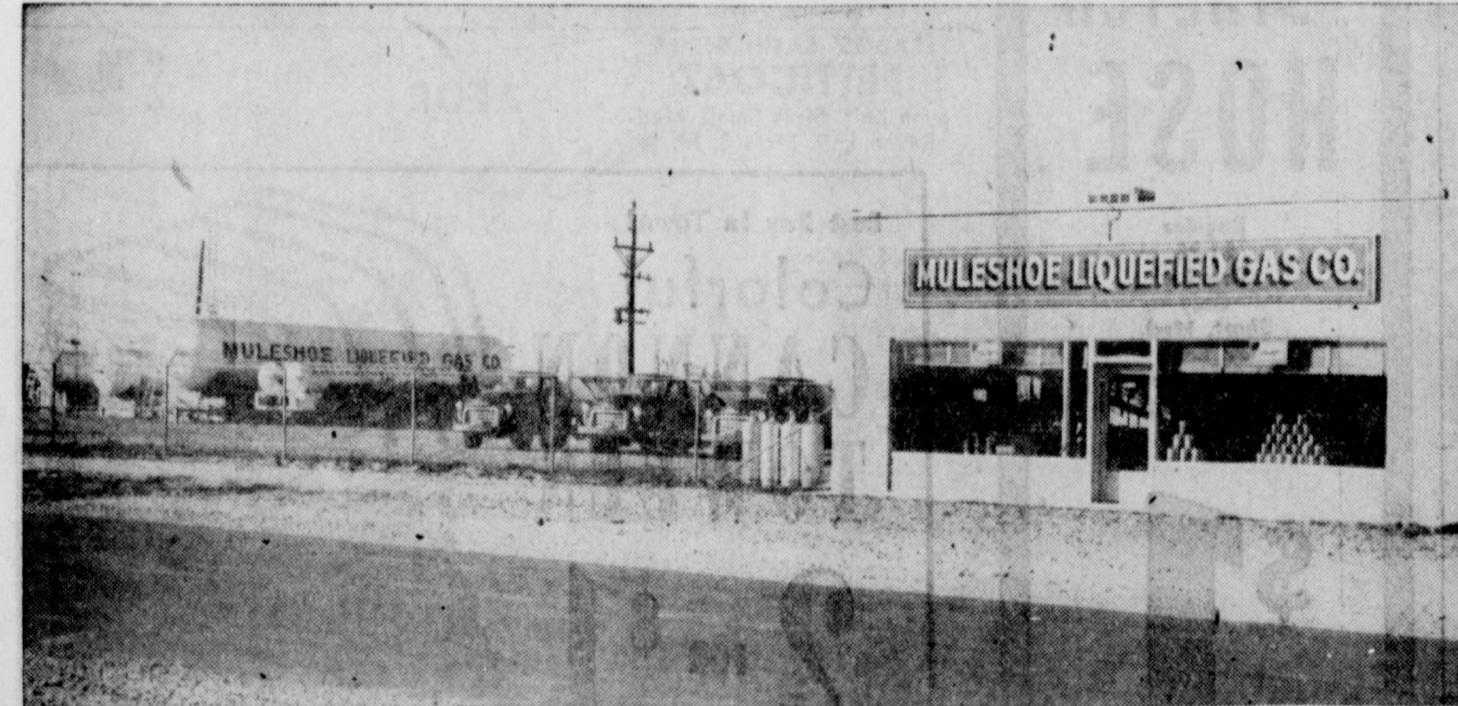

**17 FEET LONG**

Plymouth's Oilite fuel filter is located back in the fuel tank to protect the entire fuel system and engine from dirt and water. Plymouth is the BIGGEST, LONGEST, ROOMIEST car of the low-price 3. In fact, you can pay as much as \$500 more for a medium-price car that's smaller than Plymouth! When you buy on facts, not claims, your choice will be PLYMOUTH!

**Timberib BUILDINGS**  
"UNFAIR TO HUNGRY RATS!"  
It's slim pickings for rodents, but healthy for your pocket-book when you store your grain in a Timberib building. Here's why it gives you lowest per-bushel storage cost:  
1. Completely prefabricated for fast, easy erection (with your regular farm labor if you prefer).  
2. No interior posts, so grain is worked with greatest ease.  
3. Highly versatile — may also be used for implement storage, loafing barn or utility building.  
4. Available in widths from 24 to 60 feet, and any desired length.  
For complete information, see us today or write for free catalog of Timberib farm buildings.
