OPEN SCHOOL FOR FARMERS

Night Meetings Open To Soil Tillers For Discussion Of Farm Problems, Methods

A night school for farmers is being conducted by J. D. Strickland, teacher of vocational agriculture here, in the high school building. Meetings are held on Tuesday and Thursday nights each week, beginning at 8 o'clock. The class is for all farmers and for any one else who may be interested in agriculture. Instruction is free and every one will be welcome.

A group of farmers met at the high school last Thursday night to organize and set up a program of work. The following subjects were chosen:

1. Cotton Varieties for Tahoka;
2. Seed Bed Preparation and its Effect on Yield of grain sorghum and cotton;
3. Culling for egg production;
4. Feeding poultry for egg production;
5. Feeding dairy cattle with home-grown feeds;
6. Producing quality cream;
7. Diseases of livestock;
8. Diseases and parasites of poultry.

Some of the above subjects will be presented by out-of-town speakers, and some will be discussed by Mr. Strickland, the vocational agriculture teacher.

"We are anxious to have any one who is interested in agriculture work," Mr. Strickland said. The meetings are held in room 31, the vocational agriculture room, in the high school building.

Hogg Pecan Tree Planted At School

With appropriate ceremonies, a pecan tree commemorating the life of Texas' most distinguished native son, Gov. James Stephen Hogg, was planted out by the sixth grade of the Tahoka public schools on the high school grounds Tuesday afternoon.

This tree was grown from a pecan which came from the famous tree planted at the head of Governor Hogg's grave in 1906. It will be remembered that some time before his death Governor Hogg requested that no monument be erected at his grave but that a pecan tree be planted at the head and that the pecans therefrom be planted throughout Texas for the benefit of future generations.

Miss Sylvia Robb, county home demonstration agent, is assisting in carrying out the bequest of the famous ex-governor and accordingly she presented this tree to the pupils of the sixth grade of the Tahoka public schools. These pupils assembled on the high school grounds Tuesday afternoon at four o'clock, rendered a program, and planted the tree. They expect to care for it during the remaining years of their school life in Tahoka.

Following is the program as rendered:

Sketch of Governor Hogg's Life—Ruth Bressfield.

History of this Pecan Tree—Mildred Cooper.

Reading, "Trees" by Joyce Kilmer—Jared Powell.

Life of this Tree in the Next Five Years—Lynette Tinsley.

Civil Cases Are On Trial In Court

The case of Dr. H. E. West of Abilene vs. V. S. Cassel of Tahoka has been on trial in the district court here since Tuesday morning. It will go to the jury today.

The suit involves the foreclosure of some vendor's lien notes on a quarter section of land and disputed rights in and to the vast silica beds that underlie the land.

Dr. West is represented by Wagstaff & Wagstaff of Abilene and Tom Garard of Tahoka; Cassel is represented by Nelson and Smith of Tahoka and E. L. Klett of Lubbock; and C. Y. Partain, who is also claiming some interest in the silica, is represented by Durwood Bradley of Lubbock.

No other cases have been tried this week.

The grand jury reconvened today to finish the work for the term.

RAIN COVERS LYNN COUNTY

Precipitation Is Boon To Plowing; 40 Of An Inch Fell In Tahoka

A heavy dash of rain, accompanied by much hail in some localities, and followed by a slow drizzle that continued several hours, fell Sunday night, bringing relief from the sandstorms and joy to the hearts of our farmers and business men.

In Tahoka the total precipitation registered just 40 of an inch. In the north part of the county and in some localities south, the fall was somewhat heavier. At Draw, however, it was much lighter. Every-

Fat Calf Show Next Saturday

The Fat Calf Show of the 4-H club boys of Lynn county is to be held at 2:30 o'clock Saturday afternoon just south of the court house square, according to announcement made Wednesday by County Agent V. F. Jones.

Ten calves will be on exhibit, which will be taken later to the Quality Meat Show in Lubbock on April 1-2-3. The calves will be judged by R. N. McClain, county agent of Terry county.

Mrs. Alexander Buried Monday

Mrs. Bobbie Alexander, 30, wife of L. V. Alexander of New Home, died at Crosbyton early Sunday night and the remains were interred here Monday afternoon. Funeral services were conducted at the Methodist Church by Rev. H. C. Smith.

Mr. and Mrs. Alexander were married on November 17, 1934, both having been previously married. Deceased left no children. Surviving here are the husband, her mother, who resides at Commerce, a sister, Mrs. Slander of Sudan, and two step-children, L. V. Alexander Jr. and Isabel Alexander.

Mrs. Alexander was a member of the Baptist Church.

Baptists Consider Annex Construction

Quite a number of the members of the Baptist Church met last Sunday afternoon and discussed the matter of building a Sunday School annex on the lot immediately north of the church building.

A committee had been previously appointed to make some investigation as to the feasibility of the proposal and as to the sentiment of the church membership.

The tentative plans call for a frame structure, stucco finish, consisting of four rooms, in which as many Sunday School classes may meet. The estimated cost is about \$1,100.

While no action Sunday afternoon was taken nor contemplated, yet a great majority of those present seemed to favor the proposal. Some felt that it would be better to defer action till a more opportune time and then start a drive to complete the present building. By an almost unanimous vote the committee was instructed to continue its work.

The crowded condition and the consequent confusion in the present building during the Sunday School hour, which render growth difficult and satisfactory work impossible, are given as urgent reasons for the construction of an annex.

PLANTING CORN

It's corn planting time in Lynn county. At least Buster Fenton thinks so. He began planting Wednesday morning and probably finished today, as he expected to plant only twelve or fifteen acres. It's June corn—Buster wants some early feed.

Lynn County Canning Kitchen Closes Season; Has Preserved 12,041 Cans

Operated entirely by relief labor representing 27 families the Lynn County Canning Kitchen put up 12,041 cans of vegetables and meats in the 54 days it was open between November first and March first.

Though 75 different Lynn county homes had canning done in this kitchen from one to several times each only 3 spoiled cans were reported from this more than twelve thousand cans that were sealed there. This is a remarkable record and shows that Mrs. Fenton gave the work her careful supervision, and she says that her working force, composed of both men and women, were eager for the training given and were loyal and dependable. These people while working for funds to support dependents at the present time were learning methods of food preservation that will be of value when used in their own homes in the future.

This canning done on a toll basis returned 6080 cans to the families furnishing the products and 5981

Mail Carrier At Post Is Drowned

Mack B. Hume, 43, mail carrier at Post on Route No. 3 extending out to Grassland and vicinity in the eastern part of Lynn county, was drowned in Two Draw Lake some time Saturday afternoon or night. His dead body, fully clothed, was found in the lake early Sunday morning, his arms clutching two posts beneath the surface of the water. A clue to the tragedy was furnished by the fact that his cap was first discovered floating on the water. Tracks were found leading into the water where the increase in depth was gradual, according to Garza county officials.

W. E. Suddarth and L. D. Gilder-sleeve of Tahoka attended the funeral services, which were conducted Monday in the First Baptist Church at Post. Burial was in the Post Cemetery.

Deceased was suffering from a nervous breakdown at the time of the tragedy, according to Mr. Suddarth. He had been a faithful carrier for fifteen years.

GARRARD TO BE SPEAKER ON EDUCATIONAL PROGRAM

Canyon, March 9.—Hon. Tom Garrard of Tahoka, member of the State Board of Education, will be one of the speakers on the second Annual program of the Northwest Texas Conference for Education which will be held at the West Texas State Teachers College, March 22, 23.

Mr. Garrard will be introduced by Superintendent B. C. Shulkey of Borger who will preside at the general session program Friday afternoon.

FORMER TAHOKA GIRL IS APPOINTED TEACHER

Lubbock, March 13.—Miss Lorene Childers of Lubbock, who will graduate from Texas Technological College in August, has been appointed as teacher of commercial subjects and secretary to the superintendent in Sanderson High school. Miss Childers was employed in the information office at the college as student assistant. She is a daughter of Dave Childers of Tahoka.

PARENT-TEACHERS CLUB TO HOLD ANNUAL ELECTION

The annual election of officers will take place at the next meeting of the Parent-Teachers Club, at 3:30 o'clock next Wednesday afternoon, March 20, at the high school auditorium, according to Mrs. Layne Morland.

All members are urged to be present.

SOME RAIN

C. H. McIlroy, a traveling man, tells this one: During the sandstorm a week ago last Sunday, several drops of rain struck an 18-year old youth at Amarillo, causing him to faint. He owes his life to a "coop" who threw a bucket of sand in his face and brought him to.

cans to the Texas Relief Commission and these cans were afterward distributed through the Lynn County Relief office in Tahoka to Lynn county families on the relief rolls. Thus the kitchen was an agency through which Lynn County people could furnish both work and food to those Lynn county people who were in need.

The Canning Kitchen will open again as soon as vegetables are ready. So plant a good-sized garden plot and plan to have your vegetables canned and re-stock the family pantry.

Miss Sylvia Robb, our Home Demonstration Agent, not only has the general supervision over this one large canning plant, but through her club work with women and girls all over the county, is supervising small canning plants in hundreds of homes in the county, and her annual report showed this work to have been worth many thousand dollars to our County in 1934.

New Postmaster Named At Post

Post, March 11. (Special)—Phil S. Bouchier, former City secretary here, Sunday was checked in as acting postmaster here. He replaced Charles Qualls, well-known West Texas golfer, who was a Republican appointee.

Congressman George H. Mahon of Colorado, queried by the Associated Press in Washington, said he named Bouchier after the postoffice department had requested him to name a successor to Mr. Qualls.

Bouchier, 30, who had been City secretary three years, evidently will hold the office until new civil service examinations are completed.

W. F. Presson, formerly employed by a grocery here, has been named City secretary.

Mr. Qualls could not be reached tonight for a statement.

Young People Hurt In Car Accident

Four Tahoka young people were more or less seriously injured when a new Chevrolet coach in which they were riding turned over on the highway eight miles south of Tahoka about nine o'clock Tuesday night. The injured are: Vernon Smith, driver of the car, two ribs fractured; Homer Parker, concussion of the brain and injury to leg and hip; Miss Dottie Turrentine, severe bruises and lacerations; Miss Goza Lee Thompson, bruises and abrasions. "Tuffy" La Fon, the other occupant of the car, received only minor bruises. The car top was crushed and the car was otherwise badly damaged.

The young people were coming toward Tahoka on the highway near the Vaughn place when the driver, for some reason, lost control of the machine. It is believed that loose sand and mud on the highway caused the wreck.

ATTENDS SISTER'S WEDDING

W. F. Fry Jr. returned Friday night from Austin, where he attended the wedding of his sister, Miss Mary Phillips Fry, to Mr. Hollis Schulz of San Antonio.

The bride has been holding a position in Austin while Mr. Schulz is a member of the faculty of the Thomas Jefferson High School in San Antonio. The marriage rites were read Thursday night in the University Baptist Church, Austin.

Mr. Fry was accompanied to and from Austin by his parents, Dr. and Mrs. W. F. Fry Sr. and their daughter, Miss Kipstein, of Lubbock.

KNIGHTS VISIT IN DALLAS

Mr. and Mrs. W. L. Knight returned Tuesday night from Dallas, where they went to visit Mr. and Mrs. Emory Nance, who recently moved to that city from Washington, D. C. Mr. Nance is one of the auditors of the Home Owners Loan Corporation, and his territory comprises three states, Texas, Oklahoma, and New Mexico.

Mr. Knight says that rain and snow the first of the week covered the entire country from here to Dallas.

BAND CONCERT DRAWS CROWD

Concert And Auction Sponsored By Band Legion Band Program Good

The concert-entertainment presented at the High School last Friday evening by the American Legion Band was heard and applauded by almost a capacity crowd for the main auditorium. By reason of sickness and other unavoidable causes, two members from Petty, one from O'Donnell and three local players were prevented from filling their accustomed places in the band division of the program; but

Will Resume Oil Test Well Soon

Drilling on the Wanete Oil Company well No. 1 on the T-Bar ranch will probably be resumed about the end of this week, according to I. L. Dillard, drillers having succeeded Saturday in getting out the drill stem which had been stuck for several days.

It became necessary to take the drilling pipe to other oil fields, however, to get it straightened out. Some of it was taken to Hobbs, some to Big Spring, and some to Wichita Falls.

The well now stands at 3,975 feet and drilling is in brown lime. Solid lime is expected at about 4,300 feet it is said. Indications of a producing well are very good, it is claimed.

Dawson County Oil Test In Lime

Lime was struck at the 4257 foot level in the Ray Although-Robinson well No. 1 being drilled fourteen miles northwest of Lamesa in Dawson county, according to reports reaching Tahoka Wednesday. The drill had penetrated to a depth of 4290 feet. The oil content of the lime had not been determined and prospects for a well are still problematical.

This well is of interest to Lynn county people by reason of its proximity to tests to be made in this county.

Seek To Block Gas Tax Increase

If you don't want to pay an increase of one cent per gallon in your gasoline tax, bringing the total to six cents, a gallon, here's what you must do:

Write, wire or telephone your State Representative and your State Senator opposing any increase in the tax!

The Committee of the House of Representatives voted out the proposal favorably Thursday night, March 7th. It will come before the House for vote some time this week. Therefore you must act quickly.

The proposal would boost your gasoline tax bill 20% without giving you a single mile of new highways. It will not give work to a single workman.

The entire increase will be used to retire all sorts of old county road bonds, good or bad, on all sorts of purely local roads, regardless of their present condition. No doubt many big bondholders who bought up such securities at from 35 to 50 cents on the dollar would be delighted to have them guaranteed by the motorists of Texas. But would YOU!

Regardless of how carefully your own county has guarded its credit, you would have to help pay the road debts of the most extravagant counties, at exactly the same rate.

Increasing the gasoline tax will make evasion and bootlegging more profitable, vastly increasing the illegal traffic in tax-free motor fuel, and robbing the state of the entire tax on each gallon of gasoline marketed through these racketeering channels.

The motorist already pays 40% sales tax on his gasoline, and should not be further burdened.

Act at once or pay the penalty!

RELIEF WORK'S DELAY SHORT

Making Progress On Highway No. 9 Caliche; Open Highway No. 84 To East

Work on highway No. 9 north of Tahoka, which was greatly reduced Friday, March 1, was resumed last Saturday, but not with the full force of men until Monday of this week.

The project is now about 70 per cent completed, according to information from the Relief office. From 325 to 400 men are being employed, but the daily average is about 125 to 140 men. About eight trucks are now being used.

Laying of the first course of caliche is almost completed, lacking less than a mile. Laying of the second course is proceeding satisfactorily, several miles having been completed.

Detour has been shifted back over No. 84 to a point two miles west of Tahoka and thence north.

The recent rains have settled the roadbed south to O'Donnell, which was completed several weeks ago, and it should be ready for the laying of caliche by the time the second north of Tahoka is completed.

The dump across the lake on highway No. 84 two miles east of Tahoka has been completed and traffic is now open over it. The dump is 2,000 feet long and is four feet higher than the old roadbed.

Outlaw Convicted In Federal Court

A jury in the federal court in Dallas Monday brought in a verdict finding N. C. Outlaw of Post guilty of "conspiracy to obstruct justice". The charge grew out of an alleged promise on the part of Outlaw to pay a witness \$500.00 if he would swear falsely before the federal grand jury that he was an eye witness to the shooting of a federal narcotic officer by Sheriff W. F. Cato in Post on February 7, and that Cato shot in self defense.

Following the verdict of the jury, the Court fixed the punishment at 15 months in the federal penitentiary and a fine of \$2,500. Loe, whom Outlaw was alleged to have bribed, was tried jointly with Outlaw, and he was the chief witness for the Government. He was likewise found guilty by the jury, and the Court assessed his punishment at twelve months in jail but released him on probation.

District Attorney Clyde O. Eastus has announced that two other indictments pending against Outlaw will be tried at Lubbock when the Federal court convenes there in May. Outlaw has given notice of appeal from the judgment of the Dallas court.

Tech To Present Dairying Program

The Dairy Manufacturing department and the Agricultural department of the Texas Tech will give a program at the Tahoka high school building at 8 o'clock Thursday night, March 21, according to J. D. Strickland, vocational agriculture teacher.

The subject will be "Producing Quality Cream". This is one of the subjects included in the program of the Adult Agriculture class being conducted by Mr. Strickland two nights in each week at the high school building. Everyone interested is urged to be present.

New Management For Texas Agency

Belton Howell last week sold his agency for the Texas Company to Vernon Wilhoit and Clay Bennett, and they have their office at the Texas Filling Station.

Winter Knight, the Sinclair agent, has also leased from Mr. Howell the Anchor Filling Station and the Paul Howell Station, and these stations will hereafter handle Sinclair products. Pledger Coleman and Paul Howell will continue in charge of these stations respectively.

Miss Lucille Oliver of Brownfield was the week end guest of her friend, Miss Janie Barrington.

SWAT THIS BILL

A bill is pending in the legisla-
ture which, if passed, will authorize
the State to take over the bonded
indebtedness of counties on lateral
roads. A companion bill is pending
to increase the gasoline tax one cent
a gallon in order to provide the re-
venue with which to make the an-
nual payments on these bonds.

We regard this as a most unjust
and vicious proposal. Its effect will
be to tax the people of counties who
have voted few or no road bonds to
pay the debts of those counties
whose people have voted large amounts
of such bonds.

Some of the counties apparently
have been improvident and extrava-
gant in the voting of lateral road
bonds and have issued such bonds
for many hundred thousand dollars.
We are told, many million dollars in
the aggregate. Now these counties
want to make the rest of the state
help to pay their debts. County
judges of Dallas, Tarrant, Bexar,
Eastland and other counties re-
cently appeared before the legisla-
ture in the interest of these mea-
sures, and they seem to have gotten
what they went after, since they got
a favorable committee report in the
House, and the chances are that the
legislature will shoot the bills
through.

Our people should get busy and
write to our senator, Arthur P. Dug-
gan, and our representative, J.
Doyle Settle, importuning them to
vote against this hold-up game ab-
out to be perpetrated against the
people of this state and especially
of this section. State funds should
be used for the building of state
highways, not for paying the debts
of counties that have been extrava-
gant or improvident in building la-
teral roads. If a part of the gaso-
line tax is to be diverted for this
purpose, let the money come out of
the gasoline tax collected in the of-
fending counties.

Our people should raise a protest
now.

Cynics who sneer at patriotism
and grouches who believe that all
"big men" in our country are crooks
doubtless opened their eyes in won-
der when they read a few days ago
that Oliver Wendell Holmes, late
justice of the Supreme Court who
died early last week, had willed a
large portion of his estate to the
Government which he had served so
long and well. Practically all the
salary which he had been paid dur-
ing his service of more than a quar-
ter of a century was included in his
bequest. That was a noble expres-
sion of patriotism and of true great-
ness. But there are many other
great and good men in the service
of our country, men just as patriotic
and conscientious as he. May their
tribe increase.

In the absence of the pastor Dis-
trict Attorney G. H. Nelson spoke
at the Baptist Church last Sunday
night to an appreciative congrega-
tion. Judge Nelson said some things
that need repeating often in our
churches, our homes, our schools,
our court houses, and upon every
street corner. In this day of polit-
ical cowardice and demagoguery it
is refreshing for a clean, brave man
like Nelson to make his advent out
into the political arena. We need
more men of his type in politics.

**PARTISAN POLITICS AND THE
SUPREME COURT**

And Justice Hughes, one time Re-
publican Candidate for President,
cast the deciding vote, voting in the
interest of Democracy for the pres-
ent administration and for THE
PEOPLE OF THE UNITED STAT-
ES. Judge Hughes was right in his
deciding vote. The Democrat at-
torney General under Wilson, voted
with the minority and AGAINST
the administration and AGAINST
the people of the United States.
Strange how some Democrats go
Republican and some Republicans
go Democratic, but that was the
case when the Supreme Court of
this Nation hit the SINGLE GOLD
STANDARD a bodily blow, that
should knock it into the middle of
next week—Claude News.

But, Brother Waggoner, justices
of the Supreme Court are supposed
to be non-partisan in rendering
their decisions. They are not sup-
posed to render decisions according
to the views of this or that party
or this or that Administration
at Washington. That is the
virtue and the glory of the Su-
preme Court. It would become a
miserable farce if its members
should begin shaping their opinions
so as to serve the ends of any po-
litical party. It is the business of
the Court to construe laws in the
light of the Constitution. The Con-
stitution is the guide, the yard stick,
the political Bible, by which all
legislation is to be tested and gov-
erned. Every member of the su-
preme court is supposed to be thor-
oughly honest and conscientious in
applying the test, in arriving at his
opinion. The sooner we chimney-
corner lawyers learn this, the soon-
er we will quit criticising or passing
judgment upon the decisions of the
great Supreme Court or the opin-
ions of the individual members
thereof.

The News does not often publish
poetry. But this week we received
some verses written by a citizen of
Tahoka whose pen name is Paul
Ponder which is so clever and which
so pungently sets out the situation
here that we gladly give space to
it. We hope that all of our people
read it.

Eugene Allen of Sweetwater and
Grady Norris of Roscoe, boyhood
friends and school mates of L. C.
Haney and Frank Hill, were here on
business a short time last Thursday
and visited their old-time friends
here.

VICE OR SLANDER—WHICH?

Federal District Attorney Eastus
is quoted in the press as stating in
his address to the jury in the Out-
law case tried in Dallas last Friday
that "vice conditions in Garza coun-
ty are worse than Chicago's South
Side under Al Capone."

We do not know just how bad vice
conditions in Chicago's South Side
were under Al Capone, not having
visited that city, but Eastus evi-
dently intended to convey the impres-
sion that vice conditions in Garza
county were exceedingly bad.

With all due respect to Mr. Eastus,
we do not believe a word of it.
We know nothing about the guilt or
innocence of the citizens of Post
who have been charged in the Fed-
eral Court with violation of the
Federal Narcotic laws. We are ex-
pressing no opinion whatever as to
these cases.

But we do not believe that vice
conditions in Garza county are any
worse than they are in many other
counties of the state—not half so
bad as in some of them. We have
an idea that if Mr. Eastus would
look around a bit he could find
twice as much vice to the square
inch in Dallas and Tarrant counties
as he has been able to unearth in
Garza county.

The population of Garza county is
possibly 98 percent white, most of
it of Anglo-Saxon ancestry, like that
of all this plains country, and there
is no finer citizenship in the United
States. It is possible that a few
citizens in Post have been violating
the Federal narcotic laws, and if so
they should be severely punished,
but in order to stamp out this evil
it is not necessary to slander an en-
tire county. A district attorney
should be just and fair, and he
should be careful how he handles
the truth.

Bob Caveness, who is attending
Tech, was a week end visitor here
with his parents, Prof. and Mrs.
H. P. Caveness, who accompanied
him back to Lubbock Sunday after-
noon. Returning from Lubbock,
they were accompanied by Misses
Lucille Robinson and Madeline Ely,
teachers at West Point, who had
been spending the week end in Lub-
bock.

Claude Leech, now of Lubbock but
who has recently returned from
California, where he has been resid-
ing the past eighteen months, was
a visitor here Saturday in company
with Mr. and Mrs. C. T. Tankersley,

ins.

HOW TO KILL OUR HOME TOWN

(By Paul Ponder)

I hardly think that anyone wants
to kill our town.
And hope they wouldn't like to see
it sunken lower down;
But still if there are any that reside
among us should,
I think I know the secret, and can
tell them how they could:

It's not the outside knockers that
can hurt a town the worst,
Some gross mistakes of folks with-
in must be considered first;
So, as already stated, if we crave the
town's collapse,

Then we can make it happen, and
I do not mean perhaps.

First, let all merchants and their
clerks, and families as well,
Go to some other town to buy such
goods as they don't sell;
If each will strive to lessen trade at
every other store,
Ere long commercial life will wane,
and death be at our door.

For instance, let the hardware man
and dry goods merchants too,
Get groceries out of Lubbock, just
as some already do;
And let the grocers go elsewhere to
buy their clothes and shoes,
Beds, tables, chairs and china ware
and other things they use.

Let druggists too, buy out of town,
for petty savings' sake,
That foreign tills may hold the
dough that home folks helped
them make;

Then let them all their drug-line
needs import from out of town,
And thus insure that local deal-
ers' stocks will not run down.

Next let all racket stores, and shops
take these suggestions too,
And censure not your patrons for
thus doing as you do;

If all will thus go some place else
their needed stuff to buy,
It won't be long till we shall see
home enterprises die.

Let none inducements offer, to hold
the trade they've got—
Cut out all advertising too, and that
will help a lot;

Because those are the tactics our
neighbor towns employ,
In order that county trade from us
they my decoy.

Don't dare maintain a booster club,
or other such clap-trap,
Lest folks afar might realize—"Tah-
oka's on the map";

And if the general trade observes
the cues outlined above,
Our town would thereby get ano-
ther smashing downward shove.

But on the other hand, if we would
see Tahoka thrive,
Let's rally to our local firms, and
help keep them alive;
The few cents saved in trips away
won't offset our expense,
While trading in our home-town
shows both loyalty and sense.

CARD OF THANKS

My family and I greatly appreciate
the visits, good deeds, and kindness
shown us during my sickness in the
Lubbock Sanitarium. Also do we
thank each one for the the beauti-
ful flowers. We thank each and
everyone from the depths of our
hearts. We can never express our
gratitude in words or deeds. May
God bless each and everyone of you
in a great way.— Mr. and Mrs. W.
B. Edwards and family.

INTERSCHOLASTIC MEET DEBATERS ARE CHOSEN

Debaters who are to represent Tahoka High school in the County Meet were chosen last week in both the boys and girls division. Ina Bess Hicks and Marion Draper were selected as the girl representative and James Minor and Ernest Gill comprise the boys team.

The two teams debated in chapel Monday, the boys having the affirmative and the girls the negative side of the question. The interscholastic league debate subject this year is the government ownership of the electric light and power utilities.

Two of the debaters are from the Senior class and two are from the Junior class.—Junior Reporter.

JUDGING TEAM TO PLAINVIEW

According to announcement made this week by J. D. Strickland, teacher of vocational agriculture, the Poultry Judging team will go to Plainview April 9 to participate in a contest there. With the Tech and A. & M. contests nearing the boys on the team are doubling their efforts. The Tech contest will be held on April 1 and the A. & M. contest is scheduled for April 15. The boys are very confident and the instructor expressed optimism as to the outcome of these contests when interviewed.

TEAMS HAVE PICTURES MADE

Members of the football and basketball squads Tuesday assembled themselves in their most becoming poses and had their pictures made, thus renewing a custom practiced annually until recent years. It is hoped that in succeeding years the practice will be continued as the boys who put forth enough effort to make one of these teams deserve at least this much recognition.

ELIMINATIONS ARE HELD

Tennis eliminations in singles started last week and will continue throughout this week. Eliminations in doubles will be held as soon as singles are finished.

Miss Pansy Tankersley, a member of the Junior class, has been out of school for more than a week on account of illness.

Our Observation: Chumps are made, not born; but some are more easily made than others.

Football sweaters are expected to arrive sometime this week.

SENIOR STUDENT WRITES "POETRY"

The atmosphere of Tahoka High school seems to be favorable to the production of "poets". Early in the present school year Joe Bob Billman and Bryce Bartlett, a couple of Seniors, came forth with a "poem" entitled "A Spanish Student's Lament" or words to that effect. Recently the little peroxide-blond presented for publication the following lines. Joseph Robert made no statement as to its originality but it is presumed that it is partially a product of his own ingenuity.

23rd Psalm According to a Spanish Student

Mr. Rushing is my teacher.
I shall not pass.
He maketh me show my ignorance
Before the whole class.
Yea though I walk through the
Valley of the Shadow of Conjugations
and Translations,
I learneth not.
He firthe questions at me
In the presence of my classmates.
He annointeth my head
With the table of Sequence,
My tongue turneth over.
Surely irregular verbs
And daily assignments shall
Follow me all the days of my life
And I shall dwell
In the Spanish class forever.

MORE "POETRY"

The snow was falling fast outside
The children begged for bread
Every dog has his day
But Damit he is dead.

LITTLE BILLY'S SIKOLOGY

Going to the bad is a poor way of
showing that you are a good fellow.
The Aggie classes hope to share
profits with the Home Ec. girls in
the League Meet by loaning the
girls their shop in which to have
their temporary cafe.

Bill came to school the other day
with his hair cut and combed.
Said Jo Jo Wootley: Say, Bill you
cut your hair, didn't you?

Bill: No, I washed it and it
shrank.

The teacher asked Milk Maid
Brown to make a sentence using
the words "defense", "defeat" and
"detail".

Milk Maid obligingly complied
with the teacher's request in this
manner: "De feet of the the cow
jumped over de fence before de
tail."

Mr. Walker: "Ina Bess, who is the
straightest man in the Bible?"
Ina Bess: "Joseph."
Mr. Walker: "Why?"
Ina Bess: "Pharaoh made a ruler
out of him."

Brother Of Local People Drowns

(Lubbock Avalanche)
Nineteen-year-old Wiley Woodrow Aycock, Lubbock High School football player, drowned in the chilly water of Buffalo Springs lake about 3:30 o'clock yesterday (Wednesday). His limp body was recovered with pile poles obtained from Lubbock fire department about an hour later.

Six High school boys, on a lark, went to the lake, in Yellowhouse canyon, about 12 miles southeast of here. Three, Aycock, Jack Green, and Warren Fulton, entered a boat. Playing, as boys will, they upset the boat.

Fulton started swimming to the shore, about 80 feet away. He was picked up in another boat. Green, an expert swimmer, decided he could not reach shore because of his water-logged clothing, returned to the capsized boat, calling to Fulton and Aycock to return with him.

Aycock who lettered two years at guard on Lubbock High school Westerner football team and who was all-district guard last year, could not swim well. He sank.

Funeral arrangements had not been made last night for the youth, who would have graduated from high school in July. Sanders Funeral home will direct burial. Rites probably will be held Friday.

Parents Informed Belatedly
A son of Mr. and Mrs. W. D. Aycock, 1613 Eighteenth street, the young man also was survived by four brothers and five sisters. Brothers were Gilmer Aycock of Tahoka, Orban Aycock of Lubbock, Rex Aycock of Tulsa, and Hobson Aycock of Abilene. The sisters: Mrs. N. H. Wood of Lubbock, Mrs. J. B. McPherson of Tahoka, Mrs. Loyd Harris of Kirksville, Mo., Mrs. Tommie Sides and Mrs. Henry Seber, both of Lubbock.

Mr. and Mrs. Aycock and Mrs. Sides, who were at the Aycock farm near Lorenzo, did not know of the tragedy until they returned home about 6 o'clock. Woodrow was youngest of the family.

Students To Attend Rites
Principal R. W. Matthews of High school said senior students would be permitted to attend rites for their schoolmate.

Mr. Matthews said that Aycock's grades were good and that there had never been any doubt about the young man's eligibility to play football.

Besides the boys in the boat, other members of the party were Harry Halsell, son of H. H. Halsell; Weldon Phillips, also a football player, who lives on the Shallowater highway, and F. M. Robertson. Green is a son of John R. Green, superintendent of mails at Lubbock post-office.

Called For Help
Fulton, a son of J. F. Fulton, 2310 Nineteenth street, said he and Aycock were swimming toward the shore when they heard Green call to them to go back to the boat.

"All of a sudden he (Aycock) stopped and hollered help two or three times," Fulton said. He said he was unable to reach Aycock.

Phillips and Halsell, who started swimming to aid the football player, were forced to return to shore because of cramps in the cold water. Many efforts were made to find the body by diving.

Resuscitation Efforts Fail
Fire Chief W. E. Twitty, Fireman J. Scott Hollingsworth, K. N. Clapp, and Herman Bonds, all versed in Red Cross first aid, were called. Because the body had been in the water so long, resuscitation was impossible.

Mr. Clapp said that Bill Roberts of Lubbock and a Mr. Green, caretaker at the lake, went out in a boat and recovered the body.

The mishap occurred about 80 feet from the south end of the swimming pool at the lake. The body was in water 8 to 9 feet deep.

Mr. and Mrs. J. K. Callaway left last week for a visit with relatives and friends at Meridian and Coolidge. J. K. writes back that he is having a good time and plenty to eat. He wants the paper sent to his address while away in order to keep tab on the folks at home.

J. R. Strain, who has lived so long in the Midway community, recently traded his farm there for the Minor place at New Home. He has removed to his new home and S. J. Kitchen, who has been residing on the Minor farm, has removed to the former Strain farm at Midway.

Rev. L. L. Hays, pastor of the First Baptist Church at Snyder and a former pastor at Tahoka, was here a short time today calling on friends, coming up from O'Donnell, where he conducted a funeral service.

Mrs. W. R. Sanderson Dies At O'Donnell

Mrs. W. R. Sanderson of O'Donnell, 76, died at her home there Tuesday afternoon of pneumonia. She had been sick only about one week.

Funeral services were conducted at the home Thursday morning by her pastor, Rev. Loper of O'Donnell and by Rev. L. L. Hays of Snyder. The body was taken to Big Spring for burial.

Deceased had long been a faithful member of the Baptist Church and was much loved by her neighbors and friends.

Edith

There was Sunday School Sunday. We are expecting to have a large crowd out Sunday. Everyone come and bring some one with you.

Every one present enjoyed the party at Mr. and Mrs. J. M. Faubion's Saturday night.

Mr. and Mrs. Carl Sanders visited Mr. and Mrs. G. C. Lindley of Lamesa Sunday. Mrs. Lindley, who has had pneumonia for some time, is said to be improving rapidly.

A birthday dinner was given for J. W. Owens, Johnnie Inman and Mr. J. M. Faubion Sunday at the home of Mr. and Mrs. J. T. Owens. Those present were: Mr. and Mrs. E. D. Payne and family, Mr. and Mrs. J. M. Faubion, Mr. and Mrs. Sherman Inman, Johnnie Inman, Edward Nelson, Lola Smith and Marie Sanders. All reported a good time.

Miss Maurine Cargile of Draw spent Sunday afternoon with Miss Dorothy Payne.

Mr. and Mrs. A. A. Anderson, Grandma Anderson and Inness Anderson visited Mr. and Mrs. A. H. Nelson of New Lynn Sunday afternoon.

Mr. and Mrs. Bishop and family visited Mr. and Mrs. Garnett and family Sunday.

Mr. and Mrs. Dudley Martin and baby of Draw visited Mr. and Mrs. E. D. Payne Saturday night.

Mr. and Mrs. A. L. Dunagan of Dixie visited Mr. and Mrs. Hoyal Sunday. Mrs. Hoyal is their daughter.

Mr. A. J. Bell made a business trip to Fort Worth last week.

Mr. Bill Garnett visited relatives at Clovis, New Mexico, a few days of last week.

Everyone remember Sunday is third Sunday which is our singing day, so everyone come and bring someone with you. Also singing Sunday night.—Reporter.

REPORTS FROM THE COUNTY CLUBS

Miss Sylvia Robb, H. D. Agent

Entries Must Be In Agent's Office Soon

"Everyone please get your entries in my office soon for the meat show at Lubbock April 12 and 13," was a statement made by Miss Robb Saturday, March 9, at the regular meeting of the H. D. County Council in the County Court room. Every club is urged to send entries and a representative to the meat show. The first day will be judging of the products and of much interest to the club members. The Lynn county women will help with the meat show on the 2nd of April. The Council elected four women to go and help Miss Robb. They were: Mrs. W. A. Tredway, O'Donnell; Mrs. Henry Heck New Home; Mrs. Harold Edwards, Tahoka; and Miss Christine Owens, Edith.

A report was given from each club and proved our clubs are really active and working. The Council has several new members from newly organized clubs.

The Council members are urged to be present next meeting in County Court room Saturday, April 13, at 2:30. All visitors welcome.—Reporter.

New Home H. D. Club Met Friday

The New Home H. D. Club met Friday evening, March 8th, in the home of Mrs. R. H. Bates with 12 old members; 10 new, 2 visitors and Miss Robb present.

After a business meeting Miss Robb gave a demonstration on how to make over our old chairs and kinds of fabric to use.

Our next meeting will be with Mrs. Loyd McCormick March 22.—Reporter.

Midway Club Has Program On Texas

"Texas has a very interesting history," said Mrs. Howard Draper to the Midway club on March 7.

"Texas has been under six flags and has been an organized state for ninety-nine years. The Centennial will be celebrated this next year."

We feel that each member of the club will appreciate and understand this great state of ours more after having heard the program at our meeting.

Edith H. D. Club Met March 8

Edith H. D. Club met March 8 with Mrs. T. I. Tippit. Seven members were in attendance.

Miss Robb gave an interesting discussion on the meat show to be held in Lubbock the last week in March.

The club will meet for an all-day meeting with Mrs. Kahl March 23 to piece the "club quilt". Every member be present. A covered dish lunch will be served at noon.

Petty H. D. Club Has Texas History Program

The Petty H. D. Club met February 28 in the home of Mrs. R. B. Nowlin.

The program was "Texas History". Many interesting facts about Texas were discussed. Mrs. R. D. Rogers was leader.

Our next meeting is to be with Mrs. D. C. Baker. Every member is urged to be present.

South Ward Club Met At School House

The South Ward 4-H club met March 4 at the school house.

Miss Robb discussed making over dresses. We are to have our dresses we are working on complete for the next meeting, March 15.

Those present were: Juanita Eaton, Violet and Mae Dell Hardt, Odean and Juanita Boen, Melba Evans and Mildred James.

Mrs. A. D. Seth Is Hostess To H. D. Club

The Tahoka H. D. Club met with Mrs. A. D. Seth in a good meeting with Mrs. M. C. Finch, the president, in charge.

Mrs. W. S. Anglin gave a report of the council meeting, and after a business session the meeting was turned over to Miss Robb. She gave a discussion of Canned Meats for the Meat Show, and a number of other matters were discussed by her.

Our next meeting will be with Mrs. Kary Mathis and Mrs. J. D. Strickland as joint hostesses.

Refreshments were served to Mrs. Robb and Mmes. M. C. Finch, M. O. Canaday, Rafe Richardson, H. M. Snowden, Clyde Jones, W. S. Anglin, A. C. Weaver, Kary Mathis, J. D. Strickland, Harold Edwards, J. H. Edwards, Roy Poer, James Connolly, J. M. Johnson, B. E. Faulkner, A. M. Cade, G. M. Reid; two new members, Mmes. A. D. Wallace and J. L. Tippit; and five visitors, Mmes. C. O. Carmack, Borden Davis, C. E. Wodworth, C. A. Thomas, Mrs. Evans, mother of Mrs. Finch, and the hostess, Mrs. Seth.

Grassland 4-H Club To Present Play

The Grassland 4-H club girls are presenting the play "Fingerprints" on Saturday night, March 16. This is a three-act comedy. The scene takes place at the Thorndyke Ranch house.

There are four boys and six girls playing. They are as follows: Hoosey Hawks, a fingerprint detective; Ned Thorndyke, owner of the Thorndyke Ranch; Jimmie Lee, his partner; Roger Whitney Jr., a rich city aleck; Pamina Thorndyke, daughter of Ned; Paulette Whitney, sister of Roger; Mr. Roger Whitney Sr., mother of younger Whitneys; Miss Amelia Thorndyke, Ned's sister who is very precise; Mignon Mowcare, the French maid; Porcelain Pungy, a colored cook.

Admission charges will be 5 and 10c. Place: school house. Time: 7:30 o'clock. Everyone is invited to come.

Grassland 4-H Club Has 26 Members Present

The Grassland 4-H club met February 27 at the school house with 26 members present.

We basted and fitted our dresses. We set the date March 13, to have them completed. Each girl has enjoyed sewing on her dress and we feel that we have learned much about sewing.

MARRIAGE OF MAN CONVICTED OF BURGLARY IS STOPPED

Lubbock, March 14.—Cupid was barred from Lubbock county jail yesterday.

Miss Nell Davidson, 25, of Tahoka procured a marriage license at the office of County Clerk Ed. D. Allen. She sought to marry Fred Coulter, 28, also of Tahoka, held in Lubbock county jail.

Coulter yesterday pleaded guilty before Judge Homer L. Pharr in 72nd district court drew 12 years for burglary and 3 for automobile theft.

The marriage was stopped by the sheriff's department.

One of the most helpful projects sponsored by the Texas Relief Commission, is improvement of lateral roads. In the engineering district embracing the counties in North Texas along the Red River, every precinct in every county has at least one of these projects in progress.

The Bureau of Air Commerce has announced that domestic air lines carried 461,000 passengers in 1934 as compared to 493,000 the previous year. The passenger miles flown, however, jumped from 173,000,000 to 187,000,000 and air express poundage rose from 1,500,000 to 2,000,000.

Cain Announced For Re-election

Prominent citizens of Tahoka have filed the name of Judge C. H. Cain as a candidate for mayor to succeed himself. No other name has been filed yet. It is not known whether any other citizen is even contemplating the filing of his name as a candidate. The election is to be held on Tuesday, April 2.

Three aldermen are to be elected at this election. The terms of S. E. Reid, L. C. Haney, and Sid Sanders expire. No names have been filed for these positions yet, though it is presumed that the names of these three whose terms expire will be filed. Whether other names will be filed remains yet to be seen.

The other members of the council, J. L. Heare and W. O. Thomas, were elected last year, as was also the city secretary, Miss Rosemary Nelms.

The term of Milt Finch as city marshal also expires. It is presumed that he will be a candidate for reelection.

WHOOPIING COUGH VERY DANGEROUS FOR CHILDREN

Austin, March 13.—Whooping cough is a disease of the spring and summer months. It is a real problem in households where there are a number of very young children. Statistics show that cases terminating fatally are greater among females than among males. The younger the child when attacked by whooping cough, the greater the cause for alarm for its recovery. Babies, therefore, should be safeguarded and kept away from persons known to have been exposed to whooping cough. The dangerous malady is spread through contact with the secretions of the nose and mouth, which may come from sneezing, the use of contaminated handkerchiefs, toys, cups, and in fact from any agencies which allow close contact.

There are three or more distinct stages noted in whooping cough. The symptoms of the first or catarrhal stage are similar to the ordinary cold, with an attendant cough. If the trouble is whooping cough, the cough grows worse instead of better as in an ordinary cold. The expulsion of mucous or vomiting commonly ends the attack of coughing.

Pneumonia and convulsions most frequently occur among children who are suffering from malnutrition. There is no communicable disease which extracts a higher toll among very young children than whooping cough.

Whooping cough is highly communicable disease and the young and poorly nourished should be protected in every way from coming in contact with this infection.

PARENT-TEACHERS CLUB TO HOLD ANNUAL ELECTION

The annual election of officers will take place at the next meeting of the Parent-Teachers Club, at 3:30 o'clock next Wednesday afternoon, March 20, at the high school auditorium, according to Mrs. Layne Moreland.

All members are urged to be present.

The Post Office Department ordered 152 persons and firms excluded from the United States mails in its latest attack on lottery tickets.

Mikhail Kalinin, President Russia: "Applause is delightful but pig, bread, milk and butter are more important."

J. Herman (Dizzy) Dean, St. Louis pitcher: "Babe Ruth will be just another out for us in the National League."

Flood of orders indicate strong public demand for government's new "baby bonds."

Lady Went Back To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dunagan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped. It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in 6¢ bottles."

Y. W. A.'s MEET AT HOME OF MRS. SETH MONDAY NIGHT

Members of the Y. W. A. met at the home of Mrs. A. D. Seth on Monday night, March 11.

The program given was based upon "Personal Service". The girls are studying and doing many personal service deeds.

The purpose of this study is to teach the girls of today that they can help many people at home by doing some little personal service deed daily.

Everyone enjoyed the program very much. All girls are invited to come and be with the Y. W. A. girls in their next meeting which will be held on March 25 at Mrs. Seth's home, beginning at 8 o'clock.—Reporter.

THE PHEBE K. WARNER CLUB ENTERTAINS WITH BRIDGE

The Phebe K. Warner Club entertained a number of couples Tuesday night with a benefit bridge party at the American Legion home. High score was won by Mr. and Mrs. W. T. Bovell and low by Mr. and Mrs. W. D. Smith Jr. Twelve tables were arranged.

Refreshments of ice cream and cake were served.

Mmes. R. W. Fenton Jr. and A. P. Edwards acted as hostesses for the club.

Roger Shaw: "One can do anything with bayonets except sit on them indefinitely."

Mrs. Alton Cain is much improved following an operation last Saturday at a hospital in Lubbock. She was able to leave the hospital early this week and is now at the home of her parents, Mr. and Mrs. E. J. Cooper, near Tahoka.

Mrs. J. C. Allen, wife of the Nazarene pastor, who was so critically ill of pneumonia, successfully passed the crisis and is now much improved. Brother Allen, who was also sick a few days, was able to be out again the first of the week.

"Wild Bill" Cummings Drives Second Chevrolet

"Wild Bill" Cummings, national A. A. A. racing champion, recently took delivery of his second Chevrolet—a new 1935 Master De Luxe sedan with which he is pictured above. Cummings became a Chevrolet owner following his victory at Indianapolis last Decoration Day. In the oval he is shown as he finished the Indianapolis classic, wearing the new type crash helmet that was recently adopted by the A. A. A. Contest Board for all racing drivers in 1935.

MRS. R. L. RICHARDSON IS HOSTESS TO WARNER CLUB

Mrs. R. L. Richardson was hostess to the Phebe K. Warner Club on March 8. During a short business session, Mrs. L. E. Weathers was elected delegate to the convention of the Federated Clubs of Seventh District which will be held in Plainview March 27, 28 and 29. Mrs. K. Mathis gave a parliamentary report in the form of a contest.

The subject for the program was "Scenic Texas". Mrs. H. C. Story in an illustrated talk on "A Tour of Texas" pointed out the varied topography, climate, and products of our state. Mrs. Carl Griffing very ably described "The Rose Window of San Jose" telling in connection the interesting legend of the carver and his sweetheart. In a vivid description of Cascade Cavern near Boerne, Mrs. K. Mathis made us realize that Texas has a cave equal in wonder to that of both the Mammoth and the Carlsbad Caves.

A plate lunch carrying out the St. Patrick motif was served to Mesdames K. Mathis, J. D. Strickland, A. P. Edwards, R. W. Fenton Jr., Carl Griffing R. L. Moreland, G. M. Stewart, L. E. Weathers, W. O. Henderson, A. B. Swan, H. C. Story and R. L. Richardson.

CHURCH OF CHRIST NOTES

The attendance both morning and evening last Lord's day were the best this year.

We are giving a series of sermons on "Jesus" at the morning hour, which are being well received.

Our hope is to strengthen spiritually among us by these lessons. We have had twenty present at the men's Bible study the last two weeks. We have room for several more.

Our question last week struck fire, so we will ask another. "Why will children catch diseases at church gatherings but not at the picture show?" Some good mother in Israel please answer this.

We want to commend the fine stand our good editor has taken on the liquor question. Every Christian should go to the polls next August and vote as Jesus would have us vote. If we would, the saloons would never return to our fair state. Come worship with us next Lord's day. Preaching at 11 a. m. and 8 p. m.

A friendly handshake will be given you at the friendly church.—R. P. Prennon.

Envelopes did not come into commercial use in the United States until 1840; ten years later practically all letters were enclosed.

Black-Draught For Dizziness, Headache Due To Constipation

"I have used Theford's Black-Draught several years and find it splendid," writes Mr. G. W. Holley, of St. Paul, Va. "I take it for dizziness or headache (due to constipation). I have never found anything better. A short while ago, we began giving our children Syrup of Black-Draught as a laxative for colds and little stomach ailments, and have found it very satisfactory."... Millions of packages of Theford's Black-Draught are required to satisfy the demand for this popular, old reliable, purely vegetable laxative. 25¢ a package. "Children like the Syrup."

BAPTISTS BUSY; WORKERS' CONFERENCE AT O'DONNELL

Mrs. H. P. Caveness brought an interesting interpretation of the Book of Habakuk when the W. M. S. met at the church for Bible Study Monday afternoon.

The pastor and several members of the W. M. S. report a very interesting meeting of the Brownfield Baptist Association workers in the O'Donnell Church Tuesday. The keynote address was "The Gospel According to You", delivered by Rev. Cole pastor of Lamesa Baptist Church. Mr. John Anderson, a deacon of the O'Donnell Church, spoke on the Laymen's part in the church program. Other speakers included Ed Hawthorne, J. M. Hale, W. R. Derr and W. K. Horn.

Mrs. L. Lumsden, Association W. M. U. president, conducted the Women's meeting during which talks were made by Mrs. H. P. Caveness, District Chairman of Personal Service, and the following Association Chairmen: Mesdames Ione West, Stewardship; K. W. Howell, Benevolence; E. I. Hill, Education; and J. T. Middleton, Margaret Mother.

The April meeting will be held with the Loop Church and attention is called to the fact that hereafter the meeting day is on Thursday following the first Sunday.

In the pastor's absence members of the W. M. S. conducted the prayer meeting Wednesday night, the theme being "Putting More Spirituality into the Service".

MISS EVA DOAK IS MARRIED TO J. LESLIE AT LUBBOCK

Miss Eva Doak, daughter of Mr. and Mrs. I. S. Doak, 1922 Seventh street, and John Leslie, son of Mr. and Mrs. Lee Leslie, 1627 Sixth street, were married at high noon Saturday in the home of Mr. and Mrs. Dan Stalkeld. It was announced here Tuesday. The ceremony was read by the Quanaah First Christian minister.

The bride wore a pink crepe suit trimmed with gray fur and brown accessories for the ceremony. After a short wedding trip to Amarillo the couple returned here to live.

Both Mr. and Mrs. Leslie are former students at Texas Technological college. The groom is employed by an ice cream company—Lubbock Avalanche.

RETAIL MERCHANTS TO MEET IN LUBBOCK MARCH 23

Lubbock, March 13.—Two hundred and fifty retail clothing merchants from West Texas and New Mexico are expected in Lubbock for the tenth semi-annual West Texas-New Mexico Wholesale Clothing Market, March 23 to 26, inclusive.

Approximately 75 wholesalers and manufacturers will have representatives and their line of ready-to-wear, millinery, shoe, men's wear, general line and other merchandise for inspection in the hotel sample rooms, with the latest Spring and early Summer style trends available to the merchants.

Monday evening, March 25, a style show will be held for the entertainment of the visiting retail merchants. Dances and other entertainment will be offered the guests, the Lubbock Chamber of Commerce, sponsor of the event, has announced.

Lady Went Back To Taking CARDUI and Was Helped

For severe periodic pains, cramps or nervousness, try Cardui which so many women have praised, for over fifty years. Mrs. Dora Dungan, of Science Hill, Ky., writes: "Several years ago, when I was teaching school, I got run-down and suffered intensely during menstruation periods. I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped."... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in 6¢ bottles.

PREPARE FOR EMPLOYMENT

The ultimate goal of most young people who go on with their education after high school is to secure a well-paying position with chances for advancement.

With business steadily improving, there is an increasing demand for capable young people who possess a high school education PLUS specialized business training.

How the Draughon Training and Employment Departments are helping many young people capitalize on their education and on the growing opportunities in business, and a proven plan for helping you to secure your first position, is fully explained in a new booklet called "Planning Your Future", which has just been published for young people who want to get ahead.

A postcard will bring your copy without cost or obligation. Write today. Draughon's Business College, Lubbock, Texas. (Or see this paper about Special Scholarship). 27-21p.

NOTICE FOR BIDS

Notice is hereby given that bids for assessing taxes for the Redwin Independent School district will be received and opened on Saturday, March 23, when contract will be let; provided, the board reserves the right to reject any and all bids.

ATTENTION! TAXPAYERS!

Owing to the fact that the school board of the Tahoka Independent School District last spring cut property valuations to a low point, it is absolutely necessary that all taxes be paid.

It was decided, therefore, at a recent meeting of the board that the penalty and interest will attach and go into effect on all unpaid taxes at the same time that the penalty and interest on state and county taxes go into effect, March 15, 1935.

All tax payers in the Tahoka Independent School District are urged to pay their taxes prior to February 1, 1935, and in any event not later than March 15.

Done by action of the board.

CARL GRIFFING, Secretary.

New Talking Picture Will Be Shown Here

A new talking motion picture en-
 titled "Partners" will provide a full
 hour of entertainment and educa-
 tion to farmers who attend John
 Deere Tractor Day, to be conducted
 by D. W. Gagnat, local farm equip-
 ment dealer, aided by representatives
 of the John Deere organization.
 This picture which is being en-
 thusiastically received by farmers in
 other localities, takes the audience
 into the huge John Deere Tractor
 plant at Waterloo, Iowa, and shows
 how tractors are built and tested.
 From the factory, the cameraman
 takes the audience out into the

field to see John Deere Tractors at
 work.

Woven into the picture is a story
 of how a father and his son became
 partners on the farm.

The meeting will be in session
 from 10 a. m. o'clock to 3 p. m. o'-
 clock on Wednesday, March 20 in
 the Gagnat Hardware building in
 Tahoka.

"We invite every farmer in this
 section to be our guest and we par-
 ticularly want the boys to come,
 too," says Mr. Gagnat. "The pro-
 gram will be in charge of men who
 are thoroughly familiar with trac-

tors. In plain, understandable lan-
 guage and illustrations they will de-
 monstrate the latest developments
 in tractors and the best ways to
 keep the farm tractor tuned up for
 greatest efficiency.

"We are planning to make this a
 sociable affair, but at the same
 a very worthwhile affair to farmers
 and their families. We are count-
 ing on a big crowd coming in to en-
 joy the big day with us."

John Deere Tractor Day is prov-
 ing exceptionally popular with farm-
 ers as evidenced by the picture a-
 bove which shows an interested
 group at one of these meetings.

J. F. Tharp returned recently
 from a visit of several weeks at Pe-
 can Grove in Coryell county, where
 he has a farm. Mr. Tharp says
 that all the oats in that section of
 the state were killed by the winter
 freezes and wheat was bit down to
 the ground, but there has been an
 abundance of rain and crop pros-
 pects are good.

Relief workers are giving Shelby

Mrs. F. L. Bullard, principal of
 the Joe Bailey school, was a caller at
 the News office Tuesday afternoon.

 will close in April, the session hav-
 ing begun in August last year. Oth-
 er teachers in the school are Miss

 community.

**BAND CONCERT HEARD
 BY CROWD AT SCHOOL**

(Cont'd from first page)
 The gap was nicely bridged by a half
 dozen good performers from Sla-
 ton's school band, including Prof.
 Rowe, their director.

Many who attended the concert
 have told us that they greatly en-
 joyed not only our Band numbers,
 but our novelty and comedy offer-
 ings as well. One feature of the
 program was an auction sale of

twenty-six staple articles donated
 by Tahoka business men, thus cre-
 ating a sizable sum on a fund for
 the purchase of a community or
 band-owned baritone horn. And,
 speaking for the entire organiza-
 tion, we take this opportunity of a-
 gain thanking not only the business
 firms for their gifts, but the school
 boys and girls and patrons generally
 for their presence and generous
 help in making all phases of our
 concert both pleasurable and suc-
 cessful.

Our band has functioned under
 serious handicaps in recent months.
 By reason of circumstances out of
 our control we have sustained con-
 siderable membership loss, but we
 are building in some new players in
 places of lost ones. But not to men-
 tion three or four parts we ought
 to have, but haven't, we lack a bar-
 itone, an almost indispensable in-
 strument when a band passes from
 grade 2 music. But this will be sup-
 plied ere long, and just as soon as
 we have weather agreeable for open
 air playing, we shall resume our
 weekly concerts down town. We
 would gladly play for Trades Day
 assemblies, but as a part of our
 members are in school, part are day
 laborers, and others clerking or op-
 erating a business, it is impossible
 to assemble on such occasions. How-
 ever, with the town's support we'll
 show cause for our existence.—N.
 W. Alphin, Director.

 The hail in Tahoka was suffi-

 a time it looked as if a big snow
 might visit this section, but the
 wind soon shifted to the northwest
 and brought a rift in the clouds and
 genial sunshine again. The weather
 since has been fine.
