Tahoka, Lynn County, Texas, Friday, April 10, 1942.

Number 35.

## Snow, Rain Give Moisture For Planting

### Army Day Program Honors Service Men

In spite of pelting raindrops and threatening clouds, a large crowd of people gathered on the streets of Tahoka and on the courthouse lawn Monday afternoon to witness the parade and to enjoy the program that was to follow in observance of Army Day. It was the twenty-fifth anniversary of our entry into the first World War.

The parade was impressive and just spectacular enough to make every American feel a sense of pride in his country and in the soldiers and sailors on the high seas, and in other lands fighting for the preservation of liberty and democracy. At the same time, it was a most solemn occasion, for every one seemed to be conscious of the enormity of the struggle into which America has been forced to enter.

The rendering of the program on the courthouse lawn as had been planned was made difficult, however, by a light sprinkle of rain that persisted in falling just at the time the program was given and eventually turned into a real shower in the midst of the program, sending the people scampering to their cars, to the shelter of buildings, and to other sheltered places, and making it necessary for the remainder of the program to be given in the district court room.

(Continued on page two)

### Sam Floyd Seeks Office Of Sheriff

Sam Floyd, well-known Lynn County citizen, this week announces his candidacy for the office of sheriff.

He has been a resident of this county for 26 years, coming here with his parents in 1916 from May, Brown County, when he was 14 years of age. The Floyds settled a few miles southeast of Tahoka and the family has lived in that vicinity ever since. Sam was just a youth when they came here. He attended the local schools, and since becoming grown he has been farming. He is married and has two children.

For several years he was employed by the old West Texas Gin, and since 1939 he has been bookkeeper at Tahoka Co-operative Gin.

Mr. Floyd is a likeable fellow, and has many friends scattered all over Lynn County. He has had much experience in office work, in meeting the public, and has an ambition to make Lynn County a commendable record as sheriff, for which office his experience and ability should qualify him.

In making his announcement, Floyd said: "I expect to make this race on my own merits and not on anyone's demerits. If elected, I promise to do my very best to make a hand for all of the people."

He expects to make a thorough canvass of the county. Because of circumstances beyond his control, he is unable to campaign much now, but he expects to see all voters before election day. He asks that all citizens give his candidacy careful consideration.

### Mrs. Beryl Robinson Given Promotion

Word has come from the State Hospital at San Antonio that Mrs. Beryl Robinson has been promoted to the position of chief dietitian at that institution. She had been serving the past several months as assistant.

Prior to her recent marriage, Mrs. Robinson was Miss Beryl Robertson. She is the daughter of Mr. and Mrs. W. O. Robertson of this city and graduated at the Texas Technological College last summer in the Home Economics department, specializing in dietetics.

### Albert Williams Died Wednesday

After a four week's fight for his life against the ravages of an incurable disease, John Albert Williams of Draw, 48, died at 4:42 p. m. Wednesday in the Lubbock General Hospital, and his remains were brought by a Harris ambulance to Tahoka to be prepared for burial here.

Funeral services will be conducted at the Methodist Church here this (Friday) afternoon by Rev. Jesse Young, pastor at Draw.

Death resulted from cancer of the stomach. Mr. Williams became ill about five weeks ago and was taken to the hospital on Tuesday, March 10. On Saturday, March 21, surgeons made an incision with the intention of removing the cancerous tissues but found that an operation would be futile and closed the opening. While fighting bravely for his life, Mr. Williams seemed to realize,

(Continued on page 5)

### Electric Cooking School Next Week

A School of Electric Cookery will be given here two days next week, Thursday and Friday, April 16 and 17, at the offices of the Texas-New Mexico Utilities company, by Miss Anna Bell Hickman, the company's cooking specialist.

In making announcement of the school, W. S. Anglin, local manager, stated that every woman has a cordial invitation to attend. New recipes and latest cooking methods will be demonstrated each day by Miss Hickman.

The school begins at 2:30 o'clock each afternoon.

### Food Stamp Plan Here Is Dropped

Judge Chester Connolly on Tuesday received a communication from Forrest M. Wright of Lubbock, Area Supervisor for the Agricultural Marketing Administration, to the effect that the application of Lynn County to be included in the Food Stamp Plan would have to be denied for the reason that the House of Representatives at Washington had cut the funds short for this purpose.

Judge Connolly states that, as he understands it, there were about eleven other counties in this section of the state in which the Food Stamp Plan was to go into effect on May 1, and that the action taken applies to all of them.

### Burnett Smith Is New Post Office Clerk

Burnett T. Smith, teacher of Mathematics in the Tahoka High School for the past several weeks, has been appointed substitute clerk at the post office here. He won the position on competitive Civil Service examination held in January.

Mr. Smith was reared at Petty in this county. For several years he has been principal of the Edith public school, but after Lee Dodson, principal of the high school here, resigned to teach Mathematics in an Army school in Illinois, Mr. Smith was elected to a position as teacher in the high school.

Edgar Edwards has been supplying as temporary substitute clerk at the post office for the past few months. He is a worthy and capable young man but has not announced his plans for the future yet.

### Truett Smith Is New Rotary Head

Truett Smith was elected president of Tahoka Rotary Club for the year beginning July 1, directors announced at Thursday's meeting of the club. He will succeed Frank Hill, the president club head. W. T. Hanes was elected vice president. Three new directors were named a few weeks ago, Frank George, Joe Heare, and Otho Thomas. Holdover directors are Houston Spikes, Frank Hill, Truett Smith, and W. T. Hanes.

Thursday's program was furnished by L. C. Hanes and Winston Wharton in the form of moving pictures. Two very interesting reels were shown, one being entitled "Rattlesnakes," which was filmed at Albany, and the other of the Jap attack on Pearl Harbor.

Visitors included Rotarians Arch Hunsley of Amarillo, "Shine" Phillips, accompanied by three young ladies, from Big Spring; Rev. H. H. Hollowell, D. J. Bolch, and Waymon Everett, all of O'Donnell.

### Wilson Youths Win At Show

Wilson boys won quite a number of prizes at the South Plains Junior Fat Stock Show in Lubbock Tuesday.

The grand championship in the lamb division went to Ray Cook of Wilson on a lamb he had on exhibit. In the hog division, Billy Gryder of Wilson won first place on a Berkshire he had entered.

In the fat cross-bred lambs class, Ray Cook won not only first place but third place also; James Nieman of Wilson placed fifth, and David Stell of Wilson seventh.

Also, in the best group of five cross-bred lambs, Ray Cook placed first.

In the Berkshire, light pig class, Billy Gryder of Wilson placed first, James Nieman of Wilson second, Neil White of Wilson third and Dermont Oliver of Wilson fifth.

Joe Swartz, Dub Fulford, Bartley, and Sonny Roberts, all of Tahoka, had entries in the calf division.

Mrs. E. D. Couch called at the News office Wednesday and stated that their nephew who resided with them is now a truck driver at an army camp in Michigan. He had been there since leaving Sheppard Field at Wichita Falls about three months ago.

### Two Charged With Forgery, Another With Swindling

Sheriff B. L. Parker was a busy man last week. He bagged a would-be swindler and two alleged forgers. One of the men was caught in a store here and the other two were located at different points in East Texas.

Tommie Garcia, a Mexican, was the first one of the three nabbed. He came into the A. L. Smith Food Store here on Wednesday with a check which purportedly had been signed and delivered to him by D. T. Rogers in the sum of \$16.85, and presented it to Mr. Smith. Mr. Smith suspected it to be a forgery and made the pretext of needing some change and took the check with him to the bank. There he phoned to Mr. Rogers and found that the latter had given no such check. The Sheriff was notified and the Mexican was arrested before he could even get out of the store.

On the same day, Mr. Parker went down to Crockett for Charlie Mae, who had been apprehended there on Tuesday, and he brought the prisoner back to Tahoka on Thursday, where he was placed in jail on a charge of forgery and of passing a

### Tahoka Soldier Is Killed In Action

A message from the War Department addressed to Mrs. Iva Womack came over the wires last Friday morning bearing the news that her son, Herbert Womack, had been killed in action on March 24. The message was forwarded to Mrs. Womack's present address at 1829 17th St., Bakersfield, California.

Herbert was in the Signal Corps of the U. S. Army in the Philippine Islands. He had joined the army in June or early in July last year and was sent to the Philippines almost immediately. The last letter his mother received from him was written on November 11, 1941. At that time he was stationed at Neilson Field in the Signal Corps, Port Area, Manila, and he was operating a teletype machine in the Manila post office. Presumably he was there when the Japs made their assault on Pearl Harbor, Hawaii, and when they invaded Luzon and captured

(Continued on page 5)

### Lyntegar Holds Annual Meeting

Members of the Lyntegar Co-operative had their annual meeting in the English Theatre here Tuesday at 2:00 p. m., with about 150 present. The attendance was cut down somewhat by the rain and threatening weather.

Directors for the ensuing year were elected as follows: J. F. Maxey for Garza County, James F. Daniel for Terry County, Earl Houx for Hockley County, C. M. Burton for Dawson County, Frank Harris for south Dawson and Martin, John Heck of Wilson for North Lynn County and A. R. Hensley of Draw for south Lynn and Borden.

Of the entire board, Earl Houx is the only new director, taking the place of Leslie L. Greene of that county.

Following the meeting of the members, the directors met and re-elected John Heck president; C. M. Burton of Dawson County vice president, and A. R. Hensley of Draw secretary-treasurer.

Garland Pennington of this city is the general manager and Tom Garrard, the attorney.

A most gratifying report showing healthy growth during the past year and a satisfactory financial condition was made by the secretary-treasurer, A. R. Hensley.

### C. T. Oliver Is Injured In Wreck

C. T. Oliver remains in a critical condition in the Lubbock General Hospital following an accident on the Lubbock-Brownfield highway near Wolforth about four o'clock last Friday afternoon in which he sustained most serious fractures of both hips and other injuries; though there are strong hopes now for his ultimate recovery.

The accident occurred when a car in which he was riding with Ed Terrell of Lubbock as the driver, crashed into the rear end of a school bus on the highway.

Terrell, 60, was not thought at first to have been seriously injured, but he died early the next morning in the Lubbock General Hospital, evidently having suffered internal injuries not readily discernible.

Messrs. Terrell and Oliver, both of whom are engaged in the real estate business, had been to Denver City on

(Continued on Back Page)

### Scholastics Show Increase Here

An incomplete check-up of the scholastic census recently taken in the Tahoka Independent School District by Carl Griffing, secretary of the board of trustees, shows a slight increase in the number of scholastics during the past year. The census last year showed a total of 642 while 670 have been enumerated this year.

Mr. Griffing says that since there has been quite a bit of moving in and out of the district, final figures may slightly change the total figures for this year.

### Mrs. Tankersley Is Buried Wednesday

Ninety years is a long time to live, as human life goes.

But when Mrs. Mary Jane Tankersley died at 12:45 Tuesday afternoon at the home of her daughter, Mrs. Joe Brown of the West Point community, her life span had extended over a period of ninety years and more than seven months. She was born on August 27, 1851.

Funeral services were conducted at the Harris Funeral Chapel here at 2:30 o'clock Wednesday afternoon by her pastor, Rev. Bruce Giles of Redwine, and the body was laid to rest in the Tahoka cemetery.

Survivors include two sons and four daughters. The sons are C. T. Tankersley and Joe Tankersley of West Point; the daughters, Mrs. Tom Parsons of Sanderson, Mrs. Charlie Wilson of Marathon, Mrs. Joe Brown and Miss Clara Tankersley of West Point.

Mrs. Tankersley also leaves surviving her seven grandchildren, seventeen great-grandchildren, and

(Continued on Page 5)

### Local Bank Deposits Million And Half

Without having taken time to make comparisons, it is believed that the statement of the First National Bank published in this paper this week shows one of the largest amounts of money on deposit at this season of the year in the history of this institution. The total deposits are shown to be \$1,466,034.67. This would indicate that no wolf is howling at the door of Lynn County farmers and business men.

Total assets of the bank are shown to be \$1,637,521.74.

### Weather Proves Anything Can Happen Here

Another weather record for April was doubtless broken here Wednesday when at least six or eight inches of snow fell. The exact amount could not be determined for the reason that much of it melted as it fell, and besides it is always difficult to get an exactly accurate estimate of the amount of snowfall.

Rain fell during Tuesday night and Wednesday morning preceding the snow, and for a few hours rain and snow fell at the same time. In the early afternoon the precipitation turned entirely to snow, and during a large part of the afternoon and until twelve o'clock that night the fall was continuous and heavy. There was little wind, and the big flakes came down beautifully. It is not believed that so much snow has fallen in Lynn County in the month of April in any previous year since precipitation records have been kept here. The rain and snow during the day and night yielded a moisture content of 1.69 inches. Previous precipitation during the week amounted to .17 of an inch, making a total for the week of 1.86 inches.

This is fine for farm lands and pastures and farmers are delighted. Although the snowfall was heavy, the temperature never dropped below 30 degrees at any time during the week.

### Walker, Slover Are Elected Trustees

In the school trustee election here last Saturday, 112 votes were cast. The election generally was very quiet, but in the afternoon a write-in campaign was quietly staged, which resulted in a considerable increase in the vote.

The names of Prentice Walker and John Slover, incumbents, were the only names appearing on the printed ballots, but quite a contingent of the voters wrote in the names of Roy Edwards and F. M. McBeth, both being most excellent gentlemen and well qualified for the position.

It is believed that voters generally, however, are well pleased with the present board and were content for the personnel of the board to remain unchanged.

The result of the balloting was as follows: Prentice Walker, incumbent, 61; John Slover, incumbent, 63; Roy Edwards, write-in, 44; F. M. McBeth, write-in, 44.

At O'Donnell also a write-in campaign was waged, and one of the write-in candidates, Delbert Mires, was elected, defeating T. R. Tune, incumbent. Shack Blocker, incumbent, was re-elected. The votes stood: Blocker, 54; Mires, 34; Tune, 24. The results of other elections in the county are not available at the present time.

### Welfare Office Is Open First Mondays

The representative from the State Department of Public Welfare will no longer be available to take applications in Lynn County for Old Age Assistance, Aid to Dependent Children and Aid to Needy Blind on the first and third Wednesdays of each month as in the past.

Beginning May 1, 1942, the office will be open on the first Monday of each month from 9:00 a. m. to 4:00 p. m. for these applications.

Those people who have planned to file an application on the third Wednesday in April, may see the worker at the office in the basement of the Courthouse on May 4, 1942.—Kanna Stephens, field worker.

Mrs. Irene Gallagher, clerk at Cobb's store, has been ill the past week.

### Navy Recruiting Officer Is Coming Here Each Monday

The Navy Recruiting Station at Lubbock, Texas, has announced that young men of this community will have the opportunity to make application for enlistment in the Regular Navy or the Naval Reserve at the Post Office in Tahoka, every Monday, starting April 13, 1942.

Men between the ages of 17 and 36 may enlist in the Naval Reserve for training in aviation, radio, signals, clerical work, metal smith, machinists, electrical, carpentry and storekeeper work. The Navy is now operating 72 trade schools in which enlisted men receive the pay and allowance of their rating. Those who fail to qualify for or in the trade schools are retained in general service for duty where best qualified. Promotion is open to them in other lines of work.

Mechanics, clerical workers and others qualified through experience in trades or professions may enlist in the Naval Reserve with rating and monthly pay beginning at \$60.00, \$72.00, \$84.00, or \$99.00, depending upon the individual's qualifications. Age limits in this classification are from 17 to 50 years (nearest birthday).

Married men may be enlisted in the Naval Reserve if qualified for pay rating sufficient to support their dependents, or if such dependents have other means of support. Those enlisted at pay of \$72.00 per month or more, receive \$1.15 per day extra as housing allowance for dependents.

Enlistment in the Regular Navy provides for a full-time employment career with retirement privilege with good income at an early age. J. E. Calloway, Recruiter in Charge, Lubbock Navy Recruiting Station, declared.

All applicants under twenty-one years of age must furnish proof of place and date of birth.

Give a book for a soldier.

### RENEW THE OLD!

Why throw away the old clothes when CRAFT'S can make those old ones look like new again.

Your clothes, like your tires, must last longer.

**CRAFT'S TAILOR SHOP**  
Phone 90-J.

### MINOR-ARMAND

Mr. and Mrs. H. R. Minor of the Midway community are announcing the marriage of their daughter, Miss Lenna Vae, to Mr. Oscar Armand, of San Diego, Calif., the event having occurred in that city on March 29.

Mrs. Armand is well known in Lynn County, having been reared in the New Home community and having completed her high school education in the county, after which she was graduated from Draughon's Business College in Fort Worth. For some time she has held a position with Leonard Bros. in Fort Worth.

While the groom is not known here we understand that he is an officer in the 5th Armored Division, and that the couple will make their home in San Diego for the present.

### LIMITED BY WPB CAR LICENSE TAGS

AUSTIN, April 8—The War Production Board has issued a general limitation order on metallic license plates, the general effect of which is that Texas as well as other states continue the 1942 motor vehicle license plates in use for an indefinite period.

It was announced that the State Highway Department would cooperate fully with the national war effort in conservation of steel heretofore used in the manufacture of motor vehicle license plates.

The State Highway Engineer called attention to the fact that while the 1942 license plates were carefully made and the materials used in the manufacture are of the best, the manufacture of 1942 plates was begun six months prior to the entry of this country into war and the subsequent shortage of materials. It is believed the 1942 license plates will withstand weather conditions for two years and perhaps longer if the car and truck owners will clean them frequently and apply wax, polish or other preservative.

### CARD OF THANKS

I wish to thank the friends and neighbors for their great kindness during the illness and upon the death of my husband, J. K. Woosley. Their thoughtfulness and innumerable tokens of sympathy and esteem are appreciated by me most sincerely. — Mrs. Viva Woosley.

If much can be done for boys to interest and instruct them, more can be done for girls. Teach them to mend, sew and cook; how to dress a wound . . . and how by simple arrangement the environment of the home can be transformed into a place of beauty. (Dr. Seaman A. Knapp—1910).

The power which transformed the humble fishermen of Galilee into mighty apostles of truth is ever present and can be used as effectively today in any good cause as when the Son of God turned His footsteps from Judea's capital and spoke to the wayside children of poverty. (Dr. Seaman A. Knapp—1904).

Mr. and Mrs. John Heaslet of Mesa, Arizona, who were moving to Tulsa, Okla., visited his brother, Jim Heaslet, and family, here early this week.

### Earl Tune Now In Oklahoma

WILL ROGERS FIELD, Okla., April 8 — Private John Earl Tune, formerly of Pomona, California, is one of the soldiers stationed at this Army Air Force bombardment base. Private Tune is assigned to the Medical Detachment, here as an Assistant Sergeant Major and typist. He is the son of Mr. Thomas Rufus Tune, of O'Donnell.

Before entering the Army on January 28, 1942, Private Tune resided at Pomona, California, where he was employed at a meat market operator.

Before reporting to Will Rogers Field on January 28, 1942, he was on duty at Camp Grant, Illinois.

### FORMER NAVY MAN ATTENDS ARMY DAY CELEBRATION HERE

Mr. and Mrs. J. H. Stamps of Andrews were here Monday for the Army Day celebration, and while here they were the guests of their long-time friends, Mr. and Mrs. L. O. Mitchell. Mr. Stamps is a brother of the members of the well-known Stamps Quartet.

He was in active service in the U. S. Navy for eight years, four years just preceding the first World War and four years during that war, and was then in the Naval Reserve for eight years, making sixteen years in all in which he was connected with the Navy.

Naturally, he is very much interested in the exploits of the Navy in this war, and is also interested in the work of the land and air forces.

### PANHANDLE PHOTOGRAPHY ON DISPLAY IN MUSEUM

CANYON, April 8 — The best in Panhandle pictorial photography is on display at the Panhandle-Plains museum.

The photographs will remain on the walls of the art room through April 15.

While the exhibit is smaller this year, the quality is high and the range of the subjects broad. It is the fourth annual salon at the museum. Miss Isabel Robinson, head of the department of art, and Olin E. Hinkle, director of journalism, are the sponsors of the event.

Mr. and Mrs. E. J. Cooper, Miss Mildred, and Mr. and Mrs. P. A. Nowlin spent the Easter week-end with their son and brother, Truett Cooper, a senior student at Texas A. & M. College at College Station. The Tahoka group were joined at San Saba by Mrs. Truett Cooper who is employed there until her husband graduates from college.

### CARD OF THANKS

We desire to thank our many friends for the unfailing kindness and helpfulness with which they so generously favored us during the serious illness of our little son, Roswell. We are truly grateful to every one of you. — Mr. and Mrs. L. N. Bartler.

Here this week on account of the serious condition of C. T. Oliver, their brother, who was hurt last Friday in a car wreck, were E. A. Oliver of Sunset, J. A. Oliver and Mrs. J. H. Trusty of Comanche, Oklahoma, and Mrs. D. C. Pyle of Big Spring. All have returned to their respective homes.

Paul Howell, who is employed as a mechanic at Carlsbad, New Mexico, visited with his family here Sunday.

### CONTRACTOR'S NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 21,482 miles of Asphaltic Concrete Pavement from 3 miles east of Tahoka to Post on Highway No. US 380, covered by Control 297-6&7-6&8, in Lynn & Garza Counties, will be received at the Highway Department, Austin, until 9:00 A. M., April 10, 1942, and then publicly opened and read. The wage rates generally prevailing in this locality, which are listed below, shall apply as minimum wage rates for those employees employed and paid by the Contractor on this project.

Title of "Laborer," "Workman" or "Mechanic" Prevailing Minimum Per Diem Wage (Based on Eight Hour Working Day)

Cran Operator	\$8.00
Mechanic	8.00
Finisher Operator (Asphaltic Concrete Finishing Machine)	8.00
Distributor Operator	5.20
Asphalt Raker	4.00
Roller Operator	4.00
Distributor Driver	4.00
Tractor Operator	4.00
Blade Operator	4.00
Truck Driver (over 1½ tons)	4.00
Blacksmith	4.00
Fireman (Asphalt Plant)	4.00
Oiler	4.00
Broom Operator	4.00
Truck Driver (1½ tons & less)	3.20
Flagman	3.20
Unskilled Labor	2.20
Watchman	2.20
Water Boy	2.40

Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of F. B. Ogle, Resident Engineer, Brownfield, Texas, and Highway Department Austin. Usual rights reserved. 34-20

1 cup sugar 1½ cups Fat Milk  
6 tablespoons cocoa 1 cup water  
2 tablespoons cornstarch 2 eggs, separated  
¼ teaspoon salt 1½ teaspoons vanilla

Mix together thoroughly ¾ cup sugar, the cocoa, cornstarch and salt. Stir in diluted milk slowly. Put over boiling water. Cook 20 minutes after water again comes to a boil, stirring frequently. Remove from heat and slowly stir into slightly beaten egg yolks. Return to heat and cook 2 minutes longer, stirring constantly. Cool, then add vanilla. When cold, put in 9-inch baked pastry shell. Beat egg whites until stiff, but not dry. Continue beating while adding remaining ¾ cup sugar. Spread on top of pie. Bake in very slow oven (300° F.) 15 minutes, or until brown. Cool thoroughly before serving.

**Historical Review Has Interesting Story**

CANYON, April 8.—The latest edition of the Panhandle-Plains Historical Review contains "The Journal of Lieut. J. W. Abert From Bent's Fort to St. Louis in 1845." The Journal is edited by Dr. H. Bailey Carroll, noted Texas authority on old trails.

Dr. L. F. Sheffy, editor of the Review, commends Dr. Carroll's work as scholarly.

The Abert reconnaissance was made over Raton Pass on the mountain branch of the Santa Fe trail. The account is a detailed, interesting story of the journey, including descriptions of the flora and fauna, weather, natives, and geography of the region. A large map of the territory is included in the Review.

Dr. Carroll declares the report merits far more recognition than it has received.

Elwayne Nevill, who was recently transferred from Randolph Field at San Antonio to Corsicana, left Tuesday after a ten days' visit here with his parents, Mr. and Mrs. J. L. Nevill.

**BONDS—WHICH?**

**Judge Louis Reed Praises U. S. O.**

Truett Smith had a letter recently from Judge Louis B. Reed, who is now Lieut. Col. Louis B. Reed at Fort Sill, Lawton, Oklahoma, in which he tells of a most impressive service which he had just attended at "Post Chapel" the preceding Sunday, and in which he mentions a number of other interesting sidelights on army life.

"The USO buildings," Col. Reed stated, "are certainly attractive and well equipped. Thousands of men visit them weekly. Those who contributed to USO should be happy in the thought that the money was so wisely spent. Also all of the various organizations have rather attractive recreation buildings that they furnished themselves.

"Ft. Sill also has, in addition to the 'Post Chapel', a number of smaller chapels for religious services. The music and song service is always splendid, as many very talented young men are being sent to the army.

"I am very much impressed with the progress being made by the men who come to the army. You can tell my old world war buddies that it is vastly superior to that of the other World War. In the first place, the young men are intelligent and eager to learn all that they can. Then there are so many more officers and so much better officers than we had the other time. The young officers in this war have all had four years military training in college. Also young officers are being commissioned from the ranks after a course of intense training. This army is the democratic army of a democratic, liberty-loving, God-fearing people."

Judge Reed made mention of the fact that Private Brewer of O'Donnell is a member of his regiment and says that he is a good soldier.

He sends his regards to the members of the bar and to his other friends.

**HACKBERRY H. D. CLUB STUDIES CHICKENS**

The Hackberry Women's H. D. Club met at the club house at 2:30 on Thursday, April 2, with three members, one visitor, and Miss McNatt present.

Our president, Mrs. Herman Dabbs, has been in the bed sick for three weeks, and we sent her a pot plant. Mrs. Hubert Taylor, vice-president, was given the privilege of taking it to her.

Miss McNatt gave us a good lesson on chickens and feeding baby chicks, which we all enjoyed very much.

Mrs. H. D. Hallman is dress demonstrator and gave some points on her work.

We hope more will be present next time. — Reporter.

Mr. and Mrs. Jim Wetsel were over from their new home at Cross Plains to visit her mother, Mrs. Cox, and to visit C. T. Oliver in a Lubbock hospital. They assured friends here that they are thrilled over the new home.

**Judge Connolly Presents Letter On Food Stamp Plan**

To all merchants and consumers interested in the Food Stamp Program: I have received the following communication, which is self-explanatory. — Chester Connolly, County Judge.

**AGRICULTURAL MARKETING ADMINISTRATION**

Lubbock, Texas, April 6, 1942

Dear Judge Connolly: We have been notified by our Washington Office that the Bureau of the Budget has impounded funds which were appropriated and allocated for Food Stamp expansion in our area this fiscal year. We are advised that this action was taken in view of the House of Representatives action on budget recommendations for our Program. As a result of this decision, it will not be possible to extend the program to include Lynn County or the other counties which were to be opened May 1, 1942.

We regret that this action was necessary; however, we have been assured that if, and when, expansion is possible, further consideration of your application will be made.

Very truly yours,  
Forrest M. Wright,  
Area Supervisor. 1tc

**NEW LYNN 4-H CLUB MEETS**

The New Lynn 4-H Club met April 7 at the school.

Miss Maurine McNatt, home demonstration agent, explained the meaning of National 4-H Club Week which is April 5-11.

The girls planned to celebrate this week with a party for the entire school which will be held Friday afternoon.

Miss McNatt gave a demonstration on planning and planting flower beds.

Thirteen members were present.

**Feeding Wormy Layers Just Doesn't Pay**

You can't afford to pour feed into wormy layers, especially when it is so easy to do something about those worms. Stop in and ask us about the poultry wormer that's preferred 2 to 1, DR. SALSBUARY'S ROTA CAPS.

**WYNNE COLLIER DRUGGIST**  
A member of Dr. Salsbury's National-Wide Poultry Health Service.

**Miss Lois Montgomery Weds Travis Mason**

Miss Lois Montgomery, who teaches homemaking in the Tuscola high school, Taylor County, and Mr. Travis Mason, principal of the high school and athletic coach, were united in marriage in San Angelo last Sunday, according to announcement sent to the parents and friends here.

Mrs. Mason is the daughter of Mr. and Mrs. Will Montgomery of this city. She was born and reared here, is a graduate of the Tahoka high school and received her B. S. degree at the Texas Technological College last spring, after having made an outstanding record as a student in that institution. She has been teaching in Tuscola since the opening of school last fall.

Mr. Mason is the son of Mr. and Mrs. John Mason of Sylvester and received his college training in Abilene Christian College.

The couple will continue to teach and make their home in Tuscola.

Miss Johnnie Fulford, who teaches in Ralls, spent the week end here with her parents, Mr. and Mrs. John Fulford.

**CITATION BY PUBLICATION THE STATE OF TEXAS, COUNTY OF LYNN.**

TO: Claude Cash, Guy Cash, Ernest Cash, J. S. Cash, Bert Cash, M. G. Cash, Mrs. Minnie Wardlow, Mrs. Belle Permenter, and the heirs and legal representatives of each of said eight parties.

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 27th day of April, A. D. 1942, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 6th day of March, 1942.

The file number of said suit being No. 1436. The names of the parties in said suit are: J. T. Herd as Plaintiff, and R. M. Cash, Claude Cash, Guy Cash, Ernest Cash, J. S. Cash, Bert Cash, M. G. Cash, Mrs. Minnie Wardlow, Mrs. Belle Permenter, and the heirs and legal representatives of each of said nine parties complained of, and the unknown heirs and legal representatives of each of said nine parties, as Defendants.

The nature of said suit being substantially as follows, to wit: Plaintiff is the owner of the Northeast Quarter (NE 1/4) (Farm 138) out of Survey No. Five Hundred One (501), Block One (1), Certificate No. 4-743, containing 164.8 acres of land, in Lynn County, Texas, more particularly described in plaintiff's petition, and further described in deed to M. G. Cash dated March 2, 1917, of record in Book 25, p. 124, of the Deed Records of Lynn County, Texas; that M. G. Cash died, and his wife as survivor of the community estate, encumbered for more than \$5500.00, was empowered to sell, and did sell, said land, afterwards acquired by the plaintiff, as against the heirs and legal representatives of the said M. G. Cash, and other defendants above mentioned; that defendants have wrongfully entered upon said premises and ejected plaintiff to his damage in the sum of \$5000.00; that plaintiff has title to said land under the five-year statute of limitation, as alleged, and is entitled to recover said land, and have title quieted in him, as against said defendants and have all claims asserted by defendants canceled and removed.

Issued this 13th day of March, 1942.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 13th day of March, A. D. 1942.

(Signed),  
Hattie Server,  
Clerk, District Court,  
Lynn County, Texas.

**SHOWER FOR MRS. LEROY SIKES**

Mrs. J. H. McNeeley was hostess in her home last Thursday afternoon to a group of friends and neighbors who gave a shower of miscellaneous gifts to Mrs. Leroy Sikes, the former Miss Lillie Mae Clinton, daughter of Mr. and Mrs. Charlie Clinton.

The gifts were brought to the bride in a little red wagon and when opened were found to consist of a number of attractive and useful articles to make housekeeping duties lighter.

The hostess, assisted by Mrs. Dee Sanders, served refreshments to the following: Mmes. Charlie Terry, T. B. Buffrough, James Heaslet, P. Ellis, Arlie McNeeley, S. L. Shelton, O. B. Morris, D. Moore, Shorty Lee, M. V. Hodge, M. P. Clinton, Jessie J. Young, S. J. Heaslet, W. R. McNeeley, C. E. Clinton, C. R. Riley, E. B. Gaither, Sanders, the honoree, Mrs. Leroy Sikes, and the hostess, Mrs. McNeeley. Little Emily Sikes, the daughter of Mr. and Mrs. O. C. Sikes, was also a guest.

There is only one effective way to reach and influence the farming classes and that is by object lessons. (Dr. Seaman A. Knapp—1907).

As soon as the man begins to grow he will work for every rural betterment. (Dr. Seaman A. Knapp—1903).

**No doubt about it— CERESAN COTTONSEED TREATMENT PAYS!**

There's everything to gain, and nothing to lose, when you plant CERESAN-treated cottonseed! CERESAN generally reduces seed rotting, sore-shin and certain other surface seed-borne diseases; commonly gives stronger stands; usually increases yields, often 10 to 25%. Oklahoma Agricultural Experiment Station, Stillwater, quotes progressive planters as reporting that treated seed often "pays for itself by allowing lower seeding rates, by simplifying the planting operations, and by improving the regularity and quality of the stand." CERESAN costs little, is easily applied. Get it from your dealer to treat your own seed, or buy seed marked with the CERESAN Certificate Tag.

**TREAT OTHER SEEDS, TOO!**  
Use Semosan Jr. for corn; New Improved Ceresan for small grains; Semosan for vegetables; Semosan Hot for potatoes.

Those Japs must have had a lot of fun out of bombing Pearl Harbor, Wake Island, the city of Manila, and Hong Kong, but the war is doubtless becoming less funny to them every day. Faster and faster big American bombers are arriving in Australia and Burma and China. Faster and faster the fighting airplanes are coming. More and more and more Japanese ships of various kinds are being sunk week by week. Steadily and rapidly the Japs see the mighty power of Uncle Sam growing in the air, on the sea, and on the land, while they find it difficult to replace their losses of fighting craft and equipment. They have been "stumped" by the fighting spirit and fighting power of a little army of Americans of Bataan Peninsula. It must have been a stunning disappointment when they were compelled to give up for the time being, and probably for all time, their purpose to invade Australia. They are still pushing westward in India, but the indications are that they have just about reached the end of their rope even there. We are wondering if they are not beginning to see the hand writing on the wall. Well, if not, they will be seeing it before the summer is ended, for Uncle Sam is going to grow stronger and more aggressive every week from now on until he whips the very pants off that swarm of crooks and makes Japan look like dog meat.

Some of the Washington higher-ups have thrown up their hands in holy horror at the thought of cutting off the time-and-a-half and double-time pay for over-time work in war industries for the "duration" on the grounds that the contractors would thereupon reap the profits. Nobody who has protested against this over-time pay, that we know of, has ever proposed or intended that the contractors be allowed to gobble up the saving in wages thus made. On the contrary, they have been demanding further that war profiteering everywhere be stopped. Plenty of ways can be found by Congress to put a crimp in profiteering by contractors as well as by members of labor unions.

**For Justice of the Peace, Prec't. 1:**  
P. D. SERVER

As this is written, it seems that Wainwright and his brave men can not possibly hold out on Bataan Peninsula much longer, all because the leaders of this nation as well as the masses were too complacent and failed to prepare for the present situation before the war broke upon us. Being unprepared, we have not been able to send reinforcements of men or of fighting equipment to the Philippines, and now we must stand by, remorseful and shame-faced, and see our brave men fiendishly murdered. Surely we are learning a lesson from this blunder that will keep us from repeating it at any time in the future after this war is over. Our children and our children's children must be taught to Remember Pearl Harbor and the criminal neglect that made the Pearl Harbor attack possible down to the very remotest generation. America henceforth and forever, as long as there is a marauding nation anywhere, must keep herself prepared.

It seems evident as this is written that India is going to flatly reject Great Britain's offer of Dominion status, which is almost complete independence, to be accorded India after the war, because a majority of the leaders in India want that status granted to India now. With Japanese armies already invading her eastern borders and Japanese warships closing in on her southern shores, it does seem the height of folly for India to quibble and hesitate now. India may be full of fifth-columnists who think they would like to see Japan become supreme in Asia and dominant in the Pacific and Indian oceans, but if so that only shows how ignorant and incompetent they are. If India through folly or design falls into the hands of the Japs, no living inhabitant of that country will live long enough to see the grip of the Japs on India's throat broken, unless Uncle Sam and Great Britain break it. Foolish Hindus! They seem to be placing their head in the noose that will hang them.

As we understand it, labor leaders are expressing a willingness to yield just a little to the demands that have gone up from all over America, and especially from the South, calling for the abolishment of the 40-hour week, and the outlawing of strikes in war industries. They are saying, some of them are, that they are willing to lengthen the work-week to 44 or 48 hours without extra pay, and they are giving assurances that they will voluntarily refuse to permit any strikes in war industries for the "duration." Well, that is some concession, but however much they may now feel compelled to concede, we believe that labor leaders should be shorn of their power to lock the wheels of industry in any emergency. If they are to be allowed to retain this power, then every employer in America should be protected by this Government in his right to make his shop an "open shop" if he chooses to do so.

Some of these days we are going to begin to read of black-outs in Tokio. And before winter comes again, we shall expect the old town to look like old Fujiyama had gone on a tear and rained fire and brimstone all over the town.

They used to tell us that the Japs were the politest people on earth. We now believe it. They will deliberately bomb a hospital one day and apologize for it the next. We guess they apologize to every man they murder — after he is dead.

Yes, we need more fighting planes, more bombers, more submarines, and more army tanks. But we are building 'em. In a few more months, we will be able to talk to you Japs in a language that you can readily understand.

One of our chief ambitions is to make the Japs remember that there was once a city named Tokyo.

Yes, we guess Hitler is beginning to make his supreme effort to whip Russia, but what if he fails? Yes, what?

There can be no reform until the man begins to grow, and the only possible way for him to grow is by achievement — doing something of which he is proud. (Dr. Seaman A. Knapp—1905).

**GORDON-HACKBERRY NEWS**

H. C. White, who is in the Marines in Iceland, is home for a 15-days' visit with his parents, Mr. and Mrs. Holly White.

Mrs. Gordon Cook of Hobbs, New Mexico, visited her parents, Mr. and Mrs. C. W. Dean; last week end and on Friday they and Mrs. Ed Denton and Mrs. Coggins and son of Southland visited Mrs. Herman Dabbs and Mrs. Sam Martin.

Mr. and Mrs. Harris Shelton of Garlynn have returned home from a two weeks' visit with their son and family at Plainview.

The Gordon Red Cross women meet each Wednesday afternoon. We will have a report of our work to make soon. Come and help us knit and sew.

According to a recent report received by Mr. and Mrs. Ed Denton, their son, Pvt. Norville Denton, in O'Reilly General Hospital, Springfield, Mo., is not doing as well as was hoped. He has been in the hospital since December 24.

Mr. and Mrs. Carl Foster and daughter Lena Belle of Lubbock visited Mr. and Mrs. Earl Lancaster and Mr. and Mrs. Hubert Taylor and children Sunday.

Louise Denton visited Mary Lynn Morris Sunday. Mary Lynn was home from Tech, where she is a student, for the Easter holidays.

**CONOCO N<sup>th</sup> MOTOR OIL**  
Pretty near "a coon's age" before you add a quart  
How this oil with its modern synthetics — man-made betterments — triumphed in the Certified Death Valley Test. Why it out-mileaged five others more than 2 to 1...  
A PEBBLE starting an avalanche that wrecks a town can illustrate one big thing to you about getting full mileage from your oil change this Spring. (Spring change is a serious "must," all authorities warn you.)  
Now folks in the hills take care not to give pebbles any start. And by changing to Conoco N<sup>th</sup> motor oil you are taking care not to let thickening mud get a start in your crankcase. The added modern synthetic... man-made Thiabene inhibitor in Conoco N<sup>th</sup>... is aimed to inhibit or ward off the very start of bad "jelling" that often drags down mileage these days.  
And still another synthetic in Conoco N<sup>th</sup> has long been noted for its magnet-like way of attaching OIL-PLATING to inner engine surfaces. OIL-PLATING isn't all constantly draining down. Then instead of plain fluid-type oil film alone, which comes and goes, your engine can have this steadfast OIL-PLATING besides... Oil film sliding between OIL-PLATED engine parts!  
What's gained in engine life and oil mileage? You can judge from the impartial Death Valley Test. Conoco N<sup>th</sup> ran up more than twice the mileage averaged by five big-name quality brands—each run till engine was ruined. Conoco N<sup>th</sup> out-mileaged the next-best by 74% and another by 161%... certified.  
What's the best oil mileage you'd hope for in your own car? See if Conoco N<sup>th</sup> doesn't deliver. Your Conoco Mileage Merchant knows your correct Spring grade. Change today. Continental Oil Company

LOCAL REPRESENTATIVE

### Womack Killed...

(Continued from page one)

It is not known just where Herbert was when he was killed, but it is practically certain that he was either at Corregidor or on Bataan Peninsula under General Wainwright. He had probably been with General MacArthur's forces on Bataan Peninsula since the capture of Manila and under General Wainwright since he succeeded MacArthur in command.

Herbert and his parents, Mr. and Mrs. W. H. Womack, had been residents of Tahoka for ten years preceding their removal to California last year shortly after he joined the army. He graduated in the Tahoka high school in May, 1940. During his last years in school here he had been a member of the High School Band. For six years, after school hours and on Saturdays, and regularly through the summer months, he had been employed in the mechanical department of the News office.

Soon after his graduation in the high school here he entered Texas Technological College and paid his way by working as a printer in the Tech printing shop. His father, W. H. Womack, had been working in California for about a year, and a few months after Herbert had enlisted in the Army, Mrs. Womack joined her husband in California.

Herbert was about 21 years of age at the time of his death. He was born in Jones County, and some years later the family moved to Mulshoe. After residing there a few years, they came to Tahoka.

Surviving relatives are the parents, and one brother, Lieutenant Leonard Womack, now stationed in New York, and one sister, Mrs. Hoyt Willingham of Brownfield.

Though Herbert's opportunities had always been very limited, he was industrious and ambitious, and had circumstances been different he might have made his way through Tech before joining the army or entering upon some other vocation.

One of the finest tributes that could be paid to any boy may be said of him: that he was deeply devoted to his mother and for years contributed practically all of his earnings, except his necessary expenses while in Tech, to her support and comfort. She likewise was exceedingly devoted to him; and prac-

### Legion Convention At Colorado City

The American Legion and Auxiliary Convention for the Nineteenth District will meet in Colorado City next Saturday night and Sunday.

District Commander Charles Whitacre will preside for the Legion and Mrs. Rafe Richardson for the Auxiliary.

Post Commander A. M. Cade and Auxiliary President Mrs. Cade are planning to head a delegation of twelve or fifteen Tahoka Legionnaires and Auxiliary members, or more, to the convention.

It is desired and hoped, if the weather clears, that a large delegation may go.

### Tahoka Girl Is TSCW Counsellor

DENTON, April 8 — Miss Miriam Boyd is serving as house counsellor in the Smith Carroll system at Texas State College for Women this semester.

Residents of the dormitory chose her on the basis of citizenship and merit. She will help enforce house regulations and advise action when rules are broken.

Miss Boyd is the daughter of Mr. and Mrs. M. M. Boyd of Tahoka. She is majoring in costume design and is a senior student at the college.

### CHURCH OF CHRIST ANNOUNCED MEETING AT GRASSLAND

The News is requested to announce that Thomas McDonald of Lubbock will be in a meeting at the Grassland Church of Christ next week, beginning Sunday, April 12.

Services through the week will be held at night only. Everybody is cordially invited to attend.

tically every Sunday morning, at least during the last few years of their residence in Tahoka, he and his mother might be seen going to church together. He was a faithful member of the Church of Christ here.

The News publishers feel a personal loss in the death of Herbert, since he worked so long in our mechanical department.

He is the first Tahoka youth known to have lost his life in the defense of his country in the present war.

### Williams...

(Continued from page one) however, that it would be a losing fight.

In his boyhood days he had united with the First Christian Church at Garland, Dallas County, where his parents and family then resided, and remained true to his profession of faith until death. He was also a member of the Masonic order and will probably be buried with Masonic honors.

Mr. Williams leaves as survivors his wife, four daughters, two sons, his father and mother, seven brothers, and other relatives. The daughters are: Miss Helen Williams, who is a student in Texas Tech, Mrs. Jo (Pat) Hensley, Sue, and Linda Jean Williams, all of Draw; the sons are Marshall and James of the family home.

His father and mother, Mr. and Mrs. S. M. Williams, and four of his brothers reside at Stephenville, one at Plano, one in Dallas, one, Carl, at Draw. Another died in infancy. His only sister died at Dublin last Sunday.

Mr. Williams was born on April 8, 1894, in Bedford County, Tennessee. He came with his parents to Garland, Dallas County, about the year 1900. Along about 1913, the family removed to Stephenville. Young Mr. Williams taught school in Erath county one year and then joined the U. S. Navy, in which he served two years or longer. After being discharged he went to Scurry County, where he taught two years. While there he was married to Miss Gusie Parsons on June 6, 1922.

They removed to Draw in Lynn County in 1924, and have resided there since, where he has been engaged in farming. He has also worked for the gin there and for two or three years a number of years ago he was employed at the Round-Bale gin here.

He was an honored and highly respected citizen of his community and of this county; a man of character and of decided convictions. His untimely death is greatly deplored by many friends.

Mrs. C. D. Sparks of Three Lakes left Wednesday morning for Phoenix Ariz., where her husband and her brother, Kenneth Crouch, are employed as welders in a big war-industry plant.

### Tankersley...

(Continued From Page 1) three great-grandchildren.

Mrs. Tankersley, whose maiden name was Banks, was born in Benton County, Arkansas, almost ten years before the outbreak of the Civil War.

She was married to L. R. Tankersley in Van Zandt County, Texas, in 1870, who preceded her in death many years ago. Most of their married life was spent in Hamilton County. Following her husband's death, she and her unmarried son, Joe, lived together for many years. She came from Sanderson, Terrell County, to this county in 1923. At the time of her death she was with her daughter, Mrs. Brown just over the line in Terry County.

Born when the storm clouds of the Civil War were gathering, Mrs. Tankersley passed through that tragic struggle during the days of her girlhood, and she knew much of the hardships and bitterness that accompanied the war and the Reconstruction days that followed.

Then, thirty years later came the stirring events of the Spanish-American War, and almost twenty years later the great World War No. 1; and now she passes on while her country for the fourth time in her life-span is engaged in a terrific struggle for its life and for the preservation of liberty and democracy throughout the world. How much history she has seen made!

But through all these struggles of war, she remained serene and patient. She had been a member of the Baptist Church for more than fifty years and had lived a devoted Christian life.

Gus Gatzki of Grassland reports that his son, Sam C. Gatzki, who has been in training in Class 42-G, Spartan Air Corps Training Detachment, at Muskogee, Oklahoma, was recently advanced to the A. C. T. D., Curtis Field, Brady, Texas. He was transferred to the latter field on Saturday, March 28. Mr. Gatzki visited him at Brady on Monday of this week.

Corp. J. C. Womack, who has been in the Army Air Corps stationed at San Angelo, left last week for Miami Beach, Florida, where he is attending the Air Corps Officers Training School.

### GIRL SCOUT PICNIC

Friday evening, April 3, the Intermediate Girl Scout Troop hiked to the roadside park on the Lubbock Highway for a picnic and weiner roast.

After the feast, the girls sat around a blazing fire, sang songs, told stories, and reviewed the Girl Scout Laws and Promise.

Since it was dark, the girls rode back to town at the end of the program.

Those present were: Patricia Blanton, Jo Ann Henderson, Dolores Nowlin, La Juan Moore, Barbara Ellen Wells, Imogene Hargett, Jane Donaldson, Nancy Ray Weathers, Greta Joyce Beard, Eddie Lois Hamilton, Rita Faye Johnson, Maxey Lee McMillan, and Loydine Edwards. Mrs. G. M. Stewart, Intermediate Girl Scout Leader, hiked, too, while Mrs. R. P. Weathers and Mrs. G. A. Blanton, Assistant Girl Scout Leaders, brought the cars for the girls to ride home in.

Everyone had a big-time on this trip and all are anxious to go again soon.

We need more Girl Scouts in Tahoka. Join now!—Reporter.

### MISS JUANITA EATON ENJOYS EASTER

Miss Juanita Eaton, who has been confined to her bed the past four months following injuries received in a car accident, was honored with a family reunion and the visit of friends in the home of her sister, Mr. and Mrs. Doc Wade, Sunday.

At the noon hour, the following members of the family enjoyed being with her: Mrs. Johnnie Peters, a sister from Lubbock, Misses Dannie Sue and Donnie Lue Eaton of the family home, the mother, Mrs. Addie Eaton, Mrs. V. A. Eaton and son from Del Rio, Mr. and Mrs. Wade and their daughter and husband, Mr. and Mrs. Willis Ross.

In the afternoon an Easter egg hunt was enjoyed and the following friends called: Messrs. Jack Cox and Alvin Brower, Mr. and Mrs. George Pettigrew and daughter.

Juanita is feeling fine but cannot walk yet.

Henry (Tony) Jahnke, who was stationed at Fort Sill, Oklahoma, is now at Camp Berkeley.

Let's go to Piggly-Wigly for a cup of that good Folger's coffee and doughnuts; that's the brand I go for

### 4-H Club Gold Star Girl Named

To Wanda Jean Tyler, yard demonstrator for the Wells club, goes the honor of being a Texas Gold Star 4-H Club girl for 1941. This honor will entitle her to wear a Gold Star Pin and to be designated a Gold Star Girl of this state for life.

This pin is an emblem of achievement and of the confidence that club members have in her, since its selection was made on the basis of work accomplished and on the leadership ability she possesses.

A girl who is completing at least her third year of club-work, and who has successfully carried on a demonstration is eligible to be considered for the award; that is, if she has not previously received this honor.

Each girls' club having a member eligible may select a candidate for the award.

From the candidates presented, a committee composed of council members and club girls select the winner.

The pin will be presented by Miss Maurine McNatt, County Home Demonstration Agent, sometime in the summer. The Lynn County Home Demonstration Council planned to pay her expenses to the State Farmers' Short Course, College Station, Texas. Should there not be a short course because of the war she will receive some compensation. She was one of the county representatives at the short course last summer.

She is the daughter of Mr. and Mrs. A. R. Tyler.

### COTTON SEED IMPROVEMENT SERVICE

I have leased another machine to cull and treat cotton seed in order to take care of the increasing demand.

Every job guaranteed to be satisfactory.

I will appreciate your business.

## Mrs. Morgan Dies At Draw Home

Following an illness of long duration, Mrs. Susie Rachel Morgan, 56, wife of Robert L. Morgan, died at 2:50 o'clock Monday afternoon at the family residence one mile east of Draw.

The body was brought to the Harris Funeral home here to be prepared for burial and funeral services were conducted from the First Baptist Church in Post at 4:00 o'clock Wednesday afternoon, followed by burial in the Terrace cemetery there with Rev. A. C. Hardin officiating.

Surviving are the husband, five sons, two daughters, two brothers, two sisters, and other relatives. The sons are T. L. Morgan of Oklahoma City, Oklahoma, Leonard Morgan of Draw, Eddie Morgan of El Paso, Horace Morgan of Hobbs, New Mexico, and Myrlon Morgan of Draw. The daughters are Mrs. H. A. Oden of Houston and Mrs. Everett Lightner of Redwine. The two brothers are J. B. Green of Waco and J. L. Green of Henrietta; the sisters, Mrs. Archie Brown of Fort Worth and Mrs. Ira Oden of Morton.

Mrs. Morgan had been a resident of the Draw community only a little more than a year. She was born in Grimes County on June 7, 1885. Her maiden name was Susie Rachel Green. She was married to Robert L. Morgan at Ryan, Oklahoma, on November 27, 1904. In 1905, she and her husband moved to Stanfield's Ranch in Clay County, Texas. They resided there until 1918, when they moved to Nocona and in 1922 they removed from Nocona to a place near Post, where they resided for many years. They came from Lubbock to Lynn County in May, 1940.

Mrs. Morgan was a member of the Baptist Church and is said to have been a devoted Christian, a faithful and affectionate wife and mother, and a good neighbor until she was stricken down with an incurable illness that saddened the last years of her life.

Most of the children and other near relatives attended the funeral services.

## EVA JANE WOOD ENTERTAINS FRIENDS WITH EGG HUNT

Eva Jane Wood entertained friends Sunday afternoon at 3 o'clock with an Easter egg hunt at the home of her grandmother, Mrs. E. S. Davis. Mr. and Mrs. Sherman Davis of Lubbock assisted Mrs. Mildred Bumpus in planning the hunt and hiding the eggs. A prize was given to Sue Dollins for finding the most eggs.

Punch and cookies were served to the following: Jimmie Tinsley, Jan Edwards, Barbara Jean Henderson, Wanda Sue Dollins, Euella Dollins, Mrs. Bert Dollins, Ronnie Sue Bumpus, Mildred Bumpus, Mr. and Mrs. Sherman Davis, Otis Davis, Mrs. E. S. Davis, and the hostess, Eva Jane Wood.

## MARIE WOMACK MARRIES

Friends here have received announcements of the marriage of Miss Marie Womack, formerly of Tahoka, to Dewitt Robert Reid, of Snyder, last Friday.

Miss Womack is district W P A lunchroom supervisor stationed at Snyder, and is the daughter of Mrs. Martha Womack. She was reared in Tahoka, graduated from the local high school, and took her B. S. degree in home economics from Texas Technological College. Prior to assuming her present position, she was dietitian at the Big Spring State Hospital.

## City Officials Are Re-Elected

In the city election held here Tuesday three aldermen and a city secretary were elected without opposition.

The aldermen are Dr. K. R. Durham, J. L. Heare, and F. T. Thorp. Mr. Thorp is the only new member, succeeding N. C. Rainey, who did not stand for re-election. Mr. Heare and Dr. Durham have been members of the council for several years.

Miss Rosemary Nelms was re-elected city secretary.

Only 51 votes were cast and not a ballot was scratched, each of the candidates receiving 51 votes.

## MR. AND MRS. J. H. WYATT CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. J. H. Wyatt of this city were honored Sunday evening, April 5th, when friends and relatives called at their home to celebrate with them their Golden Wedding anniversary.

As Mesdames F. A. and N. M. Wyatt and Miss Elizabeth Wyatt received the guests, Mrs. Richard Young (the former Leta Frances Wyatt) and her sister Belle Ruth invited them to register in a tastefully embossed guest book and pinned a corsage of orchid, sweet peas, and ferns tied with gold ribbon on each guest.

The lace-covered dining table was centered with a gold-plated bowl of golden fruit, and at each end of the table were tall gold candles in holders matching the centerpiece.

As Mrs. Rafe Richardson played the Wedding March, Dorothy Lee Carmack and Jo Ann Edwards, dressed in lovely white evening gowns, came in with gold baskets of the honorees. Mark Wyatt carried a beautiful wedding ring on a tiny white satin pillow, while LaVoyle Richardson, also dressed in a lovely evening gown, sang, "I Love You Truly." Rev. Ben Hardy, an old friend and pastor of the couple, read the ring ceremony in his own impressive manner, and Mr. and Mrs. Wyatt exchanged the marriage vows again.

For "something old," Mrs. Wyatt wore a corsage that she had worn fifty years ago when she was the young and blushing bride.

After the wedding, the guests were favored when the two flower girls and LaVoyle sang, "When I Grow Too Old To Dream," and "Maggie." W. E. (Happy) Smith, in his own clever and poetical way, gave a toast "to the Bride and Groom of Fifty Years" and presented the gifts, which were so beautifully wrapped and tied.

After the gifts were unwrapped and viewed by every one, a beautiful gold band refreshment plate, consisting of rolled pimento cheese sandwiches, stuffed olives, golden brown potato chips, gold angel food cake, and a delicious orange punch in gold band glasses, was served to about fifty guests.

Delton Pemberton, who has been in training at the Army Air School at Luke Field, Arizona, since January 2, expects to receive his "wings" about April 29, he has written his parents, Delton is a graduate of the local high school and attended A. C. C. one year and Texas Tech three years.

Let's go to Piggly-Wiggly for a cup of that good Folger's coffee and doughnuts; that's the brand I go for

## What Would You DO For Your Country?

THE WEE, SMALL VOICE ASKS QUESTIONS

What would you do for your country in its hour of trial and torment?

Why, I would jump at the chance to give those Japs a beating. I will give my life in this struggle, any time I am called upon to do it.

You realize that would be the easiest way to help, do you not? Emotional stimulus, lots of company, exciting action. Besides, you are a bit old for that. But how about your children? Could you see them go down in the battle?

Oh, the children! Babies who taught me how to pray—youngsters for whom I have lived every waking hour and about whom I have dreamed at night. They are too young yet, but the question is still there. I planned and hoped for their success in peaceful, constructive ways that are no more. To make it possible to fulfill those plans and dreams, fighting must first be done. They will help put the house in order so that they can live in it again. Yes, so that they (and their children?) can be free, I would see them go.

Would you still carry on for your country after your children perished in battle? Could you carry conviction in your eyes and voice in trying to comfort their mother who, far more than you, is suffering inexplicably?

That would be the greatest punishment; but a clear call to fight for the right, as God gives us to see the right, must be answered, and He will give us that strength.

And when grief takes her away and you are trudging the path alone, would your determination hold out? Would you give all you have left and keep going?

Material things would then be worthless to me. The more energy I could expend in helping my country, the sooner I could join my family—then indeed would I want to fight to the death.

So, you now realize that, living and working so your country will live, can be much harder than dying for it. If there is something that you NOW can do that might avoid these sorrowful sacrifices, would you do it?

Why, of course I would! That goes without saying. Of course! Anyone would.

The hour has come—the time is short—there are many things to be done. You can help avoid thousands of such family catastrophes, as well as your own. Find your place and DO what you can. Little talk is needed now.

—The Typographical Journal.

9:30 P. M. Choir Rehearsal.

### BAPTIST CHURCH

The services are increasing rapidly. The members are becoming more and more enthused over the work, and we feel that we are getting ready to do some great work for the Lord. There were 249 in Sunday School last Sunday, and we are hoping to rise above that number this Sunday. Won't you come and be the one to make 250?

We are very happy to announce that Brother Hal Upchurch of Wayland College, Plainview, has agreed to be our supply for the period that our pastor is ill. You will enjoy hearing Brother Upchurch, and the services will be better if you are there, so we will be looking for you for every service.

The Training Union is gradually growing to its regular size, and ready to get ahead of the last few months. We will be looking for every member of the Church to be present this Sunday night to join the Training Union. There is a place for every age, and you should have your children in this meeting as well as you are needed in your respective Unions. God needs you.

The meetings have been going fine this week in spite of the bad weather. There are many opportunities for service next week. Won't you be in your place?

Sunday—10:45 A. M. Sunday School  
12:00 Morning Worship.

Tuesday—8:30 P. M. Sunday School Clinic.  
Wednesday—10:00 A. M. Workers Conference at New Home.  
8:30 P. M. Teachers and Officers

## Navy Relief Is Asked From Lynn County Citizens

AUSTIN, April 8—The Navy Relief Society Citizens Committee in Lynn County will be headed by E. I. Hill of Tahoka. This appointment has been announced by Attorney General Gerald C. Mann who is Texas Chairman for the Navy Relief Campaign. Under Chairman Mann's direction every county in Texas is being organized for the purpose of raising funds for the families and dependents of men serving in the Navy, the Marine Corps and the Coast Guard. Texans are asked to contribute \$210,000 toward the national quota of \$5,000,000 for Navy Relief.

The Navy Relief Society campaign in Texas will be centered during Navy Appreciation week, April 19 to 25, which has been officially proclaimed by Governor Stevenson.

"This Navy Relief Campaign gives the people of Texas a chance to contribute directly to the welfare of the brave men who are fighting our nation's enemies in the South Pacific, on the Atlantic convoy lines and on the seas everywhere." Chairman Gerald Mann says, "The Navy at present is our front battle line. They are suffering casualties and their families must be cared for. The Navy Relief Society acts speedily and cares for emergencies not provided for by the Government. This appeal is made in behalf of our own boys who are even now in the midst of battle. I know that Texans will not fail to respond generously to this request."

Contributions to the Navy Relief Society should be sent without delay to the chairman of each county organization.

### CHILD GUIDANCE CLUB

The Tahoka Child Guidance Club enjoyed a program on "Music for the Pre-School Child," with Mrs. Claude Donaldson as guest speaker, when they met in the home of Mrs. E. Prohl Tuesday afternoon.

Mrs. Donaldson, a former teacher of Public School Music, stressed the need for mothers to sing to and with their children.

After giving the names of some famous authors of music for children Mrs. Donaldson also gave some quotations about music and one very thought-provoking one is given: "For the one who has music in his soul, the world is in tune."

There was open discussion of the subject during the social hour in which a lovely salad course was enjoyed by Mesdames James Clinton, Wynne Collier, K. R. Durham, E. R. Edwards, Coy Fielder, Douglas Finley, R. H. Gibson, John Hamblen, Fred B. Hegl, Truett Smith, Leo Jackson, Fred McGinty, A. L. Pace, Mrs. Donaldson and the hostess, Mrs. Prohl.

### BOOKS WANTED

A number of magazines have been sent to the Air Base at Lubbock and books will be sent later. In the meantime bring or send your books to the Lynn County Library, where they will be cared for and sent at the proper time.

Staff Sergeant Joe Raindl of Ft. Sam Houston spent the Easter holidays with his parents and friends at Wilson and Tahoka.

Let's go to Piggly-Wiggly for a cup of that good Folger's coffee and doughnuts; that's the brand I go for

## COOPERS ATTEND PROGRAM AT A. & M. COLLEGE

Mr. and Mrs. E. J. Cooper and Mr. and Mrs. P. A. Nowlin were honored guests at the Texas A. and M. College last Saturday and Sunday, when, on Saturday night, they attended a reception given to the parents and close relatives of the students in that institution at the home of President W. O. Walton, and an elaborate program at the College on Sunday.

The outstanding event of the day, so far as the Coopers and the Nowlins were concerned, was the presentation to Truett Cooper his commission as Captain of Battery F of the Field Artillery.

Another feature of the program was to extend recognition and honor to the fathers and mothers of the students, and especially of those who were receiving honors such as that bestowed upon Truett.

Then followed a review of the Cadets, and Mrs. Nowlin, in reporting the event, stated that it was one of the most beautiful and thrilling spectacles she ever witnessed. There were other interesting numbers on the program, too, and Mrs. Nowlin declares that it was a high point in the lives of all of them.

They were accompanied from Brownwood by Miss Mildred Cooper, who is a student in Howard Payne College, and from Goldthwaite by Mrs. Truett Cooper, who is residing at that place pending the completion of his senior year's work by her husband, Truett, at A. & M.

On Monday, the party visited in Houston and Galveston. On the return trip home the Coopers spent Tuesday night with Miss Mildred at Brownwood.

## LITTLE ROSWELL BARTLEY RECOVERING AFTER OPERATION

Six-year-old Roswell Bartley, son of Mr. and Mrs. L. N. Bartley, was released from the Lubbock General Hospital on Tuesday and brought back home well on the way to recovery, having undergone an operation in that institution just two weeks before for ruptured appendix. He had been taken to the hospital on March 23.

Roswell is being kept in bed for a few days following his return home but it is believed that he will be sound and well again soon.

Mr. and Mrs. W. A. Reddell went down to Chico on Thursday of last week to visit relatives, following which Mr. Reddell took his wife to Dallas for a check-up in a clinic. He returned home Sunday. She remained in Dallas for further observation at the clinic.

## ODDS & ENDS

by Kee Eye,  
the Elder

India is much in the spotlight just now. It has become one of the battlefronts of the war.

India, with a land area nearly half that of the United States and with fabulous resources yet undeveloped, is a land of great potential wealth, though the masses of its people live in the direst poverty.

India, with a population of 300 millions, of nearly 400 millions if Burma and other allied territory be included, is also a country of great potential military strength, and its friendship may well be courted by any nation.

And yet today India is woefully weak economically and is almost helpless as a military power.

In spite of the fact that Great Britain, during her rule of almost two centuries in India, has introduced many of the methods of Western civilization and has brought much material improvement to the land, she has been able to do little to change the habits and customs of the people.

In spite of the coming of great ocean steamers to her shores, the building of railroads and telegraph

and telephone lines, the establishment of schools and the introduction of the picture show, the radio, and other means of instruction, the masses of India yet remain enshrouded in the densest ignorance and superstition.

In spite of the fact that Christian missionaries from Great Britain and the United States have been bombarding India with the gospel for well more than a century, they have scarcely made a dent on the paganism and superstition and barbarity that have cursed India for unnumbered centuries.

It was in 1793 that William Carey went from London to Calcutta as the first Christian missionary to India.

It was in 1819 that Reginald Heber, another Englishman, wrote that greatest of all our Missionary Hymns, which has since been sung around the world, which pictures India and other heathen nations as sending out the Macedonian cry for religious light and help. We quote two of the stanzas of that great hymn:

From Greenland's icy mountains,  
From India's coral strand;  
Where Africa's sunny fountains  
Roll down their golden sand;  
From many an ancient river,  
From many a palmy plain,  
They call us to deliver  
Their land from error's chain.

What though the spicy breezes  
Blow soft o'er Ceylon's isle;  
Though every prospect pleases  
And only man is vile?  
In vain with lavish kindness  
The gifts of God are strown;  
The heathen in his blindness  
Bows down to wood and stone.

And, to the great disappointment of all Christendom, those heathen millions of India are still bowing down to wood and stone.

We may be in error in stating that William Carey was the first Christian missionary to India. Lowell Thomas, who wrote a charming little book on India, says that "St. Thomas, the Doubting Apostle, has the distinction of being the first Christian to reach the Malabar Coast (of India). According to reports, he found the natives living in trees. But apparently he persuaded them to come down, and to sing hymns. And today their descendants worship in the little mission churches we found tucked attractively into groves of graceful palms."

If true, that certainly is an interesting little chapter in the history of Christendom.

But later, there were other missionaries who came to the Malabar Coast, Moslem missionaries, if Mr. Lowell Thomas may be trusted as an authority on Missions. Speaking of the Moplahs, he says: "They too may be looked upon as missionaries who have been intent on converting the mild Hindu to the faith of Mohammed. Their methods," he says with a twinkle, "are simple and direct. They do not bother with hymns and gentle persuasion. Oh, no! When the Moplahs are full of religious enthusiasm, they round up a crowd of Hindus and give them the choice of becoming shouting, shooting Mohammedans or of having their throats slit."

Then Mr. Thomas proceeds to give us the low-down on these Mohammedan Holy Rollers. "The Moplah's ancestors," he says, "were Arab pirates who swarmed along the Malabar Coast a thousand years ago. They killed the native Dravidian men and married their women. Their descendants have been growing crazier with each generation. As recently as 1925 the Moplahs went on the warpath and had a fine time slitting throats before the British troops could quiet them."

There are about seventy million of these Mohammedans in India today, and they hate the Brahmins

and the Buddhists just about as intensely as they hate Christians. Their Koran, the Mohammedan Bible, teaches some good things but it is calculated to make fierce warriors of them. The Mohammedan, when he gets a good case of old-time Mohammedan religion, is likely to go on the warpath, for he believes that about the most pious thing that he can do is to kill a Christian, a Jew, a Buddhist, or any other "infidel," for they all look alike to him.

And so, there is mortal enmity between the Mohammedan and the followers of Brahma and Buddha.

And that helps to explain Great Britain's attitude respecting India today. She knows that if she turns the government of India over to the people of India without any strings on it, those Mohammedans might go to slitting Buddhist throats any day, and Japan would have easy picking.

And talking about unity — that's a thing that they don't have any of over in India.

In the first place, India is a country of many races; with deeper race prejudices than we have in this country.

In the second place, it is a land of many religious sects, most of them as ignorant almost as a Hottentot and as fanatical as a bunch of mad hornets.

The most numerous of all the sects in India are the devotees of Brahmanism. And it has possibly had the most deadly influence on the people of any in India.

In this country, when we mention a Brahma steer, we think of a strong, long-legged, law-breaking bovine that furnishes entertainment at the rodeo by throwing sky-high one would-be rider after another and trampling the gizzards out of them after they come down, if they don't watch out.

But in India the Brahma bull is often regarded as a sacred animal, and the cow is always so regarded. She has the "priority" therefore wherever she goes. A Brahmanite would not think of killing a cow under any circumstances, he would rather kill a man any time. They have no laws in India to prevent old Bossy from running at large, and if she chooses to come ambling up one of the narrow streets of any city, all automobile drivers will naturally give her the right of way. If she chooses to stick her head in through the door of a store and help herself to the cabbage or the spinach, Mr. Groceryman doesn't dare to say a word to her. The Brahmins worship the cow.

The fact is that they will not kill any animal if it can be avoided, not even the poisonous cobras, the most poisonous of all snakes that infest their land. As a result hundreds of thousands of people in India die each year from snakebite.

What is the explanation of all this foolishness? It's their religion, of course. Brahmanism teaches the doctrine of the transmigration of the soul. When a person dies, the Brahmanite believes that the soul of that person passes immediately into some animal; therefore if he kills a lion or a lamb, a skunk or a kitten, a chicken or a bird or a lizard or a snake, or any other living creature, he may be killing his old granddad, or his great-great-grandmother, or his wife's favorite aunt, or an old sweetheart of his who has died and taken up his or her abode in that very animal.

What foolish superstitions those people entertain!

And in India, there are 200 million of them too!

But that is not the worst thing about this heathenish religion. The worst thing about it is the caste system of society that it has created and perpetuates. And this system is so air-tight, that nothing can penetrate it. It binds the people down intellectually and morally as securely as they could be bound down physically with locks and chains.

We guess that about the only way that their blinded eyes can be opened is just to flood them unceasingly with such rays of intellectual light and information as that they will be compelled to see.

But Christianity should be taken to them along with education, otherwise when they lose faith in their gods of wood and stone they may become atheists or agnostics, as have many of the educated Japanese; and we certainly don't need any more nations of the Japanese type just now.

## Out of Step with the Weather

# like Winter Gasoline in Spring

**BATHING BEAUTY OR GASOLINE**  
... both should be in step with the weather.

Sure, a winter gas will do. But if you want the best from your motor, and the most for your money, get *April* gasoline... Phillips 66 Poly Gas... this month's gasoline which is definitely engineered for the April climatic requirements of your locality.

We change the characteristics of this remarkable motor fuel every month. Give it the qualities most needed for top performance, with the right amount of high test (volatility) for sweeter running and economy.

Phillips was the pioneer and is the acknowledged leader in matching gasoline to climatic changes. With Phillips 66 you benefit every day in the year from January through December.

Scientific laboratory and field surveys prove that no other gasoline, not a single one, is so completely and accurately matched, all year 'round, to the monthly variations in your weather.

Phillips 66 Poly Gas sells at regular price. So it costs nothing extra to try a tankful and find out the facts. See if you don't get more pep and power... more flexible response to the throttle... and extra mileage... all without a penny of extra price... at any Orange and Black 66 Shield.

### Extension News

MISS MAURINE McNATT, C.H.D.A.

#### 4-H Clubs and National Defense

Every day through many of our towns large numbers of troop trains are passing. Radios and newspapers say, "Remember Pearl Harbor." Sons, brothers, nephews, cousins are away during the holidays. One is reminded of the old copy book sentence "Now is the time for all good men to come to the aid of their country." The path of duty is so clear to some.

But what about the folks at home? Are they to sit comfortably by while others face dangers? There are times when they wish desperately that they were in the middle of the fighting. They've wished for the dangerous spots, the hard jobs — just to feel that they were truly doing their part. But there are other jobs that are vital — jobs that are

less dramatic than marching off to war, but truly just as necessary.

#### Food in War

For soldiers must eat. Ship builders, munition workers, nurses must eat. Our allies, the folk in England, China, and other nations must eat. Food must be produced. Warm clothes must still be had. People in our country must grow most of the food and fiber for these needs.

With so many men called to the army, to factories where they make ships, airplanes, guns, and ammunition, there are fewer people left on the farms to grow the things that are needed.

#### Women May Do Farm Work

It may be a matter of only a short time till women will be drafted to help do some of the farm work.

4-H Club folk have a job to do. They are already at work. On every farm somebody must produce food and keep the home place improving.

The fact that this job must be done voluntarily makes it all the more important. Voluntary co-operation is the essence of democracy. Initiative still counts. One must hunt for jobs and pitch in. A recent trip by Miss Onah Jacks, State Girls' Club Agent, over Texas and visiting in the homes of about seventy-six scholarship contestants, was proof that a 4-H girl can do the work about a farm home. For instance, in Carson County is a club girl who took the place of a regular farm hand last summer. Her father is dead, so she is a mainstay at home. She hauled grain, took care of cows and other stock. She can handle a tractor, a frame garden, a dairy cow, any sort of canning equipment, and she's a whiz with chickens—even when they have to be "wormed."

#### More 4-H Examples

In Lamar County, a girl has a good sized orchard growing. Produced fruit this year. Her young brother, Tom, is the plowhand — when he can spare time from his pigs. They had the job of moving that orchard, for their farm was in the area that was taken for an army camp near Paris.

For a view of a country storehouse one should take a look into the family cellar at the home of a 4-H girl in Wheeler County. She and her sister are the canners. Besides canned food there are potatoes, squashes, lard, and dried foods. Carrots were covered up in mounds in the garden without being dug up.

Poultry products are among those most needed and nearly every girl visited had done something with poultry. An Ellis County girl has a blood-tested flock and sells eggs to the hatchery. Her fryers and culls find a quick market in Dallas. She has a flock of about 90 capons. By the way, with her fair prize money and other savings, she has bought herself a defense bond and stamps.

#### Year-Round Garden

Down in Kleberg County, a club girl and her family have decided it's easier to plan carefully for a year-round garden than it is to have a lot in one season and have to can so much. The plan seems to have worked out well for the garden and they're trying it now for an orchard. From about a half dozen berry plants they have now a pretty good start of berries. Fruits have been selected to provide fresh fruit for most of the year. This family certainly believes in the Texas Food Standard. The doctor put the father on a diet several years ago including whole cereals. They have their own hand mill for grinding wheat and corn and keep it set up in the kitchen all the time.

Another fine thing about the family is that they sing and play together. Even on the day that war was declared, they could sing. There is something steady about seeing one whole family gathered together singing.

#### Caring For The Home

Which shows that there is another job the folk at home have. That is caring for the home itself. Keep it a vital spot—a sunny beautiful place. If it isn't that kind, make it such. Every person living is better if he is proud of his home. And these are times when we must be and do our best. The thought of the right kind of home stirs many a boy to live with courage and faith to put forth his last effort to be on the right side of things. Home improvements are important now, so keep them up.

For instance take a home which has never been painted. Such was the home of one of the club girls visited. The walls were dark and gloomy looking. Light paint, curtains, flowers transformed the inside of the house to a sunny, cheerful place. Closets and shelves brought order into the arrangement. The combination kitchen and dining room now is a friendly gathering place. The soldier boy brother has been home since it was finished and he liked it. "Don't let it stop," he said. "Keep on improving it." He left

### Typhus Fever Is Serious Menace

AUSTIN, April 8—Typhus fever is fast developing into a serious health menace in Texas according to Dr. Geo. W. Cox, State Health Officer, who today issued an appeal for every Texan to co-operate in the prevention of this dread disease.

"Last year the greatest number of cases in the history of the state were reported, when there was a total of 773 cases of typhus fever in Texas. While there were only forty-six cases of typhus fever reported during the first twelve weeks of last year, during the same period of this present year, there have been 131 cases," Dr. Cox stated. "With the peak of this disease occurring in August, if the present trend is continued, we may expect serious conditions resulting from typhus by the end of the summer."

The type of typhus fever occurring in Texas is known as endemic or Brill's disease, and is transmitted to human beings from infected rats, by means of the rat flea. The eradication of rats greatly reduces this health hazard, and a consistent program of rat poisoning, rat trapping, and rat proofing will materially aid in the control of typhus in Texas.

his mother some money so that she might carry it on.

#### In Conclusion . . .

4-H club folk must recognize the importance of their job. Food is the most important physical need. Good homes are the soundest spiritual force. 4-H members can grow food. No others can do more about making sound homes. No other persons can stay in their own homes and make so great a contribution to national welfare.

There are about 75,000 4-H members in Texas. That's a good sized army! All volunteers! Growing food—making homes honest, comfortable and cheerful—that is their job.

This number can grow a lot of food! They can help make thousands of homes honest, comfortable and cheerful.

Make your plans, Young America. Work with a will. Find out what others are doing. Share! Keep yourself encouraged and busy. You have a big job to do. You and others like you must furnish food and spiritual backbone for the nation.

Dr. Cox stresses the fact that it is the patriotic duty of every Texan to co-operate in maintaining the highest possible health level, and the eradication of rats will promote the control of typhus among our civilian population as well as our armed forces.

If we could have some lessons on how to nourish the body without poisoning the stomach; and how to balance a ration for economic healthful results, there would be a hopeful gain in lessening the number of bankrupts by the kitchen route. (Dr. Seaman A. Knapp-1903).

### Organization Of 4-H Club Work

COLLEGE STATION, April 8 — This week the nation is saluting its million and a half 4-H Club members who are doing war service on the rural front. About 75,000 of these boys and girls are Texans, according to figures from the State 4-H headquarters.

National 4-H Club Week, April 5-11, is also a good time to give recognition to the thousands of other people who are contributing to the success of the 4-H movement, in the opinion of H. H. Williamson, director of the Texas A. and M. College Extension Service.

He explains that there are 2,836 men who are giving their services as adult leaders for the 1,971 boys' 4-H Clubs in the state plus 2,223 women who are serving as sponsors for the 2,610 girls' clubs. "It's all volunteer work. These local leaders get no financial compensation but the satisfactions of helping build future leaders and of community service," Director Williamson explains.

4-H work in Texas is directed by the Texas A. and M. College Extension Service. Working with farm youth is one of the major jobs of the state's 285 county agricultural and assistant agents and 217 county home demonstration and assistant agents. Assisting 4-H Club members and helping county extension agents in their club activities are jobs of Onah Jacks, state girls' club agent; L. L. Johnson, state boys' club agent; and J. W. Potts, assistant state boys' club agent, and of other members of the extension headquarters staff.

M. L. Wilson is director of Extension Work on a national level, and C. E. Potter, R. A. Turner, Gertrude I. Warren, Madge J. Reese, and W. G. Lehman are extension field agents assigned to 4-H Club work.

Jo Lehman, sophomore student in the University of Texas, spent the Easter holidays here with his parents, Mr. and Mrs. Al Lehman.

### PROGRAM FOR DISTRICT AUXILIARY MEET ANNOUNCED

Mrs. Rafe Richardson of this city, president of the American Legion Auxiliary for the 19th district, announces that the following program has been prepared for the district meeting at Colorado City next Saturday and Sunday.

Saturday afternoon: Registration at Hotel Colorado.

Dinner at 6:30 p. m., followed by Unit conference for all.

Joint social at 9:00 o'clock.

Breakfast at 8:00 o'clock Sunday morning for all Auxiliary members, furnished by Colorado City Unit.

Business meeting at 9:00 a. m.

At 11:30 members may attend church of their choice.

Lunch at 1:00 p. m.

General Assembly at 2:30 p. m.

Mrs. George Berry of Lubbock, past Department President, and Mrs. Tillman Jones of Post, past Department President, will each talk to the Auxiliary.

### JOHN INMAN UNDERGOES EMERGENCY OPERATION

John Inman was taken to the Lubbock General Hospital on last Sunday suffering from an acute attack of appendicitis and was placed on the operating table the same afternoon.

His parents and some of the other members of the Inman family were notified immediately, and his brother, Jack Inman, of Snyder and their mother, Mrs. W. P. Inman of Colorado City, hastened to the hospital at once. Mr. Inman and daughter Orneltha came up Monday. Mrs. T. Cowan, a sister of John, was at the hospital at the time of the operation. Other relatives have called since.

Last reports are that the patient is doing as well as could be expected and will probably be able to come home by the middle of next week.

Public opinion is brought into harmony and made forceful by the support of the press, and the cooperation of the best farmers, and leading merchants and bankers. (Dr. Seaman A. Knapp—1904).

### Aviation Cadet Candidates Get Another Chance

The Army Recruiting Service announced today that men who have tried the mental examination for aviation cadet, and failed to pass it, are now eligible to try the second examination.

The questionnaires for a new examination have been received by the Aviation Cadet Examining Boards in this district. One board is located at Headquarters West Texas Recruiting & Induction District, Lubbock, Texas. The other board is located at the U. S. Army Recruiting Station, Fort Bliss, Texas, "where the street cars enter the post."

Men who have previously tried the mental screening test for aviation cadets, and have failed should go to their Army Recruiting Stations and make a new application. To do this they will need their birth certificates and three letters of recommendation from people other than relatives. Full information and instruction are available at every Army Recruiting Station.

If you want to fly for Uncle Sam, see your Army Recruiting Station today. Army Recruiting Stations are located at Amarillo, Big Spring, El Paso, Lubbock, Odessa, Pampa, Plainview, and Sweetwater.

### H. D. CLUB PROGRAM TO BE GIVEN AT DRAW AUDITORIUM

The Draw H. D. Club is sponsoring a program to be presented at the Draw high school auditorium Friday night, April 17, beginning at 8:30 o'clock, according to an announcement sent to the News.

This program will be presented by a group of young people from O'Donnell, it is stated, and will be worth the small admission fee of 15 and 10 cents.

### HOME EC GIRLS REPORT MEET

The Home Ec Girls, I-A, met on Monday, April 6. The meeting was called to order by Mary Ruth Edwards. The program was two one-act plays given by Eva Jo Reid, Donna Sue Milliken, and Dora Ruth Fenton, Betty Chandler, Bonnie Jean Clark, on the Sugar Rationing.

Refreshments were served by Kathleen McKay, Nora Jenkins and Jane Bosworth. The meeting then adjourned.—Reporter.

### T. E. L. CLASS HAS SOCIAL MEETING

The T. E. L. Sunday School Class of the First Baptist Church met in the home of Mrs. George Akin on Tuesday afternoon.

Mrs. H. A. Riddle conducted the Devotional, with prayer by Mrs. Pledger Coleman.

After a business meeting, a social hour was enjoyed, during which refreshments were served to the following: Mmes. Coleman, H. M. Snowden, Cornelia Kelly, Ella Davis, H. A. Riddle, J. K. Woosley, Clark, Minnie Pender, J. L. Nevill, Frank Akin and the hostess.

### TEXAS 4-H CLUB CREED:

I believe in boys' and girls' club work because of the opportunity it gives me to become a useful citizen.

I believe in the training of my head because of the power it will give me to think, to plan, and to reason.

I believe in the training of my heart because it will help me to be kind, sympathetic and true.

I believe in the great trinity of club work: the community, the home, and the achievement.

I believe in my country, in the state of Texas, and in my responsibility for their development.

To the fulfillment of all these things I am willing to dedicate my service.

### 4-H CLUB PLEDGE, ETC.

4-H CLUB MOTTO: To make the best better.

4-H CLUB COLORS: Green and white.

4-H CLUB EMBLEM: Four-leaf clover, representing the four "H's"—head, hand, heart, and health.

4-H CLUB PLEDGE: I pledge My head to clearer thinking, My hands to greater service, My heart to truer loyalty and finer sympathy, And my health to efficient living in service to my home, my community, my country, and my God.

Mrs. John Brock and two little daughters and Charles Oliver, all of San Diego, California, are here this week with their father and grandfather, C. T. Oliver, who was so seriously hurt last Friday in a car wreck. Mrs. Brock's husband, John, who was here, left for his home Wednesday.

## Oliver Injured...

(Continued from page one)  
business and were returning to Lubbock. Near Wolforth, Mr. Terrell started to pass the school bus on the highway just in front of him but discovered a car coming, meeting them, and swerved his car back onto the right side of the highway behind the bus and in an attempt to steer his car to the right side of the bus to avoid striking it, he crashed into the rear end of it on the right side.  
The bus was filled with school children but none of them were seriously hurt.  
Both men were taken hurriedly to the hospital, where an examination showed that both of Mr. Oliver's hip bones had been badly broken immediately below the joint, two ribs had been fractured, and other bruises received. The broken limbs have been placed in plaster casts but it will be many months before the patient will be able to walk again, if ever.  
Many friends here deeply deplore the unfortunate accident.

Let's go to Piggly-Wiggly for a cup of that good Folger's coffee and doughnuts; that's the brand I go for  
David Weathers of the Lubbock Army Air Base spent Sunday and Monday with his parents, Mr. and Mrs. R. P. Weathers.

## Army Day...

(Continued from page one)  
The parade formed at the American Legion Hall and came down the street directly to the public square, around the square and a business block, and back down Main street to the courthouse lawn.

A. M. Cade, commander of the Marion G. Bradley Post of the American Legion, as marshal, led the parade, accompanied by Mrs. Cade, president of the Legion Auxiliary, and Captain Don Turner, commander of the Tahoka Defense Guard, all mounted.

These were followed by the color bearers and color guards: Skip Taylor bearing the American Legion flag; Mrs. Roy Edwards with the Auxiliary colors; John Slover and D. H. Goodnough each bearing the Stars and Stripes; and Bill McLaughlin with the Texas flag. Color guards were F. M. McBeth and Tom Reid.

Then came the Tahoka High School band, followed by two platoons of the Tahoka Defense Guard in their uniforms and armed, making an impressive showing. Then came in order the Red Cross Ambul-

ance, the automobile bearing the Selective Service Board of Lynn County, the Boy Scouts, Cub Scouts, Girl Scouts, ex-students' float, and the high school float.

On the courthouse lawn, the High School Band, directed by John Hamblen, gave some patriotic numbers, and Superintendent W. T. Hanes of the Tahoka schools, as general chairman of the Army Day celebration, presided while the program was being rendered. After making just a few pertinent remarks, he introduced Capt. Don Turner of the Tahoka Defense Guard, who gave a few brief facts respecting that organization, which consists of about eighty members.

Chairman Hanes then introduced Truett Smith, who, after making a few introductory remarks respecting Lynn County men in the armed forces of the United States, proceeded to read the list. He was assisted by W. T. Bovell, the two alternating in reading the names.

It was while this was being done that the rain drove the crowds to shelter, and Chairman Hanes announced that the program would be concluded in the district court room. The room and gallery were practi-

cally filled, but only a small percentage of the crowds outside made their way into the court room.

After the reading of the names was completed, Truett Smith made a brief patriotic address, which was enthusiastically applauded.

Chairman Hanes presented Aubra M. Cade, commander of the local American Legion Post, who in turn introduced Judge Homer Winston of Brownfield, the principal speaker of the day.

Judge Winston, who spent many months in France and Germany helping to put the Germans to rout in the first World War, and who later served Terry County as county judge, is a most engaging speaker, and his frequent keen thrusts and sallies of humor kept the crowd in fine spirit.

It was regrettable that the rain prevented the large crowds in town from hearing this address.

Pete Curry, who was critically injured when a horse fell on him a few weeks ago, is reported to be recovering nicely at his home two miles east of town. However, it is expected that he will remain in a cast for several weeks yet.

Naymon Everett, Bob Carroll, J. L. Shoemaker, and W. E. Tredway of O'Donnell attended a meeting of the Masonic Lodge here Tuesday night.

Reports from the bedside of C. T. Oliver are to the effect that he is improving satisfactorily. It is expected that he will be able to come home early next week.
