## School Children Join In Drive For Scrap

### Form Organization To Hunt Metals

With a battle cry of "Get In The Scrap," Tahoka Public schools will rally to the cause in setting aside the week of Oct. 6 through Oct. 12 for participation in this national drive for vital scrap materials needed in the war effort.

Under the direction of a committee headed by Mrs. Roy Finch and composed of Miss Lauraine Leavitt and Mrs. Minnie Fitzgerald, the school is planning to take an active part in raising the county's scrap quota.

The drive is to be organized on the groundwork of a Junior Army, in accord with the state-wide Junior Army, which has the following organization:

The Chief State School Officer, Dr. L. A. Woods, will be the Commanding General; county superintendents and city superintendents will be designated as Colonels; principals of schools will be Majors; teachers will be Captains; and among the children in each school-room there shall be appointed, on the basis of responsibilities and production, Lieutenants, Sergeants, and Corporals. Other students shall be Privates, eligible to promotion for meritorious performance of duty.

Competition between classes will doubtless be very strong, as the money obtained from selling the scrap will go to individual home rooms to be used as class funds. The class selling the greatest number of pounds of scrap, will, as a reward, get one-half day holiday for a picnic or some special class function.

An organized coverage of each home in the county is anticipated. No home will be without its donation to the national cause. Students will make notations of all articles too heavy to be transported by them, and the salvage committee will see that transportation is guaranteed. No stone will be left unturned in collecting every bit of iron and steel, rubber, copper, brass, bronze, aluminum, zinc, lead, old rags and other vital scrap which can possibly be spared in the homes of Lynn County. To add interest to the drive, students in Miss Leavitt's economics class will make posters depicting the campaign.

With the idea in mind that one old tire will provide the amount of reclaimed rubber ordinarily required to produce 12 gas masks, and that one wash pail will provide the amount of scrap ordinarily required to produce the steel needed to make three bayonets, Tahoka high school students are using the motto of "Scrap Will Win The War" in not failing to overlook any thing which will be of use in the war effort.

## S. D. Dabney, 57, Dies At Draw

Funeral services were conducted in the Draw Methodist Church at 4:00 p. m. Thursday, October 1, for S. D. Dabney, South Plains pioneer, who died at his home south of Draw Wednesday about noon, after being confined to his bed for the past two years. Rev. Jesse Young, pastor of the church, conducted the services following which the remains were interred in Draw cemetery.

Mr. Dabney, 57, had moved from Dallas County to the Plains about 25 years ago and had engaged in farming until a malignant disease, from which he died, forced him to retire.

Mr. Dabney leaves his wife and three children, Lorene, Wilma and Wesley Dabney, two brothers, Geo. W. Dabney of Big Spring, H. C. Dabney of Menard, and a sister, Miss Josie Dabney of Fort Worth.

Wade Holland bought Kelly Hill's home, that is in the west part of town. The Hollands moved in on Tuesday.

## Many Tahoka Men Entering Service

Many Lynn county men, including several Tahoka business men, have entered the U. S. armed forces during the past few days. Most of them have enlisted as mechanics in the Army Air Corps and will be stationed at Lubbock Air Base.

Included among these are Conway Clingan, local Texas company representative; Kelly G. Hill, of the Farmers Co-op. Ass'n.; W. H. (Dub) Kenley of A. L. Smith Food Store; Deck Dunagan and Preston Buckhannon, Conoco Service Station.

Others from Lynn county going into the same branch of the service include: Melvin Marcus Pearce, James Carl Ballard Jr., and Patrick Harold McKibben, all of O'Donnell; and Leonard Andrew Duff Jr. of Slaton, Rt. 2; Olin Jessie Johnson of Tahoka, J. B. Florence of Draw, and Kieburg Harter.

J. L. Jennings, son of Commissioner Leon Jennings enlisted in the regular Air Corps.

Henry Otto Kleschnick of Wilson and John William Garner of O'Donnell enlisted in the Navy.

Several other Tahoka business men, who are married but have no children, who had been reclassified in 1-A, have already had their physical examination and will either enlist or go to the Army in the October Selective Service call.

## Guerilla Warfare For Defense Guard

First instruction in guerilla warfare tactics will be given members of Co. F, Texas Defense Guard, at a drill period which will be held next Sunday afternoon, beginning at 3 p. m. Capt. Don Turner insists that every member possible be present.

At the regular Monday night drill, only eight members of the company were absent, and the unit hopes to maintain this high percentage of attendance.

Capt. Turner announced that new Government-furnished winter uniforms had arrived and would be issued the men soon. The winter uniform includes blouse, jacket, trousers, leggings, gaiters, and caps. Other equipment is expected soon.

Intensive study and drill in modern warfare methods is being inaugurated by the Guard, and more attention will be given this in the future than to close order drill.

Kelly Hill, who recently enlisted in the Army Air Force, was present and told the men of the great aid the Defense Guard training had been to him as a new recruit in the Army.

Due to the fact that several men from the company are going into the U. S. Army next month, there are openings for a number of recruits, officers state.

Refreshments were served Monday night by Sgt. Claude Conway and Frank George.

## Ordinance Service Planned At Redwine

A service in which Omer Reed will be ordained for the ministry is being planned at the Redwine Baptist Church for Sunday, October 11.

There will be a Song Devotional led by Melvin Rätneal of Tahoka, Questioning by Rev. George A. Dale of Tahoka, Charge to Church by Rev. J. D. Clinton of Lubbock, Charge to Candidate by Rev. Bruce Giles of T-Bar, Sermon by Rev. W. P. Bryan, pastor of Redwine Church, Ordination Prayer by Rev. Sam C. Potts of Levelland. Everyone invited.

## Boullion At Lexington

First Lieutenant E. H. Boullion has written Mrs. Boullion that he likes his work in the Signal Dept. at Lexington, Ky., but would like to see a copy of the Lynn County News. It's on its way, Lieutenant!

## League Of Nations Rotary Subject

The League of Nations and Woodrow Wilson, was the subject of an address by W. T. Hanes, superintendent of schools, before the Tahoka Rotary Club Thursday at noon.

Hanes presented a clear and concise explanation of the League and its purposes, the man behind the idea, and made a forceful argument for the body as possible insurance against world conflicts. His talk was declared by several to have been one of the best of the year.

Frederic Walker was in charge of the program.

President Truett Smith announced that next Thursday night, October 8, will be Rotarian-Teacher night, an annual event of the club. The meeting will be held the school gymnasium at 8:30 p. m., and all (Continued on last page)

## Roy Stephens, Captured At Wake Island, Writes From A Japanese Prison Camp

Roy Stephens, captured by the Japanese while defending Wake Island last December, is safe and well in a Shanghai War Prisoners Camp, according to a letter from him to his parents. Mr. and Mrs. Leroy Stephens, of Midway community, received last Thursday. It was the first direct word the parents had had from Roy since the fall of Wake Island, though they had received assurances through the Red Cross and the intermediary, the Swiss government, that he was a captive and in good health.

The letter, in Roy's own handwriting and written May 30, was one of the few received in the United States from our nationals captured by the Japs.

Roy is a graduate of Tahoka High School, and was a football star. He also attended Howard Payne and West Texas State colleges. When the war came on, he was a civilian worker employed in the construction of the Wake Island base, and was among those who held off the Japs in bitter fighting before the Island capitulated.

The text of his letter follows: "Shanghai War Prisoners Camp, May 30, 1942. Dear Mother & Dad: At last the chance has come for

## Harvest Of Large Crop Is Getting Under Way

### H. A. Maasen Jr. In Naval Air School

ATHEENS, Ga.—Henry A. Maasen Jr., of Tahoka, is now enrolled in the U. S. Navy Pre-Flight School here. He attended Texas Tech, Lubbock, where he majored in journalism.

Successful completion of the work here will send Maasen to one of the Navy's primary flight centers, then on to advanced instruction and finally an operational base. The entire pilot training period covers 12 months.

## Roy Stephens, Captured At Wake Island, Writes From A Japanese Prison Camp

me to let you know that I am safe, sound, and doing fine. I now weigh two hundred and four pounds and in perfect health. We work a little around camp most every day. Considering everything, camp life is not so bad; in fact, we are getting what I consider excellent treatment.

"I am looking forward to coming home, though I can't see it happening any time soon, unless we are included in a repatriation arrangement, and of this I think our chances are very small. I am just hoping that the war does not last as long as I think it will.

"When you write be sure and make your letter newsy. Especially how all the family is, and whether my salary has been stopped.

"Since I am limited as to subject material, there is not much to tell. Most of all, don't worry about me. Take care of your health. Tell everyone hello. I hope to hear from you and to be home soon.

"Write me frequently. I too will write you as often as I am permitted.

"Your loving son, "Roy Stephens, "Japanese Field Post Office No. 106 "Shanghai, Central China "Barrack No. 3."

## Youth Is Jailed For Car Theft

Don Hall, O'Donnell youth, is in the Lynn county jail charged with car theft following his arrest at Tulla early this week.

He is alleged to have stolen a car from the John Ellis garage at O'Donnell Saturday. Sheriff B. L. Parker was soon on his trail and his arrest was not long delayed.

The young man, about nineteen, is said to have had previous run-ins with the law.

## Donald Giles Commissioned

Mr. and Mrs. J. A. Giles of Redwine have been notified that their son, Donald L. Giles, was commissioned a Second Lieutenant upon completion of his course at Miami Beach, Florida, in September. He has been in the Air Forces about two years.

## Keith Connolly In Air Battles

"Tell Finis that I can't tell him how many Jap fighters (planes) that I have shot down but the figure is astounding."

Such was a statement contained in a letter from Sgt. James Keith Connolly, somewhere in the Southwest Pacific, received by his parents Mr. and Mrs. James Connolly early this week. Finis is his brother, who is receiving flight training at Maxwell Field, Ala.

Keith is a gunner on a Flying Fortress and recently was featured in a news dispatch from Australia, in which the attack of his Flying Fortress on Jap naval units was described.

He was in the battle of Java and had a thrilling last-minute escape. His letter was one of the V-Mail type, came all the way from Aus-

## Soldier Makes Plea For Scrap Metals

The editor received a letter this week from Pvt. Carvie I. Tew of Grassland who has been in training at Camp Carson, Colo., for several months, in which he expresses a soldier's wish for the help of the homefolks in the salvage drive. His letter follows:

Dear Editor of The Lynn County News: I will come again to let the people of Lynn County know that I'm still in the fight for victory.

I would like to leave just one thought with the people everywhere and that is that the soldier alone cannot win this war. You had better wake up and dig that old plow out of the sand and throw it into the fight.

It will take lots of ammunition for each man when we get in actual combat. We will appreciate anything that you folks at home have and will throw in, for it will mean much to us.

Pvt. C. I. Tew, 2nd In. Bn., Hdq. Co., 353 Inf., 89th Div. Camp Carson, Colo. Carvie says that he will be glad to hear from any of his friends here and gives his address above.

## Lunches Available In Tahoka Schools

Beginning its third year of operations, the lunchroom for the Tahoka public schools was declared "ready for business," by school director, Supt. W. T. Hanes, this week.

Carrying on in the same method as before, the lunchroom has as its purpose providing those school children who have an insufficient diet with at least one balanced meal a day; the Surplus Commodities committee under the direction of Mrs. Wade Holland, supplies a portion of the foodstuffs from the commodity house, and she works hand-in-hand with the WPA and local school authorities in fulfilling the purpose of "balanced meals for school children."

The charge per meal is only ten cents for all students who are able financially to pay the fee, and this charge tends to counterbalance the budget for those who do not pay. The lunchroom is a non-profit project, and any excess realized from the sale of meal tickets is used to buy additional food or equipment.

Approximately 250 persons are served daily by Mrs. Effie L. Stice, director of food preparation and her helpers, and even more students are expected to take advantage of the lunchroom as cold weather sets in. All menus for the meals are sent from the Lubbock branch of the Surplus Commodities program.

## Organizing Scout Troop At Grassland

Organization of a Boy Scout troop at Grassland is planned tonight, Friday, according to Rev. Frank Thomas, one of the leaders of the organization movement.

At a recent community meeting, a Scout council was selected composed of Rev. Thomas, chairman; Tom Brown, secretary; Jeff Huddleston, Claude Thomas, and F. B. Cearley. Louis Kenley will act as scoutmaster.

The Grassland P. T. A. will be the troop sponsor.

trails to Tahoka in two weeks, and contained many items of interest and questions about family and friends.

Among other things of interest, he said a Christmas package from his Grassland girl friend finally caught up with him—just eight months late—but just as welcome as if it had come earlier. He states that he will be able to get two V-Mail letters a month.

## 543 Bales Cotton Ginned In City, 2,500 In County

With the return of fair weather, Lynn county farmers have started harvesting one of the county's largest crops.

Though pickers from South Texas have not arrived in large numbers yet, Tahoka gins had turned out 343 bales up until noon Thursday, and there had been approximately 2,500 bales ginned in the county.

Many farmers are busy with the harvest of enormous grain sorghum crops, and lines of wagons and trucks are formed at local feed buyers and grain mills. Maize was bringing 76 cents per hundred on Thursday.

Much of the cotton received was reported to be "a little green". But the bolls in most fields are drying out and popping open at a rapid rate with the coming of fair weather, following a week of rainy and misty weather.

Many farmers had written Mexican pickers not to come until Oct. 1 to 15, and many pickers are expected to arrive this week end. Ginners say they expect to be running 24 hours a day next week, if everything is favorable.

This year's cotton crop is being estimated variously at from 70,000 to 100,000 bales.

## Flower Show In Tahoka Saturday

The ladies of the Methodist Church in Tahoka are sponsoring a flower show, Saturday, October 3rd, in the office of the Texas-New Mexico Utilities on the west side of the square.

The flowers to be exhibited should be brought in between the hours of 8:30 and 10 a. m. Bring your own containers, if possible. Those living out-of-town may take their flower containers home with them but exhibitors living in Tahoka are asked to leave their exhibits until Monday.

First, second, and third places will be given but no cash prizes will be awarded.

Our country is waging a war for its existence and this is the time for every woman to create as much beauty as possible in her home and in the community.

Everybody—men, women and children—come to the flower show and get an inspiration to make your home and community a more beautiful place in which to live the coming year.

The following classifications are given. From it you will see that any flower or vegetable or any berry-bearing shrub is eligible for entry.

### Section A—Dahlias

Class I—Arrangement of 3 or 5 large Dahlias, same color.

Class II—Arrangement of 3 or 5 large Dahlias, mixed color.

Class III—Arrangement of 5 or 7 small Dahlias, same color.

Class IV—Arrangement of 5 or 7 small Dahlias, mixed color.

Class V—Arrangement of large and small Dahlias, mixed colors.

### Section B—Roses

Class I—Roses, one dozen, single color.

Class II—Roses, one dozen, mixed colors.

Class III—Roses, five, seven, or nine, mixed colors.

### Section C—Zinnias

Class I—Giant Zinnias, single color.

Class II—Giant Zinnias, mixed colors.

Class III—Dwarf Zinnias, single color.

Class IV—Dwarf Zinnias, mixed colors.

### Section D—Marigolds

Class I—Arrangement of any variety.

**SCHOOL CITIZENSHIP**  
 (By Peggy Fenton)  
 "Beauty is only skin deep," but this old adage may not be applied to school citizenship and school spirit. A good school citizen supports all the school activities, and the football team is certainly included on the list. Tahoka High School has a football team and it needs all the sideline support which we are able to give it. The boys can play much better if they have some encouragement from the student body. This year T. H. S. has a pep squad and the students who do not participate in football are urged to take part in this organization.

Also, by being good school citizens we are gaining invaluable knowledge of being good American citizens. Too, we are doing our part in America's greatest need by preserving books and school property. Students, let's be good citizens! Let's support our football team as well as other school activities. Let's show Tahoka as well as the towns in which our team and student body visits that we have a lively and active group enrolled in T. H. S.

## Brownfield Will Probably Be Best Team On Schedule

Tahoka highs Bulldogs will embark next Friday night on a rugged non-stop game between the Bulldogs and the Brownfield Bears. The game will be held at the football stadium in Brownfield.

According to Volney Hill, the Bulldogs are in top physical condition. He also stated that the boys have been gradually improving since the first game with Lamesa.

"Although several of the boys have dropped out of the team, we still have an A-1 squad," said Mr. Hill.

Brownfield high school is in class AA, having more than 1,000 students in school; however, the Bulldogs say that they are not going to Brownfield to score a moral victory, but the kind that shows up on the scoreboard.

The Tahoka squad has not escaped casualties the last three games, but these have not seriously injured the team. Last Friday night at Monahans, the boys showed great spirit although they were beaten by a score of 21-7.

"The great American sport of football ranks second to the number one sport, baseball," remarked Coach Hill, "and I think every high school student should be behind the team."

The band, pep squad, and Tahoka fans will attend the game Friday night to give the Bulldogs full sideline support, and all high school students are urged to attend the game if possible.

## Tell Me A Story, Miss Headrick Asks

When Miss Ineva Headrick says, "Tell me a story," she means it literally. This is the testimony of several of her speech students.

The stories being told are Bible stories, adventure stories, and fairy tales, and the length of time devoted to each member for telling his story was from 5 to 10 minutes.

Some of the stories told were: "The Great Stone Face," "Evangeline," "Beginning of the Earth," and "Joseph," as well as some fairy tales.

The class is now taking up play dramatization. After the story is recited in class, it is written in scenes by class members. The group will later act out the scenes before the class.

Twelve are now enrolled in speech.

## Canning Is Subject Of Homemaking II

Second year homemaking girls are learning the practical side of cooking as they take up the study of canning. They have had some previous practice in food preservation, but they have devoted the class periods of the entire week to the canning of peas and apples.

This canned food is to aid the girls when serving a meal, and the canned foodstuffs are used by all homemaking classes.

Thus, food cost is cut for the department as well as teaching the girls to be better homemakers by knowing how to prepare canned goods.

## CALENDAR

Fire prevention week will be observed during the week of October 5. Other events scheduled for this week are:

Monday, Oct. 5—  
 Tuesday, Oct. 6—Senior Party.  
 Wednesday, Oct. 7—Assembly Program at 10:15 a. m. Hobby program directed by Mr. W. T. Hanes.  
 Thursday, Oct. 8—  
 Friday, Oct. 9—Football game with Brownfield at Brownfield.

## School Students Start Scrap Drive

At a faculty meeting of the Tahoka teachers held Monday, September 28, plans for cooperation in the nationwide school children's scrap drive were discussed. The drive will begin next week and will be under the direction of a committee appointed by Supt. W. T. Hanes. On the committee are: chairman, Mrs. Roy Finch; Miss Laurine Leavitt; and Mrs. Minnie Fitzgerald.

The Tahoka Teacher's Association was also organized at the meeting, and the officers elected are as follows:

Chairman \_\_\_\_\_ Hope Haynes  
 Vice Chairman Mary M. Tunnell  
 Secretary Mrs. John A. Roberts  
 Appointed on the program committee for the next meeting are Miss Mary Eleanor King and Miss Anita Reddell.

Meetings will be the third Monday of each month at 6:00 p. m.

## Monahans Wins, But Game Close

Tahoka's lads in the blue and white jerseys were defeated last Friday night by the Monahans high school team. The final score was 21-7.

Starting the game was the usual first-string with one or two changes due to the fact that some of the boys in the A string have dropped out. Later on in the game various substitutes were sent in to relieve other players.

The game proved to be evenly matched although the Monahans team did score three times at various periods of the scrap. They made all the conversions.

During the last four minutes of play, James (Sonny) Roberts, star back of the Tahoka team, plowed through the center of the two teams to make the initial Tahoka score. Instead of kicking the extra point, which the Monahans team expected him to do, the team reiterated the previous play for the extra point.

Much concern is shown by the boys and fans to the next game at Brownfield October 9.

## First Year Girls Making Dresses

Tradition changes this year for the girls in homemaking I. Ordinarily, the girls would be making aprons, but due to the shortages of material, they will dispense with this practice and begin actual dress making. The girls are now making pin cushions and also are preparing to begin their dress designing in the next few days.

These dresses are to be made of print material and will be cut from simple patterns. "The prospective seamstresses are anxious to try their luck in sewing," says Miss Lucille Wright.

## Spanish Students Learning Language

Juan no es aplicado. No estudia. Escribe los ejercicios fáciles, pero no estudia las lecciones difíciles.

Don't be frightened! This is just what the students are learning to read and speak this year in Spanish class.

Mrs. John Kirkwood, Spanish teacher, said that the class of 17 students has been saying Spanish verses this week. She also stated, "All of my students are 'A' students except one or two, and this is proving to be an exceptional group in language study."

## Expression Is Fun, Teacher Thinks

Did you ever take expression or music? If you have not, just ask Mrs. R. L. Richardson how much fun she thinks it is to hear the little pupils stammer over an expression speech or get their fingers tangled on the piano keys.

Mrs. Richardson has 22 members, including two new ones, enrolled in her music and expression classes. More pupils are enrolled at the first of this year than in previous years.

The students are at present doing private and group work, and they are preparing for a recital which is to be presented in about six weeks.

"The students are taking a great interest in their work this year," stated Mrs. Richardson. She also said that she had ordered new books and material for the expression classes and that it will be here soon.

## Year's Music Plans Are Mapped Out

Highlights of the meeting of the Teachers' Music Education association's regional meeting in Plainview last Sunday were revealed by Miss Mary Eleanor King, Tahoka high school band director.

The principal feature of the meeting was, according to Miss King, the planning of Victory concerts to be given in each community in Texas at six month intervals. Complying with the request of Gov. Coke R. Stevenson, these concerts will aid in carrying good music to all Texas communities. In this manner, high school bands will avoid the frequent trips to neighboring schools which they have been in the habit of making. Admission to the concerts will be defense stamps or even bonds.

"The first Tahoka concert will be held in the high school auditorium on October 15 at eight o'clock, says Miss King. The program will be opened with a 15-minute broadcast by a state-wide hook-up, which will be heard by those attending the musical. Dr. L. A. Wood, State Superintendent of Public Instruction, and Gov. Coke R. Stevenson will speak to the radio audience and the N.T.A.C.A. band of Arlington will play several selections. The local program to supplement the broadcast has not as yet been decided.

Due to transportation problems, the bands this year will not attend regional contests. The judges will go from school to school in selecting the best bands.

Miss King has stated that there are three different divisions of the T.M.E.A.: vocal, band, and orchestral groups composing the organization.

## Aggie Boys Study Parliamentary Law

Dropping the subject of pigs and calves, the agriculture boys are now studying parliamentary procedure. Supplementing this, the boys in agriculture I have been learning the F.F.A. ritual as well as the motto, which is:

"Learning to do  
 Doing to learn  
 Earning to live  
 Learning to serve."

## Grade School Whine

Mr. A. L. Pace, who has been here for a number of years, has resigned to take the place of Mr. Falbert C. Panning as superintendent of the New Home school. He has shown good work here and every one hates to see him leave Tahoka.

Mr. John Kirkwood says he is rather proud of his fifth grade enrollment of 52 because it is the largest class in grade school.

"The sixth grade students are showing much improvement in both art and music this week," says Miss Anita Reddell, art and music teacher. The students are learning to shade pictures and also learning the two part harmony in music.

The sixth grade group two class is noted for its outstanding citizenship; it is said that this group makes less noise than any class in grade school. Mrs. John A. Roberts is their sponsor.

Both third grade rooms had an enrollment of 27 until Monday morning when Robbie Joe and Bob-Miss King. The program will be from Baton Rouge, La. There is another set of twins in the third grade, Daniel Ray and Anna Faye Cowan. Miss Mary Lou Tucker is the teacher.

Mrs. Grady Howard has gone to Sheppard Field, Wichita Falls, to be with her husband, who has had an operation. Mrs. W. T. Hanes is substituting for Mrs. Howard.

## Cheer Leaders Are Named By Classes

Students were running rampant last Thursday, September 24, as class meetings were held to elect cheer leaders for the year. A boy and girl were selected from each class to lead the cheering section in boosting our football boys on to victory.

The new cheer leaders are as follows:

Seniors	
Peggy Fenton	Clyde Briley
Juniors	
Mary Beth Fenton	Dwayne McClintock
Sophomores	
Dora Ruth Fenton	Derwood McClintock
Freshmen	
Ruby Lou Coughran, A. J. Minor	Seventh Grade
Mozelle Jones	Thomas Fulkerson.

## Economics Class Studies Big Business

In case you are looking for a finance or a business action, chances are he may be found among the students of economics.

The class has been studying big business, individual ownership, partnerships and corporations, and they may any day work out a business scheme that cannot fail.

Miss Laurine Leavitt, teacher, stated that this is her first experience in teaching economics and that she finds the class both fascinating and interesting.

"Take It From Me, Mister"

"Playing with fire is dangerous business. I know! I've seen too many families lose everything they had in a fire. I know that fire insurance is the cheapest and most valuable protection you can buy!"

**Sub-Deb Members Hold "Rush" Week**

The Sub-Deb Club entered the entertainment whirlpool with a splash as rush week began September 30 and will end October 7.

With more quality and quantity in feminine charms than Tahoka has seen in many years, this year's crop of freshmen, transfers, and newcomers offers a veritable happy hunting ground for the prospecting club.

The rushees are: Euella Dollins, Colene Carmack, Geraldine Mather, Joan Owens, Jeanette Coughran, Gwynell Davis, Jeannine Smith, Dorothy Lee Carmack, Geraldine Connolly, Joyce Kinley, Billy Jo Cowan, Mary Alice Hines, and Charles Bucy.

The Calendar for rush week is as follows:

- Wednesday, Sept. 30—Meeting in the home of Dot Applewhite, 4:30; bicycling party, 7:30.
  - Friday Oct. 2—Slumber party in the home of Pat Hill.
  - Saturday, Oct. 3—Tea and mid night show.
  - Sunday, Oct. 4—Attend church at Methodist Church in a body; show at 2:30.
  - Sunday night—Play night in the home of Peggy and Mary Beth Fenton, 8:00.
  - Monday, Oct. 5—Skating party at 8:00.
  - Wednesday night, Oct. 7—Supper party, 8:00.
- Initiation of pledges will be October 12.
- Miss Mary Margaret Tunnell, Mrs. Eldon Carrol, and Mrs. Houston Spikes have been selected as the club's sponsors. Mrs. Spikes has been a sponsor of the Sub-Deb Club for the past two years.

**Homemaking Girls Are Never Idle**

Homemaking girls are never idle if last summer's work is any evidence of time well spent.

With 25 girls enrolled in the summer course Miss Lucille Wright has attested that this group prepared about 212 meals and canned 2000 cans of vegetables, 900 cans of fruit, 136 jars of preserve, and 40 jars of pickles.

The food program was stressed, and the following list includes the home projects on which various girls worked during the summer: gardening, canning, planning and preparing food for the family meals, improving the home, bedroom improvements, refinishing furniture, refinishing floors, yard improvements, personal improvement, selection, care and construction of clothing, family and social relationship, child care and guidance of children and consumer buying.

The homemaking stuents finished their work the last of August. Twenty girls completed the work and have received one-half credit.

**Interesting Library Facts Are Told**

What do you know about the library in the Tahoka high school?

There are a great number of books in this library, and in addition to the works of fiction, biography, and reference volumes, there are many other books which will aid each student in his studies. Some of these include texts and source books on science, history, philosophy, arithmetic, prose, poetry, drama, short stories, speech, English literature, homemaking, and a great number of encyclopedias.

Although new books have been added to the library there are some very old books in it. There is one set of books which is the complete edition of Shakespeare's work, the title of which is The Complete Work of Shakespeare. It has been revised from the original edition, and our copy was printed and published in London by the London Printing and Publication Company. These books are valuable because of their delicate engraved pictures which are of especial interest because of the odd costumes worn at that time. Mr. and Mrs. H. C. Crie gave this set of the books to the library, but the date that they were received is unknown.

The Works of the British Poets is another book that is very old. This contains selections from Ben Jonson to Beattie, with biographical and critical notes by Dr. Aikin.

River Scenery of France is a book of engraved pictures of scenes which are located in France. It is depicted in 61 line engravings, and was also published in London in the year of 1853.

There is also another old volume entitled Civil War in America. It has the origin and progress of the rebellion of various naval and military engagements, and John S. C. Abbott is the author. The book was published in Massachusetts, in 1865, and was also a gift of Mr. and Mrs. H. C. Crie.

**Social Functions For Year Planned**

The high school social committee met last week to schedule all social functions to be sponsored by each class during the year. Colene Carmack, social chairman for the Freshmen class, listed a Halloween party and a Christmas entertainment for the 8th grade.

Dona Sue Milliken, Dan Brookshire, and Eva Joe Reid, social committee for the Sophomore class, have included a Halloween and Christmas party as well as a close-of-school party for their class.

The Junior class will be socially rushed in fulfilling the roster laid out by Rae Fern Pennington, Dwane McClintock, Billie Greer, and Dot Applewhite, which includes a Halloween party, a New Year's Eve party, December 31st, a weiner roast in February, Junior play in March, and

**No Longfellows In English Class**

They're not a Whittier or a Longfellow—but they're learning mighty fast.

Students of English IV learned some of the ups and downs of the poet last week as they tried their luck at writing and rhyming. The class studied Old English ballads and each student was required to write a ballad. It was to be at least 12 lines in length and based on some current subject or event.

The following, by Mary Nell Crouch, is a typical example of the papers Miss Headrick received:

Douglas MacArthur in the Philippines lived  
A handsome man was he  
He lived with his child and dear wife  
A fair young maiden was she

They were peaceful, happy and gay  
Until the war upon them came  
Bidding his son and wife goodbye  
He knew there was work to be done.

A general in the army he was made,  
A great commander was he  
Into the battle he led the U. S. men  
To make our country free.

In Australia they are now fighting—  
Those brave American men  
We know we will go where MacArthur leads  
For we'll send more men and victory we'll win.

**Cram! Cram! Cram! Exams! Exams!**

Cram! Cram! That's what the students are doing who have 3rd and 7th period exams Friday.

The classes in which exams will be given are: English 4B, Journalism, Junior history and English 1B, social science, English 1, and algebra 1.

These are the third six weeks' exams. The last exams will be given next Friday, and these will include the 4th and 8th periods which will consist of home economics III, typing, speech, algebra 1, chemistry, agriculture, Spanish, home ec 1, and 7th grade arithmetic.

the Junior-Senior Banquet on April 23.

The Seniors are "takin' it easy this year, not worrying about the banquet, but their social committee, made up of Cecil Bostick, La Voyte Richardson, and Beth Shepherd, is planning a busy year for the group with a party for the Juniors, and a picnic and party at the end of school.

The presidents of the various classes appointed the committees. This calendar for this year will stand as it is unless a conflict is found.

**MISS HEADRICK ABSENT**

Miss Ineva Headrick, English teacher and senior sponsor, was absent from school last Thursday due to illness.

Miss Dorothy Ann Roberts, an ex-student of Tahoka high school, substituted in Miss Headrick's classes. Miss Roberts stated, "The students acted very well, even better than I expected."

**BIRTHDAY PRESENT**

Mrs N. S. Price of Route 4 has handed us a renewal for the paper, going to her son Lawrence Price of Amarillo. Mrs. Price states that she thinks that Lawrence and wife will enjoy the home paper more than any other gift that she could send for the same amount of money. Both Lawrence and his wife were reared in this county and we are glad to have a part in telling them the news from "home."

Another Tahoka man who has volunteered for service as an air corps specialist is J. B. Florence, according to information given to

The News by the West Texas Recruiting Office at Lubbock.

**Lynn County News**

Tahoka, Lynn County, Texas

E. I. HILL, Editor  
Frank P. Hill, Associate Editor

Entered as second class matter at the post office at Tahoka, Texas, under the act of March 3rd, 1879.

**SUBSCRIPTION RATES**  
Lynn or Adjoining Counties:  
Per Year \$1.00  
Elsewhere, Per Year \$1.50  
Advertising Rates on Application.

**NOTICE TO THE PUBLIC:**  
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Lynn County News will be gladly corrected when called to our attention.

Under his war-time powers, we are told, President Roosevelt has delegated to Rubber Director William M. Jeffers and Jeffers in turn has delegated to Joseph B. Eastman, Director of the Office of Defense Transportation, authority to limit the speed at which automobiles may be driven on the highways of the United States. Eastman accordingly has announced that he has fixed this speed limit at thirty-five miles per hour and has called upon the governors of the various states to make the 35-mile limit effective "by proclamation or otherwise." This is a typical example of government by mere decree or order or Proclamation made by the Executive acting through boards or bureaus or commissions or individuals without resort to the usual, time-tried, democratic method of relying upon Congress and our state legislatures to enact our laws. Doubtless the President has this authority under his "war-time powers," though we have never been quite able to comprehend it all, but certainly we do not want this kind of government in time of peace. We have no objection to the speed limit of 35 miles. That may be necessary in order to conserve rubber, but we always have believed that Congress constitutes the legislative branch of this government. Since every thing must be directed to the end that we may win this war in the quickest time possible, we shall most cheerfully comply with the regulation promulgated by Mr. Eastman and appeal to all our fellow citizens to do likewise, in spite of any objection to the manner in which the regulation has been made. Let's save our rubber, folks, and help win this war.

TAHOKA  
**WE NEVER CLOSE**

Next week will be observed throughout the United States as Fire Prevention Week, so designated by Proclamation issued by President Franklin D. Roosevelt. In his proclamation he says: "I desire to enlist the cooperation of State and local governments, of educators and civic groups, of the press, the radio, and the motion-picture industry, with a view to promoting widespread realization of the dangers of fire and knowledge of the methods of controlling it." Unless the vacant lots in Tahoka are cleaned up and the weeds and trash burned, these will constitute possibly the greatest fire hazard in Tahoka after frost comes this fall. Rank weeds in the town should be destroyed now as a fire-prevention measure.

We saw a farmer Monday who had refused to employ a farm hand to shock maize because the hand demanded 50 cents per hour. He was doing the job himself, and he jokingly claimed that he had gotten ahead of the row binder and came to town to permit it to catch up. Fifty cents per hour seems pretty high to a farmer but we suspect that sooner or later they are going to pay more than that. When farm hands organize a union and most of them join, then Mr. Farmer is going to be compelled to do his own work or demand still higher prices for farm products.

We may have a different opinion about it by the end of the week, but we are inclined to believe now that those Japs are a little leery of coming in contact with our Navy and our Flying Fortresses down in the Southwest Pacific. O that we had enough ships on the sea and enough fighters in the air today to send the Japanese Navy to the bottom of the ocean and to blast all their munitions plants to smithereens! We surely will have some day, and then we'll end the war.

When we furnish our generals and our admirals with the men and the munitions and the ships and the planes and the tanks to get the job done then we suspect that they will open another front in Europe without a moment's delay. Those Russians are fighting like demons and it is to be hoped that we can give them effective aid some time soon.

It is easy for a lot of us to comply with the 35-mile speed limit but we bet it gives a pain to these 70- and 90-milers.

**CARD OF THANKS**

We want to thank our many, many friends in Tahoka for their kindness and thoughtfulness of our Daddy in helping him by your visits and kind words to be up and about again. We especially thank Mr. and Mrs. Reddell and Edd Hamilton. We assure you we do appreciate everything though we are far away. Sincerely, Charles Oliver, Mr. and Mrs. John Brock, Paula Jan and Nancy Kay, San Diego, Calif.

**ODDS and ENDS**

by Ee Eye, the Elder

Tahoka has reason to be proud of her many blocks of pavement, her trees, and her pleasant lawns surrounding or partly surrounding the homes of so many of her people.

Most of her fine trees have been grown the past few years — since the finding of a more abundant water supply a few years ago. The mayor and the city council of that day are to be commended that they kept on seeking and digging until they tapped these more abundant streams of underground water. Without the water, the fine trees that we have could not have been grown successfully.

Now, most of our streets and the premises surrounding many of our homes are lined with trees. Even some of our most humble habitations are made attractive in the setting of trees which have grown up about them.

It is true, as the poet has said, that "only God can make a tree," but only men can drill wells and dig ditches that supply the water necessary to their growth out here on these South Plains. And hence we are grateful to God and thankful to men who have made it possible for our little city to become a city of trees.

But there is a fly in our ointment. Before we had the trees and the abundant water supply, we needed electric lights. The City installed a small electric light plant, which was doing very well.

Then a great corporation came along and knocked for admittance to our little city. It proposed to purchase and improve and extend the plant as the demand might justify. The City perhaps did well to sell the plant to the corporation. It has improved and extended the plant and has been serving the people well.

But it is impossible for mere men to foresee every contingency that may arise. The City Council gave the corporation a practically perpetual franchise over our streets and granted it the right to build its lines thereon and to remove obstacles on the streets that might at any time interfere with the distribution of the electric current along its lines.

Well, in the course of time trees were planted along our sidewalks and have grown up like magic, and in some places it is found that at times they do interfere with the operation of the electric light lines. To protect its lines and its service therefore the Company has sent out its employees to cut out the offending branches of the trees, and in some instances they have mutilated, and haggled, and marred these fine trees shamefully, destroying their symmetry and their beauty to the great disappointment and chagrin of those who have gone to the expense and the trouble to raise them.

We are just wondering why the Company could not have been required to build its lines in the alleys instead of the streets in the franchise that was granted it. How much better that would have been!

And we are just wondering why a great, a wealthy Corporation that thrives through the patronage of the people of our cities and towns can not see the injustice it is doing and the needless havoc it is wreaking and the ill will it is engendering when it continues to occupy the streets of our towns and continues to mar the property of the people and the beauty of the town upon occasion, when all this vandalism could be avoided by moving its lines voluntarily back into the alleys where they really belong.

We have another grievance that we wish to air just a bit.

As we have already stated, we are very proud of our beautiful lawns. The well-kept grass, the beautiful shrubbery, and the colorful flowers that adorn the premises about so many of our homes bespeak the refinement and the aesthetic tastes of so many of our people.

But, who likes to have a lawn like this surrounded by a wilderness of rank and ugly weeds? How much more attractive our town would be if owners of unimproved lots would go to the slight expense of keeping them cleaned up!

It may be that under the powers which towns incorporated under general law have, they can not compel owners of such property to keep it cleaned up; but we believe that all towns should be given such power. There are several ways in which towns could require owners to keep their property in decent condition

Buy A Victory Bond . . . And Slap A Jap!

**Suggestions Given On Rose Culture**

Twenty-five or thirty years ago, when Lynn County was receiving hordes of new settlers, the question "Can roses be grown here?" was quite frequently asked. Almost every home owner has proven the feasibility of trying. During these years, just about all varieties have been tried, but of course not all have done so well. For sheer hardiness, the three Radiance, red, pink, and shell pink, perhaps stand above all others. Talisman and President Hoover are so closely related to each other that neither should be discriminated against in order to favor the other. Paul's Scarlet Climber stands at the head of all reds. Dr. Van Fleet comes near to being an everblooming pink climber.

I sometimes wonder how many "millions" have been literally thrown away for worthless plants since the beginning of rose culture on the plains. It's but human for us to become rather desperate along near the end of the "season"—not wishing to lose another year, so bargains in roses are sought — and often found, or are they? Rose bushes which have been exposed to the air

entire blocks in town that it does seem something ought to be done about it. What do you say, folks?

for a period of hours lose so much vitality, their planting is usually a waste of time.

NEVER purchase a rose plant if it is shriveled at the top extremity to a noticeable degree, no matter what the price may be. Get your rose bushes into the ground before Christmas. By February, they will have formed nice white rootlets a half inch in length—just about the time rose bush "sales" are being pushed. Your plants will be able to go thru the hot summer, and of course are thoroughly established after the first year's growth. — Ben Moore, O'Donnell.

**THE TOWN THAT LET HIM DOWN**

**HE:** Well, here's the city limits. Tomorrow I can see my customers around town. Are you tired?

**SHE:** Not very. Does the car need anything?

**HE:** Yes, it does, but the map shows no Conoco station here.

**SHE:** You and your Conoco N<sup>th</sup> oil . . . but I don't blame you . . . the way this car performs.

**HE:** Here's the hotel, and a garage right across. Let's leave the car there, eh?

**ATTENDANT:** Good evening! In for the night?

**HE:** Yes. Fill the tank, grease her, check the oil, but don't drain.

**ATTENDANT:** What brand do you use?

**HE:** Conoco N<sup>th</sup>.

**ATTENDANT:** Sorry, haven't got it . . . but this is the last straw, mister. You're the fifth driver this week demanding Conoco N<sup>th</sup>. Seems like everybody knows about that Death Valley Test, when six engines were run to destruction. Conoco N<sup>th</sup> out-miled the average of five other brands more than two to one. I'm going to get some in stock.

**HE:** Sure, your regular customers, too, will want Conoco N<sup>th</sup> to OIL-PLATE their engine.

Conoco N<sup>th</sup> helps keep your oil and your engine clean. It can save you repairs and many a quart. See Your Conoco Mileage Merchant today. Continental Oil Company

OIL IS AMMUNITION . . . USE IT WISELY

**Clayton Lawrence Is Now A Sergeant**

LUBBOCK — Corporal Clayton A. Lawrence, son of Mr. and Mrs. C. A. Lawrence of Littlefield, has just been promoted to the rank of Sergeant. This announcement was made recently by Major Samuel K. Eck, Commanding Officer of the 83rd Service Group, Air Service Command, located at the Lubbock Army Flying School. This unit is training its men to be ready to supply the needs of other fields at a moment's notice. Their training is carried on by understudy and special lecture classes.

Sergeant Lawrence attended Tahoka high school and Texas Technological College. He is on duty as an Engineering Clerk in this unit that has come to be known as the "Fightin' 83rd."

Sergeant Lawrence enlisted in the Army Air Forces February 6, 1942. He is married and continued to reside in this county until his enlistment.

**NAME CHANGED**  
Southwestern Public Service Company is now the name of the utility company which furnishes Tahoka with electric power and light. The name has been changed from Texas-New Mexico Utilities Co.

The change came about by reason of the combining of several branches of the company under one operating name. According to W. S. Anglin, local manager, there are no radical changes in the organization or its service policy.

**NEGRO VOLUNTEERS**

Kary Marshall, young Negro man who came here from Panola County a little more than a year ago, and has been residing in the general vicinity of Grassland, volunteered for service in Uncle Sam's Army Thursday. He declared that if he got in front of the big guns he "would not mind," that he was willing to do his part.

Mrs. Frank Hill returned home Monday night from Wichita Falls, where she had been ten days at the bedside of her brother, Grady Howard, who underwent a serious major operation on his left leg Thursday at the hospital of Sheppard Field, where he is an enlisted man. She reports the surgeons think the operation a success, though he was still in a serious condition and will be confined to bed many weeks. Mr. Howard's wife, who is still at his bedside, is a teacher in the Tahoka schools.

**TOM REID SELLS OUT**  
The News has been informed that Tom Reid has sold his Phillips 66 Station to H. B. McCord, but is not ready to announce his future plans this week.

**Frank Fletcher Is Visitor In County**

Mr. and Mrs. Frank Fletcher and little son were visitors at The News office Wednesday. Mrs. Fletcher is our efficient correspondent who sends in the Wilson News and Mr. Fletcher has been with a construction company in Amarillo since disposing of the "Sun" a couple of months ago.

We understand that Mr. Fletcher plans to continue with the same company in another location, possibly "South of the Border," in the near future.

**RUMMAGE SALE**

A rummage sale will be sponsored by the Methodist Leaguers all day Saturday, October 3. They are to use the money to make a service flag. Everyone is urged to give their old clothes to some leaguer.

Mrs. Tom Mott, who had been here visiting her parents, Mr. and Mrs. R. B. McCord of Grassland, and other relatives, has gone to Roswell to join her husband, who is employed there.

B. H. Howard of Lubbock and Uris Howard of Lubbock Army Air Base, father and brother, respectively of Mrs. Frank Hill and Mrs. Harley Henderson, were here Tuesday visiting.

Mr. and Mrs. W. M. Sewell, who recently moved back to Tahoka after residing at O'Donnell for some time, have moved to Big Spring, ordering the News to follow them.

Mr. and Mrs. Kirk Pitts visited his parents, Mr. and Mrs. A. F. Pitts in Dawson County last Sunday.

Having a good aim in life is all right, but you must know when to pull the trigger to get the best results.

Little minds are interested in the extraordinary; big minds in the commonplace.

Sometimes the finest kind of command in the English language is complete silence.

In the good old days the man who saved money was a miser. Now he's a wonder.

**Extension News**

By MISS MAURINE McNATT  
County Home Demonstration Agent  
Extension Service, A. & M. College.

**Don't Waste Stale Bread**

Lynn County's Victory Demonstrators who have pledged to fight waste can live up to their pledge by making good use of stale bread.

Left-over bread may be used in making Melba toast—an over-dried toast, delicately browned, then crisp, and brittle. Bread which comes ready-sliced is too thick for Melba toast unless it is cut into sticks or the slice is cut in half horizontally with an extremely sharp bread knife.

Don't have the oven very hot for making it. If stored in a tin with a tight lid, toast will keep crisp for some time, just like crackers. For later use reheat it Oven-dried toast can be used in place of ordinary toast under creamed chicken, fish, chipped beef, Welsh Rarebit, or asparagus.

Broken pieces of bread, oven dried if not too dark, can be rolled out for fine dry crumbs and stored in a glass jar covered with cheesecloth. It will then be ready to sprinkle on scalloped or "au gratin" dishes.

In addition stale bread goes into stuffings, scalloped dishes, and bread puddings. It makes very good French toast—dipped in an egg and milk mixture and fried delicately in a little fat. Stale bread combined with apples can be made into a tempting apple betty.

Nutritionally speaking, whole wheat bread, offers the most food value, and enriched bread is to be preferred over plain bread.

**FIGHT FIRE AT ITS SOURCE**  
--- BY PREVENTION

In short — keep chimneys, stoves and furnaces clean. Empty ashes into metal containers. Don't "store" rags saturated with paint and oil. Call a heating expert to repair your heating plant. Disconnect electrical appliances when not in use. Don't use inflammable fluids. Don't accumulate rubbish—salvage it. And to protect against loss by fires caused by others, be insured . . .

Broadcast Oct. 1

1 cup cake flour 1/2 teaspoon vanilla  
1 1/2 teaspoons baking powder 1/2 cup sugar  
1/2 teaspoon salt 1 well-beaten egg  
1/4 cup soft butter or other shortening 1/4 cup Fat Milk diluted with 2 tablespoons water

Turn on oven and set at moderately slow (350° F.). Grease 6 custard cups or individual molds. Sift flour before measuring. Resift with baking powder and salt. Put soft butter and vanilla in bowl. Add sugar gradually, mixing until light and fluffy. Beat in egg vigorously. Add flour mixture alternately with diluted milk. Begin and end with flour mixture, beating until smooth after each addition. Put in greased custard cups filling 3/4 full. Set in pan containing about an inch of hot water. Cover cups with sheet of waxed paper or greased wrapping paper. Bake 35 minutes, or until puddings shrink from sides of cups. Remove from cups and serve warm with equal portions of drained, cooked dried or canned sliced peaches and Creamy Peach Sauce (See below). Serves 6.

**Creamy Peach Sauce**  
1/4 cup sugar 1 1/2 teaspoons grated lemon rind  
1 tablespoon corn-starch 1 1/2 tablespoons lemon juice  
1/2 teaspoon salt 1 cup Fat Milk  
1 cup canned peach juice 1 cup Fat Milk

Mix together sugar, cornstarch and 1/4 teaspoon salt. Stir in peach juice. Add lemon rind, remaining 1/4 teaspoon salt and the butter. Boil slowly for 10 minutes, stirring frequently. Cool slightly. Stir in milk. Serve warm on Snowball Puddings (See above). Serves 6.

## Tahoka Students Are In Colleges

The seniors of 1942 are helping make history in more ways than one since their graduation in May.

According to Supt. W. T. Hanes, the following alumni are attending college: Billie Le, Burleson, Business School, San Antonio; Gladys Carter, Texas Tech; Joyce Evans, Business School, Amarillo; Dorothy Virginia Fulkerson, T.C.U.; La Nell Maddox, Texas State College for Women; Helen Bell Pemberton, Texas Tech; Aleta Lois Stewart, Texas Tech; Wyndell Coffee, Texas Tech; Gene Duke, Texas Tech; W. A. Fulford, Texas Tech; Benoy Gattis, Texas Tech; Jerry Noble, John Tarleton; Wayne Shawn, Texas Tech; James Davis Walker, Texas Tech.

Former students in defense training schools are Clint House at a mechanic school in Burnett; Ray Shadden is attending a technical school in Ranger; and Bennie Dale Flint is taking a defense radio course at Waco.

Ex-students who took defense business courses during the summer are: Marjorie Shepherd, McMurry; Betty Ruth Wyatt; and Dolly Gatzki, McMurry.

Garland Walker at present is the only representative of the class in the armed forces.

## Congratulations . .

To Lieut. and Mrs. James Minor on the birth of a son weighing 6 pounds 7 ounces Tuesday morning at 2:10 o'clock at Lubbock. Mrs. Minor has been with her parents, Mr. and Mrs. Marshall Mason, at Post, the past few weeks, while Lieut. Minor, who was reared in Tahoka, has been stationed at Fort Benning, Ga. The Lieutenant arrived by plane Wednesday to visit his wife and first-born.

Mr. and Mrs. Charlie Terry on the birth of a nine-pound son, at Tahoka Clinic, Sept. 25th.

Friends here have been informed that Mr. and Mrs. Gilbert Gollehon are rejoicing over the birth of a second daughter who was born in San Diego, Calif., on September 10. The little lady, who is called Nancy Wynne, weighed 7 pounds and 6 1/2 ounces at birth.

The Gollehons formerly lived in Post and during a part of one year Gilbert conducted a filling station in Tahoka.

Mr. and Mrs. Belverd Earl Edward Needles of Lubbock are announcing the arrival of Belverd Earl Edward III at Lubbock, Sept. 16. He is a grandson of Mr. and Mrs. W. P. Anderson of Tahoka.

Mr. and Mrs. Kirk Pitts visited his parents, Mr. and Mrs. A. P. Pitts, who reside several miles southeast of Lamesa in Dawson County Sunday.

Little Frieda Roper, daughter of Mr. and Mrs. Fred Roper of Rt. 4, underwent tonsillectomy at Tahoka Clinic, September 25.

A name FOR GIRLS to remember! Discover its 2-way help!

## EVANS BOYS ARE GIVEN FURTHER ADVANCEMENT

Last week The News stated that Boyce and C. B. Evans Jr. had been promoted to instructors at Sheppard Field, Wichita Falls. Last week end they were home and revealed the fact that they have since received further honors.

Both are now stationed in the offices of the School Headquarters, C. B. in the office of Director of Military Training and Boyce in the Message Center of Academic Dept.

Their wives accompanied them to Tahoka last Saturday. Mrs. Boyce Evans is the daughter of Mr. and Mrs. H. O. Hargett.

## SINCLAIRS ENTERTAIN GUESTS FROM THE NORTH

Dr. and Mrs. J. W. Sinclair had as their guests last week three former colleagues of Mrs. Sinclair, all graduate nurses, Misses Rose Marie and Erma Peters and Enita Bassett, from Detroit, Mich.

Mrs. Sinclair and the visiting ladies spent most of the week out at the Sinclair cabin in the White Mountains at Ruidoso.

## "TINY" JOLLY HOME

"Tiny" Jolly, well known local youth who has been ill for many months, returned home last Friday from Dallas, where he has been receiving treatment from a specialist, much improved in health and apparently on the road to complete recovery. "Tiny" has a rare ailment from which it was feared for many months that he would not recover, but he has now gained more than thirty pounds in weight and has grown an inch in height. Many friends are rejoicing with him in his remarkable improvement.

## NEW MAN AT BOULLIOUN'S

Claude Cheairs and family are moving to Tahoka from O'Donnell, Mr. Cheairs having accepted a position with Boulliou's. He is an experienced market man.

## COTTON IS BURNED

About nineteen bales of cotton were burned Thursday morning in a fire on the yard of the Petty gin. The News is informed. Origin of the fire is not known.

## HOLLAND BUYS HOME

Wade Holland completed a deal this week in which he became the owner of the Kelly Hill home in northwest Tahoka. Hill has entered the Army.

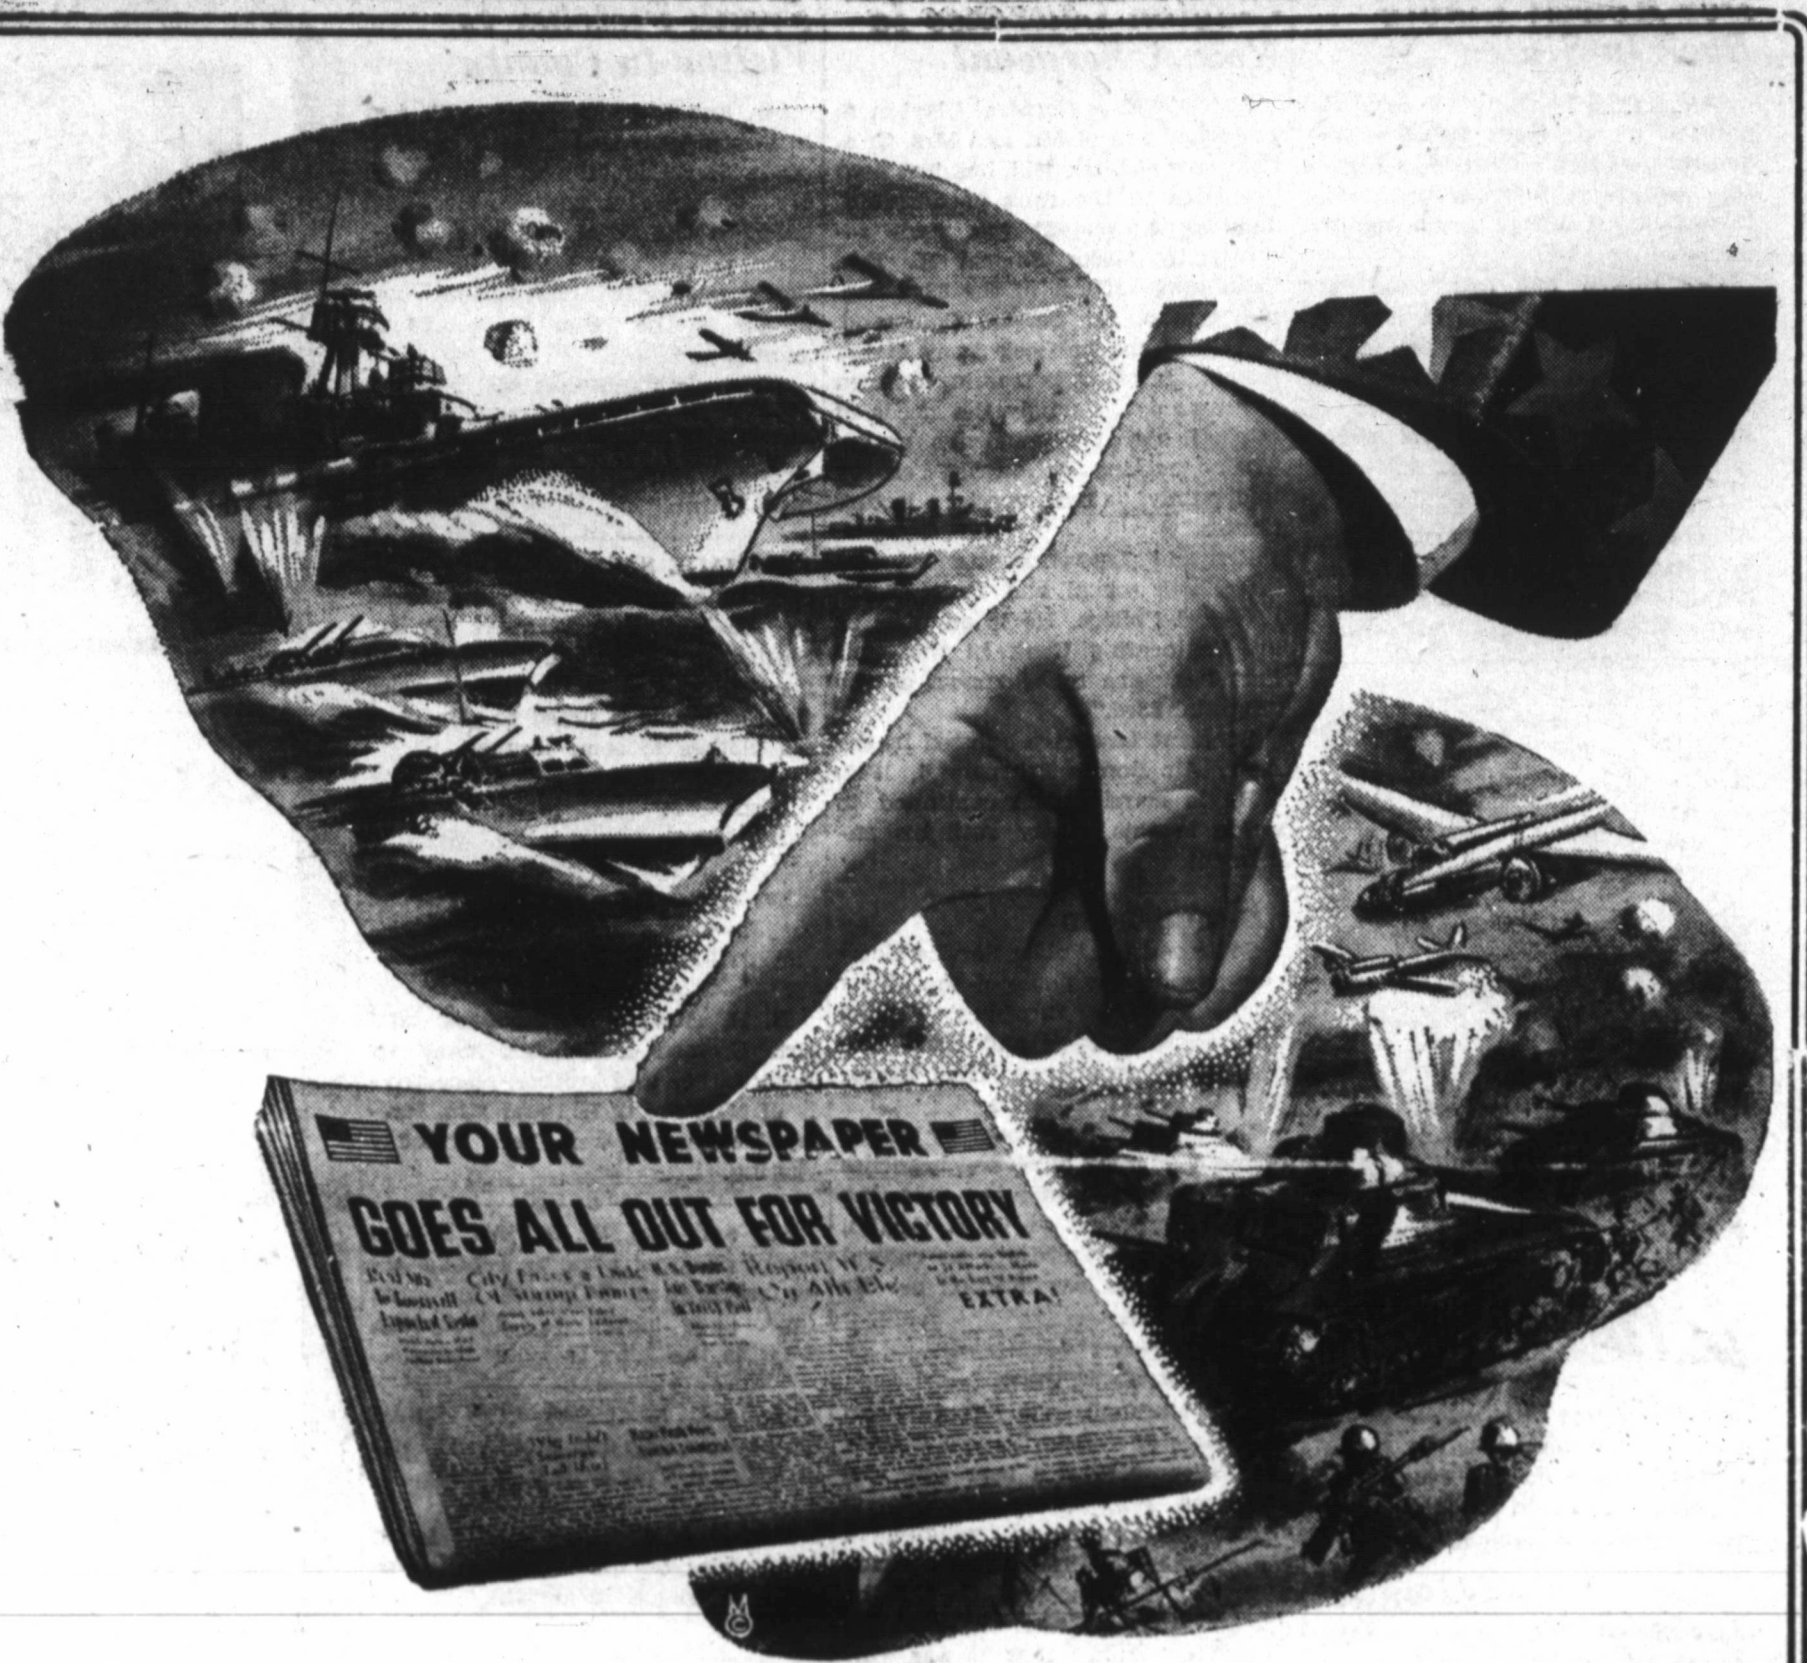

The News is glad to have a renewal from former County Agent V. F. Jones, now County Agent in Lamb County, with headquarters at Amherst. The Jones family are former neighbors of the editor and wife, and we are glad to have them join our family of readers once more.

J. E. Fleming arrived home last Saturday night from California, where he has been working for several months in the Douglas Aircraft plant. On his return he expected to enter the Army Air Corps as a mechanic.

Jack Minor of Seagraves, left Dallas Wednesday night for a U. S. Marine training station. His wife is remaining in Lubbock, temporarily, with a sister.

Bill King, who has been stationed at Sheppard Field for the past few months, has been returned to the Lubbock Army Air Base, following his graduation from the Air school. He was here last week end visiting relatives.

O. E. S. There will be a stated meeting of the Order of Eastern Star at Masonic Hall Friday evening, Oct. 2. Imogene Burleson, W. M. Era Stewart, Sec'y.

# The Fight for Freedom Lives in the Fighting Columns of Your Newspaper

Sometimes the public overlooks, or takes for granted, the many public services rendered by the newspaper. Public service is a newspaper's duty—and public service is your duty, too.

In spite of decreasing advertising lineage, your home newspaper has donated more space than ever to our government and our war effort—nearly \$40.00 worth each week—to scrap metal and scrap rubber drives, to the Red Cross and the U. S. O., to the War Bonds and Stamps sales campaigns, Food for Victory campaign, and the various agricultural agencies, to the Army, Navy, Coast Guard, Marine, and Air Forces recruiting drives, to the Defense Guard, and to dozens of other government agencies and drives.

All this is in addition to the hundreds of dollars in space given annually to the churches and the schools and every worthy public movement.

And all of this, your home newspaper gives gladly that our community may be a better and a more prosperous community, our state a better

state, our nation a better nation, that the advocates of democracy may win out over the Iron Heel of Germany and Italy and Japan.

Your home newspaper gives this space gladly because it believes in RIGHT over MIGHT, and in freedom of speech, freedom of the press, free schools, freedom to worship as one pleases.

Your home newspaper is backing up its words with action. Three printers have gone from this office to fight for the principles for which this paper and our people and our nation stand. One of our boys died on Bataan Peninsula, another saved himself when the Battleship Oklahoma was sunk at Pearl Harbor and has since fought at Midway and the Coral Sea, and the latest to go is now somewhere in the Southwest Pacific as a Navy gunner. At least eight other boys who have worked as printers or as printer's "devil" in this office now are in the U. S. Fighting Forces.

That's why your newspaper is going all out for victory.

Now, as never before, we should appreciate the fact that we are the beneficiaries of a Free Press, whereas dictatorship would submerge its people in the darkness of ignorance. News columns bring you a barrage of enlightening facts. Editorial columns provoke you into thinking. Advertising columns guide you in maintaining a morale-boistering standard of living while bringing you the message of your retailers, who are complying with government regulations to secure your dollar's buying power. All of this in as many columns and pages as it takes to bring you what you want to know.

These are the fighting columns of the newspaper you read—dedicated now and forever to the fight for freedom!

National Newspaper Week, October 1st to 8th.!

## Japanese Refuse Red Cross Ship

The Japanese government's refusal to allow any neutral vessel to cross the western Pacific has caused the American Red Cross to cancel the charter of the S. S. Kanangoora, neutral Swedish ship originally scheduled to carry supplies for American military prisoners and civilian internees held in Japan occupied China, and the Philippines, Tom Garrard, chairman of the Lynn County Chapter, has been advised.

The vessel has been released to the owners and the supplies unloaded to be held in San Francisco until other arrangements can be made. Mail and packages for identified prisoners in Japan have been transferred to the neutral exchange ship, the Gripsholm, Mr. Garrard said.

"It is expected that the Gripsholm will sail shortly with Japanese to be exchanged for American non-combatants at the neutral port of Lourenco Marques in Portuguese East Africa," Mr. Garrard declared, adding that mail and other supplies for prisoners of war also will be transferred to Japanese exchange ships and carried to Japan where Paravicini, International Red Cross Committee delegate, will supervise their distribution throughout the Far East.

"The supplies to be carried by the Gripsholm include: 60,000 standard eleven-pound food parcels; 10,000,000 cigarettes; \$33,000 worth of drugs and medical supplies; \$95,000 worth of blankets and toilet articles, and large quantities of underwear, shoes and other articles, including prisoner of war relief supplies carried for the Army and Navy Departments," Garrard said he had been advised.

The Gripsholm also will carry hundreds of messages for American men reported missing after the fall of Bataan and Corregidor, but whose names have not yet been reported by the Japanese to the International Red Cross Committee on official prisoner of war lists.

The Japanese government has agreed to accept and deliver this material in Manila and other regions where there are American prisoners.

Supplies sent by the American Red Cross on the first voyage of the Gripsholm from New York on June 18 already have been received in Yokohama by the International Red Cross Committee delegate. Included in the first shipment were 20,000 standard food parcels; \$50,000 worth of drugs and medical supplies; 1,000,000 cigarettes; 10,000 tins of smoking tobacco, and large quantities of clothing and toilet articles supplied by the Army and Navy departments for their respective prisoners. Distribution to American prisoners of war and civilian internees in the Far East is being affected under the supervision of the International Red Cross Committee.

Mr. and Mrs. J. O. Tinsley had as their guests last Friday Mr. Tinsley's brother, Roy Tinsley of Houston, an employee of the Sinclair Oil Company, two sisters, Mrs. J. L. Bond of Wichita Falls and Mrs. J. C. Woody of Lubbock, and their mother, Mrs. J. L. Tinsley of Crosbyton.

## Must Piles be Cut?

If not, Try Easing Pain, Itching, Soreness, this Palliative Way  
If you have a case of piles that need cutting, have it done. But for palliative relief of pain, itching, soreness of simple, non-surgical piles, hemorrhoids, rectal irritations, try a real DOCTOR'S Ointment. Use one used adjunctively at noted 64-year-old Thornton & Minor Clinic. Supply was sent us so everyone could get it. Get a tube of Thornton & Minor's Rectal Ointment (with pile pipe, cover). If not delighted, money back.

HOP HALSEY

## Hop Halsey Writes From Maxwell Field

Mrs. Millie Halsey Hill received a letter Monday from her nephew, Representative Hop Halsey of Lubbock, who is now in training at Maxwell Field, Montgomery, Ala., for aviation instructor, in which he said, "Tell all my friends in Tahoka and Lynn County Hello for me. I haven't run into any of the many fine boys from Lynn County who are in the service as yet but imagine as soon as we are away from here I will see a lot of them. There are so many I hardly see how any one could miss them."

Hop was one of fifty picked out of a class of 2,800 to become instructors. They are being rushed through a nine months training course in four and a half months, he says. "And let me tell you, they are really working us," he states. "We start out at 5:15 a. m. and are never through until 9:30 at night. But I am so happy that Fortune smiled on me and I happened to be one of those who were picked . . . Being away from your family and friends sure isn't much enjoyment, but in the few weeks that I have been in here I have never once had any regrets about volunteering; and under existing conditions would do the same thing again tomorrow."

Hop volunteered for service in May and he left Lubbock about August 3 for service in the aviation corps and was sent first to Nashville and then transferred to Camp Maxwell at Montgomery, Alabama.

As is well known, he is Representative in this district in the legislature and was renominated in July.

## METHODIST CHURCH

Sunday, October 4, is World Communion Day, which will be observed throughout all Methodism. May the worship service be a solemn and moving occasion when we come to the Lord's Supper, and in a special manner remember the boys who have answered their country's call, as we rededicate our lives anew and afresh to the service of God and mankind. An offering may be left for Overseas Relief and the Chaplain's Commission. The latter is to provide religious literature for the boys in service.

Sunday, October 11, will be the day set for closing out in full the conference collections assumed by this church. Let every member count it a great privilege to have a part in this world program — that is your contributions will help the church work that is operating in every continent of the world. A committee has been appointed to see each individual member—but should the committee fail to see you, you can give it at church on Sunday, specifying that it is for conference collections.

The Young People's Division will have a rummage sale on the courthouse square Saturday and the proceeds will go to purchase a Service Flag. On this flag the name of each boy who has gone to the Army from this church, or from the families of this church, will be placed on the flag. A dedication of the flag will be held sometime within the next month.

Church school at 9:45 a. m. and preaching services at 11 a. m. and 8:15 p. m. Sunday League at 7:30 p. m. Monday, 4 p. m., W.S.C.S. To all of these services a hearty welcome awaits you—member, friend, or visitor.

Mr. and Mrs. Raymond "Stone-Wall" Jackson were here last week end visiting his sisters, Mrs. Edd Hamilton and Mrs. C. B. Evans, and other relatives. Raymond has been employed the past several months by the Houston Shipbuilding Corporation, but expects to go into the Army soon.

Mr. and Mrs. G. C. Watson and son Gary returned Monday from a visit with an older son, Pvt. J. D. Watson, at Fort Carson, Colorado Springs, Colo. He likes Fort Carson very much. Previously he had been in a camp in California.

# "Hey, Mom...it's ALIVE!"

"HELP! HELP! I thought it was a pretty green stone, but when it stuck its neck out, I knew it was alive. It just shows you can't always judge by appearances."

That goes for motor oil, too. When you want quality oil . . . and who doesn't these days? . . . it is best to rely on facts and on the good name of the petroleum producer. That way you're sure of getting the genuine article.

You know that Phillips is one of the great independent organizations in the petroleum industry. You know that Phillips has a well earned reputation for giving greater value. So it means something when Phillips makes this simple, straightforward statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to car-owners like yourself.

Because quality oil means so much to car life, remember these facts when a new 1,000-mile mark clicks up on your speedometer, and when you are making the seasonal change.

IT'S PHILLIPS FINEST QUALITY

## Small Farmer's Place In War

The small farmer is ill-equipped and poorly prepared to meet the demands of the war effort in the opinion of Jack Welch, rural rehabilitation supervisor for the Farm Security Administration in Lynn County.

Recognizing this critical situation, the Secretary of Agriculture has directed the Farm Security Administration to shift its program to the war effort so that the manpower of the small farmer can be utilized to the fullest extent, according to Mr. Welch.

"It is expected that Farm Security's new wartime lending program will release the manpower of 500,000 farmers for the war production," he said. "The Lynn County FSA office is expected to make a great many more loans this year to farmers in this county than ever before because our lending program has been liberalized and our program has been put on a full wartime basis."

The county supervisor said that the lack of equipment and replacements has retarded production and for this reason a share-the-machinery program is to be re-emphasized this year. Loans to groups of farmers to purchase machinery to be used cooperatively will be made to farm operators in addition to many other types of food production loans.

Loan funds are immediately available to eligible borrowers in Lynn County to conserve feed crops for current needs and future use, to increase the production of dairy products, beef and pork, to preserve food, to purchase equipment, tools, shelter for livestock and poultry, and many other purposes.

Anxious to meet the immediate needs of farm families as well as to help them get ready for increased production next year, Mr. Welch invites all interested persons to contact him at his office in the court house at Tahoka.

Mrs. A. L. Dunagan and little grandson returned Monday from a visit with relatives in Hill and Madison counties. On the day that she left here, Monday two weeks ago, her daughter and the latter's two-year-old son arrived from Madisonville for a visit. And the visitors left Monday morning before Mrs. Dunagan arrived home Monday afternoon.

Mrs. Wolf's husband came by while she was here on his way to Carlsbad, New Mexico, where he has employment in the potash mines.

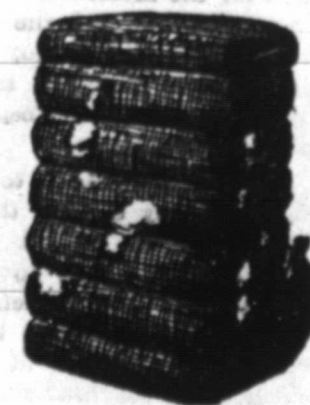

B. T. Smith received a letter a few days ago from Bailey Crump, formerly of this county, who is now in Fort Greeley, Alaska. B. T. had

made a radio record and sent it to Bailey, on which he recorded many intimate but insignificant items of news about Tahoka and Tahoka people, and not only did Bailey get a great "kick" out of it but the other soldiers up there enjoyed it so much that they broadcast it two or three times, he wrote.

**HAVE INTERESTING TRIP**  
Mrs. J. G. Price and daughter, Johnnie Margaret, returned last Thursday from Salem, Oregon, where they had been visiting their son and brother, G. C. Price, who has recently been made First Class Private after five months' service.  
Mrs. Price says the "dimouts" on the West Coast make one realize that a war is on.  
Mrs. Price and daughter made their entire trip by rail, except for a bus trip between Oakland and San Francisco, from which place they returned to Oakland by ferry, this being their first trip on water, Mrs. Price said. Altogether it was a wonderful trip for both.

Mesdames F. E. Calvery, Daniel Davis and Spence Hendrick, the latter two from Brownfield, returned from Tyler Tuesday, where they went to get Kenneth Wayne and Martha Sue Woolsey, the children of J. K. Woolsey, who is somewhere in England serving his country. The two children will make their home with Mr. and Mrs. F. E. Calvery here. Mrs. Calvery is J. K. Woolsey's sister.

Pvt. James E. Price spent the week end here with his parents, Mr. and Mrs. J. G. Price. Pvt. Price is stationed at Sheppard Field.

**Shall We Open On Sunday? — Preacher**

A rumor about town is that some of the stores are to be open on Sunday through the fall. It is to be hoped that this is false.  
There are many reasons for which I would plead with them not to do it. In the first place, it is not necessary, for if the people knew that they were to buy their goods in the six days of the week they will have ample time without buying on Sunday, and if a business gets all they can do for six days they should be satisfied.

The second thing I would mention is, the demoralizing effect it will have on the town and community. You can not do that, without affecting the community in a general way. One immoral thing leads to another and there is no end to it. We, who are trying to carry on here in a religious way and trying to make our community a good place to live, will be greatly hindered in our efforts by a Sunday opening, and no honest business man will deny that the church interest of our town, or any town, makes a large contribution to better business. Since the merchant needs the cooperation of the church people six days in the week, is it too much to ask his cooperation one day in the week? I believe that every business man that wants to be fair, and I believe you are, unless you prove otherwise, will look at this matter in the same way when you stop and think.

And another thing, in this time when the world is already in such great turmoil, when we should all be turning to God, which is not just the voice of a preacher but the sentiment voiced by leaders, writers and newspaper men who are not necessarily Christian leaders.

And while we are sending our boys to fight, and many will give their lives, can we who stay at home and gather profit at the cost of their lives, destroy the very principles for which they die, the Lord's day being one of them?

Let us think consistently, sincerely, and soberly. Not one of these men, I am sure, would want to capitalize on the prosperity that has come to us in a financial way as a direct cause of the war, while boys are paying the price and along with that the heart-breaking price that fathers and mothers are paying in giving up their boys. These are your customers, and I am safe to say that at least 90%, if not all, would say loudly, "Close on Sunday, observe the Lord's day."

God made the Sabbath for man that he might have the needed rest and time to think of God and his soul. I do not believe in compelling any one to go to church against their will, neither do I believe in hindering those that would go if they had a chance.

By staying open on Sunday will encourage some to stay away who otherwise might go, and others who want to go could not. Some will say, we want to accommodate the farmer. Well, you will find that the great majority of the farmers want you to close. Some say they want to stay open for the Mexicans' benefit, well who helps you all the year and makes your business go, and build environment for your family? I plead with you, let us keep our town closed on Sunday.

It is not our desire to resort to any other way to keep them closed than to appeal to the merchants through their loyalty to good citizenship, law abiding men who are willing to cooperate in building a better nation instead of having a selfish greed for financial gain. Of course there is a law against Sunday opening, but no one wants to force any one unless some one should persistently do wrong things, in spite of the plea of those who care.

We believe we have as merchants, a set of men who can be appealed to and therefore we come to you as reasonable men. I voice the sentiment of the other pastors of the town, as well as a large group of the very best citizens who are your customers. Please, Mr. Merchant,

**Grassland News**

(By Mrs. V. V. Laws)

The gins will soon be going full time if this pretty weather lasts. The hands are coming in, more of them than was at first predicted.

Little Bobbie Kinley was honored with a birthday dinner last Sunday. Guests present were little Misses Joan Thomas, Wanda Faye Smith and Julie Catherine Thomas.  
Rev. Thomas preached two fine sermons Sunday morning and evening to a good crowd.

Mrs. Fred Gurley, Mrs. Carpenter and little Miss Wanda Smith were visitors at Central for services on Sunday.

The other churches reported good attendance and good services also. Miss June Cooper, accompanied by some friends from Post, attended church at the Church of the Nazarene last Sunday night.

We hear that "Dub" Kinley has volunteered for service in the army. Mrs. J. D. Smith's son, John, will be leaving soon for training. He expects to leave just as soon as he can get a transfer from another state.

The ladies of this community are doing their part in sewing for the Red Cross.

Mrs. Fred Mathews spent the week end in Post visiting her parents, Mr. and Mrs. Bessingame.

**Young People's Program**  
Central Church, Monday Eve  
CHRISTIAN DEFENSE: WHEN?  
WHERE? WHY?  
Come to Central Baptist Church at 8:30 Monday evening and find out. Every boy and girl in that section of the county is invited to come

keep your store closed and there will be no further need of future reference.

I plead with the housewives to ask your merchant not to stay open on Sunday, above all do not have him stay open in order that you may get what you want. Buy every thing you need that you can before Saturday and give the farmer and Mexicans Saturday so the day will not be so full. Let us close up and all go to church somewhere.—Geo. A. Dale.

to the church and help make plans for Red Cross work to assist needy ones in the community. Sheila Patterson is chairman of the movement and invites every young person in the community to come to the church Monday night and enter actively into this work of Christian Defense.

**Grassland 4-H Club Meets**  
The Grassland 4-H Club met Monday, Sept. 9, in the school gym. Miss Maurine McNatt, home demonstration agent, talked to the girls on 4-H club work. She also gave a

demonstration on table etiquette. The girls had a mock service.

We elected a new sponsor, Miss Mildred Young. She is the 7th and 8th grade school room teacher at Grassland, and boy, do we like her.

There were 9 new members. Those present were: Mary Jean Evans, Ruby Faye Williams, Marie Norman, Modena Murray, Leba Jean Gipson, Betty Lou Farr, Lou Ella Parrish, Minnie Lou Stanley, Clonnie Mae Gribbe, Juanita Mitchell, Verna Lee Parrish, Bobbie Ruth Kenley, Naomia Gipson, Ellen Williams, Dorothy Norman, Betty Grace

Fred B. (Pete) Hegl reports that his brother, Staff Sgt. Guy Hegl, formerly of Petersburg and well known to a number of Tahoka people, is now in foreign service. He left an east coast city Sept. 20, and three days later cabled that he had landed safely. It is presumed that where ever he went, he went by air. He is in the Army Air Force, and was stationed at Lubbock Air Base originally.

Thomas, Joann Thomas, Odetta Greer and Julia Thomas.—By Mary Jean Evans, reporter.

Don't listen to people who say—"They can't need scrap very badly. Look at that junk yard, or the auto graveyards—they've got plenty of scrap. And remember the last time we had a drive the stuff sat around for weeks." Tell such people these true facts . . .

Of course the junk yards are full. They are "factories" that turn out finished scrap—sorted, broken up, and bundled . . . ready for the mills of America. The scrap has to go through these yards, and it keeps going through fast!

The auto graveyards too, are busy. They specialize in used car parts, but produce plenty of scrap as well. In June alone, these yards moved 450,000 tons—for they are required to junk within 60 days as many cars as they buy.

As for Salvage Depots—communities all over the country are staging drives. All this scrap can't be taken away at once. The junkies can't handle it and the mills can't store it. But every pound is needed and will be used. We've got to pile it up ready for instant use at any time.

The day when all junk yards are empty, when the auto graveyards are cleaned out, when all the local scrap stockpiles are gone—that is the day to dread. It is a day to avoid at all costs.

So remember—steel is needed to fight the war, and millions of lives depend on it. This steel is made of 50% scrap—and the mills have not enough scrap to last even 30 days longer. Don't fail to do your part in this emergency.

**Get your scrap ready for the drive that starts Monday!**

By MRS. FRANK FLETCHER

**Wilson Mustangs Defeat New Home**

The Wilson Mustangs chalked up their first football victory of the season Friday afternoon against New Home on the losers' gridiron. The score as played against last year's football champions was 33-24 when the final whistle sounded.

Those scoring touchdowns for Wilson were: Hemmeline 1, Gryder 1, Bruster 1, and Lavender 2. Those scoring for New Home were Moore and Chancellor. According to Coach J. G. Biggs, the game was hard fought with both lines doing good work.

**Baptist Sunday School Observes Promotion Day**

Many happy youngsters were awarded certificates of promotion at the closing exercises of the Baptist Sunday School Sunday.

Those promoted from the Cradle Roll Department to the Beginner Department were Joyce Raymond, Kattie Lou Leake, Ronnie Allen Foster, Judy Blankenship, Ronald Bruce Hewlett and Dixie Marie Hewlett.

Going from the Beginners to the Primary Class were Jimmy Fletcher, Shirley Jo Hewlett, Dan Cook, Don Bertreux, Barbara Ann Montgomery and Winona May.

Members of the Primary Department, under the direction of Mrs. W. A. Eppes, presented a program of Biblical recitations, after which the following passed into the Junior Department: B. W. Hobbs, Patsy Montgomery, Mary Frances Campbell, Jerry Ann Hewlett, Harold Crooks and Floyell Holder.

Marvin James was the lone member of the Junior Department to reach the age to go into the Intermediate Department, and Robert Milliken was the only Intermediate to graduate to the Young People's Class.

Mr. and Mrs. Owen Clary and son Leon of Post and Mrs. Dale Clary and son Jerry Dale of Slaton were Sunday guests in the G. C. Clary home.

Mrs. Fred Cook and Freddy spent Saturday night and Sunday with Mrs. Guy Cockrell of Idalou. Mrs. Ira Clary and Alford kept the local telephone switchboard during their absence.

Mary Watson, of Lubbock, spent the week end with her mother, Mrs. L. A. Watson.

Fama Hannabas and Faye Watson spent the week end in Lubbock, keeping Mary Watson's bed from running off while she was at home.

Mr. and Mrs. George Williamson of Beien visited their parents, Mr. and Mrs. Ross Williamson and Mr. and Mrs. W. F. McLaughlin, last week end.

Lynn Murray spent the week end with the Durwood Hancock's of New Home.

Mr. and Mrs. Robert Lamb of Canadian are the proud parents of an 8 lb. 3 oz. daughter, Doris Jean, who arrived Sept. 21. Mr. and Mrs. W. J. Hancock and Mr. and Mrs. John Lamb are the proud grandparents.

Mr. and Mrs. J. G. Biggs and Hershel were in Lubbock Saturday afternoon and dropped in on their other son, James, who is a student at Texas Technological College.

Jack Blevins, who left last week for the Army, reported back to the South Plains Air School at Lubbock Wednesday. He will receive his training there.

Mr. and Mrs. E. L. Blankenship and children motored to Vernon on Thursday night to visit his mother and sister, Mrs. P. H. Blankenship and Wanda. They returned to Wilson Friday night.

Mr. and Mrs. Emmett Ahrens and nephew Billy Jo Hodges visited his parents, Mr. and Mrs. Anton Ahrens, and other relatives from Friday to Sunday. They were en route to Dallas from California, Emmett having been transferred to an airplane factory there.

Thoma Gryder of Slaton spent from Thursday to Sunday with her parents, Mr. and Mrs. S. H. Gryder.

Mr. and Mrs. Bill Ginnings left Sunday to return to Wichita Falls, where Bill is stationed. They had visited friends here since Thursday.

Marjorie Crosby, student of Texas Technological College, spent the week end with her parents, Mr. and Mrs. H. B. Crosby.

Mr. and Mrs. Carl Gryder and sons of Slaton were Wednesday dinner guests of Mr. and Mrs. S. H. Gryder.

Elizabeth Crowder of Draughton's Business College spent the week end at the home of her parents, Mr. and Mrs. Ed Crowder. Mary Schneider, also of Draughton's, was in Wilson over the week end.

Mr. and Mrs. S. G. Anthony and Annette visited her sister in Spur Sunday.

Miss Imogene Powell was ill Mon-

day and Mrs. S. G. Anthony took her place in the school room.

Mr. and Mrs. J. C. May of Wenzell, Arizona, spent from Sunday to Tuesday with his uncle and aunt, Mr. and Mrs. W. H. May, and other relatives here.

Mrs. Lettich, home economics teacher of the local high school, is ill.

Mrs. L. Lumsden was in Lakeview Monday afternoon, helping organize a Baptist W. M. S. there.

Sunday dinner guests of Mr. and Mrs. S. H. Gryder and children were Elizabeth and Catherine Crowder. That afternoon other guests included Mr. and Mrs. Ed Crowder, Mr. and Mrs. Doe Holder, Rev. and Mrs. W. H. Jackson and Annette, and Eva Pearl Williamson.

**W. M. S. Has Meeting**

The local W. M. S. of the Baptist Church observed the State Mission Week of Prayer with an all-day meeting at the church Monday. Mrs. J. F. Covey had charge of the very interesting program. Those present were Mesdames Covey, J. F. Williams, B. N. Milliken, W. H. Jackson, W. I. Lemon, B. W. Baker, Ray Robinson, H. Hannabas, Frank Fletcher and S. H. Gryder.

At a short business meeting in the afternoon, the following counselors were elected for young people's work: Sunbeams, Mrs. J. T. Williams, Junior R. A., Rev. W. H. Jackson, Intermediate G. A., Mrs. W. H. Jackson, Intermediate R. A., Pat. Campbell, and Y. W. A., Mrs. Frank Fletcher.

Mr. and Mrs. Walter McNabb and Marie of Lubbock were in Wilson last Thursday afternoon.

An airplane rigged up for poisoning worms created a sensation Sunday afternoon, when it came down in the field of S. H. Gryder. In less than fifteen minutes not less than fifteen cars had arrived to see the pilot and inspect the plane.

W. A. Eppes of Lubbock and his

son Alvin of the air base there visited Mrs. Eppes and Paul Sunday. Rev. and Mrs. R. F. Lange and David and Rev. and Mrs. E. Klink and baby of Sparenburg spent the week end in Olney, Texas. The Rev. Lange and Rev. Klink were guest speakers at special mission services held there Sunday.

Women of the Methodist Church met Monday afternoon to reorganize their Society of Christian Service. The ladies voted to meet each second and fourth Sunday evening just preceding the evening church service. Those present were Mesdames Grover Coleman, Luke Coleman, C. E. Campbell, and E. A. Todd.

Mrs. E. A. Todd attended the meeting of the Society of Christian Service at Dixie Tuesday afternoon. Rev. and Mrs. W. H. Jackson and Annette spent Tuesday in Lubbock with her sister, Mrs. J. H. Cox and family.

Sunday guests in the W. C. Huffaker home were Mr. and Mrs. C. E. Campbell, Rev. and Mrs. E. A. Todd and children and Mr. and Mrs. Lawson of New Home.

Mr. and Mrs. L. H. Traweck are the proud parents of a baby girl who arrived Sunday.

**Farewell Party Honors Henry Kieschnick and Carl Gicklehorn**

The Young People of the Lutheran Walther League entertained two of its young men, Henry Kieschnick and Carl Gicklehorn, before they left for Navy life.

Refreshments of sandwiches, punch and cookies were served to the following: Mr. and Mrs. Arthur Kieschnick, Mr. and Mrs. Arthur Gicklehorn, Mr. and Mrs. Albert Vuensche, Rev. and Mrs. E. F. Lange and son David, Mr. and Mrs. Felix Nolte and son, Mr. and Mrs. George Nolte and Mr. and Mrs. L. Mueller and all young people.

The Rev. E. F. Lange was speaker for the occasion and the young people of the Walther League sang the closing hymn, "God Be With You 'Til We Meet Again."

Henry and Carl are training at the U. S. Naval Training Station at San Diego, California.

**Southland News**

(By Mrs. Maivin Truelock)

**Moravian Immigrant Dies At Southland**

Mrs. G. Voigt, who was taken to West Texas Hospital Saturday, died Sunday afternoon at 4:00, after an operation for affected kidneys.

Josephine Barbash was born in Moravia, Czechoslovakia, in December, 1877. The family crossed the Atlantic six years later and settled in Texas. At an early age, she married August Becker, the son of a Civil War veteran. Her husband was buried at Bartlett, Bell County, on October 3, 1913.

The family moved to Southland in 1924, and seven years later she became the wife of G. Voigt, a farmer who has lived here for two decades.

Mrs. Voigt had been in ill health for several years. As the practice of reserving family lots in cemeteries was unknown in 1913, the space near her husband's grave had been used; she had expressed the desire to be buried here.

She is survived by Mr. Voigt, and her nine children: August, Ed, Alvin (who lives near Corpus Christi), Ben, Willie, Wallace, Mrs. Ben Wilke, Mrs. Albert Krause, and Sister Lydia Becker, head nurse at Waukeo Hospital, Milwaukee. She has 32 grandchildren. She is also survived by four sisters, Mrs. Mary Brush, Mrs. Annie McCaskey, Mrs. Agnes Marash, Mrs. Veruna Krause, and one brother, Joe Barbash.

Rev. E. Herber officiated at the funeral services, held first at the home at 3:00 p. m. Tuesday and at the Lutheran Church at 3:45.

The pall-bearers were grandsons: Ben Becker Jr., Arthur Voigt Jr., Billy Becker, Roy Voigt, Herman Kiesel, and Reuben Saunders.

The flower girls were granddaughters: Helen, Dorothy, Lorena, Christell, Caroline and Doris Becker, Evelyn Krause and Lynette Saunders.

This year, instead of using a Sunday each for examination of confirmees and the formal confirmation service, both will be combined Sun-

day, October 4, in a 11:00 a. m. service. The candidates are Doris Wilke, Evelyn Krause, Bernice Neugebauer, Doris and Mildred Nelson. The first three have had previous instruction. The Lutheran Church wishes to repeat that visitors are always welcome.

Mrs. Otis Neill was here last Wednesday night. No further word has been received from her brother, Carl Hord.

The other high-school classes have organized. The Juniors elected Roderick Duff, president; Wesley Scott, vice president; Nelda Smith, secretary; Mary Lee Crisp, treasurer; Mrs. D. Robinson, sponsor. Sophomores: president, Jackie Lancaster; vice president, B. H. Thomas; secretary-treasurer, Virginia King; sponsor, Mr. Lyle Brasfield. Freshman: president, B. J. Robbins; vice president, Wilma Wheeler; secretary, Eddie Marie Cummings; treasurer, Bobbye Mining; sponsor, Mrs. McGee Moore.

According to Coach Lyle Brasfield, the boys are now working out in six-man football.

Dick Denton and wife arrived at

Hackberry last week to visit his parents, the Ed Dentons. Dick has been in Army hospitals in Missouri and California for several months. He has had his teeth pulled out, but the doctors have not learned the nature of his illness. He is on a 21-day leave.

Sgt. Howard Anthony, who is in the Medical division, Camp Bowie, Brownwood, visited his grandparents, Mr. and Mrs. S. B. Anthony at Hackberry and his maternal grandparents, Mr. and Mrs. E. M. (Continued On Back Page)

**WANTED** — Girls for waitresses. Limit Cafe. 8-

**WANTED:** A number of gasoline washing machine engines. Any condition or make considered. Pay cash. B. T. Smith, Box 494. 4-7

**WANTED:** Drapery, slip-cover, and upholstery work. Phone 12, or see Pearl Coughran at Mrs. McDaniel's. 7-tfc

**TRASH HAULING** — If you want your trash hauled, see or call O. W. Green, phone 293-J. 37tfc

**STRAYED:** 1 steer, mixed breed, weighing around 225 to 250 pounds. Notify J. Y. Thompson, Telephone 5909-F-22. 8-1

**LOST** — Thursday afternoon, cotton weighing scales between Farmers' Coop and East city limits. Finder please leave at Co-op.

the week end with her parents, Mr. and Mrs. D. G. Stolle.

Bettye Hitt of Wayland College spent the week end at Pleasant Valley with her parents, the Emer Hitts.

Sid Smallwood left Thursday for Fort Sill.

Louise Denton, who is employed at Wylie Drug in Lubbock, was surprised by her brother Dick's visit home. She spent the week end with her parents, the Ed Dentons.

Idilla Corley spent Wednesday night with Letha Ann Russell and Doris Wilke with Esta Lee Altman. The four girls saw "Gone With the Wind."

Roella Rankin, her sister, Mrs. Fred Cockrell of Pleasant Valley and their mother, Mrs. R. O. Rankin, were in Post Thursday. Roella remained to see "Gone With the Wind."

Mr. and Mrs. S. W. McGaw of Lubbock spent Sunday with their son, Rev. O. E. McGaw and wife.

Congratulations to Mr. and Mrs. Everett Samples. A daughter, Joretta, born last Monday, weight, 6 lb. 9 oz.; Mr. and Mrs. Wilbur Field — a daughter, Donna, born Sunday afternoon.

Everett Sample's mother died at Pampa last week.

Mrs. John Baker left Saturday for Los Angeles to visit her sons, Kenneth and Loraine.

The I. J. Duffs Sr., received word that their daughters have started their courses in the aircraft school at Waco. Juanita is taking radio and Margaret, sheet metal work.

Mr. and Mrs. John Leake and sons spent Sunday with her parents, Mr. and Mrs. R. R. Jones.

Rev. and Mrs. O. J. Harmonson and Mrs. S. W. Gregory were Sunday guests of the Roy Dopsons of Ropes.

Mrs. Lena Bovine of Ralls visited her husband's sister, Mrs. R. E. King, Sunday.

Mrs. Lonie Weaver, accompanied by her mother and daughter, spent Sunday with the R. O. Rankins.

The Sophomore party at Hackberry Club House last Friday night was the first class social of the year. Pop and candy were served to: Janey Morris, Bobbie and Ben Etta Mining, Melba Greer, Esta Lee Altman, Betty Sue Basinger, Louise Denton, Juanita Moseley, Jackie and Billy Lancaster, B. H. Thomas, D. C. Roberts, Royce Dabbs, Troy and Billy Engle Lester, James Field, Virgil Smith, Paul Winterrowd Le Roy Voigt, J. B. Rackler, and Mr. and Mrs. Earl Lancaster.

Mrs. Walter McNabb, Marie and Marian brought Mr. and Mrs. Gene Draper home Sunday after they had spent the night in Lubbock.

## ROTARY TALK . . .

(Continued from page one)

wives of Rotarians and all teachers in the Tahoka schools are invited to attend. R. P. Weathers will be in charge of the program.

The club pledged support of the Scrap drive, and the suggestion was made that Tahoka business houses close up a half-day to help get in

the scrap metal. Many have cooperated with the various drives in Lynn county, but a large number of farmers and town people have neglected or refused to bring in their scrap.

Deen Nowlin distributed booklets, "What Can I Do?" the citizen's handbook for War.

Corp. David Weathers of Lubbock Army Air Base, who will soon be transferred to Oregon, was a visitor.
