Tahoka and Slaton Play 0-0 Tie Game, Denver City Next

Tahoka Bulldogs and the Slaton Tigers played to a scoreless tie here Friday night in the best game of the season for the local lads.

Tahoka held the upper hand all through the game, though greatly outweighed by the visiting team, but was never able to push over a score. The Bulldogs penetrated the 20-yard line three times, once carrying the ball to the 2-yard line, but each time something happened to stop the threat, while the nearest visitors came to scoring was the 39-yard line. The Bulldogs had seven first downs to the Tiger's four, three of the latter being in the last two minutes of play when Slaton clicked with a couple of passes and a lateral to carry the ball to mid-field and their only serious scoring threat, but the final whistle stopped that threat.

The Bulldogs, for the first time this season, displayed the fighting spirit for which Bulldog teams in the past have gained renown on the South Plains.

Back James Cleve Barrington and End Jerry Edwards turned in outstanding performances.

Tonight, the Bulldogs journey to Denver City, and Friday night of next week Seagraves comes here. Due to wet weather, the Bulldogs have not been able to get much practice this week, but they are in the mood to win a ball game.

Grassland Youth Wins 4-H Contest

Kenneth Farr, Grassland 4-H club boy, won first place with his registered Duroc gilt in the Lynn County Sears Gift Show held in Tahoka last Friday.

Thomas Mason, New Lynn 4-H boy, showed second place gilt. W.D. Granger, New Home Junior 4-H club, was third. Curtis Wilke, Wilson FFA member, showed fourth place gilt, and Clarence Moore, Wilson Junior 4-H boy, had the fifth place gilt.

Farr, placing first in the county, was eligible to show in the district show held at Lubbock, Saturday, October 6, where he was awarded a registered Jersey heifer. Kenneth also has a registered Duroc boar in this program which he showed at Lubbock Saturday. Although Kenneth has a very nice boar, it is a little younger than the competition he ran into at the district show and he was unable to place high enough to win a prize.

Thomas Mason's award for placing second in the county show will be a hundred and twenty-five top grade chicks to be delivered next spring. W. D. Granger and Curtis Wilke will receive a hundred top grade chicks each for having placed third and fourth respectively in the county show.

This Cow-Hog-Hen Program sponsored by the Sears Roebuck Foundation is materially assisting Lynn County 4-H Club members in becoming established in a higher type diversified farming program. This program, along with the registered Duroc swine improvement program sponsored by the gins of the county, is responsible for over a hundred registered animals being placed on farms in Lynn County each year as foundation breeding stock. This is materially increasing the quality of swine being produced in the county.

Redwine Officer In U. of T. Fraternity

Austin, Oct. 11. — "Big Shots" among the new Greek-letter men and women at the University of Texas, newly elected officers of sorority and fraternity pledge classes have taken over their executive duties for the winter semester.

The "who's who in University of Texas pledge classes" includes Winston Redwine of Tahoka, who is secretary of Theta Xi pledge class.

Redwine also has been selected to sing in the A Cappella Choir, outstanding campus musical organization.

Machine Shop Is Opened In Tahoka

W. E. Rogers, who recently moved here from Fort Worth, has opened a machine shop in the oval-top sheet-iron building formerly occupied by the A. J. Edwards Minneapolis-Moline Tractor business three blocks east of the highway intersection.

For about three and a half years Mr. Rogers was with the Consolidated Vultee Aircraft Corporation at Fort Worth and has had much experience in shop work.

He and his family, consisting of a wife and a ten-year-old son, have an apartment in the W. L. Knight home.

S. H. Woods Dies Following Stroke

S. H. (Harry) Woods, 64, a resident of Lynn county for many years and of the Edith community about five miles east of Tahoka for the past several years, died at about 10 o'clock Wednesday night in the Lubbock Memorial Hospital, where he had been taken Tuesday after suffering a stroke, from which he never rallied.

He had been in ill health and in bed much of the time for the past two years from heart trouble and other maladies.

Following his death, the body was brought to the Harris Funeral Home here and prepared for burial. As this is written no definite funeral arrangements have been made but it is expected that funeral services will be held Friday.

Surviving are the widow, three sons, and two daughters. The sons are James of Tahoka, formerly of the Seabees in the Navy; Frank, who is now in service in the Navy; and W. H. (Bill) who is now stationed at Fort Ord and is expecting to be sent overseas soon. The daughters are Mrs. Jack (Adeline) Cox of Dallas, who served in the WAC for a time, and Mrs. Glenn (Eva) Connolly of Tahoka. James also is married.

Mr. Woods was a native of Bell (Cont'd on last page)

Schaal Second In Lubbock Contest

Several Tahoka golfers participated in the annual Lubbock Country Club tournament which ended Sunday with the championship match between Chick Trout, Lubbock's ace, and Dr. W. A. Schaal of Tahoka. Trout won the match 5 and 4, but the contest was very close all the way, Trout having shot a 69 on the first 18 holes and Dr. Schaal a par 72, while the winner was one under at the 34th and deciding hole.

Trout received a \$50 war bond and Schaal a \$25 bond.

Local golf players, who get to play only once or twice a week, were pleased with the showing made in the tournament against men who play much more often.

Cleveland Littlepage Released From Navy

Cleveland Littlepage, S-1/c, who enlisted in the Coast Guard of the U. S. Navy in October, 1943, was granted a discharge at Brooklyn, New York, about two weeks ago and is now at home.

Before his enlistment he was a teacher of vocational agriculture at Hobbs, Fisher county. A son of Mr. and Mrs. R. L. Littlepage, he was reared here.

GOING TO WASHINGTON

Miss Billie Swafford, who as been working in the district OPA office in Lubbock for several months, has been given a job in Washington, D. C., with OPA, and is now at home here awaiting call to her new job.

ATTENDE FUNERAL

C. B. Keltner went to Ada, Okla., last week for the funeral of Mrs. J. M. Keltner, who died Oct. 3. Mrs. Keltner was the mother of Jim Keltner, who formerly lived here.

The war isn't finished for him— You can help finish the job. Give to your Community War Fund.

Former Citizen Dies At Lubbock

M. A. Waldrep, 62, a former resident of Lynn county, died at his residence in Lubbock about 4:00 o'clock Saturday morning of tuberculosis. Mr. and Mrs. J. J. Waldrep of Tahoka, cousins of deceased, visited him often during his prolonged illness and attended the funeral services, which were held in the First Baptist Church in Lubbock at 4:00 o'clock Sunday afternoon, Rev. C. E. Hereford officiating.

Surviving are the widow, one son, three daughters, eight grandchildren, his mother, and many other relatives.

Mr. Waldrep and family lived for seven or eight years on the Sam Sanford farm a mile north of Crossroads Service Station in this county.

Two Moore Boys Are Coming Home Soon

T/Sgt. Lonnie D. Moore, with the Army in Germany since last December, is back in the States and will soon be "home for good," he wired his parents, Mr. and Mrs. L. D. Moore, Wednesday.

Another son, Pvt. James Woodard Moore, announced last week as having been freed from a Japanese prison camp, cabled his parents Friday from somewhere in the Pacific, that he is well and on the way home. He was taken prisoner with the fall of Corregidor.

Wednesday, the Moores received the first letter from him, written Sept. 26, in which he stated he was in Manila. He said his weight dropped to 103 pounds on the Jap starvation diet, but has gained 40 pounds since his release.

A daughter, Myrtle Moore, who is taking a beauty course at Abilene, spent the week end at home.

Mr. and Mrs. W. D. Smith and baby of Fort Worth are here visiting his mother and her parents, Mr. and Mrs. S. E. Reid.

Tahoka On List For Federal Building

Tahoka may secure a Federal postoffice building, if the new building program now before Congress is given approval.

This news was carried in a press dispatch from Washington Tuesday, following request of the Postoffice department for resumption of the building program started before the war.

Other towns in this area for which postoffices are asked are Crosbyton, Denver City, Floydada, Levelland, Lockney, Matador, Muleshoe, O'Donnell, Post, Rails, Seagraves, Seminole, Slaton, Snyder, Spur, and Sudan.

It is believed here that a building costing from \$75,000 to \$100,000 would be proposed for Tahoka.

Hunting Party Off To Wyoming Hills

A party of five Tahoka hunters left Wednesday morning for Wyoming after big game. Those in the party were Oscar Roberts, Winston Wharton, Jack Fenton, Sheriff Sam Floyd, and Terry Thompson.

The Thomas brothers of Grassland recently returned from the Jackson Hole, in the Teton country, Wyoming, where they bagged three elk.

CLARENCE GAUSSOIN MOVES TO SANTA FE

Clarence Gaussoin and family moved Saturday to Santa Fe, New Mexico, where he has accepted a position in a big Safeway grocery store.

Mr. Gaussoin has been employed in grocery stores here for several years and for two or three years operated a store of his own.

Mrs. Gaussoin, the former Miss Elwayne Redwine, was born and reared here, being the daughter of Mrs. F. E. Redwine.

Many friends regret their removal from Tahoka.

Kirk Pitts Home From Overseas

Pfc. Kirk Pitts arrived home on Thursday of last week with a discharge which had been granted him at San Antonio on the preceding day.

He entered the Army Air Corps in April, 1943, and did most of his service in Italy. For the past few months he has been stationed at Natal, Brazil, and came from that station directly back to the States and to San Antonio.

Pitts had been engaged in the grocery business here prior to his induction into the Army. The News is not advised as to his plans for the future.

R. C. Scott, 82, Dies After Long Illness

R. C. Scott, 82, a resident of Lynn county for the past eighteen years, died at his home here about 4:00 o'clock Tuesday afternoon following a long illness.

Funeral services were conducted at the First Baptist Church here at 3:00 o'clock Thursday afternoon by the pastor, Rev. Levi Price, and the body was laid to rest in the Tahoka cemetery under the direction of the Harris Funeral home.

Survivors include his aged companion and seven daughters, Mrs. N. W. Smith of Tahoka, Mrs. M. E. Norris of Lubbock, Mrs. R. R. Lee, Mrs. E. J. Cobb, and Mrs. H. L. Duckett, all of Tahoka, Mrs. C. L. Blackwell of Estancia, New Mexico, and Mrs. G. L. Herrin of Tahoka. Five daughters and one son preceded him in death.

Also surviving are sixteen grandchildren and three great-grandchildren. One grandson, Pvt. Billy Harris Smith, was killed in action on Cebu Island on April 12. Another grandson, Pvt. Billy Jack Hancock, who was in the Marines, was wounded on Okinawa some time ago and was returned to the States. A third grandson, Sgt. R. S. Smith, a parachute rigger with

Cont'd on back page

Little Weaver Boy Died Saturday

Tommy Lynn Weaver, eight-year-old son of Mr. and Mrs. T. L. Weaver of the Morgan community east of Wilson, died at 9:30 o'clock Saturday morning in the Lubbock Memorial Hospital of what was believed to have been a cerebral hemorrhage.

Funeral services were conducted at the Southland Methodist Church at 4:00 o'clock Sunday afternoon, Rev. E. C. Armstrong officiating.

The child became suddenly ill about 4:00 o'clock Friday afternoon, suffering a collapse. He was rushed to the hospital and died before physicians had completed their diagnosis of his case Saturday morning.

Besides the parents, survivors include two brothers, Randle H. and Billy Fred of Wilson, and the grandparents, Mr. and Mrs. F. E. Weaver of Southland and Mr. and Mrs. W. O. Hill of Levelland.

A. C. Weaver of Tahoka is a First cousin of the child's father.

PTA Reorganization Plans Made Tuesday

First steps toward the reorganization of the Parent-Teachers Association were taken Tuesday afternoon when 75 mothers and teachers met at the school, according to Supt. E. E. Hancock.

Mrs. E. R. Edwards, a former president of the P.T.A., was elected temporary chairman, and a nominating committee was named which will report at the next meeting in about two weeks.

NAZARENE HAS NEW PASTOR

Mrs. J. D. Roedler, who has been living here the past three years while engaged in evangelistic work for her church has accepted the pastorate of the local Church of Nazarene. Mrs. Roedler follows Rev. C. J. Campbell who moved to Grandfield, Okla.

4.38 Inches of Rain Breaks Drought, And Retards Crop

Clearing skies and warm sunshine brought broad smiles Wednesday to the farmers and business men of Lynn county. This is one time when they were ready to cry "calf-rop" to the weather man.

A slow rain fell throughout the day Tuesday and on into the night, adding 1.32 inches of moisture to that which had already fallen. The total rainfall in Tahoka this month, beginning Wednesday morning of last week and continuing intermittently until Wednesday morning of this week, amounts to 2.33 inches. Two and .05 inches had fallen during the last three days of September. During these two weeks, therefore, Friday morning, September 28 to Friday, October 12, a total of 4.38 inches of water has fallen.

Most of this rain has fallen slowly and soaked deep into the soil. The weather was cool most of the time also, and a continuation of such weather much longer might have done more damage than good to the crops. Much of the open cotton has been left stained and dirty. This may or may not entail considerable loss depending on the kind of weather we may have during the coming days and weeks.

The low temperatures and cold rain also had a tendency to retard the maturing of the grain crops, but these crops will be greatly helped if killing frosts and freezing weather do not come before the first of November.

But, however much or little these rains may help this year's crops they are calculated to give a good start for next year's crops. Many wheat patches will be sown soon for winter grazing.

Interest Renewed In Scout Troop

Nearly 175 Boy Scouts, boys interested in joining the Scouts, and parents attended the "feed" at the WOW hall Monday night, according to E. D. Stewart, the new scoutmaster.

Barbecue prepared by Terry Thompson and beans cooked by George Pettigrew were included on the menu.

Talks were made by Rev. H. A. Nichols, Dr. Emil Prohl, and Dr. Jim Sinclair.

About 30 boys are members of the local troop, but attendance has been very light lately. However, this meeting and the new Scoutmaster are arousing renewed interest, and a goal of 100 Boy Scouts has been set.

So much interest was shown in Monday night's meeting that the boys have decided to hold a parents' night once each month on the second Monday night, to which each parent will bring a covered dish. Not only parents and boys are invited to these meetings, but all persons interested in Scouting will find a welcome.

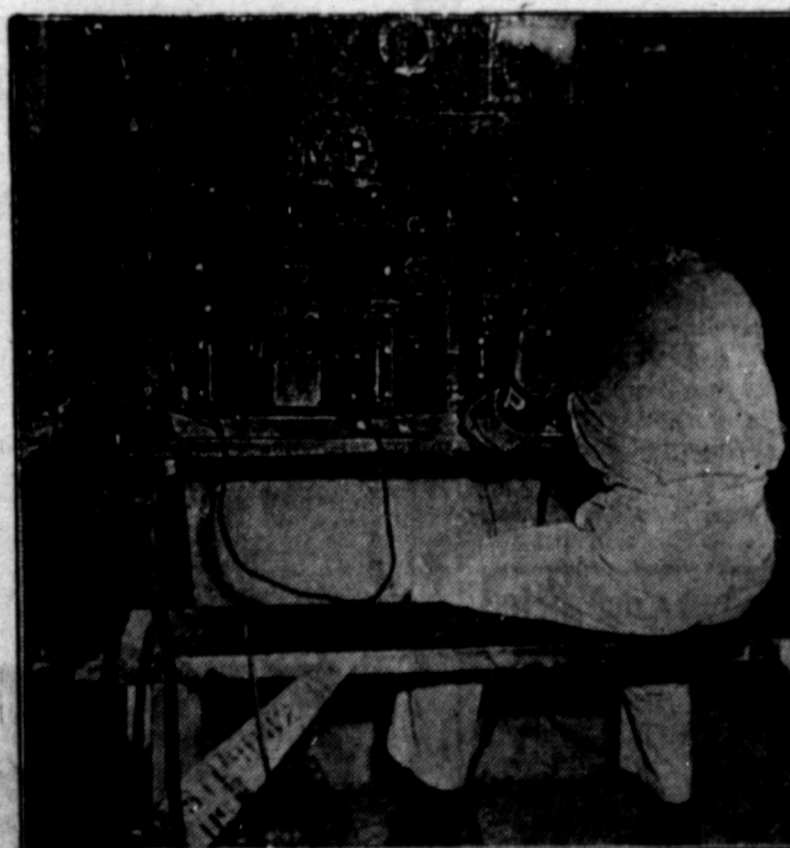

F 2-c J. D. Smith Is Serving on Killeen

On the USS Killeen Off Japan (Delayed)—J. D. Smith, fireman, second class, son of L. F. Smith, Tahoka, Texas, is serving on this destroyer which is participating in the occupation of Japan with the Northern Pacific Force. She is helping enforce the peace in Honshu and Hokkaido.

The Killeen, now commanded by Cdr. J. L. Semmes, saw action at Leyte, the Battle of Surigao Straits and Borneo. She was attacked by seven Jap planes in Leyte Gulf last November and shot down four before she was struck by a 500-pound bomb, which killed 17 and wounded six of the crew.

ATTEND CONFERENCE

Rev. and Mrs. H. A. Nichols attended the New Mexico Annual Methodist Conference Wednesday and Thursday at Artesia. Several ministers of that conference are long-time friends of the Nichols.

Released by U. S. War Department, Bureau of Public Relations. CONTROL STATION IN BURMA—Pfc. John Barcheski, Larksville, Pa., operates MP net control station at Shianghiwyang.

The Ark which Noah built and which saved him from the flood has always been recognized as a type of the church. Let us notice carefully the following points:

1. There was one Ark.
2. It was made of one kind of material.
3. It had one door.
4. It had one window above.
5. One family went in.
6. They wore one name.
7. Those inside were saved.
8. The humble went in.

9. All needs supplied inside.
10. Those outside were lost.
We find that the Church as revealed in the New Testament fulfills this type in every particular.

1. There is one body or church. (Eph. 4:4; Eph. 1:22-23.)
2. Composed of one kind of material. (1 Pet. 2:1-5; Rom. 12:1-2; John 3:5.)

3. It has one door. (John 10:1-9.)
4. It has one window above. (Pam. 119:105; 1 John 1:5.)
5. One family. (Eph. 3:14-15.)
6. One name—Christians. (Acts 4:12.)

7. Saved inside. (Acts 24:7; II Tim. 2:10; Eph. 5:23.)
8. Humility required. (Mat. 18:14; Luke 14:11.)

9. All needs supplied. (Rom. 8:32; 2 Pet. 1:2-3; Heb. 4:15-16.)
10. All outside shall be lost. (II Thes. 1:8; Mat. 18:3; I John 5:12)

In view of these facts, we see what an important institution the Church is. Come and study with us on these important lessons. A hearty welcome awaits you at the Church of Christ.

GETS DISCHARGE

Pfc. Walter "Murph" Lee of Graham, Garza county, brother of Mrs. E. L. Vaughn of Tahoka, arrived home with his discharge a few days ago.

Pfc. Lee had landed with the United States armed forces at Oran when the invasion of North Africa began, was with the forces that invaded Sicily, Italy, and Southern France, and was near Metz in Germany when the war closed. He was a radar operator in the air forces.

CLEAN AS A HOUND'S TOOTH!

That's Phillips 66

THE HONEST OIL—FROM DEEP IN THE HEART OF OKLAHOMA!

Brother, if you want a clean, sweet, protective oil for your car—lay your dough down for Phillips!

It's clean because it starts clean, and we refine it cleaner. Yessir, we've got a grudge against sludge—and the greatest cause of engine gunk and muck is an oil that isn't as clean as it ought to be.

And the greatest thing about Phillips 66 is—all its God-given lubricating qualities are unimpaired.

We don't claim the credit for this wonderful oil. We just had enough sense to recognize a great job by Mother Nature—to take it out of the ground—and not to fool with it too much!

So when you change your oil every two months (as you should if you want to keep a car under you) just tell that man—"Fill 'er full o' Phillips!"

You won't find a more honest, natural lubricating oil in America!

"Fill 'er Full o' Phillips!"

County Agent Says:

Lynn County poultry growers should guard their chicken flocks against a disease called botulism, or limberneck, which often causes losses at this time of year. According to S. A. Moore, poultry husbandman for the A. and M. College Extension Service, limberneck is caused by a toxic-forming germ and is most likely to occur in late summer and early fall. The disease seems to appear whenever poultry eat decayed matter or drink stale water from pools.

The common name, limberneck, rather aptly describes the leading symptoms of the disease. Moore says it is accompanied by leg weakness, drooping wings and stupor. Death often occurs within one day.

The best protection is to keep flocks away from dead carcasses, decaying plants and similar materials. Fresh, clean range is one of the safest places for the birds.

Wet cool weather such as we are now having is especially conducive to an ever increasing amount of poultry diseases. Perhaps the most common poultry diseases prevalent at this time are the common cold and roup. No single factor can be said to cause this trouble, but exposure to unfavorable conditions such as crowding, poor ventilation, dampness, cold drafts and the presence of internal parasites, weaken the bird. When the vitality is thus reduced, the organisms normally present in the nasal passages may develop to a point where they cause trouble.

The wise poultryman knows, of course, that an ounce of prevention is worth two pounds of cure, but a lot of poultry troubles still occur from neglecting to take the necessary precautions to prevent their occurrence. When poultry troubles show up, immediate removal of the cause should be the first control measure to employ. This usually means that a thorough cleaning up and disinfecting of the poultry premises would be in order. Thus supplying sanitary surroundings, ventilation without drafts, and a well-balanced ration usually eliminates the trouble. All sick birds should be isolated from the flock to prevent further spread.

Among those present were: Mr. and Mrs. Lee Cromer, Jimmie and Billy Max; Mr. and Mrs. Lon Cromer, Darlene, Martha Ann and Karen; Mr. and Mrs. Leroy Bledsoe, Nina Lois, Martha Lee and Bill; Mrs. Jean Hoover; Mr. and Mrs. L. P. Baker and Robert Lee of Post; Mrs. Dixie Martin, Mr. and Mrs. Coy Ford and John Lewis, all of Lubbock; Mr. and Mrs. F. E.

MRS. BLEDSOE HONORED WITH HOUSE-WARMING

Saturday evening the new home of Mrs. Maude Bledsoe and her daughter, Mrs. Jewell Johnson, on North Third Street, was the scene of a "house-warming."

This ingathering of relatives, friends, and neighbors had been planned as a surprise by Mrs. Bledsoe's daughters, Mrs. N. H. Cromer, who had charge of the evening's entertainment. Mrs. Cromer was assisted by her daughter, Miss Mose and her daughter, Miss Mose.

Games were enjoyed and Mrs. Bledsoe received a number of gifts.

How women and girls may get wanted relief from functional periodic pain

Often, many women get, but brought relief from the cramp-like aches and nervous strains of functional periodic distress. Tabled in a basin, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 2 days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

AAA Benefits Are Called To Attention Of County Farmers

Lynn county farmers are reminded that AAA will pay up to 1.5 cents per linear foot for terraces constructed in 1945, that meet AAA specifications, provided request has been made and approval granted before work begins. This office has a large amount of money which can be used for this practice and farmers interested in terracing are urged to call at this office at an early date and discuss such opportunities with us.

Milk and cream producers are requested to bring in your receipts and sign your application for payment on July, August, and September production, payment of 55 cents per 100 pounds for whole milk and 13 cents per pound for butterfat.

AAA will pay \$1.50 per acre for small grain (other than wheat) planted during this fall for a winter cover crop which is not harvested for hay or grain. Remember, prior approval in writing for any practice must be obtained from this office before beginning the practice. No exception to this rule.

Robert R. Adams, Secretary, Lynn County A. C. A.

PFC. K. E. YOUNG IS COMING HOME SOON

Mrs. Lula Mae Young had a telephone call Tuesday morning from her husband, Pfc. Kerna E. Young of the Marine Air Force, saying that he had landed on the West Coast Monday and expected to be home within two weeks.

He has been in service 18 months 14 of which he served in the Central Pacific.

Floating Drydocks Change Concept of Sea Warfare

Enough electric equipment to furnish a good-sized factory plus a small hotel is installed on each floating drydock the navy is using to make emergency repairs of warships far from their most advanced permanent bases.

These floating factories, recently revealed to be in action, are changing the concept of naval warfare by enabling strategists to plan ocean-going operations without dependence on the availability of fixed bases. Whereas the old static concept of sea strategy required ships to operate within an approximate range of 2,000 miles from a permanent repair base, floating drydocks make it possible to establish bases as they are needed and as near the fighting zone as desired.

In operation these mobile drydocks prepare a warship for repair by literally lifting the damaged vessel out of the water, thus giving workmen access to any part of the hull or deck, the same as if the ship were being overhauled on land. This is achieved by admitting water to sealed compartments so that the drydock submerges. When this is accomplished, the damaged vessel is floated over the dock or the dock is submerged under the vessel. Then water is pumped out of the compartments, and the drydock, with the ship under repair now nestling on it in a rack, arises to the surface. In this position, the damaged ship is completely out of the water, with its hull exposed, and examination or repair is made possible.

Sgt. Melton Flowers Home With Discharge

Sgt. Melton Flowers recently returned from the European Theatre of Operations with his discharge.

He and his wife, the former Miss Jennie Reba Nevill, who has been residing here with her parents, Mr. and Mrs. J. L. Nevill, during his service overseas, have been visiting his mother and other relatives at Vernon since his return.

ANOTHER SHOW-DOWN FIGHT COMING

We are harboring and nursing in this country one of the most dangerous organizations that ever existed within our borders, an organization that is supposed to be strictly religious but is in fact also distinctly political in its purpose, its polity, and its practice. This organization, many centuries old, has controlled every government it could get its powerful clutches on, during its entire history. Although it has lost its hold on several of them, yet, in spite of the fact that politically it is distinctly un-American, it is steadily gaining strength and influence in this country. Politicians kow-tow to it, and if one openly criticizes or opposes it, he is accused of being a narrow religious bigot. Although it is itself the most narrow and intolerant of all the religious denominations in this country, it constantly poses as the advocate of religious breadth and liberality and thus courts popular favor. It is constantly maneuvering its way

into strategic positions, whereby it can disseminate its propaganda and use such agencies as the motion picture and the radio to further its interests.

It is the only religious denomination in this country that we know anything about that has not clearly taken its stand in favor of complete separation of Church and State. In fact, it is constantly seeking, by one means or another, to control many city and state governments in its own interest, and even to exact special favors from Congress and high government officials. Some day, if the present trend continues, there must be a show-down fight to determine whether or not the principle of Separation of Church and State shall be preserved in this country.

The American people are convinced that General MacArthur is doing a jamb-up good job in Japan. He is cleaning out the Militarists and war lords from all positions of power and influence. He is ousting the dictators and clearing the decks for a real democratic form of government. His edict issued on Thursday of last week demanding that all bars to freedom of speech, freedom of assembly, and freedom of religion be removed came like a thunder-clap — almost like an atomic bomb — to the autocrats and lordly grafters who have been ruling that country so long. His order that 3,000 Japanese political prisoners be freed and that Home Minister Iwao Yamazaki and the chiefs of the Tokyo and Osaka boards be removed also brought consternation to the big crooked Moguls. They threw up their hands in holy horror and moaned that such a sweeping order might mean general confusion and violence. There is reason to believe, however, that millions of Japs were delighted that MacArthur was turning these persecuted patriots out of filthy, fetid jails. It may be that the Japs will not know how to act at first as free men, that they will not know how to carry on in a democracy, but MacArthur and the occupation forces can teach them. Our hope is that in the course of time they may find out that their emperor is an entirely unnecessary appendage and will consign him to the junk heap.

We do not claim to know much about what happened in the recent Big Five conference in London in which the United States, Great Britain, Russia, France, and China participated and which ended in a deadlock between Russia on the one hand and the United States and Great Britain on the other. We do not know what all the issues involved were. But it seems that Russia wanted a free

hand in dealing with Romania and some of the other Balkan States. She wants only the Big Three, in fact, to settle all grave international problems and policies outside the Balkans, if commentators on world affairs have interpreted her position correctly. Furthermore, she wants to displace MacArthur as the big boss in Japan and wants the Big Three, Russia, Great Britain, and the United States, jointly to take charge. There is basis for the belief that she wants to get Japan and the Balkan states alike under her thumb. She wants to make all of them communistic, to see to it that a soviet form of government is set up in each of them, and in that case she will then be able to take the whole bunch under her wing and dictate to them. Then, doubtless, she would play up the communist element in China also, and it would be easy for her to bring that nation of teeming millions into her own political family. We are glad that Secretary of State Byrnes stood pat at the London conference and made no further concessions to Russia.

Wilson News

(By Mrs. Frank Fletcher)

(Delayed)

Mr. and Mrs. W. I. Lemon heard from their son, Pvt. Ogle Lemon of the U. S. Navy, recently for the first time in several weeks. He has been stationed on Saipan but was on his way to Japan.

Pvt. J. R. Stone Jr. writes his wife that he is still in the hospital on Luzon. He has been hospitalized since August 27 with yellow jaundice.

Pfc. Hollis Snodgrass of the Quartermaster Air Corps has been visiting his mother since August 25. He is to report to San Antonio on October 11 and expects to receive a discharge after his two-years service in North Africa and Italy. W. S., another son of Mrs. Snodgrass, is still in Germany, and a third son, Frank, has written his mother from Japan that they have better living quarters at present than they have had in some time.

Billy Black is visiting his mother, Mrs. Tillie Black, first-grade teacher in the Wilson school. He has just received a discharge from the armed forces.

Mrs. W. O. Kirkpatrick of Hillboro visited her daughter, Mrs. Willa Wakeland and Joy on Tuesday.

Lester Kirtley visited his sister, Miss Gladys Kirtley, on his way home to Cleburne Tuesday, after having received his discharge from the armed forces.

Bobby R. Ramsey, Seaman first class, is now on duty with Standard Landing Craft Unit 34, a boat pool on Ulithi Atoll, Western Caroline

islands, according to information received here.

Henry Moerbe of Houston is visiting his son, Howard Moerbe and family.

Edward Hannabas and Edward Bussell left Tuesday for Houston and for duty in the Merchant Marine.

Albert Wuensche has finally started receiving mail home. He is in Tokyo Bay.

Members of the Walther League who attended a convention in Lubbock Sunday night were Rev. and Mrs. H. W. Kleck, Frances, Bill, Laverne, and Allyn Wuensche, Bernice Lämmer, May Belle Finn, Adolph Herzog, Frances Wied, Dorothy and Hubert Teinert, Delphine Hahn, Clarence Gieckhorn, Clarence, Delbert, and W. O. Kleschnick.

Mr. and Mrs. Carl Herzog and Donald, Mr. and Mrs. O. H. Hoffmyer and Stanaon, and Mr. and Mrs. A. A. Teinert left Wednesday to attend the funeral of Mrs. Ernest Teinert, who passed away

Wednesday morning in Copperas Cove, after a very short illness. She was 70 years old at the time of her death, and all of her twelve children except one daughter attended the funeral. Mrs. Herzog and Mrs. Hoffmeyer are daughters and Mr. Teinert is a son of deceased.

Paul Edward York, B. M. 2/c, 25, who served aboard the U. S. S. San Diego, a cruiser, visited Mildred Flint here this week. He has had 29 months overseas, and has been awarded 5 silver stars by the navy. His former home is at Lubbock.

Doin' it with Diesels on the Santa Fe

Hauling heavy freights over the steep mountain grades calls for plenty of head-end power.

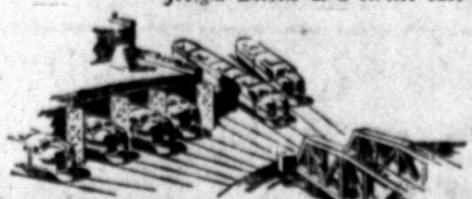

Santa Fe is providing a lot of that power with the greatest fleet of 5400 horse-power Diesel locomotives in American railroading.

80 of these blue and yellow giant "head-ends" — the most powerful

freight Diesels in the world — are now in operation on the Santa Fe.

This dieselization program is one of many important steps by Santa Fe in providing the most modern freight equipment for the peacetime transportation needs of America's West and Southwest.

See the big fleet of Santa Fe freight Diesels at a service base.

SANTA FE SYSTEM LINES

Ready in War — Ready for Peace

Looking into the future?

SO ARE WE...

What does the future hold? Will our world be a better, brighter place in which to live? We all hope so!

But of this one thing we are certain. Electric service will play a more important part in your life than ever before. In the home, new comforts and conveniences will be yours. Electricity in industry and on the farm will bring new economies, better working conditions.

Yes, we are looking to the future, anticipating your electric needs and we will be ready to serve our customers with an abundant supply of electric service at the lowest possible rates.

CAMPUS CHAPEL TO BE BUILT AT CANYON SCHOOL

Canyon, Oct. 11. — Contributions to West Texas State campus chapel project continue to reach President J. A. Hill without solicitation. They total more than \$15,000 in cash and pledges. The goal is \$50,000.

But Dr. Hill is perplexed by the wish of donors to finance the same part of the chapel. Two persons, for instance, wish to give \$800. for a memorial window back of the altar.

The chapel will be a campus center of religious activities which, however, will not conflict with services of Canyon churches. The project has been endorsed by many Panhandle churchmen and civic groups.

Sgt. Maj. Craig Davidson and wife and his sister, Mrs. Anne Nogle, attended church services at the Methodist Church Sunday and visited in the home of Rev. and Mrs. H. A. Nichols. They have known the Nichols since 1929, Rev. Nichols being pastor at their home town, Spearman, six years. Sgt. Davidson is a recruiting officer stationed at Lubbock.

Mr. and Mrs. A. C. Weaver drove down to Dallas last Friday and returned Sunday. They visited Mrs. Weaver's parents there.

BEGINS STUDY COURSE

The W. S. C. S. met in the M. E. Church Monday afternoon for the first lesson in the new study: "The Unfolding Drama in Southeast Asia," by Basil Mathews. Mrs. G. M. Stewart is teaching the course.

This is a study of the various religions of the Southwest Pacific and Southeast Asia, and especially of the role played by the omnipresent Christian Church as preacher, teacher, and healer, and in providing a foundation for new community life among these torn and shaken people.

Refreshments were served to 17 women by Mesdames V. C. Steele, Roger Bell, and Pete Ware. Children are cared for in the nursery.

SGT. CAVENESS WRITES FROM TOKYO AREA

Mrs. Lucy Caveness, who resides out in the New Lynn community, recently received an interesting communication from T/Sgt. S. T. Caveness, written from Tokyo, Japan from which we quote. Sgt. Caveness entered the Marine January 28, 1942. He has seen much service in the Pacific. His wife and baby have been in Fort Worth while he has been overseas. The letter was written on Red Cross letter-head paper and he says he got it on Gab Gab beach, Guam.

"We were at Guam," he states, "two or three times between trips to Okinawa, Saipan, etc. We left Okinawa the afternoon before the battleship Pennsylvania was torpedoed in Buckner Bay. That was luck.

"While I remember it, let me say that the chow is terrible at the present. We were out guarding a convoy of tankers attached to the 3rd Fleet for three weeks and our food stores have dwindled down to the dehydrated stuff.

"Well, our ship is sitting out in Tokyo Bay along with the Third Fleet and some British ships. We go on liberty to the little town of Yokosuka just outside of Yokohama. The Yokosuka naval base is occupied by sailors and Marines.

"The Japanese people are very little larger than animals and just as dirty. Economically, the situation here is the same as in Germany — there is no food; the children want chewing gum and the grown-ups want cigarettes. Money isn't worth anything because of the black market activities. It seems the children have the most of it. It's a constant series of bowing by the Japs from the time we get to town until we leave. They are a pitiable sight following us around in crowds. They are astonished at shoes and are constantly pointing at them. Their shoes are merely split-toed sandals. I doubt if there are many shoes in Japan."

Sgt. Caveness thought that they might be leaving for home soon.

NAZARENE CHURCH
Sunday services at the Church of the Nazarene are scheduled as follows:

Sunday School — 10:00 a. m.
Preaching Service — 11:00 a. m.
N. Y. P. S. — 7:00 p. m.
Preaching — 7:30 p. m.
Other Services are W. F. M. S., Monday at 3:00 p. m. and Prayer Meeting, Wednesday at 7:15 p. m.

If you are not attending services regularly elsewhere we would like to invite you to attend our services. You will always receive a cordial welcome. — Mrs. J. D. Roedler, pastor.

Mrs. Robert Gregg of Borger has just spent several days here visiting her sister, Mrs. Truett Smith, and the family.

FUTURE HOMEMAKERS

The Future Homemakers of Tahoka met Monday, Oct. 8, in the Home Economics laboratory. Mrs. Carolyn McDonald, county home demonstration agent, gave a demonstration on canning fruit cake. Leaflets on canned foods for overseas mailing and several pages of recipes were given to the girls.

Those who attended were: President, Colleen Carmack; secretary, Nan Pennington; treasurer, Joretta Shawn; Lena Williams, Laverne Standefor, Dixie Carrol, Mildred Hedge, Nancy Gill, Marilyn Fuller, Marjorie Lishman, Claudia Raindi, Betty Reed, Joyce Healy, Betty Ingram, Joan Slover, Joretta Hill, Mamie McClellan, Katherine Henry, Eva Stewart, Velma Howell, Bennie Pridmore, Edna Hill, Dorothy Howell, Patsy Mathis, Patsy Clem, Peggy Henderson, Mabel Ragan, Nancy Cobb, Jan Edwards, Margaret Durham, Wanda Smith, Sue Carpenter, Wanda Gaither, Lola Ramsey.

Mrs. Alice Fortenberry came in home Sunday morning after a visit of a few months with her daughter, Mrs. Clayton Lawrence, first in Ogden, Utah, and then in Seymour, Indiana, after her husband, T/Sgt. Lawrence, had been transferred to an air field at that place a few weeks ago. After arriving home Mrs. Fortenberry learned that the Post Dispatch last week carried an item stating that her son, John W. Fortenberry of the U. S. Marine corps, had been given a discharge on Sept. 21. He had not arrived home, however.

MRS. JARRELL COX HONORS MOTHER
 Mrs. Birdie Burks of Grand Saline was honored on her 74th birthday last Saturday afternoon when her daughter, Mrs. Jarrell Cox, kept "open house" from 3:00 to 6:00.

Mmes. E. I. Hill and V. A. Botkin assisted in welcoming and registering the guests. Miss Doris Roberts played piano selections throughout the visiting hours. Misses Jeanine Smith, Gwen Gaither, Joretta Shawn, and Wanda Faye Marlin served iced punch and birthday cake from a lace-covered table.

Mrs. Burks, who has visited here on several previous occasions, has lived at Grand Saline for 33 years and in Texas more than 70 years. She received a number of gifts, some having been sent from a distance.

In addition to those in the house party, others who called to express good wishes to Mrs. Burks were: Mmes. W. M. Harris, D. V. Smith, J. M. Scott, H. A. Nichols, R. C. Wood, J. D. Donaldson, W. D. Smith Sr., C. T. Tankersley, H. R. Tankersley, W. A. Hardt, Carolyn McDonald, W. S. Anglin, John H. Boyd Jr., and son John III, Mr. and Mrs. John A. Roberts, Mr. and Mrs. T. B. Burrough, Mrs. J. C. Evans, Mrs. W. A. Yates. Misses Mable Ragan and Margaret Sue Roberts.

Mrs. Ivan McWhirter of West Point and Mrs. J. M. Noble of Brownfield were unable to attend but sent gifts.

WILLIAMS-YOUNG
 Miss Barbara Jean Young became the bride of Pvt. Jesse L. Williams at 9:30 P. M., October 6, in the home of the officiating minister, Elmo Burkett. The single ring ceremony was read in the presence of Mrs. Lucille Burgin, Mrs. Louis G. Williams, and Miss Mable Williams, sisters-in-law and sister of the groom, respectively.

The bride is the daughter of Mrs. Rosa Young of Tahoka, and is well known in this vicinity, having resided here for a number of years and is a former student of Tahoka High School.

The bridegroom is the son of Mr. and Mrs. W. A. S. Williams, also of Tahoka. He was a student of Tahoka High School before his induction into the armed forces in January, 1943. He spent 19 months overseas, and was stationed in Italy. He is now on furlough and will report back to Fort Sam Houston, San Antonio, on Oct. 15 for reassignment.

Don't Wait Until Psorrhoea Strikes
 Gums that itch or burn can become mighty trying. Druggists will return your money if the first bottle of LETO'S fails to satisfy.

Irene Dunne and Alexander Knox find each other pleasant company in this scene from Columbia's hilarious comedy, "Oxy 21".

George Murphy and Pat O'Brien play a couple of amateur sleuths in RKO Radio's hilarious murder mystery, "Having a Wonderful Crime".

SOLDIER PRAISES TAHOKA METHODIST PASTOR

To All Members of the First Methodist Church of Tahoka: I wish to take this opportunity to express my appreciation of the kindness and courtesy you have shown my wife and I each time we have attended the Sunday morning services at your church.

I have been fortunate in having known your pastor and wife, Rev. and Mrs. H. A. Nichols, for the past 15 years; in fact, I joined the church in Spearman, Texas, when he was pastor there.

You folks are to be envied in having Rev. and Mrs. Nichols located in Tahoka; it is a pastor like Rev. Nichols whom the soldiers want to find in their churches when they return from the battlefields.

Friends of mine when I grew up always ask upon any chance meeting we may have now that we are so scattered: "Say, Craig, do you know where Rev. and Mrs. Nick are? I'd really like to hear him once more."

My wife and I intend to drive down each Sunday for the services at the Methodist Church, and while I'm sure we will be able to see and talk with most of you in person, we wanted to thank all of you some way, and this seemed the only way to do it.

Sincerely yours,
 T/Sgt. and Mrs. W. Craig Davidson,
 Lubbock, Texas.

SEAMAN I. C. HOLT VISITS MOTHER HERE

I. C. Holt, S. 1/c, is to report back at El Paso today after a three-weeks visit here with his mother, Mrs. Olive Holt, and other relatives and friends.

He has been in the Navy for two and a half years and has plied the waters of the Pacific all the way from Australia to Iwo Jima and Okinawa. In recent months he has been in the Armed Guard on an Army transport vessel. He came directly from Okinawa to San Francisco and thence to Tahoka on leave.

Mrs. M. E. Harms of Chico is here visiting her daughter, Mrs. W. A. Reddell.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1- Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2- Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.
CARDUI

METHODIST CHURCH

Tuesday night of last week, the pastor and leaders in the Crusade For Christ, of the southern side of the Lubbock District, met in the local church. Some 150 pastors and church leaders were present. Experts met with the different groups to discuss Evangelism. The adults, the young people and children groups had separate rooms and it was declared to be the best meetings held in the district.

It is not a month till our annual conference meets at Abilene. Every member should see his and her steward and settle with him so the budget will be 100% for this conference year. You have been making that kind of a record for several years, and will do so this last month before conference.

The enrollment of the Sunday School is increasing, new pupils and classes enrolled and formed respectively. There has been a gain of several teachers the past month.

Each Sunday we see new faces in the audience. Many of our soldiers have returned and are continuing their interest in the

church. Some have been elected to responsible offices in the church. To all services a hearty welcome awaits you, friends and visitors.

Mrs. Herbert Hunt, the former Miss West, and her two children were here over the week-end from Claude visiting her mother, Mrs. Iona West, and her brother, Lynn West.

DEAD CALM IN A HURRICANE ? YES NO

In the very midst of a hurricane you'd be safe! Its center is sort of "hollow" ... calm. All weather packs surprises, you bet—especially Winter weather. Yet you can bet on having your aging car face it safely, with the engine's insides under guard of OIL-PLATING!

Changing to Conoco Nth motor oil is all it takes for an OIL-PLATED engine—fortified throughout with lubricant bonded to metal direct, by the magnet-like action of Conoco Nth oil's added ingredient! OIL-PLATED metal defies corrosion and other wear. Surfaces kept OIL-PLATED during long cold waits have protective lubricant ready in advance to minimize starting wear. And always—the less wear, the less reason for carbon, sludge, and breakdown. You bet you want Conoco Nth oil for Winter. Change today.

For Station Identification!
 The big red Conoco triangle identifies Your Mileage Merchant's Conoco station. There's where to get good gasoline today. But look for new hushed power—new high-octane—in his NEW-DAY GASOLINE! It's coming quick! —WHERE YOU SEE THAT RED CONOCO TRIANGLE! Continental Oil Company

Side-Lights From Washington

BY GEORGE MAHON

Last week I joined with five other members of the Military Appropriations Committee in calling at the White House to discuss a number of matters with President Truman. The President was in good spirits and was looking well. Most of our discussion had to do with Army expenditures, the retention of bases in the Pacific, disposal of surplus Army property abroad, and the atomic bomb.

We pointed out that we had handled the appropriations of funds for, and maintained the secrecy of the atomic bomb project, and we recommended against the release of the atomic bomb secrets.

We told the President that members of our armed forces, particularly those abroad, were impatient with delays in the discharge program — that the War Department was losing prestige among the servicemen. We urged a speedier discharge program.

In the course of our conversation, I brought up the question of our six million bales of surplus cotton and asked the President to place the government behind a program for the earliest possible disposition of this cotton. He said that he was greatly interested and was already giving the matter consideration. The friendly nations of the world need our cotton. Moreover, it will be up to defeated Germany and Japan to produce their food and provide their clothing.

In Berlin recently I was told by the military staff that Germany was being permitted to resume certain non-war industries, and that the revival of the German rayon and synthetic fiber industry was being considered. I insisted that America ought to see to it that the cotton textile industry is favored, affording a sales opportunity now and later for American cotton.

I think our government has a good opportunity to work out a program for the profitable disposal of cotton surpluses. Members of Congress from cotton producing areas have been requested to join in this effort, and the Departments of State and Agriculture have been requested to give immediate consideration to the question.

A large part of the surplus cotton is West Texas cotton, and we have much to gain if the program succeeds. Industrial policies are crystallizing all over the world, and America must try to prevent the world from slamming the door on American cotton.

President Truman shattered tradition last week by coming to the Supreme Court for the swearing-in of Senator Harold Burton of Ohio as Justice of the Supreme Court. Since 1941, I have occasionally worked with Senator Burton in conferences between the House and Senate Appropriations Committees. He is democratic, modest and friendly, and no one doubts but that he will do his honest best to make good on the Court. He and Chief Justice Harlan Stone are the two Republicans on the nine-member Court. Justice Stone was appointed originally by President Coolidge in 1925 and made Chief Justice by President Roosevelt in 1941, succeeding Chief Justice Hughes.

Fort Des Moines, Iowa, Oct. 4 1945. — Cpl. Clara Gene Scruggs, member of the Women's Army Corps from the city of Tahoka, Texas, was discharged from the Fort Des Moines WAC Separation Center to-day.

PEARS ARE GOOD

(By Mrs. Carolyn McDonald)
Homemakers who have never made summer mincemeat from late pears have a treat in store for them. It meets with great enthusiasm, and calls for some sweetening, and either honey or corn syrup can be substituted for sugar. Corn syrup probably would be preferable.

Ripe pears should be used in the mincemeat. If they are hard and green, they may be wrapped in newspaper and stored in a cool, dark place to mellow. A cool place is especially important; otherwise the pears may spoil quickly. Ventilated cellars or pantries would be excellent storage places.

Here is the recipe:

Summer Mincemeat From Pears

7½ pounds pears (peeled and cored).
1 lemon, 1 apple (peel and all).
1 cup grape juice or other fruit juice (not too sweet).
1 tablespoon each ground cinnamon, cloves and all spice.
1 lb. seedless raisins.
6 cups sugar or 3 cups honey and 1 cup sugar or 6 cups corn syrup.
1 cup vinegar.
1 teaspoon salt.
Grind pears, lemon and apple. Mix with all other ingredients and boil for two hours. Pack into hot jars. Seal while hot.
Pear Butter: Peel and core one gallon of late ripe pears; put in kettle and add two cups water;

boil slowly; when tender put through a ricer or colander. To every four cups of pulp add two cups of sugar (1 cup honey and 1 half cup sugar may be used or 2 ½ cups corn syrup). Place on stove again and cook slowly until very thick. Stir to prevent sticking. A few minutes before removing, add juice of one lemon. Pack in sterilized jars. Leave no head space. Have lids and rubbers hot. Seal.

STATED MEETINGS of Tahoka Lodge No. 1041, the first Tuesday night in each month at 8:30. Members urged to attend. Visitors welcome.

Father of Tahoka Resident Is Dead

Mrs. Paul W. Cox of Tahoka, now teaching in the Brownfield school system, was called to Roanoke, Denton county, by the death of her father, Tom Parish, 68, at his home in Roanoke on Thursday of last week.

Funeral services were conducted in the Baptist Church there on Friday. He was survived by his wife, six sons and four daughters.

Clayton-Norman Lumber Co. Opens

Though they have just started construction of building, Ted M. Clayton and A. N. Norman Jr. are already selling building supplies at their new business, Clayton-Norman Lumber Co., located across the street from Tahoka Co-op Gin on the old Crie lots.

They have their cement house finished and have started work on the office, warehouse and fence.

Both the operators are well known local young men. Ted was born and reared in Lynn county, and his grandparents, the H. C. Cries, operated The Lynn County News for many years. A. N., who came here in 1935, was just recently discharged from the Army Air Forces after seeing service in Europe as flight officer.

NEW BUTCHER

Tahoka Grocery has a new butcher, Jake Turner, who was recently discharged from the service after having been overseas many months. Before entering the service, he was associated with markets in Amarillo, Lubbock and Abernathy.

Some communications and other news had to be omitted this week on account of arriving too late, chiefly on account of the mud.

Efficient Tub

A bathtub that fills quickly and empties quickly is high on the list of things that postwar home builders want. The chief advantage of a tub that fills quickly and empties quickly is the saving in time. Another important advantage, however, is the fact that water which flows through the drain piping at high velocity will carry solids with it, thus scouring the drain and tending to keep the pipes clean. For rapid filling of a tub, the hot and cold lines leading to the fixture should be at least one-half inch in diameter and the spout should be one inch in diameter. With these specifications, providing water pressure is adequate, the bath will fill quickly and the water will not splash or gurgler. To insure quick draining of the fixture, the waste in the tub should be two inches in diameter and the bottom of the tub should be perfectly smooth and unimpeded by corrugations.

Posthumous Award For Lieut. Kemp

Lt. Elias B. Kemp, Army Air Forces pilot lost in the war in the Southwest Pacific on February 23, 1945, has been awarded the Distinguished Service Cross posthumously. The medal was presented to his wife, Mrs. Marjorie Wells Kemp in a special ceremony at the Lubbock Army Air Field Wednesday at 2:30 p. m.

The Purple Heart and the Presidential Citation have also been received by Mrs. Kemp for her husband's service.

Lt. Boydston Home From European War

Going into the army five years ago as a private, Lt. W. W. (Bill) Boydston came home last week as lieutenant, having won promotion after promotion and various awards by sheer courage and gallantry on many of the battlefields all the way from Casa Blanca in northern Africa, through Sicily, France, Germany, and Sudetenland into Czechoslovakia, being near Belzen when the Germans "blew up."

Wounded three times, Lt. Boydston licked his wounds as it was and went on fighting without hospitalization except when he stepped on a mine in Northern Africa and sustained severe injuries to both legs. He was kept in the hospital six weeks that time. In that Tunisian campaign, he says, he and his outfit saw some of the toughest fighting of the war. He had landed at Cas Blanca on November 18, 1942, and it was five months before his division, the First Artillery, got its part of the job done and were sent over to Sicily.

In Sicily, they found a job that took six months for them to finish, after which they were sent back to England.

This same division was the first of the invasion forces to land on the beaches of Normandy. They landed on what they called Omaha Beach, and there, he says, they encountered the toughest fighting of the whole war. As proof of this, he cited the fact that of 160 men composing an infantry company, all but four or five of them were either killed or severely wounded.

The fighting was tough on through France, and it was in that campaign that he received his second wound, being shot in the shoulder with a machine gun. They entered Germany near Aachen and on that very day he was struck by shrapnel in the back.

It was in Germany that he received a battlefield commission as a lieutenant. Awards given him included the Silver Star for gallantry in action, the Bronze Star, and of course the Purple Heart.

Lt. Boydston, when interviewed by a representative of the News, was too modest to attach any importance to his promotions and the awards given him and claimed no more credit than any other soldier. It took a rigid cross examination to bring out the facts we did get.

After the German surrender, he remained at the Army station near Belzen until sent back to the coast for embarkation, and he arrived back in New York on September 22. He was expecting to receive his discharge today, Friday.

PHEBE K. WARNER CLUB HEARS BOOK REVIEW

Sponsored by the Phebe K. Warner Club of Tahoka, Mrs. H. F. Godeke, a renowned speaker of Lubbock reviewed the book, "Doctor Prescribes Music," by Edward Podolski, in the Methodist Church here Tuesday afternoon, October 9th.

Mrs. Godeke is a prominent state club worker, serving now as member of the National Board of Parent and Teacher Associations, and is District Parliamentarian for this District. She is a past President of the Seventh District Texas Federation of Women's Clubs.

Miss Charlene Bucy played both classical and popular piano selections preceding and following the book review.

Mmes. Truett Smith and Fred B. Hegi presided over a lace covered refreshment table laid with beautiful silver and decorated with flowers and candles. Hot tea and coffee were served with individual decorated cakes, nuts and mints.

The profusion of Dahlias and roses used throughout the auditorium and dining suite gave a cheerful atmosphere on a rainy day, and blended with some of the high points in Mrs. Godeke's talk on the influence of music and color in one's life.

Mrs. Godeke discussed how some colors used in the decoration and even the lighting, of our houses tend to intensify some nervous or mental disorders.

Everyone should learn to sing or to play some instrument, if only a harmonica or a comb, because of its power to relieve fatigue, allay fever, quiet disturbed nerves, drive away pain and improve other conditions in the human body.

Mrs. Godeke gave us much information as well as entertainment

GET READY FOR WINTER

Better go over your house from roof to basement—and take stock of what has to be done to make it able to face the rigors of cold and wet weather without discomfort to your family—and without deterioration of your structure. Now is the time to see about leaky roof repair, weather stripping, insulation, and fitting of storm windows and doors. Don't delay this important planning for the welfare of your family and the protection of your property. You will be surprised at the difference it will make in your gas bill this winter too.

Of course, you will not overlook making sure your gas heating equipment is in proper working condition. Clean dust and lint from gas heaters, floor furnaces, etc. If repairs are needed, make them at once. Get your equipment in working order so you will be ready for winter when it comes.

Now 4 POINTS FOR USED FATS
Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats
Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So...
If you want more soap and soap flakes... if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters... you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!
These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats... to help get to you more quickly the peacetime products you've been longing to have for years!
So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

R. C. Scott . . .

(Cont'd from page 1)
the Air force in England and France, has been here on furlough about two weeks. Still another one, Sgt. W. L. Moody in the Quartermaster Air Force was in all five of the invasions in the ETO, North Africa, Sicily, Italy, France, and Germany, and he was returned to the States on rotation in July.

All the children and many other relatives were present for the funeral.

Robert C. Scott was born in Waynesboro, Tennessee, and grew to manhood in that state. He was married to Miss Alice Lay at Waynesboro on October 7, 1900. He and family moved to Texas years ago and to Lynn county in 1927, coming here from Stephenville.

He had been a member of the Baptist Church for many years and was highly esteemed by all who knew him.

He had been confined to his bed most of the time for the past year by serious illness but he bore his afflictions with great fortitude.

S. H. Woods Dies

(Cont'd from first page)
county, as was also his wife, Miss Mary Hilliard, to whom he was married on July 18, 1915, at Rogers in that county. The couple immediately moved to Hereford, where Mr. Woods had already worked on a ranch, and they removed from Hereford to Lynn county in 1920. He resided at New Home for several years and also a short time south of Draw. Since then they have lived near Tahoka.

Mr. Woods united with the Presbyterian Church in early life but had never transferred his membership to Tahoka. He was generous-hearted, loyal to his friends, devoted to his family, and a man of strict integrity. He will be missed by many friends throughout Lynn county.

Capt. Joe L. Cromer Receives Discharge

Mr. and Mrs. N. H. Cromer received a call Sunday from their son, Captain Joe L. Cromer, of Richardson, Texas, stating that he had received his discharge from service and that he and his wife would be out here this week end for a visit.

He has been in the service since July, 1940. He served eight months in England as first pilot on a B-17, making 30 missions over Germany and German occupied territory. He has the Air Medal with four Oak Leaf Clusters, the American Theater of War ribbon, the European Theatre of War ribbon with three Bronze stars, the American Service Ribbon, and the Presidential Unit Citation.

SGT. BUTLER DISCHARGED

Sgt. Jim Butler arrived home last week end with a discharge from the Army.

Sgt. Butler, a brother of Mrs. Roy Edwards, has been in the Army four and a half years, 18 months of which he sent in Alaska and the Aleutians.

CARD OF THANKS

We wish to thank our friends for all their acts of love and kindness shown us during our time of sadness. Your thoughtfulness cannot be measured in any degree, but we want you to know that your presence, the kind words and beautiful flowers have helped us to bear the grief that is ours—Mr. and Mrs. T. L. Weaver, Randle Hill and Billy Fred, Mr. and Mrs. W. O. Hill, Mr. and Mrs. P. E. Weaver.

Former Wilson Man Home From Pacific

Mr. and Mrs. E. S. Pendleton, who lived near Wilson for 21 years, have informed The News that their son, Cpl. I. E. Pendleton, received his discharge from the Army on Sept. 30 at Fort Bliss and has returned home.

He had served overseas for 28 months with the Air Corps Engineers in Australia, New Guinea, and the Philippines, his last station being on Leyte, where he assisted in the construction of air strips.

"He returned to the United States," they say, "on the U. S. S. Lurline with about 3,000 soldiers and sailors. The voyage required 27 days. The ship stopped at Australia and took aboard 650 wives and their babies who will join their husbands and fathers in America."

"When 22-year-old Pendleton sat down to his first meal at the farm home of his parents he had fresh milk for the first time in 27 months. Other Roosevelt county products were enjoyed at that mother-prepared meal.

"Pendleton plans to continue his college work, which was interrupted by his entrance into the service." The Pendletons recently moved to Dora, N. M.

Leland Mitchell Is Liberating Prisoners

Mrs. L. O. Mitchell, who now resides at Arlington, wrote the News last week enclosing a letter from her son Leland, who is in the Navy and seems to be engaged at the task of gathering up liberated prisoners of war and transporting them to concentration points for embarkation home. He wrote from Manila, his letter being dated September 10.

After enumerating the places he had been since leaving San Diego, which including Pearl Harbor, Ulithi in the Carolines, Okinawa, Leyte, Samar, in the Philippines; Bali Kipan, Borneo, and up and down the Makassar Straits between Celebes and Borneo; back to Leyte, Samar; Guam; Leyte, Samar; Formosa, Manila, Bataan, Subic Bay; he says "You have probably heard about Formosa by now. Well, we were there. Some night, the P. W.'s I talked to one fellow who survived the death march on Bataan — was certainly rugged."

"I'm sending a Japanese yen in this letter. It was given to me by an English Gent who was he'd prisoner on Formosa for 3 1/2 years."

The Mitchells lived in Tahoka for many years, moving away about two years ago. Leland entered the Marines from Tahoka on May 10, 1943.

Mrs. Beula Davis Atkins, who underwent a serious operation in Brownfield three weeks ago, is recovering satisfactorily in the home of her sister, Mrs. E. B. Gaither.

Mrs. W. W. Hagood, who was a patient in Tahoka Clinic for a few days suffering from sinus trouble, is now reported to be doing nicely.

WHY BE FAT?
Get slimmer without exercise
You may lose pounds and have a more slender, graceful figure. No exercise. No dieting. No drugs. With this AYDS plan you don't cut out any meals, starches, potatoes, meats or butter, you simply cut them down. It's easier when you enjoy delicious (vitamin fortified) AYDS before meals. Absolutely harmless.
In clinical tests conducted by medical doctors, more than 100 persons lost 14 to 15 lbs. average in a few weeks with AYDS Vitamin Candy Reducing Plan.
Try a 30-day supply of AYDS, only \$2.25. Money back on the very first box if you don't get results. Phone

Rev. A. C. Hardin Sells Home Here

Rev. A. C. Hardin last week sold his home here through the agency of A. M. Cade to C. A. Clem of the Grassland community for a consideration of \$3,500. His family expects to move on next Monday to Sundown, where Brother Hardin has accepted the pastorate of the Baptist Church.

Rev. Hardin began his work there as pastor last Sunday morning and on Sunday night the church voted to build a six room parsonage, work to begin immediately. The church has recently built ten Sunday School rooms, Bro. Hardin says, and is already planning to enlarge the auditorium soon. He expressed himself as highly pleased with the reception he has been given there and he thinks the opportunities for service are wonderful.

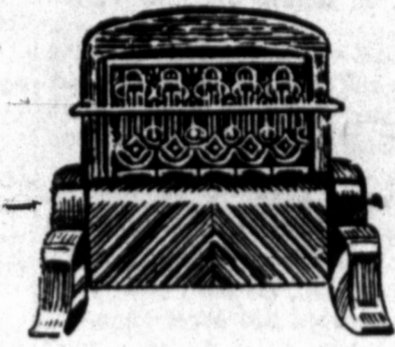

Incidentally, he remarked that some big concern is planning to build a six-million dollar plant there to pump surplus gas from the oil wells back down into the ground and cap it up, thereby increasing pressure on the underground oil supply so as to increase its flow.

Two Tahoka Boys Honored At W. T.

Canyon, Oct. 11.—H. L. McMillan and Nolan Jones, Freshmen from Tahoka at West Texas State here, have been elected to offices at the dormitory, Terrell Hall.

McMillan is secretary and reporter of Terrell Hall, and Jones is chairman of the athletic committee.
