

Border-Allsup Vows Pledged In Home Of Groom Friday Afternoon

In a simple ceremony in the home of the groom's parents, Miss Sandra Jean Allsup became the bride of Luther Glenn Border last Friday at 2 p.m. The Rev. Jack Darrow of Hobbs, N. M., officiated the double-ring ceremony.

Parents of the new Mrs. Border are Mr. and Mrs. Wayne Kindred. The bridegroom's parents are Mr. and Mrs. Spencer Beaver.

Given in marriage by Wayne Kindred, the bride wore a blue Chantilly lace over taffeta gown. It was fashioned with a scalloped neckline and short cap sleeves. Her shoes were royal blue. A blue bandeau secured a short veil of blue tulle. She carried gardenias and white feathered carnations on a white Bible which belongs to Mrs. C. E. Layne, grandmother of the bridegroom.

Something old in the bride's ensemble was a handkerchief belonging to Mrs. C. E. Layne, something new were the pearls, a gift of the bridegroom, which she wore, something borrowed

was the Bible she carried and something blue was her dress.

Miss Jane Bryant attended as maid of honor. She wore a pink princess style dress of cotton and silk with woven white stripes. It featured a high neck with a small white collar. She carried white feathered carnations.

Charles Sullivan served as best man.

Mrs. Kindred wore a tan sheath with black accessories and green feathered carnations for her daughter's wedding. Mrs. Beavers chose a grey sheath with black accessories and pink feathered carnations.

Miss Bryant and Miss Donna Fowler served blue punch and the blue and white wedding cake to about 30 guests at the reception which followed in the home of the bride, Elaine Blaylock registered the guests.

For the trip to their home in Manhattan Beach, Calif., Mrs. Border chose a blue linen sheath with black accessories. The couple plan to stop at Grand Canyon on the trip to California.

Border is employed by the Border Supermarkets in Manhattan Beach and is a 1958 graduate of Muleshoe high school. His bride also attended Muleshoe schools.

Out-of-town guests at the wedding were: Mrs. G. F. Cooper, grandmother of the bride of Morton; Mrs. S. V. Willis, Mrs. Chester Miller, Mrs. G. O. Cooper and her daughter, Sue, all aunts of the bride of Morton; and Mr. and Mrs. Roy Allsup of Morton. Also present was Mrs. Jane Beavers, grandmother of the bridegroom, from Earth.

Brady Couple Plan August 30 Wedding

Miss Micky Jo Mills

Mrs. J. E. Mills announces the engagement and approaching marriage of her daughter, Micky Jo, to Billy Boswell, son of Mrs. Knox Trammell and Manuel Boswell. Vows will be read in the First Baptist Church of Brady, Texas on Saturday, August 30.

The couple plan to attend Oklahoma State University at Stillwater, Okla., after their marriage. Boswell has attended North Texas State College for

Wedding vows for Mr. and Mrs. Russell Dan Smith were solemnized on August 10 in the First Baptist Church with Rev. E. K. Shepherd officiating. The couple are now at home on their farm near Lazbuddie. Mrs. Smith is the former Miss Rosemary Hicks.

three years, majoring in mechanical engineering and was a member of Sigma Phi Epsilon fraternity. Miss Mills is a May graduate of Brady high school.

Miss Mills is the granddaughter and niece of Mrs. Anna Schroeder and Miss Esther Schroeder of Muleshoe.

CARD OF THANKS
Please accept our heartfelt thanks to each and everyone for the kindness shown during the illness and death of our loved one.

May God bless each one of you with His richest blessing.
The Family of Lloyd Allsup, Itc.

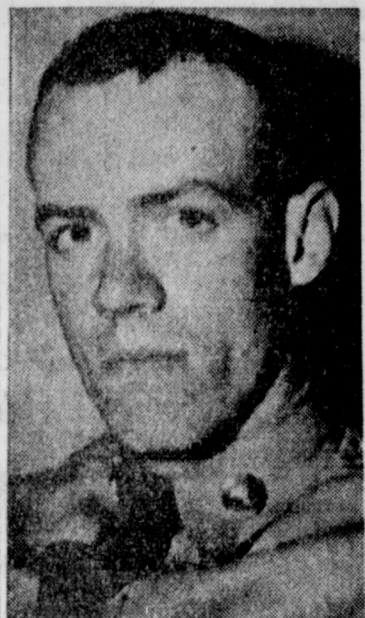

Progress MYF'ers Spend Weekend On Alamogordo Lake

The Progress M. Y. F. and their sponsors spent the weekend at Alamogordo Lake. The group swam, went boating, skiing and sang around their camp fires. The youth held Sunday morning services for the group.

Sponsors on the trip were Mr. and Mrs. John Thomson, Mr. and Mrs. Arthur Cooper, Mr. and Mrs. Byron Gwyn, Mr. and Mrs. Gordon Murrah, and Mrs. Georgia Pena.

The youths were Linda, Sandra, Francis and Doris Cooper, Pat, Wink, Kay and Jim Thomson, Judy, Myke, Gary and Toni Murrah, Mary Gross, Trudy Davis, and Ben Roming.

The group returned home Sunday night slightly sunburned.

Sgt. Robert M. Jones, whose wife, Mary, lives in Farwell, recently was graduated from the Seventh Army Non-Commissioned Officer Academy in Munich, Germany.

Sergeant Jones, son of Mr. and Mrs. George Jones, 607 W. Third

St. Lexington, Ky., is regularly assigned as supply sergeant in the 19th Medical Detachment, Vaihingen, Germany. The 20 year old soldier entered the Army in September 1955, completed basic training at Fort Leonard Wood, Mo., and arrived overseas in October 1956. He is a graduate of Henry Clay high school.

Noxious Weeds Must Be Off Soil Bank Land

Noxious weeds must be controlled on soil bank land if payments are to be made, the Bailey County ASC committee announced this week.

Noxious weeds must be controlled by shredding not later than September 1 if payment is to be made under the contract or agreement in 1958.

Noxious weeds on conservation reserved land are cocklebur, indigo, sunflower, and tumble weeds.

Noxious weeds on acreage reserve land are bindweed, nut grass, Russian knapweed, Johnson grass, wild garlic and onion grass, dodder, Canada thistle, indigo, Japanese bur, morning glory, and tumbleweed.

Whoever therefore shall confess Me before men, him will I confess also before My Father which is in Heaven.—(St. Matthew 10, 32.)

The man who lives according to the principles laid down in the Bible and who practices them daily — in kindness, charity and love — confesses Jesus in every word and deed and in the warm smile on his face. Great is his reward on earth, as it will be in Heaven.

PRAYER

Merciful Father, we acknowledge and confess our shortcomings to Thee. Believing in

Thy promises, we cast our burdens upon Thee, knowing that Thou wilt forgive our sins and change our lives, through Jesus Christ, Thy Son and our Saviour. Amen.

THE OLD TIMER!

"The man who toots his own horn soon has everybody dodging when he approaches!"

Rains May Speed Area Grain Crop

Half an inch of rain locally earlier this week, added to rains which began falling in Muleshoe about 9 a.m. today, brightened somewhat, the outlook for fall crops.

Although many areas of the south county are in need of rain, the general consensus of opinion is that crops in that area will still be worthwhile.

Most observers feel that a general rain at this point would put the grain harvest into operation in about two or three weeks.

A TRIBUTE TO OUR RAILROAD MEN

The fine men you see sitting up in locomotives' cabs, heaving coal, setting switches and punching tickets are not ordinary workers. They're transportation specialists, chosen to perform highly-important jobs. Old Joe, who's been pullin' those heavy freights for 40 years. Happy Bill who's been on his run since this town started. Faithful Fred who's been brak'in' just Lord knows when. These are family men, good citizens, excellent providers. Casey Jones has been immortalized in song and story because he and all railroad men typify the ever-rollin' ramblin' caboose-an-cab-lovin' personalities so important in our lives. All aboard.

FOR RUGGED JOBS
ALCOA
STANDARD IRRIGATION PIPE

Alcoa Standard is the pipe you need if your watering problems subject your irrigation equipment to unusual strains. Alcoa Standard's built-in dent resistance, full-thickness walls and ability to take high pumping pressures enable it to stand up under even the most rugged treatment.

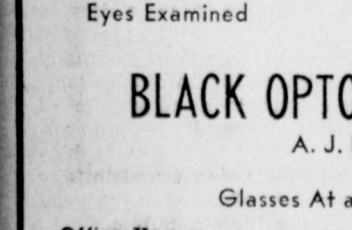

Wheel moves put extreme stress on aluminum pipe. Alcoa Standard will deliver full service under properly designed wheel moves.

Itinerant labor seldom handles pipe carefully. Alcoa Standard's extra dent resistance pays off when your pipe is treated roughly.

Long-haul pumping subjects pipe to high pressures. Alcoa Standard can take even the most severe ones.

Check with us for a complete line of quality irrigation equipment backed by quality engineering.

Dist. Governor Of Rotary Visits Muleshoe Club

Burnett B. Roberts

Burnett B. Roberts, Levelland, governor of District 573, Rotary International, paid his official visit to the Rotary Club of Muleshoe Monday and Tuesday.

Governor Roberts attended a club assembly, held in the home of Dr. and Mrs. W. F. Birdsong Monday evening. Officers, directors, and committee chairmen attended, some being accompanied by their Rotary Anns. After the meeting had ended the Birdsongs served watermelon to all. Previous to the assembly, the Governor had conferred with the club president, Arvel White, and secretary, Robert Alford.

club president, Arvel White, and secretary, Robert Alford. In his address at the regular meeting of the club Tuesday, the Governor reviewed past and present activities of the club in Club Service, Vocational Service, Community Service, and International Service.

And he went over written reports of planned activities presented by the various club chairmen. Governor Roberts will visit each of the clubs of the district as time goes on.

Guests Tuesday included Rotarians Homer Aldrich, Lubbock; and J. D. Hagler, Littlefield club.

Thirty Teams In Pro-Am Tourney At Muleshoe CC

Thirty area golf pros and 90 amateur golfers participated in the pro-am tournament held at Muleshoe Country Club, Wednesday, with Ray Hardy host pro for the tourney.

Horace Moore, Hardy Loudermilk and J. T. Hammett were in the added money for pros, with low scores.

Low foursome was headed by pro John Ehridge, and amateurs Joe Butler, Ben Foster and James Ridings, with a team score of 55. Horace Moore, Lloyd Glenn, Glenn Render and Jim Bob Cruce were second team, followed by Joe Houck, Herb Griffiths, Chief Jones and Mrs. Houck. Low score amateurs were Jim Hundley and Jimmy Johnson.

Season Tickets On Sale For 5 Football Games

Season tickets for the five Mules home games went on sale this week at Western Drug. Season tickets sell for \$7.50 this year as compared to \$6 last year. However, the Mules only played four home games last year, and will have five games this year in Benny Douglass stadium.

A seating chart of the east stands is on display at the ticket counter, so patrons may pick their location and be assured a choice seats for all home games.

Athletic Booster Club Will Feed Players This Fall

The Muleshoe Athletic Booster club met Wednesday evening at Leigons and club president Morris Childers announced plans to provide food for football players after games of the Muleshoe team this season.

The club conducted a fund drive for this project and took in \$843, Childers reported.

The club also reports plans to erect an electric scoreboard in Benny Douglass field, and is asking for donations toward that project.

Club memberships at \$5 per family are now being sold by members. Anyone desiring membership, or to contribute to the electric scoreboard fund should mail their money to Jimmy Crawford, secretary for the club, in care of Paymaster Gin, Muleshoe.

Bula Church To Hold Revival

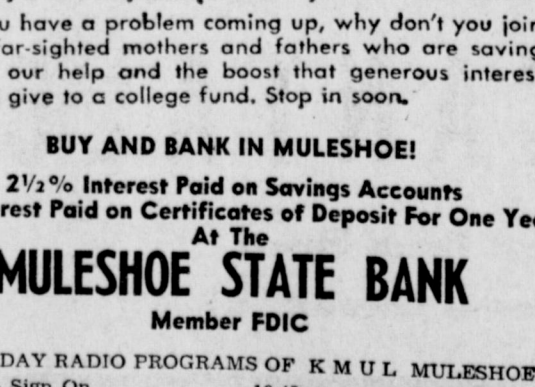

Elders of the Bula Church of Christ, have announced that a gospel meeting will begin at the church Sunday morning, August 24, and will continue through Sunday night, August 31.

R. A. Hartsell, visiting evangelist from Springhill, La., will preach. He has held services here on previous occasions, and those who have heard him before will surely want to be present for his series of sermons during this meeting, the elders stated.

Services will be held twice daily at 10 a.m., and 8 p.m.

Miss Nan Johnson Reports To Lodge

Miss Nan Johnson, daughter of Mr. and Mrs. Baker Johnson of the Three Way community, gave a report of her tour of the United Nations building to the Muleshoe Rebekah Lodge Tuesday night.

Miss Johnson, who made the tour this summer, also showed color pictures of some of the more beautiful and interesting places. Her talk was enlightening as well as interesting.

Cookies and cold drinks were served after the talk to about 30 members and guests.

The Rebekahs held a short business meeting prior to the talk.

Safe 'n Sound

by Lee Pool

You can't board the train after it has left the station, neither can you get insurance on your home after it has burned down. Before it is too late, check up on

the amount of insurance you carry on your property. Most all of us are busy getting more that we don't take time to project what we already have. It only takes a few minutes to reduce your home to ashes. We cannot replace the sentimental value, but proper insurance can replace the financial loss. Now, before it is too late is the time to make sure your home and household possessions are fully covered. Just call—

Carter Taylor, Miss Barbara Head Exchange Rings In Dallas August 2

MRS. CARTER HUDSON TAYLOR
Photo by Neiman-Marcus Studio

Wedding vows for Miss Barbara Dell Head and Carter Hudson Taylor were solemnized on Saturday, August 2 at the Lovers Lane Methodist Church in Dallas at 8 p.m. The Rev. Tom Ship officiated the double-ring ceremony.

Parents of the bride are Mr. and Mrs. Charles E. Head of La-

Junta, Colo., and the bridegroom's parents are Mr. and Mrs. J. Lud Taylor of Muleshoe.

White tapers in white pedestal candelabra lighted the altar decorations of greenery and pink chrysanthemums and carnations. Bouquets of pink carnations and satin streamers marked the aisles. The candles were lighted preceding the service by Donald Smith and Jerry Barnett of Dallas.

Robert Evans played "Be Thou But Near", "Through The Years" and "Because" on the organ before the ceremony and accompanied Miss Glenda North as she sang "O Promise Me", "These Lovely Things" and "The Lord's Prayer".

The former Miss Head was given in marriage by her brother, Charles Head of Alice. Her bridal gown of magnolia white silk organza had a wide decollete neckline, outlined by appliques of aleon lace and brief sleeves, complemented by short white lace gloves. The bodice was highlighted by folds of crushed organza forming a butterfly bow in back. The bouffant silk organza skirt terminated into a court length train.

Her veil of imported French silk illusion extended in misty tiers from a crown of aleon lace encrusted with seed pearls and iridescent paillettes. She carried a white cattleya orchid surrounded by stephanotis and imported maline. Satin ribbon formed a cascade design.

For something old she wore a gold ring, something blue, a garter. For something new, a strand of cultured pearls, a gift from the groom.

Attending the bride was Mrs. Mrs. Ben Gee, matron of honor, Miss Emily Hopper, bridesmaid and Susan Cobb, of Abilene, niece of the groom, junior bridesmaid.

Terri Lewis, a niece of the bride, of LaJunta, Colo., was flower girl.

They wore identical waltz length dresses of frosted pink chiffon taffeta and lace, fashioned with a bateau neckline and crushed cummerbunds forming a butterfly bow in back. Their hats were pink lace ruffles and they

carried pink roses and carnations.

Norman Campbell of Dallas served as best man; Cleve Cobb, of Abilene, brother-in-law of the groom was groomsman and David Cobb was junior groomsman. Ushers were Paul Gregory, Don Smith, and Jerry Barnett.

For her daughter's wedding, Mrs. Head chose a mauve lace dress and cinnamon brown accessories. The bridegroom's mother, Mrs. Taylor wore a hyacinth blue lace dress and blue accessories. Their corsages were pink rosebuds.

Following the ceremony a reception was held in the Melrose hotel. The bride's table was covered with pink lace over a pink affeta floor length cloth. The four-branched candelabra on

each end of the table held white baroque tapers and an arrangement of pink carnations and white stock with imported maline. It was centered with a three tiered cake topped with a bride and groom.

The groom's table was laid with pink linen. Mrs. Roger Lewis, sister of the bride of LaJunta, and Mrs. Cleve Cobb, sister of the groom of Abilene, served the cake. Others in the house-party were Mrs. Bill Montgomery, of Greenville, Texas; Mrs. Chas. Head, Jr., of Alice; Miss Doris Gaunt, Miss Beverly Frantz and Miss Glenda North, all of Dallas.

The newlyweds left by plane for a wedding trip to Cuba and Nassau. For travel, the bride selected a polished cotton suit in tones of lavender and blue in a

small floral print. She added black accessories and white hat and gloves. Her corsage was a single white orchid.

Mrs. Taylor is a graduate of LaJunta high school, where she was senior class queen and attendant for homecoming queen. She attended Otero Junior College and at present is a reservationist for Braniff Airlines.

The bridegroom is a graduate of New Mexico Military Institute high school and junior college division and Southern Methodist University, where he was a member of Phi Delta Theta fraternity. He is an accountant for Dresser Industries. They will live at 4418 Cole in Dallas.

Former Resident Honored Sunday By Billye Jones

Mrs. Owens Dunnahoo and her daughters, Lisa, Cinda and Kathy, of Whittier, Calif., were guests of honor at a coffee Sunday in the home of Miss Billye Jones. Mrs. Dunnahoo is the former Bonnie Brooks of Muleshoe and Lubbock.

Present at the courtesy were Mrs. Myron Pool, II, and her daughters, Lisa, Cindy, and Glaze and her daughters, Sandra and Harriette; Mrs. Mack Ragsdale and daughters, Lisa, Rhonda and Patti; Mrs. Bob Hrayve, Mrs. J. P. Winn, Mrs. Carroll Goss, Jr., and daughters, Su-

zanne, Debra and Melanie; Mr. Bill St. Clair, Mrs. C. V. Riley, Mrs. R. L. Jones, Billye Jones, the hostess, and Mrs. Dunnahoo and her daughters.

Miss Jackson, Mr. Parker To Marry

Mr. and Mrs. M. L. Jackson are announcing the engagement and approaching marriage of their daughter, Nadine, to Willard Parker, the son of Mr. W. W. Parker.

The Rev. E. K. Shepherd will officiate the ceremony in the bride's home on August 23. The couple plan to make their home in Muleshoe after the ceremony.

Velta Gillis Becomes Bride of Macky Hord In Candlelight Ceremony On August 14

Mr. and Mrs. Walter McMurry Hord

Before an altar of light and dark pink carnations flanked by pink tapers and greenery in candelabra, Miss Velta Anne Gillis became the bride of Walter McMurry Hord, Jr., on Friday, August 15 in the First Methodist Church. The Rev. Edwin L. Hall, pastor, officiated the double ring ceremony.

Pink candles and greenery decorated each window and lined the communion rail of the church. Candles, pink carnations and greenery lined the center aisle, also.

Parents of the couple are Mr. and Mrs. C. H. Gillis of Muleshoe and Mr. and Mrs. W. M. Hord, Sr. of Brownfield.

Dale V. Travis of Brownfield sang "He" and "Because", accompanied by Miss Gay Douglas at the organ. At the close of the ceremony he sang "The Lord's Prayer".

Escorted to the altar by her father, the bride wore a bridal gown of white organza made by her mother. The gown was fashioned with a sweetheart neckline and wide ruffles covering the bouffant skirt. Her fingertip illusion veil was secured to a Queen Anne's cap of white with sequins and pearls covering it.

The former Miss Gillis carried a white orchid surrounded by white stephanotis and white satin streamers. A strand of pearls, a gift from the bridegroom, completed her attire.

Mrs. Bobby Browning, a cousin of the bride of Roby, Texas, attended as matron of honor. She wore a pale pink dress of polished cotton, designed with a full skirt, fitted bodice and a wide rose sash tied in the back. She carried dark pink carnations on a white lace fan.

Other attendants were Mrs. Robert Allen of Muleshoe, Miss Elizabeth Farley of Muleshoe, Miss Linda Gillis, sister of the bride of Muleshoe, and Miss Janette Kemp of Roby, a cousin of the bride.

They were dressed identically to the matron of honor. Miss Sylvia Pool and Miss Jean Ann Darden, a cousin of the bridegroom of Lubbock, lighted the candles. They wore dresses identical to the other attendants.

Bob Haley of Lubbock served as best man. Groomsmen were Bob Latham and Richard Blackmore of Lubbock and Bob Boswell and Graham Swain of Brownfield.

Blackmore and Swain also served as ushers.

For her daughter's wedding, Mrs. Gillis chose a steel blue dress which featured a square neckline with tucked detail around it. A white hat and white carnations completed her attire.

Mrs. Hord chose an ice blue dress with a draped effect. She wore white carnations and a blue feather hat.

Guests were served pink punch and wedding cake from a table laid in pink with crystal appointments at the reception which followed immediately in the fellowship hall of the church.

Members of the wedding party and the parents of the bride and groom received the guests.

When the couple left on their wedding trip to Red River, N. M., the new Mrs. Hord was wearing a blue and green printed silk sheath. Black accessories completed her ensemble.

On their return, Mr. and Mrs. Hord will have a home of their own in Lubbock, where Hord is employed by the Lubbock Wholesale Florists.

Hord is a graduate of Brownfield high school. He attended Texas Western University in El Paso and Texas Tech in Lubbock. His bride is a 1956 graduate of Muleshoe high school. She also attended floral school in Houston.

Out-of-town guests for the wedding were: Mr. and Mrs. Gilbert Nunn of Midland; Mr. and Mrs. Arthur Nunn, Odessa; Ethie Gillis, Roswell, N. M.; Ella Gillis, Roswell, N. M.; Mrs. Jack F. Ker, Roby, and Charlotte; Mrs. R. P. Kemp and Judy, Roby; Mrs. Darrell Spence, Smyer; Mr. and Mrs. O. L. Darden and sons, Lubbock; Mrs. W. H. Daniel, Roswell, N. M.; Mrs. R. L. Murff, Roswell, N. M.; Nancy and Sara Lou Murff, Roswell, N. M.; Jeanette Daniel, Roswell, N. M.; Mr. and Mrs. Carl Tadlock, Mr. and Mrs. Lem Chesher, Mr. and Mrs. H. D. Boston, all of Brownfield; Mr. and Mrs. Ed Haley, Lubbock; Mr. and Mrs. A. L. Lane, Lubbock; Mrs. Ola Jones, Sudan; Mr. and Mrs. O. L. Stice, Brownfield; Mr. and Mrs. Joe Shelton, Owenfield, and Mr. and Mrs. O. Ray of Lubbock.

Chesshir - Johnson Vows Solemnized Friday In Bula Methodist Church

MRS. DONALD CHESSHIR

LITTLEFIELD — Miss Juanita Sue Johnson and Donald Rhea Chesshir were united in marriage Friday night at 7 in the Bula Methodist Church.

The Rev. L. W. Baker, pastor, performed the double-ring ceremony before a background of greenery with baskets of white gladioli placed at vantage points and flanked by candelabras holding lighted tapers.

The bride's parents are Mr. and Mrs. D. T. Johnson of Bula. Parents of the groom are Mr. and Mrs. O. D. Chesshir of Morton.

Lennell Claunch, organist, played traditional wedding marches, and accompanied The Bowman Brothers as they sang "The Wedding Prayer", and Mrs. D. J. Cox and Mrs. Leo Wallace as they sang "Whither Thou Goest."

The bride was given in marriage by her father. She wore a French lace over taffeta wedding gown. Designed with a scalloped neckline, touched with sequins and seed pearls, long tapering sleeves, an elongated bodice and a waltz length skirt. Her veil of French illusion was fingertip length and attached to a small crown of French lace outlined in seed pearls. She carried a bouquet of pink and white gladioli atop a white Bible.

Miss Sandra Spence of Morton, attended the bride as maid of honor. She wore a gown of white crystalline designed with a V-back, lattice front neckline and bell-shaped skirt. She carried a white lace heart topped with pink gladioli and white satin streamers.

Bridesmaids were Ruby Cash of

Morton, sister of the bride; Sandra Angel, Enoch; Kathy Archer, Bula; Kathy Phillips, Morton; Sammie Reynolds, Bula; Shirley Cox, Sudan and Judy Young, Bula.

Olan Finley of Lubbock served the groom as best man. Ushers were Truman Harris, Lubbock; Lee Benham, Morton; Ronald Lindsey, Morton and Tonya

Stringer, Alpine. Candelighters were Barbara Filippo, Kress and Ernest, Gene Chesshir, Morton. Jolene Cox was flower girl. She wore a white crystalline dress.

Mrs. Johnson chose a grey lace over pink taffeta dress with pink accessories and a pink gladioli corsage for her daughters wedding. The groom's mother wore a grey and white print crystalline dress with white accessories and a white carnation corsage.

A reception was held in the Fellowship Hall of the Methodist Church immediately following the ceremony.

The serving table was covered with a pink linen mask cloth. A five-tiered wedding cake centered the table. The cake, made by the groom's mother, was decorated with pink wedding bells. Silver and crystal completed the table appointments.

For a wedding trip to Ruidoso, N. M., the bride wore a blue tweed suit with white accessories.

Out-of-town guests attending the wedding and reception were Mrs. J. W. Filippo of Kress; Mr. and Mrs. R. R. Lancaster, Tulla; Mrs. J. C. Sudduth, Roswell, N. M.; Mrs. Oby Harris, Lubbock; and Mr. and Mrs. Doc Shaver, Amherst.

The bride attended Bula high

Miss Jenkins Is Honoree of Shower

Miss Sandra Jenkins, bride-elect of Glenn Border, was the honoree at a bridal shower in the home of Mrs. Howard Cox on Tuesday, August 12.

Miss Elaine Blaylock registered approximately 50 guests at school. The groom is a 1957 graduate of Morton high school and attended Lubbock Christian College one year.

The couple will make their home in Lockney, where the groom is employed by Knox Grocery.

the door. Miss Jane Bryant and Donna Fowler served coffee and apricot bread from a table laid with silver appointments and centerpieces with an arrangement of Shasta daisies.

Other hostesses were Mrs. John Dempster, Mrs. Pat Bullock, Mrs. W. A. Hall, Mrs. E. E. Dyer, Mrs. Kenneth Ellis, Mrs. J. N. Brink, Mrs. B. F. Chapman, Jr.

Also Mrs. F. L. Shelby, Mrs. W. T. Bovell, Mrs. Gil Lamb, Mrs. Jack Beddingfield, Mrs. Roy Dyer, Mrs. Horace Blackburn, and Mrs. W. B. McAdams.

Miss Janis Jones Is Shower Honoree

Miss Janis Jones, daughter of Mr. and Mrs. W. H. Jones, was the honoree at a bridal shower in the home of Mrs. Price Hamilton last Thursday.

Individual white cakes, decorated with pink and white wedding bells and pink punch were served to approximately sixty guests from a table covered with white organza and linen cloth over a pink underlining. Pink dahlias and pink and white peonias flanked by white candles centered the table.

Hostesses for the shower were Mrs. Chester Elmore, W. R. Morris, E. E. Watkins, J. H. Angerley, Claude Knight, G. Kellar, Ed O'Hair, W. C. Stout, Frank Roberson, Eldon Davis, Truman Lowe, Marcus Messer, Doug Parrish, John Laing and Robert Riley.

Also assisting with the hostesses were Miss Jo Ann Elmore, Nelda Roach and Mrs. Robert Riley.

They were dressed identically to the matron of honor.

Miss Sylvia Pool and Miss Jean Ann Darden, a cousin of the bridegroom of Lubbock, lighted the candles. They wore dresses identical to the other attendants.

INTERNATIONAL TRUCKS

TIRED TIRES CAN KILL YOU

Paul W. Kearney — National Safety Council — Readers Digest

On a recent 6500 mile trip over all of the nation's major turnpikes, I gathered a pocketful of notes from accident reports. They make sad reading:

"Man on holiday jaunt with two friends... tire blows at upward of 60 m.p.h., throwing car into ditch and killing both friends... all tires pretty shabby."

"Husband and wife on weekend trip... right rear blowout at high speed... car rolled over and over for 474 feet in medial strip... driver dead, his wife critically injured."

"Two Philadelphia socialites, making cross-country tour with two European visitors... on an eastern turnpike car braked, skidded, crashed into oncoming truck... three dead... skid caused by bald rear tire... brand new spare in trunk, unused."

Of the Pennsylvania Turnpike's 56 fatal accidents in 1956, 19 involved tires, taking a toll of 19 lives. And for every fatal mishap there are hundreds of other cases of tire trouble where the car's occupants get off lightly. The fact is, tire failure of one kind or another is getting to be the No. 1 headache on virtually every high speed turnpike in the country.

The term "tire failure" is misleading; more often it's a case of "human failure". Tires themselves have improved vastly over the years. Forty years ago, if you got 2500 miles out of a tire at 20 m.p.h., you were fortunate; today you get 30,000 miles at much higher speeds, with unprecedented security, at a lower per-mile cost. But as tires require less and less attention, we wind up giving them no care at all, simply ignoring them until they collapse.

Consider the tubeless tire with a puncture sealant. Since most of us never examine our tires any more, many drivers unknowingly run for hundreds of miles on a tire with a nail in it, until the fabric is chewed beyond repair. Also, the troopers on a turnpike sometimes flag down a motorist who is running with a front tire halfway down; with power steering, he doesn't notice it.

Under-inflation is another frequent source of trouble. A few weeks ago, I stopped at a service station in Wichita. "Be sure there are 28 pounds of air in the tires," I told the service man.

"Well," he demurred, "they're only supposed to carry 22 pounds, cold, and if you're headed for the turnpike I'd leave them at that because they'll pick up four or five pounds from hard driving."

This idea of keeping the pressure low causes a lot of premature tire failures. Actually, unless a tire is on its last legs anyway, the pressure buildup is nothing to worry about—the heat is. And the softer the tire is, the more the sidewalls flex, the more friction there is, and the more heat. A firm tire will run cooler. Thus, the six pounds additional in my tires would keep them 18 degrees cooler at 50 m.p.h.; at high speeds there would be a differential of as much as 35 degrees—which could be the margin between safe operation and failure.

A. J. Phillips-Janis Jones Pledge Wedding Vows In Lubbock Friday

MRS. ALBERT JAMES PHILLIPS

At 7:30 p.m. in the Flint Avenue Baptist Church in Lubbock, Miss Janis Elizabeth Jones became the bride of Albert James Phillips last Friday night. The Rev. Bruce Giles, pastor of the church, officiated at the double-ring ceremony. Rev. Giles is the former pastor of the Earth Baptist Church.

Parents of the couple are Mr. and Mrs. W. H. Jones of Earth and Mr. and Mrs. O. F. Phillips of Muleshoe.

Mrs. Phillips wore a street length pink embroidered cotton satin dress and carried a white

orchid on a Bible which had a cover of olive wood from the Holy Land. A small pink hat and white shoes completed her en-

Largent-McDaniel Vows To Be Read

Miss Nan Ellen McDaniel

Dr. and Mrs. B. O. McDaniel are announcing the engagement and approaching marriage of their daughter, Nan Ellen, to Kenneth Largent. Vows will be exchanged on October 10 in the First Baptist Church in Muleshoe at 10:00 a.m.

Largent is the son of Mrs. Bertha Largent of Paonia, Colo. Miss McDaniel is presently employed by the American Cancer Society in Abilene. Largent is a geologist for Humble Oil Co., in Abilene.

Miss McDaniel is a graduate of Amherst high school and Texas Women's University. The prospective bridegroom was graduated from Western State College of Colorado in Gunnison.

Mrs. Robert Riley of Springlake attended as matron of honor. She wore a full skirted pink dress with white accessories and carried white carnations.

Bobby Don Green of Earth served as best man.

Mrs. Jones wore a tan silk sheath with brown lizard accessories for her daughter's wedding. She had a corsage of white carnations.

Something old in the brides ensemble was a penny in her shoe, something new was her dress, and for something borrowed and blue, she borrowed a blue garter from her cousin, Mrs. John Bridges.

After a wedding trip to Colorado Springs, the couple will be at home in Muleshoe where

Miss Yaunda Dale And Bill Martin Exchange Rings In Seagraves Wed.

Miss Yaunda Lee Dale, daughter of Mr. and Mrs. R. D. Dale of Oklahoma Lane and William David Martin, the son of Mr. and Mrs. Ernest Martin of Muleshoe, were united in marriage on August 13 in the home of the bride's uncle and aunt, Rev. and Mrs. Gene H. Davis, in Seagraves.

Phillips is employed by the Pioneer Natural Gas Co.

The groom is a 1956 graduate of Springlake high school as is his bride, Mrs. Phillips also attended Baylor University and Eastern New Mexico University.

Rev. Davis officiated the double-ring ceremony.

Mrs. Martin was gowned in a dress of white embroidery over taffeta. For something old and borrowed, she wore borrowed earrings. Something blue was a blue garter and she carried a penny in her shoe.

Her bridal bouquet was small bronze mums on a white Bible.

Miss Freda White was maid of honor. She wore a red sheath and carried white carnations. Cyrus Dale, brother of the bride, served Martin as best man. Martin is stationed at Fort

Gerald Tucker; Peggy Fried Marry In Home Of Bride On August 9

In the home of her parents, Mr. and Mrs. J. N. Fried, on Saturday, August 9, Miss Peggy Joyce Fried became the bride of Gerald Pearson Tucker, son of Mr. and Mrs. T. M. Tucker of Goree, Texas.

The Rev. D. A. Daly officiated

Carson, Colo., in the Army. He is to return Friday, August 22 for eight weeks advanced basic training. The new Mrs. Martin will continue working for Pool Insurance Agency here in Muleshoe until she can join her husband.

the ceremony. Given in marriage by her father, the bride wore a white suit and carried white carnations on a prayerbook.

After a wedding trip to San Antonio, the couple are at home in Muleshoe. Tucker is employed as a mechanic at Layman Bros. Butane in Earth. His bride is bookkeeper for John's Custom Mill.

The new Mrs. Tucker is a 1955 graduate of Muleshoe high school, and Tucker was graduated from Bomarton high school. Out-of-town guests present for

the wedding were Mr. and Mrs. A. A. Conger, Jr., of Plainview, a sister and brother-in-law of the bride; Mr. and Mrs. Ray Tucker, brother and sister-in-law of the groom, of Lubbock; and Mr. and Mrs. C. A. Layman of Earth.

Tables will be set up in all schools so that parents registering children in school August 28 and 29 may join Muleshoe P. C. for the current school year. Membership dues are 50 cents per person per year, and all school patrons are urged to join.

SPEAKS ON RADIO
W. R. Dale, pastor of the Muleshoe Primitive Baptist Church will speak over radio station KMUL at 8 a.m., Thursday, Friday and Saturday.

Social Security Benefit Payments In Bailey County 124,130 Yearly

Old-age, survivors, and disability insurance benefits are being paid in the South Plains at the rate of \$6,520,860 a year, according to John G. Hutton, manager of the Lubbock social security district office.

"This is an increase of about 45% over last year," Hutton said. "Our studies have shown that many of these aged people, widows, and orphans have little or no other resources," he pointed out. "For something like 9%, social security benefits, received as an earned right, are the only cash income."

Hutton also stressed that while the benefits are intended primarily as basis for individual economic security, the payment of social security benefits at the rate of \$124,130 a year in Bailey County helps business generally because most of the money is spent immediately on food, clothing, and other necessities.

"This is especially important in a time of economic recession," he said. "Social security benefits are being paid nationally at a rate of more than 8 billion dollars annually."

Payments to a retired worker average about \$65 per month, Hutton said. The average for a widow with two young children is \$145. The maximum payments for a retired couple is \$162.80 a month, and the maximum for a family is \$200.

"There were several reasons for the increase in benefits over last year," Hutton said. "One was the payment of benefits to people who were brought under the law for the first time in recent years—self-employed farmers, for example. Other reasons for the increase were the reduc-

Wage Findings For Farm Work

Wage findings made by the regional bureau of Employment Security, for farm labor in the Muleshoe area, effective August 1 are as follows:

Prevailing wage for green beans picked and loaded is \$1.75 per hundred; carrots pulled topped and sacked is 15 cents per bushel. Irish potatoes picked up and sacked at six cents per 50 pound sack.

Muleshoe Child In Scottish Rite Hospital, Dallas

Susy Lee, 12 year old daughter of Mr. and Mrs. Wylie Lee of Muleshoe, was admitted on Wednesday, July 30 to the Scottish Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital 34 years ago, in an effort to provide a chance at a normal life for the handicapped child. The hospital, which is supported by public contributions and bequests, has accepted more than 100,000 children for treatment since 1925.

An expert staff, plus exceptional physical facilities and dedication to the welfare of the child, make the Scottish Rite Hospital an outstanding treatment center which serves the entire state.

Brucellosis Plan For Dairy Farms

"Fifty-three per cent of the counties in the United States have almost licked brucellosis, and they've found that it means dollars and cents to them in higher milk and meat production, more calves, better prices and freer movement for the animals they sell. If other counties can do it, so can we," County Agent J. K. Adams said today.

"Livestock owners in Bailey County are losing money every day by not having a strong brucellosis program going," he said.

On January 1, 1958, nine entire states, Puerto Rico, and 489 counties in 28 other states and the Virgin Islands had already been declared Modified-Certified Brucellosis Free. This means that less than one per cent of the cattle and five per cent of the herds in these areas are affected with brucellosis. These Modified Free areas are now working toward the elimination of the last traces of the disease and complete eradication.

Agent Adams stated that bru-

cellosis is one of the most costly cattle diseases in the country. It can cut milk production by as much as 20 percent. Too, fewer calves also mean less profit in both dairy and beef herds. Only by eliminating this disease in livestock will the problem of brucellosis or undulant fever in humans be solved.

Because brucellosis is highly contagious, the best way to fight it is on an organized basis. "You

can't afford brucellosis, and you can't afford for your neighbor to have it in his herd," the county agent said in urging cattle owners to contact him about joining a County Brucellosis Program.

To The People Of MULESHOE AREA

DID YOU KNOW that in the first six months of this year hundreds upon hundreds of farmers all over the country have traded in their "conventional drive" tractors for one or more of our revolutionary Case O Matic Drive models?

DID YOU KNOW that because of farmers' widespread acceptance of Case O Matic Drive, J. I. Case Company sales have increased more this year than those of any other farm equipment manufacturer? (First six months sales are way up — more than 50% over 1957!)

DID YOU KNOW that Case O Matic Drive new-look tractor styling is way out in front and is being copied more and more?

DID YOU KNOW that with the special low introductory price now in effect you can buy a Case O Matic Drive tractor for less money today than at anytime in the foreseeable future?

DID YOU KNOW that a 1960 Case O Matic Drive tractor actually cost less than most so-called current model "conventional drive" tractors of similar plow-pulling capacity?

DID YOU KNOW that Case O Matic Drive senses the load, doubles pull power automatically without shifting or stalling . . . this greater operational efficiency gives more work output every minute, every hour, every day.

DID YOU KNOW that Case O Matic Drive permits you to stop and start without changing gears or using the clutch — just like your 1959-1960 automobile.

DID YOU KNOW that tests under actual field conditions show that a Case O Matic Drive tractor will use less fuel per acre of plowing than most other tractors you can buy? Farmers are proving this every day all over the country on their farms.

DID YOU KNOW that Case O Matic Drive enables most farmers to add another plow bottom, thereby reducing their plowing time by as much as 25% to 33%?

DID YOU KNOW that only Case O Matic Drive gives you all 3: Torque converter drive for heavy loads; direct drive for lighter loads and independent PTO with engine power priority for more efficient baling, chopping, combining.

DID YOU KNOW that Case O Matic Drive brings new efficiency to machinery whether new or old? New efficiency in plowing, disking, planting, cultivating, harvesting . . . a very real increase in operational efficiency to all farm machinery.

DID YOU KNOW that Case O Matic Drive absorbs shock loads, prolongs life of both tractor and implement? That is why all Case O Matic Drive torque converter units carry a double warranty, twice the warranty period on conventional transmissions.

DID YOU KNOW that the clutch in Case O Matic Drive tractors is hydraulically actuated, requires no adjusting? There is no burning, no occasion for excessive wear and tear?

DID YOU KNOW that Case O Matic Drive reduces tire slippage to a measurable minimum, improves traction, adds mile upon mile to tire life? Power is applied smoothly . . . you start out evenly and surely in the field or on the highway.

DID YOU KNOW that Case O Matic Drive can start heavy loads smoothly in road gear by merely pressing the accelerator . . . that you can come to a stop, and start out again without clutching or shifting, even on grades?

DID YOU KNOW that Case O Matic Drive is easier and safer to operate than conventional tractors . . . keeps you fresher at the end of the day because you drive the tractor and control your implements with less effort.

We are willing to stake our reputation on the fact that the statements and the features listed above can be proved or demonstrated to the satisfaction of any prospective customer.

BABSON DISCUSSES BUYING LAND FOR PROFIT NOW

Babson Park, Mass., Aug. 21— Please do not ask me if, after buying land in Florida, California, or elsewhere in the South or Southwest, you can sell it at a profit if you later decide you don't want to build on it or use it.

Such Land Is Good Security
Let me first say that at this time, whatever you buy—land, stocks, bonds, or a small business—you should buy for cash. This, in my humble opinion, is not yet the time to borrow money in order to buy anything for a "quick turn" of profit. However, I may be wrong and I hope I am wrong.

On the other hand, for those people who will be retiring on pensions in the North, I believe it is good protection to own a well-located lot in a warm climate. But be sure to buy this as you would buy life insurance—for protection, not for profit. And make sure you see the land before you buy it.

Supply and Demand
The usual method for bringing about an increase in demand for "profit" is because we have no goods is to lower prices. Accordingly, the usual method for bringing about an increase in demand for goods is to lower prices. Accordingly, the usual method for bringing about an increase in demand for goods is to lower prices.

Prices and Wages
The usual method for bringing about an increase in demand for goods is to lower prices. Accordingly, the usual method for bringing about an increase in demand for goods is to lower prices.

SANDHILLS PHILOSOPHER CLAIMS He Farms Like World Statesmen Prepare For A Summit Meeting

Editor's note: The Sandhills Philosopher on his Johnson grass farm apparently is making excuses for the way he farms, his letter this week indicates.

Dear editor:
Every once in a while somebody asks me why I don't do a better job of farming.

How come you've got more weeds in your crops, they'll ask me. How come you're always late in breaking your land, late in planting, late in plowing, late in gathering, late in starting over again? How come your fences are down, your gates sagging, etc.?

Well, now, I'll tell you. When a man spends as much time as I do thinking on the international level, he naturally adapts his farming methods to the international plane, and I consider my farm a perfect example of international diplomacy.

For example, say it's time for me to do some plowing and time for the leaders of the world to hold a summit meeting.

Do we jump right in?
Anybody who knows me or the world knows better. Nobody holds a summit meeting until he knows what's going to be discussed and what the answers are and what conclusions can be reached, just like when I start on a crop. I don't just climb on the tractor and start. I sit down and figure out how much I think I can make, how much plowing I'll take, what the price may be, what I'll do with the money, etc.

To some people this may sound like over-caution, but that's because they don't think in international terms. In the last 15 or 20 years the world has had eight or ten summit meetings, and if the world is any better off than it was before the leaders met, it's hard to tell, and consequently it doesn't matter how long it takes to get ready to meet at the summit. Rushing into a summit meeting is like me rushing into a farming year. Not going to get anywhere anyway, so me and the world leaders both might as well take our time.

The way I figure it, the world and this farm both are going to be here, whether the statesmen are at the summit or I'm under a shade tree.

Yours faithfully,
J. A. Davidson

THIS WEEK — In Washington With Clinton Davidson A SALUTE TO CONGRESS

The 85th Congress heads for home and the election campaigning with a record of accomplishments that has earned the respect of everyone who has worked closely with it.

Few Congresses in history have faced up to more critical problems, or worked more strenuously to solve them. At the start of the second session early this year the most urgent problems were the Russian Sputniks and the deepening economic recession.

Congress was caught in a dilemma between the two. There were urgent demands for more government spending to meet the Russian missiles threat and, at the same time, an insistent public clamor for tax reductions to counter the recession.

Growing unemployment was a serious problem. More than five million people were without jobs. Industrial production was declining. There were demands for increased unemployment and other social security benefits.

Foreign Aid
With economic troubles at home and growing communist activities in nations friendly to the U. S., Congress debated whether to continue spending billions of dollars to bolster the economy and military strength of the alliance of Western nations.

The decision to expand our missile research and, at the same time, continue economic and military assistance to friendly nations,

SCOOP SEZ

By J. M. Forbes

Changing Times In Schools
One way to save the taxpayers some of the cost of meeting the ever increasing need for more classrooms has been suggested by the Texas Educational Agency's research committee.

Briefly the suggestion is that school systems give serious thought to a four quarter plan to ease overcrowded facilities. Each student, under this plan, would attend three consecutive quarters of 12 weeks each. And, the committee suggests, Texans might take a long look at the idea of lengthening the school year to 10 months, and to stretch the school day to a session lasting from 7:30 to 4:30.

Not long back we heard Rep. Jesse Osborn, of Muleshoe, in a local address, suggest some of these same things. Mr. Osborn told his listeners that to allow school rooms to remain idle for a fourth of the year may be a practice to which we ought to give some close attention, especially in view of the fact that the construction of new classrooms in constantly increasing number cannot fail to be an increasing burden on real property in the form of taxes.

Best Stocks To Own
The law of supply and demand applies equally to land, commodities, and labor. The wageworker must be willing to take less money home for a few months and the builder and the retailer must be equally ready to reduce prices. If wageworkers do not now freely accept lower wages they must suffer from partial unemployment. There is no half-way solution. Neither the President of the United States nor the president of any powerful labor union can, in the long run, upset the basic law of supply and demand. I urge readers to turn again to Ecclesiastes, the third chapter.

Of War and Peace
"A tempest in a teapot" is the way some feel about the recent furious, time consuming debate in the August United States Senate after someone reported the Pentagon was conducting a study to determine at what point we should surrender in some future, and, pray God, never to occur, nuclear war. The President was infuriated at the report and snorted "Nonsense," and he vowed that no public funds ever would be used to study such a subject.

We live in tremulous times. We are told that the Russians have or soon will have the intercontinental ballistic missile potential to kill 40 million to 90 millions of us in a surprise attack. Question: Could the U. S. fight on, after a blow that killed a big portion of our people and conceivably neutralize or destroyed a big part of our industrial capacity. Would a "strategic" surrender be advisable, to save at least a portion of the population.

WASHINGTON NEWS LETTER

By Senator Lyndon Johnson

Dear Friend:

Full knowledge about Texas water resources would be the goal of a Study Commission proposed in a bill I introduced in the Senate this week.

The commission would be authorized to prepare plans for the development of the water and land resources of the seven Texas river basins not now covered by interstate or international water compacts. The seven are the Neches, the Trinity, the Brazos, the Colorado, the Guadalupe-San Antonio, and the San Jacinto and the Nueces.

The bill is carefully drawn to protect the sovereignty of Texas over our water resources. That is a matter of fundamental importance.

No more important problem confronts our State than proper use of our water for municipal and industrial purposes, for farm irrigation, and for navigation. We need to build big dams and little dams. We need to make more of our rivers navigable in order to provide cheap transportation for expanding industry.

We have plenty of water, even though water use in Texas has increased two and one-half times since 1910. Our trouble is not lack of water but lack of wise control, conservation and use of water. That is why 75 per cent of the people of Texas were forced to restrict, to some extent, their use of water at one time or another in the long drought that came to an end in the early part of 1957.

Today's Meditation

Read Romans 6:1-12.

Let not sin . . . reign in your mortal body, that ye should obey it in the lusts thereof. (Romans 6:12.)

The graceful flight of a boomerang is extremely lovely to watch. But as the boomerang arches in its flight, it suddenly returns to land at the feet of the thrower, with a force that could be destructive.

How pleasurable, momentarily, our sins are! How glamorous they appear to be, but how soon their luster tarnishes!

The sins we indulge in appear enjoyable and have appeal to us. But sin, both of action and of the heart, is anything that separates us from God. In our spiritual blindness, we fall to sense the danger hidden in them. Suddenly they return to us, and we feel their destructive force. They cut us off from the fulfillment of God's purpose for us.

Jesus Christ, our Redeemer, can forgive our sins and destroy in us our bent to sinning. Before He can do this, however, we must surrender our lives to Him so that His power may work in us to our salvation and usefulness in His kingdom.

SCOOP SEZ

By J. M. Forbes

Changing Times In Schools
One way to save the taxpayers some of the cost of meeting the ever increasing need for more classrooms has been suggested by the Texas Educational Agency's research committee.

Briefly the suggestion is that school systems give serious thought to a four quarter plan to ease overcrowded facilities. Each student, under this plan, would attend three consecutive quarters of 12 weeks each. And, the committee suggests, Texans might take a long look at the idea of lengthening the school year to 10 months, and to stretch the school day to a session lasting from 7:30 to 4:30.

Not long back we heard Rep. Jesse Osborn, of Muleshoe, in a local address, suggest some of these same things. Mr. Osborn told his listeners that to allow school rooms to remain idle for a fourth of the year may be a practice to which we ought to give some close attention, especially in view of the fact that the construction of new classrooms in constantly increasing number cannot fail to be an increasing burden on real property in the form of taxes.

Best Stocks To Own
The law of supply and demand applies equally to land, commodities, and labor. The wageworker must be willing to take less money home for a few months and the builder and the retailer must be equally ready to reduce prices. If wageworkers do not now freely accept lower wages they must suffer from partial unemployment. There is no half-way solution. Neither the President of the United States nor the president of any powerful labor union can, in the long run, upset the basic law of supply and demand. I urge readers to turn again to Ecclesiastes, the third chapter.

the MOON our next-door-neighbor world

ONLY 238,857 MILES AWAY, THE MOON WILL PROBABLY BE THE FIRST BODY IN THE SOLAR SYSTEM TO BE EXPLORED.

BEEN THROUGH A TELESCOPE, THE MOON IS NOT SHINY WHITE AS A FIRST GLANCE INDICATES, BUT A DULL GRAY WITH A YELLOW CAST.

THE SURFACE IS EXTREMELY RUGGED, COVERED WITH GIANT CRATERS, TOWERING PEAKS, MOUNTAIN RANGES, VALLEYS, CLEFTS AND PITS.

THE SMOOTH AREAS ARE CALLED "MARIAS" MEANING "SEAS" WHICH EARLY ASTRONOMERS THOUGHT THEY WERE. THEY ARE NOW GENERALLY ACCEPTED AS ANCIENT LAVA FLOWS.

THE LARGEST MARE IS "OCEANUS PROCELLARUM" ALMOST TWICE AS LARGE AS THE MEDITERRANEAN SEA.

SEEK LUNAR PROBE

VISITS SISTER Mrs. Leatha West, and her bro-ther, Ira Thomas and Roy Thoma, visited in Muleshoe the past weekend with her sister, Ellen Caldwell, of Norman, Okla., visited in Muleshoe the past weekend with her sister,

PERFORMANCE TEAM

It makes sense.

Both Cosden Premium Ethyl and Higher Octane Regular have been engineered to deliver maximum performance. This means sure starts, quicker get-away, greater mileage per gallon.

Cosden's 10W30 multi-viscosity motor oil — designed to work with this gasoline — reaches deep down into engines, routing out friction, smoothing the way.

Together — motor oil and motor fuel — this Cosden Performance Team will give you smooth power, passing power, sure starts and quick get-away. They're made to go together.

Result: greater performance, greater economy, greater enjoyment from your car!

LAZBUDDIE NEWS LETTER

Lazbuddie Youths Speaker At 4-H Meet

Dee Chitwood accompanied two 4-H boys to Amarillo last Thursday on a "Grain Marketing Day Program".

Main Street Baptist Church in Muleshoe. Patsy Chitwood is visiting a few days this week in Amarillo with her cousin, Sharon Barnes.

Funeral services were held last Wednesday at the Ballards Funeral Home in Roswell, N. M., for L. D. Adams, father of Mrs. Bert Gordon.

Mr. and Mrs. P. M. Freisen returned home last week after visiting several days with their son and family in Prescott, Ariz.

Mr. and Mrs. V. H. Bowly left last Tuesday morning for Darby, Montana, to visit their son, Shelby and family.

Homecoming was held Sunday, August 18 at the Lazbuddie Baptist church with a large number of visitors present.

Mr. and Mrs. John Agge, Mr. and Mrs. Wesley Barnes and Maudine, Mr. and Mrs. Earl Peterson and Mr. and Mrs. Bill Curry.

Each month the U. S. Department of Agriculture, in cooperation with the food industry, lists foods that are in extra large supply and encourages homemakers to look for them at the food counter.

Mr. and Mrs. Lee Mason and girls, Brenda and Kay returned home Sunday afternoon from a four day vacation trip to Dodge City, Kans., and parts of Colorado.

Normally, demand for young chickens slumps after Labor Day. However, chick placements in commercial broiler areas are increasing and September marketings are expected to be about a fifth larger than the same month last year.

Mr. and Mrs. Paul Zahn were in Unbarger Sunday, where they enjoyed an outdoor dinner with other members of their family.

Milk supplies remain greater than demand, although surplus is smaller than a year ago. In the one God, and leads human thought into opposite channels where selfishness reigns.

Mr. and Mrs. Rufus Carter met the train in Clovis Sunday and during the stay visited a short while with their niece and nephew.

Other plentiful foods listed are milk, fresh peaches, potatoes, fresh vegetables and canned rice.

Mr. and Mrs. Glen Scott, Carolyn and Terry left Saturday for a week's vacation in Colorado with Estes Park as the main attraction.

Each month the U. S. Department of Agriculture, in cooperation with the food industry, lists foods that are in extra large supply and encourages homemakers to look for them at the food counter.

Mr. and Mrs. Deane Foster and boys, Mrs. James Kyle and children, Mr. and Mrs. Ed Steinbock gathered at the home of Mr. and Mrs. Rhiney Steinbock to celebrate Steinbock's birthday.

Other plentiful foods listed are milk, fresh peaches, potatoes, fresh vegetables and canned rice.

Mr. and Mrs. R. L. Kimbrough and Mr. and Mrs. Alton Ashford from Muleshoe visited with a mutual friend, D. Throckmorton of Floyd, N. M., who is a patient in an Amarillo hospital.

Each month the U. S. Department of Agriculture, in cooperation with the food industry, lists foods that are in extra large supply and encourages homemakers to look for them at the food counter.

Mrs. J. H. Clay's father, W. B. Lawrence of Claude, was admitted to an Amarillo hospital again last week.

Plentiful Foods List Features Broilers, Fryers

Each month the U. S. Department of Agriculture, in cooperation with the food industry, lists foods that are in extra large supply and encourages homemakers to look for them at the food counter.

Christian Science Services

How selfishness is overcome through the acknowledgement and understanding of God as the only Mind is a topic to be dealt with at Christian Science services Sunday.

Among the Bible passages to be read in the Lesson-Sermon on "Mind" is this admonition of Paul: "Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves."

Mr. and Mrs. Barney Floyd and Kay Anne Smith are at Ft. Collins, at Denver, this week visiting relatives.

Weekend visitors in the home of Mr. and Mrs. T. W. Bewley were his cousin, Mr. and Mrs. Allen Sandefur from Minnehah, Okla.

Mr. and Mrs. Glen Scott, Carolyn and Terry left Saturday for a week's vacation in Colorado with Estes Park as the main attraction.

Mr. and Mrs. Deane Foster and boys, Mrs. James Kyle and children, Mr. and Mrs. Ed Steinbock gathered at the home of Mr. and Mrs. Rhiney Steinbock to celebrate Steinbock's birthday.

Mr. and Mrs. R. L. Kimbrough and Mr. and Mrs. Alton Ashford from Muleshoe visited with a mutual friend, D. Throckmorton of Floyd, N. M., who is a patient in an Amarillo hospital.

Mr. and Mrs. Dee Brown and boys, Gary and Mack left last Tuesday for parts of Colorado where they will vacation for a few days.

Mr. and Mrs. R. L. Kimbrough and Mr. and Mrs. Alton Ashford from Muleshoe visited with a mutual friend, D. Throckmorton of Floyd, N. M., who is a patient in an Amarillo hospital.

first half of 1958, output dipped slightly below the same period last year.

Potatoes and fresh vegetables continue in heavy supply. Potatoes from late summer production, running 10 percent above last year, will be moving in September, supplemented by early shipments from fall areas.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958. HJR #31—Number Four on the Ballot.

HOUSE JOINT RESOLUTION NO. 33 proposing an Amendment to the Constitution of Texas to provide that any county official for whose term of office expires on or after the first day of January, 1959, shall be eligible for re-election for a term of two (2) years if the designation of his office in the Constitution is amended to read "two (2) years".

Bula News Briefs

by Mrs. John Blackman

Mr. and Mrs. Clyde Hogue visited last week with friends near Temple. Hogue went for a check up at Scott and White Hospital there on Friday.

Recent company in the Martin Maxwell home were Mrs. Josie Rich of Richmond, Calif., and Mr. and Mrs. Kenneth Rich of San Antonio.

Spending last weekend in the Paul Young home were Mrs. Young's sister, Mr. and Mrs. C. N. Clark of Eldorado, Texas and Jeff Cooley of West Wood, Calif.

Mr. and Mrs. L. H. Medlin and children left Monday of last week for a two weeks visit with his sister, Mrs. Jethro Gilbert and his parents, Mr. and Mrs. L. H. Medlin, Sr., at Broken Arrow, Okla.

Guests from Friday until Sunday of last week in the C. L. Cox home were Mr. and Mrs. R. J. Cox and their granddaughter, Reba Juan Law, all of Hamlin. Diana Cox went home with them for a visit.

The WMU of the Baptist Church met Tuesday morning at 9:30 for their weekly study with eight ladies attending. Mrs. Leonard Clevenger had charge of the program. A Royal Service program was given. Ladies attending were Mrs. Mmes. Clevenger, H. G. Thimpton, E. W. Black, J. R. Boone, J. W. Richardson, C. A. Williams, Edd Crume and Robert Claunch.

Mrs. C. L. Holley of Baldwin family, Mr. and Mrs. L. L. Wall-Park, Calif., is visiting here at present with her brother and den.

Ladies of the Church of Christ met Tuesday morning for their regular study with nine present. A continuation of chapter 8 of the study book, "Christian Home" was the lesson study, with Mrs. Blackman leading the lesson. Mrs. Byron was in charge of the children's class.

Ladies present were Mmes.

Fred Archer, T. L. Harper, B. S. Setliff, Jimmy Drake, Bennie Claunch, and Misses June Hicks, Kathy Archer and Mrs. Blackman.

Mr. and Mrs. Ashel Richardson and children, Margaret and Mike spent several days last week in the cool mountains of New Mexico.

Mr. and Mrs. Edward Claunch and daughter, Pat, have visited for the past few days here with his father, J. C. Claunch, and other relatives. The Claunches live in Rapid City, South Dakota.

Rev. H. W. Kyle is holding a revival this week in Forsaw, Texas, near Big Spring. The meeting will close Sunday night, August 24.

Miss Jo Hubbard of Amarillo spent the past weekend with her parents, the John Hubbards.

Miss Gladys Setliff spent the first of this week in Hollis, Okla.

Mrs. Floyd Kile and baby, Garland Joe, of Lamesa spent last week in the H. W. Kile home.

Among those attending the L. C. C. dedication Saturday were Mr. and Mrs. Jimmy Drake, Miss Bonnie Stroud, Nancy Aaron, Mr. and Mrs. Ronnie Fisher, Mr. and Mrs. Gene Bryan, Mr. and Mrs. Jack Hicks and daughter June, and Mr. and Mrs. John Blackman.

C. H. Harris, representing Texas Alcohol-Narcotics Educational Commission, spoke at the Methodist Church Sunday. Mr. Harris brought out in his talk that support through our churches over the states has enabled TANE to enlarge its program.

Mrs. Lula Harlan, accompanied by Mrs. Mary Britt and Mr. and Mrs. Roger Britt of Amherst, left early Monday morning for a three weeks visit with relatives in Albany and Goose Bay, Oregon.

ITS NOT WHO YOU THINK

NOT THE MULESHOE ONE ANYWAY. This miniature mule train passed through Muleshoe one day last week, bound for Odessa, bearing Utah Slim and his family of five. The family left Utah six years ago, just travelling around and average 20 miles per day behind the three burros. They sell pictures of their entourage along the way to help pay expenses. —Journal Photo

Enochs News Events

by Mrs. J. J. Brackman

Mrs. Harold Layton was hostess to a Stanley party Tuesday of last week. Games were enjoyed by all. Mrs. J. E. Layton was lucky lady for the party.

Cokes and cookies were served to Mmes. J. W. Layton, J. E. Layton, Johnnie Angel, Buddy Wiseman, Charlotte Vanlandingham, J. J. Brackman and Miss Sandra Angel. Mrs. Dorothy Brock of Muleshoe was the demonstrator.

Mr. and Mrs. Garland Beard of Dumas visited in the home of Mr. and Mrs. J. J. Brackman Friday evening.

Mr. and Mrs. Jesse Motes and son Kyle Ray of Lubbock, visited her parents, the John Gunters Sunday.

Mr. and Mrs. Carol Pearson and Linda attended the roping at Texico, N. M., Sunday.

Mr. and Mrs. Edd Autry and Gene visited their daughter and family. Mr. and Mrs. Billy West and son of 6666 Ranch at Guthrie. Mrs. West and son returned home with them for a few days.

Lorna Blouton of Lubbock visited her parents, the N. O. Sulivans Sunday.

Jay and John Robinson of Odessa are visiting their grandparents, the Zed Robinsons, this week.

Gary Nichols of Amarillo visited his parents Sunday. Mr. and Mrs. L. E. Nichols, Gary is attending barber school in Amarillo.

Bro. and Mrs. C. H. Moore and daughter, LaVerne, of Ink, Ark.,

are visiting in the J. D. Bayless home.

LaVerne Moore is one of our Home Missionaries. She has been in Washington and Oregon for 2½ years doing Baptist mis-

sion work there. Miss Moore gave a talk about her work there and Bro. Moore brought the evening message at the Baptist church.

Those unable to attend church services Sunday morning due to illness were, Wendell Lee Speck, Mrs. Joe Speck, Dick Bryant, and Donald Gruesendorf. We hope they will soon be well.

Mrs. V. P. Whitfield was hostess to a Stanley party Thursday afternoon. There were games played and Charlotte Vanlandingham was the luck lady for the party.

Punch and cookies were served to Mmes. Johnnie Angel, J. E. Layton, Ray Forbes, Dutch Cash, J. J. Brackman, Charlotte Vanlandingham, H. H. Snow and Misses Jewellene Brackman and Ruby Cash. Mrs. Snow was the demonstrator.

COMPLETES BASIC

FORT CARSON, COLO.—Army Pvt. Eramo Zamora, son of Mr. and Mrs. Ralph Zamora, Lazbuddie, recently completed eight weeks of basic combat training at Fort Carson, Colo.

Zamora attended Nordheim high school.

RETURNS FROM FISHING TRIP

Bob Jacobs has just returned from a successful deep-sea fishing trip. He and the members of his party caught over four hundred pounds of red snapper, blue fish, ling and dolphin.

Bob is associated with the Pool Insurance Agency. Last year Jacobs led the entire South Coast Life Insurance Company in total paid production.

Farm News

Parmer County Farm Bureau News

by Raymond Euler

This Friday night, in the Friona school auditorium at eight o'clock, you are cordially invited to see eleven farm girls from nearly every community in the county, compete for 1958-59 Parmer County Farm Bureau queen. Whoever she is, we hope she will be able to win in the district contest in Lubbock in September, and then win in the Texas Farm Bureau contest in Corpus Christi in November. All people are welcome to attend the show, which will also feature some of the talented young people of the county, presented under the direction of Mrs. Roy V. Miller, an entertainer in music.

REMEMBER WHEN?

by JOHN CROW

This was one of the most famous "bonehead" plays in the history of sports. It featured Eddie Collins, one of baseball's greats, and Heinie Zimmerman, a man whose solid years of fine play are all but forgotten while his "bone" is remembered. It was during the World Series of that year... and this was the game that decided the Series. Collins was on third base with the potential winning run... and he was caught in a routine rundown play between third and home.

While the crowd roared, Collins jockeyed back and forth, then broke for the plate. Zimmerman set out in pursuit. The catcher frantically called for the ball... but Zimmerman forgot to throw. He kept chasing Collins with the ball... and pursued him right across home plate with the run that won the World Series!

Remember the year? Those were days when wages were a lot lower than they are now... for star ballplayers and everyone else. A man investing in a car then had to bargain for a deal that meant real savings. The year was 1917. We're in a bargaining mood this year. We've got the flashing new 1958 CHEVROLET to offer and we're ready to offer you a deal that means substantial saving. We're proud to say that every customer becomes a friend at—

C & H Chevrolet Co.

Phone 2720 — Muleshoe

the transfer from us to you and back again, we lose a lot. And we know that if you furnish the money you will want to help us make decisions and we lose a bit more of our freedoms." These words were part of a speech made by an Iowa farm wife when she and a group of Farm Bureau women visited Washington this year. And on Thursday morning, a little after midnight, last week, by a vote of 62 to 25, the Senate body approved a Federal Aid to Education bill. The House had previously passed a similar bill by a vote of 233 to 140. Farm Bureau, along with others, has always opposed any bill of this type. Farm Bureau will continue, we are sure, to oppose any extension of the provisions of the bill, which are sure to continue to be offered. We do not believe the people of America favor this kind of legislation. We are happy to report that our Congressman, Walter Rogers voted against the measure; we regret to report that Senators Lyndon B. Johnson and Ralph Yarborough voted for the bill in the Senate.

Although the House brought up and passed a version of the proposed Farm Bill they had previously rejected, there is no telling what it will look like when the Senate and House Committees have worked together on it. It is not in line with AFB recommendations, particularly since it leaves entirely too much discretion to the Secretary of Agriculture in setting price supports. **CONSIDER THIS:** For riches are not forever; and doth the crown endure to every generation? Proverbs 27:24.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

COVER CROPS

By JoLen Ballew

Many farmers throughout the Blackwater Valley Soil Conservation District have learned that a cover crop should be sown on soils susceptible to wind erosion. One of the best cover crops is vetch and rye. Vetch is a legume and adds nitrogen to the soil as well as offering protection. Rye grows off well in the winter and early spring, and uses less moisture than other small grains. Cotton and sesame provide very little protection after harvesting. By sowing vetch and rye in middles and irrigating up with last watering, cover is provided when crop is harvested. Besides the benefits listed above, vetch growing in cotton middles keeps down dust when mechanically stripping cotton. H. E. Schuster, F. R. Friend and

PIGGLY WIGGLY personnel wore trousers of varying length to contrast with their elaborate hair during Krazy Daze.

THE FASHION SHOP turned back the clock for Krazy Daze, and co-owners Dorothy Mattieson and Elizabeth Barnett dressed in these gay nineties costumes.

Weekly Cotton Insect Report

Weather conditions continued favorable for the development of cotton where ample moisture was present. The condition of plants in many irrigated fields was attractive to some insects. Somewhat heavier insect infestations were reported in an increasing number of localities.

Jim Wedel are some of those who tried this system last year. Many farmers, including Cleo Hall, H. C. Elliott, W. T. Parker, and Les Glover have tried it also. The Blackwater Valley Soil Conservation District has attachments that may be used for sowing these seeds. Contact Bill Bickel or Jerry Adams at the Muleshoe vocational ag building.

Board Meeting
The BVSCD met Monday night with county agent J. K. Adams, who suggested the district buy a portable high pressure sprayer for spraying noxious weeds. Bids will be taken from several firms. If the district buys a sprayer, it will be available to all cooperators for a nominal rental fee.

The board approved a Great Plains Conservation Program contract on Calvin Calvert's farm, with the total Federal cost share at \$2938.20.

PROUD GRANDPARENTS
It's an 8 lb. girl for Dr. and Mrs. Charles Lewis. She was born August 7 in Baylor Hospital at Dallas. The grandparents are Dr. and Mrs. A. E. Lewis and Albert Carroll. They have all been to Dallas to see the new baby.

Lone Agriculture

By JOHN C. WHITE, Commissioner

TEXAS AGRICULTURE IN BRIEF

Back in The Popcorn Business—Texas, while not one of the major producers of popcorn, anticipates one of the largest popcorn harvests in recent years. An estimated 6,800 acres of Texas corn are set for harvest, more than twice as much as the 2,840 acres in 1947-1956 average. Total U. S. production estimated for this year 231,000 acres out of 18,000 acres planted.

Texas Farms Changing Size—There are fewer farms in Texas, but, in keeping with Texas tradition, Texas farms are getting bigger, with larger farm operations taking over an increasingly bigger share of the state's total farm land.

The loss in number of farms is entered heavily in those between 50 and 99 acres in size. In 1920, farms of this size made up 77 percent of the State's farm land, but by 1954 occupied less than 16 percent. Whereas in 1920 farms of 250 acres and over occupied less than 12 percent of all the state's farm land, by 1954 28 percent of Texas farm land was occupied in farms of 250 acres and over.

Texas Set For 45-Million Lb. Pecan Crop—U. S. D. A. estimates in August of Texas pecan crop prospects set estimated production at 45,000,000 pounds—10 million pounds below last year's estimated 55 million pound crop. Still, Texas is picked as the top national pecan producer, 2 million estimated pounds above Georgia's estimated 43 million pound crop. Total U. S. pecan crop estimate this year is forecast at 179 million pounds, indicating that Texas will be responsible for approximately one-fourth of national production.

Broiler Grower's Goal — A Pound of Meat From A Pound of Food.

Fifteen years ago it took about 4½ pounds of feed to grow a pound of poultry. Today, poultry science has reduced that in broiler production to 2¼ pounds of feed for a pound of broiler, and laboratory feeding has dropped below the 1.2 pound mark necessary to obtain a pound of gain.

With the constant pressure on the broiler industry through competition at every level, the industry's best hope still lies in research that will improve feed conversion, and the poultry scientists believe a pound for a pound may one day be a reality.

J. I. Case Dealers Plan To Attend Nassau Premiere

Morris Douglass of the Morris Douglass Implement Company, local dealer for J. I. Case Farm Tractors and Machinery, today revealed that he and Mrs. Douglass are planning to attend the 1959 Nassau World Premiere and Annual Case Dealers' Conference to be held in November and December at Nassau in the Bahama Islands.

Mr. Douglass, who recently returned from a special Case Branch meeting for dealers in Dallas, said that Case is awarding a five day expense-paid business-vacation trip to the island capital, to all dealers who meet or exceed their sales goals this year. Highlight of the Nassau conference will be special emphasis on 1959 marketing plans and new ways in which Case dealers can be of better service to their customers.

Dealers will be flown to Nassau in chartered commercial airliners, in what Case officials predict will be the largest overseas airlift from the standpoint of passenger miles covered. Case sales for the first 9 months of the Company's fiscal year showed one of the highest rates of increase in company history. As a matter of fact, according to a company spokesman, J. I. Case sales percentage increase is more than double that of any of its major competitors.

In commenting on the coming Nassau World Premiere, Mr. Douglass said, "Naturally we intend to do everything in our power to qualify as many of our people as possible for the free

WEST'S CAFE waitress Mabel Howard, fourth from left, was one of the winners in the Krazy Daze costume contest. Other members of the cafe crew measure up.

COUNT FIVE...you save these ways and more buying Plymouth now at year's lowest prices!

- 1. YOU PAY LESS FOR YOUR NEW PLYMOUTH... BUT GET MORE FOR YOUR OLD CAR!**
New Plymouth prices are at the year's lowest...and your Plymouth dealer used cars! He'll trade high to get yours! See him! He's offering top dollar right now!
- 2. YOU POCKET A \$140 SAVING ON RIDE ALONE!**
Some competing cars charge up to \$140 extra for their top ride... but in Plymouth you get top-luxury *Torsion-Aire Ride*—same suspension as in \$6000 cars—at not a penny extra cost! Combines supreme floating comfort with the thrill of sports car handling!
- 3. YOU'RE IMPORTANT DOLLARS AHEAD ON GAS SAVING!**
Plymouth *proved* it can save you money on fuel by winning the Mobilgas Economy Run two years in a row! But gas saving isn't all! Along with its economy, Plymouth thrills you with terrific new *GO!*
- 4. YOU ENJOY THE EXTRA ECONOMIES THAT ONLY PROVED RUGGEDNESS BRINGS!**
Maintenance costs are 'way down on Plymouth... the car that proved it ran like new after 58,000 punishing miles of day-and-night cross-country driving in 58 days. At the end of the test, Plymouth's road veteran looked and acted like a factory-fresh car.
- 5. AND YOU'RE 'WAY AHEAD IN CASH VALUE AT TRADE-IN TIME!**
Your new Plymouth, with its rangy, sweeping Silver Dart Styling, is so far ahead of the rest now that it will *still* look new and fresh when you trade... bring a higher allowance! That cuts the "cost per year" of driving Plymouth still more!

Dimmitt, Tex., Man Reports—

"Ammonia makes a big difference in my wheat"

Frank S. Wise, who farms 960 acres near Dimmitt, says: "I know from experience that Phillips 66 Agricultural Ammonia makes a big difference in my wheat yields. I figure I'm getting an average of 20 bushels more to the acre by putting down 80 to 100 pounds of Phillips ammonia pre-plant."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a first start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Phillips 66 Order Your Supply Of Phillips 66 Agricultural Ammonia Today!

- WESTERN FERTILIZER CO. Phone 2560, Muleshoe, Texas
- WESTERN FERTILIZER CO. Latbuddie, Texas
- WINDERS FERTILIZER CO. Phone 4171, Earth, Texas

See your Plymouth dealer today! You'll be amazed to learn how little it costs to drive a brand-new '58 Plymouth... instead of worrying about the expense of tires and repairs and replacements on your present car!

OPTOMETRY: The Art and Science of Visual Care

You can be SURE...

that there is a never-ending research into the problems of vision. For instance, research conducted at Purdue University shows that some nearsightedness comes from too much visual tension, in reading and studying, in the early school years. And, that temporary preventive bifocal or training lenses can, in many cases, reduce that tension. Thus, nearsightedness may be halted or even prevented. Cooperate with your professional optometrist if he prescribes preventive bifocals for your child. He is practicing preventive vision care.

THIS MESSAGE PRESENTED IN THE INTEREST OF BETTER VISION BY

called to Lubbock recently because of the illness of their granddaughters. The girls are improved now.

Judy Helm of Norman, Okla., is spending a few days in the McCelvey home. She is a cousin.

Rev. and Mrs. Hughes left last week for Gloreitta, N. M. They will return this week.

Visiting their parents the past weekend were Mr. and Mrs. Joe Wheeler and Mr. and Mrs. Jimmie Wheeler of Lovington, N. M. The two Mrs. Wheelers are daughters of Mr. and Mrs. F. A. Carter. Joe and Jimmie are sons of Mr. and Mrs. Johnny Wheeler.

Mr. and Mrs. W. C. McCelvey spent the weekend at Lubbock with his father, who is critically ill.

Mrs. Frances Patton and R. W. of Jackboro, Texas, are visiting their cousins, the Baker Johnsons.

Mr. and Mrs. Gene Kenley plan to leave Wednesday for California on their vacation.

Louise Keaton, granddaughter of Mr. and Mrs. W. C. McCelvey will return to her home in Dallas by plane this week. She has spent the summer visiting her grandparents and sister, Gayle.

Mr. and Mrs. Jack Lowe visited Sunday afternoon with Mr. and Mrs. Jack Rhea of Lubbock, formerly of Maple.

Linda Jordan is visiting relatives in Levelland this week.

The Junior Sunday School class of the Three Way Baptist church went to Lubbock Monday afternoon on a picnic. Adolph Wittner, their teacher, Mrs. Wittner, and Mrs. Earl Bowers accompanied them.

"Dating and Mate Selection" is the topic for the panel discussion at the FHA meeting Monday, August 25 at the school. Members of the panel are Kathy Pollard, Gayle McCelvey, Joann Hodge, Virginia Klutts, Patsy Sowder, and Mrs. Baker Johnson. A recreation program and refreshments will follow the meeting and discussion.

The Young People's Training Union class of Three Way Baptist Church were entertained with an outing at Lemons Lake Monday evening. Mrs. Morris Gant is the class sponsor.

HILL COUNTY REUNION SET FOR AUGUST 24

The annual Hill County reunion and picnic will be held August 24 at MacKenzie State Park in Lubbock.

Site of the reunion will be near the west entrance to the park. A sign will mark the location.

All ex-residents of Hill county are invited and urged to attend. All families attending are requested to bring food. Lunch will be spread at 1 p.m.

Pleasant Valley Views

by Mrs. Norman Hodges

Those attending the work day at the community building were Mrs. Weldon Jones, Mrs. John West, Mrs. Doyle Turner, Mrs. Kirk Pitts, Rita and Sherry Turner, and the hostesses, Mrs. W. A. Hardin and Mrs. Norman Hodges.

Mr. and Mrs. John West entertained with a swimming party for their sons, Johnny and Butch on their birthdays. Those attending were James and John Pitts, Mack Allison, Maurice Jones, Larry Allison, Carroll Kirby and Dale and Dewayne Montgomery. The group went to the park for refreshments after the swim.

Guests in the home of Mr. and Mrs. John West and family Sunday were Mr. and Mrs. Forest Simmons. Then this week, Mr. and Mrs. H. L. Luters and children of Waldo, Kans., are here to spend several days with the Wests.

Several ladies met at the community house Friday night to prepare decorations for the Lamb County Farm Bureau Queen Contest. They were Mrs. Seaborn Moore, Mrs. Kenneth Duncan, Mrs. W. J. Meeks and daughter, Mrs. Billy Free, Mrs. Dub Hardin, Mrs. Dub Stewart, and Mrs. Norman Hodges and two daughters, Sandra and Kylene.

Mr. and Mrs. Dan Jones and two children of Greenland, Colo., visited this week in the home of Mr. and Mrs. Billy Free. Mr. Jones and Mr. Free were former Navy buddies.

Mrs. Ruth Briscoe, Sandra, Polly, and Joe, and Bud Bruns spent a few days last week in Ruidoso, N. M.

Mr. and Mrs. Harold Allison, Veta, Carolyn, Freddie, and Jack have gone to Ruidoso, N. M., to vacation a few days.

Mr. and Mrs. George Didlake and children, Tommy and Georgia of Dallas, spent several days with her brothers, the Allison.

Deborah Huckabee of Hagerman, N. M., is here visiting her cousin, Susan Allison.

Gilbreaths Back From Vacation North of Progress

Members of the Muleshoe Lions club were entertained and awed last week by a description of his recent vacation trip described by Rufus Gilbreath, a member of the club.

Gilbreath began his travelogue by telling how he and his family took the Santa Fe railroad, (walking between the rails) to a lovely hideaway just north of Progress in the mountains situated there.

Rufus told how peaceful it was to lie there in his army-surplus pup tent listening to the sand blow through the cotton stalks, and the sounds of tailwater from irrigation wells, trickling thru the shinnery.

Club members were envious at Gilbreath's vivid description of the sunset over the gin yard and burr pit, which closed his account of what could have been only a most unusual vacation outing.

CARD OF THANKS

Words can't express our appreciation for the kind deeds shown us at the passing of our loved one, J. M. McAdams.

Mrs. J. M. McAdams and the families of W. B. McAdams, Walter Witte James Temple

Cotton Quiz

How is COTTON DIFFERENT IN SHAPE FROM OTHER FIBERS?

IT HAS A UNIQUE "TWIST" WHICH GIVES IT MANY SUPERIOR QUALITIES.

But rather seek ye the kingdom of God, and all these things shall be added unto you. — (St. Luke 12, 31.)

Those who love God with all their hearts and souls, who surrender their will to His and trust Him completely, will find that all their just and good needs are met abundantly. There is always more at the Fount than we can absorb.

called to Lubbock recently because of the illness of their granddaughters. The girls are improved now.

Judy Helm of Norman, Okla., is spending a few days in the McCelvey home. She is a cousin.

Rev. and Mrs. Hughes left last week for Gloreitta, N. M. They will return this week.

Visiting their parents the past weekend were Mr. and Mrs. Joe Wheeler and Mr. and Mrs. Jimmie Wheeler of Lovington, N. M. The two Mrs. Wheelers are daughters of Mr. and Mrs. F. A. Carter. Joe and Jimmie are sons of Mr. and Mrs. Johnny Wheeler.

Mr. and Mrs. W. C. McCelvey spent the weekend at Lubbock with his father, who is critically ill.

Mrs. Frances Patton and R. W. of Jackboro, Texas, are visiting their cousins, the Baker Johnsons.

Mr. and Mrs. Gene Kenley plan to leave Wednesday for California on their vacation.

Louise Keaton, granddaughter of Mr. and Mrs. W. C. McCelvey will return to her home in Dallas by plane this week. She has spent the summer visiting her grandparents and sister, Gayle.

Mr. and Mrs. Jack Lowe visited Sunday afternoon with Mr. and Mrs. Jack Rhea of Lubbock, formerly of Maple.

Linda Jordan is visiting relatives in Levelland this week.

The Junior Sunday School class of the Three Way Baptist church went to Lubbock Monday afternoon on a picnic. Adolph Wittner, their teacher, Mrs. Wittner, and Mrs. Earl Bowers accompanied them.

"Dating and Mate Selection" is the topic for the panel discussion at the FHA meeting Monday, August 25 at the school. Members of the panel are Kathy Pollard, Gayle McCelvey, Joann Hodge, Virginia Klutts, Patsy Sowder, and Mrs. Baker Johnson. A recreation program and refreshments will follow the meeting and discussion.

The Young People's Training Union class of Three Way Baptist Church were entertained with an outing at Lemons Lake Monday evening. Mrs. Morris Gant is the class sponsor.

HILL COUNTY REUNION SET FOR AUGUST 24

The annual Hill County reunion and picnic will be held August 24 at MacKenzie State Park in Lubbock.

Site of the reunion will be near the west entrance to the park. A sign will mark the location.

All ex-residents of Hill county are invited and urged to attend. All families attending are requested to bring food. Lunch will be spread at 1 p.m.

Pleasant Valley Views

by Mrs. Norman Hodges

Those attending the work day at the community building were Mrs. Weldon Jones, Mrs. John West, Mrs. Doyle Turner, Mrs. Kirk Pitts, Rita and Sherry Turner, and the hostesses, Mrs. W. A. Hardin and Mrs. Norman Hodges.

Mr. and Mrs. John West entertained with a swimming party for their sons, Johnny and Butch on their birthdays. Those attending were James and John Pitts, Mack Allison, Maurice Jones, Larry Allison, Carroll Kirby and Dale and Dewayne Montgomery. The group went to the park for refreshments after the swim.

Guests in the home of Mr. and Mrs. John West and family Sunday were Mr. and Mrs. Forest Simmons. Then this week, Mr. and Mrs. H. L. Luters and children of Waldo, Kans., are here to spend several days with the Wests.

Several ladies met at the community house Friday night to prepare decorations for the Lamb County Farm Bureau Queen Contest. They were Mrs. Seaborn Moore, Mrs. Kenneth Duncan, Mrs. W. J. Meeks and daughter, Mrs. Billy Free, Mrs. Dub Hardin, Mrs. Dub Stewart, and Mrs. Norman Hodges and two daughters, Sandra and Kylene.

Mr. and Mrs. Dan Jones and two children of Greenland, Colo., visited this week in the home of Mr. and Mrs. Billy Free. Mr. Jones and Mr. Free were former Navy buddies.

Mrs. Ruth Briscoe, Sandra, Polly, and Joe, and Bud Bruns spent a few days last week in Ruidoso, N. M.

Mr. and Mrs. Harold Allison, Veta, Carolyn, Freddie, and Jack have gone to Ruidoso, N. M., to vacation a few days.

Mr. and Mrs. George Didlake and children, Tommy and Georgia of Dallas, spent several days with her brothers, the Allison.

Deborah Huckabee of Hagerman, N. M., is here visiting her cousin, Susan Allison.

Gilbreaths Back From Vacation North of Progress

Members of the Muleshoe Lions club were entertained and awed last week by a description of his recent vacation trip described by Rufus Gilbreath, a member of the club.

Gilbreath began his travelogue by telling how he and his family took the Santa Fe railroad, (walking between the rails) to a lovely hideaway just north of Progress in the mountains situated there.

Rufus told how peaceful it was to lie there in his army-surplus pup tent listening to the sand blow through the cotton stalks, and the sounds of tailwater from irrigation wells, trickling thru the shinnery.

Club members were envious at Gilbreath's vivid description of the sunset over the gin yard and burr pit, which closed his account of what could have been only a most unusual vacation outing.

CARD OF THANKS

Words can't express our appreciation for the kind deeds shown us at the passing of our loved one, J. M. McAdams.

Mrs. J. M. McAdams and the families of W. B. McAdams, Walter Witte James Temple

Cotton Quiz

How is COTTON DIFFERENT IN SHAPE FROM OTHER FIBERS?

IT HAS A UNIQUE "TWIST" WHICH GIVES IT MANY SUPERIOR QUALITIES.

STRENGTH FOR THESE DAYS

But rather seek ye the kingdom of God, and all these things shall be added unto you. — (St. Luke 12, 31.)

Those who love God with all their hearts and souls, who surrender their will to His and trust Him completely, will find that all their just and good needs are met abundantly. There is always more at the Fount than we can absorb.
