

## Credit Union To Be Organized On October 27

The Muleshoe Federal Credit Union will be formally organized at a meeting scheduled for October 27 at 8 p.m. in the district courtroom of the courthouse at Muleshoe. Two meetings are scheduled, the second to be October 28 in the same location. Officers are to be elected at the first meeting, and details of their duties will be outlined at the second.

J. D. Luton, representing the Texas League of Credit Unions will be present at the meeting, to which the general public is invited. All persons interested in joining the Credit Union, or in learning more about credit unions, are invited to attend either or both meetings.

A nominating committee, appointed by the temporary officers, will present a slate of nominees for permanent positions at the October 27 meeting. Nominations will also be accepted from the floor.

## Farm Loan Ass'n Announces Higher Lending Policy

According to Noel Woodley, Secretary-Treasurer of the Western National Farm Loan Association, the Federal Land Bank has adjusted its loan values upward and is now in position to lend more on most properties. This added loan value is important to persons buying land and to those who use long term credit on their farms and ranches. The Western National Farm Loan Association of Muleshoe now has 425 loans outstanding for more than \$3,000,000 in Bailey and Farmer counties, Woodley said.

## Nazarenes Join In Anniversary Sunday Service

Dr. Phineas F. Bresee

Founder of the Church of the Nazarene, who felt moved, at the age of 56, to "walk out alone under the stars", to preach scriptural holiness.

The Muleshoe Church of the Nazarene will join Nazarenes around the world in simultaneous golden anniversary worship services Sunday morning, October 12.

Rev. Mrs. Nora Ham, evangelist, will bring the anniversary sermon and the pastor, Eugene Wood, will be in charge.

This is the week of witnessing for Nazarenes around the world. Many people in and around Muleshoe are and will be contacted and spoken to about Christ this week.

There will be services at the Church, West Ninth and Ave. C each night including Sunday night, October 12.

Rev. Mrs. Nora Ham, a resident of Muleshoe, is the evangelist for the night services, and will also bring the anniversary message Sunday morning.

The pastor, Eugene Wood, plans to attend the unveiling and anniversary service at Pilot Point Monday, October 13, at 2 p.m.

Keystone of other Nazarene services also will be thanksgiving to God for blessings of the past fifty years. In the U. S. and Canada, services will be held in 5,000 churches with 300,000 members. Abroad, another 450,000 Nazarenes will worship in forty world areas.

An international climax of the anniversary year will be reached on Monday, October 13, at Pilot Point, Texas, where a monument will be unveiled at the place where the denomination started in 1908.

The Nazarene church is a conservative, orthodox Protestant denomination in the Wesleyan tradition. One of the fastest growing churches in modern annals.

## Exes To Observe Homecoming Celebration; Olton Game Hilite

The annual homecoming celebration for students and ex students of Muleshoe high school will be held the coming week, beginning next Thursday evening with a bonfire and pep rally, and climaxed Friday evening by the Olton-Muleshoe football game, and a dance for exes at Legion Hall. Jack Young is president of the Muleshoe Ex Student Association, which is in charge of arrangements for the homecoming.

The bonfire and pep rally Thursday evening at 8 o'clock will feature emphasis on pep talks by former players and students at MHS, along with the usual band concert and cheers for the team in the Olton game the next evening.

On Friday, registration of exes will begin at 1 p.m. in the high school auditorium, followed at 1:45 by a meeting with the M club, to which all ex-lettermen both men and women, are especially invited.

At 2:45 p.m. a joint assembly of exes and present students and faculty will be held in the auditorium. The featured speaker, who has not been secured at press time, will probably be a former coach.

From 3:45 to 4:45 p.m., a business meeting of exes will be held to elect officers for the coming year, and to make plans for the 1959 homecoming celebration.

Exes will join students and townsfolk at a dinner in the high school cafeteria from 6-8 p.m., to

The traditional rivalry between Muleshoe and Olton will be unraveled on Benny Douglass field at 8 p.m., cheered on by the exes and their families.

Following the game, a dance for exes will be held at the Legion Hall.

Committee members working on the celebration include Hattie Ray Jones, Billy Joan Smith, Charles Alsop, Woodie Lambert, Myron Pool, Martin Oliver, Bo Bryant Pesky Winn, Ruby Hart and Hazel Gilbreath.

## School District Budget Hearing Set October 13

The annual hearing on the 1958-59 budget for the Muleshoe Independent School District will be held at the school business office building October 13 at 8 p.m.

The budget has been prepared, and the public is invited to attend the hearing, and hear the budget read and explained by members of the board and the school's auditor.

## Commissioners In Dallas For State Convention

County Commissioners Eubanks, McCall and Morgan are in Dallas this week, attending the annual convention of the Texas county commissioners and county judges association. Commissioners W. W. Couch and County Judge Glen Williams were unable to attend.

The commissioners voted \$125 to each commissioner for expenses to the convention at a meeting held October 2, during which bills were paid.

## C. E. Jackson Rites In Wellington On September 30

Funeral services for C. E. Jackson, 66, retired postal employee, were held at 2:30 p.m. Tuesday, September 30 in the Bowie St. Church of Christ in Wellington, Texas with John Gay, minister, officiating.

Burial was in the North Wellington cemetery under the direction of Kelson Funeral Home.

Mr. Jackson died at 3:30 p.m. Sunday, September 28 at his home in Wellington. He had been in poor health for about a year.

He was born February 22, 1892 at Comanche, Texas and moved to Wellington in 1919. He joined the postal service as a rural carrier in 1920 and later was assistant postmaster in the Wellington Post Office. He served the postal service 37 years until his retirement on January 1, 1958.

He served as rural carrier in Talmadge, Neb., and also at Hull, Iowa. He also was assistant postmaster at Goodland, Kan.

He was a member of the Church of Christ for many years. Surviving are his wife, Lenore; three daughters, Mrs. R. L. Dillard of Muleshoe, Mrs. Gabe Wright of Wellington, and Mrs. Leo Teague of Tucuman, N. M.; three sons, C. E., Jr. of Clarendon; R. W. of Oklahoma City, and John W. of Lakeview, Calif., and one sister, Mrs. Beasle Double of Tulsa, Okla. Eight grandchildren also survive.

## District Governor To Visit Lions Club October 22

W. F. HUNTER

The Muleshoe Lions Club will welcome to Muleshoe, W. F. (Bill) Hunter, District Governor of District 2T-1 Lions International, which includes 93 clubs in this section of the state.

Lion Hunter is in the insurance business with officers in Amarillo. He is a member of the Amarillo Downtown Lions Club, having served in all offices with the exception of secretary-treasurer. He has also served as President of the Broadway-Florence Lions Club in Los Angeles, Calif. and Zone Chairman of District 4A in California. His past district offices in Texas include Deputy District Governor, District 2-TI, for two years and Public Relations Director, District 2-TI.

In addition to his Lions Club activities, Lion Hunter has served as President of the South Los Angeles Chamber of Commerce and is presently a member of the Amarillo Chamber of Commerce. He is a member of the San Jacinto Methodist Church, Khiva Temple, and Masonic Lodge 731. He is married and has one daughter and three sons.

Governor Hunter will visit the Muleshoe Lions Club at noon Wednesday, October 22. The purpose of his visit will be to advise and assist President Wilbur LeVeque, secretary Carroll Pouncey, and all other officers and directors of the club in matters pertaining to Lions administration and the Lions great program of Humanitarian Service.

Lion Hunter is one of the 312 District Governors who supervise the activities of the 13,771 Lions Clubs located in 91 countries and geographical locations of the world.

## FULL SCALE HARVESTING . . .

## Crops Rolling In As Sun Shines And Weather Continues Favorable Here

The face of Bailey county has undergone remarkable and vast changes within the past week. Fields that were ripe with grain and fiber have become fields of stems and stalks, with the fruit of the harvest gathered and stored. A warm sun and drying winds put crews into practically every field that was ready this past week, and harvesting by combine and boll pulling crews was in full operation. Early morning moisture delayed work in the fields until about noon, but afternoons were taken up with accelerated work.

## Hiway Projects Begin Next Week

Equipment is being moved in and caliche is being dug in in preparation for the beginning of the widening of Highway 70 and 84. Operations will begin early next week, according to Bud McMahan, highway superintendent, and will last 240 working days, which will be about 10 months, counting holidays and bad weather.

Highway 70 will be widened from the Highway Department west to the Roadside Park, and from the city limits northeast toward Plainview to the county line. Highway 84 will be widened east toward Sudan to the county line and 1.8 miles into Lamb County. The three jobs will total 18 miles of paving.

## Pan Of Grease Brings Out Fire Dept. Wednesday

A pan of grease which caught on fire, brought out the Muleshoe fire department Wednesday morning in answer to a call from the Leonard Evans residence in the 500 block of Main.

Smoke damage was estimated at \$300 covered by insurance. Fire chief Earl Ladd reports this is the first insured fire loss in many months in the city.

## Kenneth Corbell Named Supervisor SCD From Zone 5

Kenneth Corbell was elected supervisor of zone 5 of the Blackwater Valley Soil Conservation District in a light turnout voting held at the gin in Maple Tuesday evening.

Only 11 votes were cast in the election. W. H. Eubanks is the retiring supervisor.

Others receiving votes in the election were Eubanks, Tommy Galt, Horace Hutton, and R. L. Davis.

Late September rains delayed the harvest, but the clearing skies and sunshine enabled farmers to resume the harvest, and total cotton ginnings had passed the 100,000 bale mark by October 4.

Overall damage to the potentially good quality crop has been light and officials figure farmers can still harvest one of their best crops in years if no additional rain is received. Moisture damage thus far has probably increased the amount of spotted cotton, but otherwise officials see little damage.

Threat of an earlier frost last week failed to materialize and

continued warm weather would enable the area to continue operations on a large scale. Much defoliation has been done and stripper operations are expected to begin soon.

Grain sorghum is being cut, even though some fields exceed the 15 per cent moisture figure desired for storage.

Out of 96,000 classed at the Lubbock and Lamesa cotton offices through October 1, the average staple length was above one inch. Also 86.8 percent of the cotton was classed white and only 13.2 percent was light spotted.

The early estimate of \$2,000 bales for Bailey county has not changed.

## Brick Homeowners May Get Relief From Higher Taxes If School Agrees

There may be some tax relief in sight for Muleshoe taxpayers who own brick residences, according to a discussion held at the Wednesday afternoon meeting of the City Council. The Council and three local builders spent some time talking about the inequality of higher tax rates on brick homes than on other types of construction. All agreed there should be some difference, but all agreed that the present difference is entirely too much.

## Carl Walker Rites Held Thursday In Littlefield Church

Funeral services were held at 4 o'clock this afternoon, Thursday, for Carl Walker, 65, father of Mrs. Alvin Allison of Muleshoe, who passed away in a Littlefield hospital Tuesday morning.

Services were held at the Littlefield First Baptist church with the pastor, Dr. Lee Hemphill, officiating.

Mr. Walker is survived by 14 children including six daughters; Mrs. John Dorsey, Washington, D. C.; Mrs. Carl Schnable, Quaker Town, Pa.; Mrs. Don Wise, Levelland; Mrs. Leon Richardson and Mrs. Lovey Mills, Littlefield, and Mrs. Alvin Allison of Muleshoe; eight sons, Burnis, Jimmie and Nolan, all of Washington, D. C.; Harold of Balmorhea, Texas; Olan of Sudan; Toby, Donnie and Alvin, all of Littlefield, and 37 grandchildren.

Members of the Council expressed the belief that if city taxes on brick residences were lowered, it would have to be contingent upon a similar drop in school district taxes on the same property.

The Council also discussed current traffic problems in the west part of town, and the way new streets are affecting traffic movement in the Richland Hills school section of Muleshoe.

Members of the Council voted to authorize the employment of one part time traffic patrolman to work each Saturday and Sunday afternoon during the fall season.

Routine payment of bills concluded the Council session.

## Residential Mail Delivery Survey Expected Soon

Postal officials here said this week that the district postoffice department is expected to begin a survey in Muleshoe with the view to establish home delivery of mail.

Postmaster Arnold Alcorn said although the date of the survey is not known, it is expected in the near future. If the majority of patrons express a desire for residential mail service, the district postal department will then check to see if all requirements are met, such as having houses correctly numbered, streets and sidewalks, and other items which must be complied with before the service begins.

A survey recently undertaken by the Chamber of Commerce showed an overwhelming majority in favor of residential delivery.

Such a service is not expected to be feasible in Muleshoe before the first of next year.

## Dorcas SS Class Installation In John Smith Home

The Dorcas Sunday School class of First Baptist Church met in the home of Mrs. John Smith Monday evening for installation service.

The meeting was opened with prayer by Mrs. T. W. Goar. After a short business session, Mrs. Goar presided at the installation.

A salad supper was served to Meses, Alex Williams, John Smith, Raleigh Mason, Olan Jones, Jerry Kirk, Kenyon Dean, L. S. Barron, Weldon Goar, and Vern King.

## Mr. and Mrs. Alfred Scott Observe Golden Wedding Sunday At Open House

Mr. and Mrs. Alfred Scott were honored on their 50th wedding anniversary Sunday, October 5, with an open house at the home of a daughter, Mr. and Mrs. Hubert Elliott.

Their other two children, Mr. and Mrs. Leonard Elliott and Mr. and Mrs. Glen Scott assisted with host duties. Beginning at 3 p.m., relatives and friends began to stop by and the afternoon was spent visiting and reminiscing of past days.

A huge wedding cake was made and decorated by the Mesdames Elliotts and their aunt, Mrs. Glen Stiles. The cake with coffee and punch was served to the guests by two granddaughters, Mrs. Juanita Stafford and her sister, Carolyn Scott. The house was ablaze with color and beauty with the many arrangements of fall flowers, and a wedding picture of the couple was placed on the serving table.

Beverly Smith registered the guests and Mrs. Glen Stiles, Mrs. Jack Smith and Katherine Smith assisted the hosts.

Mr. and Mrs. Scott, who was Miss Lula Stiles before her marriage, were married at Hereford on October 6, 1908 and have lived their entire married life on the same farm.

Besides those already mentioned, signing the guest register were, Mr. and Mrs. Ernest Mootheart, Morrison, Ill.; Mr. Fred Scott, Denver, Colo.; Mrs. Tom Giest and Mrs. John Blasdel, Sylvia, Kans.; Mr. and Mrs. H. For their trip to New Mexico, Mrs. Stigaulde chose a deep red velvet sheath dress with red and black accessories.

Out-of-town guests attending were Mrs. A. N. Wells, Casandra and Charlotte of Olton; Mr. and Mrs. Marion Donaldson and boys of Andrews; Mrs. Betty Lemon of Snyder; Mr. and Mrs. Bob Donaldson of Clovis; Mr. and Mrs. A. D. Adams and Mrs. Floyd Gray and Barbara, all of Olton; Mr. and Mrs. S. Y. Joiner of Sun-town and Mrs. J. E. Gray of Slaton.

The bride, given in marriage by her father, chose a ballerina-length gown of white lace over, faille fashioned with a scalloped neckline, and a fitted bodice coming to a point at the waistline. The long fitted sleeves ending in points over the hands were enhanced by tiny self covered buttons at the wrists. Her veil of illusion outlined with French lace fell from a tiara of seed pearls and white sequins. She carried a bouquet of American beauty red roses on a white Bible.

Miss Donaldson's cousin, Barbara Gray of Olton, was maid of honor. She wore a pale pink satin brocade sheath dress with a pink overskirt of illusion. Her tiara was of seed pearls and white crystalline and her flowers were white carnations.

Best man was Fred Stigaulde, uncle of the bridegroom, and ushers were Don Donaldson of Andrews and Bob Donaldson of Clovis, brothers of the bride. Marilyn Aduddell of Lazbuddie sang "Always", and "Because", accompanied by Mrs. Gail Hoover, pianist, who also played other traditional wedding selections.

At the reception which followed, guests were registered by Patsy Marrow of Lazbuddie. The traditional tiered white wedding cake, decorated with deep red roses and topped with a bride and bridegroom figurine surrounded by a heart, and punch were served by Beverley Smith and Karen Smallwood both of Lazbuddie. The bride's table was covered with lace over pink and the crystal and silver appointments and the white tapers in crystal holders completed the table arrangements.

The bride attended school at Slaton and Lazbuddie and the bridegroom attended schools at Lazbuddie and Muleshoe. After their trip to points of interest in New Mexico, Mr. and Mrs. Stigaulde will be at home in Muleshoe.

The traditional tiered white wedding cake, decorated with deep red roses and topped with a bride and bridegroom figurine surrounded by a heart, and punch were served by Beverley Smith and Karen Smallwood both of Lazbuddie. The bride's table was covered with lace over pink and the crystal and silver appointments and the white tapers in crystal holders completed the table arrangements.

The bride attended school at Slaton and Lazbuddie and the bridegroom attended schools at Lazbuddie and Muleshoe. After their trip to points of interest in New Mexico, Mr. and Mrs. Stigaulde will be at home in Muleshoe.

At the reception which followed, guests were registered by Patsy Marrow of Lazbuddie. ## '59 Chevrolets On Display Here Next Thursday

DETROIT — The 1959 Chevrolets, dramatically restyled and boasting an array of mechanical improvements, will go on public display in the showrooms of C. & H. Chevrolet Co., Muleshoe dealers, Thursday morning, October 16.

As is customary with the company, the presentation here against a festive background of decorations will be held simultaneously with the introductions at other retail locations across the country.

The new models have been veiled in secrecy. Advance word from Detroit, however, describes them as "the most unusual in company experience." The passenger body carries a unique design and the cars will reportedly incorporate equally as progressive refinements in the chassis.

Representative models of the entire passenger car line and the 1959 lineup of 139 commercial vehicles are slated for the exhibi-

tion here. The "formal" announcement period will continue through the remainder of the week.

According to Chevrolet, a revision in series identification planned for the passenger cars. The Impalas, introduced with meteoric sales results as part of the Bel Air family a year ago, have been expanded into a complete series. Other models making their debuts will be new Bel Airs, Biscaynes and Station Wagons.

Chevrolet will bring out its new models in the wake of an extensive promotion and advertising campaign. The newspaper schedule alone covers 7,500 dailies and weeklies.

REPRESENTING THE MOST progressive change in Pontiac Motor Division's 51-year history is the Catalina Vista. The beautifully contoured Vista-Panoramic windshield and large, wrap-around rear window provide unparalleled vision for driving safety. Absolute simplicity in styling is achieved with the twin "air scoop" grille housing dual headlamps and a low, cleanly styled body, topped by a slim-line roof. Vista models are also featured in the Bonneville and Star Chief series.

## News Briefs From Muleshoe School

By Eugene Howard

**F. B. I. Staff Announced**  
The staff of the school paper, the FBI, has been announced. It is as follows:

Editor, Roxana Hart; associate editor, Gerald White; business manager, Donna King; sports editor, Jerry Gilbreath; assistant sports editor, Larry Allison; girls sports editor, Kay Davis; assistant girls sports editor, Betty Davenport; art editor, Theresa Thomas; gossip editor, Diane Fullerton; fashion editor, Sue Willmon; proof readers, David Douglas and Mike Connell; and corresponding secretary, Janet White.

Enrollment in Muleshoe Junior high school has reached the all time high of 269 (137 girls, 132 boys). Twenty-eight students who did not attend Muleshoe schools are now attending Muleshoe Junior High.

The FBI was dedicated to Alaska this week, and a copy was sent to the Governor of that state.

### Richland Hills

Frank Ford, principal, reports an enrollment of 593 students in the six grades at Richland Hills. They are supervised by twenty-one teachers, one librarian, and Ford himself.

A new improvement that has been added this week is music

in the lunch room during the noon hour. The music is voluntarily furnished by piano students who play the piano while the others are eating.

Mrs. Robert Jones, ex-teacher at Richland Hills, is now in Stuttgart, Germany, with her husband. She has received her recommendation and will begin teaching German children soon.

### HIGH SCHOOL

**Cast Announced For Junior Play**  
Dwayne Reeves, sponsor, producer, and director of the junior play for 1958 has announced his cast of characters. The play, entitled "Mollie O'Shaughnessy" is a fourteen character western melodrama.

The cast: Sheriff Mike O'Shaughnessy, Leland Dean; Deputy Tobacco Pete, James Ethridge; Deputy Olaf Hanson, B. H. Wagon; Fred Beamis, Max King; Harve Dietrich, Robert Robinson; Mollie O'Shaughnessy, Nancy Julian; Katie Richmond, Priscilla Inman; Mrs. Loftus, Charlene Volkman; Jed O'Shaughnessy, Derrell Oliver; Pat Clancy, Tommy Thomson; Mrs. Richmond, Jeanie Garrett; Amanda Wiesenheimer, Rosemary Richards; and Tessie Wiesenheimer, Laquanna Stone.

The play will be presented on December 1 and 2 in MHS auditorium.

### General News

Several excellent films, sponsored by the Cancer Society, have been shown to students of MHS this week. They were presented in conjunction with the Bailey County Cancer Society.

As always, the office is supplying five colleges in nearby cities with names of all graduating seniors. The colleges will mail literature to the seniors, inviting them to visit them or write for more material.

The Student Council is busy with plans for the Homecoming and freshman initiation, which will occur the week of the 17th. There will be a bonfire on Thursday evening, October 16; a large pep rally at high school on Friday, as well as the freshman initiation all day Friday, and finally, the game with the Olton Mustangs Friday night, October 17 at Benny Douglass stadium.

### Music Department

Something unusual will be seen at half time this Friday night, according to Paul Summersgill, Muleshoe band director. Instead of performing separately, the Muleshoe "Mighty M" band and the Friona high school band will collaborate and perform simultaneously. The Friona band will be under the direction of Richard Bentz, who went to school with Paul Summersgill.

The Homecoming half-time ceremonies will feature not two but four bands. In addition to the Olton high school band and the Muleshoe high school band, the Olton cadet band and the Muleshoe cadet band will also perform.

The Teenage Revue, sponsored by and presented by the music department, is shaping up satisfactorily. The first two acts are

## Pupils Essays On Fire Prevention

The Journal here prints two essays on fire prevention and safety written by students of Richland Hills elementary school. They follow:

### THE WAY YOU SHOULD BE CAREFUL

By Cindy Davis

When there is a fire anywhere you should get some water and put it out. You should not put your hands on the fire. Be careful not to burn yourself when you are putting the fire out.

When there is some grass on fire you should put it out, too. Or when you see some children playing with matches you should tell them not to do it.

### MY FATHER WAS CARELESS

By Jerry Lumpkin

My father was working one day. He was working on a motor. He was just fixing to wash the motor when my sister walked outside.

complete, and regular rehearsals are being held. The Revue will feature specialty acts such as "Birth of the Blues" by Lyndal Fletcher, vocalist, accompanied by the Mighty M stage band.

He went to get some kerosene. But there were two cans alike. One contained gas and the other contained kerosene.

He picked the wrong can. When he poured the gas on the motor, it blew up in his face. A man who worked in the shop tore daddy's shirt off of him and took him to the hospital. This taught daddy a lesson.

### WINS TOASTMASTER AWARD IN AMARILLO

Jack DeShazo, formerly of Muleshoe, won the Speaker of the Week cup at the October 1 meeting of the Amarillo Toastmasters club, speaking on how auto insurance costs too much. He is the son of J. J. DeShazo of this city.

**Don't be a statistic!**

According to highway safety authorities, most serious automobile accidents happen at night. Poor visibility is an important cause.

Now that the days are getting shorter, it's a good idea to make sure that your car's headlights are properly focused and bright enough, and that your taillights and turn indicators are functioning properly. Your Phillips 66 Dealer will be glad to help you keep the lighting equipment on your car in top condition. Also, he has the fuses and sealed-beam units to fit your car.

If you possibly can, try to arrange your trips so that night-driving is kept to a minimum. When driving is unavoidable, take it easy, and the first time your eyelids get heavy, pull over to the side and get some rest. The life you save may be your own!

## Bula News Briefs

by Mrs. John Blackman

Guests this week in the home of Mr. and Mrs. Leo Holt are Mrs. Holt's sister, Mrs. Albert F. West of El Paso, and Mr. and Mrs. Joe W. Davis and daughter, Jo Ann from Gardena, Calif.

### Class Rings Received

The Bula seniors received their rings Tuesday of last week. A very pretty ring, yellow gold with a ruby set, centered with the Bulldog emblem and flares from the sides bearing the year and initials.

## REMEMBER WHEN?

by JOHN CROW

When he retired he became one of baseball's most popular announcers, famed for the way he mangled the English language . . . but in his prime he was a pitcher that no batter liked to see on the mound in a tough spot.

Dizzy Dean was a loud mouth, a braggart . . . but he had the stuff to back up his boasts. Do you recall when he had his greatest year? That was the season when "Me and Paul", as Dizzy referred to himself and his brother Paul, were the aces of the St. Louis Cardinal staff . . . and he pitched the Gashouse Gang into the World Series.

Dizzy had himself quite a year, winding up the season by winning thirty games! Then "Me and Paul" capped off their greatest season by whipping the Detroit Tigers for the World's Championship. Old Diz shut them out 11-0 in the final game to climax the year.

Remember the year? That was a time when many a man had to struggle to keep the old car going . . . and good service at sensible cost was vitally important to him. He shopped around for mechanics who knew his car and could keep it in top shape.

The year was 1934. We're service specialists. Our factory trained mechanics have the know-how to give expert service . . . and they have the modern equipment that means faster, most accurate, more dependable repairs. For the finest in auto sales and service, see—

There are seven children in the immediate family and all were present for the occasion. Fifteen grandchildren, and all present but four.

### Birthday Dinner

Mrs. J. E. Layton surprised her husband Sunday with a birthday dinner in their home. Those to help J. E. enjoy the dinner were his parents, Mr. and Mrs. J. W. Layton, Mr. and Mrs. Harold Layton and girls, Pamela, Susan and Freda Gale, and Mr. and Mrs. Carl Hall.

Guests Sunday in the E. G. Gage home were Mr. Idus Gage, Mrs. Clinton Cox, Mr. Jack Gage and son Larry, of Whitharrel.

### Skating Party

Pupils of the 5th, 6th, and 7th grades enjoyed a skating party at the Morton Skating Rink Tuesday night. Mr. Jimmy Moore sponsored the group.

Mrs. V. C. Weaver and Mrs. O. H. Pierce spent last weekend with Mrs. Weaver's brother, Mr. and Mrs. Ike Maxwell at Las Vegas, N. M. While there they visited many points of interest near, and also attended the State Fair at Albuquerque on their return home.

Rev. and Mrs. John T. Boone enjoyed having all of their children home over the weekend.

They were Mr. and Mrs. John T. Boone and children and Mr. and Mrs. Clark Boone and children from El Paso; Lloyd K. Boone, stationed at Niagara Falls, N. Y.; Mason Boone of Plainview, student at Wayland College, and a daughter, Mr. and Mrs. James Thompson and small son from Baytown, Texas.

### Church Board Meets

The Board of Education of the Methodist Church had a business meeting Tuesday night. Before the meeting, the group enjoyed an enchilada supper in the church recreation room. About 40 attended.

### Attend Funeral

Mr. and Mrs. W. A. Risinger attended the funeral Saturday morning at 10 o'clock at the funeral home in Floydada for Mr. Risinger's mother, Mrs. W. C. Risinger.

Mrs. Risinger had a mild stroke the first of the week and apparently seemed to be recovering well, until Thursday evening about 7:30 she was stricken with a more severe one, and died at 8:30. Her body was taken overland to Altus, Okla., for burial.

Mr. and Mrs. Jack Hicks were guests Sunday of Mrs. Hicks' niece and family of Olton, Mr. and Mrs. W. R. Bean.

Dr. M. Earl Heard, Vice President in Charge of Research, West Point Manufacturing Co., Shawmut, Ala., left, and Edward W. S. Calkins, U. S. Rubber Co., Winnboro, S. C., are two of the outstanding textile representatives who will appear on program at the Cotton Spinner-Breeder Conference in Lubbock, Texas. The industry-wide cotton meeting, sponsored by Delta Council, is scheduled for October 21 and 22.

Who in the world built this beauty . . .  
the only car with wide-track wheels?

### EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known—in America's Number 1 Road Car!

# PONTIAC!

America's Number 1 Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac  
to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!

Come see why no other car can possibly be so new as the new Pontiac—three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

### 2 Great New Engines

If you love action—you get the liveliest on wheels with the new Tempest 420 V-8, acclaimed by automotive experts as America's most advanced power plant.

If you want the accent on economy, choose Pontiac's new Tempest 420E. This new V-8 actually delivers better mileage than many smaller cars with so-called "economy engines" . . . and it uses regular octane fuel.

**Airman Don Moore  
 Completes Basic  
 At Lackland AFB**

DON R. MOORE

Lackland AFB, Texas—Airman Don R. Moore, son of Jim M. Moore of 111 East 3rd St., Muleshoe, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training school for Aircraft and Missile Maintenance at Sheppard AFB, Texas.

Airman Moore is a graduate of Muleshoe high school and attended Texas Tech College where he studied accounting. He was employed as a film editor by KCBT-TV prior to entering the Air Force.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

**BOB JACOBS ATTENDS

**LT. LEWIS AT  
 FORT SAM HOUSTON**

FORT SAM HOUSTON, TEX.—First Lt. Charles G. Lewis, 23, whose wife, Sammye, and parents, Dr. and Mrs. A. E. Lewis, live in Muleshoe, recently completed a military orientation course for newly commissioned medical service officers at Brooke Army Medical Center, Fort Sam Houston.

Lieutenant Lewis, a member of Phi Omega fraternity, was graduated from Muleshoe high school in 1952 and Baylor University College of Dentistry in 1958.

**Ten Drunks On  
 Police Blotter**

The criminal life in Muleshoe during the past weekend centered around drunks, with four brought before JP Judge Joe Vaughn and six lodged in county jail.

Other charges filed in JP court included two theft, and seven traffic violations.

Jailees were in for drunkenness, two DWI, one carrying a concealed weapon, and two investigation of theft.

What doth the Lord require of thee but to do justly, and to love mercy, and to walk humbly with thy God? —(Micah 6:8.)

For all the greatness of His love and mercy to us, God requires so little of us—and yet some of us find that little so difficult. We find it so hard, even while doing justly, to be merciful to those less fortunate, to be humble in our proud self-assurance.

**Bobcats Halt Mules 18 to 0**

The penalty-ridden and injury-ridden Mules bowed to the thundering Dimmitt Bobcats Friday night 18-0 in a game played at Dimmitt.

The Mules received the kickoff and on the first play from scrimmage received a penalty, likewise for the first four or five downs. Oliver got away a beautiful quick-kick on third down that rolled to the Bobcat 2-yard line but the red flags were down.

Dimmitt scored their first touchdown from the Mules' 7-yard line after a miscue in try-

ing a hand-off on a double reverse.

The second Dimmitt score was a 35-yard pass and run play that set them up for business on the Mules 20. The third touchdown came in the fourth quarter.

The Mules' line played good ball on defense for a half. Then the heavier and more experienced Bobcat line begin to tell on the Mules forward wall. The Mule backs had trouble all night trying to evade the onrushing Dimmitt ends and linemen in

their own backfield. No holes seemed to open to break (Sputnik) Shafer, Shanks or Corrales through, as they all were held for short yardage each time they carried the ball.

Derrell Oliver was the top ground gainer for the Mules with his bull-like running and hard-charging.

Twice the Mules came close to the Dimmitt goal line. The first time they were on the Bobcat 20 with fourth down and two to go. Oliver hit the middle of the line

but was stopped a yard short of the first down. The second time the Mules had driven down to the Dimmitt 9 with first and goal. Again, fumbling on a pitch-back, the halfback fumbled and Dimmitt recovered on their own 12.

Two mainstays in the forward wall for the Muleshoe Mules were out, due to a virus. They were Jack Wright, left tackle and Ronald Julian, left guard. Wright is the only returning starter for the Mules on the line this season.

**TO PANHELLENIC COUNCIL**

Elaine Evans, daughter of Mr. and Mrs. E. W. Evans of Muleshoe, has recently been elected Panhellenic junior representative from her sorority at Texas Tech.

Elaine is a pledge of Delta Gamma sorority, and is a 1958 graduate of Muleshoe high school. In high school she was a cheerleader for four years, a member of the Student Council, Spanish and Speech clubs, and attendant to the football sweetheart.

**Mules With 3-1-1 Record  
 Face Friona Chiefs 5-0**

The once-defeated Muleshoe Mules travel to Friona Friday night to tangle with the Friona Chiefs. This will be the first time that Muleshoe has ever played a Friona team, although they have scrimmaged with them several times in the past before the regular season.

The Mules, smarting from an 18-0 setback at the hands of the powerful Dimmitt Bobcats, will be out to regain the win column against Friona, who has a perfect record this year, 5-0.

Jack Wright, 175 pounds left tackle and Ronald Julian, 175

members of the congregation on the subject of giving. Results of these interviews are condensed and published in the bulletin each Sunday.

The newspaper committee, which includes Roy Kelley and Betty Cowan, prepares a weekly news story on the plans and progress of the campaign publication.

**Bulletin And Paper  
 Committee Work on  
 Roy Farrow Plan**

Two of the important committees working within the framework of the education division of the Roy Farrow campaign of the Muleshoe First Methodist Church membership to raise \$54,000 include the newspaper committee, headed by Connie Dale Gupion, and the bulletin committee with Mrs. Gil Lamb as chairman.

The church bulletin committee members include Mrs. Arnold Morris, Mrs. Betty Wislan, Mrs. A. W. Copley and Leon Blair.

The bulletin committee seeks out and interviews at least two

pound left guard, who didn't see any action in last week's game because of sickness, are doubtful starters for tomorrow night's game. Their absence in the line was a telling factor in the loss to the Bobcats, as Jack is the only starting lineman from last year's squad.

Game time is 8 p.m. at Friona. Let's all go to the game and show the Mules we are behind them in every game they play. So far this season Muleshoe fans have really followed their team and been behind them in every game they have played.

## Sandhills Philosopher Amazed . . . To Find Out Russian People Like Money The Same As Rest Of Us

Editor's note: The Sandhills Philosopher on his Johnson grass farm believes he has found out something new about Russia, his letter this week indicates.

Dear editor:  
When it comes to Russia, I don't know anymore about it than the foreign policy experts in Washington, but I was reading an article in a newspaper last night that has me stumped.

According to it, the Communist bosses in Russia have discovered that they get more production from individual workers when they give them a pay boost for extra work or for taking on more responsibilities.

"It is now maintained here that more and more profits can be settled with offers of cash rewards," Premier Krushchev announced.

This bowled me over, or would have if I hadn't been stretched out on a couch when I read it.

You mean to tell me that the Russian people are after all human? You mean to say they like money the same as us capitalist Americans?

Up to now, I had been led to believe that the Russians worked strictly for the satisfaction of seeing a five-year plan completed, and as soon as they got one finished they were miserable until their bosses announced another one. As I understand it, a Russian wasn't interested in getting

his hands on any money of his own, all he wanted was a place to work, a picture of his dictator hanging on the shop wall, and a pallet to sleep on at night, where he could dream happily about how much bigger their satellite was than ours.

But if the Communists are finding out money talks in Russia like it does around here, this opens up a brand new field of speculation. You start letting people have money, and the first thing you know the women will be going to beauty shops and swapping gossip, families will be demanding bath tubs and hot water, boys will start playing football, girls will start getting style-conscious, men will start buying fishing tackle, and before long somebody will turn up in the neighborhood with an automobile and then the dam has busted.

If the Communists ever let the people get a taste of money and the advantages of getting ahead, the game is up. Scientific production is fine, but living is more fun.

And to tell you the truth, despite how hard the Russian farmers worked the state land, I've always suspected most Russian farmers would swap all the satellites Russia will ever launch for one piece of land they could call their own.

Yours faithfully,  
J. A.

## Today's Meditation

Read Colossians 3:14-17.  
For as we have many members in one body, and all members have not the same office: so we, being many, are one body in Christ, and every one members one of another. (Romans 12:4, 5).

Last year two Japanese youths were among those who attended the East Asian Journalism Seminary in Manila. One Sunday morning we went to church together. The language used was Pampango, one of the many dialects spoken in the Philippines.

At the worship service later on, the guests were requested to say a few words of greeting to the congregation.

One of the young men stood up and spoke in English. He said, "We have not understood much that has been spoken or sung here this morning, except two words: Cristo and Amen. But those words have made us feel a deep sense of belonging. We have caught the message that we are all one body in Christ, and our hearts have echoed 'Amen.'"

How wonderful that Christ binds together in the spirit of brotherhood all men who love Him! Difference of race, culture and social class fall away; there is oneness in Christ!

**PRAYER**  
Our Father, we thank Thee for the gift of Thy Son, Jesus Christ. We thank Thee that through Him all men can be one. Will Thou help us to feel that deep sense of belonging to Thee and to one another. In Jesus' name we ask it. Amen.

**THOUGHT FOR THE DAY**  
In Christ true hearts everywhere find fellowship.  
—Remedios Asencio Totaan (Philippines)

## Babson Again Discusses THE BEST INVESTMENT

En Route to Africa, Oct. 9—My recent column on the value of waterfront property stirred up so much interest that I have written two more columns on the subject so as to have them published while I am out on the ocean "surrounded by ocean front". Let me repeat, however, that waterfront property refers not only to land bordering the ocean; but also to land bordering rivers, lakes, and other water bodies where you can enjoy an outboard motor. This is property which will be more valuable ten years, thirty years, fifty years, or

a hundred years from now. There will be little more natural waterfront than now exists.

This is the surest way an inmate who paid \$7.20 an acre for 1000 acres has been offered \$100 an acre for that land because it vector can make money with real security, assuming he is able to take care of the taxes on said land. Of course, the taxes can usually be added to the original cost so that the investor gets his tax money back when he sells the property. It, however, is better if he can rent the land, or cut wood from it, or otherwise get

## Illustrations of Possible Profits

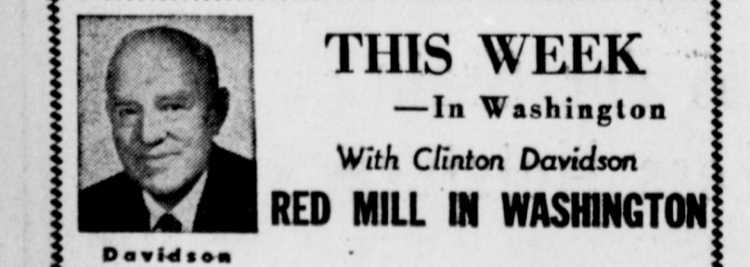

A correspondent who paid \$12,000 for some land has recently been able to sell the same to a cement company for \$150,000. This property gave the cement company a much-needed shipping point. A granddaughter of borders a lake. Many land owners in Florida have been willing to pay \$500 an acre for small strips to enable their cattle to get to water. The builder of a motel on the coast of Massachusetts has paid \$50,000 for land which the seller had bought for only \$1,000.

The builder of a supermarket has paid a fabulous price for the land between a main highway and a lake which is surrounded by numerous cottages. This location enables the supermarket to serve people who come in motor boats as well as those who come in automobiles. A New England lime company recently paid a high price for some shore property in order to get access to the water. In addition to the above instances, there are cases where the land itself, aside from its location, has become valuable due to the discovery of gravel, lime, bauxite, or other minerals,—yes and for timber.

## Importance of Dredging

Much money has been made by dredging swamp and other now useless land. The value of dredging has not yet been recognized in most states other than Florida. It is usually most profitable to dredge through a swampland which is unfit for building. A dredger scoop or a "sucker" takes dirt from the edge of the river or creek and throws it up onto the marshland, making beautiful sites. In many cases, this dredging also makes a small harbor or marina out of a useless bed or water. Every state probably has hundreds of such opportunities which are now neglected. Such waterfront would be in addition to the natural waterfronts, of which, as I have previously stated, there will never be more than exists now. The dredging of lakes and rivers would probably not add more than 10% to the existing waterfronts which are now usable.

Land which some day will be needed for watershed purposes could become very valuable. As the population increases, as industries grow, and as people become more accustomed to comforts, the demand for water will increase everywhere. This will apply not only to cities, but also to small towns. In many cases, the municipal water supply depends upon reservoirs with their surrounding watersheds. These watersheds must constantly become more valuable. Even those cities which drill wells for their municipal water supplies are finding that wells drilled near existing fresh water bodies are the most prolific. Of course, my reference here applies only to rivers and lakes,—not to sea water, which is salty.

## THIS WEEK —In Washington With Clinton Davidson RED MILL IN WASHINGTON

One of the four basic freedoms of our democracy, the freedom of the press, is being used in Washington in an open and avowed plot to destroy a form of government which protects that freedom.

The Russian government has brazenly moved into Washington a large corps of highly trained Communist propagandists for the purpose of influencing American officials and the public in favor of communism.

This red mill has for several weeks been missing our freedom of the press to print and mail a large volume of "press releases" from behind the closely guarded doors of the Soviet Embassy at 1706 18th St., N. W.

The Russians operate under all of the protections accorded our free press, but under none of the restraints that might subject them to libel action for their lies. Tons of Communist propaganda are put into the mail at rates which require U. S. taxpayers to subsidize a part of the costs.

**A Free Press**  
A call to the Russian Embassy to obtain an explanation brought the response that this is a "free country" and that the issuance of press releases by a foreign government was "perfectly legal," and besides what "is wrong with making the American people aware of our views?"

Why, then, we asked, does Moscow spend millions of rubles to jam our Voice of America broadcasts to the Russian people? There was a silence and then the phone clicked.

At the U. S. State Department we were told that we have made "diplomatic inquiry" of the Russian

government whether we would be permitted to establish a similar propaganda agency in Moscow, but that no reply had been received.

Meanwhile, the red mill continues to operate full blast within sight of the White House under the same freedom granted the American press, but denied these same propagandists in their own country.

**The Soft Touch**  
We have before us a typical "release" from the Russian Embassy press department. It is mimeographed on nine pages, single-spaced. Embassy spokesmen refused to reveal how many names are on their mailing list.

The release follows closely the current "Moscow line." The objective seems to be to convince Americans that the "peace-loving" Kremlin earnestly wants us to regard the Communists as close friends of America.

The lead "news item" features the "impressions" of a recent visitor to Russia, Adlai Stevenson. The story identifies him as "the leader of the Democratic party in the U.S.A." and reports that he was "deeply moved by the friendly attitude of the (Russian) people."

"Peace and friendship were the words he heard constantly," while in Russia, the release says. It adds that he "left the Soviet Union 'filled with gratitude to the people of this great country,' and that he had 'no doubt that the people of Russia sincerely wished for peace and friendship.'"

What the release didn't say, but Mr. Stevenson did after returning, is that he had some quite different impressions about the Russian dictators.

During his brief speech, the Congressman told of his dealings with our last three Presidents, Roosevelt, Truman and Eisenhower. He was able to elaborate more on Eisenhower, as he is better acquainted with Ike than he was with either Mr. Truman or the late Mr. Roosevelt.

An interesting sidelight on Mahon's visit is the fact that another public figure, Senator Andy Rogers, was also in Muleshoe Thursday. Rogers didn't make it to the high school, but he and Mahon shook hands and talked for a short while Thursday afternoon.

Muleshoe high school received an unexpected visit from a distinguished public figure, State Representative George Mahon, last Thursday. While at high school, the Congressman spoke to an assembly of the student body, conducted a question and answer forum, ate in the school cafeteria, received a free shoe shine, and shook hands with several students and teachers.

Arriving unannounced shortly before 11:00, Mahon and his wife were welcomed by principal Bill Parker. Parker immediately called for an assembly of all students in the auditorium, and introduced the Congressman to the student body. Mahon had not prepared a speech, so he spoke briefly on several topics such as his duties as chairman of the Armed Forces Appropriations Committee, his dealings with our last three Presidents, and

then conducted a "Washington Wants To Know" forum, with the student body as panel and himself as moderator.

During the panel discussion, the Congressman asked several questions on such subjects as public figures, current events, classical music, and governmental affairs.

The Mahons dined in the school cafeteria as guests of the school. They enjoyed their meal and complimented the lunch room staff. Mahon remarked that the food compared favorably with any that he had been served in Washington, D. C., or anywhere else.

## Algae and Bacteria Found In Irrigation Wells Over High Plains Water District

According to the High Plains Undergrround Water Conservation District, many High Plains farmers have discovered that a slimy, gelatin-like substance is growing in their irrigation wells. The substance is reported to be a combination of blue-green algae and iron and sulphur bacteria. This report comes from Dr. J. K. G. Silvey, Director of the Department of Biology at North Texas State College in Denton.

The Water District is gathering samples of the slime and shipping them to Dr. Silvey for analysis; however, the District has not published recommendations for control and prevention of the growth.

The importance of the algae and bacteria contamination of irrigation wells is the fear that it may become concentrated in a well and clog the perforations in the well casing or even the pore spaces of the water-bearing formations itself. Should this occur, and it may well be that it has occurred, the well would not yield the quantity of water it normally would be capable of producing.

Word has been received from

almost every section of the southern High Plains reporting that the substance has been observed. Included are the Lockney, Tulla, Slaton, Tahoka, Levelland and Springlake areas. Also, the growth has been noted in central Parmer county and in southern Bailey county.

The Water District further reports that a meeting will be held in the very near future to discuss plans for launching a large-scale research program. Research is needed to formulate recommendations for treatment of wells that are now contaminated and for prevention of the growth in wells not yet contaminated.

Anyone who discovers a foreign substance in his well or pump, or who notices alien matter suspended in his well water can assist in the research program by contacting the High Plains Water District at 1628-B 15th St., in Lubbock.

## SOIL CONSERVATION DISTRICT NEWS

### OUR SOIL ★ OUR STRENGTH ★ TERRACING

By C. L. Girdner  
Use MAT HEAD

Terraces are recommended only for land that is suitable for cultivation, and slope and permeability are such that runoff occurs. Most of the soils that have over a one percent fall in Bailey county need terraces.

Terraces are used mainly for dryland farms, but several farmers who have small wells and are using sprinkler systems are planning to terrace in order to get maximum benefit from rainfall. S. H. Pierce, who lives north of Circleback, plans to terrace his irrigated farm this year.

The advantages of terraces are that they reduce the length of the slope by allowing the water only to run the distance between terraces and not building to enough volume to cut gullies between terraces. Terraces reduce soil and water losses by preventing soil from being moved from the field.

The majority of the soil that is moved accumulates in the terrace channel. Water is held in the terrace channel and released slowly and allows a maximum amount to be absorbed by the soil for further plant use.

Terraces also allow land that would otherwise be too steep, to be farmed. Terraces in combination with other practices such as contour farming, stubble mulching, cover cropping and proper tillage methods will work to gether successfully for increasing crop yields. These combined practices eliminate nearly all erosion, by maintaining or increasing the organic content which increases fertility and water holding capacity.

Terraces alone will never be

the answer to farming step land. There is no replacement for good rotation in maintaining soil structure and fertility.

Terraces can make money by increased crop yields alone, but it is not wise to just consider more money. We want you to consider the most important phase of the problem: how much money are you losing with each inch of productive top soil, in each gully, and each inch deposited in a lake bed or on a productive low land area?

## LONE STAR AGRICULTURE

**Texas Jaycees Search For Outstanding Young Farmer**

The Texas Junior Chamber of Commerce's annual search for the year's "Outstanding Young Farmer" is now underway, and Jaycees over the state are urging communities to nominate local farmers between 21 and 35 years of age who they feel deserve special recognition.

Any Texas farmer within the proper age limit is eligible for the "Outstanding Young Farmer" title, and any community group can sponsor any young man of their choice for the honor. Basis of judging in the state-wide contest will be progress in farming, soil and natural resources conservation practices and personal efforts toward community betterment.

From community nominees, a panel of judges will select the Outstanding Young Farmer next February. The winner will be guest of honor at a state Jaycee-sponsored banquet and will receive an all-expense trip to the National Awards Program in Cedar Rapids, Iowa, next April, where the nation's four top young farmers of 1958 will be selected. The national program is sponsored by the U. S. Junior Chamber of Commerce and the American Petroleum Institute

## Parmer County Farm Bureau News

All of you people who have not filed on your tractor and combine gas tax exemptions within the last thirty days should come in at your earliest convenience. You will all receive another notice next April, none between.

Your wife, son or daughter can sign the affidavit for you if you do not have time to do it yourself. Refunds still amount to a total of over \$25,000 per year in Parmer county. You are the only one who can claim your share.

If there are about 25 people who would like to become Farm Bureau members this month, Jack Patterson and the rest of the membership would be real happy to have you come in. That would give PCFB its quota of 650 members for November 1, 1958, and seven votes in the state convention.

The weed committee met last week to discuss the possibility of an agreement with the commissioners court to treat all bar ditches in the county with sterilant as a measure to cut down the spread of Johnson Grass. It is, of course, impossible to stop

Committee on Agriculture. Outstanding young Texas farmer for 1957 was Johnnie E. Stefk, of Caldwell, a cattle, dairy, cotton and grain farmer.

Further information on the young farmer contest can be obtained by contacting any local Junior Chamber of Commerce office of by writing to Mr. Joe Smetana, Chairman, Agriculture Committee, Junior Chamber of Commerce, Perry-Brooks Building, Austin, Texas.

man of the committee. This is being written prior to the annual convention, but we know that a rather new subject was in for some discussion Monday night. It is the future of wheat and its producer. All evidence points to the fact that there is to be either a drastic cut in wheat acreage, or a lowering of support prices to allow it to flow more freely into the feed market. Its use has given way to cheaper feed grains, sorghums and corn. People don't eat enough of it to consume the vast productions of recent years.

CONSIDER THIS: He that walketh in his uprightness feareth the Lord; but he that is perverse in his ways despiseth him. —Prov. 14:2.

## Poor Food Habits Common Cause Of Poor Nutrition

Poor food habits and practices are the most common causes for poor nutrition. Extension foods and nutrition specialists say that many folks fail to eat enough of the protective foods such as vegetables, fruits and proteins, including milk. Others are guilty of overeating, particularly rich

non-essential foods. Poor food preparation which results in loss of food value is another cause for poor nutrition. Hasty meals and the failure to take time to eat in a relaxed, enjoyable atmosphere can result in diet deficiencies and poor digestion of food. In some instances, failure to plan for good nutrition because of lack of knowledge or effort may be responsible for poor nutrition.

Poor food and practices can be changed. Information on good nutrition is available to all. Start by checking your family's diet and food habits.

The Texas Food Standard is a recommended guide for planning for daily family needs. Get a copy from your county home demonstration agent, or write the Agricultural Information Office.

## Correct Weight On Electronic Scales

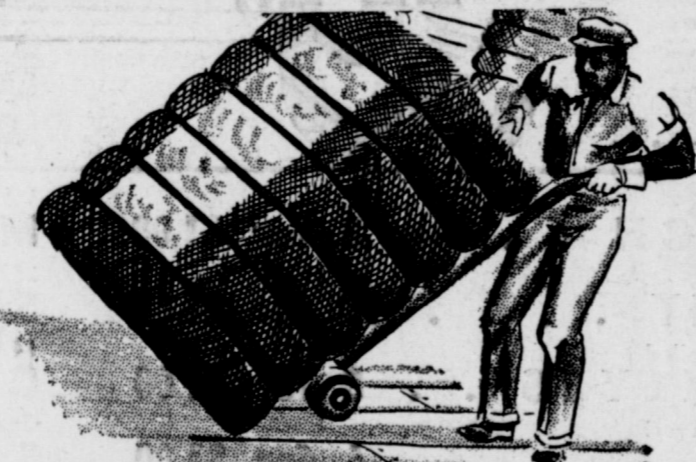

Another important service provided the cotton farmer in this area by Union Compress and Warehouse Co. is the recently installed electronic weighing system for accurately weighing each bale received.

This system eliminates the element of human error, and makes sure that you receive exact weight of each bale brought to us for handling.

The installation of electronic weighing is just one of many services provided its customers by Union Compress and Warehouse Company.

And at no extra charge. Our motto, "Nothing To Sell But Service", means just that.

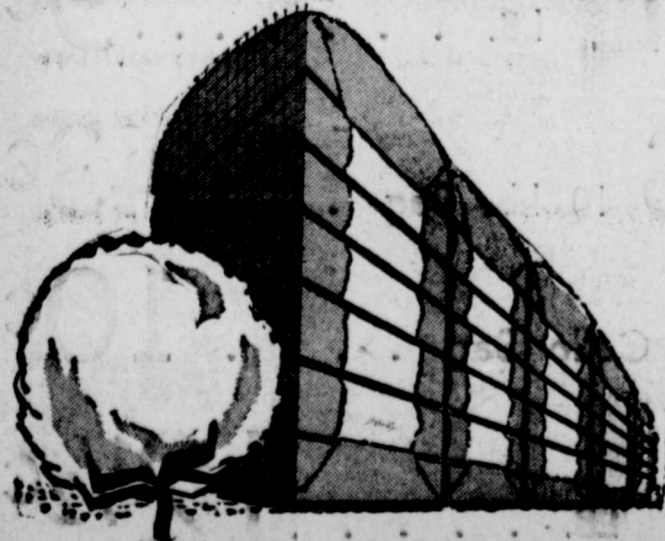

You pay only one charge, for storage. There are no extras, no hidden charges, nothing "tacked on" to your storage bill.

You can rely on Union Compress and Warehouse Co.

## LAZBUDDIE NEWS LETTER Homecoming Attended By 307 Exes Friday Night

By Mrs. Clyde Monk

The Lazbuddie homecoming dinner was a success in the opinion of the three hundred and seven who were able to attend. Old friendships and acquaintances were renewed while the ex-students and former teachers were enjoying the barbecue dinner. After the meal was served, the group assembled in the school auditorium where James G. Ward, the present superintendent, welcomed all former teachers and students.

There were representatives of all graduating classes from 1931 through 1958, except for two classes. Fifteen students were present who had attended the first school that Lazbuddie ever had. This being in 1926 when two small buildings were moved to a central location and began what is now Lazbuddie School.

The group recognized each former teacher, by presenting them with a long stem flower. Mr. and Mrs. E. R. Haskins, Waltham, Texas, were given a hand bouquet of long stem bronze mums for their being the earliest teachers present. Mr. Haskins was the third superintendent of Lazbuddie School, coming here in 1929 and remaining until 1935. Mrs. Haskins was the first grade teacher during their stay at Lazbuddie school. Mrs. Billie Jones Simms, Canyon, and Mrs. Grace Jennings Gammons, Lazbuddie, were teachers present who taught school at Lazbuddie while Mr. Haskins was superintendent.

L. O. Hamilton, Guymon, Okla., was the only other former superintendent present. He headed the Lazbuddie school in the year 1944-45.

Two former coaches, George Graham, Abilene, and Corell Brown, Lubbock, were present. Other former teachers present were Mrs. Mary Prather Gilliland, Hereford; Hortense Hudnall Poteet, Dimmitt; Mrs. Charley Gressett, Westbrook; Lillian Tarter Morris and Letha Harwood Gammons, Lazbuddie.

Recognition was given to students of all classes, then a box of candy was given the one who came the farthest distance and the one with the most children. Mr. and Mrs. Don Briggs received the gift for coming the farthest, having come from Ft. Worth, while Mr. and Mrs. T. L. Dent, Earth, Texas, received the award for having had the most children.

A business session followed, where it was voted to organize an Alumni Association of the Lazbuddie School. Mrs. Lillian McCurdy Smith was elected president, with Mrs. Christine Gammons Ivy, vice-president and Kenneth Precure, sec.-treas. The group voted to have bi-annual meetings with the meeting coming in the month of August each time. Also that the dues would be one dollar per family, to be paid bi-annually. An effort will be made in the near future to contact all former students and teachers to determine if they wish to become a member.

Hiram Humphrey from Vancouver, Wash., visited last week in the home of his niece, the Davis Gulleys, and with other relatives in this part of the country. Mr. Humphrey is 80 years of age and has been on a three months trip through Colorado, Illinois, Indiana, Arkansas, Kentucky, Oklahoma, and plans

to visit in California before returning home. Mrs. Gulleys says it was a boost to one's morale to see a person at that age so full of "vim, vigor and vitality".

Recent visitors in the J. B. Thomas home were Mr. and Mrs. Virgil Echols from Clovis and Mrs. Dave Anders and children from Muleshoe.

Mr. and Mrs. Tooner Coffman and girls, Peggy and Lynn from Amarillo visited Saturday with the Duane Darlings.

Sunday visitors in the home of Mr. and Mrs. O. M. Jennings were Mr. and Mrs. Leonard Duncan and children from Hale Center, Mr. and Mrs. Cecil Malone and family, Hereford, and the Bill Jennings family.

Mr. and Mrs. Alton Morris and family were in Portales Sunday visiting his parents, Mr. and Mrs. J. W. Morris.

**Family Get-Together**  
Mrs. F. B. Gaede from Limon, Colo., visited this past week with her sister, the R. L. Kimbroughs and other relatives. On Sunday the family had a get-together with Mr. and Mrs. J. S. Horsley in Muleshoe. Those present besides Mrs. Gaede and the Robert Kimbroughs were Mr. and Mrs. Bob Kimbrough and children.

Mr. and Mrs. Sig Kimbrough and family, Mr. and Mrs. Lee Kimbrough and children, Bovina, Mr. and Mrs. Ed Nickels and children and Mr. and Mrs. Finis Kimbrough.

Jim Roy Daniels from Oklahoma State University was home over the weekend with his parents, the Roy Daniels, Mr. and Mrs. Reese Wilterding and children also visited with the Roy Daniels over the weekend and attended the homecoming supper.

Mr. and Mrs. Joe Lewis and children from Meadow visited Sunday in the Raymond McGehee home.

Mr. and Mrs. L. B. Hambricht spent the weekend in Midland with their daughter, the B. J. Trimble. Mr. and Mrs. E. E. Mason accompanied the Hambrichts to Big Spring where they visited a daughter, Mr. and Mrs. J. W. Phillips.

Mr. and Mrs. Deller Wenner and Mrs. F. L. Wenner spent a couple of days last week in Dalhart visiting Mr. Wenner's sister, Mr. and Mrs. E. L. Merriott.

Mr. and Mrs. Cordel Brown and Corky from Lubbock visited Sunday with his brother, the Andy Browns. Their mother, Mrs. J. H. Brown, who has been visit-

Vanda Jones, Miss National Press Photographer, reminds that October 1 to 8 is National Newspaper Week.

Max Horsley spent a night in the Muleshoe hospital last week but is up on the go again.

Mrs. Ruth Long and children from Hereford spent the weekend with her mother, Mrs. W. S. Menefee. On Sunday others visiting with Mrs. Menefee were Mr. and Mrs. Joe Cox and children from Farwell and Mr. and Mrs. Bert McGehee and family. The McGees have been living at Grants, N. M., but left Monday for Los Angeles to make their home.

Recent visitors to Dallas were Mr. and Mrs. I. V. Pierce and Dorletta. They were accompanied by her parents, Mr. and Mrs. John St. Clair and Juanita from Pleasant Valley community.

Mr. and Mrs. Homer Reagan and children, Vicki and Billy Joe and Bobby Ball from Dalhart attended the homecoming and spent the weekend with the Jack Smith family.

Mr. and Mrs. L. O. Hamilton from Guymon, Okla., spent Saturday night with the John Gammon family after attending the homecoming dinner. Hamilton is a former superintendent of the school here.

Take Backache Out of  
Cleaning Jobs

Do you usually end up with an aching back on cleaning days? If so, you may be interested in a study made by the Rhode Island Experiment Station. Several types of cleaning equipment were used by tall, average height and short homemakers for various regular cleaning jobs to find the easiest and best methods.

Vacuum cleaners under low furniture proved one of the more ing here the past week, returned home with them.

**Layette Shower**  
A layette shower honoring Mrs. Arnold Peterson of Lubbock was held in the home of Mrs. E. A. Parham Tuesday afternoon. Those assisting Mrs. Parham with hostess duties were Mmes. Gordon Duncan, C. D. Gustin, Raymond Green, Deboe Carpenter, Jack Smith, and Theron Vaughan. Garden flowers were used throughout the house.

Mrs. Ernest Nowell assisted her daughter in opening the gifts and each were presented corsages of baby needs tied with ribbon. Individual white cake squares topped with pink and blue decorations were served. Others signing the register were Mmes. Hubert Elliott, Willie Steinbock Rhiney Steinbock, Alton Morris, Barney Floyd, Gene Smith, and N. M. McCurdy. Also Katherine Smith, Jan Nowell, and Kay Ann Smith.

Mr. and Mrs. Ernest Moothart, Morrison, Ill., and Mr. Fred Scott from Denver, Colo., are visiting this week with Mr. and Mrs. Alfred Scott and other relatives.

The Lazbuddie community was represented at the Lubbock Fair with a great number each day. On Friday Peggy Carrell was seen with Jenny Lynn Steinbock taking the fair in and taking advantage of all the glitter in celebration of Peggy's birthday.

**P-TA Meets**  
The Lazbuddie P-TA met Monday evening in the school auditorium with one of the largest crowds ever in attendance. Mr. Byers' music class was on the program and the first six grades presented several numbers that was thoroughly enjoyed. Parents as well as students are very proud of this additional subject being taught this year. Piano selections were presented by Sue Pinckly, John Gulleys, Linda Monk, Charlotte Seaton, Marianna Gammon, Marsella Mayfield and Brenda Mason.

difficult jobs. The study showed that it is much easier to kneel on one knee so that you can see and reach the area to be cleaned and use the stronger leg muscles instead of the back muscles for lifting.

Arrangement of furniture counts, too, in easy cleaning. About four feet of free space is needed in front of any item of furniture that stands close to the floor in order to run the vacuum tool underneath conveniently. Exactly how much space is needed depends somewhat on the type of cleaner and the clearance under the furniture. That is another point to be considered when buying furniture. The choice would be furniture built to the floor or with considerable clearance above it.

How you use the cleaner on the floor counts, too. Many women try to push the cleaner as far as they can reach. Bending, stretching and back strain can be saved by keeping each stroke within easy reach and stepping back and forth with each stroke.

### Food and Nutrition Briefs

Crisp plump kernels of walnuts and whipped cream make a fine finishing touch for fresh fruit salads; and this easy topping is equally good on cake, gingerbread, fruit gelatin desserts, chiffon pie or a sauce dish or pink rhubarb. Use this quick garnish to glamorize simple fare. You'll like the crunchiness walnuts give soft drinks.

For a savory dinner bread try this. Spread sliced French bread lightly with mustard flavored mayonnaise mixed with a little grated Parmesan cheese. Sprinkle with instant minced onion and heat in a hot oven until lightly browned. Moisture-free onion is always ready to use right from its container. This bread also is good for outdoor suppers. To prepare, just wrap in foil and brown over coals.

Here's a treat children will like. . . . Make chocolate fudge from a mix, stirring in 1 cup light or dark raisins. Shape the candy into balls and roll in flaked coconut. Yummy!

Along the sunny shores of the Mediterranean, cooks use olives, capers and anchovies to make salads interesting. For a patio supper salad, add their zesty flavors to chilled diced cooked potatoes and canned green beans, which have been marinated overnight in an olive oil, wine vinegar dressing. Add tuna chunks to make it a whole-meal salad. Serve with chilled sliced tomatoes and garnish with ripe olives that have been rolled in a little oil so they'll keep their glossy shine.

Eggs are available in various grades and sizes in most markets. Highest grades, A and AA, are ideal for cooking in the shell,

for frying, or poaching. The lower grades may be used for scrambling or used in cooked products. The shell color may vary from white to deep brown. This does not make a difference in the flavor, food value, or cooking performance of the egg.

## Christian Science Services

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Keynoting the Lesson-Sermon is this Golden Text: "Salvation belongeth unto the Lord; thy blessing is upon thy people" (Psalms 3:8).

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (206: 26-28): "Instead of God sending sickness and death, He destroys them, and brings to light immortality."

From the King James Version of the Bible the following will be read: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" (II Timothy 1:7).
