Tahoka, Lynn County, Texas, Friday, July 3, 1953

Number 40

Serving Tahoka and Lynn County Since 1903!

## Jim Burleson Gunshot Victim

Jim Burleson, 60, a Tahoka businessman for 27 years, was found dead at about 5:00 a. m. Tuesday. His body was in the driveway beside his parked car. A 12-gauge shotgun from which one shot had been fired lay nearby. The fatal blast had struck him in the face and head.

Funeral services were held Wednesday at 3:00 p. m. in the First Baptist Church, conducted by Rev. Lee Ramsour, pastor. Burial followed in Lamesa Cemetery under direction of Stanley Jones Funeral Home.

Neighbors reported having heard a shot between 9:30 and 10:00 p. m. Monday night, and it is believed this is when the tragedy occurred. Mr. Burleson had been in ill health for some time, in fact, he had been forced to retire from active management of his grain and elevator business about two years ago because of ill health. Then, more recently, Mrs. Burleson became seriously ill, underwent major surgery at Temple, and still is critically ill though able to be at her home. Friends said he had been brooding over these circumstances.

The entire county was shocked by his death, for he was one of the most highly respected citizens of the community and had no enemies.

Jim Burleson was a friend in need to many people. Quietly he has helped many when they needed help, was a liberal contributor to charity, and was frequently called upon for advice. During the last war, he wrote and sent presents to many service men overseas.

He was a member of the Masonic Lodge, served more than once as a director of Tahoka Chamber of Commerce, and contributed liberally to community and civic projects.

James Rufus Burleson was born May 24, 1893, at Goldthwaite, the son of the late Mr. and Mrs. John W. Burleson, who lived at Lamesa and Lubbock many years. He moved to Tahoka in 1926, and had lived here ever since. In addition to business property, he owned several farms and a nice home in Tahoka.

On May 23, 1931, he was married to Miss Imogene Galloway in Fort Sumner, New Mexico.

He is survived by his wife; one brother, O. O. Burleson, Slaton; and three sisters, Mrs. H. G. Donaldson, San Antonio; Mrs. W. L. Housour, Slaton; and Mrs. J. T. Simmonds, Lubbock.

## Boy Scouts Plan Activity Program

Activities for the summer were planned at the Monday night meeting of Boy Scout Troop No. 21. Sixteen boys and 12 men were present at the meeting.

Plans were made for a father son overnight camp on the night of July 11 on the Calloway Huffaker ranch in Garza county.

Plans were also discussed for a five-day camping trip to New Mexico. A committee of men, composed of Jess Gurley, Calloway Huffaker and F. E. Redwine was named to check up on the desirability and arrangements for such a trip.

The Boy Scouts are planning a Christmas tree selling project for the next Christmas season.

Court of Honor will be held next Monday night at 7:30 o'clock, at which the following are scheduled to advance:

Life: Karl Prohl and John Ed Redwine.

First Class: Denver Ford and Vernon Redwine.

Second Class: Bill Smith.

About 46 merit badges will also be presented, part of which were earned at the recent Post encampment.

Men attending the meeting were: John Reasonover, Jess Gurley, A. C. Weaver, John Witt, Calloway Huffaker, A. V. Barnes, R. C. Wells, John Sanders, Cecil Hammonds, Chester Short, Ray Ford, and Otis Spears.

## Stores Closing Saturday Only

Practically every business and office in Tahoka will be closed all day Saturday in observance of the Fourth of July, Russell McGee, secretary of the Chamber of Commerce, informs The News.

Last week The News was erroneously informed that automobile agencies would be closed on Monday also. Mr. McGee says this is not the case, and most or all businesses, including the garages and car agencies, will be open Monday.

## Tom Lishman Dies Suddenly

Tommy D. Lishman, 52, well known farmer living in the Dixie community, died suddenly of a heart attack in his home at 5:20 p. m. Saturday.

Mr. Lishman had been in ill health some time, but recently had been doing well and was in town Friday. He probably had a slight attack late Friday afternoon and at about the same time late Saturday he died while sitting on a divan in his living room.

Funeral services were held at 4 p. m. Monday in the First Baptist Church with Rev. Lee Ramsour pastor and Rev. Dewitt Seago pastor of Forest Heights Methodist Church in Lubbock officiating. Burial followed in Tahoka Cemetery under direction of Stanley Jones Funeral Home.

Mr. Lishman was born at Corsicana on October 25, 1900. He came to Lynn county in 1925 from Henderson county, and was married at Lovington, N. M. February 28, 1930, to Miss Sadie Moffitt of Tahoka. He had been a member of the Baptist Church since the age of 18.

In addition to his wife, survivors include one son, Lanny, of Tahoka; one daughter, Mrs. Marjorie Martin of Amarillo; the mother, Mrs. G. M. Lishman of Lubbock; one brother, E. V. of Lubbock; four sisters, Mrs. Cecil Patton and Mrs. Walter Boggs of Long Beach, Calif.; Mrs. Clarence McGee of Denver, Colo.; and Mrs. Willard Moffitt of Borger; and four grandchildren.

## New H. D. Agent Arrives Here

Miss Wanda Jo Roach the new Lynn county Home Demonstration agent, assumed her duties here Wednesday, July 1.

Miss Roach said she was anxious to meet any and all of the county club women, and is enthusiastic about her work here. She was reared near Colorado City, attended Tarleton State College two years, and graduated with the B. S. degree in Home Economics Education at the Texas State College for Women in Denton. She succeeds Miss Graham Hard, who resigned last September to accept a fellowship to do graduate work in TSCW.

The mascot of Yale University is a bull dog.

These small tots and thousands of other Korean war victims like them are recipients of clothing collected and processed by American Relief for Korea, financed by United Defense Fund. The latter seeks support through Community Chest and other united community drives.

## THE Declaration of Independence

Bold in design was the action taken by our Founding Fathers on that inforgettable 4th of July, when the Declaration of Independence proclaimed the birth of our nation. That was 176 years ago. Today we celebrate July 4th as Independence Day, not only to honor those who so courageously fought that we might be free, but also to proudly proclaim our determination to keep our banner of freedom flying forever.

## New Teachers For '53 Named

Supt. Otis Spears announces that two new teachers have been selected to fill vacancies in Tahoka High School this next school term.

Mrs. Betty Brookshire, a former teacher in the school will return as teacher of first and second year English and Spanish. Essie McWhirter, formerly of Cooper Rural High who also taught several years ago at Draw will come here as teacher of his tory in High School.

Mr. Spears returned home Saturday from Austin, where he secured tentative approval for the addition of a second teacher of Vocational Agriculture. This department, expects about 77 students this next year if a fourth year in Agriculture is added. The State and Federal governments will pay three-fourths of the salary, if the teacher is added.

J. L. Kizziar has been named to succeed D. W. Bass as one of the building custodians.

## Acreeage Quotas Almost Certain

It is almost a settled fact that we will have Cotton Acreeage Allotments and quotas for 1954, states Dee R. Green, PMA County office manager.

In view of the above it is requested that all farmers in the county who have purchased additional land or sold part of their land report such transactions to the County PMA office.

"This information is needed in order that we may properly constitute your farm for 1954 before allotments are determined," Mr. Green states.

## Entomology Teams In Seventh Place

Lynn county's 4-H entomology team took seventh place in the annual state judging contests held at A. and M. College Thursday of last week, County Agent Bill Griffin, the coach, reports.

Members of the team were: Jerry Cain and Hilton Wood, Tahoka, and Travis Pearce and Dan Sealy, O'Donnell. The team had previously taken first place in the area contests at Lubbock.

## City Policeman Resigns Position

Roy Wilhelm, a member of the Tahoka oPlice force for several months, has resigned to accept a similar position with the Snyder force.

As an economy measure, Chief L. N. Bartley states that his position will not be filled at this time.

Mr. Wilhelm made the City a good officer, the Chief declares.

## Ladies Taking Swim Course

Tahoka swimming pool will open at 10 a. m. Saturday, July 4, and remain open until 10 p. m. Jake Jacobs and Bill Haralson, the operators, announce, as a convenience to those who wish to observe the holiday with a swim.

Don Brice, lifeguard and swim ming instructor, states that 28 children turned out Monday morning of this week for instruction. The class has been divided into two divisions. Another class for youngsters will be started a week from next Monday.

The class for ladies only which opened Friday morning had 25 attendants. This class will be conducted each Friday morning between 9 and 12 a. m. Ladies who do not desire instructions may also swim at this time.

## New Manager At Wharton Motors

Walter Hord, formerly of Brownfield, has become associated with Wharton Motor Co. of Tahoka as general manager.

He has had many years of experience in the automobile business. For several years he has been associated with Ross Motor Co. of Brownfield.

He is looking for a nice two or three bedroom home in Tahoka.

## PEBSWORTH HAS ATTACK

J. A. Pebsworth, formerly of Tahoka but now farming at Olton, suffered a heart attack Tuesday of last week and was carried to Olton Hospital. On last Thursday he was taken to West Texas Hospital in Lubbock. His son, J. A. Jr., told The News Tuesday he had shown some improvement and would be allowed to return home in a day or two.

## Relief Is Promised Dry Plains Section

### News Photographers Visit Drouth Area

A group of newspaper photographers and correspondents visited Tahoka last Friday in an inspection of this drouth stricken area.

In the group were representatives of Life Magazine, the Associated Press, St. Louis Post-Dispatch, and the Lubbock Avalanche-Journal.

They also visited the Lamesa and Big Spring areas.

### Commodity Credit Loans Extended

The U. S. Department of Agriculture announced June 22 that Commodity Credit Corporation loans on 1952-crop upland cotton which have a maturity date of July 31, 1953, will be carried in a past-due status through July 31, 1954, according to Dee R. Green, County office manager. This will give producers an additional 12 months in which to redeem their loan cotton.

Producers may either sell their "equity" in the loan cotton or redeem the cotton from the loan and then sell it in the open market. The market price of the various qualities of cotton has varied materially during the year, but at present farmers should be able to dispose of some qualities of cotton at prices that will give them some net profits above the loan and charges against the cotton.

The 1952-crop loan cotton not redeemed prior to August 1, 1954, will be purchased on that date by Commodity Credit Corporation.

### Legion Auxiliary Elects Officers

In a regular meeting held at the Legion Hall Monday, June 29 officers for the coming year for the American Legion Auxiliary were elected.

The new officers are: President, Mrs. Eldon Carroll; First Vice President, Mrs. Jess Gurley; Second Vice President, Mrs. R. L. Richardson; Secretary, Mrs. David Weathers; Treasurer, Mrs. Odelle King; Historian, Mrs. Clint Walker; Parliamentarian, Mrs. Dale Thuren; Chaplain, Mrs. F. W. Chapman; Sergeant-at-Arms, Mrs. Melton Leslie; Reporter, Mrs. Lenore Tunnell; and Social Chairman, Mrs. Charles Verner.

Mrs. Chapman is the outgoing president.

Gaucha is the name applied to the Argentine cowboy.

Little Dave Allen and his "Drifters" are on their way to Korea to give the fighting forces a shot of western music to help them forget their weariness and the grim tomorrow ahead. The trio is traveling with the 78th USO-Camp Show to be sent out since May, 1951. The group is shown at the show's preview at Camp Kilmer, N. J., just before their take-off. Left to right, they are Little Dave Allen, leader; Pfc. Aileen Au of Honolulu, stationed at Camp Kilmer; Ernie Pal, bass player, and Frank "Rusty" Neves, accordionist. USO-Camp Shows are financed through the United Defense Fund, a part of most Community Chest and other united community campaigns.

Aid to the drouth-stricken areas of the Southwest is going into "high gear." Secretary of Agriculture Ezra T. Benson has announced following his visit to this area last week end.

Monday, President Eisenhower made available 8 million dollars to help cattlemen in 152 Texas counties, including Lynn, and 40 Oklahoma counties.

Shipment of cottonseed meal and cake and corn into the areas reduced freight rates, and establishment of a special federal credit plan were the main points of the cattle relief program. Benson said a local committee in each county will pass on applications for cheap feed.

Tuesday, he announced a plan for the Department of Agriculture to buy at least 20 million pounds of beef to bolster cattle prices.

On a longer range program, the Secretary says measures will be taken to increase the export of American goods, principally beef, cotton, wheat, and grain sorghums.

More liberal credit through disaster loans by the Farmers Home Administration has been promised, and it has been indicated there may be some refinancing of old loans.

Private lending agencies are going as far as possible in extending credit to customers.

Meanwhile, a good rain could still do more for the country than any relief measures that might be taken by the government.

## Mrs. Bradley, 96, Death Victim

Mrs. Martha (Mattie) Bradley, 96, a resident of Tahoka since 1916, died at 1:30 a. m. in Tahoka Hospital after 10-days critical illness.

Funeral services were held at 3 p. m. Tuesday in the Tahoka Church of Christ, with Minister Doyle Keley officiating, and the body was carried overland to Weatherford, where she was laid to rest beside her late husband.

She was born Martha Glenn in Illinois on October 19, 1856, and was, therefore, 96 years, 8 months and 11 days of age. She came to Texas in a covered wagon as a girl. She was married at Kaufman in 1879, and lived there and raised her family until 1911 before moving to Weatherford. Mr. Bradley died there in 1912.

Mrs. Bradley moved to Tahoka in 1916. She had been a member and active attendant of the Church of Christ for 40 years, and was loved by a host of friends. Until 1947, she remained very active, but since that time only an infirmity had caused her to get about in a car with her son, Don Bradley. A daughter, Mrs. N. W. Allphin, has also lived with her a number of years. Even in her eighties, she took a trip up Pike's Peak and to Carlsbad Cavern, and may have been seen any Sunday morning walking to and from her Church even to the age of 90.

She is survived by four sons. Don of Tahoka, V. L. of Clovis N. M., Irvin of San Angelo, and Brown of Odessa; two daughters, Mrs. Chessie Allphin of Tahoka and Mrs. Grace Meroney of Ranger; three sisters, Mrs. Lousky Allen and Mrs. Bicy Wall of Big Spring and Mrs. Iva Jordan of Terrell; and 33 grandchildren. All the children had visited her before death came and were here for the last rites.

### ON HONOR ROLL

Waco, July 2.—Dorothy Ann Durham from Tahoka made the Dean's Honor List for a straight "A" record during the spring quarter at Baylor University. A total of 119 students in the University made the list.

er while Mesdames Claude and Luke Coleman had parts on the program. Refreshments were served to Mesdames John Lamb, Alice Davis, Josephine Smith, J. O. King, F. B. Riney, John Hamilton, Glen Ward, Derrel Ward, Lynnwood Harrison, Claude Coleman, Luke Coleman, Church, and Campbell.

Judy Williams of Lubbock spent last week with her grandparents, Mr. and Mrs. Joe White. Mrs. Pat Swann was hostess when the T.E.L. and Sodalitan Classes of the Baptist Sunday School met at 3 p. m. Thursday in her home. Miss Lois Ware reviewed the book, "The Brother."

John Heck was in Lubbock and Heckville Friday.

Mr. and Mrs. Andy Campbell and daughter of Covington spent Friday night with his brother, Jasper Campbell, and family. They also visited another brother, Pat Campbell, and family.

Mr. and Mrs. J. R. Jones of Stephenville and Mrs. Lucille Aycock and children, Jimmy and Mary Lou, of Austin, arrived Friday for a week's visit with Mr. and Mrs. Prentiss Jones.

Mr. and Mrs. Earl Tunnell of Tahoka visited her mother, Mrs. H. C. Fountain, Sunday.

The W. M. S. of the Baptist Church met Monday morning at the church for their regular weekly meeting. A business session was held and Rev. J. A. Martin showed films of a recent trip he and his family had taken. Present were: Mesdames Pat Swann, John Heck, John Gayle, H. C. Fountain, J. A. Martin, W. A. Baxley, Jiggs Swann, and Roger Blakney.

Mrs. I. A. Core and her granddaughter, Carolyn Brunson, left Friday for their home in Sulphur Springs, Arkansas, after visiting their sister, Mrs. Arvan Holder and family.

Mr. and Mrs. Frank Smith were Thursday night supper guests of Mrs. Smith's sister, Mrs. Harrison Donley and family, in Lubbock.

Mrs. Ira Clary and daughter, Carolyn, went to Snyder Wednesday to visit Mrs. Clary's sister, Mrs. Joe Jordan, and family.

Mesdames Sam Gatzki, Bill Lumsden, and Luke Coleman were in Lubbock Friday night.

The Wilson Sewing Club met Wednesday afternoon with Mrs. Elmer Rice in her newly remodeled home on the New Home road. The usual diversions of crocheting, sewing, and embroidering were enjoyed. Refreshments were served to Mesdames Pat Campbell, John Heck, Josephine Smith, H. C. Fountain, Clarence Church, Ross Williamson, Bruce Hood, W. J. Hancock, John Hamilton, R. T. Moore, Rice; Miss Eva Williamson, and new member, Mrs. George Parker.

Mrs. Josephine Smith was in Slaton Wednesday for a medical check-up.

Mrs. H. C. Fountain spent Wednesday night with her daughter, Mrs. Bill Deaver, in Slaton. On Thursday, Mrs. Fountain secured medical aid before returning home.

Mrs. Lloyd McCormick and daughter went to Abilene Friday for a several days visit with her mother, Mrs. Gladys Evans.

Mr. and Mrs. R. L. Christopher and family and F. L. Christopher and Mr. and Mrs. E. P. Roe, went to MacKenzie State Park in Lubbock Sunday.

Colonel and Mrs. Clayton Evans left Tuesday after a few days visit with Mr. and Mrs. Sam Gatzki and family. Col. Evans, who has been stationed at Edwards Air Force Base at Muroc, Calif., was being transferred to Baltimore, Md.

Mrs. Mattie Whittington and daughter, Janice, and Mrs. Edward Craven and two children are visiting Mrs. Whittington's mother, Mrs. H. J. Henderson, at Macomb, Okla.

Mr. and Mrs. Claude Coleman spent Wednesday night in Plainview with their son and daughter-in-law, Mr. and Mrs. Malcolm Coleman. The Malcolm Coleman's small son suffered a skull fracture in a fall at his home Tuesday.

Mr. and Mrs. John Covey spent from Monday until Sunday with her mother, Mrs. T. Sides, in Ruidoso, N. M.

Mr. and Mrs. Blake Gregston and daughter spent the week end with his brother, C. A. Gregston, and family, at Carlsbad, N. M.

Mr. and Mrs. Luke Coleman and family visited Saturday night in the home of their uncle and aunt, Mr. and Mrs. Dewey Winstead, of Lubbock.

Mrs. Arvan Holder was in Slaton Monday to have some dental work done.

Mr. and Mrs. Herbert Ehlers and family, Mrs. Annie Ehlers, and Mr. and Mrs. Elmer Gindorf and family spent Sunday with Mr. and Mrs. Bernhard Ernst and family at Lakeview.

About fourteen members of Scout Troop 116 returned home Saturday after a week's stay at Camp Post. Edmund Maeker is local Scoutmaster.

Frankie and John Henderson of Whiteface are visiting their cousins, Mr. and Mrs. Blake Gregston.

Mr. and Mrs. Howard Cook and daughter, Nancy, and Mike Holder returned home Saturday after a several days stay at the Cook ranch near Alamogordo, N. M.

Rev. and Mrs. C. G. Ehler and family left Tuesday for Robstown where they will visit Rev. Ehler's parents for several days.

Mrs. Katie Nieman spent the week end with her son, Willie Nieman, and family at Lakeview.

Mr. and Mrs. Jim Hewlett and son of Lubbock visited her parents, Mr. and Mrs. Ernest Montgomery, Sunday.

Mr. and Mrs. Bill Swann and son of Jdalou and Jerry Lou Swann of Los Angeles, Calif., visited Mr. and Mrs. Pat Swann Sunday.

Mr. and Mrs. E. S. Dwigins and daughter of Hamlin spent the week end with her brother, Clarence Church, and family.

Misses Verlene Ehlers and Eileen Maeker left Saturday night for Seguin to attend a leadership training school of Lutheran Churches. The two girls expect to return home Friday night.

Mr. and Mrs. Doyle Chiles of Lamesa visited in the home of Mr. and Mrs. Bill Lumsden Friday night.

Mr. and Mrs. Ardis Montgomery of Lubbock visited his brother, Ernest Montgomery and family Sunday night.

Mr. and Mrs. Joe White and granddaughter, Judy, Williams, were in Plains Wednesday.

Mrs. Jim Johnson and son of Lubbock were in Wilson Wednesday visiting in the home of Mrs. Johnson's sister, Mrs. Alice Davis.

Joyce Lemon of Lubbock and Peggy Ray of Slaton spent last week with their grandparents Mr. and Mrs. John Lamb.

The Walther League of the St. Paul's Lutheran Church enjoyed a swimming party at MacKenzie State Park, Lubbock, Thursday night. Present were: Messrs. and

Mesdames Albert Wuensche and daughter, Melvin Wuensche, Delbert Wieschnick, Monroe Talkmitt, Cecil Wied and family and Misses Ruby Faye Tienert, Darlene Wuensche, and Marca Dean Swope; Messrs. Hubert Tienert, Martin Wuensche, Jr., Bill Wuensche, Leonard Dube, Clarence Kieschnick, Ronnie Moerbe, Delvin Behrend, Mike Moerbe, Ronnie Nolte, and Howard Moerbe.

Rev. P. W. Heckmann returned Thursday from Houston where he had been attending a convention of Lutheran Churches of the Missouri Synod.

Mr. and Mrs. Max Samulkevitch and family left Monday for Cleveland, Ohio, to make their home. The Samulkevitchs are a DP family who have been living on the Arthur Wuensche farm.

Mr. and Mrs. Frank Henderson had the following as guests Sunday: Mr. and Mrs. Earl Bartley of Tahoka, Mr. and Mrs. Billy Ray Kelley and son of Oil Center, N. M., and Misses Jane and Frances Henderson of Lubbock.

Bobby Swann, Hubert Teinert, Martin Wuensche, Jr., Edwin Foster, John Lester Mason, Wilbert and Elmo Umlang, and Gilbert Wuensche left Saturday for Camp Hood for two weeks training in the National Guard.

Miss Ruby Faye Tienert celebrated her birthday Tuesday with the following as guests: Messrs. and Mesdames Milton Wied, Vern on Tienert, Martin Wuensche, Sr., and Darlene Wuensche.

Members of the Methodist Church had their regular monthly social Wednesday night at the church. Refreshments were served and an old fashioned "pounding" was given Rev. and Mrs. Lynnwood Harrison. Among those present were: Messrs. and Mesdames Joe White and granddaughter, Judy Williams, Grover Coleman, Luke Coleman and family, Chester Swope and son, Glen Ward and family, Derrel Ward Elmer Blankenship and daughter Clarence Church and family, W. C. Huffaker, Robert Lamb and family, John Lamb and two granddaughters, Elmer Rice and

son, Charlie Campbell, Lynnwood Harrison, J. O. King; and Mesdames C. A. Coleman, Alice Davis, Josephine Smith, and W. J. Hancock. Mrs. Elmer Blankenship and Mrs. Frank Smith were guests.

Mrs. G. T. Galneau and children visited Mr. and Mrs. Harvey Craig in Tahoka Friday night.

Donald Royce White returned to his home in Lubbock Tuesday after a few days visit with his grandparents, Mr. and Mrs. Joe White.

Mr. and Mrs. L. L. Stanley and family of Clovis, N. M., visited in the G. E. Owens home Sunday. Also visiting the Owens were Mr. and Mrs. Roy Robinson and daughter, and Elizabeth and James Parker.

Harry Bruno of Lamesa paid a brief visit to Mrs. Katie Nieman Monday.

Miss Ruby Faye Tienert entertained with a slumber party Saturday night. The guests made nut cups for the state wide Walther League banquet to be held in Lubbock beginning July 11. Refreshments were served to Misses Myrna Jean Kozt, Jane Dube, Darlene Wuensche, Dolores Luker, and the hostess, Ruby Faye Tienert.

Mrs. G. T. Galneau entertained with an ice cream supper Friday night. Present were Dr. and Mrs. J. D. Snider and boys of Slaton, Mr. and Mrs. Meredith Mahurin and son, and Patsy Walker.

Mrs. Josephine Smith shopped in Slaton Saturday.

Mr. and Mrs. Blake Gregston and daughter and Frankie and John Henderson visited Mr. and Mrs. Bill Lumsden Sunday.

Frank Smith attended a meet-

Texas and Southwestern Life...

Partners in Progress

for 50 Years

It was on July 4, 1903, that the first Southwestern Life insurance policy, for \$5,000, was issued to a Texan. This business transaction marked the beginning of a partnership between a Texas institution and the people of Texas—a partnership which has continued through five decades of their joint progress.

Fifty years later, one policy has become more than 300,000 policies, \$5,000 has become more than a billion dollars of financial protection on the lives of these policyowners, and Southwestern Life has honored its partnership obligation by the payment of \$175,000,000 in benefits to policyowners and beneficiaries.

Southwestern Life's faith in Texas has been the counterpart of its service to policyowners. The Company has loaned to Texas real estate owners more than \$250,000,000 in this 50-year span. It also has invested substantially in Texas state, county and municipal bonds and in the securities of Texas corporations. Thus, the savings of policyowners have provided not only financial security for hundreds of thousands of Texans but also a reservoir of capital available to help build and develop the State.

On July 4, 1953, the golden anniversary of Southwestern Life's first business transaction, the Company acknowledges, with profound appreciation, the vision and faith of its founders, the conscientious and efficient service of an unsurpassed agency force and home office staff, and the confidence and good will of Texans everywhere—all of which together have made possible the success of the Texas-Southwestern Life partnership.

### 7-Step Cotton Plan Explained

COLLEGE STATION, —The 7-step Cotton Program was the organization used in 1952 by the Texas Agricultural Extension Service for carrying to cotton growers the latest information on production, harvesting and marketing. Fred C. Elliott, cotton work specialist, says the results of research work done by the Texas Agricultural Experiment Station has aided growers in their improvement program.

Last year farmers used pre-emergence chemicals on 7,754 acres for early weed control and herbicidal oils as a post-emergence spray for weed and grass control on 2,303 acres. These are new developments that promise lower production cost and cleaner fields for mechanical harvesting says Elliott. Research workers are conducting test with many other chemicals and within a few years the most expensive single hand labor item in producing cotton—hand hoeing—may be a thing of the past.

Farm tractors, 26,000 of them, were equipped last year with rotary hoes. This attachment, says the specialist, is a labor saver and in areas where chemical control of weeds and grass not practical can be used for early season cultivation and control of competing vegetation.

Elliott says the number of mechanical cotton harvesters continue to increase. Last year 1,112 spindle type pickers operated in 74 counties, mostly in the Lower Valley, Gulf Coast, Blacklands and Pecos and El Paso areas. This is an increase of 355 over 1951. Stripper-type harvesters, 14,270, were used in 119 counties in the High Plains, Rolling Plains, and upland Blackland areas of the state.

All of the programs made was not limited to the greater use of machines and chemicals. Elliott says county agricultural agents in 175 counties assisted 45,000 farmers in fitting cotton into a balanced farming program. Despite the prolonged drought, cotton was planted by 28,000 farmers following fertilized legumes. The damage from root rot was lessened in 79 counties by Extension Service workers.

Insect control measures were carried out by more than 100,000 producers on 5,800,000 acres of cotton.

The quality of the lint produced has not suffered, says Elliott, from the use of machines for harvesting. Ginners have added new equipment to their plants and the farmers, by following recommended practices, are taking cotton to the gin in the best possible condition in order to get a good final product. Organized communities used the information provided by the Smith-Doxey legislation—market news and classing service—to improve their position in bargaining with buyers.

Elliott says county agents use newspapers, radio stations, farm magazines, field tours, visual aids and many kinds of meetings in

## So the People May Know

No county may legally change the salary of any public official or employee without first publishing the intention of the commissioners court to do so. Here is the state law on the subject:

**"Art. 3912g. Fees of Office—Notice of intention of commissioners court to make change in salaries of officers and employees.**

"Sec. 4. Before the Commissioners Court shall be authorized to change the salary of the public officials provided for in this Act, said Court shall publish at least once a week for three (3) consecutive weeks in a newspaper in the respective county, notice of their intention to make changes of salaries of those affected."

"So the People May Know" some of the requirements relative to the publishing of public documents and reports.

Texas publication laws were enacted by the Legislature to insure that the citizens would have the opportunity to be informed concerning the operation of their local government and the expenditures of their tax money.

Publication of governmental reports will obviously discourage corrupt practices on the part of public office holders. This newspaper casts no reflection on the reputation of any person who is working for any of our local units of government.

We do submit that strict observation of the state publication laws is a healthy practice, in the interest of good democratic government, and should be a policy to be followed without exception.

—Price Daniel's book of Texas Publication Laws, page 127.

It was an English courtier of Elizabeth's time, Sir Walter Raleigh, who paved the way for the settlement of America.

The southernmost quarter of Illinois is known as Egypt.

carrying information on all phases of the cotton program to producers. And despite unfavorable weather conditions during much of the growing season, he says, the progress made was good.

### Wilson Youth Will Get Scholarship To Texas A&M College

COLLEGE STATION, July 2. —Ralph M. Davidson, of Wilson, 1953 graduate of Wilson High School has been awarded one of the four-year Opportunity Award scholarships at Texas A. M. College, E. E. McQuillen, executive director of the Development Fund, announces.

The scholarships are being awarded 81 top high school graduates this year, and are valued at \$800 to \$1600 each. Recipients will get \$200 to \$400 each year for four years, plus employment provided by the college.

Winners are chosen after careful consideration of each candidate's character, scholastic, and ord. evidence of leadership and financial circumstances.

The President of the United States should be addressed as Mr. President, or Sir.

### LAKEVIEW H. D. CLUB NEWS

The Lakeview Home Demonstration Club met Wednesday, June 24, at 2:30 p. m. in the home of Mrs. E. H. West.

Mrs. W. C. Maeker of the Joe Stokes club gave the demonstration on "aluminum trays." The club presented Mrs. Maeker with a television lamp.

Delicious drinks and cookies were served to: Mmes. Sallie Godfrey, Opal Robison, Mayne Wheeler, Ivy Charters, Gwendola Timmons, Alice Russell, Nelda Brent, Joan Morris, Caroline Poer, Loene Ensor, Ora Timmons, Mae Brent, Flora Delle Nowlin, Bernice Timmons, Henry Edge, a new member, Frances Morris, the hostess and guest. —Report er.

The only President of the United States to die in the Capitol was John Quincy Adams.

California produces more fruit than any other state in the nation.

### FIELD SURVEY WELL SPACING BEING CHECKED

Field men of the Hi-Plains Underground Water Conservation District are starting a survey on the spacing of wells that have been drilled since Feb. 1 of this year. Over 1,500 permits have been issued in 13 counties participating in the Water Conservation program. A small percentage of the permits issued have been for municipal and industrial use, with the larger part being for irrigation wells.

It has been shown by men of long experience in water well development that one of the first problems in water conservation is the proper spacing of the wells within a Reservoir. By proper spacing a well can be made to produce longer from a higher water table, thereby enabling areas of over lapping well interference. The practice of spacing should have been started years ago in the Hi-Plains District.

A wealth of knowledge is being gained and recorded by this logs and registration of the wells drilled. There are untold numbers of logs that have been made by the drillers and pump companies, since the people of the Hi-Plains first started the development of the underground water. This information remains in the hands of 60 or more pump companies and drillers and has never been correlated. It is another object of the District to gather and correlate this information. It will be used by the District, and the people it concerns in helping to make better studies of water development and conservation practices.

The people of the Hi-Plains are to be commended for the wonderful co-operation they have shown in placing into effective use the first practices of conservation of an invaluable resource. A resource that if depleted would not only affect the economy of the individual, but all of the Hi-Plains as well.

### CARD OF THANKS

We take this means to express our sincere thanks to the pall bearers and the ministers, Rev. Harley Hughes and Rev. A. Gage who officiated at the funeral of our loved one, Mr. M. B. Walters; for the beautiful words that were spoken, bringing us so much consolation, to all who provided food, for the loved one, for the beautiful flowers, to the Funeral Home; and every kindness offered us. We thank you. —Mrs. M. B. Walters and Children.

Using a good insect repellent will make picnics, hiking and other outdoor activities more comfortable and safer for you.

### GENERAL TELEPHONE SETS DIVISION ORGANIZATION

The Tahoka exchange will be in the Lamesa District under a reorganization of the General Telephone Company of the Southwest, effective July 1.

The Lamesa district is a part of the newly-created Western Division with offices in Brownfield, R. E. (Bob) Saunders will be the Lamesa district manager, and J. L. (Dusty) Kemper is to be Western Division manager.

Walter G. Wright, president of the company, in announcing the reorganization, said, "Our primary objective is to improve the service to our customers and we expect to achieve this by placing more responsibility and authority in the field closer to our telephone users."

Under the new type of organization, the General Telephone Company of the Southwest will be divided into five geographical divisions, and these, in turn, will be composed of districts varying in number from three to six.

The company, which operates exchanges in Texas, New Mexico, Oklahoma, Arkansas, and Louisiana, has doubled the number of company telephones in service since January, 1950. It is the largest of any independent (non-Bell) telephone company rendering service in the Southwest.

Six attempts to gain statehood were made by Utah before it finally succeeded on January 4, 1896. Admission was repeatedly refused because of polygamous practices.

DAVIS & HUMPHRIES — OWNERS & OPERATORS

### Ramsour Talks Of Rosenberg Case

"A Private Citizen's Point of View on the Rosenbergs Case" was the subject of an interesting talk made by Rev. Lee Ramsour at Tahoka Rotary Club Thursday noon of last week.

The speaker pointed out that the pro-Communists are attempting to make martyrs of the Rosenbergs, a couple who betrayed their country by delivering the atom-bomb secrets to the Russians, are making every effort to destroy the facts, and will not

let the case and executions become a dead issue.

He cited that no appellate court could find any flaw in the trial court rulings and that American courts lean over backwards to give the defendants every favor.

Our penal measures have at least two purposes, he said, to punish the law violators and to protect society. The treasonable act of disclosing vital atom secrets may cause the death of thousands of American boys, and he felt the penalty was fully justified and furthermore that the Bible recognizes the justice of the death penalty for major crimes. He also laid emphasis on our duty as good citizens to help preserve democracy and freedom and Christianity.

The communists can not raise the question of anti-Semitism in this case, he declared. The Rosenbergs were Jewish. However the trial judge and the prosecuting attorneys were likewise Jewish, and the Rosenbergs have been repudiated on almost every hand by members of the Jewish faith.

Dr. K. R. Durham, general program chairman of the past year, took occasion to thank his fellow Rotarians for wonderful cooperation during the past year. Not once, he said, had a club member refused or failed to do his part in bringing the club programs, and a total of 24 members of the club had been called on during this year to arrange programs.

Winston C. Wharton, the new president, took over the club reins from Tom Gill, outgoing president, this week.

### Jobs Are Opening In Civil Service

The United States Civil Service Commission has stated that men are urgently needed to fill positions of Patrol Inspector (Trainee) in the Immigration and Naturalization Service.

These positions, for which an examination is current open, pay \$3,795 a year. They are located in various cities and towns in the vicinity of the land borders and certain coastal areas of the southwestern part of the United States. To qualify, applicants must pass a written test and may be required to report for an oral interview. They must be in good physical condition and must be between the ages of 21 and 35 (45 for persons entitled to veteran preference).

Further information and application forms may be obtained from the U. S. Civil Service Commission, Washington 25, D. C. Applications should be sent to the Board of U. S. Civil Service Examiners, Temporary Building "X", 19th and East Capitol Street, Washington 25 D. C., where they will be accepted until further notice.

### Dr. J. A. Hills Hold Anniversary Reunion

Dr. and Mrs. J. A. Hill, Canyon, well known by many Lynn county people, celebrated their fiftieth wedding anniversary Sunday with a family reunion which was attended by Mr. and Mrs. Frank Hill of Tahoka. Frank lived in their home while attending college, and Mae also came to know them while she was a student in College. Dr. Hill is a brother of Editor E. I. Hill.

Only the immediate members of the family and the Tahoka couple were present for the reunion, a quiet home affair with a dinner at the college cafeteria. Dr. Hill was reared near Moody, and Mrs. Hill, the former Ola Davis, grew up at Salado. The couple met while attending the old Salado College. He later attended the University of Texas and University of California at Berkeley, and served as principal of Jefferson Academy and as superintendent of schools at Richmond, Hamlin, and Roscoe.

In 1910, when the Normal, later to become West Texas State College, was established at Canyon, Dr. Hill was selected as head of the History department. In 1918, when Dr. R. B. Cousins resigned as president, Dr. Hill was named to the post and served in that position for 30 years before retiring in 1947.

He has served as an officer in his church, the Baptist, for 40 years, long was a leader in Boy Scout work and Rotary, served as president of the Texas State Teachers Association. He was instrumental in developing West Texas State into a senior college with a graduate school, in organizing the Panhandle Plains Historical Society and the erection of the first State museum in Texas, and in building the beautiful little chapel on the college campus. He collaborated in writing two books on United States history.

Mrs. Hill taught a Sunday school class of young college women for 10 years, served as president of Seventh District Texas Federation of women's clubs, and is author of a book, "With Byrd in Little America."

Each of their three children are making a success in their chosen fields. J. Davis Hill is superintendent of the Galveston Schools. Joe Jr., who went with Admiral Byrd on his second Antarctic Expedition, is staff engineer for Surface Combustion Company of Columbus, Ohio, a subsidiary of Cities Service company. The daughter, Mrs. Lemore (Marion) Hill, is a member of the Borger school board, while her husband is an executive in the Huber Carbon Black company. There are seven grandchildren.

The couple have thousands of friends over the Plains who attended the college or who have known them in church, civic and educational circles.

### W. A. HARDTS HOLD FAMILY REUNION

Mr. and Mrs. W. A. Hardt had all their eight children and their families with them Sunday for a family reunion, the first time in several years all the children had been home at once.

Those present for the happy occasion were: Mr. and Mrs. Clyde Holcomb and Linda Kay of Baldwin Park, Calif.; Mr. and Mrs. Billy Cook and three children, Gay, Sunny, and Dennis, Hilton, Okla.; Mr. and Mrs. Carl Stone, Mary Alice, and Bobby, Tahoka; Mr. and Mrs. I. B. Rhoades, Barbara and Sheila Fern, Shallwater; Mr. and Mrs. Joe Carvona and Rose Mary, Lubbock; Mr. and Mrs. W. A. Hardt Jr., Walter Lee and Johnny Joe, Tahoka; Mr. and Mrs. David Moore, Snyder; and Hop Hardt Tahoka.

The Holcombs spent a week here.

### Longhorn Cave Third Largest

BURNET, July 2.—Texas Longhorn Cavern, third largest cave in the world, is finally about to come of age as one of the state's prime tourist attractions, H. H. (Hob) Galloway, manager of the cavern, declared Saturday.

Cavern visitors will total more than 250,000 long before the caves 21st anniversary as a public showplace, Mr. Galloway predicted after studying attendance figures for past years. In fact the quarter-millionth visitor probably will pass through the famous Sam Bass entranceway some time in July, he said.

When the cavern was first opened for public inspection by the state of Texas back in the fall of 1932, after four years of development, few people even knew about it except the folks who lived in this area—like Mr. Galloway and his boyhood friends who used to play hide and seek in the dark reaches of the cave.

"We were a little bit off the beat track then," recalled Mr. Galloway, who is also president of a bank, former mayor and a director of the Burnet Chamber of Commerce.

But today heavy tourist traffic streams down U. S. Highway 281 a direct Canada-to-Mexico route. And many tourists take time out to visit the cavern, reached by a paved road which enters Longhorn Cavern State Park at a point four miles south of Burnet.

"We're getting people from every state in the union now," Mr. Galloway said, "and you'd be surprised how many Texans visit the cavern and are amazed when they see what a spectacular natural wonder it is."

"We figure it's really unusual

### Approval Given School Bonds

AUSTIN, (S. P.), —Attorney General John Ben Shepperd has announced the approval by his office of the following bond issue:

Tahoka Consolidated Independent School District (Counties of Lynn and Terry), schoolhouse bonds, series 1953, \$60,000.00.

Two states have had two different capitals each, and at the same time: Rhode Island had Newport and Providence as capitals; and Connecticut had Hartford and New Haven.

when a Texan is amazed at something that's in Texas."

This summer, Mr. Galloway estimates that more than 5,000 tourists and resorters a month will visit the cavern.

Two miles of the cavern have been developed and modern illumination installed to bring out all its natural subterranean beauty. Guides relate all of the cave's romantic legends of Indians, desperadoes and buried treasure.

Visitors are royally entertained and filled with cavern lore at the same time.

### PETTY HANDIWORK CLUB MET ON JUNE 22ND

Petty Handiwork Club met Monday, June 22 in the home of Mrs. Jonnie Schuknecht with eight members and one visitor, Mrs. Ed Crooks, present.

Each member brought something to work on. New "secret pal" names were drawn. Cakes and cake were served, and everyone had a very nice time.

Next meeting will be with Mrs. W. T. Rogers.—Reporter.

A Clean City is A Safe City!

### MONTAGUE REUNION

Ex-residents of Montague county are invited to attend the annual reunion in MacKenzie State Park, Lubbock all day Saturday, July 12, bringing well-filled baskets for a picnic lunch.

L. S. Lightner of Tahoka states a great time is had each year at this reunion.

Team and individual winners in 18 statewide 4-H judging and team demonstration contest will be determined today at Collage Station.

THE VOICE OF FREEDOM

When the Declaration of Independence was signed by representatives of the 13 colonies in 1776... the news was months in reaching the farthest outposts of freedom in the new world.  
Today, telephone service spans our nation and the entire globe, bringing the cities and towns of the 48 states within seconds of each other. And today, there are more telephones per person in America than in any other nation in the world.  
This communication... the free interchange of ideas, thoughts and opinions... is at the basis of a free nation. It is the heart of America's freedom of speech. It is the motivating power behind America's system of free enterprise that has helped America grow from these fledgling 13 Colonies in 1776 to the greatest and most powerful nation in the world today.  
When you pick up your phone to speak to someone across the street... or across the nation... remember, freedom is speaking, too!

GENERAL TELEPHONE COMPANY OF THE SOUTHWEST

# The OASIS on your route

The traveler of ancient times sought rest and refreshment at an oasis on his route.

So does the traveler of modern times... he stops at an oasis that prepares his automobile for another hundred miles or more of driving... at an oasis that provides ice water and a chance to stretch... at an oasis that offers clean and sanitary rest rooms... at an oasis where our traveler can give and get a friendly greeting.

Today's oasis is the service station on the American highway.

It makes your trip. It provides your contact with the country through which you're-driving. On its driveway you feel at home; you get the impression wherever you stop, that this is your America.

Not one service station, but thousands of them. All along the highways you'll find them staffed and equipped to give your car the expert care it requires, to make your brief visits on their driveways comfortable and pleasant.

The service station where you buy gasoline and motor oil is your chief contact with the American oil industry. It is probably an individual enterprise; and it competes to give you better service and better products than another station down the street or on the other side of town. No small part of the oil industry's progress in the service of the motorist finds final expression on service station driveways.

An added service to vacationers

Let Humble Touring Service map your trip. Secure a Touring Service request card at the Humble sign in your neighborhood, and use it to tell Humble Touring Service where you want to go. Soon you receive clearly marked road maps to and from your destination, a trip log and other helpful information. Use this service for travel anywhere in the U. S., Canada or Mexico. Humble Touring Service, P. O. Box 2180, Houston, Texas. No cost, no obligation.

Coast Highway Major Attraction

CORPUS CHRISTI.—They used to chuckle, not many years ago at the idea that a hug-the-coast highway could be built across the bays and through the bogs between Houston and Corpus Christi.

So you can imagine the treatment the less imaginative ones gave the suggestion—advanced about the same time—that an off-shore scenic route might some day be constructed down the chain of islands and peninsulas that stretch along the Texas coast from Houston to Brownsville.

But the hug-the-coast highway was built a few years later. Today, it is one of Texas' most practical traffic arteries and the life-line of a booming industrial area.

Now the idea of a full-length of-shore scenic route is being revived, and—while it is at least a few years away—there's plenty to prove it isn't any pipe dream.

Two causeways already connect the two southern islands of the chain with the coast, a third causeway is under construction and the islands are humming with activity.

The existing causeways reach from the coastal city of Aransas Pass to Mustang Island, and from Corpus Christi to the northern end of Padre Island.

Both are owned by Nueces county, and are soon to be connected by a county-financed, 20-mile-long island highway.

The Highway, costing \$600,000, will be started this summer. Construction will require about 15 months.

But the biggest island development of all is taking place on the southern tip of Padre near the community of Port Isabel.

There a \$2,250,000 concrete causeway is being constructed across two and a half miles of water which separate Padre from the mainland—and it's just a starter in a long-range resort and recreational development by Cameron county.

Also planned are three large island parks involving an ultimate expenditure pegged at \$7,500,000. The first park construction contract already has been let.

In addition, a multi-million-dollar development of business, resort, and residential sites to equal Florida's finest is being conducted by John L. Tompkins and company of Corpus Christi, one of the largest real estate development firms in the South west.

The Tompkins development is between two of the county park sites.

Now both Cameron and Nueces counties are talking about a paved highway reaching the full 106-mile length of Padre—and they're backed up their talk by hiring an engineering firm to make a road location survey of the island.

The survey already has been started.

The Padre and Mustang roads

Jaycee Ettes, Jaycees Attend Social

On Tuesday night, 22, nine families attended the Jaycee Ette social sponsored for the MacKenzie State Park in Lubbock.

General visiting was enjoyed among the group. Refreshments of ice cream, sandwiches, and cokes were served those present.

Jaycees and their families, at

Mrs. D. V. Smith and Truman Balch and children spent a few days here last week visiting relatives and friends.

A. L. Smith was back home Tuesday after having undergone minor surgery in a Lubbock hospital Wednesday of last week.

Herbert Hoover was the first President of the United States to be elected from a state west of the Mississippi river.

Carelessness is a maker of statistics.

William Howard Taft was the first President of the 48 states.

provide a 126-mile off-shore asphalt strip, and would set the stage for continuation of the highway an almost equal distance up St. Joseph Island, Matagorda Island, and Matagorda Peninsula.

The northern section of the island is sure to be delayed at least temporarily because of the location of an Air Force bombing and gunnery range off Port O'Conner on Matagorda Island.

But, meanwhile, you can bet the idea won't be laughed off any more.

Mr. and Mrs. Frank Hill visited their brother-in-law, John Reagan, and wife in Floydada on Sunday night. John who is known by a number of Lynn county people, had just been released from the Veterans' Hospital at Amarillo, where he has been under treatment for a heart ailment. He is improving nicely again.

Eugene V. Debs, ran for President of the United States, as a socialist candidate in 1920, while in jail.

Louis Paulsen, playing chess against Paul Morphy, deliberated 14 hours and 28 minutes before making one move. (Morphy won.)

"If You Can Keep It"

Oh, not yet lay by thy sword, O Freedom! Nor yet close thy lids in slumber. For thine enemy never sleeps. And thou must watch and combat.

Painting—SERVICE Magazine, a publication of Cities Service Company

As Benjamin Franklin left Independence Hall, a woman asked him, "Mr. Franklin, what kind of a government have you given us?" He answered gravely, "A Republic, madam, if you can keep it."

In painting this Independence Day scene in Hometown, U.S.A., the artist, E. Franklin Wittmack, has found an echo of Franklin's warning in a quotation from the poet William Cullen Bryant. The historic scene of Magna Charta, the signal light on old North Church Tower, the embattled "rebels" of a great new nation—symbolize the hard-won victories, and the priceless freedom, which, on Independence Day 1953, are given every Hometown in the land—not done to celebrate, but to protect.

Carter Seeking Lone Star Degree

Three Lynn county boys are candidates for the Lone Star Farmer degrees in Future Farmers of America work at the annual FFA convention being held July 22-24 at the Texas Hotel in Fort Worth.

They are: Richard Carter of Tahoka and Billy Spears and Delbert Sanders of Wilson.

Qualifications for becoming a Lone Star Farmer include 24 months of instruction in vocational agriculture an outstanding program of supervised farming, an investment of at least \$250, outstanding leadership ability, and a satisfactory scholastic record.

In the Great Seal of the United States the stripes or pales represent the states of the nation.

Mexican Minister Conducts Services

Rev. Pat Gloria, pastor of the Mexican Baptist Mission here preached last week end at special services sponsored by the Pleasant Grove Baptist Church (Colored) in the Dunbar school building.

The services were held on Thursday, Friday, and Saturday nights and Sunday afternoon at 4 o'clock, and were for the purpose of raising funds for the Church's new building, now nearing completion.

Members of the Pleasant Grove Church express their deep appreciation of the courtesies extended by Rev. Gloria as well as help that has been given by many other people of the community. The church is badly in need of funds with which to complete its new fireproof building. The old church was destroyed by fire a few months ago.

SMALL SAYS THE NEWS HAS LARGE CIRCULATION

Maurice Small hasn't been able to sleep the past few nights—people have been telephoning him at all hours and he has been "jumped out" scores of times on the street—all because of a statement made to The News last week.

Furthermore, he now believes The News has every one of the 1,900 subscribers it claims.

Last week, he stated he had heard from another man who got his information from a third man who was told by a fortune teller the drouth would be broken on June 28. Since publication of that statement, just about everybody has been "eating him out."

Now, he wants it strictly understood that he, Maurice, did not make the prediction, that only "new-comers and darn fools" predict West Texas weather, and that he has been a West Texan all his life.

Folks, leave the poor boy alone!

John Adams, second President of the United States, taught in the first schoolhouse in Worcester, Mass., from 1755 to 1758.

## Local Farmers Are Well Impressed By Benson's Visit To This Area

Several Lynn county farmers attended meetings of the American Cotton Congress in Lubbock last week end, and on Saturday morning at 11 heard the talk of Secretary of Agriculture Ezra Taft Benson.

Saturday afternoon, representatives from this county also attended the drouth hearing before the Secretary in the Caprock Hotel.

Most of those attending the session, The News is informed, were impressed by Benson's sincerity of purpose, understanding of farm problems, and desire to help agriculture in general.

Earlier in the day, between 7 and 9 a. m., Secretary Benson in company with a group of advisors and Lubbock men, made an automobile tour to Tahoka, Brownfield, and back to Lubbock. He stopped to inspect dry farm lands and grasslands at several points.

### Program Is Given

Benson said the broad initial program of drouth relief should:

- (1) Make available to livestock producers, of cottonseed meal and cake, other feed concentrates and roughage at prices the producer can afford to pay. These feeds would be for the maintenance of herds and flocks.

- (2) Recommend that the railroads institute reduced freight rates to aid in the movement of livestock and feed, in and out of the drouth area.

- (3) Step-up a buying program in meat and make serious study of export possibilities. Also study the possibility of a future announcement of a government buying program of lower grade "thin" cattle, depending upon future market conditions.

- (4) Extend emergency credit, using existing agencies as far as possible.

### Funds Are Available

In the afternoon hearing, Benson heard reports on drouth conditions and the desires of farmers and ranchers from the entire West Texas area.

Cleveland Littlepage, spokesman for Lynn Lubbock, and Crosby counties, is said to have made an excellent talk in which he urged the making of credit available for liquidating current indebtedness and asked that the farm program take into consideration young farmers just starting out.

He brought down the house, in jesting a little fun in the meeting when he said: "A bull calf was born on my farm this morning; I'll give him to you, Mr. Secretary. A few years ago I could have sold that bull calf for 35 or 40; now, I can't give him away."

About fifteen West Texas representatives, in their brief talks, tried to give the Secretary an insight to the West Texas drouth situation. None asked for a dime. All West Texas farmers want is help to help themselves. One declared, "We don't want anything we can't pay for . . . for a good rain will cure most of our ills, in time."

In pledging his support of a drouth aid program, Benson said: "President Eisenhower and I don't feel that you are asking for a handout. You just want a little help so you can help yourselves . . . I've never seen a more wholesome group . . . You've kept your spirit and sense of humor. God bless you." He said the program of relief

### SOUTHWESTERN LIFE'S FIRST POLICY ISSUED 50 YEARS AGO

Southwestern Life Insurance company on July 4 observes the 50th anniversary of its launching in Texas as a going business concern.

It was not until July 4, 1903, that the first Southwestern Life policy, for \$5,000, was purchased by Sam P. Cochran, well-known Dallas business man who helped to organize the company, although its business charter had been granted by the State on March 10 of that year.

The company's first newspaper advertisement appeared in Dallas on July 5. It announced that the company was "ready for business" and that it had applications on file for \$300,000 of insurance. It also urged readers to "keep Texas money in Texas," a slogan which was to become familiar to Texans during the succeeding years up to World War I.

During the half century which followed, one policy became more than 300,000 policies and \$5,000 became more than one billion dollars of insurance on the lives of Southwestern Life policyowners.

Thirty-three years passed before this first policy became a claim and was paid upon the death of Mr. Cochran in 1936. But the company began to pay claims during its first year of existence and has fulfilled its primary mission by the payment during the 50-year span of more than \$173,000,000 in policy benefits to policy owners and beneficiaries.

In growing up with Texas, Southwestern Life has become the largest life company in the nation which confines its business to its home state, a position which its president, James Ralph Wood, says it could not have achieved without the confidence and large-scale support of Texans whom the company was established to serve.

"It is this friendship and good will which we gratefully acknowledge as the company completes fifty years of service to the people of Texas," said Wood. Southwestern Life is represented here by Mrs. Gladys M. Stokes.

### MRS. O. J. JACKSON, 77, UNDERGOES SURGERY

Mrs. O. J. Jackson, 77, formerly of Tahoka, underwent surgery for a cancer in the right leg above the knee on June 23 in a Houston hospital. Local relatives say she is improving nicely, and the physicians believe she may have no further trouble.

Mrs. C. B. Evans, a daughter, returned home Saturday from her bedside. Mrs. Edd Hamilton, another daughter who was with her for 10 days, returned by way of Fort Worth, and Raymond Jackson brought her from that city to Tahoka Saturday.

Mrs. Jackson during recent months has been at LaPorte living with a son, Alvie, and daughter, Mrs. Lois Compton.

A pet prejudice gets bigger with petting.

will be handled through local county committees which will study individual relief requests.

Regarding the immediate need for supplemental credit, Benson said that established credit agencies will be used as far as possible. It will be left up to the individual operators whether they use the funds to get seed or whatever is needed.

Among those attending the meeting were County Agent Bill Griffin, Wilmer Smith, Lois Smelser Judge Walter M. Mathis, Guy Smith, V. L. Botkin, Lonnie Howell, Pat Hutchison, E. R. Edwards, H. O. Hargett, H. S. Eubanks, H. W. Carter, and possibly others.

## Former Tahoka Youth Gets 4-Years In College Free

Billy Mack Floyd, 17, son of Mr. and Mrs. Ben Floyd of El Segundo, Calif., formerly of Tahoka, has won the fifth annual Junior Chamber of Commerce scholarship award in that city, according to a newspaper clipping recently sent Mrs. Rufus Slover, the boy's aunt.

The \$4,000 Jaycee Scholarship for a four-year course in Pepperdine College is presented annually to a senior male student of El Segundo High School who qualifies highest in service leadership, and scholarship.

Billy Mack will enroll at Pepperdine this September for a course designed to enable him to serve as a Federal Bureau of Investigation officer. Mr. Floyd is employed at the El Segundo Division of the Standard Oil Company of California as a pipefitter.

During his four years in high school, young Floyd was at all times among the class leaders, scholastically, held many class and school offices, was a member of the Key Club, and won the

THE LYNN COUNTY NEWS, Friday, July 3, 1953

amazing total of nine varsity athletic letters.

The award was presented young Floyd by the Jaycees at the annual High School awards assembly.

Mrs. Slover reports that Billy Mack's maternal grandparents, Mr. and Mrs. N. J. Hudspeth, also formerly of Tahoka, now live at Holtville, Calif., but that Mrs. Hudspeth is in ill health and is confined to a hospital there.

Beef is a good buy. The largest supply in history is going to market from the farms and ranches of the nation.

Full utilization of the capacity of the home freezer will increase its returns.

## Lubbock Marine Gets Gold Star

WITH THE FIRST MARINE AIRCRAFT WING IN KOREA July 2 (Spl.)—Marine Major Thomas R. Odell, Jr., of Lubbock has been awarded a Gold Star in lieu of the third Air Medal at a forward air base of the First Marine Aircraft wing in Korea.

He received the award while serving with the "Flying Nightmares" squadron of Marine Aircraft Group 3. He flew 36 missions against the enemy where enemy fire was either expected or received.

The "Flying Nightmares" is an all-weather fighter squadron that has been carrying out a three-fold mission with the "Skynight" fighter and "Tigercat" fighter bomber. They have the responsibility of aiding in the defense of South Korea close air support missions at night in support of front line troops and escort of B-29 medium bombers.

Maj. Odell is the son of Mr. and Mrs. T. R. Odell of 2814 27th St. His wife, Janice, and children, Michael, 6, and Pattie Sue, 3, live in Liberty.

(Ed. Note: The Major's mother has been an Elementary Supervisor of School in Lynn county the past year.)

### ATKINSON CHILDREN HOME FATHER'S DAY

Mr. and Mrs. J. J. Atkinson had all their children with them on Sunday, June 21, Fathers Day.

Among those present were: James Atkinson and Mr. and Mrs. Obie Atkinson and son, Bobbie of Flagstaff, Ari., Mrs. Bert King, Mr. and Mrs. Nolan Jayroe and daughter, Welch, Mr. and Mrs. H. P. French of Brownfield, Mr. and Mrs. H. B. Beight and Mr. and Mrs. Jesse Barnes of Abilene.

Rutherford & Co.

Many servicemen find the USO club an enjoyable place to "make music" during precious off-duty hours. Support for USO services is sought by United Defense Fund through Community Chest and other united community drives.

**CRUTCHERS HAVE GOOD LUCK GULF FISHING**

Mr. and Mrs. O. P. (Pete) Crutcher of Newmoore recently spent a fishing vacation down at Arkansas Pass on the Gulf Coast, and Pete is justly proud of the fish he caught.

He caught one Jewfish which weighed 42 pounds, a few king fish, and a lot of trout.

If it hadn't been so salty, and if he had had room in his car, Pete might have brought back a jugful of water to show the young 'uns in this drouth-stricken area.

President Monroe was the last man in public life in this country to wear knee trousers.

**Scenic Railway In Palo Duro**

CANYON, July 2. —Finishing touches are being put on the station and concession buildings for the narrow gauge scenic railway in Palo Duro Canyon State Park. A special addition ready for the July Fourth holidays will be a dining car on the train.

The diner, a striking blue and orange creation, will take care of more than twelve people. In addition to the diner there are three other cars on the train but passengers will not be able to walk from car to car to get to the diner. They will be seated there first and will be served Southern barbecued chickens, ribs, ham or beef just prior to the departure of the train. Harold E. Grear and James Bailie, operators of the train, brought a famous barbecue cook from Herrin, Illinois to please those who like barbecue at its best. His "come back" sauce is a secret formula more than 100 years in his family.

Park visitors have been delighted with the comfort and convenience of the "World's most beautiful scenic ride" since it began operation three weeks ago. A movie photographer on an important commercial assignment here photographed the train passengers and scenery on one of its runs recently.

"This is an amazing spot of color and beauty and one of its intriguing interest to any photographer," said the photographer.

**WASHINGTON AND "SMALL BUSINESS"**  
By C. WILSON HARDER

Mutual Security Agency, successor to Marshall Plan, has released a voluminous report many in Washington call "White Paper to Justify Worldwide Cartel Arrangements."

Officially called an evaluation report, it is derived from recommendations of 54 U. S. businessmen who visited a few of the 50 nations receiving U. S. aid.

The roster of investigating businessmen is studded with heads of U. S. firms who occupy near monopoly positions, as well as international financial houses.

For example, a recommendation is made that MSA, which with the Marshall Plan has already cost American taxpayers over thirty billion, and which was set up for emergency conditions, now be made a permanent State Department branch.

And although eleven different study groups composed the report, there was majority agreement on certain points.

A major recommendation was the abolishment of the Sparkman and the Benion-Moody amendments to Mutual Security law, as well as all other regulations adding small business.

Thus, any regulation requiring small business to share in expenditures for goods given away, should be eliminated.

And, in receiving nations, there should be no regulations preventing U. S. aid being used to build foreign monopoly business.

Reports that MSA employees abroad live in luxury were minimized.

© National Federation of Independent Business

Yet, the report does state that in Paris, for example, MSA employees are paid considerably higher than comparable salaries in Washington, D. C., that employees' standards of living are creating envy and criticism in foreign lands; and that many employees are maintaining large homes staffed with servants.

In Italy, the investigators found an abundant labor supply, which the report states is an attraction to private capital. Military spending in Italy should be continued, it is recommended, with the provision, however, that U. S. dollars should be spent in Italy for Italian-made goods.

It is also recommended that the U. S. purchase in Italy autos, textiles, and food.

This last item causes great amusement in Washington.

Facts are—Italy does not produce enough food to feed her own; the U. S. has given millions in food to Italy to prevent starvation. Yet, the "experts" say U. S. should buy food in Italy.

Also significant was unanimous agreement where to cut MSA spending.

The cut, it is recommended, should be made in MSA information services, which report where and when American tax dollars are spent abroad.

Stripped of surplus words, the report recommends:

1. That U. S. permanently continue to spend billions abroad.
2. That no protection be given U. S. small business or agriculture.
3. That no prohibitions be retained barring use of U. S. taxes to build European monopolies.
4. That the public be told less about what is going on.

**Roosevelt Drops Junior Baseball**

Roosevelt withdrew its team from the Lynn County Junior Baseball League last week, and left four teams in the circuit. All teams will be in the play offs which will begin on July 26.

Sunday, Bill Strange Motors defeated Southland 12 to 10 at Southland park. James "Bobo" White went all the way on the mound for his third consecutive victory without a loss. Travis Dobbs and Lefty Tremble worked on the hill for Southland, with Dobbs being tagged with the loss.

Manager Gordon Smith and Charles Hyles paced the Tahokans' batting attack each with three hits on four trips to the plate. Ronald Huddleston and Ray Norman led the batting for the losers with a like record.

Bray Chevrolet and Wilson State Bankers had open dates.

Next Sunday afternoon, Wilson entertains Bray Chevrolet at Wilson. Game time is 2:30 p. m. Strange and Southland have open dates.

**CARD OF THANKS**

Thanks to the friends and neighbors who were so thoughtful, in every way, during my stay in Lubbock Memorial Hospital; and after I came home. There just couldn't be a better bunch of people—and we love and appreciate every one of you. —Mrs. R. E. Appling.

There is no difference between a chess board and a checker board.

USO clubs provide a friendly meeting point for servicemen and members of the communities near which they are stationed. USO programs are designed to bring about closer friendships between the military and civil populations. USO is financed by the United Defense Fund which is supported chiefly through Community Chest and other united community campaigns.

**Black Cats Play Seagraves Sunday**

Tahoka Black Cats will play hosts to the Seagraves Brown Bombers Sunday afternoon, July 5, at 2:30 p. m. on the diamond located a block northeast of the old City water tower.

Assistant manager Johnnie Martin will pitch for Tahoka, and Joe Martinez for Seagraves.

On the night of June 15, at Seagraves the two teams played 12 innings to a 6-6 tie, and each will be trying hard to win this one.

Johnnie says the Black Cats have played 14 games this season, winning 10, losing two, and tying two. "Come out and see the Black Cats go," he says.

**Earl Bartley Has Freak Car Wreck**

Earl Bartley, 20, was only bruised but his car was totally wrecked when the machine turned over at about 6 a. m. Tuesday on the highway about two miles south of Clauene, Hockley county.

Earl telephoned his dad, Police Chief L. N. Bartley, that he was driving down the highway and ran off the pavement with his right wheels. As he attempted to bring the wheels back on the pavement, he lost control of the car and it rolled over two or three times. Fortunately, he was thrown clear of the wreckage.

Earl is on the Levelland Police force, had spent the night here with his wife, and was returning to his job in that city when the accident occurred.

The thirteen original colonies were: Connecticut, Delaware, New York, Georgia, New Hampshire, New Jersey, North Carolina, Pennsylvania, Rhode Island, South Carolina, and Virginia.

James Gillespie Blaine was called the Plumed Knight by his admirers and the Tattooed Man by his opponents.

It is possible, but not probable, that a President and Vice-President of the United States may be elected from the same state.

More than sixty colonies of varicella foreign peoples are settled in different parts of the Republic of Paraguay.

President Grover Cleveland vetoed more than 300 bills, for an all-time record.

Only about one-fourth of South America has ever been surveyed.

Latin American homes are notched for their patios.
