### Gospel Meeting Begins Feb. 29

BILLY G. BROWN

Billy G. Brown, of Lubbock, will be the evangelist for a gospel meeting to be held at the Muleshoe Church of Christ February 29 through March 6.

He is well known here since he held a meeting for the church two years ago. During his time here he became acquainted with many people who saw him present his magic program at the high school and before the Rotary Club.

Mr. Brown is associated with the American Founders Insurance Co. in Lubbock.

Minister W. R. Tittle of the local church said services will be held each evening at 7:30.

The sermon will be broadcast the following morning at 9:30 over KMUL.

The church extends a welcome to all to attend the services.

### A WHOLE WEEK OF GAMES

#### Bula Junior Class Announces Annual Volleyball Tourney

Plans for the annual outsiders Volley Ball Tournament at Bula High School were announced this week by members of the Junior class, sponsors of the event.

The tournament will be held March 14 through 19, with the exception of Wednesday. Play will begin about 7:30 each evening.

The tournament will be held in the Bula school gymnasium.

The junior classes at Bula have been sponsoring this event the past three years, and David Williams, this year's class secretary, told the Journal that teams of outsiders come to the tourney from all over this area.

The school urges that entries be made as soon as possible so that playing brackets may be arranged.

The Junior class, which foots the bill for the annual Junior-Senior banquet, uses proceeds from the tourney to pay their banquet expenses.

Williams said: "Tell the people they are all invited to come out and attend these games and have a good time."

The guest speaker will be Don Boles, and the honored guests will be Muleshoe Journal and KMUL. Also Mr. and Mrs. Howard Cox of Cox Drive in Theatre and Alf Groves, scout representative of George White District.

The following Cub Scouts will receive the awards shown Richard Alsip, 1 year service pin; David Bickel, Bobcat; Kenneth Ellis, Lion, 1 gold, 2 silver arrow points; David Gupton, Wolf; Jerry Haskins, Lion, 1 year service pin; Billy Hoover, Wolf; Jerry Hoover, Bear; Terry Kendall, Lion, 1 gold and 1 silver arrow point; Billy Kelley, Lion; Paul Lenu, Lion, 1 gold and 1 silver arrow point; Teddy Millen, 1 year service pin; Mickey Minkler, Bear, 1 gold;

Gary Morris, Wolf; Gary Murray, 1 gold arrow point on Wolf; Hal Ray Newsum, 1 year service pin; Jerry Ottwell, Wolf; Earl Wayne Peugh, Wolf; Gary Wayne Pittman, Bobcat; Daryl Spraberry, Bobcat; Johnny St. Clair, Wolf, 1 year service pin; Donnie Thomas, Bear; Curtis Timmons, Wolf; Dennis White, 1 year service pin; and Kenneth Wilking, 3 silver arrow points on Bear.

### Gags and Girls Music, Mirth In Lions Minstrel

Gags, girls, music and mirth are in store for area folks who attend the Muleshoe Lions club minstrel show to be presented in the Muleshoe high school auditorium on the evening of March 10 at 8 p.m.

Directed by Gil Lamb, the minstrel will feature the old time end men with their funny stories, and an unusually large array of musical talent.

Included on the show will be quartets, solos, by both male and female members of the cast, instrumental numbers, and two rousing "production numbers", sure to please every member of the family.

End men are Jack Young, Melvin McCoy, W. F. Birdsong, Sonny Kirklen, Truman Lindsey, and Roland McCormick. Reserved seat tickets will be on sale by the members of the Lions club committee, headed by Lion Boss Owens Jones. Admission prices are \$1.25 for adult reserved seat section and 75 cents for children in the reserved seat section. General admission tickets are \$1 and 50 cents.

### THE ED GARNERS ATTEND BIRTHDAY DINNER

Mr. and Mrs. Ed Garner and son, Ronnie, went to Dumas Saturday, Feb. 20, to attend the birthday dinner given in honor of Mrs. Roxie Garner, mother of Ed Garner. The dinner was given on Sunday and was attended by several of Mrs. Garner's children.

### 59-60 "BEST" IN MANY YEARS

## 8 Below Reading, 6 Inch Snow Caps Winter Of Rough Weather

When icicles hang by the wall And Dick the shepherd blows his nail, When Tom bears logs into the hall And milk comes frozen home in pail, When blood is nipt and ways are foul . . . .

If Mr. Shakespeare had been living in Muleshoe during the last few days, he could not have described the situation any more aptly than he did in the above lines.

For certainly outdoor workers have had cause to blow their nails, blood especially this morning was nipt, and ways were foul.

A six inch snow Tuesday and Wednesday was accompanied by chilling winds and extreme low temperatures, climaxed by a temperature reading of 8 degrees below zero here this morning.

The latest storm put a cap on the worst, or best, according as one likes it hot or cold, winter in many years. There have been more cold days, more sleet and snow and cold rain, more blustery days this winter, and dame nature even threw in a top flight duststorm which lasted all of Tuesday, Feb. 9, and howled into the night.

For many days now the low reading has been below freezing and on some days hovered near zero, like this according to R. J. Klump, weather recorder here:

Date	Hi	Low
Feb. 18	43	19
Feb. 19	46	20
Feb. 20	51	25
Feb. 21	51	14
Feb. 22	53	15
Feb. 23	60	7
Feb. 24	32	8
Feb. 25	19	-8

6 Snows This Year Mr. Klump has no record of any snow before the first of the year; however some, depending upon memory, seem to recall some in November and December. But since Jan. 1, his records show no less than 6 snowfalls here, in the amount and on the dates shown:

Jan. 6, 5 inches; Jan. 17, 2 inches; Feb. 4, 1 in.; Feb. 17, 1 in.; Feb. 23, .50 in.; Feb. 24, 5 inches.

Muleshoe area has been favored this winter and last fall with some fine rains, also, and the ground has been too wet to plow. Moisture from the present snow measured .51 inch, Mr. Klump said.

### HOME FROM HOSPITAL

R. C. Cline, the photographer, is home after a week's stay in Muleshoe Hospital.

### Legion Sponsors "Running Wild" Comedy Feb. 26-27

Top talent in Muleshoe will take part in a rollicking comedy called "Running Wild", which will be presented in the high school auditorium here Feb. 26 and 27. The play is sponsored by the American Legion Post and is being directed by Mrs. Georgia Ryan, of Dallas.

The musical revue is based on a mixup which occurs in a small town when the People's Party decides to run a woman for mayor in order to defeat the underworld element that threatens to corrupt the town. After accepting the nomination, Miss Van Dyne is unable to be present to take part in the campaign. In desperation the town banker, Will I. Proffitt, is forced to locate a substitute for the missing candidate.

The fun begins when he bribes a local disc jockey, Chuck Chamberlain, to impersonate the sweet little old lady, and gets the local doctor to dress up and pretend he is her French Maid, Matilda.

The antics of these two dressed in women's wigs, petticoats and dresses are a riot. In an effort to keep "their voices up" and their skirts down" these two romp through a series of hilarious events which keeps the audience in laughter from the opening scene to the final curtain.

### Cub Scouts Have Annual Banquet

The annual Blue and Gold Banquet of Pack 20 Cub Scouts celebrating the 50th anniversary of scouting in America will be held on Feb. 25, at 7:30 p.m. in the Richland Hills school cafeteria.

The guest speaker will be Don Boles, and the honored guests will be Muleshoe Journal and KMUL. Also Mr. and Mrs. Howard Cox of Cox Drive in Theatre and Alf Groves, scout representative of George White District.

The following Cub Scouts will receive the awards shown Richard Alsip, 1 year service pin; David Bickel, Bobcat; Kenneth Ellis, Lion, 1 gold, 2 silver arrow points; David Gupton, Wolf; Jerry Haskins, Lion, 1 year service pin; Billy Hoover, Wolf; Jerry Hoover, Bear; Terry Kendall, Lion, 1 gold and 1 silver arrow point; Billy Kelley, Lion; Paul Lenu, Lion, 1 gold and 1 silver arrow point; Teddy Millen, 1 year service pin; Mickey Minkler, Bear, 1 gold;

Gary Morris, Wolf; Gary Murray, 1 gold arrow point on Wolf; Hal Ray Newsum, 1 year service pin; Jerry Ottwell, Wolf; Earl Wayne Peugh, Wolf; Gary Wayne Pittman, Bobcat; Daryl Spraberry, Bobcat; Johnny St. Clair, Wolf, 1 year service pin; Donnie Thomas, Bear; Curtis Timmons, Wolf; Dennis White, 1 year service pin; and Kenneth Wilking, 3 silver arrow points on Bear.

### BEGINS SCHOOL WEEK OBSERVANCE

## Annual Lazbuddie Fat Stock Show Set For Monday, Feb. 29

Staging of the annual Lazbuddie Fat Stock Show on Monday, Feb. 29 will officially open the school district's observance of Public School week.

Entries for the show will be accepted until 9 a.m. Monday, and judging will begin at 1 p.m. Prize money is being furnished by area merchants and individuals.

Lazbuddie FFA is in charge of the show and is making all arrangements.

The show is open to any 4-H club or FFA member in Lazbuddie school district. For the

first time, there will be an award for showmanship in all divisions, sheep, steers, and swine.

Lazbuddie FFA building is used for the show. Exhibitors will probably show their animals later at the Friona Fat Stock Show, and likely will take some of their best exhibits to the South Plains Show in Lubbock.

It is expected that a large crowd will be on hand to view the exhibits and to watch the judging. Name of the judge selected was not available to The Journal.

### JayCees Head To Visit Here

James Glaze, president of the Junior Chamber of Commerce in Muleshoe, disclosed at the regular meeting of the Jaycees, Jack Miller of Waco, will be in Muleshoe soon.

Miller will fly in on Thursday, Feb. 25 at 5:00 p.m., and will visit with members of the Jaycees, and then go on to Sudan to speak at the Sudan Chapter banquet.

The Jaycees will have a tri-regional meeting in Amarillo on Sunday, Feb. 28. Muleshoe will be represented in the three districts attending.

### Klumps Will Observe 50th Anniversary

Mr. and Mrs. R. J. Klump of Muleshoe are celebrating their 50th wedding anniversary on March 6th at Fellowship Hall in the First Methodist church. The hours will be from 2:00 until 5:00 p.m.

All their friends are invited to come by and visit with them.

### Mrs. Odom, 90 Died Wednesday

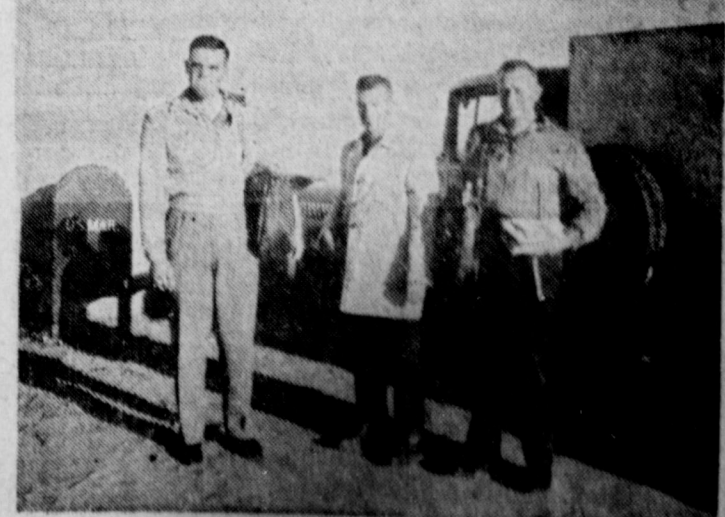

Mrs. Susan Ellen Odom, pioneer resident of Muleshoe, died at 7:30 p.m. Wednesday, Feb. 24, in the home of a daughter, Mrs. H. G. Harvey, a resident of Bailey Co. since 1923. Mrs. Odom reached her 90th birthday Jan. 9.

She was born Jan. 9, 1870, at Carthage, Mo. Her husband preceded her in death, passing in March, 1937.

Mrs. Odom is survived by three daughters, Mrs. Harvey of Muleshoe; Mrs. Hattie Flanagan, Modesto, Calif.; Mrs. Effie Brumley, Rush Springs, Okla.; two sons, Cliff Odom and C. H. Odom, both of Muleshoe; a sister, Mrs. Alice Odom of Glendale, Ariz.; a brother, Abe Twilliegar, Hillsboro, Texas; 31 grandchildren, 10 great grandchildren, and 10 great great grandchildren.

Funeral services will be held in the First Baptist Church at 3 p.m. Saturday, Feb. 27 with Rev. E. K. Shepherd, pastor officiating. Interment will be in Sudan cemetery, Singleton Funeral Home in charge of arrangements.

### MEET YOUR CITY MAIL CARRIERS

AS CITY MAIL DELIVERY in Muleshoe was inaugurated Saturday, February 20, the three route carriers were pictured outside the postoffice ready to take off on their rounds by a Journal photographer. Left to right they are: Doyle King, Rt. 1; Gary Don Dale, Rt. 2; Bobby Noble, Rt. 3. Not pictured is Bobby Burris, who is the parcel post delivery man. (Journal Photo)

### Scoop Sez . . .

By J. M. Forbes

George E. Green, the inventor and successful irrigation equipment developer and manufacturer, believed and tried to make others see that the underground water supply of the plains is not maintained by recharging the water sands beneath us by rainfall.

Mr. Green, who was 85, passed on Monday morning in Plainview where he has lived since 1909, when it became evident that the plains would become a farming area. He has been called the "father of Plains irrigation", and many call him the man who revolutionized irrigation in the area.

An inventor who was well acquainted with manufacturing, Mr. Green developed his direct gearhead pump, which changed everything for the irrigation farmer.

As a young man, a fledgling reporter, I used to drop by Mr. Green's shop and listen while he told of his plans, his talk illustrated by his spreading out technical drawings of which I could make nothing.

He was a scholar, a gentleman, an engineer, and a fine companion. I wanted to believe what he told me, not what the geologists were telling me. I wanted to believe that our "inexhaustible" supply of underground water comes from a source such as the New Mexico mountains and I still do.

The idea that underground stratas of sand contained enough water for all the gallons pumped out for irrigation since 1909 seems incredible to this ill informed writer. I much prefer to think that the snows melt into water in the mountains, the creeks and rivers race this way and somewhat, some way, these waters descend, as they would have to do, onto this, our plateau.

Bill Broadhurst, as all of you know, is the most reliable authority, and he will not go along with such a theory. It is impossible, I heard him say for water coming down the Pecos or the Canadian to enter our plateau, higher than either system. But I much rather believe it comes in an incessant stream from the snow

### Billy Hargis To Speak Feb. 28

Dr. Billy Hargis, publisher of "Christian Crusade", a monthly publication printed in Tulsa, Okla., who is also widely known as a writer and radio speaker, will appear in Muleshoe.

He will speak at 3:30 p.m. Sunday, Feb. 20, in the high school auditorium. He will discuss the menace of communism infiltration into our American institutions. The public is invited to attend.

covered mountains. One day, several years ago, Mr. Green was invited to speak before the Muleshoe Lions Club. He wasted no time on the amenities but got down to his subject at once. He told how he had picked up a large handful of soil and with his other hand had begun to pour water from a pitcher onto the ball of soil. It took a long time for a drop of water to appear on the bottom of this handful of soil; and if, he said, the soil of the plains ever got that wet, it would be many months before a plow could be stuck into it. But sufficient enough — es bastante, on this.

Recent developments have strangely caused this scribe to remember a sign in the lobby of the "dollar a day" hotel where I was night clerk while attending high school. It rhymed and went like this: Since man to man is so unjust, I scarcely know what man to trust; I've trusted many to my sorrow, So pay today — and I'll trust tomorrow.

A city route carrier, caught on his rounds the first morning of free delivery, wiped his brow and said: "Not all the addresses are correct, still I'm finding most of the people after all, but there is one thing I wish you'd put in the paper: "I don't trust all these dogs I see in the yards, and if they shine up to me, there won't be any mail delivered at the house where this sort of dog holds forth."

## Crawford Honored With Surprise Dinner

J. O. Crawford was given a surprise birthday dinner by his old friends and neighbors on Monday night, Feb. 15. He and Mrs. Crawford had only recently arrived in Muleshoe from Dennison, where they had been residing. It was Mr. Crawford's birthday.

Those attending the "gab-feast" were: Messers and Mesdames, L. V. Kolar, Merl Barnhouse and daughter, George Chambless, D. O. Smith, S. L. Jackson, Leon Dove and family, I. M. Stinson, and Ben Crawford of Littlefield. Each family brought a covered dish for the occasion and there was a lot of talking done.

## Spring Meeting of Deanery Set March 24

Word has been received that the spring meeting of the Lubbock Deanery of the District Council of Catholic Wo-

men will be in Littlefield on Thursday, March 24th. Delegates from the Rosary-Altar Society, Immaculate Conception Church of Muleshoe, will be among the Catholic women of the Lubbock district attending the Littlefield meeting.

## Practice Session Held by Rebekahs

Muleshoe Rebekah Lodge met in regular session Tuesday night Feb. 16 with N. G. Mary Taber presiding. All members participated in the practice session.

The members will have initiation on February 23 and Lodge will start at 7:30. There will be one more practice session, on Feb. 19, before the initiation.

The South Plains Pre-association will be held in Lubbock Saturday night, Feb. 27 in the Rebekah building on 53rd st.

There were 19 members present for the meeting.

## West Plains Houseparty Held

At West Plains Young Women's Auxiliary houseparty, held in the First Baptist Church, Littlefield, last Friday and Saturday, the above picture was taken and shows: Left to right, Mrs. Kenneth Reast, WMU president, First Baptist, Littlefield; Mrs. Bert Black, Crosbyton, WMU president, District 9, Baptist General Convention of Texas; and Mrs. Verney Towns, of Muleshoe, WMU president, West Plains Baptist Association.

Other local people, not pictured, and prominent in the work of the YWA are: Dorothy Hickman, chorister, Muleshoe; Shirley Henry, newly elected president of YWA Council; Virginia Hickman, pianist; Miss Dorothy Weaver, Chorister. Mrs. Towns brought the devotional Saturday morning, taken from the Book of Ruth.

## Coffee Honors Mrs. O. Gerrard

A lovely coffee was given in the home of Mrs. W. Q. Casey on Saturday, Feb. 20, honoring Mrs. O. Gerrard, wife of the new vice-president of the Muleshoe State Bank. The coffee was held between the hours of 9:30 and 11:30 a.m.

The table was covered with a white hand made cloth and the lovely centerpiece was made of red carnations and white mums and the foliage was white with silver glitter

set in a bowl of silver and crystal. Red candles were on either side of the flower arrangement. A red carnation corsage was presented to Mrs. Gerrard. Coffee was poured from a silver coffee service by Mrs. Bobby Alhart, Mrs. W. T. Andrews and Mrs. Norman Thomas. Other refreshments were open faced sandwiches, nuts and mints.

Hostesses for the coffee were Mesdames W. Q. Casey, W. T. Andrews, and Mrs. Norman Thomas. Approximately 135 guests called during the coffee hours.

## FOUNDER'S DAY CELEBRATED

### Muleshoe P-TA Observes 33rd Year In Appropriate Birthday Program

The Muleshoe Parent-Teacher Association met at the Muleshoe High School Auditorium February 15, 4:15 p.m. with Mrs. Aubrey Heathington presiding.

Charles King, Muleshoe Junior High School eighth-grader, gave the invocation.

The program, introduced by Mrs. Douglas Avery, was given by Jerry Kirk, Superintendent of Muleshoe Schools; Mrs. John Watson, eighth grade teacher and chairman of the legislative committee; and Mrs. A. S. Stovall, chairman of the life membership committee.

Mr. Kirk gave some interesting remarks concerning education. He stated that whether education is on the national, state or local level, we, as individuals, are directly concerned.

"At the present we do not have too much that is new in education at the state level," he said. "The governor says that he is not sure that we as parents and teachers really want a special session called to improve our education. Probably some definite decision will be reached by the governor within the next two or three weeks.

There are several bills in the national Congress at this time. One bill has been submitted which would entitle any state using television as a teaching device to improve education to participate in a grant of \$100,000. Another bill is being considered which would enable any veteran since the Korean War to have a four year education.

When referring to our local schools, Mr. Kirk discussed some of the many duties of the teacher. Some of them were: Ordering workbooks, collecting the money, collecting for donations for charitable organizations, hall duty, lunch duty, and other things too numerous to name. We seem to feel that some clerical help for the principals and teachers could and surely would be helpful. The teacher is called on to do many things above and beyond that of actual teaching. What do you want for your child?

Mr. Kirk referred to the students as "precious little jewels" and said that it is our responsibility to train each to take his place in the world. Each of us needs to put forth a concerted effort to better our schools on a local, state, and national level. He said, "Let us exercise our rights as citizens, get organized, and band together for the betterment of education for our boys and girls."

This year the National Congress of Parent-Teachers Association is celebrating its 63rd year, the Texas Congress of Parent-Teacher Association, its 50th year, and the Muleshoe Parent-Teacher Association, its 33rd year. The aim of the organization has been and still is the betterment of our youth.

A brief history of our youth-Teacher Association celebrating Founder's Day was given by Mrs. John Watson. This year the Founder's Day program is celebrated with these objectives in mind:

1. To honor our founders
2. Evaluate the program.
3. Promote the community.
4. To re-dedicate ourselves.

Mrs. I. W. Haney was the first Parent-Teacher Association president in Muleshoe in 1927. Mrs. Watson identified each president and gave the highlights of each president's administration.

Some major accomplishments under the leadership of these presidents through the years have been hot lunches, band uniforms, library books, ground beautification, charts, visual aid material, and many others.

## Lodge on Honor Roll Disclosed At Meeting

The Muleshoe Lodge will be on the honor roll in the Odd Fellow News of Texas for February was disclosed during the regular meeting of the Rebekah Lodge on Tuesday night, Feb. 23, with N. G. Mary Taber presiding.

The initiation of two new members was held. They were Lavern Carrol and George Gross. Nona Davis was installed as Left supporter to the Y. G.

The staff conferring the degree included Mary Taber, N. G.; Grace Morgan, V. G.; Barbara Burton, chaplain; Mary Murrell, P. N. G.; Fern Davis, secretary; Ona Berry and Cora Snyder, supporter to N. G.; Mary Thomas and Peggy Lay, supporters to V. G.; Ina Owen, and Mary Finley, supporters to Chaplain; Grace Kemp and Callie Smith, supporters to N. G.; Lucille Gross, outside guardian; and LaRue Kemp, inside guardian.

love birds was placed. The other end of the table held a single red rose in a vase with white candles on either side. The meal, served buffet style, consisted of appetizers, sandwiches, salad, coffee, cokes, and cake.

Games of bridge and 42 were enjoyed by all.

It is the desire of the executive officers that more people will attend the next meeting to be held in March.

## Demonstration of Oven Meals Held

Oven meals and election of officers were the "order of the day" in the home of Mrs. S. C. Caldwell for the regular meeting of the Muleshoe Home Demonstration Club on Tuesday, Feb. 23rd.

Mrs. Dorothy Bowers assisted by Mrs. H. O. Baker, gave a demonstration on oven meals. Mrs. C. R. Briscoe gave a short talk on how to control insects.

Mrs. C. H. Gillis was elected second vice-president and Mrs. H. O. Barber was elected assistant reporter. Mrs. Opal Robinson was elected delegate to the district meeting that will be held in Littlefield on April 1st. The club would like as many ladies as possible to attend the meeting.

Mrs. Opal Robinson won the hostess gift, a beautiful pair of ceramic fish. Two games of Name Bingo were played and both games were won by Mrs. Howard Carlyle.

After the meeting was finished, the ladies enjoyed the delicious oven meal served buffet style.

## "Supper-Social" Held For Come-Double Class

A "supper social" was held in Fellowship Hall of the First Methodist Church on Friday night, Feb. 19, at 7:00 for the Come-Double class of the church. There were nine couples present and a guest, Rev. Edwin L. Hall.

The table was covered with a white cloth and on one end of the table, an attractive centerpiece was made of a branch sprayed with white paint and held many little red hearts and in the center of this, a large red heart with white

## SO YOU MAY KNOW THE FACTS

So you may know the advantages you have and the savings you make by borrowing your money from and doing your business with a Bank.

ALWAYS REMEMBER when you borrow your operating funds from any Association and not from your bank, you receive no other banking services from that Association. Unless that Association has an office or a branch office in the city, county or school district where you live—it pays no taxes to help school your children or support your city or county and contributes nothing else to your community's progress.

WHEN BORROWING from your Bank and have figured all the various charges and deductions made by the Association and the straight interest charge made by your Bank, you will find you have saved considerably.

YOUR BANK pays heavy City, School, State and County and Income Taxes to support your City, Schools, County and State and Federal Government. Your Bank contributes heavily to your Chamber of Commerce, Boy Scouts of America, Girl Scouts, Polio Fund, Red Cross, Heart Association, Cancer Drives, Farm Organizations, Youth Activities, Church Activities, and many others. Your Bank is always ready and willing to call or write your Congressmen and Senators on any matter you wish to discuss with them without any charges to you. Always ready to be helpful with your correspondence on any matters. In addition to all these advantages, you get many other free banking services. Your Bank is chartered by the Government to give a complete banking service and not to just loan money. Your Bank cannot exist unless you borrow from it—you would have no Bank in which to deposit your money and have advantage of the many services it offers.

THE PEOPLE who are associated with your Bank are your neighbors and friends and spend their money with their hometown merchants which makes your community a better place to live, so always consult your Banker before borrowing your money elsewhere. He is interested in you and your family and is always ready and willing to be helpful when he can. Your Bank is examined at least twice a year by government authorities for which the Bank pays the charges. Your deposits are guaranteed by the Federal Deposit Insurance Corporation up to and including \$10,000, for which your Bank pays the charges. You will always find your Banker more interested in YOU saving as much money as you can in your business and farming operations and you may be assured he will consider these problems in arriving at your interest rate.

YOU REQUEST A LOAN of \$10,000 which we understand a well known Loan Association charges 7 1/2 % and you are granted the loan which is made on collateral only—you do not get the \$10,000, but pay interest on that amount, you get only \$9,500 which is less the \$500 in stock you are required to take on which you receive no interest or dividends, your charges are not 7 1/2 % because the 5 % of your \$10,000 loan used for Association Stock is retained by the Association for its use. You do not get the use of the \$500; therefore your charges are 12 1/2 % plus the 7 1/2 % on the \$500 plus a loan service fee. If you wish you will be paid the cash for your Association Stock when you have paid all of your loans. You needed the \$10,000 and not \$9,500 or you would have never made the request. Perhaps you feel you have never made the request. Perhaps you feel you have made an investment, however it seems not to be an investment when you receive no interest or dividends. If you borrow from your Bank and wish to invest a portion of your borrowings, your Bank will place the amount you wish to invest in your Savings Account and this Bank will pay you 3 % semi-annually compounded and your deposit is guaranteed by Federal Deposit Insurance Corporation. Your money you have borrowed from the Association is made available by the government from means there is only 2 1/4 % of the government must sell to the investing public before the funds are available to you. The government is now paying 5 1/4 % to the investing public for these funds and charging you 7 1/2 %. This means there is only 2 1/4 % left to pay salaries and operating expenses of the Association loaning you the money which is probably not sufficient therefore you may expect to be asked to pay more interest in the near future.

YOU REQUEST A LOAN of \$10,000 from your Bank on which this Bank charges you 8 % or 10 %—depending on the size of your loan—other banks may charge you even less. You might get the loan without having to give collateral depending on your Net Worth. This is all you pay. You are not charged any loan service fee, you get all your money and have saved from 2 1/2 % to 4 1/2 % and even more if you take into consideration the interest you pay on the portion you are required to take in Association Stock on which you have received no interest or dividends and the service loan fee you will pay.

IN THESE DAYS of rising cost of operation, why not save by borrowing from your Bank.

# Corn Crisped Chicken

New easy way to fix crisp chicken without frying!  
No shortening, no turning!

**recipe**

1 Broiler-fryer chicken, cut in serving pieces  
1 cup KELLOGG'S CORN FLAKE CRUMBS 1/2 teaspoon pepper  
1 teaspoon AC'CENT 1 teaspoon salt  
1/2 cup PET Evaporated Milk Heavy Duty REYNOLDS WRAP

1. Combine KELLOGG'S CORN FLAKE CRUMBS with AC'CENT, salt and pepper.  
2. Dip chicken pieces in PET Evaporated Milk, "thin" milk just won't do; then roll in seasoned CORN FLAKE CRUMBS.  
3. Line shallow baking pan with Heavy Duty REYNOLDS WRAP; place chicken pieces, skin side up, in foil-lined pan, do not crowd.  
4. Place in moderate oven (350° F.) about one hour, or until tender. If less crisp crust is desired, lay a piece of REYNOLDS WRAP lightly over chicken. No need to turn pieces while baking. Serves 4 or 5.

Tested and approved by the NATIONAL BROILER COUNCIL.

### ON-THE-FARM GRAIN STORAGE

You Can Own This

and have it "PAID IN FULL" IN ONLY 28 MONTHS

### WHY YOU ARE AHEAD with an ALL-STEEL BEHLEN CURVET:

- Multi-Purpose — Both grain and machinery may be stored with a partition bulkhead.
- Heavy-Duty Construction — So rugged grain can be stored 12' against side walls.
- Low Cost — About 30% less than straight-wall steel buildings.
- Only Practical Leak-Proof Building on the Market — Non-aging rubber strips seal all weather, vermin, insects out.
- Unlimited Capacity — Available, 40' widths; length unlimited. Easily enlarged.
- Quick Erection — Can be erected on your site in a week.
- Easy Financing — Through Behlen Purchase Plan or local ASC office.
- Special Drying Floor Systems — May be installed at low cost.

Here's an example of how one 40' x 60' Behlen Curvet will pay for itself in 28 months...and within 40 months give you a profit of \$2,502.05 to boot.

● The first year, seal your grain at the support price.

● The second year the ASC will pay you approximately 16 cents a bushel to re-seal your grain.

● In 28 months, your ASC earnings will have equalled the complete cost of your Behlen Curvet.

When you drop into our store, I'll show you exactly how you can also make a profit of \$2,502.05 as well as owning your Behlen Curvet "free," lock, stock, and barrel.

### McClure-Stockley Wedding Feb. 19

Charlene McClure, daughter of Mr. and Mrs. Ernest Goforth of Springlake and John Stockley, son of Mr. and Mrs. Jack Stockley of Quemado, were united in marriage on Friday, Feb. 19, at 7:30 p.m. in the chapel of the First Methodist Church with Rev. Edwin L. Hall performing the double ring ceremony.

As the couple stood before a beautiful cross with a sunburst of white gladiolus and blue pom poms accented with blue satin bows, Edwin L. Kirklen sang, "Because", "O Perfect Love" and as the couple knelt in prayer, "The Lord's Prayer". Kirklen was accompanied by Mrs. Elizabeth Woodley at the piano.

The bride was lovely in an Alice blue dress of silk shantung. Her head-dress was of shoulder length illusion with seed pearls. Her bouquet was of white carnations atop a white bible with blue streamers.

The tradition of something old, new, borrowed and blue was carried out by the bride in her attire. She carried a handkerchief that belonged to her grandmother, a pearl necklace that was borrowed, a sixpence in her shoe and her dress was new.

Mary Margaret Riddle attended the bride as matron of honor. She was attired in a royal blue dress accented with a carnation corsage. Edwin L. Kirklen served as best man.

As the guests arrived, they registered in the bride's book. Mrs. Edwin Kirklen presided at the table which was cover-

ed with a blue Irish linen cloth and held a bouquet of blue pom poms.

For her going away outfit, the bride donned an Alice blue silk shantung jacket with a portrait collar and she completed her costume with a white carnation corsage. After a short wedding trip, the couple will be at home at 206 W. 13th.

Mrs. Stockley is a graduate of Springlake High School and has been employed at the Muleshoe Hospital and Clinic. Mr. Stockley graduated from Eagle Pass High School and attended Texas University. He is presently employed at the Five County Farm Labor Association.

### Rainbows Initiate 2 New Members

The initiation of Beverly Crawford and Margie Mock was held at the regular meeting of the Rainbows in the Masonic Hall on Monday night Feb. 22, with Worthy Advisor Kay Brown presiding.

After the meeting, Linda Sanders and Davy Jean Anderson served refreshments in the banquet room.

The table was covered with a red cloth and the centerpiece was an ax which was attractively displayed. The punch was served from a crystal punch bowl service and the cake was white with miniature flags on it. It was all very attractive.

The meeting was well attended, including John Farley, a Mason and Eastern Star members, Mrs. Winnie Dunn, Mrs. Opal Boothe and Mrs. Alex Wilkins.

"Steers like a feather and is extremely quick. . . This is a beautifully designed automobile, engineered by real pros."  
—Tom McCahill, Mechanix Illustrated

"Most surprising thing to me outside of the excellent handling characteristics was the feeling of roominess inside. . . I didn't have the sensation of driving a small car and the headroom was greater

in the Corvair than in some standard size cars. . ."  
—L. H. Houck, Automotive News

"So far as shopping goes, the Corvair is a housewife's dream. It's small and easily maneuvered without any power steering, and so easily parked . . . it's a lot easier to unload a cart full of groceries into a front trunk at the supermarket than it is into a rear one."  
—Rosemary Francis, Popular Science

"I want to state as firmly as I can that the Corvair handles as beautifully and is as safe as—if not safer than—any family car on the road today."  
—Jim Whipple, Car Life

"There is none of the typical whine normally associated with rear-engined vehicles. Inside the car, the effect is quite unlike anything we have ever experienced. It almost seems that there is no engine, and the general effect is so quiet as to be almost uncanny."  
—John R. Bond, Road & Track

"No written word can suffice for the genuine pleasure that you will receive behind the wheel of America's newest and most advanced contribution to transportation. . . It is a great car."

Walter R. McGuire, pictured above in one of his demonstrations, will conduct a science program at Three Way High School March the 7 and 8. He

is a traveling science teacher. Mr. McGuire was high school principle and taught science and math in Muleshoe from 1940 to 1949.

### Traveling Science Teacher To Give Program At Three Way March 6-7

STILLWATER, OKLA.—A science program of unusual content and interest will be presented at the Three Way High school during the period of March 7-8, 1960. The program will be presented by Walter McGuire, traveling science teacher, who has a repertoire of lecture materials designed to inform and stimulate teachers and students in the areas of science and mathematics and is equipped with a station wagon loaded with

unique science demonstration apparatus.

Mr. McGuire is one of the twenty traveling science teachers who have been trained and equipped at Oklahoma State University with the assistance of a \$35,000 grant from the National Science Foundation. The twenty teachers are serving an eight-state area composed of Arkansas, Colorado, Kansas, Louisiana, Missouri, New Mexico, Oklahoma and Texas. "Nearly a quarter of a million students will benefit directly from the Traveling Science Teacher Program during the current school year," says Dr. Robert C. Fite, program director.

By the end of the spring term each traveling teacher will have visited approximately 30 schools, a total of 600 altogether. Three Way High school is fortunate to have been selected to receive the program this year since twice as many applications were received as could be scheduled.

"In addition to 12 to 15 lecture-demonstrations to science and mathematics classes and to student assemblies, the program is quite flexible and requires a minimum number of disruptions or irregularities in the school schedule. "Schools of all sizes are scheduled, but the program presented in a large school is quite different from that in the smaller schools", says Fite, who is also director of Oklahoma States Arts and Sciences extension activities.

Mr. McGuire, a native of Texas, has for the past several years taught science and mathematics at Dora, New Mexico. He was selected with the 19 others from about 200 teacher applications received from the eight-state area by a committee of scientists working with the program. At the end of this year Mr. McGuire will return to his regular classroom duties.

### MEN ATTEND REVIVAL

On Feb. 18, a group of four men from the First Baptist Church in Muleshoe attended the revival at Three-Way. Homer Martinez of Ft. Worth is the independent evangelist conducting the revival.

### Maltbys Have High Producing Shorthorn

Parkway Alice, Shorthorn cow owned by Mr. and Mrs. G. T. Maltby of Muleshoe, has recently completed a record of more than 400 pounds of butterfat, according to W. E. Dixon, secretary of the American Milking Shorthorn Society, Springfield, Mo.

The Maltby cow, 8 years old, was tested for a period of 305 days, produced 11,898.0 pounds milk, 417.13 pounds of butterfat.

### SENIOR GIRL SCOUTS WILL MEET IN LUBBOCK

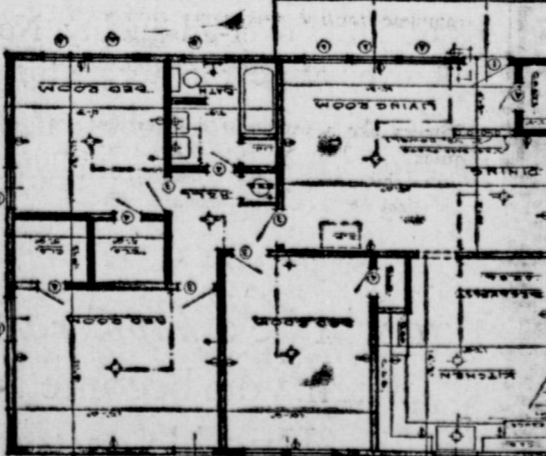

There will be a senior Girl Scout meeting at the Girl Scout Little House, 2600 Ave. P. in Lubbock, Saturday, Feb. 27th, from 9:30 until 12:00. They will have a school of Charm on the program and all senior Scouts are urged to attend.

**BABSON DISCUSSES**

**Hedging Against Labor Leaders**

Babson Park, Mass., Feb. 25. In previous columns I discussed hedging against inflation. I said that the best "hedge" is land — that the government can print more bonds; that corporations can print more stocks; but that only God can make more land. This means that as population increases, as woodlands grow or as more minerals, oil, gas, etc., are discovered, properly located land will increase in price as inflation increases.

**TAXES MUST BE PAID**

Of course, either the corporation owning the land or the investor must pay the annual taxes. As investors do not like to do this, even in the case of orange groves, then it is better to buy stock in a corporation like Minute Maid, which will pay the taxes and which, when fruit is plentiful and sales are good, can also pay a dividend on the stock.

Taxes, however, must be paid by some one and taxes are sure to slowly increase each year.

**Big companies** like the Weyerhaeuser Company (largest timber owner in the U. S.) do this by selling lumber, corrugated paper, and containers of all kinds through their manufacturing divisions. Even the great owners of woodlands are subjects to strikes in their manufacturing divisions, but the timber continues to grow while labor is on strike. The steel, iron, and coal supply, however, does not increase when a big steel strike is on.

**WAGES WILL CONTINUE TO RISE**

I have recently been reading an Economic History of England. The frightful long hours and low wages of the coal miners of 150 years ago seem almost unbelievable. Even little children were obliged to work in the mines for a few cents per day. The coal miners have been forced to continual struggle during these 150 years up to the present time. The same is true of the wageworkers of most every great industry.

**Investors must not think** that labor troubles will ever be over. After securing the highest wage that the traffic will stand and the shortest practicable working hours, labor leaders will fight for representation on boards of directors and ultimate government ownership. Only competition from European and Asian countries can check price increases or higher tariffs. High tariffs work for a while but ultimately will "kill the goose that lays the golden eggs."

**WISE INVESTORS WATCH LABOR LEADERS**

Some industries are more vulnerable to labor troubles than are others. This means that investors should constantly watch the labor trends and switch their investments from the more vulnerable industries such as the steel, coal, motor, electrical, railroads, bus companies, etc., into the less dangerous ones where labor is

not yet in such a powerful position that it does not care whether or not stockholders get any dividends. Moreover, remember that Congress will vote to help labor, whether or not their claims are just.

**The labor leaders** find it most difficult to organize the more intelligent workers, especially sales forces working on a commission; also merchant variety chains — where there is a large turnover among sales clerks. This now applies also to drug stores.

**BE PREPARED TO SWITCH**

Insurance companies may temporarily be free from labor troubles. The insurance premiums would continue to be paid into the home office whether or not a strike should occur. Settlement of claims would be delayed until the State Insurance Commission forced an agreement and granted higher rates to offset any wage increase. The same protection could apply to the owners of bank stocks.

**There will always be** some group of stocks that will be least subject to dangerous labor demands; the group may, however, change from time to time. There are always some stocks which, for a time, are free from labor troubles; but to hedge against such troubles investors should constantly be willing to switch out of one stock to another. This means that wise investors will employ an experienced investment counselor to watch these changes or else will invest money in Mutual Funds which do not have to fear legislation.

**So, all Washington has to do to finance the missile program is pass a law adding say five dollars a month to everybody's installment payments.** I figure that'd bring in about four billion dollars extra a year, and everybody knows survival is worth five dollars a month.

**SAND HILLS PHILOSOPHER COMES**

**Up With New Plan To Finance More Guided Missiles For U. S.**

Editor's note: The Sandhills Philosopher on his Johnson grass farm claims he has solved the problem of financing an adequate defense program. It's doubtful.

Dear editor: "Where're we gonna get the money?" seems to be the main problem confronting the experts who contend the United States ought to spend more for defense.

Some of the missile and space scientists have testified they could do a lot more and close the missile gap if they had more money to work with, but on the other hand expert economists have testified that balancing the budget is important to survival too, there is such a thing as getting a nation too far in debt.

Since everyone is in favor of an adequate defense system, and everybody is in favor of a balanced budget, everybody in Washington seems stumped. They don't know where to turn to get more money for guided missiles, so I took off from work out here on my Johnson grass farm the past week and thought.

I now have a solution to the problem. Don't know why nobody has thought of it before.

**The way to finance the guided missile program is to do it on the installment plan.**

Here's the situation: Most Americans seem to be on the installment plan; two-thirds of the cars are sold that way, three-fourths of the refrigerators, nine-tenths of the televisions sets, etc. Nearly everybody has weekly and monthly installment payments to meet, and how they do it nobody knows.

But they do it. Take television. A few short years ago, before television came in, everybody was loaded to the gills with installment payments, yet here came television and everybody bought a television set. They just added it to the load and kept grinding.

**So, all Washington has to do to finance the missile program is pass a law adding say five dollars a month to everybody's installment payments.** I figure that'd bring in about four billion dollars extra a year, and everybody knows survival is worth five dollars a month.

If not, have them look at it this way; if Russia, figuring we're unprepared, sends over its batch of intercontinental ballistic missiles and blasts this country, some of them are bound to hit most of the electrical power plants, and did you ever stop to think what life would be like every night with the electricity off and no television?

Yours faithfully  
 J. A.

Mrs. Frank Griffiths

Mrs. Frank Knox entered the Methodist hospital last week for treatment.

Released from the West Plains hospital of Muleshoe last week were Mrs. Lillie Dodd, mother of D. P. Brinker, and George Fine. Mr. Fine had been in the hospital for several weeks. Mrs. Dodd was a flu patient.

Mrs. Jack Lane was honored with a surprise birthday party at her home last week. Present for the occasion were her parents, Mr. and Mrs. Quisenberry of Circleback and Mr. and Mrs. Conrad Williams and children. Mrs. Williams baked and decorated a three tiered birthday cake for Mrs. Lane.

Shopping at Farwell Friday were Mrs. W. C. McCelvey and Mrs. Lewie Jordan.

Nan Johnson was home the past weekend from ENMU. She had as her house guest her roommate Nancy Adams of York, Penn.

While driving down the road to Goodland, Miss Adams saw what she thought was a lake of water in the middle of the road. She mentioned it to Nan and was told that it was a mirage. Nancy then asked if that was the same thing that people saw in the desert. When told that it was, she then remarked, "Why? I'm not thirsty." Miss Adams was fascinated by so many "lakes" on the dry plains of Texas.

The women of the Three Way Methodist Church sponsored a Box Supper at the Fellowship Hall last Monday evening.

Sunday dinner guests in the

Frank Griffith home were Mr. and Mrs. J. L. Bateas and girls of West Camp, Mr. and Mrs. W. K. Paul of Portales, Misses Nan Johnson and Nancy Adams, students at ENMU.

The eighth grade class went to Morton last Monday on a skating party.

The ball game at Three Way Tuesday evening between the girls and the teachers and the outsiders and the high school boys took in \$98.50. The money will be used to help buy a score board clock for the gym.

Mr. and Mrs. Frank Griffith made a business trip Monday to Brownfield and Lamesa.

**Enochs News Events**

by Mrs. Jerome Cash

Mr. and Mrs. Calvin Coley of Muleshoe visited her brother and family Sunday, Mr. and Mrs. J. J. Brackman.

An epidemic of flu and colds swept through the Enochs Community this past week. Among those sick were Clyde Price and son Glen, E. C. Gilliam, Buford Peterson, Charles and Jimmie Pool, Mr. and Mrs. Newman, and Mrs. A. D. Hallford.

Mrs. Clara McGinnis was reported Sunday to be getting weaker. She is at the home of her son in Lubbock. Her address is c/o J. F. McGinnis, Rt. 5, Lubbock.

The Enochs Baptist church reports a wonderful revival last week. A baptismal service was held Sunday night for 5 new members.

Pastor J. J. Terry extends his thanks for the good attendance and for the large number of visitors, especially for the visiting pastors from neighboring churches.

A surprise pounding was held for Bro. and Mrs. J. J. Terry immediately following church service Sunday night.

Carl Hall was reported to be improved on Sunday and heading to return home on Wednesday of this week. He underwent surgery at the Methodist Hospital at Lubbock last Wednesday on his left arm which was injured last fall.

Mrs. Vernon Slaton of Morton, mother of Lindsey Bates was a visitor at the Baptist Church Sunday night.

Mrs. Flora Nichols is reported to be better this week. She had an attack of strep throat last week.

**Commercial Well Drilling Nearly Doubles In '59, Report Shows**

Lubbock — The High Plains Water Conservation District has announced that in 1959, commercial well drilling within the Water District increased almost two-fold over 1958. In 1959, a total of 1518 wells were drilled, as compared to 879 wells in 1958.

**Officials of the Water District explain that because of the need for pre-planting irrigation water on crop land in the spring of 1959, the first six months of that year showed a tremendous increase in drilling activity when compared to the first six months of 1958.** The latter half of 1959, however, was about equal in number of wells drilled to the last six months period of 1958.

The District reports that very little new land is being placed under irrigation for the first time, even though additional wells are being drilled. Most new wells are drilled to obtain additional water with which decreasing irrigation supplies may be supplemented. Wells in the southern High Plains of Texas are generally decreasing in capacity, consequently, new wells added to an irrigation system are used to regain quantities of water

originally pumped from fewer wells.

Another factor which probably had a bearing on increased drilling activity in 1959 is that generally excellent crops were harvested over the southern High Plains area during the fall of 1958. The good harvest not only re-filled the area's sagging pocketbook, but it was also instrumental in creating an optimistic feeling within individuals toward making additional capital investments.

Over 98 per cent of the water pumped from wells in the southern High Plains is pumped for agricultural irrigation purposes.

Below is shown a table that breaks down the compiled statistical data on drilling activity throughout the Water District. The past two years are shown so that comparisons may be made.

**Parmer County Farm Bureau News**

We commend Walt Disney, who had charge of opening ceremonies for the World Olympics in Squaw Valley. He included religious ceremonies (a rare thing in world wide ceremonies), justifying the inclusion by remarking that since we, the United States of America, inscribe our coins of exchange, "In God We Trust", it seemed only fitting that He should be recognized in this event at which we are hosts to athletes of the world. We believe some of our national leaders could take a lesson from Mr. Disney.

Farm Bureau opposes the elimination of the loyalty oath required of students applying for Federal aid for their higher education. We seriously

question either the intelligence or motives of those determined to remove this requirement. Why should our country assist in educating individuals who have no scruples against destroying our country?

Our own Texas Senator (now retired) Tom Connally, was successful several years ago in inserting an amendment at the end of a United Nations World Court agreement by the United States, a short phrase that leaves the decision as to whether a case involving the United States, or one of its citizens, to the United States.

There is a campaign, upheld by several of our congressmen underway to eliminate this safeguard too. They say it would be "an example to other nations" to place more confidence in the UN World Court. We feel that the best example we can set to all nations is to retain our sovereignty as a nation under God, with no bending to a Godless United Nations court.

Though not surprised, we were disappointed to note that both of our Texas Senators in Washington voted "Yes" on the Federal Aid to Education bill. This is certainly in opposition to the expressed sentiments of our state legislature.

Donald Christian and his workers will be out to see those of you who are not Farm Bureau Members the latter days of this week. Donald expresses his appreciation to those members coming due in March who are paying dues a little in advance. You will not be contacted on the drive, which is for new members. **CONSIDER THIS: Seest thou a man that is hasty in his words? There is more hope of a fool than of him. Proverbs 29:20.**

Senator Lyndon B. Johnson said today that the communist conspiracy to invade the Western Hemisphere "took its biggest step forward" in the signing of a commercial agreement between the Soviet Union and Cuba.

In his weekly radio broadcast to Texas, Johnson described the arrangement as "more than a simple commercial agreement." "There is a question of economic penetration," he said.

"And one of the most interesting facts is that Mikoyan made it clear at a press conference that the \$100 million loan would be accompanied by Soviet technicians who would help the Cubans."

"This is one of the classical patterns of communist penetration. There is nothing new in the story except for one very basic and important fact — it has happened right at our

## In Kangaroo Court— "Your Are Guilty"

Pat Barrett

"I'm innocent," pleaded the students of MHS when the annual Kangaroo Court was held Thursday, February 18, following Twirp Week.

It seems that nearly everyone broke a rule and got caught! Such offenses as not opening the doors for boys, going in the boys car, keeping the boys out too late, and even letting the boy buy a five cent package of gum. Some even got caught disobeying all the rules!

Max King acted as prosecuting attorney with Robert Robinson as the judge and the student council as the jury. It seems that the odds were against those being tried. The arresting officers were Darrell Oliver, B. H. Wagnon, Jimmy Bishop, Lyndal Black, and Don Ethridge. These boys didn't seem to let anyone get away.

The first victims of the court were Lyndal Black, Davy Jean Anderson, Lynn Lanau,

Rosemary Richards, Laquinna Stone and Sandy Darsey, Davy Jean, Lynn, and Sandy had to feed poor Lyndal some horrible baby food while Laquinna and Rosemary put on a twirl in exhibition with eight foot poles.

The prosecuting attorney then called Joy Autry and Joe Childs to the stand. After quickly being proven guilty they sang a duet.

While Joy and Joe were singing, Sandra Taylor, Pat Childers, Ronda Johnson, Tommy Thompson, Jana Goodwin, and the prosecuting attorney, Max King were called to the stand. These couples had to shave a balloon which, by chance always burst.

Mike Barron, Gary King, and Todd Witt were called up along with Nelda and Robert Hunt. Robert was not at school so Nelda was asked to feed the unfortunate boys honey with alum on crackers!

Darrell Oliver, B. H. Wagnon, Robert Robinson, Sue Logan, and Pat Barrett were called forward. After pleading innocent and being proven guilty

they sang with Derrell and Robert stealing the show.

The next victims were Lealand Dean, Louise Stinson, Juanita Burkett, Jack Roubinek, Barbara Ellis, Dick Allison, Rommie Black, and Donna Moore. The boys had to make their girls pretty by putting lipstick on them. Barbara Ellis, who seems to be good at giggling, had to giggle for the audience.

Shirley Henry, Paul Shepherd, Jerry Wright, and Jane Gulley were called to the stand. They had to eat crackers with honey and alum, which they didn't think tasted very good.

Max King then called "Peanut" Hawkins and Rita Turner forward. After being proven guilty of every offense, they were made to eat a mixture of cheese, beef, and liver baby food, and a topped off with shaving cream.

Jim Young and Karen Jones were the next violators. Jim, who is a strong Johnny Cash fan, did an imitation of his favorite singer.

This concluded the court

and it adjourned for another 365 days.

To conclude the assembly a short pep rally was given to back the Mulettes. Derrell talked to the student body and told them the importance of backing the team and asked that everyone come out and back the team. The cheerleaders, Nancy Julian, Rita Turner, Donnie Mae King, and Karen Jones led the students in some yells. The senior members of the Mulettes, Mary Gross and Latoyia Howell told what they thought the chances were on the game. Mary also told some of the things the team had done this year. The Mulettes coach, Louis Powers, introduced all the coaches and ex-coaches of the Muleshoe High School teaching staff. He then asked that everyone come out and really back the team.

The School Song was sung, led by the cheerleaders, and everyone returned to class.

## FFA Members Attend Church In Group

Kenneth Phipps  
At the last regular meeting of the Muleshoe Chapter of Future Farmers of America, the president, Don Ethridge, reported that FFA week would be February 21-23.

Don announced the Chapter needed to do something together during FFA week. Several motions were made and the final vote was to attend the First Baptist Church on Sunday, February 21.

## Miss Howard Named Homemaker For 1960

LYNDA ARLENE HOWARD

Lynda Arlene Howard, daughter of Mr. and Mrs. Walter Howard of Muleshoe has been named the 1960 Betty Crocker Homemaker of Tomorrow in Muleshoe.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating seniors in her school. She will receive an award pin, manufactured by Jostens and representing the slogan, "Home is where the heart is." Her examination paper will be entered in competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

## Bus Drivers of MHS Are Busy People

Mary Sanders  
Many people may wonder drive the buses that carry their children to and from school each day. What buses they drive, what they do for a living, are a few questions that may come to mind.

The Muleshoe Schools have nineteen buses, seventeen of these are assigned to regular routes and two are used when needed. As an overall cost, the buses cost \$45,000 a year.

Serving as bus foreman is Mr. J. W. Johnson. He drives bus number 15 having a total of 39.8 daily miles which takes 2 hours daily to run.

Elmer Smith is bus mechanic as well as driving bus number 7. This route has a daily total of 131.2 miles taking 3 hours and 45 minutes to run.

Mr. Dale Lavender, Mr. Charles Wilhite, and Mr. Joe Grimley are math and science teachers at Mary DeShazo. As drivers of buses 5, 10, and 12 they drive a total daily miles of 236.8 taking a total time of 8 hours and 15 minutes.

Two of the teachers of social studies in Junior High have regular bus routes 1 and 4. These are Mr. Bobby Graves and Mr. Marvin Mackey. Together they drive a daily mileage of 172.9 miles taking a total daily average of 5 hours and 30 minutes.

Mr. W. O. Harrell, a science teacher in MHS, and Mr. Ralph Bratcher, drivers education teacher in MHS, drive buses 3 and 6. These routes cover 132.8 miles taking 5 hours to run.

The occupations of the remaining bus drivers are unknown. Listed are the remaining drivers with the number of the bus they drive: Mr. Donald Bell, 2; Mr. Elmer D. Johnson, 8; Mr. C. E. Layne, 9; Mr. David Gutierrez, 11; Mrs. Jay Burge, 13; Mr. George Jackson, 14; Mr. Olie H. Hawkins, 28; and Mildred Burris, 29. Putting these routes together they cover 508.5 miles taking 17 hours and 15 minutes to run.

## Junior Class Plans For Banquet Secret

Kay Wilson  
It's a secret! This seems to be a common expression among the Juniors, when they are quizzed as to the theme of the annual Junior-Senior Banquet. The Junior class met Friday to make plans for their banquet to be held April 30, 1960. The class voted to keep the theme of their banquet quiet.

The class has decided to ask Dr. Leon Hill to be the speaker. They voted to have their banquet in Leigon's Banquet Room, and to have Mrs. Travis Reed decorate.

The class officers appointed four committees to be responsible for making the banquet a success. The decorating committee is composed of Pat Thomson, chairman, Mary Ann Green, Rodney Blackwood, Derrell Lancaster, and Lynda Gillis. The program committee consists of James Shepherd, chairman, Lynda Lee, Carolyn Burge, Leanna Montgomery, and Gerald Gore.

Chairman of the menu committee is Goldialu Goucher. Other members of this committee are Linda Blair, Ronald Julian, and Karen Stevens. The committee responsible for the invitations is headed by Sandra Broyles. Others on this committee are Donna Guinn, Virginia Hickman, Janie Sanders, and Jana Goodwin.

A fifth committee was appointed Friday by the president, Todd Witt. This committee is to select the sophomore girls who are to serve at the banquet. They are also to select the costumes the girls will wear. This committee is composed of Jeanne Gray, chairman, Gary King, Rex Miller, Margaret Durham, and Shirley Burlsmith.

Attention - Adults: Teenagers Also Work  
Are teenagers going to the dogs? Ooops! Not so fast on the answer please.

By you know that many teenagers still rise before noon? Amazing isn't it? Not only do some of us rise early, but many of us are scheduled on an eighteen hour day. Yes, there are several of us that not only go to school six hours a day, but some that rise to be able to go to an early class. Many are volunteer workers in school offices; while many work part-time after school for pen money.

Add a few more hours of home work to this present ten hour day and the total is a full day for even an adult. But we are forgetting the profound desire of youth to be educated socially.

All youth have the desire to give themselves to necessary social work. If you don't believe me, just count the number of youth that knock on your door representing the different organizations.

If you correctly add, you find that youth still have a full day of activities. Are teenagers going to the dogs?

## Both Bands Selling Subscriptions

Priscilla Iaman

A goal of \$3,000 has been set by the Muleshoe Mighty "M" band and the Junior High band for selling magazines. This project is to secure money to purchase new uniforms.

The project began Friday, February 12, and will continue through Friday, February 26. The bands have been divided into four teams. Team captains are Sue Logan, Don Finn, Sandra Scott, and Charles King. These teams were formed to promote competition among the students in selling the magazines.

When \$2,000 worth of magazines has been sold, prizes will be given. Prizes will go to the two highest salesmen, one from each band. Smaller prizes will be given to each person selling five "Look" or "Seventeen" or a combination of each.

Good luck is wished to the bands in this project.

## Girls Date Boys During Twirp Week

Magan Lamb

Boys asking girls for dates is a very old American custom. Once a year this tradition is broken at Muleshoe High school with the celebration of Twirp Week.

Twirp Week is sponsored by the student council. It gives the boys a pocket book a rest and the girls some hard work. During this week the girls ask boys for the dates. The Student Council sells Twirp Week licenses for 25 cents and the girls who buy them must have two dates during the week.

This week is one of the most exciting weeks for the MHS Freshmen students. It is something new for them and they get the most fun out of it.

The girls must furnish the car, go by for the boy at his home, and perform other gentlemanly duties. Couples found disobeying these rules are subject to Kangaroo Court.

The week after Twirp Week, Kangaroo Court is held. All students brought before the jury are always found guilty. A MHS custom is to make the defendants feel as foolish as possible.

## MHS Chorus Plans Busy March Schedule

Rita Lewis

The Muleshoe High School Chorus is a very busy class! The choir is composed of forty members. The officers are president, Jeanne Gray; vice president, Ann Phipps; secretary, Linda Blair; and Pat Brown, treasurer.

The choir will go to Lubbock on March 12 to compete in a contest. Jeanne Gray, Jack Griswold, and Darrene Nowlin will enter solos. Albert Owen Jeanne Gray, and Jack Griswold will be conductors. An octet composed of Pat Brown, Bernice Clark, Patsy Holley, Mary Cornielson, Sue Henderson, Juanita St. Clair, Darrene Nowlin, and Jeanne Gray will also enter. Both the girls choir and the mixed choir will enter the contest.

The choir plans to sing in the Lions Club Minstrel Show which will be held March 10. The chorus will hold its annual banquet on March 25.

## Students Prepare For TIL Meet February 19

Laquinna Stone

Can you write? Can you read? Students interested in ready writing and poetry reading met Friday, February 19, to prepare for Interscholastic League.

Candidates for poetry reading and ready writing in the Interscholastic League Meet to be held in Muleshoe April 8 are the following: Boy's poetry reading; Bobby Eason, James Towns, and Jimmy Bishop; girl's poetry reading, Karen Jones, and Kay Brown; ready writing; Pat Thomson, Juanita St. Clair, Eugenia English, and Davy Jean Anderson.

Students taking part in the poetry reading try-outs will prepare a selection of their choice and then will read a selection chosen for them. Students taking part in ready writing will write a one thousand word narrative on a given subject.

## Kay Wilson Entered In Princess Contest

B. H. Wagnon

Kay Wilson, Muleshoe FFA Sweetheart is entered in the Princess Contest at the South Plains Junior Livestock Show at Lubbock on March 19. All FFA Chapters may enter the contest. To enter the contest each FFA chapter must have livestock entered in the show.

A panel of adult men will be on the basis of beauty and appearance alone.

Only one FFA Princess will be chosen.

For filling cabinets and office supplies, see The Muleshoe Journal.

## Don't Be A Sheep At Election Time

Sue Logan

Problem: Electing undesirable and unqualified persons to fill offices. Allowing myself to be swayed by public opinion. Voting for persons running for offices for prestige and glory.

Will I be a distinguishable character when election time arrives? Will I vote for my best friend no matter how small his qualifications are compared to those of the opposing candidates? Will I be swayed by public opinion?

Will I take all candidates into careful consideration and make my own decisions? Will I consider the qualifications, the personality, the abilities, and achievements of each candidate? Will I select the best candidate?

Am I a follower or a leader? Do I have an open mind? Will I stand out in a crowd? Will I be an individualist? Will I will? Will you?

## Mulettes Lose In Thriller, 54 to 52

Mary Gross

In a close, thrilling ball game Abernathy edged out the Mulettes 54 to 52 to take the lead in a best two out of three playoff. The game being tied at the end of the fourth quarter an overtime was required to decide the winner.

The Mulettes had to come from behind to tie Abernathy who led 31 to 26 at the end of the first half. The Mulettes grabbed a two point lead late in the fourth quarter, but three times Abernathy overcame the Muleshoe edge. Time and time again the Mulettes were in the drivers seat only to let opportunity slip by them.

Diane Owen paced Abernathy with 26 points backed up by Linda Shipman with 15 points and Nelda Sanders with 13. Mary Gross led the Mulettes with 22 points and Trudy Davis had 19.

## Senior Class Meeting

Laquinna Stone

The Senior Class of Muleshoe met Wednesday night, February 10, to discuss the Senior play and trip. The meeting was called to order by Lyndal Black, president of the Senior class.

Max King reported on the Senior play committee. The committee selected "Professor, How Cool You are" as the Senior class play for the year.

The Senior trip committee selected five different places to be discussed and considered for the Senior trip. They were Estes Park, Colorado; Bandera, Texas; Branchet, Missouri; Cowls, New Mexico; and the Bar-K Ranch near Austin. The class discussed the different places and then voted on them. The majority of the class voted to spend the Senior trip at the Bar-K Ranch.

The motion was made and passed to invite Mr. Stovall, Mrs. Powers, and Mrs. Taylor to go on the trip.

## Jets Choose Solar Furnace As Project

Darrell Lancaster

The Junior Engineers Technical Society voted to build a solar furnace for a project to demonstrate on open house during public school week. Capable of producing 2,000 degrees Fahrenheit, the furnace will melt some metals, solder or braze, and temper springs.

Due to several difficulties the lens was not ordered until a couple of weeks ago. It is hoped that the lens will arrive before public school week which is February 29 through March 4. The club has not yet decided on a main project.

## Mulettes Cinch 2-AA Co-Championship

Latoyia Howell

The Muleshoe Mulettes fought their way to cinch the Co-Championship in 2-AA by defeating Olton 64-31. They are tied with Abernathy, as both teams have a 7-1 record in conference play.

The Mulettes will have a series of three games with Abernathy. The winner of two out of three games will represent District 2-AA in the Bi-District game. The first playoff game will be held in the Muleshoe gym on February 19; the second at Abernathy on February 22. If it is necessary to play the third game it will be played on a neutral court.

## ELDER GLENN WILLIAMS CONDUCTS SERVICES

Church services are being held every fourth Sunday of the month in the Zion Rest Primitive Baptist church in Muleshoe. The Elder Glenn Williams will conduct the services on Saturday afternoon and Sunday. The next services will be held on Feb. 27.

## CANCER SOCIETY BOARD TO MEET MARCH 1

### LCC Students Are From 12 States

Students from 12 states and three foreign countries are represented in the student body of Lubbock Christian College for the spring semester.

Of the 322 students now enrolled in Lubbock Christian College, 259 are Texans, including 70 from Lubbock. Thirty-nine are from New Mexico, 5 from Colorado, 4 from Arkansas, 4 from Oklahoma, 2 from Kansas and one each from Alabama, California, Idaho, Oregon, Michigan and New York.

The foreign students are from Hong Kong, Germany and Italy.

The college also released the following religious preference data: Church of Christ, 275; Baptist, 19; Methodist, 15; Roman Catholic, 4; Disciples, 2; Lutheran, 1. Bible Church, 1. Five students gave no religious preference.

### Christian Science Services

Christ Jesus' inspiring mission of healing and redemption will be the central topic at Christian Science church services this Sunday.

The Lesson-Sermon entitled "Christ Jesus" will include this passage from John (10:37,38): "If I do not the works of my Father, believe me not. But if I do, though ye believe me not believe the works: that ye may know, and believe, that the Father is in me, and I in him."

And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (26:14): "Divine Truth, Life, and Love gave Jesus authority over sin, sickness, and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

### Weed Control Added Research

Weed control research is a new program at the High Plains Research Foundation for 1960, with flame cultivation being the first phase of the program.

Dale Price, Agricultural Engineer, is the new member of the Foundation staff to conduct the weed control research program. Mr. Price is a 1954 vocational agricultural graduate of Texas Tech and has taught in this field in Texas.

The Gotcher Engineering Company of Clarksdale, Mississippi is furnishing the flame cultivator and basic education in weed control. Project and the Warren Petroleum Company is furnishing the propane.

The flame cultivation experiment will include cotton, grain sorghum, corn, sesame, soybeans, castor beans, and possibly onions and potatoes. The project will cover many angles of eliminating weeds and labor. New techniques in cultivating, planting, and harvesting of individual crops will undoubtedly be discovered.

### BOB JACOBS MAKES "PRESIDENTS CLUB"

An announcement that Mr. Bob Jacobs had achieved membership in the most exclusive group in his company, the President's Club, was recently made by officials of the South Coast Life Insurance Company. Membership in this exclusive group, earned by only 25 others in the entire company, is composed of men who have reached leadership stature in each of the company's regional Agencies through exceptional personal effort.

Mr. Jacobs and other qualifying members of the President's Club will convene as a group for their first meeting at the Hotel Sheraton, in Dallas on February 23, 24, and 25th.

### Today's Meditation

Read I John 3:1-11

This is the message that ye heard from the beginning, that we should love one another. (I John 3:11.)

Tradition gives us this story about one of the saints. As he walked along the streets of his city, a beggar lifted his hands to him and asked for charity. The saint replied, "My brother, I regret that I have no coin to offer you."

Whereupon the beggar, with tear-filled eyes said, "But you have just given me the greatest gift you could have bestowed upon me. You called me Brother."

What a glorious day it will be for this old war-weary world when we shall learn to look upon our fellow man in his hunger, suffering, frustration and rejection, and in answer to his outstretched hands and pleading eyes, say, "My Brother!"

Curtains of race, creed, religion, position, and ideology will then crumble into rubble. We will push it aside to make room for the foundation of the bright new world of tomorrow.

**PRAYER: Father, I remember the question Cain asked of Thee, "Am I my brother's keeper?" When I am tempted to ask the same question, may the answer be so obvious as to shame me. For Jesus' sake. Amen.**

### THOUGHT FOR THE DAY

Because as a Christian I believe in God as Father, I think of all persons as my brothers.

Rufus F. Sorrells (Arkansas)

## Ammonia increases maize, wheat yields

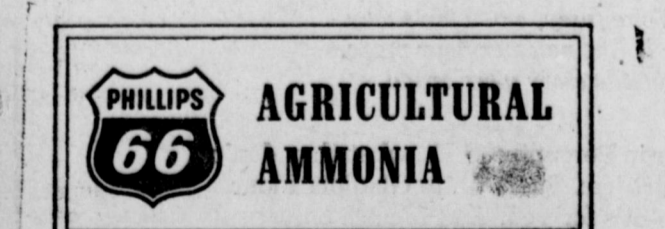

### W. O. GROVES of Spearman, Tex. reports maize yield up to 97.5 bu. per acre with 100 lbs. ammonia.

"A pre-plant application of 100 pounds of Phillips 66 Ammonia helped make an average of 97.5 bushels of maize per acre. Wheat has averaged 41.3 bushels per acre following pre-plant application of 75 pounds ammonia," according to W. O. Groves, who farms 480 irrigated acres.

"For several years Phillips 66 Ammonia has been used successfully. I'm stepping up my rate of application each year. Even on dryland wheat, in years with very little rain, Phillips Ammonia has produced up to 10 extra bushels per acre," he says.

Thousands of Texas farmers are now using Phillips 66 Ammonia to help assure top net profits per acre—on irrigated or dryland fields... in wet or dry years. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases sorghum grain yields (3) boosts wheat and small grain yields (4) stimulates pasture growth for more meat and milk.

See your local Phillips 66 Agricultural Ammonia Distributor now. You can make more money this year with this 82% nitrogen fertilizer. It can be applied by you or your distributor.

If we made Gladiola Flour for Porcupine, S. D. . . .

we could lower the quality a little . . .

... but we make it for you

Gladiola Land (that's Texas and a little bit more) could give the rest of the country lessons in home baking. Nobody makes biscuits, pies and cakes the way the ladies make 'em here.

Nobody's so fussy about flour, either—and that's fine with us. We're fussy, too. That's why Gladiola Flour is like no other flour made. Naturally, it outsells every other brand.

As for the folks in Porcupine, S.D., what they don't know won't hurt 'em. Snow-white Gladiola Flour isn't for them—it's for you. And it costs only about 1/2¢ a day more than the cheapest brand at your store.

Bake and be Glad—with

## GLADIOLA FLOUR

The best-selling flour in the Southwest

(Porcupine is in Shannon County on Porcupine Creek near Porcupine Butte)
