## New Home Wins District In Neighborhood Progress

New Home community received its first place district award in the Neighborhood Progress Contest sponsored by Farmer-Stockman Magazine and the Texas Extension service at a dinner-meeting at the Community Center building Thursday noon of last week. About 75 people packed the Center for the meeting.

Dan Phenistal, Extension Service representative, presented the certificate of award; and Sam Whitlow, Texas editor of Farmer-Stockman, presented the \$100.00 cash prize to the community.

Receiving the honors on behalf of the community was Leland White, president of New Home Civic Club and the Neighborhood Progress committee.

This is the third time New Home was placed in this 20-county district in the event. In 1957, New Home was awarded first place, and last year the community placed second.

The contest includes just about every phase of community life and improvement, and the award is for the year preceding the awarding of the prize.

Also present for the ceremony were W. H. Jones and Mrs. Aubrey Russell, district agents with the Extension Service, and County Agent Bill Griffin.

The dinner preceding the ceremony was a covered-dish affair arranged by the ladies of the community.

## Mrs. Strickland Death Victim

Mrs. Billy Ray Strickland, 34, the former Miss Carolyn Chandler of Tahoka, died at 6:05 p. m. Friday in Methodist Hospital, following an operation and a serious illness of several months. She lived at 2210 26th Street in Lubbock and operated a beauty shop at Avenue V and 21st Street. Her husband is a clerk in the Lubbock post-office.

Funeral services were held Sunday at 2:00 p. m. in College Avenue Baptist Church with Rev. Abe Hester Jr. of Hobart, Okla., and Rev. George A. Dale of Lubbock officiating. Burial was in Resthaven Memorial Park.

Carolyn was born at Quitaque on November 23, 1924, the daughter of Mr. and Mrs. C. E. (Bunk) Chandler. She was reared in Tahoka and graduated from Tahoka High School in 1942. On completion of a beauty course, she was an operator here in Dorothy Kidwell's beauty shop. She and Billy Ray, an employee of Piggly Wiggly, were married July 27, 1946. The couple lived at Odessa before moving to Lubbock in 1949. Although in ill health for two years, her condition had not been considered serious until recently.

Survivors include the husband; two daughters, Jana, 10, and Jamie Sue, nearly six; the parents, Mr. and Mrs. C. E. Chandler of Tahoka; two brothers, Tommy Chandler of Arkansas and Ellwayne Chandler of Tahoka; one sister, Mrs. J. M. Graves of Lorenzo; and her grandmothers, Mrs. J. S. McLaughan of Lubbock and Mrs. Vaughn Chandler of Quitaque.

Among those going to the camp are: Pat Mouser, Dennis Clem, Johnny Tyler, Tommy Kidwell, Steve Greer, Mike and Randy Allen. The last three are on the Little League All-Star team, and will go to the camp as soon as Little League play-offs are over.

Two other boys, Taylor Knight and Ronnie Mouser, will attend the Lubbock Baseball Camp being conducted at Lubbock Christian College August 2-22.

## Army Building In Germany Dedicated To Lt. Col. Cooper

Lieutenant Colonel George Truett Cooper, son of Mr. and Mrs. E. J. Cooper, has been honored recently by having a building dedicated to him at a U. S. Army post in Germany.

His wife writes his parents that the honor came as a complete surprise to him on his birthday, June 25, the day he was being transferred to Seventh Army Headquarters in Vaithingen, Germany, as Organization Officer.

Mrs. Cooper writes that the big day started with a parade, at which time Lt. Col. Cooper turned the colors over to Maj. Gormely, who will have the battalion. Following was a ceremony and dedication of the new building.

Men of the battalion, 1st Howitzer Battalion, 92nd Artillery, had kept the dedication in Truett's honor a secret, it was a complete surprise to him when the inscription on the structure was uncovered and the words revealed: "Dedicated to Lt. Col. George T. Cooper, June 25, 1959."

Also, there was a big dinner, attended by the men of the battalion, several Commanding Colonels and officers from other battalions, at which men of the battalion spoke words of appreciation for Col. Cooper's cooperation and understanding while serving as their commanding officer.

Lt. Col. Cooper is a graduate of Tahoka High School, was commissioned on graduating from Texas A & M in 1924, and has since been in the Army. He was in the Pacific Theatre, fought up to the Philippines with Gen. MacArthur, scouted the landing at Leyte for MacArthur in a Cub plane, and was present at the surrender of the Japanese. He later was food administrator for Korea, served as a military advisor to Turkey, and has been in other Army posts of responsibility. He was also sent through the War College at Lawrence.

Mrs. C. B. Thompson of Throckmorton is visiting with her son and daughter-in-law, Rev. and Mrs. J. B. Thompson this week.

## Repairs Are Made On Courthouse

Lynn county court house is receiving much needed repair work to outside stone work and terra cotta, which has become loosened and weathered and in danger of falling to the ground. Stone work is also being sand-blasted to improve the appearance. J. Sivadon of Fort Worth and Meridian, one of the few specialists left in the stone mason field, who is doing the work, says the stone has become loosened by the weather during the 43 years since it was put in place in 1916.

The last two or three years further damage has been done, evidently, by jet planes breaking the sound barrier, which are wrecking havoc to many masonry buildings, especially some of the older ones where the mortise is already weakened.

Nothing is being done to the antiquated jail, which Sivadon says is in such bad state of repair that rejuvenating it would be of little value.

Sivadon last year restored the marble work inside the building. He has done similar work on court houses at such places as Amarillo, Gatesville, Jacksboro, Burnet, Cleburne, and many other towns in the Southwest.

## Church of Christ Meeting Aug. 2-9

Tahoka Church of Christ has set its annual summer Gospel meeting for August 2 through 9, according to James Phillips.

Alstone L. Tabor of Oklahoma City Church of Christ, formerly of the College Avenue Church of Christ in Lubbock, will do the preaching. The song services will be led by a local young man, Buddy Chestnut. Services will be held through the week at 10:00 a. m. and at 8:00 p. m.

All people of the area are invited to make their plans now to attend some or all of the services.

## Tahoka Co-op Is Improving Plant

Tahoka Co-op Gin is repairing its plant and preparing to install Moss Super Constellation double lint cleaners, states Wiley Lee Curry, bookkeeper at the gin.

Don Scott has recently moved here from Edmonson, near Plainview, to manage the gin this year.

### HOPKINS OPERATION

Donnie Hopkins underwent surgery on one of his feet June 1 and 22 and will be out of the cast by September. After that time he will not need a brace but will use special shoes. Donnie, who will be a freshman in high school this fall, was injured in a farm accident last summer.

Steve Slover, member of the Lubbock City Police force, left Wednesday for service in the Army.

## Little League Play Opens At Lamesa

Tahoka Little League All-Stars enter the area play-offs at Lamesa tonight at 7:30 p. m. The tournament is a single elimination affair, and the loser of one game is out.

Tahoka drew a bye in the first round and will open its play with the winner of the Post-Jayton game. The winner of this game will play Saturday night against the winner of the Lamesa-Slaton game.

Play was opened Thursday night with Lamesa meeting Slaton in the first game and Post playing Jayton in the second game. Losers of these two games play Friday afternoon at 5:30.

Members of the Tahoka team are: Ellis Treadway, Steve Greer, Jim Crawford, Randy Allen, Allen Cox, Mike Smith, Terry Harvick, Brit Robinson, A. G. Cook, Larry Jolly, Ronnie Reid, Jim Wells, Fins

### W. B. Franklin Dies Suddenly

W. B. Franklin, 63, formerly of Lynn county, died suddenly of a heart attack at about 11:30 a. m. Wednesday in San Jose, Calif. He had been living in California 10 or 15 years.

Funeral arrangements had not been completed Thursday morning, but burial will be in O'Donnell Cemetery, where his parents, the late Mr. and Mrs. J. W. Franklin, are buried.

Mr. Franklin is survived by his wife, two sons and four daughters, all living in California; five brothers, Dick and J. W. of O'Donnell, Duard and J. A. of Tahoka, and Charles R. of Alamogordo, N. M.; and two sisters, Mrs. Ike Brown of Post and Mrs. Howard Barnes of Rotan.

### H. G. Cook Returns To Home At Wilson

H. G. (Howard) Cook, president of Wilson State Bank, was able to return to his home Tuesday, according to his son, Dan Cook, A-1c in the U. S. Airforce stationed at Biloxi, Miss., who is at home during his father's illness.

Dr. says Mr. Cook, who suffered a stroke a few weeks ago, is making a remarkable recovery and is regaining use of his limbs. Mr. Cook was certainly glad to get home. His doctors have recommended that he "take it easy" for quite a while, but he hopes to start getting out before too long.

### Cal Womack Gets Leg Broken Skating

Cal Womack, 12, son of Mr. and Mrs. J. C. Womack, fell over backwards and broke a leg just above the ankle while on a skating party at the Fairgrounds roller rink in Lubbock Monday morning.

Cal was in a party of 11 Training Union children from the First Baptist Church here being chaperoned by Mrs. Durham and Mrs. Walthal Littlepage. Mrs. Durham rushed the injured youth back to Tahoka Hospital, while Mrs. Littlepage remained with the other children. He was reported doing fine Wednesday morning.

ROGER TURNER

## Gospel Meeting At New Home Church

Evangelist Lewis Garnett of Lubbock will do the preaching in the meeting of New Home Church of Christ Sunday, July 26, through August 7. Services will be at 10:00 a. m. and 8:00 p. m. daily.

Roger Turner, minister of the Church, is also offering free a 14-lesson Bible correspondence course and cottage meetings in homes with five lessons illustrated by color slides.

Following showers last week end, the weather has been favorable for working crops the past few days, and Lynn county farmers have used the time profitably to clean up their crops.

Many have finished hoeing their cotton, which has been exceptionally weedy this year due to continued rains. Only small acreages will be lost to weeds, reports several observers. Weeds in some maize fields, however, have gotten out of control and in many of them there's little the farmer can do. Crops are in all stages of development in the county this year.

Early cotton doing the best, some of it waist high and beginning to form bolls, is west of Tahoka to the West Point community; the entire southwest part of the county, including Three Lakes, Wells, T-Bar, and Newmoore; the south part, including the O'Donnell area, most of the Midway, Joe Bailey, and Draw areas; parts of the Draw, Redwine, and Grassland communities; and from Central north through the Gordon, Morgan areas, and part of the New Lynn area.

Crops are excellent, although a little later in most cases, in the northwest section, including Dixie, Petty, Lakeview, New Home and Joe Bailey areas; and they are fine over most of the Wilson area.

East of Wilson, and a small area northwest of Wilson, received hail damage recently, but the territory is limited and much of this cotton will come out and do all right, The News is informed.

An area immediately north of Tahoka, extending nearly to New Lynn on the northeast and nearly to Central and Grassland on the east, was hailed out late in June and many crops completely destroyed. Some of this area replanted to cotton the last of June and early in July has a good chance to make, but big production is not likely.

Tahoka received 29 inch of rain Friday and .13 Sunday to bring the total for July to 3.76 inches and for the year to 15.74 inches.

## Rigsby Infant Is Buried At Waco

#### Miss Nancy Cook And Jerry D. Ross Marry at Wilson

(By Mrs. Frank Smith)

Miss Nancy Rene Cook, daughter of Mr. and Mrs. Howard Cook, and Jerry Don Ross of Slaton were united in marriage at the Wilson First Baptist Church Saturday night at 8:00 o'clock. Rev. H. F. Scott, local Baptist pastor, officiated at the double ring ceremony. Mr. and Mrs. Fagan Ross of Slaton are parents of the groom.

Given in marriage by her brother, Dan Cook of Biloxi, Miss., the bride wore a gown of imported rose-point Chantilly lace satin. The scalloped Sabrina neckline was encrusted with seed pearls which extended to the long petal point sleeves. At the hemline the train was enhanced by a scalloped border of lace. Her tiered silk illusion veil flowed from a crown of pearls. The bridal bouquet was a white orchid surrounded by white rosebuds.

Honor attendant was Miss Pat Baxley. Bridesmaids were Misses Conita Sue Fields and Birline satin dresses with matching embroidered bolero jackets and overskirts over the waltz length bouffant skirts. The attendants' bouquets were blue daisies and green ivy. Their headdresses were small bows holding circular veils.

Beverly Landers of Lubbock and Lynda Heck, cousins of the bride, were candle lighters, and the flower girl was Sandra Watkins. The three wore dresses similar to the bridesmaids.

Douglas Smallwood of Southland, nephew of the groom, was ring bearer. Mr. Ross was attended by Lee Ham of Slaton, his brother, Joe Ross and his brother-in-law, Harvey Hancock, of Slaton.

The subsequent reception was held in the home of Mr. and Mrs. Bill Lumsden. Mrs. Richard Thomas registered the guests. At the refreshment table were Mrs. Dan Cook, sister-in-law of the bride, Mrs. Tom J. Landers of Lubbock, cousin of the bride, and Mrs. Arthur Smallwood of Slaton, sister of the groom.

Others assisting in hospitalities were Meses. Sam Crowson, Truman Baxley, B. E. Webb and Cecil Fields.

The three-tiered wedding cake in white featured tiny blue rosebuds. The table was centered with epergne with decorations of white Marguerite daisies, and the bridesmaids' bouquet were placed around the bottom.

Mrs. Ross is a 1959 graduate of Wilson High School and her husband is a Slaton High School graduate and attended Cisco Junior College. He is employed by the Santa Fe Railroad.

Other hostesses were Mmes. J. W. Owens, James Phillips, Roger Bell, Marie Walker, Fern Hillhouse, Othell Meeks, W. E. Stone and Dave Polk.

The bride-elect's chosen colors of blue and white were carried out in the decorations. The serving table was laid with a white cloth over blue and the centerpiece was composed of blue daisies and white carnations.

Approximately 35 guests registered from Lorenzo, Lubbock and Post while others sent gifts.

Miss Nelson and her fiance will be married Aug. 1 in the First Methodist Church.

## St. Paul's Honors Two New Families

The St. Paul's Lutheran Church had an ice cream supper Sunday night at the Parish hall honoring two new church families, Mr. and Mrs. Vernon Teinert and family who moved back to this country after a few year's residence near Uvalde, and the Speck Bowling family of Post.

Also honored were Mr. and Mrs. Albert Wuensche and daughter, Susan, who will leave about the middle of August for Springfield, Ill., where Albert will enter college to study for the ministry. A movie "Texas Parks" was shown and ice cream and pie were enjoyed.

About 125 were present. Out-of-town guests were Mr. and Mrs. "Doug" Holden of Lubbock.

More than 5,000 people have been lost at sea with no trace since World War II.

## Miss Sandra McNeely Weds Jerry Brown In Local Church

Escorted by her father, Miss Sandra McNeely descended the aisle of the First Methodist Church at 7:30 p. m. Saturday to become the bride of Jerry Brown.

The Rev. J. B. Thompson read a double ring ceremony for the couple. Their parents are Mr. and Mrs. W. R. McNeely and Mr. and Mrs. Bonnie Brown.

For her wedding, the bride chose a gown of Dulcette satin and Chantilly lace. Two bows accented the chapel train and the scoop neckline was trimmed with seed pearls. She carried a white satin heart which was topped with a white orchid, feathered mums and garlands of Boston ivy.

Yellow organdy polished cotton which were fashioned with scoop necklines, empire waists and bouffant skirts were worn by the feminine attendants, Mrs. Leland White of New Home, matron of honor and sister of the bride, Miss Joyce Hill of Hobbs, N. M., cousin of the bride; Mrs. Marlin Hawthorne of Ozona, and Miss Patsy Norman of Grassland. They carried hearts topped with yellow gladioli, majestic daisies and garlands of Boston ivy.

Marlin Hawthorne of Ozona was best man, and ushers were Jay Gurley, Kenneth Ethridge and Karl Prohl.

Glenda Mason and Joni McNeely, sister of the bride, lighted candles. Debbie White of New Home was flower girl and Mike White of New Home and Eugene Brown carried the rings.

Wedding music was provided for by Don Renfro, soloist, and Mrs. Harold Green, organist.

At the following reception in fellowship hall of the church, Mrs. Leroy Schulle, sister of the bridegroom, registered. Miss Karen Kidwell and Mrs. Lindell Wood completed the house party.

The serving table was laid with a white lace cloth over yellow and held a three-tiered wedding cake which was white with yellow rosebuds. The punch bowl was surrounded with fern and daisies.

Out-of-town relatives attended the ceremony from Hobbs, N. M., Lubbock and Slaton.

For her wedding trip to Las Vegas, Nev., the bride wore a navy blue silk and cotton dress with a matching jacket, navy and white accessories and a white orchid. Upon their return to Tahoka, they will be at home at 2018 N. 5th St.

The couple are graduates of Tahoka High School and the bridegroom is engaged in farming.

## Bridal Shower For Mrs. Jerry Brown

Mrs. Jerry Brown, nee Sandra McNeely, was honored with a bridal shower Thursday evening in the home of Mrs. W. T. Kidwell.

Other hostesses were Mmes. Graham Hensley of Draw, W. H. Norman of Grassland, R. M. Thomas of Grassland, and Misses Dorothy Kidwell and Karen Kidwell of Tahoka.

The honoree's chosen colors of yellow and white were carried out in decorations. The serving table featured a bride's doll, white streamers with the named Sandra and Jerry on each, and a punch bowl surrounded by baby's breath and daisies.

Yellow and white flower arrangements were placed throughout the house.

Many beautiful gifts for the new bride were displayed.

## Slaton Winner In Pony League Play

Slaton Pony League All-Stars won the Area III tournament played here Monday, Tuesday and Wednesday nights of this week, and will represent this area in the district play-offs at Denver City next week.

In the double eliminations tournament, Slaton edged out Post 5 to 2 in the opener Monday night. Lynn County All-Stars had drawn a bye in the first round, and Tuesday at 6:00 met Post, winning 9 to 8. This made necessary a second game with Slaton, which Lynn County lost by a 4-1 score. Two losses had eliminated Post, and the local boys, with a 1-1 record were pitted against Slaton; 2-0, in the finals Wednesday night, a wild affair won by Slaton 17 to 9.

Following the game, A. M. Bray presented first place trophy to Slaton, second place to Tahoka, and third place to Post.

President C. W. Conway of the

local league thanked all the workers, including umpires, scorekeepers, gate-keepers, and other workers, players, coaches, and fans for their wonderful cooperation.

Tuesday night, between games, Andy Bray of the Tahoka Cardinals was presented a certificate of merit by Harold Green as the 1959 Lynn County Pony League batting champion. Andy had a fabulous .631 average of hits at the plate.

### Slaton 5, Post 2

In Slaton's 5 to 2 victory over Post, Ronnie Jones was the winning pitcher staying three innings before being relieved by Jim Townsend, who went three and was relieved in the seventh by Elmo Curtis. The three gave up only two hits. For Post, David Lee, relieved in the third by David Nichols, was the losing pitcher. They gave up nine hits. Slaton committed only one error, while Post had four.

## All-Star Batting Averages High

Tahoka Little League all-stars are prepared to give somebody a battle in the Area III play-offs at Lamesa tonight, states Delbert Mouser, who is managing the team along with L. A. Forsythe.

The Lynn county boys have a hustling ball club, one which was selected by the managers and coaches as having the best chance of winning. Some boys just about as good as these could have been picked, but the managers had to keep the squad balanced as to pitchers, infielders and outfielders as well as meeting Little League requirements.

Six pitchers, one an inning in each game, were used to defeat Post all-stars Thursday night 19 to 6 and again Friday night 8 to 6 in practice warm-up games for the area tournament.

Following are members of the Lynn county team, with the positions, runs scored this season, and batting averages:

	Runs	Avg.
A. G. Cook, ss-2b	22	.365
Terry Harvick, p	19	.485
Larry Jolly, p	13	.375
Brit Robinson, p	9	.245
Fin Taylor, 1b	18	.375
Jim Crawford, 3b	16	.430
Allen Cox, rf-p	17	.370
Randy Allen, cf	13	.220
Mike Smith, p	21	.435
Steve Greer, ss	25	.490
Ellis Tredway, c	23	.480
Terry Brown, p-3b	11	.335
Ronnie Reed, lf	11	.280
Jim Wells, 2b	20	.245
Alternates:		
Pat Mouser, f	20	.310
Stanley Renfro, p	5	.230

Outstanding is the fact that Wells has gotten on base 17 times by walks, and Pat Mouser, an alternate, has been walked 19 times.

### Slaton 4, Lynn County 1

Tony Spruiell pitched fine ball for Tahoka, giving up only four hits and two walks, but his mates committed seven errors, three of them in the first inning to give the game away. Slaton started Townsend, who gave up four hits, and was relieved by Jones, who went the last four innings with out giving up a single hit, and the team committed only one error.

### Lynn County 9, Post 8

The Lynn County boys had Post tied 2-2 in the fourth, when pinch-hitter Bill Kopecky went to bat with the bases loaded and hit a grand-slam home run over the left field wall. The home boys scored three more in the fifth, but Post nearly caught up with two runs in that inning and two more in the seventh. Elton George was the winning pitcher. He had relief on the mound by Charles Walton and Henry Chappa. Lee, losing pitcher, had relief from Shumate and Valdez. Tahoka gave up six hits, Post 9. Each team made three errors.

### Slaton 17, Tahoka 9

In a hectic, loose game, Tahoka got off to a very bad start with Slaton taking a 6-1 first inning lead when the local pitcher, Bill Kopecky had trouble finding the plate. Kopecky was relieved in the third by Walton, and Trancito Garcia relieved Walton in the sixth. Townsend, the winning pitcher gave up 3 hits. The three Lynn County pitchers gave up 12 hits but the team committed eight errors to Slaton's three.

Lynn County All-Stars were hampered by the loss of an ace pitcher and the league's leading batter, Andy Bray, who had injured his left pitching hand in a car wreck Monday.

Otis Gunter, long time umpire in professional ball, was the chief umpire, and helping him were Roy Harvick, E. L. Short, and Jack Smith. Jerry Adams was scorekeeper and statistician.

Jerry reports Perez of Post, Henry Chappa of Lynn County, and Teffertiller of Slaton had a batting average of .500 in the series.

### Senator Preston Smith

Some other legislation besides taxation has failed to be completed thus far in the "race with the clock" in one regular and two special sessions of the 56th Legislature.

The legislation involved the state's landowners, sheep, goat and cattle raisers, and sportsmen and hunting lease owners.

After six months of work, to get some "bugs" out of the bill, the measure is a move to prevent a particularly obnoxious of trespassing.

Need for the legislation grew out of a lucrative promotional racket several years ago, in which a lot of people discovered they could sell 2 1/2 to 10 acre tracts in Texas to people over the nation. The land, worth from one dollar to \$5.00 an acre, was sold upwards of \$200 per acre. Small landholdings were bought up entire and "subdivided". One location, mentioned in studying the measure, was the sale of the square-mile atop of a mountain at Marathon. The land atop the mountain was inaccessible. Such sites were sold to people through the nation and abroad.

Meanwhile, actual ranches were being enlarged.

The result was several hundred tiny "islands" of land owned by non-residents within the pastures of the large ranches. The big ranch owner is required by law to allow the plot-owner to cross his land.

To capitalize on the hunting rights market smart people in counties where these "islands" of land exist, went to the deed records and got the names of non-resident owners. They then leased the tiny plots for hunting. Hunters, on such a basis, didn't confine their hunting to the tiny "islands" but used the surrounding ranch areas. The fusion and destruction of land and animals is being solved, legislators believe, by the not-yet-complete bill.

## Tahoka Boys Have Lost Six Games

In the Draw League Tahoka boys have lost the last six games, being defeated Friday night by Draw 12 to 11.

Losing pitcher, Charlie Holland, allowed eight runs, three hits and six walks. Draw's winning pitcher, Isimo, allowed 11 runs and six walks. Tahoka had four runs in the first inning, and Draw had three. Draw then went into the lead in the fourth inning when they received four runs.

Kenneth Hanes came in as relief pitcher for Holland in the fifth, and Deane Wright relieved Hanes in the sixth. Danny Thomas came as relief pitcher for Draw in the seventh and allowed three hits, two walks and one run.

Members of the Tahoka Boys team are Deane Wright, catcher; Gerald Short, catcher; Kenneth Hanes, Larry Spruiell, pitchers; Richard Stice, second base; Don Finley, first base; Foster Dudgeon, short stop; Gordon Smith, short stop; E. L. Short, first base; Jack Smith, third base; Dean Elliott, left field; John Freddie Thomas, right field; Wilford Miller, right field; Douglas McClelan, third base and outfield; Charlie Holland, center field; Wade Holland, manager and pitcher; Larry Forsythe, right field; Joe Phil Inman, left field.

## Rogers Brownfield Batting Champion

When Lynn county ran out of baseball teams for his age group, Finis Rogers joined the Babe Ruth League at Brownfield, playing with the Pirates.

Recently, Finis Ray was presented a handsome trophy as the 1959 batting champion of the league. His batting average for the summer season was a fabulous .472, including five home runs.

Finis is the son of Mr. and Mrs. Tom Rogers of Newmoore and played with the Lynn County Little and Pony Leagues.

### J. J. Waldrep Has Been Here 44 Years

J. J. Waldrep of Tahoka and son, C. E. Waldrep of southeastern Terry county, were in to pay their subscriptions this past week, J. J. said he had been living in Lynn county nearly 44 years and has been taking The News ever since 1916.

J. J. first came out to Lynn in 1907 and tried to trade for some land. He ended up trading some lots in Anson for a farm north-west of Big Spring. But, he still has his eye on Lynn county, and managed to move here in 1915, making his first crop the next year.

Mr. Waldrep is proud of the 700 acres of land he has acquired. At least, he doesn't have to depend on the Old Age Pension or Social Security to take care of him.

## Everyday Religion

By J. B. Thompson

Present-day medicine has a term used much more than a generation ago. It is "deficiency diseases." In recent years medicine has made marvelous strides along two main lines. It has wrought miracles in combating microbes and non-filterable viruses. The other great line of advance has been in remedying deficiencies in the human body. There are, it is said, not so much to infect, as to the lack of necessary ingredients in the body. These we call "deficiency diseases."

Now it is only a short jump from thinking of the deficiency diseases in the body to the same thing in the moral and spiritual life. That is, there are spiritual ills which are due, not so much to evil infection, as to the lack of forces which make for health and strength of soul.

For one thing, there is the lack of faith which hampers our spiritual and moral health. That is one great soul deficiency disease—too

little faith. It is faith in God that keeps life erect against the evils and hardships of the world.

Again, the lack of knowledge—the knowledge of God and the right. We have scraps of it but trouble out-flanks us when we fail to understand the real values of life. To know is to be. The lack of knowledge is often the lack of life.

There is also a lack of outreach—ambition in our lives. We become smug and content with our moral and spiritual attainments. Too many of us are content to be "sitting pretty." Could be we are just sitting and not pretty at all.

Maybe we need some regular doses of faith, knowledge and ambition to keep life from falling before the soul's deficiency diseases.

## Conference Held By Wilson Church

(By Mrs. Frank Smith)  
The first quarterly conference of the Methodist Church was held jointly by the Wilson and Grassland churches Sunday afternoon at 3:00 o'clock.

The district superintendent, Dr. Dallas Denison of Brownfield, was in charge. The Grassland pastor, Rev. Watkins, had the devotional. The rest of the afternoon was devoted to business.

Mrs. Jesse Dorman was dismissed from the hospital Wednesday morning having been a patient there for six weeks. She suffered burns at her home on June 12.

in-law of Mrs. J. F. Rackler has been visiting the Wootens and is pending a few days with Mrs. Rackler, Mr. and Mrs. J. B. Rackler, Mr. and Mrs. Claude Roper and family. She will return to San Antonio next Thursday.

# LIQUID FERTILIZER!

## Ideal for Dryland Crops...

J. W. COOPER—Standing beside the tractor is J. W. Cooper, a dryland farmer, who lives 2 miles west of Wellman. "I have 480 acres of dryland, and this is my first year to farm in a good while. With the moisture we have had, and after having had a tissue test made of my plants, I felt that to get the best production possible, I had better do some fertilizing," Cooper added: "We are putting down 15-gallons per acre of 8-24-0 on my 155 acres of cotton. This is about 12 lbs. of nitrogen and 36 pounds of phosphate per acre. This land was deep-broke with a tractor and is in good condition. I really like the ease with which liquid fertilizers are handled and I don't see any reason why they won't give the same or better results than other types of fertilizers. One thing is for sure, they don't cost as much to get them in the ground." Tractor driver is Robert Warner.

Everywhere you go, it's the same story—EASY, EASY, EASY... that's what those who have used liquid fertilizers say about getting it in the ground. Others, who fertilized with liquids before planting, or in years past, tell us that it can't be beat for fast action in supplying needed plant nutrients.

By its very state of being a liquid solution, it is ready to go to work instantly. This is why it is ideal for use by, not only irrigation farmers but dryland farmers.

FAST, FAST, FAST—yes, it is a fast way to do your fertilizing job. It is not uncommon for a farmer to tell us

that he has put down as much as 70 acres of liquid fertilizer, by himself, in one day. This is a big moneysaver, and back saver. There is no heavy lifting—you transport it to the field in special tanks. These tanks have gasoline-powered motors on the pumps, and it is as simple as putting gas in a car to fill the tanks on the tractor.

The fertilizer unit itself is sheer simplicity in operation. As many farmers so aptly put it—"It's Mexicanproof." Why don't you come by and let us explain the many advantages of using liquid fertilizers—not only for side-dressing, but for all your future farming operations, as well.

## If You Are Hazy On Names, How Will You Be On Numbers?

By 072-16-4303  
New York World-Telegram  
New York—The day is coming when we'll be identified officially by our numbers rather than our names, according to a man known, so far, as Talbot T. Speer.

Everyone will be assigned a number at birth and will use it automation. We'll still have names, but these machines prefer digits, so whenever we register for anything we'll use numbers.

We'll start out with an itty-bitty infant number that will be extended as we go along. The addition of a digit or a letter will indicate our postal area, line of work, marital status, number of children. If we tattoo the number on our wrist we won't need wedding rings.

(Flo: "Gosh, Mabel, ain't he handsome?" Mabel: "Yeah, but he's taken, doll. He's wearing an M.")

Maybe certain numbers, held by those of us who manage to distinguish ourselves, will be permanently retired, like Babe Ruths. Or if we don't like the President we can always refer to him as that throughout life for things like Social Security, tax forms, credit cards, bank accounts, military service, probably even marriage licenses.

So predicts Mr. Speer, president of the Baltimore Business Forms Co., who says that within a few years all records will be kept by cipher in the White House.

We'll have to get used to talking in figures: Sample of possible confusion  
"What did you say your number was?"  
"Me? I'm 246-Y3-2501."  
"Oh, I thought you said 3501. I used to know some 246-Y3-3501s in Philadelphia. Lovely people."

We used an alias (our Social Security number) because we didn't want the boss to know who wrote this story. He'd be mad at us for not getting Mr. Speer's number. That's the first rule of the news paper business — numbers make news.

If all the glaciers and ice caps in the world melted, the level of the seas would rise by 500 to 600 feet, covering 85 to 90 percent of the earth's surface.

I am come that they might have life, and that they might have it more abundantly. (John 10:10.)  
One night in a slum district of La Paz, I was on my way to church for a family worship service. I was walking down very dusty streets lined with adobe huts. Stagnant water stood in the ruts and holes. Everything I saw added another detail to a scene of poverty and abject ugliness.

Raising my eyes to the skies, I could see the stars, shining with unusual brilliance. It was one of those balmy spring nights which are so pure and lovely.

The notion struck me that persons who do not know Christ live in spiritual poverty. Many are miserable in mind and heart. They see only ugliness in their surroundings as they drag themselves through life.

But God has provided in His goodness a completely different world for man. In His Son, He came to humanity to carry away man's miserable condition and offer him a new life of beauty, light, and divine purity. Jesus came that we might have life in abundance.

**PRAYER**  
O God, look with compassion upon our human poverty and our condition as sinners. Transform our lives by Thy marvelous power. Confessing our sins and our need, we come to Thee in faith. Save us and grant to us the spirit of Christ. In His name we pray. Amen.

**THOUGHT FOR THE DAY**

**Robert Adamson Married Saturday**  
Miss Margaret Ann Killian became the bride of Robert Adamson in a candlelight ceremony Saturday in the First Methodist Church of Antlers, Okla., with the Rev. Halton Hyden reading the wedding vows.

The bride is the daughter of Mrs. Horace Killian and the late Horace Killian. Mrs. Bonnie Adamson of Tahoka is the bridegroom's mother.

Organ music preceding the ceremony was presented by Terry Joe Jarham and played traditional wedding marches.

When given in marriage by William G. Kerr, the bride wore a bridal gown of white imported Chantilly lace which was fashioned with a figurine long stem bodice and scalloped neckline. The gown was designed with long sleeves and a bouffant skirt.

Nancy and Ann Killian, twin cousins of the bride, lighted candles. Maid of honor was Miss Gail Sammons of Madill. Bridesmaids were Misses Phyllis Burgess and Miss Reta Smith of Greenville.

Jimmie Shieldknight of Spearman was best man. Ushers were L. D. Killian and Neil Tibbets of Gainesville.  
A reception followed in the church parlor.  
Upon their return from a trip to Colorado the couple will be at home in Spearman where Adams is county agricultural agent.

**T-Bar Ladies Honor Mrs. Loyd Carter**

### Stock Exchange Operations Told

New president, Mitchell Williams, and secretary, Ross Smith, were in charge for the first time Thursday of last week at the first regular meeting of the new year of Tahoka Rotary Club.

Dr. K. R. Durham, joint program chairman along with Larry Haggood for the month of July, presented a scholarly dissertation on old age and the problems that go along with it. He followed the talk with the presentation of a walking cane to a fellow-member, District Judge Truett Smith, who had just become a grandpa a few days before. He also gave Truett, for Lucille, some knitting needles and thread.

Hulen Bass, representing a stock brokerage firm, was presented by Dr. Emil Prohl. Bass made a brief

talk and showed a very interesting film on the New York Stock Exchange, free enterprise, and the capitalistic system.

Bass said until 1954 the rank and file of out people paid little attention to stocks and bonds. In that year New York Stock Exchange began an educational program which has resulted in millions of people getting into the stock market game as a profitable investment.

A. M. Bray introduced the visiting student from Finland, Tom Sallinen, and called attention to the Pony League Play-offs here.

President Williams called on club members for more nearly the 100 percent attendance record, greater participation in district Rotary functions, and declared his object will be to have regular board meetings, committee meetings, club assemblies and functions for the Rotary Ann. He hopes for an expansion of community, vocational, international, and club service projects.

### Lynn County Soil Conservation District News

E. R. BLAKNEY      ELLIS BARNES  
O. E. TERRY      W. L. (Cap) ROWE  
ELMER BLANKENSHIP

Benny W. Edwards, who farms two miles southeast of Wells has completed installation of 648 feet of four inch steel pipe on his farm.

The steel pipe will be used as the main line for a sprinkler irrigation system, that has been designed, and will be installed this year.

The irrigation system is part of a complete conservation plan, developed and being installed under the Great Plains Conservation Program.

The following basic conservation plans were approved by the Lynn County Soil Conservation District at their regular meeting this month: Leland White, 80 acres; L. C. Unfred, 320 acres; Joe Brewer, 145 acres; E. E. West, 160 acres. Progressive conservation plans were approved for A. N. Norman and A. B. Furlow.

Great Plains Conservation Plans were reviewed on Carl C. Spears, B. W. Edwards, L. C. Unfred, T. C. Beard, A. T. Beard estate, Joe

Brewer, and Clarence Church.

A conservation farm plan was developed on the R. R. Ballew farm 3 miles east and one mile north of O'Donnell. Mr. Ballew is planting 10 acres of blue panic grass for hog and cow pasture. Mr. Ballew has several pecan trees that have been bearing pecans the past few years. He is using a special pecan food fertilizer that is showing good results.

Weldon Bailey has started harvesting green sprangletop grass seed. All of the grasses for seed harvest look promising for a good fill and high germination. Plains bristle grass harvested 4 weeks ago was combined direct and dried in the new aeration system that was installed this past spring. Other grasses to be harvested for seed are side oats gramma three varieties El Reno, Vaughn and Uvalde; New Mexico Switch grass; Indian grass; Woodward sand bluestem and cane blue stem.

W. R. McNeely sodded 11 acres of Midland bermuda grass this past week. Midland bermuda is a strain of coastal that was selected for being cold hard where coastal was lacking. Midland bermuda grass should be used under irrigation or wet weather lakes where extra water is received. This grass has been able to survive after being flooded for as long as 70 days.

The conservation needs inventory was completed and approved by the conservation needs committee meeting July 17. Members of that committee were C. C. Scholer, Wayman Smith, Buford Jones, Perry Walker, Bill Griffin, Allyn Cox, W. L. Rowe, Ellis Barnes, Earl Terry, E. R. Blakney and Elmer Blankenship.

### JONES-TAYLOR REUNION

The annual Jones-Taylor county reunion will be held Sunday, July 26, in MacKenzie State Park Lubbock. Lunch will be spread picnic style at 12:30 p. m. Prizes will be given the oldest and youngest person present and the one coming the greatest distance. Enter the park at west entrance on Ave. A and follow signs right to meeting place. —O. R. Carey, president.

Mrs. Earl Echols of Wichita Falls was here Friday visiting old friends, among them Mr. and Mrs. John Evans. She is the former Miss Georgia Cox, a niece of Jim Wetzel, now of Cross Plains, and she and her brother, Jack, who now lives in California attended Tahoka High School. Mrs. Echols, who left here in 1940, recently lost her husband. She has three children from 12 to 17 years of age.

Mr. and Mrs. "Shorty" McNeely and Tom of Brownfield spent the week end with their parents, Mr. and Mrs. Harley Henderson and Mr. and Mrs. Bill McNeely.

### Flat in the Middle of Nowhere...

A weak tire usually chooses the most inconvenient time and place to go flat. But, with the help of your Phillips 66 Dealer, you can be pretty sure this won't happen to you.

Let him inspect your tires regularly and keep them inflated properly. If a tire becomes unsafe he can quickly provide a new Phillips 66 Action-Tread tubeless tire, made in such a way that it virtually eliminates the chance of an unexpected flat or blowout.

Phillips 66 Dealers carry a complete line of tires. Drive in and take your choice at the station where you see the Phillips 66 Shield.

### BEST ENGINES!

One of 7 Big Bests Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible... and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrill of a six, you still get the best of it in a Chevy.

**BEST ECONOMY** No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

**BEST BRAKES** Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR\*-conducted test of repeated stops from highway speeds. \*National Association for Stock Car Advancement and Research

**BEST RIDE** A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

**BEST TRADE-IN** Check the figures in any N.A.D.A.\* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." \*National Automobile Dealers Association

**BEST ROOM** Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

**BEST STYLE** It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

The beginning of midshipmen in the Navy is traced to the early days when each warship carried a number of young lads who acted as messengers, rushing orders from the officers aft to the men up forward. Generally, a midshipman was regarded as an officer candidate.

people who are at home with QUALITY choose GAS appliances

Enter the home where choices are made strictly on the basis of quality, and the chances are excellent that you'll find a built-in Gas range in the kitchen. That's because people who are concerned enough to evaluate, discover that a Gas range offers superiority in two ways. The range itself combines precision accuracy with complete automation. And GAS, as a live-flame fuel, does important things that no other fuel can do. It consumes cooking vapors so that you can enjoy closed-door smokeless broiling. With Gas there's no warm-up wait when it's turned on... no lingering heat when it's turned off. And only an instantly responsive Gas flame permits perfect control of the subtle variations in temperature that mean so much to the taste and texture of foods. Gas is the choice of people who insist upon quality of any price... and it's incidental that Gas costs from five to eight times less than any other fuel! Where the Guest is truly appreciated... GAS belongs.

By F. P. H.  
Pat Swann is threatening to cancel his subscription to The News. He says he is getting darned tired of reading the headlines every week, "Lynn County Crops Damaged by Hail and Rain."

Some people have all the luck. J. E. "Red" Brown, who snatches the moolah for the County and State, never farmed a day in his life. But, what does he do? He rents a place from Mrs. Mollie Edwards, plants cotton in April, the weather hits him just right, and farmer-neighbors say he has one of the best dry land crops in the county—about three feet tall and loaded with big bolls. However, the Ole Redhead claims the banker is keeping a close watch on the crop.

If his crop is any better than a field Terry Noble has two miles north of West Point, we'd like to see it.

The past few days we have driv-

en over a lot of Lynn county, and we are now convinced old Lynn is going to produce a pretty big crop, after all, of both cotton and maize. Although much of it is late in the weeds, or has been cuffed around by the elements, there'll be a better than normal crop this fall.

Crops in the southwest one-third of the county may be described by one word, wonderful!

We stopped at Ted Rogers' Newmoore store Monday night, and Ted and wife contributed a big "mess" of green beans and a new variety of squash. Sure good eating with cornbread, sweetmilk and soubobly!

"Pete" Hegi says he got started in the banking business 25 or 30 years ago when R. A. Jeffries, then at Petersburg, took him off the plow and put him in the bank. A few years later, "Pete" came to Tahoka, and has been in the local bank ever since. Mr. Jeffries, who now owns the banks at Petersburg, Croosbyton, and Hale Center, was critically burned on July 13 when he poured some gasoline on a fries' only son attended New trash fire at his home in Hale Center. "Pete" says Mr. and Mrs. Jeffries' only son attended New Mexico Military Institute with Charles Gagnat, only son of Mr. and Mrs. D. W. Gagnat. Both lost their lives in World War II.

A. A. Teinert and Lloyd Mears have set a fine example of being good neighbors, and have worked out a difficult situation amicably. When Lloyd had a survey made of his farm on the Lubbock highway north of Wayside, he found that six acres of the Mears farm—and Mr. Teinert was farming about six acres of the Mears farm—on these six acres were two irrigation wells. The two got their heads together and came up with a contract which permits Mr. Teinert to use the irrigation wells as long as there is sufficient water for his use. Possibly, either man could have caused the other trouble, for—as The Printer hears the story—Lloyd could have claimed the wells and the land, too; and on the other hand, Mr. Teinert had been told by Lloyd where the latter thought the line was, in addition to the fact that the said line had been established maybe 20 or 30 years previously and had always been considered a part of the farm bought by Mr. Teinert.

Joe D. Unfred sent this quotation from Nelson Jackson, whoever he is, to Pat: "I do not believe you can do today's job with yesterday's methods and be in business tomorrow."

The amount of money in your bank account is not the true measure of your success. If you are honest, fair, tolerant, kindly, charitable to others and well behaved, you are a success, no matter how small your bank account.—Mutual Moments.

The reason a dollar won't do as much as it used to is because people won't do as much for a dollar as they used to.

Teacher: Who was the smartest inventor of all times and why?  
Student: Edison. He invented the phonograph and radio so people would stay up all night using his electric light bulbs.—Cheer.

Which reminds us we are old enough to remember: Hearing our first graphophone, an Edison with cylindrical records and a "morning glory" speaker from which we could barely hear the sound... We remember when first electric lights were installed in Belton... We didn't see the first radio until about 1924... And it was also at Belton we saw our first-automobile, built like a buggy, with the engine under the seat... And the first moving picture that came to Texas, the film being of the San Francisco fire and shown in a railroad car traveling across the nation... And the first pavement at Galveston, streets paved with wooden blocks, as we remember... All these firsts in about 1907... And we remember the excitement over these marvelous inventions, any one of which created as much interest as the dropping of the first atomic bomb.

Texas Extension Service says last year Texas farmers used 1,831 spindle pickers and 26,692 strippers to harvest the cotton crop at a saving of \$50 million dollars to growers. If he has to, the Plains farmer can go almost exclusively to machine harvesting.

It seems to us the Labor Department, the Unions, the Texas Employment Service—and the Congress which allows them to get by with new directives and regulations—are killing the goose that

**Former Tahoka Girl Writes Of Indiana**

The News has a letter from Mr. and Mrs. C. L. Estep, 706 Bethel Ave., Muncie, Indiana, who takes The News, but the letter is a little long for publication in full.

Mrs. Estep is the daughter of Mrs. R. W. (Rube) Lewis of Tahoka, a sister of Joe Lewis of New Home, and a niece of Jodie Nevill of Tahoka. She was born and reared here and was married in the First Baptist Church of Tahoka April 3, 1949. She and her family visited here two weeks in May, but failed to see some of her kinfolks. She promises she will send a poem she composed several years ago entitled "Our Dear Old West Texas" to all who will write her. The couple has a daughter, Phyllis, age three and a half years.

The Esteps are in love with the Hoosier State and their home town of Muncie. Of her town she writes, in part:

Settled in 1825, Muncie was named after the Indian tribe, Munsees. Called Munseytown by early surveyors, the city received its present name by act of the legislature in 1845. It was incorporated in 1854, becoming a city in 1865, and was established as a second class city of Indiana in 1921. The city's rapid growth received its impetus from the discovery of natural gas in the 1890s.

Muncie is situated on the White River in east central Indiana, 60 miles northeast of Indianapolis, the state capitol, and has a population of 67,000, making it the eighth largest city in Indiana. The largest industrial center in east central part of the state, it has 115 manufacturing industries, leading among which are auto transmissions and batteries, glass products, iron and steel products, forgings, castings, tools, dies, machinery, and furniture.

"We look forward to Mondays and receiving our Lynn County News," she writes.

laid the golden egg for both the Mexican natives and braceros. What ever became of the old-time statesmen in our Congress and Legislature who had convictions and had the guts to stand up on their hind feet and fight for them? And we think it has become a sad state of affairs when a two-bit punk with no morals like Jimmy Hoffa, and a lot of the other Union leaders, can virtually laugh in the face of Congress and the Government and get by with it. A new Italian invention is an alarm which, if not switched off, electrically starts a taped broadcast, featuring the continuous honking of a car horn, the prolonged barking of a dog, several pistol shots, and finally a cannon's booming report. If this fails to wake up the sound sleeper, call the corner.
