## WORK STARTED TODAY

### First National Bank Enlarging Building, Changing Interior

Work began today on an ambitious enlargement and improvement program for the First National Bank of Muleshoe. The project will involve the expenditure of around \$50,000, bank officials said.

The south wall of the bank will be removed and the building extended south to the sidewalk to its full length. The added space will be utilized for officer's rooms, and the rest of the interior will be largely changed. New furniture and new fixtures, a new decor for the interior will drastically change the bank's present appearance.

Space presently used by the officers will be turned into a customers' lounge and the present directors' room will be made into a coffee and coke bar with kitchenette for employees and customers.

In the new building the bank's president will have a private office; offices of other officials will be on the main floor, readily accessible for customers, but with dividers between them, probably planter boxes.

The new directors' room will have dimensions of 24 feet by 24 feet, and M. D. Gunstream, bank president said the room will be available for use of clubs or community group meetings.

The new south wall will have the same appearance as does the south wall now, with the same type columns and windows; but there will be a huge drapery from ceiling to floor across the extent of the banking rooms, which will be electrically operated and will

remain drawn throughout the banking day.

The safety deposit vault will be rearranged with added boxes and with a customers' booth for privacy. The tellers' windows will be an entirely new fixture and will have an additional cage at its east end. Walnut will replace the present birch in panels and wainscoting. Furniture and fixtures are being built by a Wichita Falls manufacturer to the bank's specifications.

Frank Winfree, of the contracting firm of Frank and Winfree, Co., Denison, which specializes in bank work, has been here to supervise the beginning of the work for the local institution.

### Brother of Local Women Is Killed

Kermit N. Davis, 40, was killed by a blast from a 12-gauge shotgun last Friday, Mar. 11, in Blanchard, La. The shot was fired through the door of his estranged wife's apartment. She was charged with homicide and will plead self defense.

Davis was the brother of two Muleshoe women, Mrs. Wylie Lee, and Mrs. Floyd Hughes. He had visited his sisters here March 7.

He leaves his wife, seven children, his parents, three brothers and seven sisters. Funeral services were conducted at 2:30 Monday from the First Baptist Church of Roaring Springs and interment was in Roaring Springs cemetery.

### Waggoner Carr In Visit Here

Waggoner Carr, of Lubbock, candidate for the office of Attorney General of Texas, was in Muleshoe Monday afternoon renewing old acquaintanceships and talking with the voters.

Mr. Carr at present is Speaker of the House of Representatives, an office in which he has served two consecutive terms, third man in Texas' history to be so honored.

He was accompanied here by some Lubbock friends who helped him to get acquainted with the people and distribute campaign literature.

Mr. Carr has served four consecutive terms in the Legislature; before that he had been assistant district attorney and Lubbock county attorney. He has scheduled many appearances in West Texas, including the annual Irish celebration in Shamrock; later will head east to press his campaign places of heavy vote concentrations in South, North and East Texas.

### DALTONS GO TO ODESSA

Lowell Dalton and family spent the past weekend in Odessa with his daughter and family, Mr. and Mrs. Dawl Johnson and son.

### Spelling Bee Set Friday

Plans are complete for the annual Bailey County Spelling Bee, set for Friday, March 18, in the auditorium of the Muleshoe high school. The Bee will be at 2 p.m.

Pronouncer this year will be Carroll Pouncey, Chamber of Commerce manager. The long time pronouncer, Fred Johnson, has been ill and is on an extended trip to South Texas.

Judges will be Mrs. D. H. Sneed, Mrs. Howard Cox, and Alex Williams.

The Journal, which sponsors the Bee, will award \$25 in prizes for the top three spellers. Muleshoe, Three Way, and Bula will be represented by three spellers each.

The Lubbock Avalanche-Journal, sponsors of the district Bee, will furnish badges and ball point pens for the nine school winners.

The winner here will take part in the district Bee in Lubbock where some fine prizes are offered; district winner will go to the National Bee in Washington, D. C., with all expenses paid.

### Retarded Children Ass'n. Will Meet

FORT WORTH — "Retarded Children in a Changing World" is the theme of the tenth annual convention of the Texas Association for Retarded Children to be held Thursday, Friday and Saturday, April 21-23 at the Texas Hotel, Fort Worth.

One of the features of the meeting will be a diagnostic team demonstration by the Tulsa Diagnostic Team of Tulsa, Okla., Mrs. Gretchen V. C. Abbott, Consultant for the 1960 White House Conference on Children and Youth, will make a report on the conference at the Thursday night meeting.

Dr. Derrel Mase, dean of the College of Health and Related Services of the University of Florida, will speak Saturday morning on the "Changing Attitudes in a Changing World."

The closing session Saturday night will present Dr. James E. Peavy, State Commissioner of Health, on "Public Health Programs for the Mentally Retarded."

### Area Residents Invited To See Air Spectacular

South Plains area residents are invited to visit Reese Air Force Base, Lubbock, Thursday afternoon, March 24, to see the "Thunderbirds," the Air Force's official aerial demonstration team, give a performance of precision flying.

Reese's gates will open to the public from 2:30 to 4:45 p.m. for the event, which begins at 3:30 p.m. The demonstration will be flown in the vicinity of Reese's flightline, in front of the Base Operations building, and will run for 25 minutes.

### Bula Men Burned In Freak Mishap

A. Copus, operator of a blacksmith shop at Bula, received second degree burns about his face and neck and D. J. Cox first degree burns about his face and ears in a freakish accident that happened Friday afternoon.

The two were making a tractor guide from a piece of pipe about three feet long. One end of the pipe was closed and the other end was bent and was in a forge heating. When the iron was red hot the pipe blew up.

It was thought the explosion was caused by an accumulation of gas or heated air in the pipe. Hot coals and pipe shavings blew over Mr. Copus' face and eyes. He was treated in Medical Arts hospital.

### Rites Held Saturday For Alma Fay Eagle

Funeral services for Alma Fay Eagle, 16, were conducted Saturday, March 12, at 2 p.m. from the Earth Church of Christ, the minister, Morgan Sturgess officiating. The child died March 10, in a Littlefield hospital.

She was the daughter of Mr. and Mrs. Jimmy Eagle, of Earth.

Alma Fay is survived by her parents; two brothers, Connie Ray Eagle, Earth; and Daniel Lee Eagle, San Diego, Calif.; and a sister, Janie Eagle, Littlefield; and the grand parents, Mr. and Mrs. H. G. Eagle Earth.

Interment was in the Earth Cemetery, with Singleton Funeral Home of Muleshoe in charge of arrangements. Pallbearers were Elvis Clayton, Herschel Patterson, Henry Lewis, Joe Davis, Zelph Robinson and Jack Scarbrough.

### Seven To Attend CofC Workshop

Seven officers and directors of Muleshoe Chamber of Commerce will attend a leaders workshop sponsored by the U. S. Chamber of Commerce, in Amarillo, on Wednesday, March 30.

Chamber president Lindal Murray said the officers and directors would participate in a day-long program designed to orient Chamber leaders in their duties and opportunities for service to their communities.

The workshop will be under the direction of Frank Mueller, of the U. S. Chamber staff in Washington. Mueller is recognized as the outstanding authority in Chamber of Commerce community service programs.

Those planning to attend from the Muleshoe Chamber include Murray, Robert Alford, Cayle Reed, Norman Thomas, Owens Jones, W. B. McSpadden and the manager, Carroll Pouncey.

### Census Begins Here April 1

Appointment of crew leaders for the 1960 Census of Population and Housing in his area was announced today by supervisor Earl E. Kerr of the Census Bureau's temporary district office in Lubbock, Texas.

Each crew leader will supervise about 20 counterparts in the big nationwide census which begins April 1. Crew leader training will begin on March 9 for rural crew leaders while their city counterparts will start training on March 14.

Topics to be covered in the training sessions include procedures for recruiting of census takers, how to train their census takers, canvassing methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the 1960 Census of Population and Housing. It is his responsibility to recruit and train the census takers; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to handle problems of difficult enumeration.

Carl Case is the crew leader for Bailey and Cochran Counties.

### I BE DOGGONED! Cat Finds Folks 48 Miles Away!

The family of Rev. Bernard Seay, Methodist pastor at Lazbuddie were flabbergasted when Honey Bun I, a big yellow cat they had given to friends before moving from Hereford two years ago, showed up at their home Friday. Not only was the distance considerable, 48 miles, but Honey Bun I could not possibly know where his folks were in any explainable way.

He's the same cat that Sharon and Donna, young daughters of Rev. and Mrs. Seay used to love in Hereford all right attested by pictures they had of him, and the fact that he was thin whiskered on one side of his face.

The mother of Honey Bun I had found another litter of kittens, 9 this time, about a year after the Hereford cat was born. One of these male kittens the children kept, and because they loved yellow cat No. 1, they named their new cat Honey Bun, also.

Funny thing, about six months ago, Honey Bun II disappeared and was not seen again until Saturday, when he returned home, too, a day after Honey Bun I found the Seays after a 48 mile trek. Now they have Honey Bun I and II besides the mother, which will have another litter of kittens right soon. The mother was not too enthused at first to have her big grown sons to return home, perhaps thinking they ought to be out in the world on their own, but now she's apparently happy to have them about.

### Mules Second In Floydada Meet

Muleshoe track team won second place in the Floydada Whirlwind relays Saturday for Class AA schools, with 66 points to 113 for Tullia's Hornets, first place team.

Derrell Oliver sparked the Mules' effort with a first place in the low hurdles in the time of 21.3. Derrell was second in the broad jump event also.

Other Muleshoe boys who placed in the various events are:

Eugene Hawkins, 4th in pole vault; Don Julian, 3rd in discus; Blackwood, 6th in high jump; Bill Patton, 3rd in high hurdles; Kebas, 3rd in 220yd. dash; Black, 3rd in 440 yd. dash; Carara, 4th in mile run. Muleshoe's quartet came in 5th in the mile relay.

### Ballot Drawing Monday, March 28

At a meeting of Bailey County Democratic executive committee to be held Monday night, Mar. 28, names of candidates who have filed for places on the ballot in the May 7 primary will be drawn to determine the order of their placing.

The meeting will be held at 7:30 p.m. in the courthouse. All candidates are invited to attend and observe the drawing. Harvey Bass, county Democratic chairman announces.

### Santa Fe Plans Expansion For Clovis Station

CLOVIS—The first step in an extensive expansion program here in Clovis by the Santa Fe Railroad will get underway this week when the construction of a five story yard office and control tower begins.

The construction is the first step in a \$3,000,000 expansion program which includes extending the present yards approximately three-fourths of a mile west.

A new office building and control tower, which will give the yard master a much better view of the yards and allow him to have the best in communication facilities, will be constructed near the site, where the present roundhouse is being torn down.

Contractor Named

All but eight stalls of the old roundhouse will be torn down. These eight stalls will be left for servicing diesel locomotives.

In addition to the control tower and yard office, two prefabricated buildings will be erected by Santa Fe crews. One will be a new rip track office and the other a store house.

Work on the grading and track extension will not start until the State Highway Commission completes plans for the construction of an overpass

### JUDGING BEGINS AT 11 A. M. FRIDAY

## Entries Rolling In For Annual Bailey County Fat Stock Show

A FORMER GRAND CHAMPION STEER is pictured in the show ring of the Bailey County Fat Stock Show. Myke Murrah is showing his animal as the judge, Ollie Liner, looks on. A large gallery of spectators view the judging.

From all over the county 4-H Club and FFA members were coming in today with their animals for the annual Bailey County Fat Stock Show. All entries were to be in the show barn by 9 o'clock tonight.

The Hull Street project will cost an estimated \$1,000,000.

### Program Is Cited

The expansion program here is part of a \$100 million program which the Santa Fe put into effect this year, according to an announcement made by the president, Ernest S. Marsh.

Also included in the overall Santa Fe program were projects to expand the refrigerating facilities at Belen, to install a centralized system from Texico to Lubbock and to install rail facilities to a new potash plant at Carlsbad.

### Talent Show Set For Springlake

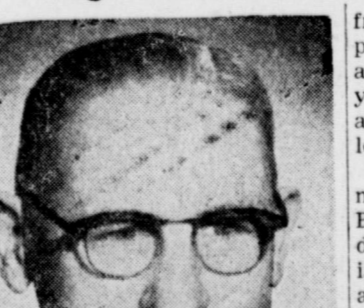

The Springlake PTA has scheduled a Talent Show for Friday, March 25, in the school auditorium, beginning at 7:30 p.m.

Those who wish to enter should contact Mrs. Oletha Sanders, Ph. 4321, Earth, Texas, or write to her at box 436, Earth. All entries should be in by noon, Mar. 25.

First place winner will receive a cash award of \$30; 2nd, \$20; 3rd, \$15; and 4th, \$10.

Social Stationery printed by The Journal conforms to custom and etiquette.

### Progress Revival Begins March 25

REV. DOSS

A revival meeting at the Progress Baptist Church will begin Friday, March 25, and is to run through April 3.

Rev. Thomas J. Doss, evangelist of Fort Worth, will come to do the preaching. Rev. Doss has pastored several churches in Texas and is now retired from pastorate work. His last pastorate was at Terrell, Texas, where he was pastor for 14 years. Rev. Doss was educated at Southwestern Baptist Theological Seminary.

Bobby Gruben association music director at Cross Roads Baptist Church, will come to direct the singing. Everyone is cordially invited to come and hear Rev. Doss and Bobby.

AT ITS ANNUAL CONVENTION

### Bailey Co. Farm Bureau To Hear John C. White, Ag. Commissioner

John C. White, state Commissioner of Agriculture will be principal speaker at the annual convention of the Bailey County Farm Bureau which will be held Thursday, March 24, in the high school auditorium, at 7:30 p.m.

Mr. White, who has held the elective office of state Commissioner of Agriculture for several years, is a widely recognized authority on agricultural problems, both state and national. He is not only well versed in all phases of modern scientific farm management and marketing but he is also an astute student of the economic and political philosophies associated with state and national agricultural legislation.

Besides being an authority on agriculture, Mr. White is a gifted public speaker whose talents are in almost continuous demand by numerous organizations. The Directors of the Bailey County Farm Bureau feel fortunate in being able to bring such a distinguished speaker to Muleshoe and they welcome not only Farm Bureau members but everyone interested in agriculture to attend this meeting.

TO ELECT DIRECTORS

Following the address by the speaker, Bailey County Farm

Bureau will hold a brief business session to elect directors whose terms are expired. Following election of directors, a drawing will be held to give away many valuable prizes donated by business place in Muleshoe.

Every adult attending the meeting will be entitled to a chance at the prizes with the only restriction being a limit of one prize per family.

The nominating committee of the Bailey County Farm Bureau are submitting two names on each ballot for each director whose term is expiring. Other nominations may be made from the floor.

### Letters TO THE EDITOR

HE LIKES THE JOURNAL

Dickens, Texas  
Mar. 14, 1960

Mr. Editor:

Please renew my subscription for one year to your paper. I do believe your paper is the best county paper I have ever read. I enjoy it very much.

Sincerely,  
H. A. C. Brummett, Atty.

## MEET OUR CORRESPONDENTS Mrs. Griffiths Takes Part In Many Three Way Community Activities

MRS. FRANK GRIFFITH

EDITOR'S NOTE — We are honoring our community reporters by writing a short story about each of them. We plan to honor one each week until this series is complete.

Mrs. Frank Griffith is our reporter for the Three Way news and has acted in this capacity for six years.

Mr. and Mrs. Griffith have three children. A daughter, Mrs. Kenneth Paul, is a senior at ENMU at Portales, N. M. and is majoring in journalism. Another daughter, Mrs. Jimmy Bateas, is married and has two daughters, Cindy and Debby, and lives at West Camp. A son, Bailey, is a

senior at Three Way school. He plans to enter Texas A. & M. this fall and major in veterinarian work.

Frank Griffiths farms, and owns a grade-A dairy. He and Mrs. Griffiths, just married, moved to Bailey County twenty-three years ago. They have lived in their present location for ten years.

Mrs. Griffith is a member of the PTA, Past Noble Grand of Needmore Rebekah Lodge, member of Three Way Baptist church. Her hobbies are writing and sewing, especially for her grandchildren, and fancy needlework.

Mrs. Florence Bailey, mother of Mrs. Griffith, makes her home with the Griffith family.

## Rev. Edwin Hall Is Speaker For M. Y. F.

Rev. Edwin Hall gave an interesting and informative talk on marriage for young people during the meeting of the Methodist Youth Fellowship which met Sunday, March 13, at 6:00 p.m. in the Youth Chapel.

Barbara Evans was in charge of the program for the evening. A question and answer period followed the talk that Reverend Hall gave on the subject of marriage.

Final plans were made for a mock wedding that will conclude the six-weeks study on dating and marriage.

## Pleasant Valley Club Observed National 4-H Week

Last week in observance of National 4-H Week, the Pleasant Valley 4-H Club participated in several activities to help celebrate this event.

One of their special projects was to place 4-H Grace cards in the Muleshoe school cafeterias, also in downtown restaurants, drugstores, and in the West Plains Hospital.

On Friday, March 11, the Pleasant Valley 4-H presented a special program on citizenship in the Richland Hills School Cafeteria for the 4th, 5th, and 6th grade and also for visitors.

The program began with the group marching in while the Star-Spangled Banner was being played on the piano by Veta Allison. The flag bearers were John Pitts, Bob Faulkner and Terry Stewart, 4-H banners were carried by Lyla Pitts and Diane Bryant. Tommy Landers carried the United States Constitution.

Mrs. Christine Rutherford led everyone in singing the Star-Spangled Banner, James Gable then led the Pledge of Allegiance followed by Sam Allison leading the 4-H Pledge. Joe Kitcherside led the group in the 4-H Motto.

James Pitts gave the welcome and acted as master of ceremonies for the program.

Speeches or poems on citizenship were given by the following boys and girls who are taking public speaking this year: Sheryl Stevens, Patsy Angeley, Paula Holt, Mike Bryant, Rickey Stevens, Kathryn West, Junior Landers, Carolyn Allison, Veta Allison, Larry Allison, and Brenda Bills.

Allison.

On Wednesday, March 9, the 4-H boys and girls also presented this citizenship program in the Pleasant Valley Community Building. They also gave a program on manners. They demonstrated manners on the telephone, dressing, dating, introductions, sports, and table manners. Those participating in this program were Brenda Bills, Carolyn and Sam Allison, Debby Bryant, Junior Landers, Kathryn West, Larry Allison, Veta Allison, Mike Bryant, Sheryl Stevens, James Pitts, Paula Holt, Rickey Stevens, Bob Faulkner, Joe Kitcherside, Fred Allison, Bobby Allison, Terry Stewart, James and Duane Gable, Diane Bryant, Lyla Pitts, Tommy Landers, John Pitts and Jack Allison.

—by Veta Allison, reporter

## Muleshoe Rebekahs Initiate Two Members

Lena Hawkins and Joanne Puckett were initiated into the Muleshoe Rebekah Lodge Tuesday night, March 15. N. G. Mary Taber presided.

There were twenty-one visitors and twenty-five members present for the meeting. The visiting Rebekahs were: eight from Friona, No. 308; eight from Needmore, No. 160; three from Earth, No. 139; three from Littlefield, No. 61.

Several interesting talks were given by the visitors and members. Some reported that they were going to the Grand Lodge meeting to be held in Ft. Worth March 19-22. The Rebekahs will meet in the Texas Hotel and the IOOF meeting will be held in the Hilton Hotel.

The Muleshoe Rebekah Lodge was delighted to have all the visiting Lodges represented.

Cake, coffee and spiced tea were served to all, during the social hour.

## TRINITY BAPTIST SS CLASS HAS MEETING RECENTLY

The Homemakers Sunday School Class of the Trinity Baptist church met in the home of Mrs. Loraine Quisenberry recently.

Mrs. Quisenberry, the hostess, gave the devotional.

Spiced tea and cookies were served the teacher, Ruth Roberts and members, Frances Hamilton, Louise Wilson, Inez Nicewarner, Polly Otwell and Patsy Angeley and Carolyn Crister McClendon.

MR. AND MRS. R. J. KLUMP. Klump is a former Bailey County judge, has served on the school board and was city secretary for many years. He has served as weather recorder here since 1921.

MULESHOE BEAUTY COMPETES FOR TITLE. Miss Martha Wuerflien, Muleshoe, (seated left) is one of 10 nominees for beauty title at Wayland Baptist College, Plainview, and will be competing for the crown and the honor of a page in the 1960 TRAVELER on March 29. The annual Beauty Pageant at which is an elaborate production staged by Student Govern-

ment Association, has its theme this year, "The Loveliest Night of the Year."

Miss Wuerflien, a junior, is the daughter of Mrs. Lillie Wuerflien and is secretary of campus Young Women's Auxiliary. She serves as program chairman of Home Economics Club. Recently she was chosen Basketball Queen and was listed on the Honor List for the semester's work.

## Mrs. Griffiths Is Speaker For Club

The Muleshoe Study Club voted to sponsor Mrs. Thurman White for office on the City Council during the meeting held at the home of Mrs. Eddie Latta Thursday afternoon, March 10, at 5:00 p.m. Mrs. White is the president of the club.

The Texas Federation of Women's Clubs has urged all members to be more active in public affairs. Mrs. White urged all members to attend the district convention to be held in Lubbock March 21 through 23.

Mrs. O. Gerrard was received as a new member of the study club.

The program for the afternoon was under the direction

of Mrs. David Anderson titled, "Service Through Religion". Roll call was answered by a favorite verse of scripture.

Mrs. W. T. Andrews introduced Mrs. Ray Griffiths as guest speaker. Mrs. Griffiths' subject was, "Religion in the American Home". She gave illuminated facts on the subject.

Refreshments were served to Mesdames J. G. Ann, W. Q. Casey, David Anderson, Thurman White, Gil Lamb, W. T. Andrews, Vernie Towns, Sherman Sweatmon, O. N. Jennings, Miss Harriett Jackson and guest, Mrs. Griffiths and hostess, Mrs. Lane.

## Canton and Auxiliary Meet In IOOF Hall

The Muleshoe Canton and Auxiliary No. 31 met for their regular business meeting at the IOOF hall Friday, March 11, with president Ona Berry and Captain Willie Steward presiding.

After the business meeting all members were reminded that the Grand Lodge Session of IOOF of Texas will convene in Ft. Worth, March 19-22.

A covered dish meal was served to Tom and Ona Berry, Shorty and Florence Holmes, Arlie and Mary Thomas, Willie and Daisy Steward, A. H. and Ina Owen, Vernice Snyder and Alice Holmes, a visitor.

## Country Club Holds Luncheon March 16

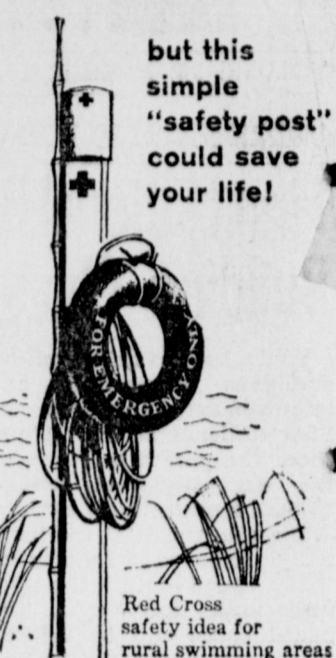

Ruby Hart won the golf ball and Mary Ferguson won the bridge prize during the business and social luncheon held by the Women's Association of the Muleshoe Country Club Wednesday, March 16.

The decor of the beautifully appointed table was in the St. Patrick's Day motif.

The members voted to have the next luncheon in the home of Mary Sweatmon, April 20, since the clubhouse will not be complete. There were twenty-six members present for the meeting.

Books, Ruled Forms, Manifold sets, printed accurately and bound neatly at The Journal.

Leading Clothing Manufacturer Recommends  
**SANITONE Dry Cleaning**

For the first time in dry cleaning history a major clothing manufacturer recommends a specific dry cleaning process for their garments.

All Weathervane suits, tailored by Handmacher-Vogel, Inc., world's largest maker of suits, will carry string tags, recommending that the suit be Sanitone Dry Cleaned "to keep the original shape, texture and freshness of the suit." Mr. Handmacher, company president, said that he decided to use the tags "only after exhaustive tests proved to my complete satisfaction that the Sanitone Process did these things."

**Our SANITONE dry cleaning keeps you looking wonderful all the time**

Our Sanitone Soft-Set® Dry Cleaning does more than get garments thoroughly clean. It actually restores the original look and feel to the fabric. Colors glow. Patterns sparkle. And your clothes always come back as soft and fresh as the day you bought them.

We invite you to compare our Sanitone Service with any other dry cleaning to prove that you can really see and feel the difference.

Why not call us today.

- GOLDEN WEST 5 LB. BAG 29¢
- MARSHALL GOLDEN NO. 300 CAN 3 FOR 20¢

**RECIPE**  
**NEW EASY CALIFORNIA TUNA BAKE**

1 1/2 cups soft bread crumbs  
2 cups milk, scalded  
3 eggs, slightly beaten  
1/2 teaspoon powdered oregano  
1/2 teaspoon powdered marjoram  
1/2 cup finely chopped onion  
1 1/2 tablespoons grated lemon peel  
1 tablespoon fresh lemon juice  
1 teaspoon dry mustard  
1/2 teaspoon salt  
Dash freshly ground black pepper  
2 (6 1/2-ounce) cans STAR-KIST TUNA, chunk style  
Pastry for 9-inch pie shell, unbaked  
1 SUNKIST lemon, unpeeled, sliced

Pick bread into soft crumbs. Pour scalded milk over crumbs in bowl. Stir well and blend in remaining ingredients except tuna. Flake tuna into large pieces; fold lightly into mixture. Pour into greased 1 1/2-quart baking-dish. Cut pastry to size of dish, making a circle in center. Brush with milk and place on top of tuna mixture. Place in hot oven (450) 10 minutes; reduce heat to (300) and bake 20 to 25 minutes. Remove from oven. Decorate with halved lemon slices and a few sprigs of parsley. Cut into serving-sized pieces and serve piping hot. Simply delicious. Makes 6 servings.

**RECIPE**  
**CREAMY TUNA**

two 6 1/2-oz. cans STAR-KIST Tuna  
two 10 1/2-oz. cans condensed cream of mushroom soup  
1/4 cup milk  
1 cup peas  
1 tsp. grated onion  
2 tsp. chopped pimiento (if desired)

Heat all ingredients together. Pour over piping-hot Bisquick Cheese Drop Biscuits. Serves 4 to 6. P.S. Other biscuit variations . . . add 1/4 cup chopped parsley or chives to dough, instead of cheese. Or drop each biscuit into a bowl of crushed potato chips before baking, for new crisp texture and flavor!

**RECIPE**  
**CREAMED TUNA NOODLE CASSEROLE**  
(Makes 4-6 servings)

1 tablespoon salt  
3 quarts boiling water  
8 ounces medium egg noodles (about 4 cups)  
1 1/2 cups (large can) undiluted CARNATION Evaporated Milk  
2 cups grated process American cheese (about 1/2 pound)  
1/4 teaspoon pepper  
1/4 cup chopped chives  
1/4 cup green onion tops  
2 cups (2 7-ounce cans) tuna, drained  
1/2 cup sliced pimiento-stuffed green olives  
Paprika

Add 1 tablespoon salt to rapidly boiling water. Gradually add noodles so that water continues to boil. Cook uncovered, stirring occasionally, until tender. Drain in colander. Combine Carnation, cheese, pepper and olives. Cook over low heat, stirring frequently until cheese melts. Arrange noodles, tuna and olives in buttered 1 1/2-quart shallow baking dish. Top with cheese sauce and sprinkle with paprika. Bake in moderate oven (350° F.) 30 minutes.

# Evolution of Auto Is Dream Mixture

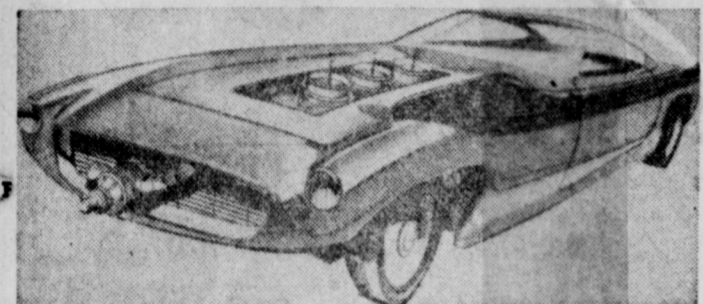

The greatest puzzle in the automobile industry is how to make a car that will satisfy all of the people involved in its manufacture — and still please the buyer.

"Each group of engineers has strong interests and objectives that are often widely separated," says M. C. Patterson, Dodge general manager. "Each has its own idea of what a car should be, and no two of them are alike. So, the evolution of a new car is bound to involve certain conflicts."

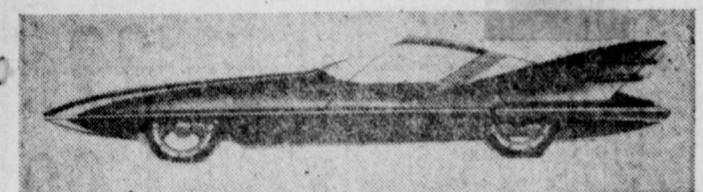

"The fact that new cars do come out year after year is indeed a triumph of knowledge, imagination, creative ability, and most of all, cooperation and team work."

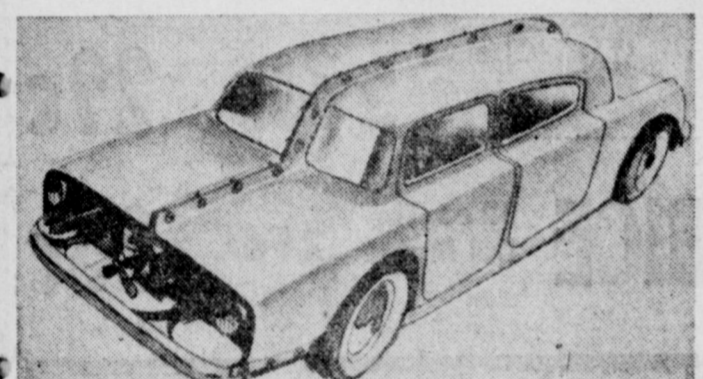

THE SAFETY ENGINEER visualizes the ideal car as a sphere—safe but little room for the engine.

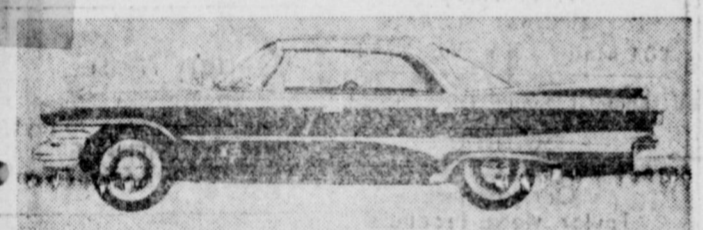

THE PERFORMANCE ENGINEER is chiefly concerned with the engine. He wants everything under the hood except hot and cold running water.

THE STYLIST wants beautiful lines, fine balance, and an eye-catching expression of an artistic theme.

THE BODY ENGINEER'S perfect car is one with no structural problems, no tough curves, no tight places—just a straight-forward design.

MIX THEM ALL together properly and you have what the sales force hopes is indeed a dream car for the average American motorist.

Visitors to the Texas Law Enforcement Foundation Crimemobile view such exhibits as the lie-detector, a police gun display, a drunkometer, ballistic microscopes, and the X-ray machine. Wall pictures show Texas crime fighters in action protecting citizens of the state.

## PROCLAMATION

WHEREAS, the CRIMEMOBILE is the Texas Law Enforcement Foundation's method of enlisting the aid of good citizens in support of good law enforcement in Texas, and through this medium will call public attention to the great cost of crime in terms of wasted lives, violent deaths, human indignities and property loss estimated at \$987 million last year, and

WHEREAS, the CRIMEMOBILE, by the existence of its many scientific exhibits and displays, should be of appeal to our youth as it travels over the State and may serve to instill a sense of individual obligation in our boys and girls—our leaders of tomorrow—incarrying out the aims and purposes of good law enforcement in Texas, and

WHEREAS, the CRIMEMOBILE will bring vital information to the citizens of Muleshoe, Texas pertaining to law enforcement practices and procedures in Texas, and at the same time instill an awareness to the causes of good law enforcement,

NOW, THEREFORE, I W. T. Bovell, Mayor of the City of Muleshoe, Texas, do hereby set aside March 24-25, 1960 as CRIMEMOBILE DAYS in Muleshoe, Texas and urge all citizens to visit the CRIMEMOBILE on this date

W. T. BOVELL  
Mayor of The City of Muleshoe

(SEAL)

### MULESHOE GIRL SCOUT NEWS

In troop 287 the first year Brownies composed of fourteen members, wait in expectation to tour the Fire Department. This will take place Monday, March 21st, at their regular scout meeting. Dorothy Weyer is their leader, and Nora B.

of a boy, Romero Lopez, born March 11 and weighing 7 lb. and 6 oz.

Mr. and Mrs. Erineo Rosauil Pedroza are the parents of a boy, Jose Perez, born March 14 and weighing 8 lb. and 5 oz.

Mr. and Mrs. James Roy Jones are the parents of a girl, Jana Marie, born on March 15 and weighing 9 lb. and 3 oz.

Mr. and Mrs. Carl Gregory are the parents of a boy, Carlton Morris, born March 14 and weighing 8 lb. and 14 oz.

Mr. and Mrs. Jose Lewis Sanchez are the parents of a boy born March 15 and weighing 6 lb. and 2 oz.

**MULESHOE HOSPITAL AND CLINIC**

**STORK NEWS**  
Mr. and Mrs. Elias Sanchez of Olton are the parents of a girl born March 16 and weighing 6 lb. and 6 oz.

Mr. and Mrs. M. G. Hoover are the parents of a boy born March 10 and weighing 6 lb. and 8 oz.

Mr. and Mrs. Elidio Barrera are the parents of a boy born March 10 and weighing 6 lb. and 2 oz.

Mr. and Mrs. Domingo Yruegar are the parents of a girl born March 11 and weighing 7 lb. and 14 oz.

Mr. and Mrs. R. Lewis of Lubbock are the parents of a girl born March 10 and weighing 7 lbs.

Douglas is the assistant.

Brownie troop 295 plans a skating party at the Farwell rink in the near future. This party was planned once but was postponed because of bad weather. Fourteen of the scouts will receive their first year membership pins at the troop meeting. These pins were to be presented to them at the court of awards but did not arrive in time. Ann Copeland is their leader and Mrs. R. A. Bradley is the assistant.

In troop 70 the second year Brownies have been quite busy. At the beginning of the school year they went to the Game Reserve and cooked outside.

Around Thanksgiving they made handwork for the hospital and also made Christmas gifts for their mothers. They have completed their sewing and International Friendship badges and are now working on music and dramatics. Helen Jacobs is their leader and she is assisted by Billie Haskins.

In troop 375 the second year Brownies have accomplished a great deal. At Thanksgiving the Brownies successfully made tray covers for the hospital and still found time to make Christmas gifts for their mothers. They recently visited the Tropical fish aquarium and reviewed the trail signs. Now they are learning to tie knots. Their leader is Elsie Pylant and the assistant is Ruby Lee Kerr.

Troop 307 has been working on their Tenderfoot badges and they plan to have their fly-up ceremony sometime this month. The leader of the intermediate troop is Pat Nickels.

Intermediate troop 66 practiced tying knots at their last meeting. At the court of awards all the members re-

ceived their second class badges. Doris Peat is their leader.

Doris English and her intermediate troop 69 are working on their community badges.

Troop 39 has mostly endeavored to complete their good grooming badges and are also working on their first class rank. At the court of Awards the troop portrayed the Girl Scout Sunday and Edwin Hall read the Girl Scout laws and promises. At this ceremony four of the girls received awards they earned last summer and some of the girls received their five year pins. Jinny McVickers is their troop leader.

Scout troop 51 has mostly been trying to reorganize with the help of leader Wanda Hardy. The troop consists of ten girls. They helped with play day and had a party for the fly-ups and four girls from Lubbock afterwards. The guests were two senior scouts who gave a talk on the round-up and Skeet and her roommate. Troop 51 has been planning to help with the city election by running a taxi and nursery. They will make posters to remind people to vote. The troop plans to go to Lubbock Saturday, March 26 to buy uniforms and go to the ABC rodeo. They will spend the night at the Lubbock Scout Hut afterwards.

### INTERNATIONAL TRUCKS

Get in wet fields earlier... top dress with John Deere

## VITREA

45% NITROGEN

As soon as you can get any standard equipment in the field, you can top dress with Vitrea. The season is late — time is short... so it's important that you get your nitrogen on early... without having to worry about heavy equipment which might bog down.

Vitrea is the most concentrated form of nitrogen fertilizer in a bag... 45% nitrogen... 900 pounds of actual nitrogen in every ton. This means fewer bags to handle... fewer steps in the field... so important when time is short.

Feeds the crops NOW... and through the season.

Because Vitrea resists leaching, it not only gives the crop an initial boost, but it continues to release nitrogen to the plant during the season.

And Vitrea is non-corrosive, won't rust your hopper. Applied easily, too... free-flowing, coated prills of Vitrea resist caking.

Join the thousands of progressive farmers who are switching to Vitrea for their nitrogen.

See your dealer today to place your order for John Deere VITREA

### Maple News

by Mrs. Oran Reeves

Mrs. O. M. Lackey underwent surgery in the Muleshoe Hospital Thursday. She is doing as well as can be expected at this time. We hope for her a speedy recovery.

Mr. and Mrs. C. L. Taylor and Dorman were Sunday diners of their daughter and family, Mr. and Mrs. Cecil Mann of Arch, N. M.

Jim Pylum and Lawrence Taylor visited Miss Carol Derick of Midland over the week end.

Mrs. Oran Reeves and Sheila visited Mrs. Emmett Cross of Muleshoe, Wednesday.

Guest in the Bill Eubanks home Sunday were her brother and family, Mr. and Mrs. Loyd Davis and sons of Smyer and Mr. and Mrs. R. L. Davis.

Ladies of Maple Church of Christ went to the Children Home at Portales and helped with the work Friday. Those going were Mrs. Guy Gattis, Mrs. Fred Simpson, Mrs. R. L. Davis, and Mrs. Bill Robinson. They will meet with Mrs. R. L. Davis Friday, March 18 for a work day.

Mrs. M. O. Wall of Portales, N. M. visited with her brother and family Mr. and Mrs. C. L. Taylor, Thursday.

Mr. and Mrs. Tommy Gattis and sons of Griffith visited Sunday with his parents, Mr. and Mrs. Guy Gattis.

Mrs. Travis Kelly and children visited with her mother, Mrs. Ledbetter of Portales, N. M., Friday.

Some of those we know about that are on the sick list this week are Oran and Sheila Reeves, Dan Simpson and Mrs. Bill Robinson.

Mr. and Mrs. W. C. Gaylen were Sunday guests of her sister, Mr. and Mrs. M. O. Wall of Portales, N. M.

Mrs. C. L. Taylor visited his brother and family, Mr. and Mrs. Aubrey Hutchinson of Muleshoe, Saturday.

We wish to express our sympathy to the Clyde Coffman family in the loss of their loved one, Mr. Coffman's mother, who passed away Wednesday, March 9 in the West Plains Hospital at Muleshoe.

**MATHIS ON BAND TOUR**  
The twelfth annual tour of the Eastern New Mexico University symphonic band will be March 15-18, according to G. Walter Scott, tour director. Among members is David Mathis, son of Mr. and Mrs. Bert Mathis of Muleshoe.

### Three Way News

Mrs. Frank Griffiths

Mrs. Florence Bailey was released from the Medical Arts hospital last Wednesday. She is able to sit up several hours each day.

The athletic banquet honoring the Three Way Eagles was given in the Community Building at Morton Saturday evening. Members of the pep club were hostesses. Miss Patsy Sowder was toast mistress. Rev. Byron Hardgrove read the invocation.

The menu consisted of tomato juice cocktail, roast, fruit salad, mashed potatoes, bundled beans, hot rolls, butter, strawberry and iced tea. Archie Sims introduced Mr. J. G. Keys of Lubbock who gave the address.

Recognition of outstanding players on football and basketball teams was by Coach Bill Wood. Captains of the team were Bailey Griffith and Butch Tucker. Girls basketball captain was Jane Garvin and Thomas Coffman was the boys team captain. Carter Williams and Thomas Coffman were named to the all district football team. Williams was also named most valuable player by his teammates. Gayle McCelvey, Annonie Hightower, Linda Simms and Jane Garvin were all district basketball players. James Long and Carter Williams made the boys all district team.

Patsy Sowder presented the football hero, Butch Tucker, and Bailey Griffith presented Barbara Masten, the football sweetheart. Presentation of the basketball hero, Carter Williams was by Jane Garvin and the presentation of the basketball sweetheart, Sandra Lemons was by Thomas Coffman. Parents of the athletes and the pep club members, and school board members and their wives were special guests at the banquet.

Mrs. W. C. McCelvey visited Friday at Portales in the C. J. Spence home.

Mr. and Mrs. Lewie Jordan and Linda spent the weekend at Levelland with relatives.

Mr. and Mrs. Eune Martin spent the weekend in Muleshoe. Russ Uptegrove was able to come home from the hospital last week. He had been ill several days due to a cold and complications.

Mr. and Mrs. W. C. McCelvey visited Sunday in Anton with relatives.

## Farmers May Qualify For SS

Farmers may now qualify for disability protection under the social security program, John G. Hutton manager of the Lubbock Social Security office stated today.

If he is at least 50 years of age and has a severe, long term disability which prevents any substantial activity, a farmer may qualify for monthly payments for himself and his dependents in the same manner as the city worker providing he has at least 5 years of social security coverage out of the past 10 years before he became disabled. If he is under 50, he may have his social security record "frozen" to protect his own and his family's future benefit rights.

April, 1960, will be the first month for which most disabled farmers can be paid," Hutton said. "Most farmers had no social security credits before 1955, and October 1 is the ear-

liest date on which they can meet the work requirements. The disability must last at least six months after this date before payments can be made."

Mr. Hutton emphasized that all disabled workers including farmers who have questions regarding possible disability protection should consult the local social security office promptly. The office in Lubbock is at 2878-34th St. and is open on Monday through Friday (except holidays) from 8:30 a.m. to 5:00 p.m.

A representative of the Lubbock Social Security Office will be in Muleshoe on Thursday, March 24 at 9:30 a.m. in the County Courthouse and will be glad to assist in all matters pertaining to social security.

### THE BICKELS OF SNYDER BRING J. M. PRATHER HOME

Mr. and Mrs. Jim Bickel visited in the Chet Horsley home the past week end. They brought J. M. Prather home who had been visiting with them the past three weeks.

## Opportunity Day Set At Wayland

Plainview, March 15—April 2 is Opportunity Day at Wayland Baptist College for high school seniors, with Wayland students and faculty offering opportunity for spending the day on campus, according to Dean Cecil Cosper, chairman.

Students wishing to try for 10 scholarships of \$200 each, athletes wanting to learn

about scholarships and musicians wanting to audition for Wayland International Choir and instrumental scholarships will have special opportunities.

But for some 400 to 500 high school seniors from Texas, New Mexico, Oklahoma and Colorado it will be an opportunity for an inside view of life on Wayland campus. Tours will be conducted by Wayland students, an assembly program of drama and music will be presented by still other students, a 30-minute concert will be given by the colorful Way-

land International Choir and a talent show filled with fun and seriousness will climax the day's activities.

Faculty members and administrative officials will be in charge of a career exhibit and conferences immediately after lunch in Slaughter Memorial Center. Seniors, their parents, and other counselors are invited to take part in this sixth annual High School Senior Day. All of the day's activities are without charge, including the luncheon, according to Dean Cosper.

## Secretaries Seminar Set For Saturday

A seminar for secretaries entitled "Learn a Better Living", sponsored by the Caprock Chapter of the National Secretaries Association, International, Lubbock, Texas, will be held Saturday, March 19, 1960, from 8:30 a.m. to 4:00 p.m., in the Administration Building of Lubbock Christian College, 5601 West 19th Street, Lubbock Texas.

A very interesting program is planned for the seminar, including guest speakers from Lubbock Christian College, Texas Technological College, and Mrs. Della Bates Inman of Dallas, Texas. Exhibits of office equipment will be on display. A luncheon will be served and entertainment will be provided by a quartet of Lubbock Christian College, which will also give a skit entitled "ABC's of the Interview". At 2:45 p.m. door prizes will be given, and at 3:00 p.m., a reception will be given in Katie Rogers Hall on the campus.

Realizing that a good secretary's abilities are not made up solely of her typing and shorthand skills and that she must be aware of the necessity of improving her abilities, Caprock Chapter, NSA, has planned this seminar to help area secretaries become better secretaries. During the reception, we want to discuss the purposes of NSA, and encourage Lubbock secretaries to become members of Caprock Chapter. We would also like to install more chapters in the surrounding towns of Lubbock. Registration fee is \$5.00 in-

cluding the luncheon. You may order your registration blanks from Mrs. Wilma Taylor, 2010 Broadway, Lubbock, Texas or Mrs. Minnie Mae Galloway, 3404 36th Street, Lubbock, Texas. If you cannot register before March 19, you may do so at 8:30 a.m. on that date.

## MRS. OBENHAUS HAS VISITORS FROM CLOVIS AND PROGRESS

Mr. and Mrs. Harve Brown of Clovis, N. M. visited in the home of her mother, Mrs. B. J. Obenhaus the past weekend. Another daughter, Mrs. E. F. Eason of Progress, is staying with her mother for a few days

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 38, NUMBER 11 THURSDAY, MARCH 17, 1960

## Bailey County Has A New Deputy Sheriff

Bailey County has a new Deputy Sheriff, John W. Moore, of Muleshoe. He was sworn into office by Sheriff Dee Clements Saturday morning, March 12.

Moore has had many years of experience in this field of work. He was deputy sheriff at Claude from 1934 to 1945 and sheriff of the county from 1946 to 1957. He and his wife then moved to south of Muleshoe where he has been engaged in farming since that time.

Mr. and Mrs. Moore have two children. A daughter, Elaine (Butch) is in college at WTSC and a son, John W. Moore, Jr., is minister of the First Christian Church in Plains. He is married and has three children.

## Plans For Catholic Parsonage Approved

The Reverend (Fr.) Norbert Wagner, the Catholic Vicar of Sacred Heart Parish, Littlefield has happily sent word here to the Muleshoe Catholic foundation that the final ratifications of plans for the Immaculate Conception parsonage have been approved in Amarillo.

E. L. Hamilton, a Muleshoe building contractor, has been awarded the construction commitment.

The parishioners are grateful to Fr. Norbert Wagner for his final skill to bring the program in a favorable financial transaction.

## News Of Men In Service

### Donald Brown Takes Advanced Training

PORT SILL—Army Pvt. Donald A. Brown, whose wife, Zaydene, lives at 501 Ashland, Friona, Tex., is receiving eight weeks of advanced individual artillery training at The Artillery and Missile Center, Fort Sill, Okla. The training is scheduled to be concluded April 7.

Brown is being trained in the duties of a cannoneer in a 105 millimeter howitzer section.

He is a 1956 graduate of Hereford High School.

His parents, Mr. and Mrs. Gabriel A. Brown, live at 209 Norton, Hereford.

### Powell Seving On Carrier Saratoga

MAYPORT.—Donald L. Powell, aviation structural mechanic airman, USN, son of Mr. and Mrs. Forest Powell of Route 1, Sudan, Texas, returned to Mayport, Fla., Feb. 26, aboard the attack aircraft carrier USS Saratoga after a six-month tour of duty with the U. S. Sixth Fleet in the Mediterranean.

The Saratoga, and her 4,100-man crew, was involved in many fleet exercises with the Sixth Fleet and NATO forces, specifically designed for the self-education and perfection of working relations with the U. S. and its allies.

While in the area the carrier visited Italy, France, Turkey, Spain, and Greece.

### Fr. Vincent Is Vicar Of Hermleigh, Texas

The Reverend (Fr.) Vincent Dauginitis, who was administrator of the Immaculate Conception Catholic church, is now the Vicar of Saint John's Catholic church in Hermleigh, Texas. Fr. Vincent was the administrator of the Catholic congregation in Muleshoe from 1956 through 1959.

Fr. Vincent receives his mail at Box 517, Hermleigh, Texas.

### GAY DOUGLAS A VISITOR

Gay Douglas, a senior at WTSC, Canyon, spent the week end here with her parents, Mr. and Mrs. Ralph Douglas. She told The Journal that she will practice teach in an Amarillo school for two weeks soon.

## Safflower Being Tested At Halfway

Safflower will be tested at the High Plains Research Foundation this year in cooperation with the U. S. Department of Agriculture, as a part of the Foundation's program to develop new crops for the area.

Five varieties were used in the 1959 tests at Halfway. Heavy hail on June 22, 1959, damaged the crop so severely that the tests had to be abandoned. There is still a possibility that a variety can be found that will adapt to the area. Dr. Earl Collister, Chief Agronomist, said in announcing the acceptance of the request of the USDA and farmers in the area for further research on the crop.

The Foundation has been selected by the U. S. D. A. to conduct the regional test. This will be the only safflower test of its kind to be made in the area. The varieties to be tested are being supplied by Dr. Lester N. Leininger, Research Agronomist, of the Agricultural Research Service at Utah State University.

The eight varieties to be included in the test are U. S. 10, N-6, N-10, N-4051, N-4054, N-4055, Gila, and A 5731. Three of these varieties were included in the 1959 test program at Halfway.

### MILDRED HANLEY VISITS IN LUBBOCK

Mrs. Mildred Hanley visited the past week end in Lubbock with her daughter and husband, Mr. and Mrs. Gene Bath.

MRS. TYSON OF FT. WORTH VISITS MRS. E. E. DYER Mrs. Vestal Tyson of Ft. Worth is visiting in the home of Mrs. E. E. Dyer.

If we made Gladiola Flour for Kissimmee, Fla...

We make just enough Gladiola Flour for our near neighbors—in Texas and a little bit beyond. These ladies are the best home bakers in the U.S.A.—and the sharpest judges of flour quality.

That works out fine for us. We know precisely what our customers want, and precisely how to make it. That's why snow-white Gladiola Flour outsells every other brand, every day, every year.

The women-folk in Kissimmee, Fla., just can't bake biscuits, cakes and pies like yours. They don't have Gladiola Flour. Only you and your neighbors can buy it. And, for the average family, it costs only about 1/2¢ a day more than the cheapest flour made.

Bake and be Glad—with **GLADIOLA FLOUR**  
The best-selling flour in the Southwest

11 miles south of Orlando a highway sign says "Kissimmee," but it's more fun if you say it.

## BABSON DISCUSSES

### Summer Resort Property

Babson Park, Mass., March 17. It may seem strange to readers of my column to see this subject when in New England, Northern New York, Michigan, and other summer resorts are buried in two feet of snow. I, however, have definite reasons, as shown below, for writing under these wintry conditions.

#### Time To Buy Summer Property

Most people who are looking for a summer cottage, especially for a place to spend July and August, wait until a hot day in June before looking around for a cool spot. This is the height of folly, as such property is always in greatest demand and sells at the highest price in June or July. The bargains always occur in March or April, and this year is especially true this year.

It also should be remembered that all classes of workers are getting longer vacations, longer weekends, and more time for recreation generally. In addition, the population of the country is constantly increasing, as is also—and most especially—the people's income. I have already commented that land is the best hedge against inflation. Certainly, a modest summer home should be a better investment than a "second car". It could even be a place of refuge in case of World War III.

#### Buy Water Front If Possible

While the government can print more bonds and dollar bills, only God can make more properly drained frontage on the ocean or on lakes or on rivers. Although, in Florida and in some other places, artificial water frontage is being made by pumping out adjoining sand, yet this amount is infinitesimal, considering the waterfront already available. Even if you feel unable now to buy or build a summer home, you might well buy some land if it is properly located. In the meantime, your children should be taught to fish and swim.

Although I personally prefer Cape Ann, Massachusetts as the finest spot in the nation for a summer home, yet I realize that many people feel better on mountain land in the summertime. This especially applies to those with asthmatic tendencies or chronic coughs. Pine and spruce woodland is very agreeable to many. Such land is gradually increasing in price as the trees grow.

#### When purchasing any kind of land for a summer place, be sure to have electricity and telephone connections. Good, pure water can always be secured by drilling a well. Such wells should be free from contamination, and should be safe from fallout in the event of atomic war. Some civil defense authorities claim that woodland partially protects against fallout dangers, but this has not yet been proved.

#### Don't Buy Sight Unseen

In closing, let me say a word to those who are looking for winter homes or for all-year-around homes in the South or in California and the Southwest. Salesmen with maps and photographs should be treated courteously but one should never buy a summer place or a winter home without first visiting the property. This is important in order to acquaint one's self not only with the land, elevation, etc., but also with the neighbors. Increases in property values depend largely upon the neighbors.

#### It is also wise—although not essential—to get within reasonable distance of a community with churches, schools, fine apartments, library facilities, and stores. I assume every reader desiring a summer or winter home has an automobile; but in addition, it is a good idea to be fairly near a bus route.

#### If one bomb should be dropped accidentally on a Russian or American city by some psychotic aviator, it would be all right.

#### When the blasted Communists of North Korea invaded our mandate, or protectorate of South Korea, it fell to Jack

most impossible for the average citizen not employed in defense work to get any gasoline. The government will see that all living people get necessary, even if scantily rationed food,—but their provision will not include gasoline.

## Scoop Sez . . .

By J. M. Forbes

He, his papa, and his little brother strode into the lobby of the little hotel where I reigned as night clerk, and required a room. Since there were three, I told them, it would be a full dollar.

They had come to Temple from McGregor out on the blacklands of Texas and from their looks I judged they had experienced recent contact. They agreed to the price and I asked them to register, but Papa designated Jack to do that chore. Directly Jack said, "You in high school?" I said I was and he said I'll be there with you Monday.

I thought boy you better clean up first because that is a recherche and per diem high school where all the boys excepting me wear suits and high, white, stiffly starched collars. Pretty soon, to make a long story longer, Jack was the most sought after boy in school, the debater, senior president, other honors ad infinitum.

He was a year ahead of me and when I got to the University of Texas Jack quit his job, gave it to me, got himself a better one. He studied all the economics, government, foreign service he could and so did his girl friend; not long after their graduation and marriage he was sent to Tampico, Mexico, as vice consul. The years passed and one day I read where he had been made secretary of the joint Canadian and U. S. Defense Board, next he was in charge of the State Department's European division, finally an assistant secretary of state.

When the blasted Communists of North Korea invaded our mandate, or protectorate of South Korea, it fell to Jack

## Sand Hills Philosopher Discovers Compelling

### New Reason Why He and Other Farmers Should Make A Profit

Editor's note: The Sandhills Philosopher on his Johnson grass farm may be putting an odd twist on a set of figures, his letter this week indicates. We never attempt to correct him.

Dear editor: When I run out of anything to do out here on this Johnson grass farm, and I can do it any time I don't feel like working, I like to amuse myself by reviewing the latest situations on the farm problem.

Last night I got an entirely new slant on the farm problem and its importance. According to an article I read in a newspaper which must have fallen out of an airplane, I don't know how else it could have gotten wedged between the forks of a tree ten feet above the ground, that farmers' incomes have dropped twenty per cent in the last two years while their expenses have gone up five per cent.

"The farmers are going bankrupt," the governor of Nebraska said on reading these figures.

Well, lots of farmers have been heading toward bankruptcy for years, but as long as they don't actually get there, or they get there and nobody knows it, they seem to keep plugging away.

But what interested me in this report was the reaction of another group of leaders to it.

Yours faithfully  
J. A.

#### THE ASKEWS GO TO TURKEY

Mr. and Mrs. Ashby Askew visited in Turkey with her parents, Mr. and Mrs. W. T. Brewer, this past week end.

#### The years passed and I wondered if Jack had been cleaned out by all the zeal to "clean up the mess in Washington," but I knew no one could possibly dream up a reason for eliminating a guy like that.

Other Sunday, as we both went to see about the mail after church, O. C. Kirk, an old friend of Temple days stopped me and said he had some information on Jack which he would bring me. Tuesday of this week he brought some clippings which revealed that John D. Hickerson, a career diplomat, of Temple, Texas, has been appointed by President Eisenhower to be ambassador to the Philippines, previously he had served as ambassador to Finland from Oct. 5, 1955 to the present. Seldom does a career diplomat get ambassador rank because pretty much these appointments are political.

This column hastens to reach the point, which is: The opportunity for advancement free and energetic, and it re- of the past, but still exists, and Jack's story I think ought to inspire our youngsters to do the very best that's in them, and to reach the highest point to which their abilities will bring them.

I have never known anyone who started with so little and accomplished so much of what he aimed at, than Jack Hickerson, and the success story is being and can be repeated over and over in this land of the free and energetic. And it reminds this scribbler, too, of the saying:

"It doesn't matter where you are; it's the direction in which you're headed that counts."

"Our concern goes deeper than concern for farmers, for merely maintaining the family size farm," they said. "Many small towns in this nation are dependent on the farmers. If the farmers go broke, what'll happen to these towns?"

But they needn't have stopped there. Look at it this way. Not only are the small ones dependent on the farmers, but many big towns are sort of dependent on small towns, and big cities are dependent on little cities, and Washington is dependent on all of them. And come to think of it, a lot of other nations are depending on Washington.

So, if I lose money out here on this farm, it's not concern for myself that bothers me. It's an international worry.

Up to now, I figured whether I made any money or not was more or less my worry, plus my banker's, but viewed in this newer light, it's clear that the entire world is depending on me to make a profit, and consequently the farmer's plight is everybody's plight.

I had no idea so much responsibility rested on me, and I will appreciate it if you'll see that Congress helps me make a profit this year. I don't ask this for myself. I'm looking at it internationally.

Yours faithfully  
J. A.

#### THE ASKEWS GO TO TURKEY

Mr. and Mrs. Ashby Askew visited in Turkey with her parents, Mr. and Mrs. W. T. Brewer, this past week end.

20 Years Ago Today

## New \$45 attachment converts the Servis Gyro brush cutter into a money-saving Mower-Conditioner-Windrower

Now, the versatile Gyro-84 takes on still another chore. A year-round tool, it clears brush, clips pasture, shreds row crops, mows grass...and now it windrows hay as it goes.

Mows 33 1/3 % more acres a day than sickle bar — at less cost. "Down-time" for repairs, that bug-a-boo of sickle bar mowers, is virtually eliminated with a rugged Gyro cutter. And to the saving in time, you can add the tremendous saving in maintenance costs.

Performs three operations in one. The hay is cut to the right length for easy baler handling. Then — thanks to the inexpensive new windrow attachment — you make a clean windrow as you go. A side delivery rake and its operation are not needed. Finally, hay conditioning is obtained through the shock cutting-action of the heavy Gyro blades...the stalks are fractured at intervals giving quicker leakage — faster, more uniform curing.

For complete details on this and other Servis implements, stop in this week.

# National Merit Scholarship Tests Given To 77 High School Juniors

Goldie Lowery

March 8, seventy-seven juniors of Muleshoe High School took the National Merit Scholarship Qualifying Test. The NMSQT was a three hour test to measure educational development and college aptitude. Emphasis was placed on intellectual skills, and on understanding and ability to use what can be learned.

The test is the first step in the sixth annual competition for Merit Scholarships. The scholarships are provided by some 100 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself. More than \$15,000,000 has been awarded in the first four years of the program.

The number of scholarships awarded in any year depends upon the extent of sponsorship participation. The basic continuing program is for \$1,000, 000 a year (for ten annual programs). It is estimated that sponsor participation this year will add over \$2 million in sponsored Merit Scholarships. It is also expected that various outside-the-program sources will increase in the present amounts offered to high scoring students by several million dollars.

For students taking the test on March 8, results will be reported to all participating schools before the end of the spring semester in time for use by class advisors. The scores may also be used in many high schools to help students make decisions about college and the most appropriate courses in which to major. Many students throughout the country who do not expect to win have registered for the test in order to learn more about their individual strengths and weaknesses. Some 10,000 semifinalists, the highest scorers in each state, will be named early next fall. Names of Semifinalists are published in a booklet which is widely distributed

among colleges and other scholarship agencies.

Each Semifinalist will be asked to take a second examination. Those who repeat their high performance in the second examination will become Finalists in the Merit Program. Winners of Merit Scholarships will be selected from this group of Finalists on the basis of school records and recommendations, and other indications indicating future promise. Each Finalist in addition to being considered for a Merit Scholarship is awarded a Certificate of Merit attesting to his outstanding performance.

Four-year scholarships are awarded to the winners with stipends depending on financial needs. Minimum award in 1961 will be \$100, the maximum will be \$1,500. The average stipend in 1959 was \$743. Supplementary cost-of-education grants are usually made to the colleges and universities which the scholars attend.

An additional 25,000 students selected without regard to state quotas are awarded letters commending them for their superior performance on the National Merit Scholarship Qualifying Test.

These students are asked to complete brief personal data cards, and are considered for special awards made through the facilities of NMSC. Names along with test scores of both Semifinalists and the students in the commended group will be sent without charge to the colleges indicated as either a first or second choice by the participant.

The National Merit Scholarship Program is a nation wide search for students who demonstrate extraordinary ability to benefit from a college education. More than a million and a half high school students have participated in the Merit Program, and in the fall state of 1959 more than 3,100 Merit Scholars were enrolled in nearly 400 colleges and universities in the United States.

## High School Boys Fight Grass Fire

Mary Ann Greene  
Fire was the occasion that enabled many Muleshoe boys to show the American blood in their veins. When Mr. Bill Parker announced that volunteers were wanted to fight a grass fire south of Muleshoe, the halls were soon buzzing with real live fire-fighters.

Car loads of boys left Muleshoe high school to go to the fire site to help fight the fire in anyway they could. This was during the remaining minutes of the last class and when after school was dismissed, the fire lost its battle because of the effectiveness of the Muleshoe boys.

This is proof that there is much American left in the rising generation. At the fire there was no distinction between the men and the boys. All were fire-fighters.

## Annual Stock Show Is Set Here Friday

Alice Gordon  
The annual Bailey County Junior Stock Show will be held in the Bus Barn on March 18. Bailey County FFA and 4-H boys will be eligible to enter their livestock in this show. Participating in the show will be boys from Threeway, Bula, and Muleshoe.

The show will be limited to four divisions: 1. Barrow, 2. Steers, 3. Open gilts, farrowed after August 1, 1959, and 4. Wether lambs that still carry milk teeth on show day. Several prizes of money and ribbons will be given for the winners in each division. The money given as prizes will be furnished by Bailey County business men and farmers. The names of the contributors will make an honor roll and will be published.

The ribbons will be handed out by the FFA Sweethearts and the Bailey County 4-H Sweetheart. Special prizes will be given for the following: Grand Champion Calf, Grand Champion Barrow, Grand Champion Lamb, Reserve Grand Champion Calf, Reserve Grand Champion Barrow and Reserve Grand Champion Lamb. Showmanship trophies will be given in the Swine, Sheep and Cattle divisions.

Several appointments have been made by John Gunter, General Superintendent of the show, for the proper conduct of the show. They are as follows: Superintendent and assistant superintendents of barrow and gilt show: Buck Medina, Eugene Black, Bob Blackwood, and Jimmy Blacklock; superintendent and assistant superintendent of sheep show, Jack Julian and J. J. Smallwood; Lester Howard and Roy Whitt will run the calf show. Secretarial work and re-

cord keeping will be done by Pete Black with the assistance of Buddy and Bobby Black. The show will be judged by Euel Linder of Lubbock.

A concession stand, sponsored by the FFA boys and Home-Making Department, will be located in the Bus Garage. Sandwiches, candy, cold drinks and coffee will be served.

## Jr. High Students Presented Program

Wilson  
The students of Muleshoe Junior High presented a program, March 1 at 2:45 p.m., entitled "The Parade of Books" for Public School Week. The public was invited to the performance.

Mr. Everett, principal of Junior High, gave the introduction for the program. The narrator of the presentation was Bill Harbin and Susan Birdsong was pianist. The two clowns, Corky Green and Charles King, were very entertaining. Twenty-four girls composed a chorus which sang throughout the program.

The first "Parade of Books" were science books. Ten famous scientists were represented by ten members of the eighth grade class.

The second presentation was social studies. Students representing twelve famous men stepped out of the pages of history to remind us of the forming of our great nation. Characters from American literature were represented in the last "Parade of Books". Such books as "Little Women", "Ichabod Crane", "Hiawatha", and many others were portrayed by different students.

The ushers for the program were Lou Venia Williams, Beatrice Stinson, Catherine Puckett, and Janice Henderson.

## Schools Dismissed For Teachers Meet

Jeanie Gray  
Schools were dismissed in District 13, Friday, March 4, to permit the teachers to attend the District 13 TSTA (Texas State Teachers Association) meeting held at Lubbock. Nearly all the teachers in Bailey County attended.

Mr. Bill Parker, principal of Muleshoe High School, took part in a panel discussion on the subject of "Juvenile Delinquency". Previous to the meeting Mr. Parker had made a survey and sent a questionnaire to all principals and other educators in this district. He reported some extremely interesting findings on the subject.

The District 13 TSTA officers are: president, Mrs. Sweeney of Bula; vice-president, Mr. Bowen of Threeway; treasurer, Mr. Bill Taylor, teacher in the Muleshoe High School; and secretary Mr. Fred White, principal of Mary DeShazo Elementary.

## Citations Received For Magazine Sales

Coralyn Hicks  
I am sure you will all remember when the Senior Class was selling magazine subscriptions back in October. The sales ran from October 13 to October 23.

There was a very nice prize for the high salesman. This salesman had to sell at least \$200 worth of subscriptions. The high salesman in our class was Bobby Eason.

This week, citations were presented to a group of students who had sold \$50 worth of subscriptions. There were approximately 15 students who received these citations.

There were three seniors who sold \$100 worth of subscriptions. They were James Towns, James Ethridge and Bobby Eason. These boys received citations and a gold pin.

Approximately \$900 was made from the sale of magazines.

# The Mule's Tale

Weekly Publication of Muleshoe Schools

## Future Farmers Plan Banquet For April 8

Kenneth Phipps  
Muleshoe Chapter of Future Farmers held their regular meeting Monday night.

President Don Ethridge called the meeting to order and the business was presented.

Don reported the chairman of the Father-Son banquet committee would give a report on the banquet.

## Ronald Julian reported the banquet will be held on April 8 and will be held at Leigon's Cafe. The plates will be \$1.40 each.

Wayne Tunnell moved a motion that the chapter pay for the father's and other guest's plates. The motion was passed by majority vote.

The president appointed a committee to gather nominations for honorary Chapter Farmer Degrees.

A motion was moved that the president nominate a decoration committee. The motion was passed by majority vote.

After the meeting adjourned the FFA boys went to the gymnasium to play basketball.

## FHA Members Attend Meeting For Area I

Mary Gross  
"FHA—Stairway to the Stars" was the theme for the Area I FHA meeting attended by the Muleshoe chapters recently. The climax of the morning session was an address given by Sandra Hollingsworth, national president of FHA from Raton, New Mexico. Her talk was "Stairway to the Star of Successful Living".

Approximately 2,000 girls were welcomed by Sally Denton, Lubbock F H A city council, greeted by Roy Davis, President of the Plains Co-op Oil Mill in Lubbock; Dr. Willa Vaughn Tinsley, Texas Tech Dean of the School of Home Economics; Floyd Honey, Principal of Monterey High School in Lubbock; and Carol Ann Pinson, President of the Texas Tech Home Economics Club.

The morning session was concluded with the House of Delegates. Mary Gross and Virginia Hickman were Muleshoe's delegates.

## The high point of the afternoon session was the Area I choir. The choir consisted of FHA members from the different schools in the area.

Climaxing the meeting was the Area president's address by Jan Barton. Following the president's address was the installation of the 1960-1961 officers.

Those attending from Muleshoe were Kay Brown, Virginia Hickman, Trudy Davis, Mary Gross, LaVon Childs, Georgia Hall, Judy Bishop, Mary Ann Greene, Mary Ellen Wedel, Patsy Burkhardt, Loyce Kelton, Neida Hunt, and Phyllis Milligan. Mrs. Dean Bradley and Mrs. Rosie Herd, sponsors of the group, accompanied by Mrs. George Gross, Mrs. Bill Elrod, and Mrs. M. E. Hickman also attended the meeting.

## Spring Sports Get Current Attention

Mary Gross  
The girls out for competitive athletics at Muleshoe High are now playing volleyball. After concluding a successful basketball season, the

Mulettes are concentrating on the spring sports.

Girls playing volleyball are Janie Sanders, Brenda Melson, Trudy Davis, Mary Wedel, Linda Gillis, Mary Gross, Carolyn Burge, Donna Guinn, Joy Autry, Ira Lee Inman, Donnie King, Kay Davis, Marilyn Green, Roxanna Hart, Kay Thomson, and Barbara Ellis.

The volley ball team has had a good start this season by defeating Farwell recently. They will play Lazbuddie, March 15, and Farwell again March 17. They will also play in the Levelland tournament March 24, 25, and 26, and in the district tournament, which will be held at Oilton in the near future.

## Senior Girl Scouts Troop Reorganized

Margan Lamb  
A Senior Girl Scout troop has been reorganized here in Muleshoe. Senior Scouts are girls from 14 to 17 years of age. Mrs. Ray Hardy is the new scout leader and she is planning a very interesting program for the girls. This troop was organized last spring, but has been inactive for the past year.

Marilyn Green is the president, Roxanna Hart, vice-president, and Rita Rucktashel, secretary-treasurer. Eleven teenage girls are registered with the troop.

The following Muleshoe girls

Muleshoe (Tex.) Journal, Thurs., March 17, 1960, Page 3

are Senior Scouts, Joan Mock, Barbara Ellis, Sue Willman, Donna Moore, Diane Fullerton, Eugena English, Pam Lenau, Marilyn Green, Roxanna Hart, all freshmen, Rita Rucktashel and Margan Lamb both juniors.

## DID YOU KNOW . . . ? Susan Birdsong

Seven-C was really busy the week before Public School Week. Mrs. McSpadden had us each make a folder on the eight parts of speech. Also we illustrated sentences and made illustrated book reports. The Friday before Public School Week, Rex Lowery and Dale Griswold cleaned the room. Rex scrubbed the blackboard until they almost shone, Dale cleaned the chalk trays and swept the floor. We had a lot of guests during Public School Week and they seemed to like our room.

Miss Patterson's mother is ill and in the hospital, but Miss Patterson said she was feeling a little better. We all hope she gets well soon.

## Mary DeShazo Pupils Work On Easter Party

Laquinna Stone  
The students in Mrs. Frieson's first grade room are preparing for their approaching Easter party which will be held the Friday before Easter.

The rhythm band has been practicing for the occasion.

Mrs. Sander's first grade room is learning to add. The students have also been observing the roots and growth of beans. Debbie Jane Walker has moved to Arizona and Donnie McDermitt has transferred to Muleshoe from Lockney.

One group of Mrs. Fenley's second grade students started a new reader Friday, March 12. Virginia Kay Murry has been absent from school this week due to illness.

The students drew each other's pictures this last week in Mrs. Killingsworth third grade room. Absentees from class were Manuel DeLeon, Don Taylor, and Jeanie Rowland.

Mrs. Vinson has been absent from her second grade class this week. Her class has been experimenting with a magnetic needle.

Edward Masters transferred to Farwell from Mrs. Parker's third grade room. Mrs. Parker's class has been studying hard for nine week's exams.

Mrs. Harris' class is studying about airplanes in social studies and electricity in science. The class is also reviewing for nine weeks tests Sheryl Mason and Martha Martinez have been absent from Mrs. Harris' room due to illness.

**BULA NEWS BRIEFS**  
by Mrs. John Blackman

Mr. and Mrs. J. D. Crosby and children of Littlefield were luncheon guests Sunday of her parents, Mr. and Mrs. Eugene Bryant.

Mrs. B. S. Setliff and son, Chester, visited Sunday in Lubbock with Mr. and Mrs. Dewayne Setliff and girls.

Miss Jo Ann Hubbard and a friend, Barney Oldfield, both of Grants, New Mexico, spent the week end here with her parents Mr. and Mrs. John

Hubbard.

Mr. and Mrs. J. W. Layton spent Friday night with Mr. Layton's niece, Mr. and Mrs. O. L. Watson in Plainview. Mr. Layton going on to Amarillo Saturday to visit a friend Walter Cofer, a patient in the Veterans hospital in Amarillo.

Mr. and Mrs. Ralph Beasley are the proud parents of baby boy named Ronald Guy born at 8:00 p.m. Tuesday, March 8, in the Littlefield hospital. The baby weighed 8 lbs. and 12 oz. The maternal grandparents are Mr. and Mrs. Guy Sanders of Enochs and the paternal grandmother is Mrs. Minnie Mae Beasley of Amarillo.

Mr. and Mrs. Ray Kennison and baby daughter, Kim, spent the weekend with her parents the Tom Bogards.

Jim Clauson was admitted to the South Plains hospital of Amherst, Thursday, of last week, suffering from a blood clot.

Among the out of town relatives to attend the L. L. Walden funeral held Saturday afternoon in the Littlefield Drive Church of Christ were Mr. and Mrs. Clarence Allred and Mr. Henry Allred from Durston, Okla., Mr. Elmer Walden of Stevenville, Texas, Mr. and Mrs. Van Allred and Mr. and Mrs. B. C. Morgan of Shamrock and Mr. and Mrs. Norman Allred from Odessa.

Mrs. John Garcia and daughter Glenda of Bloomington, California arrived Saturday night for a visit with Mrs. L. L. Walden and Mr. and Mrs. A. G. Aaron. Mrs. Hale and Mrs. Walden are sisters.

Mr. and Mrs. Dexter Nebhutt and girls from Morton visited Sunday afternoon in the Jimmy Drake home.

Mr. and Mrs. J. B. Featherston of Chilton, Texas spent Friday night with Mr. and Mrs. John Blackman and attended the L. L. Walden funeral Saturday afternoon.

Mr. and Mrs. Dan Hook of Lubbock were weekend guests with her parents Mr. and Mrs. Roy Young.

All members of the Cub and Boy Scouts along with several parents attended the Golden Jubilee For Scouts held at the Lubbock Coliseum Saturday afternoon.

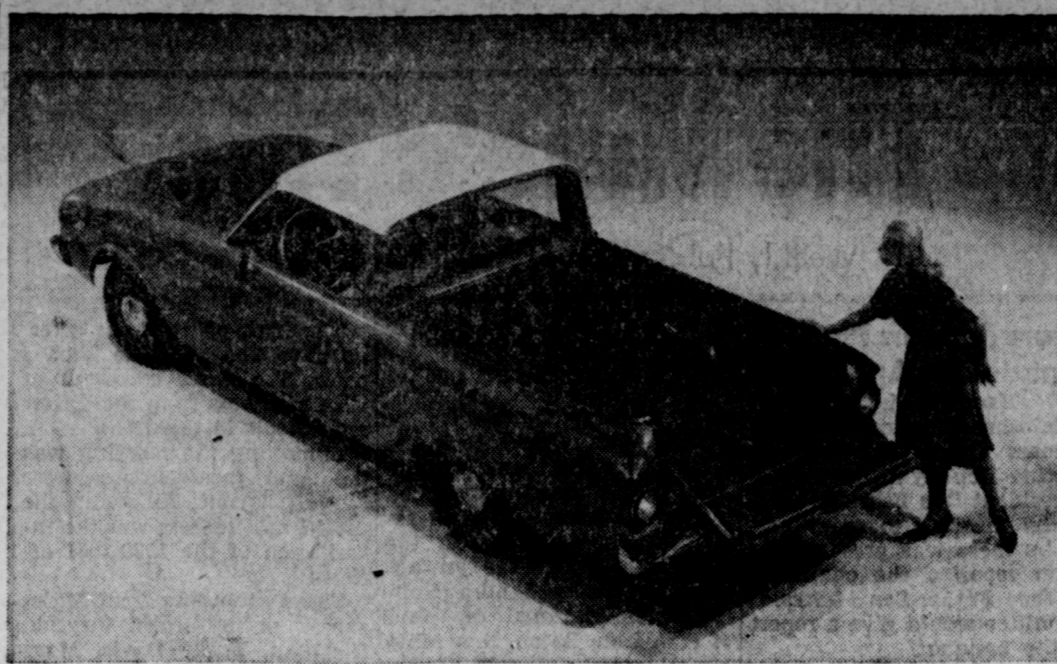

Mrs. J. Drake of Winters, Texas spent last week here with her son and wife, Mr. and Mrs. Marvin Drake.

Mr. and Mrs. Leo Holt and son, L. D. and Mr. and Mrs. Carlton and children from Maple all made a tour of Carlsbad Caverns on Saturday and spent the night in the W. T. Parker home in Carlsbad.

Mr. and Mrs. Dewitt Tiller and girls visited Friday at Lazbuddie with her parents Mr. and Mrs. John Aduddell.

**MR. AND MRS. SCOTT MORRIS ATTEND FUNERAL IN PORTALES**

Mr. and Mrs. Scott Morris attended the funeral of her brother in law, Art Burnett, Thursday afternoon, March 10, in Portales, N. M. The services were conducted in the Emanuel Baptist church.

Ford Motor Company's new Falcon Ranchero, the first economy size truck to be produced by a major U. S. automobile manufacturer, features a 6-foot box, up to 50 per cent greater fuel economy and the high styling and smoothness of ride normally found only in a regular passenger vehicle.

The Falcon Ranchero is America's lowest priced pickup truck with turn indicators and oil filter as standard equipment.

**Pleasant Valley Views**  
by Mrs. John West

Mr. and Mrs. J. W. St. Clair attended a family reunion at the home of her sister, Mrs. Laymon Elkins in Olton last Friday. Mr. Carl Dyer of Albuquerque, N. M. a brother of Mrs. St. Clair, returned home with them for a short visit.

Mr. and Mrs. Jim Bikel and children spent the week end with his parents Mr. and Mrs. B. H. Bickel.

Mr. and Mrs. Roy Taylor spent Friday night in Crosbyton with their son and family the Alton Taylors.

The 42 Tournament ended Saturday night. The high scoring man was Mr. O. E. Green and Mrs. Diane Stewart won high score for the ladies. Mr. and Mrs. Forrest Green were the low scorers. The tournament was enjoyed so much, it was decided to start another one March 25th, to be held on the 2nd and 4th Friday night at 8 p.m. Everyone is invited and urged to attend.

Mr. and Mrs. Allen Haley and Sandra returned home Saturday after spending a few days with his parents in Del Rio.

Mr. and Mrs. Roy Taylor visited with Mr. and Mrs. Bob Boone in Olton Sunday afternoon.

Dr. and Mrs. Kenneth Osborne and children of Lovington, N. M., Mr. and Mrs. Joe Milsap of Needmore and Nan Allison of Canyon were weekend guests in the Harold and Oscar Allison homes.

Sunday dinner guests of Mrs. Bonnie Haberer were Mesdames C. W. Terry, Golden Green, Zou Wilson all of Earth.

John West visited R. O. Gregory in Lubbock Monday. Mr. Gregory is a patient at Methodist Hospital.

Mr. and Mrs. W. A. Hardin entertained a group of friends with a bridge party in their home Monday night. Refreshments of pie and coffee were

served the following guests: Messrs. and Mrs. Doug Jones, T. E. Bills, Allen Haley, Oscar Allison, John W. West.

**Parmer County Farm Bureau News**

Did you know that if a farmer gave 1.37 pounds of chicken (equivalent to one pound ready to cook) to the processor, the chicken would still cost the housewife 20 cents in the retail store? The farm value is 22.3 cents—the marketing cost, 20 cents. But remember that the processor pays a good portion (as does the farmer) of his take in various taxes.

The National Cotton Council, Cotton Ginners Association, Plains Cotton Growers and other farm groups met in conjunction with Farm Bureau in Lubbock last Wednesday morning. Purpose of the meeting was to initiate a continuing program of public information similar to the above illustration to let the consumer know that the farmer doesn't get all the money the consumer pays for his products. It is important that the consumer, particularly the city consumer, knows these facts.

The public information program is a farmer's program, and not that of any particular organization, although the organizations will lend their assistance in getting the facts to the public. Herman Geries, PCFB president and yours truly were at the Lubbock meeting.

If you want to contribute to the kitty in the Farm Bureau Office to be used in premium stock purchases Saturday, your contribution will be welcomed. The directors and officers kicked in \$63 the night they decided the project would be good for the show and the exhibitors.

**WANT TV SERVICE?**

We are glad to read of Amarillo PTA and other civic groups of men and women getting together to clean up the movies in that area, in the interest of the future of their children. Parents can do what they want about movies, newsstands and other things that effect their children. **CONSIDER THIS: Scornful men bring a city into a snare; but wise men turn away wrath. Proverbs 29:8.**

**LONE STAR AGRICULTURE**

**Texas Cattle Up 9%**  
It came as no surprise recently when the U. S. Department of Agriculture released its figures on livestock population at the beginning of 1960 showing that cattle on Texas ranges had increased by nine per cent over early 1959.

The USDA inventory reported the total of all cattle in Texas as of Jan. 1, 1960, at 9,276,000, compared with 8,510,000 at the same time a year ago. This nine per cent increase in population was nearly double the rate of the national increase, which amounted to about five per cent.

It also came as no surprise when the USDA reported that the total value of all livestock—cattle, hogs, sheep, horses and mules, poultry—had gone down in spite of increased numbers in most categories. The total valuation at the start of 1960 was placed at

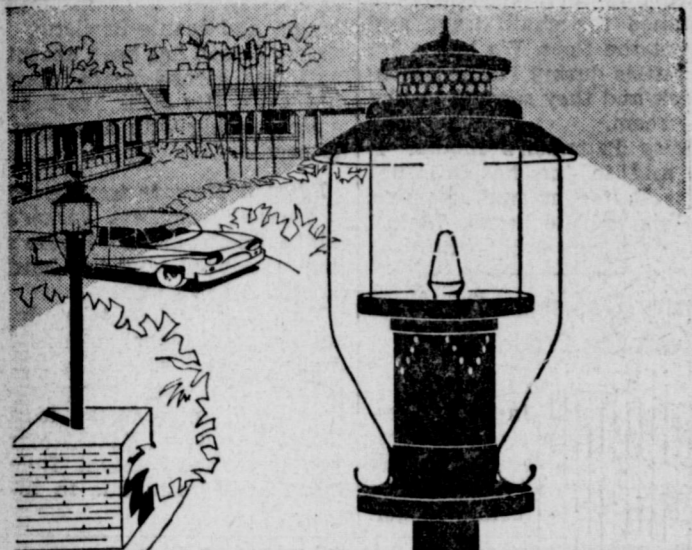

\$16,236,408,000, compared with \$18,092,870,000 a year ago. **Nationally**, the livestock and poultry population figures showed these comparisons: Cattle, 101,520,000 this year 96,650,000 last year; milk cows, 21,331,000 and 21,488,000; hogs, 58,464,000 and 56,924,000; sheep, 33,621,000 and 32,945,000; horses and mules, 3,089,000 and 3,142,000; chickens, 368,859,000 and 383,529,000, and turkeys, 5,673,000 and 5,923,000.

Horses and mules declined two per cent, chickens fell off four per cent in numbers, and dairy cows eased off one per cent.

At the same time, the USDA estimated a sharp drop in value per head of livestock as follows: Cattle, \$136 this year

and \$153 last year; milk cows, \$203 and \$219; hogs, \$16.50 and 20.30; horses and mules, \$112 and \$101; chickens, \$1.05 and 1.26, and turkeys, \$4.91 and 4.65. Only horses and mules and turkeys showed a slight increase in price.

Release of these figures re-emphasized the attitude of most authorities in their outlook on the 1960 cattle market, which is that the time has arrived for caution in planning any further increases of the livestock population on Texas ranges. Good range conditions in general continue to encourage the trend toward taking advantage of the conditions, but authorities agree that extreme care should be exercised before any further heavy expansion is developed.

**Raise a motor boat in a cotton field?**

**It's not fantastic! And here is why:**

Phillips 66 Ammonia helped one Texas farmer realize an added net profit of \$54.32 on his cotton, after deducting the cost of ammonia. Seventy acres of cotton like this means over \$3800 extra profit... enough to buy a pretty classy boat and motor.

Ask your Phillips 66 Distributor to help you work out a complete fertilizer program with this 62% nitrogen fertilizer.

	Using Phillips Ammonia	Without Ammonia
Fixed Cost Per Acre	\$75	\$75
Ammonia Cost Per Acre	\$5.60	—
Yield Per Acre	847 lbs.	633 lbs.
Net Profit Per Acre	\$156.56	\$102.24
<b>INCREASED PROFIT PER ACRE \$54.32</b>		

\*Cotton at 28¢ lb. Example only. Results vary according to soil fertility, available moisture and cultural practices.

### Meditation

Read Psalms 32:1-5

For we are consumed by thine anger, and by thy wrath are we troubled. (Psalms 90:7.)

A certain atheistic farmer once proposed to demonstrate that he could violate the laws of God without suffering any serious effect. Accordingly, he cultivated an acre of ground entirely upon the Lord's Day in deliberate violation of the Fourth Commandment. At the end of the season he reaped a good harvest and boasted of what he had done. A pious old neighbor said to him: "Remember, God doesn't always pay in October, but He always pays."

This is a common experience of humanity. God always pays. Human misery, as Psalms 90 suggests, follows in the wake of human sin. Early man interpreted human misery as a result of God's anger at man's sin. Rather, it is because God has established the universe as a moral order, and those who violate the moral law suffer thereby. Horace Bushnell said: "We are punished by our sins and not for them. We are rewarded by our virtues and not for them."

Because God made the universe a moral order, sin always makes for misery. Repeating of our sins and right doing always makes for peace. PRAYER: Our heavenly Father we would come to thee in true repentance. We would acknowledge our sins and pray for thy cleansing. We would lay hold of Thy forgiving love. Christ's name. Amen.

**THOUGHT FOR THE DAY**  
"Wash me thoroughly from mine iniquity."

## Lazbuddie News Letter

by Penny Grusendorf

This past weekend Mr. and Mrs. Jack Smith, Beverly and Jackie Finnily and Derrill Jennings left and went to Fort Worth to visit Katherine Smith and look over TCU.

Home visiting with the L. F. Bruns this week were, Morris Bruns, who is living in Lubbock and teaching there. Also Mr. and Mrs. Joe Pattie of Amarillo, Texas. Joe will be and usher in the Nelle Moore and Bob Stinson wedding this weekend.

The T. O. Lesleys went to Farwell, Texas over the weekend and visited in the home of T. O.'s brother, the Glenn Lesleys, also Glenn Lesley's son, Harvey Lesley and family were there.

Mrs. F. W. Greene's son and wife the Forrest Greens of Pleasant Valley visited with her Sunday, also Mr. and Mrs. Raly Paul and brother-in-law Charlie of Hereford visited with her this past weekend.

Mr. and Mrs. Sam Long and children of Hereford visited in the home of Mrs. Lena Menefee this past weekend.

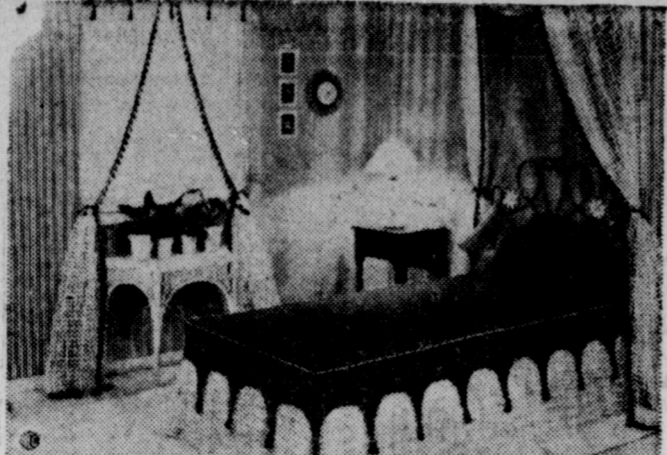

The Farmers Union met Saturday at the Lazbuddie school. They elected a new vice-president, Melvin Trieder, for the Lazbuddie local. They were entertained with a reading by Kirby Birch and Melvin Trieder playing the piano. Also they had reports on the Washington Bus trip.

Mr. and Mrs. Wyle Bullock and children, had dinner and visited with the Tom Ingrims of Petersburg, Texas, Sunday.

Those having birthdays this past week were: Gaylon Beavers, March 14th; Maxine Steinbock, March 16th; Kenneth Hall, March 17th; Geraldine Broadhurst, March 17th; and Jerry Don Glover, March 18th.

We wish all of them a Happy Birthday and hope they have many more to come.

Visiting the Allen Grusendorf home this past Sunday were, Mr. and Mrs. O. H. Grusendorf of Muleshoe and Mr. and Mrs. Donald Grusendorf, Linda and Patricia of Bula, Texas.

**CANOPY CHARMER**—Who'd ever have thought that fishnet would wind up in a bedroom fit to capture the fancy of any young lady? But that's exactly what happened in this pepper-mint striped doll's house. White cotton Quaker Lace fishnet with Conso trimming forms the curtains and dust ruffle. The matching canopy is draped over "swinging arm" curtain rods and inverted scallops on the valance and bedspread complete the picture.

### Christian Science Services

The power of faith, raised to spiritual understanding, will be emphasized at Christian Science services Sunday.

Mark's account of the healing of the epileptic boy will be read, concluding with Christ Jesus' words (9:29): "This kind can come forth by nothing, but by prayer and fasting." The subject of the Lesson-Sermon is "Matter."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this (23:16): "Faith, if it be mere belief, is a pendulum swinging between nothing and something, having no fixity. Faith, advanced to spiritual understanding, is the evidence gained from Spirit, which rebukes sin of every kind and establishes the claims of God."

The Golden Text is from Colossians (3:2): "Set your affections on things above, not on things of the earth."

### Richland Hills Has "Practice Teacher"

Darrell Lancaster

Delinda Henry, having read ninety-four readers is leading in number of readers read in the first, second and third grades at Richland Hills Elementary School. The second graders took speed tests last week.

Mrs. James Phillips, a student teacher who is attending Eastern New Mexico University, is assisting in Mrs. Rutherford's room, 3-A. The children are also watching a shadow stick in science and learning how to read a sun dial by it.

Enjoying it very much, Mrs. Whitley's class is painting pictures on various subjects. Miss Childress' pupils are working on arithmetic and are also working on a project for the science fair. Birthdays for March include Alice McCrea.

## SOIL Conservation News

There are several factors that will influence how efficiently the fertilizer that is applied will be used. Physical condition of the soil is important in the efficient use of fertilizer in three ways which are: root development, absorption of nutrients by establishing root development and micro-organism activity.

Since the plant depends on its root system to absorb nutrients from the soil solution, it is important that the physical environment of the soil is suitable for strong root development. Soil with good tilth and organic matter allows the roots to move freely throughout the soil. The roots must seek out the nutrients in the soil; the nutrients will not come to the roots.

Good soil condition is also a help to micro-organism activity. Micro organisms hasten decay of organic matter and aid the nitrification process. Conditions that restrict this activity limit the absorption of nitrogen by the plant.

Many factors limit root development such as sufficient moisture, lack of aeration, plow plans and soils with poor soil tilth. Some practices that correct these conditions are deep chiseling and planting of deep rooted legumes to break up the plowplans. Also, deep rooted legumes and their residue crops will increase the organic matter in the surface soil which in turn will improve the soil tilth and aeration. Crops in this area that do well are vetch, rye, and Austrian winter peas plowed under as a green manure crop. Grasses and alfalfa are excellent soil conditioners for a long term rotation.

Soil with poor aeration will restrict the functioning of an established root system. When oxygen is lacking and carbon

dioxide is high for a long period the roots will die. Temperature also affects root activity. A soil temperature of 90 degrees is the optimum temperature for cotton. A decrease of 15 percent occurs at 100 degrees. A way of keeping the soil temperature down in the summer is to keep a mulch on the surface of the soil.

Lack of organic matter in the soil limits micro organism population and activity. Also that a soil low in organic matter does not respond to fertilizer as well as one that has a good supply.

These factors explain why fertilizers react differently on the same type of soil.

### COUNTRY CLUB'S ACTIVITIES LISTED

A low ball tournament for men and women is on the Country Club calendar for 20. There also will be a medal tournament for men who do not participate in the mixed tournament.

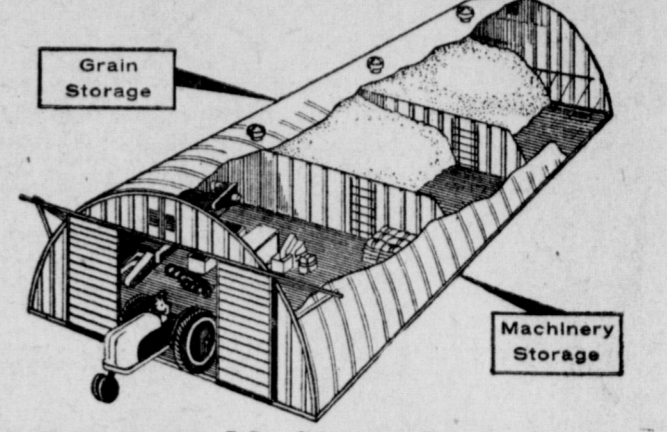

A Beatnik Dance is in the mill for April for the club.

### MR. AND MRS. EDDIE LANE HAVE CHILDREN HOME FOR WEEK END

Mr. and Mrs. Eddie Lane had three of their children home this past weekend. They were Mr. and Mrs. Lamond Lane and family and Mr. and Mrs. Wannie Eads of Lubbock and Mr. and Mrs. Charles King of Muleshoe.

Ledger Sheets at The Journal.

## Two Buildings for the price of one!

### LOK-RIB Machinery-Grain Building

The LOK-RIB Steel Building can be used for grain storage or machinery storage, separately or both at the same time. A LOK-RIB does the work of two buildings for the cost of one!

It protects your crop from weather, fire and rodents so you get top market prices. It cuts machinery depreciation and gives you a large, roomy work center from which to direct your farm operation.

Extended payment plan available with convenient terms up to five years—minimum down payment.
