Tahoka High Band, directed by Gary Hall, was rated Division I in concert performance at Sweetwater last Saturday in the Interscholastic League band contests. This is the third first division rating won by the band this year. The first No. 1 rating was early

Garden Club In Meeting Tuesday At Hagood Home

The Tahoka Garden Club met in the home of Mrs. W. W. Hagood Tuesday morning with Mrs. Jack Fenton as co-hostess.

The 21 members present heard a short but interesting report on the convention of the State Garden Clubs which met in Dallas last week. Mrs. Hubert Tankersley, club president, was the only member who attended. She received an award of \$50.00 in cash presented to the club for recognition of the work the club did in beautifying the enclosed garden area at the high school.

Another highlight of the convention was a tour, conducted for the delegates, of the Murchison Estate, in which eleven gardeners tend the beautiful flowers and lawns. Inside the beautiful home were patios, glass-enclosed gardens, a creek and waterfall; potted flowers and arrangements of flowers were seen here and there as well as statues and statuettes in this spacious oriental home. The delegates heard Mrs. H. M. Kistner of New York, N. Y. speak on "Flowers for Today's Living". She showed flower lovers a new technique in flower arranging.

Also the Garden Clubs of Texas voted, as a State project, to landscape the Governor's Mansion and Mrs. Nellie Connally, the governor's wife, was present and made a short talk, thanking the Garden Clubs for this undertaking.

"Care of Roses", the program topic, was given by panelists Mesdames Emil Prohl, John Witt and Garland Pennington, in which the planting of bare-root roses were discussed, as well as new varieties and the best types of roses to use in arrangements.

The flower arrangement for the day made by Mrs. Garland Pennington was first place winner and will be on display at Echo's Beauty Salon for a few days.

Curtis Harvick, who has been home on leave after completing combat training at Camp Pendleton, Calif., was called back on duty Tuesday, 10 days earlier than expected.

Lubbock—One of the major 4-H events of the year on the South Plains, the district competition to select the outstanding club members in various 4-H projects, will be April 23 on the Texas Tech campus here.

More than 400 4-H'ers are expected to participate in the district eliminations contest this year.

They will be competing in 27 events ranging from public speaking and livestock judging to demonstrations on money management and vegetable production and management, according to district Extension agents Mrs. Aubrey Russell and Billy Gunter, both of Lubbock.

Mrs. Helen Knox, TV Star Rufe Davis Grew Up Together

Rufe Davis, one of the two stars of "Petticoat Junction" appearing here Saturday, grew up in the same community with Mrs. Leighton (Helen) Knox at Mangum, Oklahoma.

Helen, who is somewhat younger, remembers Rufe as a crony of her Uncle Homa, and came to her Yarbrough family home often.

Even then, she says, Rufe was quite a "cut-up" and could imitate the sound of almost anything from every barnyard animal to a train whistle.

She had recognized him on the television screen.

Also, Mr. and Mrs. Maurice Small remember that Rufe once put on a special stage show here while D. B. English was operating the theatres.

Rufe now plays the conductor, fireman and brakeman on the Hooterville Cannonball train in "Petticoat Junction," and his partner who will also be here Saturday morning is Smiley Burnette, conductor of the same train in the CBS-TV show.

85 Junior High Athletes Are Honored At Banquet

Eighty-five students were honored at the Junior High athletic banquet Thursday night, attended by parents and school officials. Special awards were presented by coaches, and James Odom of Monterey High School spoke of the value to athletics.

About two hundred attended. A covered dish dinner was served by the mothers, arranged by Mrs. H. B. McCord, Tommy Leverett, Charles McAuley, Clifton Hamilton, Truett Schneider, Don Smith, Jim Littlefield, Jim Tollett, and others.

Clint Walker, who served as master of ceremonies, introduced the coaches.

Miss Joy Rogers, who coaches Seventh and Eighth grade girls, cited their records, and presented Sherry Schneider a certificate as the outstanding girl basketball player and Jane Cox, tops in volleyball.

Jim Tollett said his Seventh grade football team had a 4-2 record and the basketball team won the district title. Eighth grade had a 3-1-2 record in football, eyes-up in basketball and was fourth in district track.

He gave special recognition to Carl Griffing Jr. for the outstanding "fighting heart."

Awards were presented the following boys who were judged outstanding:

Football: Larry Durham, 7th grade; Tim Walker, 8th. Basketball: Cliff Gardner, 7th; Ray Chapa, 8th. Track: Robert Montemayor, 7th; Larry Reno, 8th.

Athletic Director Don Smith introduced Coach Odom, a native of Alvarado, graduate of Texas Tech, an assistant at Monterey seven years, head coach at Petersburg two years where he had 10-1-1 and 14-1 records, and head coach at Monterey the past two years, where he had 6-4 and 9-3 records. Coach Odom told the young athletes they are right now in their formative years, when they must make up their minds what they are going to do and be.

He said we have athletics in a school system because it gives the individual a chance to compete, to set a goal, is a rallying point for a community, teaches self-discipline, provides physical development, development of character, and brings a student to realize his success depends on his own efforts regardless of social standing.

To win, you must want and expect to win, he said, and declared he never goes into a game he doesn't think his team can win.

To have a winner, Coach Odom said, there must be native ability in the players, proper attitude, teamwork with "God first, team-mates second, and you third," faith in team-mates, a bit of luck, support of parents, school administration, and the community, courage, pride, and the right frame of mind.

But, the scoreboard does not always indicate the winner, if every player can answer yes to the question, "Did I do the very best I could?"

Donna Edwards gave the invocation, and Dehryl Sherrill the benediction.

Few deaths have saddened a community more than that of Connie Hale, whose happy personality, conviviality, friendliness, and devotion to her family and her friends had won a place in the hearts of all who knew her. Her untimely passing leaves a void in our community that cannot be filled easily. But, her 19 years with us here helped make our community a better place in which to live.

The place she won for herself in Tahoka is a bit unusual in that she came to us a "foreigner" from England. Quickly, she adjusted to our life, in the meantime laughing at her own failures to understand our ways. She longed for a visit with her loved ones in Wales, but with a husband and four daughters she never found the occasion. This very devotion made Connie even more lovable.

Shortly after Tom brought his Welch bride to Tahoka, there was

New Home's press agent, Joe D. sent us a clipping about Yuma, Arizona, offering \$1,000 for the first bale of 1966 cotton by the C. of C. This winning first bale will not be sold, but will be divided into "miniature bales for use in various promotion programs."

Bill Warren brought us a clipping about the "white ghetto" in Chicago, made up of "The Hillbillies," or pure white people from the South, mostly from Appalachian coal fields closed or taken over by automation. There's a lot said about the Negro ghettos, but not much about white ghettos because the latter are not much interested in politics, have raised little ruckus, and the politicians have not yet exploited them.

Kay K. Moore, Durango, Colorado, writes: "Enjoy the paper. We certainly look forward to each edition. . . . Is Tahoka a suburb of New Home, or is it the other way? Well, Kay, let's just make it a two-way deal."

Jay W. Moore, away off up yonder in the deep recesses of the Canadian Rockies at Pemberton, British Columbia, 75 miles north west of Vancouver, sent us a fancy invitation signed by high Canadian officials to the 100th anniversary of "the union in 1866 of the Colonies on Vancouver Island and the Mainland as British Columbia, and in 1867 the Confederation of Canada." Pemberton is reached only by train or plane, but is in a fertile valley. Jay is a former Lynn county farmer, almost a native, son of the L. H. Moores, and is in the timber business up in Canada.

Fred Mathews, 3351 Malheur Drive, Ontario, Oregon, the old Grassland boy, sends evidence from the "People's Poll" in the Oregon Journal that the average voter up there thinks we should not have gotten involved in Vietnam, but since we are there the people are overwhelmingly in favor of going all out to win. Also, indications are that Oregon will get rid of Sen. Wayne Morse in the 1968 elections. Incidentally, front page of the paper Fred sent has two aerial pictures of Soviet fishing boats loaded down with fish, pulling nets, 25 miles from the coast of Oregon. News photographers counted 14 of the estimated 30 boats in the Soviet fishing fleet.

Jack Edwards, one of Tahoka's fine young men now attending Texas A&M, sends us a clipping of "I Am A Tired American" which has been going the rounds of newspapers. Thanks a lot, Jack, we'll print it first time we have space.

Ona M. and George Pilley, 262 No. Caesar Street, Fresno, Calif.: "We enjoy The News very much and look forward to its arrival each week. We see many names in the paper that we recognize."

"The difference between a champ and a chump is you."—Coach James Odom of Monterey told Tahoka's Junior High athletes.

Ever wonder "Where the Yellow Went?" Ernest Joiner, editor of the Sebastopol (Calif.) Times says:

The minority racket is fast pricing itself out of the market. Everybody today is of an oppressed minority. The American Indian is an oppressed minority. The Negroes are members of an oppressed minority. The labor unions think they're oppressed, and the business and industrial community knows it is. The Jews still have it tough. Americans for Democratic Action complain about being oppressed by the conservative right, and the stuffy conservatives in the John Birch Society are oppressed by everybody. Hell's Angels is an oppressed minority. Senior citizens are oppressed. Even the pure, white, Protestant Anglo-Saxon, 100 per cent Americans in the Ku Klux Klan are getting their lumps to join the oppressed minority majority. Braceros are oppressed. The taxpayers are oppressed. School teachers are oppressed. Now comes Professor Edgar Z. Friedenberg of the University of California Medical Center at San Francisco to cap the jug: "The most oppressed minority in the country," he pontificates, "is youth." That brings the total number of oppressed minorities to 110 per cent of the total population of the United States. Where the hell did the persecuting majority go?

WILSON NEWS

(By Mrs. Ted Melugin)

Run-Off Not Necessary

In the City election April 5, two men tied, which usually calls for a run-off election. However, Victor Steinhauser withdrew his name, and J. P. White accepted second place on the council. Harold Key was elected and Steinhauser was elected as secretary to the board, according to Mrs. Ethel Covey, city secretary.

Telephone To Link With Tahoka
It was agreed upon recently with Tahoka and General Telephone Co. to link Wilson telephone lines directly with Tahoka, where calls could be made without charge either way. The project will take about two years to complete.

Little League Tryouts
The Little League ballpark was buzzing with excitement Friday afternoon with boys trying out for different teams. Games will get underway the first week in May.

The Senior Play is tonight, April 22, at 8:00 p. m., entitled "Lights Out" in the High School Auditorium.

Karen Zant At Lions Convention
The District 2-T2 Lions convention will be at Lubbock Friday and Saturday with the highlights being the luncheon, queen's reception, contest and ball. Thirty-eight nominees of clubs in the district will be vying for the district queen crown. Wilson's recent beauty crowned as Lions queen was Miss Karen Zant, 14-year-old daughter of Mr. and Mrs. Dale Zant, who will attend the contest at Lubbock. The winner will be announced at the banquet and ball Saturday night. Two thousand Lions Club members are expected to attend at the Koko Palace in Lubbock.

The College choir will also sing in Slaton and Ropesville on the same day. Kenneth and Terry are both graduates of WHS.

Depot Moved To New Site
The yellow depot of Wilson was moved Wednesday, April 13, to the Green Memorial Park just west of the school. Its new location is very fitting and a welcome sight to most Wilsonites as they will keep memories of the landmark. The City bought the depot recently and with the plans of Mrs. Miriam Green, it will serve the community in different uses after being remodeled. The building is much larger than realized from the road. An inscription on the baggage room wall reads A. N. Hart, first agent, Jan. 1, 1917. J. E. Covey was agent at the depot for 34 years and still resides at Wilson.

Reading Program

Mrs. Peggy Beckum, teacher in Tahoka Junior High, told of the school's new reading program, accompanied by projection machine demonstrations, at Rotary Thursday of last week.

The reading skills program she is conducting is not a remedial program but is for all the students, and is modeled from a similar program initiated in the Lubbock schools.

Object is to improve concentration and comprehension while developing speed reading habits. All most incredible results are already being received, and the students take great interest in the development of the program.

She demonstrated two methods being used to develop quick observation. In one, a series of five, six, or more figures are flashed on a screen for one-tenth up to one one-hundredth of a second and the student tries to recognize as many of the figures as possible.

In the other, words, phrases and sentences in a continuing story are flashed on the screen, and the student learns to follow the light, or words as they come up on the screen, comprehend the story, and be able to repeat the content. Lines are flashed at increasing speeds from 100 words a minute on up.

Few Rotarians were probably able to gain the thoughts at much more than 200 words per minute, which is about normal for the students taking the reading courses. Some students have attained a speed of 600 words per minute, Mrs. Beckum said.

Athletic Banquet Friday, April 29

Tahoka's annual athletic banquet will be held Friday night, April 29, at 7:30 p. m. in the school cafeteria. Tickets at \$2.00 each are on sale at the two drug stores, the two Piggy Wiggly stores, and George Glenn Barber Shop.

Don Watson, diminutive half-back at Texas A&M in 1954-56 and now coaching the Aggie quarterbacks, will be the principal speaker. He was an All-American honorable mention, has been outstanding as a coach, and is rated a highly entertaining after-dinner speaker.

Athletic Director Don Smith says the Tahoka boy and girl athletes will appreciate the attendance of all parents and fans.

New Home First In Stock Judging

New Home FFA Livestock judging team won first place in stock of fourth at the recent Sul Ross College judging contests held there April 2.

Leonard Wilson, New Home vocational agriculture teacher, this week learned the good news when the team received the first place banner, and Calvin Timmons, a team member, received his plaque for second high individual.

There was a lot of confusion in Alpine the day of the contest, Wilson says, and the mistake in announcing the wrong team as winner is understandable.

That was the day "Lady Bird" Johnson, the President's wife, flew into Alpine, the town was all a-dither, and some of the personnel conducting the contest had to serve as guards at the airport. Then, as results were being tabulated that night, lights went out and there was another delay.

Later, it turned out a show of official had added individual scores incorrectly, and New Home came out as the champion team.

Pony League Officers Named

Lynn County Pony League will begin play May 13 with one new team, Cooper, making this a six team league, according to James Farr of New Home, new president of the league.

Tahoka's two teams, the Braves and the White Sox, will hold try-outs next Tuesday and Wednesday at 5:00 p. m.

Other teams in the league are New Home Eagles, Wilson Red Sox, O'Donnell Dodgers, and Cooper Colts.

Pistones Attending Session In Atlanta

Rev. and Mrs. John Pistone have been elected home missionaries by the Southern Baptist Convention, and will leave Monday for Atlanta, Georgia, to take a brief orientation and training course. They will be back May 6.

Rev. Pistone told The News the appointment affects in no way their work with the Getsemani Mission here for Spanish speaking people, as he will still be free to carry on his pastorate wherever he desires.

While they are away, Lydia Conrad will carry on the work being done with young children in the kindergarten.

O'Donnell Church Plans Building

O'Donnell Church of Christ is planning construction of a new brick church building expected to cost \$50,000 to \$55,000. W. H. Cook informs The News.

Remainder of the lots in the block have been bought, and the parsonage will be moved and remodeled to make room for the new building.

The present church building was damaged by fire Saturday night when fire was discovered at about 9:30 p. m. by Floyd Thompson, who lives near by. The Fire Department extinguished the blaze but not before considerable damage had been done to the baptistry and dressing rooms plus smoke damage to the rest of the building. This will be repaired temporarily to serve until the new building is complete.
