

Life In 50th State Depicted For Study Club

Muleshoe Study Club Members enjoyed an unusual and most interesting account of life in our fiftieth state at their January 7th meeting, held in the home of Mrs. W. Q. Casey.

Mrs. Eldon Davis, of Earth, a resident of Hawaii more than two years while her husband was attached to an air base just after World War II, told of the life of an air base wife amid the beauty and strangeness of the Islands.

She spoke of the superstitions and customs, various religions, freedom from racial prejudice, the languages, the natural beauty and wonders, our defense installations there and the products of the Islands leaving her hearing sharing her desire to return for another stay.

During a business session presided over by the president, Mrs. T. R. White, plans were completed for the charm school to be conducted by Mrs. Bess Rothman, nationally known consultant. The school will be held in Visual Aid Room of Muleshoe high school January 18, 19, 20, 27 and 28.

Three classes will be conducted: 9:00 to 11:00 a.m.; 4:00 p.m. to 6:00 p.m. and 7:30 p.m. to 9:30 p.m. Clubs in neighboring towns have been invited to participate in the school. Tickets sales were reported going fast and those interested are urged to get their money in early in order to have a choice of time.

Thanks were expressed to Cobbs Department Store, St. Clair's Department Store, Fashion Shop and Anthony's for their cooperation in the project. Also to the Muleshoe

Journal and Radio Station KMUL for their free advertising.

It was announced the next meeting will be held January 21, instead of January 28 as listed in the Year Book, with the same program and hostess.

Reporting for the Nominating Committee, Mrs. Glenn Dunn presented the following names as officers for the 1960-61 term: Mrs. Verney Towns, president; Mrs. J. G. Arnn, 1st vice-president; Mrs. John Farley, 2nd vice-president; Mrs. Eddie Lane, secretary; Mrs. Sherman Sweatman, treasurer; Mrs. O. N. Jennings, corresponding secretary; Mrs. Ralph Douglas, parliamentarian; Mrs. Gilbert Lamb and Mrs. Harriet Jackson, Publicity co-chairmen.

Refreshments were served to ten members and one guest, Mrs. Hortense North.

WSCS Observes 20th Birthday

Twenty-nine were present Sunday, Jan. 10, at 2 p.m. at the Methodist church for the 20th anniversary party for the Women's Society of Christian Service.

Mrs. Dean Bishop led the program, aided by Mrs. Jack Morris and Mrs. Johnnie Prater.

Mrs. Arnold Morris, the first recording secretary, read the minutes of the charter meeting of Sept. 25, 1940. Mrs. R. N. Huckabee was the acting chairman. Officers elected at this first meeting were:

Mrs. R. N. Huckabee, president; Mrs. Mills Barfield, corresponding secretary; Mrs. Mary Frances Holt, treasurer.

Eight of the 46 members signing 20 years ago were present for the anniversary party Sunday. A silver offering was taken for the conference daughters.

A beautiful birthday cake and tea were served by Mrs. Robert Hooten and Mrs. Johnnie Prater.

McLeod-Kirk Wedding Jan. 23

Mr. and Mrs. W. C. McLeod, of Earth, announce the engagement and approaching marriage of their daughter, Miss Patricia Ann, to Mr. James Larry Kirk, of Muleshoe.

The wedding will be Jan. 23, at 4:00 p.m. in the First Methodist Church of Muleshoe. All friends and relatives of the couple are invited to attend.

Girl Scout Troop Elects New Officers

On Monday, Jan. 11, Girl Scout Troop 69 elected their officers in the home of Mrs. W. E. English. They are as follows:

President, Lindy Floyd; vice president, Cathy Wilkinson; secretary, Pam Splawn; reporter, Lynne Barrett.

There are ten in Troop 69. We were glad to have the following present: Cathy Wilkinson, Ann McReynolds, Glenna Guinn, Ellen English, Pam Slawn and Lynne Barrett.

Troop 69 is planning to work on their community badges. We are planning to go visit different places in Muleshoe.

P-TA Committee Designs Study Course

Plans were discussed Thursday, January 7, in the home of Mrs. Roland McCormick when a special committee met to design a study course for the Muleshoe P-TA concerning "Education For Family Living." The committee dealt with topics such as "You and TV," "Is Nursery School a Must," "How Accident Prone Is Your Child?" and many others.

The committee desires suggestions from the members of P-TA concerning any topic that might be of interest to them. Plans are being made to

engage prominent educators in various fields if sufficient interest is shown.

Coffee and cookies were served to Mr. Frank Ford, Mrs. M. D. Gunstream, Mr. Bill Parker, Mrs. W. B. McSpadden, Mr. O. E. Lumsden, and the chairman, Mrs. McCormick.

Rainbow Girls Elect Officers

Voting on the line officers was one of the business tasks that was attended to at the last meeting of the Order of the Rainbow Girls. The girls elected to fill offices for the next term include: Kay Brown, Worthy Advisor, Pat Thomson, Worthy Associate Advisor, Jana Goodwin, Charity; Magann Lamb, Hope; Janie Sanders, Faith. These girls will hold office one complete term or a period of four months.

Election was also held for the offices of Recorder and that of Treasurer. These offices are for a full year and Debbie Bullock was elected to fill the office of Recorder. Selected to the office of Recorder was Charlene Lindsey.

Initiation was also a part of the girl's work. The impressive ceremony was the last one for Delores Wagon because her term as Worthy Advisor will be over at the end of this month. The two girls that received the degrees were Patricia Tucker and Barbara Simmons. There were several Eastern Stars as well as Past Worthy Advisors, also attended the meeting.

When refreshments were being served after the meeting, Mrs. Harriet Jackson gave an interesting lecture on the Bess Rothman Charm Course. This will be offered at Muleshoe Jan. 18, 19, 20, 27 and 28. The talk was educational and will be of help if attended.

CARD OF THANKS

We are deeply grateful to our friends and neighbors and shall always remember their helpful words of sympathy and comfort, the flowers they sent, and food brought to our home at the time of the passing of our loved one, E. E. Dyer. Also we want to thank the doctors and nurses of the West Plains Hospital staff for their thoughtful care. May God bless you.

Mrs. E. E. Dyer
Mr. and Mrs. Roy Dyer and Renee
Mr. and Mrs. Howard Cox.

RUTH CIRCLE MET

Ruth Circle of the Methodist church met Tuesday night with Mrs. R. L. Roubinek with 12 members present.

Mrs. H. W. Hendon gave the devotional, and Mrs. Sam brought the program, on the United Nations. The Circle meets next with Mrs. Troy Wilkerson.

Bickel President Square Dance Club

New officers of the Muleshoe Square Dance Club were elected at its meeting held in the American Legion Hall Saturday, January 9.

John Bickel was chosen president; Jimmy Hall, vice-president; Ernest Martin, treasurer; Fredia Foss, secretary, and Ann Copeland, reporter.

Five couples from out of town were present as guests.

Cof C Committees For '60 Named

Linda Murray, newly elected president of the Muleshoe Chamber of Commerce, announced committee appointments for the new year Tuesday of this week.

Murray pointed out that in some cases only co-chairmen were named, with committee members to be named at an early date by the chairman. In some cases, full committees were appointed, and their duties outlined.

During 1960, your Muleshoe

Local Men To Labor Meeting

A group of Plainsmen, including local men, will go to Washington January 18 for a meeting of National Farm Labor Users, the meeting to last through January 22. Bill Millen, of Muleshoe, and J. D. Smith, Littlefield, will represent the Plains Cotton Growers Ass'n.; Joe Sooter, Muleshoe, president; Noel Lemley, Brownfield, vice-president; and G. K. McDonald, Lamesa, secretary, of the West

Texas Farm Labor Users Group, will represent that organization.

Among problems to be aired in the meetings: Elimination of "specials"; raising of farm labor wages in certain areas for braceros; revisions proposed in Public Law 78, so that users of braceros would be required to offer domestic minimum employment and insurance, and to restrict use of braceros to strictly seasonal operations and prevent their use in machine operations.

Eubanks Electric In New Location

Eubanks Electric recently has moved and is now located on West Clovis Rd. at 20th Street, moving from the location they had occupied for several years on Avenue B.

The firm specializes in motor work, rewinding and building of electric motors; and repair of generators and starters.

In their new location they have enlarged facilities for caring for the needs of their customers.

Country Club Ladies To Install Jan. 20

Installation of new officers of the Ladies Country Club Ass'n. was set this morning for Wednesday, January 20. The affair will be conducted at a dutch luncheon to be held in Leigon's private dining room, at 12 noon.

Officers elected are: Mary Sweetmon, president; Hattie Ray Jones, vice-president; Betty Jo Beaty, sec.-treas.; Hi-Plains director, Marie White; alternate, Lois Lenau; Tiny Forbes, playday secretary; Wanda Hardy, reporter.

Ford, which has sold more station wagons than any other company, today announced the new Falcon station wagon as the latest addition to the economy car field. The two- and four-door station wagons, like the sedans, are powered with the 90-horsepower Falcon engine that gives 50 per cent better mileage than six-cylinder engines in standard sized cars. The Falcon station wagon has the longest cargo space and greatest load floor area in its class, as well as the lowest tailgate door leading height in the industry.

PREDICTION!

Further Drop In Farm Crop Prices For '60

College Station — Average prices received by farmers during 1960 will show a further slight drop while costs of farm production and marketing will continue to rise. As a result, realized net farm income in 1960 is expected to be a little lower than in 1959.

15% Below
During the first nine months of 1959, realized net farm income in the U. S. averaged 15 percent below the same period in 1958. John G. McHaney, extension economist, said since World War II the general trend of agricultural prices has been downward. During much of this time, he noted, supplies have been so large that prices have not responded to the very favorable developments in demand. Supplies of agricultural commodities are expected to be large again in 1960.

In this same period there have been upward trends in non-agricultural prices, in consumer incomes, in business investments and in other factors that contribute to a growing demand. The results of the large supplies of agricultural commodities have been lower prices to farmers, larger government stocks of farm products and lower retail food prices to the consumer than otherwise would have occurred.

Total agricultural output of farm and ranch products in 1959 probably set a new record, slightly above the 1958 output and about 25 percent above the 1947-49 average. McHaney said agricultural output in 1959 might have been larger except for the Conservation Reserve, which retired 22.4 million acres from farm production.

Crop Yields Up
The trend in crop yields has been upward in recent years, with increases of leading farm crops in the last decade ranging from 20 to 75 percent. In 1960 agricultural yields will probably again be large, said the economist.

Domestic demand for agricultural products is expected to again be strong in 1960, and maybe even stronger than

ports, McHaney said they should reach \$4 billion in the 1959-60 fiscal year. This will be the third highest in history, exceeded only by the exports of \$4.7 billion in 1956-57 and \$4.1 billion in 1951-52. Cotton, feed grains and rice exports are expected to increase while wheat, flour, and dairy product exports are expected to decline slightly.

As for government programs, the economist said it is expected they will be about the same as in 1959. No major changes in price-support levels are anticipated in 1960.

Because of the substantial reduction in the number of farms and farm people, the decrease in per farm income and in per capita income has been much less than the drop in aggregate farm income. The increased income from non-farm sources has been an offset to lower income from farming, McHaney pointed out. However, he added, the

per capita and per farm incomes of farm people from all sources declined from the high levels of 1958, while non-farm income increased.

News Of Men In Service

Joe Kent Assigned To 55th Artillery

Army Specialist Four Joe H. Kent, son of Mrs. Pauline Kent, Sudan, recently was assigned to the 55th Artillery, a Nike-Hercules guided missile unit in Wyandotte, Mich. Specialist Kent, an ordnance parts clerk in the artillery's Battery C, entered the Army in November 1957 and received basic training at Fort Carson, Colo. The 23-year-old soldier is a

Graham Serving In 2nd Armored Division

1953 graduate of Sudan high school and was employed by Balke Motors before entering the Army. His wife, Martha, lives in Wyandotte, Mich. Army Specialist Four Gerry L. Graham, 21, son of Fred A. Graham, Route 1, Friona, Tex., recently was assigned to the 2d Armored Division at Fort Hood, Tex. An operations assistant in Battery D of the division's 16th Artillery, Specialist Graham entered the Army in March 1958 and completed basic training at Fort Carson, Colo.

Graham, whose wife, Joe lives at Killeen, Tex., is a 1956 graduate of Plainview High School and attended Texas Technological College.

SOIL Conservation News

Recent rains and snow have held up many terrace and pipe line construction jobs that were started or planned to be started in the Blackwater Valley Soil Conservation District. Terraces on the M. C. Butler farm have been completed and checked out.

Terraces are under construction on the E. A. Glenn farm but have not been completed due to recent rains and snow. Terraces on R. E. Ethridge's farm are under construction. Lines have been run and construction started on the Mabel Thompson farm.

Douglas Bales, who recently signed a contract under the Great Plains Conservation Program, is waiting for suitable weather to install a half

mile of 8-in. underground steel pipe. Later on this spring he will seed 24 acres of grass.

According to the latest information, only \$1,000 are not obligated under the Great Plains Conservation Program in the Blackwater Valley Soil Conservation District. When this remaining money is obligated for cost-share payments to producers under Great Plains Conservation Program contracts, no more will be available unless Congress appropriates more. If you have a farm or ranch and need some cost-share assistance to carry out a complete conservation plan, then come by the local SCS office or call and a SCS technician will be glad to aid you in formulating such a plan. Cost-share is provided for irrigation pipeline, grass seeding, terraces, waterways, brush control, dams, cross-fencing, livestock watering facilities, and diversion terraces, which are needed to make a complete conservation plan.

4-H Boys' Agricultural Awards Winner

Roy Dee Gregg, 17, of Plainview, Texas, receives \$400 scholarship from Frank W. Jenks, International Harvester president, during 38th National 4-H Club Congress in Chicago. Roy was one of the six winners in the National 4-H Boys' Agricultural Awards Program sponsored by Harvester. In the foreground is a miniature replica of Cyrus Hall McCormick's 1831 reaper which revolutionized agriculture.

Roy, as did five other national winners, received an all-expense trip to the congress and also was awarded a \$400 International Harvester scholarship as a result of his outstanding record in agricultural projects.

The objectives of the program, known as the National Boys' 4-H Agricultural Awards, are to develop leadership and gain a better knowledge of those agricultural projects and activities which contribute to better farming and a more satisfying rural life.

Arranged and announced by the National Committee on Boys and Girls Club Work, the program is sponsored by International Harvester Company and conducted by extension services of state agricultural colleges and the U.S. Department of Agriculture.

Roy, the son of Mr. and Mrs. Melvin Gregg, is a senior at Plainview High School. He has

spent eight years in 4-H club work and is a member of the County Wide Club.

Working on 4-H projects came naturally to Roy since his older brothers were active members and his father an adult leader. This year he carried out six major projects, including steers, lambs, calves, grain, garden and cotton.

In addition to earning a profit of nearly \$7,000 from his 4-H projects, Roy has won numerous awards and ribbons for a variety of activities. In 1959, he was a judge on the first place team at the El Paso Fat Stock Show and took high individual honors in that event.

Roy likewise has been a member of the first place livestock judging team at the Texas State Fair and has been winning prizes for his cotton since 1953.

A past president of both his local and county clubs, Roy is a member of the American Junior Rodeo Association and is active in church and community work. He lives on his parents' 500-acre farm.

MRS. ELLIOTT HOME

Mrs. Howard Elliott came home Wednesday from West Texas Hospital, Lubbock, where last Thursday she underwent major surgery. She's doing fine. The Elliotts' little grandson, Robert Cayle Roark, six weeks old son of Mr. and Mrs. Joe Roark, underwent surgery in a clovis hospital this morning, and he's doing fine, too.

Tommy Bratcher Has Enlisted In Navy

Roy Thomas Bratcher enlisted in the Navy Jan. 8 and was sworn in at the Main Recruiting Station, Albuquerque, New Mexico. For the next ten weeks, Tommy will be undergoing Navy Recruit Training at the United States Naval Training Center, San Diego, California.

Progress News

by Mrs. M. O. Nigh

WCS Met
The WCS ladies met Thursday night in the home of Mrs. O. S. Richards for their Epiphany Service. There were six members present, and refreshments were served.

Mrs. Jimmie Presley is back in the West Plains Hospital for medical treatments.

Mrs. Gleaton of Lubbock, mother of Rev. Tommie Gleaton attended the Methodist church Sunday.

Mr. and Mrs. John Rogers went to Roswell, N. M., Sunday after receiving word their son, Jessie, had been in a car accident.

THE WMU MET

The WMU met at 3:30 Monday afternoon, January 11, for Bible Study, with Mrs. Earl Hord in charge of their lesson. The topic of their lesson was "Look on the Fields". Nine members were present.

and one visitor, Mrs. Birda Garrett, and the Pastor, Rev. Hord attended also.

Mr. and Mrs. Ed Hawkins of Hobbs, Texas, and Mrs. Hawkins' sister and family of Lubbock, visited Sunday in the home of Rev. and Mrs. Earl Hord Sunday.

Mr. and Mrs. Ben Roming moved recently to a house on the Vernon Roming farm.

Mr. and Mrs. Opa Myers and Deanne went visiting in Levelland Sunday with three of their children and families. They also visited Mrs. Myers' parents at Pettit.

ATTENDS FUNERAL

Mrs. Retta Richards, Mrs. Johnnie Westbrook and Mrs. Mattie Griffin went to Fort Sumner, N. M., Saturday to attend the funeral of a cousin, Mrs. Sam Nance. Mrs. Nance was raised at Ft. Sumner, but had been living at Lincoln, Ark., for the past five years. Burial was in the Ft. Sumner Cemetery.

Mrs. Johnnie Westbrook visited

ited Sunday in the home of Mrs. Birda Garrett. They both visited Sunday afternoon with Mr. and Mrs. L. D. Tipton.

Mr. and Mrs. O. S. Richards visited Sunday in Lubbock with their son and family, Mr. and Mrs. Leander Sims and daughter.

Mr. and Mrs. M. O. Nigh and Larry visited Sunday in Portales, N. M., with Mr. and Mrs. Lewis Collins.

We are sorry to loose the

Clyde Henrys from our community. They are moving this week to their home in Muleshoe.

Mr. and Mrs. Arlie Thomas went to Pecos to visit their son and family, Mr. and Mrs. Carlis Thomas and daughter and their daughter and family, Mr. and Mrs. Glen Davis and children this past week-end.

RA, GA AND SUNBEAMS MET
R. A.'s met at 4:30 oMonday,

with 13 members and their sponsor, Rev. Earl Hord.

G. A.'s met with nine members with Mrs. Mary Marrow. The Sunbeams met with seven members for the first time with Mrs. Berniece Hord.

They all had their study and all were served refreshments.

Mr. and Mrs. Lawrence Jamerson and family of Bovina visited Sunday in the home of Mr. and Mrs. Melvin Marrow.

Frank, Edward, and Lillie Wuerflein, and Linda Lawrence, went to Plainview Saturday night to watch the Flying Queens play Weatherford Junior College in which the

Queens won 70-20. The Pioneers also played ENMU, which the Pioneers won in a very thrilling game, 60-55.

BULA NEWS BRIEFS

by Mrs. John Blackman

Mrs. John R. Boone is at Baytown, Texas, visiting with her daughter and family, Mrs. LaVerne Thompson, and helping to care for her new grandson, Gaylon Craig Thompson, born December 28.

BB Girls Honored
In the December "Coaches Poll", a high school girls basketball newspaper, Bula ranked as the No. 1 team in the State in Class B, receiving 48 votes by the coaches from the state.

P-TA Meeting
Bula P-TA met Monday evening, January 11 at 7:30 p.m., with 12 members present. Mrs. Roland Gibson, president, had charge of the program.

After the regular order of business meeting, a motion was made and carried that the P-TA help to promote an organization of the Cub and Boy Scouts for the Bula and Enochs communities.

Refreshments of cake and coffee were served at the close of the meeting.

Family Night was enjoyed by members of the Methodist church Wednesday evening in the church fellowship hall. After the supper meal was served, the group enjoyed playing games. About 40 members were present and Mr. and Mrs. Joe Baggett and children from Pettit were guests.

CARD OF THANKS
May we take this opportunity to express our sincere appreciation to our many friends at the death of our loved one. We wish to thank all of you for the many fine things you did to make everything pleasant for all of us.

Sand Hills Philosopher . . .

Thirty Minutes Warning Against Missile Attack Won't Be Enough

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses time this week, or at least it seems that's what he's doing.

I don't like to discourage scientists, especially space scientists, as some of their launching efforts have been discouraging enough without any help from me, but the latest idea from these people has left me pondering. As I understand it, they're planning on launching some new type satellites equipped with a special sensing device which will warn the United States immediately if a guid-

ed missile is headed in our direction.

"This system will give the U. S. thirty minutes in which to prepare for a nuclear bombardment," it was announced, with the added explanation that thirty minutes is how long it takes a missile to get from some theoretical country, like Russia, to another theoretical country, like the United States.

The scientists seemed to think that those thirty minutes advance warning will be a great step forward in defense, but I'm afraid they're not familiar with the same kind of people I am. Only thirty minutes advance

warning would mean most of the teen-agers of America wouldn't have a chance. It takes em longer than that to get out of the bathroom. I don't know, maybe a nuclear bombardment would do it, but up to now nothing has been found to get em out of there that fast in the mornings.

Why I know some adults it takes more than thirty minutes to get out of bed on a cold morning. And it takes much longer than thirty minutes for some of em to come awake even after they're up. And as for me starting my tractor in thirty minutes on a cold morning, those nuclear scientists just aren't familiar with working conditions around here.

I'll tell you, I appreciate those scientists' efforts, and I guess thirty minutes warning is better than none, but it seems to me that even if we had a half hour's warning, even if everybody hit the floor at the same time and teenagers cut their bathroom time down to 60 seconds, there still might not be too much we could do about it, outside of wringing our hands and dodging.

What this country needs right now is a warning system that gives us three or four years to prepare for a nuclear attack.

Yours faithfully,
 J. A.

201 Business Firms In County

The growth of Bailey County is reflected in statistics released by Wayne A. Clark, manager of Dun & Bradstreet, Inc., at Amarillo which covers this area. Basing his facts on a physical count of the January, 1960 edition of the Dun & Bradstreet Reference Book, Clark reports that in 1959, 191 businesses were listed in Bailey County and today 201 businesses are listed—an increase of 10.

The Dun & Bradstreet Reference Book lists all manufacturers, wholesalers, and retailers who seek or grant commercial credit. It does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers. Therefore, the figures for businesses in Bailey County would actually be higher than the 201 quoted above.

ARMY MEDICAL CORPS

Young men and women, with or without previous medical background, receive the equivalent of lengthy training in civilian schools at no cost to themselves, as members of the Army Medical Service.

As assistants to doctors and nurses, medical technicians perform their duties in hospitals, X-ray laboratories, optical laboratories, clinics, and dispensaries working with the most modern technical equipment available.

The training you will receive as a member of the Army Medical Service will be the first step toward promotions resulting in increased pay and privileges.

For additional information contact Sgt. Matmiller, 208 Main St., Clovis, N. M.

Babson Discusses . . .

Khrushchev and Christianity

"Mr. Babson prepared this for a Christmas Column, but the 1960 Forecast and other things have delayed its publication."

Babson Park, Mass., Jan. 14. I rather hesitate to write this column because some people may think that I am getting favorable toward Russia; but let me first assure you that I detest many things Russia is doing and was glad to get out of the country. Nevertheless, I can always learn something wherever I go, and from any nationality. Those who keep their eyes shut and their ears plugged are getting more ignorant every day and are only fooling themselves.

What Russians Mean By Saying They Are "Atheists"

Although I visited a church in Russia where, on the previous Sunday morning, there had been 4,000 people standing or on their knees (these churches have no seats), yet 95% of the one million people in Moscow and the two million in its suburbs will tell you they are "atheists". Some of them say they do not believe in "God"; but the majority will tell you they do not believe that Jesus was the "Son of God". They say that Jesus was the great leader and founder of Christianity, just as Buddha was the founder of Buddhism, Mohammed the founder of Mohammedanism, and Confucius the founder of Confucianism.

I am not acquainted with all the church denominations in this country; but I am told that the Unitarian branch and some of the Pacific Coast branches of the Protestant churches may feel about the same toward Jesus as the Russian leaders. (I cannot speak authoritatively on Russia as a whole, as Moscow was the only city which I visited.)

Jesus' Sermon On The Mount

When I was talking with some prominent Communists in Moscow about Christianity, they first made the point that a very small portion of the Bible consists of Jesus' own words. They realize that the Old Testament is a history of the Jewish People and may be found in many Moscow libraries, translated into Russian. They, however, would substitute the teachings of Nikolaj Lenin, the founder of Communism, in place of the writings of St. Paul. When a Russian does this, he feels justified in calling himself an atheist, although this is not the description which Webster's Dictionary gives for an atheist.

I had no personal talk when in Moscow with Nikita Khrushchev, the Premier, he being in Peiping at the time; but I met people who claimed to know his thoughts. They told me that Mr. Khrushchev has said that if we Christians in the U. S. followed the teachings of Jesus in the Sermon on the Mount, Communism might have had no opportunity to develop. This is a very important statement to be remembered when we celebrate Christmas as Jesus' birthday.

The Big Difference Between Jesus' Teachings and Communism
 Seldom do I ask followers of my column to read anything; but I do ask you to read today Jesus' Sermon on the Mount

(as found in the fifth chapter of Matthew) and relate it to our present mode of life. It agrees pretty well with the Communist's goal of taking care of their less fortunate people and seeing that all are fed, housed, and clothed, and that those who are qualified have a proper education, etc. Jesus also warned against wealth as a handicap to proper living. Certainly, Jesus would heartily approve the desire of President Eisenhower to help backward nations and unfortunate people.

But, Jesus insisted that these changes should, come about voluntarily and not by force. The wicked massacres by the Communists in Hungary and other countries, merely to eliminate private property, would certainly be considered outright murder by Jesus. I repeat that Jesus would insist that the reforms be voluntary and that men should let God (who, He said, is a Spirit) do the punishing. In order for me

to take Premier Khrushchev seriously in his purported "respect for the Sermon on the Mount", he would have to raise the iron curtain full length and stop persecuting any people. However, because Khrushchev is not consistent is no reason why we should be lax in practicing the teachings of Jesus in His Sermon on the Mount.

MULESHOE BOY WINS SEARS SCHOLARSHIP

The Sears Foundation will increase funds for its agriculture and home economics scholarships at Texas Tech by 50 percent for the next academic year.

Among the recipients of scholarships in agriculture is a local boy, Tracey Angeley. The Foundation currently provides a total of 2,800 for the scholarships, which go to students who show outstanding promise as entering freshmen.

FORD'S ECONOMY TWINS FOR 1960

The Economy Choice of a lifetime - Two new Fords . . . Two new low-price fields . . .
 Two wonderful new ways to go 'The Finest'

THE 1960 FORD FAIRLANE 500
 Now consider the large economy-size Ford, the Fairlane 500. Here is the most car per dollar ever built. The Fairlane 500 brings you fine-car styling, luxury and comfort, yet it offers Falcon economies like regular gas, 4,000-mile oil changes, double-life aluminum mufflers, and 30 more waxing. Like the Falcon, too, it brings you big price news: \$142 less than last year's popular Fairlane 500!
 Come see, come save, come pick the Ford economy twin that saves and serves you best. Visiting hours as usual at your Ford Dealer's.

THE 1960 FORD FALCON
 Now there's both a new economy-size Ford and a large economy-size Ford.
 The new economy size is the Ford Falcon—America's lowest-priced 6-passenger car. It's up to \$124 less than other 6-passenger cars in the compact field. It goes up to 30 miles on a gallon of regular gas. Servicing is easy and repair costs are low. You can even save up to 15% on your insurance.
 And the Falcon is the one American compact car that is thoroughly proved for American driving. There's room for 6 people—luggage and all.
 *Based upon a comparison of manufacturers' suggested retail delivered prices.

Economy choice of a lifetime in the wonderful New World of 60

Personality of The Week
Sue Logan

Standing at the top of the senior class is this week's personality, Tommy Lewis Thomson. He is the son of Mr. and Mrs. Bill Thomson. Mrs. Elizabeth Thomson is an employee of the Muleshoe State Bank and Mr. Bill Thomson is an employee of King Bros.

Tommy was born in Monroe La., on September 26, 1941. He moved to Texas when he was two years old and came to Muleshoe from Plainview when he was twelve.

Tommy's years at MHS have been busy ones. During his freshman year he served as class president and was elected as a candidate for Most Handsome. He was a member of the Student Council, the MHS Band and the Golf Club.

His sophomore year proved to be equally exciting. He was selected by the science teachers as Outstanding in Science. He began his three years in football and track. He was a member of the Spanish and the Teen-Age Book Clubs.

During Tommy's junior year he took part in the junior play. He served as secretary-treasurer of the Teen-Age Book Club and was a member of the Engineering Club.

As usual Tommy's senior year is proving to be his best. He was elected by the student body as the Most Studious Boy. He is serving as the president of the National Honor Society, as vice-president of the Spanish II Club and was elected by the senior class to serve as class reporter and as a candidate for Most Handsome.

Tommy plans to further his education by studying medicine at either Rice Institute or Texas University. He spends his leisure time reading, particularly poetry, and his favorite subject is trigonometry.

'Twixt One and Twelve

Nancy Julian
In 1948 there were approximately one hundred first grade students. The four teachers were Mrs. Boone, Mrs. Cunningham, Mrs. DeShazo, and Miss Childers.

We learned our ABC's, how to count, and one fine day the thrill of learning to print our names. Last, but by no means least, we learned to read.

Early in the mornings we had recess where we played games and at noon we walked in pairs to the lunchroom which was on the block north of the First Baptist Church. It was a faded brown building and the confusion of so many children on the inside set our little heads whirling and made us truly wish to be at home with our mothers, safe and secure. All in all, though, it was a good year and we learned to work and play together.

Years Pass Quickly
The next few years passed quickly. It seemed like the boys and girls chased each other into the coming years. Hair-pulling, teasing, playing baseball and tag were only the fun part of our busy little worlds. We learned about the changing seasons, the countries in the world, and best of all we learned about our own country — America in our

mind and hearts grew a new word with a brand new meaning—Patriotism.

Almost before we realized it we were teenagers. Our 8th grade class president was Derrell Oliver. The majorettes were Kay Brown, Susan Allison, Sue Logan, and LaQuinna Stone. Dolores Wagon was drum major. The cheerleaders were Priscilla Inman, head cheerleader; Rita Lewis, Jeanetta Precure, Nelda McCray, and Sandra Chappel. The editor of the school paper, the FBI, was Derrell Oliver.

Almost before we knew it, graduation arrived. Our colors were blue and silver and our flower was a rose. Rosemary Richards was the valedictorian, Tommy Thomson was the salutatorian, and Sharon Evans read Psalm 19.

Our freshman year reminded us of our first year in school. We were lost and slightly bewildered. Tommy Thomson was elected president, Coralyn Hicks and James Towns were chosen class favorites. Sharon Evans was selected by the faculty as outstanding in the foods department in Home Ec.

In November Mary Miller and Robert Robinson were chosen as Cutest Freshman. Mary was chosen as Most Beautiful Girl and Robert was runner-up as Most Handsome Boy.

Engineers Club

Lee Raney
The Muleshoe High School Engineers Club membership has expanded to 21 members. Fourteen of the 21 joined Monday night after restrictions for membership were decreased. Dues of one dollar per semester were charged each member.

A representative from the Mule Train staff was present to take officers and club pictures.

The members discussed the reasons and benefits of the club. A committee was formed to remedy the money situation. The committee consisted of Robert Camp, Rodney Blackwood, Jackie Bruce, Pat Childers, Jimmy Bishop, and Bobby Eason as chairman.

Toward the end of the meeting, Mr. Parker, the high school principal, "dropped in". He gave several interesting suggestions for raising funds for the club project. Several more students are expected to join at a later date.

Mullettes Play At Duncanville

Mary Gross
The Muleshoe Mullettes left bright and early Monday morning for the Duncanville Tournament. The girls broke even in tourney play by winning one and losing the next one.

The Duncanville Tournament is held annually by the Amateur Athletic Union. The tourney is an all girl affair with approximately twenty-two teams entering the competition.

The Mullettes took the floor to meet Duncanville for their opening game. The Muleshoe team came out on top 54 to 44. Janie Sanders, Latoya Howell and Brenda Melson played outstanding defense. Forwards scoring were Mary Wedel with 11, Ira Lee Inman had 2, Mary Gross 21, and Trudy Davis 11.

Hampered by bad passes and fouls the Mullettes fell to another West Texas team, Perryton, in the second round of play. When the final buzzer rang, the Mullettes were behind 50 to 54. The Muleshoe team had four players scoring in double figures. They were Mary Wedel with 10, Mary Gross had 13, Trudy Davis also had 13, Ira Lee Inman had 12, and Donnie King rounded out the scoring with two points.

Interscholastic League To Be Held Here

Rita Lewis
The Interscholastic League will be held in Muleshoe this year in April.

Miss Greta Paul and Mrs. D. B. Lancaster are in charge of Number Sense. Those entered in Number Sense are Mary Ann Greene, Gary Pope and David Douglas. Mr. Dwayne Reeves is in charge of debate, extemporaneous speaking and declamation. Mr. Reeves is also in charge of the one-act play which will be presented in a contest March 22, at Abernathy. The name of the play is "The White Dove."

Those trying out for declamation are James Towns, Leland Dean, James Shepherd, Rex Miller, Nancy Julian, Barbara Booth, Kay Brown, Juanita St. Clair, and Magann Lamb. Those trying out for debate are Bobby Eason, Leland Dean, Curtis Walker, Don Gardner, Mike Barron, Robert Robinson, Kay Brown, Mary Gross and Juanita St. Clair.

Those trying out for poetry reading are James Shepherd, Jimmy Bishop, Magann Lamb, and Kay Wilson in the senior division, Dick Allison, LaNelle Boothe, Joan Mock, Donnie King and Roxana Hart are trying out in the junior division. Trying out for extemporaneous speaking will be Rex Miller, James Shepherd, and Pat Thomson.

Mrs. Horace Blackburn is in charge of ready writing and poetry reading. Those entering ready writing are Pat Thomson, Juanita St. Clair, and Lee Raney. Those entering poetry reading are Travis Waters, Pat Thomson, Karon Jones, Arlene Howard, and Sandra Taylor.

West Mary DeShazo News

Mary Sanders
Many pupils of Mrs. Quinn's fourth grade class spent Christmas away from home.

Harriett Glaze spent Christmas in California. Also visiting in California was Kathy Sherley. While there she saw the Rose Bowl Parade.

Daral Freeman's grandfather, Mr. F. D. Foster is visiting in her home. He lives in Oklahoma.

Beth Black had a birthday the 21st of December while Susan Camp had a birthday the 29th of December.

The fifth grade reported a lot of absences because of the bad weather. It is hoped that these students soon return to class.

Those who were out-of-town on Christmas were Ruman Sinn who went to Lubbock to visit his brother and sister-in-law, Anna Cuevas went to Mexico City to see her grandmother and grandfather, Linda Cheatham went to Childress to see her grandfather, Jim Warren went to California to visit his uncle, Jimmy Broyles went to visit his grandmother and grandfather in Friona.

The sixth graders in Mr. Wilhite's room have been studying the different forms of electricity and have been making models of electric switches.

Mrs. Mosteller reports that she went to San Antonio and Greenville during the Christmas holidays. While there she visited with David Wells.

Others who took trips during the holidays were Linne Barrett who was in Dallas to see the Cotton Bowl, Judy Schmitz who went to Cisco and Pat Burman who went to Bovina.

Mrs. Mosteller's room was glad to welcome back Paula Martin who had moved to San Angelo, but has moved back to Muleshoe.

Mr. Grimley reports a new student, Donna Anderson, from Lubbock.

Membership Cards Presented to NHS

Mary Ann Greene
Assembling recently at noon, the members of the National Honor Society received membership cards. These cards were presented to 43 members.

It was announced that pins and other jewelry items signifying membership in the NHS could be purchased. Cash payment must be presented upon ordering. A deadline of January 19 was put upon the ordering period so that the order will be received by the company before the rush period of April and May.

The highlight of the meeting occurred when Mrs. Horace Blackburn, sponsor of the annual, photographed the group for annual pictures. Pictures of the officers of the NHS were to be taken at a later date.

Interscholastic League Events In Speech

LaQuinna Stone
Many MHS students will be taking part in the speech activities when Interscholastic League events are held here in April.

A meeting was held January 6, by Mr. Duane Reeves, the teacher in charge of the speech department, to determine the students who will represent MHS in the program. It was decided as follows: Senior Declamation, James Shepherd, Jimmy Bishop, Kay Wilson, and Magann Lamb. Junior Declamation, Dick Allison, LaNelle Boothe, Joan Mock, Donnie King, and Roxana Hart. Debate, Bobby Eason, Don Gardner, Leland Dean, Curtis Walker, Mike Barron, Robert Robinson, Kay Brown, Mary Gross, and Juanita St. Clair. Extemporaneous Speaking, Rex Miller, James Shepherd, and Pat Thomson. One-Act Play, James Towns, Leland Dean, James Shepherd, Rex Miller, Ronald Julian, Trudy Davis, Barbara Booth, Kay Brown, Juanita St. Clair, and Magann Lamb.

School Census Being Taken

Priscilla Inman
Census time is here again!

The month of January has been set aside in the State of Texas as Census Month. During this time a check is made on all school children between the ages of six and eighteen.

This survey determines the percentage of money paid to the school for each student's average daily attendance. This money is then required to be used for teachers' salaries.

The local tax office has asked for each family having a child six years of age or who will be six years of age on or before September 1, 1960, to get in touch with the Superintendent or the tax office.

P. E. Class

Darrell Lancaster
The fifth period physical education class is not taking exercises and playing basketball for recreation. After changing into gym shoes, the class takes various exercises such as push-ups, the windmill, rocking chair, breathing, and others.

Most of the time the instructor selects four captains who chooses five boys each to play basketball after the exercises. One group which consists of two teams plays for five minutes and then the other group plays for five minutes.

The groups alternate until the period is over. Sometimes the class shoots baskets or has drills before or instead of playing basketball.

Impala Sport Coupe — one of Chevy's 18 fresh-minted models for '60. See The Dinah Shore Chevy Show in color Sundays, NBC-TV ... The Pat Boone Chevy Showroom weekly, ABC-TV.

Factories are turning out more new Chevrolets every day. More proud new Chevy owners taking to the road. Now's the time to see your dealer for fast delivery and a favorable deal!

The pickings couldn't be better. All 18 of Chevrolet's sizzling new models for '60 are now rolling off the assembly lines again—in greater numbers than ever before. Your dealer's waiting with all the details, including a long list of pluses that will prove to you the only way to buy a car for less than this low-priced Chevy is to buy a lot less car:

- Roomier Body by Fisher**—with a 25% smaller transmission tunnel for more foot room.
- Pride-pleasing style**—combines good looks with good sense.
- New Economy Turbo-Fire V8**—gets up to 10% more miles on a gallon.
- Widest choice of engines and transmissions**—no other car gives you a choice of 24 power teams to satisfy the most finicky driving foot.
- Hi-Thrift 6**—the '60 version of the engine that won its class in the latest Mobilgas Economy Run.
- Coil springs at all 4 wheels**—for the kind of silent, satiny ride you'd expect only in the most expensive makes.
- Quicker stopping Safety-Master brakes**—built with Chevy's everlasting dependability, they deliver surer stops with less pedal pressure.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer.

LONE STAR AGRICULTURE

By John C. White

CORN BORER QUARANTINE

For the first time on record in Texas, the dreaded European corn borer showed up in a Bowie County field and prompted immediate action by the Texas Department of Agriculture to prevent its further spread in the State.

An emergency quarantine against the movement of un-screened or unfumigated corn and related grains from Bowie County or into Texas from all states having infested areas was ordered into immediate effect. The discovery of the pest in a single Bowie County field was confirmed by the U. S. Department of Agriculture, marking the first time on record that the European corn borer, prevalent in many of the leading corn producing states had penetrated into Texas.

The quarantine order required that corn and all related grains be screened through one-half inch mesh screen before being moved out of Bowie County or brought into Texas from any other state having infested areas. The screening is required to remove debris such as parts of stalks, stems and cobs which carry the insect pest. The quarantine does not apply to movement of corn or related grain from any part of Texas except Bowie County, the related grains including such products as broomcorn, milo, sorghums, Sudan grass and the like.

The quarantine order was regarded as essential not only to protect the Texas grain industry but to safeguard the regular channels of trade in the industry into and out of Texas. Some 35,000 railroad freight cars and motor trucks move out of Texas each year carrying grain to western states.

The seriousness of the corn borer penetration into even a single Texas county was pointed up by reports from infested states in the corn belt and elsewhere in the nation. In 1957, the European pest destroyed almost 181 million bushels of corn valued at \$158,841,000, according to USDA estimates. Corn in Iowa, Nebraska, Missouri, South Dakota, Illinois suffered most from the borer damage.

In addition to the quarantine, the Texas Department of Agriculture has initiated other effective steps to bring the corn borer infiltration under immediate firm control in Bowie County.

REGIONAL MEETING FOR TEXAS

The 1960 annual meeting of the 14-state Southern Commissioners of Agriculture will be held June 17-20 in San Antonio, and the Texas Department of Agriculture will be hosts for this important session.

The San Antonio gathering

will mark the first time the Southern commissioners ever met in Texas as a group.

The 1960 meeting of the commissioners will be especially significant because it will be held just in advance of the Democratic national convention and will, in effect, amount to a Democratic Party agricultural caucus. A list of nationally prominent speakers is slated to address the meeting, probably including a number of active or hopeful candidates for the Democratic presidential nomination.

Agriculture Commissioner S. E. (Si) Corley of Mississippi is president of the Southern commissioners, and the Texas Agriculture Commissioner is vice-president. Membership of the Southern Commissioners of Agriculture includes the states of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia.

Coming as it does in the midst of a presidential election year and at a time when campaigning for the Democratic nomination probably will be at its peak, the Southern group is expected to speak out in no uncertain terms on what they feel is most needed by agriculture in their region.

Decisions reached at the San Antonio session may, in effect, become the basis of what will emerge as the planks in the agricultural platform of the Democratic party nationally for the 1960 election. Each of the commissioners is regarded as a party leader in his own state, and their influence working with the collective voting strength of their 14 states cannot but make itself felt in the attitude of the Democratic party nationally toward the urgent problems which now beset U. S. agriculture.

MISS LAVON COPLEY PLAYS IN FT. WORTH

A program of organ music by 20th century composers from seven nations, done by seven players was the program Monday evening in Truett auditorium at Southwestern Baptist Theological Seminary in Fort Worth.

Miss Lavon Copley, of Muleshoe, was one of the seven players who are student organists at North Texas State Teachers College.

Christian Science Services

The divine source of all existence will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon on the subject of "Life" is the Golden Text from Psalms (42:8): "The Lord will command his lovingkindness in the daytime, and in the night his song shall be with me, and my prayer unto the God of my life."

Form "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following: "Because Life is God, Life must be eternal self-existence. Life is the everlasting I AM, the Being who was and is and shall be whom nothing can erase" (289:32).

Scriptural passages will include the following from Psalms: "The glory of the Lord shall endure for ever: the Lord shall rejoice in his works. I will sing unto the Lord as long as I live: I will sing praise to my God while I have my being" (104:31,33).

Mr. and Mrs. Roy Taylor have returned from a three week visit to Phoenix, Ariz., where they were visiting their son, Horace Taylor.

Today's Meditation

Read Psalm 42:1-6. Put your hope for good and all in the grace that is coming to you at the revelation of Jesus Christ. (1 Peter 1:13, Moffatt.)

Clouds are gathering, darkened by the turbulent winds of hatred, jealousy, envy, and fear. Many persons are losing hope in things worldly. When trust in things of the world fails, we then look for hope from above.

If we lift our eyes to the hills, we can behold the sunlit mountains of God's holiness. On top we can see a cross from which light is streaming upon our darkened world. This cross of Christ radiates the splendid glory of God's unending love and grace.

We have just lately observed Christmas, the birthday of our Lord and Saviour. The Christmas story is a very simple one—God's love revealed in Jesus Christ. To know this is sufficient for us. What do we need more than to have Christ as our master and friend? He is the light of the world and the hope of man.

Let us have hope in God and faith in His Son.

Lazbuddie News

By Penny Grusendorf

Thought for the Day: Christ is the hope of the world, and my hope.

Mr. and Mrs. Joe Pattie of Amarillo spent Sunday visiting in the home of Mr. and Mrs. L. F. Bruns, and Mr. and Mrs. Pattie of Muleshoe.

Mr. and Mrs. Tom Moore of Santa Anna, Calif., visited in

the home of Mr. and Mrs. Ted Treider the past week.

Mr. Juel Treider of Lazbuddie is sick in the Friona Hospital this week.

Mr. and Mrs. Sig Kimbrough spent the latter part of the week in Fort Worth.

Mr. and Mrs. Owen Broyles took a trip to Oklahoma City, Okla., this past weekend. They also plan to go to Corpus Christi this past week to spend from a week to ten days there.

Mr. and Mrs. James Haynes of Dumas spent Friday in the home of Mr. and Mrs. Frank Hinkson.

On New Year's Eve, the Parhams held a New Year's party for the freshmans, who enjoyed themselves.

Leon Smith, Jr., who has been in the Army the past three years and has been stationed at El Paso, is supposed

Assets

Cash and U. S. Government Bonds	\$ 3,295,254.25
First Mortgage Real Estate Loans	20,871,810.90
Loans to Members Secured by their Shares in Association	364,879.10
Furniture, Fixtures	51,385.60
Stock in Federal Home Loan Bank	345,700.00
Office Sites and Buildings	132,391.60
Other Assets	22,828.41
Total	\$25,084,249.86

Liabilities

Capital (Member's Shares)	22,549,328.04
Loans in Process	39,250.17
Payments by Borrowers for Taxes, Insurance, etc.	213,986.61
Other Liabilities	2,078.02
Specific Reserves	3,683.72
Reserve for Unearned Discount	15,567.62
Reserves and Surplus	2,260,355.68
Total	\$25,084,249.86

First Federal in 1959 increased in assets by \$3,527,237.41, or 16.36 per cent, total assets climbing from \$21,557,012 at the beginning of the year to \$25,084,249.86 on December 31, 1959. This highly significant gain was largely due to a vastly increased flow of savers and home borrowers to our door. Such widespread use of our thrift and home financing services is gratifying since it indicates a feeling of confidence in our institution on the part of the people of Clovis and its trade area. For this confidence, we are most grateful.

The number of new savers who opened accounts with us was particularly impressive. In 1959 a total of 1597 opened new savings accounts, boosting our saver ranks to a total of 7941. These new savers joined our many older customers in sharing First Federal Savings and Loan Association's payment of semi-annual dividends as a reward for use of their savings. In 1959 First Federal paid \$816,866.36 in dividends at the rate of 4% per annum, the largest earnings amount ever paid by our institution, and an increase of 16.65 per cent over the generous dividends paid in the preceding.

First Federal made approximately \$5,284,860.93 in home and business property loans, thereby expanding its mortgage portfolio of loans outstanding to \$20,871,810.90 on December 31, 1959. This constituted a gain of \$3,294,065.80, or 18.7 per cent in the amount of mortgage loans outstanding since the first of the year.

It certainly is gratifying to note that total assets now exceed \$25 million in First Federal's 25th year of operation—an average of \$1 million a year for 25 years.

The State of Texas Before me, the undersigned authority, County of Bailey on this day personally appeared Edith Wilt, County Treasurer of Bailey County, who being by me duly sworn upon oath, says that the within and foregoing report is true and correct.

EDITH WILT, County Treasurer Sworn to and subscribed before me this 5th day of January, 1960.

HAZEL GILBREATH, Clerk County Court, Bailey County, Texas (SEAL)

Battle Border

Little known facts about Texas boundaries.

Will Wilson explains that the "Bridge War" between Texas and Oklahoma concerned the opening of three free bridges across the Red River. "Crossing the Gainesville bridge a large truck found the Texas side impassable."

PART XI (Editor's Note: This is the eleventh in a series of articles outlining the numerous boundary conflicts dating back to 1716, pointing out little known facts which shaped the Texas of today.) Rivers usually flow along in a series of loops rather than a straight line.

The Rio Grande is no exception. In times of flood the river will cut straight ahead, rejoining the channel further down stream, leaving an exposed loop which becomes a dry bed.

Inside this loop is a plot of dry ground which has, by action of the river, changed its position from one side of the river to the other. These tracts of land are called "Bancos."

"These 'bancos' created even more complicated legal questions to add to the stockpile of Texas boundary disputes," Attorney General Will Wilson comments.

In 1836 the Republic of Texas fixed the boundaries along the principal stream of the Rio Grande. The Treaty of Guadalupe Hidalgo in 1848 fixed the boundary as the middle of the Rio Grande following the deepest channel.

The changing of the river channel began to pose real problems and in another treaty in 1884 it was agreed that any bancos out off since 1852 by the river should remain part of the original nation.

"This meant that parts of the United States were south of the river and parts of Mexico were north of the river." This naturally did not work so another treaty eliminated all present and future bancos and fixed the line between the two nations along the deepest channel of the streams. The 58 bancos remaining on the north side of

the Rio Grande went to the United States. The International Boundary Commission is directed to set monuments in the abandoned beds of the river where the boundaries of the bancos could be clearly defined.

Private Mexican landowners continued to own land even when it moved north of the river. In Mexico the government owns all the minerals while in Texas the landowners control the minerals.

By a 1922 statute, the Federal Government ceded jurisdiction over the bancos and provided that they be a part of the State of Texas. The heart of controversy is this:

Because the act did not specifically state what happens to the ownership of the minerals under the bancos it appears, in the light of the Tidelands experience, that another three way battle looms between the Federal government, the State of Texas and the Mexican landowners over the minerals under the bancos.

The General Land Office reports that none of the bancos have been leased by the state for minerals in view of the uncertainty of the title. The Texas portion of the river bed has been leased, but not the bancos.

Oil drilling along the Rio Grande will eventually force a decision regarding mineral rights.

Parmer County Farm Bureau News

Seniors of '59 Have Get Together Pat Barrett The graduating class of Muleshoe high school had a class reunion and party at the Muleshoe Country Club, Monday, December 28.

The class is now separated, some are attending many different colleges and universities, others have settled down to jobs. Some members of the class hadn't seen each other since graduating last May.

Mr. Logan Moone, of the sponsors of the '59 class, sponsored the party. Every member of the class was invited and was told to bring a guest. Everyone thoroughly enjoyed himself seeing old classmates.

Those attending were: Sandra Allison, Polly Briscoe, Melba Johnson, Sandie Weeks, Gwen Williams, Joe King, Arthur Splawn, Lyndall Fletcher, Bob Stack, David St. Clair, Ken Angeley, Barbara Durrett, Tommy Bickel, Glenn Fullerton, Lloyd Garlington, Jerre Kemp, Monroe Lee, Marlin Mills, Dale Panzer, Jerry Roddam, Jeanette Scarborough, Gary Shankles, Randall Gore, Richard Goodwin, Dorothy Hickman, and Charles Barrett, and Ronnie Osborn.

The party turned out very successful. It was wonderful for those ex-seniors to see their former classmates that they had practically grown up with but hadn't seen in a long time and yet knowing that it would be a long time before seeing them again.

FFA Calendars Kenneth Phipps Officials 1960 FAF calendars are sponsored by the Farmers Cooperative Elevator. The calendar is very colorful. On the inside of the calendar is an explanation of the FFA organization. On the back of the calendar is the Creed. Special days are marked on each month of the calendar. Also a very colorful picture is attached above each month.

Filing Cabinets, filing supplies, at The Journal.

NOTICE!

TO PARENTS of School Age Children

The school census is being taken during the month of January this year. All children who are six years old or before Sept. 1, 1960, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank on or before January 21 you are being overlooked and should do one of the following:

1. Phone Supt. Jerry Kirk at No. 3890 or the School Tax Office No. 5100 and ask for a census blank.
2. Call in person at the School Tax Office and get a census blank and fill it out.

Remember, if your child will be six years old next Sept. 1st, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next Sept. 1 he should be counted now. All children from six to 18 should be counted. The six years old who start next September to school are the ones most often overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

DON'T WAIT 'TILL FEB. 1st To Turn Your Blanks In — As That Will Be Too Late
