IN THE LUBBOCK newspaper, T.J. Harris is always writing about someplace he has been, like Africa or Europe or some island nobody ever heard of, and I always enjoy reading what he says, especially if it is someplace I also have visited, so I can compare his impressions with mine.

Of course, I get the impression that he gets his impressions from rubbing shoulders with impressive people. On my own trips, we didn't hobnob with any heads of state.

Then sometime ago Jim Cornish of the Post Dispatch wrote a column about a nostalgic drive into South Texas down Texas 36, and I really enjoyed reading that one because like most folks around here, I've been down that road a time or two.

So now I'm gonna tell you folks about driving to Dallas down scenic, romantic U.S. 380.

If you're going to the north or northwest part of Dallas, and don't need to go downtown or through Fort Worth, U.S. 380 is the closest way to go, providing you leave it for Texas 114 at Bridgeport. I didn't say that 380 is the best way to go. The scenery and roads are better on I-20, or even on U.S. 180, but 380 is the closest.

The best way to go to Dallas is by plane, if you have some way to get to the airport and some way to get around once you get to Dallas.

Anyway, you head east on 380 from Tahoka, if that's where you live, and you drive straight as you can. The first place you come to is Post. After going through downtown Post, you stop and check the springs on your car and then head east again. Be sure you have a full tank, a jug of water and some beef jerky, because if anything happens out there you won't be found for four days.

Just when you think there's nothing east of Post, you come to Clairemont. We stopped there once and went into the old jail off the road just north of the highway. Kind of interesting, especially when you consider that all forms of life started from a cell.

Unless you take a wrong turn, you never get to see Jayton, and next you pass a sign that points off to the south and says "Peacock 2". We even drove off down there once out of curiosity, and discovered that it apparently used to be a much larger community than it now is. There's a big tree there and a square of what used to be business buildings. A few miles further down the road is Swenson, and a few hundred yards off the road to the north are an old bank building and former grocery, another town that ain't what it used to be. Then you come to Aspermont, not much there to see as you go through, and on to Old Glory, Rule (where the sign says if you stop, you'll stay, so I try to just barely slow down), and finally to Haskell, where you can use the Dairy Queen's rest room.

As anyone who has made that trip knows, it's a long way between places out on 380. By the time you finally get to Jacksboro through Throckmorton and Graham, you feel like you're maybe going to make it after all.

Eventually you get to Bridgeport, cut off on 114 and dodge gravel trucks for awhile and finally roll into Big D by way of the edge of Dallas-Fort Worth airport.

Dallas, of course, is not such a great place to be, but you have to go there to do a lot of things. So driving on 380 is a really fun way to get there. Sometimes the scenery can keep you enthralled for as long as 10 minutes.

SCHOOL VANDALISM - Here's a portion of the mess made by young burglars who broke into the Tahoka schools last weekend, stealing money and causing considerable damage and disorder. This is one of the offices in Tubb Elementary School. (LYNN COUNTY NEWS PHOTO)

Vandals Make Mess, Take School Money

Young vandals broke into all three Tahoka schools last weekend, breaking objects and stealing money from desks, boxes and coin machines.

Officers this week questioned two Tahoka boys, age 11 and 13, and they reportedly admitted breaking into the schools. They also implicated two other youngsters from

Lamesa, one of them 15 years old. Exactly how much money was taken from soft drink and other coin-operated machines in the break-ins was not known, but police and school officials recovered \$433.19.

Earlier Break-in Police said the youngsters also were involved in a break-in at Tubb Elementary School during the Christmas holidays. Total damage from all the break-ins, including vandalism to a school bus before the first of this year, was set at \$1,188.

Tahoka High School was burglarized last Friday night, and the two elementary schools were hit Saturday night. Glass was broken in office doors and keys were taken which allowed the intruders to open other offices and the coin machines. Drawers of desks and files were dumped out on the floor.

Officers said County Judge Melvin Burks was talking with the young suspects individually and no formal hearings had been held with juvenile authorities as of Tuesday.

Home Burglarized City Police also were investigating a burglary at the home of Anthony Fowler, 1821 N. 3rd, reported on Tuesday. Missing were \$70 in pennies in a water jug and \$50 in quarters from a hanging vase.

A Post resident in his 20s was fined \$53.50 in city court this week for trespassing in

the vicinity of West Texas Industries compress Saturday night.

Dixie Newsom, 2028 S. 5th Thursday reported some metal shelves and a quantity of Avon products missing in a burglary at 1825 S. 5th. The items were valued at \$249.

On Monday an unknown quantity of gasoline was reported stolen from vehicles owned by General Telephone Co.

Robert L. Smith of Tahoka told the sheriff's department that a farm shop 2 1/4 miles east of Tahoka had been burglarized Friday night.

Missing were a welder, cutting torch and air compressor. The stolen items were valued at a total of \$785.

In jail during the week were one for public intoxication, one for driving while intoxicated and one for burglary of a habitation.

Mrs. Franklin Seeks Office Of Treasurer

Mrs. Blanche Franklin this week filed for the office of Lynn County Treasurer in the Democratic Primary in May.

She is married to Dick Franklin and has been a Lynn County resident for 30 years. She is a member of the First Baptist Church of Tahoka.

"I have had experience in teaching, secretarial work and bookkeeping, and I will endeavor to carry out the duties of this office efficiently and will greatly appreciate your support in this election," she said.

County Stock Show Gets Underway

Lynn County FFA and 4-H Club members have entered 383 animals in the annual Lynn County Livestock Show which began Wednesday and will wind up with a barbecue Saturday followed by presentation of awards and the traditional auction sale. A total of 142 youngsters have entered animals.

Judging of steers is scheduled at 1 p.m. today (Thursday) at the show barn in south Tahoka, with judging of lambs to begin about 2 p.m. Judge for both these events will be Kyle Smith of Seminole.

At 9 a.m. Friday judging of the 245 barrow entries will begin, with Jim McManigal of Happy as judge. This is the large division; there are 126 lambs and 12 steers entered in the show this year.

Ed Bartley is president of the stock show association, with Luther Breuer general superintendent, assisted by Barry Weaver.

Superintendent for barrows is Steve Miller, for lambs it is David Wied and for steers, Math Bartley.

Taking part in all the activities at the show will be the FFA chapter sweethearts

and 4-H princesses from the county.

Andra Draper, daughter of Mr. and Mrs. Robert Draper is a senior at Tahoka High School. She is currently serving as vice-president of Tahoka 4-H Club, is on the varsity golf team, served as head cheerleader for 1981-82 school year. She is also on the annual staff and is active in VOE.

Lisa Steinhauser, 17, is the daughter of Mr. and Mrs.

ANDRA DRAPER

PERRY DUNLAP

KIM BARRINGTON

LISA STEINHAUSER

Victor Steinhauser of Wilson. She is a junior at Wilson High School.

She has participated in UIL poetry, math, and one act play, and was in the junior play. Other activities include cheerleader, basketball, track and band. Honors received this year have been Homecoming Queen, FFA Sweetheart, head cheerleader, and named Who's Who Among American Students.

She has taken piano lessons about 11 years and played in piano auditions eight years. Her hobbies are playing piano, jogging, water and snow skiing.

Lana Kieth is the New Home FFA Sweetheart. She is the daughter of Mr. and Mrs. Freddie Kieth of New Home.

Lana is a member of National Honor Society, was Homecoming Queen for 1981-82, plays basketball, volleyball, tennis and golf. She is a senior at New Home High.

Perry Dunlap, daughter of Mr. and Mrs. Jake Dunlap, is the 1981-82 sweetheart for the Tahoka FFA Chapter. She attended the District FFA Banquet at Levelland where she advanced to the finals in the sweetheart contest.

Perry's other activities include one act play, Speech Club, Oral Interpretation, Science Club, FFA, band, twirling and 4-H.

The O'Donnell FFA Sweetheart is Kim Bairrington, daughter of Mr. and Mrs. Leo Bairrington.

Kim is a 16 year-old sophomore member of FFA, FHA National Honor Society and is on the track team. She is vice president of the FFA chapter this year and was vice president of the Junior Chapter conducting team her freshman year.

Kim has been participating in stock shows since 6th grade and plans to continue her work with animals throughout high school.

She enjoys horseback riding, water skiing, tennis and running track. Her future plans include attending Sul Ross after high school graduation.

Local Banker Is Unusual Hunter

Will Parker, cashier and vice president at First National Bank, evidently is an experienced bow and arrow hunter.

Last Thursday noon at Rotary he told some experiences, equipment needed, and the challenges of such sport. He also displayed some of his hunting equipment.

With bow and arrows he has successfully hunted deer, javalinas, coyotes, birds, rabbits and even fish.

Great patience and stealth is required for a hunter to get within the usually necessary 25 to 30 yards of wild game. However, it is possible to shoot an arrow with great force and some accuracy much greater distances.

"Bow and arrow hunting is a tremendous challenge," he said, and his goal is to successfully hunt and kill a bear and an elk.

Don Boydston was in charge of the program.

MRS. MICKEY L. BROOKS nee ANGELA GREEN

Angela Green - Mickey Brooks Exchange Vows in Matador

Wedding vows were exchanged Sunday, Dec. 20, 1981, at 3 p.m. in the First Baptist Church. Matador, between Angela Irene Green and Mickey Lynn Brooks. Rev. Gary Hillyard officiated the double ring ceremony before an altar of evergreens and an archway of white tapers tied with large royal blue bows, pots of greenery and white poinsettias.

The bride is the daughter of Mr. and Mrs. Pat Green of Tahoka, formerly of Matador. The bridegroom is the son of Mr. and Mrs. Milton Brooks of Roaring Springs.

A prelude of traditional wedding music was played by Mrs. Glenn Woodruff, organist. Mrs. Ray Allen of Andrews, cousin of the bride, sang "Our Wedding Day" and Mr. Allen sang "What a Difference You Made in My Life."

Given in marriage by her parents, and escorted to the altar by her father, the bride wore a candlelight chiffon gown designed by Marina of New York. The moulded

bodice featured a Queen, Anne neckline and was embellished in silk venise lace and sprinkled delicately with tiny seed pearls. The long bishop sleeves were gathered to a wide venise lace and pearl cuff, and encircling the empire waistline were motifs of venise lace. A floor length circular skirt fell from the waist and swept back to fullness forming a chapel length train.

To complete her ensemble, the bride chose a silk illusion veiling caught to a beaded venise lace Juliet capulet. The triple layered veil was finished in petal edging, and venise lace encircled the longest layer of the waltz-length veil.

Her bridal bouquet was of off-white silk roses and blue silk forget-me-nots centered with a white orchid, trimmed with pearls and off-white lace and ribbon streamers.

She wore a strand of pearls belonging to her grandmother for something old, something new was her wedding gown. She wore a blue garter, and for something borrowed, a mother-of-pearl Bible from Jerusalem, belonging to her grandmother.

Traci Green, sister of the bride was maid of honor and Mrs. Danny Perryman was matron of honor. They wore floor length gowns of royal blue velour and headbands of matching blue roses, and carried bouquets of off-white and royal blue silk roses.

Susan Hamilton, cousin of the bride, and Susannah Woodruff were candlelighters. They wore royal blue velour floor length dresses with headbands of matching blue and white.

Danny Perryman served as best man, and groomsmen was Tim Brooks, brother of the bridegroom. Ushers were Rickey Lawrence, Michael Green, brother of the bride, Louis Shorter and Billy Osborn.

The bridegroom wore an off-white tuxedo while the attendants wore black tuxedos.

Bradley Jameson was ring-bearer and his sister, Brandi was flower girl. They are the children of Mr. and Mrs. Leslie Jameson.

A reception was held in the home of Mrs. Alvin Stearns, aunt of the bride, with Mrs. J.D. Craven, maternal grandmother of the bride, and Mrs. L.J. Barkley and Rachel Patton, her aunts, as hostesses.

esses.

Mrs. Michael Green, sister-in-law of the bride registered the guests.

Presiding at the refreshment table were Colleen Rose and Reneigh Gwinn.

Out-of-town wedding guests were Mr. and Mrs. Arvil Craven, and Mr. and Mrs. Richard Craven and Malayne of Midland; Mrs. Vernon Craven, Abilene; Mr. and Mrs. Bill Harrison and Kyle, Brownfield; Pete Rybacki, Washington, D.C.; Mr. and Mrs. Richard Hamilton and Suzan, Eagle River, Alaska; and Mr. and Mrs. Jack Sims and Jami of Lubbock.

Pre-nuptial affairs honoring the couple included a bridal shower Dec. 7, at the home of Ms. Bobby Jameson. Hostesses were Mesdames John Scott, Charles Gwinn, Leslie Jameson, Roy Grundy, Frank Price, C.M. Barton Jr., R.E. Donovan, Clay Jameson Dale Bumgardner and Glenn Woodruff of Matador and Mesdames Lem Miller, L.A. Mullin, Joe Thacker, M.S. Thacker, Joey Thacker, Bill Palmer, Travis Payne, Billy Hand and T.F. Watson of Roaring Springs.

Sixth Graders Try Caste System

Last Friday, the sixth grade class of North Elementary experimented with the caste system of India. The entire class was divided into four groups symbolizing the caste system of that country. As in India, the different groups were not allowed to socialize outside their caste. Through this experience, the students were better able to understand the impact of a cast system upon a society.

The fifth grade classes are busily preparing themselves for the TABS (Texas Assessment of Basic Skills) Test which will be given during the month of February.

The importance of good oral hygiene was a subject of study in the fourth grade. We hope that all parents will encourage their children to eat properly and brush daily.

Daily attendance is important! We want to encourage the parents of each student to see that your child is in school every day. A student can never completely make up a day of school missed.

Hospital Aux. Sponsors Blood Drive

The Lynn County Hospital Auxiliary will sponsor a blood drive Monday, Feb. 1 at Southwestern Public Service Reddy Room from 10 a.m. until 2 p.m. This is a new project for the Auxiliary and this group will sponsor all blood drives in our county for 1982. Everyone is encouraged to participate and are asked to use the Reddy Room entrance.

The Auxiliary will have their regular monthly meeting Tuesday, Feb. 2, at 9:30 a.m. at the hospital cafeteria. All members are encouraged to attend along with those who may be interested in becoming members.

Membership is open to anyone who is interested in furthering the hospital and community. Dues are \$5 per year and are due at this time.

Garden Club

The Tahoka Garden Club met with Mrs. Jewel Smith Tuesday, Jan. 19. Mrs. Louie Smith was co-hostess.

After refreshments were served there was a business meeting presided over by Mrs. Clifford Tankersley, club chairman.

Roll call was answered by naming favorite color.

Officers for the coming two year term were elected. Mrs. Tankersley was re-elected president; Mrs. Mildred Abbe, 1st vice president; Mrs. Louille Stewart, 2nd vice president; Mrs. Hazel Profit, secretary-treasurer; Mrs. Opal Hines, corresponding secretary; Mrs. Florine McCracken, reporter.

Mrs. Abbe presented the program, "Color and the World Around You". Mrs. Stewart was awarded the prize for arrangement of the month, entitled "Beach-combers Delight".

Members brought a display of driftwood and sea shells and told how and when they were acquired.

The next meeting will be Feb. 16 in the home of Mrs. Abbe.

PCG Director To Be Elected

Lynn County cotton producers and agribusinessmen will elect a Businessman Director to South Plains Cotton Growers, Inc. at a 7 p.m. meeting on Monday, Feb. 1, in the Community Room of the First National Bank, Tahoka, according to Joe D. Unfred of New Home, Lynn County Producer. Director to the 25-county cotton organization, and Dwain Lusk of Tahoka.

All producers and businessmen are invited to the meeting. However, under PCG By-Laws, only current dues-paying members of PCG will be eligible to be elected a director or to vote in the election.

General Telephone To Ask For New Rate Increases

Citing what he called "a crucial need" for increased revenues required to meet customer pressure for a better quality of telephone service and to attract the capital necessary to meet those needs on favorable terms, General Telephone Co. of the Southwest President E.L. "Buddy" Langley

has announced intentions to file with the Texas Public Utility Commission Friday for \$110 million in new revenues of which less than \$43 million would be recovered through monthly basic local service rates. The new revenues would increase intrastate revenues less than 24 percent. Langley

emphasized monthly basic local service rates were last adjusted almost two years ago equating to less than a 12 percent increase per year. He asserted that the annual increase compares favorably with annual increases for most other services. Some \$14 million of the

request is a result of restructuring prices as mandated by the Federal Communications Commission as it continues deregulation of the telephone industry which must become effective April 1 and Oct. 1, 1982. Another \$30 million of the request is proposed for intrastate long-distance service. Approximately \$18 million would be received from increased rates for terminal equipment such as telephone and business systems and \$6 million from miscellaneous services.

new services. We must have the earnings to attract the necessary capital to provide the quality of service required.

"The expanding service needs of customers, continued rapid growth, inflation, a changing regulatory environment, the need to modernize facilities, the need for acceptable earnings sufficient to attract investors all contribute to the need for additional revenues," Langley emphasized.

"A high percentage of our Texas service areas are undergoing strong growth. As a result, we have an accelerated demand for telephone service including the rapidly expanding data

transmission services. "Unlike other businesses, we have an obligation to serve all customers even though adding new customers to the network costs. We can't delay capital expenditures until interest rates are lower. We are really the victim of inflation, not the cause."

Claims Improvement Langley added. "During the test year, our accelerated service improvement and modernization programs involved adding over 1,400 employees, mostly in positions directly affecting service performance. The cost of intrastate construction and modernization program increased over \$224 million, 20 percent greater than in 1980. Our maintenance expenditures rose more than 58 percent above 1980's cost of approximately \$81 million.

"We are generally meeting or exceeding the Public Utility Commission service standards in most areas, but we also are continually striving to meet individual customer expectation because customer approval is also extremely important to all of us at General Telephone.

"As a result of growth, the need for expanded and improved service and modernization programs, we see significant increases in capital requirement than in 1980. We will invest \$265 million in 1982."

The company did not say exactly what the proposed rate increases will be.

Youth Basketball Sign Up Set

The Youth Basketball League will hold its registration on Friday, Jan. 29, from 5:30 to 8:30 p.m. in the Community Center. This registration is for both boys and girls.

The fee this year will be \$10 per player.

Anyone in the third to sixth grade may register. Seventh and eighth grade girls are asked to register but it will depend on how many sign up whether or not there will be a division to play this year.

Growth Factor Langley said. "Our industry and company are being called upon to provide a very high quality of telephone service as well as modernize existing facilities and provide

County Votes To Drop Property Tax On Cars

Lynn County commissioners this week voted to stop taxing motor vehicles starting in 1982, after one commissioner observed that he favored dropping the tax on cars because a new state law eliminates taxes on farm equipment.

Some taxpayers still owe on their vehicles for last year, and this money still is due, it was noted.

After a lengthy debate about including some persons in the general 10 percent salary increase for county employees voted earlier, the group decided to include two persons who had been left off the list, the secretaries for the county attorney and for Justice of the Peace, Pct. 1.

Commissioners also agreed to have new electrical outlets installed in the basement offices of the J.P. and Dept.

of Public Safety, voted to increase insurance coverage on the courthouse and on the extension office building, voted to have county books for 1981 audited, established holidays for the year, and set justice of the peace precinct lines.

The county has five justice of the peace precincts, so the JP precinct numbers and boundaries do not coincide with the county commissioners precincts. Although there are five justice precincts, only Pct. 1, Tahoka, and Pct. 4, O'Donnell, have had JPs in recent years.

Commissioners accepted a bid from the Exxon Corp. for lease of county property in O'Donnell.

It was voted to pay four cities in the county for fire-fighting expenses, all from revenue sharing funds. The cities are Tahoka, \$3,000;

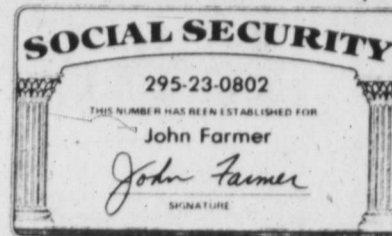

O'Donnell, \$1,250; Wilson \$750, and New Home \$750. O'Donnell Ambulance Service also will get \$5,000 in revenue sharing money.

Approval was given to other expenditures of revenue sharing funds, to be paid monthly as follows, through September: \$1200 per month to the hospital district; \$200 per month to the library; \$200 rent on a clinic building; and \$100 per month supplement to the county treasurer's salary.

Eight county holidays were approved: Memorial Day May 31, Independence Day July 5, Labor Day Sept. 6, Thanksgiving Nov. 25-26, Christmas Dec. 23-24, and New Year Jan. 3, 1983.

HOW ABOUT SOME COOKIES? These Brownie Scouts are promoting the Girl Scout Cookie Sale, which starts Friday. Urging everyone to buy cookies are Jay Jay Wiseman, Jennifer Rinker and Melody Pearson. (LYNN COUNTY NEWS PHOTO)

It's Girl Scout Cookie Time! Girl Scout Cookies Go On Sale

The three Brownie Troops in Tahoka will begin to sell Girl Scout Cookies Jan. 29 and the sale will continue through Feb. 14.

There will be two new cookies added this year, Kookaburras and Hoedowns.

All money collected from the cookie sale remains in the Council. It will help support seminars, workshops, and other troop and council sponsored activities. It will help local girls participate in National Girl Scout events, such as the Wider Opportunities program. The funds will also help maintain and develop Camp Rio Blanco, a resident camp for the County Caprock Girl Scout Council and located northeast of Crosbyton.

The girls are presented awards according to the number of boxes they sell. Top prize is an \$85 campership toward resident camp or council event, awarded to those selling 180 boxes or more. Certificates, posters, patches, T-shirts, and a \$55 campership are also awarded.

Voter Registration Certificates

Registration certificates are being mailed to the registered voters of Lynn County this week. These will be in effect from March 1, 1982 through February 28, 1984.

If you have changed voting precincts or changed your name, please contact the Lynn County Tax Office. This is most important in order to be eligible to vote in all elections.

1981 Changes in Social Security

The first month of entitlement has been changed to the month after the month of application or the first full month of age, eligibility unless attainment was on the first day of the month of application or earlier. This means that a person cannot be entitled for the month he is age 62 unless the applicant was age 62 or older the first day of the month he applied.

The lump sum death payment can no longer be paid to anyone except a wife who was living with the deceased or a child of the deceased who was receiving a check the month of death.

Termination of benefits to a pre-retirement spouse when the youngest child attains age 16.

Broaden offset base for disability. This means that persons now age 62 through age 64 will have their disability benefits offset against Workmen's Compensation past age 62 as it was in the old law.

Repeal of the Supplemental Medical Insurance open season. This means we now return to open season only in

January, February and March each year.

Repeal of age 70 as the age to draw benefits without regard to earnings. This means that age 72 to draw without regard to the amount of earnings is reinstated through 1982. Under the 1981 law, anyone age 70 in 1983 will be exempt from all earnings.

Elimination of the minimum benefit amount for everyone, not eligible before 12-31-81.

This means that all persons applying in 1982 or later will have benefits figured on the actual yield without a floor of the minimum benefit.

Classing Total Sets Record

About 209,000 Smith-Doxey samples were classed at Lubbock during the week ended Jan. 21. This brought the season's total to a record 1,930,000, according to Mack Bennett, Area Director for USDA's Marketing Services Office. The previous record for one season's classing total at one office was 1,805,000 set in 1962, also at Lubbock. Last season's combined classing total at Lubbock, Brownfield and Leveland amounted to 1,614,000.

About 16 percent was grade 42, 43 percent was grade 52 and 22 percent was grade 53. About 87 percent was reduced one grade because of bark.

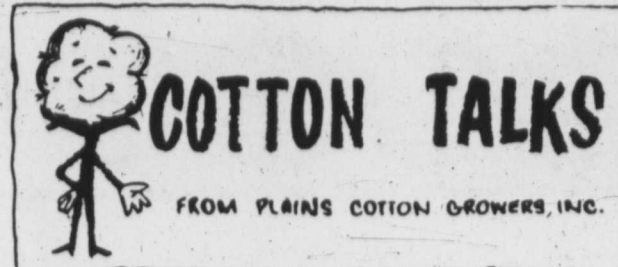

Staples were 11 percent staple 29, 35 percent staple 30, 37 percent staple 31 and 11 percent staple 32 for an average of 30.5 thirty-seconds of an inch.

LUBBOCK, Friday, January 22, 1982

The perennial fight for more equitable loan program discounts on Texas High Plains cotton qualities already is heating up for 1982 as preparations are made for moving to a new battleground, say officials of Lubbock-based Plains Cotton Growers, Inc.

For more than two decades PCG has confronted USDA with facts and figures to prove that micronaire, grade and staple discounts in the government loan schedule consistently discriminate against West Texas and Oklahoma cottons.

"And since discounts, especially those applied to low micronaire cottons, almost every year have been lower than they would have been without our efforts," states PCG Executive Vice President Donald Johnson, "we have been well rewarded. But," he continues, "we can't say we've 'won the war' because discounts still reflect values for our cotton well below actual market prices and relative demand."

In the past PCG has argued its case one-on-one with USDA against the opposing views of other interest groups and other cotton producing areas. The results, Johnson says, have always been a compromise that afforded some relief to the High Plains but always fell short of rendering true justice.

In 1982 the debate will move to a "study committee" established by the Agriculture and Food Act of 1981. Tilting for their respective special interests in committee meetings will be two producer representatives from each of the four major U. S. cotton producing areas and one representative each from the merchant and textile manufacturing sectors. They are to be appointed, along with an alternate for each, by the Secretary of Agriculture.

From the Texas-Oklahoma region, the Texas Association of Cotton Producer Organizations and the Texas Farm Bureau have joined PCG in submitting to USDA a single slate of four people to serve as committee members and alternates.

Lloyd Cline of Lamesa and current PCG President Gary Ivey of Ralls have been nominated to represent the High Plains as member and alternate, respectively. Wiley Felty of Altus, Oklahoma, and A. D. May of Rule, in the Rolling Plains, were nominated to represent those areas as member and alternate.

"These people have the background, the knowledge and the ability to speak for the short staple cottons," Johnson states, "and while actual appointments are yet to be made, we will be disappointed and a little surprised if the Secretary does not agree to our selections."

PCG, however, expects to work closely with whoever the committee members may be, Johnson adds, "supplying all the data we can gather to support our case for more equitable treatment."

RANK TO SPEAK: Everett "Bud" Rank, Agricultural Stabilization and Conservation Service administrator, will be on the program for the Producer Steering Committee meeting at National Cotton Council's annual meeting Feb. 5 in Dallas.

The agenda also will include reports on the new tax law, boll weevil and pink bollworm eradication developments, and the planting intentions survey. The committee also will finalize its recommendations on price and policy matters to the Industry Practices policies Committee which, along with other Council program committees, will meet the following day.

The Council annual meeting is set for Feb. 6-9.
The Council annual meeting is set for Feb. 7-9.

EXPORT SALES GROW: Net new cotton sales for the 1981-82 marketing year totaled 173,000 running bales during the week ended Jan. 14. This brought the season's total commitments to 5,617,600 bales.

The major buyers were Japan, 97,400 bales; South Korea, 30,300; and Taiwan, 26,900. The week's export shipments were 126,700 bales and net new sales for the 1982-83 marketing year were 9,100 bales.

NEW PESTICIDES REGISTERED: The Environmental Protection Agency has approved one new insecticide and one new herbicide for use on cotton. The insecticide is "Payoff," a synthetic pyrethroid, and the herbicide is "Goal," a weed killer applied post-emergence to control some hard-to-kill broadleaf weeds. Both products are expected to be available to cotton farmers this year.

Tax Deadline Nears

An important deadline occurs this month for property owners in Texas.

Kenneth Graeber, executive director of the State Property Tax Board, today reminded Texans that local property taxes assessed for 1981 by cities, counties, school districts and special districts must be paid by the end of January.

"Taxes not paid before Feb. 1 are delinquent and penalty and interest begin to accrue," Graeber said.

The state tax administrator noted that delinquent 1981 taxes will incur a 6 percent penalty and 1 percent interest charge on Feb. 1.

Combined penalty and interest charges will total 9 percent in March, 11 percent in April, 13 percent in May, and 15 percent in June.

Total penalty and interest on delinquent taxes reaches 18 percent in July, 19 percent in August, 20 percent in September, 21 percent in October, 22 percent in November, and 23 percent in December.

If not paid until January 1983, delinquent 1981 property taxes would be subject to a combined 24 percent penalty and interest charge. And, Graeber noted, the interest would continue to increase by 1 percent per month.

In addition, if a taxing jurisdiction or appraisal district has contracted with a delinquent tax attorney, its governing body may add an additional penalty to any tax delinquent on July 1.

The additional penalty may not exceed 15 percent of the taxes, penalty and interest due.

Taxpayers with questions are encouraged to contact local government tax offices.

CLEAN PROFIT Mrs. B. L. (Pam) Miller, who with her husband is new owner of the Quality Cleaners in Tahoka, holds a "first dollar of profit" presented by Tahoka Chamber of Commerce to new members. ALMOST SHOWTIME - These youngsters are getting ready for a show, but not a musical. They were working at the livestock show barn preparing for the Lynn County Livestock Show which began Wednesday and winds up Saturday. Actually they were more interested in the picture-taking than in hard labor at this particular time. (LYNN COUNTY NEWS PHOTO)

Wilson News

Contracts of School Administrators L.F. Jacobs, Gary Cox, and Ted Dockery have been extended through the 1983-84 school year by action of the Wilson Board of Education at recent meetings.

Dates have been set by the board for upcoming school board election on April 3. Beginning Feb. 1 candidates may file for office with March 3 being the last day to file. Absentee voting will begin on March 15 and end on March 30.

With the terms of Tommy Bednarz and Roy Kahlich expiring, two positions will be filled.

Earl Cummings, school tax collector, reports 75 percent of the current taxes have been collected as of Jan. 20. Collections are running a little ahead of last year's collections at this time.

The school board voted to increase the pay for substitute teachers from \$20 to \$25.

The Wilson Athletic Booster Club would like to say a special thank you to each of the following gins for their donation on the trophies for the Wilson JV Tournament held Jan. 21-23; New Lynn Gin- Manager, Roy Lynn Kahlich; Gatzki Gin- Manager, Sam Gatzki; Wilson Co-Op Gin- Manager, Ronnie Nettles and Wilson Farmers Gin- Manager, Delmar Wilke.

The Wilson Athletic Booster Club would like to express its appreciation to each one in the Wilson community for your help in making the Boosters JV Tournament a success. Thank each of you that donated the \$5, donations of ice cream, pies and cinnamon rolls and for all those that worked at the gate, clock or concession. This will help the Boosters have a good Athletic Banquet to honor our boys and girls in athletics.

There will be a booster meeting following the basketball game Jan. 29.

The Wilson Junior Class is still hard at work trying to raise enough money for their junior-senior prom, so everyone save your trash to be hauled off, as they are having a trash haul Feb. 6. If you need trash hauled contact David Cook 628-3521 or

Sharon Bednarz 996-5442. They are also having a Bake Sale at the Texas Grocery store in Wilson on Feb. 6.

Wilson High School Band voted on their band sweetheart and band beau recently. They are Ginger Kimbrell, daughter of Jerry and Ginger Swope and Mark Wuensche, son of James and Janet Wuensche. Band officers for the year of 81-82 are president, Mark Wuensche; vice president, Tonya Houchin; Sec., Lisa Steinhauer; Librarians, Ginger and Karla Kimbrell; Quartermasters, Tonda Klaus, Rita Rios, Kim Angerer and Deedie Daniell. Congratulations to Rita, Kim and Sherry Angerer and Tonda Klaus for making All-Region band with Suzanne Schwertner as 1st alternate. They will perform in a concert with other bands, Jan. 30 in Lubbock.

Mike Carroll's girlfriend from Austin visited him recently. They had a nice visit.

The Wilson High Varsity girls took home a victory over the Smyer girls 41-34, with Tonda Klaus scoring 16 points, Angie Wilke 10 and Terry Nolte getting 12 rebounds.

West Point Extension Club Holds Meeting

On Thursday, Jan. 21, West Point Extension Home-makers Club met with Mrs. Jimmy Bragg, president, as hostess. The thought for January was "We may give without loving; but we cannot love without giving."

During the business meeting plans were made for our club's participation in the Lynn County Stock Show to be held Jan. 27-30. Also discussed was our contribution to TEHA Scholarship Fund.

Mrs. Bragg read a most humorous story about "The Farm Wife" after which refreshments were served. Our topic for February is "First Aid in the Home". The meeting will be held in the home of Mrs. Tom Hale.

INSIGHT INTO EYESIGHT

J. Davis Armistead, O.D.

PARENTS ATTITUDE VITAL

Ten-year-old Johnnie had trouble seeing the blackboard. He did poorly at little league baseball. He couldn't focus on the moving ball. An eye examination indicated that Johnnie needed corrective glasses for seeing at a distance. Johnnie came home with Mom wearing his first pair of glasses. As they entered the front door, Johnnie's father was obvious about his disappointment. This negative attitude can be devastating to the self-esteem of a youngster. The greatest problems encountered with children who wear glasses originate from parents - not children. Children are quite willing

and sometimes even eager to wear glasses. They are quick to understand that glasses will allow them better vision and thus give them an easier time at school and at play. The idea that there is something wrong is usually picked up from their parents. Advice: Try not to express disappointment in your child's presence if glasses are indicated. For the sake of the child, try to be positive about the visual benefits glasses will afford.

To "all" of you in Lynn County, take a gallon of your well or city water and put it in a stainless steel boiler, then boil it down to a "pint". See the white material that sticks to the side of your pan. Ask yourself what happens to this when you drink or cook with it. Does it go into your joints or where? This may be causing it to hurt. "Think" seriously about this. Our water distillers "remove" this plus all the other impurities. We will take your order by telephone.
