VOLUME 61, NUMBER 1

TAHOKA, LYNN COUNTY, TEXAS, THURSDAY, JANUARY 5, 1984

10 PAGES IN ONE SECTION

**FIREMEN ON JOB** — Members of Tahoka Volunteer Fire Dept. were on the scene in a hurry at the home of Butch Ingle, 1700 N. 5th, Tuesday morning. The fire inside the house was quickly extinguished and little damage was reported. (LYNN COUNTY NEWS PHOTO)

## Allsup's Store Here Robbed Early Friday

Allsup's Convenience Store was reportedly robbed at approximately 3:30 a.m. on Friday. The clerk reported to police that a Spanish male wearing a panty hose mask, approximately 5'4" in his early 20s, weighing 175-185 pounds approached her and said he wanted the money from the cash register. The clerk reported the man was holding one hand inside his coat as if he had

a gun pointed. She asked if he had a gun, and he replied "no," that he was holding a knife. An undetermined amount of money was taken and police are investigating the incident.

Tahoka firemen answered a house fire at the residence of Butch Ingle, located at 1700 N. 5th at approximately 10 a.m. on Tuesday. The fire was put out quickly and little

damage was reported.

Mrs. Robert Mock, Rt. 2, Post, reported a billfold containing credit cards and about \$50 in cash was stolen from her purse in the living room of her home east of FM211 and 212 last Thursday. Mrs. Mock, an artist, sketched a young woman she said came to her house with two small children and said she was working on her car and was cold. She said the woman asked for some socks and asked if Mrs. Mock had a coat she could buy. Mrs. Mock went into another room for a coat and when she returned the woman, children and billfold were gone. Sheriff's officers with a warrant were seeking a suspect Wednesday.

An attempt was made to burglarize the home of Bruce Hewlett 3.5 miles southeast of Wilson on New Year's Eve, with a window and door damaged, and home of Bobby Hightower 2.5 miles north of Wilson was burglarized the same evening. Taken from the Hightower home was a 25-inch Admiral color TV valued at \$400.

Crime Line, 998-5145, was offering rewards of \$300 for information leading to clearing of either the Hewlett or Hightower burglaries, or the burglary of the home of Don Strickland, on a county dirt road about four miles east of Slide, last Thursday night. Items valued at a total of more than \$2,000 were stolen from the Strickland home. They included a microwave, black and white TV set, Marlin 30-30 rifle with scope, Springfield 12-gauge shotgun, Panasonic stereo, two Cooper High School rings and other items.

### Ricky Smith D.A. Candidate

Ricky B. Smith of Lamesa this week issued the following statement of his candidacy for the office of district attorney:

"I take this opportunity to announce as candidate for the office of District Attorney of the 106th Judicial District.

"Having served for over seven years, I feel qualified for the office of District Attorney.

"My wife, Theda, and I have four children ranging in age from 12 to 4 years. We were both born and reared in Dawson County where we make our home.

"Your support and vote in the May Democratic Primary will be appreciated."

Jake is, or was, nor could we say which nurse was being told good night. And I got to thinking that I don't know who Katie was, or why she barred the door, presumably putting a stop to whatever was taking place on one side or other of the entryway.

So while we didn't learn much, we were entertained for a few miles, and when you're traveling, that's worth something.

...  
SESQUICENTENNIAL means the 150th anniversary of something, and the Texas Sesquicentennial Commission has been sending out some interesting facts in a newspaper designed to stir up interest in the 1986 celebration in the state. I noticed that a quotation from the April 15, 1840 Houston Telegraph and Texas Register showed that even then, newspapers were sensitive to the criticism that only the bad things get into print. That issue stressed the good news, saying: "Nobody was murdered yesterday. Perhaps we shall have two murders today to make up for it."

I suppose the prefix "sesqui" means one and a half. In which case some of us could say we're sesquisized since the holidays.

## WOODWORK

BY DALTON

SOME FOLKS I was talking with the other day were trying to figure out the identities of Jake, Nurse and possibly Katie.

This all came about when we were riding on a long trip across the state with the highways fairly clear by then, but ice and snow all over the shoulders of the roadbeds and on all the roads that weren't major traffic arteries.

One of the passengers, an attorney who is slightly older than I am, pointed to an ice-covered road and commented, "if we were to try to go up that road, it'd be 'Good night, nurse'." This prompted a younger person in the car (one of our daughters) to ask him what that meant.

"You never heard of that?" he asked. "It's the same as 'Turn out the lights' or the big finish..." I started to interject "Or Katie bar the door" or "That's all she wrote," but they were having their own conversation and I wasn't needed.

"I never heard of 'Good night, nurse,'" she told him. "That sounds like some of the things mamma used to tell us... she used to tell us to quit 'tearing up Jake'."

"Well I never heard of tearing up Jake," he said. "Who's Jake?"

None of us could decide who

## One Top Honor To Be Awarded By Chamber

Chamber of Commerce directors this week voted to change the traditional awards at the annual banquet starting this year to recognize just one "outstanding citizen of the year" rather than to give awards for Man of the Year, Woman of the Year and Student of the Year.

Chamber President Charlie Louder said board members felt that the single award would be more appropriate. Members said at the monthly board meeting Tuesday that they hoped that both men and

women would be recognized by future Citizen of the Year awards.

Individuals and organizations may make nominations for Citizen of the Year for 1983, to be recognized at the annual banquet March 3. Names of persons anyone thinks deserving of the honor should be mailed, along with resumes, if possible, to Rachel Huffaker, Chamber of Commerce, Box 777, Tahoka.

Nominations should be on the basis of contributions to the general welfare of the community over the last year, regardless of whether that person is male or female and

regardless of whether they have ever been so recognized in the past. All nominations will be considered by a secret committee.

Presiding at the directors meeting at noon Tuesday in Paris Cafeteria, Louder reminded members that the quarterly banquet for the entire membership and any other persons who want to attend will be at noon Jan. 17 at the First Methodist Church, with the Chamberettes to serve the noon meal at \$5 per plate. Allen Bligh of the Better Business Bureau in Lubbock will be featured speaker.

Dalton Wood was named vice president of the chamber, succeeding Louder, who moved up to president for the remainder of this year upon resignation of President Tom Marrier.

Wood also was named chairman of a committee to nominate six new directors to take two-year terms starting with the annual banquet.

### Stock Value Reset By Board

Value of the stock of banks in Lynn County for tax purposes was reset at approximately 75 per cent of the originally appraised values as the county board of review met Dec. 28. After the appraisal district set a value on the stock of each bank in the county, two of the banks protested and the review board lowered the value of their stock to about 10 per cent of what it had been appraised. Taxing entities in the county then formally protested that these values were unrealistic and the appraisal district's three-man review board then raised the values Dec. 28.

### Odometer Law Goes Into Effect

A new state law requiring anyone selling a motor vehicle to furnish the buyer with an odometer statement went into effect Jan. 1.

The odometer statement, disclosing the cumulative number of miles traveled by the motor vehicle at the time of transfer, must be surrendered to the County Tax Assessor-Collector with the purchaser's application for title.

All certificates of title issued by the State Department of Highways and Public Transportation (DHT) covering vehicles transferred on and after Jan. 1, 1984, will record the latest odometer reading as reflected by the application for title.

The prescribed forms for odometer statements can be obtained from the DHT Motor Vehicle Division or any County Tax Assessor-Collector's office.

### City To Seek More Insurance

City Manager Carl Reynolds was authorized by Tahoka City Council Monday night to obtain an "umbrella insurance policy" to cover liability items in excess of coverage provided by the usual policies.

Present were Mayor Mel Leslie and members Jim Solomon, Cap Whorton, Tom Cooper and Richard White. Dalton Wood was absent.

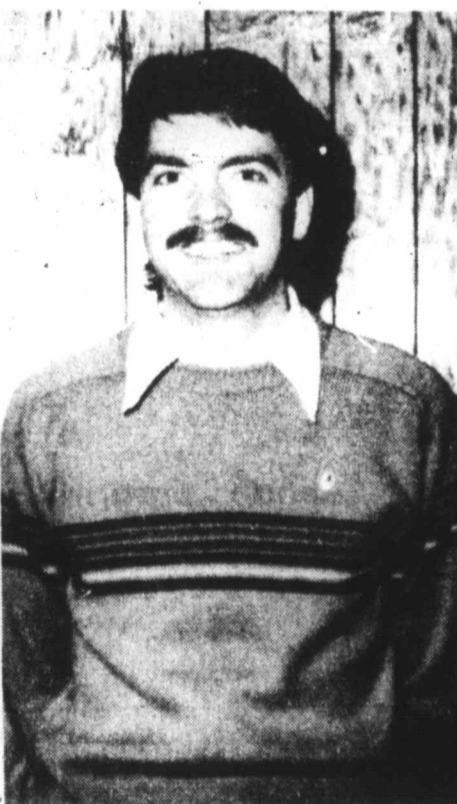

### McCracken Announces Candidacy

George McCracken announced this week that he is a candidate for re-election to the office of Lynn County Tax Assessor and Collector, subject to the May Democratic Primary Election. In regard to his candidacy, McCracken made the following statement to the citizens of Lynn County:

"I appreciate your cooperation and the wonderful support that you have given me. I have done my best to serve you in a fair and impartial way and to execute the duties of the office in the way that I feel you would want it to be run, always striving to be courteous and to assist you in any way possible.

"Your support and vote will certainly be appreciated, and if elected, I will continue to do the very best job that I possibly can."

TODD BARKLEY

### Music Director Begins Duties

Todd Barkley, who is scheduled to receive a bachelor of music degree with a major in music composition from Texas Tech in May, has begun duties as music and youth education director for the Tahoka First United Methodist Church.

Barkley is a 1978 graduate of Hamilton High School, where he was involved in drama and track and in Methodist youth organizations. He also played in the high school band.

At Tech, Barkley has been a member of Tech singers, and was a performer in the musical "Texas!" at Palo Duro Canyon one year. He also has worked as an announcer at Lubbock radio stations.

He moved to Tahoka last week. He will direct the church choir and other musical activities at the church as well as working with the youth, according to Rev. Gene Wisdom, pastor of the church.

Barkley was director of the choir of First Christian Church at Post for one year.

### 998-5145 CRIME LINE

#### Crime Line Offers \$300 Reward ...

For information leading to the clearing of burglaries at the homes of Bruce Hewlett, southeast of Wilson, and Bobby Hightower, north of Wilson, on New Year's Eve. Stolen from the Hightower home was a 25-inch Admiral color TV set.

#### \$300 Reward ...

For information on a burglary of the home of Don Strickland, southeast of Slide community, on Dec. 29. Stolen were firearms, stereo, TV, jewelry and a microwave. The guns included a Marlin 30-30 rifle and a Springfield 12-gauge shotgun.

Callers to Crime Line, 998-5145, need not identify themselves; arrangements will be made to pay any rewards through an intermediary. Crime Line is answered 24 hours a day, and also will accept collect calls.

Social Security...  
**OUT WEST**

By Bill West

King Solomon, with all his wealth and wisdom, never had it so good. Neither did the Pharaohs, Alexander the Great or any of the Caesars. Even John D. Rockefeller, Cornelius Vanderbilt, and Andrew Carnegie were impoverished by comparison. And the comparison is with you and me. In our middle class existence we have more of the good things of life than could be imagined by the fabled monarchs of old and the financiers of earlier generations. With the flick of a switch we "light up our lives."

No burning torches are required for illumination, no lamps to fill with oil, no wicks to trim. Another flick of another switch warms us on the coldest day or cools us when the weather sweetens. Our chariots have the power of a hundred or more horses. They cover great distances in a short period. They entertain us in AM FM and Stereo, with all of it done in a climate controlled comfort. There's just no limit to the quantity of food we can consume or to the variety of it, and restaur-

rants seem to spring up on every corner with supermarkets right beside them. What would Solomon, Caesar, or Carnegie have paid for these things we all enjoy without ceasing? Certainly large portions of their wealth if such "Miracles" had been for sale in their times. But all the gold and silver at their disposal couldn't get them airconditioning, electric lights or instant food of every kind. With all our present "Wealth" are we too demanding? Too unappreciative? Too critical? Do we spend more time complaining about prices than we spend giving thanks for availability? The answer to those questions is obvious. So, I've resolved to spend less time being critical and more time being thankful—primarily for food, shelter, and clothing, but also for the luxuries which come my middle class way several times daily. And I've resolved to be less critical of all levels of government of a country in which we have an abundance of material things and the freedom needed to enjoy them. I'm going to complain less about cost (in the form of taxes) and be more grateful for those acts of God and Government which protect, sustain, and enhance my life.

**Wilson School Menu**

Jan. 9-13, 1984  
**BREAKFAST**

- Monday**- Cheesetoast, diced pears, milk
  - Tuesday**- Oatmeal, toast, sliced peaches, milk
  - Wednesday**- Biscuit, sausage, applesauce, milk
  - Thursday**- French toast, butter, syrup, grape juice, milk
  - Friday**- Blueberry muffin, grapefruit juice, milk
- LUNCH**
- Monday**- Polish sausage, blackeyed peas, buttered corn, cornbread, apple cobbler, milk
  - Tuesday**- Barbecue chicken, red beans, new potatoes, hot rolls, sliced peaches, milk
  - Wednesday**- Vegetable beef soup, toasted cheese sandwich, applesauce, milk
  - Thursday**- Meatloaf, green beans, sliced carrots, cornbread, lemon pudding, milk
  - Friday**- Hot dog with chili, pickles, carrot sticks, pork and beans, brownies, milk

A bright red, white and blue, this runner's cap is more than a sporty piece of headgear—it's practical as well.

MRS. CLARK HANEY WELLS

**Kirksey-Wells Married In Double Ring Ceremony**

Tanya Jean Kirksey and Clark Haney Wells were united in marriage Dec. 31 at 10 a.m. in the Arapaho United Methodist Church with Rev. Ric Kuhlbars, pastor, officiating the double ring ceremony. Parents of the couple are Mr. and Mrs. Jeffrey Kirksey of Garland and Mr. and Mrs. John Wells of Tahoka. The bride, given in marriage by her father, wore a long-sleeved tea length gown of ribbon crocheted lace over satin. The bodice was of embroidered point d' esprit with scattered seed pearls. A matching lace hat was worn with seed pearl cascades and intertwining pearls over chapel length veiling. She carried a bouquet of daisies and small wildflowers atop a satin covered Bible, given by her grandparents. Marlene Ames of Dallas served as matron of honor. She carried a matching bouquet trimmed with trailing lace. Serving as best man was Jack Bush of Houston, brother-in-law of the groom. Gary White of Dallas played the traditional wedding selections. A reception was held after the ceremony. Assisting with serving was Patty Nelson of Dallas. The couple will honeymoon in San Antonio and make their home in Dallas. The bride attended South Garland High School and Hardin Simmons University. She is employed by Degoyer and Mac Naughton Petro Consultants. The groom attended Tahoka High School and graduated from Southwestern Oklahoma State University School of Pharmacy. He is employed by Eckerd's of Dallas. A bridal shower was given in the home of Mrs. Alta Thomas of Tahoka. Special guests were Mrs. Nan Adams, Lucille Ayer, Carol Barton, Hazel Bennett, Mac Edwards, Audrey Owens, Pat Park, Loucille Stewart, Lady Stewart, Joanna Thomas and Mackey Turner. Special guests were: Mrs. John Wells, mother of the groom and Mrs. Jeffrey Kirksey, mother of the bride. Hostess gift was a food processor and blender. A pre-nuptial party was given by Mr. and Mrs.

**ints For Homeowners**

**Underground Water Can Cut Fuel Bills**

Surprisingly, many homeowners may soon be using heat from the earth to warm their hearths. Earth-coupled heat pump systems are considered the most attractive alternative energy system today, thanks to the short time period of system cost recovery from savings. Dr. Jay H. Lehr, executive director of the National Water Well Association (NWWA) in Worthington, Ohio, estimates that 85 percent of the entire U.S. has enough heat energy in shallow ground water to warm all the homes and buildings in any locale. NWWA has completed a variety of heat pump projects for the U.S. Department of Energy and U.S. Environmental Protection Agency which have proven the viability, economic effectiveness and environmental safety of the system used to harvest this bountiful low-grade geothermal energy. Because earth-coupled heat pump systems utilize a renewable energy source which is free, they can relieve our nation's dependence on imported fuels and non-renewable domestic ones. Scientists consider the earth nature's most efficient energy storing system. Earth-coupled heat pump systems extract thermal energy from the ground in winter when home heating is required and expel heat into the ground in summer to effect air conditioning. In one method of earth-heat extraction, ground water is drawn from a supply well through a heat extraction machine where heat is removed from it via the refrigeration process and distributed through the home or building. The ground water, now cooled, is returned to the earth via a recharge well. The second method of earth-heat extraction involves closed-loop heat pump technology. This technology removes heat from the ground by circulating fluid through the ground in pipes installed vertically in deep wells. The heat absorbed is extracted from the fluid in the loop by a water-to-air heat pump without requiring any ground water. The earth-coupled heat pump systems are good for the country and environment when properly installed. Lehr stated that the biggest breakthrough in the public's use of these earth-source heating and cooling systems will come when Federal policies are amended to grant tax credits to users of these systems. Such credits have long been available to support the installation of far less effective solar heating equipment. Lehr told a Congressional panel that earth-coupled heat pump systems are economically viable in every one of our 50 states. To obtain a ground water heat pump booklet and a list of installers in your area, send one dollar with your name and address to NWWA, 500 W. Wilson Bridge Road, Worthington, OH 43085.

The earth's ground water can now be used to heat and cool homes.

Congratulations and Mrs. Harvey on the birth of a Katie Marie... Lubbock's Metropolitan Tuesday, 3:40 a.m. She lbs. 11 ozs and brother, Michael and Mrs. Phil San Pedro, California and Mrs. Elm of New Home grandmother Katie McWilliam Town.

Relatives in Mrs. Myrtle Christmas dinner Mr. and Mrs. Merrbach of Mr. and Mrs. son and Mr. and Mrs. Dobbs and so verse, La.; M Hester and Mrs. Geneva Tahoka.

Chris Lane in Waco with Bob Davis.

Dr. and Mrs. Kimberly and Abilene came mas with her and Mrs. L. Dr. Niece returned early in Charlotte and stayed until 5.

Rev. and Rial and the Christmas Corpus Christi parents, Mr. J.R. Renfro.

### New Home News

By Florence Davies — Call 924-7479

Congratulations to Mr. and Mrs. Harvey Schoppa on the birth of a daughter, Katie Marie, born in Lubbock's Methodist Hospital Tuesday, Dec. 13, at 3:40 a.m. She weighed 5 lbs. 11 ozs and has a big brother, Michael, 7.

Grandparents are Mr. and Mrs. Phil Marsh of San Pedro, Calif. and Mr. and Mrs. Elmer Schoppa of New Home. Great-grandmother is Mrs. Katie McWilliams of Bay Town.

Relatives in the home of Mrs. Myrtle Patterson for Christmas dinner were Mr. and Mrs. Norman Merrbach of Houston, Mr. and Mrs. Jack Patterson and Mr. and Mrs. Don Dobbs and sons of Converse, La.; Mrs. Sandra Hester and children and Mrs. Geneva Carter of Tahoka.

Chris Lane spent a week in Waco with his cousin, Bob Davis.

Dr. and Mrs. Allen Niece, Kimberly and Landon of Abilene came for Christmas with her parents, Mr. and Mrs. L.H. Nettles. Dr. Niece returned to his work early in the week. Charlotte and the children stayed until Saturday.

Rev. and Mrs. Jarrell Rial and children spent the Christmas holidays in Corpus Christi with her parents, Mr. and Mrs. J.R. Renfro.

Carlton and Joyce Davies of Amarillo visited here with us Sunday evening.

Mrs. Don Sharp entered Highland Hospital Monday and will have major surgery Tuesday.

Mr. and Mrs. Jack White and sons, Jake and Sam of Hereford spent Christmas week with Mr. and Mrs. Dave Evans.

Jerry and Jeanne Garner and children of Perryton came Saturday for Christmas and New Year with the Bruton families. Dorothy's mother, Mrs. Rex Welch of Post, visited here with them Saturday.

Sylvia and Frank McDonald returned to their home in Sweetwater Tuesday after 10 days here with her mother and grandmother.

Guests in the home of Mr. and Mrs. Sonny Hitt for Christmas dinner were Mr. and Mrs. Richard

Beydler, Nikki and Mark of Cedar Hill; Mr. and Mrs. Gary Moore, Dasha and Merae of Idalou; Mr. and Mrs. Terry Hitt and Benjie of Ralls; Bobby Hitt, David and Erica of New Deal; Jay Hitt and Sabrina Norvick of Lubbock; Jimmie Hitt of New Home and Bill Ockander of Lubbock.

Visitors in the Virgil Wiley home during Christmas were Cindy, Vic and Holly of Austin; Dennis,

Clay, Perry, Justin and Jenny of Hondo and Darrell Haley of Lubbock.

Clifton and Bernice Clem, Mark and Georgia and children spent Christmas in Red River, N.M. Mark and Georgia enjoyed skiing.

Mr. and Mrs. Orvil Ray Phifer of Earth and Panda and a friend from Dallas visited here Christmas with the Nettles family.

Mr. and Mrs. Charlie Hemmeline were in Denver City several days. Dink stayed four days in the Yukon County Hospital but was released in time for Christmas with Royce and Jewel Dean. Peggy and Duke Frisbee of Gail were with them and her parents went home with them for a few days, returning home Monday. Mr. and Mrs. M.P. Harmonson and Linda Fay visited with the families in Denver City Christmas day.

Shirley Smith entered Methodist Hospital Monday and is scheduled for knee surgery Tuesday.

Mrs. Nell Blakney and Max were in Amarillo for Christmas with Sharon and Max Ince and family. Max returned here and Nell stayed until Friday. Pauline and Nancy Smith went to Amarillo and Nell returned home with them.

Shelly McDonold of Sweetwater is in the Methodist Hospital for foot surgery Tuesday. When she is released from the hospital she will be here with her grandmother for a few days.

Mr. and Mrs. Bob Ballard and boys spent Christmas in Ballinger with his parents, Mr. and Mrs. Preston Ballard. Don and family of Rule and Jim and family of Lake Arrowhead were also with them.

After three weeks in St. Mary's Hospital and a few days with her mother, Mrs. Eva McCormick in Lubbock, Mrs. Roger Blakney returned home Thursday.

### New Home School Menu

Jan. 9-13, 1984

**BREAKFAST**  
Monday - Pancakes, syrup, pineapple juice, milk  
Tuesday - Cold cereal choice, banana, milk  
Wednesday - Cinnamon toast, mixed fruit, milk  
Thursday - Oatmeal, toast, juice, milk  
Friday - Donuts, juice or fruit, milk

**LUNCH**  
Monday - Macaroni and beef, corn on cob, hot roll, fruit cocktail cake, milk  
Tuesday - Enchiladas, Mexican salad, fresh oranges, milk  
Wednesday - Chopped ham and cheese sandwich on submarine bun, lettuce pickles, tomato, cold pea salad, canned fruit, milk  
Thursday - Turkey pot pie with vegetables, red apple milk  
Friday - Hamburger or cheeseburger, lettuce, pickles, onion, tomato, French fries, peanut butter surprise, milk

CRYSTAL BROWN

### Crystal Brown is Contest Winner

Crystal Brown, daughter of Todd and Paula Brown of Tye, and granddaughter of Jerry and Sandra Brown of Tahoka, was entered in the Baby Beauty Pageant sponsored by the Veteran's Association Saturday, Nov. 26. She won second place in the girls division age 15-19 months. She was also awarded a certificate of beauty and rosette ribbon for having a score of over 95 per cent. On Dec. 8, she won a first place trophy for queen in her division.

### Texas Baptist Conference Set Jan. 9-11

The annual Texas Baptist Evangelism Conference in Fort Worth Jan. 9-11 is expected to draw more than 13,000 pastors and other church leaders from across the state to hear some of Southern Baptists' greatest preachers. Under a theme of "Christ Lifted Up," the conference will focus on Prayer for Spiritual Awakening and a goal to baptize 85,000 people in Texas in 1984, said Baptist General Convention of Texas Evangelism Director Carlos McLeod. Zig Ziglar, nationally-known motivational speaker and member of First Baptist Church, Dallas, will speak on "Positive Pastoring," and Bob Lilly, former Dallas Cowboy all-pro tackle, will give his testimony. The evangelism conference will begin at 6:45 p.m. on Jan. 9 at Tarrant County Convention Center and will conclude with the morning session Jan. 11.

George Custer was the youngest American man ever to make rank of General in the American army—he achieved that by age 23.

## Governor Mark White REPORTS

AUSTIN—The Governor's Select Committee on Education is committed to returning its draft report card on public school education by March 1, making next summer a likely candidate for a special legislative session.

We could pursue reforms in education through infinite studies, but studies have chased the problems, and the problems still outrun the reports.

The Select Committee recognizes that prolonging its much needed comprehensive review of education would only magnify existing inequities in teacher pay, in state funding for tax-poor school districts, and in educational programs for students with special needs.

After attending several of the committee's public hearings in the past six months, I have proposed a nine-point agenda for making needed changes in public school education. This includes raising teachers' salaries by 12 percent in 1984-85, while increasing beginning teachers' pay from \$1,100 to \$1,400 per month.

Because educational opportunity should not depend on the wealth of a school district's tax base, Texas lawmakers need to revise the equalization aid formula to direct more state dollars to the poorest districts.

Our schools should end the practice of promoting students who cannot read and, instead, should offer summer remedial reading programs and coordinate early learning programs with day care centers.

Six additional proposals to improve academic performance include:

- Implementing a 10-week residential summer school program offering basic subjects for students performing below grade level. Field trips, work experience, and organized social activities would supplement classwork.
- Offering summer residential programs for gifted high school

students on college campuses where they could take advanced courses.

\*Raising college entrance requirements for prospective teachers and requiring teacher candidates to maintain a B-average in their major and minor courses which should be outside the College of Education.

\*Expanding adult basic education programs to reduce the illiteracy rate in Texas.

\*Making scholarships in teacher education available to high school seniors in the top 10 percent of their graduating class.

\*Updating teaching techniques to capitalize on the state of the art technological abilities and the talent of business and industry.

Texas taxpayers are paying billions of dollars for education, but they are not getting a first-class system in return.

Expanding programs and raising teacher salaries will add to the cost of public education—and that means increasing taxes. The only thing worse than raising taxes would be to refuse to do what is necessary to improve our educational system.

### OEA Student Of The Week

VOE STUDENT OF THE WEEK — Amber Carter is this week's VOE student of the week. She is the daughter of Melissa Carter. She is also a member of OEA, and enjoys listening to music. Amber is studying to be a receptionist.

Each month, more than half the articles in the current Reader's Digest are selected for the Large-Type Edition. There are 352 pages of entertaining, educational and informative reading. The type is twice as large as the regular edition and, for easier reading, the magazine has a single column format. A brochure with subscription information is available at no cost by writing to: Thomas Todd, Large-Type Edition, Box 241, Mount Morris, IL 61054.

## CREATIVE COOKING

Try Herbed Salmon Ball at your next party. Served with chilled white wine, it's a positively elegant-appetizer.

### HERBED SALMON BALL

- 1 can (15-1/2 oz.) Bumble Bee Red Salmon
- 1 package (8 oz.) cream cheese, softened
- 1 clove garlic, pressed
- 1/2 cup small curd cottage cheese
- 1/4 cup minced onion
- 1 teaspoon fines herbes, crumbled
- 1/2 teaspoon thyme, crumbled
- 1 cup chopped parsley
- 1/2 cup chopped walnuts

### Crackers

Drain salmon. Remove skin, if desired. Mash bones. Combine cream cheese, garlic, cottage cheese, onion, fines herbes and thyme until well blended. Stir in salmon to blend. Chill 3 hours. Mixture will be soft. Roll in parsley and walnuts. Serve with crackers. Makes 4 servings.

### Senior Citizens MENU

Jan. 9-13, 1984

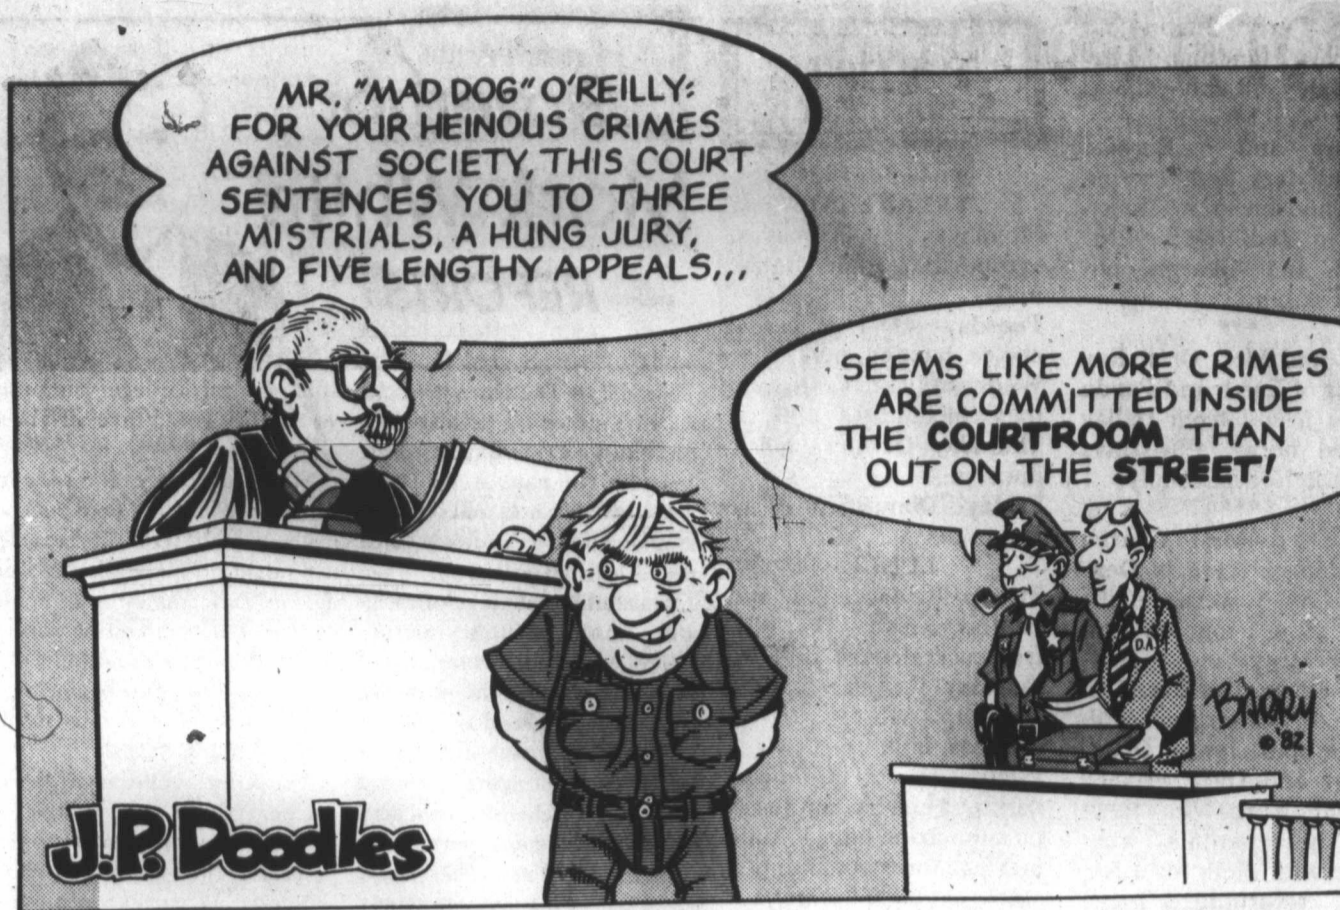

- Monday**- Vegetable soup, cheeseburger, lettuce, tomato, mustard, mayo, onions, pickles, pineapple upside-down cake, milk
- Tuesday**- Barbecue beef, pinto beans, carrot slaw, onions, pickles, cornbread butter, canned plums, milk
- Wednesday**- Ham, macaroni & cheese, buttered green beans, tossed salad with dressing, roll, butter, cherry cobbler, milk
- Thursday**- Oven baked chicken, cream gravy, rice, turnips & greens, roll, butter, banana-vanilla wafer-pudding, milk
- Friday**- Oven fried fish, tartar sauce, catsup, potatoes au gratin, buttered spinach, cornbread, butter, raisin cookie, milk

## Brownfield C-C Slates Banquet

The annual Brownfield Chamber of Commerce Banquet will be held Saturday, Jan. 14, at 7 p.m. in the Brownfield High School Dining Commons located at 701-North Fir. The theme is "Together We Stand" with guest speaker Dr. Don Newbury, President of Western Texas College in Snyder.

The "Outstanding Citizen for 1983" will be recognized and new officers and directors will be introduced.

## New DWI Laws Tough On Violators

A minimum jail term is mandatory for any person convicted two or more times for DWI under a stricter Texas law effective January 1, 1984.

Colonel Jim Adams, DPS

Look who's New

Valton and Eunice Stephens are the parents of a daughter, Jessica Christine, born Dec. 26 at 7:44 p.m. in Lubbock's Methodist Hospital. She weighed 6 lbs. 11 ozs. and was 20 inches long. She has two brothers, Gary and Greg.

Grandparents are Mr. and Mrs. Herbert G. Smith and Mrs. Roy V. Stephens, all of Tahoka.

GO BULLDOGS!

director and chairman of the task force which recommended tougher DWI legislation, said the new law should close the back door in the criminal justice system for repeat offenders.

"Deferred adjudication, which allowed repeat violators to wipe the slate clean after each DWI arrest, will be eliminated under this new statute," Adams pointed out. "Even if probation is given, a conviction record will be established for the offender and this record can be used in subsequent prosecution of any additional drunk driving charges. Jail time is mandatory as a condition of probation beginning with the second DWI conviction."

The new law provides increased penalties for DWI convictions. Conviction on first offense DWI carries a jail term ranging from 72 hours to two years. A second offense conviction is

punishable by jail time ranging from a minimum of 15 days up to two years with a fine of \$300 to \$2,000. Conviction for third and subsequent DWI offenses carry a fine of \$500 to \$2,000 and confinement in jail for a minimum of 30 days to two years or in the state penitentiary for 60 days to five years.

Minimum terms of confinement are increased by 60 days and fine limits are raised by \$500 if the DWI offense results in serious bodily injury to another person. If a drunk driver is found to be responsible for a traffic fatality, the law prescribes a mandatory term for the violator.

Adams said the revised DWI statute will aid in the prosecution of drunk drivers.

"Under the present law, a person is only presumed to be intoxicated if tests reveal a blood alcohol concentration of .10 percent or more," Adams said. "The new law establishes that a driver is definitely too drunk to drive at the .10 percent level."

The revised statute also contains provisions for automatic 90-day suspension of

driving privileges for refusal to submit to an alcohol chemical test. The refusal also will be admissible evidence in the driver's trial. The drunk driver's vehicle may be confiscated and sold upon the fourth DWI conviction.

The DPS director predicted that the statute will help deter DWI violations and provide the means to identify repeat offenders.

"Despite increased DWI arrests and enhanced public awareness about this problem, far too many people still believe that there are no unfavorable consequences to drunk driving," Adams said. "Texas law enforcement agencies do not have enough resources to adequately police all streets and highways. However, when these changes in the DWI law take effect, drunk drivers who are detected can count on being punished in a meaningful fashion. This should help discourage drunk driving," concluded Adams.

Lynn County Merchants Appreciate Your Business

### Area Men In Service

PVT. ALBERTO SOLORZANO  
**N.H. Grad In Marines**

Pvt. Alberto Solorzano, son of Mr. and Mrs. Elpidio Solorzano, and a New Home High School graduate, has completed and graduated boot camp. He is stationed in the Marines in San Diego, Calif.

Pvt. Solorzano earned the marksmanship award and rated the second highest in P.F.T. out of 58 men. He returned Dec. 26 to camp Pendleton in San Diego to study legal services.

Navy Seaman Apprentice Leopoldo L. Mecalco, son of Jose and Naomi Mecalco of O'Donnell, has completed recruit training at the Naval Training Center, San Diego.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Airman Nancy Martinez, daughter of Raymond and Brune Martinez of O'Donnell, has graduated from the U.S. Air Force administrative specialist course at Keesler AFB, Miss.

### Tahoka School Menu

Jan. 9-13, 1984  
BREAKFAST

- Monday**- Donuts, sliced pears, milk
- Tuesday**- Sausage, hot biscuits, butter, jelly, orange juice, milk
- Wednesday**- Cinnamon toast, sliced peaches, milk
- Thursday**- Scrambled eggs, hot biscuits, jelly, butter, grape juice, milk
- Friday**- Honey buns, diced pineapple, milk

### LUNCH

- Monday**- Pizza, buttered corn, tossed salad, sliced peaches, milk
- Tuesday**- Hot dogs & chili, pinto beans, cole slaw, peanut butter cookies, milk
- Wednesday**- Hamburgers French fries, lettuce, onions, pickles, applesauce cake, milk
- Thursday**- Grilled cheese sandwich, vegetable soup tossed salad, crackers, fruit jello, milk
- Friday**- Fried chicken, green beans, creamed potatoes, hot rolls, pear halves, milk

The horned toad is not actually a toad at all—it's a lizard, a cousin of the iguana.

Martinez is scheduled to serve with the 96th Combat Support Group at Dyess AFB, Texas. She is a 1983 graduate of O'Donnell High School.

Pvt. Conrado C. Reyes, son of Carlos G. and Maria Reyes of Lamesa, has arrived for duty at Fort Clayton, Panama.

Reyes, a construction equipment repairer with the 193rd Infantry Brigade, was previously assigned at Fort Leonard Wood, Mo.

His wife, Mirra, is the daughter of Victor Ramos of O'Donnell.

### BRING BACK THE CHALLENGE.

Sometimes what you miss most from your service experience is the challenge to your physical and mental ability.

A good way to renew that is in the Army Reserve, one weekend a month (usually two 8-hour days) and two weeks summer training a year.

For instance, an E-5 with four years' experience can earn \$1,922 a year to start.

Accept the challenge. Call your Army Reserve representative in the Yellow Pages under "Recruiting."

## Vesta L. Lane

Services for Vesta L. Lane, 71, of O'Donnell were held at 2 p.m. Friday, Dec. 30, at O'Donnell Church of Christ with O.H. Tabor, retired minister, officiating, assisted by Leslie Mickey, minister.

Burial was in O'Donnell Cemetery. She was pronounced dead at 11 a.m. Tuesday on arrival at Methodist Hospital in Lubbock after a sudden illness.

She was a lifelong resident of Dawson County. She married Robert O. Lane Jan. 14, 1931 in Borden County.

She was a longtime member of the Church of Christ.

Survivors include her husband; a son, Bill of Ada, Okla.; a daughter, Laquita James of O'Donnell; seven grandchildren; and four great-grandchildren.

## Robert Corley

Services for Robert "Bob" Corley, 59, of Rt. 6, Lubbock, were held at 2 p.m. Saturday, Dec. 31, at First Baptist Church in Tahoka with the Rev. Glen Williams of Muleshoe officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home.

Corley died at 5 p.m. Thursday at his home after a lengthy illness.

Born Feb. 13, 1924, in Hanceville, Ala., he came with his family to Lynn County in 1926, from Hanceville. He was a dock supervisor for the White Swan Company in Lubbock.

He was a member of Primitive Baptist Church.

Corley attended school in Wilson and married Renell Ingle Krause Jan. 7, 1963, in Lubbock.

Survivors include his wife; his parents, Mr. and Mrs. W.B. Corley of Eastland; two daughters,

Melanie Gillentine of Lubbock and Diana Rike of Maybank; three sisters, Ima Yocham and Allene Zirkle, both of Rising Star and Joy Townsen of California; three brothers, O.B. of Tahoka, J.W. of Kermit and Dewey of Tyler; and three grandchildren.

Pallbearers were Tommy Page, George Smith, Larry Priest, Fred Arguello, Glen Earl Anderson and Gene Ingle.

## Anna M. Spann

Rosary for Mrs. Anna Marie Spann, 69, of Houston was said at 7 p.m. Dec. 14 in Sanders Memorial Chapel in Lubbock with the Rev. James Comiskey, pastor of Christ The King Catholic Church, officiating.

Services and burial were in Houston.

Mrs. Spann died at 6:15 Tuesday, Dec. 13, in the home of her sister, Mrs. Pauline Brosch of Lubbock. Mrs. Spann, who had been in Lubbock six weeks, had been under a physician's care.

She was born in Shiner and had lived in Houston for many years. She was a member of Corpus Christi Catholic Church of Houston.

Survivors include two sons, Robert Louis and Roy James, both of Houston; three brothers, Johnny Raindl and Emil Raindl, both of Tahoka, and Joe Raindl of New Braunfels; four sisters, Pauline Brosch of Lubbock, Mrs. Harold (Marie) Moss of Clovis, N.M., Mrs. Owen (Claudia) Workman of Hobbs, N.M., and Josephine Ziek of Churchville, MD.; and four grandchildren.

## Frank Taylor

Services for Frank Taylor, 71, of Brownfield

were held at 10 a.m. Wednesday, Jan. 4, in the Assembly of God Church of Brownfield with the Rev. Edwin Brooks, pastor, officiating.

Graveside services were conducted at 3 p.m. at Jayton Cemetery.

He died at 5 p.m. Monday in Lynn County Hospital in Tahoka after a brief illness.

Born in Jayton June 1, 1912, he married Lula Rae Smith there Feb. 20, 1933. They later moved to Terry County, where he farmed until retiring in 1975. She died Nov. 2, 1983. He was a member of the First Assembly of God Church.

Survivors include three sons, Wesley of Tahoka, Dewain of Coynosa and Robert of Pittsburg; two daughters, Minnie Battles of Pittsburg and Bernice Wright of Dallas; four brothers, Charlie, Eddie and Grady, all of Stanford, and Billy of Tahoka; four sisters, Salle McAteer and Junia Long, both of Jayton, Lula Rae Raney of Dalhart and Juanita Bilbrey of Abilene; 23 grandchildren; and 19 great-grandchildren.

## Earl M. Bishop

Services for Earl M. Bishop, 97, were held at 2:30 p.m. Monday, Jan. 1, at the First Baptist Church with Dr. Floyd C. Bradley officiating.

Burial was in Lakeview Cemetery. He died at 2:30 p.m. Saturday in the Floydada Nursing Home following a lengthy illness.

He was born in Franklin and moved to Floyd County in 1925. He married Lillie Davis Jan. 16, 1905. She died Jan. 24, 1982. He was a retired farmer.

Bishop was a Methodist. Survivors include two sons, Holt of Floydada and Davis of Tahoka; three daughters. Tiny Mc-

Gregor of Marble Falls, Lula Teague of Floydada and Betty Howard of Lubbock; a brother, Till of Baytown; three sisters, Cora Hayes of Tahoka, Susie Rose of Tomball and Alice Aldridge of Dallas; 17 grandchildren; 37 great grandchildren; and 15 great-great-grandchildren.

## Annie Brown

Services for Mrs. Annie Brown, 94, of Slaton were held at 2:30 p.m. Monday, Jan. 2, at Slaton Church of God.

Burial was in Englewood Cemetery.

She died at 5 a.m. Saturday at her home after a lengthy illness. She had been under a doctor's care.

Born Feb. 15, 1889, in Missouri, she moved to Texas in 1916 to Knox County. She moved to Lynn County in 1924 and had lived in the New Home community many years with her family before moving to Slaton in 1953.

She was preceded in death by her husband and two sons, Algie and Bonnie.

Survivors include two daughters, Mrs. Henry (Daisy) Van Santin of San Angelo and Mrs. Wade (Sonoma) Smith of Pineville, Ark.; eight grandchildren; 17 great-grandchildren; and six great-great-grandchildren.

## Crescencio Flores

Mass for Crescencio Flores, 82, of Tahoka was held at 10 a.m. Thursday, Dec. 29, at St. Jude's Catholic Church with the Rev. Rodney Howell, pastor, officiating.

Burial was in Tahoka Cemetery under direction of White Funeral Home. Flores died Monday night in his home. Justice

of the Peace Ed Hamilton ruled death by natural causes.

He was born in Cotulla and moved to Tahoka in 1952 from Big Wells. He married Jesusa Gonzales May 7, 1931, in Carrizo Springs. He was a retired farm worker and a Catholic.

Survivors include his wife; three daughters, San Juana, Maria, and Ayda, all of Tahoka, three sons, Otiqio of Tahoka, Mauricio of Lubbock and Roy of Ohio; a sister, Valentina Cuardiola of Carrizo Springs; a brother, Agustin Cuardiola of Chicago; 17 grandchildren; four great-grandchildren.

Grandsons were pallbearers.

## THE MAGIC OF MATH

A number of parents are asking questions about their children's mathematics education:

- Is my child receiving the necessary mathematics instruction to be able to cope with the future?
- Is my child reaching his or her highest learning potential?
- How can I help my child enjoy learning mathematics?

154	77		
99			
110			88

Filling in—or making up—"magic squares" can help children enjoy mathematics.

Some parents are finding answers by becoming parent members of the National Council of Teachers of Mathematics. Members receive useful periodicals and newsletters and are able to purchase other teaching tools at a substantial discount.

Some are also using creative mathematics activities at home. One idea is to make up some "magic squares." In a magic square, every row, column and diagonal has the same sum. Use a calculator if you like.

To learn more about joining the Council, or to get the answer to this magic square, write to the NCTM/Parents, 1906 Association Drive, Reston, VA 22091, or call (703) 620-9840.

## CREATIVE COOKING

Savory Salmon Custards require very little preparation. They need an hour in the oven, so you'll have time to toss a salad, set the table and relax a bit too.

### SAVORY SALMON CUSTARDS

- 1 can (15-1/2 oz.) Bumble Bee Pink Salmon
- 4 slices French bread (1/4 to 1/2-inch thick)
- 2 cups shredded Monterey Jack cheese
- 2-1/2 cups milk
- 4 eggs
- 1/2 teaspoon thyme, crumbled
- 1/4 teaspoon salt
- 1/8 teaspoon cayenne pepper

Drain salmon. Place slice of bread in four (1-1/2-cup) casseroles or oven proof bowls. Break salmon into bite-size pieces and place over bread. Top each with 1/4 cup cheese. Beat together milk, eggs, thyme, salt and cayenne. Pour mixture equally into each casserole. Top each with remaining cheese. Fill 3-quart casserole dish with 1 inch warm water. Place casseroles in dish. Bake in 300°F oven 1 hour 15 minutes until knife inserted along sides comes out clean. Let stand 15 minutes before serving. Makes 4 servings.

For more delicious salmon recipes, send a stamped, self-addressed business-size envelope to: Dept. N 83, Bumble Bee, Box 7758, San Francisco, CA 94120.

The first automobile to cross the United States took fifty-two days to go from San Francisco to New York in 1903.

The hearing aid representative will be here Jan. 17 from 9:30 to 10:30 a.m. If you need minor repairs on your aid or have hearing problems you need to discuss, be sure to be here.

Blood pressure check Jan. 17 at 11 a.m.

Social Security representative will be here Jan. 18 at 9 a.m. He leaves before noon so be here by 10:30 if you wish to see him.

With the return of better weather we hope to get back on our usual routine. We have dominoes, '42', or other games all day, exercises at 10 a.m. each day and game nights each Monday night. We're also planning our singing night the first Monday in February.

### Savings Bond Sales Are Up

Sales of U.S. Savings Bonds during the period January through September 1983 in Texas amounted to \$202,122,865 an increase of 28.5% over the same period a year ago, John W. Dixon, Chairman of the Board and CEO of E-Systems, Inc. in Dallas and Volunteer State Chairman for Texas, announced today. These sales represent 90% of the state's 1983 assigned dollar goal of \$224,700,000.

Sales of Series EE Bonds were \$1626 during September 1983, for a total of \$23,672 for the first nine months of 1983 in Lynn County, R.B. Hegi, Volunteer County Chairman, said. These sales represent 43% of the County's 1983 assigned dollar goal.

Nationally, September 1983 sales of Series EE Bonds amounted to \$315 million, up 22% over September 1982, making a nine-month total of \$3.06 billion, an increase of 32%. Savings Bonds held by the public amounted to \$70.6 billion as of Sept. 30, an increase of \$272 million for the month.

According to County Chairman Hegi, the U.S. Treasury Department has announced a market-based interest rate of 9.38 percent for the first semi-annual interest period of Series EE Bonds issued between Nov. 1, 1983 and April 30, 1984. This is the third semiannual rate to take effect since the market-based, variable rates were introduced a year ago. The combined market-based rates -- 11.09% from November 1982 to April 1983; 8.65% from May to October 1983 and

### NEW AMERICAN COOKING From The Kitchens Of Betty Crocker New Cookbook Highlights New Cooking Trend

The American people care about physical fitness and good nutrition now as never before. Americans are turning to cooking methods that require less fat, such as poaching, steaming, baking and stir-frying. Less salt is put on food and more lemon, garlic, onions, spices and herbs are used to enhance flavors.

Now there's a cookbook tailored to America's new style in food. It's Betty Crocker's *New American Cooking* and it's a volume filled with recipes for those who seek well-balanced diets of lighter meals and more healthful snacks. This cookbook is more than a collection of 350 delicious, tempting recipes. It's also a common sense guide to good nutrition. Each recipe is tagged with its calorie count per serving, and good sources of important nutrients are identified in many recipes.

The book is a Random House publication, priced at \$14.95 and available at book and department stores.

Here's a sample recipe:

**Chicken Provençal**  
Good source of protein, niacin and vitamin A.

- 2-1/2 to 3-pound broiler-fryer chicken
- 1/3 cup all-purpose flour
- 1 teaspoon paprika
- 1 teaspoon dried basil leaves
- 1/2 teaspoon salt
- 1/2 teaspoon dried oregano leaves
- 1/4 teaspoon pepper
- 1/4 teaspoon dried marjoram leaves
- 3 tablespoons vegetable oil
- 16 small pitted ripe olives
- 8 medium carrots, cut into fourths
- 8 small whole onions
- 4 medium potatoes, cut into fourths
- 1 cup chicken broth
- 1 tablespoon cornstarch
- 1 tablespoon cold water

High in nutrition, low in calories—Chicken Provençal.

each breast half into halves and remove skin. Mix flour, paprika, basil, salt, oregano, pepper and marjoram. Coat chicken with flour mixture. Heat oil in 4-quart Dutch oven until hot. Cook chicken until brown on all sides, about 15 minutes. Add olives, carrots, onions and potatoes; pour chicken

this latest one of 9.38% for Nov. 1, 1983, to April 30, 1984 -- make the average yield 9.70 percent for the three periods. Older Series EE and E Bonds and U.S. Savings Notes also receive the variable rate; however, all Bonds must be held at least five years from their date of purchase or Nov. 1, 1982 (whichever is later) to receive these rates.

### Veterans Land Board Begins Monthly Loan Payment Plan

Texas Land Commissioner Garry Mauro announced this week that the Veterans Land Board will begin phasing in a monthly payment plan for all veterans participating in the Land Program.

"Veterans have repeatedly told me they would prefer monthly payments on land loans. A change from semi-annual to monthly payments will

benefit many veterans who want to more accurately plan their finances, and will encourage more veterans to participate in the land program," Mauro said.

Land loan repayments have been semi-annual since the program first started in 1949. Over 80,000 veterans have participated in the program which offers low-interest loans of up to \$20,000 for the purchase of ten acres or more of land.

The new monthly payment program will begin

with veterans who obtain applications for loans after Jan. 1, 1984. They will automatically get a monthly repayment schedule for their loans. Veterans who obtain loan applications before Jan. 1, 1984, and veterans who are now making semi-annual payments will be offered the option of converting to monthly payments beginning in the Spring of 1984.

Full details on this new option will be provided to all present participants in the land program beginning

ing with semi-annual statements mailed in April and July 1984.

### TIPS FOR HOMEOWNERS

Many homeowners are finding that there's an easy way to cut home heating costs these days—and be comfortable while doing so. A new thermostatic radiator valve regulates individual room temperatures, providing extra heat in some rooms and less heat in others, such as the kitchen, which already has a "free" heat supply from the stove and other cooking

The valves were the only thermostatic radiator valves chosen to be displayed in the Energy Saving House at the 1982 World's Fair in Knoxville, Tennessee. A fuel oil dealer, utility company, plumber or other heating specialist can tell you more about them.

Designed to cut heating costs by as much as 20% or more in one-pipe steam heating systems, the Danfoss R-1PS lets you determine how much or how little heat you want—and where. No more uncomfortable, wasteful, expensive temperature fluctuations—the kind that standard manual valves cannot control. Installation is quick, convenient and economical.

### Two Factors Causing Small Grains Stress

Producers of small grains on the Texas South Plains are reporting increasing symptoms of plant stress and need to consider both moisture and nutrient deficiencies, cautions an agronomist with the Texas Agricultural Extension Service. Some producers didn't

fertilize their fields which were summer fallowed, thinking they had enough nitrogen in the soil to carry a new crop, said Dr. Kirby Huffman, Extension agronomist at Lubbock.

"Some plants have had such severe nitrogen deficiency that a purple color developed which looked similar to phosphorus deficiency," Huffman said. Soil tests by the Extension soils laboratory at Lubbock showed an ade-

quate level of phosphorous, but only two parts per million of nitrogen, he reported.

This can cause a purple color in small grains, even though most nitrogen-deficient plants are yellowish," the agronomist explained.

"Producers need to check their fields and soil test to find out what they lack, and fertilize with the needed nutrients," he advised.

Small grains have also undergone stress due to cold, dry weather in recent weeks, he said. High winds have dried out moisture in the topsoil, he said.

In some instances, he reported, land that was fallowed last summer has moisture down deep, but not enough in the topsoil to allow the small grain plants to develop roots to take advantage of the deep moisture.

"If a producer has an opportunity to water some of these particular fields, it might be a good idea so that roots will grow on down before hard freezes later in the year," Huffman said.

Pick a sweet orange by examining the navel. Choose the ones with the biggest holes.

### Delegates To NCC Named

Forty-five Texans have been named delegates to the National Cotton Council for 1984.

The cotton leaders will help set Council programs and policies for the coming year at the industry-wide organization's annual meeting in Little Rock, Ark., Feb. 5-7.

Rufus Grisham, Lubbock crusher, will head the state delegation. Alternate delegates include Wayne Huffaker of Tahoka.

### Pesticide Certification Meeting Set

A private applicators certification meeting will be held Jan. 10, at 6:30 p.m. in the Lyntegar Meeting Room.

All private applicators are required to have private applicators license to purchase and apply restricted chemicals. Chemicals are on the restricted use list that affect most nearly all farmers in Lynn County. This includes arsenic acid, Paraquat, Banvel and all hormone type herbicides.

This meeting will offer a chance to review the laws, regulations and safety use of the chemicals. Also private license application will be submitted and license will be issued by the Texas Dept. of Agriculture.

The meeting is sponsored by Lynn County Extension Service and Bartley-Weaver Fertilizer.

### Letter to The Editor

Dear Editor: I am concerned about our city expenses. We should start cutting expenses.

Do we need five men in our police department?

We have our sheriff and deputies to help control our crime. Couldn't we eliminate some of our policemen?

Brad Thorpe

[EDITOR'S NOTE: The city has three fulltime and two part-time officers.]

### Ginning Winds Down

Ginning of the 1983 High Plains cotton crop is almost completed as reflected in the sharp drop in volume of daily receipts at USDA's Marketing Services Office at Lubbock. About 35,000 samples per day were received during the season's peak in late November and early December, according to Mack Bennett, area director of the USDA facility. The daily volume was down to about 2500 on Thursday, Dec. 29.

Meanwhile, growers watched cotton prices decline as more farmers offered crop lots for sale. Mixed lots of mostly grades 52 and 53, staples 31-33, mike 35-49 brought around 1800 to 2000 points over 1983 loan rates. This compares with 2000 to 2200 over in early December, Bennett said. Below grades brought mostly 55 to 57 cents per pound down about three cents from early December.

Gins paid growers \$155 to \$175, mostly \$170 per ton for cottonseed.

Lubbock's Marketing Services office classed 36,000 samples during the week ended Dec. 29, Bennett continued. This brought the season's total to 916,000 and compares with 536,000 classed by the week ended Dec. 29, 1982. Predominant grades during the week were grade 42 at 28 percent, grade 52 accounted for 27 percent, grade 43 was 14 percent and grade 53 amounted to 13 percent. Below grades comprised seven percent

while 43 percent was reduced one grade because of bark. Predominant staples were staple 31 at 25 percent, staple 32 was 22 percent, staple 33 amounted to 18 percent and staple 34 was 12 percent for an average of 32.0 thirty-seconds of air inch.

Mike 35-49 was 73 percent, 33-34 comprised 10 percent, 30-32 was 10 percent and 27-29 accounted for five percent for an average of 37.

High Volumes Instrument breaking strength averaged 25.7 grams per tex during the week.

United States upland cotton prices continued to decline during the week ended Dec. 29. The eight market average price for grade 41, staple 34, mike 35-49 cotton was 72.11 cents per pound on Thursday, Dec. 29. This was down 22 points from one week earlier. Thursday's average was 12 cents higher than one year earlier.

### Gutierrez Named Farmworker Coordinator

Texas Agriculture Commissioner Jim Hightower has appointed Eduardo Gutierrez as the Department's first Farmworker Coordinator, saying, "TDA's new Farmworker Office will give this vital part of Texas agriculture a focal point it's never before had in State Government."

Gutierrez grew up on the South Plains, graduating from Brownfield High School. He later studied at the University of Mexico and the University of Texas at El Paso.

### Be Smart With Oil

If you're a money-wise driver, you know how to read an oil can.

"SF" is the top grade for gasoline engines, "CD" for diesels (some oils like synthetic Mobil 1 are rated both SF and CD).

Oil flowability is rated with viscosity numbers—the lower the number, the easier the flow. A multi-grade 10W-40 is an oil that flows easily in the cold (10W) but also doesn't thin out unduly in summer temperatures. Most good oils now are "all-seasons," generally suitable for most driving conditions. A 5W-30 gives you extra ease in cold starting.

Your oil is best checked with your car on level ground and the engine stopped a few minutes to let the oil drain back into the crankcase. Wipe the engine-oil dipstick, reinsert, pull it out—add oil if it's at or below the add mark. There's new plastic packaging with bottle necks so you don't need a funnel; and you can screw a dirt-proof cap back on to protect oil you don't need right away.

### Households may apply for energy assistance

Austin—According to the head of the Texas Department of Human Resources, some low-income Texas households may be eligible for help in paying their heating bills through the Home Energy Assistance Program.

Commissioner Marlin Johnston said the one-time payment is available to many low-income households who this month received food stamps, Aid to Families with Dependent Children, Supplemental Security Income, or needs-tested Veterans Administration benefits.

Potentially eligible veterans are those who receive payments under Section 415, 521, 541, or 542 of Title 38 of the U.S. Code or under Section 306 of the Veterans and Survivors Pension Improvement Act of 1978.

Eligibility is limited by gross income. For instance, aid is available for a one-person household having less than a \$355.49 gross income per month. The gross income limit

is \$581.49 for a two-person household, \$798.49 for a three-person household, \$985.49 for four persons, \$1,162.49 for five, and \$1,359.49 for six.

Eligible households must be subject to energy cost increases—because of higher bills or rent due to rising utility costs.

Households in privately owned or rented housing are eligible even if the cost of utilities is included in the rent payment or if the household pays only a portion of its home energy costs.

Johnston said application forms are mailed automatically to households which receive food stamps, AFDC, and SSI. Households receiving needs-tested Veterans benefits must request an application from DHR in January.

Those who have not received an application and think their household may be eligible should contact a local office of the Texas Department of Human Resources.

When Alexander, later called "the Great," began preparations for a mighty military movement, he gave away his possessions. One of his men protested, "You are giving away everything you have." "Everything," replied Alexander, "but hope."

There was another leader who had given away everything. But instead of wretchedness there was blessedness. He said in Psalm 39:7, "Lord, my hope is in Thee."

His hope was not in merchandising. It is tragic for a nation to lose its trade. But what shall it profit a nation to gain the whole world and lose its soul?

His hope was not in matriculation. An education

is essential. "But," said Teddy Roosevelt, "to educate a man in mind and not in morals is to educate a menace to society." The heart of education is the education of the heart.

His hope was not in militarism. There must be military security. But if our spiritual security does not match our military security our nation will fall into helpless obscurity. No nation falls without unless it first falls within.

His hope was in the Lord. Only He can undo our tangles, solve our problems, forgive our sins, make happy our hearts and keep us safe. Life with the Lord is an endless hope, but life without the Lord is a hopeless end.

America's first aerial photograph was taken from a balloon over Boston in 1860. Taken by J.W. Black, it was entitled "Boston as the Eagle and the Wild Goose See It."

**CARD OF THANKS**  
A special "Thank You" for the love and concern shown us during the loss of Bab. We appreciate all the prayers, visits, calls, flowers and the food. May God's richest blessings be yours.  
The family of Robert (Bob) Corley 1-1tp

We wish to sincerely thank all our friends and neighbors for their kind words of support; for the food, flowers, calls and other acts of kindness shown us during the recent loss of our dear loved one.

A special thanks to Father Rodney Howell, Rev. Ynes Aleman and Don Romero for their touching sermons.  
The family of Lus Aleman 1-1tp

To all our friends and neighbors who have stood by the Redwine family all year, a simple "Thank You" seems so inadequate.  
All of you are so special to us and for your strength and support we are eternally grateful. The food, flowers and memorials were sincerely appreciated and accepted in Christian love.  
Special thanks to Bro. Gene and Bro. George for strength and guidance, to Bro. Carroll for his beautiful songs and to Billie and Rufus for their special talent, and to the ladies of the Methodist for their fine meal.  
May God touch each of you as he did us through our loving parents.  
Ed & Vernon Redwine and Families 1-1tc
