Tahoka Junior High One Act Play cast.

WOODWORK

BY DALTON

OUR NEWSPAPER SCHEDULE is all loused up this week, what with trying to get all the papers printed earlier than usual, to allow for our staff to be off Thursday and stuff themselves.

Some of you won't be reading this until after Thanksgiving Day, so you might just clip it out and save it until a day or two before next Thanksgiving. Really though, the few days after Thanksgiving are part of the holiday, so maybe everything will still apply.

Thanksgiving is a time when families get together and remark on how old or fat everybody is getting, and tell the youngsters how big they are getting, as if they didn't know already.

I remember way back when I was a child and we'd see some relatives only once or twice a year, and they'd always remark "My, you sure have grown." I always gave some kind of inane response, resisting the urge to say, "What did you expect me to do? Shrink?"

And when a kid gets to be a teenager, the seldom-seen

aunts and uncles always ask if you have a boy friend or girl friend and all kinds of things that are really none of their business. Grownups are a cross which youngsters have to bear, especially on holidays like Thanksgiving and Christmas.

The food, though, is always tops. It does seem a little strange that on such occasions a great feast is laid out for everybody, usually enough to feed about six times that many people, and despite all the valiant efforts and everyone eating too much, the body simply cannot absorb that much good food at once. There's all that wonderful stuff and you're full and hurting already, and all the rest of the year the family has no such treats. Instead of having 22 chocolate, pecan and pumpkin pies all on one day, why not have one a day for 22 days?

Anyway, it's a great time to renew family relationships, making you realize anew how much you love those you are very fond of, and how grateful you are that you only see a couple of the others only once a year.

TJHS Presents One-Act Play

The Junior High One Act play was held at Plains, Saturday, Nov. 10. The play presented by Tahoka was "The Bathroom Door", by Gertrude E. Jennings. Lanae Monk and Kris Belew were put on the all star cast and Kim Ingle got honorable mention.

Other members of the cast included Rodney Farland, Chelli Wisdom, and Arron Miller. Crew members were Kathy Davis and Mona Duke. Director was Leta Pierce.

There were six plays entered in the competition. Plains and Shallowater shared first place honor and New Deal was named alternate.

Bond Issue Planned For New Fire Station

Tahoka city officials Monday night decided to go ahead with plans for a new fire station and remodeling of city hall, and tentatively set a vote on a \$150,000 bond issue for the projects in January.

The city council met in called session with Joe Smith, representative of the First Southwest Co. bonding firm, to discuss the possibilities, then voted to engage Smith and the company to handle the details of the bond issue. The council did not actually call the bond election, but is expected to do so in early December, with a date of Jan. 12 mentioned for the bond vote by citizens.

Next To City Hall

Of the total \$150,000 sought, it was estimated that \$100,000 would be used for a new fire station, which could be built on city property at the present location of the Scout hut, next to city hall. The present Scout hut would be demolished, and the city would provide other facilities for the scouts to use.

The rest of the money, \$50,000, then would be used to remodel part of the city hall, primarily the part now used to house the fire department equipment, into a public meeting room which would accommodate 126 persons in banquet style, or 83 persons around tables, plus converting a present recreation room into a meeting room for the city council larger than the present room, which has almost no space for visitors who want to address the council or observe proceedings.

Smith told the council that if the voters approve the bond issue

of \$150,000, a tax increase of 8.5 cents per \$100 valuation would be needed to pay for the bond issue over a 10-year period.

Cost To Taxpayer

Smith also told the council that the average home in the city is valued at just over \$20,000. If a home were appraised for taxes at \$25,000, the increase in taxes for the year would be \$21.25 more than it presently is, providing the rate for other operations remains the same.

Present tax rate is 40 cents per \$100 valuation, with 7 cents of this going into interest and sink-

ing fund.

The Council also voted to retain a law firm used in a previous bond election here to work on this issue.

Joe Hays of the accounting firm of Love, Hays and Schaffner, was at the meeting to discuss a proposed change in the city's fiscal year, and the council did vote to change the fiscal year from starting March 1 to a year starting Sept. 1.

All council members were present, plus Mayor Meldon Leslie and City Manager Carl Reynolds.

Missing Man, Break-Ins Reported

Officers in Lynn County were seeking information this week about a man reported missing after leaving Slaton for Tahoka last Friday, and burglaries of a

school and gin office were under investigation.

The wife of Jack Colbert, 54, who lives in Lynn County north of Wilson, but who has been manager of the Fina service station in Slaton for some time, reported Monday that her husband had been missing since Friday morning. She said he had left the station in his personal car, a brown over copper 1973 Ford Torino, after mentioning that he was going to Tahoka to buy a radiator for a 1974 Buick.

Lynn County's sheriff's officers have been unable to locate anyone who may have seen him, or who may have talked with him about selling a radiator. Anyone with information about Colbert is asked to call the sheriff's office, 998-4505.

Five fried pies were the only items reported missing in a break-in at Wayside Gin, FM 211 and U.S. 87, on Saturday. Gin manager Ronnie Nettles reported that several window panes on the gin office were broken out.

Tom Cooper of Tahoka Independent School District reported to police on Monday that someone had entered Tubb Elementary during the weekend and entered the teachers lounge and emptied book shelves onto the floor, damaged a copying machine, typewriters, a Coke machine and also emptied five cans of duplicating fluid on the floor, causing heavy carpet damage. This incident was believed to have occurred late Saturday afternoon or Saturday night.

Police investigated an accident at the intersection of S. 5th and

See MISSING, Page 2

Daisy on Lockwood, west of the rest, except for Summit Venture Foods, which also will have specials for the sale period.

New KG, First Grades Slated

Tahoka School Board last Wednesday voted to hire two new teachers, one each for new kindergarten and first grade classes to be set up to alleviate crowded conditions in the existing classes in those grades.

The new classes will be started next semester, beginning Jan. 2.

The action was taken at a called meeting. All board members were present.

Tahoka Merchants To Offer Moonlight Bargains Nov. 30

The third annual three-hour Moonlight Madness Sale with 21 Tahoka merchants participating is planned for next Friday, Nov. 30, from 6 to 9 p.m., with a wide variety of items for those three hours only.

Most of the merchants taking part also will give away prizes of merchandise or turkeys at drawings to be made in the individual stores at the end of the three-hour period. Winners do not have to be present, but they must sign up during the three-hour sale period.

The sale has been highly popular with area residents in the first two years.

A Chamber of Commerce committee which organized the sale has encouraged all the participating merchants to offer un-

usually good bargains during the sale time, to show residents of the community that is profitable and easier to do Christmas shopping at home. Some merchants have made special purchases just for the sale, and most are offering some items at or below their own cost.

Santa Claus also will visit each of the participating stores sometime during the Moonlight Madness Sale, and will be at Paris Cafeteria from 8:30 to 9 p.m. to talk with youngsters who missed him on his earlier rounds.

Downtown the participating merchants who will be open next Friday night until 9 p.m. are Lankford's Variety Store, the Lynn County News, Tahoka Drug, Western Gift Store, Paris Cafeteria, and Whitaker Hardware, all along Main Street on

the east side of the downtown area.

Dayton Parker Health Mart Pharmacy on the north side of the square.

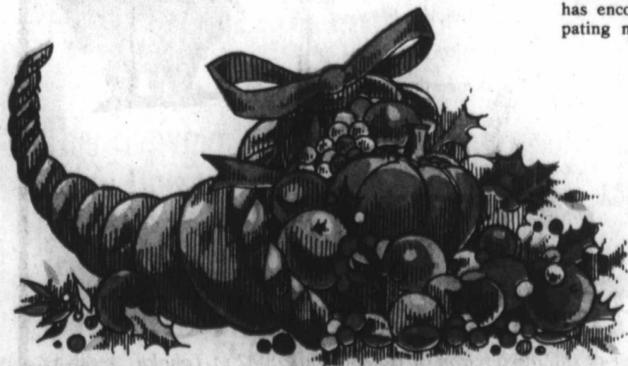

Genny's and Murray's Florist on the west side of the square.

Heritage Furniture on the south side of the square.

Higginbotham Bartlett Co. on Ave. H, Perry's on Lockwood at Conway and Handi Hobby and Thriftway, both at Lockwood and Ave. L.

Raindl's House of Flowers at 1317 Ave. J and Cross Stitch Corner at 1613 Ave. J and Sunshine Gift Shop at 1720 South 1st.

O'Donnell, Wilson Lose In Playoffs

Two Lynn County football teams made it into the playoffs, but both Wilson and O'Donnell lost to tough opposition last Friday night. O'Donnell was the winner of the 7-A south zone and Wilson the runner-up.

For the Eagles, who wound up 7-3 for the year, the 19-6 loss to Forsan ended the most successful season since 1938, the last time O'Donnell had won district. Playing at Big Spring, the Eagles were hurt by fumbles, three of which were grabbed by Forsan, which scored TDs in the first, third and fourth periods. Jay Edwards finally scored for O'Donnell on a 6-yard run with less than 4 minutes left in the game. Forsan gained only 1 more yard rushing than O'Donnell and has just two more first downs.

Roscoe, one of the top 10 Class A football teams in the state, had just too much defense for Wilson in a playoff game at Coahoma last Friday, winning 34-0 while holding the Mustangs to just 76 yards total offense.

Kevin Reed of Roscoe scored three TDs and rushed for 213

yards in the game. Bryan Bednarz did gain 39 yards for Wilson in 15 carries, and Greg Spears completed 6 of 16 passes for 38 yards.

Turkeywalk Nets \$1600

The American Heart Association Turkeywalk event held recently at the Tahoka Mini-Park, raised a total of \$1,600 toward the fight against premature death and disability from heart disease.

Forty-four walkers participated in the event with a total of 178 miles walked. Participants recruited sponsors prior to the event, who made pledges based on the number of miles completed during the event.

Each participant turning in \$25 received a choice of a T-shirt or cap. The top eight participants received a turkey. The participant who collected the most money was Jay Jay Wiseman who raised over \$300 with a total of 5 miles in two hours. Carroll Rhodes walked the most miles with a total of 14 miles in 4

GAILLARDIANS ELECTED AT SWTSU—J. Fred Thomas, son of Mrs. Marion Wood of Tahoka, (third from left, back row) was elected one of 13 Gaillardians at Southwest Texas State University in San Marcos. He was the Associated Student Government nominee. He also is among the 56 students serving in the SWT Student Foundation, a student support organization that serves as goodwill ambassadors for the university.

hours. "Special thanks goes to Madeline Hegi for her help in recruiting walkers and to Lady Stewart for being our oldest walker at 90 years young," said chairperson Linda Tyler.

Proceeds from the event help support the American Heart Association research, education and community programs in Texas.

Missing Man, Continued from Page 1

Ave. K that involved a 1981 Buick driven by Mary Rodriguez Morin of Tahoka and a 1984 GMC pickup driven by Rudy Sosa of Tahoka. No injuries were reported.

A Tahoka resident reported to police on Saturday that she saw a man trying to get into her neighbor's house.

Police also investigated a couple of family disturbance calls and one obscene phone call and one prowler call during the past week.

In jail during the week were three persons for public intoxication, and one each for driving while license suspended, disorderly conduct, and driving while intoxicated and no drivers license.

Happy Thanksgiving!

Home Economics In The '80s

Start a Family Tradition This Thanksgiving

Most of us have traditions for celebrating Thanksgiving centered around what we eat or where we go or what we do on "turkey day". This year why not try starting a new tradition to celebrate being a family?

The week of Thanksgiving is declared "National Family Week" by Presidential proclamation each year. In 1984 it falls between Nov. 18-24. Families can use this special time to acknowledge their identity and set new goals that promise a stronger sense of family unity.

National Family Week can be an excellent time to start a new family tradition like one of the following:

1. Invite an elderly family member for a visit and to share some special memories of their childhood and of family events in earlier times.

2. Visit a family cemetery and locate the headstones of relatives from other generations.

3. Visit a relative in a nursing home and share a day of family activities with that person.

4. Travel to a place where your ancestors once lived and visit with the people who live there now.

5. Trace your ancestors and make a written family record of relatives on both sides of the family.

6. Establish a new ritual as part of your family Thanksgiving celebration. This is especially important for new families formed by remarriage who are trying to develop an identity of their own.

7. Thanksgiving can be more than eating turkey and watching football if you take time out to celebrate being a family too.

4-H Bicycle Project Offers Fun, Learning

4-H youth enrolled in the bicycle project can have a lot of fun and also gain a wealth of

knowledge and experience.

The bicycle project is one which all 4-H members can enjoy, points out Greg Henley, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System. The Extension Service is the parent organization of 4-H.

The project can provide youth with a basic understanding of safety and mechanics as well as a sense of responsibility.

General objectives of the 4-H bicycle program include these:

1. Create an awareness of the recreational, family and health

THS Cagers Open Season; Girls Win

Tahoka varsity basketball teams split with Lubbock Christian High School teams here Monday night, with Coach Ben Blair's girls winning 65-58 and Coach Felix Fabila's boys losing 75-48 to the taller LCHS boys.

Tami Hood's 27 points paved the way for the Lady Bulldogs' win but the home town girls had to come up with a big 25-point fourth quarter to break a 39-39 tie at the end of the third. Sandee Ellis led LCHS with 17 points. Shannon Lawson and Rhonda Nance also were in double figures for Tahoka, scoring 12 points each.

Trey Teaff scored 16 and Johnny Morin 14 points for the varsity boys, but the tall visitors dominated the rebounds and Tim Mack of LCHS scored 20 points.

Tahoka had 18 turnovers to 14 for the visitors.

applications of cycling.

2. Learn and obey rules of the road and laws pertaining to bicycles and bicycle driving.

3. Develop a clear knowledge of bicycle safety and proper bicycle driving behavior.

4. Learn care and maintenance of the bicycle and how to select a bicycle that best fits the size and needs of the driver.

5. Demonstrate skills for effective use of the bicycle.

The individual with the top record book in the 4-H Congress in Chicago each fall although the trip is not sponsored.

TOP-RATED BAND—Shown here are some of the members of the Tahoka Bulldog Band, which won high honors in two marching contests this season. At Texas Tech, the band, directed by Tawyna Perry, was rated "excellent" and received the runner-up trophy in all-around competition. In the UIL contest, the band earned a high Division II rating. Marching at football games for the final time this year Nov. 9, the band at halftime honored Joe Dell Patterson as Band Beau and Della Riojas as Band Sweetheart. Both are senior members of the band, and the parents of the honored pair are Mr. and Mrs. Joe Patterson and Mr. and Mrs. Porfirio Riojas. (LYNN COUNTY NEWS PHOTO)

Report Shows \$7.2 Billion Property Tax Levy In Texas

Property taxes totaling nearly \$7.2 billion were levied in Texas during 1983 by some 3,118 local taxing units, according to the State Property Tax Board's (SPTB's) annual report for the 1983 tax year.

As Ron Patterson, SPTB's executive director, pointed out, "The property tax continues to be the primary revenue source for school districts, cities, counties and special districts such as junior colleges, utility districts, etc."

Overall, the statewide property tax levy rose by more than \$637 million from the \$6.5 billion in property taxes levied in 1982, representing a 9.72 percent rate of increase. That rate of increase, however, is down from the 14.4 percent increase in levies from 1981 to 1982.

"During 1983," Patterson said, "50.15 percent of all property taxes in the state were levied by school districts, while the city share of the levy was 20.38 percent. Counties levied 17.95 percent of the taxes, while special districts accounted for 11.52 percent of the 1983 levy."

The reported property tax levy per capita in Texas for fiscal year 1983 was \$416.86, compared to \$376.61 in 1982.

The figures indicated that business taxpayers including mineral producers paid just over 52 percent of the school taxes in 1983, while owners of single-family residences paid slightly over 30 percent. Farm properties, including rural acreage, were allocated less than 8 percent of the school tax burden while other classes of property together paid over 9 percent of the levy.

TURKEY IS A GOOD VALUE.—A holiday turkey is a good value, especially if you plan to make good use of leftovers, says a food and nutrition specialist Dr. Alice Hunt. Smaller families or those who don't care for leftovers may want to consider purchasing a turkey breast or a boneless roast turkey for their holiday meal, even though these cost more per pound. Whatever the cost of your holiday turkey, you'll be getting high quality protein for your money and relatively few calories, observes the specialist. An average 3½ ounce serving of turkey has 190 calories.

Alzheimer's Disease Not Curable

Alzheimer's Disease claims a dark distinction in an age when medical science has eradicated most of the classical dread diseases: It is incurable. And its cause is still unknown.

But while 1.5 million Americans today are afflicted with this progressive, deteriorating nerve disease that claims at least 120,000 lives a year, few people even know what it is until it strikes in their family.

Alzheimer's Disease is the major cause of senile dementia and results in gradual loss of the ability to reason, remember and feel emotion. Death usually comes within seven to 10 years, but it can take as long as 20 years. The slow, protracted course of the disease makes it one of the most heartbreaking a family can endure.

Gov. Mark White, recognizing that the extent of and severity of Alzheimer's ravages are still unknown to most of the general public, has designated November

as Alzheimer's Disease Public Awareness Month in Texas.

Thanks to diligent research, some hope now exists for the 1.5 million Americans who have Alzheimer's Disease. Scientists at Dartmouth University last month announced encouraging results from a treatment that uses chemicals to improve the brain's ability to carry neural "messages."

While that cure is being sought, Alzheimer's Disease remains the fourth leading cause of death in the United States and occurs in two to three percent of the total population. It is the most frequent cause of institutionalization of the aged in long-term care

facilities. In 1983, the United States spent more than \$27 billion in public funds for nursing home care, of which about 60 percent supports the care of Alzheimer's patients.

These figures will more than triple by 1990.

Information and connections with local support groups are available at six Alzheimer's Disease chapters in Texas, and from the Texas Department on Aging, including one at Amarillo -- 806/381-1010. Or interested persons may call TDoA toll-free (1-800-252-9240) for information or for phone numbers of local Alzheimer's Disease support groups.

Green Thumb Provides Fire Safety Tips

Green Thumb workers from Lynn County met with more than 60 others in the South Plains Assn. of Governments building in Lubbock Nov. 14 for training. Grady Ammons of the Lubbock Fire Dept. gave several fire prevention tips.

Also on the program was a representative from the American Heart Association spoke about the problems of high blood pressure and its connections and possible alleviation through nutrition.

Those attending from Lynn County were Lylia Knight, Annie Belle Stice, Audrey Akin, Tom Curry, all of Tahoka; Lorain Crowson, Matias Delgado, Joe Rodriguez, all of Wilson and Beacher Brandon, and Lois Haire of O'Donnell.

Mecalco Is AF Course Graduate

Airman Minerva Mecalco, daughter of Jose and Noemi Mecalco of O'Donnell, has graduated from the U.S. Air Force medical services specialist course at Sheppard Air Force Base.

Graduates were taught techniques for assisting in the care and treatment of medical patients. They also earned credits toward an associate degree through the Community College of the Air Force.

Mecalco is scheduled to serve with the Air Force Regional Hospital at Shaw Air Force Base, S.C.

She is a 1981 graduate of O'Donnell High School.

FARM PRODUCTION COSTS TO RISE—Farmers will once again have to deal with rising production costs in 1985. Production costs rises will generally exceed the inflation rate next, says an economist with the Texas Agricultural Extension Service. These increases in input costs will virtually offset any increase in market receipts. Manufactured fertilizer prices will be up 6 percent by spring. Petroleum prices for fuels will be up about 4 percent by next fall while prices of ag chemicals will moderate. While prices for farm machinery will rise faster than for other inputs, farmers and ranchers can expect rebates and sales incentive programs from the farm machinery industry due to large inventories.

Obituaries

Amanda Bradley

Graveside services for Amanda M. Bradley, 101, of Tahoka were held at 2 p.m. Saturday, Nov. 17, in Tahoka Cemetery with the Rev. Gene Wisdom of Tahoka officiating.

Burial was under direction of White Funeral Home.

She died Friday afternoon in Tahoka Care Center after a lengthy illness.

She was born in Santa Anna. She moved to Lynn County in 1904. She married Don Bradley Aug. 4, 1954, in Clovis, N.M.

Survivors include a sister, Daisy Johns of Kilgore, three nieces and a nephew.

Burial was in Englewood Cemetery in Slaton.

He died at 1:10 a.m. Wednesday in Methodist Hospital following a lengthy illness.

He was born Nov. 12, 1924, in Thorndale and moved to Slaton in 1941. He was a farmer and a member of St. Paul's Lutheran Church in Wilson.

Survivors include three sisters, Mrs. Wallace Schafer and Mrs. Raymond Heintz, both of Lubbock, and Mrs. Jeff Talkmitt of Wilson; his mother, Adele Wuensche of Slaton.

Pallbearers were Bruce Schaffer, Doyle Talkmitt, Larry Heintze, Dennis Heintze, Jimmy Dunn and Randy Dunn.

W.H. Wuensche

Services for Williebald H. Wuensche, 60, of Slaton were held at 2 p.m. Friday, Nov. 16, at the St. Paul's Lutheran Church in Wilson with the Rev. David Rhode, pastor, officiating.

Pearl Bush

Services for Pearl Bush, 83, of Rising Star and formerly of Slaton and Petersburg were held Friday, Nov. 16, at Connally-Compton-West Funeral Home Chapel in Waco with the Rev. Hollis Shewmake of Levelland officiating.

Burial was at Crawford Cemetery near Waco.

She died Tuesday, Nov. 13, at a Brownwood hospital after a lengthy illness.

Survivors include two daughters, Gwendolyn Martain of Gholson and Pauline Welch of Dallas; three stepdaughters, Irene Crow of Itasca, Faye Bush of Austin and Betty Wilkins of Slaton; six sons, James of Rising Star, Richard and Kenneth, both of Slaton, J.R. of Brownwood, Robert of Arizona and Kay Don of Hereford; four sisters, Lillie Edwards of Lubbock, Annie Robison of Slaton, Alta Odum of Slaton and Ouida Shewmake of Roscoe; three brothers, Wesley Duckett of Brownwood, Leslie Duckett of Abernathy and Harvey Lee Duckett of Tahoka; 21 grandchildren; and numerous great-grandchildren.

Walter Smith

Services for Walter Smith, 87, of Slaton were pending at news time Tuesday.

Smith died at 5:50 p.m. Monday at his residence after a lengthy illness. He had been under a doctor's care.

He was born in Walker County, Ala., and moved to New Home from Jones County in 1906. He was a mechanic for most of his life.

Survivors include his wife, Jewell; two sons, J.W. of Winter Haven, Fla., James of Tyler; a stepson, Bobby Jones of Slaton; three sisters, Hattie McManus and Ester Odum, both of Lubbock, Ruth London of Carlsbad N.M.; three brothers, Wade of Arkansas, Wayman and Wilmer, both of New Home; seven grandchildren; and 11 great-grandchildren.

The family suggests memorials to the Visiting Nurses Service, 3212 34th St., Lubbock.

DISCUSS TREES — Juan Pena, SCS and Jay Dee House discuss the size and shape of various trees he might use as a windbreak or just for beautification. Both Hardwood and Evergreen trees are available through the Lynn County Soil and Water Conservation District. Trees can and should be ordered now to make sure the Forest Service won't run out before the March 1985 delivery date. For more information on trees and how to order call Helen at 998-4622.

MR. FARMER: Here is some research information you might be interested in:

A 40 acre plot with 4 acres of shelterbelt trees and 36 acres of cropland produced 23% more soybeans and 18% more wheat than a 40 acre plot with no shelterbelt. Why? Winter snows are spread over the fields rather than drifting into road bar ditches. During the summer, trees reduce hot winds, decrease moisture loss and reduce stress to crops. Of course, shelterbelt decreases wind speeds and thereby reduces wind erosion and damage to young plants. The same results are accomplished when trees are grown around your house. Windbreak trees cause the house to be warmer in the winter and cooler in the summer.

—Lynn County Soil and Water Conservation District

Cotton Harvesting Continues Expanding

Harvesting continued to expand across the Texas High Plains despite early morning high humidity, said Mack Bennett at USDA's Marketing Services Office at Lubbock. Receipts averaged about 30,000 per day during the week ended Thursday.

The Lubbock Office classed about 83,000 samples during the

week. This brought the season's classing total to 133,000 and compares with 117,000 classed by the same date last year.

The week's predominant grades were grade 41 at 33 percent, followed by grade 51 at 27 percent and grade 42 at 14 percent. About 22 percent was reduced one grade because of bark.

Predominant staples were staple 31 at 23 percent, staple 32 amounted to 26 percent and staple 33 was 21 percent. The week's staple average was 32.3 thirty-seconds of an inch.

Mike 35-49 accounted for 28 percent, 33-34 was 18 percent, 30-32 amounted to 30 percent and 27-29 was 19 percent. The average was 32.

High Volume Instrument breaking strength averaged 24.6 grams per tex at Lubbock during the week.

Cotton prices declined about 50 points as supplies increased. Growers sold mixed lots of mostly grades 42 and 52, staples 31-33, mike 35-49 at around 850 to 1175 over Commodity Credit loan rates. Gins paid growers \$90 to \$110 for cottonseed, mostly \$90.

Freezing temperatures have visited most northern High Plains counties. Other counties continue to wait for this season's first freeze.

Not everyone who demands tolerance is willing to practice it.

Tax Rebate Checks Sent

State Comptroller Bob Bullock sent checks totaling \$99.5 million in local tax payments to the 985 cities that levy the one-percent local sales tax. "So far this year, we've sent 13 percent more money to these cities than we did last year," Bullock said. "And they can expect another increase next month as we begin sending them receipts we collect for the new items and services that became taxable Oct. 2. We'll be getting this extra money later in November and sending it to the city halls in December." November checks represent

checks collected on sales made in September and the third quarter and reported to the Comptroller by Oct. 20. O'Donnell's net payment this period is \$1,742.95; Comparable payment prior year- \$1,989.35; 1984 payments to date \$10,361.38. Tahoka's net payment this period- \$7,014.41; comparable payment prior year- \$6,012.99; 1984 payments to date- \$55,714.24. Wilson's net payment this period- \$882.20; Comparable payment prior year- \$497.20; 1984 payments to date- \$4,408.51.

Drivers Warned To Be Cautious

Lubbock Major V. J. Cawthon, Department of Public Safety Regional Commander said, "Drivers should be extra cautious during the Thanksgiving holidays. It is a time for us to rest and be grateful for many things." The Major urges Texas motorists to begin using seat belts on all occasions when operating a motor vehicle. He said, "Over 98 percent of all traffic fatalities last year were not wearing a seat belt." The Texas Department of Public Safety finds that it is better to be safe than sorry. Remember when driving, a person who has been drinking is a slower thinking person. Most driving skills are not natural, rather they are learned skills. This means that a drinking driver is less skilled and more dangerous than a sober driver. Remember that probably 50 per cent traffic fatalities involve a drinking driver. Try to keep an eight hour span of time between the bottle and the throttle.

TAHOKA, TEXAS

Two Generations Of Service

"Our Family In Service For Other Families"

As of Sept. 1, 1984, Gary White has returned to Tahoka and Lynn County to continue the tradition of quality funeral service for this area. This tradition was begun February 1, 1955 when Martin and Billie White moved to Tahoka to assume management of Stanley Funeral Home. With the purchase of the business in 1962, the people of Lynn County have seen many changes in the physical structure, but the standards of excellence in providing the best funeral service at a reasonable price remains the same. Now with Gary's return, the staff at White's can further serve Lynn County in other areas of funeral and pre-funeral arrangements. White's is implementing a comprehensive burial and life insurance program. Also, the updated pre-need, pre-arrangement program is designed to save families money, plus considerable worry before the need arises. The ongoing monument business will be expanded with a greater selection of fine marble, granite and bronze memorials. All of these services will eliminate the need of going other places for insurance or monuments; all aspects of the funeral service can be completed at one convenient location.

The staff will remain the same. Mrs. Billie White Everett is still owner and funeral director in charge. She is a graduate of Texas Tech University and Commonwealth College of Mortuary Science in Houston. She is past president of the West Texas Funeral Directors Association and is currently on the Board of Directors of the Texas Funeral Directors Association — she served as director, secretary and vice president and became the first woman to serve as regional president.

Mr. Rufus Gerner has been with the firm since the death of Martin White in 1972. Rufus is a graduate of Post High School and Dallas Institute of Mortuary Science. He is general manager and embalmer in charge. In addition, Rufus is in charge of monument sales and will be available for pre-arrangement counselling as well as Mrs. Everett. He and his wife Wilma have 2 children, Fritz and Farla, who both reside in Lubbock.

Gary White is an apprentice embalmer and funeral director. He is a 1983 graduate of Texas Tech University with a degree in Agricultural Economics, and a recent graduate of Dallas Institute of Funeral Service. He will be in charge of the Pre-Need and Insurance Programs as well as family counselling.

Mr. Don Everett, husband of Billie, is also associated with the firm. Mr. Everett is a graduate of Texas Tech University and was an agricultural teacher for over 24 years. He was born in O'Donnell and he and Billie currently reside in Gail where he is engaged in the operation of Everett Ranch and Everett Land and Cattle Company. Don is also a club lamb breeder in addition to his other duties. He assists in all aspects of the operation of White Funeral Home.

TWO GENERATIONS OF SERVICE--From left to right, back row, are Rufus Gerner, Sylvia Chapa, Borden Davis, Lois Bagby. Front row, Gary White, Billie White Everett and Don Everett.

Mr. Borden Davis, a long-time resident of Tahoka, has been with the funeral home since its early beginnings in Tahoka. He received his license on May 25, 1929 and was recently honored for his 50 years as a licensed funeral director and embalmer by the State of Texas. Borden and his wife Minnie have also owned a tire store, service station, hardware store and also a framing business in Tahoka.

Another long-time employee at White's is Mrs. R.E. (Lois) Bagby. She has worked at the funeral home since 1957. She answers the phone and helps in reception and other duties necessary to completing final arrangements.

Sylvia Chapa has worked at the firm since 1981. She is a graduate of Tahoka High School and is married to David Chapa. She also has 2 children, Gary and Lesley. She takes care of maintenance and reception services.

"We have appreciated our many friends over the past 30 years and just want to assure you, we will be constantly improving and striving to give the finest in funeral service to all people in Lynn County and the surrounding area. Our motto has been and will continue to be, 'We care for yours as we would have ours cared for'."

The District II 4-H Gold Star Awards Banquet was held Nov. 19 at Lubbock. 4-H members receiving this award are Sharia Miller and Ty Askew of the Tahoka 4-H Club. Jody Woodard, member of 4-H Council was an usher and Cody Smith, 4-H Council member, helped provide the dinner music.

George Washington always returned his salary as President.

Directors Of Museum Meet

The Board of Directors of the Tahoka Pioneer Museum met Nov. 12 at noon. All board members except James F. Roberts were present for the meeting.

Two recent acquisitions consisting of baseball memorabilia have been added to the museum. Bill G. Gardenhire of O'Donnell has given a picture of the O'Donnell baseball team of about 1925, consisting of James Napoleon Gardenhire and his nine sons. Mr. Gardenhire was the coach and the boys, Willie Lee, Ira Gilbert, Henry Grady, Lawrence Nash, Clarence Cash, Thaddeus Arwayne, George Leo, Harris Eugene and James Napoleon Jr. represented O'Donnell for quite a few years.

Ivan Cathcart of Tahoka has loaned his baseball uniform from the Tahoka baseball team from about 1927. The display coordinator Mabel Gurley, would like to display this uniform on a mannequin and any assistance in obtaining a male mannequin would be appreciated.

Winston Wharton reported that there is a need for additional utility poles for the fence in the small garden area, and also help is needed to complete the brick walk-way in that same area.

Mabel Gurley and Auda Norman provided a guided tour for the Royal Ambassadors of the First Baptist Church recently.

DEBT's Project SPIN Serves Lynn County

Developmental Educational Birth Through Two (DEBT) is a special education program aimed toward cultivating and nurturing little lives from the beginning. Project South Plains Infant Intervention Network (SPIN) is a program for parents and their children. The program provides for early identification and intervention of all children having any of the following disabilities: speech or language deficit, physical disability, hearing impairment, mental retardation, visual impairment, emotional disturbance, developmental delay. This program is designed for children from birth through the third birthday.

There is no cost for the program. Referrals are welcome from parents, doctors, ministers, teachers, or anyone in the community.

Representatives of SPIN will be at Tahoka High School on Wednesdays or for more information call, Marsha Hearon, 866-4276 or Judi Fulkerson, 637-2591.

Weekly **Health Tip**

DAYTON PARKER

MOIST AIR—FEW COLDS
Colds increase when the winter heating season begins, because the dry air in heated rooms parches the nose and throat membranes, which are then more susceptible to virus infection. Dry mucus membranes cannot clean themselves by action of their cilia (hairlike structures) that move mucus upward out of the respiratory system, clearing away germs and viruses. If homes, schools, and places of work can be humidified to about 35% it should help to reduce the common cold infection.

New Home News

By Florence Davies — Call 924-7479

Mr. and Mrs. Lewis Brock of Eureka Springs, Ark. were visitors in the home of Mr. and Mrs. Roger Blakney on Tuesday. The men had not seen each other in 39 years, since they were prisoners of war of Stalag IXB at Bad Orb, Germany.

Mrs. Eva McCormick recently visited with her grandchildren, Mr. and Mrs. Joey (Suzy) Womble and children in Sherman.

Julio Hirecheta was dismissed from Methodist Hospital Saturday. He was injured in an accident at the co-op gin, Thursday, Nov. 8.

Menette Black and children of Hale Center and her mother, Mrs. Nan Fortenberry, spent last weekend in Lovington with Mr. and Mrs. Russell Harrison.

Mr. and Mrs. A.R. Pool of Portales, N.M. were here over the weekend with their daughter and son-in-law, Havah and Virgil Haley.

Thanksgiving was observed early in the New Home Baptist Church with a dinner at 5 p.m. in the fellowship hall followed by the evening worship service. David Dawson of Lubbock preached both morning and evening. Mrs. Dawson brought the special in the morning service and the special music in the evening service was by Lonnie Carroll of Lubbock.

Mr. and Mrs. John Edwards went to Plainview Thursday night to meet John Dudley, Cindy and Jon Mac. He came home with his grandparents and stayed the weekend. His parents came to take him home Sunday.

Mrs. V.F. Jones of Tahoka remains in serious condition in CCU at Methodist Hospital.

Mrs. Cary Camberlain of Spade visited here in the home of her brother, Mr. and Mrs. Bob Poer. Bob went to Haskell Thursday and spent the night with their

NEW HOME FFA PLACES SECOND — The New Home Chapter of Future Farmers of America placed second in the FFA Quiz Contest at the Area Leadership Contest hosted by Howard College in Big Spring, Nov. 17. Team members include, left to right, Manuel DeLeon, LaShea Kieth, Lloyd Caballero, Jeff Tawney, Jennifer Shaw, and Vo-Ag teacher Dale Schaffner.

brother, J.T., and wife.

The rain the last few days measured about 1 inch.

Saturday Maggie Lee Eades, Mary Bess Edwards, Karon, Kary and Kristen Durham and Jon Mac Edwards visited in Levelland with Mrs. Eades' mother, Mrs. Bessie Payne. Mrs. Payne will be 96 years old Tuesday, Nov. 20.

CARD OF THANKS

We want to thank you for the lovely flowers, cards and prayers offered on our behalf at the loss of our mother, Beulah Morrow.

It is at this time like this we truly would not be able to bear the load without friends like you.

Thank you again from the bottom of our hearts.

New Home FFA News

The Mesa District FFA held its District FFA Leadership Contest Saturday, Nov. 10, at Lamesa High School. The New Home FFA Chapter took four teams to the contest. They included Farm Radio team, consisting of Chad Ford, Robert Poer, and Kyle James, placing 4th in district. Shawn Ballard, David Villarreal and Chuck Smith made up the Senior Farm Skills team which placed 4th. Jay Warnick was involved in the Extemporaneous Speaking contest and also placed 4th in district. The Greenhand Quiz team which consisted of LaShea Kieth, Jeff Tawney, Lloyd Caballero and Manuel DeLeon placed first in district and competed in Big Spring Saturday, Nov. 17, for the Area II FFA Leadership contest at Howard College in Big Spring.

HOLIDAY TURKEY COSTS MORE THIS YEAR—After two years of bargain prices for holiday turkeys, shoppers may be surprised to find that they cost more this year.

"Consumers can expect to find 20-25 percent higher prices for turkeys this year," says Dr. David Mellor, poultry specialist. Last year's lower prices were due in part to a plentiful supply of turkeys in storage. This year, the excess supply is gone, although consumers won't have any trouble finding turkey in the supermarkets, Mellor says. To cut costs on a Thanksgiving or Christmas bird, nutrition specialist Dr. Alice Hunt suggests that consumers buy an un-basted, store brand turkey. Pre-basted store brand turkeys will cost more per pound than un-basted birds, and national brand pre-basted turkeys will cost even more, she says.

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
WHEELER OIL COMPANY, 2010 Texas American Bank Building, Fort Worth, TX 76102, has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.
The applicant proposes to inject fluid into the San Andres, Ken Davies, Well Number 3W. The proposed injection well is located 4 miles Southwest from Southland in the Sunland Field, in Lynn County. Fluid will be injected into strata in the subsurface depth interval from 3820 to 3844 feet.
LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.
Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512-445-1373).

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION
Sealed proposals for constructing .435 miles of Reconstruct Grading, Salvage and Replace Base, Flexible Base and 1&2 CST on Highway No. US 87, covered by FR 613(20) in Lynn County, will be received at the State Department of Highways and Public Transportation, Austin, until 9:00 A.M., December 11, 1984, and then publicly opened and read.

This contract is subject to all appropriate Federal laws, including Title VI of the Civil Rights Act of 1964. Plans and specifications including minimum wage rates as provided by Law are available for inspection at the office of H.C. Brown, Resident Engineer, Brownfield, Texas, and at the State Department of Highways and Public Transportation, Austin, Texas. Bidding proposals are to be requested from the Construction Division, D.C. Greer State Highway Building, 11th and Brazos Streets, Austin, Texas 78701. Plans are available through commercial printers in Austin, Texas, at the expense of the bidder.
Usual rights reserved.

NOTICE OF APPLICATION FOR POSITION OF DRIVER CUSTODIAN
The Texas Migrant Council, Head Start Program of Tahoka is currently taking applications for the position of Driver Custodian, Monday through Friday from 8:00 a.m. to 4:00 p.m. at the Center located on South 4th and Ave. M. For more information call 998-4123.

JOB DESCRIPTION
Position: Driver Custodian
Immediate Supervisor: Center Director
Duties & Responsibilities:
To maintain the Head Start program vehicle in good running condition at all times.
To drive the vehicle with care and obey all local and state driving laws.
To deny the use of the vehicle to any other employee of the program, regardless of his reason, because the driver custodian alone is responsible for the condition of the vehicle. Any trip, other than the transportation of children, the driver custodian must drive the vehicle.
To transport as many children as possible from the center to the children's home and vice versa even if several trips are required to complete the rounds.
To see and check that in proper and due time maintenance and repairs of the program's vehicles are carried out skillfully. (See Vehicle Maintenance and Repairs Report).
To avoid under any circumstances the use of the vehicle to carry or transport alcoholic beverages. The vehicle is exclusively for the transportation of children.
To maintain the vehicle well cleaned, inside and outside.
To try to maintain the cost of the vehicle operation to a minimum. By this, we mean to take care of a minor repair before it converts into a costly major repair job.
To maintain center premises both inside and outside.
Desired Experience, Special Knowledge, and Skills:
Must have one year experience in public transportation.

47-1tc

LEGAL NOTICE
Notice is hereby given that the Lynn County Commissioners Court will be accepting sealed bids until 10:00 a.m. on Monday, November 26, 1984 for replacement of the concrete steps on the north side of the courthouse, in Tahoka, Texas.
Bond will be required.
Lynn County Commissioners Court reserves the right to accept and/or reject any and/or all bids.
For information concerning this job contact J.F. Brandon, County Judge, at the courthouse.

s/s J.F. Brandon, County Judge

CARD OF THANKS
On behalf of the Lynn County American Heart Association, I would like to express our sincere appreciation to all those who supported our 1984 Turkeywalk --because of you--your Turkeywalk has been a HUGE success!

Special thanks to Madeline Hegi, who worked tirelessly to recruit walkers, to Jay Jay Wiseman who secured the most donations, to Carroll Rhodes who walked a total of 14 miles, to Dalton Wood for all the advertising, for Summit Venture Foods and Thriftway for donating turkeys and to the many, many others who gave freely of their time and money to help in this most worthwhile campaign.

It has indeed been my pleasure to be campaign chairman this year --it is so heartwarming to see so many people support a good organization--and Tahoka and Lynn County has done it again. Thank You!!

Linda Tyler

It's The Most
It's the most luxurious ocean liner sailing. If you want to travel in the grand old style and have a few extra dollars and many extra dollars, the Cunard line's Queen Elizabeth 2 still plies the waters between New York and Southampton, and on some sailings calls at Cherbourg in northern France to discharge passengers to the Continent.

It's the most popular and largest selling travel guide in the U.S.: The "1985 Let's Go Europe" published by St. Martin's Press--the only travel guide written for students by students. The guide is fully updated every year by a staff of 35 Harvard students and is now celebrating its 25th anniversary of publication.

It's the most inexpensive place to stay in Europe: At a hostel run by the International Youth Hostel Federation. Prices range from \$4 to \$8 per night.

Get Your Office Supplies At Lynn County News

EXTRA NICE: Three bedroom brick (4th bedroom optional). Two baths, large playground, fenced yard, excellent location in west Tahoka. Newly refurbished inside and outside. New appliances. New carpet. Very attractive -- you must see this one! Shown by appointment.

An ostrich cannot fly, but it can run for short distances about the speed of a racehorse.

American Institution Marks 100 Years Of Thrills

One hundred years ago this summer an American entertainment institution was born: the roller coaster arrived on the scene in 1884 and has been an amusement park kingpin ever since. Early coasters seldom exceeded speeds of six miles per hour, from elevations of 30 feet. Today's coasters travel at speeds as fast as 65 miles per hour, with drops as high as 130 feet.

To mark this momentous occasion in the history of this venerable amusement, Dramamine, the nation's oldest and best-known motion sickness remedy, is sponsoring a "Coast-to-Coaster" traveling tribute to roller coasters, spotlighting the best, most thrilling motion machines in the country.

The Dramamine Motion Machine Team, featuring coaster expert and author Gary Kyriazi, will be touring the country and riding the rides that make America scream.

All the unique thrills in all the coasters from Dramamine's "Coast-to-Coaster" tour will be combined into a working scale model--the "Ultimate Coaster"--which will be displayed for park patrons during the "Coast-to-Coaster" tour.

After riding more than 200 coasters in this country, Kyriazi is an expert and knows how to get the most

thrills out of a coaster ride. He offers these tips to novices and buffs alike:

- For the fastest ride choose a summer night after a rainstorm. Heat loosens the heavy grease on the wheels and the night hours reduce the friction caused by the sun. Rain on the tracks makes for easy gliding.
- For a smoother ride, choose the front seat of the coaster. It heightens the floating sensation. Front seats also provide a clear view of the vastness of drops, and of the disappearing track underneath.
- Rear seats deliver the "crack-the-whip" sensation, particularly when the train tops a hill and the car seems to lift off the tracks. Rear seats also travel faster than

other seats during plunges.

Kyriazi also recommends the following tips to ensure a safe, thrilling ride:

- Instead of lifting your hands in the air when riding a coaster, lift your feet. This heightens the feeling of weightlessness.
- When riding a loop coaster, turn your head to the side. This rotates the horizon and amplifies the feeling of going upside down.
- If you're a novice rider, try a middle-train position before testing the thrills of a front or rear position--you'll experience a little bit of everything.
- For the faint-of-heart, a motion sickness remedy like Dramamine enables you to enjoy coasters and all the thrills in the park more fully.
