DEMOCRATS all over the nation exhibited healthy smiles this week as did these two extremely well known men. John F. Kennedy and Lyndon B. Johnson, Democratic hopefuls turned Democratic President and Vice President elect.

NATION GOES DEMOCRATIC, BAILEY CO. GOES REPUBLICAN

Kennedy-Johnson And Bailey County

Bailey County voted Republican in 1952 and now in 1960 and these are the only two occasions I can remember.

This statement by Hazel Gilbreath, Bailey County Clerk, pretty well sums up Tuesday's election result so far as Bailey County is concerned. County voters went for the Nixon-Lodge ticket with 1180 votes as opposed to 1064 for the Kennedy-Johnson team.

Bailey did not however reflect the pulse of the nation. Kennedy gained an early lead nationally which he held on to until the very end. January 20 of next year will find the Nation's new first family, John, Jacqueline, and daughter, Caroline, safely bedded down in the White House.

In the Senatorial race Johnson lost precinct one box by 169 votes but went on to carry the county with 1243 votes to 1095 for Rep. Towers. Johnson votes but went on to carry the county with 1243 votes to 1095 for Republican Toer. Johnson was re-elected to the Senate in the closest race since he was elected in 1948 by only 87 votes.

Johnson has not announced when he will resign his Senatorial seat.

In the event Johnson waits until the new Congress organizes in January, Gov. Price Daniel must appoint a temporary senator and call an election within 10 days after Johnson's resignation. The election must be held within 60 days to 90 days after he calls it. A run-off will be required unless one candidate obtains a majority over all others according to new rules instituted after Ralph Yarborough gained Price Daniel's vacated Senate seat with only a slim plurality.

The State allotment will be apportioned among the counties to establish county allotments and these will be further broken down among the individual farms of the counties in accordance with the provisions of the law and regulations issued by the Secretary of Agriculture.

Farmers who were engaged in the production of cotton will vote in a national referendum on December 13 to determine whether marketing quotas will be operative for the 1961 crops—upland and extra long staple. At least two-thirds of those voting must approve quotas if they are to continue in effect.

Only one allotment—price support program will be available to upland cotton growers for 1961. If marketing quotas are approved in the referendum, price support will be available to upland growers who comply with their farm allotments at a level within the range of 70 to 90 percent of parity. The exact level of support will be announced at a later date. If quotas are not approved, allotments will remain in effect and price support at 50 percent of parity will be available to upland growers who comply with the allotment program.

The USDA announcement noted that farm acreage allotments will be mailed to operators of cotton farms prior to the December 13 referendum.

Two Boxes, Muleshoe?

The largest vote in the history of Muleshoe was turned out for the 1960 Presidential election, according to Ernest Kerr Precinct one election judge.

Sixteen hundred and seventy-five votes were cast Tuesday at Legion Hall, six hundred and seventy-three of which were cast by noon. The count for Precinct one box was set at 834 for the Nixon-Lodge team and 568 for Kennedy and Johnson.

It was stated by Kerr that Precinct one must now make plans to add another voting box. One box simply isn't enough for the size of the vote which was so large that the results were not announced until 11:30 p.m.

The first voter in this precinct was Don Kemp of 901 East Fig, Muleshoe.

Kerr was aided in conducting the election by Henry Bass who served as assistant judge.

Two Republican observers were present at the polls. They were Earl Ladd and Carl Case. Serving as clerks were: Mrs. Henry Hanover, Mrs. Sylvan Roinson, Mrs. Harold Griffith, Mrs. McAdams, Mrs. Bill Taylor, Mr. and Mrs. Connie Dale Gupton, W. B. McAdams, Carroll Pouncey, Mrs. J. E. Day, Be y-Wingo, Mrs. Goldie Roberts, Mrs. J. C. Arma, Mrs. H. G. Barbour, Mrs. Harvey L. Bass, Mrs. Peggy Childers, J. Adline Mawhugh, Kay Kimbrough, and Lyon Hamell.

County Voters Approve All Amendments

Bailey County voters gave all four constitutional amendments their approval in last Tuesday's election.

The first amendment increasing the maximum interest on veterans land bonds was pretty close with 818 for and 754 against.

The second amendment allowing the legislature to fix the maximum interest on small loans, in an effort to curb loan sharks, had 1130 for and 514 against.

An annual \$4800 salary for members of the Legislature was approved 909 for and 751 against.

Approval of the fourth amendment, allowing Lamar and Hidalgo Counties and one precinct in Comanche County to vote on creating a hospital district with taxing power passed with 1095 to 587 against.

Adams Receives Agents Award

Miami Beach, Fla., Nov. 4—The National County Agents' Association presented the Distinguished Service Award to J. K. Adams of Muleshoe. The award is presented to a limited number of agents each year who have demonstrated their ability in working with rural people and who have helped to improve the general economic and social welfare of the people in their counties. It is the highest award given by the association.

Agent Adams joined the agricultural extension service in 1945 as County Agent. He has been in this county since that time.

County agents from 49 states totaling about 2,000 were present for the 45th annual meeting of the association. The program was designed for professional improvement and outstanding speakers including Secretary of Agriculture, Ezra Taft Benson, Assistant Secretary of Agriculture, C. M. Ferguson, George M. Lord, Director, Maine Extension Service, Director M. O. Watkins, Florida Extension Service and President J. Wayne Reitz. University of Florida appeared on the program.

Hearing Set For Bond Election

A hearing to determine whether an election shall be called for the purpose of voting bonds in the sum of \$50,000 to provide funds for the repair and maintenance of paved roads in Road District 1-A of this county will be held December 2 in the courthouse.

Commissioners' court has ordered this hearing after having received a petition signed by W. R. Carter and 143 other persons who are resident property taxpayers voters of the district.

The matter has been under discussion here for some time. Citizens have said that if neglected roads, built by the county in 1947 and 1948, will deteriorate further and will be virtually destroyed. They say that the roads must be seal coated and surfaced.

County Judge Gle Williams told The Journal that approximately 35 miles of the roads are still maintained by the county, some of the roads built with the money provided in the 1946 bond election and issue having been taken over for maintenance by the state.

Property taxes would be levied to refund the bonds, which is expected to draw 3 1/2 percent interest.

All who are interested in this matter should attend the hearing December 2.

The A. W. Cooleys Enjoy Football Game In Dallas

Mr. and Mrs. A. W. Copley watched the parade of 3,500 Texas A & M students in Dallas Saturday morning, Nov. 5, as the Aggies marched in their best military manner. Their son, Don, is a member of the 254-piece band that led the parade.

At noon, the Dallas A & M Club fed 6,000 Cadets, their dates and guests in the largest barbecue ever held in Dallas.

In the afternoon, everyone enjoyed the spectacular football game at the Cotton Bowl between Southern Methodist University and Texas A & M. The game ended in a 0-0 tie.

Retailers Adopt Yule Contracts

Retail division members of Muleshoe Chamber of Commerce met Thursday morning and directed that all merchants be contacted for participation in the three year street decoration program.

The decorations committee was directed to put three participation contracts in the hands of the merchants so they might take part in adding more Christmas decorations to those already on hand.

Members of the committee will be contacting merchants with contracts which call for payment of 50 cents per front foot for each year for the next three years. Funds may be paid by check or draft, and will be used to maintain present decorations and purchase additional decorations on a cash basis.

Present decorations will be up an delighted on the evening of November 24, Thanksgiving.

Grid Winners Come In Pairs

The Main Street Merchants grid contest award was picked off by Mrs. A. S. Stovall this week. Mr. Stovall was the top grid guesser just last week.

Mrs. Stovall's entry blank contained 20 correct picks from field of 26 tries. This took place in a week of upsets which made the regular high-scoring contestants fall below their standard picking level.

Those usually coming in with good guesses are: Jerry Roddam, Douglas Lowe, Dale Fischgrabe, G. W. Chapman, Gene English, David Miles, Howard Splawn, Glen Kenner, and Douglas Jones.

There is another football contest entry blank in the second section of today's Journal. Pick the winners on this blank and leave at one of these Main Street merchant's stores: Lindsey Jewelry, Cobb's Department Store, Harvey Bass Appliance, and Western Drug.

COUNTY ANNOUNCEMENTS SOON

USDA Announces Cotton Allotments

College Station, Nov. 9—The U. S. Department of Agriculture has announced state acreage allotments for the 1961 crops of upland cotton.

The upland allotment for Texas was set at 7,849,196 acres, as compared with 6,817,477 acres in 1960. The 1960 Bailey County allotment was 93,686 acres. The 1961 allotment will be announced for Bailey and surrounding counties in the next few weeks according to Charles Daniels, of the Muleshoe ASC office.

Mrs. McCarty Services Held Sunday, Nov. 6

Funeral services for Mrs. Dora McCarty, 64, 5322 19th St. were conducted at 4 p.m. Sunday, Nov. 6, in McDonald Funeral Chapel, the Rev. Don Boles, pastor of First Presbyterian Church, Muleshoe, officiating.

Burial was in City of Lubbock Cemetery following graveside rites conducted by the Order of Eastern Star.

A resident of the South Plains since 1916, Mrs. McCarty died at 8:30 p.m. Friday in Taylor Hospital following a several months illness.

Born in Baird, she attended schools in Aspermont and lived in Petersburg and Muleshoe before moving to Lubbock in 1935. She was a factory representative for Logan Knitting Mills in the West Texas and Eastern New Mexico area from 1936 until August of this year.

Student Council Presents Play

"Stardust" was presented by the Muleshoe High School Student Council last Thursday, Nov. 3, before a full house of students and parents. The council made \$238.24 and would like to thank everyone who helped them present the play.

Thursday night the play cast had a party and presented Mr. Kerry Moore, director of the play, a gift of appreciation. The Speech Club elected the best actor and actress of the play. Robert Garlington was selected as best actor; Nonnie Taylor, best actress; Dick Allison, best supporting actor; and Ronda Johnson and Magann Lamb, best supporting actress.

Electing the best cast members of each play and presenting awards will be one of the projects of the speech club this year. President Shirley Henry said that Academy Award winners will be announced at the end of the year.

Quarterhorse Sale Set In Amarillo

About 45 head will be offered in a Quarterhorse sale to be staged Monday, Nov. 28, by Jack Bruns of Muleshoe and

Goodland Postal Patrons To Get Survey Cards

A number of patrons of the Goodland post office will find livestock survey cards in their post boxes on November 16.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms". Postmaster L. W. Chapman explains.

Cards are distributed at random among patrons having livestock and poultry. "This means that not every box will get a card", Mr. Chapman said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Facts and figures secured in this survey are the basis for the Texas and National pig crop report and inventories of the livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio and television.

"This annual survey has been a joint undertaking of the Post Office and the Agriculture Departments since 1924", concludes Mr. Chapman.

STREET DECORATIONS GO UP NOV. 24

C of C Announces Yule Plans

Jack Garrett of San Jan, N. M. The sale will be held in a closed barn at the Tri-State Fair grounds in Amarillo, beginning at one o'clock.

Some fine stallions and their get and some mares will be included in the sale. Bruns will offer two fine stallions, Prince Hank, and a younger horse, Mr. Bruns. Lunch will be available at the sale.

Working in cooperation with the City Manager, the Chamber will mark the Christmas shopping season officially on December 3, with a giant Christmas parade, featuring decorated floats, bands, and the annual arrival of Santa Claus aboard a miniature train. The parade will begin at 1 p.m., and prizes totaling \$100 will be awarded the best four floats.

Rev. Don Boles is chairman of the parade committee and is anxious for all organizations which will participate in the parade to let him know of

Alfred Hawkins Rites Conducted

Funeral services were conducted for Alfred Lee Hawkins 2 1/2 months, Friday, November 4, 1960, at the Second Baptist Church in Sudan. Rev. T. L. King conducted the services. Interment was in the Sudan Cemetery under the direction of Singleton Funeral Home.

Alfred is survived by his parents, Mr. and Mrs. Ernest Hawkins.

His intentions this week. Also on December 3, the first of four weekly drawings will be held at each of which, \$125 in "Muleshoe Yule Bucks" will be given free. "Muleshoe Yule Bucks" may be spent like cash at any of a number of participating firms, all of which are listed on the reserve side of the "bucks".

Registration will be held all day on December 3 from a central registration booth on Main Street. Only registration slips signed on each of the four days will be used for that day's drawings.

Similar \$125 awards of "Muleshoe Bucks" will be made on December 8, 15, and 22.

Merchandise and gift certificates from participating merchants in the giant Christmas Gift giveaway will be awarded on the courthouse square on Christmas eve afternoon.

BUFFORD WATSON

Bufford B. Watson, of Muleshoe, has been cited at Texas Tech, Lubbock, at a "Distinguished Military Student" at the college, by President R. C. Goodwin.

Watson, who is a son of Mr. and Mrs. T. W. Watson, Muleshoe, was among 13 Air Force and Army ROTC students so cited. Bufford is in the Air Force ROTC.

Scoop Sez . . .

By J. M. Forbes

I always like to vote here in No. 1 box, Muleshoe. For one thing, old Ernest Kerr, election boss out there, and his assistants make a fellow feel that he is conferring a favor by doing his duty; they're nice to you. And the same bunch of "girls" are there as they always have been and I said to Mrs. Hanover, who handed my wife and me our ballots: "How many ballots, by now, have you presented to me?" She said they were too numerous to remember.

It is not easy to run a voting box and it is not easy to do all that tabulating and tallying and I for one appreciate that some are willing to work at it, while all I have to do is scratch, scratch, until no name is left except that of the person I favor.

And I favored the Democrats this time, will favor them with my one little ballot in 1964, as I did in 1952, and 1956, and in all elections prior to that time when I qualified to vote. I merely say this now so that I will not have to repeat it, I'm just a Democrat; I think it is the best party for our section of the U. S., and for the State, the Nation, and the world.

In future elections I will not, as I was not in this election, be swayed from my party loyalty by innuendoes, by peccadillos, by insinuations, by hatred, prejudice, plain malice, ignorance or what have you. Since I think the Democratic party is the party of old Joe Blow and the missus, year in and year out the party of progress and of social reform, I will continue to be loyal to it.

And I lectured myself kinda like this, and I said: Forbes, be FOR something, not just AGAINST something. And I said if you belong to a lodge, church, a civic club, be loyal to that organization, and not secretly and evasively for the competition. Derrn it, I said, and stay with it; if no one honors you for it, who cares. Just be for your outfit, through thick, through thin, and if others decide your loyalty is for a sorry cause, that's just their decision.

The Journal will, however, continue to print anything that's fit to print, any opinion on either side, if signed by the author; we'll print it even if the author indulges in hate tactics, silliness, false reasoning, reasoning by insinuation or innuendo, or reasoning based upon no true premise.

I have no intention ever to try to force my opinion upon you, to try to force you to vote a certain way, I respect your right to vote any way you choose, but I reserve the right to criticize your judgment.

Well, the Democrats have won and this column extends congratulations to Mr. Kennedy and Mr. Johnson for their opportunity to be of service to their country and to the world. Mr. Nixon and Mr. Lodge and all their adherents certainly cannot censure themselves for they fought the good fight, honorably acquitted themselves, a good deal of the bitterness produced by both sides was the work of over zealous supporters not the four fine men who stood toe to toe and slugged it out.

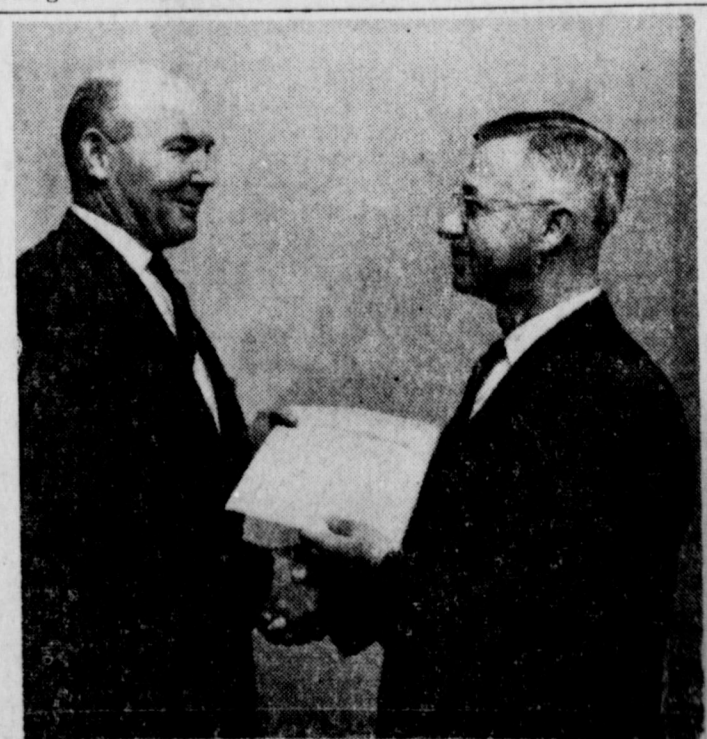

The Honest Man

Pat Bobo says Winford Young the election big man of the Baileyboro voting box always tells this story on election day, and that it gets funnier every time:

He said this man moved into a new community, presented himself to the bank, gave some 20 references from his old community. The bank president scanned the replies to queries he made and discovered that every report indicated the man's reputation for honesty was beyond impeachment. So he called in his vice-president and told him never to let the man have a loan; if he is that honest, the president said, he couldn't pay anything.

Veterans Day Observed

Local business establishments will remain open Friday, November 11. Offices that will close for Veterans Day are: all U. S. County, and City Offices, and all banks.

J. K. ADAMS, left, Bailey County Agent, is shown accepting the Distinguished Service Award presented to him by the National County Agents' Association in Miami Beach, Florida. The presentation was made by Paul Burger of Waterloo, Iowa, Chairman of Recognition Awards.

Constitution Copies Presented At MHS

Framed reproductions of the Constitution of the United States and the Declaration of Independence were presented to the student body of Muleshoe school in special assembly here Friday morning by C. L. Key, who is conducting a series of lectures on Americanism under the sponsorship of the Muleshoe Chamber of Commerce.

Robert Garlington, student council president, accepted the documents, which were provided by Joe Baldrige in memory of his father. The large framed reminders of America's heritage will be displayed prominently in the High School building for all students to see, according to the principal, H. W. Callan.

Dr. Kay, who is vice-president for public service at Lubbock Christian College, is presenting the series of lecture on Americanism to the High School students at Muleshoe. Two lectures have been delivered, with the final two scheduled Nov. 11 and Dec. 15.

The lectures consist of illustrated material and a presentation of the basic facts of Americanism and why it is superior to Socialism and Communism.

Reception of the material has been excellent, according to school authorities.

MRS. JAMES DRAKE

Double-Ring Vows Are Read For Jean LaRue and James Drake

Miss Jean LaRue and James Drake of Lubbock were united in marriage Friday, Nov. 4, at 5 p.m. in the Youth Chapel of the First Methodist church. Cline B. Drake, father of the groom, performed the double-ring ceremony as the couple stood before an altar arrangement of large bronze mums and tiny gold pom-poms with bronze candles placed on either side.

The bride is the daughter of Mr. and Mrs. C. O. LaRue, Jr., of Muleshoe, and the groom is the son of Mr. and Mrs. Cline B. Drake of Lubbock.

Given in marriage by her father, Mrs. Drake was wearing a street length dress of white brocade fashioned with a portrait neckline, full pleated skirt and fitted bodice.

Her white veiled hat was accented with a demi-veil. Her corsage was composed of tiny yellow rosebuds and white Stephanotis. For the tradition, something old, she wore a miniature locket; something new was her dress; something borrowed was her grandmother's wedding band, and something blue was a tiny blue bow on white lace slip. She wore a 1941 penny in her shoe for luck.

Miss Sandra Hasley of Lubbock, the maid of honor, was wearing a yellow wool sheath dress, white feather hat and white gloves. She carried a single yellow rose. Paul Drake of Lubbock, served his brother as best man.

The wedding selections were played by Miss Sonja Bass of Muleshoe.

For her daughter's wedding, Mrs. LaRue was wearing a wine colored sheath dress with black accessories. Mrs. Drake was dressed in a royal blue sheath dress and black accessories. Both ladies wore corsages of white feathered carnations.

RECEPTION
The reception was held in the home of the bride's parents, Mrs. Charles Drake of Idalou and Miss Sandra Has-

Miss Wuerflein Queen Entry For Wayland Seniors

Planview — Wayland Baptist College's seniors have pinned their hopes for a Homecoming Queen on Miss Martha Wuerflein, Muleshoe, who placed third in the 1959-60 Campus Beauty competition and who was crowned basketball queen last spring. Miss Wuerflein is the daughter of Mrs. Lillie Wuerflein, Muleshoe.

Coronation of the Homecoming Queen will take place at a formal dinner Nov. 18, after which the Queen's Court will be honored guests for the Pioneer Players production of "Sunrise at Campobello".

Before the coronation ceremonies will be a round of competitive events to determine the young woman having the most talent and personality and will culminate with the downtown parade of floats on Saturday morning. These floats, also will be judged for beauty and portrayal of theme. Miss Wuerflein will appear in a style show and a talent program before the students and faculty who will vote on the candidates. Negatively her group can lose votes if they do not complete their float by deadline time.

Miss Wuerflein, a home and family life major is president of the Wayland Home Ec. Club, which also has a candidate in the race, Miss Doris Crisp, Shallowater, who was named Campus Beauty last year. Miss Wuerflein will give a skit on the talent show but the form it will take is a closely guarded secret.

This year's downtown parade has as its theme, "Legends of American Women". The seniors chose "The Statue of Liberty" as its theme.

MEETING POSTPONED
The Ladies Auxiliary of the Immaculate Conception church postponed their Nov. 8 meeting because of the election returns. The local Catholic women will meet Tuesday evening, Nov. 15, at 7:30 p.m., in the Immaculate Conception Catholic Church's study room.

MRS. MOELLER RETURNS
Mrs. Anna F. Moeller has returned from a three week visit with relatives in Chicago and various points in Iowa.

ley of Lubbock, served the guests.

The table was covered with a white lace cloth over yellow. The centerpiece was an arrangement of bronze and yellow mums placed between bronze candles. Silver and crystal appointments were used to serve the wedding cake and frosted punch.

For their wedding trip to points of interest in New Mexico, the bride donned a tan wool suit, feather hat and brown accessories.

The groom is a graduate of Crosbyton High School and is now employed as a salesman in Lubbock. Mrs. Drake is a graduate of Muleshoe High School and will continue to work as secretary. The couple will make their home at 3501 22nd Place in Lubbock.

McGeath-Moore Vows To Be Read In Earth Dec. 21

Mr. and Mrs. Glen McGeath of Earth announce the engagement and approaching marriage of their daughter, Pattie, to Richard Moore, son of Mr. and Mrs. Charles E. Moore of the Y. L. community.

The couple will be married Wednesday, Dec. 21 at 7:30 p.m. in the home of Mr. and Mrs. W. O. Jones of Earth, relatives of the groom.

Only the immediate members of the family will be present for the ceremony.

Mrs. Hooten Is Honored With Coffee Nov. 4

A "Pink and Blue" Gift Coffee honoring Mrs. Robert Hooten was given in the home of Mrs. Ray Daniel Friday, Nov. 4 between the hours of 10 and 11:30 a.m.

Mrs. Calvin Embry poured from the silver coffee service. The table was covered with a pink linen cloth with silver and crystal appointments. The centerpiece was a crystal epergne holding pink candles and tiny pink asters.

Date nut and banana nut bread, miniature sausage and pineapple kabobs and coffee were served. Approximately 35 ladies called or sent gifts.

The hostesses were Mmes. Frank Ellis, Eugene Black, W. B. McSpadden, Jack Morris, Webb Watts, Johnny Prater, J. E. McVicker, and Ray Daniel.

ELECTION DAY AT JUNIOR HIGH SCHOOL

Election day was very exciting for the eighth grade. The S.C. presented a program entitled, "Glimpses Through History". Everyone enjoyed it very much.

A mock election was held in history class. Nixon was victorious by a narrow margin.

Tuesday night, Nov. 8, parents of Junior High students were invited to visit the school. They went through our schedules while getting acquainted with our teachers.

Paul Scott To Head LCC Financial Drive

Paul Scott, Muleshoe, has been named as Bailey County chairman of the Lubbock Christian College 1960 Financial Campaign, according to Dr. F. W. Mattox, president of the college. Campaign goal has been set at \$2,077,000 with the Bailey County goal set at \$11,000.

Lubbock Christian College, now in its fourth year of operation as a liberal arts junior college, has an enrollment this fall of approximately 380 students. Total campus assets amount to \$2,000,000 including the Auditorium-Administration Building, a 60-room women's dormitory, and 14 semi-permanent buildings. A giant field house, 382 by 182 feet, now under construction, will be one of the largest in the nation.

The campaign is designed to complete the financing of the two present permanent buildings, provide for action and equipment of the field house and build a dormitory to house 130 male students. It also aims to make available a three-year operational fund of \$300,000 to assure continued high level academic standards, more teachers and an improved salary level.

A three-year fund of \$120,000 to sustain the student work program and provide scholarship aid to gifted students with limited means also will be set up. Another aim is to purchase the additional 100-

HERE! EASIER GOING FOR THE DRIVER AND THE LOAD, LONGER LIFE FOR THE TRUCK!

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking for the soundest truck investment you could bet your business on.

and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the drive up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvair 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

Fire Used In High Plains Experiments

(Editor's note: According to Bailey County Agent J. K. Adams, the experiments in flame cultivation being conducted at the Hi-Plains Research Foundation could prove highly beneficial to farmers in this area. Adams said however, that farmers should realize it will be a minimum of two or three years before the new method will be ready for general use.)

Field drying grain sorghum by the use of flame cultivation was a new experiment conducted at the High Plains Research Foundation in September and October.

The objective was to reduce the moisture content to the 13% acceptable for safe storage or government loan, without dockage.

The results secured were encouraging enough to justify continuation of the tests. During the winter months the experiment will be continued on grain sorghum in the Rio Grande Valley and at the Foundation at Halfway in 1961 by Dale Price, agricultural engineer.

A high clearance tractor equipped with a flame cultivator was used in the tests. 2 additional burners were added per row and the burners placed opposite each other. The flame was directed at the base of the plants in the row. Where the flame from the burners collided, the flame moved upward, drying the leaves and reducing the moisture in the head.

Tom Longnecker, in commenting on the procedure, stated, "Although it is too early to predict whether this artificial drying of grain sorghum in the field has a place, the results so far are very encouraging. In good dry weather grain sorghum will dry at the approximate rate of 0.5% per day after maturity, under the same conditions the application of heat increased the drying rate to around 1% per day. We are definitely not recommending the use of artificial field drying as yet, but we believe that techniques can be developed so it will be possible to speed up field drying and make it possible to harvest grain ten to fourteen days earlier."

The Lazbuddie senior class will have a bake sale Saturday, Nov. 12. We will make orders if anyone wants them.

The senior class of Lazbuddie is now selling annuals. They cost \$3.75. This includes the supplement.

Three Way News

by Mrs. Frank Griffith

The High School students of Three Way elected by popular vote, were: Most Popular Boy and Girl, Kenneth Everett and Sarda Lemons; Most Courteous Boy and Girl, Frank Stegall and Elaine Kenley; Most Handsome Boy, Dewayne Clay; Most Beautiful Girl, Kathy Pollard.

The faculty of Three Way High School selected as Mr. T. H. S. James Long Miss T. H. S. Dorothy Tucker; Most Athletic Boy, Ken Sims, and Most Athletic Girl, Linda Sims.

The Three Way Home Demonstration Club entertained the Progress and Muleshoe Home Demonstration Clubs in the home of Mrs. Thurl Lemons with a salad luncheon and games. There were 18 present.

Weekend visitors in the Louis Henderson home were Mr. and Mrs. Bobby Henderson and children from New Deal. Mrs. Henderson kept the children until Monday, while Bobby was at Lovington, bowling with the Oakwood Lane Traveling Team of Lubbock.

Mr. and Mrs. Louis Henderson will leave Wednesday to attend the State Farm Convention in Dallas. They will stay at the Adolphus Hotel, headquarters for the convention. The Hendersons will return Sunday.

Mr. and Mrs. Tommy Galt, Mr. and Mrs. Cass Stegall, and Mr. and Mrs. L. W. Chapman ate Sunday dinner with Mr. and Mrs. T. G. Gaddy of Portales.

Three Way Eagles were defeated by Cotton Center, 19-13 in a play-off game at Three Way Friday evening for District. Both teams will share the honor as football co-champions of District 6-B. Each team will receive a trophy.

Paul Clara of Waxahachie spent the weekend in the Roy Epperly home, Paul and Roy, Jr., were in the Army together. Roy, Jr., received his discharge, and his parents met his plane at Amarillo Saturday.

Progress News

Attendance was down this past Sunday at the First Baptist Church of Progress. There were 91 present for Sunday School. There were 20 visitors and others came for church.

Church Achievement

The First Baptist Church of Progress was recognized as one of the 17 district winners, at the Convention in Lubbock, and was also recognized as having been outstanding in the area of work toward better church and toward a better world. The church has voted to carry on this achievement program another year.

Attended Convention

They were several attending the convention at Lubbock this past week.

They were Mr. and Mrs. Elmer Eason, Mr. and Mrs. Elmer Downing, Christine McCain, Bob Eason, Mrs. Earl Horn, Roy Locker, Mr. and Mrs. Sam Blackwell, Mr. and Mrs. H. L. Peugh, Mrs. Tom Morgan, Mrs. D. O. Smith, Mrs. M. L. Shipp, and the pastor, Rev. Earl Hard.

Word was received here Monday by Mrs. Rita Richards of the death of her cousin, Silas Gamble of Ft. Sumner, N. M.

Congratulations are in order for Mr. and Mrs. Phillip Garrett on the birth of a daughter, born Nov. 3 at 12:07 p.m. She has been named Janell Clair. The young lady weighed 6 lbs., 4 ozs. They have another daughter, Jana, who is 3 years old.

Mr. and Mrs. E. A. Bass and girls visited this past weekend near Ft. Worth with her parents, Mr. and Mrs. Andy Dunlap.

Larry Nigh spent Sunday in the home of Ronnie Barber.

Mr. and Mrs. W. E. Duncan visited in Big Spring with their son and family, the Hillis Duncans

BLANCHE FOWLER LENDERSON is shown above with a few of her many beautiful paintings. She invites all her friends to her "One Man Show" to be presented Sunday.

Local Artist In First Solo Exhibit At West Texas College Nov. 13

The Department of Art of West Texas College will honor Blanche Fowler Lenderson, of Muleshoe with her first One Man Show, with a reception and exhibition of her paintings, Nov. 13, 1960, from 2:00 to 5:00 p.m. at the Fine Arts Building, WTSC, Canyon, Texas.

Nan Sain and Willis Gatlin Marry Nov. 3

Mr. and Mrs. J. H. Sain announce the marriage of their daughter, Nan, to Willis Gatlin, son of Mrs. I. H. Gatlin, all of Muleshoe. They were married in Clovis, N. M., Thursday, Nov. 3.

Mrs. Lenderson started studying in the summer of 1956 with Dr. Emilio Caballero in the South Plains Art Guild Workshop in Lubbock. Since then, she has always been interested in art. Ray Freeman of Dallas, portrait painter, Gary Pierce, A. W. S. of Tucson, Ariz., Rex Brant, A. W. S. of Corona Del Mar, Calif., Harold Rooney, San Antonio, and recently studied again with Dr. Caballero who has been holding classes in Muleshoe for the past two years.

She was represented in Exchange Exhibit with Lubbock and Hanover, Germany in 1956. She won second place in 1959 in S. P. A. G. Membership Show and Texas Fine Art Regional Show, and in 1960 she won first place in mixed media in T. F. A. Regional Show held in Lubbock.

Mrs. Lenderson recently exhibited in invitational shows in Methodist Hospital and Garden Art Center in Lubbock. She is represented in Muleshoe at Muleshoe State Bank and Leigon's Dining Room, also several private collections in Muleshoe and area.

Mrs. Lenderson calls herself a "decorative" painter, because she has always been interested in interior decorations, and feels that art in the home is so important and loves to paint pictures to fit the decor and personality of the home.

Her ambition is to be a really good portrait painter. She thinks she is a conservative painter, but wants all her work to have a creative flair at least something different than you get from a photograph, and feels all paintings should leave something for viewers' imagination.

Mrs. Lenderson is very serious about her painting because it helped to fill a great void in her life after she and Mr. Lenderson lost their only daughter.

She is a member of the First Methodist Church, The South Plains Art Guild and The Muleshoe Art Association.

There will be approximately 50 paintings in the show.

Children of Deceased Veterans May Qualify For Education Aid

Children of deceased veterans who died in service during certain "peacetime" periods, as well as children of deceased veterans who died as the result of injuries or disease incurred during these periods of peacetime service in the Armed Forces may now qualify for educational assistance. Provisions for this assistance were made by enactment of a recent law by Congress. This announcement was made today by Joe Vaughn, Veterans County Service Officer for Bailey County.

Vaughn pointed out that, for the past several years, the Veterans Administration has been permitted to render financial assistance to the children of deceased veterans who died in service during wartime, or later died as the result of disease or injuries caused by the wartime service. In this new law, the Congress has defined certain periods of peacetime service as being "extra hazardous" and "under conditions simulating war."

To be eligible for this assistance, the child must generally be between the ages of eighteen (18) and twenty-three (23). Vaughn said. However, under certain conditions, a child who is less than eighteen (18) may be entitled to this assistance.

Vaughn invites those who are interested in obtaining more information in this regard to contact him at his office in Muleshoe, Texas. Additional information may also be obtained from any office of the Veterans Affairs Commission of Texas.

P-TA Officers and Chairmen To Meet Monday, Nov. 14

The executive officers and committee chairmen of the DeShazo P-TA will meet Monday, Nov. 14, at 2:30 p.m., in the DeShazo cafeteria.

The P-TA will not meet at their regular time because a joint meeting is being planned for all P-TAs Monday, Nov. 21, at the Richland Hills school.

The next meeting on November 22. The Thanksgiving program, directed by Mrs. Harold Allison, will be in Fellowship Hall.

Certificates of Merit Awarded To Students

Seven Muleshoe students were awarded Certificates of Merit by O. E. Lumsden, Supervisor of Guidance and Testing, for outstanding scores on the National Educational Development tests administered to the freshman class last spring.

The test is designed to measure the students ability in each of five areas: English usage, mathematics, social studies reading, and natural science reading, and word usage. Students scoring in the top twenty-five per cent receive certificates.

The certificates were presented at a recent general assembly to: Davy Jean Anderson, Mike Connell, Genie English, David Ralph Douglas, Jerry Gilbreath, James Edward Thomson, and James Leslie West.

RECIPIENT JOHN HUBBARD, Bula, accepts a \$25 Savings Bond as the prize for guessing closest to the date of the first freeze this fall in the Journal's First Freeze Contest. Awarding the bond to Hubbard is Cherry Hoybook, Journal Society Editor. Mr. Hubbard had the bond made to his daughter, Wanda.

Education Week Big Success At Richland Hills School

"American Education Week is a time to show education in the classroom," said Frank Ford, principal of Richland Hills School. "The school feels it is worthwhile for parents to visit the school and witness education at work". The weeks program included classroom visitation, musical programs, plays, and classroom demonstrations as well as an invitation to visit the lunchroom and eat with the children. Ford estimated Tuesday visitors at 400 or 500 parents.

One of the things that proved to be of great interest to parents was the new reading laboratory recently introduced in grades four, five, and six.

In this class great stress is laid on phonetic spelling methods. The program is designed to teach children a comprehensive skill in reading. According to Ford many children read rapidly but more emphasis must be placed on reading for content.

The fifth grade under the direction of Mrs. McCormick presented a play especially written for educational week by the National Education Ass., which was titled, "Command Performance". The play stressed the importance of parents knowing what occurs in the classroom. In the course of the play parents were chosen from the audience and challenged

to an old-fashioned spelling bee. The parents were quickly set down.

As for the musical program, the upper grades were taught several patriotic songs that are not as well known as they should be. One of these which is of particular interest is "Texas Our Texas", the state song, unknown by all but a very few parents and children. The lower grades are taught seasonal songs.

Eighty-five parents ate in the school lunchroom Tuesday and fifty-two ate there Wednesday. The parents were quite surprised at the excellent quality of the lunches.

Ford stated that Muleshoe is a most cooperative community and especially interested in its schools. He was also elated over the comments the parents made after visiting the school.

Social Security Representative To Visit Muleshoe

You do not have to completely retire to draw social security benefits, and under recent changes in the social security law, many social security beneficiaries who work in 1961 and later years will have less of their benefits withheld than they do now.

As before, however, a person is considered retired if he or she is not earning more than \$1200 per year. A beneficiary who earns more than \$1200 loses only \$1 of benefits for every \$2 that he earns between \$1200 and \$1500. For every \$1 of earnings above \$1500, he loses \$1 of his benefits.

Under the rules in effect before 1961, a beneficiary who earned over \$1200 in a year would lose a whole month's benefit check for every \$80, or fraction of \$80 by which his earnings exceeded. So, if his earnings were over \$2080, he would lose all benefit checks for the year.

However, under both the old and the new rules, a beneficiary can be paid his full benefit check for any month in which he neither works for wages of more than \$100 nor renders substantial services in self-employment. It does not matter how high his total earnings for the year may go, he will still be paid his checks for those months.

If you are a man age 65 or older, or a woman, age 62 or older, and are still working part-time, you may be entitled to social security benefits for some of the months in the calendar year. If you are past retirement age, but have not yet applied for your social security benefits because your earnings are too high, get in touch with your social security office now, the new rules that go into effect in 1961 may make it possible for you to collect some benefits even though you are working.

A representative of the Lubbock Social Security Office will be in Muleshoe on Thursday, Nov. 17 at 9:30 in the County Courthouse and will be glad to assist in all matters pertaining to social security.

DeShazo Observes Education Week

Mary DeShazo school observed American Educational Week this week with an open invitation to parents to visit the school and attend classes along with their youngsters. Principal Fred White said about fifty parents accepted the invitation and about twenty-five more chose to eat with their children in the school's cafeteria.

White stated that programs are now being planned to insure the success of Texas Education Week which will be held next March.

Homecoming Bout Scheduled For Lazbuddie

The Lazbuddie Longhorns will engage the Happy Cowboys in a Homecoming tilt November 11, at Lazbuddie. This game will be the final district game for both teams, with the winner being District 2-B champion.

The Longhorns now have a season record of 6-1, a district record of 3-0, and a good chance to win their first district title.

Half time activities will include the crowing of Football Queen for this year. The name of the queen will be revealed until she is crowned. This will be the last game played by ten senior boys. They are: Odie Bradshaw, Norman Brantley, Ronald Elliott, Jerry Don Glover, Ronnie Gustin, Billy Hardage, R. L. Porter, Freddie Savage, Jerry Smith, and Roy Max Miller.

School Board Meets

The Muleshoe school board held its regular monthly meeting November 7. The following business was transacted:

1. Heard and approved the 1959-60 audit given by Mr. Alex Williams, representing Williams and Merriman, Certified Public Accountants.
 2. Superintendent Neil Dillman gave his report on roof leaks at the Richland Hills School, Mary Dehazo School, also, Junior High School, and High School. The board approved a plan to remedy these leaks.
 3. Approved the purchase of 10 water pressure fire extinguishers and five D.C. fire extinguishers for the school. These will help to meet minimum standards for fire protection in Texas Public Schools.
 - Presently the Junior High has no extinguishers; High School has two, Richland Hills has one, Hilltop has two, the West DeShazo building has 5, and the East DeShazo building has 5.
 4. Free lunch program was discussed and the fact was pointed out that the schools do not get refunds from the Federal Government for this program.
 - The Board approved the plan that is now in operation.
 - a. Parents must fill out application in Principal's office.
 - b. Show why they cannot pay for their children's meals or send lunches.
 - c. Offer references.
 5. Discussed plans to have crosswalks painted for school children at 18th Street and Highway 84, American Boulevard and Highway 70, and the corner of South 1st and Ave. D.
- The planning is being done

in cooperation with city and Highway Department in order to work out the best plan possible for the safety of our children.

6. Heard request, by John Smith, to reconsider the policy on Senior Trips. The request was tabled for future action.

After approving payment of the monthly bills, the board adjourned.

A Successful Program Is Presented At Junior High School Nov. 8

A very successful "Get Acquainted" program was presented at Junior High School Tuesday night, Nov. 8 in observance of American Education Week.

Everyone enjoyed getting acquainted with their child teacher, viewing a film and following their child's daily schedule.

Refreshments of coffee and cookies were served to approximately 175 persons.

DISPENSED FROM THE LAW OF ABSTINENCE

The Immaculate Conception Catholic Church received word from the Most Reverend Bishop of Amarillo on Tuesday, Nov. 8 that all the Catholics of the Diocese of Amarillo are dispensed from the law of abstinence on this Friday, Nov. 11, Veterans Day. Muleshoe is in the Amarillo Catholic Diocese.

We salute all those who served Freedom's Cause

Veterans Day, 1960 is set aside as a reminder that the "battle" for freedom and peace is never ending; that we must always be vigilant in its cause. We pay tribute today to all of the brave men and women, living and dead, who honorably served our country and helped preserve the freedom and democracy we all enjoy today. They will never be forgotten.

Parmer County Farm Bureau News

Donald Christian was re-elected Vice-president of PCFB last Thursday night in director's meeting, and Vernon Symcox was also re-elected Secretary-Treasurer. Committees were not appointed, but probably will be appointed at the next meeting Dec. 5.

Texas Farm Bureau now has in excess of 80,000 members, which I believe indicates an increase of around 1,000 members over 1959. We feel like Parmer County's membership should keep pace with a similar percentage increase in order that we may maintain our voting strength within the overall organization. You do, if not paid already, will be welcomed now, or any time. Your voice is needed to join with those already organized to give more strength to the local organization.

You will remember that Texas Farm Bureau and American Farm Bureau requested the Secretary of Agriculture to increase cotton allotments at least ten per cent and not more than 14 per cent for 1961. You are probably already aware, also, that the Secretary did make the increase of 14 per cent.

Farm Bureau also asked that the support price be increased

to above 70 per cent minimum in view of favorable marketing conditions. The support will be announced before the December 13 referendum.

We feel like you will profit by attending the American FB Convention in Denver, Colo., Dec. 11-15. It is hoped that many farmers from Parmer County will make it a point to be there. There is the place to see how American Farm Bureau policies are developed from the state resolutions. You will also get an idea of the strength of the largest voluntary farm organization in the world.

We think there will be five or six delegates go to the Texas Convention in Dallas this week. We'll know who they were next week, but they're reasonably sure M. T. Glasscock and Ernest Kube are among them.

Local Boys Awarded Eagle Badges

Editor's note: Harland Curry, son of Mr. and Mrs. Homer Curry, and Herbert Blair, son of Mrs. Francis Blair, both of Muleshoe were awarded Eagle badges by the South Plains Council of the Boy Scouts of America recently. The story of their advancement in scouting was written by the boys.)

HARLAND CURREY

EAGLE SCOUT

by Harland Curry
When I registered in Cub Scouting, Mrs. Curtis Wellborn and Mrs. Mozell Morrison were the Den Mothers.

During the year 1955 Alex Wilkins was the Cub Master. I was awarded Bobcat, Wolf, Bear, and Lion awards and gold and silver arrows for points. Then I was a Webelo. Homer Curry and Billy Elrod were the Webelos Assistant Cub Masters.

In February 1957 I joined Boy Scout Troop 20 Homer Curry was scoutmaster, and Billy Elrod was assistant scoutmaster. Our troop was sponsored by the Lions Club of Muleshoe which we appreciated very much.

In 1959 Horace Edwards was elected new scoutmaster and R. A. Bradley assistant. I went to Post, Texas, for a week camp. During 1958 and 1959 I received tenderfoot, Star and Life Rank and a total of twenty-six merit badges.

Two Local Students Are Honored At LCC

Kay Brown, daughter of Mr. and Mrs. Murrell Brown, and Dan Lee Smallwood, son of Mr. and Mrs. Johnny Smallwood, were elected to serve as officers on the Executive Council of the Lubbock Christian College Meistersingers Chorus. Kay is second vice-president in charge of publicity, and Dan is third vice-president in charge of risers.

The Meistersingers, directed by Wayne Hines, was organized this fall as a major choral organization of the college. The group includes 53 members.

The Executive Council is the governing body of the musical group.

The South Plains Council of the Boy Scouts of America, invited me to their Fall Court of Honor for the rank of Eagle Scout on October 31, 1960. I was awarded the Eagle Medal, cloth badge, and a square knot by my father, Homer Curry. Our mothers were given red rose corsages and miniature Eagle Pins. This was a very important day of my life. Now I am working for my Gold Palm and Silver Palm which is a little higher rank than Eagle.

In the summer of 1958 I went to Sangre de Cristo, New Mexico for a week camp out. There were ten other boys besides myself. Homer Curry attended the camp with us.

HERBERT BLAIR

EAGLE SCOUT

by Herbert Blair
I started my scouting life as a Cub Scout in 1954. With the help of Mrs. Claudis Murrah and later Mrs. Curtis Wellborn, as den mothers, I advanced steadily and gained valuable experience.

In February 1957 I joined Boy Scout Troop 20. Homer Curry was Scoutmaster and Billy Elrod was assistant Scoutmaster.

I worked hard and advanced very fast. In the summer of 1959 I went to Sangre de Cristo Scout Camp and the South Plains Council Aquatic Camp. In the camps I gained much scouting knowledge and earned many important merit badges.

In 1959 we got a new Scoutmaster. Also that year I went to Camp Post and I was also inducted into the Order of the Arrow, a brotherhood for honor campers.

This June I went to Tres Ritos Scout Camp, and in July I attended the National Jamboree at Colorado Springs. At the Jamboree I was a Patrol Leader and also I was on the Public Relations staff. After the Jamboree it was my privilege to have a Japanese Boy Scout at my home for two days.

So far in my scouting I have served as an Assistant Patrol Leader, Patrol Leader, Scribe, and Senior Patrol Leader.

That's my scout story, and I'm sure that now that I'm an Eagle Scout I'm not stopping it for a long time.

Doug Bales Awarded Soil Conservation Farmer Prize

DOUGLAS BALES, Outstanding Conservation Farmer for 1960, and wife, Eunice, explain the excitement around the Bales' household to son Kim.

Douglass Bales was named the Outstanding Conservation Farmer for 1960 by the Board of Supervisors of the Blackwater Valley Soil District in a meeting held October 31.

Bales has a farming and livestock operation consisting of 514 acres of land 10 miles southeast of Muleshoe. Much of his farm land is a loamy fine sand and subject to severe wind erosion if improperly managed. To combat this problem he utilizes stubble and crop residue by leaving them on the surface of the land where they protect the soil from both wind and water erosion. To protect his land on which there is an insufficient amount of residue, such as his cotton land, Bales seeds a cover crop of rye. The rye not only serves as protection against erosion, but also improves the soil condition and fertility when turned under green in the spring.

Recent Farm Improvements

by Bales include an underground steel pipeline which was installed this past winter under the Great Plains Conservation program. This improvement results in a more efficient sprinkler irrigation system and also helps in conserving his irrigation water.

Future planning includes seeding 24 acres of his cropland to grass this next year. This grass will be used for grazing or seed production. Bales has already seeded several acres in grass this year to provide additional pasture

for his cattle. He has a very high quality herd of Angus cattle. Cattle of this type are the result of good management and careful selection. These are only a few of many reasons why Bales was chosen to receive this award.

Doug, however, is not the only outstanding member of the Bales' family. According to his neighbors, his wife, Eunice, is also outstanding as a farm wife. Mrs. Bales' main interest at the present is centered around their son, Kim, aged three, and raising him to be a good citizen. The Bales are

PRESENTING THE 1961 Thunderbird

UNMISTAKABLY NEW... UNMISTAKABLY THUNDERBIRD

SO NEW THE STEERING WHEEL MOVES OVER TO WELCOME YOU IN

The finest expression of the Thunderbird spirit, unquestionably Thunderbird in its classic lines and sparkling performance—not a hair wider nor a tenth of an inch longer—yet a Thunderbird so uniquely new it stands alone in the fine car field.

In six brilliant years the Thunderbird has established itself as the trend car of our times. The dramatically new Thunderbird for 1961 is true to the Thunderbird tradition in every trend-setting inch. It preserves all the features that mean Thunderbird: the classic Thunderbird size and distinctive styling, the four-passenger luxury, the famous console, the sports car handling and performance. At the same time, the unmistakable newness you find in the Swing-Away Wheel is reflected throughout this uniquely new luxury car. As standard equipment, you have the exhilarating, new high-performance Thunderbird 390 Special V-8. Tailored precisely to the Thunderbird's weight and size, this brilliant, new engine brings you Thunderbird spirit at its liveliest. A trio of power assists—also standard equipment—functions as a precision team for a new high in automatic driving. New Cruise-O-Matic Drive introduces you to the silk-on-silk smoothness of vacuum-controlled automatic shifting. New Power Steering reduces steering effort up to 65%. New, larger Power Brakes adjust themselves automatically.

As you take the driver's seat, you notice new luxury, new comfort everywhere. See your Ford Dealer to test-ride this unmistakably new, unmistakably wonderful Thunderbird for 1961.

SAND HILLS PHILOSOPHER WANTS

A Few Points Cleared Up About Who's To Work Harder In 1961

Editor's note: The Sandhills Philosopher on his Johnson grass farm is not letting the election outcome bother him. His letter this week indicates. Dear editor:

Now that the election is over there are a few things I'd like to get cleared up before the inauguration in January.

The winner, as well as the loser, kept hammering all thru the campaign that we've all got to go forward, not backward, we can't stand still.

I've never seen two candidates agree more on the idea that everybody has got to stop loading and start working.

In a general way, I agree with this, but in a specific way, I have my doubts. Well, I really don't have my doubts, I know blamed well I'm not going to work any harder in 1961 than I'm working right now.

What I want understood is that Mr. was committing himself to work harder, not me.

I'm all in favor of the President, Congress, the cabinet, the General Staff, etc., working harder, of the defense plants working harder, the scientists working harder, the schools working harder, even the pupils working harder, probably the tax collectors working harder, but I have reviewed my situation out here on this Johnson grass farm and have come to the conclusion that there's not a thing I can do around here by working harder to keep a guided missile from mis-firing, a satellite launching from fizzling, an atomic submarine from bumping into the North Pole, Fidel Castro from talking on his television, Congo tribes from fighting each other, Khrushchev from pulling off his shoes in public, etc.

However, understand, I will not hold back, I will do what I can, and wish to announce I have selected the field of work harder on my prestige abroad. I have found from years of trying that it may be easier to build up your prestige with somebody on the other side of the earth than across the fence. If at any time next year it looks like I'm not going forward, I will appreciate your remembering that I'm working on my foreign prestige and I can do it just as well sitting down as riding a tractor. I would like to say in this connection though that my prestige is not at all time low with my neighbors. It's about where it's been for years. Never was high enough to measure in the first place.

I congratulate the new President. I don't envy him his job.

Yours faithfully,
J. A.

BABSON DISCUSSES SAVINGS

Babson Park, Mass., Nov. 10.—Up until a few months ago, the popular subject of discussion was the so-called "golden sixties" business boom. Expectations were based largely upon the projected growth in population and consumer spending, — predicted upon the free-spending attitude of consumers since the end of World War II. Consumers have upset the applecart, however, by exhibiting greater patience with regard to building new homes and purchasing durable goods. Moreover, they are putting away larger amounts in savings. The net result has been a slowing down of industrial activity.

Putting the Brakes On Inflation

Political promises have been thrown at voters by the candidates in an attempt to claim credit for halting inflation. The truth of the matter is that the bulk of the credit belongs to the consumers. Although Federal monetary policies designed to tighten credit can dampen inflationary pressures, it is the voluntary action of consumers which determines spending and borrowing.

By sticking to a systematic and intelligent savings program, the readers of this column can both help check inflation and lay the groundwork for a healthy period of future economic growth. Current legislation suggested by politicians appears very tempting; but it is the old-fashioned habit of THRIFT which in the long run will promote sound business growth and hold down inflation.

What About Savings?

At the present time, the rate of individual savings has been increased to over \$25 billion a year. This is almost \$1 billion more than people saved in the 1953 recession year, and almost \$2 billion more than they put away last year. In addition, by easing up on bank borrowing and whittling down their outstanding loans, consumers have held the inflationary rise of consumer debt in check.

The task of saving today is made easier by the record level of personal income. However, this increase in income presents also a strong inducement to indiscriminate spending. Hence, the fact that consumers have voluntarily chosen to put aside more money for the future makes me more optimistic on the future of this country!

Putting Savings To Work

In recent years, the low interest rate on savings bonds has discouraged savings via that sector. In fact, many people have been cashing in such bonds. At long last the Government has raised the interest rate on these bonds to make them competitive with other savings media; so it may be that savings will again be put into government savings bonds.

Tax Man Sam Says:

The Internal Revenue Service is concerned about taxpayers who have household employees and are failing to file a tax return. Some of these taxpayers are accumulating tax penalties and interest that will cause them serious problems in future years.

The rules for paying Social Security taxes on maids, yardmen and other household employees provide that if the employee receives \$50 or more in cash wages in a calendar quarter for household services the employer must withhold Social Security taxes from the employee and must pay taxes as an employer on the wages earned by the household employee.

If you have a maid, cook, yardman or other household employee, you probably need to review the Internal Revenue Service Publication No. 14, Circular H, which has full and complete instructions on Household Employees' Social Security taxes.

Ad Facts

Of the 27 million American workers who get a daily coffee break, better than 16 million don't have to leave their desks or work benches. Their coffee is brought to them. Coffee drinking in the U. S. reached its highest level in history last year. Total consumption was more than 390 million cups a day. An estimated \$7,000,000 was spent for advertising coffee and tea in newspapers in 1959.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Like a debutante daughter in bouffant gown, Texas' many charms have been wrapped in a lavish, full-color booklet and presented for the attraction of free spending visitors.

First of its kind ever published in Texas, the 32-page brochure was compiled by the State Highway Department and is being distributed free. First printing of 400,000 copies is being sent to travel agencies, clubs, newspapers, anywhere that it may be used to draw tourists to Texas.

It is one of the first big steps to reverse Texas' decline in tourist revenue.

Texas is "twenty years behind the times" in advertising tourist attractions, says Tom H. Taylor, director of the Travel and Information Division of the Highway Department. Next goal is to get the Legislature to appropriate \$300,000 to be used for media advertising over the country, as other states do.

Requests for copies of the brochure should be sent to the Travel and Information Division of the Texas Highway Department in Austin. Taylor said the Department expects heavy demand and will not be able to furnish the booklet in quantities.

MORE WATER AID IS GOAL

Gov. Price Daniel said he will ask the next Legislature to take action aimed at speeding up local water conservation projects.

Speaking to the Texas Water Conservation Association, the governor said he would urge more money for water projects, and a more flexible financing program.

Marvin Nichols of Ft. Worth, chairman of the Texas Water Development Board, urged that the present ceiling of \$5,000,000 on any one water loan be raised to \$15,000,000. Under the present water development program, the state sells bonds

to raise money to lend to local governments to help pay for water conservation construction. Lending is limited to one-third the total cost and \$5,000,000 on any one project.

Nichols said the Water Development Board was "admittedly disappointed" in the small number of loans (eight for a total of \$14,840,000) completed since the program was passed in 1957. Abundant rainfall has caused many local governments to lose a sense of urgency about water conservation, said Nichols.

Several speakers warned of the certainty of another drought. "Biggest problem in many cities by 1980 may be getting a good drink of water," said one.

INSURANCE RATE HIKE REJECTED—State Board of Insurance turned down by a unanimous vote a proposed 30 percent increase in auto insurance rates.

Board will re-study the problem in June, 1961. Until then the present rates will continue.

Board also turned down by a 2-to-1 vote a proposal by Chairman Penn J. Jackson to allow companies to make the merit rating system optional. It is asking for an attorney general's opinion on whether optional merit rating would be legal.

Board member Robert W. Strain said he felt an across-

the-board raise in auto insurance rates would be unfair to law-abiding, accident-free drivers.

DPS MEMORIAL PRESENTED—A 6-by-8 foot bronze plaque commemorating Department of Public Safety men killed in line of duty is to be mounted in the lobby of the DPS Headquarters in Austin.

Private citizens paid for the plaque which was presented to Col. Homer Garrison, Jr., DPS director, at an honor banquet.

Names of 21 men are inscribed on the plaque. Sixteen of these were killed in traffic accidents while on duty two were killed by the ill-famed Clyde Barrow; three were shot to death by other outlaws.

CAN'T TAKE CAR FOR TAXES — A local taxing district cannot seize a person's personal car because he has failed to pay property taxes on it, the Attorney General's Department ruled.

However, the tax assessor still has plenty of ways to "get at" the car owner who tries to evade taxes.

An automobile—one only—is part of a person's home, said the opinion and cannot be taken for forced sale to satisfy a tax claim. However, it said, the tax collector can get a judgment that will allow detachment and sale of a second car, or any other property not included in the homestead exemption.

CHRISTIAN SCIENCE SERVICE

True Status and security will be dealt with in the Lesson-Sermon on "Mortals and Immortals" at Christian Science services this Sunday.

"Mark the perfect man, and behold the upright; for the end of that man is peace" (Psalm 37:37) is one of the Bible passages to be read.

Citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (267:3-5): "The offspring of God start not from matter or ephemeral dust. They are in and of Spirit, divine Mind, and so forever continue."

The Golden Text is from II Corinthians (5:17): "If any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new."

CARD OF THANKS

We of the Cash family would sincerely like to try and thank you friends and long past neighbors for sharing our sorrow in the passing of our loved one, Frisco Cash. It is comforting to know the years and distance have not caused your kindness to falter.

May God's richest blessing be with you always.

Mr. and Mrs. M. L. Fine of the Watson community are the proud parents of a baby boy, Lesley Ray, born Saturday of last week.

—1940—
A marriage license was issued here last Saturday by County Clerk J. J. Williams to Pete Tartton and Miss Clovis Irene Gandy of Goodland community.

—1940—
McAdams and Oliver
News has recently reached here that Miss Bettye McAdams and Martin Oliver were married at Tucumcari, N. M., Oct. 20. Rev. Dennis, pastor of the Baptist Church of that city, performing the ceremony. Only close friends of the couple attended.

The bride is the daughter of Mr. and Mrs. W. B. McAdams and a graduate of the Muleshoe High School last spring.

Mr. Oliver is the son of Mr. and Mrs. F. L. Oliver, living about eight miles east of Muleshoe on the Plainview highway, attends Muleshoe High School and is quite a football star.

Friends of this popular young couple wish them much success in life's journey and extend them the wish that this romance beginning in high school, may continue with them always.

—1940—
German Nazis claim to have sunk an entire British convoy fleet of at least eight ships totaling more than 86,000 tons somewhere in the Eastern Atlantic ocean.

Hitler boasted a few nights ago that the Nazis can beat any offensive combine. About that time a British bomb hit the building in which he was speaking.

FOR ALL WE HOLD SACRED.... ATTEND CHURCH!

Diligently Pray For The Work Of Your Church

THERE IS STRENGTH IN Faith

THE CONSCIENCE—
SENTRY OF THE SOUL

Read Psalm 126.

The Lord hath done great things
for us; whereof we are glad.
Psalm 126:3.

Members of our church in Port Limon, Costa Rica, are looking forward to dedicating and occupying our new building, the doors of which will have been opened only by prayer.

The building that had served for about sixty years had gone beyond repair. There was nothing to do but build another. Where the funds were to come from, we did not know, except for what was available from our Missionary Society. We demolished the old building and started the new one with very little money, but with great faith and much prayer.

We set apart a day each week for prayer that God would supply our need. There have been times when our pastor got to the place where he felt he would have to lay off the workmen. But before such moments arrived, there would come in to him from some unexpected source money that would tide us over. Our church is now nearing completion and we hope to be worshipping in it in the near future.

PRAYER

Dear Father in heaven, we pray Thee to bring us to that place of fellowship and communion with Thee where nothing in life or in death can block the channels between us. In the name of Jesus, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY
"Prayer gives exercise to faith and love"

— Mrs. Jessie A. Wright
(Costa Rica)

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Isaiah	7	13-16
Monday	Proverbs	6	20-22
Tuesday	Galatians	4	1-7
Wednesday	Ephesians	6	1-4
Thursday	II Timothy	3	14-17
Friday	Hebrews	13	7-8
Saturday	Psalms	77	13-14

I call Bruce my combination angel-terror. Soon he will be four, and he is a fascinating mixture of mischief and goodness.

At bedtime, I always tiptoe into his room to be sure he's covered. Then it is that I am struck by the innocence of his face in sleep. Then it is that I realize how helpless is this small dynamo, who plunges with such boundless energy about our house and yard all day. Then it is that I am struck by the awesomeness of my responsibility.

I realize it is entirely up to me to see that Bruce learns right from wrong, to see that he grows into the sort of man who will be a credit to his family, his community, and his country. I must teach him to keep a steady heart and a level head, to resist the many temptations that will be strewn in his path, to hold honor and truth and integrity high.

When I think of my task, I send a small and special prayer to God to aid me. And I thank God for his Church on earth which, for years to come, will be helping me, again and again, in making my small mischief into a man.

Driving Tips

by Lola Harrell

It's very important for beginning drivers to realize the importance of safe driving. If everyone realized this, our highways would be much more enjoyable and the accident rate of our country would be greatly reduced.

The first thing one should thoroughly understand before driving is that a car is a very powerful thing and must be driven with extreme care. It is also very important for everyone to be considerate of his fellow drivers.

When you get behind the wheel of a car, you are responsible for your life as well as the lives of your passengers, other drivers and pedestrians. If everyone was considerate of all others there would be no need for many of the rules, regulations, and standards set for us to follow.

It is always a good idea to learn all of the traffic rules and regulations before you begin driving. By doing this you can widen your knowledge of how to drive safely. By understanding the proper way to drive, you can see how to prevent accidents and how to act in emergencies.

There is much more to driving than just learning the rules and laws for you to follow. You can never tell what the other driver is thinking or what he intends to do, so you must be observant and alert at all times, ready to react in the proper way.

It is the driver's duty to keep his car in complete running order. This is a very important factor which helps greatly to prevent accidents and save lives.

It always pays to think ahead when driving. Don't ever get in a hurry. Our highways are made of safe, courteous, alert drivers that will take time to enjoy the privilege of using them.

TO MEET ABERNATHY IN LAST GAME

Mules Fall To Lockney 'Horns 28-0 For Third District Loss

For the fifth time this season, the Muleshoe Mules tasted the dish of defeat. This time the Lockney Longhorns thrashed the Mules with a 28-0 score.

On the opening kick-off it look as though the Mules were all set for a good night as Curtis Walker took the opening kick and raced all the way to the Lockney 25. From that point the Longhorn defense stiffened and held the Muleshoe offense. Muleshoe held the 'Horns on their first offensive drive and forced them to punt out to the Muleshoe 20-yard line. From that point the Mules picked up yardage with ground plays out to the Longhorn 44. Billy Gilbreath hit left end Jimmy Patton with a jump pass which carried to the Lockney 134. With Pierce and Young carrying, the Mules drove to the Longhorn 25 where their fumbling jinx hit them and Lockney pounced on

the loose ball on their own 25. Again the Muleshoe defense tightened and held the 'Horns, forcing them to punt from their own 28. After taking the ball, Muleshoe was again unable to get their offense rolling and punted to the Lockney 30. Billy Rolling, end for the Longhorns took the ball and ran it back to the Muleshoe 12 with the help of some key blocks. From that point it took the 'Horns four plays to cross the double stripe. Bill Mangold, hard running Lockney half-back carried into the end zone for the first TD. Manold also ran the extra point.

After taking the kickoff, the Mules ran two plays before they fumbled the ball to Lockney on the Longhorn 47. After Mangold bulled for seven yards, the Lockney quarterback hit his right end, Billy Rolling, who had gotten behind the Mule defenders, with

a beautiful pass who outdistanced the would-be Muleshoe tacklers across the goal line. Their try for extra point was no good.

The Longhorns scored again before the first half ended after they had held the Mules in their own end zone, forcing them to punt to their own 43. Using only ground plays, the 'Horns eat up the yardage to the Muleshoe 10. From that point, Joe Allard scooted over for the TD. He also ran the extra points over. As the half ended, the Longhorns were out in front with a 22-0 lead.

Muleshoe kicked off to the Lockney eleven to get the third quarter underway. After holding them in the first series of downs, the Mules still couldn't move the ball and were forced to punt to the Longhorn 35. From there the Longhorns again began to move. Bill Angold, their bread-and-butter man, carried the brunt of the 'Horn attack. From their own 35-yard line where they took over following the Mule punt, the Longhorns were never stopped as they drove down to the Muleshoe 1-yard line, from where Mangold bucked through for another Longhorn TD. The extra point try failed on a kicking try.

In the fourth quarter the Mules began to throw the ball a little more and getting good results at times. But when the yardage was needed to keep a drive going, the Mules either fumbled or were penalized, which kept them in the hole most of the night.

Just before the game ended, Gilbreath hit Patton, who fought his way down to the Lockney 30-yard line. From there they worked the ball down to the Longhorn, 20 but the clock ran out before they could gram a TD.

Olton Plows Under Abernathy, 32-14

The Olton Mustangs swept to their ninth straight victory Friday night with a balanced attack that swamped the Abernathy Antelopes, 32-14.

The 2-AA Mustangs scored in every quarter but the third, when a touchdown scamper nullified because of a penalty. The Antelopes, now 4-4-1 for the season, scored twice in the final quarter, both on touchdown passes from quarterback John Brown to Tom Ritchey. The last tally came in the final 8 seconds.

Dimmitt Rolls Past Friona Chiefs

It was Nelson and Company at Friona Friday night as Stanley and Donnie Nelson led the Dimmitt Bobcats to a 48-8 victory over the luckless Friona Chiefs.

Junior Coffey returned a punt 70 yards to paydirt for the first score of the game and the first Dimmitt goal.

Fullback Tommy Massey and Quarterback Floyd Reeves scored for the Chiefs.

Floydada Blows Past Morton

The undefeated Floydada Whirlwinds trampled the Morton Indians Friday night in a District 2-AA ball game. Score was 34-0.

Halfback Richard Marlur, fullback Van Stovall and quarterback Rodney Teague led the scoring for the Whirlwinds. Marlur dashed 24 yards midway in the first quarter for the first score of the game. Late in the second Teague and Marlur teamed up to score with a 27-yard pass play. Stovall received a pass from Teague to score another touchdown 40 seconds before halftime. Teague plunged over again in the fourth quarter.

Floydada 34, Morton 0.
Dimmitt 48, Friona 8.
Lazbuddie 20, Hart 12.
Canyon 14, Dalhart 14.
Dumas 12, Hereford 0.
Clovis 18, Artesia 14.
Farwell 35, Sudan 6.

Lazbuddie Slips Past Hart 20-14

Coach John Bond's Longhorns clinched at least a tie for District 2-B honors Friday night with a resounding 20-12 victory over the visiting Hart Longhorns.

In a heavy running game, Lazbuddie stamped over on two TD gallops by Halfback Billy Hardage, and a 35-yard run by Fullback Freddie Savage. Hart scored with a 6-yard plunge by Larry Lee, and an 83-yard scramble by Conrad Riddle.

Farwell Upset Hornets

A slightly favored Sudan eleven was upset Friday night by the Farwell Steers, 38-6. Farwell, now with a 7-2 record, took the lead in District 3-A and cinches at least a tie for championship. They play Springlake, the bottom ranked team in the district, Friday night.

Three Way News

by Mrs. Frank Griffith

A birthday coffee honoring Mrs. Jack Furgeson was given in the home of Mrs. Earl Bowers Wednesday Oct. 26. Guests were Meses, Thurl Lemons, Doyle Davis, Geraldine Lowe, and the guest of honor, Mrs. Furgeson.

The home of Mrs. Buck Ragsdale was the scene of a baby shower honoring Mrs. James Holly.

Assisting Mrs. Holly in opening the gifts were her mother, Mrs. Ed Latimer and her mother-in-law, Mrs. Virgil Holly. A corsage made of baby socks was presented to the guest of honor.

Refreshments of punch, coffee, cake, nuts, and candy mints were served from a table laid with a white linen cut work cloth, centered with a crystal punch bowl. Pink tapers in crystal candelabra flanked the centerpiece. Plate favors were miniature baby diapers holding the candy mints.

Hostesses were Meses Ragsdale, Jack Furgeson, Thurl Lemons, and Frank Griffith.

South America and Mexico were the topics used in the Royal Service program presented Tuesday evening at the home of Mrs. Gene Kenley, with members of the Three Way Baptist WMU participating.

Movie of Mexico were shown by Mrs. Baker Johnson. The movies were taken in 1959 when Mrs. Johnson accompanied the senior class to Mexico. Refreshments were served to fifteen guests.

"A Song In My Heart" was theme of the coronation of the school kings and queens following the Halloween Carnival Friday evening at the Three Way School. Miss Pam Bowers and J. L. Lemons were selected by popular vote to reign as king and queen of grade school.

Miss Kaye Lemons and Bobby Kindel were voted king and queen of high school.

The Goodland Bible Study Club met last week in the home of Mrs. Louis Hender-

son. The lesson was from the Book of Exodus. The next meeting will be Wednesday, Nov. 9 at the home of Mrs. W. C. McCelvey, Chapters 9, 10, and 11 in Exodus will be studied.

The Three Way Methodist WSCS met Monday afternoon in the home of Mrs. Doss Terrell. The program was entitled "One World, One Mission". Mrs. Cecil Cole led the program. Six members were present. They were Meses, Leon Reeves, Cole, John Tyson, Cass Stegall, Smeltser, and Terrell.

The members of the Three Way Home Demonstration club met Wednesday in the home of Mrs. Louis Henderson for a work day. They made aprons and pot holders for the booth at the school carnival.

The club made \$46 with the booth. Three Way Eagles defeated Nazareth Saturday night at Hart 45 to 39. The Eagles are tied with Cotton Center for first place in the district. The tie will be played off Friday night at Three Way. Game time is 7:30. Admission will be \$1.
