Bulldogs To Host Plains In Opener

The Tahoka Bulldogs will open their 1988 football season at 8 p.m. Friday as they host the Plains Cowboys, rated as one of the best Class A football teams on the South Plains.

Plains last season escaped with a 27-21 win over Tahoka in the opener and went on to a winning season. Plains has a new quarterback, but the Cowboys return most of their starters.

Coach Ted Wiley's Bulldogs have a good nucleus of returning starters, led by Quarterback Ramiro Rodriguez and some experienced linemen, both on offense and defense.

Last week the Bulldogs butted heads with Abernathy, another Class AA team, and one which is expected to win their district, and the Dogs came out in pretty good shape physically and otherwise. Although Abernathy scored near the end of the scrimmage to win it 2-1, Tahoka moved the ball pretty well at times, and the defense was playing tough, according to the coaches.

Bentsen Son Campaigns In Tahoka

Lan Bentsen, son of U.S. Sen. Lloyd Bentsen of Houston, was in Tahoka last Wednesday morning, speaking to a group of about 40 persons at the First National Bank meeting room.

Bentsen said he was primarily pushing the campaign of his father for re-election as senator from Texas, although he did spend some time assailing the administration - which he said has had "no energy policy" - and George Bush, GOP nominee for President. Lloyd Bentsen is the Democratic nominee for vice-president.

Following his talk to the group at the bank Wednesday, Bentsen fielded questions, some rather pointed, from the crowd.

sunk down in a hole so you can't reach them with anything else. There is a sparkplug wrench made just that size, but mere mortals are not allowed to purchase one. Finally I outsmarted them, though, by placing a screwdriver on the edge of the plug and beating on the end of it with a brick until it came loose. I then could turn it with needle-nose pliers providing I held my mouth turned down at the left side.

The plug was very dirty, probably because nobody had been able to get it out since it was manufactured. I scraped and cleaned and blew on it and put it back. I was so sure this was the problem that I rolled the mower back around front before trying it again. After another 918 pulls, it still wouldn't start. So, having logged five minutes of mowing and almost an hour of grinding my teeth and messing with the machine, I gave up. A couple of days later I managed to get the plug out again and put in a new one, and it started easily. I'm sure this is only a temporary triumph.

Once I took this same mower in to be worked on, and the repairman, a Latin type, didn't seem to be paying attention. After he looked at the mower, he said, "There's something wrong with the governor." I told him I wasn't interested in his political views: I just wanted the dumb mower fixed. Then this guy started talking about stock shows, I guess, because I heard him mutter something

about a Gringo pig, which probably is a special category in the swine division.

Actually, mowing one's own yard is not feasible. By the time you figure the cost of the mower, cost of gas and oil, cost of repairs, treatment for ulcers and exhaustion and the loss of all friends and loved ones due to your complete personality change, you would be much better off to put the yard in Astroturf or just hire the yard work done, if you can find anyone who will do it. Despite all this, I would like to have a new mower, one with four-row equipment which mows a 12-foot swath, and which mows down grass, trees, rocks, hoses, concrete donkeys, bicycles and anything else in the way, leaving them all a uniform 2 inches high. And one which has no rope to pull for starting.

No other new crimes were reported to law enforcement officers here during the last week.

In jail during the week were one person for felony driving while intoxicated plus expired drivers license, and one person for possession of marijuana under two ounces plus speeding.

Lynn County Harvest Festival Scheduled Sept. 24

The annual Lynn County Harvest Festival has been scheduled this year for Saturday, Sept. 24, following Tahoka's Friday night Homecoming football game.

The festival committee has appointed chairmen for various activities, and a list of these may be found elsewhere in this newspaper. Also, the fair entry blank and rules are printed in this edition.

Lynn County Harvest Festival Queen and Princess contestants will soon begin selling chances to win a free bicycle, a Texas Tech weekend, and a trip for two to Puerto Vallarta, Mexico, and area merchants will be asked to donate prizes for the hourly merchant drawings during the festival.

Administrator Of Hospital Resigns Post

John Brooks, administrator of Lynn County Hospital for the last eight and a half years, has resigned that position effective Sept. 30. Brooks submitted his resignation to the hospital board at the August meeting of the group.

Leland White, president of the board, said Brooks gave no specific reason for his resignation, while offering to stay on the job for another month to give the board time to employ a new administrator.

White said the board already has some applications for the position and is studying them.

WOODWORK

By Dalton

Satan and some of his more diabolical devils gathered around a conference table in Hades a few decades ago and pondered the question, "What can we cause someone to invent that will cause every good man to curse, rant and rave and generally lose his religion?" From that meeting came the gasoline lawn mower, a device disguised as a benevolent invention, but which really is a scab on the skin of mankind.

Logic tells us that inanimate objects can have no emotions, but lawn mowers hate me. (The inside of commodes hate me, too, but that's another story). This is the third "I hate lawn mowers" column I have written over the years, but so far, none of them have done any good. Lawn mowers continue to be manufactured and sold to idiotic homeowners like me who for some reason think they are going to make our homes look better and generally improve our lifestyles.

Lawn mowers sometimes work eight or 10 times before they start doing the thing they do best, which is mainly to cause someone to be hot,

tired, dirty, disgusted, angry and frustrated.

We have this lawn mower which we paid about 500 big ones for a few years ago. Once in awhile it works fine, just enough to keep it around. But what happened to me last week is typical of the few times I have tried to use it (my wife does most of the lawn mowing and other green thumb stuff):

I decided to devote two hours to mowing the grass one afternoon, although the temperature was about 100 (higher out there in the sunshine). The mower started easily after I checked to make sure it had plenty of gasoline and oil. It ran great for about five minutes, then decided to die. I pulled on the rope 327 times and it did nothing.

I sat down to catch my breath, got up and kicked it, and then took it back around to the shed to check it out. I cleaned the filter. I wanted to check the plug, but lawnmower makers fix them so that nobody without factory tools can get the plugs out. A regular spark plug wrench won't work and the plugs are

"Seven Year Itch" To Be Presented At Garza Theatre

One of the most successful and popular comedies of our generation, George Axelrod's "The Seven Year Itch", will be showcased on the Post Garza Theatre stage, Thursday through Sunday Sept. 1-4.

The production was originally produced on Broadway Nov. 20, 1952, at the Fulton Theatre, where it ran for more than two years.

Theatre lovers may remember Tom Ewell as the play's lead, Richard Sherman. He also repeated the role in the film version, a movie which made Marilyn Monroe a major motion picture star.

The Garza Theatre production, designed and directed by West Texas' favorite showman, Will McCrary, also affords the versatile producer a chance to reappear on stage in one of his favorite characterizations, the happily married husband who wonders if he still has a mischievous twinkle in his eye.

Post's own glamorous actress, Cheryl Thompson, will be making her eighth appearance on the Garza Theatre stage, this time in the MM role as "The Girl Upstairs".

Other players include Kaye Smith and Jerry Fogerson of Stalon joining Post performers Alison Crawford, Stacy Nolan, Pam Workman, Wes Burnett and Jeffrey Redman.

Reservations for the performances may be obtained by calling the Garza Box Office at 495-4005 Monday-Saturday, from 10 a.m. to 4 p.m.

Tickets are \$6 for adults and \$3 for children 12 years or younger.

Performances begin at 7:45 p.m. Thursday, Friday and Saturday and at 2 p.m. on Sunday.

This play is considered excellent family entertainment and is appropriate for all ages.

Motorist Reminded To Drive Careful

The Labor Day holiday will be the last holiday of the summer. While the motorist of Texas are making their plans for the holiday, the Texas Department of Public Safety is also making plans for Labor Day.

Major Vernon Cawthon, Regional Commander of the Texas DPS in Lubbock, stated, "The Labor Day weekend will run from 6:00 p.m., Friday, Sept. 2 until 11:59 p.m. Monday, Sept. 5. During that time all available DPS troopers will be on duty. These troopers have been instructed to be on the alert and direct their enforcement efforts toward those violators causing the most accidents--speeders and those who drive while drinking. Troopers are also aware that traffic deaths are sharply higher at night. There are more fatal accidents at night than daytime even though there are fewer vehicles on the road at night."

He added, "The DPS urges all Texas drivers to slow down to the legal speed limit, avoid the use of alcohol, if they plan to drive and to use safety belts and above all do not try to crowd a weeks vacation into 3 days."

Revival Set For Grassland Church

Revival services will be conducted Sunday, Sept. 4 through Wednesday, Sept. 7 at the Grassland Community Church of the Nazarene. Special speaker for this series of meetings will be Gilbert Herrera, from the First Baptist Church of Lubbock, Texas.

Herrera is former Prime Minister of the Texas Brown Berets. He was saved and delivered from a life of crime and drugs. He now gives his full time to the ministry of the Gospel of Jesus Christ.

Mr. Herrera has fascinated crowds all over the country with his testimony of God's grace to redeem one from a life of sin. He can be heard at the Grassland Church Sunday morning at 10:50 a.m., Sunday evening at 6 p.m. and weekdays at 7:30 p.m.

Sales Tax Checks Lower This Year

State Comptroller Bob Bullock on Tuesday sent checks totaling \$51.2 million in bank franchise tax allocations to 2,070 Texas taxing units.

This year's allocation is 21 percent lower than last year's allocation of \$64.9 million because of last year's poor economy, according to Bullock.

Net payment for Wilson ISD this period is \$7,274.90, last year was 0.00; City of Wilson is \$3,922.16, last year was 0.00; O'Donnell ISD is \$263.39, last year was 0.00; City of O'Donnell is \$1,797.85, last year was 0.00; Tahoka ISD is \$3,382.05, last year was 0.00; City of Tahoka is \$3,483.37, last year was 0.00; Lynn County Hospital District is \$3,483.37, last year was 0.00.

Bullock said that a portion of the tax goes into the state's general revenue fund, but most of it is allocated to local tax jurisdictions, such as cities, counties, and other local taxing units such as school, water, and hospital districts.

Your HEALTH TIP

FAT FOR INFANTS

Parents who are cholesterol-conscious tend to feed their babies a diet too low in fats for proper growth. Babies under 2 years of age need fat to grow and thrive — they cannot prosper only on skim milk, lean meat, fruits and vegetables. The exception is for babies with a rare disease in which cholesterol levels are very high almost from birth. Only after the age of 2 should parents begin to limit the amount of animal fat in a child's diet.

Eagles To Contend For District Honors

Even though O'Donnell head coach Odus Summers has lost two-thirds of his lettermen from last year, the Eagles plan on filling the gaps with a strong junior varsity squad and is confident that they will regroup and should be contenders for another playoff spot.

"We've got a lot of questions right now," eight-year head coach Odus Summers said. "Inexperience will be our biggest problem and we don't have a lot of depth. But we've had a pretty good program all along."

The Eagles reached new heights last season. Following a second-place finish in District 3-1A, they advanced two games into the playoffs before dropping a 20-15 decision to Vega in the

area round and finishing the season with a sparkling 9-2 record.

"Winning one (playoff game) made the season particularly nice," said Summers, whose Eagles have been realigned into District 4-1A for the next two seasons.

O'Donnell returns seven senior defensive starters from a unit that ranked second among South Plains Class 1A teams last season. In nine regular-season games, the Eagles defenders allowed only 875 yards rushing and 1,437 overall, while yielding 67 points.

Returning defensive regulars are end Keith Cagle, tackle Joseph Luera and nose guard Ricky Garcia, backs David

Second row, Juan Quintana, LeRoy Sanchez, Jerry Cagle, Chad Vaughn, Richard Ramirez, Gilbert Gonzales and Ricky Gloria. Top row, Jesse Perez, Bryan Barnes, Michael Cavazos, Keith Cagle, Brian James, Ronnie Rios, Melvin Eaker, Charles Sanchez and head coach Otis Summers.

Eaker, Charles Sanchez and Jessie Perez and linebacker Richard Ramirez.

Chad Vaughn, a 227-pound junior, may fill the other tackle slot, while junior Victor Resendez and junior Melvin Eaker are probable starters at end and linebacker, respectively. Junior Jacob Lowe may be the final starter in the backfield.

Another returnee is quarterback Ramirez, who hit 25 out of 51 passes for 278 yards and three TDs. Other returning starters are left end David Eaker, who caught 16 passes for 258 yards and four scores, and the senior guard tandem of Luera and Gloria.

You Need A Vacation
Feeling a little irritable, moody? Tired all the time? Not doing so well at work? Maybe you need a vacation, says Texas College of Osteopathic Medicine psychologist Jerry McGill.

Vacations-- those complete breaks with the routine-- are necessary for your mental well-being, he says. That doesn't mean Acapulco or Europe. It can mean fixing up the house, if that's what you really want to do.

Dr. McGill says the key is to find something you enjoy doing, something you would do even if you didn't have to. And don't

to unwind, enjoy the rest for a while and then readjust to going back to work. Two weeks is about right for most people.

Vacations are good for employees and good for business. Tell your boss that the next time you need one.

Buy The Right Suit
There's no trick to beating high blood pressure. You just find the right medication and take it. And start before it leads to heart attack, stroke, enlarged heart, kidney failure or heart failure.

But finding the right medication can be tricky, according to Dr. Jeff Bleicher, internist at Texas College of Osteopathic Medicine. He says it's like shopping for a suit or dress. Not everybody is going to like the same one. But the selection is large enough that there's something for everyone. It just sometimes takes some tailoring. Dr. Bleicher's advice: If you have problems with a hypertension medication, don't stop taking it.

make the mistake of taking someone else's vacation, a vacation your friends or travel ads tell you should take.
Make the vacation long enough

The third annual R.E. Lee Reunion was held Aug. 27-28 in the home of Mr. and Mrs. JC Elrod in Tahoka. A weekend of visiting and a cookout were enjoyed by 30 members in attendance.

The reunion was held by the children of the late Mr. and Mrs. R.E. Lee, who moved to Tahoka in November of 1931 from Brownwood. R.E. "Pop" Lee died in July of 1963, and Mrs. Lee in May of 1974. The couple had 10 children.

What is Funday?

It's a down home, old-fashioned political picnic sponsored by The Friends for Charlie. It's the Stenholm for Congress Committee's largest fundraising event.

It's a special time set aside for Charlie and Cindy and their children to visit old friends.

Funday is a picnic with all the fixin's and field-fresh sliced watermelon too. It's live entertainment. It's a chance for Stenholm supporters to meet and greet. Charlie likes to bring colleagues to see the 17th District that he's so proud to represent.

A Salute to Helping The Traveler

You may hesitate to help someone with a hard luck story. There are certainly enough individuals passing through our community relating sad tales to make even the soft hearted person wonder at times.

While donated funds are established to take care of unfortunates on the road, the kitty never seems to cover all bases. We know, of course, some of these people are professional panhandlers without a destination in mind or any thought of becoming productive citizens.

There are, however, those coming along trying to put their futures together. You'll find a few making a stab at doing menial chores to pay their way. Others use the open road as part of finding how the other half lives, hoping to discover their calling. And, there are some headed somewhere and really do run into bad luck.

It becomes a trying experience deciding who to help, especially knowing a lot of us have been in tight spots and had someone step in with help.

In any case, a nod of approval goes to those doing what they can.

School Notes

By Gaylon Gassiot
Tahoka Elementary Principal

Pep Rally Attendance

The Tahoka I.S.D. Administrative Staff would like to remind parents that as our Student Handbook states grades 4-5-6 may attend T.H.S. pep rallies at the discretion of the classroom teacher.

Building principals wish to emphasize that since younger children need to be learning how to relate to their own age group during the school day, Tubb Building teachers will not be taking their classes to THS or Junior High pep rallies.

During the school day, activities are planned who need to be learned by the younger children such as learning activities. All their experiences are part of the school day. Therefore, they should be made available to the child on a regular basis.

If a parent wishes for their child to attend a high school or junior high pep rally, a note signed by the parent requesting the child should be sent to the school on the day of the activity. If someone other than the child's parent will pick up the child, the person should be named and that person will sign the note in the Principal's office when the child leaves the elementary building. Since this is a school activity,

Waller of Kyle; a sister, Doris Frances Startz of Alice; 12 grandchildren; and four great-grandchildren.

absence from class will be excused.

Come To Office To Pick Up Students

Tahoka I.S.D. Elementary parents are urged to come by the office first when it is necessary to take a student out of school.

By coming to the office, the Principal will give the parent a

note which will allow the teacher to release the child from school.

In these cases, the child is required to report to the office upon his return to school for an admission slip.

WILSON NEWS

PAM WILLIAMS 628-6330

Monday, Aug. 22, an organizational meeting was held for a women's group interested in attending programs such as time and money management, adding accessories to a wardrobe, scarf tying, flower arranging, creative cooking, Christmas crafts, etc. The meeting was under the direction of Ann Lowrie, Home Economics teacher at Wilson

High School. The group decided to meet the third Monday of each month at the school. The group will be called WOW (Women of Wilson). The first meeting will be on flower arranging on Sept. 19 at 7 p.m. Ladies may bring a container or basket and either bring or purchase flowers at the meeting. All women of Wilson are invited.

School registration was held Tuesday, Aug. 25. Many excited children arrived to pick up school supply lists and enroll in their respective classes. I understand that all of the classes in elementary have increased their enrollment over last year. Be aware of school starting and please drive carefully as excited youngsters have a hard time watching as carefully as they should.

"Meet the Mustangs" night was held after the scrimmage on Friday, Aug. 26. Coach Bilby introduced his new team for our first 6-man game to be held this Friday, Sept. 2, at Wilson Stadium. The parents and Booster Club served homemade ice cream to the fans and team following the game. The Booster Club will meet each week during football season and needs all our support.

A Vacation bible School "Blowout" was held Saturday, Aug. 27 at the First Baptist Church for all their VBS workers and families. Everyone enjoyed hamburgers with all the trimmings followed by games and fellowship.

Monday, Aug. 29, was the first official day for teachers of Wilson to begin the 1988-89 school year. Most of the teachers and their spouses had already had a chance to get acquainted at a backyard get-together hosted by Bobby and Janice Lee. All the faculty and board members were invited for sandwiches, chips, and cookies and a time to meet the new teachers as well as catch up on events of the summer. Several of the teachers

have been attending workshops during the summer to aid them in getting new ideas to use in school. It looks like a good year in store for Wilson schools.

The Brownies and Girl Scouts will have their first meeting of the year on Thursday, Sept. 8, right after school. Serena Mankin's Brownies will meet at the school; Carol Holder's Brownies will meet at her house; Junior Girl Scouts will meet at the First Baptist Church. All will meet from 3:30-5:00 p.m. The Daisy group for Kindergarten girls is in process of being formed. Anyone who has a daughter that would like to be in Girl Scouts can call Pam Williams at 628-6330 for more information on the different troops.

Mrs. Bertha Holder was honored on Sunday, Aug. 28, on the occasion of her 93rd birthday. The party was held at the Slaton Bank building on Sunday afternoon and was hosted by her children and grandchildren. Approximately 50 guests came by to wish her a "Happy Birthday."

The first Band Booster meeting will be held Thursday, Sept. 8 at 7:30 p.m. in the Band Hall. Mr. Woody stresses that this group is for anyone interested in supporting the band program and not just for parents. The band played several numbers at the scrimmage and are really sounding good. They have already been practicing in preparation for the game on Sept. 2.

The first 4-H meeting will be on Sept. 13. The time and place will be next week.

We are planning to have an official "Scout Night" at the school on Tuesday, Sept. 13. Tables will be set up with samples of uniforms and books needed for the scouting program. These scouts groups will be represented: Tiger Cubs- 1st grade boys; Wolf Cubs- 2nd grade; Bear Cubs- 3rd grade; Webelos- 4th-5th grades; Boy Scouts- 6th grade. Adults can also sign up to be leaders. Cholesterol and You

Take Good Care Of Yourself!

Taking five steps may help you stay on the road to health and avoid high blood cholesterol.

- First, see your doctor to learn your blood cholesterol level, discover what your proper weight should be and find out if your diet is appropriate to good health.

- Eat a varied diet with plenty of fruits, vegetables and whole grain bread and cereal products.

- Exercise every day.

- Follow your doctor's orders carefully. He or she will determine the need for dietary modification and the appropriateness of drug therapy to lower your cholesterol level.

You can get a copy of a booklet on cholesterol and your health from Citizens for Public Action on Cholesterol at P.O. Box 66408, Washington, D.C. 20006. Made possible by a grant from Merck Sharp & Dohme.

EXTRA \$\$\$ - Need money for back to school clothes and Christmas? Here is a fun and easy way to earn it. Work your own hours. Free training and paper supplies. For more information call (806) 637-8912. 35-1tc
