## RAMBLIN'

by brents davis

What to write about has become quite a problem sometimes and one starts sipping the bottom of the barrel. With no results I finally said myself, "A hex on it". This was born a passing interest in witchcraft which lasted just long enough to glean a few interesting facts from Frazer's "Golden Bough".

Rain fall is a popular subject around these parts and it is interesting to note that in some parts of southeastern Europe even now in the case of a lack of rain the people have worked out a system less expensive than airplanes and dry ice.

Here they dress a young girl in a dress adorned with flowers and she leads a procession of children to all the watering places in the neighborhood. At each stop the children scoop up the water and sprinkle the flowers along with an incantation.

Couldn't find any records on how effective this method is but they have been doing it for centuries now so they might be getting some kind of results.

Frogs and toads are closely associated with rains thus make good charms. Also they are readily available in most places for conducting ceremonies.

The Aymara Indians of Peru and Bolivia often make small reproductions of frogs and other aquatic animals and put them on hilltops to bring about rain.

A few people in Europe and the Thompson Indians in British Columbia think that killing a frog is the most effective way of getting rain. However, if one got too carried away with this idea we might be over-run with insects.

If these don't work however, it's also popular to throw the fetishes down and stomp them while cursing them for failing. This results in rain sometimes.

It seems weather is truly a versatile topic. If it stays the same so long that it is exhausted the thing to do is get a frog and change it.

My only resolution for the New Year is not to try making rain by any of these methods and not to read that book again until another day comes up with nothing to write. That could be next week.

## Dr. Santos To Be Guest Speaker

Dr. Ray Santos will be the guest speaker at the regular meeting of the Mary Deshazo P-TA meeting to be held at the cafeteria Monday, January 9, at 7 p.m. His subject will be immunization of children.

Everyone is urged to attend this very informative meeting. There will be an executive meeting at 3:30 p.m. on the same day.

## Farm Labor Unions May Be Nearer Than We Think

(Editor's Note: The following article was released by the Muleshoe Farm Bureau.)

Members of the Bailey County Farm Bureau are very disturbed over the blueprint for unionizing farm labor in America and the apparent loss of Bracero labor. The Farm Bureau has in our possession a copy of a document that is reported to be a directive to a prominent West Coast Union Director from the National Union Headquarters on ways and means of organizing farm labor. Because it now seems they have started south, the Farm Bureau is publishing the document below in somewhat condensed form to acquaint cotton growers with the attitudes and actions of the labor forces. Although shortened, we are sure you will get the full impact and implication of this Farm Labor Union directive which sounds almost like a Declaration of War directed at every fruit grower and farmer in the nation.

### THE DIRECTIVE

Our principal "enemy" is a straw-man, an image. This image is the commonly accepted picture of agriculture as being made of the sturdy yeoman, the solid, earthy American family farmer. This family farmer has all the virtues we know: country life is clean, it builds healthy bodies and healthy minds. Presidents, politicians, and rulers of the earth have risen from the handles of the plow.

This image of the family farmer has cloaked the transformation of family-farmer agriculture into agribusiness. Agribusiness has become corporate agribusiness with efficient machine, automation, financial combination and interlock, dehumanized and depersonalized production, shares, stock, stock earning and professional managerial technical staffs.

The warm, earthy picture of a family-farmer has masked the transformation of agriculture into America's largest industry, without the accompanying creation of one single job for each man. Agribusiness is free to recruit and use semi-slave labor, free to maintain and use wage-breakers and strike-breakers, free to operate without minimum wages, maximum hours, unemployment insurance or any of the social, ethical, and financial controls society imposes on the rest of the industrial community. In doing so, it receives and still receives, federal and state aid.

The organizing effort has a major task, if it is to succeed, — the destruction of this false image of family-farmerism and the identification of agribusiness for what it is: ruthless coldblooded big business exploitation of people and the land.

The question is raised, and must be answered: How do you destroy that false image? Is this image as important as you say it is?

The first question is answered thusly: We destroy this image by a systematic education campaign aimed at the trade union movement, which has its own press, and at the general public. This takes the form of pictures, angle stories, filmstrips, movies, radio and TV programs and speeches of newsletters, newspapers and all other media. We destroy this image also by the use of P. L. 78 and other regulations, a weapon the growers are beginning to fear.

Agribusiness has no central nervous system, no "jugular vein." It has power and main-

tains that power through its money, its intimidatory capabilities, though its system of alliances and fronts and thru brute force.

Since there is no framework as such, no rallying point, no heart, we must create that framework. We provide that framework by the following program:

1. The organization and training of the staff.
2. The organization and training of volunteer organizers.
3. The organization and indoctrination of the rank and file.
4. The attack on Public Law 78, and related regulations.
5. The education and servicing of community groups.
6. The education of and cooperation with civic and business community groups.
7. The education of and cooperation with small growers and family farmers.
8. The mounting of a political action program.

### THE GROWERS AND THEIR ALLIES

The corporate farmers and processors are organized, vocal, and have high social status. As the "ins" they have power. They can distribute gifts and favors. They are the right people.

Federal and state officialdom has warmed readily to these deductions and blandishments. Personal acceptance and attention from the "big men" has been a heady wine to many state employees, and identification with the corporate interest has been easy and acceptable as a pattern.

### STATUS OF PUBLIC LAW 78 AND STATE LAWS

It is unlikely that there will be immediate changes on P. L. 78 which might benefit our drive. From one standpoint, such changes might well be undesirable as they might reduce the growing militancy which is prerequisite for success, just as the Wagner Act, the dues check-off, and other measures weakened the will of many unions.

### A CAMPAIGN OF ATTACK

There are a few teeth in P. L. 78 and in state regulations, if enforced. Administering these laws are federal and state officers whose skins are now a little thin. They are more sensitive to criticism, more responsive to complaints, more vulnerable to attack. There is an overall atmosphere of fear and worry that scandal will reach upward and outward in high official levels.

## Sugar Beet Reps To Go To Washington

A meeting of the Muleshoe Sugar Beet Growers Association will be held Friday, January 6, at 7:30 p.m., in the District Courtroom.

The purpose of the meeting according to Sugar Beet Association President Bill Millen, is to recruit new members.

A film will be shown on bindweed control and a discussion will be held on organizing a Bindweed Control District.

Millen and several other members of the local sugar beet association plan to join members of other area's sugar beet associations on a trip to

Washington, D. C., for talks with legislators this month. The Association now has 36 members, all of whom plan to devote some acreage to the beet crop. Everyone who can possibly attend the meeting is urged to do so.

Washington, D. C., for talks with legislators this month.

The Association now has 36 members, all of whom plan to devote some acreage to the beet crop. Everyone who can possibly attend the meeting is urged to do so.

## 7-DAY OUTLOOK Wettest Week In Jan. Coming Up

BY VERN FOLTZ

More cold, cloudy, and wet weather is on tap for Muleshoe in the 7-day period ahead. About .30 of an inch of moisture is expected this week with the greatest part (.20) arriving Friday. An additional .05 is expected Saturday and still another .05 on Tuesday. We look for cloudy skies and traces of moisture on Sunday. The .30 precipitation we look for this week is three-fourths of the total we expect in all of January. The Journal's pre-year outlook called for .40.

This is then to be the wettest week of the month of January. Beyond the .30 expected in the immediate 7-day period we anticipate only traces of moisture on January 13 and 20 and about .10 on January 21. Up to press-time Thursday we had not yet received any moisture in the New Year.

The late rain and snow we caught last Friday, December 30, brought our total precipitation for 1960 to 26.91. This was our third wettest year on record being exceeded only by 1941's 43.52 and 1923's 29.12. The Journal's climateer anticipates 21 inches for Muleshoe in 1961.

Our 7-day outlook goes like this:

Jan.	Lo	Hi	Status
6	28	46	.20
7	25	32	.05
8	21	37	trace
9	16	49	mid
10	28	51	.05
11	34	54	wind
12	28	51	wind

## First National Employees Get Bonus

First National Bank of Muleshoe paid its employees a bonus at Christmas, amounting to 10 per cent of their yearly pay, M. D. Gunstream stated.

In other action, the board declared a dividend on shares of 3 per cent. They placed an additional \$35,000 in their surplus fund, bringing that fund to \$135,000. Capital stock is \$200,000.

The bank's annual stockholders meeting is set for Tuesday, Jan. 10 in the bank building.

MISS 1961 arrived in Muleshoe at 6:20 a.m. on January 1. She is Janice Gay Burgess and plans to make her home in Olton with her parents and sister, Mr. and Mrs. Fred Burgess and Sherry, age 5, as soon as she leaves the Muleshoe Hospital and Clinic. She came to town weighing 6 pounds even. Janice and her parents received a bevy of gifts from local merchants last Wednesday as she began her 365-day reign as queen of 1961.

(Journal Staff Photo)

## Council To Enforce Trash Ordinance

The Muleshoe City Council received a letter from the Civic Affairs Committee of the Chamber of Commerce last week reading as follows:

It is our understanding that there is an ordinance on the books of our city which requires that all outside garbage containers be provided with a tightly fitted cover and that this cover be kept in place at all times.

We would like to respectfully request that this ordinance be strictly enforced for the best interests of the health and welfare of our citizens.

If we may be of any service to the Council in educating the public to the need for such enforcement, we herewith offer our cooperation.

We are sure you will agree that covered garbage containers would do much to eliminate the annual hazards of flies and the threat of encephalitis, and roving animals.

The Civic Affairs Committee is composed of A. J. Black and Ray Santos, co-chairmen, and Frank Ford, June Wagnon, and John Miller.

The Council took action on this matter Saturday, Dec. 31,

and set an enforcement date for June 1, 1961. At this time all containers must be 30 gallon covered containers.

Other business conducted at the time was the passing of the city annexation ordinance.

A school crossing zone was established between West 18th St. and American Boulevard.

They also passed an ordinance which will implement the existing Charter provisions pertaining to records keeping in the Corporation Court.

## State Bank Pays 10% Yearly Bonus

Muleshoe State Bank paid its employees a bonus of 10% of their yearly pay just prior to the Christmas season, W. Q. Casey, president, reports.

The bank directors in January and July of last year voted dividends of \$4 per share or 20 per cent. Mr. Casey said that the annual meeting, to be held probably next week, another stock dividend likely will be voted.

Local bankers were waiting this morning for formal notification of a call for statement of condition, expecting that it would be for January 31.

## Annual Banquet To Be Thursday

The Muleshoe Chamber of Commerce will hold their annual banquet Thursday, January 12, at 7 p.m. The banquet will be in the Richland Hills School Cafeteria.

Ben Wooten Chairman of the Board of the First National Bank in Dallas, will be the guest speaker.

Chamber officials announced that other entertainment will include music by M. D. Shepherd and Logan Moon both of the Muleshoe High School faculty and dinner music by Sonia Bass, daughter of Mr. and Mrs. Lonnie Bass.

Due to the limited seating capacity reservations must be made before Saturday, January 7 to assure seating. No tickets will be sold at the door.

Members who have received tickets are asked to notify the chamber office if they do or do not plan to attend.

The Muleshoe Volunteer Firemen, recently named men of the year and their wives will be special guests at the banquet.

## Spirit of America Joins Edit Page

Beginning on The Journal's Editorial Page this week is a new feature, "The Spirit of America," by C. L. Kay.

Kay, who is now Vice-president for Public Services at Lubbock Christian College, is well known to Muleshoe citizens. He has conducted several Freedom Seminars in the town and High School.

He attended high school in Cleveland, Ohio and began his college work at Freed-Hardeman College in Henderson, Tenn. His B. A. and M. A. was received from Eastern New Mexico University.

Kay has also done graduate work at the University of Colorado and Texas Tech College.

During the past 2 years he has made over 350 addresses to civic organizations, Parent-Teachers' Associations, youth banquets, Chamber of Commerce banquets, The Texas Press Association, the West Texas Press Association and the New Mexico State Convention of American Legion.

## Air Search Origin At M'shoe Airport

The Muleshoe Airport was the scene of a major air search last Monday for four missing fliers.

Missing were Don Tabor, 28, Dimmitt, a former Texas Highway Patrolman pilot; D. C. Looney 32, Bovina; Charles Burke, 25, Dimmitt; and Scott Berggren Clovis, N. M.

Civil Air Patrol Group 5 which includes units from as far away as Dalhart, Lubbock, and Plainview and with headquarters in Plainview, set up emergency quarters at the Muleshoe Airport to search the Texas New Mexico area.

Monday Morning at 10 a.m. The Journal was informed by Lt. Col. Gerald Bailey, executive officer for Group 5, that 9 planes were in the air searching from the Muleshoe area and 7 more were being readied.

The search was called off at 11:30 when the men were found by a flier from the Clovis CAP unit under the command of Frank Murray. All four of the men were dead when found.

The plane was found 2 miles south and one mile west of Ft. Sumner, N. M. Doris Kinsler of Muleshoe flew to the scene of the disaster, described the area as being open country with wild prairie grass.

Mrs. Kinsler said one half of the plane propeller was buried in the ground. Apparently the plane nose dived due to icing. She said the wing was sticking up and plainly visible from both the highway and railroad nearby.

The men had been on a hunting trip and evidently discarded their guns and ammunition somewhere along their

flight path in an effort to lighten the load.

Until the plane was found confusion reigned supreme at the Muleshoe Airport with 50 to 75 people crowding around the small facilities. In spite of the physical drawbacks the search was well organized and effectively carried out by the CAP group.

### ATTEND LOWE RITES

Dale Fischgrabe and Cliff Mardis of Muleshoe attended the funeral of Mr. Walter Lowe in Clarendon Tuesday, Jan. 3.

Mr. Lowe is the father of Soil Conservationist Doug Lowe of Muleshoe. He was 67 years old and a farmer at Clarendon.

Mr. Lowe is survived by his wife and 3 children. One daughter, Janie Lowe of Clarendon and two sons, Doug Lowe of Muleshoe and Wayne Lowe of Amarillo.

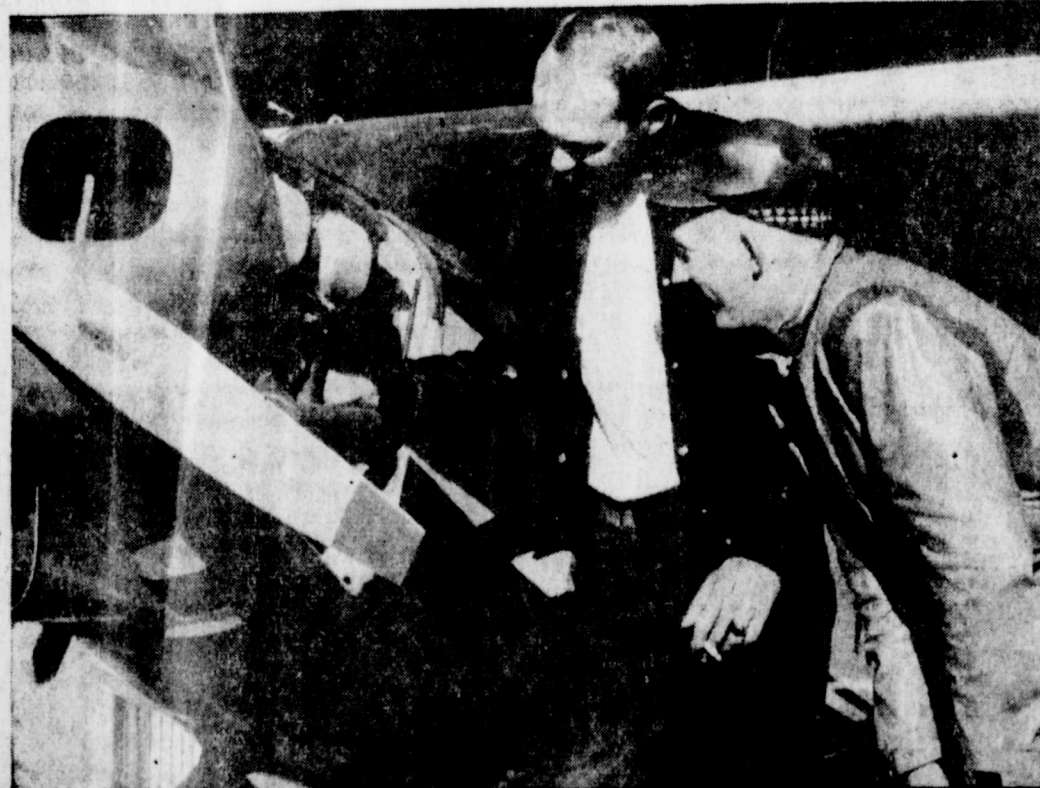

## Farm Sale Set Tuesday, Jan. 10

Olan Kersey has scheduled a farm sale for Tuesday, Jan. 10, beginning at 1:00 p.m. The place is 7 miles south of Bovina and 1 mile east; or 10 miles east and 2 north of Farwell; or 1½ miles northeast of Oklahoma Lane church and 1 east.

A large list of farm machinery and tools, several head of cattle, many miscellaneous items and household goods is being offered for sale. Col. Clayton Myers of Muleshoe is the auctioneer and Mrs. Clayton Myers and M. J. Gibbons are to be the clerks.

### BURKHEADS VISIT IN MULESHOE

Dewayne Burkhead and family of San Francisco, Calif., visited with the Jim Burkhead, the B. A. Daltons, and other relatives in Muleshoe over the holidays.

LOCAL PILOTS Jack Wright, left, and Lyndol Kinsler check out their plane before engaging in last Monday's search for a missing Tri-Pacer from Dimmitt.

## Double Ring Ceremony Unites Linda Horn and Jimmie Webb

MR. AND MRS. JIMMIE WEBB

Linda Joyce Horn became the bride of Jimmie Lee Webb in the Calvary Baptist church Friday, Dec. 23, at 3 p.m. Rev. J. M. Moore performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Fred Horn of Muleshoe and her husband is the son of Mrs. W. W. Clark of Maple and O. E. Webb of Mentone.

Mrs. Webb was wearing a lovely aqua street length dress with an aqua corsage and black accessories. She carried out the traditional something old, new, borrowed and blue. For something old, she was wearing an Indian head penny in her shoe that her great grandmother wore at her wedding; something new was her wedding dress made by her mother; something borrowed was an aqua bracelet and earrings from her aunt, Mrs. Alvis Womack of Plainview, and she wore a blue garter.

Mrs. Ray Cline of Lubbock, sister of the bride, was matron of honor. She was wearing a blue suit with black accessories. Joe Clark, brother of the groom, was best man.

The out-of-town guests were Mrs. Ray Cline and children of Lubbock; Pvt. Fred M. Horn of Fort Ord, Calif.; Mr. and Mrs. Doyle Webb and children of Morton; Mr. and Mrs. Arnold Lamb and Mr. and Mrs. Alton Lamb of Morton.

After a short wedding trip to New Mexico the couple are at home in Muleshoe where he is owner and manager of Webb's Service station.

## Mrs. Wenner Is Honored January 1

Dinner was served Sunday, Jan. 1, in the home of Mr. and Mrs. Reaford Wenner of Lazbuddie in honor of Mrs. Josephine Wenner of Muleshoe and her six children and their families.

Those present were Mr. and Mrs. Deltor Wenner of Muleshoe, Rev. and Mrs. Ernest Merriott of Dalhart and their son and family, Mrs. Lonnie Dee Merriott and children of Muleshoe, Ralph O. Wenner of San Diego, Calif., Mr. and Mrs. Ansel Ashford and children, and Mr. and Mrs. Gilbert Wenner and children of Friona.

### MYF MEETS SUNDAY

Approximately twenty-five Methodist youth attended their fellowship meeting in the Youth Chapel at the church Sunday evening, Jan. 1. There were two guests present. After hymns, meditation and re-dedication service was conducted by the president, Magann Lamb. All Methodist youths are urged to attend the fellowship meeting each Sunday at 6 p.m. and visitors are always welcome.

### GUESTS IN CAMPBELL HOME

Mr. and Mrs. C. J. Bennett of El Paso, Mrs. Freda Harden of Lubbock, and H. H. Bradley, also of Lubbock, visited in the home of Mr. and Mrs. C. L. Campbell of Muleshoe over the New Year's weekend.

MR. AND MRS. LOYD JACOBS

## Miss Butler and Mr. Jacobs Are Wed In Church

Miss Carolyn Louise Butler beamed the bride of Wesley Loyd Jacobs, Jr., in a double-ring ceremony performed by Rev. L. E. Crawford in the Nazarene church Tuesday, Dec. 27 at 7:00 p.m.

The bride is the daughter of Mr. and Mrs. Travis Butler and the groom is the son of W. L. Jacobs, all of Muleshoe. Given in marriage by her father, the bride was wearing a baby blue sheath dress accented with a short matching sash. Her corsage was made

of white carnations. She wore a small hat to complete her costume. Peggy Walters sang "I Love You Truly". The matron of honor was Mrs. Eugene Pickard, sister of the groom. Eugene Pickard served as best man.

A reception was held in the home of Mrs. Vernon Vinson. Punch and a three-tiered wedding cake were served. Glenda Rowland, Lavon Childs, Dorothy Vinson and Mrs. Billy Wall served the guests.

The couple will be at home in Fort Benning, Ga., where the groom is stationed in the United States Army.

YOUNG'S HAVE GUESTS Visiting Sunday in the Paul Young home were Mr. and Mrs. Tommie Kirk of Levelland.

**Three Way  
News**

by Mrs. Frank Griffith

Mr. and Mrs. Thurl Lemons and J. L. returned home Wednesday from Dallas. They attended the rodeo and visited relatives.

Mr. and Mrs. Jack Furgeson and children spent Christmas with relatives at Leonard, Texas. They visited relatives in Dallas also.

Mr. and Mrs. R. B. Wittner and Terry of Oklahoma City visited their parents, Mr. and Mrs. D. P. Brinker and Mr. and Mrs. Andrew Wittner during the Christmas holidays. They returned home Friday.

Mr. and Mrs. Leon Jones went to Dallas last week to attend the rodeo.

A recent guest in the Thurl Lemons home was Clarence Puckett of Weatherford. The two men are cousins.

Mr. and Mrs. W. C. McCelvey visited the past weekend in Monahans with Mrs. Mc. Celvey's mother.

Frank Griffith accompanied his parents, Mr. and Mrs. Ira

Griffiths of Shallowater to Amarillo last weekend to visit in the Vernon Griffith home. Frank and Vernon are brothers.

Guests in the Jack Lane home Sunday evening were Mr. and Mrs. Emil Macha and daughter of Littlefield. Mrs. Macha and Mrs. Lane are sisters.

**Do You Really Understand  
The Bible?**

Many people maintain that the Bible is so simple and clear that anyone can understand it. Yet today the Christian world is divided into conflicting opinions as to what the Bible means.

How would you interpret the following passages from the Bible: "I say to thee, thou art Peter, and upon this rock I will build My Church, and the gates of hell shall not prevail against it." (Matthew XVI, 18ff). "For, behold, henceforth all generations shall call me blessed." (Luke I, 48). "Receive the Holy Spirit; whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained." (John XX, 23). "He who believes and is baptized shall be saved." (Mark XVI, 16).

Catholics recognize the complete Bible as the inspired Word of God. If you wish to know the Catholic interpretation of the above mentioned Bible passages as well as other beliefs of Catholics, write for a free pamphlet explaining Catholic teachings. This free pamphlet is sent through the courtesy of the Knights of Columbus, a religious and patriotic organization of more than one million Catholic men.

Address Home Study Center, Box 5644, Amarillo, Texas.

### CHURCH ACHIEVEMENT PROGRAM

The committees have been named for the year of 1961. Each have been contacted and consented to carry on the work for the coming year.

The general chairman is Roy Locker and others as follows:

**Better Church:** Mrs. J. L. Redwine, Sr., chairman, Phil Garrett, R. M. Gibson and Mrs. E. W. Locker.

**Better Community:** Mrs. Sam Blackwell, chairman, Mrs. D. O. Smith, Mrs. Tom Morgan,

and J. W. Barber. **Better World:** Mrs. H. T. Pugh, chairman, Elmer Downing, Mrs. Elmer Downing, and Elmer Eason.

**Scrapbook Committee:** Mrs. Homer Redwine, chairman, Mrs. Al Griffin, Mrs. J. W. Barber, and photographer, Mrs. Earl Hord and **Publicity,** Mrs. M. O. Nigh.

Mr. and Mrs. J. W. Barber and Jack spent the weekend visiting the Will Kennedys at Grady, N. M.

Mr. and Mrs. Marvin Gaddy and M. D. Gaddy visited recently in Corpus Christi with Rev. and Mrs. Gerald Gaddy and children.

Mrs. Mary Raney and children spent the holidays visiting relatives in Melrose, N. M., and Brownfield.

Mr. and Mrs. Mike Thurman Raney and children Saturday of last week.

Mr. and Mrs. Bill Rutherford and her mother, Mrs. Pearl McDonald, spent the holidays visiting relatives and friends in California. They returned home this past weekend.

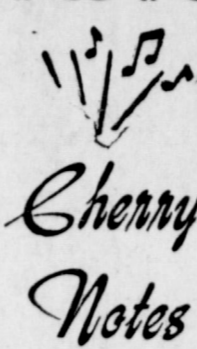

Mr. and Mrs. L. L. Bishop and three sons of Ft. Sumner, N. M., and Mrs. George McLain of Santa Rosa, N. M., visited his parents and grandparents, Mr. and Mrs. C. A. Bishop Sunday.

Mrs. Helen Redwine was in the hospital a few days for medical care, but has been dismissed and is recuperating at her home.

Mr. and Mrs. Doyle Henry and son of Lubbock, spent the weekend with Mrs. Henry's sister and family, Mr. and Mrs. Robert Hunt and daughter, and also visited both their parents, Mr. and Mrs. J. L. Redwine, Sr., and Mr. and Mrs. Clyde Henry.

Mrs. M. L. Shipp and Janet spent a few days at Ropesville with Mrs. Shipp's sister and family.

Mr. and Mrs. Jimmie Lumpkin and children visited Sunday in Earth with Mrs. Lumpkin's mother and sister, Mrs. L. D. Stanford and Lucille.

### Cherry Notes

News about Business and Professional People

**A NEW YEAR**—New hopes, new ideas, new dreams and a new beginning for all of us.

Since all the rush and hurry and scramble of Christmas is over, now is a good time to meditate and think of how we can make life happier for those around us and set a good example for our children and others to live by in this space age. Here are a few things to think about:

"Your living is determined not so much by what life brings to you as by the attitude you bring to life; not so much what happens to you as by the way your mind looks at what happens. Circumstances and situations do color life but you have been given the mind to choose what the color shall be." —John Homer Miller.

Speaking of the New Year, did you know that the Chinese celebrate Feb. 18 as New Year; the Persians, March 21; the Siamese, April 1; the Mohammedan, April 26, and the Alexandrine, August 29. So if you forget to make your New Year's resolutions, you can still write them.

Mrs. Noel Woodley of Washington, D. C., was honored with an informal coffee Friday, Dec. 30, in the home of Mrs. Sam Fox with Mrs. Pat Bobo as co-hostess.

A great number of her friends called not only during the hours of 9-12 a.m., but all during the day. A delightful day was enjoyed by everyone. Mr. and Mrs. Noel Woodley are former residents of Muleshoe. They arrived Thursday night for a short visit. They returned to their home in Washington, D. C., Saturday morning.

Mr. and Mrs. Joe Costen spent the Christmas holidays in the home of her sister, Mr. and Mrs. Walter Bennett of Las Vegas, Nev. They also visited in the home of Mr. and Mrs. Maury Orrell of Albuquerque, N. M.

## Off the Runways

Doings At Muleshoe Airport Reported by Mrs. Noah Kinser

Mr. and Mrs. Morgan Locker and children returned from the Florida Keys late Saturday afternoon after spending two weeks at their summer resort home on Little Torch Key. Most of the time they were there was spent completing the repairs on their home which was heavily damaged last September by hurricane Donna.

The Lockers toured the Keys and although the destruction caused by Donna, the most destructive tropical storm in the history of the United States Weather Bureau, is still evident, the Islanders have accomplished much toward rebuilding their businesses and homes. All debris has been removed and the islands are clean. On the hardest hit islands of Marathon, Isamorada and Tavernier, Mrs. Locker said that a number of the buildings have not been rebuilt, and they gave an impression of what the islands were like after the passing of Donna.

Locker said that the once beautiful Palm trees resembled the remaining shreds of those of the Philippines after the war.

They also made a flight out over the Dry Tortugas, an island located off Key West, for an aerial view of the famous old Civil War Prison. The prison is of brick construction and was built during the Civil War. Mrs. Locker, accompanied by her son, Freddie, drove to Florida. Locker and the other children left several days

later flying down in the Apache. They all returned by plane.

The Civil Air Patrol Unit, using the Muleshoe Airport office as their headquarters for the search that began early Monday morning for the missing Tri-Pacer in Eastern New Mexico again brought to the attention of local citizens the need for a large office building. Plans for an addition to the office is now being considered and will possibly be started in the near future.

Morgan Locker, of the airport, expresses his appreciation to some 75 Civil Air Patrol officials, radio operators, mobil unit crews, the private pilots and the aerial observers

## LOWE'S VISIT RELATIVES

Mr. and Mrs. Don Lowe and son spent Christmas and New Years Day with relatives in California.

for their patience and cooperation while working under the crowded conditions.

Harold Locke, who has been employed as a pilot and instructor at the Muleshoe Flying Service for the past two years, has moved to Marlin, Texas, where he plans to start a Flying Service.

Locke came to Muleshoe from Morton. He has made many friends in the Muleshoe area who will miss him, but wish him much success in his new business venture.

## ENGRAMS HAVE VISITORS

Edward Engram of Clovis, N. M., and Mr. and Mrs. Ernest Yoder of Fullerton, Calif., spent New Year's day in the home of their aunt and cousin, Mrs. J. H. Engram and Marie.

## RETURN HOME

Mr. and Mrs. Cecil McGee have returned to their home in San Diego, Calif., after spending the holidays here with his parents, Mr. and Mrs. J. A. McGee, other relatives and friends.

## VISIT WITH MRS. HARDEN

Mr. and Mrs. Buford Butts and Patricia of Ft. Collins, Colo., visited Mrs. Butts' mother, Mrs. I. W. Harden, and other relatives in Muleshoe last week.

# NOTICE Taxpayers 1960 PROPERTY TAX

**MINNEAPOLIS MOLINE**

**NEW GVI**

The tremendous power built into the dynamic New Moline G-vi increases the user's profits by doing more actual work with larger implements in less time. The long wheelbase increases operating stability and traction. The G-vi has exceptional power and weight balance. The long hood, massive and powerful appearance, large fuel tank, high operator's position plus the new metallic bronze and prairie gold color make the G-vi the most modern BIG tractor on the market today.

## County Agents Corner

There will be a meeting of all interested vegetable producers and interested people January 5. The meeting will be held in Plainview at the Hilton Hotel, in the Red Rock room, at 11 a.m.

The purpose of the meeting is the organization and approval of the by-laws of the District 9 Vegetable Growers Council as a part of the proposed Texas Vegetable Growers Council. Election of new officers, delegates and alternates to the Texas Vegetable Council for this district will be held.

The Texas Vegetable Growers Council meeting will be held January 10, in San Antonio for the adoption of the constitution and by-laws for the state organization.

Jack H. Kyle, Assistant Horticulturist, of the Lubbock Experiment Station will also meet with the group to discuss the research needs and personal problems of production and marketing of vegetables for our area.

The County Agents Office has received a copy of the West Texas Duroc Breeders Association sale catalog. The catalog lists 21 Bred Gilts, 22 Open Gilts, and 10 Boars. The sale and type conference is being held Saturday, January 14 at the Fairgrounds Barns in Lubbock. The conference begins at 9 a.m. and the sale begins at 12:30 p.m. Anyone interested in seeing the catalog may contact the County Agents office.

The results of a Hybrid Sorghum Variety Demonstration conducted by Bob Riethmayer, Rt. 3, Friona were received this

## TEC Is Holding Farm Labor Days

Farm Labor Days will continue to be held each Thursday from 1:00 p.m. to 4:00 p.m. at the local office of the Texas Employment Commission located at 322 West Second St., according to local office manager, David Miles.

Farmers as well as workers should take advantage of this opportunity to fill their labor needs.

The local employment office of the Texas Employment Commission placed 7,071 farm workers on jobs in this area in 1960. The office also placed a total of 744 workers in non-agricultural jobs in Muleshoe in 1960.

The results were as follows: PAG 665, 7,737 lbs.; Lindsey 788, 7,417 lbs.; Texas 660, 7,212 lbs.; Amak R-12, 7,109 lbs.; DeKalb F-63, 7,097 lbs.; R. S. 610, 6,674 lbs.; Texas 601, 6,389 lbs.; Steckley 108, 6,363 lbs.; Amak Coastal, 6,354 lbs.; DeKalb F-62a, 6,251 lbs.; TE 55, 6,114 lbs. and Amak Red Raider, 6,000 lbs.

Another Farmer County test was conducted by Melvin Sachs, Rt. 2, Friona.

The results of this test were: RS-610, 7,540 lbs.; Texas 620, 7,490 lbs.; Amak R-12, 7,440 lbs.; R. S. 650, 7,250 lbs.; Texas 660, 6,990 lbs.; Steckley 108, 6,950 lbs.; Steckley 106, 6,745 lbs.; DeKalb F-62, 6,545 lbs.; Pfister 6255, 6,510 lbs.; DeKalb F-63, 6,400 lbs.; Amak Coastal, 6,210 lbs.; Amak Red Raider, 6,130 lbs. and Amak Ranger, 6,110 lbs.

These results were sent by Joe W. Jones Farmer County Agent.

VOLUME 39, NUMBER 1 THURSDAY, JANUARY 5, 1961

## Giant Strides In Electric Service

To keep electrically ahead of the continuing growth of its 45,000 square mile service area, Southwestern Public Service Company will invest more than \$22,000,000 in construction and new equipment in 1961. It has been announced by A. R. Watson, Executive Vice-President and General Manager of the electric light and power company.

Watson added that the company's five year construction and improvement budget anticipates a new equipment investment of 117,000,000 between now and 1965. He also pointed out that the \$117,000,000 expansion figure equals the total amount that the company had invested in plant and equipment less than 10 years ago, and adds up to more than 45% of the present day investment in plant and equipment of nearly \$260,000,000.

Electric service took another giant stride in 1960 to bulwark its claim as the biggest bargain in the family budget. Southwestern's average rate for a residential kilowatt-hour dropped to 2.96c in 1960, as compared to 3.05c in 1959. The reduction in the last 10 years in the average cost of a residential kilowatt-hour to a Southwestern customer is 21.49 per cent. Only 1.3c of each dollar spent by American families goes for electric service, less than the ladies spend for cosmetics.

"Our customers naturally find their bills for electric service higher than they were 10 years ago, because they are using, on the average, 117% more electric service than they did in 1951. A major factor in this increased use, in addition to the many services electricity performs, has been the fact that the unit cost has lowered in the fact of increasing prices for everything else, including the things we must use to make the power", Watson pointed out.

Southwestern, along with 10 other investor-owned electric companies in Texas, continues its research activities in atom-

ic energy, through the program of the Texas Atomic Energy Research Foundation.

"Present day atomic plants don't come close to the economy of the modern fuel-powered generating stations we are using in our area. What's more, we have the advantage of a plentiful, although not inexhaustible, natural gas fuel supply. This gives us the opportunity for fusion research in atomic power which offers the possibility that ordinary sea water, which is certainly inexhaustible, would provide the fuel for electric generation", Watson said.

The nation's investor-owned electric companies paid nearly 2 1/2 billion dollars in federal state and local taxes in 1960. In Southwestern's case, more than 24c of every dollar taken in is paid out in taxes.

"It is fortunate that the electric industry continued to grow in 1960, especially in the face of slowdowns in other business fields. The increased tax payments by the electric industry—they were 160 million dollars more than in 1959—helped strengthen our nation's defense and contribute to other governmental services", Watson concluded.

### CHILDREN HOME FOR CHRISTMAS HOLIDAYS

The children and grandchildren of Mrs. F. L. Wenner spent the Christmas holidays with her. They were Rev. and Mrs. E. L. Merriott of Dalhart, Ralph Wenner of San Diego, Calif., Mr. and Mrs. Gilbert Wenner and two children of Hub, Mr. and Mrs. Deltor Wenner, Mr. and Mrs. Reaford Wenner and two children, Mr. and Mrs. Ancel Ashford and three children, Mr. and Mrs. Lonnie Merriott and two children, all of Muleshoe and Mr. and Mrs. Virgel Merriott of Lubbock.

### JEAN DANE HOME FOR NEW YEAR

Miss Jean Dane spent New Year's Day with her parents, Mr. and Mrs. J. O. Dane in Enochs.

### Lenscaps

On looking around Muleshoe one realizes that the town has more than its share of shutterbugs. Perhaps they would like to see their work printed. If you are one of these people and have a favorite picture that you would like to see in print, make a print of it 2 1/2 to 3 1/2 inches wide and any depth and send it to: Lenscaps, c/o The Muleshoe Journal, or bring it by the office yourself. We're always happy for a chance to talk to amateur photographers. Subject matter is not limited but we would like to see how some of you interpret the Muleshoe area photographically.

Now don't put off selecting your favorite shot a minute longer but start now to rummage through all those old negatives and prints and let us see them.

If you happen to have any old pictures of Muleshoe in the early days, we would sure like to see them, too.

Lot's of you are missing a great deal of fun by not developing your own pictures.

There are hundreds of simple books available on home processing and chemicals are cheap and easily procured. It's not necessary to expend a lot of money either. For instance you can buy all the equipment and chemicals you need to start out with for \$10 or less.

As the New Year begins it is popular to make resolutions you don't intend to keep. We feel it would be a good idea to resolve to dig out that old camera, dust it off and start making pictures. This wouldn't be a hard resolution to keep and anyone would feel good about keeping a resolution all year.

CAP LT. JACK JOHNSON, RIGHT, and Sr. Member Jack Ray both of the Dalhart CAP unit review flight and search plan upon returning to the Muleshoe Airport. The two men engaged in last Monday's CAP search for four fliers missing since Wednesday, December 28, in the Muleshoe area.

## SHOWN BELOW IS A FIELD OF NEW IMPROVED NORTHERN STAR NO. 5 COTTON

LATEST IMPROVED NO. 5 COTTON, Bred By The Northern Star Seed Farms Will Be Made Available To The Farmers of Muleshoe Territory This Season.

These Seed Were All Hand Gathered and Stored Before The Rains Came. This Insured The Very Best Germination.

Why Take A Chance On Poor Germinating Seed When You Can Get This High Germinating, Prime Seed From Your Ginners.

NORTHERN STAR NO. 5 is a variety for snapping and stripping. The burs are thin and will hold the seed cotton until you are ready to harvest. Many farmers get a 500 pound bale from 1700 to 1800 pounds of pulled cotton. It is a good yielder on both dry and irrigated land. Government green cards consistently show 15 1/32 inch staple micronaire 4.4-5.2. Its stormproof bur protects seed cotton sufficiently to give a bright clean sample when ginned. Seed are prepared in three different ways: Acid Delinted, Fuzzy and Saw Delinted, all panogen treated.

For An Early Maturing, Productive, Quality Cotton, Plant NORTHERN STAR NO. 5 COTTON SEED. It Will Help You Put Money In The Bank

## PICTURE OF A LADY ADJUSTING HER BRAKES

Back up! Put your foot down! Presto! Your brakes are adjusted if they need it!

The '61 Ford is so beautifully built that it even takes care of its own brakes! Another example of the sensationally sensible engineering beneath the Classic Ford Look for '61

One of the world's most expensive imported cars has this self-adjusting brake feature and so does Ford! Just one of many new takes-care-of-itself improvements! Here's another surprise—you can normally drive 30,000 miles before your Ford needs chassis lubrication. Then a quick, inexpensive, Ford Dealer lube job will get you set for another 30,000 miles.

And the '61 Ford has a new optional 390-cu. in. Thunderbird Special V-8 waiting for you to test-drive. You can't get that in any other car in Ford's price class.

Nor can you get the Classic Ford Look in any other car. The Straight-Line design of the '61 Ford steps out in front and stays there. But, seeing is believing, so pay a visit. See for yourself that the 1961 Ford is...

Beautifully proportioned to the Classic Ford Look!

We are very proud of this model, presented by the international fashion authority, Centre for L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

### HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates Itself. You normally go 30,000 miles between chassis lubrications. Then a Ford Dealer lube job (which costs about \$4.00) will get you set for another 30,000 miles.

Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Guards Its Own Muffler. Ford mufflers are double-wrapped and aluminum—normally will last three times as long as ordinary mufflers.

Adjusts Its Own Brakes. New Truck Size brakes adjust themselves automatically for the life of the lining.

Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.

Takes Care of Its Own Finish. New Diamond Lustre Finish never needs wax.

\*Based on 18 minutes' service at today's national average labor costs

## BABSON PLEADS For Fairness

Babson Park, Mass., Jan. 5— I notice that Dr. Walter W. Heller (new Chairman of the Council of Economic Advisors for President-Elect Kennedy) is telling the American people that 1960—especially the last half—was a period of recession. However, while the net earnings of many corporations were off, the gross earnings of most of these companies held up very well.

### REASONS FOR POOR NET EARNINGS AND UNEMPLOYMENT

Most of these corporations showed poor net earnings because they were obliged to pay higher wages or give fringes, etc., to their wage-workers when there was no increase in their efficiency or output. At the same time, the door to higher prices was closed by stiff competition from domestic manufacturers as well as by the rising flood of low cost goods from abroad.

I really feel that Dr. Heller will have much trouble to prove that our difficulties are caused by a lack of employment opportunities. Let us face the facts—the union leaders in this country must shoulder the lion's share of the blame. They have priced many goods out of our own and foreign markets by pushing up production costs. I wish Dr. Heller would translate unemployment into dollars. This would be the fair thing for him to do. He also should give proper allowances to appropriations for relief, veterans' benefits, unemployment insurance, and old age and survivors' insurance.

### PRESIDENTS DO NOT MAKE CONDITIONS

It is true that 1960 did not "roar like a lion!" Those who had forecast the "Roaring Sixties" have thus far been disappointed. It, however, is very unfair for Dr. Heller to blame this on the Eisenhower Administration. Conditions make or "unmake" Presidents; but Presidents can do little to change the business cycle.

On the other hand, if this business readjustment should continue through 1961, and

**20 Years Ago Today**  
 —By—  
**CHERRY HOYBOOK**

### OLDEST GROCERY STORE BUSINESS IN MULESHOE CHANGES HANDS

C. E. King, for eleven years among the leading firms of Muleshoe, has sold his grocery store business to Partin Austin of Lariat, the deal being closed Wednesday of last week. King opened his grocery business in Muleshoe September, 1929, and since has been operating the firm.

Austin the new owner, has been in the grocery business at Lariat for the past years as manager of one of the largest firms there. It's the store located on the north side of Highway 70, on the west side of town. He is an experienced grocer, having been in that business for sometime. He is well known by several local citizens.

The new manager will take charge of the business sometime next week.

### FAIRVIEW HD CLUB PRESENTS RADIO PROGRAM

Mrs. Berta Kitchens and Mrs. Everett Wallace of the Fairview Home Demonstration Club, together with Miss Lillie Gentry, County Agent went to Lubbock Monday, where they presented a radio play, "The Visitor", which was especially written for this broadcast.

The play was the repetition of a conversation which took place between a newcomer to Bailey County, Mrs. Nash and Mrs. Wilson, a native Texan.

perhaps become worse, it would be very unfair for Republicans to blame it on the Kennedy Administration. Every thoughtful businessman and labor leader knows that "the trees cannot grow to the sky" and that after the abnormal prosperity years since World War II a readjustment is inevitable; the longer it is postponed, the worse it will be. By the way Dr. Heller, who is now 45, was only a kid in 1930,—only 15 years old! Yes and Mr. Kennedy himself was then only 13 years of age.

### CERTAIN AREAS DESERVE HELP

Among the 400 cities where the leading newspapers publish this weekly column, some are suffering from real unemployment, such as in areas hurt by the national switch from coal to oil. Yet other sections, such as the Cape Canaveral coast of Florida, are enjoying increased employment due to development of missiles. President Kennedy will make a wise effort to relieve by temporary aid any areas "submerged" as a result of natural causes. A permanent cure will be difficult and will take time. He has, fortunately, not only the unemployment and other legislation passed by Congress in 1930-1940 but also the new small business investment companies instituted by the late Congress.

Hence I urge Republicans to be patient and not blame the new administration for whatever happens in 1961. Many of our industries are dependent upon conditions abroad,—in Russia, in China, and in Europe (from which I recently returned). Our export and import figures will be factors in determining business conditions in the United States.

### WHAT CHRISTIANITY DEMANDS

When Mr. Eisenhower lighted the nation's Christmas tree on Friday night, December 23, he appealed for aid for certain backward nations and races—irrespective of "color or creed." He rightfully stated that, if we take our Christianity seriously, we must be fair and generous with all nations and religions. My appeal at this beginning of 1961 is that both Republicans and Democrats take their Christianity seriously. That we be fair to the President-Elect, who should not be blamed for what happens in 1961 in Cuba, Russia, or China. The biggest thing for him to fear is the time when China discovers how to make an inexpensive atomic bomb.

### SANDHILLS PHILOSOPHER FEELS

Both Man and Insects Will Stay Around, Despite the Big Odds

Editor's note: The Sandhills Philosopher on his Johnson grass farm strikes a confident note this week, or at least it sounds like it.

Dear editor: Here 1961 is barely underway and already the experts are predicting mournful things for the new year.

For example, according to an article I read last night in a section of a newspaper I had left over after I got through wrapping some Christmas presents in the rest of it, the world now has enough atomic bombs to wipe itself out four or five times. The United States has 50,000 more atomic bombing ability now than it had when it dropped that first bomb on Hiroshima. Russia has an untold amount of the things, France set off its first bombs just the other day, England has quite a few bombs it borrowed from us. Red China is expected to have the bomb before long, and possibly five or six other countries.

One expert added that sooner or later, some of these bombs are going off, and not for practice, and when some go off, a lot more will follow. He said the human race couldn't stand it.

Well, I'm not going to predict the future of the world,

## Improve Parks Add Ad Program

"The citizens of Texas must awaken the Legislature to the simple truism that good parks are good business", Robert Alford, president of the Muleshoe Chamber of Commerce, said today.

Texas' charms in this direction are as great as in the scenic or recreational, yet this state ranks 34th in the nation in appropriations for parks, Alford added.

Texas Chambers are mobilizing in a state-wide campaign to inform the public of what is described as "the Texas legislature's niggardly support of this state's parks."

They charge that appropriations for parks have not enabled the state to draw half as many tourists as would come if improvements, facilities and services were on a par with those of states that support their parks adequately.

Texas has only 70 year-round employes to operate its 50-odd parks. These figures may be compared with, for instance, Kentucky, 27 parks, 280 employes; Michigan, 56 parks, 227 employes; Ohio, 54 parks, 226 employes; Oklahoma, 33 parks, 328 employes; Tennessee, 20 parks, 233 employes; and some states have far more park personnel.

Only one-tenth of one percent of the state tax dollar is used for state parks, monuments and museums. In 1959, the State Parks System operated with an appropriation of \$6 per day per park.

"Just six years ago", Alford said, "166 million people visited America's parks. Last year, this figure had increased to an astounding 255 million."

"Texas has had an increase in attendance, but the state has not provided the absolute essentials for the improvement for her visitors that it should and must if it meets its responsibilities."

Chamber managers say that non-support of the state parks by the Legislature is resulting in a very economic loss to Texas.

In the two-year period between 1957 and 1959 total expenditures by tourists dropped from 531 million dollars to 431 million dollars.

"Undeveloped parks won't pay, but good parks are good business", Alford said.

### JANUARY HOLY HOUR

The January Holy Hour will be conducted this First Friday, January 6, in the Immaculate Conception Catholic Church. The Holy Hour starts at 7:30 p.m., with Holy Mass at 8 p.m. The general public may attend.

### PLAY SAFE

BUY AN Exide BATTERY

An Exide in your car is the safest insurance against battery failure.

WHEN IT'S AN Exide YOU START!

Arnold Morris Auto Parts

Phone 7150

Yours faithfully, J. A.

not when I can't even predict the future of this Johnson grass farm for longer than three months at a time, although whatever confidence I have is based on the assumption the world is better off than this place, yet I don't share the gloom of this expert.

You take insects, for example. I'm not sure that science will support me when I say people are as smart as insects, but they may be, and if they are, I believe they'll survive. What I mean is, man has been fighting insects for years, and if the insects could read, they'd find out that man has enough insecticides stockpiled to wipe out all of them, but if the insect population is any less today than it was 50 years ago, I can't tell it. The more you fight them, the stronger they come back.

On the other hand, man may not be as smart as the insects, and with all those atom bombs stockpiled, somebody better keep his fingers crossed.

None the less, I predict me and The Journal both will be on hand a year from now, or at least one of us, and a fifty-fifty chance is all anybody can ask.

BY C. L. KAY

## The Spirit of America

Lecturer, Journalist

**THE BATTLE AHEAD**  
 A March issue of "U. S. News and World Report" appeared with a cover article entitled "Whose Country?" Will it be Russia's? Will it be Europe's? Will it be America's?

The answer that you receive is dependent upon the person you talk to. It is evident that only a few people have taken the time to answer this question.

Mr. William Z. Foster, National Chairman of the Communist Party, U. S. A., dedicates his book "The Twilight of World Capitalism", "To my great grandson Joseph Manley Kolko who will live in a Communist United States." Also Mr. Foster states, "When a Communist heads the government of the United States—and that day will come as surely as the sun rises—the government will not be a capitalist government but a Soviet Government, and behind this government will stand the Red Army."

Russia's aim has always been world conquest. Khrushchev intends to fulfill the program as set forth by Lenin: first, "We will take Europe"; second, "We will take Asia"; third, "We will encircle America."

The Communists have under their control one billion people. They are adding 12,000 people each hour the clock strikes. Khrushchev will stop at nothing short of world conquest. Is this why he made a big issue of Power's Case? Is this why he wants Berlin? Should we give in regarding

West Berlin the Commies have reached another milestone in their plan to conquer the world.

Whose country? Will it be Europe's? Western Free Europe has been rapidly coming to the front. According to the "U. S. News and World Report" article, Europe is second in economic strength. American business men, who have returned from Europe are saying, "I wish we had it that good." West Germany is rapidly moving up the line.

There is no doubt that we are losing ground in the economic battle. From 1958-59 imports rose 70 per cent faster than exports. In 1958 steel exports were only one half of their 1957 levels; during this same period, imports rose by 50 per cent. Leplow, Industrial Relations Consultant for American Iron and Steel Institute, states, "In 1959 for the first time since 1903, steel imports exceeded exports." The change in the export-import balance means a difference of 50,000 jobs in our steel industry.

The Commerce Department reports (Survey of Current Business, December, 1958), "In the case of passenger cars... U. S. position shifted from that of a net exporter of over \$290 million in 1956 to a net import of about \$150 million in the year ended September, 1959." By the way, did you know that the Singer Manufacturing Co. is probably the only company left that produces sewing machines in America?

Forty per cent of the portable typewriters sold in the

## Local Legislative Committee Meet

The Legislative Committee of the Muleshoe Chamber of Commerce will meet with a representative of the United States Chamber of Commerce on January 16 in the Chamber offices.

Robert Reilly, Southwestern Representative of the USCC will meet with the local committee to help them plan a program for the year.

The Legislative Committee is set up by the Chamber to keep informed on local, states, and national legislative matters affecting the business community.

Members of the committee are: James Glaze, Harold Allison, Gil Lamb, Ray Carter, Harmon Elliott, Bobby Airhart, Alex Williams, and Frank Ellis.

United States last year were imported? From 1948-1958 employment of watch makers fell off by 62 per cent. At the same time watch imports increased from 8 million in 1948 to 14 million in 1958.

### No wonder Western Europe ranks second in the economic field.

Whose country? Will it be America's? Not if we lose sight of the foundation of our American way of life; namely, faith in God, constitutional government and our free enterprise system. Although we are the leading industrial nation of the world, we are steadily losing ground.

To meet this challenge each person must be alert to truth, realize the value of our American heritage, and strive for personal dedication of mind, soul and spirit to preserve for our children and our children's children the great values that our founding fathers passed on to us.

## Today's Meditation

Read Acts 12:5-11.

Peter therefore was kept in prison; but prayer was made without ceasing of the church unto God for him. (Acts 12:5)

When Herod imprisoned Peter, the church prayed without ceasing unto God for him. The prison doors were opened, and Peter gained his liberty. His fearless witnessing for Christ was used to change other lives.

In his book "Wellsprings of Immortality", Starr Daily tells of an incorrigible prisoner thought to be beyond redemption from a life of crime. But through prayer he began to examine his life and seek for a way of recovery from bondage to crime. He decided that in every situation he would do the thing that led to the most reasonable and beneficial results. He prayerfully made his choice in each situation and carried through.

His life was changed. At length he was set free from prison and became a useful citizen. Here prayer changed a life and opened prison doors.

### PRAYER

Dear Father, We thank Thee for forgiving us of the sin that once made us prisoners. We thank Thee for Jesus Christ, Thy Son, who has come into our hearts in answer to prayer and set us free and at liber-

## HARRIETTE JACKSON MAKE HOLIDAY ROUNDS

Harriette Jackson, Bailey County Home Demonstration Agent, visited her daughter and son-in-law, Mr. and Mrs. Bill Thomas of Floydada Christmas. She then visited friends in Borger, Enid, Okla., and Oklahoma City.

## ROBERT BLACKWOOD HOME ROBBED

The Robert Blackwood home north of Muleshoe was robbed Wednesday, Dec. 28 while the family was attending church.

An estimated \$2,000 was taken from the home in the form of a set of sterling silver, 22 rifle, shot gun, movie camera, 4 pieces of luggage, jewelry box and jewelry, radio, picnic kit, typewriter, and sewing machine.

## USDA OFFICES MOVE

The relocation of several government offices including the USDA, SCS, ASC, and PHA was accomplished Thursday, Dec. 29.

The offices, formerly located in the Wollard building, are now located in the old Piggly Wiggly building on Ave. D.

to serve Thee. Thanks be unto Thee, through Him, our Redeemer, Amen.

### THOUGHT FOR THE DAY

Prayer is the key by which we obtain our liberty in Christ. —B. M. Ketchersid (eTm.)

# Attend The Church Of Your Choice

**You Will Find Peace of Mind In Faith . . .**

Read Proverbs 31:10-20;  
I Timothy 5:1-8.

He will command his children and his household after him, and they shall keep the way of the Lord. (Genesis 18:13.)

From early times, Christian homes have been centers of worship. Unfortunately, the blessed practice of family worship has begun to disappear from so many homes in this part of the world. In our homes the rush of modern life is usurping this great boon and blessing.

The foundation of Christian living is best laid in the home. Christian living begins there. Right home experiences help children to grow in faith and in knowledge of God. One of the greatest joys of Christian parents is to see their children grow in wisdom, stature, and in favor with God and man.

To be filled with the peace of God, a home needs to be centered in Christ, the light of the world. We discover real happiness when we decide: I and my house will worship the Lord. What a great blessing it is for the members of a family to love and honor God and have fellowship together in the spirit of Christ!

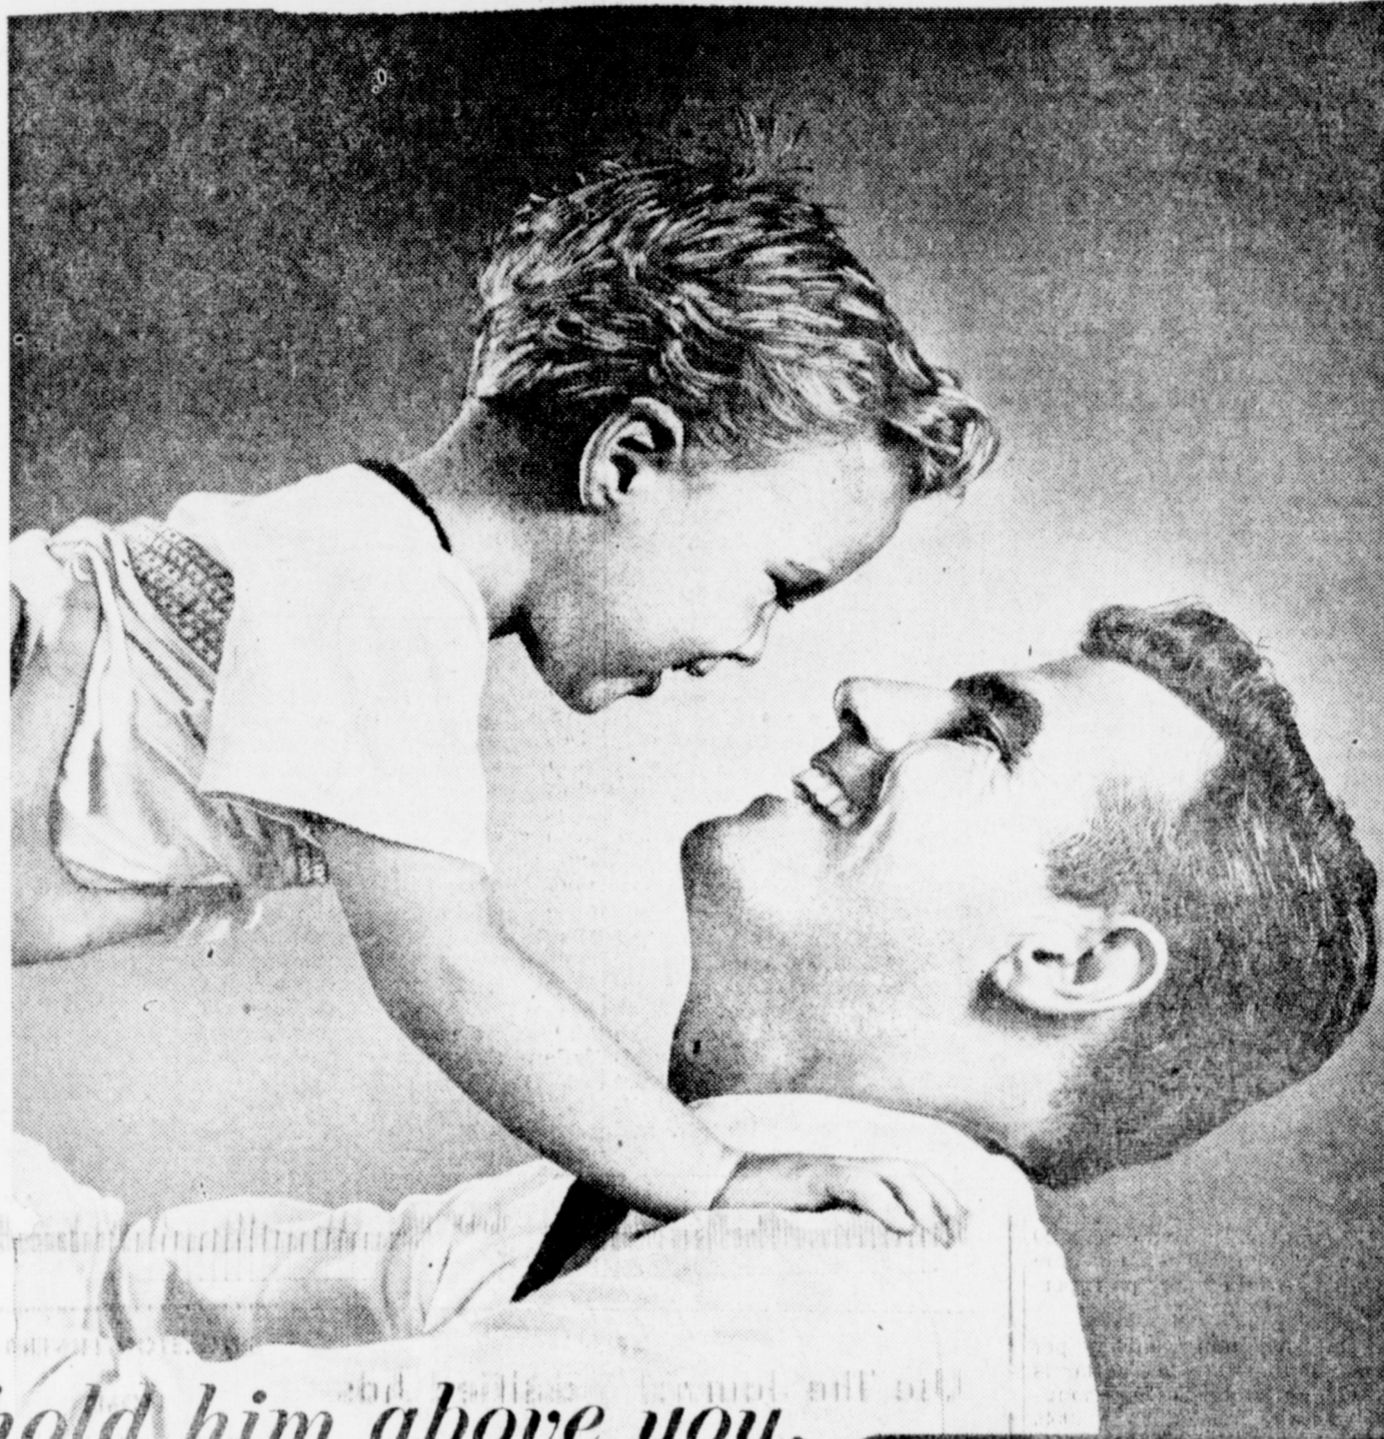

**PRAYER**

Our Father, we pray that Thou wilt come and dwell in our home. Be with us at every meal. Enrich our homes by Thine everlasting presence; through Christ, our Saviour, the Redeemer of the world. Amen.

**THOUGHT FOR THE DAY**

The foundation for Christian living is laid in the home.

**LIFT A CHILD**

*...and hold him above you.*

You don't expect a child to stand toe to toe with a man. You lift a child . . . and hold him above you.

You don't expect a child to understand fully what is right and wrong.

You don't expect a child to comprehend every spiritual ideal.

You don't expect a child to sense instinctively the constant concern of God in his life.

You lift a child . . . you give him the opportunity in his Church and in his Christian home to gain moral and religious insights.

And you hold him above you . . . dedicating your own time and strength to your Church so that you and your child can find together the spiritual foundation on which men should build their lives.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Colossians	3	1-3
Monday	Psalms	24	7-10
Tuesday	Proverbs	4	1-6
Wednesday	Proverbs	4	7-13

## Standardized Grade For Local Students

The Muleshoe School Board approved a new grading system for grades 7 through 12 at their last meeting.

While the system is not entirely new its major function is to standardize the grading methods of the various teachers and schools thereby providing greater accuracy in evaluating the work of the student.

The lowest mark that may be considered passing is 65. Sixty-five may be used for a passing grade, but will not be recommended for college.

No grades will be recorded between 59 and 64. The grade will be either 59 or 65. Failing grades are to be recorded between 50 and 59. However, the correct raw score will be kept in the teachers' grade book. If the grade is failing and below 50 it will be recorded as 50 and circled on the permanent grade record.

The board also set up a standard system for arriving at six-weeks grades and semester grades. In this system the daily grades will count

50%. At the teacher's discretion, any project such as notebooks, etc., may count in this 50%. Weekly tests will count 25% and six weeks examination will count 25%.

To arrive at semester grades the three final grades for the six weeks periods and the semester test grade will be averaged. Yearly grades will be arrived at by averaging the two semester grades.

If a student is absent one day he will be allowed 5 days in which to make up work missed.

In an absence of more than one day make-up work will be left to the discretion of the teacher. All incomplete work left at the end of the year must be made up before the beginning of the Fall Semester or become failures.

Report cards will carry numerical grades such as 70-85-90, etc.

## Lazbuddie News Letter

by Penny Grusendorf

Mr. and Mrs. W. R. Broadhurst left Wednesday for Oklahoma City where they plan to live. Jimmy Broadhurst will stay with Cooper Young until mid-term, then he will go to live with his parents there.

Those having birthdays this week are:

Bobby Rigney, Jan. 1; Glenda Tanner, Jan. 2; Eddy Herrera, Jan. 3; Beverly Smith, Jan. 5; Mrs. Jess Pendergrass, Jan. 6; Ragelia Salinas, Jan. 7; and Lajuana Teague, Jan. 7.

We wish all of these a very Happy Birthday.

Mr. and Mrs. Otto Dehn of Los Angeles, Calif., are visiting in the home of Mr. and Mrs. Frank Hinkson and family.

Mr. and Mrs. Dee Chitwood and family spent a ten day trip to Port Isabel and Mexico. They drove around, fished and just leisurely enjoyed themselves.

Mr. and Mrs. Charlie Glover went to Wofford and visited with Mrs. Glover's aunt and uncle, Mr. and Mrs. B. S. Tucker.

Mr. and Mrs. Charlie Glover, daughter and husband, Mr. and Mrs. Billy Chester and daughter, moved to Hub over the weekend.

Mr. and Mrs. W. M. Parham of Merkel spent the Christmas holidays with E. A. Parham and family of Lazbuddie.

Mr. and Mrs. T. R. Smallwood and family of Wilcox, Ariz., who are former residents of Lazbuddie, have been visiting relatives and friends from Muleshoe and Lazbuddie during the Christmas holidays.

Mr. and Mrs. Paul Zahn of Lazbuddie attended the wedding of her niece, Sally Jo White and Mr. Lee Ward of Midland on Thursday, Dec. 29.

Joe and Toni Pattie of Amarillo spent Christmas week-end visiting Toni's parents, Mr. and Mrs. L. F. Bruns and his parents, the Patties of Muleshoe.

Over the Christmas holidays, Mrs. Beatrice Montgomery of Littlefield and Mr. and Mrs. Woodrow Montgomery and daughters of Abilene visited in the A. M. Bradley home.

Home visiting over the holidays from college are: Carroll Littlefield, ENMU; Geraldine Broadhurst, ENMU; Gerald McGehee, ENMU; Glenda Robinson, Texas Tech; Derrell Jennings, Texas Tech; Butch Ryder, Texas Tech;

Dean Watkins, Texas Tech; Smitty Lawrence, Texas Tech; Jo Don Gallman, Texas Tech; Dennis Nelson, Texas Tech; Donna Redwine, West Texas State; Katherine Smith, Texas Christian University; Clifford Hugg, ENMU; Jerry Koelzer, ENMU; and Maudine Barnes, Hardin-Simmons.

Sam Bradley, son of Mr. and Mrs. A. M. Bradley, phoned home Sunday night from Amarillo, where he's been staying in the VA Hospital. They left Monday for a hospital in Denver, Colo.

Mr. and Mrs. Harvey Lesly and family of Dallas, are moving to Clovis, N. M., where he will be a brick layer. He is T. O. Lesly's brother.

Mr. and Mrs. James G. Ward

## Pleasant Valley News

Mr. and Mrs. Harold Allison and children, Mrs. Oscar Allison and Mack were in Lubbock last Thursday helping Mr. and Mrs. Joe Milsap, Jr., move into their new home there. Veta and Carolyn spent the night with the Milsaps.

The 4-H Club had a New Years Party Saturday night in the Community Center, from 9 until 12. Several games were led by Sheryl Stevens and Veta Allison. Refreshments were served to the members and the adult leaders, Mrs. Harold Allison, Mrs. T. E. Bills, Mr. and Mrs. John W. West, and one guest, Connie Glascock of Earth, by Brenda Bills and Carolyn Allison.

Tuesday dinner guests of Mrs. Bonnie Haberer were Mr. and Mrs. W. E. Angeley of Morton, Mr. and Mrs. Lawrence Folger and Barbara, Russell haberer, and Patsy Angeley.

At 2 o'clock, Mrs. Haberer and family went to Aspermont and visited in the John Ward home. Also they visited her parents, Mr. and Mrs. E. E. Bennington at St. John, Okla.

Mr. and Mrs. Jack Black and family went to Idabel, Okla., where they visited Mrs. Black's parents, Mr. and Mrs. Floyd Marshall.

Mr. and Mrs. L. F. Bruns went to Amarillo Tuesday to visit her daughter, Mrs. Joe Pattie.

Mr. and Mrs. L. F. Bruns met in the Jack Bruns' home on Christmas day. All of the Jack Bruns family and grandchildren met. They exchanged gifts and also ate Christmas dinner.

Morris Bruns went back to Lubbock Sunday, where he will resume his teaching position at Snylie Wilson Junior High. Morris spent the holidays at home with Mr. and Mrs. L. F. Bruns.

had open house honoring the Folgers. The table was laid with a lace cloth with silver and crystal appointments. Guests were Mr. and Mrs. J. H. Angeley, Ilene and Jodie, Mrs. E. K. Angeley, Mr. and Mrs. Russell Haberer and daughter, Jennifer and Bobby, Rex Angeley, Mrs. Oscar Allison, Mrs. Harold Allison, Mr. and Mrs. Marshall Kelly, Tracy Angeley, and Stanley Sortland.

Mr. and Mrs. C. W. Calhoun and children spent the holidays in Midland and Monahan.

Guests in the Elmo Stevens home Saturday night were Mr. and Mrs. Gene Winghamam and Don of Muleshoe, Mr. and Mrs. John Rainwater, and Jim of Culver City, Calif.

Mr. and Mrs. Harold Allison and children went to Hagerman, N. M., Sunday to visit relatives.

Mr. and Mrs. Roland Stevens are visiting her mother in Houston this week.

Mr. and Mrs. Buddy Pool of Amarillo spent New Years Eve with her parents, the Oscar Allisons.

## H-D Club Clatter

### MAKE THE MOST OF CLOTHING SALES

Many stores are featuring sales of winter fabrics, winter dresses, and suits and coats. The careful shopper can make the most of these special prices to fill gaps in the wardrobe or add some needed pieces.

Here are some tips for analyzing the situation before you buy a certain fabric or clothing item on sale or otherwise:

1. Keep your total wardrobe in mind. Buy only those items that fit in with your budget, color plan, accessories and activities.

2. Consider lines, color and texture of the garment. Are they really suited to your type? Are they extreme or

high fashion — likely to look wrong next season?

3. Look at the label carefully. Get as much information as possible in care and cleaning.

Other suggestions for stretching clothing dollars are given in the extension bulletin, "Wardrobe Dollars and Sense". Principles given in the publication apply to all members of the family.

Ask for a copy of the bulletin from my office.

The vogue for knitted garments is gaining. Never before has the consumer been able to find such a wide assortment of knitted dresses, sweaters, suits and even coats.

Time was when sitting-out and bagging were definite problems in knitwear, but modern construction methods have banished these drawbacks. However, your knit wardrobe does deserve special care if it is to give you continued satisfaction.

To avoid snagging, do not use pins on knit garments either to hang them up or as a decorative accent. It's also a good idea to remove jewelry and eyeglasses before pulling knitted garments over the head. If at any time you note a snag has developed in a knitted garment, use a crochet hook to pull the loop through to the wrong side.

Be sure to air knitted garments after wearing. To store them, fold the garments and place in a large drawer — do not hang on a hanger.

If you have a two piece costume, shift and adjust the skirt in wear, is possible, to avoid sagging in the seat. Taffeta slips or half slips give added body and support to knit garments.

Plan for regular cleaning of knits. When badly soiled, they are more difficult to clean. To do the cleaning at home be sure to follow the washing instructions carefully, and at all times support the garment in both hands to avoid stretching.

If your knitted clothes are to be commercially cleaned and blocked, take the original measurements and give them to

your cleaner or discuss any changes with him.

## First Meeting of New CofC Board

New Chamber of Commerce president, Robert Alford, will preside at the first meeting of the Board of Directors for the new year on January 9.

The program of work for 1961 will be presented to the directors for approval and the 1961 budget will be presented.

New directors who will meet with the board for the first time are: Harold Allison, Bill Wimberly, Frank Ellis and James Jennings.

Other new officers are Norman Thomas, V. P., and Roy Whit, Treasurer.

Alford has named committee chairman and members. These have received copies of the program of work relating to their committee assignments. As soon as the program is approved by the Board of Directors the committee chairmen began calling their committee meetings.

# NOTICE! TO PARENTS Of School Age Children

The school census is being taken during the month of January this year. All children who are six years old or before Sept. 1, 1961, but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank on or before January 21 you are being overlooked and should do one of the following:

1. Phone Supt. Neal Dillman at Phone No. 3-3890 or the School Tax Office, Phone No. 5100 and ask for a census blank.
2. Call in person at the School Tax Office and get a census blank and fill it out.

Remember, if your child will be six years old next Sept. 1st, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older on next Sept. 1, he should be counted now. All children from six to 18 should be counted. The 6-year-olds who start next September to school are the ones most often overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

On back side of Census Blank, please list all children in your family Under 6 Years of Age, giving month, day, and year of birth. This will give us more concrete information on long range school planning.

DON'T WAIT 'Till February 1st To Turn Your Blanks In — As That Will Be Too Late!
