One Win Boosts Mulettes Into Bi-District Play Offs

"Our team has shown fine morale and hustle this year. If they continue our chances of winning District championship are very favorable," said Coach Louis Powers last week in reference to his varsity girls basketball team.

The Mulettes stand undefeated in conference play and only have two more games to play. The first of these will be with

Morton Friday night, February 10, and the second will be with Olton Tuesday, February 14. The Olton game will be the last home game of the season.

To be district champs the Mulettes only have to defeat one of these teams. In conference play they have twice beaten Lockney, Floydada, and Abertamy. They have won one game against Morton and one against Olton.

If the girls win either of the forthcoming games and become district champs they will then play the Dimmitt girls to become bi-district champions.

Powers lists as his starters for the Morton and Olton games forwards: Janie Sanders, senior; Trudie Davis, junior; and Mary Wedel, junior; Guards: Linda Gillis, senior; Brenda Melson, junior; and Donnie King, sophomore.

Reserves on the Mulette squad are: Donna Guinn, senior; Lee Inman, junior; Kay Thomson, junior; Melba Burhman, junior; Linda Bartley, junior;

Georgia Hall, junior; Mary Beth Bowling, sophomore; Marilyn Green, sophomore; Roxanna Hart, sophomore; Dianne Chappell, freshman; Lola Harrell, freshman; Ronda Wagon, freshman; Mona Rucktashel, freshman; and Linda Pearson, freshman.

As things now stand it appears the Mulettes are about to bring home the first district win for Muleshoe since 1955 so let's back them all the way.

Don't forget the game dates, Morton, February 10 and Olton, February 14, in the MHS gym.

District Court and Grand Jury Meet

The Bailey County Grand Jury met Monday, Feb. 6 to consider 16 cases. Nine indictments were returned by the group. These included one second offense driving while intoxicated, two forgery and passing charges, three worthless check charges, and three burglaries.

Members of the Grand Jury are: Sam E. Fox, A. W. Copley, E. A. Kenley, R. E. Burhman, Robert Byrd, Carl Hall, J. V. Stancill, P. A. Altman, Vance Wagon, Harold Mardis, Cecil Cole, and Hubert Gammons. Foreman of the jury is Harold Mardis.

The 15th District Court under Judge E. A. Bills also met Monday. The court also met Wednesday, Feb. 8, and Thursday, Feb. 9.

Jury members for this session are: Archie Sowder, A. J. Wallace, T. L. Glasscock, Byron

Gunter, Mrs. Clinton Kennedy, Grey Kindle, Delbert Watson, Alvin Allison, Louis W. Scoggins, Leon Blair, Glenn Harlin, and Mrs. Virgil Nowell.

The jury was dismissed on Monday's case by Judge Bills when he decided the case was a matter of law and not a jury matter. The docket also included two other civil cases.

District Court is expected to convene again the first week in March to hear criminal cases.

Trinity Baptists Vote \$20,000 For Educational Bldg.

The Trinity Baptist church voted Sunday, Feb. 5, to accept a \$20,000 bond program for the construction of a new educational building.

The bonds will go on sale March 6, according to Troy Walker, pastor, and will be issued in denominations of \$100, \$250, \$500, and \$1,000. The bonds, being handled by the Providence Bond Co., will pay 6 per cent interest. Bond sales are under the direction of Troy Denton.

The building was planned and designed by a committee of church members and Wylie Bowers prepared the blue prints. The 2400 square foot building will be constructed of white brick similar to other buildings already on the church grounds.

YOUNG FARMERS CHAPTER WILL MEET FEB. 13

The Muleshoe Young Farmers Chapter will meet Monday, Feb. 13, at 7:30 p.m., in the Muleshoe High Agriculture Building.

Speaker at the meeting will be Delbert R. Langford from the High Plains Research Station at Hall Way. He will speak on fertilization of cotton, corn, grass sorghums, castor beans, and soy beans. He will also discuss cultural tests on cotton and corn.

Anyone interested in joining the organization is welcome to attend.

Only 1561 Poll Taxes Paid Here

Bailey County has about 2800 qualified voters, people who meet all the qualifications for voting in elections, if they pay their poll tax.

Of 2800 people eligible to vote, only 1561 saw fit to invest \$1.75 for their 1961 poll tax.

Last year, 1960, 2500 voters paid their poll tax in Bailey County. This was a presidential election year of course and one expects more poll taxes to be paid at that time. But why should one expect this sort of thing? Elections this year in Bailey might include bond elections which would mean money directly involving the people who failed to pay their poll tax. There will be an election to fill Lyndon Johnson's Senate seat. Any number of local or state elections could crop up, things that one might be strongly in favor of or strongly against, but without a poll tax receipt you have no voice whatever in these elections.

It's too late now to buy your poll tax and next year with a gubernatorial election coming up, we feel sure there will be another big turn-out. However, let's not forget 1963, another off year.

Pay your poll tax every year and have a voice in your local government as well as your national government.

School Make-Up Day

Muleshoe Schools announced this week that classes will be held Saturday, February 11. This will be the make-up day for classes missed due to snow and ice Friday, January 27.

Green Sale Is Set Tuesday

A sale of farm tools and equipment will be held in Muleshoe Tuesday, Feb. 4. The sale will also include some household items.

Raymond Green is the owner of the items to be sold. He has been in failing health and will dispose of his farming equipment at public auction.

Col. Clayton Myers, Muleshoe auctioneer, will conduct the sale, which will be clerked by Mrs. Myers and Bob Knight. The sale will be conducted on the grounds of the Green Butane Co., here in Muleshoe.

Myers explained that the sale will not start until 1 o'clock because there are no miscellaneous items to be sold. Free coffee will be served.

ON FEBRUARY 14, Valentine's Day, as well as in the Spring, a young man's fancy turns to thoughts of love. Gary Treider, seven-year-old son of Mr. and Mrs. Melvin Treider, chooses his Valentine and she is Cheryl Gable, 8 and the daughter of Mr. and Mrs. Bill Gable. Gary thinks he's hiding that heart-shaped box of candy behind his back, but Cheryl like, all women since the beginning of time, can smell a gift a mile away. When he does present it to her however, you may rest assured she will oooh and aah and act surprised as has been the accepted female behaviour on such occasions since the beginning of time.

MHS Students Name Honor Recipients

A series of titles was passed out at Muleshoe High School Tuesday, February 7.

In a special assembly program the school named Mr. and Miss MHS, Prince and Princess of Friendship and Most Out-

standing Boy and Girl. A real Oscar or Emmy type awards program was held with sealed envelopes, stage setting and music.

The nominees for the award entered thru a large red heart onto the Valentine beaded stage to the strains of dreamy music played by M. D. Shepherd accompanied by Ann Brooks. The program was M. C'd by Kerry Moore, Muleshoe speech and drama teacher.

Mr. and Miss MHS for 1960-61 was Rodney Blackwood and Joy Autry. Runners up for the award were Rhonda Johnson, Todd Wilt, Pat Brown, and Billy Gilbreath.

Freddie Stewart and Rhonda Johnson were named Prince and Princess of Friendship for the school year. Runners up for this honor were Sandra Taylor, Rodney Blackwood, Joy Autry, and Todd Wilt.

For the first time in the history of Muleshoe High School the Most Outstanding Boy and Girl could not be decided upon. The solution was to have two boys and two girls. They were Darrell Lancaster, Robert Garlington, Virginia Hickman, and Magann Lamb. Runners up for this honor were Pat Brown, Todd Wilt, and Rodney Blackwood.

The awards presentation was presented by the MHS annual staff. Each of the winners received a trophy and the runner up received certificates.

BOB'S GROCERY HAS NEW NAME, NEW OWNERS

Bob's Grocery on West American Blvd. changed hands February 1. The business is now known as L and H Grocery.

The new owners are Ogle Lorraine and W. O. Harrell both of Muleshoe.

Lorraine was employed for 14 years by Cashway Grocery prior to opening the new business. Harrell was employed as a science teacher by Muleshoe High School until Feb. 1.

PICTURE LEFT TO RIGHT is Muleshoe's girl basketball team better known as the Mulettes. They are: Ira Lee Inman, Donna Guinn, Donnie King, Melba Burhman, Roxanna Hart, Linda Bartley, Lola Harrell, Mona Rucktashel, Ronda Wagon, Dianne Chappell, Peggy Lewis, Rita Rucktashel, Kay Thomson, Trudy Davis, and Janie Sanders. Kneeling in front of the group are Mary Beth Bowling and Linda Gillis.

Rev Edwin Hall Named Associate Lubbock Pastor

The Rev. Edwin L. Hall, former pastor of First Methodist church of Muleshoe, has joined the staff of First Methodist Church, Lubbock, as associate pastor, it was announced by the Lubbock Avalanche in its Sunday issue. He will fill a vacancy which has existed since the retirement of Dr. E. E. White last year.

A native of Amherst, he attended high school in Anton, was graduated from McMurry College in 1949, received a bachelor of divinity degree from Perkins School of Theology in 1952. He served as pastor of Muleshoe First Methodist church three years and St. Paul's Methodist Church, Pampa, five years. He completed a semester of graduate work in the School of Law, SMU, before coming to Lubbock.

He spent three months in Europe last summer, driving 10,000 miles by automobile in 18 countries and visiting many Methodist churches and institutions.

He also is a veteran of World War II services in the European Theatre.

While attending McMurry College, he was pastor two years of Blair Circuit, and while attending Perkins School of Theology, was pastor two years of Hawley-Hodge Circuit, and three at Eless Methodist Church.

He is a 32nd degree Mason and Shriner.

He will have specific responsibilities in visitation, and will represent the church at meetings in absence of the pastor.

City To Collect Delinquent Taxes Starting February 15

The City of Muleshoe has announced that a program of delinquent tax collection will be instituted on February 15. The delinquent tax roll, not including 1960, now totals more than twenty thousand dollars, about one-fourth of the total taxes levied in 1960.

Mayor Hart and other city officials have pointed out that it is unfair to expect the majority of taxpayers to pay their

owed by people who usually promptly pay their taxes. In some few cases tax bills prior to 1951 may be the result of errors and those who receive notices are urged to check their tax receipts and certificates because state law will not permit the assessor-collector to remove any bill from the tax roll unless proof of payment is presented.

Enchilada Supper February 14

The Muleshoe Band Boosters will sponsor an enchilada supper in the High School lunch room, Tuesday, Feb. 14, starting at 5:30 p.m.

Plates will be \$1.00 for adults and 75c for children. Included in the menu will be red beans, potatoes, salad, a dessert and drink.

All basketball fans are invited to eat with the Band Boosters before the Muleshoe-Olton game.

Band students and Band Boosters will be selling advance tickets.

TELEPHONE CO-OP WILL HOLD ANNUAL MEETING

D. B. Lancaster, manager of the Five Area Telephone Co-op, announced last week that the group will hold its annual meeting of members on Saturday, February 18, at 2 p.m. in the Muleshoe High School Auditorium.

COUNCIL MEETS

Time To File For Council Election

In regular session of the Muleshoe City Council Tuesday, Feb. 7, Mayor Houston Hart issued an election order calling for the election of councilmen and mayor. The election will be held April 4 and aspirants may file now.

The terms of office in the April 4 election will be one year for councilman places one and two, two years for councilman places three and four and three years for Mayor of the city.

Elections after this year will all be for three year terms.

Other business transacted at the meeting included the presentation of the 1960-61 budget and setting Feb. 21 as the date for a budget conference. The council also renewed the lease on the Country Club.

J. W. Holmes was appointed Assistant Fire Marshall at the request of Earl Ladd, Fire Chief. A routine ordinance was passed providing a method of assessment of tax and providing for penalty and interest of delinquent taxes.

Muleshoe Chamber of Commerce representatives presented an estimated Muleshoe population figure of 5021 for the year 1961. This figure is based on phone installations, water connections, etc.

A delegation from Maple presented a petition bearing the names of 80 telephone subscribers from that area requesting toll free service to Muleshoe.

The board asked City Manager, Arch March, to investigate this move. Present from Maple were Horace Hutton, Bud Warren, Dee Tucker, Roy Tunnell, Kenneth Corbell, and Jack Ferguson.

BOOK REVIEW TO BE HELD THURSDAY, FEB. 9

Fred Johnson will present a book review at the First National Bank Thursday, Feb. 9, at 8 p.m. The book is titled, "The Night They Burned The Mountain" written by Thomas A. Dooley.

The review is sponsored by the Muleshoe Study Club and the public is cordially invited to attend. Everyone will be admitted free of charge.

Ground School For Parachutists Here

Two instructors, Chet Soules and Louis Figueroa, from the Southwestern Sky Divers Club at Alamogordo, N. M., were at the Muleshoe Airport Sunday conducting a ground school for parachute jumpers.

Howard Watson and Leon Smith, both local men, completed their courses and are ready to make their first static line jumps. Five static line jumps are required before a student is allowed to open their own parachutes. These two students, along with Rick Puente, a student member of the Alamogordo Club planned to make jumps Sunday, but gusty winds throughout the day kept the wind gauge indicator jumping from 10 to as high as 30 miles per hour, never stabilizing long enough to complete a jump.

"In strict compliance with the regulations of the Parachute Club of America, no student drop will be made with winds over 8 miles per hour", said Instructor Soules.

Morgan Locker said that plans have been made to begin a Sport Parachute Center here with Soules and Figueroa as instructors, featuring complete ground school courses and instructor-student jumps, in which the instructor jumps from the plane with the student, giving him instructions during the descent, and as the student nears the ground, instruction is then taken over by the ground instructor who coaches the student as to body and feet position, preparatory to landing.

Ground schools will be conducted at the airport, while the actual jump sites will be further outside town, the exact spot is yet to be determined.

Locker began parachute training last December at Alamogordo with Soules as his ground instructor and made his first leap with Bobby Hicks. He will continue his training here.

Looking over the area, the experienced parachutists believe that Muleshoe will be an ideal spot for a Jump Center.

Sky Diving is fast becoming a very popular sport and many new clubs are being formed.

The clubs hold Invitational Jump Meets and compete for titles in air performances and spot landings.

Members of the club also participate in air search missions and parachute to scenes of disaster for the purpose of rendering first aid while mobile units are moving in.

Weather permitting, Soules and Figueroa will be at the Muleshoe Airport again this weekend to make exhibition spot jumps, and perform in the air during "free fall" on 30 second delay jumps. The 'chutists will be jumping from a Tri-Pacer piloted by Locker from an approximate altitude of 11,215 feet, and will be using a Double-T, highly maneuverable parachute.

Maybe More Snow In Week Ahead

Cosmic is looking for more snow in the week ahead, but it may be breaking up on Valentine's Day.

He calls for a weak cool front to slip through the Panhandle and South Plains Friday with little change of temperature behind it. Saturday will be a fine day and Sunday will be too.

By late Sunday or early Monday winds will pick up as a fast moving mass of air plunges south through the Plains states from the Northern Rockies.

Snow may accompany this outbreak of Northern Pacific air and linger into Tuesday.

On Wednesday, Cosmic promises sunshine and recovering temperatures with light to moderate southerly winds. The warming then should carry through next Thursday and the weekend of February 18 and 19.

The past week kept Muleshoe in a refrigerated state most of the time accompanied by light snow Saturday and snow flurries Sunday.

A check of the weather records at Judge R. J. Klump's showed the temperature to be rather cool.

Lynda Holt and Travis Spencer Marry In Bula Methodist Church

MRS. TRAVIS EUGENE SPENCER

Miss Lynda Kay Holt, daughter of Mr. and Mrs. C. K. Holt, Jr., of Bula, became the bride of Travis Eugene Spencer, son of Mr. and Mrs. Alvin Spencer of Littlefield, in a double-ring ceremony Thursday, Feb. 2, at 8 p.m. The vows were read by H. W. Kile in the Bula Methodist church.

The bride, given in marriage by her father, wore a gown of white imported chantilly lace and nylon tulle over net and satin. The dress was fashioned with a round neckline and elbow-length sleeves. Ruffled tulle insets extended from the pointed waistline into the hemline of the bouffant skirt. Her veil of French illusion fell from a lace tiara frosted with seed pearls. She carried a bouquet of Frenched carnations and stephanotis atop her satin covered Bible.

Miss Betty Holt was maid of honor for her sister. She wore an orchid embroidered linen dress that featured a round neckline that came to a V-shape in the back and long sleeves. Her headpiece was a white velvet band and orchid tulle. She carried a single stemmed white gladiola.

The bridesmaids were Mrs. Norvell Roberts of Enochs and Ilene Spencer, of Littlefield, sister of the groom. Their dresses were identical to the maid of honor.

Jeannie Holt, sister of the bride, was junior bridesmaid. She wore a white sheer cotton dress and carried a white gladiola.

The best man was Barton Spencer of Littlefield, brother of the groom. The candlelighters were J. W. Bitner and Jerry Watson of Littlefield. The groomsmen were Loyd Jacques and Luther Hill of Littlefield. Thomas Boren of Lubbock and Oren Kirk of Littlefield were ushers.

George Bahlman sang, "The Wedding Prayer", and "Whith-

er Thou Goest", accompanied by Lennell Claunch at the piano.

Mrs. Spencer and Mrs. Holt, mothers of the bride and groom wore beige two-piece suits with brown accessories. Their corsages were of white carnations. A reception followed in Fellowship Hall. Mrs. Paul Young, Mrs. F. L. Simmons, Mrs. Ivan Clawson, Mrs. D. T. Johnson, Mrs. Jim Claunch, and Mrs. Tom Bogard assisted in the hospitalities.

Mrs. Barton Spencer registered the guests. Mrs. Tommy Kirk of Levelland and Mrs. Monty Berry of Fieldton served punch and wedding cake to the guests. The serving table was covered with orchid net over white and centered with an arrangement of white gladioli.

For their wedding trip, the bride traveled in a beige and brown linen suit with red accessories. Her corsage was of red Frenched carnations.

The couple will live in Littlefield. The groom is employed with Kirk and Spencer Furniture Co.

The bride is a 1960 graduate of Bula High School and her husband is a 1960 graduate of Littlefield High School.

Out-of-town guests other than those previously mentioned were: Mrs. J. K. Morgan of Rule, grandmother of the bride.

Beverly and Carol Simmons, Mrs. Lola Kirk, Mr. and Mrs. Bud Nance and boys, Darryl Mote, Doris Eubank, Mr. and Mrs. Walter Hill, William Hill, all of Littlefield;

Donald Holt, Sharron Holt, Laquita Todd, Mr. and Mrs. Jerry Watts, Sammye Reynolds, all of Lubbock; Mrs. Elva Crank, Richard Crank and Mrs. Elizabeth Jones, Whitharrel; Mrs. H. H. Duke and Bernadette Decker, Pep; Mr. and Mrs. David Dailley and Mr. and Mrs. Oran Kirk and son, Lonnie, Littlefield.

Past Presidents of P-TA To Be Honored Guests

Past presidents of Parent-Teacher Association will be the honored guests in recognition of Founders Day at the regular meeting of the Mary DeShazo P-TA to be held February 13, at 7:30 p.m. in the school lunch room.

The program will be a panel discussion on "Time, How It Is Used".

Mrs. Horace Edwards, hospitality chairman, and her committee will serve a Founders Day Tea.

As a member of our P-TA, you will have an opportunity to meet the teachers, principal, and school officials who, thru our P-TA programs, keep us up to date on the objectives, curricula and achievements of our schools.

This is a cordial invitation to you to come join us.

M'shoe Dogs Need Good Masters

There are lots of good dogs in Muleshoe that could use a good home. They're not all curs either.

The City Dog Pound has had cockers, bird-dogs and numerous other good dogs. Dogs that lack nothing but a good owner.

All you have to do to claim these dogs is call the city pound regularly for a check on what dogs are in the pound until you find one you like. To bail a dog out requires the person claiming the dog to pay for a rabies vaccination, city dog license, and \$1 per day for the time the dog was kept in the pound. Dogs are only kept 3 days before they are destroyed therefore it is advisable to keep a close watch on the pound until you find the one you want.

A reception followed in Fellowship Hall. Mrs. Paul Young, Mrs. F. L. Simmons, Mrs. Ivan Clawson, Mrs. D. T. Johnson, Mrs. Jim Claunch, and Mrs. Tom Bogard assisted in the hospitalities.

Mrs. Barton Spencer registered the guests. Mrs. Tommy Kirk of Levelland and Mrs. Monty Berry of Fieldton served punch and wedding cake to the guests. The serving table was covered with orchid net over white and centered with an arrangement of white gladioli.

For their wedding trip, the bride traveled in a beige and brown linen suit with red accessories. Her corsage was of red Frenched carnations. The couple will live in Littlefield. The groom is employed with Kirk and Spencer Furniture Co.

The bride is a 1960 graduate of Bula High School and her husband is a 1960 graduate of Littlefield High School. Out-of-town guests other than those previously mentioned were: Mrs. J. K. Morgan of Rule, grandmother of the bride.

Beverly and Carol Simmons, Mrs. Lola Kirk, Mr. and Mrs. Bud Nance and boys, Darryl Mote, Doris Eubank, Mr. and Mrs. Walter Hill, William Hill, all of Littlefield;

Donald Holt, Sharron Holt, Laquita Todd, Mr. and Mrs. Jerry Watts, Sammye Reynolds, all of Lubbock; Mrs. Elva Crank, Richard Crank and Mrs. Elizabeth Jones, Whitharrel; Mrs. H. H. Duke and Bernadette Decker, Pep; Mr. and Mrs. David Dailley and Mr. and Mrs. Oran Kirk and son, Lonnie, Littlefield.

THE GIRLS PICTURED ABOVE are no longer Brownies. In a brief Fly-Up ceremony held recently at the Country Club, the girls received their Girl Scout Pins and Fly-Up Wings. They are wearing their Girl Scout uniforms for the very first time.

STANDING AROUND the table, left to right, are Kerma Nickels, Karen Parks, Connie Julian, Doris Horsley, Pam Pacobs, Renee Dyer, Vickie Henexson, Shelia Harvey, Jean Haskins, Gerri Hardy, Carla Ellington, Gelnda Calhoun, Karla Lovelady, Charlotte Davis, Cindy Smith, Druscilla Damron, and Denise Doss. Pictured with the girls are their leader, Mrs. Bob Jacobs, and assistant leader, Mrs. George Haskins. The Girl Scout colors, green and yellow, were used in the decorations. Refreshments were served by Mrs. Karl Lovelady and Mrs. Ray Hardy. (Journal Staff Photo)

The members decided to donate to the district project, which is the National Kidney Foundation in Dallas.

The progressive dinner will be served in the home of Jo Santos Feb. 21 at 7 p.m. The drawing for the apron, with \$21 in the pocket, will be held Valentine's Day.

Refreshments of sandwiches, cookies, Cokes, and coffee were served to Helen Krebbs, Evelyn Johnson, Vickie Young, Anna Copeland, Ann Alford, Jean Gillespie, Laura Bartlett, Jo Santos, Marlene Martin, by the hostess, Johanna Wrinkle.

Mrs. Bryant Is Hostess For Club Feb. 7

The Progressive Home Club met in the home of Mrs. E. T. Bryant Tuesday, Feb. 7, at 2:30. President Lois Norwood called the meeting to order.

The business meeting was reading and voting on the constitution and by-laws which was read by the secretary, Caroline Hamilton. Lola Bryant was elected the club treasurer.

Mrs. Gladys Barnhill gave a program on making smoked pillows.

After the meeting, delicious refreshments were served to 11 members and two visitors, Mrs. Ella Wakefield and Mrs. Lena Ruthhart.

The next meeting will be in the home of Mrs. Vera Engeling Feb. 21.

STOP IN MULESHOE
Mr. and Mrs. Bits Holt of Durango, Colo. came through Muleshoe Wednesday, Feb. 8, on their way to Waco to see their daughters, Kay and Susan who are going to school at Baylor University. The Hols are former residents of Muleshoe and stopped in the Journal office for a chat.

MRS IVY IS HOSTESS FOR TEL CLASS

Mrs. Eva Ivy was hostess for the TEL Sunday School Class of the First Baptist church Tuesday, Feb. 7.

The meeting was called to order by the president, Myrtle Alsop. Maude Harvey gave the opening prayer.

Lucille Perkins brought the devotion. The theme was "Everlasting God", followed by prayer by Bessie Holland.

The ladies will quilt next Tuesday, Feb. 14, for a needy family.

A delightful social hour was enjoyed by everyone. Refreshments were served to 14 members, hostess and co-hostess, Rose Allen.

CARD OF THANKS

The family of Mrs. Eva Tiller wishes to express their appreciation for the beautiful service in song, the food, the flowers and the many other kindnesses so numerous to mention at the passing of our beloved mother. We can think of nothing left undone or of anything that we would change in the way that you helped us in our time of sorrow.

May God bless each of you.

Family Night was observed Wednesday night, Feb. 1, at the Y. L. Church. Everyone enjoyed a good supper.

Group singing for every one, was participated in. This feeds the physical and spiritual needs of the human soul.

The evening was closed with prayer by Mrs. Loyd Quesenberry. The youth group was in charge of the activities for the night.

Mrs. Jessie Lewis was taken to the hospital Thursday, Feb. 2. She is reported to be improving very well at this time.

Mr. and Mrs. Loyd Quesenberry observed their 40th wedding anniversary Sunday, Feb. 5. They enjoyed the day very much. Their cake was baked by Mrs. Kie Quesenberry, their new daughter-in-law. It was a three tiered cake with white icing and red roses setting off the tiers, and their number of years was represented by 40 on top of the cake, and 40 red roses.

Mr. and Mrs. Leon Lewis were visiting in Oklahoma this past week. They visited Mr. and Mrs. Archie Gottschall and Mrs. Pearl Lowe in Frederick. She is Mrs. Lewis' sister. They then went on to Duncan, where they visited Mr. Lewis' uncle and family, Mr. and Mrs. Henry May. They then went to Ringling and visited another uncle and family, Mr. and Mrs. Dotis May, who has been ill and is recuperating at the present time.

The MYF of the Y. L. church were in charge of the Sunday evening services on February 5. They filled the choir and pulpit. Also had special solo. Those filling the pulpit were Sharon Millen, "The Needs of the World Today"; Rita Read, "How to Meet Those Needs"; Marvin Knowlton, "How the Church and I, As A Christian, Can Meet Those Needs";

Mary Lon Read sang a special with Zena Millen accompanying her at the piano. Glenn Head gave the opening prayer. The pastor, Rev. D. C. Read gave a prayer of Blessing for the youth of our church and country.

Sharon Knowlton gave the closing prayer. The pastor presided over the service. The youth had a reception after the service, for those attending the evening services.

The Shining Light Subdistrict meeting of the MYF of the Plainview district is to meet at the Y. L. Methodist church Sunday evening, Feb. 12 at 2 p.m. We hope to have a large crowd from neighboring towns.

The MYF will have a Valentine party February 14 at the Fellowship Hall at 7 o'clock. Those in charge of the games are Sharon Millen, Rita Read, and Sharon Knowlton.

Those in charge of the drinks are Marvin Don and Douglas Knowlton. The sponsors will be Rev. and Mrs. D. C. Read.

The WSCS of the Y. L. Methodist church are having a salad supper for the community Wednesday night, Feb. 8. All proceeds will go for new folding chairs for Fellowship Hall.

Mr. and Mrs. Kenneth Powell were home from Canyon Sunday, Feb. 5, to visit their families.

School Board Meets, Announces Election

The Muleshoe School Board met February 6 at the school administration office. They discussed the needed repair of roof and ceiling at Hill-Top School and appointed a committee from the board to inspect the problem and make future recommendations.

They voted to make up the day of school lost recently, because of the snowstorm, on Saturday, Feb. 11. There were less conflicts on this date than any other Saturday in the near future. The board felt it was better to make up the day during the current six weeks period because of attendance records, lesson planning and other scheduling problems.

The mandatory retirement policy of certified school employees was discussed and clarified. All teachers and administrative personnel who reach the age of 65 on or before September 1 of a current school year will automatically be retired from employment with the Muleshoe Independent School District.

The Board authorized the requisition of three new school buses, for the coming year, through the State Board of Control. One 60 passenger, complete, one 48 passenger, complete, and one 48 passenger chassis, will be purchased to replace worn out units now operating.

The Board of Trustee election was set for Saturday, April 1, 1961. Applications and loyalty oaths must be signed by candidates in the School Administrative Office 30 days before the election. Ernest Kerr was appointed election judge. Further details will be published later. The resignation of Mr. W. O.

Harrill, High School Science teacher was accepted by the Board. Mr. Harrill is going into private business.

The Board approved contracts for new teachers: Mr. Coltrane, High School English; Mrs. Amoret Brooks, 6th grade DeShazo, and Mr. Marion Harris, High School Science.

Supt. Neal Dillman's contract was renewed for 3 years. The Board will consider new contracts for principals, coaches, and special personnel at the next regular meeting. Contracts for teachers will be considered during the latter part of March.

The board discussed the possibilities of assessing and collecting personal property taxes that have not been rendered. The action was tabled for further study and investigation.

They turned down the request by the Farwell newspaper to sell advertising for a FFA special paper for FFA week, which is February 20-25.

They also authorized the purchase of new high school hand uniforms for delivery next August. The total cost will be divided equally between the Band Boosters and the Muleshoe Schools.

Compulsory attendance was discussed and was decided that all chronic violators would be reported to the County Court for investigation.

My Thumb Is Green

The State Tree of Texas is the pecan tree which provides cooling summer shade most of all and throws in delicious edible nuts too.

The pecan tree is a fast growing tree, but also has a remarkably long life. It develops generous branches of overall balance, gives luxuriant shade, and as an added bonus, bears a generous amount of tasty pecans.

Pecans grow well in our alkaline soil. Leaves appear late in the spring so that frost damage is rare.

Tree care for pecans is of a different nature. Its branches are exceptionally balanced and seldom need pruning. However, spraying is generally required at least in the spring.

Pecan tree pests will be a bother if one does not spray at least early in the growing season.

Extensive Damage To Kemp's Auto

The Muleshoe Volunteer Fire Department raced to Birch St. just outside the city limits Tuesday morning, Feb. 7, to extinguish fire in Don Kemp's car. Kemp had a flat tire and pulled to the side of the road for repairs. While he was away having the tire fixed the car caught fire. It was reported by an unidentified passerby.

Fire Chief Earl Ladd speculated that a smoldering cigarette may have started the blaze. Kemp was delivering newspapers at the time, and Ladd stated that they caught fire adding considerable fuel to the blaze.

Kemp had no insurance to cover the extensive damage to his car.

BAILEY GINNERS PUT AT 88,412 BALES

4-H Achievement In Parmer County

The annual Parmer County 4-H Achievement Program will be held Saturday evening, Feb. 11 at 7:30 p.m. in the Oklahoma Community Center. Twenty-one 4-H club boys and twenty-five 4-H club girls will receive awards medals for their 1960

projects and activities. Loyde Brewer, County Judge will present the awards to these 4-H members along with eighty-eight other 4-H club boys and girls who will receive year pins for having completed their 4-H programs last year.

Parmer County Farm Bureau News

Attending a District II meeting of Farm Bureau leaders in Lubbock on Tuesday of this week were Herman Geries, Ernest Kube, F. D. Carter, Donald Christian, Raymond Schiamps, Vernon Symcox, and M. T. Glasscock. The subjects to be discussed were National Cotton Council, Domestic Labor, Foreign Labor, Rights of Farmers in case of Labor Strikes, Sugar Beets, Membership and other business. We are glad for this good representative group of Farm Bureau men from Parmer County.

If you would be interested in browsing through Congressional Records of this session, we have them stacked in the front section of the office where there is a good seat for you to relax and read if you like.

"The way to destroy capitalism is to debauch the currency. Through a continuing process of inflation, a government can quietly and unobviously confiscate the wealth of its citizens". This quote is from Karl Marx and we quote it for the serious consideration of a few friends we have heard say they don't exactly like inflation, but that it is pretty good in some ways.

Farm Bureau directors voted this week to solicit and use funds received to place bids on livestock at the Parmer County Fat Stock Show in March, as they did last year. Discussion centered around the fact that such bidding helped sale of the animals and provided the producers the incentive of more premium money in appreciation of their effort in raising quality livestock.

Vice-President Donald Christian made a report on the statewide Farm Bureau Membership meeting he attended in Abilene last week. He told directors that he inspired about a rumor that Farm Bureau was opposed to the sugar beet program being promoted in the state, and was shown that Farm Bureau policies favored, and had favored increases of the domestic sugar beet acreage for several years.

CONSIDER THIS: An angry man stirs up strife, and a furious man abounds in transgression. Proverbs 29:22.

Before each 4-H boy or girl is eligible to receive the awards medals and pins, he or she must have turned in a record book, presented a demonstration or showed his or her project at a show, have completed the project, and be active in the county program.

A movie "Unclaimed Frontier" will be shown along with slides of 1960 4-H club activities of local 4-H club boys and girls.

County Extension Agents Miss Ettie Musil and Joe W. Jones have stated that parents, friends, and all 4-H club boys and girls in the county are invited. Refreshments will be served following the awards program.

Boys and girls who will receive awards medals are the following:

Agricultural - Tommy Tatum, Richard Chitwood, Gerald Foster, Loyd Broadshaw.

Soil and Water Conservation - Terry Parham.

Beautyification of Home Grounds - Bruce Billingsley.

Beet - Buddy Embry, Bobby Redwine, Eddie Wood, Steven Young, Charles Shuk.

Nitrogen Boosted Castor Bean Yield

In the castorbean fertilizer test a split application of nitrogen, totalling one hundred and fifty pounds, produced the highest yield and net return at the High Plains Research Foundation at Halfway.

The split application consisted of 100 pounds actual nitrogen before planting and 50 pounds nitrogen sidedressed. Using this treatment, 2,050 pounds of castorbeans were produced. This yield was 501 pounds higher than the non-fertilized castorbeans. The increased net income from this method was \$15.20 per acre.

Of the nine fertilizer treatments, the next highest profit came from a preplant application of 50 pounds of nitrogen. This produced 1,838 pounds of castorbeans per acre, an increase of 303 pounds, at a net profit of \$12.21 per acre over the non-fertilized.

There was no increase in yield from phosphate applications. Details of the test are in the bulletin by Delbert Langford, Associate Agronomist, who conducted these tests.

Holy Season of Lent To Begin February 15

The Holy Season of Lent, a forty day period of preparation for Easter, opens for Catholics throughout the world on Ash Wednesday February 15.

"LITTLE RED STOOL" CAUSES DISLOCATION Mrs. Lela Allison, manager of Muleshoe's Haydon's Shoe Store, fell to the floor last Saturday while attempting to get some shoes from a high shelf for her customer.

The customers were awestruck as Mrs. Allison lost her balance and fell and one was heard to cry, "Call an ambulance".

Mrs. Allison thought sure her arm was broken but upon examination at West Plains Hospital she learned it was only dislocated.

"That darn little ol' red stool", is what Mrs. Allison was later heard mumbling to herself.

Texas Deaths Up 7 Per Cent Over 1959 Figure

Texas deaths during 1960 showed the most substantial increase in 25 years according to provisional estimates compiled by the State Health Department's Records and Statistics Section.

Deaths for 1960 were seven percent above the 1959 figures with comparative death rates of 821.2 per 100,000 population for 1960; and 782.9 deaths per 100,000 for 1959.

Over two-thirds of the increase in Texas deaths occurred during the first three months of 1960. This was during the peak period of last year's influenza outbreak.

Health Department statisticians point out that during the first three months last year, there were significant increases in the number of deaths from influenza, pneumonia, and heart diseases over the corresponding period during the previous year.

Because of the rapidly increasing number of elders in the State population, Texas authorities were not alarmed at the sharp rise in Texas deaths reflecting the overall trend for the entire United States during 1960, including the startling increase experienced during the early months.

Still the number-one killer, heart disease, accounted for 26,000 of the total 79,000 deaths in Texas during 1960.

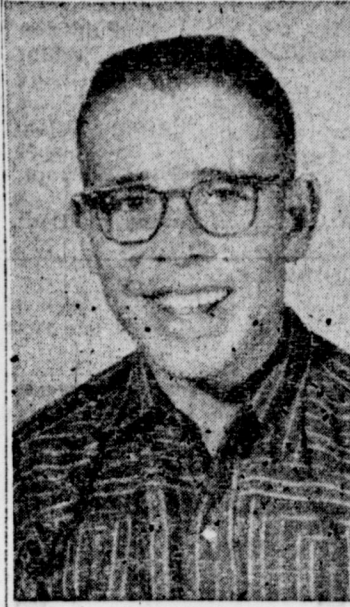

In second place on the 1960 statistical sheets, was malignant neoplasms (cancer), which claimed over 11,000 Texas lives.

On the credit side was the noticeable drop in the motor vehicle accident death rate from 26.8 per 100,000 in 1959 to 24.5 per 100,000 population in 1960. All other accidents showed a slight rise in the death rate over the preceding year.

While the total number of live births for a single year was the second highest in history, the birth rate continued its slight decline over the past few years.

There were nearly 249,000 live births in 1960. However, there

MYKE MURRAH

Myke Murrah has a pen of five commercial steers to be shown at the Houston Junior Livestock Show the first week of March. Myke is a member of the Muleshoe Chapter of FFA and is supervised in the project by Jerry Adams and Bill Bickel, Muleshoe Agriculture teachers.

These calves are native to Bailey County and were purchased from a local rancher in late September. After a short period of conditioning, they were placed on rations of home-grown feeds and a commercial-prepared protein supplement. They have gained nicely and will be in good condition for the forthcoming show.

It is pointed out that this is the first time since 1945 that 7,200 infant and 4,200 fetal deaths during the same period.

a commercial steer feeding project. The aim is not to produce an extremely fat animal but a good quality beef that will fill the demands of the average consumer. All calves in this contest will be graded individually according to market standards and will be sold to buyers at the commercial livestock yards in Houston. There is a nice cash premium for each calf paid according to his market grade. There is no championship class.

Each boy, to be eligible for this commercial steer show, must enter a feeding records contest. He must submit detailed records with supporting evidence of his feeding project, and must submit a written narrative of his project and must take both a written and oral examination concerning his project.

The awards in this contest are considerable and are based on the performance of the boy as well as on the steer. Myke will leave for Houston the 26th of February with high hopes of bringing some of this money back to Bailey County.

ARE WE REALLY AT PEACE? by Paula Baker
Are we really at peace? Yes, you may say is the answer to this question but, what about peace on the roads?

From 1775 to 1953, one million, one hundred and thirty thousand, three hundred and ninety three Americans died in wars. Here are statistics of death from wars:

Revolutionary War, 4,435.
War of 1812, 2,360.
Mexican War, 15,285.
Civil War, 629,332.
Spanish-American War, 2,446.
World War I, 116,463.
World War II, 407,828.
Korean War, 54,246.

From 1900 to 1959, one million, three hundred and two thousand, five hundred and two Americans died in traffic accidents. These figures are from the Texas Department of Public Safety.

How can we improve this, you ask? Well that would stop traffic accidents, but if we follow a few common rules it would help.

Aim high in steering, depend chiefly on your lower fringe vision. Get a big picture, use your fringe vision and central vision. Keep your eyes moving, a fixed stare at anything can get you into trouble, especially if it's a habit. Make sure the other drivers see you, get in the correct lane, give an advance signal, and check your mirror. Leave yourself an out, this is one of the most important things in good driving.

Now answer the question again. Are we really at peace?

BABSON ADVISES HOUSEWIVES TO BUY NOW

Babson Park, Mass., Feb. 9.—For forty years I have been comparing monthly retail prices for household goods. With the exception of the war years, these retail prices have always been lowest early in the month of February.

REDUCING INVENTORIES BY MERCHANTS

The efficient merchant dislikes to carry any merchandise more than a year. The McCro Corporation, which has over 400 retail stores in about the same number of cities covering close to forty states, marks everything down to zero which has not sold during the year.

Bankers do not like to loan on inventories which are over a year old. They fear that changes in styles or colors, or some other price factor, may be very serious. All of this means that wise merchants have truly "marked down" sales in the early part of each year.

BEWARE OF SOME

JANUARY MARKDOWNS
Markdowns are advertised directly after Christmas, but often do not begin until January. The goods chiefly pressed for sale are white goods, which include sheets, pillow cases, blankets, drapes, spreads and rugs. Some of the stores will have big markdowns of dresses and lingerie for misses and grownups; also of boys' sports jackets and sweaters, which are usually overstocked. Nylon stockings are being offered at ridiculous prices. But be sure to save the labels until after your goods are washed.

Some years housewives can get real bargains in January; but usually women are short of cash so soon after Christmas and do not buy too much at that time. In the meantime, every merchant is carefully watching his January sales; if these are not good, he puts on real markdowns in February. Hence, we are now in the month when careful housewives will stock up on household needs.

BUYING ON CREDIT

I was brought up to pay cash and my family continues the habit. But the housewife may be justified in asking for credit to buy at these real February markdowns. It is much better to get this credit from the store at which you trade

than to borrow at a high rate of interest from some "Finance" or "Small Loan" company. Tell the store's credit manager that you want to take advantage of the February markdowns, and will pay something each month. I am sure you will have no trouble; but if you do, go to another store. The prices are usually the same in all good stores.

TELEVISION AND AUTOMOBILES

The markdowns apply to more than household needs; they apply also to TV sets, radios, and automobiles. Second-hand cars sell highest in May and lowest in December. Hence, the best time to turn in your old car for a new car is not just now. Wait until the robins get north again and the tulips begin to bloom! These markdowns of all merchandise should be talked over between husband and wife. In fact, women as a rule, are better buyers than men.

"COME-ONS" AND BETTER BUSINESS BUREAUS

Supermarkets do not advertise "markdowns," but they do advertise even nationally known products as "2 cents less" than the standard price. Some supermarkets (and this is getting too common) will at the same time mark up 2 cents some products on the opposite side of the aisle. However, the chief purpose of these "come-ons" is to get you in the store to buy other products. If you find that some supermarkets are doing too much of this or too often, telling you "Sorry, but we are all out," then telephone the Better Business Bureau of your city which exists to protect you and the newspapers which carry the advertisements.

Readers who buy on credit should be very careful to make their monthly payments promptly. If you don't, most stores will report you to the City's Credit Bureau, which may make it impossible for you to get credit from any store in the city. In short, before any store grants a new customer credit, the store telephones the Credit Bureau to see if the prospect is on its "black list". Hence, "honesty is the best policy", both for the store and for you.

Heed Urge For Self-Preservation

SELF PRESERVATION - - when, according to Mr. Musick, a fundamental law of nature. But what happens to it when you slide behind the wheel of your automobile? This is the question posed by J. O. Musick, General Manager of the Texas Safety Association. One would have to question the validity of this "basic urge"

Today's Meditation

Read Ephesians 2:1-10

By grace are ye saved through faith; and that not of yourselves: it is the gift of God. (Ephesians 2:8.)

While I was conducting a preaching mission in a village in the United Arab Republic, a man called Yassa invited three others and me for lunch. He prepared us rich banquet at his house. He greeted us so nicely, saying, "We are greatly honored. Feel at home and help yourselves." Suddenly, his eyes were moist with tears. He hurried at once to another room and shut himself in.

As his wife saw my surprise, she stepped in and said, "I am sorry. My husband is a drunkard. He can't enjoy a meal unless he drinks. He wept because he couldn't eat with you."

A few minutes later, our host came back. He looked at me and said: "Please don't preach at me. I know more than you do what wine is. I have tried all means to overcome it, but in vain." I replied: "I am not going to preach at you. I believe every word you say. But may I just add a word? There is a power that can save you. You need not try it; just trust it: It is the grace of Jesus the Saviour. Take hold of it through faith."

He did, and won a victory.

PRAYER: Our loving Father, source of every good gift, grant us Thy gift of faith that links us with our all-powerful Saviour through whom we become more than conquerors. In His name. Amen.

THOUGHT FOR THE DAY

Faith displays our weakness with God's power.

of lives and suffering is obvious. But we are also literally robbing ourselves blind in terms of dollars, and here the bite is directly the result of how strong this urge of self-preservation really is: When claims costs go up, rates must follow.

Where does it all stop? The answer may come with public recognition that lip service to safety campaigns, slogans and platitudes won't do the job - a job that will require such action as overhauling of our Texas Drivers' Licensing laws; strengthening our highway patrol force to meet minimum standards of other states with similar population growth and road conditions; and a "No-fix-No-favor" crackdown on speeders.

In the words of Governor Price Daniel, "The legislature has the best opportunity in years to help reduce the toll from death by automobile in Texas to an absolute minimum within the next few years."

Have you talked to your legislator yet?

Highlights and Sidelights

LOAN CONTROLS URGED
Drive to enact loan company regulations got new push when the State Supreme Court made final its ruling that the "certificiate plan" for loans is not legal.

Under this plan a borrower had to buy an investment certificate from the loan firm and pay for the certificate as well as pay off the loan.

Atty. Gen. Will Wilson said it is urgent that the legislature set up a guide by which loan companies can operate legitimately. Several lawmakers have announced plans to sponsor such bills. One would allow for total charges (interest plus other charges) of 3 per cent per month on the unpaid balance of the loan.

SAND HILLS PHILOSOPHER FINDS What the Difference Is Between Russian and American Farmers

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses Russian farming this week, which takes the spotlight off his brand of farming.

I have been reading some newspaper articles lately about the Russian agricultural situation, and I have discovered what the big difference is between a Russian farmer and an American farmer.

To give you a little background on the matter, although I suppose you read the newspapers the same as I do, Mr. Khrushchev has been pretty hot under the collar lately because Russian farmers haven't been producing enough. Why in one area, despite the stream-

lined, advanced supervision by a bunch of experts telling the farmers how to plant, when the total production was added up at the end of the harvest season, it was found the area hadn't produced enough to feed itself, not to mention shipping anything off to Mr. Khrushchev in Moscow.

This came as a big blow to Mr. Khrushchev because he had been reading production reports from this area showing everything was booming and a bumper crop was being made.

Now right here is where the American farmer differs from the Russian farmer. An American farmer, you ask him, just in a casual conversation, how much he made per acre on a given crop, and he'll stretch it a little. It doesn't make any difference what section of the country he's in, if you ask him how much corn for example he made, if he's a corn-better than it was. Or his apples turned out a little better,

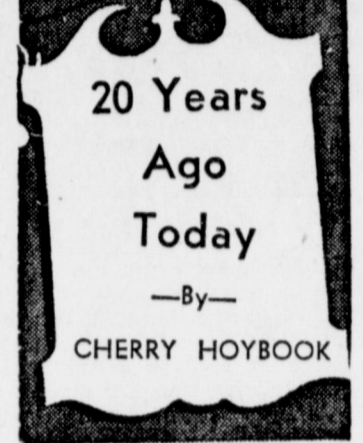

or is wheat, or his cotton, or his rice, or his calf crop, or his layers, etc.

But this is only when he's talking off the record, for neighborhood consumption. Now when it comes to telling the government, he gets out his pencil and figures it down to the actual bone, with his sales slips in front of him, because exaggeration wouldn't lead anywhere except to extra income taxes.

Now the Russian farmer, he's just the opposite. Let a neighbor ask him how much corn he made, and he'll say, "Comrade, I ain't doing no good at all, my crop is lousy," but let the government ask him, and he's liable to stretch the figures upward, because he knows from experience in Russia, it's the people's job to keep the government happy, not the other way around.

Russia is pretty good when it comes to shooting off satellites, and spreading propaganda, but when it comes to farming, so far she seems to fall short. You can't propagandize a crop, it's got to be plowed. I know, I've tried both methods.

Yours faithfully,
J. A.

1941 - MULESHOE CHILD SWALLOWED SAFETY PIN

Judy Kay Garrett, small daughter of Mr. and Mrs. Bill Garrett of Muleshoe, was taken to a Lubbock sanitarium Monday for medical examination. The little girl had swallowed an open safety pin and was thought to be in great danger. The pin was found with the open end turned up which was not nearly so dangerous as it would have been had it been turned down.

Medical treatment was given the child and the pin removed successfully. She is recuperating nicely from the ordeal.

1941 - "GONE WITH THE WIND" AT PALACE THEATRE BEGINNING FEB. 16

The famous picture "Gone with the Wind", is listed on the Palace Theatre bill here for February 16, 17, and 18. This picture is based on Margaret Mitchell's story of the old South during and after the Civil War. It is one of the most pathetic stories ever written of those days, and the book probably had the largest sale of any in modern times.

The picture, in technicolor, shows the pre-war gaiety and lavish entertainment of the planter barons; the fierceness of the defense; of the land; and at last, the struggle for reconstruction.

Doings At Muleshoe Airport Reported by Mrs. Noah Kinser

Fred Boyd, 26, of Miami, Fla., has been employed as a mechanic, pilot and flight instructor at the Muleshoe Airport. Morgan Locker announced that Boyd arrived here last week and began his duties on Feb. 1.

Boyd has attended Embry-Riddle Aeronautical Institution in Miami for the past 19 months where he took extensive training in the field of aircraft body and engine repairs for all types of airplanes. He is a licensed A & E mechanic and his services will be available to the public at the Muleshoe

Flying Service.

He also obtained both his commercial and instructors rating at Embry-Riddle. He will receive his Multi-Engine and Commercial Glider Instructors rating here under instructor Locker.

A native of Oxford, Penn., Boyd spent 4 years in the Air Force, stationed at Reese AFB in Lubbock. There he married Drusilla Hobbs, daughter of David J. Hobbs, an area insurance agent.

Mr. and Mrs. Boyd reside at the airport and will act as night attendant, turning on the runway lights for those who wish to fly at night and for tourist pilots.

Flashing red lights have been installed on top of the water tank near the West end and at

the power lines near the East end of the East-West runway. The lighting of these two obstructions will make take-offs and landings much safer for the local students who are training for night flying, and especially for pilots flying in after dark who are not familiar with the airport.

Neil Everett, former employee at the Muleshoe Flying Service who is now serving with the Army will not be away three years, as previously stated in this column, but only six months. Everett will be back and will again be employed as a Commercial pilot at the Flying Service this season.
