EXPECTING 1100 ACRES

Potato Planting Gets Going This Week

Irish potato planting in the Muleshoe area got underway this week, with prospects that acreage in the territory will be about the same as for last year.

Barrett Produce began the work of planting 350 to 400 acres of potatoes Wednesday. Pat Childress was to get started perhaps tomorrow.

Bill Millen, who annually grows about 200 acres of potatoes usually begins planting a little later, probably around the 15th.

Barretts had already planted potatoes on a Seminole farm and had planted 25 acres to onions here last week.

J. K. Adams, county agent, who keeps a pretty close tab on vegetable acreage, thinks there will be about the usual potato planting in the Muleshoe area. Last year, he said, the three potato sheds here, Millen Produce, Barrett Produce, and

Gregory Produce at Lariat, processed potatoes from about 1100 acres.

Oil and Grease Program Set March 10

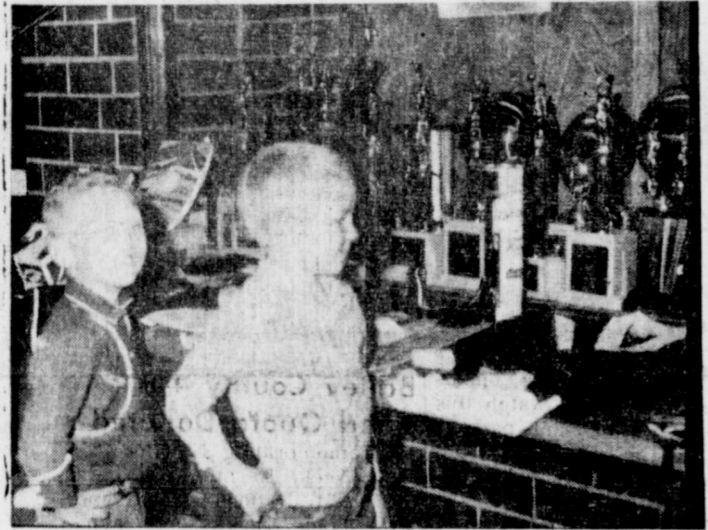

An educational meeting on oil and grease will be held here the evening of Friday, March 10, according to announcement of A. W. Kimbrel, manager of the Muleshoe Cooperative Farm Supply Store.

The meeting is set for 8 p.m. in the dining room of Leigon's Cafe and the public is invited. Donuts and coffee will be served.

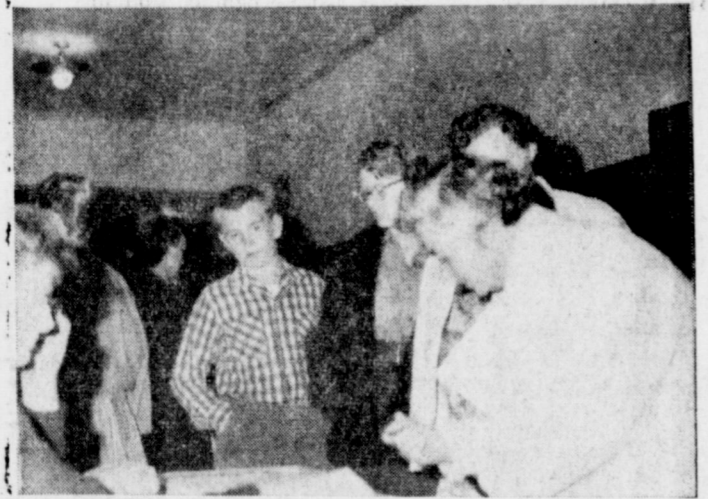

Here to lecture on oils and greases and methods of using for best results will be Lloyd Young and Roy Stewart, petroleum engineers with Southern Farm Supply, Amarillo.

Throngs Visit Their Schools

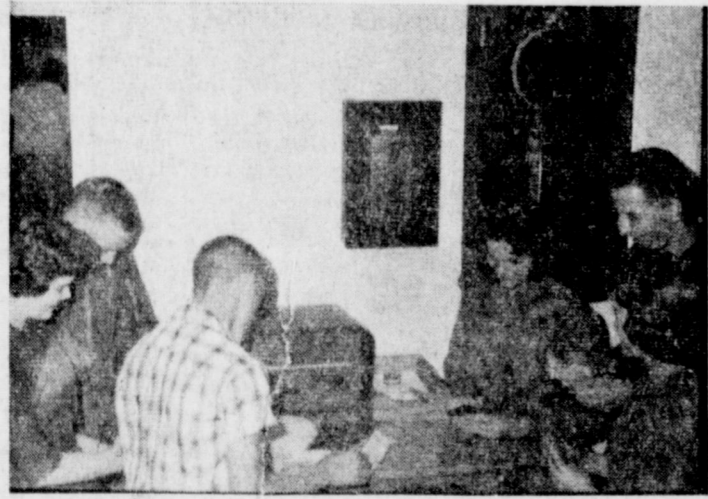

Muleshoe schools drew them in for Public Schools Week. School officials and observers agree that more people than ever visited their schools here this week.

They were interested in everything. Here two future athletes admire the collection of trophies in the High School corridor.

Visitors sign the register. This scene was a familiar sight at all five buildings.

This group admires some of the electronics gadgetry.

This picture was shot in the sewing room. Tod Wilt, High School student, shot the pictures from which these four were selected.

TELETRAINING for Business Studies. General Telephone Company has loaned this educational unit to the Muleshoe High School for training purposes. The unit is shown here in simulated usage by the Advanced Typing class of Mrs. John Miller. Pictured left is Jane Gulley, center is Albert Owen, and right Jonnie Burris.

Signs of Spring In Area Weather

Muleshoe's first good March prospect for showers amounted to only a trace last Sunday. The 1961 total still stands at 1.20.

In the week ahead Cosmic sees a chance for showers on Saturday and again on Wednesday. These will not be generally heavy, but scattered.

Sunday should be sunny and mild with good picnic weather prevailing. Monday will see Muleshoe's temperatures reaching into the lower 80's for the first time this year.

Winds will be picking up Tuesday with a chance for showers on Wednesday mostly to the south and east. Clearing and mild weather is in store next Thursday.

Adult Education Class Averaged 21

Last week brought to a close the Adult Education evening classes that have been meeting at the High School for the past 4 months. The classes were organized on October 17 when interested persons met to select the courses which they wished to be offered.

Beginning typewriting and bookkeeping were the two courses selected by the majority of those present. The two classes have been in session each Monday and Thursday evening from 7:00 p.m. until 10:00 p.m., with Mrs. Fred White as instructor.

The bookkeeping class met from 7:00 to 8:30 and the typewriting from 8:30 to 10:00. The combined average attendance for the two classes was 21. In the bookkeeping class a complete bookkeeping cycle for a service business was completed. Then a complete bookkeeping cycle for a merchandising business.

The last three weeks of the course were devoted to the study of "Payroll Taxes and Records", "Depreciation of Fixed Assets", "Disposal of Fixed Asset", and "Bad Debts and Accounts Receivable".

The typewriting class covered mastery of the keyboard and all operative parts of the typewriter, setting up of tabulated reports, business letters with carbon copies and some outlining and manuscript typing.

"These adults", stated Mrs. White, "had an interest much broader than the younger day school student. Relationships, happenings, events, and objectives within the bookkeeping course were reviewed with a degree of integration which is much different from either the student in high school or the student in college."

Elementary and Jr. High Bands To Play March 14

The 30 piece elementary band, composed of 6th graders from both schools, and the 50 piece Jr. High band will present a concert in the High School Auditorium Tuesday, March 14, at 7:30 p.m.

There will be no admission fee and everyone is invited to come hear these two fine groups of students perform.

The Elementary Band will play "Prep Parade March", "Three Gates of Gold", "Junior Prom Waltz", "Cardinal Overture" and "Twirling Batons March".

Susan Birdsod, Judy Bell and Shirley Smallwood will play a clarinet trio. These girls are members of the Jr. High Band. Other numbers to be played by the band are "Rocket March", "Blue Nocturne", "Clarithenies", "Autumn Nocturne", "Conversation for Cornet" played by Tonye Welch, and "Enchanted Canyon Overture".

VOTERS TO GET SOME EXERCISE

Elections Galore On April 4

Muleshoe voters will have the unprecedented opportunity to take part in no less than four elections here Tuesday, April 4.

They may cast a ballot for a U. S. Senator, for a city Council, on the proposition of issuing bonds to repair and maintain paved roads in Road District 1-A, and on the proposition to issue bonds to buy right of way for four-laning Highway 84-70 from Muleshoe to the Parmer County line.

Highway Widening

An election has been ordered in Bailey County to determine whether bonds shall be issued by the county in the amount of \$250,000 for widening Highway 70-84 to make a four lane highway from Muleshoe to the Parmer County line. The election will be held in the county's eight voting boxes on Tuesday, April 4.

A copy of the order of the Commissioner's Court for the election, dated March 2 may be found in other columns of this paper. The court acted upon a petition which had been presented bearing the names of Ernest Kerr and 184 others.

Ad valorem taxes would be levied on all taxable property in the county to provide for paying interest on the bonds and for a sinking fund for the redemption of the bonds.

District 1A Election

On the same day as the above election, voters of Road District 1-A will vote for or against the sum of \$85,000 for repair and improvement of paved roads in the district which are maintained by the county.

In this election, voters of Boxes 1 and 1-A, both in Muleshoe; Box 2, West Camp; Box 3, Mays; and Box 4 will cast ballots.

Absentee Voting

Absentee voting will be in order in both of these elections beginning 20 days before the election date, and ending three days before.

Senate Election

The same group of election judges and workers will be on

City Election Slate Complete

One late filing has completed the list of names for the ballot in Muleshoe's city election set for Tuesday, April 4.

Mrs. T. R. White filed for councilman, Place 3 and will oppose incumbent Lowell St. Clair for the post. The printed ballot will read like this:

For Mayor: Houston Hart.

For councilman, Place 1: Earl Harris and Arthur Crow.

For Councilman, Place 2: Horace Blackburn.

For Councilman, Place 3: Lowell Irvin St. Clair, Mrs. T. R. White.

For Councilman, Place 4: W. M. Pool III.

The election will be at city hall. Also using city hall for county elections that day will be election precinct 1-A, recently created, which will use a room at the end of the building.

hand for the state election to select a United States Senator to fill the unexpired term of Lyndon B. Johnson, who resigned after he was elected Vice-president.

During the time since his resignation and until his successor is elected, William A. Blakley, of Dallas, has been serving as interim senator under appointment by Gov. Daniel. Previously, Mr. Blakley had served for a time as Senator from Texas by appointment of Gov. Shivers.

There will appear the names of 71 Texans who want to be Senator (one to be elected), on the printed ballot, a list of whom has been certified to County Judge Glen Williams.

City Election Also

April 4 is also the day for the Muleshoe city election, and city voters will select an entire council, a mayor and four aldermen.

Therefore city voters will take part in no less than four elections on Tuesday, April 4. One trip downtown for them that day will do it.

Stock Show Judging Set For Friday Night

Judging in the annual Bailey County Stock Show will be staged at night this year, reversing an old custom of holding this part of the show during daylight hours.

Judging will begin at 5 p.m. Friday, March 17, it was announced.

It is believed this will give more local people the opportunity to attend and watch this process, an important part of the show. The show will begin Thursday, March 16, when all animals are to be in the show arena, the school bus barn.

Higher than ever premiums will be offered this year, officials of the show association said.

The Premium List

Each exhibitor to be paid his two highest prizes in each division. Bailey County businessmen and farmers will again be depended upon to furnish the following prizes: Fat Steers — 1st, \$60, 2nd, \$50, 3rd, \$40, 4th, \$30, 5th, \$20, 6th, \$10, 7th, \$8, 8th, \$8, 9th, \$6, 10th, \$6, 11th, \$4, 12th, \$4.

Entry Fees: \$1.00 per head for steers, hogs, and lambs will be

paid in cash on arrival at show barn to defray cost on bedding and new panels.

Premiums will be paid by mail only. Sign receipt on all stock leaving barn.

Necessary reductions in premiums will be made if necessary.

Bailey County 4-H Fund Quota Donated

Commemorating National 4-H Club Week, Harmon Elliott of the First National Bank and Mrs. Louis Henderson, chairman of the Bailey County 4-H Council, announce successful completion of this county's quota of the fund drive for the Texas 4-H Recognition Committee.

The 20 County area is raising \$1770 to go with money from all over the nation to defray necessary expenses of conducting state and national 4-H activities such as the State 4-H Round Up, and National 4-H Congress.

Donors here include Goodland Bible Study Club, Bailey County Farm Bureau, Muleshoe State Bank, Production Credit Assn., First National Bank and two anonymous donors.

Irrigation Gas Users Meeting Set

Bill Millen, president of the Bailey County Irrigation Gas Users Ass'n., has called a meeting for Tuesday, March 14, at 8 p.m. in the county court room.

He urges all natural gas irrigation users to be present as it is very important to have a complete representation. Millen and Wiley Baker, secretary of the county organization attended an area wide meeting held in Plainview last Monday and they have some pertinent information to be discussed.

ADVICE ON GROWING 112 BALES INSTEAD OF 100!

Control Cotton Seedling Disease Means Money In Our Pockets

Especially since their experience with the 1960 crop, irrigation farmers of the Muleshoe area have ample reason to be interested in preventing disease in their cotton.

The Journal has been trying in recent issues to throw some light on the problem of cotton diseases, believing the subject to be of especial interest and urgency right now as the planting season rapidly nears.

The paper has come into possession of a copy of a talk delivered Jan. 30 of this year at Plainview in the Hale County Soil Fertility Meeting by Billy C. Gunter, Lubbock, Extension Service Area Agronomist. By his permission we will print this talk here, believing it to be one of the most important articles we have ever used in the paper, for it concerns vitally the economy of our area.

It follows:

Cotton has its share of diseases. Some kill the plants while others only lower their production efficiency. The Disease Loss

Committee of the Cotton Disease Council estimated for the seven year period 1953 - 1959 that for every 100 bales gained there would have been 112 bales if disease losses had not occurred.

Seedling diseases cause losses other than yield reductions. This is when they set the crop back thus artificially shortening the growing season causing the production of lower and spot fiber grades and lower micronaire.

Another loss, which is difficult to estimate, is reduced efficiency in mechanical harvesting. This occurs when the seedling diseases cause poor stands and rank growth which interfer with machine operations. Another indirect loss is the poor utilization of soil moisture and nutrients. For example, seedlings with damaged roots cannot fully utilize early season moisture before it evaporates. Damaged root systems cannot grow or grow slowly into new area of moisture and nutrients.

Diseases are more severe during years of high rainfall and thus partially nullifying the benefit expected from the additional moisture.

Most often cotton seedling diseases can be controlled to an appreciable extent. Usually the cost of control is not high, therefore, returns from control usually increase the net income.

The major diseases which attack seedling cotton and contribute to losses in the area are Verticillium wilt, Pseudomonas wilt, seedling disease, bacterial blight and Ascochyta blight.

Listed below are some of the control measures to which farmers of the area should give careful consideration:

1. Soil Temperature - Wait until the soil warms up in the spring before planting cotton. Cotton seed germinate and emerge from the soil and grows off slowly when the soil temperature is much lower than 60 degrees F.

2. Rotation - If you have enough good land it is strongly recommended that you consider rotating your cotton with your wheat and grain sorghum acreage. This practice alone will greatly reduce diseases in seedling cotton.

3. Varieties - For diseases such as bacterial blight, select a variety which has resistance.

4. Depth of planting - Cotton seed should normally never be planted more than 2 inches deep and in as shallow a furrow as possible. This will aid seedling cotton in growing off rapidly and give it increased vigor with which to resist disease organisms.

5. Seed treatment - Many of the disease organisms causing seedling disease are seed-borne. The bacterial blight organism is particularly easy to transmit through infected seed. Acid delinting and the use of a good fungicide will assist greatly in reducing the amount of infection.

6. Disease free seed - Know something about the source of the seed which you plant. When possible, plant seed which were produced in a disease-free field. Buy seed which not only germinate good at a temperature of 80 degrees F, but also germinate good at 65 degrees F.

7. Fertility - Practice a balanced fertility program. This will allow your cotton seedling plants to have a balanced diet from the very beginning just like a baby boy or a young calf. This will enable them to start growing vigorously and help to ward off diseases.

8. Sand - When at all possible protect young seedling cotton from blowing sand. Sand damage opens up wounds in the cotton for disease organisms to gain entry.

9. First Irrigation - When at all possible, never water seedling cotton down the row.

10. Plowing - Where cotton is following cotton, a good plowing of 8-10 inches deep will help turn previous cotton crop resi-

due (a source of infection) under so that it will not be in contact with the young cotton seedlings.

Closing remarks - Identification of and information about seedling diseases in your cotton can be obtained by contacting your County Agricultural Agent. Remember, damage caused by seedling diseases can be controlled at a large extent during most growing seasons. Initiation of control measures can be made only when farmers know and put into use all of the available information on control of seedling diseases.

To all of which J. K. Adams, county agent, adds: Right now, before planting time, is the very time to see that we don't have sick seed to go into the ground. We have more than a month, he says, to take whatever steps are needed to see that we put good seed into a warm ground. Many seed disease germs can be killed by acid delinting, he again reminded.

WSCS Members Enjoy Lenten Luncheon

A Lenten Luncheon Program was enjoyed by the members of the WSCS of the First Methodist Church at General Meeting on Tuesday, March 7, at 12:30 p.m. A delicious luncheon was served to twenty-three members and one guest, Mrs. James McPherson.

Parts of the program were given between each course of the luncheon. Mrs. Hilbert Wisian was the program leader. Mrs. Edwin Kirklen and Mrs. Don Sumrow were also featured on the program.

Mrs. Frank Ellis was in charge of serving the meal. Those assisting her were Mesdames Jack Morris, Tootie Middlebrook and Ray Daniel.

Following the luncheon and program, Mrs. Dean Bishop presided during the business meeting.

Two officers gave reports. Mrs. Bill Moore gave a report as Secretary of Spiritual Life. Mrs. Bishop gave a report on Local Church Activities, in absence of Mrs. Mervin Wiltedding.

The meeting was closed with the song "Blessed Be the Tie" by the group and prayer by Mrs. Bishop.

Girl Scouts Enjoy Two Days At Rio Blanca

Girl Scout Troop 39 enjoyed an outing at Camp Rio Blanca, near Crosbyton, Friday and Saturday, March 3-4.

The girls enjoyed cook outs, and many other things. They hiked to Silver Falls and reported a wonderful time. The girls were accompanied by Mrs. Ernest Kerr, committee mother, and Mrs. Vernon Bleeker, assistant leader.

The girls attending were Wanda Harris, Melinda Harris, Wanda Bleeker, Susan Birdsong, Vandale Bleeker, Susan McVicker, Sandra Rundell, Jan Everett, and Pam Kerr.

Mrs. Mary Jo Black To Be Recognized In Tech Services

Mr. and Mrs. Clyde Holt have received the announcement from Texas Technological College, Lubbock, that their daughter, Mrs. Mary Jo Black, will be recognized at the annual All-College Recognition Service Sunday, March 19, at 2 p.m., in Lubbock Municipal Auditorium. She will be recognized for "excellence in scholarship during the preceding two regular semesters".

Her husband, Bill, also is a student in Texas Tech, studying agronomy.

Special sections for the parents of students to be recognized have been arranged and Mr. and Mrs. Holt have been invited to sit in that section.

Power of A New Spring Stirs Muleshoe To Activity

TEXAS GERANIUMS? That's what you might expect the Chamber of Commerce to say. Jeane Garrett, Chamber secretary, looks over the large-type geranium which she claims just sprang up like the magic bean stalk. Spring is in the air.

Warm temperatures in the Muleshoe area are not the only signs of spring. Peach trees are already bursting forth into pink clouds of blossoms; yellow bells decorate the local landscape; and organized groups of various phases of horticulture are becoming active again.

The Agricultural Committee of the CoC met at the Chamber office Tuesday evening to discuss such things as sugar beets; 1967 vegetable outlook for our area, and the possibility of greater vegetable canning facilities.

Mrs. Hamilton Is Hostess For Club

The Progressive Home Club met in the home of Mrs. Gene Hamilton Tuesday, March 7, at 2:30 p.m.

The Vice President, Mrs. Leon Lewis, called the meeting to order. Nine members and one guest, Mrs. Delbert Black, were present.

Mrs. Black was added to the club as a member.

After a business meeting, Mrs. Vera Engleking showed many things to the group which she has made. It was very interesting. Refreshments of coffee, punch, and Brownies were served.

The next meeting will be March 21 in the home of Mrs. W. F. Harper.

Mrs. McSpadden Is MYF Guest Speaker

Mrs. W. B. McSpadden began a series of discussions on the Study of Acts at the regular meeting of the Methodist Youth Fellowship which met in the Youth Chapel Sunday night, March 5.

Mrs. McSpadden, who was introduced by Annamary Elrod, discussed the first seven chapters of Acts of which everyone thoroughly enjoyed.

Sandra Harris presided in the absence of Magam Lamb, president. It was announced that Jerry Franz of Littlefield will be the Youth Director of the MYF during the summer months. He is in his first year at seminar.

Hobby Club Meets In Caldwell Home

Mrs. S. C. Caldwell was hostess for the regular meeting of the Muleshoe Hobby Club which met Tuesday afternoon, March 7. Mrs. Caldwell demonstrated the art of making plastic flowers.

Several ladies in the group made frames for Easter bunnies and others worked on smoked foam pillows.

There were 14 members, 5 visitors and one new member present for the meeting.

The next meeting will be held in the home of Mrs. Zula Carlyle Tuesday, March 21. The group will view the demonstration on Easter decorations.

Johanna Wrinkle and Maurine Hooten Give Program On "Charm"

Johanna Wrinkle and Maurine Hooten gave a program on "Charm" Tuesday, March 7, at the Epsilon Chi Chapter meeting of the ESA Sorority.

After a very interesting and helpful program, a business meeting was held.

Laura Bartlett, Anna Copeland, Jean Gillespie, Maurine Hooten, Johanna Wrinkle, Evelyn Johnson, Helen Krabbs, Vickie Young, Marlene Martin enjoyed the delicious German chocolate cake and coffee served by the hostess, Margie Preceder in the home of her father, Al Cassidy.

Rebekah News

Vice Grand Diana Stewart presided at the regular meeting of the Muleshoe Rebekahs which met in the Hall Tuesday night, March 7.

Representative Mary Tabor and alternate Grace Morgan announced that they are unable to attend the Grand Lodge meeting to be held in Waco March 17. Kelly Smith was elected as representative, and Ona Berry as alternate.

Ona Berry reported that a new IOOF and Rebekah Lodge was instituted in Sunray March 4 and she was one of the 90 members that attended.

After the meeting, the 15 team members enjoyed a Drill Practice.

FAMILY NIGHT AT THE COUNTRY CLUB

Family night will be observed Friday night, March 10, at the Country Club. A Mexican Supper will be served from 6:30 to 7:30 p.m. The fee will be \$1.25 for adults and 75c for children under 12.

Binco will begin at 8 p.m. All members are asked to bring their family and attend.

"SRO" This is a view of part of the group which attended the Senior Luncheon. SRO is slightly misused here because there really wasn't any room to stand. The line of expectant feasters stretched outside the doors of Fellowship Hall Wednesday shortly past noon. The crowd was further swelled by the Lions Club's participation in the event.

TEL CLASS WILL QUILT FOR NEEDY FAMILY

Mrs. Lucille Perkins was hostess for the TEL Sunday School Class of the First Baptist Church Tuesday, March 7.

The meeting was called to order with a prayer by Bessie Harlan. Mrs. Martha Evers brought an inspirational devotional from Matthew 26:26-46.

The class will quilt for some needy family March 14 in their classroom at the church, beginning at 10 a. m. All members are asked to come and bring their thimbles. A hamburger dinner will be served at noon.

PASSED FOR WHITE

Why settle for the inconvenience of an awkward "lift-up" gate?

Before you put hard-earned cash on the line for any compact wagon, just try this: open the tailgate. If it swings up, as shown at left, you could be in for some lumps and bumps on the head as your cargo rolls out. But Falcon's tailgate, with the built-in, roll-down window, swings down. That means easier loading—and 26.1 inches more cargo deck (with tailgate down) for carting those long loads—up to 31% more cargo area with tailgate up. No doubt about it. Falcon hauls more—and that's what you buy a compact wagon for!

Pay up to \$508 more? What for?
Only Falcon offers the just-right compact wagon!

Just Right in Convenience!
Check the current crop of compact wagons. You'll find they all fall short of Falcon's convenience. For instance, seven out of eleven don't give you a handy, swing-down tailgate with roll-down rear window on all models. There's attention paid even to the "little" conveniences, such as two arm rests, two sun visors, two coat hooks, all standard at no extra cost! And of course, you can have your choice of Tudor or Fordor Falcon Wagons, too.

Just Right in Price!
Cast an eye on that low price sticker and you realize what a sensational value the Falcon wagon really is! Imagine . . . up to \$508 less* than some compact wagons, not stripped but equipped the way most people want their wagon . . . including radio, heater, automatic transmission and deluxe trim. With all this that you save on Falcon's low price, you're still driving a dazzling new beauty, handsomer than ever inside and out.

Just Right in Economy!
Of all compact wagons, Falcon's the economy champ! America's sweetest, savingest 6-cylinder engine takes you up to 30 miles per gallon on regular gasoline—4,000 miles between oil changes. And Falcon's sensible engineering makes for rock-bottom repair costs and lower maintenance, too. You save on tires, mufflers, every driving cost in the book. P.S. For an extra measure of performance, try Falcon's brisk, new 170 Special engine option.

by Mrs. D. C. Reed

Wednesday night, March 1 was family night once again. The men and women of the older adult class were in charge of the entertainment and activities.

The Theme of St. Patrick's Day was carried out. The tables were decorated in Green and white with a Shamrock in the center of the tables.

The games were all enjoyed by young and old. The pie eating contest was enjoyed by the boys and girls mostly who got to eat the pie.

Mrs. W. T. Millen and Mrs. D. C. Reed accompanied the F H A girls on their trip to Lubbock to the area I F H A meeting. There were lots of pretty girls and the program was very much enjoyed by everyone.

Sunday morning, March 5, the 4-H of this area were at the Y L Church. There was a centerpiece at the altar that was a very pretty arrangement of white carnations and delphiniums with a green four leaf clover, the symbol of the 4-H tree that showed the fruits of their labors.

There were 17 4-H youth present.

sent. The attendance was good for morning services.

Marvin Don Knowlton has been in the hospital at Lubbock this past week. He is home now and is doing very good. He will not be able to attend school for several days yet, however.

The night services have been low on attendance at the Y. L. Methodist Church. The ones who do not attend are missing something that is good.

There is special singing every Sunday night by some one different. Also the pastor is giving a series of sermons on "How to Live your faith".

You can enrich your spiritual life very much in this time of unrest and turmoil if you just put out a little effort to go where you can get it. The church of your choice wherever it might be.

Rev. Lopez To Speak At First Baptist Church

Rev. Miguel Lopez of the Spanish Mission in Santa Fe, New Mexico, will speak at the morning and evening services at the First Baptist church Sunday, March 12, to climax the W.M.U. Home Missions Week of Prayer.

Everyone is urged to be present to hear this home missionary. During the evening service, he will show slides of the Santa Fe Mission. The programs throughout the week have been on the Southern Baptist Home Mission. There will be a prayer meeting at the church Friday night, March 10. All women of the church are asked to attend.

NOTICE OF ROAD BOND ELECTION

THE STATE OF TEXAS: COUNTY OF BAILEY:

To The Resident Qualified Electors of Bailey County, Texas Who Own Taxable Property in Said County, and Who Have Duly Rendered The Same For Taxation:

TAKE NOTICE that an election will be held on the 4th day of April, 1961, in Bailey County, Texas, to determine whether or not bonds shall be issued by said County to the amount of \$250,000.00, for the purpose of the construction, maintenance, and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas, said construction consisting of the widening of the rights-of-way of U. S. Highways Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Parmer County line; and whether or not ad valorem taxes shall be levied on all taxable property in

said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, in obedience to an ELECTION ORDER passed by the Commissioners' Court of Bailey County, Texas, on the 2nd day of March, 1961, and which order is in words and figures as follows, to-wit:

ORDER FOR ROAD BOND ELECTION

Kerr and 184 others, for an election to be held in said Bailey County, Texas, to determine whether or not bonds be issued by said Bailey County, Texas, to the amount of \$250,000.00, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas, said construction consisting of the widening of the rights-of-way of U. S. Highways Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Parmer County line; and whether or not ad valorem taxes shall be levied on all taxable property in said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity; and

IT APPEARING to the said Court that said petition is signed by more than Fifty (50) qualified property taxpayers of said Bailey County, Texas; and

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Bailey County, Texas;

IT IS THEREFORE, CONSIDERED AND ORDERED by the said Court that an election be held in said County on the 4th day of April, 1961, which is not less than thirty (30) days from the date of this order to determine whether or not the bonds of said Bailey County, Texas, shall be issued in the amount of TWO HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$250,000.00) in conformity with the Constitution and laws of the State of Texas, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in Bailey County, Texas; said construction consisting of the widening of the rights-of-way of U. S. Highways Numbers 70 and 84, being the one and the same right-of-way, from Western City Limits of the City of Muleshoe, Bailey County, Texas, and the Northwestern extremity of American Boulevard, in the City of Muleshoe, Bailey County, Texas, to the Parmer County line; and whether or not ad valorem taxes shall be levied on all taxable property in said County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

THE SAID ELECTION shall be held under the provisions of the Acts of the Thirty-ninth Legislature, First Called Session, Chapter 16, as amended. ALL PERSONS who are legally qualified voters of said Bailey County, Texas, who are resident property taxpayers of said County and who have duly rendered their property for taxation, shall be entitled to vote at said election.

THAT THE BALLOTS for said election shall be prepared in conformity with V. A. T. S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

AS TO THE foregoing proposition, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition; or in the alternative, each voter may vote on the proposition by placing an "X" in the square appearing on the ballot beside the expression of his choice.

THE POLLING PLACES and presiding judges of said election shall be, respectively, as follows:

Precinct No. 1, Polling Place, Muleshoe Election House, Presiding Judge, Ernest Kerr.

Precinct No. 1-A, Muleshoe City Hall, Presiding Judge, Carl C. Barnert.

Precinct No. 2, West Camp Church House, Presiding Judge, Partin Austin.

Precinct No. 3, Longview Church House, Presiding Judge, Bert Seales.

Precinct No. 4, Three Way School Building, Presiding Judge, Gerge Tyson.

Precinct No. 5, Baileyboro Ga. Office, Presiding Judge, Kelly Joe Barnett.

Precinct No. 6, Bula School Building, Presiding Judge, Robert Claunch.

Precinct No. 7, Circleback Gin Office, Presiding Judge, Raymond Gage.

Absentee Box, (County Clerk's Office), Courthouse.

Special Canvassing Board: W. M. Pool, Jr., Dorothy Barron, and W. D. Moore.

THE COUNTY CLERK of Bailey County, Texas, is hereby authorized and directed to cause said notice of election to be published once each week for three consecutive weeks prior to said election, in a newspaper of general circulation published in Bailey County, Texas, and, in addition thereto, by posting notice of such election at four public places in Bailey County, Texas, one of which shall be at the Courthouse door of said County, for three consecutive weeks prior to said election.

A COPY of this order, signed by the County Judge of Bailey County, Texas, and certified to by the County Clerk of said County, shall serve as proper notice of said election.

THE ABOVE ORDER having been read in full, it was moved by Commissioner Stinson and seconded by Commissioner Couch that the same be passed and adopted. Thereupon, the question being called for, the following members of said County voted "AYE": Commissioners Stinson, Couch, Eubanks, and McCall; and no one voted "NO".

PASSED AND APPROVED, this 2nd day of March, 1961, Glen Williams, County Judge, Bailey County, Texas, I. M. Stinson, Commissioner, Precinct No. 1, W. W. Couch, Commissioner, Precinct No. 2, W. H. Eubanks, Commissioner, Precinct No. 3, R. P. deCall, Commissioner, Precinct No. 4

IT WITNESS WHEREOF, I have hereunto signed my name officially and affixed the seal of the Commissioners' Court of Bailey County, Texas, this 2nd day of March, 1961, pursuant to authority given by law and the above order of the Commissioners' Court of said County.

GLEN WILLIAMS, County Judge, Bailey County, Texas

LEGAL NOTICE

NOTICE OF ROAD BOND ELECTION
THE STATE OF TEXAS:
COUNTY OF BAILEY:
 To The Resident Qualified Electors of Road District Number 1-A, of Bailey County, Texas, who own taxable property in said District and Who Have Duly Rendered The Same For Taxation:

TAKE NOTICE of an election to be held on the 4th day of April, 1961, within ROAD DISTRICT NUMBER 1-A, of BAILEY COUNTY, TEXAS, for the purpose of submitting to the qualified electors who own taxable property in said District and who have duly rendered the same for taxation, the following proposition:

"WHETHER OR NOT the bonds of said ROAD DISTRICT NUMBER 1-A OF BAILEY COUNTY, TEXAS, embracing lands wholly within said Bailey County, shall be issued in the total principal sum of EIGHTY-FIVE THOUSAND DOLLARS (\$85,000) for the purpose of the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, within and for said District, under and by virtue of the Constitution and laws of the State of Texas, particularly Section 52 of Article 3 of the Constitution, and Chapter 16 of the General Laws passed by the Thirty-ninth Legislature of Texas at its First Called Session in 1926; and amendments thereto, and which bonds are to bear interest at a rate not to exceed FOUR AND ONE-HALF PER CENTUM (4½%) per annum, and to be issued in such denominations and payable at such times as may be deemed most expedient by the Commissioners' Court, but not to exceed twenty (20) years from the date thereof; and shall ad valorem taxes be levied on all taxable property within said Road District for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption or payment thereof at maturity?"

FURTHER TAKE NOTICE that the manner of holding said election and canvassing and making return thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of Chapter 16 of the General Laws passed by the Thirty-ninth Legislature at its First Called Session in 1926; that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V. A. T. C. S. Election Code, as amended, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

EACH VOTER shall mark out with pen or pencil one of such expressions, thus leaving the other as indicating his or her vote on the proposition.

AND FURTHER TAKE NOTICE that the polling places and officers of said election shall be, respectively, as follows:

Precinct Number 1, Voting Place, Muleshoe Election House, Election Officer, Ernest Kerr.

Precinct Number 1-A, Muleshoe City Hall, Election Officer, Carl C. Bamert.

Precinct Number 2, Voting Place, West Camp Community, Baptist Church, Election Officer, Partin Austin.

Precinct Number 3, Voting Place, Mays Community, Longview Church, Election Officer, Bert Seales.

Precinct Number 4, Voting Place, Three Way Community, Three Way School, Election Officer, George Tyson.

Absentee Box, County Clerk's Office, County Courthouse, Election Officers, W. D. Moore, Dorothy Barron, and W. M. Pool, Jr.

ONLY qualified electors who own taxable property in said ROAD DISTRICT NUMBER 1-A, OF BAILEY COUNTY, TEXAS, and who have duly rendered the same for taxation, shall be qualified to vote at said election.

The above and foregoing NOTICE OF ROAD BOND ELECTION is issued and given by me, pursuant to authority conferred by order of the Commissioners' Court ordering said bond election, duly passed and adopted on the 2nd day of March, 1961.

WITNESS MY HAND AND SEAL OF THE COMMISSIONERS' COURT OF BAILEY COUNTY, TEXAS, this 2nd day of March, 1961.

FROM LAWTON, OKLAHOMA

Mr. and Mrs. Carroll Ray and son, Frankie, of Lawton, Oklahoma visited in the home of her sister and family, Mr. and Mrs. Bill Collins, over the past week end.

EARLY VIEW OF COURT-HOUSE: Bailey County's court-house gleams new and bright through the trees in this early picture. The building was erected in 1926. Thirty-five years later sentiment is strong for a revamping of the building to add working space and to provide a modern jail. Photo contributed by a reader.

Jan McNeill of Dallas Will Bowl Exhibition Matches March 20-21

Miss Jan McNeill of Dallas will bowl exhibition matches in the afternoon and evening of March 20-21 at the Tri-Co Bowling Lanes. She will also give some instructions. All ladies of this area are invited to watch this accomplished bowler. Miss McNeill first got her bowling start in her native Fort Smith, Ark., where she bowled for three years, and in that time, gave an advance indication of great things in the bowling future. Jan was interested in bowling by some of her fellow students at the University of Arkansas.

The first time she bowled, the proprietor of the establishment came over and asked her how long she had been bowling. He then told her that she looked like a natural. With this encouraging start, she turned around and won the title of "Singles Champ" in Fort Smith for two years and "All Events Champion" for one year. Her first tournament was won after only three months of bowling. Upon moving to Dallas in 1956, she forgot bowling for a while, but the bug got her again and in 1958, she returned to the lanes. Since that time, she has won the Tex-O-Falls Invitational Tourney in Wichita Falls, has teamed with Robbie Frey to be the "Dallas Ladies Doubles Champs" and rolled an open play "300", carried an "180 plus".

Anthony Managers Compete For Trip, Employees For Cash

C. R. Anthony, President of the C. R. Anthony Company, which operates 260 department stores in 20 states, has announced that Linal Murray, manager of the Anthony store in Muleshoe and his wife have been offered the opportunity for an all expense paid, around the world market tour.

It was also announced by Mr. Anthony that in addition to the world tour for the manager and his wife, employees in the Muleshoe, Texas store have been offered the opportunity to participate in extra cash benefits. This offer is being made to each of the 260 store managers, their wives and employees throughout the 20 states where Anthony stores operate. Employees of the winning stores will also receive extra cash benefits. In addition, cash amounts are being offered the managers and employees of the eight next-highest stores, based on all-around operation and sales gain.

ABSENTEE VOTING FOR TRUSTEES BEGINS MONDAY

Absentee voting in the Muleshoe school district for trustees will begin Monday, March 13 and will continue through March 28. Ballots will contain the names of four men: Robert Blackwood, Martin Oliver, Joe Embry, and B. R. Putman. Terms of Putman and Blackwood are to expire. Two are to be elected.

"I Passed For White" Fills Demand For New Talent

Thousands of letters sent to motion picture producers and to fan magazines have one common theme: Where are the new faces that have been promised? One of the producers, Fred M. Wilcox, who produced and directed "I Passed For White" for Allied Artists, now at the Moeller theatre, agrees with the clamor for personalities and he has done something about it.

While casting "I Passed For White," Wilcox spent many weeks in New York seeing the hit shows. While attending a performance of "West Side Story" he was electrified by the fine performance given by the feminine lead, Sonya Wilde. Wilcox immediately offered Miss

Wilde the role of the white-skinned Negress in "I Passed For White."

For the role of the socialite New Englander with whom Miss Wilde falls in love, Wilcox turned his sights on another newcomer to films, James Franciscus who, with John McIntire were the team of detectives who roamed "The Naked City," one of TV's most successful crime series. In "I Passed For White" Franciscus has his first motion picture starring role.

"I Passed For White" is a strong, emotional drama of a young negress whose light skin enables her to pass for white when she falls in love with the scion of a wealthy family. Her decision to continue the decep-

tion becomes more involved when she learns she is to become a mother.

Wilcox also wrote the screenplay which is based on a book by Mary Hastings Bradley. The cast includes Michon, Elizabeth Council, Griffin Crafts, Isabelle Cooley, James Lydon and Lon Ballantyne.

The movie is scheduled for a two day run in Muleshoe at the Moeller theatre Sunday and Monday, March 12 and 13.

Recieves "Wings Of Gold"

CORPUS CHRISTI—Navy Ensign Howard L. Fleming, son of Mr. and Mrs. G. W. Fleming of Rt. 1, Box 60, Friona, has his "Wings of Gold" pinned on Feb. 3, by his wife, the former Miss Patricia Bernethy of Burk Burnett, Texas.

He was designated a Naval Aviator in ceremonies at the Naval Air Station, Corpus Christi, and received his wings 18 months after entering the flight

training program and 6 months after arriving at the air station for advanced training.

Ensign Fleming has received orders to the Glyco Naval Air Station, Brunswick, Ga.

RETURNS HOME FROM KINGSLAND
Mr. and Mrs. Allen Haley and Sandra have returned home after a weeks visit with T. Halley in Kingsland, Texas.

Your RIGHT TO VOTE

MR. AND MRS. VOTER, do you feel that you should have an opportunity to vote on legalizing Parimutuel Horse Race Betting?

A constitutional amendment (H.J.R. #4) is being considered whereby Texans will be given an opportunity to legalize horse race betting in Dallas, Tarrant, Harris, Galveston, Bexar, Midland, Hidalgo, Cameron and Webb Counties, subject to approval by LOCAL OPTION.

H.J.R. #4 provides for distribution, ANNUALLY, among all counties that do not have race tracks, one-half of the STATE TAX REVENUE obtained from horse racing. Each county would receive approximately \$1.00 per capita population the first year. Counties where the tracks are located would receive 2% of parimutuel handle. The state's tax income from horse racing alone would run close to \$12,000,000 the very first year—possibly more—besides all the income tourists would bring to Texas—which would amount to millions of dollars, plus a great ad valorem tax on race tracks, breeding farms and many valuable race horses.

Please express your opinion by checking X the appropriate box below. You do not have to sign your name unless you like, but we would prefer it.

- P O L L
- YES: I feel that the people should have an opportunity to vote on horse race parimutuel betting.
- NO: I am not in favor of letting the people vote on the subject.

Young Farmers Grow In Number

The recently organized Muleshoe Young Farmers Chapter is rapidly on the increase. The organization was organized January 23, 1961. The local chapter will be affiliated with the state association of Young Farmers of Texas. At present there are 36 members in the local chapter.

The members are farmers, full or part time, from 18 thru 35 years of age. The organization was formed for several reasons. The main reasons are discussed in the following statements.

Year round educational programs on farm problems. Due to changing trends in modern farming we must keep up to date on all problems related to production, marketing, and agricultural business. We will have an educational program at each monthly meeting.

Social and recreational activities. We all like to get together once in a while to visit, eat, etc. and have a good time in general.

Cooperation and community service. Happy people are those who help their community. We plan to work to the best of our advantage to stimulate community service.

Self-government by the officers and members. The organization will be governed by its officers and members in regular business sessions on activities of the chapter.

The next regular meeting of the Muleshoe Young Farmers will be Monday, March 13, at 7:30 p.m. in the Vocational agriculture building at Muleshoe High School. If you are eligible for membership why don't you attend this meeting. We are having some very fine educational programs and this meeting will be no exception.

DELEGATES ELECTED TO ATTEND STATE THDA MEET
Mrs. Earl Ladd, Mrs. Gordon Murrah and Mrs. Louis Henderson were elected delegates to attend the District THDA Meeting, to be held in Brownfield April 20. These delegates were elected at the regular meeting of the Bailey County Home Demonstration Council, which met in the club room Wednesday, March 1. Mrs. Carrie Huff was elected THDA chairman for next year, assum-

Ministerial Alliance Plan For Easter Services

The Bailey County Ministerial Alliance met at the First Methodist Church here on Monday morning, March 6, for their regular monthly meeting. There were several of the ministers present and the President, Rev. Horace Brooks, presided.

There were several items discussed and acted upon by the Ministers. The final planning for the annual Easter Sunrise service was discussed with the release of the program to be announced next week.

The Ministerial Alliance went on record that we are opposed to the passage of the proposed bill in the Texas legislature concerning the legalizing of Horse racing in Texas.

The Alliance also went on record that we are opposed to the opening of public business houses and unnecessary stores on Sunday. This being in line with the move that is being carried on in several cities of Texas at this time to curb the opening of business on Sunday.

The meeting was dismissed in prayer by Rev. Gleaton, of Progress.

REV. GENE WELCH IS IN LUBBOCK MARCH 8

The regular Wednesday evening services of the Main Street Baptist Church were not held March 8 due to the Pastor, Rev. Gene W. Welch, being in Lubbock to preach at his home church there, the Central Baptist Church.

The regular weekly meeting of the W. M. A. and the Brotherhood will begin tonight at 7:30 p.m. and the monthly Church Conference will be held at 8:30 p.m.

All members of the Main St. Baptist Church are urged to be in attendance for this important conference. Remember that is tonight, Thurs., March 9.

ing her duties after the State meeting to be held in San Angelo.

Plans are being made for Commissioners entertainment, best one in years, so watch for it.

The hat making workshop, postponed, will be scheduled again later. A furniture refinishing workshop is being planned in the near future. Anyone interested should contact a club member in your community.

Award Winning Safety Program Coming March 16

The award-winning Champion Highway Safety Program, which has been seen by more than 2,000,000 high school students will be presented here March 16, MHS auditorium.

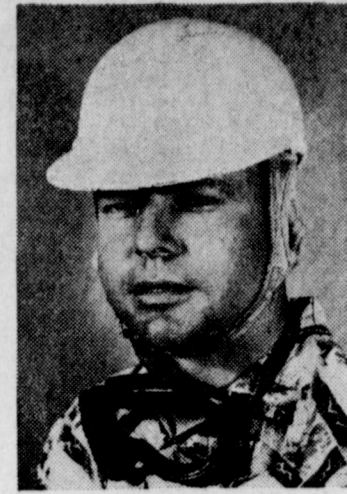

Bill Cheesbourg, one of seven nationally known automobile racing stars now touring the country with the program will appear under the local sponsorship of Muleshoe Motor Co.

This program, now going into its sixth year, has been praised by educators, civic leaders, and law enforcement officials for its unique approach to the serious problem of highway safety.

It features race drivers, who are trained and qualified speakers, delivering lectures on what is required of the individual in becoming a safe driver. Having lived in the world of speed they know its perils and the foolishness of treating driving responsibilities lightly.

The Champion Spark Plug Company developed the program as a non-commercial public service and for it, received the Public Interest Award of the National Safety Council.

In addition to this award, it has received the acclaim of more than 50 newspapers and the Saturday Evening Post. In an editorial the Post said, "The only thing wrong with the program is that the race drivers cannot possibly cover more than a minority of the thousands of secondary schools that need them."

BILL CHEESBOURG

Mr. Cheesbourg, who will present the program here, has competed in three Indianapolis "500" races. An outstanding stock car driver, Mr. Cheesbourg recently won the Detroit "250" late-model stock event. His greatest string of victories were five consecutive Arizona State roadster championships.

CARD OF THANKS

We wish to take this means of expressing our sincere thanks to all those who helped to lighten our bereavement in the tragic loss of our loved ones. For the unusually beautiful floral tributes, the beautiful music by organist and choir, the prayers and words of consolation, the food so lovingly prepared and served and all other acts of thoughtfulness.

Words are inadequate to express our appreciation. To those who sent flowers from which cards may have been misplaced, please accept this as our thanks to you. May God richly bless each of you is our prayer.

Texas Farmers Producing Higher Crop Yields

College Station — Census figures reveal that Texas farmers are consistently producing higher per acre crop yields. The use of fertilizers and irrigation has contributed greatly to this yield increase, and many farmers now use a soil test to determine the kind and amount of fertilizer to apply. These and other practices serve to improve growing conditions, thus resulting in higher production.

There is one problem that increases with this increased yield, however, says Lee Coffey, extension agronomist. Noxious weeds take advantage of the improved growing conditions just as do the desired plants.

One way to ease the weed problem, says Coffey, is to read the seed tag before buying. The Texas Seed Act requires that all seed offered for sale at a seed store must be tagged with the percentage of weed seed and the number of primary or secondary noxious weed seed per pound. This law prohibits any seed from being sold which contains more than 100 noxious weed seed or 300 secondary noxious weed seed per pound. It is also a violation of the law to sell seed which contain field bindweed, hedge bindweed, or nutgrass seed.

Coffey says that some of the primary noxious weeds in Texas are dodder, wild garlic, Johnsongrass, Russian knapweed, wild onion, and Canada thistle. He lists Bermuda grass, blueweed, wild carrot, cheat, cocklebur, darnel, curly dock, goatgrass, horse nettle, purple nightshade, Russian thistle and sheep sorrel as some of the secondary noxious weeds found in this state.

Grain Sorghum State Program Now Underway

College Station — All Texas certified hybrid grain sorghums and corn hybrids have been placed on the eligible list for planting under the rules of the 1961 production programs. Ben Spears, extension agronomist, says this is a major change from former years and should make the results even more meaningful.

As in past years, the Texas Certified Seed Producers, Inc., in cooperation with the Texas Agricultural Extension Service, will sponsor the production programs, Spears says.

In the case of grain sorghum hybrids, each participant must plant at least one acre of any one of the following hybrids: RS 590, 608, 609, 610, 630, 650, 661, 681, or Texas 601, 620 or 660. Each participant is also required to keep an accurate record on his demonstration and make a final report to be eligible for a cash award. Adults, 4-H or FFA members may enroll with the local county agent. Those participating in the corn production phase of the program must plant at least one acre of any one of the following hybrids: Romberg 126, Watson 111, TRF No. 3, 9, 10 or 13; Texas No. 9W, 17W, 26, 28, 30, 32, 34, 36 or 38.

Separate divisions have been included for dryland and irrigation farmers. The State has been divided into five areas and awards will be made to the top producers in each. Special recognition will go to the outstanding producers in both classifications.

Spears adds that detailed information on the programs have been mailed to all county agricultural agents in Texas. He suggests that interested growers check with the local agent for needed information.

SANDHILLS PHILOSOPHER DEMANDS Right To Be Misquoted If He Says Something He Wishes He Hadn't

Editor's note: The Sandhills philosopher on his Johnson grass farm needn't look to us to help him out on the problem he discusses this week. That's his lookout. Dear editor: There's a peculiar occurrence that shows up in the news every once in a while that has always puzzled me.

There's been a mistake. I been misquoted. I been misconstrued. I been taken out of context. When I said March 9, I didn't mean March 9, 1961, I meant March 9, 1971. There's a big difference, you know. Let's set the record straight. I don't know why it is, they don't read the newspapers enough I guess, but if you tried to pull this on the bankers I know, the story wouldn't end there, like it does in politics. Or take my neighbor. He's always misquoting me. Just this morning he came over and said, "Where's that pipe wrench you said you'd return in two hours when you borrowed it two hours before last?"

FARM BUREAU TID - BITS

Farm Bueau believes America's unparalleled progress is based on the freedom and dignity of the individual, initiative, and equal opportunity, sustained by our faith in God and our mortal and ethical values. Farmers prospects will be dark, if they wait for a "good farm program", because governments of free people are directed by politicians--how do they stay in office? By pleasing the majority or the voters. Consumers outnumber farmers ten to one. Therefore, any farm program will be evaluated by Congress on its acceptability to consumers rather than on how well it serves farmers.

BABSON SUGGESTS Best Way To Decrease Unemployment

Babson Park, Mass., March 9 Each week some new proposition comes from the White House promising to reduce unemployment. These vary all the way from paying veterans' insurance money in advance of dates due to increasing the minimum wage. To my mind none of them are of any real value. The first suggestion would put more money into circulation immediately, but would reduce the amount available later. As to increasing the minimum wage, this will cause merchants and others to reduce the number of their employees so that the higher wage will not cost them more in total. This will result in increasing unemployment without increasing total purchasing power.

the people unemployed. Certainly the government would be justified in subsidizing merchants selling certain products as if subsidizing farmers living in certain states. These merchants are doing as much for the nation as are the farmers. In fact, the farmers are dependent upon the merchants to sell their farm products. No one of us goes to the farmer direct to buy wheat, corn, potatoes, tobacco, barley, or any product of the farm. I would advise against permitting the government to change advertising rates; but suggest allowing certain temporary payments to newspapers and broadcasters for increasing the advertising space or the sale of products which require much labor--the percent of subsidy depending upon the amount of unemployment involved. Russia and "Full Employment" President Kennedy cannot, at least will not, go to Russia to seek disarmament while there is a large amount of unemployment in the United States. To make any satisfactory deal with Russia to reduce the "cold war", the President needs to have full employment here at home. Yes, we should actually have a shortage of workers in order that those workers then discharged by plants now making missiles, rockets, and other weapons will be able quickly to get jobs in peace industries. Some of President Kennedy's suggestions will help the employment situation in a small way, but his ideas will not come near providing "full employment." Only advertising--natural or subsidized--will accomplish this. Subsidizing advertising to reduce unemployment is something which I would like personally to help with. Secretary of Defense McNamara should immediately operate a new division to study this problem which I am today urging in this column.

to one year, and eliminating the notary requirement. We are sure everyone knows American Farm Bureau opposes the proposed Feed Grain bill. Reasons are that there was no indication to what would be proposed for wheat, and they are closely related products. The cost of administration of the program would be much higher than estimated by the administration. The portion giving CCC the right to sell stocks as low as 17 per cent below the support would eliminate any private marketing. (Present requirement for sale of CCC stock is 105 per cent of parity, plus costs). We invite you to come into the office and read Farm Bu-

LONE STAR AGRICULTURE

MORE OPERATING CREDIT FOR FAMILY FARMS A prompt attack on the essential short range credit problem for farmers operating on a family-size scale was predicted not long ago by Texas Agriculture Commissioner John C. White after a visit with U. S. Secretary of Agriculture Orville L. Freeman in Washington.

Today's Meditation

Read Luke 15:11-24 This my son was dead, and is alive again; he was lost, and is found. (Luke 15:24) The most famous of all parables, the Prodigal Son, should be named the Parable of Parenthood. Jesus revealed in it, as could be done only by a heart-warming story, the dimensions of God's fatherhood and the qualities of His fatherliness. He does not forget our sins with a shrug, saying, "Never mind; it's nothing." He does not erase the hurt, or cancel out the injury, or blot out the guilt. Instead, He forgives, without taking away an ounce of the enormity of the sin. He removes the power of sin over us. Loosens its hold upon us, releases us from the guilt complex--so that we can find our way back to fellowship with Him. We do not deserve it, and we cannot hope to understand it; but like the blessed good parent He is, our heavenly Father assures us that, seeking forgiveness and fellowship, we belong to His household of faith. There we can be at home with Him.

PRAYER: Eternal Father, we thank Thee that in Thy wisdom Thou hast placed the solitary in families, and that Thy loving kindness provides for our every need, comfort, and counsel. Guide us as we go through the growing pains of becoming mature members of Thy family. In Jesus' name Amen. THOUGHT FOR THE DAY In mercy and by grace, God forgives us our sin. --T Otto Nail (Minn.)

ped to around four-fifths of the parity level. It is the intention to reverse the downward trend in farm income and enable efficient family farmers to earn and get parity of income. When the new farm program becomes effective, these efficient family type farmers will again be good commercial credit risks. It would be unthinkable to allow many efficient farm families to give up the struggle now because they are unable to obtain credit needed to finance 1961 operations.

Farmers Union For Feed Grain Bill

DENTON -- Texas Farmers Union is actively supporting the Kennedy Feed Grain Bill now being considered by House and Senate. State President, Alex Dickie, Jr., stated, The bill would increase needed farm income of feed grain producers by about 20%. The bill represents a savings of more than five hundred million dollars over the existing program for this year, Dickie stated. Our farmers and ranchers are urged to get off telegrams and letters to Secretary Freeman and Senators Yarborough and Blakeley and all Texas Congressmen in support of the Feed Grain Bill, Dickie further stated. Dickie stated that this is the first Kennedy farm bill and it is very vital that we farmers help in passing this measure. It was the big Texas farm vote that elected Kennedy and we need now to support him in his effort to improve farm income.

Vigilance Against Surprise Attack

Hoegh Explains Warning Network

The surprise which an enemy achieved in the Pearl Harbor disaster cannot be repeated today, says Director Leo A. Hoegh of the Office of Civil and Defense Mobilization.

His job includes responsibility for operating the National Warning System (NAWAS), with its coast-to-coast network of 376 warning points.

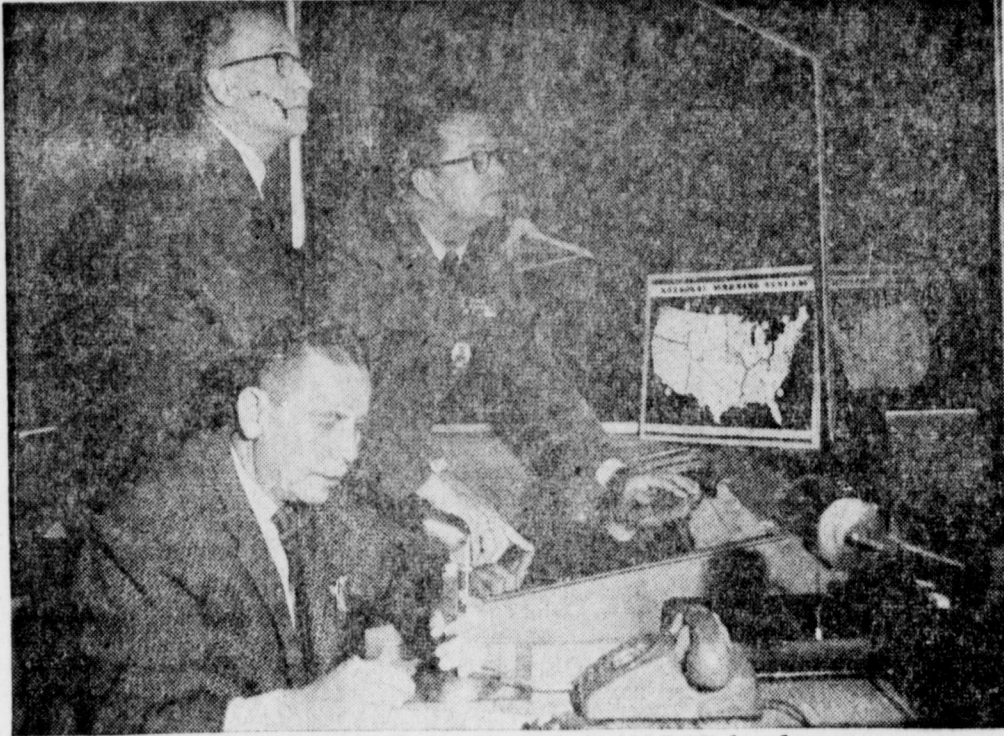

A comparison of measures in effect Dec. 7, then and now, reveals preparedness progress:

THEN . . .

The air attack warning system guarding Pearl Harbor on Dec. 7, 1941, consisted of five mobile radar sets. Their limit of detection, about 130 miles. Liaison with civil defense—none. Personnel—newly-trained in radar operation. Alert status at moment of attack—in midst of training exercise, officially alerted only to possible sabotage. No air attack alert in effect. Contact with public information media—none. Warning time between moment of attack and first widespread public warning—50 minutes.

NOW . . .

In Dec. 1960, the entire North American continent is guarded by thousands of miles of radar belts and continuous air patrols that extend our detection system around the earth. These detec-

OCDM, Air Force officers at work in NORAD headquarters

tion outposts are linked directly to civil defense warning units which are tied to NAWAS warning points by safe communications. An approaching attack would trigger a nationwide CONELRAD ALERT from North

American Air Defense (NORAD) headquarters, activating the civil defense emergency broadcast system comprising nearly 2,000 radio stations.

Personnel—warning officers with years of experience. Alert

status—24-hour vigilance against air or sea attack. Contact with mass public information media—instantaneous, through radio-TV national networks and press wire systems. Warning time—90 seconds or less to every State.

Shelter Seen Best Defense For Fallout

Nineteen years ago this Dec. 7, the Japanese attack on Pearl Harbor caused all Americans to realize "it can happen here."

Dec. 7 this year will mark the third annual National Civil Defense Day, dedicated to the conviction that vigilance must be maintained night and day because of enemy threats. Against such threats our Nation's vast warning net is designed to be so reliable that the enemy could not achieve a surprise attack, civil defense officials assert.

Most Americans could be saved by taking simple but adequate civil defense measures now.

Director Leo A. Hoegh of the Office of Civil and Defense Mobilization points out that "fallout shelter protection is the best single non-military defense measure for the greatest number of our people."

He has called home fallout shelters "the lowest-cost family insurance obtainable." These cost from \$150 for a "do-it-yourself" basement shelter to \$1,500 for a custom-made shelter fixed up to serve as an extra room.

Key to the effective use of such shelters is the National Warning System geared to alert Americans from 376 warning points linked to the North American Air Defense Command.

The Art of Making Bread

Have we lost the art of making yeast bread? How long has it been since you made a loaf of home made bread? Why not treat your family to this special food that brings the votes of approval from all members of the family?

The extension service bulletin, "Yeast Breads", contains recipes for loaf bread, rolls, sweet rolls, coffee cakes, cinnamon rolls, and so many other interesting yeast raised breads. It has very good pictures to show how to do so many of these delicious breads. Do call me at 3-9130 and ask for a copy. If you cannot call, write a card and ask for the bulletin. I will be glad for you to have a copy free.

While I am on the subject of bread, I would also like to tell you about a wonderful quick bread mix that you can make in your own home for a fraction of the cost that you would pay at the store, and you can do so many things with it. It is called Master Mix and here is the recipe:

9 cups sifted all purpose flour or 10 cups sifted Cake Flour.
1/3 cup double-acting baking powder.
1 tablespoon salt.
4 cup sugar.
1 teaspoon cream of tartar.
2 cups shortening which does not require refrigeration.
Stir baking powder, salt, cream of tartar and sugar into

Maple News

the flour. Sift together three times. Cut in the shortening until the mix is consistency of corn meal. (I use my electric mixer to do this, sure saves time.)

Store the mix in a covered container at room temperature on the cabinet shelf. To measure the mix, pile it lightly in to cup and level off with a spatula.

To make Griddle Cakes or waffles:
Use 3 cups of the mix and add 1 1/2 cups milk.
1 egg.

Merely blend the mix with the milk and egg. Do not beat. This makes 18 griddle cakes or six files.

If your family is small and there are only two of you, use this recipe:

1 cup mix.
1/2 cup milk.
1/2 or 1 yolk egg.

This will make six griddle cakes or two waffles.
I will give more recipes that you can use with Master Mix next week.

The next meeting was postponed until May 13, 1961 because the elimination contest will be on the day of our regular meeting. The meeting was adjourned with the 4-H Prayer, led by Sheryl Stevens. There were 12 members present.

Young Farmers Back Stock Show

The Muleshoe Young Farmers Chapters believes that the Bailey County Fat Stock Show is a very important function of this community. This activity provides for the agricultural development of the rural youth of America.

The livelihood of this area is definitely derived from agriculture. If there is no agriculture there will be no business. In other words there would be no community if there was no agriculture. Agriculture is the basic backbone of the entire nation.

Why don't you come to the Stock Show and see the qualities of agricultural development of youth. See the thrills and disappointments of the exhibitors. See the satisfaction of a job well done. A disappointment is only a challenge to try again and succeed. In this activity everybody wins because they derive experience, knowledge of livestock, showmanship, and sportsmanship.

We the Muleshoe Young Farmers want to thank the Muleshoe Chamber of Commerce for all that they do to promote this stock show. We want to express our special appreciation to the board of directors of the Bailey County Stock Show for their diligent and untiring efforts to promote such an event in this county.

We the Young Farmers of this area are behind this community activity all the way. We feel that this kind of activity must and will continue indefinitely. We will be looking forward to seeing everyone in Bailey County at the Fat Stock Show on March 17. The judging will start at 5 o'clock in the afternoon. Many a farmer or rancher has his short-term debts completely out of balance with his long-term debts. Good management dictates that he keep his operating or short-term credit in balance with his capital or long-term credit. By doing this he will be able to meet repayments with more ease.

While a Land Bank loan will not reduce your total indebtedness, it has provided the key to a balanced debt load to thousands. Most likely a Land Bank loan is the answer to your credit problem.

Without obligation, come in and let's see how it can be made to help you get your debts in balance.

DON'T DEplete YOUR LAND!

INCREASE CROP YIELD MAINTAIN SOIL FERTILITY WITH ARMOUR FERTILIZERS

Investment in proper fertilization pays two ways. First, good fertilization increases crop production, and can return up to \$3 for every \$1 invested. Second, it improves soil fertility, the land's most valuable asset.

Every crop harvested and removed from the land takes large quantities of the vital plant food elements necessary to grow good crops. Among these are nitrogen—which gives dark green color to plants and produces rapid growth, phosphorus—which stimulates early root formation and growth and gives plants a rapid and vigorous start—and potassium—which imparts increased vigor and disease resistance, and many valuable minor and trace elements as well. If this plant food is not replaced, soil fertility is depleted, and both yield and quality of future crops suffer.

This chart indicates generally the amount of each major element removed from the soil by a characteristic yield of a key crop:

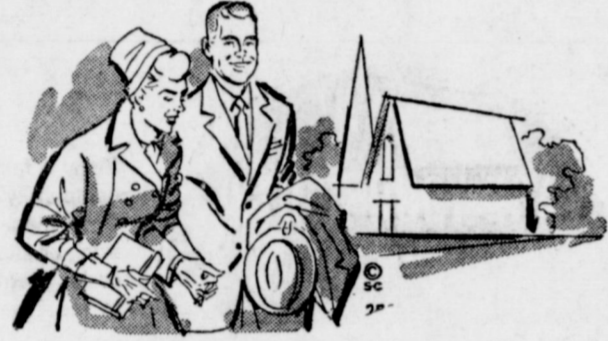

CROP	YIELD	Pounds of Plant Food Removed*		
		NITROGEN	PHOSPHATE	POTASH
CORN (grain)	100 bushels	90	65	25
	6 tons	70	25	95
COTTON (lint and seed)	1500 lbs.	40	20	15
	(stalks, leaves, and burrs) 2000 lbs.	65	10	35
WHEAT (grain)	40 bushels	60	25	15
	(straw) 1.5 tons	20	5	35
MILO (grain)	60 bushels	50	25	15
	(stover) 1.5 tons	65	20	95

BULA NEWS BRIEFS

Mr. and Mrs. A. T. Tarter and son, Jimmy, of Lubbock, were lunch guests Sunday of her mother, Mrs. B. S. Settiff.

Attending the Area FHA meeting in Lubbock held in the Municipal Auditorium Saturday were Donna and Kay Spence, Wanda Hubbard, Betty Holt and Jackie Risinger, and Chapter Mother. Carrying the girls was Mrs. John Hubbard. Jackie was voting delegate, and Donna registered the group.

Parts that were suggested by girls, as being most interesting to them were interpreting of the modern dance, presentation of some personality pointers, and the description of Chantilly lace.

Mrs. W. F. Tirey and daughters, Bonnie and Jeanie, of Lubbock, were visitors Sunday night at the Church of Christ.

Girls Auxiliary of the First Baptist Church met Wednesday afternoon at 4 p.m., at the church, with 10 girls present. Their teachers are Mrs. Edd Crume and Mrs. C. A. Williams. Their lesson was entitled "Journey Into Home Missions" with 4 girls taking part. Barbara Williams was the traveling GA who issued money so they might carry on mission work. Missions represented were French, Mexico, Indians, and among the dead.

Hostesses for the meeting were Betty Salyer and Juana Young, and they served cookies and Kool-Aid to all present.

Attending were Betty Salyer, Donna and Diane Crume, Beverly and Elaine Tiller, Juana Young, Joyce Sowder, Diane Teaff, Terry Claunch and Barbara Williams.

Mr. and Mrs. E. O. Battaes attended the funeral of his father, J. A. Battaes, held at the

Sandy, Okla. Baptist church, Friday afternoon at 2 p.m. Burial was in Memorial Cemetery in Hollis, Okla. Mr. Battaes was 85 years of age.

WCS Meet

WCS met Tuesday afternoon at 2:30 at the church with eight ladies in attendance.

Program was opened with song, "He Leadeth Me", followed by Mrs. Medlin reading of the 27th Psalm, and Mrs. Bahlman giving a reading entitled, "Giving Thanks On Lent", and Mrs. Paul Young giving opening prayer.

Other ladies having part were Mrs. Simmons, giving reading entitled, "I Was An Alcoholic"; Pastor and Mrs. Roy Young giving reading entitled, "Freedom From Fear In Prayer."

Attending were Mrs. George Bahlman, Mrs. C. K. Holt, Mrs. Roy Young, Mrs. Paul Young, Mrs. C. L. Cox, Mrs. W. E. Nichols, Mrs. L. H. Medlin, and Mrs. F. L. Simmons.

Mr and Mrs. Earl Partain of Littlefield attended services Sunday evening at the Church of Christ and visited with Mr. and Mrs. Bud Hammons.

Lisha Rachelle is the name that's been given to the daughter that was born to Mr. and Mrs. C. K. Pierce on Friday, March 3, at 8 p.m., in the Medical Arts Hospital in Littlefield. She weighed 6 lbs., 3 ozs. The maternal grandparents are Mr. and Mrs. M. O. Shaw of Tipton, Okla., and the paternal grandmother is Mrs. Ben Pierce of Bula.

In Faith . . .

Read Matthew 21:22-27
"Whatever you ask in prayer, you will receive, if you have faith." (Matt. 21:22. RSV.)

Trying to catch an empty boxcar, I was running alongside a train in the dusk. "Grab those rods!" cried a hobo who was already riding the train. Three or four more steps and I might have fallen under the wheels of the train.

When I was safe on top of the boxcar, and the shock had subsided, I looked at my watch. At home my mother was saying her evening prayers.

Although that incident occurred 35 years ago, the vividness of the moment has never left me.

The power of prayer has always been very real to me. I have never ended my day without a prayer for God's protection over my loved ones—as well as over all His children.

I think God used that hobo as the medium thru which a prayer — my mother's prayer — was answered. We never know when we are being the means thru which God chooses to answer someone's prayer.

PRAYER

Dear God, we thank Thee for the promise of answered prayer, thru faith. Help us also to avail ourselves of the listening prayer—when Thou speakest to us. Teach us to pray always "Thy will be done." In Jesus' name we ask it. Amen.

THOUGHT FOR THE DAY

in keeping with God's will.

When Christ cleanses us of sin, He enables us to grow in keeping with God's will.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses

ASK - SEEK KNOCK

Everyone knows that success comes not to those who merely desire it, but to those who achieve it through long, hard work.

It is odd then, that in the spiritual area of life some people should expect blessings to come for the asking.

Those who really understand PRAYER know that it's more than mere asking. It is seeking. It is the hungry search for truth and moral enlightenment . . . digging for spiritual gold in the hills of life.

But PRAYER is something more even than seeking. It is knocking . . . meeting life's obstacles bravely . . . waiting with patient determination until closed doors open . . . entering portals that the more timid pass by.

We wouldn't really need churches if spiritual growth came for the asking. But we do need churches to help us seek the treasures of God. And through our churches, with the united strength of millions of Christians, we knock on the portals of the more abundant life—and there find it.

LAZBUDDIE NEWS

Bridal Shower

A bridal shower honoring Mrs. Sam Cox, nee Sandra Allison, was given Thursday afternoon in the Educational Building of the First Baptist church of Lazbuddie.

The bride's colors of blue and white were carried out in the decoration. The table was beautiful with a miniature bride and groom holding a blue net umbrella in a garden of sweet peas.

The table was covered with a lovely white lace cloth. Refreshments were served from cut crystal. The blue iced cake with blue and white buds was served by Elaine Burgess. Clear punch was served by Evelyn Winters.

The hostesses gift was a lovely white blanket bordered with pink, printed with green Lily of the Valley. Also a pair of printed sheets were given by the hostesses. The hostesses were Ruby Gordon, Vergie Mason, Elaine Burgess, Artis Ivy, Irene Stenson, Ruby Morton, Paulene Houston, and Louise Agee.

Mrs. John Agee gave a prayer- vocal. Rosemary Agee and Louann Black sang "With a Song In My Heart", accompanied by Mrs. Agee at the piano.

Friends and relatives attending were from Muleshoe, Dimmitt, Earth, Friona, Farwell, and Lazbuddie.

Randy Bush, age 8, was honored with a birthday party in the home of his parents, Mr. and Mrs. Max Bush Saturday. Guests were Brad Black, Jim Paul, John and James Guley, Nancy and Dianne Bush. Birthday cake, ice cream, and punch was served after gifts were opened and games played.

Mr. and Mrs. Max Bush have just recently moved to our community. We welcome them and hope they like their new home.

The Lazbuddie senior and junior 4-H Club girls have their display in the window of the Lazbuddie store this National 4-H Club Week. I'm sure you will want to go by and see how the girls have progressed in their work.

Mr. and Mrs. John Tower from Windsor, Calif., visited with the Davis Gulleys last weekend. Other guests Sunday were Mrs. Guley's mother, Mrs. W. W. Humphrey and Mrs. Charlie Crume, both of Farwell.

Mr. and Mrs. Charlie Glover visited with his sister and family, the W. F. Harpers in Muleshoe Sunday.

Dean Hinkson and Earl Meham from Cairon, Neb., were guests in the Frank Hinkson home this week. Mr. Meham is Mrs. Hinkson's father.

Mr. and Mrs. Joe Bates Jennings, Hoppy and Tamra attended the basketball game at Lubbock Friday evening and witnessed the Texas Tech victory. The Jennings also visited their son, Darrell, while there.

The Truth Seekers Sunday School met with Mr. and Mrs. Raymond Houston in their home Tuesday evening for a social. Games of Mexican Dominoes were played and enjoyed by all. Those attending were the Bill Currys, Buster Morgans, Joe Praters, Alton Morris, Glen Scotts, John Littlefields, Earl Petersons, A. E. Redwines, Wesley Barnes, and the Houston.

Pie, coffee, and soft drinks were served. Nola Treider kept the small children in the nursery in the Baptist church at Lazbuddie.

Mrs. Raymond Houston visited her sister and family, the Lynches, in Slaton Friday and to bring back her father, J. T. Bostic, who was at his daughter's home in Slaton. Mr. Bostic will visit the Houston for several days.

A gospel meeting will begin Sunday in the First Baptist church. The meeting will last

through the 19th. Rev. Bill Mark will be the speaker and Jack Neighbors will lead the singing. Both are from Lubbock. The public is invited to attend.

Mrs. Les Bruns has been taking a course in senior oral English three days a week at Clovis provided by ENMU from Portales. Mrs. Bruns is also taking a course in history taught over TV from Amarillo College. Mrs. Bruns went to Amarillo Saturday to take a written test in history.

Saturday afternoon Feb. 25, a work shop was held in the Hub community building so that the girls of the senior club might learn more fully how to fill out the standard reports from which is part of their record book. Members present were Judy Koelzer, Linda Gleason, Marsella Mayfield, and Marianna Gammon.

Congratulations go to the following boys for receiving awards on grain and cotton: Cooper and Steve Young, Danny Miller, Buddy Embry, Terry Parham, Gary Eubanks, Dick Chitwood, Gary Coker, and Jimmie Seaton.

Ruby Bruns went to Clovis Thursday to meet her brother-in-law, Joe C. Hutchins from Calif. for a short visit. Mr. Hutchins is the Supt. of San Maracas school and was on a special train coming through Clovis.

Birthday greetings this week go to Jimmy Broadhurst - 5th, Jerry Smith - 5th, Ray Teague - 7th, Morris Bruns - 6th, Marjiana Gammon - 10th, and Gary Wayne Harris - 11th.

The W.M.S. of the First Baptist Church met Monday morn-

ing at the church to open the week of Ana Armstrong Home Mission in observance of National Prayer Week. Fourteen members were present. The ladies met each morning at 9:00 at the church. Cottage Prayer meeting was also held in the various homes of the members this week for the revival that is to open Sunday at the church.

The Lazbuddie P-TA met at their regular time Monday evening in the school auditorium. The school board met with the patrons to discuss objectiveness and policies which may be of help to the school.

CHRISTIAN SCIENCE SERVICE

The indestructible nature of man's spiritual faculties will be stressed at Christian Science church services Sunday.

Matthew's account of Jesus' healing of the two blind men (ch. 9) will be read. The Lesson-Sermon entitled "Substance" will also include this verse from Proverbs (20:12): "The hearing ear, and the seeing eye, the Lord hath made even both of them."

A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (162: 13-16): "The indestructible faculties of Spirit exist without the conditions of matter and also without the false beliefs of a so-called material existence."
